

Chapter: 1123

“If you want to drink, then I’ll drink a little with you.”

Chen Feng took the initiative to pass the wine bottle and opened the wine with a corkscrew. There was some in the two wine glasses in front of him, but the amount was not a lot. He didn’t want the two to get drunk because of this.

Lu Xinjie took one of them, shook it gently, and took a sip.

“You brought me to Yanjing, do you want to put me here like this?”

Lu Xin actually wanted to ask this question very early. She followed Chen Feng to Yanjing. Everything seemed to be decided by Chen Feng himself. Maybe she wanted to oppose it. Even at that time, she didn’t know what to do. To do it, I was confused and agreed.

But after more than a week, she also calmed down, knowing that she still needs to be responsible for her future.

But at this time, what she saw was the red maple of Xiangshan.

And this is not a life that anyone can enjoy. There are people who clean every day, and there is no need to cook by themselves. The simple life is that there is only drunkenness and dreams left.

It’s a pity that she didn’t think so, so now she still asks Chen Feng this question.

Chen Feng was also stunned.

“This is your own problem. I didn’t think about how you would behave. If you feel that life is unsatisfactory, you can go on like this. As long as the monthly bill is not large, I don’t care much.”

Lu Xin smiled lightly: “Then what am I, is the woman you kept? Jinwu Cangjiao?”

Chen Feng shook his head and said, “I said I wouldn’t do this.”

“But what is the difference between doing it now and doing that, it’s just that you didn’t upload it with me, but if you want to, I don’t mind.”

Chen Feng’s expression turned cold, he didn’t want to discuss this with Lu Xin.

Seeing Chen Feng’s expression, Lu Xin said again: “If you don’t want to listen, I won’t say it again.”

“You better be so.”

Lu Xin looked at Chen Feng with a bit of resentment, and there was more sadness on her cold face, but it was a little bit more pitiful.

Lu Xin said, “I want to do something!”

Chen Feng said: “You don’t have to tell me, I don’t limit your freedom, you can even leave Yanjing as long as you want.”

The words were a little bit cold, although the relationship between the two was originally weak, but the words to leave still caused Lu Xin’s face to change unnaturally.

But then she said: “I won’t leave here for the time being, but what I want to do needs your help.”

Chen Feng was curious, sitting on the sofa, sniffing the aroma of wine, and asked: “I can’t guarantee that I will agree to any help, but if it doesn’t matter, I can consider it.”

Lu Xin had just tried it, and didn’t think Chen Feng would definitely agree.

“Okay!” There was some longing on her face, and it seemed that what she wanted to say was also her expectation: “I want to sing like a singer.”

Chen Feng was stunned, he never thought it would be such an idea.

“Have you sang a song before?” Chen Feng asked.

Lu Xin nodded and said, “Before I met Xu Fu, my dream was to be a singer.”

“Have you talked to Xu Fu?” Chen Feng asked curiously.

Lu Xin shook his head and said, “He doesn’t want me to do this kind of Israeli entertainment.”

Chen Feng didn’t think this was a problem either. With Xu Fu’s financial resources, he didn’t need a woman to go out to make money by herself, let alone such an appearance.

But Chen Feng was not so rigid. He thought for a while and asked,

“Then what do you think? You also know that this is to entertain people with sex, and depending on your appearance, as long as you don’t sing too much. , It’s easy to be popular with you. I can find someone to do it for you, but this kind of thing takes time to settle, and I can’t guarantee that you can sit in a very high position in one step.

But these are just my thoughts, as long as you still look at yourself. ”

Lu Xin had no idea that Chen Feng would run it for her. Long ago, all she thought about was simply singing some songs. When she became famous, she would learn more professionally, then write and sing by herself. Finally, if When she had the opportunity to be a singer, she went to her own concert.

But now Chen Feng’s plan is naturally different from what she thought, and she hesitated.

But Lu Xin is a smart woman. She knows that this is a shortcut to this world. It is the end that others may not reach for a lifetime. As long as she nods, she is already on the starting line very close to the end.

But if it was something else, maybe Lu Xin would agree. She didn’t like to work hard, it was very tiring, but only in this matter, she didn’t want it to be so simple, it would make her feel that all this is not that important.

After thinking for a long time, she still shook her head and said, “I don’t want to be so fast.”

Chen Feng curiously asked, “Do you have to rely on your own efforts? I think it’s difficult. If you don’t work hard, you will be rewarded.”

Lu Xin naturally knows this truth. She said: “I don’t totally reject your kindness, but I want to learn some professional knowledge first, and then think about other things.”

Chen Feng looked at Lu Xin. He was curious that this woman who had approached Xu Fu would be willing to sink her heart and learn. In this impetuous world, everyone is willing to achieve their goals as quickly as possible. No one cares. Whether he can match that position, someone who thinks like Lu Xin is now called a fool.

It’s just that Chen Feng suddenly felt that this fool was a little cute.

“If you think so, I have no objection. I can find the most professional vocal teacher for you, so that you can reach your ideas as quickly as possible, and all the instruments you want, I can give you the best OK.

But all this is not completely unconditional. You should know that I am not a philanthropist, and I don’t have to pay for your dreams. ”

Lu Xin was a little surprised. She knew that her biggest capital was her body, but Chen Feng had already clearly rejected it, but now she has the conditions, and what can she give?

“What can I give you, I have nothing now!” Lu Xin said dejectedly.

Chen Feng shook his head with a chuckle: “I know you don’t have anything, and even if you have it, it’s worthless to me. I don’t need that tacky thing.”

Lu Xin asked curiously, “Then what do you want?”

“A promise!”

“promise?”

Chen Feng said lightly: “Yes, it’s just a promise. As long as you promise me that you will complete this thing seriously and completely without laziness, I can promise all your requirements. Naturally, normal rest is not lazy.”

Lu Xin looked at Chen Feng blankly.
