

Farming Space Makes Me Rich

Chapter 231 - 240

A large crowd of people gathered at the entrance of Guolian Supermarket in Z City early in the morning.

Guolian Supermarket is the largest supermarket in the city and has a large daily passenger flow.

Usually, early in the morning, at the entrance of the supermarket, there are many old ladies and old ladies waiting to open the door.

All their energy for the day is spent in the morning when they grab things from the supermarket.

For example, promotional items are restricted.

But since the first two days, a group of young people have been waiting at the gate of Guolian Supermarket.

At this moment, a group of men and women were chatting with their heads down.

"I didn't buy that strawberry yesterday. I must have grabbed it this morning."

That's right, it's grabbing.

It's just because the food is so good that they have to grab it if they want to eat it.

Men, women and children are crowded together. If the security measures of the Guolian Supermarket were not done well, there might be fighting and bloodshed yesterday, or even a stampede.

"How can this strawberry be so delicious?" A girl who looked at her only eighteen or nine years old tilted her head, holding her chin, and asked very suspiciously. I have never eaten such a delicious strawberry before. "

"I haven't eaten it either." Another girl next to him said, "This strawberry looks green, but it's juicy and fragrant. It's also very fragrant. It's a pity that I grabbed two of them yesterday."

"However, strawberries for fifteen yuan a piece are really too expensive." Some people seem to have objections to the price.

"It's expensive. But I don't have to buy it." Someone said sharply, "If I were a business man, I would sell it like that."

"Ah, the supermarket door opened, we squeezed in quickly." Several young men and women ran over like flying.

But they didn't expect that the vulnerable group in their eyes, the old ladies and old ladies, were so neat and swift that they rushed to the front of them one by one.

"Da Fei, you run fast, you run over first and grab five strawberries for me!"

"Give me five too!"

After a group of people reported it, this big young teenager, like his name, ran to the fruit area-the place where strawberries were sold.

But even so, when he got there, many people were already rushing there.

In order to prevent customers from destroying strawberries, Guolian Supermarket packs every strawberry sold.

That kind of cardboard box.

One strawberry one.

Therefore, grab as many boxes as you want to buy strawberries.

Maybe it's that strawberries are too attractive. The old ladies and grandfathers who are usually very frugal, but when they meet them, they

become extremely crazy. They grab these strawberries and don't even blink their eyes.

Except for themselves, it is their grandchildren who love to eat very much.

They can save on their own, but they will never save on their grandchildren.

Since grandchildren like it, buy it!

Standing on the second floor leaning on the railing, Yan Ruyi looked very happy when he saw the crazy situation on the first floor.

She said to the middle-aged man next to her, "Dad, listen to me, it's not wrong. You see, these strawberries are sold individually. Everyone buys them like crazy."

Yan Yihai smiled and said, "Yes, dad, I really want to thank you girl. Otherwise, I had a headache because of the loss of passenger flow."

Having said this, he said solemnly, "Girl, where your strawberries come from, for now, absolutely must not leak!"

Once it leaks, it will be sniffed by other businesses and snatched away.

Then their supermarket loses a lot.

Yan Ruyi smiled and said, "Dad, of course I know about this."

Yan Yihai nodded.

At this time, Yan Ruyu said, "Dad, in order to consolidate the contact with the supplier, I decided to go to that place today."

Yan Yihai frowned and asked, "Are you going over today?"

"That's right." Yan Ruyu nodded naturally, "It's still early, and that place is not far from our Z city. I want to go and take a look."

After listening, Yan Yihai nodded and said, "Okay, you go, but you must pay attention to safety and drive carefully on the road, you know?"

"Dad, I'm not a kid anymore, pay attention to safety, of course I know it!" Yan Ruyu said, "Okay, Dad, I'm leaving now."

When Yan Ruyu walked halfway, she received a call. As soon as she saw the caller ID, her heart jumped.

If she can, she really doesn't want to answer this call.

Can you treat it as if you didn't hear it?

The answer is of course not good.

Yan Ruyu stopped the car, and answered the call with a serious expression of restraint and fear.

"Brother," Yan Ruyu cried tremblingly, "What can you do with me?"

"Ah, that strawberry, the strawberry is from Taoyuan Village in Xingyin County. Yes, it is Taoyuan Village in Xingyin County."

"What, are you going to take a look? When?"

"Just now?" Yan Ruyu heard that his cousin was going to Taoyuandi, and said, "Well, I'm on my way to Taoyuan Village now. Well, that's OK, I'll go there first."

After hanging up the phone, Yan Ruyu sighed deeply, feeling Alexander.

How could she have thought of her wise brother in the lobby, one day she would even think about going to the countryside to take a look.

Originally, she planned to go to Taoyuan Village to take a look, but now, she guessed that she was going to be in a panic.

She is scared.

Don't ask why she is so persuaded to her brother in the lobby?

But she's just being persuaded.

His own brother in the lobby looks evil, prettier than a woman, but he is still the president of the Yan Group who is quite clever and cruel.

He just stood there and didn't speak, it would make people feel scared.

From childhood to adulthood, when she saw the big brother, she was trembling from the toes to the strands of hair.

She is so hopeless.

But now the brother of the hall has ordered that she must be with her when she goes up to the sword mountain and down the sea of fire.

Yan Ruyi took a deep breath again, and then restarted the car.

I don't know if it is because of the excessive fear of the lobby brother, or because of the retrogression of car skills.

The car turned off!

I rely on, she, an old driver with ten years of driving experience, turns off the engine when she starts the car.

Yan Ruyi hammered the steering wheel a little irritably, and then started the car again.

This time it started smoothly.

...

"What, old man, do you want to buy our remaining strawberries for 200 yuan a catty?" Xiao Zhengyang looked at the old man Gong who was eating fruit salad like a child in surprise.

This fruit salad is made by Xiao Lingyu. In addition to strawberries, there are other fruits.

Grandpa Gong took one piece after another with a spoon, and the sound of "tsk tsk" was constantly found in his mouth, "This fruit salad is so delicious. Whose craft is it? Is it Qiuying yours?"

Chen Qiuying smiled and said, "No. Yuer from my family. I don't know how to make fruit salad."

The old man nodded and said, "I know that Ling Yu is a capable girl."

Xiao Lingyu, "... " Getting a fruit salad is related to being capable.

Xiao Lingyu faintly persuaded, "Master, although this salad is delicious, you should eat less when you are older. Otherwise, if you eat too much cold food, your stomach can't stand it!"

The old man said immediately, "It's okay. I feel that my body is getting better and better. Eat well, sleep well, live alive, and be radiant. No matter how cold you eat, nothing will happen."

Everyone, "... "

But father, have you forgotten your age?

You are 80 years old.

No matter how you live and live, your face is radiant, but your physical limit lies there, and you have to pay attention to it.

At this time, Xiao Wang bit his scalp and said, "Master, you really can't eat anymore. If you continue to eat, the eldest master will probably deduct my bonus."

The old man Gong said without angrily, "Your bonus is my shit."

Everyone, "..."

This is what the old man Gong said, but after everyone's persuasion, he finally put down the spoon, and then gracefully wiped his mouth with a napkin.

Following the topic at the beginning, he said, "Your strawberries are cheaper at 200 yuan a catty. It's okay, my grandson is not short of money. He can still give out the money for selling strawberries."

Everyone, "..."

But your grandson is no longer short of money, but his money is not brought by the wind, right?

When you buy things from people like this, you are not bargaining to buy at the lowest price, but paying a high price to buy such profligacy.

The problem is you, does your grandson know?

Xiao Wang and Xiao Zhang looked at each other, and said in their hearts, "The old man is really a pitted grandson."

Even if the eldest master is rich, he can't spend it like that.

He wants to double what he can buy at a normal price.

If the young master knew, he would cry too.

The old man continued, "Zhengyang, Ling Yu girl, how many strawberries are left in your house? My grandson said, no matter how many are left, he will be rounded up. Anyway, you won't suffer."

Everyone, "..."

You have raised a hundred yuan a pound of strawberries to 200 yuan, can they suffer?

Xiao Zhengyang looked at Xiao Lingyu, and then asked, "Ling Yu, how many strawberries are left in the field?"

Xiao Lingyu smiled and said, "The strawberries sold in the past few days are about 23,000 catties. The output of the six-mu city is about 40,000 catties, and now there should be more than 20,000 catties left."

Although the maximum yield of strawberries per mu can reach five or six kilograms, her strawberries are irrigated with spiritual spring water. Not only are they large in size, they also have a higher yield, with a yield of around seven kilograms per mu.

When the old man heard it, he immediately asked with interest, "Girl, your strawberry production is really high."

Xiao Lingyu smiled and said, "This is really a blessing to you, old man."

Mr. Gong, "..."

Everyone, "..."

Why does it sound weird?

"If it weren't for you to become good friends with Xiao Niu Wang, and prevent it from changing in size anywhere, so that there will be more Niu Wang excrement in the dung pit of my cattle pen." Xiao Lingyu explained, "We have more Niu Wang excretion. Things have watered these strawberries."

Everyone, "..."

"..." The old man said with a smile, "Oh, it turned out to be my reason. Well, this strawberry needs to be sold at a higher price, 250 yuan a catty. Only in this way can I reflect my value in this strawberry. "

Everyone, "..."

250?

Father, did you deliberately?

Also, there is no need for you to embody value in this aspect. You already have a very high value, okay?

Xiao Zhengyang opened his mouth in surprise when he heard Master Gong's own offer.

Afterwards, he reacted and said, "Master, you don't need to do this. Master, since Master Gong needs to buy these strawberries, we still treat them equally. The strawberries should be as much as they cost."

Grandpa Gong waved his hand and said proudly, "It's okay, anyway, my stinky guy has money, and there is nowhere to spend this money. I'll just spend a little bit for him."

Xiao Zhengyang was really ashamed.

Father, we all know you are rich.

But no matter how much money you have, it's not like that.

100 yuan a catty, 250 yuan a catty, the gap is so big.

Xiao Zhengyang refused to shake his head and said, "No, old man, you can sell the money as you like. We must not favor one another and take the opportunity to raise the price. Yu'er, what do you say?"

Xiao Lingyu smiled and said, "Since the old man is willing to pay this price, then I accept it."

Everyone, "..."

Mr. Gong, "..."

It's as good as it should be?

Did you persuade you so soon?

After all, 250 yuan a catty of strawberries, more than 20,000 catties, can make a lot of money.

In fact, for a person of the status of the old man, 250 yuan a catty of strawberries is really not expensive.

Once, he had eaten watermelon at sky-high price, 888 yuan a catty, sky-high price of fifty-five thousand litchi, and sky-high price of pearl grapes and so on.

He also ate the sky-high price strawberry, which is from R country, 5888 pieces, the taste is not as good as the strawberry from Xiao Lingyu's family.

"Yu'er!" Xiao Zhengyang obviously disagrees, he said sternly, "Doing business must be based on honesty, how can we set prices at will?"

Xiao Lingyu said, "Dad, people who do business also put interests first."

"Xiao Lingyu!" Xiao Zhengyang's voice was obviously elevated, and his tone was harsh, "Do you want to be a profiteer? How long have you been in business? How long do you want to be a profiteer? Benefit first!"

Xiao Lingyu didn't speak.

Xiao Zhengyang was a little angry.

Seeing this, Mother Xiao immediately persuaded, "Zhengyang, if you have something to say, don't get angry."

Immediately, her expression changed and she asked the same sternly, "Xiao Lingyu, you tell me now, why do you want to sell it at a high price of 250 yuan a catty?"

Everyone, "..."

Sure enough, it's a husband who sings and wives.

Xiao Lingyu said, "Isn't the old man saying 250 yuan a catty?"

Mother Xiao was so angry that she swept a room and saw the feather duster next to the TV cabinet and immediately brought it over.

Grandpa Gong saw it, and immediately stopped and said, "Qiuying, you have something to say. Don't move your feet, Ling Yu is still pregnant."

Mother Xiao reacted to the reminder of the old man.

She put down the feather duster, but her expression was still severe.

"Ahem..." The old man Gong was a little embarrassed.

Obviously it was he who offered 250 yuan a catty of strawberries, but in the end, the girl was being scolded and scolded.

Immediately he said seriously, "Zhengyang, Qiuying, what do you do to train your children. Obviously I asked 250 yuan per catty, and it is

reasonable for the girl to accept it. This is the way to do business. Good selling things are sold by themselves. Expensive, and it will become more and more expensive. The strawberries you grow are nationally, oh no, exclusive in the world. Not to mention 250 yuan, 2500 yuan per catty, it's not too much."

Ah?

Chapter 232

The final result of the negotiation was 200 yuan per catty.

The old man Gong said with some regret, "This strawberry is really cheap!"

Everyone, "Master, don't bring such a blow to others!"

They all think this strawberry has been sold at a sky-high price, and you still think it's cheap.

What about the strawberries that cost 20 to 30 yuan a catty?

After Father Gong left, Father Xiao and Mother Xiao left and asked seriously, "Xiao Lingyu, tell me, why did you promise Father to sell such expensive strawberries?"

If it could, Xiao Lingyu didn't want to sell strawberries to Gong Tianhao at all.

She didn't want to have any contact with Gong Tianhao at all.

Therefore, the old man Gong said that 250 yuan a catty of strawberries, she agreed.

She just wanted Master Gong to see her greed clearly, and then became dissatisfied with her, and then dismissed the idea.

But how can I think that the old man Gong has no dissatisfaction at all, and he even more agrees with her statement.

Xiao Lingyu couldn't understand the old man's thoughts at all.

Of course, it is really difficult for a small person like her to penetrate the thoughts of adults.

Otherwise, why are people big people, but they are small people?

Xiao Lingyu sighed softly and said, "Dad, Mom, I'll explain this to you later. I can't explain or explain it clearly now."

If you wait for a day, let's talk about it after the child's identity is exposed.

Of course, the strawberries were not all sold to Mr. Gong.

She also needs to open up the popularity of strawberries and establish the brand of Taoyuan Village, which of course needs to be sold to all parts of the country.

She only sold five thousand catties of strawberries to Master Gong.

Five thousand catties of strawberries, at a price of 200 yuan a catty, is also one million yuan.

The old man said with a smile at the time, "At the beginning, you were very confident that you could sell strawberries for one million. Look, now, I have given you one million. Now this one million is already a long time ago. Break through."

The strawberries from Xiao Lingyu's family were originally sold to sell, but they were only more expensive.

But with everyone's hard work, this strawberry has become more and more popular, naturally following the tide, and selling more and more expensive.

45 yuan a catty, 60 yuan, to 100 yuan, 200 yuan and so on.

Now that the order has been placed, Xiao Lingyu will naturally not favor one another and treat the Gong family as an ordinary customer.

After Grandpa Gong took Xiao Wang Xiaozhang home, Xiao Wang kept scratching his head, looking at Grandpa Gong, he didn't dare to ask what he wanted to say.

Master Gong looked at Xiao Wang's eagerness to speak, then he glanced at him, and said angrily, "Just say what you want."

Xiao Wang finally couldn't help asking, "Chief, why did you raise the price of strawberries so high? 200 yuan per catty, if Xiao Lingyu really sells more than 20,000 catties, it would be more than four million. You It's not like swindling the young master's money. Although the eldest master is rich, it's not such a trick."

