Chapter 7 Get Out Now

Everyone was waiting to see Leones being embarrassed later.

The waiter hurried back.

“How is it? Doesn’t he have a lot of money on his card? He doesn’t even qualify to pay membership fees, right?” Brian said coldly, “Hurry up and kick this kid out!”

Unexpectedly, the waiter ignored Brian’s nonsense. Instead, he offered the bank card with both hands and returned it to Leones.

“Mr. Bloom, please take your card, and this is the menu. Please forgive me for misunderstanding you just now. You can order now. I wish you a pleasant meal.”

Seeing this, the people around were secretly amazed. The thing was different from what they expected. What was happening?

“What’s going on?” Brian stared and asked the waiter, “Shouldn’t you drive him away after the capital verification? Why did you start serving instead?”

The waiter said, “Mr. Jackson, I think you have misunderstood. The balance in this gentleman’s card is enough to enjoy our service.”

“How much money does he have?” Brian didn’t believe it.

“One million dollars!” The waiter said truthfully.

Hearing this number, everyone couldn’t help being startled and then pretended nothing happened.

Although one million dollars were not too much, it was a large sum of money still. There were many multi-millionaires present, or even billionaires. Most of their assets were in real estate or stocks. They rarely had a balance of millions.

Took Brian as an example He couldn't take one million dollars' cash out immediately. He didn't have that much spare money.

The poor boy in Brian's eyes, had more money than him.

It was embarrassing.

"Impossible? Have you tested it properly?"

Brian stared at Leones closely. He was in disbelief.

Who was this kid?

Was he a gambler?

"Huh? Wait! Why does this kid look familiar to me?"

Brian observed Leones carefully. The more he looked at him, the more he felt Leones was familiar.

"Ah! I remembered!"

"You are... You are Leones Bloom, the one in the news this morning. Your family expelled you just after you were released from prison!"

Mr. Bloom of the Bloom family!

Leones?

As soon as this title was spoken, it immediately attracted the attention of everyone present.

Even if they hadn't seen the news this morning, everyone in Sherland had heard about the

prestige of the Bloom family.

Since marrying the Olsen family, one of the top ten wealthy families in town, the Bloom family had developed rapidly and entered the ranks of the top ten wealthy families. Its momentum was prominent. Everyone knew it.

Brian immediately understood where Leones got the money.

He sneered and said, "So, the one million in your card is the compensation for being kicked out of the family, right? One million satisfies you. You are cheap!"

Brian wouldn't dare to provoke him if Leones were still the elder son of the Bloom family

.

But now that Leones had been expelled from the Bloom family, Brian thought everyone could

humiliate him.

"Come on! Let me give you a grand introduction!"

"This gentleman here has a million dollars in his card. He is Mr. Bloom, the former eldest son of the Bloom family."

"It is said that five years ago, he killed someone with a racing car. For that, he spent five years in prison. He was just released today after serving his sentence. But as soon as he came out, he was expelled from the family. He was regarded as a disgrace to the family!"

Brian publicized Leones' scandal in public. His words immediately won the support of many people present.

"It turns out that he is the Bloom family's guy who killed someone with a car. That incident was widely known back then."

"Haha. Rich people can do anything. Was he only sentenced to five years for killing a life? Why wasn't he imprisoned forever?"

"How can the restaurant let a criminal in? What if he goes crazy and hurts someone again?"

For a while, the voice against Leones gradually became louder.

"Mr. Jackson, have you done?" Susan couldn't stand it anymore and immediately stopped him. "I want to have dinner with my old friend. Please leave."

Seeing Susan defending Leones repeatedly, Brian became even more annoyed. He vented his anger on Leones.

"Susan, you'd better be aware that the person sitting in front of you is no longer the son of the Bloom family. He is now a former prisoner that killed a life. He spent five years in prison. Even his family didn't want him!"

"Don't you feel ashamed to be with this kind of person?"

"Even if you covet his money, one million dollars can't sustain forever. A dude like him will soon squander it all!"

Susan said, "It's none of your business who I am with. Please leave!"

"Hmph! Are you asking me to leave?" Brian snorted, "Susan, don't forget. We are on a date!"

Susan didn't want to date at all. She only came here because her parents made her.

But Archie was aggressive and rude. Susan didn't want to pretend anymore. "My parent s made me date you," Susan said coldly, "I can't possibly fall in love with you!"

Susan's words were no less than a blow to Brian, who always felt good about himself.

"You actually rejected me because of this kid?!"

Brian was completely angry.

"Don't forget. Your parents need my help. They wanted you to work in the Baker Group!"

"I am the manager of the HR department! You will never even think about entering such a big

company if you offend me! I will block you from the entire industry!"

Hearing this, Susan's expression changed slightly. She pursed her lips tightly and regretted what she had said and done just now.

She did want to work in the Baker Group. She needed Brian's help to get admitted.

But her words just now had already messed up her future work.

Before getting the work position, she offended her supervisor, the manager of the HR department.

No matter how good Susan was, she wouldn't pass the interview in the future.

"I won't work there then!" Susan said stubbornly, "There are a lot of companies in Sherland! I don't believe I can't find a job."

When Leones heard the name of the Baker Group, he wondered if Gloria had anything to do with the company. Maybe she could help.

"Don't worry. I can help you with your work." Leones comforted.

After all, Susan offended the villain for Leones' sake.

Moreover, Leones would create his own company in the future.

Therefore, Susan didn't need to worry about work matters.

However, when Brian heard the words, he couldn't help but sneered and said, "You help? What can you do?"

"Do you think you're still the son of the Bloom family? Even your half-brother wouldn't dare to bluff like this. The Baker family is much more powerful than the Bloom family!"

For Susan's sake, Leones endured Brian's humiliation. However, he mentioned Timothy Bloom, Leones' half-brother.

"Are you done?" Leones asked.

"No! So what?" Brian asked disdainfully.

"If you are done, get out of here!" Leones warned coldly, "I don't want to hit anyone today."
