

Chapter 101-102

Old Chen, You Must Go

"Chen Shao, are you here to accompany your girlfriend to take the driver's license test?"

From that day on, Jiang Cheng knew that Gerald Crawford was extraordinary.

Think about it, 18 million, without blinking your eyes.

Absolute local tyrant.

And Jiang Cheng also inquired afterwards. Although he didn't inquire about the mysterious Chen Shao's information, he knew that the Lamborghini manager was considered to be a person with a good face in Jinling.

Even he was so respectful to Gerald Crawford.

Naturally, you can guess that Gerald Crawford is extraordinary!

"No, we both came here for the test!"

Although the two men had offended Gerald Crawford before, now Gerald Crawford, seeing him so polite, responded politely.

Su Ying and Li Jiannan on the side were already dumbfounded at this time.

This is Shao Jiang, who is so respectful to such a poor cock like Gerald Crawford?

How could they not be surprised.

"In this case, Chen Shao happened to be on the way to Jinling University. Would you like me to take you over?"

Jiang Cheng smiled.

People like Chen Shao must make friends, because they will benefit him a lot in the future.

Hitchhiking, this was nothing to Gerald Crawford, and Su Muhan agreed.

In this way, the two of them left directly under the surprised eyes of Su Ying and Li Jiannan!

"Is this Gerald Crawford really, as Su Muhan said, a low-key rich second-generation? Otherwise, why would Jiang Shao do this to him?"

Su Ying's face was extremely ugly.

I originally wanted to take this opportunity to beat Su Muhan, his long-time opponent.

Let her lose to herself once.

In front of myself, I can no longer look up.

Even if it is vulgar to show off your boyfriend's wealth, as long as you have it and Su Muhan doesn't have it, that's enough!

Su Ying stomped straight.

"Hmph, Xiaoying, don't make the final conclusion so early. I am not without friends at Jinling University. Wait, I will investigate this Gerald Crawford and see what his origins are!"

Li Jiannan said bitterly.

After all, this time, not only Su Ying was embarrassed, but Gerald Crawford also slapped her in the face.

But he said that after Jiang Cheng sent Gerald Crawford back.

The dead-skinned and pale-faced asked Gerald Crawford for a WeChat account again.

This guy will also get into the camp.

Gerald Crawford took his car, but he was embarrassed to refuse.

Forget it, one more friend is better than one more enemy!

After refusing his request to invite dinner again, Gerald Crawford and Su Muhan walked towards the campus side by side.

To be honest, Gerald Crawford also walked with Su Muhan before.

But there is absolutely no such strange feeling now.

Because Su Muhan actually said that she was her boyfriend just now.

Gerald Crawford hasn't been so cheap as to be a fake boyfriend. The strange thing here is that Gerald Crawford has a little affection for her, and he became her fake boyfriend for a while.

The two are very contradictory. It is the feeling of being happy and unhappy, but not being taken advantage of.

In short, Gerald Crawford is in this mood now.

"Gerald Crawford, I'm sorry, just now...because I was in a hurry, so I said you were my boyfriend, and I never asked you!"

Su Muhan was also a little embarrassed.

"It's okay, isn't this good? Your face is saved, and I have been a boyfriend for such a big beauty for nearly an hour!"

Gerald Crawford gave a wry smile.

Su Muhan's eyes raised: "Gerald Crawford, when did you learn to be as glib as those boys? I hate those boys who are glib!"

"So you hate me with my glib tongue now?" Gerald Crawford has become more and more bold in his speech during this period of time, and he no longer has that kind of restraint.

"Hmph, although I hate those boys, but I don't hate you with your glib tongue, I can't hate you if I hate it!"

With these words, Gerald Crawford said with joy in his heart.

"But Gerald Crawford, I think you have something to hide from me. That Jiang Cheng is so worthy at first glance. Why is he so respectful to you, no, not respectful, even to the point of flattering?"

Su Muhan couldn't help it anymore, she felt that Gerald Crawford was getting more and more invisible.

In fact, this is exactly why Gerald Crawford will eventually add Jiangcheng friends.

During the entire chat, as long as he didn't mention it, he would never say that he bought Reventon.

Let Gerald Crawford think that he will come. Gerald Crawford learned this.

At the moment he just smiled and said: "I have already said it in front of my face just now. I am actually a top rich second-generation, because I don't want to abandon my current life and friends, so I have always lived a low-key life like this. Of course Jiang Cheng is very polite to me!"

"Puff!" Su Muhan smiled directly, "Gerald Crawford, I find that what you are learning is getting worse and worse. There is no truth in your mouth, but you don't want to tell the truth. I won't force you. Okay, I will go back to the dorm Now, Shao Chen, you have learned your driver's license now. I hope you buy a luxury car as soon as possible and take me for a drive!"

