Chapter 41: The Power of the Shen Family

Yao Qing didn't refuse. Although he had been a henchman of the Shen family, he had always looked down on the Shen family.

Therefore, Yao Qing told Qin Yu everything he knew.

"The Shen family's main source of income is from health care products, but rich people nowadays are more or less somewhat involved in the real estate industry," Yao Qing said.

"Health care products?" Qin Yu raised his eyebrows and couldn't help but sneer.

Wasn't this just right for him?

Any one of Qin Yu's pill formulas could bankrupt the Shen family!

"Mr. Qin, why don't you let the Yan family help you with this matter?" Yao Qing asked with some puzzlement.

"The Yan family can bankrupt the Shen family at the drop of a hat."

Qin Yu shook his head and said in a low voice, "You can't rely on other people for everything. Only if you have the ability can you win the respect of other people."

If he depended on Yan Ruoxue for everything, what right would Qin Yu have to go to the Yan family to propose marriage?

After living in the Su family for three years, Qin Yu knew very clearly that if they weren't equally matched, he wouldn't have any dignity.

“There is one more thing I want to ask you.” At this moment, Qin Yu continued.

“Who did you learn your ability from?” Qin Yu asked.

Yao Qing’s strength level was the strongest Qin Yu had ever seen.

Even Qin Yu, who was at the second level of the Qi Refining Stage, wasn’t his match.

Yao Qing was silent for a moment, then forced a smile and said, “I studied under the Southeast Sect, but unfortunately, I was too weak, so I was kicked out.”

“Too weak?” Qin Yu couldn’t help but be a little astonished.

Yao Qing was actually kicked out of the sect because he was considered weak, then how strong was the Southeast Sect?

Yao Qing continued to explain, “The Southeast Sect also trains Inner Strength, and my level is at most at the eighth stage of Inner Strength.”

“For the Southeast Sect, those below the master level of Inner Strength aren’t qualified.” Yao Qing’s expression was somewhat regretful.

This immediately aroused Qin Yu’s interest.

After the conversation, he learned that an Inner Strength master could only be considered a beginner in the Southeast Sect. There were also Inner Strength grandmasters and even martial grandmasters above them.

Those who were strong enough either dominated a region or went to a top-tier blue-blood family.

“In fact, Miss Yan should know more about this.” Yao Qing said.

This made Qin Yu feel a sense of crisis.

“It seems that I have to increase my strength as soon as possible,” Qin Yu thought to himself.

...

The next day, the Shen family released an important piece of news in Jiangcheng: every businessman who had dealings with Qin Yu were enemies of the Shen family!

Once this news was released, it caused a huge uproar.

In just one day, dozens of people went to visit the Shen family.

Most of these people were local businessmen in Jiangcheng. They all wanted to use this opportunity to curry favor with the Shen family.

Qin Yu didn't care much about it. He didn't know many businessmen to begin with, so the matter didn't have much to do with him.

In the evening, Qin Yu suddenly received a phone call.

This phone call actually came from Du Yuan.

“Mr. Qin, my father wants to invite you to dinner. I wonder if you are free tonight?” Du Yuan said very politely over the phone.

Qin Yu couldn't help but laugh. “Your father? I have no ties with your father. If you have something to say, just say it.”

Du Yuan said bitterly, “I really can't hide anything from you. My father wants to ask for your help. If it's convenient for you, let's meet and talk.”

Qin Yu thought for a moment and agreed, “Okay.”

Ten minutes later, Du Yuan personally drove to Dragon Paradise.

Du Yuan looked a bit haggard, and he was extremely listless.

When he saw Yao Qing, his expression changed.

“Mr. Qin, why is he here?” Du Yuan said with some vigilance.

Qin Yu smiled. He reached out and patted Yao Qing’s shoulder, saying, “He’s my man now.”

Du Yuan suddenly froze, as if he couldn’t understand.

“Let’s not talk about this.” Qin Yu waved his hand. “Let’s go.”

So, Qin Yu got into Du Yuan’s car.

Du Yuan drove a Mercedes-benz G63 that was quite posh and outshone almost all the cars in the neighborhood.

Just as the car was about to drive out of the neighborhood, a car suddenly came in.

Du Yuan frowned. Just as he was about to speak, he saw Zhao Gang roll down the window.

“Yo, isn’t this Mr. Du?” Zhao Gang said slyly.

Du Yuan frowned and said, “Zhao Gang? What’s the matter?”

Zhao Gang smirked mischievously and said, “Nothing much. I just heard that your family’s situation isn’t that optimistic. I heard that your business partners have terminated their contracts with you?”

Du Yuan’s expression was ice-cold and he didn’t say anything.

Zhao Gang said proudly, “Gee, President Shen is treating us to dinner tonight. I don’t think he invited you, right?”

“It’s none of your business. Move the car!” Du Yuan berated coldly.

Zhao Gang snorted and said, “Du Yuan, why are you acting so pretentious? President Shen has already given the word that he wants your family to go bankrupt! Do you still think your family is the richest one?”

Qin Yu, who was in the car, couldn’t help but frown.

He rolled down the car window, looked at Zhao Gang coldly and said, “Move the car. I don’t want to say it a second time.”

“Oh, Qin Yu is here too?” When he saw Qin Yu, the smile on Zhao Gang’s expression grew even wider.

Qin Yu didn’t say anything and directly pushed open the car door to get out.

Seeing this, Zhao Gang hurriedly climbed into the car and locked the car door.

“What? You want to hit me? Come, try hitting me,” Zhao Gang said slyly.

Qin Yu nodded. He reached out and grabbed the car door. Then, he suddenly exerted force, and the car door immediately let out a loud clatter!

In the next second, the locked car door was actually forcefully pulled down by Qin Yu!

Chapter 42: Qin Yu’s Mystical Arts

Zhao Gang stared blankly at the car door that had been pulled down and couldn't help but swallow hard.

Was he even human? He had actually pulled the car door down?

While he was still in shock, Qin Yu had already reached out and pulled him out.

"Qin... Qin Yu, take it easy. I was just joking with you..." Zhao Gang said with an embarrassed smile.

He had seen Qin Yu break Shen Tian's arm with his own eyes!

Seeing him like this, Qin Yu sneered and said, "I won't make things difficult for you. I'll give you a slap as a lesson."

After saying that, Qin Yu stretched out his hand and slapped his face.

Although Qin Yu went easy on him with the slap, it still made half of Zhao Gang's face swell up.

"Move the car away quickly," Qin Yu said with a cold expression.

Although Zhao Gang was angry deep down, he didn't have the guts to say anything. He could only suppress his anger and move the car to the side.

After Qin Yu left, Zhao Gang angrily scolded, "Who do you think you are? If Yan Ruoxue leaves Jiangcheng, you'll be a laughing stock to everyone!"

Then, Zhao Gang couldn't help but lament, "When will Yan Ruoxue leave..."

Although Yan Ruoxue had kept a low profile recently, she gave everyone immense pressure and kept them on edge.

