

My Rich Wife – Chapter 463 –

Chapter 463: Chapter 463, facing He Teng!

Upon sensing Qin Yu's internal Qi, a trace of shock flashed across everyone's faces!

“How could this Qin Yu's internal Qi be so powerful?!”

“Peak-stage Martial Grandmaster? Even peak-stage martial grandmasters don't have such a powerful internal Qi, right?”

“Could it be that he has also stepped into the half-step martial marquis realm? impossible. Although this internal Qi is powerful, it is slightly different from the internal Qi of a half-step martial marquis.”

The crowd discussed animatedly. Their interest in this battle grew even more.

“How is it? Do you still doubt it now?” Qin Yu said indifferently with his hands behind his back.

He Teng's expression was even uglier than eating shit. He stared at Qin Yu and said through gritted teeth, “You... you actually entered the water rhyme tower!”

“Yes.” Qin Yu sneered.

“Otherwise, what do you think I've been doing these past few days?”

The anger in He Teng's heart had already reached its peak!

Qin Yu had already ruined his plans many times. First, he snatched away the dragon spirit, and now, he snatched away the water rhyme tower. How could he teng tolerate this!

But very quickly, he Teng's expression eased up.

He narrowed his eyes and said, "So what if you entered the water rhyme tower? As long as you haven't stepped into the half-step martial Marquis Realm, you're not my match!"

"After I kill you, the water rhyme tower will still be mine!"

Qin Yu sneered and said, "Then come and try it."

Before he could finish his words, he teng shouted and his fist instantly closed in on Qin Yu!

Qin Yu raised his hand to meet him head-on. The moment his two fists collided, an energy wave spread out in all directions with the two of them as the center!

Just the probing from both sides had forced back countless people!

Even many martial grandmasters couldn't help but take a few steps back!

"There's no need for this kind of probing, right?" Qin Yu released he teng and said coldly.

He Teng took a deep breath, and a trace of solemnity flashed across his face.

Just a simple collision had already made he teng feel a trace of pressure.

“This child must die. Otherwise, there will be endless trouble in the future...” that hoarse voice sounded in he Teng’s mind.

He Teng didn’t say anything more. He looked at Qin Yu coldly. The aura of a half-step martial marquis exploded in an instant! The internal Qi of the half-step martial marquis exploded!

This internal Qi was even more powerful than Qin Yu’s!

The terrifying aura made people tremble!

Those who were weak were shocked to the point of vomiting blood!

If it weren’t for Jiang he’s secret attack, the bodies of the ordinary people present would have been shattered!

“A half-step martial marquis indeed lives up to his reputation.” Looking at he teng in front of him, Qin Yu sighed.

He Teng said coldly, “Qin Yu, you really... deserve ten thousand deaths!”

After saying that, he teng’s figure disappeared into thin air!

In the next second, he teng appeared in the sky above Qin Yu!

His entire body seemed to have turned into a sharp blade, and the light from above stabbed down fiercely toward Qin Yu’s head!

The ground beneath Qin Yu’s feet immediately shattered, and the entire side of the lake stirred up a myriad of waves!

This was one of He Teng's killing moves. Its power was unquestionable, and even Qin Yu did not dare to neglect it!

“Absolute beginning Sacred Fist!”

A golden light instantly rose up and met it head-on!

“Boom!”

It was as if a huge collision had occurred between the heaven and earth. The resplendent light almost made it impossible for one to open their eyes!

Qin Yu's body was like a nail that was ruthlessly smashed into the ground!

Dense cracks appeared on the soil under his feet. Then, a huge pit that was several meters wide appeared in everyone's field of vision!

With just this attack, the clothes on the two of them were shattered, revealing their strong muscles.

The two of them looked at each other across the air with a hint of seriousness on their faces.

“So powerful... if it were me, I'm afraid I'd already be dead...” a martial grandmaster said in a trembling voice.

“If you were in the center of this aura, even a peak martial grandmaster would probably be heavily injured.”

“I really didn't expect this Qin Yu to be so powerful...”

Qin Yu crawled out of the pit. He was afraid of the soil on his body and said coldly, “Do you still want to continue testing? He Teng, I don’t believe you only have this bit of ability.”

“What? ! You’re still testing me?”

“This almost destructive spell is just testing me?”

“Their strength seems to have exceeded our imagination...”

The people around were extremely shocked. Just testing them was already so powerful. What kind of scene would the real fight be like?

He Teng looked at Qin Yu coldly and said, “I’ve really underestimated you...”

Qin Yu sneered and said, “Bring out your trump card. Otherwise, I’m afraid you won’t have a chance.”

As he spoke, Qin Yu’s body flashed with a golden light. The third level of the saintly body technique was revealed at this moment.

The golden light made Qin Yu Indestructible. At a glance, he looked like a golden immortal.

On the other hand, he teng no longer hid his strength. His entire body emitted a strange aura, and several imprints were faintly revealed on his chest. The internal Qi of his body was extremely strong.

“These imprints... could they be spirit pills?”Qin Yu frowned.

He Teng remained silent. He sneered and said, “Qin Yu, I’ll show you what a true half-step martial marquis is!”

After saying that, he teng went straight in. In the blink of an eye, he arrived in front of Qin Yu!

“Fight with my body? Are You Crazy?” Qin Yu sneered repeatedly. His golden palm drew a parabola and ruthlessly struck toward he teng!

“Swish!”

Just as the palm was about to land on he Teng’s body, he teng’s figure suddenly disappeared!

His extremely fast speed even left an afterimage in the air!

“Bang!”

Before Qin Yu could regain his senses, a huge palm smashed onto Qin Yu’s spine!

With just one punch, the Golden Light on Qin Yu’s body was directly shattered!

With one punch penetrating through the sacred body technique, the half-step martial marquis title was well deserved!

“Swish!”

Without waiting for Qin Yu’s reaction, he teng attacked again and smashed into Qin Yu’s chest at an extremely fast speed!

“Deng Deng Deng!”

Qin Yu’s body retreated seven to eight steps in a row, and his chest sank slightly!

Facing a half-step martial marquis, even Qin Yu's physical body could not withstand it!

“Bang Bang Bang!”

He Teng struck while the iron was hot. His body was like a cannonball, smashing into Qin Yu's body from all sorts of strange angles.

The attack seemed simple and unadorned, but it contained a destructive power!

With a glance, everyone could only see he Teng's afterimages, as well as Qin Yu, who was knocked to the side!

“Pu!”

Under this impact, Qin Yu couldn't withstand it anymore. A mouthful of blood suddenly spurted out from his mouth!

“It seems that there is still a difference between Qin Yu and he teng.”

“Yes. After all, he is a half-step martial marquis and a peak martial grandmaster. It is already commendable that Qin Yu didn't lose for a short period of time.”

“Master, it seems that you overestimate Qin Yu,”Jiang he's disciple said gloatingly.

Jiang he stroked his beard and said, “Not Necessarily.”

“Humph, not necessarily? This Qin Yu was beaten so badly that he didn't even have the strength to fight back. It is obvious that he is going to lose,”his disciple said unwillingly.

Jiang he stared ahead and said indifferently, “Look, Qin Yu is starting to fight back.”

Chapter 464: Chapter 463, the Matchless Battle!

He Teng’s incomparable speed was indeed hard to catch.

Qin Yu was pushed back repeatedly, almost without the ability to retaliate.

However, just as he teng attacked Qin Yu for the umpteenth time, a large golden hand suddenly stretched out and grabbed he teng’s neck!

He Teng’s expression instantly changed!

For some unknown reason, his speed seemed to have increased by a lot in that instant just now!

It was also in this instant that he slowed down that Qin Yu seized the opportunity and grabbed his neck!

“Have you fought enough? Is It My Turn Now?” Qin Yu’s steel-like palm grabbed he teng’s neck and said coldly.

He Teng’s expression changed. He was just about to struggle when the golden palm ruthlessly whipped over!

“Pa!”

A loud sound rang out as it ruthlessly struck he Teng’s face!

The strength of Qin Yu’s physical body was extremely great. Under this slap, he Teng’s mouth immediately began to overflow with blood!

“Pa!”

Another slap!

Qin Yu exerted all his strength and grabbed he teng with one hand while his other hand continuously struck he Teng’s face!

One slap, two slaps, three slaps...

The sounds of slapping kept on ringing in their ears, and everyone was dumbfounded by what they saw.

“What... is going on?”

“A half-step martial marquis is being whipped in the air by a Martial Grandmaster?”

“Damn it... It’s as if he’s hitting his son...”

Everyone gulped, as if they couldn’t believe what was happening!

“If this continues, he teng will be whipped to death...”

“Such pure physical strength is unheard of...”

“Could it be... that it’s over just like that?”

Just as everyone was shocked, a black light suddenly erupted from He Teng’s body!

“Enough!”

With a loud shout, the terrifying internal Qi was directly pushed back by Qin Yu!

Meanwhile, he Teng's body was already enveloped by a black light like ink!

Every inch of his skin appeared to be the purest of black. Under the illumination of the setting sun, it flickered with a strange light.