Su Muhan blinked, pretending to admire her.

"Don't worry, I will definitely take you for a drive!"

Although he knew that Su Muhan didn't believe it, Gerald Crawford nodded his head. To be honest, he really hoped that his driver's license would come now, and he would have a good drive.

After bidding farewell to Su Muhan, Gerald Crawford returned to the dormitory.

"Damn, Old Chen, what did you do? Call and shut down! I can't get in touch all the time!"

When he came back, Harper complained directly.

All of them are very busy at the moment, busy changing clothes, and packing up as if going to a blind date.

"When I went out in the morning, my mobile phone almost ran out of power. I turned it off for the exam. I turned it on and added WeChat just now, and it turned off after a while!"

Gerald Crawford charged the phone and said with a helpless smile: "I said Harper Li Bin, why are you going there?"

"If we weren't waiting for you, we would have left. Hurry up, Lao Chen, change clothes, let's go downstairs and wait for you!"

Li Bin spat, rubbed his hair against the mirror and said.

"What's wrong? So mysterious?"

Gerald Crawford came interested.

"Hey, today is Xu Xia's birthday, she said, she wants to introduce the person to us, including you, hurry up, today is about our brother's departure from the order!"

Li Bin smiled like a flower, obviously beautiful.

"Haha, congratulations, but I..."

"If you don't go, I'll kill you!"

Before Gerald Crawford finished speaking, a group of wolf friends pounced on Gerald Crawford.

"Go go, I didn't say I won't go!"

Gerald Crawford smiled bitterly.

He wanted to take a break.

At the moment, I had to follow Harper and the others to the place where Xu Xia celebrated her birthday.

The location was chosen in a place called Merlin Manor.

Farm style.

It's like a picnic, eating, drinking and watching the scenery in a group, it's a good place to eat.

Although this place is simple, there are many luxury cars parked at the foot of the mountain.

Obviously many people with big identities like to come to this kind of place, the first one is quiet, the second one is feeling!

The feeling of returning to the countryside.

"Harper, Gerald Crawford, here!"

As soon as Gerald Crawford and the others got out of the car, Xu Xia and the others were already waiting at the door, waving at Harper and the others.

Xu Xia and their dormitory are almost all there, and there are a few young and beautiful girls who should be students in Xu Xia's class who have a better relationship with her.

They all looked towards Gerald Crawford.

After all, before Xu Xia's birthday, she had already told them that Harper's roommates in the entire dormitory had come.

And they are all single.

It just so happens that Xu Xia's friends are also single.

So boys and girls have a clear purpose, that is, I hope to meet a TA worthy of trust today!

"Gerald Crawford, you are here!"

Next to Xu Xia, Alice Bradford straightened out her hair and said softly to Gerald Crawford...

Rich Man Gerald Crawford Chapter 103-104

Group Attack Alice Bradford is always a bit awkward seeing Gerald Crawford now.

After all, who was the person who looked down on Gerald Crawford the most before? It is Alice Bradford.

Now, the poor dick who was once despised by him is likely to be a young man.

Networking is extremely difficult.

In short, Gerald Crawford may be an incredible figure.

Alice Bradford felt close to him.

"Well, today is Xu Xia's birthday!" Gerald Crawford smiled.

He is not a man of grudges, let alone stretch out his hands not to hit the smiling faces.

Xu Xia and Harper looked at the two of them, each winking at each other, and it seemed that they had been matched intentionally.

At the moment, he greeted everyone into a box in the villa.

When allocating seats, Harper and Xu Xia had obviously negotiated and deliberately arranged Alice Bradford and Gerald Crawford together.

As for Li Bin and the others, they are also next to a group of girls to facilitate communication.

"By the way, why didn't you see Lin Jiao?"

Li Bin looked around, only to find that Lin Jiao wasn't there, and asked immediately.

"Jiaojiao went out to play with her boyfriend. This is one day and one night. Alas, she said, we don't have to wait for them, she will come soon, and she said she would give us a big surprise!"

Xu Xia smiled.

She deliberately said that Lin Jiao had a boyfriend, and Li Bin had feelings about Lin Jiao. Harper had already told Xu Xia.

But Lin Jiao, what to say and how to say, some are too powerful.

Besides, she already has a boyfriend, and she happened to be vaccinated with Li Bin.

Li Bin let out a languid cry.

The atmosphere is a little awkward.

Alice Bradford smiled and said, "After Lin Jiao followed that Danny Xander, she has become more and more mysterious. Since yesterday, she said she must give us a big surprise, and she is still selling it!"

After speaking, Gerald Crawford said without saying a word: "By the way, Gerald Crawford, do you know how well Lin Jiao and Danny Xander in your class are?"

