

# The Charismatic Charlie Wade Chapter 1596 – 1600

## Chapter 1596

Charlie took the folding fan that Philip had given him from Delon, and personally gave it to Elsa's grandmother, and said: "Grandma Dong, this is a little bit of love from me and Claire. I hope you will accept it. In addition, what happened just now For your birthday banquet, I am here to apologize to you and hope you can forgive me."

The Old Lady was a little flattered and hurriedly said: "Mr. Charlie is polite. What happened just now was that my grandson did not do the right thing. In the final analysis, it was because we neglected to discipline and caused you trouble."

As she said, she looked at the folding fan and said, "Mr. Charlie, this fan is too valuable, and I really can't stand its value!"

Charlie hurriedly said: "Grandma, the gift is a kind of heart, it has nothing to do with value. You don't have to be polite. To be honest, I didn't spend any money on this fan. It was a gift from the chairman of the Gu Group. I just borrowed flowers to present it to you. Don't be so polite with me."

Elder Dong on the side knew that this fan belonged to Philip, and he actually hoped that the Old Lady would accept it.

After all, the value of this fan itself is very high, and the additional value behind it is even higher.

If you have this fan, the Dong family and the Gu family are still in touch. If Philip sees the face of this fan in the future and can help the Dong family, wouldn't it be a big profit?

Therefore, he opened his mouth and said: "Oh, Mr. Charlie is so polite! Our old man and wife are extremely grateful too! If Mr. Charlie has anything to do with the Dong family in the future, just one sentence, the Dong family will definitely go all out!"

When the Old Master said this, it was tantamount to accepting the gift.

Charlie also knew that the Old Master had his wisdom, so he nodded and said, "Grandpa Dong is too polite!"

As a result, the Old Lady had to put down the folding fan.

Seeing this, Weiliang said, "I tell you, Mr. Charlie has a very high status in my uncle's mind, and he is equal to half a son. If you please Mr. Charlie in the future, the Gu family will not treat you badly!"

The crowd nodded hurriedly and said yes, and their hearts were happy.

Especially Mr. Dong.

The look in Charlie's eyes is no different from that of grandson-in-law.

Elsa was in a trance.

She really can't understand why Charlie is so capable, and it doesn't matter if he has conquered a lot of Aurous Hill local rich. Even Eastcliff's third-ranked Patriarch of the Gu family attaches so much importance to him. Is it possible that he sees Feng Shui so well?

When she thought of this, she felt a sense of inferiority in her heart.

Although she is the eldest granddaughter of the Dong family, and she does not look inferior to other women, she is still a little embarrassed compared to a man with endless potential like Charlie, and feels that she is really unworthy of him.

However, she immediately thought of her best friend Claire.

She couldn't understand why Claire had such a good life? What luck is it to have such a good man who would rather be married to her and be guarded by him!

If it were to be her, she would have given Charlie a bunch of children, loved each other every day, and lived with him wholeheartedly.

But what about Claire?

So far, there is no real marriage with Charlie...

Thinking of this, she feels deeply for Charlie...

## Chapter 1597

Subsequently, the birthday banquet officially began.

Charlie was enshrined as a guest and sat beside the Old Lady with Elsa and Weiliang.

After the opening of the banquet, the Dong family took turns to toast to him, their expressions, tone, and actions were full of compliments.

Charlie didn't have much air, and someone would drink it when they came to toast. Even if Delon only came to toast, he would drink it readily.

During Weiliang's period, he also carefully toasted Charlie, licking his face and said, "Mr. Charlie, there is something I want to ask you, brother..."

Charlie knew what he wanted to say, but just wanted to restore his ability.

However, in view of the bad behaviors of their family of four and Philip's family of three, Charlie would never let them recover right now.

Adults, have to pay for their actions, otherwise, how can they remember their lessons?

Therefore, he didn't wait for Weiliang to finish, he interrupted lightly: "Weiliang, you have looked at this from beginning to end today. You should also know, why should I ask Delon to go to Aurous Hill to reform for a year?"