When Xiao Wang said that, the old man Gong gave Xiao Wang a look, and said angrily, what do you know. The strawberry from Lingyu girl's house is indeed worth the price. It's just that her strawberries are not well-known, so they will be sold cheaply. "

Having said this, he sighed lightly and said, "I can't help Ling Yu, this girl. It was obviously my price, but she was scolded and scolded. Xiao Zhengyang and his wife are also honest and sincere people."

Xiao Lingyu is a girl who has seen the world outside. She thinks that these strawberries are worth the price, so she will go along. But Xiao Zhengyang and his wife used to work in this countryside to save a dime and save money. Use, to make a dollar, and work hard.

After a year of hard work, there is only a little money.

Therefore, when I heard that strawberries were sold at such an expensive price, I couldn't accept it from my heart.

Naturally, they thought that Xiao Lingyu was a person who was greedy for money and disregarded integrity.

In their consciousness, the things grown in these fields can't sell much at all.

Strawberries are delicious, but not worth the price.

After listening, Xiao Wang and Xiao Zhang looked at each other.

The old man Gong said, "Ling Yu was educated by Xiao Zhengyang and his wife. Where can she be raped by this profiteer?" When he said this, he frowned and said with some suspicion, "How do I feel about Ling Yu? The girl did it on purpose?"

Xiao Wang suddenly wondered, "Intentionally? Why did Xiao Lingyu do this deliberately?"

Grandpa Gong shook his head and said, "I don't know. Anyway, Ling Yu has a strange attitude towards me."

Although Xiao Wang and Xiao Zhang were following the old man Gong, they didn't realize that Xiao Lingyu was strange to him.

Every time Xiao Lingyu sees his chief, he is respectful and respectful. If they have any good things in his family, they will send a copy.

Of course, the biggest reason Xiao Lingyu won their favor was that Xiao Lingyu sent them the price of the day in her courtyard without blinking.

You know, their family didn't have money back then, at best they were just a little wealthier than the villagers in Taoyuan Village.

Those precious pots of flowers, as long as they are sold, they can live a better life.

The old man Gong thought for a while and said, "Forget it, it's weird. Who makes me like that girl. But, speaking of it, Ling Yu, who is pregnant with her child?"

Only now think of this question.

Xiao Wang and Xiao Zhang looked at each other.

Then Xiao Zhang said, "Chief, Xiao Lingyu was framed by someone in Z City and slept with a man. The identity of that man is unknown."

"So, the fetus in the belly of Ling Yu is a child whose father is unknown." The old man Gong said sharply.

"Yes." Xiao Zhang responded.

"It stands to reason that a child whose father is unknown, with Xiao Zhengyang and his wife's temperament that he loves his daughter, is definitely not willing to let Ling Yu stay with this child. How could he suddenly allow her to keep this child?" It is the way of doubt.

How did Xiao Wang and Xiao Zhang know?

Elder Gong had a faint feeling that Xiao Lingyu's strange attitude towards him must have something to do with the child in her stomach.

Ask him why he feels this way.

He just felt that way.

The old man Gong liked Xiao Zhengyang's family very much, and at the same time also liked Xiao Lingyu very much.

Xiao Lingyu's child is very popular with him.

Sensible, smart, beautiful, and self-reliant, she is simply the representative of a new generation of women.

The fly in the ointment is that she became pregnant before marrying.

Now that I learned that this child was framed and conceived by someone, I suddenly felt anger in my heart.

The old man Gong said, "Send someone to investigate, which **** is the father of the child."

He felt it necessary to find that man, even if he was not responsible, at least he knew that the child was not a wild species with an unknown father.

Xiao Wang and Xiao Zhang looked at each other.

They were a little suspicious, did the old chief care about Xiao Lingyu too much?

He didn't like Xiao Lingyu and wanted to marry someone else to be his wife.

When the two thoughts about this, their scalp suddenly numbed, and even felt a sense of horror.

The old chief's body is getting healthier and healthier. Doctor Huang said that if he keeps on using this momentum and lives to be a hundred years old, there is absolutely no problem.

To be honest, there is no problem for the old chief to find another caring person who knows the cold and the hot.

In the same way, as the old chief, even if you find another beautiful young woman, there is definitely no problem.

Not to mention other places, it is the capital. If you know that the old chief wants to marry another young wife, there must be a lot of women lined up for him to choose.

Marrying the old chief is not just to marry him, but to marry the palace family and become the mistress of the palace family, which has the supreme right of the mistress of the palace family.

This kind of temptation has attracted many people in the capital.

However, if the old chief was interested in Xiao Lingyu, then something big would happen.

Xiao Lingyu has no identity and no background, the most important thing is that the young master of the palace family has not yet married his wife.

If Xiao Lingyu became the first mistress of the palace family, then she would have become a thorn in the eyes of many dignitaries in the capital.

Because Xiao Lingyu had no identity or background, it was a typical example of a sparrow becoming a phoenix.

The old chief, this is an old man who eats tender grass, and it is too tender.

Thinking of this, the two men really didn't dare to think about it anymore.

The consequences of Mr. Gong's marrying Xiao Lingyu were simply unimaginable.

Xiao Wang bit his head and asked, "Old Chief, do you want to marry Xiao Lingyu? Otherwise, why do you care about her like this?"

As soon as Xiao Wang's words fell, the old man's face was immediately covered with black lines.

He sternly said, "What nonsense are you talking about? I care about Ling Yu, so I must marry her? What are you trying to make up for?"

When he said this, his sharp eyes swept across their faces, and then he said, "I like Xiao Lingyu because I want to treat her as my granddaughter.

You think that a grandfather will have that nasty idea about his granddaughter. Don't corrupt my reputation, let alone corrupt the reputation of the child.

Ling Yu's girl is already very difficult, so don't put scars on others. "

The old man Gong sternly warned.

Reputation is a matter of only a few sentences or even one or two sentences to destroy, but to create a good reputation, it may not be possible for a lifetime.

When Xiao Wang and Xiao Zhang listened, they were so embarrassed that they wanted to get into the cracks of the ground.

They guessed wildly here, but they didn't expect that they guessed the horizon.

Xiao Wang and Xiao Zhang said immediately, "Chief, I'm sorry!"

Being able to admit mistakes bravely is the norm for soldiers.

The old man Gong said, "Okay, pay attention next time."

"Yes!" the two replied in unison.

The old man Gong thought for a while and said, "Xiao Wang, go report to that stinky boy, and say that you have ordered five thousand catties of strawberries, and I don't want to sell the rest of the strawberries."

"Yes, the chief!" Xiao Wang replied.

"Xiao Zhang, you can find out who was the man who made Xiao Lingyu deprived of his body in the first place!" Grandpa Gong ordered.

"Yes, chief!" Xiao Zhang responded respectfully.

Xiao Wang turned around to call Gong Tianhao.

However, after meditating, the secretary told him that the president was on a business trip.

Calling on the cell phone, but it shows that it is turned off.

On the phone at home, the servant also told him that the eldest master was on a business trip.

Xiao Wang reported to the old man in the palace, "Chief, it looks like the young master is on a business trip, this will shut down, it should be on the plane."

Elder Gong thought for a while and said, "Then call Li Yuanhang and have a look."

"Yes!"

Xiao Wang called Li Yuanhang and the phone was connected.

"Assistant Li, I am Xiao Wang!"

It was not surprising that Li Yuanhang received a call from Xiao Wang.

He asked, "Comrade Xiao Wang, what's the matter?"

Xiao Wang said, "Assistant Li, our chief has ordered five thousand catties of strawberries with Xiao Lingyu, and the order price is 200 yuan per catty. I was about to report to the young master, but did not contact the person."

Li Yuanhang almost knelt when he heard 200 yuan a catty of strawberries.

Damn, this strawberry may not be too expensive.

Even if it is only five thousand catties, it will cost one million.

Of course, for the Imperial Group, this million is not much, it's just a drop in the bucket.

Li Yuanhang didn't know that if the remaining strawberries were round, it would cost more than 20,000 catties, or more than 4 million yuan.

Li Yuanhang said softly, "Well, I see, I will report to the president, Comrade Xiao Wang." Then after thinking about it, he said again, "Comrade Xiao Wang, the president is on the plane to Taoyuan Village. I should be in Taoyuan Village later today."

Comrade Xiao Wang was obviously a little surprised when he heard that Young Master would come to Taoyuan Village.

"Young Master will come to Taoyuan Village?" Xiao Wang's voice immediately became louder, and the old man Gong heard it all over the way. He walked over, grabbed the phone in Xiao Wang's hand and asked, "What, that stinky boy will come over today? "

"Yes, old man!" Li Yuanhang said respectfully, "The president is going to Taoyuan Village and there is something to do."

"My old man is here, what do I have to do, and he has to fly over in person?" The old man said in confusion.

"Father, it's a good thing!" Li Yuanhang pretended to be mysterious, "The president will definitely give you a surprise at that time."

Suddenly there is a great-grandson, hope is a surprise, not a fright.

The old man hummed twice and said, "Hmph, what surprise can that brat do for me? Unless he brings his wife to me, he will surprise me."

After hanging up the phone, the old man Gong had been wondering whether Gong Tianhao wanted to give him a surprise.

The old man Gong asked, "Come to Xiao Wang, tell me, what kind of surprise does that brat want to give me?"

Xiao Wang shook his head and said, "Old Chief, I don't know this anymore."

The young master is mysterious and unpredictable, how can he guess.

On this day, the old man Gong always remembered Li Yuanhang's surprise in his heart. When he went to the strawberry field to pick strawberries, he seemed a little absent-minded.

From time to time, he looked out, as if he wanted to notice whether his stinky boy would suddenly appear.

"Master, are you uncomfortable?" Mother Xiao noticed the absence of Master Gong, and asked very concerned, "Or, would you go back and take a good rest?" After all, the old man still needs time. Pay attention.

The old man Gong groaned, "It's okay. I will continue to pick strawberries!"

At this time, another car came at the entrance of Taoyuan Village.

Chapter 233

Yan Ruyu drove his own red car, and finally reached his goal-Taoyuan Village after ten years of driving experience.

Seeing the flat concrete road with luxuriant peach trees planted on both sides of the road, the environment is very quiet and elegant.

"I didn't expect the environment in the countryside to be so good." Yan Ruyu exclaimed, "Quiet and elegant, fresh air, and very comfortable. Unlike the big cities, where the noise and heat are filled with gasoline. No wonder it can grow so. What about delicious strawberries."

Just when Yan Ruyu was approaching the entrance of the village, a black low-key luxury car had just passed from Xing'an Town to the intersection leading to Taoyuan Village.

Yan Siming was slightly surprised when he saw this spacious concrete road.

He remembered that when he came to Taoyuan Village last time, the road was still bumpy and difficult to walk.

In just a few months, a concrete road was built here.

No wonder the strawberries in Taoyuan Village can be sold to Z City.

He has eaten strawberries from Taoyuan Village, which is completely different from other strawberries.

This reminded him of the woman Xiao Lingyu.

Xiao Lingyu, a heartless woman, he helped her a few times, and she avoided him like a snake, fearing that he would be kind to him, and asking her to promise him, made him funny and a little helpless.

He Yan Siming is interested in her, but the women who are with him are all you want.

He will not force women who do not want to.

Of course, Yan Siming has lived for more than 20 years, and no woman has ever rejected him.

Even if he fell in love with a certain woman, he refused him at first, but after knowing his identity, when he gave money to the room, he immediately fell under his suit and pants.

There are even women who use tactics.

At the beginning, he appeared to be like a virgin and violent woman, and sternly refused, but when he was about to move the target, he got stuck again.

For such a woman, he is really bored.

Therefore, at the beginning, he was interested in Xiao Lingyu, and halfway through that he was bored with Xiao Lingyu wanting to get caught, until Xiao Lingyu escaped from the hospital, he still thought that

Xiao Lingyu was about to get caught, and the purpose was to get him to find her deliberately.

Because she knows very well that, based on his identity, Ben can find out her hometown address easily.

When Yan Siming looked a little bored, curiosity and interest surged in his heart.

He wanted to see how Xiao Lingyu wanted to get caught up in the game?

Before, no woman had used the method of arrest and indulgence so thoroughly.

But what I didn't expect was that when we met again, the woman ran away when she saw him.

That's right, I ran when I saw him, and wanted to pretend not to know him.

He showed this Xiao Lingyu, and hadn't seen him for a while, she became more beautiful and clean.

Without applying Fendai, his skin was white and red, and his facial features became more rosy and rosy. At that moment, he felt the sound of his heartbeat.

He didn't know what the heartbeat was like, but at that moment, he did feel the sound of the heartbeat.

However, he didn't have time to understand that process, and something went wrong in Xiao Lingyu's house.

What made him feel funny was that his appearance not only made Xiao Lingyu's woman vigilant and alert, but even her parents, even if they were injured, had such a serious situation, they treated him after they learned of his identity. Beware and vigilant.

At that time, he really thought he was funny.

He really felt that he had been thinking too much before he thought that Xiao Lingyu had used him to catch him.

Under such circumstances, Xiao Lingyu didn't even ask him for help. He stood up and helped.

In the process of helping, her parents heard that he was the one who helped her, with gratitude on the one hand, and vigilance on the other.

It simply left him speechless.

In the past few months, he has actually been evading the feeling of heartbeat.

Don't say that others don't believe it, even he doesn't believe it.

The president of the Yan Group, Yan Siming, who treats women as a plaything, will one day be moved by a woman.

Therefore, ever since he left Xingyin County, he has been evading his own actions, looking for all kinds of women to sleep, but now, it seems that after returning from that small place in his heart, he has become empty.

There was a longing in his heart, but what he was longing for, he became confused again.

Until he saw the strawberry that Yan Ruyu gave him.

A label is attached to the box of strawberries.

The label says Taoyuan Village Green Strawberries!

The three words "Taoyuan Village" hit the depths of his mind.

Things he forgot and avoided deliberately, such as magma under the ground, suddenly spewed out.

He understands why his heart is empty, what is he longing for in the depths of his heart?

That is a lover who accompanies me.

At this moment, he didn't want to escape.

Now that he had determined his heart, his escape was only to appear to be cowardly.

Thinking of this, Yan Siming's ruddy lips twitched, and said with a low smile, "Xiao Lingyu, I'm here again." This time, he felt that he wanted to treat him sincerely.

Just then, his cell phone rang.

"Brother, where are you now?" Yan Ruyu's voice came out on the phone.

"I'm on my way to Taoyuan Village."

"Oh, then I will move into the village?" Yan Ruyu cautiously asked.

She really doesn't want to be with Brother Lobby.

She feels Alexander.

Being with him is not only the overwhelming momentum around him, but also because the appearance of the big brother in the lobby is really too enchanting and beautiful, uh, too handsome and handsome, which sets off her, this big beauty is eclipsed.

No woman wants the man around her to be more beautiful than herself, right.

Therefore, she avoids as long as she can.

"Well, wait for me!" Yan Siming didn't even know what his sister was thinking, just a faint but oppressive response.

"Oh!" Yan Ruyu responded with disappointment.

After hanging up the phone, Yan Ruyu's car stopped at the entrance of the village, and then got out of the car, took off his sunglasses and looked around.

But when I saw the vehicles parked on the vacant lots and the vehicles coming and going from time to time, I was very surprised.

Yan Ruyu frowned and said, "Is there so many people? I don't know how many strawberries are grown here and how many are sold? It seems that I still need to order more."

Before, after she tasted the free strawberries, she placed an order of 100 catties on the spot.

Before Strawberry arrived, I heard her dad say that recently Z city opened another big city, and that big city divided up the passenger flow, which caused their city passenger flow to be greatly reduced, and their daily turnover was greatly reduced. .