“Qin Yu, don't think that only your physical body is strong!” He Teng wiped the blood at the corner of his mouth and said angrily!

“You are only a martial grandmaster. What right do you have to fight with me, a half-step martial marquis!”

“Even if I fight with my physical body, I'm still not afraid of You!”

With he Teng's explosive shout, the black light on his body became even purer!

Even though he was far away, he could still feel the cold air on he Teng's body!

Qin Yu stared at this black body and sneered, “What the hell? Did you smear dog shit on your body?”

He Teng did not pay attention to Qin Yu's insult. After he shouted, he actually took the initiative to rush towards Qin Yu!

“Taking the initiative to fight with my physical body. It seems that you are very confident!” Qin Yu snorted coldly. He did not waste any more time and immediately shot out explosively, charging towards he teng!

“Clang Clang Clang!”

Both sides unleashed their purest physical bodies to collide!

Terrifying explosive sounds were like muffled thunder as they continuously exploded in midair!

Black Light and golden light years interweaved. The extremely fast speed was even difficult to capture!

Blood dyed the sky, and the Qi and blood churned. Streams of terrifying power spread out in all directions!

Under the collision of the two, the surrounding hills were all shattered, and the river water even began to evaporate!

The spectators were dumbfounded, and they swallowed their saliva crazily!

What kind of strength was this collision? How many years had it been since a fight of this level had appeared?

“Boom!”

He Teng's Black Fist exploded on Qin Yu's chest. It contained a monstrous internal qi and instantly forced Qin Yu back.

Qin Yu's fist also smashed into He Teng's face!

In the next second, both sides exploded again and launched a second round of attacks!

“Go to hell!” He Teng raised his head and roared. The black light turned into a giant dragon and charged towards Qin Yu with a buzzing sound!

Qin Yu didn't want to be outdone. He immediately used the absolute beginning holy fist and swung his entire hand!

“Boom!”

The huge collision forced Qin Yu back a few steps!

A mouthful of blood spewed out from his mouth!

Cracks appeared on Qin Yu's body and the golden light seemed to have dimmed a little.

Even Qin Yu himself didn't expect that he would be at a disadvantage just from the collision of their bodies.

“The gap between a martial grandmaster and a half-step martial marquis is really a huge gap,” Qin Yu said in a low voice as he stared at He Teng in the air.

If they were at the same level, Qin Yu would only be able to kill He Teng with a raise of his hand.

However, there was a huge difference in strength even though they were only one step apart.

He Teng looked at Qin Yu coldly and said, “Is this all of your abilities? It seems that you are just so-so!”

Qin Yu looked at He Teng in the air and said in a deep voice, “If I step into the half-step martial marquis realm, I'll kill you in less than three breaths.”

He Teng's expression changed, and a trace of unsightly expression flashed across his face.

Although he was unwilling to admit it, Qin Yu was telling the truth.

With the power of a martial grandmaster, fighting to such an extent already made he teng feel afraid.

If this Qin Yu stepped into the half-step martial marquis realm, he probably wouldn't be able to fight back at all.

“It's precisely because of this that I can't let you live,” he teng said with narrowed eyes.

“No matter how strong you are after stepping into the half-step martial marquis realm, it's useless. Because... you will never have that chance!”

Following he Teng's furious roar, his body began to curl up!

Then, black light began to gather above his head!

The moment this energy gathered, the ground began to tremble!

Streams of divine might spread out from the black light. No one knew what spell he teng had used, because it did not come from the He family!

“The four symbols demonic seal from hundreds of years ago?” Jiang he, who had been silent all this time, suddenly asked.

Hearing this, his disciple hurriedly asked, “Master, what is the four symbols demonic seal?”

Jiang he said in a deep voice, “In the early years when I traveled the world to temper my dao heart, I once saw the records of this technique. It is said that the complete four symbols demonic seal can suppress

everything and cut off a thousand gold pieces. It will be shattered upon contact.”

“So, does that mean that Qin Yu is going to lose?” His disciple said with some excitement.

Jiang he shook his head and said in a low voice, “In short, it’s not good.”

As he spoke, the internal Qi on Jiang he’s body even began to surge.

Seeing this, his disciple hurriedly said, “Master, you promised that you wouldn’t attack!”

Jiang he opened his mouth. After hesitating for a while, the internal Qi on his body finally slowly disappeared.

The Black Light in the air was still condensing, as if it had absorbed the essence of the world. The powerful deterrent force was so strong that people could not stop vomiting blood.

There were even people who were turned into minced meat on the spot by this pressure and died tragically.

Even Qin Yu felt an extremely strong pressure, and his body continuously made cracking sounds.

This was a terrifying power that was like an ocean. Qin Yu even had the intention to retreat.

“Hualala!”

However, at this moment, countless chains grew out from under Qin Yu's feet!

These chains seemed to have come from the nine serenities hell, and they bound Qin Yu tightly, making him unable to move!

“Since I can't escape, then I can only take it head-on.” Qin Yu took a deep breath.

A divine seal appeared between his brows, and he chanted a spell silently. Golden light flashed on his body, as if he was casting some secret technique!

The surrounding aura gathered in Qin Yu's internal Qi, and his physical body seemed to have grown a little bigger.

“This is.... the cosmic form ? !” Jiang he's pupils constricted as if he had seen something.

Chapter 465: Chapter 464 was just so-so!

Jiang he's eyes were filled with shock, and he even lost his composure!

Even his disciple at the side said in surprise, “Master, What's wrong? I've never seen your expression before...”

Jiang he didn't say anything. His eyes were fixed in Qin Yu's direction.

Qin Yu's internal Qi was getting denser and denser. The five-colored radiance kept lingering around his body, forming a sharp contrast with the black light in the sky.

“Huala!”

Finally, with a loud sound, Qin Yu’s body suddenly expanded!

His height, which was only 1.7 meters, suddenly increased to nearly three meters!

At a glance, he looked like a giant!

All the light started to be restrained at this moment. Qin Yu’s body was once again dyed with a layer of golden yellow!

“It’s really the Infinity Dharma Idol!” The shock in Jiang he’s eyes became more and more intense.

“Limitless Dharma Idol? What’s That?” His disciple asked in confusion.

Jiang he didn’t say anything. He stared in Qin Yu’s direction. After a while, he couldn’t help but smile bitterly and say, “It’s unbelievable...”

Qin Yu’s body grew bigger, and his internal Qi also became denser.

However, the real improvement of the limitless dharma idol was still his physical body!

At this moment, Qin Yu’s physical body and strength had both improved qualitatively!

“What Bullsh * T is This!” It was obvious that he teng had never seen this technique before.

He sneered and said, “Putting on an act, a mere ant technique is not worth mentioning!”

Qin Yu did not say a word. He coldly looked at the black brilliance in He Teng’s hand, and a trace of coldness flashed in his eyes.

“Five Mountains of Honor Mountain, Rise!”

Then, Qin Yu shouted loudly, and the Five Mountains of Honor Mountain immediately hung above his head!

With so many buffs, such as magic tools, the power of the Divine Dragon, and heaven-ranked martial arts, Qin Yu’s strength had already reached an unfathomable level!

“What on Earth is this thing?” The onlookers also began to discuss in a low voice.

“I know quite a lot about the body-enlarging spell, but it doesn’t seem to be very effective. It’s strong on the outside, but weak on the inside.”

“That’s right. The strength doesn’t lie in the size of the body, but in the depth of the internal Qi. Although Qin Yu’s body has become much larger, the growth of his aura is somewhat insufficient.”

On the other hand, the black light in He Teng’s hand made people even more terrified.

Even though they were far away, they could still feel the intense killing intent contained in the light!

“Qin Yu, today is the Day You Die!” He Teng raised his head and roared. The black light in his hand was hurled fiercely at Qin Yu!

The moment it was thrown, everyone felt their hearts shake!

It was like a meteorite falling from the sky, carrying an intense pressure!

“Pu!”

Even a peak martial grandmaster couldn't withstand this force and spat out a mouthful of blood on the spot!

As for ordinary martial grandmasters, they knelt on the ground and struggled to withstand this pressure!

“Pu Chi!”

There were even some who turned into a pool of blood mist and exploded out of thin air!

Seeing this, Jiang he immediately waved his large palm, and a gentle power temporarily protected everyone.

“Stand further away, don't blame others if you die!” Jiang he's disciple couldn't help but berate.

Hearing this, everyone quickly retreated hundreds of meters, afraid that they would be implicated!

“Rumble...”

The black light turned into a ball, and with an extremely strong pressure, it rolled towards Qin Yu!

Qin Yu's face was solemn, and his muscles bulged. Every inch of his body contained the power to destroy mountains and rivers!

“Come on!” Qin Yu roared. He raised his hands and met the attack head-on!

“This kid wants to fight head-on!”

“Is he crazy? I feel like my bones are about to be crushed even though we are so far away. He wants to fight head-on!”

“Mr. Qin!” Jiang Gu and the others shouted in unison!

“Boom!”