"I know!"

Of course Gerald Crawford knew that there was almost a conflict that day.

But this Danny Xander could be regarded as his own enemy. There were too many people that day, and Gerald Crawford was not embarrassed to deal with him.

But after thinking about it, I had to step on this Danny Xander fiercely.

Otherwise he buzzed in front of him like a fly.

Just step on it to death!

Soon, all the food and wine will be served.

Today, Alice Bradford is extraordinarily gentle and temperamental, and he can't help but pick dishes for Gerald Crawford, specifically picking what Gerald Crawford likes.

To be honest, Gerald Crawford was really moved.

I have been despised for a long time before, even if Alice Bradford looked down on herself more than once, but now she treats herself so well, Gerald Crawford really can't hate it.

Everyone also looks at me and I see you. It seems that today, at least they have to be a pair, that is, Alice Bradford and Gerald Crawford.

And Alice Bradford is at the level of a goddess, which is a bit proactive and chasing!

"My dear, sorry, we are late!"

Suddenly, the door of the box opened, and Lin Jiao and Danny Xander, followed by a young man of about twenty-five years old, came in together.

Lin Jiaomeng yelled.

"Jiaojiao, just waiting for you, how come you? Danny Xander, sit down too, eh? This is?"

Xu Xia looked at the handsome young man behind them.

"O'ao, this is Danny Xander's cousin Xu Chao, who is in business at home. The three of us were going out to play. Knowing we were in a hurry, we drove us here!"

Lin Jiao said with a smile.

"Hello everyone, I used to study at Jiangnan University, and I just graduated for two years. I can be considered a peer, hehe, okay, I sent my brother and sister-in-law, you guys have fun, I will go back first. It's useful to get me, just squeak!"

Xu Chao smiled and shook Maserati's key in his hand.

"Since you are Jiaojiao's cousin, Brother Xu Chao, don't leave, anyway, you have a seat!"

Xu Xia said something politely.

After all, let him go directly, Lin Jiao's face is not good, after all, living in a dormitory is not bad for this seat anyway.

"That's so embarrassing!"

"It's okay, cousin, just sit down, after all, the big surprise we are going to announce today, if you are not here, I really can't announce it!"

Lin Jiao smiled, her eyes suddenly cold, and she glanced at Gerald Crawford in the box.

A look of pride and pride.

"Jiaojiao, what the hell is this big surprise? You've been selling it for so long, please speak up!"

"Yeah, what's it about?"

The roommates were impatient.

Gerald Crawford saw Lin Jiao's gaze, and suddenly understood something.

by! The so-called big surprise, isn't it about yourself?

"Of course, I will tell everyone now!"

Lin Jiao smiled triumphantly, and Danny Xander glanced at Gerald Crawford coldly.

"You get me started!"

With a snap, Lin Jiao went directly to Gerald Crawford's head.

Paralyzed, this woman is really dying to clean up!

Gerald Crawford stood up and stared at Lin Jiao.

Fuck, without saying a word, just pump yourself?

"Look? Little white face, poor cock, scumbag! What do you look at?"

Lin Jiao hugged her shoulders, and she was as proud as she was at this moment.

You Gerald Crawford is awesome, right?

You Gerald Crawford used to make us lose face in front of you, right?

Also, I, Lin Jiao, used to think you Gerald Crawford was really awesome. I flattered you all the way, but in the end you were cold, you look down on me, right?

Ha ha.....

For this, Lin Jiao was still depressed for a while.

Until some time ago, in order to be angry with Gerald Crawford, he specifically picked Gerald Crawford's dead opponent to hook up, and found Danny Xander.

Even the day before yesterday, I discovered that Gerald Crawford was not a rich second-generation Chen Shao at all, but a little white face, a duck!

Danny Xander even consulted Wang Yang and Jiang Weiwei who also broke the situation at the time.

It was discovered that Gerald Crawford was not only the little white face of Jane, the red man in Wayfair Mountain Entertainment, but also the little white face of a young lady!

Nowadays, there are too many handsome men who are rich and pretend to be forced. It is not surprising that many rich women like Gerald Crawford, a handsome and honest boy.

It's just that if you Gerald Crawford used these pretends to force you, it's your fault!

"Jiaojiao, what are you doing?"

Before Xu Xia could speak, Alice Bradford stood up very puzzled.

"Oh, Sister Alice Bradford, you still speak for him. The reason why I beat Gerald Crawford and who didn't do anything is for you! You are the worst one of us who was deceived by Gerald Crawford in public!!!"

Lin Jiao stamped her foot anxiously.

"What are you talking about?"

"He, he, Gerald Crawford, not what we imagined, Gerald Crawford, but a little white face. He was taken care of by other women. Those women not only drove him, but also gave him money and bought things for him!"

