

The Charismatic Charlie Wade Chapter 2041 – 2045

Chapter 2041

Mrs. Willson finally had a full meal and had a good night's sleep.

Unexpectedly, the door of the room was kicked open by the angry Gina early in the morning!

Before Mrs. Willson could react, Gina rushed to the bed, slapped her face fiercely, and cursed angrily: "You dead old woman, even the censer used by me to give incense to the Buddha You dare to steal rice, are you still a human?"

Mr. Willson was dizzy by the slap. Looking at Gina's face that was close at hand was full of anger. She was so frightened that she blurted out and pleaded: "Gina, I'm sorry Gina! I didn't want to steal either. Your thing, but I was so hungry..."

Gina was furious and gritted her teeth: "It's your problem that you are hungry. What does it have to do with me? The incense burner is used by me to incense the Bodhisattva. You stole the rice in it. That would be disrespectful to the Bodhisattva! If you condemn me, you are hurting me!"

Lady Willson couldn't help but choked up: "Gina...this New Year's Eve...you can't just watch my old lady starving to death in this house, right? You say, if I die in this house from hunger on new Year's eve, how will you live here in the future? You lie in the bedroom upstairs every night thinking that I starved to death in this room downstairs. Would you feel better in your heart?"

With that, Lady Willson said in tears: "Gina...you just saved me, saved an old life. Didn't the Bodhisattva say? Save a life and win the seventh-level Buddha statue. This is also considered accumulation of good deeds!"

Although Gina's expression eased a little, she still shouted coldly: "For the sake of the Bodhisattva, I can forgive you for stealing rice, but you must save your own behavior and pay a certain price!"

Mrs. Willson hurriedly asked, "Gina, what price do you want me to pay?"

Gina said coldly: "You honestly wash the clothes for the three of us for one day. I will think this has never happened!"

When Mrs. Willson heard this, she immediately pleaded: "Gina, I was unwell yesterday and couldn't go to the supermarket to work, so I stole your rice. Today I said everything has to go to work, otherwise for the family of four today's rations are missing again..."

"Then I don't care!" Gina said annoyedly: "Either you will wash our clothes, or you will give me the rice that you ate, and I will not ruin you. As much as you eat, you will pay me back and give the incense burner just fill it up!"

Mrs. Willson cried her face in mourning: "Gina, all the rice has been boiled by me, now let me give you back what? Or else, you let me go to the supermarket to work today, and I get the money after work. I'll buy rice and return it to you immediately, do you think it's okay?"

"No!" Gina said without relenting: "If you choose to return the rice to me, then return it now, otherwise, just get out and wash my clothes honestly!"

After that, Gina threatened again: "If you toast and don't eat fine wine, don't blame me for being rude to you!"

Seeing Gina's grim expression, Lady Willson knew that this woman was definitely not joking with her.

She is now lonely and weak, how could she be her opponent?

So, Lady Willson nodded her head in tears, choked up, and said: "Okay...I will wash...I will go to wash..."

On the first day of the Lunar New Year, Mrs. Willson's family of four did not get in.

The three of Gina gave a lot of dirty clothes and bed sheets to Mrs. Willson and asked her to wash everything today.

So the old lady has no time to go out and make money.

And Wendy, because of the need to take care of the injured and bedridden Noah and Harold, she couldn't get out at all.

Chapter 2042

No one is going to make money, so naturally there is no food to cook, so the family can only stand hungry.

Since Noah and Harold kidnapped Elaine, and mishandled Cynthia Wade, all four of the Willson family have lost a lot of weight, and their lives have been miserable.

The Charlie family next door packed up their things at noon on the first day of the Lunar New Year and drove to the hot spring villa Isaac gave to Charlie. The family planned to relax in the hot spring villa for two days.

At the night when they arrived at the hot spring villa, Cynthia sat in the shabby rental house, looking bored at a takeaway dumpling.

Since Charlie detained her in Aurous Hill, Cynthia has been relying on takeaways to survive.

And the hateful thing was that Charlie didn't allow her to order takeaways by herself. All the takeaways were ordered directly by Orvel's confidant, and the price of each meal basically never exceeded thirty yuan.

In the past few days, Cynthia was forced to taste a lot of popular delicacies that she had never tasted in her entire life.

For example, yellow braised chicken rice, such as green pepper shredded pork rice bowl, Kung Pao chicken rice bowl, ramen noodles, northeastern potato noodles, donkey meat fire and so on.

In the eyes of the Wade family, these common delicacies, which could no longer be ordinary, were simply rubbish in the trash. Not to mention eating a meal, or even smelling it, would make her feel sick.

But now, Cynthia, who had always been aloof, can only feed on this every day.

Yesterday was New Year's Eve and they couldn't order takeaways, so Orvel's people gave her two boxes of instant noodles, a bag of ham and two braised eggs.

Cynthia had eaten this kind of garbage when she saw New Year's Eve. Naturally, she lost her reason to live, and said that if she couldn't eat dumplings on New Year's Day, she would commit suicide on the spot.

Therefore, Orvel's people gave her a dumpling made by themselves.