When Yan Yihai was frowning and trying to pull back the passenger flow, Yan Ruyu's inspiration flashed.

She thinks this strawberry may be able to restore some passenger traffic in the city.

After the strawberry received the next day, she immediately let his father and some directors taste it.

Immediately he took out 50 jin of it and put it on the market for trial sale.

Following Yan Ruyu's suggestion, the strawberries are sold individually and set a price of 15 yuan.

As soon as the strawberry was put on the shelf, the fragrance of the strawberry attracted many customers to stop and watch.

However, when some people saw the price, they retreated a little.

After all, a strawberry is fifteen yuan, which is simply a sky-high price, and most people can't afford it.

Of course, there are still a lot of wealthy people in big cities, and they are not stingy about enjoyment, especially this group of young people.

They have money at home, and the fruits they usually eat are imported high-end fruits. In contrast, the price of this strawberry is still cheaper.

People who are reluctant to buy are usually old ladies and old ladies, but these young people can't stand the temptation of this kind of strawberry, so they just taste a few.

This taste is terrible. Like the first time strawberry customers in the past, they were all surprised and couldn't stop eating.

"This strawberry is so delicious, no wonder it costs fifteen yuan each."

Soon these returning customers bought more strawberries, 50 catties of strawberries, less than a thousand, and they soon sold out.

After that, many people still need it.

Seeing this, Yan Yihai immediately asked Yan Ruyu to order a thousand catties of strawberries.

I wanted to order more, but considering the insurance period of strawberries and the market demand, I ordered a thousand catties.

Although the price is a bit more expensive, 60 yuan a catty, but they can also sell more expensive.

There are about 20 strawberries per catty, with an average of three yuan apiece, but after reselling them, it reaches fifteen yuan each, which is almost double the price.

Out of curiosity, plus the fact that Z City is not far away from Taoyuan Village, it would only take more than four hours to drive by yourself before Yan Ruyu decided to come here to take a look.

I don't know if I look at it, I am surprised.

So many people come directly to Taoyuan Village.

She heard from the owner of the Ai Berry group that their boss planted six acres of strawberries, about 30,000 to 40,000 catties, and they are now on sale.

"It seems that ordering a thousand catties of strawberries is not enough. You have to order more, otherwise, when the boss sells all the strawberries, where can she find such strawberries." Yan Ruyi thought for a while and said. Just gave her dad a call.

Yan Yihai heard her daughter's report and asked her to book another two thousand catties.

The strawberries ordered can be put in the fresh-keeping warehouse.

Yan Ruyi hung up the phone and leaned in front of the car after exhaling.

At this time, a child came to her and asked, "Pretty sister, are you here to pick strawberries?"

Yan Ruyi saw this teenage boy with a round face and dark skin, but his eyes sparkled.

Yan Ruyi smiled and said, "I did come to pick strawberries, but now I am waiting for someone here. Boy, are you from Taoyuan Village?"

Xiao Xiaohui nodded and said, "Well, I'm from Taoyuan Village. I'm here to lead the guests."

"Lead the way?" Yan Ruyi was slightly puzzled.

"Well. If there is a customer who can't find the strawberry picking place, we will take the customer there." Xiao Xiaohui explained.

Yan Ruyu said amusedly, "Let you children lead the way, and you are not afraid of being abducted by your children."

Xiao Xiaohui shook his head and said, "Don't be afraid. This is Taoyuan Village, and there are people everywhere. Besides, we have surveillance cameras installed here." After all, Xiao Xiaohui pointed to the telephone poles and some special and even monitored places.

Yan Ruyu looked at it and smiled again.

Indeed, this crowd of people coming and going are all strangers, so some precautions must be done.

Especially some children can be easily deceived.

Xiao Xiaohui asked, "Pretty sister, how long are you waiting for?"

Yan Ruyu shook his head, "I don't know either."

As soon as her words fell, a black car approached her.

Of course Yan Ruyu knew his cousin's car.

She immediately tightened her expression, looked serious, and said, "It's already here."

The black car stopped behind the red car, Yan Ruyu's car, and then the others got off.

Xiao Xiaohui saw it, his eyes lit up, and he walked forward in twos or twos, raised his head, and immediately shouted, "Pretty uncle, it turned out to be you! Are you here to pick strawberries too?"

Pretty uncle?

Yan Ruyu almost knelt when he heard Xiao Xiaohui's call.

She knows that her cousin hates to say that he is beautiful.

Everyone who said he was beautiful was made to death by him and could no longer die.

Thinking of this, Yan Ruyu immediately guarded Xiao Xiaohui behind him, smiling stiffly and said, "Brother, this kid didn't mean it, so don't be angry."

Immediately, she turned her head and said to Xiao Xiaohui, "Children, men can't be beautiful, but handsome, you know?"

Xiao Xiaohui wrinkled her face and said with some doubts, "But pretty sister, I used to be called pretty uncle?"

"Before?" Yan Ruyu was a little dumbfounded.

Is it possible that my cousin met this kid?

Yan Siming took off his sunglasses, looked at Xiao Xiaohui behind Yan Ruyi, and said, "Xiao Xiaohui, it's you."

Hearing that the big brother in the lobby was not only not angry, but also greeted the children, Yan Ruyi opened his mouth in surprise.

What's the situation?

In fact, nothing happened.

When the Chen family came to make a fuss, slandered Xiao Lingyu, and injured her parents, it was Yan Siming who helped deal with it.

During Xiao Zhengyang's hospitalization, Xiao Xiaohui visited his second uncle, and then ran into Yan Siming in the hospital.

When he saw Yan Siming, he felt that he was really beautiful, and he blurted out "beautiful uncle"!

Yan Siming only frowned at the time, but did not correct it. After that, he did not stay in the hospital for long and left.

Xiao Xiaohui walked out from behind Yan Ruyi and said with a smile, "Beautiful uncle, why did you come here? Did you come to pick strawberries? Or did you come to see my sister?"

Looking for his sister?

This inside story shocked Yan Ruyi.

She knew that her cousin was a charming master, and as long as the woman she liked, it was generally hard to escape the palm of his hand.

Is it possible that this time the lobby brother came to Taoyuan Village, not for strawberries, but for a woman?

Is this woman the sister of this kid?

Yan Siming asked, "I'm here to see my uncles and aunts, and I will pick strawberries by the way and go home."

He didn't say straight to Xiao Lingyu.

But the words indirectly indicate that he has some friendship with his sister's family.

Yan Ruyi was a little confused.

Xiao Xiaohui nodded and said, "Beautiful uncle..."

"Brother Yan!" Yan Siming suddenly corrected.

"..." Xiao Xiaohui nodded and said, "Brother Yan, my second uncle and aunt are in the strawberry field, and my sister is at home. I will take you to the strawberry field."

"Take me to find your sister!" Yan Siming said suddenly.

Yan Ruyi, "... Is it good to go to see the uncles and aunts?"

Xiao Xiaohui nodded and said, "Okay! My sister is pregnant, she rarely comes out."

"What are you talking about? Your sister is pregnant?" Yan Siming asked suddenly. He grabbed Xiao Xiaohui's small arm and couldn't help tightening it.

How could Xiao Xiaohui withstand the hand strength that an adult man like Yan Siming had practiced again.

Xiao Xiaohui's face turned pale with a "swish", with some cold sweat on his forehead, and the look in Yan Siming's eyes became nervous and scared.

Yan Ruyu immediately noticed something was wrong, and she yelled, "Brother, you are hurting him, let it go quickly."

In my heart, I couldn't help but wonder and curiosity. What kind of woman was it that could make her immobile brother in the lobby so gloomy?

Hearing Yan Ruyu's call, Yan Siming immediately recovered, seeing Xiao Xiaohui's face pale, and he was a little upset.

Yan Ruyu knows the strength of his cousin's hands.

She took a look at Xiao Xiaohui's arm, and a few green fingerprints were there, which showed that Xiao Xiaohui's pain was not small.

This immediately made Yan Ruyu angrily complained, "Brother, he is still a child, do you need to make so much energy? Look, the child's arm is bruised and all hurt. How do you explain this to the parents? "

Having said that, Yan Ruyu immediately coaxed when he saw Xiao Xiaohui who was about to cry, "Little friend, don't cry. This brother Yan is in a bad mood and accidentally hurt you. Would you like him to apologize to you?"

Xiao Xiaohui paled with pain, but stubbornly did not let the tears flow down, but said, "Brother Yan, are you looking for my sister? I will show you the way now!"

Brother and sister Yan Siming, "..."

Chapter 234

While Gong Tianhao was sitting on the plane, Li Yuanhang remembered that there were still some things that had not been fully reported.

He immediately called Gong Tianhao and said it was shut down.

No way, Li Yuanhang estimated the flight time, and waited for Gong Tianhao to call him when he got off the plane.

When Gong Tianhao got off the plane, he received a call from Li Yuanhang.

Li Yuanhang said, "Tianhao, after Xiao Lingyu retrieved the video evidence from the hotel, he went directly to the Huiqing Group at the time. Only halfway through the trip, she pulled a person to be her overnight companion."

When Gong Tianhao heard the words of the one-night stand, his brows were twisted tightly. He pursed his lips, spit out two words coldly, and said, "Go on!"

Li Yuanhang, who knew Gong Tianhao, immediately heard the anger in his tone.

He continued, "This one-night stand is targeted at Yan Siming, the chairman and president of the Yan Group, the largest company in Z City.

At that time, he admitted that Xiao Lingyu was the man who slept with him, and then avenged Xiao Lingyu on the spot. Within two hours, he acquired Huiqing Group, a well-known company in Z City. Huiqing Group Chairman Zhao Huiqing and his daughter Zhao Wenman killed people. Attempt, was arrested on the spot.

Zhao Wenman is the daughter of the Zhao family who has fancied Xiao Lingyu's ex-boyfriend, and she is also the woman whom she wanted to frame Xiao Lingyu's ruin. "

Hearing this, Gong Tianhao's hand holding the phone tightened, and he listened very carefully.

"After I heard that Yan Siming avenged Xiao Lingyu, I wanted Xiao Lingyu to be his woman." Li Yuanhang was reluctant to say this, but he still felt it necessary to tell Gong Tianhao.

"However, Xiao Lingyu did not agree. She fled from the hospital and went straight back to Taoyuan Village in the countryside."

Li Yuanhang continued,

"Just over a month after Xiao Lingyu returned to Taoyuan Village, Xiao Lingyu's ex-boyfriend, Chen's family, got into the Xiao family, and even made a big fight, wounded Xiao Lingyu's parents, slandered Xiao Lingyu being taken care of by others, being watery, and acting improperly with multiple men. Relationship and so on.

Later, it was Yan Siming who came forward to solve the problem, and he ran up and down for their family's affairs, and worked very hard. "

Having said this, Li Yuanhang couldn't help but sighed.

Young Master Jiang is not a true love rival, this Yan Siming may be the true love rival.

As for Xiao Lingyu's family, Yan Siming is their great benefactor.

"Anything else?" Gong Tianhao asked lightly.

"No, I have found so many temporarily." Li Yuanhang said.

As soon as Gong Tianhao hung up the phone, he strode away with his luggage.

But from his steps, you can see a trace of eagerness.

...

Xiao Xiaohui brought Yan Siming brother and sister to Xiao's house.

The Yan brothers and sisters were immediately attracted by the people lying lazily in the courtyard.

One is to see her face first because of curiosity.

One is to look at her belly first, because I want to confirm!

"This is the kid's sister, she looks really beautiful!" Yan Ruyi secretly said.

"Xiao Lingyu is really pregnant!"

On Yan Siming's handsome face, his expression looked very gloomy, with two fisted hands, blue veins bulging, and a faint anger.

Xiao Lingyu was wearing a white dress, closed his eyes on the recliner, put his hands on his stomach, and there was a maternal smile on his face.

maternal love?

Yan Siming felt incredible.

He knew very well that the child in Xiao Lingyu's belly was an unknown father.

In such a situation, Xiao Lingyu dared to leave this child behind?

what is this?

Yan Siming wanted to ask Xiao Lingyu immediately.

"Sister lobby!" Xiao Xiaohui cried out in a somewhat aggrieved voice, and when he called to stop, he had already walked up to Xiao Lingyu.

Xiao Lingyu, who was lazily exposed to the sun, slightly opened his eyes when he heard the movement, his expression still confused.

When seeing Xiao Xiaohui coming to him in tears, Xiao Lingyu asked suspiciously, "Xiaohui, what's the matter with you? Did you lose the fight?"

She remembered that Xiao Xiaohui was an expert in fighting.

Fights are rarely lost.

Even if you lose, you won't cry like this!

Xiao Xiaohui was very aggrieved and raised his arm and said, "Sister, you see someone has screwed my arm black."

Yan Ruyu, "..."

No wonder I didn't cry before, because I was waiting here.

When Xiao Lingyu heard this, he suddenly became sober.

She got up from the recliner and asked loudly, "Who is it? How dare you screw you?"

When she said this, she grabbed Xiao Xiaohui's arm and checked it. She saw obvious black fingerprints on it, and her beautiful face suddenly turned black, and she was still faintly angry.

This was obviously pinched by an adult.

"It's him!" Xiao Xiaohui pointed out Yan Siming unceremoniously.

When Xiao Xiaohui pointed, Xiao Lingyu realized that there were two people standing beside her.

One woman, one man.

The woman is very iconic, with a red skirt, her skin is fairer, and her long burgundy curly hair.

As for the man, even if Xiao Lingyu became stupid after becoming pregnant, she would still recognize the man.

"Yan Siming!" Xiao Lingyu was obviously surprised, "Why are you here?"

Yan Siming gritted his teeth and said, "Why am I not here? If I hadn't come here suddenly, I didn't even know that Xiao Lingyu was pregnant with such a big belly."

Yan Siming was really angry, and some slight grievances.

He finally determined his heart, and then planned to pursue a sincerely.

But as a result, the other party was pregnant with a wild species.

After Yan Ruyu heard what Yan Siming said, he was 100% sure that Xiao Lingyu was very familiar with his brother in the lobby.

However, she heard Yan Siming's teeth grinding and his tolerated anger.

The source of the anger was the child in Xiao Lingyu's belly.

child?

Could it be that this Xiao Lingyu's pregnant is the kind of his brother Yan's family?

Does this Xiao Lingyu want to use this child to marry Yan's family?

So, the big brother is angry?

only.....

Yan Ruyi couldn't help looking at Xiao Lingyu, but found that her expression was calm and natural, without any panic or fear.

It's not like relying on pregnancy to have a child and marry a rich family?

Damn, what is the relationship between Brother Hall and this Xiao Lingyu?

It's just that Xiao Lingyu didn't pay attention to Yan Siming's question at all.

She took Xiao Xiaohui's arm and asked coldly, "Yan Dong, even if you are dissatisfied with me, you can't vent your anger with a child? Do you see what pinching a child's hand looks like? It's all bruised. Don't say that this injury was put on a child, even an adult can't bear it."

Yan Siming, "... " I knew I was wrong.

It was true that Xiao Xiaohui's hand was accidentally pinched black by him, and he couldn't argue with it.

Yan Ruyi glanced at her pouting elder brother, and then at Xiao Lingyu, who was very serious, and immediately said, "Miss Xiao, don't be angry. My brother didn't pinch Xiaohui on purpose. This is totally an accident, it's an accident. "

"It's not that you can pinch to such an extent on purpose. If it was intentional, then he didn't have his entire hand scrapped." Xiao Lingyu was really angry.