"Yes, yes!" Weiliang nodded repeatedly and said, "Mr. Charlie, you are upright and fair, and you are naturally trustworthy, but for this matter... Can you give us the same as you did with Delon? Set a time? So that we have hope in our hearts, what do you think?"

Charlie nodded and said, "You also know that Delon does no evil, it is nothing more than a lower mouth, so I asked Delon to reform for a year, but you four, you are doing too much, and you even wanted to take my life before. The threat, of this nature, is much worse than Delon!"

Weiliang's face was covered with cold sweat.

He knew what Charlie meant.

Delon had a fight with him, and if he lost, he had to reform for a year.

With his father, third uncle, and cousin, the four of them forced the uncle to hand over trillions of property, and even threatened to solve aunt and cousin after his death. This sin is really much more serious than Delon's.

Moreover, the uncle is the good brother of Charlie's father, Changying, and the aunt is the good sister of Charlie's mother. The cousin is the fiancée of Charlie's marriage contract since childhood. With such a close relationship, Charlie must hate the four of them even more!

Speaking of Delon, Delon's mouth and guns have been reformed for a year, wouldn't the four of them be reformed for ten or twenty years?

When he thought that the next ten or twenty years might not be able to bear children, and even less qualified to enjoy the comfort in that respect, Weiliang wanted to die.

With a bitter face, he pleaded: "Mr. Charlie, for my uncle's sake. Forgive us this time... Or you can shorten the time for the transformation... .."

Charlie said indifferently: "It depends on your performance. If you perform well, it may be enough for three to five years. If you do not perform well, it may not be for 20 to 30 years."

Weiliang was about to cry, and whispered, "Master, you will be my brother-in-law from now on, and I will be your brother-in-law from now on. You can look at this relationship, please forgive me. If your brother-in-law is impotent in the future When the news goes out, your will lose face too, don't you think?"

Charlie smiled: "I think it's okay, there is nothing shameless."

"Uh..." Weiliang almost collapsed.

Charlie simply doesn't get in oil and salt!

He also wanted to rely on his cousin's relationship to do some tricks, but he didn't expect that they would not give a chance.

Moreover, even if you perform well, it may take three to five years, three to five years of abstinence, isn't this killing your own?

But apart from that, he didn't have any other good solutions. He could only say respectfully and cheeky: "Brother-in-law, I will do well in the future. Don't worry."

Charlie said with a black face, "Don't talk nonsense, I'm not your brother-in-law."

Weiliang nodded his head: "I know, not yet. Sooner or later you will be..."

Charlie was too lazy to talk to him about such silly questions, so he simply stopped paying attention to him.

Elsa came over and asked him in a low voice at this time: "Charlie, when are you going back to Aurous Hill?"

"Tomorrow."

## **Chapter 1598**

"Huh? So early? Not staying in Eastcliff for a few more days?"

"My business is over, there is nothing to be done, I will leave tomorrow."

When Elsa heard this, she said without hesitation: "Then I will leave tomorrow, shall we be together, okay? Take the same plane back."

Charlie wanted to refuse, but seeing her pleading, he couldn't say anything to refuse.

After all, it's normal for friends to fly together, and he can't deliberately not fly with her on the same plane.

So Charlie said: "Okay, let's go together."

Elsa hurriedly said: "Then you will come back and give me the ID card information, let me buy the tickets!"

"Row."

.....

When the birthday banquet was going on, Delon's uncle and second uncle had already given him the equipment for riding to Aurous Hill.

They arranged for someone to purchase an old Phoenix 28 bicycle, and installed a luggage rack on the back of the bicycle, and then bought him a riding helmet, thick down jacket, sleeping bag, and tent. Kettle and other things.

They didn't really care about this nephew, but wanted him to go on the road as soon as he finished eating, so as not to drag him, and make Charlie angry. If he hurts the Dong family again, it would be a big loss.

Juanita didn't care about getting angry when she knew it, so she quickly called Old Kevin, her husband, who had just finished his work and was about to come to the birthday party, and told him the matter, and then asked him to quickly pack some luggage for his son from home and change the clothes. Clothes inside and outside, dry food to be used on the road, etc.

