

PUNISHED BY HIS LOVE

I' m Sorry My Love Novel Alternative

Chapter 2350

Arron answered very frankly: "Yes."

Shu Mingxia sneered: "Sure enough!"

"Mom! Mom, don't kneel. Now, my knees are rotten!" Suzi rushed to his mother in distress, and her tears were about to fall out.

Mother kneeling is not the main thing.

Mainly, Suzi saw with his own eyes Shu Mingxia standing in front of his mother and bossing around.

She helped her mother up and looked at Shu Mingxia with an angry face that was almost collapsed: "What's the matter! What's the matter! Let no one live! My mother ate yours and drank yours, but I still killed your father and father. , you arrest my mother!

You call the police!

Report it!

Now call the police!

Shu Mingxia, let me tell you!

If you come here often and my mother has no problem at all, I will skin you alive!

I, Suzi, will be with you for the rest of my life . Be the enemy!"

Shu Mingxia: "Okay! I'll wait!"

Suzi: "You..."

Really arrogant!

He has been arrogant since morning!

At this moment, Suzi didn't care, he raised his hand and wanted to slap Shu Mingxia in the face.

But was hugged by Arron.

"Suzi, don't know him in general." Arron said calmly.

"Shaoqin! He deceives people too much! It's unreasonable! It's not good for us to leave or stay, whether to eat her or drink his, let him handle us like this!" Suzi's eyes were red with anger.

"Listen to me." Arron had only three words.

Suzi glanced at her husband.

Suddenly laughed.

From her husband's eyes, she saw the ruthlessness of the past again.

Over the years, as the children grew up, the hostility in her husband became more and more restrained.

But at this moment, Suzi clearly saw the cold light radiating from her husband's eyes.

She knew that her husband would not care about others easily, and once he did, he would make that person kneel down and beg for mercy.

She nodded: "Well! Listen to you, husband!"

Arron looked at Shu Mingxia indifferently: "Your estimates are correct. I am the illegitimate child of the Fu family, my wife has also been in prison, my mother-in-law has It happens to be the illegitimate daughter of the Shu family.

And not long ago, my mother-in-law was involved in a major case.

Not only that, but even your fourth brother's girlfriend was introduced by my wife. She has no such girlfriend. Family background, no power.

This is really not a family that does not enter the house.

As you said, our whole family climbed up from the bottom of society.”

Shu Mingxia smiled.

He smiled and dismissed: “Arron! I am a few years older than you. I was sent abroad by my parents before I was ten years old. When I went abroad, you were still young, one or two years old. ?

Or bigger?

Although I haven't dealt with you, I know everything about your Fu family!

Your mother!

It's almost impossible for me to make trouble with my Aunt Fu!

Although I was young at the time, I had an impression!

I still clearly remember that your Fu family has family motto!

It's not that the Ming media is marrying in, and even if they are pregnant and have children, they don't have half the inheritance rights.

Only give a last name at most!

And you, exiled abroad with your mother since childhood, right?

When you were a teenager, I saw you once abroad!

At that time, I felt that your kid was ambitious!

Chapter 2351

Now it seems that I guessed right! Your entire Fu family has been captured by your unscrupulous means!

Now, you want to harm our Shu family again? Fu

Shaoqin nodded. For

Arron's compliment to him, Shu Mingxia accepted it in full.

He raised his eyebrows: "Arron, you are quite frank, at least you admit everything, but Arron, let me tell you! Now that our three brothers are back, our three brothers will never let you!

Let your mother-in-law, your wife, and that shitty girlfriend your wife introduced to my brother succeed!

I think, with the strength of the three Shu brothers, we want to deal with your illegitimate child!

It should be more than enough! "

"*** your shit!" Galia who was in the car suddenly came out.

She was sitting in the car the whole time, but she didn't want to come out.

The reason why Galia came here with Suzi and Arron was that she was worried about Darius. To put it bluntly

, a huge Shu family , the one who worries the most is Darius.

Darius is kind and open-minded by nature.

He is filial to his parents and respectful to his grandfather, but he also loves his little aunt very much, and has a very strong family affection for Suzi.

Such a kind-hearted person, let him It's almost impossible for him to have a confrontation with his three brothers.

So Galia knew that it was really difficult for Darius to be caught in the middle.

It was because of the difficulty that Galia stepped on her man very much.

Sitting in the car, she just wanted to take a look at her man.

But she never thought that she heard her uncle Shu Mingxia slander her again.

Although Galia came from a small family, when did she suffer from such a useless feeling?

When she was playing with Suzi and Rayna, Suzi and Rayna always doted on her, and when she and Darius were together, Darius doted on her even more as a little princess.

Galia is almost the little sweet that everyone holds in their hands.

I have never been treated so rudely and unreasonably.

She immediately became furious: "Shu Mingxia! I've decided! I just want to be with Suzi and President Fu, when will it end when you kick you out of the Shu family!

Shu family!

As long as I am here, I will never let you Enter the door!"

"You..." Shu Mingxia's stuttering could not be clear: "How old are you!"

"I am the wife of your fourth brother!"

"Ha! Wife?" Shu Mingxia smiled: "You Haven't you heard of a wife like clothes? Today you can be Ming Zhen's wife, maybe once the old man's funeral is over, you will become a passerby!

How could our Shu family have a lowly daughter-in-law like you!"

"Shu Mingxia !" Galia gritted his teeth angrily.

"Galia." Suzi hugged Galia: "You can't be impulsive, for Ming Zhen, you can't be impulsive. The matter here is handled by me and Shaoqin, you take my mother back to rest first, my mother's My knees won't work, if I kneel down like this, my knees will break, be obedient!"

Galia tried her best to suppress the anger in her heart, gave Shu Mingxia a slanted glance, and then the husband and wife Alyce: “Little aunt, let’s go first! Put some medicine on your knee and come back.”

Alyce really couldn’t stand up.

Supported by Galia, he walked into the car, and as he walked, Alyce turned around and sighed, “I have never seen you bullying people like this. Well, it’s all your own fault.”

Yu Bi, followed Galia up. car.

The rest of Shu Mingxia continued to raise his eyebrows coldly to Arron: “I’m sorry, Mr. Fu, this is the funeral of our Shu family. Although our Shu family has been friends with the Fu family for generations, and the Fu family is also our honored guest, this honored guest does not include you, Arron! Please come back! No

!”

Fu Shao smiled indifferently: “Mingxia, you probably didn’t hear what I told you just now, I repeat, I, Arron, take over the funeral of the old man!

The entire Nancheng, including the front of the capital. Anyone who comes to offer condolences must be approved by my Arron!

And you, Shu Mingxia, right?

As long as you don’t enter Shu’s door, you can kneel outside the door like my mother-in-law.

I allow you!”

“You say What?” Shu Mingxia couldn’t believe it: “How dare you ask me about the Shu family?”

Arron didn’t answer, he just said abruptly behind him: “Come on! Clear all the three Shu brothers out of the Shu family! “