If you have any anger at her, you can vent your anger at a child. What's that?

Yan Ruyu, "... " This is getting darker the more you explain.

In fact, she didn't know why her brother in the lobby suddenly used so much force to grab a child.

Oh, she remembered.

It seems that his brother just appeared gaffe when he heard of pregnancy.

"Uh, Miss Xiao, don't be angry. Being angry is not good for your children." Yan Ruyu persuaded, "My brother has practiced, and his hands are a bit strong. Just now he was a little out of control and accidentally took Xiaohui. The kid is hurting."

Xiao Lingyu looked at Yan Ruyu and asked suspiciously, "Are you?"

Yan Ruyu immediately introduced, "I am Yan Ruyu, his cousin of Yan Siming. Hello, Miss Xiao."

Xiao Lingyu nodded, and then she asked again, "Dong Yan, can you give me an explanation? Why did you pinch a child's hand into a terrible look?"

It's horrible, it's a bit exaggerated.

"..." Yan Siming's sharp eyes swept Xiao Xiaohui.

When Xiao Xiaohui received Yan Siming's kind of expression that you would complain, he immediately shuddered, and then held his head high again, indicating that I was right and I was telling the truth.

Yan Siming took a deep breath and said to Xiao Lingyu, "I accidentally pinched it."

Afterwards, he apologized to Xiao Xiaohui, "Xiaohui, I'm sorry. Brother Yan really didn't pinch you on purpose."

Xiao Xiaohui was taken aback for a moment, and then said, "It's okay, it's a good boy who knows a mistake and can correct it!"

Yan Siming, "..." He was educated by a child.

Yan Siming took out his clothes pocket and found that he didn't bring a wallet.

He asked Xiang Yan Ruyu, "Have you brought your wallet?"

Yan Ruyu was a little strange, but nodded and said, "Take it."

Then he took out a wallet from his own brand bag and handed it to Yan Siming.

Yan Siming opened Yan Ruyu's wallet on the spot.

Draw out two pieces of 100 yuan from the wallet and handed them to Xiao Xiaohui and said, "Xiaohui, apologize for your apologize."

Yan Ruyu, "..."

This wallet seems to belong to her.

The eldest brother takes the money out, don't you need to ask her this master?

Okay, brother, you have always been your own way, you need money, just don't ask.

Seeing the two hundred yuan handed to him, his small eyes flashed, but finally resisted the temptation, and turned his head to his sister's side with difficulty.

"Sister, this?"

Two hundred yuan, he really wants to accept it.

With two hundred dollars, he can buy more Transformers.

Xiao Lingyu touched his head and said with a smile, "Why, two hundred yuan will tempted you?"

Xiao Xiaohui asked suspiciously, "Sister, the two hundred yuan paid by Brother Yan is not my medical expenses and mental damage expenses?"

"You stinky boy." Xiao Lingyu smiled and patted the back of his head. "Paying for the medical expenses. Only a bottle of safflower oil can restore you. You don't need a bottle of it. The safflower oil is only a few dollars. Ah. As for the mental loss expense, I see that you are still full of energy, and you can act, let alone need it."

Xiao Lingyu dismantled Xiao Xiaohui's careful thoughts and sternly educates, "Xiaohui, if you need money, you must take it in a proper way. You can't covet a temporary way. If you take two hundred dollars now, it will be quite the same. Yu Pengci, you know?"

Brother and sister Yan Siming, "... " This is serious.

"Sister, what is Porcelain?" Xiao Xiaohui asked without understanding.

"The so-called touching porcelain is an act of opportunism and extortion." Xiao Lingyu explained, "Like you, there is something like touching porcelain. However, touching porcelain is blackmail, and now in your situation, even if the other party takes the initiative, but It's also a speculation. My sister doesn't approve of this kind of money that has to be taken, you know?"

Xiao Xiaohui must be educated upright, otherwise, if he gets this good money, he will feel that there is a kind of money that is easy to come by.

Xiao Xiaohui nodded faintly, and then said, "Okay, I don't want two hundred yuan. But, sister, can I ask him for five yuan? After all, I buy safflower oil for five yuan a bottle."

"That's okay!" Xiao Lingyu nodded.

With the permission of the sister in the lobby, Xiao Xiaohui's gaze immediately stared at Yan Siming.

"..." Yan Siming lowered his head and flipped through his wallet. There was no five dollars.

It was a little embarrassing now.

"Ahem..." Yan Siming clenched his fist to his lips, and then said, "Xiaohui, I don't have five dollars here. If you don't want me to give you one hundred, right?"

Xiao Xiaohui shook his head and said, "No. My sister said, I can't take so much money."

Yan Siming looked at Xiao Lingyu helplessly, and said, "Just this time!"

He said this to Xiao Lingyu.

Xiao Lingyu shook his head and said, "No. You can't condone it once."

The Xiao family is very strict in education.

Yan Ruyi rolled his eyes and said, "Xiaohui, come and bring my sister to pick strawberries, why will my sister get the five dollars later."

"Good!" Xiao Xiaohui nodded.

After the two left, Yan Siming and Xiao Lingyu were left in the courtyard.

Chapter 235

Elder Gong was walking around in the room, taking a look outside from time to time.

Xiao Wang was very honest and said, "Long, the young master probably just got off the plane, and it will take at least four or five hours to get here. Or, you can go back to your room and rest. Wait for the young master to come. After that, I will notify you!"

The old man Gong said immediately, "Huh, who is waiting for that stinky boy. I just want to walk more, can't you?"

Xiao Wang Xiaozhang, "...". This is three hundred taels without silver here.

"Okay, I'll go to the room to rest now, and when the stinky boy arrives, I'll wake up." Grandpa Gong ordered.

What a duplicity.

In fact, the old man Gong had been entangled in his heart, what surprise Gong Tianhao gave him.

It's just that although the traffic is good now, Taoyuan Village is remote after all, and it will take some time to get there.

Just when he was about to lie down in the room, the old man Gong asked, "Xiao Wang, what kind of surprise do you think that stinky boy will bring me? Did you bring a granddaughter to me?"

The old man Gong did not wait for Xiao Wang to answer, and continued to say, "Oh, I actually like Xiao Lingyu this girl, but she now..."

Even if he is more enlightened, he will not be enlightened enough. Asking Xiao Lingyu to marry into the palace with a child whose father is unknown is a matter of losing face to the palace. The most important thing is that it may affect them because of this child. Between feelings.

Xiao Wang said unclearly, "Long, didn't you say that you treat Xiao Lingyu as a granddaughter."

"..." The old man said to him angrily, "Okay, I won't tell you anymore. To tell you this is to play the piano to the horse!"

"Long, it's playing the piano to the cow!" Xiao Wang corrected.

The old man Gong gave a stare and said, "Do you think I didn't know the idiom of playing the piano to a cow? Are you my subordinate?"

Xiao Wang said truthfully, "The Chief Reporter, I am indeed your subordinate!"

"Then do you know an idiom called referring to a deer as a horse?" The old man said with a snort, "Since I am your leader, then what I say is what I say."

Xiao Wang scratched the back of his head, then nodded honestly, "Oh!"

"Okay, you go out!" The old man drove out Xiao Wang like a fly, "I'm full of anger when I see you." Why can people's subordinates talk and make the leaders happy of. All of his subordinates are so honest and honest. So angry.

"..." Xiao Wang, who didn't know where he was upset by his leader, nodded and said, "Okay, long, I'm going out first, you have a good rest, the eldest master arrives, I will call you."

Mr. Gong, "..."

Which pot is really not open and which pot is raised.

so stupid.

...

Yan Ruyu knew that his eldest brother and Xiao Lingyu had something to say, so he took Xiaohui out of the Xiao family yard very interestingly.

On the way to the strawberry field, Yan Ruyu held Xiao Xiaohui's hand and couldn't help but curiously asked, "Xiaohui, are you familiar with Brother Yan?"

Xiao Xiaohui shook his head very honestly and said, "I'm not familiar with it. Today, I only saw Brother Yan for the second time."

"When is that?" Yan Ruyu couldn't help her gossip curiosity.

Xiao Xiaohui tilted his head, thought for a while and said, "It's more than a month after my sister came back from Z City."

Yan Ruyu's eyes lit up, "Your sister used to stay in Z City?"

Her brother in the lobby is the head of the Yan Group. If Xiao Lingyu has been in Z City, does it mean that their understanding may have started in Z City?

This also solved her doubts.

Why does Yan Siming, who is famous in Z City, knows a woman in the country?

But how did Yan Siming and Xiao Lingyu meet?

Is it possible that Xiao Lingyu is really one of Yan Siming's women?

But now that Xiao Lingyu is pregnant with a child, and Yan Siming is so gagged when she hears that she is pregnant, does this child have anything to do with him?

Yan Ruyu's curiosity was provoked.

Xiao Xiaohui said proudly, "My sister is a famous university student. After graduation, she has worked in Z City for several years."

"Then do you know how your sister and brother Yan met?" Yan Ruyu asked.

Xiao Xiaohui suddenly became vigilant. He let go of Yan Ruyu's hand and asked alertly, "Pretty sister, why do you keep asking about my sister and brother Yan?"

"My sister has been bullied before, and I absolutely don't allow anyone to bully my sister again." Xiao Xiaohui said boldly. "If you want to bully my sister, please leave Taoyuan Village now."

"..." Yan Ruyu suddenly became a little embarrassed, and then she explained, "No, Xiaohui, you misunderstood. How could I be against your sister? I'm just curious about what your sister and my brother knew."

Xiao Xiaohui did not let go of his vigilance, but asked sharply, "Then why are you curious?"

Yan Ruyu said, "I...I don't care about my brother. There is no woman around my brother. Now I see him so familiar with your sister, so I'm curious."

Who thought Xiao Xiaohui said, "Brother Yan wants to chase my sister?"

"..." Yan Ruyu really didn't know how to explain.

Can children understand this complex world of grown-ups?

Xiao Xiaohui immediately clenched his hand into a fist, and said with a serious face, "No, I won't let any man hurt my sister again."

After that, he ran back.

Upon seeing this, Yan Ruyu immediately grabbed the person with his hands openly and eagerly, and then said, "Xiaohui, don't worry. My brother will never hurt your sister."

"I don't believe it!" Xiao Xiaohui said solemnly, "Before that Brother Chen said he wanted to be nice to my sister. As a result, he came to hurt my sister. Now he has harmed my sister's life. Now that I have grown up, I must Protect my sister from getting hurt again. You let go."

Yan Ruyu, "..."

This sister control!

But her eldest brother and Xiao Lingyu obviously have something to say, she can't let this child do sabotage.

Yan Ruyu explained, "Xiaohui, isn't my brother in your house? In his own house, how can he hurt your sister, right?"

When she said this, she touched Xiao Xiaohui's head, "You, don't worry so much. Adults have an adult's world, you don't understand now. Brother Yan and your sister should be friends. They should meet each other now. I have something to say, let's not bother, okay? Don't worry, the pretty sister promises that Brother Yan will not hurt your sister."

Xiao Xiaohui thought for a while and nodded, "Okay!"

When he responded, he suddenly thought of something, and he immediately said, "Brother Yan is here, I am going to inform the second uncle and them. Go, pretty sister, I will take you to the strawberry field!"

"..." Yan Ruyu nodded, "Okay! Let's go."

Why are you so anxious to inform your second uncle? Are you still worried that he will be unfavorable to your sister?

...

Xiao Xiaohui and Yan Ruyu left, leaving only Yan Siming in the courtyard.

The atmosphere is a bit quiet!

Xiao Lingyu spoke first and asked, "Dong Yan, why are you here?"

She didn't think Yan Siming was doing strawberry business.

Although many people come to Taoyuan Village now, most of them are for strawberries.

"Ahem..." Yan Siming coughed twice.

Xiao Lingyu raised his head, saw a shadow in front of him, pointed to the stone bench next to him, and said immediately, "Dong Yan, please sit down!"

After all, she also got up from the recliner herself, acting cautiously.

After Yan Siming watched this, another anger surged in his heart. He suddenly asked loudly, "What are you doing?"

Xiao Lingyu was taken aback, and then said, "You are a guest, so you definitely need tea to entertain you."

After that, she walked into the house, and after a while, she brought a kettle and two tea cups over.

She put the teapot and cups on the table, one in front of Yan Siming and the other in front of her.

Xiao Lingyu filled two teacups with tea.

Yan Siming sniffed.

He smelled the fragrance of tea. This fragrance made him feel very comfortable.

He couldn't help but took a sip from the teacup, his eyes lit up slightly, and he couldn't help but be slightly surprised and said, "Good tea!"

His family is rich and powerful, and the things he uses must be the most upscale and top-quality.

But at this moment, he realized that even the tea made from 160,000 catties of tea leaves is not as good as it.

Xiao Lingyu smiled and said, "Tea is just an ordinary Dahongpao, but the tea made is very different when the water is sweet."

Yan Siming told her before that if she didn't like her, then she put aside some guard and vigilance towards Yan Siming, just as an ordinary friend.

Naturally, she also entertained Yan Siming by entertaining friends.

As for the former Yan Siming questioned about her pregnancy. In her opinion, Yan Siming, as a friend, may not see her leaving behind a child whose father is unknown.

Based on Yan Siming's relationship with her out of the righteousness of a friend, she certainly did not want to care about it.

After pouring a cup of tea for Yan Si, Xiao Lingyu returned to the house.

After a while, she brought out a fruit bowl.

The fruit plate is filled with those common and ordinary fruits.

Apples, pears, bananas, grapes and strawberries. Obviously the strawberries are grown in their own home.

However, what Yan Siming noticed was these fruits, which looked ordinary, but they were more crystal clear than those on the market, and there was a sense of seduction when they looked far away.

When he was brought closer, the fragrance of the fruit became more alluring.

Xiao Lingyu put the fruit plate on the stone table and said politely, "Dong Yan, there is nothing to explain at home, don't be offended!"

Yan Siming's sharp eyes swept across Xiao Ling's face and said, "Xiao Lingyu, you can call me by name, or you can call me Yan, Ming. Outside of work, I don't like to hear people call me Yan Dong, especially It's you!"

Xiao Lingyu, "..."

Ok.

The rumored Yan Siming has always been an uncertain master.

This will listen, obviously unhappy.

Did she offend him?

Xiao Lingyu thought for a while, and said, "Okay, you are three years older than me, let me call you Brother Yan."

Xiao Lingyu is twenty-five years old now, and Yan Siming is twenty-eight years old.

Of course, as for Yan Siming's age, of course it was introduced by Du Niang.

Yan Siming didn't speak, but with his beautiful and well-defined slender fingers, he picked a grape from the fruit plate. The grapes were pierced like purple pearls, exuding a seductive luster.

Yan Siming tapped his hands gently, and the green flesh came out with a sweeter taste.

"Not bad!" Yan Siming threw the peel into the trash can and continued, "Everything in your house seems to be good. Whether it's strawberries, tea, or ordinary fruits."

Italian puns.

I don't know if he is a compliment or a compliment.

Xiao Lingyu smiled and said, "It's just some ordinary things."

Yan Siming's sharp eyes fixed on Xiao Lingyu, his expression stern, and he asked, "Why are you leaving this child? Don't you know if this child is left, how will you find a good person in the future, and how will you get married? ?"

No matter which man it is, he is unwilling to marry a woman with wild species.

Xiao Lingyu also picked a grape, put it in his mouth, and then said lightly, "Since it's not easy to marry, then just don't marry! Anyway, I can afford him as a mother."

