

# Chapter: 1159

The guy immediately pointed towards Chen Feng and the others.

Chen Feng didn't expect that the person who came here would be A Qiang, and even he laughed himself.

"What's wrong?" Ye Ziqing was still a little scared when she saw these people, but when she saw Chen Feng smiling there, she asked curiously.

"Nothing! I just didn't expect to meet friends here."

"Do you know them?" Ye Ziqing was also a little weird.

Chen Feng nodded and said, "I do know him, but I don't know what he is going to do."

On the other side, A Qiang looked in the direction the man was pointing, and he naturally saw Chen Feng.

He was stunned for a moment, and asked confirmingly: "Are you sure that guy bullied you?"

"Yeah, Brother Qiang, you have to call the shots for me. He didn't put us in his eyes at all. He and I mentioned your name, but he didn't know you." He said that he himself felt unacceptable. .

"Did you really mention me to him?" A Qiang knew that Chen Feng couldn't help but know him.

"That said, I said that Brother Qiang is the boss of this movie, but they completely ignore it." At this time, it is natural to add fuel and jealousy.

It is impossible that Brother Qiang will go to verify that with that guy.

It is also because of this that he can splash the dirty water on Chen Feng unscrupulously.

But he didn't expect that he just finished speaking, A Qiang slapped him on the head.

"Fuck, who asked you to mention Lao Tzu's name, aren't you uncomfortable for Lao Tzu?"

The beaten man was blindfolded, completely unaware of what happened.

"Brother Qiang, how did you beat me? Did I do something wrong?"

"You fucking did everything wrong."

With that, he stopped paying attention to this guy, and went straight to Chen Feng.

"Shao Chen, it's been a long time since I saw you. I didn't expect to meet you here."

Chen Feng looked at A Qiang being so polite, but he still sternly said, "You are so majestic, I ate well here, but your people want to drive me away. This kind of thing is also true. You do it often."

"Shao Chen, the thing that doesn't happen is that this kid is accustomed to being flat. He is my younger brother, and I can't help but take care of him. But I didn't expect that I ran into Shao Chen today. This incident really hit the Dragon King Temple. , The family doesn't recognize the family anymore."

Chen Feng said coldly: "Who is a family with you, don't get close to me here."

A Qiang nodded repeatedly: "Yes, yes."

The two of them were just a few words but everyone who watched them was surprised. A Qiang's younger brother was even more stunned, completely unable to believe that his elder brother was so polite with an ordinary guy.

He was naturally guessing in his heart what kind of background Chen Shao in Aqiang's mouth was.

Not only them, but Ye Ziqing on the side was also surprised.

No matter how Chen Feng looked, he was very gentle, spoke kindly, and showed an elegant manner in his gestures, but it seemed that this gangster seemed to be very afraid of Chen Feng.

Could it be that Chen Feng is the hidden villain, who controls all the dark forces behind him.

With her own imagination, Ye Ziqing successfully portrayed Chen Feng into the legendary invincible villain. This chapter is not finished, please click on the next page to continue reading! Page 1 of 2

"Forget it, this kind of thing is not what you think. It can only be said that you didn't teach people well. How can I say it? I won't pursue it. You can go back and take care of it. This time it is me. When I meet someone you can't deal with, I really want to see what you do." Chen Feng said lightly.

A Qiang slapped his chest, and said, "Young Master Chen, don't worry, there will never be another time, and there are people in Yanjing who are scarier than you. Who dares to say, I am the first to refuse."

This is natural bullshit, and Chen Feng would not listen to it.

But Ye Ziqing believed it.

Sure enough, as he thought, Chen Feng appeared to be just an ordinary entrepreneur, but in the field he was the terrifying boss who controlled the entire Yanjing gang.

And this kind of person is a demon who kills without blinking, in their eyes, human life is not worth money at all.

"What are you thinking about?" When A Qiang took someone away, Chen Feng found that Ye Ziqing was in a daze, he asked curiously.

When asked by Chen Feng, Ye Ziqing was startled. He was afraid of Chen Feng, and he dared to talk to Chen Feng normally.

"No...nothing"

Chen Feng also felt strange. It was fine just now, but the problem was solved. She seemed to be a little scared. He thought it was the same thing, so he comforted: "Everyone is gone, you don't need to be afraid. It's almost time, let's go for a walk and relax."

"Ah!" Ye Ziqing was taken aback. He really didn't know what Chen Feng meant by saying that. Could it be that he wanted to find a place where no one else could do it on him.

But Ye Ziqing had forgotten that if Chen Feng wanted to do it, there would be too many opportunities along the way.

But at this time, it seemed as if an identity was assigned to Chen Feng, that's why he had these doubts.

"You won't do anything to me?" Ye Ziqing asked suspiciously.

Chen Feng was stunned, what was wrong with her, and suddenly asked such words.

"Why should I treat you like this? I only invited this meal to apologize for you."

At this moment Ye Ziqing seemed to react.

"But you, you actually knew that kind of person just now, are you that kind of person too?"

When Chen Feng heard this, he was a little confused.

"What kind of person, that kind of person?"

"It's the guy just now."

At this time, Chen Feng seemed to understand that the feelings of Ye Ziqing also regarded himself as a bastard, and seeing that Aqiang was very respectful to him, so he misunderstood something even more.

Chen Feng said softly: "You think too much, how could I be a bully, do you think I look alike?"

Not to mention good looks, but Ye Ziqing is even more connected when talking about looks. After all, those cruel people are not all vicious, but the more decent people are, the more vicious they are when they do bad things, just like Huashan. The sent Yue Buqun was the same, but he was turned into a gentleman's sword.

"It doesn't look like it doesn't mean you wouldn't do it"

Chen Feng smiled bitterly, but met A Qiang and plunged himself into it.

"Forget it, if you think so, I can't help it, but then you should have no idea about going out with me, I'll take you home." Chen Feng said.

Ye Ziqing hesitated. Seeing Chen Feng compromise, she felt that she was thinking too much.

"Then you, don't do anything to me," she said boldly.

Chen Feng chuckled and said, "What do you want me to do to you? You have to know that there is Lin Wanqiu behind me. If he knows, I don't even know how to die."