"And some women are the celebrities of the Wayfair Mountain Entertainment, otherwise, how could we be taken to the Wayfair Mountain Entertainment by him?"

Lin Jiao said everything she had seen with her own eyes and what she had guessed in one breath.

After listening, everyone was stunned, looking at Gerald Crawford in disbelief.

"I can testify that the Jane I chased after was very social in Jinling, and I knew many big guys. I am not afraid of everyone laughing. The reason why I am so anxious to chase Jane is actually because of her resources. , It can be helpful to my career!"

"Unexpectedly, Gerald Crawford was taken care of by Jane, and Wang Yang, the vice chairman of the student union of Danny Xander and his department, said that in addition to Jane, there is also a young woman from a large chain commercial building who once gave Gerald Crawford a gift. Things like that!"

Xu Chao stood up and said with a sneer.

"How is this possible? How is it possible?"

Alice Bradford couldn't believe it.

All the girls were also stunned, not knowing what to do.

After all, they all think Gerald Crawford is a very mysterious young man. To be honest, although they know that they are no better than Alice Bradford, they are fighting each other secretly.

As a result, there is an embarrassing atmosphere where all the pants are taken off, just show me this.

"I can testify about buying clothes!"

At this time, another girl stood up.

Something Happened

The person who stood up was Xu Xia.

At the moment, her heart is very complicated.

She only knew that Gerald Crawford was Harper's good brother.

However, she never expected Gerald Crawford to hide so deeply, or deceive them for so long.

Therefore, she felt it necessary to tell one thing she knew.

And Harper told her about this.

"There was a woman who bought clothes for Gerald Crawford and spent more than 100,000 Dollar. The woman I was wearing today gave Gerald Crawford to Gerald Crawford, and then Gerald Crawford gave it to Harper!"

"Xu Xia, what are you talking about!"

Harper was in a hurry.

To be honest, Harper once made such a joke with Xu Xia.

I said that my brother Gerald Crawford really has a love for women, and he doesn't blink his eyes when he wants to buy what he wants, hum, maybe Old Chen is nurtured, I want to be nurtured too.

Do you dare, if a girl treats you so nicely, I will castrate you!

Xu Xia was so angry that she cursed.

This is all a joke, no one takes it seriously.

But now, combined with the past, and now Lin Jiao has seen some things with her own eyes, Xu Xia really believed it.

Gerald Crawford has been taken care of!

Harper was also afraid that Gerald Crawford would become the target of the public, so he hurriedly stopped Xu Xia, don't talk nonsense!

"Hmph, Alice Bradford, I didn't lie to you, hundreds of thousands, spending money like dirt, not to mention that Gerald Crawford used to buy shopping cards and the like, 360,000 bags, I don't know which woman gave it to his!"

"And what did Gerald Crawford do with the money? That is to get you Alice Bradford. He wants you to chase after him with Alice Bradford Goddess! Finally let you send yourself out willingly!"

Lin Jiao said coldly.

If it hadn't been for the day that Jane had been so kind to him and had been so protective and caring, Lin Jiao wouldn't believe that Brother Chen was taken care of.

But now, she believed it!

Gerald Crawford is too scheming.

"what!"

Alice Bradford was shocked by these words and paled.

The other girls also looked sideways.

"Let me go, it turns out that Gerald Crawford still has contact with so many girls behind him. I really can't believe it. I know he is very honest and low-key!"

"Yeah, but think about what we really are. If Gerald Crawford is really a rich second-generation, can he still be like this? What girl does he want and can't get it?"

"Well, if it's a little white face, everything makes sense. This is the style of Gerald Crawford being kept by others. It makes people feel that he is innocent and pitiful. In fact, his heart is very dirty, bah, scumbag!"

The eyes of a group of girls changed instantly.

Ha ha.

And Gerald Crawford smiled bitterly inside.

He was surprised.

Surprised at two points.

One is that he didn't expect that he would let Lin Jiao, Alice Bradford and the others were so worried, and Lin Jiao was also investigating herself everywhere.

It seems that it is because they are despised by them, but get rich overnight, which makes it difficult for them to accept.

The second one is that Gerald Crawford was really surprised by Lin Jiao's reasoning ability.

Some very simple things can be combined by Lin Jiao.

Gerald Crawford also wanted to explain.

Jane is just a staff member of a villa, and Lin Yiyi is also the daughter of his subordinates. As for the purchase of packages for his supreme card, it is his own sister.

But these explanations come out.

Lin Jiao would definitely not believe it.

And also insulted, even his sister insulted.

If someone dared to insult his sister, Gerald Crawford would definitely not be able to stand it.

But this is the birthday banquet of my good brother Harper's female ticket, so I can't say what to do!

