

Chapter 4935

When the two heard Charlie's invitation,

Issac and Orvel hurriedly nodded, and then followed him and Ruoli on the plane.

As soon as he got on the plane, Charlie said to the three of them:

"Make yourself comfortable, I'll go inside and make a call."

The cabin of this Concord is divided into four parts, in addition to the cockpit and the working area of the crew,

The cabin is divided into a seating area, office area, and rest area from front to back.

The seating area is full of large first-class seats, which can accommodate thirty people,

The office area has a conference room, an office, and a lounge area with a double suite.

After Charlie greeted the three, he went to the back office first,

And the first thing he did after sitting down was to call Stella.

After Stella received the call, she respectfully asked,

“Mr. Wade, what are your orders?”

Charlie said, “Miss Fei, I will send you a list of medicinal herbs in a moment,”

“And you can hurry up and prepare it for me in New York. If you can get it all together, it’s the best,”

“If you can’t get it all together, you can tell me in time which ingredient is missing,”

“And I will have it shipped from China.”

“No problem.” Stella hurriedly said: “Mr. Wade, here in New York. There are many Chinese, and there are also many well-known traditional medicine practitioners.”

“The business of Chinese medicine and medicinal materials is also quite large, and I believe that I can gather what you need.”

Charlie hummed and said, “Then I will send you the list later,”

“Thank you for your hard work.”

“Mr. Wade is very polite, it is my honor to serve you.”

She then asked: “By the way, Mr. Wade, when will you return to New York?”

Charlie said, “My plane is about to take off, and I should be there in two hours.”

Stella said hurriedly, “Then I’ll pick you up at the airport!”

Charlie didn’t plan to stay at Fei’s house tonight, because he wanted to make alchemy,”

“And Issac and Orvel were both around, so he planned to stay at the Shangri-La Hotel in New York.

So, he said to Stella: “Miss Fei, don’t bother, I’m going to Shangri-La tonight.”

“Just prepare the medicinal materials from your side and come to Shangri-La to find me directly.”

Although Stella was a little disappointed, she was still feeling very refreshed and agreed:

“Okay, Mr. Wade, please send me the list, and I will prepare it as soon as possible.”

Charlie then sent her the list of materials needed to refine the Reshaping Pill.

Although the materials required for this are very valuable, at least they are not as rare as the phoenix vines.

With the phoenix vine, it should not be too difficult to match other materials.

Once the materials are ready, Charlie will be able to directly refine the Reshaping Pill in New York.

At that time, after the pill is completed, Roma, Ito Yuhiko, and Tanaka Koji can all fly to New York,

And he can solve the problems of these people at one time.

Thinking of Takehiko Ito, Charlie couldn't help but think of Nanako Ito.

He has not seen her in a while days.

Although he didn't want to admit it,

He knew in his heart that he had always missed her.

If Ito Takehiko comes to the United States, Nanako will definitely be with him,

And he will be able to meet her at that time.

However, Charlie didn't think anything wrong,

He just subconsciously hoped to take this opportunity to meet her.

Later, he was afraid that his wife would be worried about her mother,

So he picked up the phone and called her.

After the phone call, Claire asked, "Husband, where are you now?"