Even the Shen family didn't have the guts to cross her.

...

The car drove all the way to the Du family's home.

As the richest family in Jiangcheng, the Du family was naturally wealthy, and the house they lived in was extremely luxurious.

However, as soon as Qin Yu entered the Du family's front door, he felt a chilly atmosphere.

"Huh?" Qin Yu couldn't help but frown.

The entire Du family seemed to be surrounded by an ominous aura.

"Mr. Qin, what's wrong?" Du Yuan asked.

Qin Yu shook his head and said, "Nothing."

After the car was parked, the two of them walked into the living room.

"Mr. Qin, please wait for a moment. I'll go call my dad," Du Yuan said politely.

He ordered a servant to pour a glass of water for Qin Yu and hurried upstairs.

A few minutes later, Du Yuan and his father, Du Hengsheng, came down.

An old man with a white beard followed them.

"Mr. Qin." Du Hengsheng walked up quickly and shook hands with Qin Yu.

Qin Yu looked at Du Hengsheng and couldn't help but frown.

Du Hengsheng's expression was pale, his lips were purplish, and his temples were dark. He looked very ill.

Most importantly, Qin Yu couldn't feel any sense of vitality from him.

"Are you not feeling well, Mr. Du?" Qin Yu asked casually.

Du Hengsheng sighed and forced a smile. "Yes, I've been experiencing all sorts of troubles lately."

"Dad, Mr. Qin is also a doctor. You can ask him to examine you," Du Yuan said quickly.

Du Hengsheng waved his hand and said, "I'm not sick..."

At this point, Du Hengsheng said apologetically, "Mr. Qin, if you're not busy, can you wait for a moment?"

Qin Yu nodded and said, "It's okay. You may go ahead."

"Thank you." Du Hengsheng nodded quickly.

Then, he looked at the old man in white beside him and said, "Lu Sr., thank you for your trouble."

The old man who was called Lu Sr. smiled and said, "Don't worry, I have found the problem."

Du Hengsheng was immediately delighted and quickly said, "Please explain, Lu Sr.!"

Lu Sr. said calmly, "You have been in poor health recently. You consulted many doctors without avail. This is caused by Feng Shui."

"Mr. Du, go to the west wall of the bedroom now and see if there are any sharp objects," Lu Sr. continued to say.

Du Hengsheng didn't delay and hurriedly walked in the direction that Lu Sr. had told him to.

A few minutes later, Du Hengsheng came back with a broken vase.

"There really are! This vase has been in the cabinet the whole time. I don't know how it broke," Du Hengsheng said with some shock.

Lu Sr. laughed and said, "This is the crux of the problem. Having a broken object in the house is a big taboo."

Du Hengsheng reached out and held Lu Sr.'s hand. He said excitedly, "Thank you, Lu Sr.. You are indeed a Feng Shui Master!"

Lu Sr. took out some coins and handed them to Du Hengsheng. He smiled and said, "Hang this in the position just now. Remember, take it down and bury it three days later. I guarantee that your health will be restored."

"You have enlightened me, Lu Sr.. Thank you, Lu Sr.!" Du Hengsheng looked excited.

"I don't think this is the crux of the problem," at this moment, Qin Yu suddenly said.

As soon as he said this, things immediately became a bit awkward.

Lu Sr.'s expression darkened. He was extremely dissatisfied with Qin Yu's interruption.

"Mr. Qin, Lu Sr. is a famous Feng Shui master in Jiangcheng. His words are trustworthy," Du Hengsheng hurriedly tried to smooth things over.

Qin Yu stood up and said, "Lu Sr., I don't mean to disrespect you. It's just that... This vase is definitely not the key to the problem."

Lu Sr. said unhappily, “Who are you?”

“Lu Sr., this is Qin Yu, Miss Yan’s man,” Du Hengsheng said quickly.

However, Lu Sr. didn’t show him any respect at all. He said coldly, “No matter who he is, he can’t just spout nonsense!”

Qin Yu shook his head helplessly and said, “Lu Sr., I’m definitely not spouting nonsense. Everything I said is true.”

Du Hengsheng was a little unhappy about this.

However, he had a favor to ask from Qin Yu, so he didn’t have the guts to lose his temper.

“Mr. Qin, you don’t know Feng Shui. Lu Sr. is the master in this aspect,” Du Hengsheng tried his best to remain polite.

Lu Sr. waved his hand. He glanced coldly at Qin Yu and said, “You said that this vase isn’t the key to the problem. Then I’d like to hear your brilliant theory!”

Qin Yu didn’t stand on ceremony. He pointed to the courtyard outside and said, “The real problem is in the courtyard.”

After saying that, Qin Yu stood up straight and strode into the courtyard.

Lu Sr. snorted and immediately followed him out.

“What’s wrong with Qin Yu?” Du Hengsheng couldn’t help but frown.

Du Yuan forced a smile and said, “Dad, maybe Mr. Qin really knows...”

“Understand my *ss! How can there be someone who is an expert in all aspects in this world?!” Du Hengsheng snorted coldly.

Even so, he still followed him out.

Qin Yu didn't stop until he reached the center of the courtyard.

He raised his head to look at the sky, then stepped on the ground with his foot. Then he said, "The problem lies here."

Hearing this, Lu Sr. couldn't help but laugh. "Young man, do you know Feng Shui or not? What problem can there be here?"

"I don't know anything about Feng Shui," Qin Yu said with a smile.

"But I do know mystical arts."

After that, Qin Yu looked at Du Hengsheng and said, "Mr. Du, find someone to dig from here."

Du Hengsheng said awkwardly, "Mr. Qin, I don't think there's a need for that, right?"

"Dig. Trust me," Qin Yu said with a smile.

Du Hengsheng had no choice but to wave his hand and call a few people over.

"Then... how many feet should we dig?" Du Hengsheng asked tentatively.

Qin Yu shook his head and said, "I don't know either. Dig until you find something.."

Chapter 43: Southwest Fury Soul Technique

Qin Yu's words made Lu Sr. laugh.

He didn't even know how many feet to dig, yet he still dared to boast?

Du Hengsheng's expression was also somewhat unhappy. He had seen many sons of important figures who used their connections to do whatever they wanted and shot their mouths off.

Most importantly, the people around him had to play along.

In Du Hengsheng's eyes, Qin Yu was this kind of person.

He had never been interested in rich playboys.

But now that he had a favor to ask Qin Yu, Du Hengsheng could only wave his hand and say, "Do as Mr. Qin says."

The few of them took shovels and began to dig down.

One foot, two feet, three feet...

Soon, a big hole appeared in front of everyone.

However, other than the soil, there was nothing unusual in the hole.

Qin Yu stared at the hole, and the ominous feeling became more and more intense.

"Mr. Du, do you still want to continue digging?" A few workers wiped their sweat and said tiredly.

Du Hengsheng didn't answer. Instead, he looked at Qin Yu and said, "Mr. Qin, do they still need to continue digging?"