So Gerald Crawford is very tangled now.

After thinking about it, forget it for the time being. Tomorrow, your driver's license will come. By that time, everything will be fine!

Because Brother Chen has decided, the showdown!

"What do you think of me Gerald Crawford, whatever you think, anyway, Gerald Crawford has a clear conscience!"

Gerald Crawford just replied faintly.

But this sentence is the default in the eyes of everyone.

"boom!"

Alice Bradford

An angry kick hit the stool behind him.

Yes, today her Alice Bradford has undoubtedly become the funniest joke on the scene!

She does have a good impression of Gerald Crawford, because Gerald Crawford is really good, very practical, and his background is not simple.

Becoming a boyfriend and girlfriend seems to be a step that can be tried.

To this end, her Alice Bradford took the initiative.

I want to draw Gerald Crawford's attention to himself again.

But it turned out to be...Oh, I don't want to say it anymore!

"Xu Xia, I'll go to the bathroom!"

She was dumbfounded, found an excuse and went straight out.

And Lin Jiao also followed in anxiously. After all, Alice Bradford is now like this, she also has some responsibilities.

In the box, no one spoke.

There was silence for ten minutes.

In the end, Harper broke the silence: "No matter what everyone thinks, I believe in my heart that Lao Chen is not that kind of person!"

What he said to Xu Xia before was really jokes between lovers.

The Jedi didn't expect Xu Xia to say it seriously.

"Well, we believe it too!" Li Bin and the others nodded at Gerald Crawford.

"Come on, everyone, let's have a drink!"

Harper suggested.

As a result, no one toasted except Gerald Crawford's roommate.

Gerald Crawford was also embarrassed and ran away from Alice Bradford in anger, and now he has reached this point again.

A good birthday party became like this.

Speaking of it, it was all because of me. If I stay here, I'm afraid it will embarrass Harper and Xu Xia.

If I knew that, it would be nice not to come by myself!

Gerald Crawford was about to say that he would also leave.

But at this moment, the door of the box suddenly opened, and it was Lin Jiao, who was in a hurry, still covering her face:

"Tongzi, I was beaten, they are pulling Alice Bradford now, let Alice Bradford accompany them to drink!"

"what?"

Danny Xander was taken aback when his girlfriend was beaten, which was a shame.

Hastily looked at Xu Chao.

Xu Chao said coldly: "This land, you have to see who dares to be so bold and doesn't want to live anymore, right?"

At the moment, the two cousins stood up and walked outside with one hand in their pockets.

Harper, Gerald Crawford and they hurried out as soon as they heard that something was wrong.

Hearing Lin Jiao's yelling, Gerald Crawford knew the ins and outs of the matter.

It turned out that Alice Bradford went to the bathroom just now, and Lin Jiao followed. Kung Fu is washing hands.

A few young men walked in and saw that Lin Jiao and Alice Bradford were both beauties.

Especially Lin Jiao, she wears very sexy.

A man who was obviously drinking too much wanted WeChat, and he did it.

Alice Bradford slapped the man in the mouth when he was angry.

And Lin Jiao drew her head even more!

After that, the man smoked Lin Jiao and was probably beaten in a hurry.

A few people were called, and Alice Bradford was blocked again, and Alice Bradford had to go for a drink with them.

Lin Jiao yelled and shouted, and then ran back.

When Gerald Crawford and the others rush over.

The two parties have already confronted each other.

There were four people pulling Alice Bradford drinking. They were quite young, and they should all be students of the same age.

Xu Chao kept calling there, probably calling someone.

Lin Jiao pointed at the four students there and kept scolding.

Although Alice Bradford was not beaten, what happened today made her feel extremely depressed.

"Today, one of them counts as one. If you dare to beat my sister-in-law, no one wants to run!"

Xu Chao yelled arrogantly after finishing the call.

He is too familiar with this film, and he knows everything from the owner of this villa.

The clothes of those four people were extraordinary, and they were not convinced at the moment, wanting to see how Xu Chaoneng was.

"Hoop!"

Not long after, several vans stopped at the door.

From the car, more than a dozen big men with short heads came down, and the villa was suddenly crowded with people...

Rich Man Gerald Crawford Chapter 107-108

Gerald Crawford feels distressed

Xu Chao is still very influential.

A dozen people were called out.

This scared the four students.

Say nothing.

"Snapped!"

Lin Jiao went up, raised her hand and shook each of the four people's mouth.

The four dared not speak.

"What do you look at? Let you hit me! I will teach you how good my old lady is today!"

"Do you dare to hit me? If you hit me today, you will wait for me!"

The leader, the man who took the initiative to molest Lin Jiao and Alice Bradford, said aggrieved with his face.