After hearing the causes and consequences of this incident, Old Kevin was angry and frightened. Fortunately, the incident did not offend the Gu family. Otherwise, the Kevin family was afraid that it would be in great trouble.

So, he ignored his mother-in-law's birthday banquet, and hurried home to pack his son's things.

When the birthday banquet was almost over, he drove hurriedly.

When Delon saw his father coming, he cried bitterly when he held his father apart.

He was about to go to Aurous Hill for a year of reformation. He had already guessed how hard it would be this year, so when he saw his father, he felt very sad.

Old Kevin was also extremely helpless.

Although he feels sorry for his son, he has been hanging around in Eastcliff for so many years, and he knows the essence of high society too well.

In this upper class society, it is money that crushes people by one level.

Don't look at the Kevin family, but when you meet a top family like the Gu family, you don't even dare to let go. Since the son has offended the Gu family's people and the Gu family's distinguished guests, this matter must have to pay a price. Otherwise, the Kevin family will follow the Gu family's anger.

There was a family like this before. The son got into trouble, but he was eager to protect the calf. He had to use the entire family to carry it. As a result, the family was almost bankrupt, and the son could not be saved. The son was directly by the big family. The people were scrapped.

Nowadays large families do business, basically like walking a tightrope.

If you want to do large transactions of more than 100 million, you must use financial leverage, otherwise it will not develop at all.

Even Wanda Group owes a large number of loans to banks for rapid development. According to rumors, large enterprises like Country Garden have 900 billion in debt.

If it works well, the speed of making money must be greater than the speed of paying it back, so there will be no major situation.

However, once the capital chain breaks, it may be overwhelming at any time.

There are a large number of banks and capital relationships behind the three major Eastcliff families. If you really want to reorganize a company and draw salaries directly

from the capital chain, the other party will go bankrupt because the capital chain is broken.

Therefore, Old Kevin fears the strength of the Gu family more than Delon.

It is precisely because of this that he was fortunate in his heart. Fortunately, it was only his son who was unlucky in the end. If the Kevin family was affected, he would be scolded to death by the Old Master!

## Chapter 1599

When the birthday banquet was over and the guests left, Delon had already pushed his brand new 28 bicycle.

Delon suddenly remembered a hit song on the short video website.

What is it, ride my beloved little motorcycle...

Thinking of that song, he looked at this old and ugly 28-year-old bicycle, and he couldn't help but sigh in his heart: "If you can go on a motorcycle, you can ride three or four hundred kilometers a day. Hurry to Aurous Hill, and you don't have to suffer too many troubles along the way..."

It's a pity that Charlie won't give him room for bargaining. He can only push the 28 bicycle honestly and prepare to set off.

Uncle Dong Jianghai was holding a green riding helmet and was going to put it on for him. While dodging, he asked awkwardly: "Uncle, why do you buy me a green helmet..."

"Don't mention it." Uncle said helplessly: "don't know what's going on. Helmets are being grabbed everywhere. The helmets in the bicycle shop have long been robbed. There are only a few green ones that have not been sold. I let them buy one for you, safety is the most important thing!"

Delon was almost crying.

No wonder this helmet is not robbed, it is green and oily! Fresh leeks are not as authentic as the green color of this helmet!

Although he has 10,000 dislikes in his heart, he also knows that safety is the first priority. Otherwise, if he breaks his brain by a fall, wouldn't he be finished?

So he gritted his teeth and asked the uncle to put the helmet on top of his head.

His uncle fixed the fixing strap of the helmet for him, then pointed to the phone holder on the bicycle handle, and said seriously: "Little dragon, this is a phone holder specially bought by your uncle. You put your phone on it. Tucked in, you can navigate on the road for more than a thousand kilometers. Be sure to watch the map carefully and don't go wrong."

Delon nodded and asked him: "Uncle, why didn't you buy me a power bank? What if my phone runs out of power while I am riding..."

"Oh!" Uncle patted his forehead: "Forget about this, or if you wait for a while, I will let someone buy you one!"

Elsa's father, Hagel, hurriedly said at this time: "I have one in my car. I bought it for a rainy day. I'll get it for you!"