"I don't think there's a need for that," Lu Sr. snorted.

"Some people are taking advantage of their connections to do whatever they want. I don't have the time to play along," Lu Sr. said with a hint of arrogance.

Qin Yu pointed at the hole and said, “Continue digging until you find something!”

“Mr. Qin, we’ve already dug four feet, and we haven’t seen anything. Are we going to dig through the earth?” Du Hengsheng said unhappily.

“Continue digging,” Qin Yu said calmly.

At this time, Lu Sr. took a step forward and berated him coldly, “What if we can’t dig anything out?”

Qin Yu glanced at him and said, “If we can’t dig anything out, I’ll eat this pile of soil.”

“Okay!” Lu Sr. waved his hand and said, “If we can dig something out, I am willing to acknowledge you as my master!”

“It’s a deal,” Qin Yu said with a smile.

They continued to dig down the ground, and in the blink of an eye, they dug another foot.

This time, even the workers were a little impatient.

“Mr. Du, how much longer do we have to dig?” A worker asked curiously.

“We can’t keep digging like this...”

Du Hengsheng waved his hand and said, “Dig, dig, sigh.”

The workers had no choice but to continue digging.

“Kid, my time is very precious. I don’t have time to play along with you.” At this time, Lu Ning snorted.

“On account of your young age, you don’t have to eat that pile of soil. But you have to remember that there is always someone better than you. Don’t think too highly of yourself!” Lu Ning waved his sleeve and turned to leave.

Qin Yu didn’t say anything. He just stared at the bottom of the cave.

At this moment, the workers’ shovel suddenly made a crisp sound, as if it had touched something hard.

“Mr. Du, we dug something!” One of the workers shouted.

Hearing this, everyone quickly surrounded him.

A few workers quickly took out an iron box from the cave.

“Hurry up and bring it up!” Du Hengsheng said hurriedly.

The workers didn’t dare to waste time and quickly brought the box up.

Lu Ning, who was about to leave, also stopped and turned back.

“This is it.” Qin Yu stared at the box and frowned.

“Open it,” Qin Yu pointed at the box and said.

They quickly opened the box according to Qin Yu’s instructions.

The moment the box was opened, a bloody smell assailed their nostrils.

Inside the box was a black knife with traces of blood on it.

“What... What’s going on?!” Du Hengsheng’s face was pale and full of fear.

“Get out of the way!” Lu Ning took a step forward. He reached out his hand and touched a trace of blood, sniffed it, and then his expression changed!

“This... This is a mixture of black dog’s blood and corpse oil!” A serious look appeared on Lu Ning’s face.

“Black dog’s blood, corpse oil, machete... Southwest Fury Soul Technique?”

“What a vicious technique. This... would have taken Mr. Du’s Life!” Lu Ning muttered in a low voice.

When he heard this, Du Hengsheng’s expression became even more unsightly!

“Lu Sr., who... who did this? !” Du Hengsheng asked in a trembling voice.

Lu Ning shook his head and said, “I don’t know either.”

“Then what should I do now?” Du Hengsheng, his tone filled with fear, grabbed Lu Ning’s wrist.

Lu Ning couldn’t help but laugh bitterly and said, “Mr. Du, perhaps you should ask Mr. Qin about this....”

Chapter 44: Lack of Foresight

Du Hengsheng suddenly thought of Qin Yu.

He hurried to Qin Yu’s side, cupped his hands, and said, “Mr. Qin, you must help me...”

Qin Yu looked at Lu Ning and smiled. “Perhaps Lu Sr. is more professional in this kind of thing.”

Lu Ning couldn't help but force a smile and said, "Mr. Qin, please forgive me for my ignorance."

"Lu Sr., you're too polite. I just got lucky. In terms of professional knowledge, I can't compare to Lu Sr.," Qin Yu said politely.

This made Lu Sr. sigh.

To be so humble at such a young age was really admirable.

"This boy's future is definitely full of potential," Lu Ning thought to himself.

Then, Lu Ning walked to Qin Yu's side, bowed and said, "I've said that if I can really dig up something, I, Lu Ning, am willing to take you as my master."

Hearing this, Qin Yu immediately said with some fear, "Lu Sr., I can't afford that. Everyone learns from each other. There is no difference in rank."

This immediately made Lu Ning feel grateful.

He was almost 70 years old. It was indeed inappropriate for him to call Qin Yu a teacher.

Therefore, Lu Ning bowed and said, "Mr. Qin, if there is anything you need help with, just let me know!"

"Okay." Qin Yu nodded and agreed.

Lu Ning spent half an hour dispelling the sorcery.

He didn't stay any longer and left the Du family in a hurry.

Qin Yu, Du Hengsheng, and Du Yuan returned to the living room. Du Hengsheng said with gratitude, “Mr. Qin, you saved my life. I, Du Hengsheng, will definitely remember this favor!”

After saying that, Du Hengsheng took out a bank card and handed it to Qin Yu.

“There is one million in here. Although it isn’t a lot, it is a token of my appreciation. Please accept it, Mr. Qin,” Du Hengsheng said with a smile.

Qin Yu didn’t stand on ceremony and immediately put the bank card into his pocket.

“Mr. Du, why did you ask me to come here this time?” Qin Yu took the initiative to ask.

Du Hengsheng forced a smile and said, “To tell you the truth, I really have something to ask you for help.”

“Under the suppression of the Shen family, many of our company’s partners have announced the unilateral termination of their contracts. Many of the projects of the Du family have been terminated,” Du Hengsheng sighed.

“It has only been one day, but the Du family is already in a pinch and the Shen family has no intention of leaving. I’m afraid the Du family will be in even more trouble.”

Qin Yu couldn’t help but lament the Shen family’s strength. Even the richest man in Jiangcheng was unable to retaliate, so let alone the others?

Qin Yu was silent for a moment and said, “Although I sympathize with you, I don’t think I can be of much help in this matter.”

Du Yuan, who was at the side, smiled and said, “Mr. Qin, as long as you give us a share of the project in your hands, our family will be able to revive.”

Qin Yu was stunned. He said awkwardly, “Project? When did I have a project...”

Du Yuan said in surprise, “Mr. Qin, don’t you know? Miss Yan said that all the investment of the Yan family in Jiangcheng will be up to you.”

“Yes, as long as you agree, our family will be able to get the Yan family’s project,” Du Hengsheng also nodded and said.

“Although the Shen family is strong, they definitely won’t dare to get their hands on the Yan family’s project.”

After saying that, Du Hengsheng stood up and bowed to Qin Yu. He said with a slightly pleading tone, “Mr. Qin, you are the only one who can help us now. Otherwise, our family will definitely go bankrupt...”

Qin Yu was a little surprised. He had never thought that Yan Ruoxue would hand over the authority of the Yan family’s investment to him.

Moreover, it was obvious that not many people knew about this news. Otherwise, there would be tons of people knocking on Qin Yu’s door.