Finally, the black light collided with Qin Yu’s hands!

In an instant, the ground under Qin Yu’s feet exploded! It turned into a pile of ruins!

At this distance, Qin Yu’s legs kept sinking, and a huge pit was formed on the ground!

Looking at the devastated scene, everyone could not help but suck in a cold breath.

The black light was still pressing down, and everything that was close to it was turned into dust. Even the lake water evaporated instantly!

“It’s useless,” he teng said with a cold smile.

“But you’re already worthy of praise for being able to hold on for so long.”

This pressure was beyond imagination. Qin Yu’s body seemed to be violently squeezed, and traces of blood dripped out.

“Kacha!”

Finally, his body could not take it anymore. His bones pierced through his shoulders, and he was naked in the air!

Looking at the ghastly white bones, everyone’s faces could not help but turn pale!

“Ah! ! !”Qin Yu roared angrily, his hands firmly supporting the black brilliance!

His legs shone brightly, and in an instant, the brilliance was actually pushed back!

“Hehe, you’re overestimating yourself.”He Teng snorted coldly. He reached out with his palm, and the light surged once again!

Qin Yu’s body sank down again, and this time, layers of cracks appeared on the bones of his legs!

“He can’t take it anymore. His body can’t take it anymore,”someone said in a low voice.

“It’s already pretty good that he can take it this far.”

“Qin Yu is a true God. He forced he teng to such an extent as a martial grandmaster.”

“He is a person worthy of respect.”

Even though they had expected Qin Yu’s ending, at this moment, everyone acknowledged Qin Yu.

Kacha

The light passed through Qin Yu's hands, as if it wanted to swallow him up.

At this moment, even Jiang he's face flashed with a trace of solemnity.

The light continued to descend. In a short while, more than half of Qin Yu's body had disappeared into the light!

"Mr. Qin..." Yao Qing's face was pale, and pain crawled all over his pale face.

Finally, Qin Yu's entire body was swallowed by the light.

The scene fell into silence, and the stubborn golden light completely disappeared into thin air.

"Once it's swallowed by the four symbols demonic seal, there won't be any chance to escape. What a pity." Jiang he sighed slightly.

He understood the four symbols demonic seal. It was a unique cultivation technique. As long as the practitioner's realm was above the opponent's, he would be crushed upon contact!

Even if the opponent was lucky enough to survive this pressure, he would still be swallowed by it.

Once swallowed, there would be no chance of escape.

"If I give him some more time, he will definitely become the person who stirred up the world..."

At this moment, even Jiang he's disciple sighed for Qin Yu.

“Let's go.” Jiang he waved his hand and said.

“Yes, Master.” His disciple nodded and prepared to leave.

The surrounding people also sighed. “In the end, he was still slightly weaker in terms of realm. Even though he lost, it was still glorious.”

“The name Qin Yu will definitely be passed down forever.”

“It's time to go. Everything is over.”

Just when everyone was about to turn around and leave, a crack suddenly appeared in the Black Ball of light!

“Ah! !”

With an angry roar, a golden light appeared in the crack of the Black Ball of light!

One, two, three!

Countless dazzling lights penetrated the black ball of light like a full moon in the dark night, illuminating the entire sky!

“How.... how is this possible!” At this moment, even Jiang he's face was filled with shock!

Chapter 466: Chapter 466. If you can do it, I can do it too!

The people who were preparing to leave were all shocked by this scene!

They stopped and looked back. The shock on their faces became more and more intense.

Boom

A huge explosion sounded, and the black ball of light began to disintegrate!

Crash

The four symbols demonic seal, which was said to be impossible to escape, actually shattered piece by piece!

And under this brilliance was Qin Yu's immortal body!

Qin Yu, who was under the Wuji Dharma Idol, was like an undefeatable war god, shining with the light of faith in the Dark Night!

Qin Yu panted heavily, looking at he teng coldly.

“This spell really made me suffer a lot.”Qin Yu wiped the blood from the corner of his mouth and said coldly.

If he didn't have the power of the Divine Dragon, he would have died here today.

The gap between a peak martial grandmaster and a half-step martial marquis was a bit exaggerated.

Even though Qin Yu had the power of the Divine Dragon, the five mountains, and the heaven-ranked cultivation technique, he almost died in this four symbols demonic seal!

“How... how is this possible!” He Teng’s face instantly turned extremely ugly!

The four symbols demonic seal was his trump card. Now that the four symbols demonic seal had been broken, what other moves could stop Qin Yu?

“You are only a martial grandmaster, how can you have such strength!” He Teng roared indignantly!

Qin Yu sneered, “I said, if I step into the half-step martial marquis realm, I will kill you within three breaths.”

These words entered everyone’s ears.

No one doubted the authenticity of these words.

Qin Yu, as a martial grandmaster, had forced He Teng to this extent. This had already explained everything.

“It’s my turn.” Qin Yu urged the Wuji Dharma Idol and said coldly.

The huge figure, with an extremely strong sense of oppression, arrived in front of He Teng in the Blink of an eye!

He Teng was naturally unwilling. He waved his fist, trying to fight to the death.

However, how powerful was his physical body under the Wuji Dharma Idol? How could He Teng be compared to him?

At the moment of contact, He Teng’s bones directly shattered!

His body drew a parabola in the air and fiercely fell to the ground!

“Boom!”

Qin Yu waved his large palm, and a ray of light shot straight towards the Yang Lake!

In an instant, a huge explosion occurred in the lake, and the entire area was turned into ruins!

He Teng crawled out from the ruins with great difficulty. Blood flowed continuously from his mouth, and his physical body was on the verge of shattering. Half of his body had already been blown to pieces!

Under such heavy injuries, he teng no longer had the ability to resist!

“Qin Yu, you... I must kill you!” He Teng roared angrily! However, he was only helplessly enraged.

The only response he received was an incomparably fierce fist!

“Boom!”

The bones in he Teng’s entire body were almost shattered. His entire body was covered in blood, and it was almost impossible to see his face.

The scene was completely silent. Everyone stared at this scene as if they couldn’t believe it was real.

“A martial grandmaster... defeated a half-step martial marquis?”

“This is the first time in history, right?”

“Even Jiang and ye Qing couldn’t do it back then.”

Jiang he himself sighed, “If I forcefully suppressed my realm to the peak of a martial grandmaster, I wouldn’t be a match for Qin Yu.”

“If he stepped into the half-step martial marquis realm, how magnificent would it be?”

“If he stepped into the Martial Marquis realm, there should be nothing in this world that can stop him.”

Such a high evaluation shocked his disciple.

Although Jiang he had praised Qin Yu many times, he had never said such an exaggerated thing.

“Qin Yu... you deserve to die...”in the distance, he teng climbed out of the ruins with great difficulty.

He, the number one person on the list of potential, had now fallen into such a state.

He Teng, who had stepped into the half-step martial marquis realm, had thought that he would be able to exert his strength and become the number one family in the central plains.

However, he had never expected that he would be defeated the moment he made his move. In the end, he was defeated by a martial grandmaster.

All his thoughts had come to nothing.

“Retreat. If this continues, you will die here...”that hoarse voice sounded in he Teng’s mind.

He Teng gritted his teeth. He glared angrily at Qin Yu and said unwillingly, "I will not give up just like that. Qin Yu... I will kill you sooner or later!"

"I'm afraid you won't have that chance!" Qin Yu's internal Qi and blood were burning. His golden body suddenly shook, and a terrifying aura instantly sent He Teng flying!

He Teng didn't dare to continue to pester him. He muttered in a low voice, as if he was casting some kind of spell.

Then, he saw a spiritual artifact that looked like a command flag appear in his hand!

"Another spatial teleportation spiritual artifact." Qin Yu's face turned cold. Last time, He Teng used this method to escape!

"I'm afraid he will escape today." Jiang he also recognized the command flag in He Teng's hand and couldn't help but shake his head.

Qin Yu didn't say anything. His eyes were slightly closed, and his huge body was like an iron tower!

In a moment, the golden light on Qin Yu's body actually condensed out of his palm!

The light on his body began to dim, and in Qin Yu's hand, streaks of golden light suddenly appeared!

"Let me try your four symbols demonic seal as well." Qin Yu held the Golden Light in his hands, and the corners of his mouth curled up into a cold smile.

Seeing this scene, everyone was stunned!

Qin Yu actually wanted to use He Teng's cultivation technique to stop He Teng?

“He... He also knows the four symbols demonic seal?!” Jiang He's disciple shouted in shock!

Jiang He, who was beside him, also stared at this scene!

His old face was full of astonishment! He was even a little excited!

This young man, Qin Yu, had brought him too many surprises and unbelievable!

“No...” at this moment, Jiang He suddenly realized something!

He said in surprise, “Qin Yu... He learned it on the spot!”

“Learned it on the spot? What do you mean?” His disciple didn't understand what Jiang He meant.

Jiang He exclaimed, “He doesn't know the four symbols demonic seal at all. He comprehended it on the spot through He Teng's technique!”

To comprehend such a technique in such a short time, this...! Was this real?!