She owes the child, and she must make up for it for the rest of her life.

No matter what other people understand or don't understand, she will pay attention to anything.

When she becomes stronger, she can protect the children, who dares to say those unclean words to them.

"A woman, is she going to marry someone?" Yan Siming clenched his fists.

Because of the beating of his heart, he struggled in his heart for several months. When he finally thought about it, faced his true heart, and wanted to chase a woman sincerely, he found that the other party was pregnant with a child.

This was beyond his expectation.

For a while, he couldn't accept it.

What he didn't understand was why Xiao Lingyu wanted to leave this child behind?

Yan Siming was struggling with activities, but Xiao Lingyu was not clear about it.

She just lowered her head slightly and touched her belly with her hands, her face showing the brilliance of motherhood.

She said, "A man who really likes me doesn't mind my child. A man who doesn't like my child will never think about it. If I can't find a man who doesn't mind my child in my life, then I will Don't marry."

"So, are you planning to protect this child forever?" Yan Siming asked sharply.

"Yes!" Xiao Lingyu nodded firmly.

Yan Siming suddenly felt a sense of powerlessness that he couldn't let go of his anger.

He doesn't mind the child Xiao Lingyu, but if he wants him to like this child, he really can't do it.

Whether this child was his own, the key is this child, but Xiao Lingyu's demise was the result.

He couldn't accept this.

Yan Siming's sharp eyes locked Xiao Lingyu's white face tightly, and he asked suspiciously, "Xiao Lingyu, why do you have to keep this child?"

Xiao Lingyu touched his stomach lightly, and said in a sad voice, "Because I owe him."

Yan Siming, "..."

He frowned tightly and became even more puzzled.

What does this mean?

who is he?

Just when one lowered his head and stroked his stomach, and one person fell into thinking, there was a sound of "puff" rapid footsteps outside.

Chapter 236

After Xiao Lingyu said, "I owe him something", the atmosphere became a little different.

Be quiet!

Become silent!

It's even a little weird!

Yan Siming couldn't understand Xiao Lingyu's approach, nor did he agree with her approach.

Leave some wild species?

But why?

Didn't she know if she left this child to ruin her life's happiness?

Does she know how she will marry in the future?

Calculating the time, Xiao Lingyu's belly should be five or six months old, and it has already taken shape.

He was tempted by Xiao Lingyu, but...

Yan Siming narrowed his eyes and smiled, "Xiao Lingyu, how about being my woman? I will protect this child, so I won't be bullied again, how about?"

There is a smile on his face, but his expression is serious.

Xiao Lingyu's pupils shrank, and the smile on his face immediately froze.

Immediately she reacted, smiled and said, "I remember someone said that I was a self-righteous ugly duckling. How long have you not seen

this? You want to bring up the old things again, and let me be called the ugly duckling again. Nothing?"

Xiao Lingyu was clearly joking like this, secretly meaning, but refused.

No matter if Yan Siming said it was true or false, Xiao Lingyu couldn't stand such a joke.

After hearing this, Yan Siming's eyes darkened, and then he said, "Xiao Lingyu, what I said is true, can you think about it?"

Xiao Lingyu's expression immediately became serious, and she suddenly asked sharply, "Yan Siming, be your woman? What kind of woman is it? What kind of woman is it? Mistress, lover, or wife?"

Yan Siming's eyes flickered, and then, when he was about to say something, Xiao Lingyu stopped him.

She continued, "If I am a mistress, I am unwilling. But if I am your wife, what qualifications do I have in your capacity? I also don't think that you want me to be your woman, yes To make me a wife.

What's more, I'm still pregnant with a child whose father doesn't even know who it is. In what capacity will you face this child, and in what capacity will I face him in the future? I also said, this child, I absolutely want to stay. "

When Yan Siming heard Xiao Lingyu say this, his pupils shrank, he opened his mouth, and then said, "Xiao Lingyu, I..."

Xiao Lingyu was right.

What kind of capacity does she want to be his woman?

Yan Siming actually considered it before coming.

In his opinion, he is now fascinated by Xiao Lingyu, but not to the point where she is indispensable.

At the same time, he also believed that he was moved by Xiao Lingyu because Xiao Lingyu was unwilling to reject him.

As long as Xiao Lingyu became his woman, this kind of heartbeat might disappear.

What kind of person is Yan Siming?

But how can a famous and affectionate romantic figure in the z city business community stop his affection for a woman?

Therefore, when he came to Taoyuan Village, he had already considered it clearly.

He wanted Xiao Lingyu to be his lover.

Same identity as those women in the past.

The only difference is that during this period, he will compensate Xiao Lingyu with the best things.

Xiao Lingyu knew Yan Siming's answer when he saw Yan Siming's hesitation.

Her eyes darkened, her expression was slightly disappointed and disappointed, and then she smiled again and said, "So, Yan Siming, do you think I want to be your lover?"

Seeing Xiao Lingyu's lost and disappointed expression, Yan Siming suddenly felt a panic in his heart.

Suddenly, he blurted out and asked, "What about being my wife?"

"She is also unwilling!" The man who answered him came from a man's voice outside the courtyard.

The two looked out of the courtyard in unison.

"Gong Tianhao!"

"Master Gong!"

The former sentence is Yan Siming, and the latter sentence is Xiao Lingyu.

But for Gong Tianhao's sudden arrival, he was very surprised.

Yan Siming knew Gong Tianhao only because of business exchanges.

Yan's Group is the largest enterprise in Z City, involving many industries.

As the largest enterprise in the country, the Imperial Group has more industries involved, and various industries will cooperate with the best companies. This is the rule of the Imperial Group.

Gong Tianhao held one gift box in one hand, and put his suit jacket on the other hand. Because of the hot weather and the rush of rushing on the road, some sweat broke out on his forehead.

Ignoring the surprised eyes of the two, they calmly and coldly carried the gift box and stepped into the yard.

Xiao Lingyu, "..."

Is this her house?

Is it okay to step into someone else's house at will without the owner's consent?

No, Xiao Lingyu suddenly reacted.

How could this person suddenly come to Taoyuan Village? Also, looking at his posture, should it be her home that came to him in the first place, not his own home in the village?

Also, he just seemed to have rejected Yan Siming for him, right?

This man, why is he qualified to make decisions for her?

Although her answer is also rejection.

But she didn't want to have any intersection with this man?

Yan Siming was suddenly surprised by Gong Tianhao's arrival, and then he asked suspiciously, "Mr. Gong, why are you here?"

Gong Tianhao glanced at Xiao Lingyu, and as expected, a strange expression appeared in her eyes.

This reminded him of the previous meetings, and every time he met, Xiao Lingyu's attitude towards him made him feel strange.

Originally, with his appearance and wealth, the woman who liked him was like a crucian carp, he didn't need to notice this woman.

However, except for the first meeting, Xiao Lingyu made a small gesture in order to see him once. In every subsequent meeting, he felt Xiao Lingyu's rejection and resistance to him.

He didn't understand before, but he didn't delve into it either.

But now, he understood everything.

Then every time I met, I made a small gesture, I guess it was to confirm something.

Later, she had clearly confirmed it.

However, what puzzled Gong Tianhao was how did Xiao Lingyu confirm that day?

Gong Tianhao didn't know it now, but only after he arrived, it turned out that Xiao Lingyu was very sensitive to voices, and she would not forget the voices she had heard.

Yan Siming frowned when he saw Gong Tianhao staring at Xiao Lingyu earnestly.

What's going on here?

When did Xiao Lingyu know Gong Tianhao?

What is Gong Tianhao's status? He is the boss behind the Imperial Group, a wealthy man in the country, and one of the top corporate figures in the world.

But who is Xiao Lingyu, that's just a small transparent white-collar worker, and now it's a peasant girl, how could she have the opportunity to meet a big person like Gong Tianhao.

Even Yan Siming, only because of business matters, only met once, and the time is very short.

There was a crisis in Yan Siming's heart. He protected Xiao Lingyu behind him, and then said with a smile, "Mr. Gong, what wind brought you here?"

Gong Tianhao raised his brows when he saw the overly beautiful man in his eyes, and asked, "Yan Siming?"

Yan Siming nodded and said, "It's me! It's really rare for Mr. Gong to remember me as a small person!"

For Gong Tianhao, Yan Si was definitely a small person.

"Mr. Yan, why are you here again?" Gong Tianhao returned the words faintly.

Yan Siming, "... " What does this have to do with you.

"Go away!" Gong Tianhao suddenly said coldly.

He thought that Li Yuanhang had told him that this Yan Siming had helped Xiao Lingyu several times, and the entire Xiao family owed him a favor.

And when he just got outside, he heard Yan Siming confess to Xiao Lingyu that Xiao Lingyu should be his wife.

He secretly rejoiced that when he came to Taoyuan Village, he came to Xiao Lingyu instead of going to Grandpa's.

Otherwise, the time wasted and his wife and children were snatched away by other men, and he didn't even have a place to cry.

That's right.

After learning that the woman who was that night was Xiao Lingyu and that she was pregnant with his own children, he attributed them to his wife and children.

The thought of a man coveting his wife, when the man was confessing, that his face could be a little better.

Gong Tianhao's momentum is compelling, but Yan Siming is not scared to grow up.

He didn't let go, but asked seriously, "Mr. Gong, just talk about it. Ling Yu is pregnant with a child, so she can't be frightened!" This meant that your attitude might frighten Xiao Lingyu.

Hearing what Yan Siming said, Gong Tianhao fell silent.

He thought of Xiao Lingyu's alienation and resistance to him several times before.

However, if he wants to see his wife and children, why should another man stop him?

Gong Tianhao's face sank, and he said coldly, "Mr. Yan, I know that Xiao Lingyu is pregnant with a child, and I also know how serious it is. I don't need you to worry about it. Please get out of here now!"

Yan Siming, "... " is really harsh.

But the more I wondered what is the relationship between Gong Tianhao and Xiao Lingyu?

Yan Siming still didn't let go, his expression was equally serious and serious.

He asked sternly, "Mr. Gong, do you know the severity? You come up with a cold face and aggressive manner. Which little girl is not afraid to see it? My Ling Yu is a timid woman, but she doesn't care. scare!"

"Your family Lingyu!" Gong Tianhao repeated, then the corners of his lips were hooked, and he said mockingly and sarcastically, "Xiao Lingyu has no woman who promised you.

I heard that President Yan of the Yan Group is passionate and passionate. Changing women is like changing clothes. He never refuses a woman who throws in his arms! I heard that the women who have been with President Yan can circle Z City three times, right? So, you want Xiao Lingyu to be your lover every few hundred? "

"You...you slander me!" Yan Siming's pretty handsome face immediately showed an ugly look.

He would never have thought that the boss behind the dignified Imperial Palace would one day arrange people, and he didn't expect to add fuel and jealousy.

Gong Tianhao sneered, "I slandered you? How did I slander you? Does Gong Tianhao need to slander you? Don't you change a woman every few days or maybe every day?"

"You..." Yan Siming pointed at Gong Tianhao, dumbfounded.

He simply subverted his image of this high-cold and domineering president.

Didn't it mean that Gong Tianhao was ruthless and taciturn?

That's all shit!

Who is this man who arranges people as soon as he comes up!

Chapter 236

Standing behind Yan Siming, Xiao Lingyu felt nervous and a little uneasy when he saw Gong Tianhao coming here clearly prepared.

She didn't know why Gong Tianhao didn't put his luggage, but came directly to her?

Also prevented her from becoming Yan Siming's wife.

The sixth sense of a woman gave her a very bad premonition!

She suppressed the fear and anxiety in her heart, patted Yan Siming on the shoulder, and smiled calmly and said, "Yan Dong, Mr. Gong is the benefactor of our Taoyuan Village. His grandfather lives in Taoyuan Village. It's a good relationship. But, Mr. Gong came directly to my house, is there anything wrong?"

The first sentence was of course addressed to Yan Siming, and the latter sentence was directly asked to Gong Tianhao.

When Gong Tianhao heard Xiao Lingyu's voice, his whole body was very excited.

But he has always been an invisible person, and he calmly calmed down his emotions.

He said, "I'm here to buy strawberries. Just now I saw your strawberries sell so well in the village, and I was worried that I would be late and could not buy strawberries."

Xiao Lingyu, "..."

She doesn't believe this reason at all, okay? Will the boss of the imperial palace group, the wealthy people in the country, lack this little business?

Yan Siming, "..."

Edit, you can edit it.

Only a fool would believe such a reason.

At the same time, Yan Siming felt a sense of crisis and urgency in his heart.

The proprietor of an imperial conglomerate is rich in the country. He even made up excuses and lies in order to meet a woman.

what is this?

Yan Siming's heart gradually became clear.

But he was unwilling to pierce it.

In fact, Gong Tianhao rushed over from the capital, eager to see Xiao Lingyu and the children, and wanted to hold them in his arms.

At this moment, he had forgotten that Xiao Lingyu was the woman his good brother liked.

The so-called friend's wife, don't be deceived, to him now, it's all shit.

However, when he hurried to Xiao Lingyu's house, he heard a man's confession to her, which made him feel a sense of crisis.

He desperately wanted to declare sovereignty over Xiao Lingyu's mother and daughter, but found that Xiao Lingyu was surprised at his arrival, but there was a kind of anxiety and panic in his eyes.

He suddenly felt like a pot of cold water was poured into his heart, which made him wake up instantly.

It's not the time yet!

If you tell Xiao Lingyu now that he knows everything, it is likely to make Xiao Lingyu more resistant and disgusted, thinking that he approached her for the sake of the child.

He even approached her just to grab the child.

For a moment, Gong Tianhao's thoughts turned a few times, and then he immediately decided that he would catch up with the child's mother first.

Of course, before that, he would never allow any man to get Xiao Lingyu's favor.

What's more, this Yan Siming helped Xiao Lingyu twice, and then Xiao Lingyu came to repay him, and that would be miserable.

Gong Tianhao could only destroy Yan Siming's image first, making Yan Siming's great benefactor's impression of Xiao Lingyu's heart plummet.

Only if Yan Siming has no show, he has the first show, doesn't he?

Don't say he is mean, what he said is a bit exaggerated, but it's all facts, isn't it?

Yan Siming's impression was ruined in Xiao Lingyu's mind, he didn't know.

What he knows now is that he must treat Xiao Lingyu with seriousness.

Chapter 237

When the old man was about to fall asleep, he heard Xiao Wang's call.

He knew that stinky boy at his house had arrived.

He immediately opened his eyes, looked outside, and asked, "Xiao Wang, what time is it now?"

Xiao Wang immediately replied, "Long, it's nine o'clock in the morning!"

"Nine o'clock!" Master Gong asked immediately, "That brat is here."

Xiao Wang hesitated for a while and replied, "Young Master is here, but he hurriedly went to Xiao's house and went directly to Xiao Lingyu."

"What?" The old man Gong immediately sat up from the bed, and asked again, who couldn't believe it, "Xiao Wang, are you right? The stinky boy really went to find Ling Yu girl?"

Xiao Wang said conscientiously, "Long, I will never read it wrong. As soon as the young master entered the village, the villagers noticed it. Many eyes saw him go directly to Xiao's house."

Xiao Wang helped Master Gong to get up, and asked questioningly, "Long, what did the young master go to Xiao's house in such a hurry? Could it be that more than ten thousand catties of strawberries?"

But it can't.

The young master of his family is a big business man. The strawberry business is in his business pile, so it is not remarkable at all. He doesn't need to make this trip.

