The girl in front of him, Christopher hugged the girl who had been crying for five minutes, and now when he listens to her voice, It was so similar to Galia's voice.

However, the girl in front of her was not Galia.

Not his sister.

Christopher stared blankly at the girl, and asked again, "Who are you?" The

girl burst into tears and smiled bitterly: "I'm embarrassed, like a clown? You were asked by them to help them. You must have heard them say how cruel, how bad, and how vicious I am.

I don't even have a conscience. I don't even care for my mother.

You think I am a strong party, you It was originally here to help the weak, so you came here without asking anything, just walked over to a girl who was beaten with blood and a face full of embarrassment and hugged her.

I'm sorry, I'm not.

You want to help The girl may be my cousin.

The cruel and ruthless woman you want to deal with is me."

Christopher: "..."

For a moment, she didn't know what to say.

"This...what's the situation? I...I'm not here to help anyone, I have a relative missing, I'm looking for my relatives. I thought you were.... ..my sister."
Christopher's disappointment and lost mood were all written on his face.

His voice was extremely low, like muttering to himself.

People in the distance could not hear, only the girl who was beaten could.

The girl's voice was dull: "'Oh'."

Then she said: "There is no one you are looking for here, you are an outsider, don't go into this muddy water, you can go quickly."

Her voice was really Similar to my sister.

Christopher didn't hear this voice once, he felt that his sister was by his side.

"You...what's your situation? You quarreled with someone?" Christopher asked subconsciously.

Not waiting for the girl to answer.

Several boys behind you started scolding me with a single glance at you.

"Block them, this dog and man, don't let them run away!"

"Galia! If you have a conscience, kneel down and apologize to us, my parents, my aunt, and our whole family!

Kneel down!"

"Just kneeling down is enough? You have to break her teeth off! Will you dare to disobey her mother after seeing her! I even rebelled against her.

Even her mother is disobedient! I

didn't see her. Such a rebellious woman like you!" The last one who scolded was the man named Huzi.

Immediately afterwards, another gruff woman scolded: "Aunt! Don't be sad, don't be sad, you have to let this dead woman know that you have a family of your own, and you are supported by your family's niece and nephew. Yes!

Galia just disobeyed you, we can't kill him!

Brother, let's beat this dead woman to death together!"

Yu Bi, the gruff woman walked towards Christopher and the girl.

Her vicious appearance resembled that of a female sumo wrestler.

With such a physique, if you hit the woman in Christopher's arms, she can really kill her.

Christopher was stunned.

He asked the girl in a low voice, "What the hell is going on? There's such a gang fight outside the village, no one cares?" The

girl smiled bitterly: "I don't think your life is easy, you seem to be wandering here. Right? Don't go into this muddy water, and leave quickly."

After speaking, the girl pushed him out.

The push didn't matter, Christopher stumbled to the feet of the fierce female sumo woman who came to scold the girl.

"You're courting death! You wild man! You're a foreigner, you dare to come here to pick things up! You don't want it!" The female sumo was extremely angry.

Christopher: "..."

He looked up at the female sumo in a daze.

Haven't figured out what's going on yet.

The female sumo said angrily: "I told you that you are a foreigner, and you seem to be honest and come here. I don't care if you want to help her, but I have to tell you how hateful this woman is. She doesn't even want her mother. Do

you know who her mother is?

Chapter 2553

You must be wondering why so many of us are here to teach her.

Then I tell you, her mother is my aunt.

This woman disobeyed her mother, and as my aunt's nephew and niece, of course we must seek justice for our aunt!

Such an unfilial daughter.

We must beat her.

We have to let her know that it doesn't matter if she is not filial to my aunt.
My aunt is not the one who has no family!

You get out of the way!

Get away from me!

Don't go away, I'll beat you together! Listening

to the words, the female sumo's tone is extremely domineering.

Look at the female sumo's younger brother, the tiger son of five big and three rough, for some reason, Christopher's sympathy for the balance, instantly resembles this girl with the same name as Galia Maybe she has the same name as Galia ,

and her voice is very similar to Galia.

This is a wonderful fate, right?

Christopher didn't go away.

Instead, she calmly looked at the female sumo. The

female sumo became even more angry: "You, you This dirty out-of-towner, you are heartless, you still can't understand what I say, you are still motivated, aren't you?"

Are you going to get out?

Don't go!

it is good! "The

words must be said, the female sumo kicks Christopher when she lifts her foot.

Before he could get his feet down, the girl behind him pushed Christopher away and said with all his strength, "Come on, don't go into the muddy water."

Immediately after, the girl took a kick from the female sumo wrestler.

The female sumo kicked her but couldn't relieve her hatred, so she squatted down again, and pulled and tore the girl's hair desperately again.

While dying, she shouted, "You all come here and teach her a lesson!"

After calling someone else, she tugged at the girl's hair and said to the girl, "Why, do you think there is no one in our Feng family, and ask you to bully my aunt and call You are so brave, I told you to seduce my husband, I told you to sow discord in the middle, and I told you to be blind.

See if I won't pull your teeth out for you today!

Say, are you wrong!

You have to kneel down today and admit your mistakes honestly , you and you wild man from out of town, don't even think about going out!"

Christopher: "..."

He looked at the onlookers next to him with puzzled eyes, and most of them were sighing.

He looked again at the mother of the beaten girl called Aunt who had spoken at the beginning. The mother did not look at the scene, but turned her head away.

At this time, the girl who was beaten said, "I...I admit my mistake."

"Okay! Kneel down!" The

girl knelt down obediently.

"Who asked you to kneel for your mother, kneel for us!" The

girl turned around and knelt in front of the female sumo: "I'm sorry, I shouldn't be talking, I shouldn't seduce your husband, I shouldn't I shouldn't talk back and quarrel with you, it's all my fault, please let it go..." The

girl looked back at Christopher and gave him a miserable smile: "You hurry up, don't get involved. Come in."

Her face was so pale.

There are no tears in the eyes, some are just appointments.

Several places on his scalp had been slashed and blood was oozing out, Christopher was so distressed that he couldn't help it.

He thought again, what did this girl do to cause the family members to punish her like this?

He heard it, it was her relatives who beat her.

Even if you call the police, the police are only talking about household chores.

And it will increase their future conflicts.

"Knock! I haven't knocked enough!" Said the female sumo, raising her foot to the girl again.

However, this time, her feet did not land on the girl, so Christopher raised her fist and pushed her in a circle, and the girl knocked the sumo to the ground at once.

Christopher pulled the girl up and said, "Follow me!"