Qin Yu didn’t say anything for a moment. Instead, he sat there and pondered for a moment.

“I have a better business,” Qin Yu said at this moment.

Du Hengsheng was stunned. He said with some surprise, “A better business?”

Qin Yu nodded and said, “That’s right. The Shen family made their fortune with health products. I have a better product in my hands.”

At the moment, the Soul Nourishment Pill needed a strong company to act as an agent. Lei Hu definitely didn’t have those capabilities.

As the richest family in Jiangcheng, the Du family was the best candidate.

Qin Yu took out a Soul Nourishment Pill from his pocket and put it on the table.

“I can give this medicine to your family as an agent. I can also tell you that this medicine will definitely become popular. Using it to deal with the Shen family, or even surpassing the Shen family, won’t be a problem!” Qin Yu’s tone was filled with confidence.

As long as the price was kept down and sold on a large scale, the Shen family wouldn’t be a match against it at all.

However, Du Hengsheng didn’t think so. In his opinion, this medicine wasn’t reliable at all.

Therefore, Du Hengsheng said tactfully, “Mr. Qin, if it’s possible, you... you’d better give us a project... we really don’t have it in us to enjoy this medicine...”

Although Du Hengsheng didn’t say it explicitly, his meaning was very obvious.

Du Hengsheng didn’t care about the Soul Nourishment Pill at all.

Qin Yu sighed slightly. He put away the Soul Nourishment Pill and said, “If that’s the case, then fine. Come to me with the contract tomorrow.”

“Good, good. Thank you, Mr. Qin!” Du Hengsheng’s face was instantly filled with excitement.

He suddenly didn’t realize that he had inadvertently missed an excellent business opportunity.

This also made Qin Yu feel regretful for Du Hengsheng.

“In that case, I’ll leave the Soul Nourishment Pill to Lei Hu for the time being,” Qin Yu thought to himself..

Chapter 45: Soul Nourishment Pill

After leaving the Du family, Qin Yu asked Lei Hu to prepare a large number of herbs.

After that, he prepared to refine the Soul Nourishment Pill.

To Qin Yu, the Soul Nourishment Pill barely had any cost, and the price could easily be lowered.

For three days, Qin Yu barely rested. He spent all his time refining the Soul Nourishment Pill.

During these three days, Yao Qing was in charge of guarding Qin Yu to prevent anyone from disturbing him.

Three days later, Qin Yu successfully refined more than three hundred Soul Nourishment Pills.

Looking at the pills placed in front of him, Qin Yu wiped the sweat from his forehead.

Currently, to Qin Yu, these three hundred plus Soul Nourishment Pills were extremely taxing and he looked much more haggard.

“I believe these three hundred Soul Nourishment Pills are enough to give the Shen family a blow,” Qin Yu thought to himself.

“Mr. Qin, what kind of pill is this?” Yao Qing couldn’t help but ask.

Qin Yu casually took one and threw it to Yao Qing. He smiled and said, “Try it.”

Yao Qing didn’t even look at it and directly stuffed it into his mouth.

A moment later, Yao Qing felt refreshed all over, and all his fatigue was swept away!

“This... What kind of pill is this?” Yao Qing’s face was full of shock, and his mouth was agape.

Qin Yu smiled and said, “This is called the Soul Nourishment Pill. In short, it is beneficial to the body.”

This made Yao Qing admire Qin Yu even more.

“Not only has Mr. Qin mastered the extraordinary breathing exercise, but you also have such outstanding alchemy skills...” Yao Qing said with a face full of admiration.

Qin Yu smiled and said, “If there is an opportunity in the future, I will teach you this breathing exercise method.”

“Thank you, Mr. Qin!” Hearing this, Yao Qing was overjoyed!

“Oh, right.” Yao Qing suddenly thought of something.

“Miss Yan came yesterday. I wonder what the matter is,” Yao Qing said.

At the mention of Yan Ruoxue, Qin Yu felt his tiredness disappear instantly, and a smile appeared on his face.

“Rumor has it that when you think of someone you like, you will subconsciously smile. So it’s true,” Yao Qing joked at the side.

“Screw you.” Qin Yu rolled his eyes at Yao Qing.

Then, he took out his phone and called Lei Hu.

About half an hour later, Lei Hu hurriedly drove to Dragon Paradise.

Qin Yu handed the Soul Nourishment Pill to Lei Hu and then said, “The price of these three hundred pills should be cheap, about three hundred yuan per pill.”

Lei Hu was stunned. He said somewhat awkwardly, “Three hundred Yuan for one pill? Isn’t... isn’t this too cheap? Previously, it was one million yuan for one pill...”

“Do what I ask you to do,” Qin Yu said coldly.

Then, he handed these three hundred pills to Lei Hu.

Lei Hu held the pill, and he got an idea.

He thought to himself, “As long as I do a good job of keeping it a secret, when the time comes, I will sell it at a higher price and he definitely won’t know.”

Thinking of this, Lei Hu held the pill and was about to leave.

“Wait.”

At this moment, Qin Yu suddenly called out to Lei Hu.

In the next second, Qin Yu took a step forward and reached out to grab Lei Hu’s neck, lifting him into the air!

Lei Hu struggled with all his might, but he found that he couldn't break free at all!

Qin Yu's palm was like an iron pincer and he was unable to move!

Soon, Lei Hu felt that it was difficult to breathe, and his face instantly flushed!

"You'd better not think of any shady ideas. You'll only make money if I let you," Qin Yu said coldly.

"I... I know..." Lei Hu said these few words with difficulty.

Qin Yu let go of Lei Hu, and Lei Hu sat down on the ground.

He wiped the sweat from his forehead and felt a chill on his back!

Lei Hu was certain that Qin Yu might have really killed him just now!

"I... I'm sorry, Mr. Qin..." Lei Hu wiped the sweat from his forehead and said with some lingering fear.

Qin Yu glanced at him and said indifferently, "Don't worry, as long as you are obedient, I will never let you suffer a loss."

Lei Hu hurriedly nodded and said, "Thank you, Mr. Qin. Thank you, Mr. Qin..."

"You can go now." Qin Yu waved his hand.

Lei Hu didn't stay any longer and quickly left the place.

Qin Yu knew very well that he had to use both kindness and power to make a sly fox like Lei Hu obedient. Otherwise, he could backstab him at any time.

“Next, I should prepare to go to the auction. I just don’t know if ten million is enough.” Qin Yu thought to himself.

Since ancient times, cultivation had always been extremely costly.

At this moment, Qin Yu deeply understood this sentence.

There was still half a month left before the auction, so Qin Yu wasn’t in a hurry.

After Lei Hu left, Qin Yu fell asleep.

He slept for three whole days.

In these three days, the Soul Nourishment Pill had already circulated more than half of Jiangcheng!

Without any publicity, the Soul Nourishment Pill had practically spread through the entire city!

In an instant, Lei Hu became a popular person! He used this opportunity to quickly establish a health product company.