“You... how can you also know the four symbols demonic seal!” When He Teng saw this scene, his face instantly turned pale!

Qin Yu sneered and said, “I don't know it. I just learned it from you, but I don't know whether it will succeed or not...”

After receiving Qin Yu's confirmation, everyone was completely dumbfounded!

Chapter 467: Chapter 467, the Han family was shocked!

Qin Yu had actually learned this technique on the spot!

He Teng was incomparably shocked!

He had learned the four symbols demonic seal for several years before he could comprehend it, but Qin Yu had used such a short amount of time?

“Weng”

The Golden Light in Qin Yu's palm grew increasingly brighter, and the golden light on his body completely faded away.

As Qin Yu's palm moved forward, this light crushed towards he teng!

“Ah! !”

The moment he touched it, he teng felt a tremendous force bearing down on his shoulders!

He hurriedly took out his magic tool to resist the light!

“Ka-cha!”

However, the magic tool was directly shattered and continued to roll downwards!

He Teng had no choice but to continuously throw out his magic tool.

One, two, three...

Several spiritual artifacts were all shattered by the light. It was not until he teng took out the Earth flask that he was finally able to resist the light!

Although the light could not suppress he teng, it quickly swallowed his body.

The golden light flickered in the darkness, and everyone was staring at this scene.

Qin Yu was the same. He narrowed his eyes slightly, but after a moment, he shook his head.

“After all, I just learned it. I’m still lacking...”Qin Yu muttered softly.

Everyone looked at Qin Yu in confusion, as if they didn’t understand what Qin Yu meant.

“Crash!”

At this moment, the light suddenly shattered!

What appeared in front of everyone was a pitch-black cave entrance.

The cave entrance only appeared for an instant before quickly disappearing.

As for he teng, he had already disappeared without a trace.

“We still let him escape.”Qin Yu sighed.

Qin Yu hadn't completely comprehended the four symbols demonic seal. He had only tried to use it, so there were naturally too many loopholes.

Otherwise, he teng wouldn't have had the chance to escape at all.

“A half-step martial marquis was actually beaten to the point of fleeing by a martial grandmaster...”

“He Teng really lost miserably. This Qin Yu is a monster after all...”

“If this kid had stepped into the half-step martial marquis realm, who could stop him?”

They had thought that Qin Yu and Han Wei had almost no chance of winning, but now they seemed to have changed their view.

Once Qin Yu stepped into the half-step martial marquis realm, Han Wei would probably be the one to lose!

“Let's go.”Jiang he waved his hand and turned to leave.

The rest of the people stepped forward one after another and congratulated Qin Yu.

“Mr. Qin is truly unparalleled in the world!”

“He defeated a half-step martial marquis with the strength of a martial grandmaster, the first person in history!”

“Mr. Qin is truly a God!”

In the distance, there was a camera pointed at Qin Yu.

The camera was very far away and could only capture a vague outline.

Qin Yu looked in the direction of the camera and said slowly, “I intend to establish my own sect. If you are interested, you can come and find me.”

This idea had been brewing in Qin Yu’s heart for a long time. Now was the best opportunity!

“I will promise everyone that I will give everyone sufficient resources,” Qin Yu said slowly.

“As long as your talent is not too bad, I can let everyone become a martial grandmaster within a year.”

These words immediately attracted countless people!

Becoming a martial grandmaster within a year? Such a speed, even the top sects and aristocratic families wouldn’t be able to do it, right?

“Mr. Qin, are you... telling the truth?” Someone asked anxiously.

Qin Yu nodded slightly and said, “Of course it’s true.”

Yao Qing, who was beside him, hurriedly jumped out and said, “Mr. Qin is an elder of the Divine Alchemist Pavilion! And he has a purple spiritual fire! His words are guaranteed!”

Even though that was the case, no one was in a hurry to make a decision.

After all, Qin Yu’s words might not necessarily be trustworthy.

Moreover, he had too many enemies.

“Mr. Qin, Rong, we will go back and consider it,” everyone expressed one after another.

Qin Yu naturally would not force it. He nodded slightly and said, “Okay.”

After saying this, Qin Yu looked at Yao Qing, Peach, Jiang Gu, and the others.

“Let’s go,” Qin Yu said.

The few of them quickly nodded and followed Qin Yu out of Yiyang Lake.

...

He Teng fled for dozens of miles in one breath before he dared to stop and rest.

“This Qin Yu... must not be allowed to live!” He Teng said in pain.

“He already knows the secret of the water rhyme tower... I’m afraid the water rhyme tower can not be kept...” that hoarse voice sounded in he Teng’s mind.

He Teng gritted his teeth and said angrily, “The water rhyme tower must never fall into Qin Yu’s hands!”

“Since I can’t get it, then I’ll announce it to the world! I want to see what Ability Qin Yu has to possess the water rhyme tower!”

He Teng was extremely furious. He originally wanted to step on Qin Yu to tell the world that he had already stepped into the half-step martial Marquis realm.

However, he never expected that the final result would actually be a wedding dress for someone else!

Not only did he fail to establish his authority, he even became a joke!

“The half-step martial marquis lost to a martial grandmaster. I’m afraid that you are also the first person in history...” that hoarse voice sounded in his mind.

“You Shut Up!” He Teng angrily berated.

“Qin Yu, just you wait. If I don’t kill you, I swear that I will never be a human in my life!” A hint of viciousness flashed in he Teng’s eyes.

...

At this moment, the martial arts forum was also in an uproar.

The video had long spread throughout the entire forum, and almost everyone was discussing this battle!

Qin Yu had defeated he teng at the peak of the Martial Grandmaster realm. Such a glorious battle record refreshed people’s understanding!

“This Qin Yu always brings us surprises.”

“Yeah, the first to forcefully charge up the stairway to Heaven, the first to challenge the aristocratic families of the capital, and the first to defeat a half-step martial marquis at the Martial Grandmaster Realm...”

“Now I feel that the one who should be afraid is Han Wei, right? hahaha!”

The Han family of Jingdu.

At this moment, the Han father and son were sitting in the study, their faces extremely gloomy.

“He Teng, that trash, actually lost!” Han Meng said coldly.

After saying this, he looked at Han Wei and said coldly, “Qin Yu defeated a half-step martial marquis as a martial grandmaster. Do you still think that Qin Yu is not worth mentioning?”

Han Wei said unwillingly, “Dad, what right does he teng have to be compared to me!”

Hearing this, Han Meng slapped Han Wei in the face!

“Ignorant! Even if he teng is not your opponent, how big the gap between the two of you will be?” Han Meng said coldly.

“If Qin Yu steps into the half-step martial Marquis realm before September 9th, what chance do you think you have to defeat him?”

Han Wei opened his mouth, speechless.

Just as Han Meng had said, if Qin Yu really stepped into the half-step martial marquis realm, then he would be the one to lose.

“I’ll go into seclusion now!” Han Wei suddenly stood up.

“Before September 9th, I’ll try to break into the Martial Marquis Realm.”

After saying this, Han Wei turned his head and walked out of the Han family, heading straight for the Jingdu Martial Arts Association.

Han Meng did not say anything. His eyes narrowed slightly as he muttered, “We have to take certain measures. We can not let Qin Yu continue to grow.”

...

Jingdu, Yan family.

Yan Sihai’s military advisor was standing by Yan Sihai’s side.

He was holding a cell phone in his hand.. The video playing on the phone was the fight between Qin Yu and he teng.

Chapter 468: Chapter 468, Saint Confucian school

Looking at the content of the video, Yan Sihai’s expression was a little unnatural.

“Director Yan, this Qin Yu is already out of our control,”the military advisor said from the side.

Yan Sihai took a puff of his cigar and snorted, “His improvement speed is indeed faster than I imagined.”

“It’s not just the improvement speed.”The military advisor shook his head.

“Most importantly, he defeated a half-step martial marquis with the strength of a martial grandmaster.”

Yan Sihai did not say anything.

He was also a martial artist, so he naturally knew what the difference between a peak martial grandmaster and a half-step martial marquis meant.

“If this kid steps into the half-step martial marquis realm, the consequences will be unimaginable.” The military counselor sighed slightly.

Yan Sihai glanced at the military counselor and snorted coldly, “So what if he has talent in martial arts? He is just a martial artist.”

“In this era, it is no longer the time to judge the world by martial arts. As long as I move my fingers, I can play him to death at any time!”

This was the confidence of capital. In this era, even if you had great abilities, it would be difficult to compete with capital.

The military advisor sighed slightly and said, “President Yan, I don’t deny your thoughts. Now that we have Qin Yu, it is indeed not enough to threaten the position of the Yan family.”

“But have you ever thought about what if he steps into the half-step martial marquis realm? If he steps into the Martial Marquis Realm, who in the world can hurt him?”

Yan Sihai sneered and said, “Did you not understand what I said? I said, in this era, a martial artist can not achieve anything!”

The Military District advisor was silent for a moment, and then said, “If he steps into the half-step martial marquis realm, he will definitely attract the attention of the war zone.”

