

Chapter: 1158

Chen Feng knew that she just wanted to get back the evil spirits just now.

“It still cannot be completely ruled out, but at least you are not the first suspect now.” Chen Feng said lightly.

“Fuck you, I still want to say that you are the murderer.” Ye Ziqing actually reported the foul language, and it seemed that Chen Feng was really angry.

But it is normal to think about it. No one will be happy if anyone is suspected of being a murderer.

“Then what you want to do, I can’t just let go of any possibility.”

Ye Ziqing said unceremoniously, “I don’t care anyway, you just apologize to me.”

Chen Feng thought for a while, but he didn’t want to entangle her more, and it was because he suspected Ye Ziqing that it made her unhappy.

“Then I apologize to you, sorry.”

“Do you think it’s enough to just say sorry?”

Chen Feng asked helplessly: “You made me apologize, but now it’s not possible. What do you want to do?”

Ye Ziqing didn’t seem to have thought about it either. Chen Feng asked, she thought about it seriously, and said, “Please invite me to dinner. If I am satisfied, I will forgive you.”

Chen Feng originally wanted to go back for dinner, but since Ye Ziqing said so, Chen Feng had to accompany him.

“That’s okay, I think about it, the food there will satisfy you in the end.”

Finally, Chen Feng chose a shop outside the snack street.

This place is much worse than those well-known restaurants, and it is very noisy because it is surrounded by people and people come and go.

Chen Feng took Ye Ziqing and sat down in a hot pot restaurant.

“You chose this kind of place for me? I don’t think you have any sincerity at all.” Ye Ziqing said with some complaints.

Chen Feng smiled and said, “Don’t you think that the food is only in that kind of big restaurant? In fact, sometimes the delicious place is only in this kind of shabby room.”

But Ye Ziqing didn’t seem to take it seriously, and even a little despised the environment here.

Soon after, when the bottom of the pot arrived, Chen Feng began to prepare some dishes for Ye Ziqing, and after a while, the two of them ate them.

After trying, Ye Ziqing immediately changed her attention.

“This taste is really delicious.” Ye Ziqing praised.

And because she liked the taste here, even Ye Ziqing had eaten a lot. When the search was over, she seemed to stand up alone.

But in front of Chen Feng, she tried her best to conceal it, but it was too obvious.

“You are going to eat here! Leave as soon as you have eaten.” Ye Ziqing was lying down and enjoying the satisfaction after being full, but suddenly heard some discordant sounds.

And Chen Feng heard the same thing. He looked at the person who was speaking. It was a man and a woman, both young, and the woman was very enchanting, and the man was very ordinary.

But this does not prevent the two from getting tired of being together, like a very close relationship.

But no matter what their relationship is, for Chen Feng, they have no reason to drive Chen Feng and the others away.

“Are you a store?” Ye Ziqing asked.

“No! Why is it not the store that can’t let you leave. Haven’t you already eaten? Why don’t you stay here?” This chapter is not over, please click on the next page to continue reading! Page 1 of 2

Unexpectedly, there is still such a bossy person, and Chen Feng is also angry.

“It seems that if we leave or not, it will not be your turn to make irresponsible remarks.” Chen Feng said coldly.

The man was not to be outdone, especially in front of women. He looked at Chen Feng and said again: “Whether you are going or not, you have to figure out who is covering this area.”

As for who was covering, Chen Feng didn’t dare to be interested.

But Ye Ziqing was a little scared. After all, she had only watched things like gangsters on TV, and when she really encountered it, she imagined the horrible things like taking out a knife like on TV.

But in today’s society, the most is to fight and use knives. They dare not.

“I can wait and wait for you to find the man covered, or don’t yell at me here.”

“You... Okay, you wait for me.” The man’s momentum immediately weakened.

Even the woman could see that Chen Feng didn’t seem to be easy to provoke. She pulled the man and wanted him to retreat, but in this situation, especially in front of a woman, it was the most impossible to save face.

Even for Chen Feng, it may be the same.

“Is this really good? If they come with a lot of people, what shall we do?”

Ye Ziqing was still scared.

Chen Feng is also unwilling to argue with people over such matters. After all, his identity is tied to these gangsters, and being heard by others is also an act of devaluation.

It is a pity that sometimes anger will do something beyond reason.

“Don’t worry, no matter how many people they come, it won’t be a big deal.”

“Yes...” Ye Ziqing worried.

Chen Feng smiled and said, “Now I invite you to dinner, but I can’t make you wronged, and if this kind of scum does not teach you a lesson, he will definitely get worse when he meets others in the future. Let us leave now and still watch. We are almost over. If next time, he might just drive away those who are dining.”

Chen Feng said so, just to make Ye Ziqing a sense of justice.

Sure enough, Ye Ziqing felt that this was not just a fight, but a teaching.

The man stepped aside and called someone. He seemed very excited, as if being bullied by someone very badly.

“Should we call some people over?” Ye Ziqing looked at the man and asked carefully.

“Do you know anyone?” Chen Feng asked.

Ye Ziqing thought about it seriously. It seemed that she couldn’t call anyone who could help, but she said this in the hope that Chen Feng could do it.

“where is your friend?”

“This kind of thing still won’t let them come. If they know about it, they will probably laugh at me.”

“Why? Shouldn’t they help you?”

Naturally, Chen Feng couldn’t explain clearly to Ye Ziqing. He just said, “Don’t worry, I can solve this kind of thing by myself.”

The speed of the other party was very fast. Only when Chen Feng and the two were chatting, a group of people walked away at the entrance, seven or eight, all seemed to be fierce.

As soon as this group of people came in, they immediately attracted the attention of the guests. Some people knew what might happen, and hurriedly went to checkout and left without finishing eating.

The boss saw that he wanted to stop him, but as soon as he compared his body shape, he still didn’t care much about it.

Those few people walked towards Chen Feng and the others very bravely.

Seeing someone coming, the man just greeted him immediately.

“Brother Qiang, you are here.”

Aqiang smiled and said, “My brother has been bullied. Can I just ignore him, come and tell me that guy doesn’t open his eyes.”