He was frightened, but he was very angry.

He rarely fails to make a girl. He didn't expect that he was first slapped by this big beauty, and then beaten by this little girl.

Such insults have not been seen in a thousand years!

"Damn, it's so stiff! Give me a call!"

Xu Chao was full of pride at the moment, and as soon as he waved his hand, a group of people surrounded the four and went up.

One hit.

Danny Xander still followed inside, kicking the man several times.

The four beaten up squirmed around with their heads, but the boss finally pulled them away alive and let the four go away.

Fighting again will kill you!

"Wow, Brother Chao is amazing!"

"Unexpectedly, I just think that Brother Chao is very stable and mature, I didn't expect to have such a side!"

"Awesome, so handsome!"

A group of girls instantly became little fans.

The kind of chaos, the better the chaos, the more they can give these beautiful students a sense of security.

Now they are in this state of mind.

"Brother Chao, thank you for what happened today!"

Alice Bradford is actually quite refreshed now.

The depressed feeling before was wiped out.

To be honest, she likes the kind of mature and stable, which she has always felt before.

But now, she thinks that arrogant and domineering people are better, because only such people can give her the greatest sense of security.

And like Gerald Crawford?

My god, why did you think of him again? It looks like a waste at the moment!

"It's okay, Sister Alice Bradford, I will add a WeChat account later, and keep in touch if you have anything!"

Xu Chao smiled. He looked at Alice Bradford. From a moment ago, he felt that this girl was pretty and indispensable.

Looking at it now, the more beautiful it gets.

In fact, a beautiful woman like Alice Bradford, as long as a normal man looks at it at first glance, she will be a little moved.

"Okay, it's okay, let's continue when we go back!"

Xu Chao smiled heartily.

"Ah? Keep going, Brother Chao, shouldn't we leave?"

"Yeah, what if someone over there comes to seek revenge?"

Some girls worried.

"Hmph, who are you super brothers? What if you come to seek revenge?"

Lin Jiao said proudly, while she was applying makeup in the mirror. She was beaten and cried just now, and all her makeup was spent.

"That's right, what are we afraid of having Brother Chao here?"

"Go on, go back to celebrate Xu Xia's birthday!"

The girls were relieved.

"That Xu Xia, I'm going back first, I wish you a happy birthday!"

Gerald Crawford would be dull if he stayed any longer.

"Yeah, thank you Gerald Crawford, I'll call you a car to take you back!"

Alas, Xu Xia is also powerless.

Because of Harper, Xu Xia is very close to Harper's entire dormitory, including Gerald Crawford.

However, if something like this happened, Gerald Crawford was staying, and I'm afraid it would be quite embarrassing for him.

In fact, Xu Xia was also a little angry just now that Gerald Crawford actually came out to talk about Gerald Crawford when Xiaobaiface cheated them.

Now her anger disappeared, and she felt a little sympathy for Gerald Crawford.

Maybe if you have been poor for too long, good people will be driven mad!

"No, I'll take a taxi and go home by myself!"

Gerald Crawford nodded with a wry smile.

"Get out, get out now! I'm sick when I see you!"

Lin Jiao is not polite

The cursed.

Alice Bradford didn't say a word about this. He turned around and returned to the box. The person who made her sick was gone, so naturally she didn't have to leave again.

Gerald Crawford walked alone on the campus.

Just thinking about these recent events.

It is Gerald Crawford's nature to be low-key. Even if he has money, Gerald Crawford will be arrogant and domineering like Bai Xiaofei and others. Gerald Crawford can never do all kinds of extravagance.

But being low-key is not necessarily completely good.

Just like this time, Gerald Crawford doesn't know how much wronged he has suffered.

Do you have to be relatively public?

Gerald Crawford smiled bitterly in his heart.

At this moment, a message suddenly sounded in the class group.

It was an announcement made by the instructor Meng Cairu.

"Classmates, Xavia has dropped out of school because of some things!"

"What? Xavia dropped out?"

"I'm going, when did it happen?"

"It should be because of Yuri, you think, Yuri's incident has had such a big impact, Xavia will definitely feel ashamed to stay in school, so dropping out is her best choice!"

"Yes, Xavia loves face the most, first with the poor..."

"withdraw!"

"Yeah, Xavia loves face the most. First, I talked to Gerald Crawford, and then he came to Yuri. As a result, Yuri is not as good as Gerald Crawford. He has no money to borrow, and Gerald Crawford has won the lottery now!"

"Yeah, if I were Xavia, I wouldn't have the face to read on, alas!"

News exploded in the class group and discussed.

It seems that this result was unexpected and unexpected.

Gerald Crawford was stunned with his mobile phone.

Gerald Crawford was heartbroken when he saw the news that Xavia had dropped out of school.