And the Shen family also quickly received this news.

“Mr. Shen, this is the Soul Nourishment Pill.” In Shen Yun’s office, Zhao Gang handed the Soul Nourishment Pill to Shen Yun with a fawning expression.

Shen Yun caressed the pill and couldn’t help but snort, “Is this pill really that miraculous?”

“It’s true!” Zhao Gang said hurriedly.

“I heard that many high-level figures in the city are fighting for this kind of pill.”

Shen Yun frowned. He stroked his chin and said in a low voice, "If I can obtain the formula for the Soul Nourishment Pill, the Shen family will definitely be able to rise to a higher level. By then, it won't be a problem for us to expand out of Chuzhou!"

Thinking of this, Shen Yun looked at Zhao Gang and said, "Where did this Soul Nourishment Pill come from?"

Zhao Gang quickly said, "Rumor has it that it came from Lei Hu!"

"Lei Hu? You mean that lowlife?" Shen Yun couldn't help but show a hint of contempt on his face.

"Yes, it's him!" Zhao Gang hurriedly nodded and said.

Shen Yun couldn't help but sneer as he said, "Does someone like him deserve the Soul Nourishment Pill?"

Chapter 46: The Regretful Du Hengsheng

Hearing Shen Yun's words, Zhao Gang hurriedly nodded.

Zhao Gang, wanting to cooperate with Lei Hu and obtain the rights to represent the Soul Nourishment Pill, had gone to look for Lei Hu before this.

But he didn't expect that not only did Lei Hu not agree, but he even got someone to throw him out.

So, in a fit of anger, Zhao Gang, wanting Shen Yun to punish Lei Hu, told Shen Yun this matter.

"Yes, why does Lei Hu deserve to have the Soul Nourishment Pill?!"
Zhao Gang nodded repeatedly.

Shen Yun snorted lightly and said, “Looks like I have to find time to talk to Lei Hu.”

When Zhao Gang heard this, he got an idea, and then he said slyly, “President Shen, Lei Hu values the Soul Nourishment Pill more than his own life. I feel that it would be difficult for him to hand it over to you.”

Shen Yun glanced at him and sneered as he said, “He only has two options. Either hand over the Soul Nourishment Pill or die. Which one do you think he will choose?”

Zhao Gang was immediately overjoyed. An expression of having succeeded in his evil scheme appeared on his face.

“President Shen, on account of me telling you the news, can you give me a proxy when the time comes?” Zhao Gang rubbed his hands and said with an embarrassed smile.

“As long as you are obedient, that won’t be a problem,” Shen Yun said nonchalantly.

Although the Shen family was prominent, their foundation was still in the provincial capital.

Now that they had come to Jiangcheng, they indeed needed a few henchmen.

Zhao Gang was the right candidate.

“Thank you, President Shen!” Zhao Gang was overjoyed and thanked him repeatedly.

After Zhao Gang left, Shen Yun made a phone call and was ready to find Lei Hu.

On the other hand, Qin Yu was sitting in the courtyard of the villa while basking in the sun.

He was waiting for the Soul Nourishment Pill to take the entire Jiangcheng by storm.

“Things will change in Jiangcheng very soon.” Qin Yu’s lips curled into a smile.

...

With the help of Qin Yu, Du Hengsheng obtained the Yan family’s project.

These few days, Du Hengsheng spent almost all his time eating with his superiors.

Today was no exception.

At the dinner party, everyone was drunk.

At this moment, the mayor of Jiangcheng suddenly said, “I don’t know if you’ve heard, but recently, a medicine called the Soul Nourishment Pill has been released in Jiangcheng. Everyone is scrambling to buy it.”

Du Hengsheng smiled and said, “Mayor Li, I’ve also heard a little about it. By the way, what exactly is this Soul Nourishment Pill?”

Mayor Li immediately said, “This Soul Nourishment Pill is really miraculous. One pill can strengthen one’s health. If taken for a long period of time, it can prolong one’s life!”

“That’s right. Now, almost everyone affluent in Jiangcheng has one pill,” the others echoed.

“Sigh, it’s a pity that this kind of medicine is too rare. It’s gone now.”

“Lei Hu used this Soul Nourishment Pill to transform himself. He went from a lowlife to a high-class businessman. God knows how many companies are begging him for the rights to act as an agent.”

Du Hengsheng was also interested.

Even the mayor of Jiangcheng was bragging about this Soul Nourishment Pill. It seemed that it wasn't groundless. Who knew how much wealth it would create in the future ?

If he could get a share of the profits, he might be able to make a windfall.

Thinking of this, Du Hengsheng asked tentatively, “Who has a Soul Nourishment Pill ? I'm willing to pay a high price to buy one!”

Hearing this, everyone couldn't help but roll their eyes. “Mr. Du, do you think you can buy it just because you have money ? There's no telling how many people can't buy it even for a million!”

“Exactly, if there really is one, who will give it to you ?”

Hearing this, Du Hengsheng was even more surprised.

The Soul Nourishment Pill was actually that popular ?

At this moment, Mayor Li suddenly said mysteriously, “To tell you the truth, I still have one, but I have to keep it for my own use.”

“Mayor Li, I'll give you two million to sell it to me!” Someone next to him joked.

Mayor Li rolled his eyes. “Even if you offer five million, I won't sell it!”

At this point, he changed the topic and smiled. “But... I can let you smell it.”

After saying that, Mayor Li took out the Soul Nourishment Pill and said with a slightly ostentatious tone, “I’ll let you see it, but I’m telling you, you can only smell it! If anyone dares to eat it, I won’t let him off the hook!”

“Mayor Li, don’t worry,” everyone said one after another.

Du Hengsheng also hurriedly stood up and looked at the Soul Nourishment Pill.

But when he saw the appearance of the Soul Nourishment Pill clearly, his expression suddenly changed!

“Mayor Li, please let me take a look!” Du Hengsheng said somewhat anxiously.

Before Mayor Li could agree, Du Hengsheng snatched the Soul Nourishment Pill.

When he saw the pill in his hand, Du Hengsheng’s expression became more and more unsightly.

Wasn’t this the same pill that Qin Yu had taken out a few days ago? At that time, Qin Yu had even said that he would be the agent, but unfortunately, he had rejected it!

Chapter 47: The Overbearing Shen Yun

Du Hengsheng looked at the pill repeatedly. In the end, he ascertained that this was the pill Qin Yu had given him!

“Mr. Du, are you done looking at it? It’s time to return it to me.” Mayor Li took the Soul Nourishment Pill back.

Then, Mayor Li said jokingly, “Mr. Du, you have to be careful. Lei Hu might become the richest man in Jiangcheng and replace you.”

The others also joked, “Mr. Du, your position is in danger!”

Everyone laughed. Du Hengsheng looked embarrassed and couldn't laugh.

...

At downtown Jiangcheng, there was a set of shops. This was Lei Hu's office.

