

Chapter: 1137

Isn't that the place where Xu Shuzhen stayed?

How could it be such a coincidence.

Lin Wanqiu looked at Chen Feng's strange expression in confusion, and asked, "What's the matter? Is there something wrong with the hotel?"

Chen Feng shook his head and said, "I just remembered some things. The hotel is naturally no problem. That's my property. Don't you worry about me doing things?"

Lin Wanqiu also followed with a smile.

The two went out and drove to the door of the hotel.

Chen Feng didn't know if he would meet Xu Shuzhen. If he did, how would he say hello to her? Should he pretend not to know him?

Chen Feng thought about some difficult choices, but then he thought that half a month had passed, and he hadn't seen her for such a long time, maybe they had already left.

Thinking of this possibility, Chen Feng had nothing to entangle.

The hotel's banquet hall was upstairs, and Lin Wanqiu walked with Chen Fengkuan, and at this time, Lin Wanqiu's friend Ye Ziqing yelled at her.

Lin Wanqiu pulled Chen Feng to stop. When Ye Ziqing came to them, Lin Wanqiu said, "Ziqing, you came very early too!"

Ye Ziqing is just a person. She saw the man Lin Wanqiu was holding, at first glance, he was really handsome, but when she took a closer look, she felt even more handsome.

She said to Lin Wanqiu in a daze, "Wanqiu, is this the boyfriend you often mention? This is too unreal, how does it look like you rented it to fill the front?"

Lin Wanqiu pursed her mouth and said with dissatisfaction: "Ziqing, I have brought people together. Why do you still doubt that this is my boyfriend? We are all living together now."

Ye Ziqing said in surprise: "Ah! Wanqiu, when were you so..., so."

Ye Ziqing couldn't find a suitable word for a while.

Lin Wanqiu laughed and said, "What's the matter with this, don't make a big fuss."

As the two women talked, Chen Feng could only stand aside and laugh silly, and he didn't know how to interrupt.

"That Wanqiu, I have something to discuss with you?" Ye Ziqing suddenly whispered.

Lin Wanqiu was curious and asked, "What is it, why are you so mysterious?"

Ye Ziqing said, "That's it. It's not convenient for you to lend me your boyfriend for two days."

Lin Wanqiu became angry immediately, and even Chen Feng was astonished. How could he hear that he still borrowed a boyfriend.

"Ziqing, if you weren't my friend, I would have gone now."

And seeing Lin Wanqiu angry, Ye Ziqing also knew that she hadn't said the whole thing.

She immediately explained: "Wanqiu, you have misunderstood. I didn't want to snatch your boyfriend. I just wanted to take it back to deal with my parents. They urged me every day. I was so annoyed that I made up a lie. , But now they want to take a look again, but I can't find anyone, so when I see you happen to have it, I want to ask you to borrow it for two days."

But even if Ye Ziqing said that, Lin Wanqiu was still unhappy.

Ye Ziqing could also see Lin Wanqiu's expression. She didn't wait for Lin Wanqiu to speak, and continued: "If you don't want to, I have to find someone else."

But Lin Wanqiu also knew that Ye Ziqing basically had no friends of the opposite sex, except for a few good friends of them. This chapter is not finished, please click on the next page to continue reading! Page 1 of 2

Where can she go to find a fake boyfriend.

This was because she felt a little softened. She whispered to Chen Feng, "Why don't we help her, Ziqing won't do anything to you."

Chen Feng didn't expect that he would still be loaned out one day, which was really funny.

But when he thought of dealing with his parents, he had a headache. Chen Feng had experienced this kind of thing. Thinking of his mother-in-law, he felt that it was a disaster.

But now he is helping Lin Wanqiu's friend. He is unwilling to let Lin Wanqiu lose face in front of his friends. He has to say, "It's fine if you decide. If you are not afraid of your boyfriend running away with someone, I don't care."

Seeing Chen Feng smiling, Lin Wanqiu also said with a smile: "I am not worried. Even if you are abducted, I believe you will definitely come back to find me."

Ye Ziqing didn't expect things to go so smoothly, but seeing Chen Feng showing their affection in front of her, she felt sour again and wanted to leave.

"Okay, Ziqing, I promised you, but in two days, you can send him back to me intact."

Ye Ziqing felt a lot more relaxed when she thought that she could solve a problem. She smiled and said, "Even if he is a baby, I won't grab it. My favorite is Wanqiu from my house."

Chen Feng couldn't tell the relationship between the two women, and all he could do was smirk. As for meeting Ye Ziqing's parents, Chen Feng could only take a step forward and wait until the time came.

After discussing the matter, the three of them walked to the elevator together.

Chen Feng would not have thought of someone looking at him in the corner.

Xu Shuzhen also did not expect to see Chen Feng here.

In half a month, she couldn't find any way to persuade Chen Feng, and it was very difficult to even find Chen Feng, so she spent most of her time in this hotel.

But she did not expect Chen Summit to come here by herself and appear in front of her.

And she also looked at Lin Wanqiu in the same way, only then did she know that Chen Feng had been saying that there would be no lack of women by his side, nor did she look down on what she meant.

With such a beautiful woman, even though she thinks she looks pretty good, it is normal for Chen Feng to remain unmoved.

But she hurriedly told herself not to think about these thoughts, after all, she wanted to get the secret possession of Taihao in Chen Feng's hands, not caring about his private life.

But even so, even if she knew that Chen Feng was here, she didn't seem to be able to do anything.

However, this is always an opportunity, and she still decides to keep up, maybe she can start with the person next to Chen Feng.

Seeing that Chen Feng and their elevator reached the 25th floor, she also entered the elevator on the other floor.

On the other side, Chen Feng entered the banquet hall, which was very lively. Although Chen Feng and the others arrived early, there were still a lot of people gathered here.

Lin Wanqiu took Chen Feng to meet some of her other friends, and then put Chen Feng to move on her own.

It's really just meeting a few women, and Chen Feng has never felt so tired. It's like there are countless ducks making noise in their ears. They always talk about Chen Feng and talk long and short things, and Chen Feng really doesn't know. How to answer, after all, that kind of thing belongs to the gang.

But fortunately, Lin Wanqiu also knew that Chen Feng didn't like this scene, so after saying a few words, she asked Chen Feng to go aside.

But Chen Feng, who was relieved, finally walked aside, picked up a glass of wine and gradually tasted it.