Besides, this sale is not a long-term negotiation for him.

In short, Xiao Wang couldn't understand.

On the other hand, as soon as the grandson heard that his grandson had gone to Xiao's house and directly approached Xiao Lingyu, he fell silent, his expression became serious, and his brows frowned slightly.

After that, his voice became a little sharp, and he said, "Since he went to find Xiao Lingyu, he should be back in a while. Let's wait at home."

Xiao Wang nodded.

...

Yan Siming heard such an excuse and said with a smile, "Mr. Gong is a big business man. He would come here because of a little strawberry. It's really admirable."

Gong Tianhao went to see Xiao Lingyu's reaction first, but found that he could not see any expression on Xiao Lingyu's face now, he felt a little disappointed, and at the same time he secretly breathed a sigh of relief.

Because he really hoped that Xiao Lingyu would ask him about his identity, and he would definitely answer her.

It seems that this woman is not a person of influence.

Otherwise, depending on the hotel where he stayed that day, some clues about his identity can also be found.

Just because of her pregnancy, the person in charge at the hotel will definitely notify him if she only needs to go to the hotel.

However, Xiao Lingyu did not do so.

I didn't think that mothers should be expensive by their children, and marry into wealthy families.

Or if you want to give birth to a child, and then threaten her with what she wants, this is unlikely.

Because since the first meeting, since she has recognized the global limited edition car and recognized him, she has such a good opportunity, shouldn't she try to get acquainted with him and take the opportunity to climb him?

However, nothing happened.

After that, every time she met, she repelled and resisted him so much.

Thinking of this, Gong Tianhao didn't know whether to cry or laugh.

In the future, if he wants to embrace the beauty, I am afraid it will take a certain amount of effort.

Gong Tianhao's handsome face was expressionless, he said faintly, "Business people, business is not big or small."

Yan Siming, "..."

After a brief confrontation, Yan Siming realized that Gong Tianhao is indeed the rich man in charge of the country's largest enterprise, and his face is thick enough!

Is this the difference between him and him?

Yan Siming was a little sad.

However, this is certainly not the time for sadness.

This man became his number one rival in love for some reason.

The rival is so strong, he certainly can't just give in.

Yan Siming asked with a smile on Xiemei's face, "Mr. Gong, it's a good time to meet. It just so happens that I also want to talk to Ling Yu about buying strawberries, or sit down and talk together!"

If you lose, don't lose!

However, he glanced at the suitcase beside Gong Tianhao and said, "However, Ling Yu said that your old man is in Taoyuan Village. Are you sure you don't go to greet him first?"

This is just saying that coming to Xiao Lingyu as soon as he comes, will not upset his old man.

When the old man was upset, he probably didn't like Xiao Lingyu anymore.

Of course, Yan Siming was not kindly reminding him, he just didn't want Gong Tianhao to have too much contact with Xiao Lingyu.

Besides, a family like a wealthy family can allow Xiao Lingyu to be pregnant like this...

Wait, Yan Siming reacted to the problem he had been ignoring.

If Gong Tianhao's target was Xiao Lingyu, hadn't he noticed that Xiao Lingyu was pregnant with a big belly?

He, a big young man in the capital, went to this corner of the country to a woman who was pregnant with other men and children. Wouldn't it be a joke?

The question is, does his family allow it?

Unless it is, he wants Xiao Lingyu to be his lover, not the rich and young grandmother.

Thinking of this, Yan Siming suddenly felt like a faint flower.

Because obviously, with Xiao Lingyu's arrogance, it is absolutely impossible for her to agree to be a man's lover.

Otherwise, she had promised him when she was in Z City.

Besides, I heard that Xiao Lingyu's strawberry and vegetables have sold for two to three million in total.

In just a few months, I made two to three million yuan.

If this situation continues to grow, it should be no problem to make tens of millions a year.

So, she is a rich woman herself, so why bother to be the shameless lover.

Oh, he didn't even think of this.

Most of the women who become the mistress of a man are going for the power of a man's identity, whether they are powerful or rich.

It seemed that he himself wanted Xiao Lingyu to be his lover, which was also a foolish act.

For a while, Yan Siming's uncertainty about his feelings made him confused.

He didn't even know where to put Xiao Lingyu in order to balance his heart.

But there was a voice that kept telling him that he couldn't just give up, or he would regret it for a lifetime.

Yan Siming's thoughts turned, and his heart was lost, Gong Tianhao and Xiao Lingyu didn't even know.

Gong Tianhao didn't care about Yan Siming's malicious reminder.

He glanced at Yan Siming, and said coldly, "It's not about Yan's understanding."

Yan Siming, "... " I don't know how many times I have nothing to say.

Gong Tianhao reminded again, "I'll say it again, you let me go!"

A faint word, but the momentum is compelling, like a king's command!

He just wanted to talk to Xiao Lingyu now, he couldn't keep this man in front of him.

Of course, Yan Siming was not weak, nor did he give up Xiao Lingyu because of a word from Gong Tianhao.

He still stood tightly in front of Xiao Lingyu.

Gong Tianhao's eyes narrowed slightly, his sharp gaze directed at Yan Siming, his brow frowned, and he was very dissatisfied.

This man...

Gong Tianhao was about to step forward and pushed Yan Siming directly away, Xiao Lingyu, who was standing behind Yan Siming, sighed softly and said, "Brother Yan, let go. Master Gong is not a fierce bird. Beast, you don't need to be so defensive."

Xiao Lingyu is not a love idiot!

When she worked in a big company in her previous life, she watched a lot.

Because there are many people pursuing, among them are the bosses of big companies.

Therefore, she saw clearly the rivalry between these two men.

However, she now only wants to give birth to the child.

No matter how important things are, they are no longer as important as children.

She didn't know why Gong Tianhao came here to look for her suddenly, but her instinct told her that this result was not what she liked, nor was it what she wanted.

After hearing Xiao Lingyu's words, Yan Siming retreated somewhat unwillingly, but stood close to her.

He whispered to her, "This man is a big business boss. It is rumored that he is a cruel and ruthless man. He must have a purpose when he comes to you at this time. You have to pay attention, don't You are fooled."

Gong Tianhao, "...". It was his turn to be speechless.

Said it in a low voice, but it didn't mean to let him hear it.

This Yan Siming, he still underestimated him.

When Yan Siming said this, he was a little proud.

You destroy my image, can't I also destroy your image?

Xiao Lingyu may not know Gong Tianhao's identity, and he can't point it out, but he can tell Xiao Lingyu all the rumors in the rumors.

Gong Tianhao will add fuel and jealousy, but he won't, he just tells the truth, doesn't he?

Gong Tianhao glanced at Yan Siming with deep and sharp eyes.

This guy.....

Then he saw Xiao Lingyu nodded and said, "Brother Yan, you are worrying too much! I am a four womanless girl, but there is nothing that Young Master Gong could do!"

"Four women?" Yan Siming was a little puzzled.

Young Master Gong's eyebrows are also slightly frowned, obviously there is doubt.

"No power, no power, no looks, no body.!" Xiao Lingyu explained lightly.

Yan Dong and Young Master Gong said, "... " with an embarrassed expression.

Powerless and powerless may be, but without looks and body, it is a bit self-deprecating.

You must know that when Yan Siming asked Xiao Lingyu to be his woman, it was because he saw the beauty of her after he took off his eyes, her face was pure and beautiful, and she was also a kind of self-confident, pure and proud beauty.

Of course, the woman who allows Gong Tianhao to allow him to sleep must look good.

There, although it was a little dim at night, Xiao Lingyu was wearing a big head-up mirror, but when Gong Tianhao's hand touched her, he could feel that his skin was smooth and tender, which made people love

it, and when she touched her. When leaning in his arms, it is soft and warm, making him feel.

Love at first sight is because of beauty.

Although the two men didn't fall in love with Xiao Lingyu at first sight, they both became greedy after contact.

Otherwise, Yan Siming would never buy a big company just for the sake of a woman. He has been in love for months.

This may be unwilling to achieve the goal.

Unwilling, just because she hasn't gotten her.

A beautiful and proud woman!

May I ask, if it is an ugly woman, would Yan Siming do this?

Although Gong Tianhao is not a person who values women, he always has the love of beauty, not to mention a powerful and handsome man.

If Xiao Lingyu didn't have a lot of beauty, Gong Tianhao might not really like this person.

In short, there must be two reasons for the appearance of Xiao Lingyu.

Of course, the main reason is that they are attracted by Xiao Lingyu's character and personality charm.

Now Xiao Lingyu suddenly came up with "Four No Women", these two men really didn't know how to answer.

A woman's heart, a needle on the bottom of the sea!

If they say something that makes Xiao Lingyu unhappy, the consequences may be difficult for them to save.

"Ahem..." Gong Tianhao gave a fake cough, and then said, "Since you are a Siwu Girl, don't be too inferior. There will always be someone who likes a Siwu Girl like you!"

Xiao Lingyu, "..."

"Ha!" Yan Siming almost dropped his chin in response to Gong Tianhao's answer.

This Gong Tianhao couldn't draw his head, or he did it by himself.

For women, Yan Siming knows very well.

Women like to speak irony, but they like to listen to good things.

Gong Tianhao really followed Xiao Lingyu's words, wouldn't he be afraid of being shot in the pan by Xiao Lingyu?

No, shooting the pan is an expression of Big Gray Wolf's love for Red Wolf.

Therefore, Gong Tianhao was not even qualified to let Xiao Lingyu shoot the pan.

Yan Siming rebutted sharply. He said, "Mr. Gong, it seems that your color blindness is a bit serious." He almost cursed blindness. I can't see the beauty of Xiao Lingyu.

Gong Tianhao replied solemnly, "My eyes are all normal. They are not color blind as you said, and they are not nearsighted at all!"

Yan Siming, "... " Okay.

He knew that every time Gong Tianhao said, he was speechless.

Yan Siming looked at Xiao Lingyu, but found that her expression had become very light, and she didn't pay much attention to Gong Tianhao's words.

Xiao Lingyu said, "Mr. Gong, I rushed for a day in a hurry. Or sit down and take a break. However, I am just some ordinary tea and fruits. Don't be surprised."

Yan Siming felt that Xiao Lingyu's attitude towards Gong Tianhao seemed a little strange.

Hearing Xiao Lingyu's greeting, Gong Tianhao put the suitcase aside, and put the suit directly on top of the suitcase, and then sat down generously at the stone table.

When Xiao Lingyu saw it, he didn't say anything, just returned to the house.

Yan Siming saw Gong Tianhao sitting down, stretched out his hand and said with a faint smile, "Mr. Gong, it's a good time to meet you!"

Gong Tianhao said indifferently, "Happily meeting!"

"Then I'll be straightforward." Yan Siming's smile immediately turned serious from the beginning. He asked, "No matter if Xiao Lingyu answered or agreed to be my woman, I don't allow any man to hurt anymore. she.

So, Mr. Gong, what is your purpose, let's just say it! Your reason for talking about strawberry trading is okay to deceive a fool, but Xiao Lingyu and I will definitely not believe it. "

Gong Tianhao smiled coldly and immediately asked, "Then what do you say my purpose is?"

Yan Siming, "..."

If you can have a good conversation, you will know this trick.

Yan Siming didn't want to admit that the effect of this trick was to leave him speechless!

Yan Siming is 28 years old and has never been so aggrieved.

Yan Siming didn't mean anything, he sneered, "Then you are here to chase Xiao Lingyu?"

"You said yes!" Gong Tianhao said lightly again.

Yan Siming, "... " I really want to slap it over.

Chapter 238

Yan Siming and Gong Tianhao didn't know it, but Xiao Lingyu who walked into the room heard the conversation between them clearly.

When Xiao Lingyu heard Yan Siming asking if Gong Tianhao was pursuing her, her heart was lifted up, her face was panicked, and the tea cup she held in both hands was tightly squeezed, almost squeezed. broken.

Click!

The sound of cracking teacup!

when!

The sound of the tea cup falling to the ground!

That's right!

A white porcelain cup was really crushed by Xiao Lingyu.

When Xiao Lingyu appeared, cracks spread all over the cup like a spider web.

She was shocked immediately, and the cup in her hand fell to the ground involuntarily.

Is this cup so fragile now?

Or is she excited about another skill now, which is stronger?

Xiao Lingyu found it incredible.

When the two men outside heard the sound, they looked at each other first, and then they ran into the house scramblingly, both looking nervous.

After all, Xiao Lingyu is not like an ordinary person now, but a pregnant woman with a baby and a big belly.

"Ling Yu, what's the matter with you?" Yan Siming asked anxiously before entering the door.

Xiao Lingyu was awakened by Yan Siming's voice, his expression didn't adjust for a while, and he was still a little dazed and uneasy.

This expression fell in the eyes of the two of them all at once, and they thought that Xiao Lingyu must have done something just now. This expression was only caused by an accident.

After all, Yan Siming can clearly see the love of children.

Yan Siming immediately comforted, "Ling Yu, don't panic, it's okay now."

Gong Tianhao frowned and glanced at the fragments on the ground, and then said, "Stand there first and don't move!"

Xiao Lingyu was pregnant with these children, it was difficult to avoid these fragments, so he had to clean up these fragments first.

Immediately he looked around, but there was no broom. Then he asked, "Where is the broom?"

"..." Xiao Lingyu pointed to a corner outside the house and said, "Broom on the left corner!"

Gong Tianhao, "..."

Because in many rural areas, plants are used to make brooms, such as sorghum poles, bamboo branches, iron brooms, and so on.

The broom made of these things can save money if it is cleaned. If the sweep is broken, just make one more.

The broom in Xiao Lingyu's house was made of iron brooms, and the yard was made of woolen bamboo.

The iron broom is more compact and softer to use, but the hairy bamboo broom is sparser and more arrogant to use. It is the most suitable for sweeping the yard.

However, Gong Tianhao didn't know him.

But Gong Tianhao is a smart person. It doesn't matter if he doesn't know him. There are a few things in the corner. He still knows some hoes, shovels and hatchets, and the remaining things are brooms.

He immediately walked to the corner, picked up a broom and entered the room.

Xiao Lingyu, "...". He is holding a bamboo broom, how can you sweep the debris on the floor?

Xiao Lingyu said, "Master Gong, this one is for sweeping the yard. It's not easy to sweep the house. Take the smaller one."

Gong Tianhao, who entered the room with a sweeping handle, said, "...". He thought it was a better sweep.

Yan Siming immediately sneered, "Mr. Gong, if you don't know the broom, you just squeak, why are you able to do it. Don't you think it's a bit..." Isn't it embarrassing?

I didn't say this, but who couldn't hear it.

Gong Tianhao's sharp eyes glared at him, and he didn't say anything, but silently changed the broom to the smaller one.

After taking the broom and entering the house, he swept down the tiles...
when!

The sound of the tiles flying out, hitting the wall and flying to another place in an instant.

The big tiles immediately turned into small tiles again.

Gong Tianhao, "..."

Why did this piece of porcelain fly out before I even started to sweep?

Xiao Lingyu, "..."

She was speechless too.

Sweeping the floor, making a flying all over the sky.

Yan Siming, "..."

Dangdangong sweeps the floor, sweeps it like this, and talks about it, it is estimated that it will become the headline of the news.

"Puff," Yan Siming said with a big grin, "I said Mr. Gong, would you sweep the floor? Look at you, but the more you sweep."

Gong Tianhao ignored Yan Siming's ridicule at all, but lowered his head again and studied the broom.

