

Chapter 5049

After speaking, Charlie said again: "It's the same for you,"

"You have someone covering you in Bedford Hill, and after a few days no one dares to be addicted,"

"This is the net profit, at this time, once the opportunity is suitable,"

"You must quickly stop the profit and put your money in your pocket,"

"Otherwise, it is very likely that you will spit it out with the profit."

Elaine was stunned for a moment, and said angrily:

"Good son-in-law, you are right. Ah! Mom didn't understand this truth!"

"I should have understood this truth earlier, I would have been running around outside now..."

Charlie didn't care about her awakening at this time.

He just pondered in his heart that if she was like this now,

If he took her back to Providence, Claire would definitely feel distressed when she meets her.

Moreover, Elaine's leg is broken again, and most of her self-care ability has been lost.

If she is taken back, who will take care of her daily life?

Claire still has to attend classes, and it is inconvenient to take care of her by himself,

So the best way is to let her stay in New York for treatment.

However, there are still two problems, one is how to make Elaine willingly stay in New York,

And the other is how to explain this to his wife.

But the top priority is to send Elaine to the hospital for treatment first.

Although she has a leg injury, half a blood-scattering pill can make her walk,

But he still feels that it is somewhat wasteful to use the pill on Elaine.

So, he drove her to the Fei family's private hospital.

Because Douglas had greeted them in advance, the hospital was waiting in full force.

As soon as Elaine arrived, she was carefully lifted out of the car by several nurses,

And then pushed to the orthopedic treatment room in a wheelchair.

A group of orthopedic specialists surrounded Elaine and used all kinds of professional means to treat her,

Which made Elaine regain the feeling of being a ghost in Bedford Hill Correctional Institution.

After the doctor's diagnosis, although Elaine's right leg has a certain fracture,

It is not too serious and does not require surgical treatment,

But still needs to be immobilized in a plaster cast,

Combined with drug treatment and self-cultivation.

Later, in order to allow Elaine to rest better,

They directly arranged her in the best ward,

And its interior luxury was much more upscale than a suite in a luxury hotel.

Several nurses gently moved Elaine onto the hospital bed and adjusted it to the most comfortable angle for her,

And then one of the nurses said to Elaine:

“Ms. Ma, wait a moment, I’ll get you some fruit.”

“And snacks, you need to replenish your stamina first.”

“Okay! It’s really hard for you!”

Elaine’s condition improved a lot because of the use of the analgesic pump.

In addition, lying on the comfortable hospital bed, she finally regained her smile.

The nurse said respectfully, “Ms. Ma, you are welcome, this is what I should do.”

After the nurse went out, Elaine couldn’t help but sigh to Charlie,

Looking at the luxurious surroundings, “Good son-in-law.”

“The hardware conditions of this hospital are also very good.”

“This ward must be at least 100 square meters, right?”

“Such a luxurious ward cannot cost less than a thousand dollars a day?!”

Charlie smiled: “Mom, this hospital is my client’s.”

“He has already said that your treatment here will not cost you a penny,”

“And you will definitely be provided with the best doctors, nurses, and ward.”

“No money?!” Elaine was stunned, and blurted out:

“Mom, it’s really cool not to spend a penny to live in such a big ward!”

Just after speaking, the nurse knocked on the door and came in,

Bringing a very beautiful fruit plate and dessert.

She put all the food on the small table in front of Elaine, and said respectfully,

“Ms. Ma, please have some fruit snacks first,”

“And I want to introduce to you that the screen at the head of your bed is actually a touch screen.”

“There is an ordering interface, where you can choose the meal you like,”

“And we will deliver it to you as soon as possible.”

Elaine said in surprise: “Mom, so considerate?”

“Let me see what you all have. Is it delicious!”