“If the war zone gives him an official position and makes him a border official, the Yan family will have to think twice before touching him.”

Yan Sihai did not say anything.

Just as the Military District Advisor said, if Qin Yu really became an official, then it would not be easy to touch him.

“Do you have any good ideas?” Yan Sihai glanced at the military advisor and asked.

The military advisor said, “Miss’s wedding day is not far away. It’s too late to do anything now. Why don’t we just let nature take its course?”

Hearing this, Yan Sihai’s brows clearly furrowed.

The military advisor continued, “If Qin Yu really appears at the wedding, no matter what... We can’t let him leave Jingdu!”

“Of course, if young master Han is able to behead this Qin Yu on the spot, that would naturally be for the best.”

Having said that, the military advisor suddenly said: “Director Yan, I feel that young master might not be afraid of that Qin Yu.”

Young master, was naturally referring to Yan Sihai’s son, Yan Jinyao.

He was also currently the number one person on the fire country’s younger generation’s ranking board! (TL Note: Pyro)!

However, Yan Sihai shook his head and said: “This son of mine has always been aloof from worldly affairs, and is not willing to participate in such battles.”

The military counselor could not help but smile bitterly. Last time, when Zhang Yin was slapped by Qin Yu, Yan Jinyao did not show any reaction, let alone this kind of battle.

Yan Sihai waved his hand and said, “Go and tell Han Meng to make the most of his son’s time. No matter what, he must let Qin Yu Die on the 9th of September!”

“Yes, President Yan.”The military counselor nodded slightly.

Apart from that, the Han and Yan families also began to make arrangements in secret to prevent any accidents from happening.

...

Ever since Qin Yu defeated he teng with the strength of a Martial Grandmaster, Qin Yu’s name had spread completely.

All the aristocratic families and sects, big and small, knew that a genius had emerged from Chuzhou and defeated a half-step martial marquis with the strength of a martial grandmaster.

Even the martial arts forums were speculating Qin Yu’s strength after stepping into the half-step martial Marquis Realm!

In the end, everyone gave a unanimous evaluation:

Once Qin Yu stepped into the half-step martial marquis realm, no one would be able to stop him!

At this moment, Qin Yu was sitting in the living room.

In front of him lay a woman with an extremely perfect figure.

“Master, what happened to Miss Fang?” Yao Qing asked from the side.

Qin Yu shook his head and said, “I’m not sure either.”

Tao Zi walked forward. She tried to check Fang Yue’s body, but in the end, she also shook her head.

“Tao Zi, I’ll leave Fang Yue to you to take care of,” Qin Yu said to Tao Zi.

Tao Zi nodded and said, “Elder Qin, I understand.”

“Mr. Qin, where are you going?” Yao Qing muttered.

Qin Yu spat out two words, “Cultivation.”

There was only one month left until the ninth day of the ninth lunar month. Qin Yu had to step into the half-step martial marquis realm before that.

Moreover... There was still the worry of the Hong Yi sect. The ten half-step martial marquis that they had sent out could appear at any time.

If Qin Yu continued to stay in Chuzhou, he would definitely attract trouble.

“I might have to leave for a period of time. I don’t know when I’ll be back.” Qin Yu looked at Peaches and Yao Qing.

“If there’s anything, you can go find Jiang Gu. If it’s really not possible, you can go back to the Divine Alchemist Pavilion.”

Seeing Qin Yu's serious expression, the two of them did not dare to ask further. They just nodded non-stop like chickens pecking at rice.

In the following time, Qin Yu had to think of all ways to break through to the half-step martial Marquis Realm!

At the moment, Qin Yu's realm was already sufficient. If he could have enough Qi/spiritual energy or yin energy, then breaking through to the half-step martial Marquis realm would not be a problem at all.

After thinking about it, Qin Yu decided to go to Dongchuan for the time being.

The strategic significance of the water rhyme tower was great, and... There was definitely a secret in the water rhyme tower!

It was impossible for a single tower to have the same effect as the Enlightenment tea.

Last time, time was tight, so Qin Yu was unable to discover the secret in the water rhyme tower. This time, he had to find out what the water rhyme tower was hiding no matter what.

...

Hongzhou, Cangzao City.

This place was very close to Jingdu, but the topography was very different.

And in a remote plain in Cangzao city, there was an extremely large sect.

Although it was called a sect, in fact, it was similar to a company.

Not only did it have high-rise buildings, but it also had a large area of land.

This place was the largest sect in the north, the Saint Confucian school.

And behind them was the Yan family of Jingdu.

In the sect, a young man was kneeling on the ground.

In front of him, on a huge yellow rosewood chair, an old man in a Chinese tunic suit was sipping tea.

“He Teng, who is known as the number one person in the central plains,” the old man said faintly.

“I remember that the Saint Confucian school once sent you an invitation, but it was rejected. What, now that you’ve lost to Qin Yu, you want to join our Saint Confucian School?”

He Teng stood up and shook his head. “Elder Qu, you’ve misunderstood. I’m here to help your Saint Confucian school.”

Hearing this, a hint of displeasure flashed across elder Qu’s face.

“Help My Saint Confucian school? He Teng, aren’t you overestimating yourself a little too much?” Elder Qu said coldly.

He Teng wasn’t in a hurry. He smiled faintly and said, “I have a treasure that can help people raise their cultivation in a short period of time.”

“I and Qin Yu relied on this treasure to enter this realm in such a short period of time.”

“Elder Qu, you should know better than me what this treasure means to the Saint Confucian sect.”

Chapter 469: Chapter 469, the secret of the Water Melody Pagoda!

The information he teng had revealed was naturally extremely important.

However, as a high-ranking member of the sage Confucian school, elder Qu was naturally not a fool. He was extremely cautious in his actions.

“Why are you telling me all this?” Elder Qu asked with narrowed eyes.

He teng replied indifferently, “You don’t need to know. If you don’t believe me, you can just pretend that I didn’t say anything.”

After saying this, he teng turned around and was about to leave.

“He Teng!” At this time, elder Qu suddenly shouted!

He said coldly, “Do you think that you can challenge my Saint Confucian school just because you’ve stepped into the half-step Martial Marquis Realm?”

He Teng turned around and said with a faint smile, “Of course I don’t have this intention. As a large sect in the north, I know the existence of a martial marquis.”

“But... Elder Qu, you are not a martial marquis, are you? As a half-step martial marquis, I am not afraid of You.”

Then, he teng glanced around and continued, “No one here seems to be able to do anything to me.”

Elder Qu’s face turned colder. He looked at he teng coldly and said, “Young man, don’t think too highly of yourself!”

After saying that, he saw elder Qu wave his big palm and a sharp inner strength rushed toward he teng!

He Teng did not panic. He snorted coldly and raised his hand to welcome it!

“Boom!”

Suddenly, a burst of explosive sound came from the hall!

Elder Qu’s palm instantly vanished into thin air!

He Teng said with some pride, “Elder Qu, you are not my match.”

Elder qu said coldly, “Young people are arrogant and will easily attract trouble!”

“I don’t think so,”he teng said faintly.

The inflated he teng originally wanted to establish his own sect and become an existence that could rival or even surpass the Saint Confucianism sect.

Now, although he had lost to Qin Yu, it didn’t change his ambition.

However, elder Qu sneered. He put his hands behind his back and said slowly, “Do you think that you can talk nonsense in the Saint Confucianism sect without the appearance of Marquis Wu?”

He Teng remained silent and didn't comment.

“Then I'll show you how the Saint Confucianism sect can sit firmly as the number one sect in the north!” Elder Qu shouted. Suddenly, rays of light came from the surroundings of the Great Hall!

Powerful pressure was emitted from four different directions!

Weapons were hanging in four corners of the Great Hall!

“Buzz!”

As the pressure came, he Teng suddenly felt as if he was under a heavy burden. His body went soft, and with a “Plop”, he knelt on the ground!

He Teng tried to resist, but he found that this force could not be resisted at all!

“It's a weapon of a martial marquis, give up resisting...” a hoarse voice sounded in he Teng's mind.

Although a weapon of a martial marquis was only a weapon of a martial marquis, it contained a wisp of a weapon of a martial marquis!

This was definitely not something that a half-step martial marquis could compare to.

“Ah! !”

The pressure was still increasing, and he Teng's body was about to be crushed!

“Elder... Elder Qu, I know I'm wrong...”he teng hurriedly shouted.

Elder Qu waved his hand, and the four rays of light began to disappear.

“He Teng, do you understand the difference now?”Elder Qu said coldly.

He Teng didn't dare to say anything.

He knew that there was a huge difference between a half-step martial marquis and a martial marquis, but he never thought that just a martial marquis weapon could make him unable to move.

If elder Qu had the intention to kill, this martial marquis weapon could even directly take he Teng's life!

This was the characteristic of cultivation.

The higher the realm, the greater the difference.

If it was a talented grandmaster, they might be able to defeat a martial grandmaster.

But no one had ever been able to defeat a half-step martial marquis with a martial grandmaster.

