

Mated in the Shadow of My Sister Chapter 252

Chapter 0252

I just got an idea for one of the last chapters, and I thought it might be fun to involve the loyal active readers into helping me with it. After all, isn't the interactive part of this app and the ability to sometimes impact the story through comments one of the best features?

If you were one of the many victims, what questions would you have for Margie, Stephanie, Luna Jane, or Alpha Randall? s

What questions do you have generally that have not yet been answered? 4

Comment below and you may be surprised at how your questions/comments are used tomorrow.

(p.s. I know I keep underestimating how much longer this book will take to finish, but we are seriously at the finish line now, and the epilogues are already written.)