After all, the two have gone through the three years of college together.

The beauty of that period of time seems to be vivid.

Even Gerald Crawford is a little self-blaming now.

Only she knows why Xavia dropped out of school.

If not in the villa that day stimulated Xavia, she might continue to read.

After all, they are about to graduate.

If she didn't say those unfeeling words that day, Xavia wouldn't be discouraged.

Thinking about the desperate look in Xavia's eyes that day, Gerald Crawford felt anguish in his heart.

Is your insult to her too serious?

Gerald Crawford blamed himself and regretted it a little.

Especially when Gerald Crawford walked unknowingly, he actually came to the small lake on the campus.

This is where he and Xavia first dated.

Gerald Crawfordqiang couldn't even go to the coffee shop for a date.

He still remembered that he came late that day, and Xavia waited here for more than ten minutes.

Xavia didn't blame herself either. The two people held hands in this way, walking around the small lake, one circle, and another circle.

More often than not chatting, but two people are silent like this, without saying a word, sometimes he looks at her and she looks at him again.

It's not the same as love on TV.

But Gerald Crawford has tasted the taste of love.

Xavia clearly remembered that when they graduated, the two got married and then came to this small lake to take wedding photos!

Think about it at that time, how beautiful it was!

But now, in some subsequent experiences, Xavia has changed, and in fact Gerald Crawford has also changed.

Gerald Crawford didn't know whether he felt sorry for Xavia before, or he felt sorry for Xavia now.

In short, I feel very sad.

Finally, Gerald Crawford called Xavia and wanted to persuade her. As a result, the number was empty, and the phone number was cancelled by Xavia.

QQ WeChat can not be reached at all.

"Really gone!"

Gerald Crawford sat down by the lake and lost his senses.

At this moment, the mobile phone came to the QQ call.

Gerald Crawford immediately picked up the phone and saw that it was Xavia's roommate Han Feier calling.

"where are you?"

Han Feier's tone was cold, and she had always been like this to Gerald Crawford.

"The small lake..." Gerald Crawford said.

"Aoao, you are waiting there, before Xiaoxue leaves, let me give you a word and tell you in person!"

Rich Man Gerald Crawford Chapter 109-110

You Will Be A Live Broadcast Assistant Han Feier soon came to the small lake.

Wearing a short skirt, long hair cape, and bright white skin, she really looks like a beautiful net red.

But unlike some Internet celebrities, Han Feier's beauty is really natural.

Gerald Crawford has naturally seen her without makeup, and she is definitely regarded as the beauty of the beauties.

Hehe, I'm a little shameful when it comes to this. When the freshman year just started, Han Feier was sitting in front of Gerald Crawford.

Gerald Crawford secretly liked Han Feier too!

It's a pity that compared to other girls, Han Feier's gaze cannot be higher.

Yuri is rich and wealthy, and Wang Yang, who once pursued Han Feier, turned out to be ignored!

Not to mention Gerald Crawford.

"Hehe, it's very leisurely to sit by the lake! Xavia asked me to give you a word!"

Han Feier said coldly, holding her shoulders.

"what does she say?"

Gerald Crawford asked.

"She said she will come back sooner or later, and will make you feel embarrassed by Gerald Crawford, let you watch!"

Gerald Crawford lowered his head, this time it really irritated Xavia.

She should hate herself to death.

But then think about it, that's okay, Xavia shouldn't do some bad things again in the future, in short, she just needs to be good!

"Oh!"

Gerald Crawford responded.

"Heh! It seems that you took Xavia away, why did you embarrass her?"

Han Feier scanned Gerald Crawford up and down.

Even if Gerald Crawford won the lottery, Han Feier would not look down upon it.

"nothing much!"

Gerald Crawford is in a mess now, and besides, it's hard to tell everything about that day, let alone Han Feier.

This guy will definitely put his own affairs in the live broadcast as a joke.

She didn't do this less.

"You love to say nothing, anyway, I brought what Xavia asked me to tell you!"

With a cold snort, Han Feier turned and left.

The relationship between her and Xavia, although it is a roommate, is generally so-so.

Because Xavia is also very beautiful, it's like a mountain cannot tolerate two tigers.

But now that Xavia is gone, Han Feier feels a lot more relaxed.

Han Feier also took care of her own affairs.

Gerald Crawford continued to stay on the shore, and he felt so tired now, so he lay down with his hands on his head.

This moment of silence can really calm Gerald Crawford's heart.

Suddenly, there was a sound of footsteps.

Immediately after his own eyes were black.

A figure appeared before his eyes.

Standing just one meter away in front of him.

Gerald Crawford lay down, looked up, and was stunned.

"Hehe, Gerald Crawford, seeing you being so idle, I happen to have one thing for you to do for me!"