And now, the weapon of a martial marquis could directly crush a half-step martial marquis. The difference was self-evident.

“Elder Qu, I was rash...”he teng lowered his proud head.

Elder Qu snorted lightly and said indifferently, “Tell me, what exactly is the treasure you’re talking about.”

He Teng clenched his teeth and immediately told him everything.

After elder Qu heard it, his eyes couldn’t help but shine.

“Is what you said true?” Elder Qu’s eyes were a bit excited.

“Absolutely true!” He Teng said.

Elder Qu was silent for a moment, then he waved his hand and said, “Ask Wu Qian to take his men and go to Dongchuan immediately.”

“Yes.” His men immediately agreed.

A hint of coldness flashed in he Teng’s eyes.

“Since I can’t take possession of the water rhyme tower, Qin Yu, don’t even think about taking it for yourself!” He Teng sneered in his heart.

...

At this moment, Qin Yu was taking a plane to Dongchuan.

On the way, he took out his phone and sent a text message to the Pavilion Master of the Divine Alchemist Pavilion.

“Lord Pavilion Master, I urgently need large quantities of herbs. I wonder if you can help me think of a way.” Qin Yu said in the text message.

Not long after, the pavilion master replied.

Her reply was extremely short, with only a simple “Yes.”.

After obtaining the Pavilion Master’s approval, Qin Yu could be considered to have heaved a sigh of relief.

The plane flew past high in the sky.

About three hours later, it finally arrived at Dongchuan.

Qin Yu did not waste any time. He took a taxi and headed straight for the Meng family manor.

The current Meng family manor had shockingly become an ownerless object.

After Qin Yu arrived, the place was already in ruins.

“Such a huge area is the most suitable for establishing a sect.” Qin Yu looked at the huge area occupied by the Meng family manor and couldn’t help but think in his heart.

With the water rhyme pagoda, it shouldn’t be a problem to create a powerful sect.

After that, Qin Yu walked towards the water rhyme pagoda.

Below the water rhyme pagoda, there was a row of martial grandmasters waiting there.

And within the water rhyme pagoda, there was a peak martial grandmaster scanning the surroundings.

This person was none other than the Saint Confucian school’s Wu Qian.

“It’s really like what he teng said.” Wu Qian’s eyes couldn’t help but be filled with excitement.

“No wonder he teng and Qin Yu’s cultivation is so fast. If I were in the water rhyme pagoda, I wouldn’t be much weaker than them!” Wu Qian felt a little inflated.

He quickly took out his phone and called Elder Qu.

“Elder Qu, everything is as he teng said,” Wu Qian said excitedly.

Elder QU agreed and said, “Okay, you stay in the water rhyme tower. I will go to Dongchuan immediately!”

“Yes!” Wu Qian shouted immediately.

After hanging up the phone, Wu Qian sat down cross-legged excitedly.

Such a good opportunity could not be wasted.

Under the Water Rhyme Pagoda, Qin Yu looked at the row of martial grandmasters and could not help but frown.

“Stop!” One of them shouted loudly.

“This place has been requisitioned by our Saint Confucian school. Get lost quickly!”

“Saint Confucian School?” Qin Yu frowned.

Was it that sect that was known as the largest sect in the north?

“Oh no, this water rhyme pagoda has actually been found out by them.” Qin Yu frowned.

No, he had to hurry up and dig out the secrets of this water rhyme pagoda. Otherwise, it would definitely be snatched away by the Saint Confucian school!

Thinking of this, Qin Yu directly smashed a head into pieces with a slap.

Chapter 470: Chapter 470, Hong Yi sect entering the border!

The sudden change gave the group of martial grandmasters who were in charge of guarding the gate a fright.

“What... What are you doing!” Someone exclaimed.

Qin Yu sneered and said, “I’m not doing anything. I’m going to kill all of you.”

Before he could finish his words, Qin Yu had already approached them.

He raised his hand and used the heaven swallowing technique. Several martial grandmasters turned into dried corpses in just a moment.

Unfortunately, the Great Grandmaster’s improvement to Qin Yu was no longer obvious. Its effect was almost zero.

“Perhaps the peak of the great grandmaster could still have some effect.” Qin Yu could not help but sigh in his heart.

“If only I could kill Marquis Wu.” Qin Yu thought in his heart.

Marquis Wu was the aurous core stage in the cultivation world.

Once he stepped into the aurous core stage, the aurous core would be born in his body.

At that time, as long as he swallowed Marquis Wu's aurous core, the effects would be unimaginable.

Of course, those were still too far away for Qin Yu.

Following that, Qin Yu pushed open the door of the water rhyme pagoda and walked upstairs in large strides.

On the fifth floor, Wu Qian was sitting cross-legged, absorbing the Qi/spiritual energy from the water rhyme pagoda.

His realm was slowly rising. Although the water rhyme pagoda had the effect of the Enlightenment tea, it also had a necessary connection with the talent of a martial artist.

Therefore, Wu Qian's speed was not as fast as he had imagined.

Just as he was immersed in it, a big hand reached over, grabbed his collar, and threw him out.

Wu Qian suddenly opened his eyes. He stared at Qin Yu in front of him and said in a cold voice, "Who are you? Are you courting death?"

Qin Yu sneered and said, "Get lost quickly. Don't come here again in the future."

Wu Qian's face turned cold, and he snorted and said, "Are you talking to me? Do you know who I am? I am a member of the Saint Confucian School!"

“Oh, right, you are a member of the Saint Confucian School.”Qin Yu suddenly came to a realization, as if he had thought of something.

Wu Qian thought that Qin Yu was scared by the name of the Saint Confucian school, so he snorted lightly and said, “Now You Know Fear? Get lost quickly, or don’t blame me for being rude!”

“No, no, no, you misunderstood.”Qin Yu grinned.

“I originally wanted to let you live, but since you are a member of the Saint Confucian school, I Can’t Let You Leave Alive.”Qin Yu sneered.

Wu Qian’s face changed, and he exclaimed, “You... What do you mean!”

Qin Yu sneered and said, “If I let you report the news to the Saint Confucian school, I’m afraid I’ll have even less time.”

As he spoke, Qin Yu walked toward Wu Qian step by step, and the killing intent on his body also exploded.

Sensing Qin Yu’s tyrannical internal Qi, Wu Qian said with some fear, “Who... who exactly are you? !”

Qin Yu didn’t reply, but only a golden fist responded to him!

Wu Qian’s expression changed greatly. He had nowhere to hide, so he could only react in a panic.

The two fists collided, and Wu Qian’s body was directly sent flying. His fist was even broken bones!

“Golden Light... you... you are that Qin Yu!”Wu Qian said in terror.

“You guessed right, but unfortunately, there is no reward.” Qin Yu grinned and said.

Wu Qian knew that the situation was not good. He turned around and wanted to run, but how could Qin Yu give him the chance.

A golden light flashed by, and a fierce golden palm landed on Wu Qian’s body.

This palm directly shattered half of Wu Qian’s body.

His bones were broken, and he couldn’t even stand up.

“Don’t... Don’t kill me!” Wu Qian shouted in terror.

Qin Yu had long been tired of hearing such begging words.

He didn’t pay any attention to Wu Qian, and raised his hand to use the heaven swallowing technique.

After dealing with Wu Qian, Qin Yu did not dare to waste any more time.

He took out Wu Qian’s phone and flipped through the call records.

The first one was elder Qu of the Saint Confucian school.

“It seems that he has already informed the elders of the Saint Confucian school.” Qin Yu could not help but frown.

It would take six hours at most to rush from the Saint Confucian school to Dongchuan.

“I must find out the secret of the water rhyme tower within these six hours.” Qin Yu threw his phone to the side.

He released his spiritual sense and began to search the water rhyme tower.

Time passed by minute by minute. Qin Yu walked up and down the five levels, but found nothing.

For two whole hours, Qin Yu found nothing.

The entire water rhyme tower was empty, but no matter which level he walked on, he could feel his realm slowly rising.

The effect was not much different. The only difference was that the Qi/spiritual energy on the fifth floor was denser.

“Strange.” Qin Yu frowned.

“Could it really be the effect of this tower?” Qin Yu thought to himself.

“I can’t just take this tower away, right?” Qin Yu couldn’t help but mutter.

Thinking of this, Qin Yu leaped and flew out of the water rhyme tower.

Looking at this huge tower that reached into the clouds, Qin Yu was troubled for a moment.

Time passed by minute by second, and in the blink of an eye, four hours had passed.

“I’m afraid I don’t have much time left.”Qin Yu couldn’t help but feel a little anxious.

Four hours, he didn’t discover anything at all.

“There’s no other way.”Qin Yu wanted to give up at one point.

Sitting in the water rhyme tower, Qin Yu closed his eyes slightly, as if he was thinking about something.

A few minutes later, Qin Yu’s eyes suddenly opened!

“Since you can’t take away the water rhyme tower, then think of a way to keep the water rhyme tower!”Qin Yu said coldly.

He had no other way, so he could only settle for the second best.