Xiao Lingyu looked at Gong Tianhao so seriously, and was moved for a moment.

Such a noble and powerful young master, at this moment, is holding a broom and lowering his head, trying to clear the obstacles in front of her so that she can walk easily.

She wondered if she was the only woman who was treated like this.

But he immediately rejected it, thinking it was impossible.

Xiao Lingyu took a deep breath in secret, and then pointed, "Master Gong, just now you used too much strength."

Gong Tianhao's eyes lit up immediately, and he looked at Xiao Lingyu like two stars, like an encouraged child.

child?

Xiao Lingyu swallowed secretly, feeling that she had hallucinations.

When he rubbed his eyes and looked over, Gong Tianhao had already lowered his head and started cleaning again.

when!

Porcelain dust is flying all over the sky again!

"Ahem..." Xiao Lingyu sucked the dust and coughed uncontrollably.

Yan Siming, who was watching the show, and Gong Tianhao, who was sweeping the floor, looked over immediately, and found that Xiao Lingyu was coughing a little uncomfortably.

Yan Siming ignored the tiles on the floor, walked over, patted her on the back, and asked concerned, "Ling Yu, are you okay?"

Then he blamed Gong Tianhao, "Mr. Gong, don't sweep the floor if you don't know how to sweep the floor. You see, the whole room is covered with dust, which choked Ling Yu."

Gong Tianhao looked at Xiao Lingyu who was coughing badly, his brows were twisted tightly, then he put the broom on the ground and walked over.

Yan Siming was taken aback immediately and asked, "What are you going to do?"

However, the answer to him was...

Gong Tianhao bends down, then hugs Xiao Lingyu up in a princess hug.

"Huh?" With both feet suddenly off the ground, Xiao Lingyu, who was insecure, immediately hugged Gong Tianhao's neck with two reflexive hands.

Yan Siming was taken aback for a moment, then he was a little upset.

Why didn't he think of it before?

This time it's all right, this allows Gong Tianhao to take advantage of it.

Then Yan Siming strode out.

Xiao Lingyu, who was hugged by Princess Gong Tianhao, looked up and saw Gong Tianhao's slender neck, perfectly curved profile, sharp and tough features, and dark and mysterious eyes.

This man is so perfect.

This man is not only powerful, powerful and wealthy, but his personal appearance is handsome and slender.

Xiao Lingyu couldn't imagine that such a man came to Taoyuan Village to chase her.

Xiao Lingyu's heart cannot be calm for a long time!

Gong Tianhao took her out of the hospital and let her sit on her own recliner. Then, he poured a glass of water for Xiao Lingyu, handed it to

Xiao Lingyu, and said softly, "Drink water, rinse your mouth! Just now your mouth It sucked in dust."

Xiao Lingyu took the cup and said to Gong Tianhao, "Thank you!"

Yan Siming came to the front and immediately complained, "Ling Yu, he did it on purpose. To take advantage of you."

"..." Gong Tianhao wouldn't let him slander himself, and said indifferently, "Then why don't you sweep the floor, and then come and take advantage of it with an open mind?"

Yan Siming, "..."

He really saw a ghost. He who has always been domineering and able to talk in the business field, and said that the other party was speechless, when facing Gong Tianhao, he was frequently and speechlessly refuted by him.

Xiao Lingyu blushed immediately after hearing this.

Two big men, in front of her client, arguing about taking advantage or not, have you ever considered how they feel?

Xiao Lingyu said, "Brother Yan, you also said that Young Master Gong is a big business boss. It is normal that there is a maid and a nanny at home who do not know how to clean."

Involuntarily, Xiao Lingyu spoke for Gong Tianhao.

After listening to Gong Tianhao, the corners of his lips twitched slightly, appearing very happy, and then he looked at Yan Siming and said, "Listening to Yan Dong's words, you should be able to sweep the floor. Then ask Yan Dong to clean up the house. ."

Yan Siming was a little dumbfounded.

He has been a maid and nanny since he was a child, and he has never done housework personally.

Therefore, he also doesn't know how to clean.

However, the moment before he was laughing at Gong Tianhao, the next moment, he told them that he would not clean, and he would definitely be teased by Gong Tianhao.

But if you just clean it blindly, the result of this cleaning will definitely be similar to Gong Tianhao's. If this happens, Gong Tianhao will also be ridiculed by Gong Tianhao.

Now...

Yan Siming suddenly tangled around.

The result of going and not going is the same.

Gong Tianhao's sharp eyes fixed on Yan Siming, and the corners of his lips hooked again, but the arc of the hook this time was a mockery.

Yan Siming ridiculed him twice, still in front of Xiao Lingyu, corrupting his image, he must retaliate back.

Just as Yan Siming was embarrassed, there was another footstep outside the courtyard.

Yan Siming looked out, and it turned out that it was Mother Xiao and Father Xiao who had returned.

He turned his eyes, turned back to the house, and picked up the broom on the ground.

At this time, Xiao Ma and Xiao Dad had already entered the yard.

It's just that when they saw Gong Tianhao standing in the courtyard, they seemed very surprised.

"Master Gong, why are you here?" Mother Xiao asked with a smile.

She and Dad Xiao learned from Xiao Xiaohui that Yan Siming was here.

Yan Siming was a great benefactor who helped their family a lot, and finally came once, no matter how busy they are now, they must come back to entertain him personally.

They didn't expect that not only Yan Siming but also Gong Tianhao would be here today.

Gong Tianhao was also the great benefactor of their Xiao family. He had saved Xiao Lingyu's life, and he was also the benefactor of Taoyuan Village.

"Uncle, auntie!" Gong Tianhao also exclaimed politely.

Mother Xiao smiled and said, "Well, Master Gong, you can sit in this courtyard for a while, and I will prepare a meal. Dad, you are with Master Gong."

However, speaking of this, she suddenly remembered.

"Huh, where is Mr. Yan?" Mama Xiao asked, and then she heard a man's coughing from the house.

Mother Xiao immediately spotted Yan Siming and walked over.

Seeing Yan Siming covering his mouth, coughing constantly, holding a broom in his hand, he immediately noticed the debris on the ground.

Mother Xiao asked immediately with concern, "Mr. Yan, are you okay. How can you do this? You can rest. I'll come."

Yan Siming's coughing face was a little red, and he said apologetically, "Sorry, auntie, I wanted to help clean up so that Ling Yu can walk around. I didn't expect that something that seemed so simple would be done. , So difficult."

Mother Xiao's favor suddenly increased, and she smiled and said, "You're the one who does big things. You don't need to do little things,

and it's excusable that you don't know how to do them. You go out and have tea and talk with them. Chat, let me do this."

Yan Si was obviously embarrassed and said, "Auntie, should I sweep the ground first?"

Mother Xiao smiled and said, "I'm afraid you are getting more and more helpful. Okay, auntie is working swiftly, maybe I will sweep the ground up for talking to people. Okay, you can go out. You are a guest. , There is no reason why the host keeps the guests busy."

Mother Xiao nudged Yan Siming out.

Mother Xiao looked at Yan Siming who was walking out with a smile in her eyes. This Young Master Yan is really a good man.

After Gong Tianhao said hello to Dad Xiao, he raised his eyes and saw Yan Siming walk out of the house with a smug look. At the same time, he also noticed the satisfied look in the eyes of Mother Xiao standing on the edge of the door. The teacup's hands suddenly tightened.

He really underestimated Yan Siming.

Using some means, it's really easy to catch.

Yan Siming said hello to Dad Xiao, "Uncle!"

Then he said, "Uncle, how long hasn't seen you, your complexion has become better and better, and it looks like you are much younger than before. Uncle, your body, you have already taken care of it."

Yan Siming was telling the truth.

When Yan Siming saw Dad Xiao, he was in an injured state.

Father Xiao smiled and said, "Thanks to your blessing, Mr. Yan, my body has already recovered."

Yan Siming smiled and nodded, "That's good. I'm busy these days, I haven't had a chance to see you and auntie."

"Mr. Yan is interested. Your great kindness, our family is all in mind." Father Xiao said with a smile, "Thanks to Mr. Yan's help at that time, I didn't cause more serious consequences. "

Yan Siming smiled and said, "Uncle, you are so polite. Don't say you want me and Ling Yu to be friends, even ordinary people, I can't stand by when I see that situation."

"Mr. Yan is so nice!" Mama Xiao had already taken a few tea cups and filled them with tea. Then she continued to praise her, "Mr. Yan is handsome and has a good personality. People are good, really a good man."

Gong Tianhao watched Yan Siming being constantly praised by Xiao's father and Xiao's mother, his eyes darkened, and a bright light flashed under his eyes.

He picked up the cup and took a sip of tea, and then smiled and said, "Yes, Mr. Yan is indeed a good man, he is beautiful and handsome, so

the relationship between women has always been. I heard that those ladies and ladies in Z city, but they follow Mr. Yan is proud of being in bed."

when!

Black belly!

Insert the knife fiercely!

Chapter 239

Gong Tianhao's black belly pierced the knife, so that Yan Siming, who had finally won the favor of Mother Xiao, immediately restored his original shape.

Let Mother Xiao be vigilant again.

Mother Xiao smiled stiffly, "Oh, isn't it? That's a blessing for Mr. Yan."

Then he put down the teapot and went to clean the house after turning around.

Yan Siming's mouth twitched.

This Gong Tianhao is really ruthless.

Rumor has it that he is a cruel and cruel master, but that's true.

He took a backhand with ease, and immediately collapsed the good image he had worked hard to design.

He wanted to slap Gong Tianhao's indifferent face fiercely, not knowing what would happen.

However, he is still sensible.

Can't be fooled.

I really slapped my slap over, but everyone thinks that they have been told the truth, and become irritated.

Especially Xiao Mom and Dad, don't be misunderstood.

Then it will be difficult for him to get close to Xiao Lingyu in the future.

Just imagine, any parents want their daughter to marry a man who has slept with countless women, isn't that pushing her daughter into the fire pit?

Yan Siming took a deep breath, then smiled and explained, "Uncle, I don't have so many women. That's all nonsense by others."

Dad Xiao smiled and said, "Mr. Yan, you are a noble man. Isn't it normal that there are many women?"

Yan Siming, "..."

Crying without tears!

It's normal, but it's abnormal in front of you.

Unexpectedly, Yan Siming looked at Xiao Lingyu, but Xiao Lingyu sat on her recliner, slightly lowered her head, drinking water, but when she paid more attention, she could find that the corners of her mouth twitched slightly.

She is laughing!

Yan Siming was a little upset suddenly.

Now let him explain it can't explain it.

Besides, he and Xiao Lingyu are at best close friends.

They don't want to talk too much about the love affairs of this friend.

Gong Tianhao looked at Yan Siming's annoyed expression, and the corners of his lips rose slightly, obviously he was very satisfied with the effect.

At this moment, Dad Xiao noticed a suitcase beside him, and he asked suspiciously, "What is this suitcase?"

Gong Tianhao put down the cup and said, "Uncle, it's mine."

Dad Xiao understood immediately.

He asked, "Master Gong, did you come to our house as soon as you came to Taoyuan Village? Didn't you go back to see the old man first?"

Hearing Dad Xiao's question, it was Yan Siming's turn to gloat.

Let you stick a knife behind your back, let you watch a joke on the sidelines.

Now, it's my turn to watch your joke.

In the countryside, filial piety to the elders can be emphasized.

When you came, you just rushed to chase the woman without greeting your grandfather first. In the eyes of many people, it was a big disrespect to the elders.

From the corner of Gong Tianhao's eye, Yan Siming glanced at him, and then said softly, "Uncle, I was going to go back to greet the old man first, and then I will visit you."

However, I did not expect that your strawberries are so easy to sell, and the people coming and going all come to buy strawberries. So, I rushed over first and talked about this business. "

"puff!"

Yan Siming just took a sip, and it spewed out.

Damn, Gong Tianhao, the cheeky.

This kind of reason was just used to perfuse them, but it was also used in front of Dad Xiao.

He was really convinced.

When Dad Xiao heard Gong Tianhao say this, he frowned slightly, and said with some doubts, "Master Gong, hasn't this business man already negotiated with us? Why come to talk? Is there any omission? Nothing?"

As a sincere person like Dad Xiao, he really didn't think about it. This is just a fabricated reason and excuse.

He really believed that Gong Tianhao was here for that business.

After all, the old man of Strawberry Palace pitted his grandson and directly increased the price of strawberries from 100 yuan a catty to 250 yuan, and in the end it was traded at 200 yuan.

Even if it is only five thousand catties, the money is not small, one million yuan.

For Dad Xiao, a one million business is a big deal. If there are any omissions in the transaction, it would be excusable for the other party to rush in anxiously.

Dad Xiao didn't know the identity of the Young Master Gong in front of him at all.

The Young Master Gong's business is spread all over the world, and every single of his business is calculated at a hundred million. For him, business within 30 enemies is a real small business.

Most of his business is calculated in tens of billions.

Therefore, the difference between tens of billions and millions of words is very different.

Of course, Xiao's father is also restricted.

This is, Yan Siming said next to him, "Uncle, you may not know it. This Young Master Gong, he is the big boss of big business. His every single business is calculated on the basis of 100 million."

Therefore, you don't need to pay attention to this million-dollar business.

People came here for another purpose.

Of course, Yan Siming would not deliberately expose his true purpose.

In case, Xiao's father and Xiao's mother are more interested in each other and make them more willing to be son-in-law, he will not even have a place to cry by then.

Therefore, he just needs to say that they have other intentions.

If you continue to talk more, you will get bored.

Dad Xiao heard that Yan Siming said that the other party was a big boss in the unit of billions. The cup he was holding in his hand almost fell to the ground, his eyes widened and his expression was incredible.

Dad Xiao said in astonishment, "Business in units of billions?"

He came into contact with his biggest boss, it should be their own home.

In just a few months, two or three million were earned.

How big is a business in units of billions?

How old is this boss?

No wonder people paid hundreds of thousands of money to build roads in Taoyuan Village without blinking their eyes, and they all bought things from the villagers at high prices.

And the time the old man Gong bought the villagers' flowers and plants, he would buy them at a high price no matter whether they were worth the price.

Only now I know that the lover is not short of money.

Dad Xiao's eyes suddenly became a little complicated.

Master Gong and Master Gong are really nice people.

They are helping people in Taoyuan Village in disguise.

The favorability value for Gong Tianhao suddenly increased.

Of course, Dad Xiao was also a very restrained person, and neither Gong Tianhao nor Yan Siming noticed a change in his expression.

They just thought Dad Xiao might be taken aback by this fact.

Yan Siming smiled and looked at Gong Tianhao. He wanted to see how this cheeky man explained to his uncle.

He thought that no father would like a man with another intention to surround his daughter.

Gong Tianhao's sharp gaze shot again at Yan Siming, who was obviously gloating, and then said to Dad Xiao with a mature and calm expression.

"Uncle, business matters are no trivial matters. Big business is business, and small business is also business. Whether it is a business of hundreds of millions or a million, to me, it is a business, and I will take it seriously. "

Hearing Gong Tianhao's answer, Yan Siming almost jumped.

To say that he is cheeky is really cheeky, thicker than the city wall.

The same excuse is the same explanation.

His Yan Siming was really willing to bow down this time.

It's not okay not to be resigned to the wind, because the Xiao family is so simple.

They believe whatever they say.

If you change an old fritters, see if Gong Tianhao can be the same excuse and the same explanation.

After being held by Gong Tianhao and Xiao's father and mother came back, Xiao Lingyu worked as a quiet pregnant woman.