Recently, Lei Hu's office had been crowded with people. Many rich people wanted to get the Soul Nourishment Pill's power of agency and even wanted to monopolize it.

This was also the first time Lei Hu enjoyed the feeling of being kissed up to.

“Lei Hu, Mr. Sun wants to see you.”

“Lei Hu, Mr. Zhang has been waiting at the door for an hour.”

“Lei Hu...”

Lei Hu impatiently waved his hand and said, “I won't see him. I'm not free!”

Before this, these so-called bosses looked down on Lei Hu, but now, they were begging at the door.

“It's all thanks to this Soul Nourishment Pill,” Lei Hu said proudly.

At this moment, the office door was suddenly opened.

“Didn't I say that I won't see anyone?!” Lei Hu scolded impatiently.

“Lei Hu, you’re so imposing.” At this moment, a voice entered Lei Hu’s ears.

Lei Hu turned around and saw Shen Yun standing at the door, and Zhao Gang following behind him.

“President Shen? Why are you here?” Lei Hu’s expression changed, and he hurriedly stood up to greet him.

Shen Yun snorted lightly. He didn’t say anything and sat down on the sofa.

“Why aren’t you pouring water for President Shen?” Zhao Gang said as he glared at him.

Lei Hu looked at Zhao Gang with some displeasure, but he still obediently poured a glass of water for Shen Yun.

“President Shen, why are you looking for me?” Lei Hu sat opposite Shen Yun and said sheepishly.

Shen Yun drank a mouthful of water and said nonchalantly, “I heard that you have a medicine called the Soul Nourishment Pill, right?”

Lei Hu’s expression changed, and he had a bad feeling.

“President Shen, the Soul Nourishment Pill is indeed in my hands...” Lei Hu braced himself and said.

Shen Yun coldly snorted and said, “Give me the formula for the Soul Nourishment Pill, and I can give you a sum of money.”

After saying that, Shen Yun took out a bank card and placed it on the table.

“There is one million in the card. It is enough to buy your formula.”
Before Shen Yun said anything, Zhao Gang was already showing off his wealth.

Lei Hu’s expression changed, and he couldn’t help but curse, “Only one million? Do you think I am a beggar or something?”

“Are you any different from beggars?” Shen Yun sneered.

Hearing this, Lei Hu couldn’t help but lose his temper.

He glared at Shen Yun and said, “Shen Yun, don’t go too far!”

“Go too far?” Shen Yun’s expression turned cold, and he said icily, “How dare you talk to me like that?”

After saying that, Shen Yun waved his hand, and a few bodyguards immediately rushed in from outside. With a few punches and kicks, they pressed Lei Hu to the ground!

Shen Yun looked down at Lei Hu and said, “Lei Hu, either hand over the prescription, or I’ll cripple you. It’s your choice.”

Lei Hu’s expression was extremely ugly, and he didn’t speak for a moment.

“You won’t speak?” Shen Yun nodded. “Break his legs for me!”

“Yes!” A few bodyguards shouted loudly and were going to break Lei Hu’s legs.

“Wait!” Lei Hu saw the situation and hurriedly shouted.

He raised his head to look at Shen Yun and said with a sheepish smile, “President Shen, it’s not that I don’t want to give it to you. The main thing

is... I don't have a prescription either. This Soul Nourishment Pill was sold to me by someone else..."

"Someone else?" Shen Yun frowned and asked, "Who?"

Lei Hu got an idea and said, "It's... it's a doctor! How about this, I'll make an appointment for him to meet you in three days? Do you think it's okay?"

Shen Yun sized up Lei Hu and pondered for a moment. Then, he snorted coldly and said, "It's okay, but I'm warning you. If you dare to play me, I won't let you off the hook!"

"I wouldn't dare. I wouldn't dare..." Lei Hu said with a sheepish smile.

Shen Yun waved his hand and left Lei Hu's office with his people.

After he left, Lei Hu couldn't help but spit on the ground.

"What the h*ll! Just you wait for me!" Lei Hu cursed.

Then, Lei Hu drove out of the office and went straight to Dragon Paradise.

At this time, Qin Yu was in the huge manor and doing breathing exercises with his eyes closed.

"Mr. Qin!" Lei Hu, looking very anxious, ran to Qin Yu with sweat all over his head.

Qin Yu slowly opened his eyes and looked at Lei Hu.

"What's the matter? Why are you in such a hurry?" Qin Yu said nonchalantly.

Lei Hu wiped his sweat and hurriedly said, "Shen Yun came to find me. He gave me a million yuan and asked me to hand over the pill formula."

Qin Yu's expression was calm. He wasn't surprised.

He had long guessed that the Shen family would be interested in this pill formula.

"What did you say?" Qin Yu asked nonchalantly.

"I lied to him that the pill formula was given to me by an old Chinese doctor. I also promised him that he would meet him in three days," Lei Hu said carefully.

"Mr. Qin, Please don't blame me. Shen Yun wanted to cripple my legs, so I had no choice but to say this!" Lei Hu hurriedly added.

Qin Yu didn't say anything.

He put his hands behind his back and looked into the distance. He said nonchalantly, "You did well. Lei Hu, go and make arrangements. In three days, all those who want to get the pill formula will come to the No. 1 Grand Mansion."

"At that time, I will choose a robust company to cooperate with.."

Chapter 48: Yan Ruoxue's Transformation

Upon hearing Qin Yu's words, Lei Hu was clearly a little disappointed.

He wanted to rely on this Soul Nourishment Pill to transform himself. If he were to give it to another partner, then his advantage would no longer exist.

Although he thought so deep down, Lei Hu didn't say anything and only nodded his head in agreement.

Qin Yu saw through Lei Hu's thoughts and smiled while saying, "Don't worry, the overall authority of the Soul Nourishment Pill will always be in your hands."

When Lei Hu heard this, he was immediately overjoyed and hurriedly nodded while saying, "Thank you, Mr. Qin!"

Lei Hu quickly spread the news.

For a while, everyone in Jiangcheng was discussing this matter.

...

At the Yan family manor, the usually aloof Yan Ruoxue actually wore an apron today and hummed a song as she happily busied herself in the kitchen.

"Miss, you should rest quickly..." There were countless people surrounding her. They, afraid that Yan Ruoxue would accidentally hurt herself, had anxious expressions on their faces.

The secretary smiled bitterly and said, "Miss, how can you do such a menial task? Just let us servants do it..."

Yan Ruoxue didn't care at all. This was the first time she realized that cooking was so fun!

Because Qin Yu was coming to eat tonight, Yan Ruoxue personally cooked.

At night, Yan Ruoxue meticulously decorated the room with dim lights, a table full of delicious food, and a bottle of 1982 red wine.

All the servants were chased out by Yan Ruoxue. In the huge room, only Qin Yu and Yan Ruoxue were left.

“These were all made by you?” Qin Yu couldn’t believe it.

How could a rich heiress like Yan Ruoxue be so dexterous?