The person who came back was naturally Han Feier.

The reason why Gerald Crawford was stunned was that.

At this moment Gerald Crawford was lying, and Han Feier in a short skirt was standing.

Gerald Crawford has seen everything that should be seen or not.

black!

"I go!"

Gerald Crawford blushed and hurriedly stood up.

"what did you say?"

"Hehe, what a dick. I won the lottery with a bit of money, and there is no such thing as a rich girl. I have never seen a girl! Why? After talking with Xavia for so long, nothing happened? Look at you tenderly. Son! Needless to say, I know there is no more!"

Han Feier said contemptuously.

She knew why Gerald Crawford blushed, but Han Feier was very open and didn't care about it.

Just look down on Gerald Crawford's depravity.

"I said let you do me a favor. Some female anchors from our guild will come to campus later. Let's do outdoor activities together. I am missing one to record the live broadcast for me. Go and record the live broadcast for me!"

Han Feier said, she gave Gerald Crawford her crazy phone.

The mobile phone is fully equipped, specially equipped with additional cameras, radios and other necessary equipment for outdoor live broadcasting.

This whole Gerald Crawford didn't go, nor did it go.

After all, Han Feier can be regarded as helping her ex-girlfriend, and now she has given her the equipment again. If she refuses it again, she will feel a little sorry.

The ghost knew what to do with Gerald Crawford to help his ex-girlfriend, and Gerald Crawford did not refuse in the end anyway.

Followed Han Feier and went.

As for Han Feier's attitude of despising her, let it go.

Gerald Crawford didn't feel much about Han Feier now, so what did he do with her too much.

On the road, Han Feier walked in front and Gerald Crawford walked in the back.

"Han Feier, when did you sign the guild?"

Gerald Crawford chatted without a word, mainly because he was bold in chatting with girls now.

"Some time ago, why, didn't you watch my live broadcast?"

Han Feier said coldly.

"Which scene?"

"Waste! It was the local tyrant in my room where the ordinary brother gave me 20,000 Dollar. After the income of that day, I broke 10,000 and got on the public screen, so a guild came to me to sign. It's still a strong guild!"

"O'ao, that's the case! Congratulations!"

Gerald Crawford also didn't know how to broadcast these things.

But I can understand that the feeling that she signed with the guild has something to do with her being in the Han Feier live broadcast room that night.

Gerald Crawford just remembered that that night, he charged 100,000 Dollar to the live broadcast software.

Just to confuse Yuri and Danny Xander.

As a result, they paid 20,000, and the two of them burped, and they rushed 100,000 for nothing!

Not far from the school is a park. Their outdoor live broadcast venue is this. Men and women, in pairs, love to come here to play.

"Mayfair, we are here!"

Three or four young and live broadcast beauties dressed up by Internet celebrities waved to Han Feier.

Naturally, they also brought assistants.

He came in an off-road vehicle.

Gerald Crawford is very familiar with this side.

Why is it familiar?

Because Gerald Crawford's Lamborghini stopped here.

Unbiased, next to their off-road vehicle is their Lamborghini.

However, the parking spaces on both sides of the car were all vacant, and obviously no one was willing to be next to Rambo.

Many people gathered here, but I didn't expect that after so many days, many girls would come to take photos with Lamborghini.

"You guys are here so early!" Han Feier said with a smile instead of being serious.

At the same time, he glanced at Rambo with a different color.

The luxury of this luxury car brings to every girl, the impact of boys is too great.

It's a pity that after so many days, I don't know who this car belongs to.

But a lot of girls are so anxious!

"Yes, Mayfair, we came here early, by the way, who owns this sports car?"

The anchors also walked over and asked in surprise.

"I don't know. To be honest, people in our school still don't know who owns this 2000 Marriott car! Why are you still interested in the owner? I heard that the owner is a rich man. The second generation young master!"

Han Feier smiled.

"Wow! I really want to get to know if I have a chance. If I can get to know such a local tyrant, I don't need to broadcast a live broadcast. I just need to take a car ride every day and enjoy the mountains and rivers!"

"Hmph, idiot, if I can be the girlfriend of this local tyrant, I have to open a live broadcast guild, and then all kinds of tyrants, no longer have to beg for local tyrants like this!"

"Look at your talents!" Han Feier smiled bitterly.

Although joking, Han Feier had never imagined that she was the scene of this local tyrant and big girl friend!

"Haha, don't be a nymphomaniac, let's go back to reality, by the way, Mayfair, we will broadcast it later. If you need an assistant, why didn't you bring an assistant?"

A beauty anchor asked curiously.

"Why didn't you bring it! Gerald Crawford, come here for me!"

Han Feier pointed at Gerald Crawford, who was holding the phone holder!