At this time, Delon's father Old Kevin patted him on the shoulder and said seriously: "It's better to go to Aurous Hill. There are also very well-developed cities along the way. There is no wilderness, so you don't have to worry too much. Pay attention to safety and find a big tent in a park in the city at night. You should be able to reach Aurous Hill in a dozen days."

Delon cried and nodded.

Director Kevin sighed, and said: "You, you must ride it all the way honestly. Sneak r@pe and skiing are absolutely not allowed in the middle. This is also an experience for you, you know?"

Delon whimpered: "I know Dad..."

Juanita also wiped her tears on the side, and exhorted: "You must pay attention to safety when riding, and hide a little when you see a big car, you know?"

Delon choked repeatedly: "Okay mom, I see..."

Elder Dong also asked: "Don't be lazy. If you are late, Mr. Charlie will be angry."

Delon's heart is extremely depressed, is this still pro-grandpa? What he cares about is not to make Charlie angry...

The Old Lady was very gentle. She took out a yellow amulet from her pocket and handed it to Delon, saying, "Delon, this is the amulet that grandma asked for from the Lama Temple when she was young. The monk opened it and it was very effective. Grandma always carried it with her. Now, I will give it to you, and it will keep you safe!"

Delon nodded gratefully: "Thank you, grandma..."

Charlie, who has not spoken all the time, said: "Look, you have made progress now, at least you know to say thank you to your family!"

Delon was ashamed and whispered: "Thank you Mr. Charlie for teaching, I will act in a low-key manner and be a good man in the future!"

## Chapter 1600

"Yeah." Charlie nodded, and said: "Okay, let's leave."

At this time, Hagel also ran over with the power bank, handed both the power bank and the charging cable to Delon, and said: "Delon, take the power bank!"

Delon put it into his backpack, wiped away his tears, and said to everyone: "Grandma, master, father, mother, uncle, second uncle, I'm leaving..."

Everyone waved at him: "Take care, pay attention to safety on the road!"

Delon looked at Charlie again and bowed to him: "Mr. Charlie, I'm leaving..."

Charlie snorted and said: "Hurry up, you will be punished if you delay time."

Delon nodded busy: "Don't worry, I will do my best!"

Charlie waved his hand: "Okay, time to go!"

Delon nodded, glanced at his relatives reluctantly, and then straddled hard on the huge 28 bicycle, pedaled twice, and it swayed out.

Juanita cried bitterly, and Old Kevin hurriedly took her in his arms and comforted her: "Okay, Delon has grown up, and it's time to take responsibility for his own actions."

Juanita cried and nodded. Although distressed, she couldn't say it anymore.

Charlie looked at Elsa at this time and said seriously: "When your cousin arrives in Aurous Hill, you must strictly restrain him. If he is honestly reforming, he may be able to change his mind, otherwise, this person may be abandoned in the future."

Elsa quickly responded and said, "Don't worry, I will strictly restrain him."

"Yeah." Charlie nodded and said: "Okay, I'll go back first."

Elsa asked: "Then I book the ticket and will tell you?"

"It is good!"

Elsa asked again: "Do you want me to pick you up where you live and go to the airport with you?"

Charlie waved his hand: "No, see you at the airport."

Weiliang hurried up and said with a smile, "Mr. Charlie, are you going back to my uncle's house? It's not easy to take a taxi here. Why should I not drive you?"

Charlie glanced at him and nodded slightly: "All right."

The whole Dong family put Charlie and Weiliang in the car together, and finally breathed a sigh of relief when the car drove away.

In the car, Weiliang said with a compliment: "Mr. Charlie, your handling of Delon is really amazing!"

Charlie said indifferently: "That's the case, you don't have to flatter me here."

Weiliang hurriedly said: "I'm really not trying to flatter you. Usually, when people solve such problems, they often have to teach the other party and force the other party to honor the bet. But you can open the net, let him go, and give him Tailoring such a set of transformation plans is absolutely deliberate! I believe Delon will never dare to be arrogant and domineering again!"

Charlie looked at him and asked, "What about you? Do you still dare to be arrogant and domineering in the future and draw swords at your relatives?"

Weiliang's expression was stunned, and he blurted out: "No, no, absolutely not!"