“Quick, try it and see how it tastes!” Yan Ruoxue said with some anticipation.

Qin Yu hurriedly picked up his chopsticks and started eating.

Just after the first bite, Qin Yu grimaced.

This was too d*mn disgusting!

“Is it good?” Yan Ruoxue blinked her eyes and asked excitedly.

Looking at Yan Ruoxue’s expectant expression, Qin Yu really couldn’t bear to hurt her feelings, so he braced himself and said, “It’s... delicious, extremely delicious...”

“Really?!” The usually aloof ice queen was as excited as a little girl!

“Really!” Qin Yu nodded vigorously.

“Then eat more!” Yan Ruoxue said with a smile.

Qin Yu felt as if he had shot himself in the foot.

After finishing the meal with great difficulty, Qin Yu, along with Yan Ruoxue, walked around the manor while admiring the night scenery.

Smelling the faint fragrance on Yan Ruoxue’s body, Qin Yu felt a little titillated.

He secretly glanced at Yan Ruoxue’s side profile and his heart skipped a beat.

Qin Yu, wanting to hold Yan Ruoxue's hand, mustered up his courage and carefully reached out his hand.

At this moment, Yan Ruoxue suddenly said, "Qin Yu."

Qin Yu was so startled that he trembled and hurriedly withdrew his hand.

"Huh, what's wrong?" Qin Yu asked.

Yan Ruoxue looked at the sky and said, "Do you like this kind of life?"

Qin Yu was stunned and didn't understand Yan Ruoxue's words.

"This kind of life... What kind of life is it?" Qin Yu asked in puzzlement.

Yan Ruoxue smiled and said, "Have you been tired recently?"

Qin Yu thought for a moment and said with a bitter smile, "A little."

Indeed, Qin Yu's life had been very tiring recently and he barely had time to rest.

Yan Ruoxue smiled and said, "Why don't I take care of you?"

Qin Yu was stunned. He shook his head and said, "Why did you say that all of a sudden?"

Yan Ruoxue said, "If you don't like this kind of life, I can take care of you."

Qin Yu thought that Yan Ruoxue was joking, so he replied with a smile, "Then I'll be a gigolo. How can I buy a wedding ring and hold a wedding in that case?"

Yan Ruoxue looked at Qin Yu seriously and said, "A wedding ring doesn't necessarily have to be bought by a man, and the wedding doesn't

necessarily have to be held by you. If you are willing, I'll buy the wedding ring, and I'll hold the wedding."

Hearing Yan Ruoxue's words, Qin Yu was instantly stunned.

He turned to look at Yan Ruoxue and said seriously and firmly, "Although I have been a little tired recently, I'm very fulfilled."

"Before I met you, I was like a walking zombie without any goals in life."

"Since I met you, my life has gained meaning and I have a goal to strive towards."

At this point, Qin Yu took a deep breath and continued saying, "Miss Yan, give me one year, at most one year."

"One year later, I'll go to the Yan family to propose marriage and give you a grand wedding."

The atmosphere became a little amorous.

With these vows, the two of them seemed to have returned to their youth.

However, Qin Yu's words touched Yan Ruoxue slightly.

"Okay." Yan Ruoxue smiled.

"One year later, I will wait for you to give me a grand wedding."

After Qin Yu left, Yan Ruoxue sat in the courtyard for a long time.

The secretary couldn't help but walk forward and sigh while saying, "Miss, I feel that you have changed."

Yan Ruoxue glanced at him and smiled while saying, “How have I changed?”

The secretary smiled bitterly and said, “Before coming to Jiangcheng, we have always admired your shrewdness and your decisiveness.”

“You also said that if Qin Yu was a good-for-nothing, you would leave Jiangcheng and cancel this engagement.”

“But now... you don’t seem to care whether Qin Yu has achieved anything. It’s like... It’s like you’ve turned from a rational and shrewd ice queen to a down-to-earth girl next door...”

Yan Ruoxue smiled and didn’t comment.

Just as the secretary said, Yan Ruoxue didn’t really care about whether or not Qin Yu made a name for himself.

“I will respect Qin Yu’s choice.” Yan Ruoxue smiled.

“If he doesn’t want to strive anymore, I’ll take care of him.”

“If he wants to make a name for himself, then I’ll do my best to help him.”

Obviously, Qin Yu chose the latter..

Chapter 49: Good-for-nothing?

It was very easy for Yan Ruoxue to help someone. She could make Qin Yu a top businessman in Jiangcheng and even Chuzhou at the drop of a hat.

However, if Qin Yu wanted to make a name for himself in Jingdu, he had to have the ability.

Yan Ruoxue understood this very well, so what she wanted to do wasn't to help Qin Yu remove obstacles, but to let Qin Yu grow under the premise of ensuring his safety.

The secretary at the side sighed slightly and whispered, "Love is really toxic... who would have thought that the famous Yan Ruoxue of Jingdu would fall head over heels in love in a remote town like Jiangcheng..."

...

Ever since Lei Hu released the news, everyone in Jiangcheng had been spreading it.

Other than relevant herbs manufacturers, even some powerful real estate developers wanted a piece of the pie.

Recently, Zhao Gang had been staying by Shen Yun's side every day. He was a surprisingly loyal henchman.

"President Shen, what does Lei Hu mean by this? Why did he announce that he was choosing a partner?" Zhao Gang said as he poured water for Shen Yun.

Shen Yun glanced at him and said nonchalantly, "It is probably the intention of that old doctor. Big shots are all cocky because of their talent. I understand."

Zhao Gang nodded and then said flatteringly, "That's true. Who in Jiangcheng is more powerful than the Shen family?"

Shen Yun didn't say anything, but his face couldn't help but show an arrogant look.

"As long as the Yan family doesn't participate, who will dare to compete with me, Shen Yun?" Shen Yun thought to himself.

Time flew by.

In the blink of an eye, it was the third day.

On this day, the entrance of No. 1 Grand Mansion was filled with luxury cars. Many wealthy businessmen were waiting there.

“Alas, if we had listened to Mr. Qin back then, we wouldn’t have to come here to compete!” Du Yuan couldn’t help but grumble.

Du Hengsheng couldn’t help but lament, “I originally thought that Qin Yu didn’t have any real talent. I didn’t expect... Alas, no wonder the Yan family supported him.”

The two of them regretted it, but it was too late.

In the hall, many businessmen were chattering in low voices. No one knew the background of this so-called old doctor.

At this moment, the venue suddenly quieted down.

Looking over, they saw Shen Yun and Zhao Gang walking in from outside.

Shen Yun’s arrival immediately made everyone feel crestfallen.

Everyone knew how powerful the Shen family was. Even in Chuzhou, they were top-notch, let alone Jiangcheng?

“President Shen, I didn’t expect you to come!” A businessman was the first to react and rushed over to curry favor with them.

Since Shen Yun was here, no one could compete with them.

Since they couldn’t compete, they might as well curry favor with Shen Yun and get the agency rights from Shen Yun!

