

Chapter 1060 A Different Experience

Janet spun around, pressed her face against the wall, and gazed at Brandon. "Sir..."

Swirling in the orange light of the setting sun, the curtain swung softly in the breeze.

Brandon's gaze burned with lust. With one hand, he tightened his grip around Janet's waist, while the other raised her hip. Brandon hoisted Janet up. In the midst of her struggle, the baseball cap she was wearing dropped, and her long, wavy hair flew in all directions, concealing her flushed face.

Brandon opened the bedroom door and immediately tossed Janet onto the bed.

Brandon grasped Janet's chin, bent down and passionately kissed her.

He then undressed and fondled Janet's behind before slapping her butt. Janet shook at the sharp sound. The desire in his scratchy voice was palpable. "Sit on me, my little bodyguard."

Janet glanced at his long, erect penis, which

contrasted with his black hair and possessed masculine strength, and she bit her lip at that.

She straightened up a little and had Brandon remove her jeans, revealing a pair of white briefs.

Brandon reached inside her briefs and stroked his palm along the wet crack. A clear fluid had coated his fingers. Janet's nether regions were wet and slick, as they just had to be!

Eventually, Janet worked up the nerve to sit on Brandon's powerful abdomen, and his taut muscles clung to her warm stomach. Brandon's large penis rubbed gently over Janet's moist hole.

Janet shed her comfy clothing to show off her white lace bra. Brandon undid her shoulder strap, revealing a pair of round breasts.

"Your breasts are nothing short of lovely." The softness of her breasts prompted Brandon to massage them.

Janet looked down and saw that Brandon was engaging in some erogenous play with her breasts. She couldn't help but throw her head back and moan, "Ah... Ah..."

Brandon had an abnormally huge penis compared to normal guys. And the fact that she was sitting

Brandon had an abnormally huge penis compared to normal guys. And the fact that she was sitting

on him didn't help, either. He couldn't get in despite the attempts.

Janet was also anxious that she couldn't get it inside her. Brandon, perspiring heavily, squeezed into her moist, tight vagina while holding her waist.

"Ah! It's... What an enormous..." Instantaneously, her hole was stuffed. Janet lay in Brandon's arms and spoke in a sweet voice, "Sir... Try some gentleness. Or your wife will hear us! Ah..."

"Let her hear it," Brandon murmured, caressing her soft buttock and muttering in hushed tones. "It's so nice inside you!"

Janet sat up, fondled Brandon's abs, and moved her hips with difficulty. His body was perfectly proportioned, and he was incredibly muscular.

"Yes..." Brandon let out a contented sigh. He sluggishly rested on his back. From this vantage point, he could see that Janet's huge breasts were shaking and that her cheeks were flushed. He knew just how incredibly soft her breasts were.

Janet began to wriggle as she gently stroked his strong muscles.

Brandon's big penis was encased in her wet, slimy vagina. She felt a peculiar weakness and

numbness when his penis touched her vagina. 1

Brandon, with his lips pursed, felt an indescribable pleasure. He stroked Janet's breasts more vigorously and added, "My little bodyguard, you do a terrific job."

Janet was motivated to wiggle her waist even more after hearing this. Her vision hazed and her cheeks heated. Somewhere in her genitalia, she felt a powerful, pleasurable sensation... 4