But hearing Gong Tianhao's continuous use of the same excuses and explanations to fool her and her parents, her mouth kept sucking animals.

If she knew that Yan Siming secretly called Gong Tianhao's cheeky face, she might have followed suit.

However, Xiao Lingyu still wanted to be a quiet pregnant woman.

Dad Xiao didn't have any doubts about Gong Tianhao's remarks, but was very satisfied with Gong Tianhao's serious attitude.

Dad Xiao smiled and said, "Well, it turned out to be like this."

Then he asked again, "Master Gong, is there something wrong with our business? It made you come in such a hurry."

Gong Tianhao shook his head and said, "Uncle, there is nothing wrong with it. The price is set by my grandfather, and I know I have no opinion. However, I also want to order more strawberries to reward my company's contributing employees. "

This is a good reason, Gong Tianhao himself expressed satisfaction.

"This..." Dad Xiao hesitated, then looked to Xiao Lingyu to the side and asked, "Yu'er, do you think about this?"

With regard to business matters, Xiao Lingyu is still in charge.

Xiao Lingyu smiled and said, "I'm sorry, Master Gong. The five thousand catties of strawberries allocated to you are already my limit. I have to use the remaining strawberries to open up more markets and sales."

Dad Xiao nodded and replied, "Yes. We did say the same to the old man at the time."

Xiao Lingyu said again, "Mr. Gong, if you really need it, you can only wait for the next batch of strawberries to come and cooperate."

Gong Tianhao nodded and said, "Well, that's all right."

His purpose was to meet Xiao Lingyu's mother and daughter, but he didn't really come to discuss business.

But with such an excuse, this business attitude is necessary.

Dad Xiao said with a satisfied smile, "Young Master Gong is really a cheerful person."

Seeing a harmonious conversation between two people, oh three people, Yan Siming's taste is really sour.

He is really unfavorable for passing years.

It was hard to think clearly about my heart, and confess to Xiao Lingyu.

However, he never expected that he would run into Gong Tianhao.

If you run into him, you'll run into him. You can still manage where people go.

However, this Gong Tianhao is his rival in love.

In terms of net worth, he is still far behind others.

When it comes to appearance and figure, Gong Tianhao doesn't lose to him at all.

On the contrary, the opponent's appearance is more advantageous.

Gong Tianhao is handsome and tough, looking more masculine, making women feel more secure.

But as for him, he thinks he is handsome in appearance, but he is more beautiful than ordinary women, attracting not only those women, but also those men.

All the men who had hit his idea were beaten half-bodied by him.

Just ask, run away from the family, who is willing to marry such a man.

Yan Siming was immersed in his thoughts by himself, but no one noticed his thoughts.

Dad Xiao asked, "Young Master Gong..."

Gong Tianhao said suddenly, "Uncle, we are all so familiar, call me Tianhao. Putting aside business matters, your family takes care of my grandfather like family members. You and auntie always call me Gong Master, if grandpa knows, I will definitely be trained."

The three "Master Gong" called out from them, they were so polite and rusty that he didn't like them at all.

If not unexpected, in the future they will be his parents-in-law, his child's grandma, how close the relationship is.

Yan Siming, "..."

It's an inch!

It is really thick-skinned.

Yan Siming didn't wait for Dad Xiao to answer Gong Tianhao, but also smiled and said, "Uncle, you also call me Siming. We are all so familiar, let alone you are Ling Yu's parents and my elders. I listened. You call me Mr. Yan, I feel weird in my heart."

Before Yan Siming finished speaking, Gong Tianhao's sharp gaze shot over.

Yan Siming raised his eyebrows immediately, which was quite provocative.

When Dad Xiao heard what the two said, he was not polite, and said, "Since you two young people value our husband and wife so much, then I am not polite."

Rural people are simple.

Gong Tianhao and Yan Siming replied in unison, "Uncle, you are welcome."

After the two heard the conversation, they first glanced at each other, and then both put their heads to one side at the same time, both of which were quite disgusting.

Dad Xiao, "..."

What happened to these two young people?

Xiao Lingyu, "..."

childish!

Chapter 240

After Gong Tianhao chatted with Dad Xiao for a while, he left directly.

When he came to Taoyuan Village, he did not report back to his grandfather for the first time, but went directly to Xiao's house. It is estimated that his grandfather has an idea in his heart.

He had to go back and explain early.

Otherwise, if the old man really had a misunderstanding with Xiao Lingyu, the problem would be serious.

Dad Xiao talked with Gong Tianhao very happily. When Gong Tianhao left, he said, "Tianhao, you must let your grandfather and Xiao Wang Xiaozhang come over for dinner."

Gong Tianhao nodded in response, "Okay!"

Grandpa likes to eat rice cooked by his aunt, and he will definitely come as soon as he calls.

...

After learning that Gong Tianhao had gone directly to Xiao's house, the old man Gong was sitting in the living room with a majestic and serious expression.

Upon seeing this appearance, Xiao Wang and Xiao Zhang looked at each other and knew that the elder might be dissatisfied with the young master who went directly to the Xiao family.

The eldest master is also true.

Obviously received a call from Assistant Li, saying that he was a surprise for the old man.

The result is not bad now, the surprise is not seen, for them, the shock is almost the same.

Xiao Wang checked his watch. It was past ten o'clock now.

The young master came to Taoyuan Village before eight o'clock, now it's past ten o'clock.

He has been in Xiao's house for more than two hours.

What is it that made the young master stay there patiently for more than two hours.

Xiao Wang moved, walked to the old man, and asked carefully, "Long, or let's go to Xiao's house too!"

The old man usually likes to go to Xiao's house most.

Even if he was angry and went directly to the Xiao family, he would not anger the people in the Xiao family, but would only be angry with the eldest master.

"Don't go!" Master Gong replied coldly.

Xiao Wang and Xiao Zhang looked at each other again.

have to!

It seems that the old man is really angry.

Xiao Wang and Xiao Zhang don't want to provoke their upper bodies, so they can only accompany them to one side and wait!

However, fortunately, they didn't wait long before Gong Tianhao returned with a suitcase in his hand.

When Xiao Wang and Xiao Zhang saw people appear, their eyes lit up.

"Master!" the two cried respectfully.

"Yeah!" Gong Tianhao replied lightly.

Xiao Wang reminded Gong Tianhao, "Young Master, grow him..."

Gong Tianhao nodded and said, "I know. You all go out first."

"Yes!"

Knowing that their grandparents had something to say, Xiao Wang and Xiao Zhang of course left very witty.

Before leaving, he took away Gong Tianhao's suitcase and coat.

After waiting for no one, Gong Tianhao called out, "Grandpa!"

Master Gong snorted and said sharply, "Hmph, you still remember that I was your grandfather! I thought you only remember Ling Yu's girl?"

After listening to Gong Tianhao, he smiled and said, "Oh, grandpa knew it!"

The old man Gong said sharply, "I am your grandfather, what have you done, do I not know?"

"Grandpa!" Gong Tianhao called again.

"Don't call me grandfather yet." Grandpa Gong waved his hand and said, "You tell me the truth, are you looking at Ling Yu's girl?"

Otherwise, what reason does his grandson have to run to Xiao's house as soon as he arrives in Taoyuan Village.

"Yes!" Gong Tianhao said without denying.

"Bastard!" The old man Gong suddenly yelled harshly, "Gong Tianhao, do you know what you are doing?"

"I know!" Gong Tianhao's cold expression was also extremely serious and serious.

"Since you know what you are doing, then why would you like Xiao Lingyu?" The old man Gong asked sharply, "Don't you know that if you do this, it will make the Gong family lose face?"

Xiao Lingyu is pregnant with a child now, and the father of this child does not yet know who owns it.

If you marry Gong Tianhao with your child in this way, wouldn't it be possible to let his Jia Haoer be a ready-made father?

This spread out, but it will become a joke in the capital.

Although he was reprimanding his grandson now, he was actually worried that he would treat Xiao Lingyu badly when the people in Beijing laughed at him.

Hearing this, Gong Tianhao disagreed.

He asked very seriously, "Grandpa, is the happiness of your grandson more important than the face of the palace?"

Old man Gong, "... " This stinky boy.

After a moment of silence, Grandpa Gong suddenly asked, "Hao'er, tell grandpa, are you serious about Ling Yu?"

"It's more real than a pearl!" Gong Tianhao was unwilling to deceive Old Man Gong, and said the truth, "Grandpa, I came to Taoyuan Village this time to pursue Xiao Lingyu. Grandpa may need help!"

After listening to Mr. Gong, it was a little weird.

He widened his eyes and said, "You said let Grandpa help? You are not confused, are you? What kind of person is Xiao Lingyu, you still need my help, are you too useless?"

Gong Tianhao, "... "

Grandpa, is this help or resistance?

Gong Tianhao took a deep breath, and then threw an atomic bomb to the old man.

"Grandpa, I'm afraid you really need your help!" Gong Tianhao said, "Because the child in Xiao Lingyu's belly is my son, biological son, and your great-grandson, and dear grandson!"

"What?" After listening, the old man stood up from his position in shock, his expression was very excited, he restrained his emotions and asked calmly, "Haoer, what you said is true? Ling Yudu The child in is your son and my great-grandson. You didn't lie to me, did you?"

This is not a dream.

He was still worried about his grandson's marriage a moment ago, and the next moment he told him that he not only had a grandson-in-law, but even a great-grandson.

Gong Tianhao said, "Grandpa, I didn't lie to you. What I said is true. The child in Xiao Lingyu's stomach is my biological son. I just came here quickly after receiving this news, just wanting Take a look at their mother and daughter."

At this moment, Master Gong could no longer restrain his excitement. He laughed happily, "Haha, okay, okay, that's great. I didn't expect that someone who got half of the loess in my body would be able to see it. Even if I don't say anything about my grandson and daughter-in-law, I can still see my great-grandson.

"Grandpa, you are a long-lived person. It's unlucky for you to die or not!"

When Gong Tianhao heard the words of the old man, he immediately reminded him of the idea of grandpa going to accompany grandma. This made him too flustered, and he continued.

"You have grandchildren and great grandchildren. Shouldn't you see your great grandchildren grow up healthy and healthy?"

When Grandpa Gong heard it, he immediately nodded and said, "Yes, yes, this is a great thing. I shouldn't say bad words. I also have to watch my grandson-in-law marry into the palace and my great-grandson grow up. So , I must live a long time."

"Yes, grandpa, it's great for you to think like this!" Gong Tianhao said very moved. "My grandson now hopes that you can live a long and healthy life and enjoy the family happiness!"

"Well, Hao'er, you are right." The old man Gong replied happily, "I have a grand-daughter-in-law and a great-grandson, so I should enjoy the fun of playing with my grandson. In the future, when I get to my grandma, I will treat her well. Confessed."

"Yeah!" Gong Tianhao was completely relieved this time. Don't worry anymore, grandpa suddenly wants to see grandma or something.

"Oh, by the way, Hao'er, what is going on here?" After being excited and happy for a while, Grandpa Gong finally thought of asking the truth about the matter.

For grandpa, Gong Tianhao didn't hide anything.

Speaking of his business trip to Z City six months ago, he slept with Xiao Lingyu by accident.

Speaking of misunderstandings, leaving, to seeing each other again, and then, to the end of the truth, Gong Tianhao said everything.

After listening to the old man, the old man raised his crutches and swept towards Gong Tianhao's back, cursing, "You stinky boy, you have eaten thoroughly, but you are suspicious of other people's intentions."

Gong Tianhao decisively admitted his mistake and said, "Grandpa, I was wrong!"

The facts are exactly as Grandpa said!

If he sent someone to investigate slightly at that time, he would definitely know that Xiao Lingyu was framed and designed to prescribe medicine, rather than a means to get the intention to approach him.

In this way, he could learn about Xiao Lingyu's pregnancy for the first time, instead of discovering that there was a misunderstanding after his good brother liked her.

The old man slapped his stick again and continued, "You are wrong. What's the use of your mistake? Do you know how many people ridiculed and pointed a girl with a child with an unknown father? Fortunately, Zhengyang's husband and wife are good, and they really love their children, otherwise, you would really do harm to others."

Even if Mr. Gong didn't say anything, Gong Tianhao could still imagine how many people ridiculed and pointed Xiao Lingyu behind his back.

If it weren't for Xiao Zhengyang and his wife to protect their daughter, Xiao Lingyu really didn't know what kind of harm he would suffer.

"I was wrong!" Gong Tianhao said again.

When Grandpa Gong was a little tired from the fight, Gong Tianhao was shocked immediately. He went to help Grandpa Gong to sit down on a chair, then brought the water on the table to him, and said, "Grandpa , You drink water, take a rest, wait until your grandson is wrong, and then you yell at it. The grandson will suffer."

The old man Gong drank some water, smoothly.

After hearing what the grandson said, he waved his hand and said with a smile, "You kid, I know what **** you are when you poke your butt. Now let me teach you a lesson, will you wait until Xiao Lingyu sells it?"

Gong Tianhao smiled and said, "Well, grandpa still understands me."

"Okay, don't be mean. Grandpa is also tired from the fight, and I don't want to fight anymore," the old man Gong asked immediately, "what are you going to do now? You have several problems that must be solved.

One is between you and Jiang Tao. It was Jiang Tao who liked Ling Yu girl first, but now he learns that you slept with someone and have children. I'm not afraid that people will chase you with a gun in the future.

The second question, you are now sure that Girl Ling Yu knows your identity, but she obviously resists and contradicts you, what should you do?

The third question may be the most difficult question for you. After Zhengyang and his wife know the truth, they might want to kill you. How can you solve it? "

Having said this, the old man sighed, but he said with a mentality of watching the excitement, "So, young man, you have to come on! Grandpa is optimistic about you, you can definitely overcome these beloved obstacles and successfully embrace the beauty. of."

Gong Tianhao, "..."

Grandpa, do you want to be so obvious when you watch the show?

Don't you know that if I can't chase my daughter-in-law, don't you have a grand-daughter-in-law or great-grandson?

Gong Tianhao couldn't help but reminded, "Grandpa, you can't just watch the excitement without helping me? You know, if you don't help me, then your granddaughter-in-law won't know when to enter our palace, great grandson. You can't hold it anymore."

The old man who was defeated by the generals, "..."

This stinky boy.

Grandpa Gong immediately waved his hand and said, "It's okay. Anyway, I am in Taoyuan Village every day. I want to see my grandson

and daughter-in-law. If I want to value my grandson, I should go to Xiao's house.

As for the grand-daughter-in-law entering the palace, that's fine, anyway, she will enter sooner or later. It's good for me to know it in my mind now.

Haha, but you are different. Who are you? You have little power in the capital, run a big company, and the whole country is rich. You are very busy all day long. How can you stay in one place and do some turbulent things, don't you? "

Gong Tianhao, "..."

He had said Yan Siming had nothing to say before, but now he himself has been stupefied by his grandfather and has nothing to say.

Gong Tianhao sighed secretly, chasing his wife's grandfather behind him, what should I do?

No one gave him an answer.

"Oh, yes," the old man said, suddenly standing up, "it's almost eleven o'clock, I'm going to Zhengyang's house to see my grandson and grandson. You, just think about it slowly."

As soon as he heard his grandfather go to Xiao's house, Gong Tian immediately reminded his grandfather with fear, "Grandpa, you can't miss your words and scare my wife away."

The old man Gong snorted coldly, "Huh, do you think I am you? There is no sense in doing things!"

Gong Tianhao, "..."