And if he wanted to keep the water rhyme tower, there was only one way, and that was to use the formation!

Qin Yu’s inheritance had countless formations, and among them, there were countless mountain protecting formations!

If he could set up a heaven-grade killing formation, then there would be no worries!

Even if he established a sect in Dongchuan in the future, he could still protect the sect’s safety!

Thinking of this, Qin Yu quickly found a large formation.

The name of the formation was the nine Netherworld killing formation. This formation could draw upon the Qi of heaven and earth to defend against external enemies.

It was rumored that during the war years, there was once a person with profound spells who set up this formation and relied on this formation to defend against hundreds of thousands of soldiers!

“This is it.” Qin Yu thought in his heart.

However, the arrangement of the nine Netherworld killing array was not simple. Even if Qin Yu knew the method, it would take at least three days.

At this moment, Qin Yu suddenly felt an internal Qi approaching from not far away.

One, two, three... a total of six people!

“HMM? There’s only one half-step martial marquis?” Qin Yu keenly sensed the internal Qi of the other party!

“If there’s only one half-step martial marquis, I have nothing to be afraid of.” Qin Yu grinned coldly.

After that, Qin Yu leaped out of the water rhyme tower.

He stood at the entrance of the water rhyme tower and quietly waited for the arrival of the Saint Confucian school.

At this moment, Qin Yu’s phone suddenly rang.

He picked up the phone and saw that the caller was actually Uncle Wu.

“Why did Uncle Wu suddenly call me?” Qin Yu couldn’t help but frown.

He picked up the phone and picked up the call.

Then, he heard Uncle Wu say from the other end, “Qin Yu, I just received confirmation that the people from Hong Yi sect have entered the country.”

Chapter 471: Chapter 472, the arrival of the sage Confucian school!

Hearing this, Qin Yu’s face couldn’t help but flash with a trace of solemnity.

The people of the Hong Yi School had already entered the border? Those ten half-step martial marquises?

“Qin Yu, where are you now? I’ve discussed it with Commander Long, and I plan to let you enter the Military District to hide first,” uncle Wu said in a deep voice.

“At the same time, we’ll send people to capture the people of the Hong Yi School.”

This was a good idea, but Qin Yu couldn’t agree to it.

This was because there wasn’t much time left for Qin Yu. He didn’t know how long he would have to hide for.

Therefore, no matter what, Qin Yu had to step into the half-step Marquis realm as soon as possible.

“Uncle Wu, thank you for your kindness.”Qin Yu took a deep breath.

“But I can’t enter the Military District now.”

Uncle Wu on the other end of the line was stunned and asked in confusion, “Why?”

Qin Yu said in a deep voice, “There’s still more than a month before Yan Ruoxue and Han Wei’s wedding day. I can’t afford to delay it.”

“Although the military district is safe, at the same time, there will be a shortage of resources.”

“So... I can’t accept your kind offer.”

Uncle Wu on the other end said somewhat speechlessly, “Qin Yu, if you die, there will be nothing left!”

Qin Yu was silent for a moment before saying, “I will think of a countermeasure.”

At this moment, elder Qu, who was not far away, had already walked over.

Their speed could not be considered fast, but it was definitely not slow.

“Uncle Wu, I Won’t talk to you for now. There are still some matters here.”

After saying this, Qin Yu hurriedly hung up the phone.

Then, Qin Yu stared at the group of people in the distance, quietly waiting for their arrival.

After more than ten minutes, they finally arrived in front of Qin Yu.

The leader was an old man wearing a Chinese tunic suit. His face was cold, and his bearing was extraordinary. The temperament of a superior could be seen at a glance.

“Who are you?” Elder Qu took the lead and asked coldly.

Qin Yu pointed at the water rhyme pagoda behind him and said, “I am the master of this pagoda.”

“You are the master of this pagoda?” Elder Qu frowned slightly.

He snorted coldly and said, “How come I have never heard of this water rhyme pagoda having a Master?”

“I’m sorry, it didn’t have a master before, but now it does,” Qin Yu said in a neither servile nor overbearing manner.

“The sage Confucian school is known as a reputable and righteous sect. I believe that you won’t act like bandits, right?” Qin Yu said with a grin.

Elder Qu’s expression immediately turned ugly.

The sage Confucian school was known to have gathered all the sage Confucian schools in the world, so they naturally wouldn’t do anything like plundering.

However, in reality, that was just an announcement to the outside world. What they did behind the scenes were all shameless acts.

“Cut the crap. Our Saint Confucian sect has commandeered this water rhyme tower,” said a martial grandmaster coldly.

Qin Yu was not in a hurry. He smiled and said, “Don’t tell me you want to rob it by force? Aren’t you afraid of ruining your Saint Confucian sect’s reputation?”

“As long as I kill you, this water rhyme tower will no longer have an owner. At that time, it won’t be considered a robbery,” said the martial grandmaster with a grin.

Qin Yu couldn’t help but squint his eyes.

“As expected, the crows in the world are as Black as crows,” Qin Yu said with a sneer.

Elder Qu wasn’t angry. He said indifferently, “Young Man, this society is far more complicated than you think. Sometimes, reputation is more valuable than a life.”

Qin Yu raised his eyebrows and said, “What if I’m willing to hand over the water rhyme pagoda now?”

“Do you think you still have a chance?” Elder Qu took a step back. The Martial Grandmaster immediately rubbed his fist and walked towards Qin Yu.

“Kid, Don’t blame me for being ruthless. If you want to blame someone, blame yourself...”

“Pa!”

Before the Martial Grandmaster could finish his words, Qin Yu had already smashed his head into pieces with a slap!

“Do you really think I’m easy to bully?” Qin Yu sneered.

Everyone’s expression changed drastically! For a moment, no one made a move!

To kill a great grandmaster with a single slap, this person was definitely not an ordinary person!

Elder Qu frowned slightly and said coldly, “Who exactly are you?”

“My name is Qin Yu.” Qin Yu did not conceal anything at all.

Hearing this name, everyone’s expression changed drastically again!

“You are Qin Yu?” Elder Qu’s brows furrowed tightly.

Countless thoughts quickly flashed through his mind.

Very quickly, elder Qu changed his appearance.

He smiled and said, “So you are the famous Qin Yu. To tell you the truth, our Saint Confucianism sect has always been interested in you. I didn’t expect to meet you here.”

Seeing elder Qu’s crafty appearance, Qin Yu sneered in his heart.

If this was in the past, Qin Yu would definitely be deceived by his “Kind-looking” expression.

But the current Qin Yu was no longer that silly kid from the past.

Qin Yu knew clearly what elder Qu, this old Fox, was thinking in his mind.

“Qin Yu, I wonder if you are interested in joining our Saint Confucian School?” Elder Qu said with a smile.

Qin Yu was silent for a moment before saying, “Elder Qu, why don’t we get straight to the point?”

“You want this water rhyme pagoda, right?” Qin Yu asked.

Elder Qu was stunned for a moment before saying in a deep voice, “That’s right. This water rhyme pagoda is extremely important to our Saint Confucian school. If you are willing to give it to us, I can fulfill one condition of yours.”

“Are you serious?” Qin Yu raised his eyebrows and asked.

Elder Qu nodded and said, “Absolutely! As long as you are willing to give the water rhyme pagoda to the Saint Confucian School!”

“Okay.” Qin Yu nodded.

He said in a deep voice, “First, I need to cultivate in the water rhyme pagoda for three days. After three days, I can give the water rhyme pagoda to you.”

Elder Qu smiled and said, “Of course, no problem.”

Qin Yu continued, “Second, I want a stalk of ten-thousand-year-old herbs.”

Hearing this, elder Qu almost spat out a mouthful of blood!

Ten-thousand-year-old herbs? Why didn't you F * cking snatch it?

Although he thought so in his heart, elder Qu still agreed, "Alright, no problem!"

After getting elder Qu's confirmation, Qin Yu couldn't help but sneer in his heart.

As expected, this old bastard had no intention of negotiating with Qin Yu!

The Saint Confucian sect would never agree to a stalk of ten-thousand-year-old herbs!

There was only one reason why elder Qu agreed so straightforwardly, and that was because he wouldn't give it to him at all!

Everything he said was just a delaying tactic.

"That's fine. In any case, I have no intention of giving the water rhyme tower to you. We don't owe each other anymore," Qin Yu thought in his heart.

"Qin Yu, how about this? I'll send someone back to the Saint Confucianism sect to get the medicine," elder Qu said with a smile.

Qin Yu nodded and said, "Of course, no problem."

"Okay, just wait for the Good News," elder Qu said with a smile.

Qin Yu didn't say anything. He turned around and walked into the Water Melody Pagoda. He closed the door heavily.

“The Venerable Mountain of the Five Mountains!”

Qin Yu’s mind moved, and the Venerable Mountain of the Five Mountains fell into his hands.

Then, Qin Yu gently pushed the Venerable Mountain of the Five Mountains forward, blocking the water rhyme tower’s door.

...

Outside the door, the disciple of the Saint Confucian school couldn’t help but ask, “Elder Qu, why did you agree to so many rude requests of him?”

