

Dragon Husband

Chapter 952

Everyone looked at Wiliam with incomparably complicated eyes.

What kind of personality does this kid have!

Let another arrogant kid be willing to do absurd things.

Knowing to be used, but still willing.

Wiliam looked at Li Nanfeng and nodded.

Wiliam did have selfish intentions.

However, this touch of selfishness is insignificant compared to the survival of the Li family in Nanjin.

He wanted to take this opportunity to know the purpose of the 36 Soul Dream Kuizhu from Nanli Family in Nanjing.

And ten minutes ago, he knew.

Cheng Su sent a message to Wiliam.

After hearing Li Nanfeng's words, Mrs. He only felt like falling into an ice cellar.

Her gaze looked at Wiliam with extremely complicated eyes.

I wonder if it was right or wrong to let my grandson follow this kid?

And she understood it instantly.

Wiliam knew from the beginning that this was a game she had set.

At the beginning, he doubted the authenticity of Bi Luo's heart and blood.

Then he doesn't make any arrangements for this matter, it doesn't look like his style at all.

Only this time, she miscalculated again.

Once again, Wiliam used someone she had never thought of, her own grandson Li Nanfeng!

Now, she felt like she was being held by a knife on her neck, in a dilemma!

"That's it, the 36 soul dream quizzes from the Li family in the south ban, with Biluo's heart and blood bead as the core, can be deployed in three formations. The first formation requires more than ten beads to form a formation, creating a killing illusion. The strong die."

“The second array requires more than 20 beads to form an array, creating an illusion of the heart demon, and those who are below the initial stage of the transformation will die.”

“The third formation requires more than 30 beads, the formation is completed, and the dreamlike image of the eternal soul emerges, which is difficult to stop in the late stage of Huajin!”

Li Nanfeng seemed to be mumbling to himself, telling the secrets of the Li family in Nanban, one by one.

When everyone heard this, they were in an uproar!

The South Ban Li Family has been declining in recent years, and there are not many people who know the South Ban Li Family’s prosperous moment.

However, some older people know that the foundation of the Li family’s establishment, or the ability to manage the family, is illusion.

Illusion is a bit like Qimen Dunjia and his ilk.

Can make people hallucinate, and finally defeat them without fighting.

Now everyone hears that if the third formation of these thirty-six soul dream Kuizhu is completed, it is difficult to be a master in the late stage of Huajin!

This power is simply appalling!

Is the Southern Forbidden Li Family so tough!

Although the people of the South Ban Li family were angry at Li Nanfeng’s telling the secrets of the South Ban Li family, but seeing the shock of everyone, don’t mention how happy they were.

This is the complete South Forbidden Li Family!

Who dares to underestimate Li’s house in Nanban!

And Li Nanfeng’s words continue, “So, grandma, Wiliam has our family’s handed down pearls. As long as he takes out ten or more, it will be enough to verify the authenticity of the Biluo Heart Beads in your hand. Do you dare to test? ?”

The question was thrown into the hands of Mrs. He!

Old lady He trembled.

She has a feeling of falling short of success!

What she thought was seamless!

It was based on the fact that everyone didn’t know the secrets of Li’s family!

It is built on the basis that everyone can’t break this game! Now, it was broken by Wiliam!

In the eyes of everyone, her bureau was full of loopholes!

hateful!

How did this kid do it!

She looked at Wiliam angrily and suddenly asked: "Boy, I want to ask you, how did you doubt the authenticity of this bead in the first place!"

In a word, the people on the court are crazy again!

Is this Mrs. He tacitly acquiescing, the Biluo blood drops in her hand are fake!

crazy!

Today is crazy!

This old lady has one trick and one trick, it's so cruel, she's concealed!

But under this kid's tricks, it turned out to be so ridiculous!

Wiliam smiled slightly.

How suspicious?

Need to doubt?

The real Biluo's blood is in his hands.

However, now is not the time to tell the truth.

When Mrs. He asked, on the contrary, it posed a problem for Wiliam.

Wiliam rubbed his head and sighed.

It really embarrassed me, I have to give you a reason.

Wiliam thought for a while, and said, "It couldn't be simpler, think backward, and all your actions will become full of errors."

"Assuming that the beads in your hand are true, then you will never support Su Yuchun in sending other handed down beads to me as a bargaining chip. After all, your husband used to be the head of the Li family in Nanjin, and you should know The formation effect of Thirty-Six Soul Dream Kuizhu."

"So, if you can defeat the soul dream formation of the warriors in the late stage of Huajin, you will not be moved? After all, your character is eager for quick success and quick profit, and you will not let this treasure that can reach the sky in one step."

"Your support for sending other beads out means that you never thought that the real Biluo Heart Blood Beads would return to your hands. Even on the night when you secretly calculated Su Yuchun, your strategy was already mature. But you On that night, the other ten beads were given to me again, completely cutting off the possibility of formation."

"This reason is sufficient."

“Therefore, if you think in the opposite direction, there is only one possibility. You are deliberately deliberately concealing everyone’s Biluo heart and blood, it is fake. You only regard it as a credibility that can reach the top, and you don’t care about its effectiveness. ”

When Wiliam said something, the people on the scene were dumbfounded!

How can I think of things like this!

by!

Thinking too tricky!

Who can think of this!

Everyone was shocked to Wiliam for a while!

This kid, within today, has shocked everyone several times.

Obviously, there is no trace of evidence in his hands to prove the crime of Mrs. He.

However, relying on a powerful mind to fully exert psychological tactics!

The meticulous logic and perfect thinking are simply impeccable!

But if everyone knew that these words were made by Wiliam just now, what expressions would they make?

After listening to Wiliam’s words, Mrs. He also smiled sadly!

I reorganized my estimation of this kid again!

Powerless!

There is no counterattack!

She shook her head and smiled bitterly: “It turns out that you have seen it a long time ago. Although there is no basis for it, even I believe it. I admit that you won this round...”

Seeing Mrs. He admit defeat, there was applause in unison!

Marvel at Wiliam’s magical performance!

The people who banned the Li family in the south were even more grateful to Wiliam.

It was him, the god and god, who pulled the Nanjin Li family out of the dead!

However, amidst the admiration, only Wiliam, after listening to Mrs. He’s words, frowned tightly.

Everyone also noticed Wiliam’s expression.

The applause gradually stopped.

Wiliam suddenly looked at Granny He, sighed, and said a word of horror again!

“Sorry, I left you a logical loophole in that remark just now.”

“If what you said just now is true, then I have to admit that I miscalculated one thing...”

“All my previous inferences are going to be overturned and started again.”

“I said, you directed and acted all of this by yourself, and now it seems that this is not the case...”

“The person above should know about this, or I guess more boldly, you are the person above!”