The dumplings are made with pork and sauerkraut. Because the younger brother of Orvel and his family are all from the Northeast, he loves this flavor of dumpling filling.

But Cynthia ate all the delicacies of mountains and seas since she was a child, and Wade's dumplings had not been wrapped in pork.

The most commonly eaten dumplings of Wade's family are mixed with shrimp meat from top lobster and fish meat from wild large yellow croaker. They are then chopped into meat puree by hand, and then wrapped with minced meat from shark fin and abalone. The cost of a dumpling is probably higher than the cost of ordinary people eating dumplings for a year.

Cynthia had never eaten a bite of sauerkraut.

For a young lady who grew up in a top family, pickled food like sauerkraut is a taboo they will never touch. Almost any food that needs to be pickled and fermented is equivalent to poison in her eyes.

Therefore, she only tasted the pork and sauerkraut dumplings, and immediately spit it out, and then rinsed her mouth several times before finally getting rid of the taste of sauerkraut.

Cynthia opened the door angrily and questioned Orvel's younger brother: "What kind of shit dumplings did you bring? Is it the damn thing for people to eat?!"

When the man heard this, he immediately became angry. He spoke with a northeastern accent, and said angrily: "You stinky woman, why the hell do you talk? My mother made these dumplings, and I was kind enough to give you some. , Are you fcuking talking like that? Are you willing to die?!"

Chapter 2043

Orvel's subordinates did not know Cynthia's specific details.

All he knows is that this is a middle-aged woman for whom the boss requires strict supervision. As for her surname, where she comes from, and what background, this person knows nothing.

Therefore, when Cynthia got furious because of the dumplings he kindly brought, he immediately became a little angry, feeling that he was kindly feeding a vicious dog that barked.

Cynthia didn't think that Charlie, one of his subordinates, spoke to her in this tone, suddenly becoming angry.

She pointed to the other's nose and sternly said, "Do you know who I am? How dare you talk to me like this?"

The other party gritted his teeth and cursed: "I care who you are, you insult the dumplings my mother made for me, and I can't get rid of your hatred if I don't strike your fcuking mouth!"

Cynthia became even more angry when she heard him mention dumplings, and cursed: "You have a fcuking face to mention dumplings. I'll ask you, what is the sour thing in that dumpling of your mother? Your mother is rotten and sour, and your mother is still making dumplings. Is it sick? Is the family so poor?"

A man from the Northeast who is about 1.8 meters tall, his face flushed immediately and annoyed, he said, "You fcuking know a f@rt! That's the fcuking sauerkraut we eat most often in the Northeast! You haven't even seen sauerkraut. Are you fcuking still human?"

Cynthia said with a haughty expression: "This kind of junk food, that is, poor people like you will eat it!"

After that, she took the dumpling and threw it directly on the opponent's face.

Cynthia didn't care about the dumplings scattered all over the place. She stared at the strong man in front of her and said coldly: "I don't eat this garbage, you quickly go and prepare me a lobster dumpling!"

Seeing the dumplings that his mother worked so hard to make, Cynthia was so ridiculed by it that she even threw them all to the ground, and suddenly couldn't control them. He raised his hand and slapped Cynthia in the face.

Cynthia was immediately slapped and scolded in anger, "You...you dare to beat me! I fcuking kill you!"

The other party ignored her and said coldly: "Today's meal has been delivered to you. If you are not full, you can only wait for tomorrow."

Cynthia blurted out: "What did you say?! I ate one of your rubbish dumplings and vomited!"

The other party said lightly: "Then it has nothing to do with me. Anyway, I have delivered the meal. It is your business whether you eat or not."

Cynthia gritted her teeth and said, "I won't eat your dumplings, you can order me a McDonald's!"

When the other party heard this, he roared angrily: "You fcuking don't want your face! Northeast sauerkraut is rubbish in your eyes, and McDonald's is not rubbish in your eyes? It's a damn good thing. Shame on you!"

After that, he closed the door directly and hung the lock from the outside.

Cynthia didn't eat a bite of rice, so she quickly became hungry.

In the evening, Cynthia couldn't help calling her father Zhongquan, who was far away in Eastcliff. She complained on the phone and told her father about her experience in Aurous Hill.

Then, she begged her father bitterly: "Dad, you put some pressure on that b@stard Charlie, let him put me back quickly, I really can't stand it..."

After listening, Zhongquan said calmly: "Okay, I've told you about this before. Since you did something wrong by yourself, then honestly stay in Aurous Hill for a week."

Cynthia choked and said, "Dad, I really can't bear it anymore. I don't know how to live this kind of ghost life! I didn't even stutter all day today. If this continues, I will be driven crazy!"

Chapter 2044

Zhongquan frowned, and asked: "As a daughter of the Wade family, why don't you have this patience? You can't hold on to this little thing, what else can you do?"

Having said that, Zhongquan reminded again: "By the way, from now on, you don't have any conflicts with Charlie, and don't end up with him because of these things. He has agreed to come back to attend the ancestor worship ceremony on Qingming Festival. That is a good start for him to return to the Wade family."