Soon, these sly men all reacted and rushed up to greet him.

“Dad, should we go over?” Du Yuan asked.

Du Hengsheng shook his head and said, “Our relationship with the Shen family is too hostile. If we go over, we will only embarrass ourselves.”

“That’s true.” Du Yuan nodded, then smiled and said, “It seems that Shen Yun doesn’t know that the Soul Nourishment Pill came from Qin Yu.”

Faced with everyone’s flattery, Shen Yun appeared even more proud.

People like Shen Yun looked down on the businessmen of Jiangcheng.

In his eyes, the so-called successful people of Jiangcheng were at the bottom of the barrel and not worth mentioning.

However, to establish a foothold in Jiangcheng, he indeed needed a group of followers, so even though he looked down on this group of people, he still dealt with them one by one.

“Honey, you’re so amazing!” Su Yan couldn’t help but whisper as she followed Zhao Gang.

“As long as we curry favor with the Shen family, won’t we be rich in the future?” Su Yan’s eyes sparkled.

Zhao Gang said proudly, “Of course.”

At this moment, Zhao Gang suddenly saw Qin Yu walking in from outside.

The moment he saw Qin Yu, Zhao Gang’s expression instantly turned cold.

“Why is he here?” Su Yan’s eyes flashed with disgust.

Zhao Gang snorted lightly and brought Su Yan towards Qin Yu.

“Yo, Qin Yu, you also want to participate in this business deal?” Zhao Gang said derisively.

Qin Yu glanced at him and said with a nonchalant smile, “Yes.”

Zhao Gang sneered as he said, “Qin Yu, do you think you can participate in this business just because you are close to Lei Hu?”

“Let me tell you, it’s impossible! This business was arranged by President Shen! President Shen calls the shots!”

At this point, Zhao Gang changed the topic and said with some pride, “But I’m different. I’ve already seized the opportunity to get close to President Shen!”

“Honey, you’re so impressive!” Su Yan immediately shouted in a flattering manner.

Then, Su Yan sized up Qin Yu and said derisively, “That’s why I said that this type of ability is innate. A good-for-nothing is nothing but a good-for-nothing.. Even if you suck up to the Yan family, you’re still a good-for-nothing!”

Chapter 50: The Arrogant Lei Hu

Qin Yu glanced at them and said coldly, “Idiot.”

After saying this, Qin Yu strode into the venue with Yao Qing.

“D*mn it, how dare you scold me!” Su Yan said angrily.

Zhao Gang snorted while saying, “It’s okay. He won’t be on his high horse for long.”

Then, Zhao Gang told Shen Yun about Qin Yu's arrival.

Shen Yun couldn't help but laugh after hearing it. "How could a good-for-nothing like him get his hands on this kind of business? What a joke!"

"Yeah, yeah, I think so too!" Zhao Gang also shouted.

Most of the businessmen surrounded Shen Yun.

They all knew about the conflict between Qin Yu and the Shen family, so no one was willing to get close to Qin Yu.

"President Shen, when you bring in the big bucks, don't forget us!"

"That's right, President Shen, just give us a first-level agent opportunity!"

"When the time comes, our factory can OEM for your company!"

Shen Yun, his eyes fixed in the direction of Qin Yu, acted as if he didn't hear anything.

Thinking of his son, Shen Tian, who was still bed-ridden, Shen Yun wished that he could tear Qin Yu into pieces!

Someone followed Shen Yun's gaze and looked over, then realization dawned upon him.

"I didn't expect that Qin Yu would also come!" A businessman deliberately shouted and then walked in the direction of Qin Yu.

This businessman was called Sun Peng. He was the head of the medicinal herbs processing factory in Jiangcheng. However, in Jiangcheng, Sun Peng wasn't a big shot. He wasn't even qualified to attend the Yan family's banquet.

If they seized the opportunity to cooperate with the Shen family this time, the Sun family had a chance to become one of the upper families in Jiangcheng!

In order to curry favor with Shen Yun, Sun Peng took the initiative to walk over to Qin Yu.

“Mr. Qin, why are you here?” Sun Peng pretended to be concerned and asked.

Qin Yu glanced at him and said, “Do I know you?”

Sun Peng smiled and said, “You don’t know me, but I know you. You are a famous figure in Jiangcheng. Who doesn’t know that you are the number one scoundrel in Jiangcheng?”

After saying that, Sun Peng burst into laughter.

Qin Yu wasn’t angry. He just looked at Sun Peng and sneered as he said, “Do you think that by pleasing the Shen family, you are qualified to participate in the business of the Soul Nourishment Pill?”

Sun Peng said with a smile, “What else? Don’t tell me I should try to please you?”

“Pleasing me might be more useful,” Qin Yu said indifferently.

Hearing this, Sun Peng couldn’t help but laugh.

“You are too full of yourself,” Sun Peng sneered.

“That old doctor said that he wants to find a company with strength to cooperate with! Who is the most qualified? Of course, it’s President Shen!”

“What about you? What qualifications do you have?”

Qin Yu glanced at Sun Peng and said with a nonchalant smile, “I indeed don’t have much qualifications, but maybe I am that old doctor?”

“Hahaha!” Sun Peng laughed even more exaggeratedly.

“If you are that old doctor, I, Sun Peng, will write my name upside down!”

Qin Yu couldn’t be bothered to argue with such a petty person, so he turned his head to the side and ignored him.

Seeing Qin Yu ignore him, Sun Peng ran back to Shen Yun in an obsequious manner.

Shen Yun glanced at Sun Peng and said indifferently, “Well done.”

“Thank you, President Shen!” Sun Peng was overjoyed!

The rest of the businessmen followed suit. They ran to Qin Yu to mock him and show off.

Faced with these people’s taunts, Qin Yu didn’t say a word. He just looked at them coldly and silently remembered their faces.

Soon, Shen Yun walked to Qin Yu.

He glowered at Qin Yu contemptuously and said, “I really don’t know why you are here. Are you asking for humiliation?”

“The one who is asking for humiliation isn’t me, but you,” Qin Yu said with a sneer.

When Shen Yun heard this, he snorted and said, “I want to see how long you can keep acting tough.”

At this moment, Lei Hu walked out from the backstage.

His appearance immediately attracted the attention of countless people.

Everyone walked towards Lei Hu.

“Qin Yu, let’s settle the score slowly,” Shen Yun said and walked towards Lei Hu.

“Lei Hu, where’s that old doctor?”

“Mr. Lei, invite that old doctor out quickly!”

Looking at everyone’s expectant expression, Lei Hu felt a little smug for a moment.

He cleared his throat and said, “Everyone, please be quiet. I know that everyone wants to obtain the formula for the Soul Nourishment Pill.

Everyone, please be patient!”

“Stop talking nonsense and quickly invite that old doctor out,” Shen Yun said impatiently.

Lei Hu glanced at Shen Yun and said with a smile, “Why are you so impatient? If you can’t wait any longer, then get out!”