Cynthia asked angrily: "Dad! Why do you always favor Charlie that infamous b@stard? He is a poor boy who has been living outside for many years. He has never read a book or went to school. What value does he bring to the Wade family? You still let him go back to attend the ancestor worship ceremony, he won't be able to embarrass us Wade Family's direct line?"

Zhongquan said coldly: "Charlie is also of the Wade family's bloodline. He still has the marriage contract of Philip's daughter. His potential value to the Wade family is incomparable to anyone, including you! So you Don't fix any monster moths, let you stay in Aurous Hill for seven days and you'll just stay! A portion of pork and sauerkraut dumplings can find faults, you really don't look like floating!"

After Zhongquan finished speaking, he directly hung up the phone.

Cynthia on the phone's end was naturally aggrieved in tears.

The more so, the more she hated Charlie in her heart.

In her opinion, she suffered hardships and was even scolded by her father because of Charlie.

Therefore, she swears from the bottom of her heart that she must find an opportunity to make Charlie pay the price!

And this ancestor worship ceremony is the best opportunity!

Thinking of this, Cynthia murmured in her heart and swears: "Charlie! Cynthia, I will definitely teach you a bitter lesson!"

Thinking of this, she wiped away her tears, opened the door, and said with an apologetic look to the subordinate of Orvel: "You gentleman, I was indeed reckless just now. I apologize to you and hope you can forgive me... .."

As she said, she bowed deeply.

Seeing this, the other party's mood naturally eased a bit, so he said: "Okay, because of your good attitude, this matter will be over!"

Cynthia was overjoyed and quickly bowed to thank him. Then she asked, "Sir, can you please help me to send a message to your boss?"

.....

At night, Charlie, who was in the hot spring hotel, received a call from Orvel.

On the phone, Orvel said to him: "Master, your aunt asked me to bring you a message today. She said that she has been deeply aware of her mistakes in the past few days and wants me to say sorry for her and hope you Can forgive her for being immature."

Charlie said indifferently: "It's impossible for a person like her to apologize to me willingly. It must be something else?"

Orvel said: "She said, I hope you can recite her good attitude and let her return to Eastcliff in advance."

Charlie sneered: "No! Tell her to stop dreaming. She can't miss a minute in seven days."

Orvel said hurriedly, "Okay Master, I will pass it on to her."

"Yeah." Charlie said: "After seven days, let her leave Aurous Hill immediately, and never allow her to come again!"

Chapter 2045

The overall living experience of the hot spring villa in Champs Elys is much better than Tomson.

It is located on the mountainside with beautiful scenery, not only the scenery is excellent, but more importantly, it is very quiet, the distance between the villa and other villa is also very far, and the privacy is very good.

In addition, although the total price of the hot spring villa in Champs Elys is about half that of Tomson's first product, it is actually much larger than Tomson's first product in terms of the construction area and courtyard area.

Housing prices in the city are very expensive, mainly because of the land price. The Champs Elysées is located in the suburbs, so the land price is much lower than in the city.

Claire likes the environment very much. For her, it has been a long time since she had the opportunity to experience such a relaxed and quiet life.

Therefore, the family simply decided to take advantage of the Chinese New Year holiday to stay here for a few more days and relax.

Elsa has been trying her best to invite Claire and Charlie to visit Eastcliff, but Claire is still hesitating. She feels that going to Eastcliff will inevitably have to go back and forth, and no matter how good someone else's home is, it's far away from living in someone else's home. It's not as good as living in own home, so she hesitated.

On the second day of the Lunar New Year, while Charlie's family was still enjoying their vacation in the hot spring villa, Warnia had already started meeting with Nippon Steel's senior officials in Tokyo.

The Song family's involvement in steel manufacturing this time was a careful decision after Warnia thought twice.

The steel industry is the foundation for the development of the modern industry. Whether it is light industry, heavy industry, or military industry, it is inseparable from the support of the steel industry.

The Song family had been involved in the steel industry earlier, but they never seized the opportunity to become bigger and stronger.

Now, she takes over the Song family, hoping to increase the overall industrial scale of the family by a step, so she decided to bet heavily on steel companies.

The specific plan is to establish a steel company focusing on special steel smelting in Haicheng, a city on the lower reaches of the Yangtze River not too far from Aurous Hill.

Haicheng is the city where Tailai is located.

Although Tailai is the richest man in Haicheng, his main direction is real estate and supporting commercial development, which is highly similar to the development direction and industrial form of Wanda Group.

As Haicheng is a city on the lower reaches of the Yangtze River and closer to the sea, shipping is also very convenient. Iron ore and other raw material purchased from Brazil and Australia can be easily transported via the sea by 10,000-ton bulk carriers to the city.

The most important part of the iron and steel industry is transportation. The amount of iron ore is huge. Therefore, shipping conditions must be supported to reduce costs to the greatest extent. This is why almost all large-scale steel companies are established in coastal cities and cities along the river. The main reason.

The Song family invested in a large area of industrial land in Haicheng many years ago, which happened to be used to build a factory. So now the only thing the Song family lacks is a partner with strong R&D capabilities and a large number of steel patents.

Therefore, Warnia set the cooperation target as Japan's Nippon Steel.