Elder Qu glanced at him and snorted coldly, “Not long ago, he teng almost died in the hands of this Qin Yu. If I fight him head-on, I won’t get any benefits. I might even die here!”

His subordinates suddenly realized, “So it’s a delaying tactic!”

Elder qu said coldly, “The few of you, return to the Saint Confucian school immediately and bring me the Marquis Weapon!”

“Yes!” The few of them received the order and turned around to leave.

Looking at this water rhyme tower, elder Qu couldn’t help but stroke his beard and sneer.

“You want ten-thousand-year-old herbs? You want the F * ck!” Elder Qu sneered in his heart.

Chapter 472: Chapter 472, the three pure ancient tree

Inside the water rhyme tower, Qin Yu's thoughts were the same as elder Qu's.

“You want the water rhyme tower? What the F * ck do you want!” Qin Yu snorted lightly.

During the conversation with elder Qu just now, Qin Yu suddenly thought of a possibility.

Could there be a secret hidden under the water rhyme tower?

Elder Qu's men would need at least twelve hours to go back to Dongchuan to get reinforcements.

Qin Yu planned to use these twelve hours to try and see if the secret was hidden under the Water Melody Pagoda.

After everything was ready, Qin Yu began to work.

His palm flickered with light, and fierce spiritual energy gathered on Qin Yu's fist.

In the next second, Qin Yu threw a punch at the ground!

“Boom!”

The entire ground shook! It was as if an earthquake had occurred!

Cracks began to appear on the ground.

“What a hard ground.” Looking at the cracks on the ground, Qin Yu could not help but turn pale with fright!

If it was an ordinary ground, this punch would probably shake the entire area, right ?

Without much time to think, Qin Yu continued to clench his fist and smash it at the ground.

“Boom!”

Another loud sound! This time, the entire shuiyun tower trembled slightly!

“Damn it, could it be that this kid wants to destroy the Shuiyun Tower?” Outside the door, elder Qu’s expression changed and he couldn’t help but curse in a low voice.

“Boom!”

Another punch!

After three consecutive punches, the ground still couldn’t be shattered!

“Strange.” Qin Yu couldn’t help but frown.

What exactly was this ground made of? How could it be so sturdy?

Even if it was steel, it wouldn’t be able to withstand Qin Yu’s three punches!

“I don’t believe that I can’t Break It!” Qin Yu snorted coldly. The energy in his entire body was gathered, and his fists shone with a dazzling golden light.

“Absolute beginning Holy Fist!”

Along with Qin Yu's furious roar, the ground began to buzz, and the entire water rhyme tower was on the verge of collapsing!

“Crash!”

The ground was like an eggshell as it fell down layer by layer!

One could see that there was another world beneath the ground!

“The secret is indeed hidden under the Harmony Pagoda!” Qin Yu was instantly overjoyed!

The ground flickered with a dark light, and a strange aura came gushing over!

The increase in internal Qi brought by the harmony pagoda came from beneath the ground!

Qin Yu didn't think too much and immediately jumped down.

Under the Water Melody Pagoda, there was a dim dark green light.

Qin Yu followed the light and walked forward.

After a while, he found the source of the light.

He saw a palm-sized small tree in front of him.

The body of the tree was sparkling and translucent green, and it was emitting waves of internal Qi like Dao Enlightenment tea.

As he approached the small tree, Qin Yu felt his state of mind suddenly become clear and bright, and everything became clear.

“The secret of the water rhyme tower comes from this small tree.” Qin Yu gazed at the small dark green tree and couldn’t help but feel a little excited.

“As long as I take this small tree away, this water rhyme tower will no longer have any value. What the sage Confucian school obtained will only be an empty shell!” Qin Yu sneered in his heart.

Thinking of this, he immediately stretched out his hand and prepared to take this little tree away.

However, just as Qin Yu’s hand was about to touch the little tree, a large saber appeared in mid-air!

The Sharp Saber light instantly forced Qin Yu back!

“No one is allowed to get close to the three pure ancient tree!” A cold voice came from not far away!

Raising his head, he saw a man wearing old clothes walking over.

“This is... a Guardian?” Qin Yu could not help but be stunned.

It was said that the supreme treasure would give birth to a spirit body responsible for protecting the treasure. This spirit body was known as The Guardian.

Qin Yu had heard of the Guardian, but he had never seen it before.

Seeing it today, he was naturally shocked.

“So this is called the three pure ancient tree,” Qin Yu said in a low voice.

Then, Qin Yu looked at the Guardian and said in a negotiating tone, “This three pure ancient tree is very important to me. Why Don’t You Give It to me?”

The Guardian immediately shouted, “No one is allowed to get close to the three purities ancient tree!”

After saying that, he chopped down again from the sky!

Qin Yu hurriedly jumped to the side and muttered, “Quite a temper...”

“Leave quickly!” The Guardian held the long saber in his hand and pointed it at Qin Yu.

Qin Yu touched his chin and said in a low voice, “It seems that I can’t take this three purities ancient tree away without defeating you.”

“Then... I can only offend you!”

Before he could finish his words, a golden light burst out from Qin Yu’s body!

“Come, let me see what you are capable of as a dao protector!” Qin Yu sneered.

“Swoosh!”

The dao protector immediately threw a steel knife towards Qin Yu.

Qin Yu’s feet stepped on the ground and shrunk into an inch, easily dodging it.

In the next second, Qin Yu's fist arrived in front of the head of the Dao Protector!

“Sorry for offending you!”

The Golden Fist smashed fiercely towards the Guardian's head with the force of crushing a dead branch!

With a crisp cracking sound, the Guardian's head directly exploded and his body fell straight down. After that, his body vanished into thin air.

“So it's just a facade,” Qin Yu couldn't help but mutter as he looked at the fallen guardian.

Then, Qin Yu walked quickly to the three purities ancient tree.

The moment he stretched out his hand, another steel saber appeared in the air!

This saber strike was much stronger than before! The terrifying saber light left white marks on Qin Yu's body!

“No one is allowed to get close to the three purities ancient tree. Leave quickly!”

That familiar voice sounded again!

Qin Yu's expression changed as the Dao Protector appeared once more!

“How could this be?” Qin Yu immediately cried out bitterly.

He had killed one, so why did another one appear?

Without any time to think, Qin Yu used the same trick again and smashed the Dao Protector's head into pieces.

However, when Qin Yu got close to the three purities ancient tree for the third time, the DAO protector was reborn!

Just like that, Qin Yu killed the Dao Protector eleven times in a row, but was still unable to obtain the three purities ancient tree.

“Something's wrong.” Qin Yu panted heavily as he looked at the dao protector who had reincarnated for the twelfth time.

It seemed that every time the dao protector revived, his strength would increase by a lot.

The Dao Protector who had appeared for the first time couldn't hurt Qin Yu at all. His long saber landed on Qin Yu's body, not even leaving a single white spot.

But the Dao Protector who had appeared for the eleventh time was able to break through Qin Yu's body's defense.

“Boom!”

Another punch shattered the Dao Protector's head. However, in less than half a minute, the Dao Protector appeared again.

“This won't do. If this goes on, I'll definitely be exhausted to death here!” Qin Yu's expression was somewhat ugly.

He stared at the three pure ancient tree in the distance and muttered in a low voice, “Should I just give up? Absolutely Not!”

As long as he obtained this three pure ancient tree, Qin Yu had the confidence to step into the half-step martial Marquis Realm before September 9th!

Therefore, he had to get his hands on the three pure ancient tree no matter what!

Chapter 473: Chapter 473 had finally been found!

“No one is allowed to touch the three pure ancient tree!” that fierce shout sounded again, and it launched an even more ferocious attack toward Qin Yu!

Qin Yu dodged while thinking of countermeasures.

However, at this time, the strength of the Dao Protector had greatly increased, and it was even close to the half-step martial Marquis Realm!

Qin Yu was multitasking, and in the end, the Dao Protector seized the opportunity.

“Clang!”

A fierce steel blade forcefully struck Qin Yu’s shoulder.

A bloody scar instantly appeared on his shoulder, and even his bones were slightly damaged.

“This won’t do. If this continues, I won’t have a chance to take the three purities ancient tree.” Qin Yu’s expression was somewhat unsightly.

He had never expected that this dao protector would be so difficult to deal with.

“It won’t work if I try to snatch it by force. I can only think of a way to outsmart him.” Qin Yu’s feet shrunk to an inch as he retreated at high speed.

He released his divine sense in an attempt to find a weak spot on this Dao Protector’s body.

Unfortunately, this dao protector was only a spirit body, so he couldn’t find any weak spot at all.

“Bang!”

Another steel blade brushed past Qin Yu’s forehead and struck the huge rock on his body.

The huge rock shattered with a sound.

Qin Yu took a few steps back and could not help but wipe the sweat off his forehead.

“Buzz!”

The dao protector was once again approaching at a speed several times faster!

Qin Yu had nowhere to hide and could only clench his fist to meet the Attack!

“Boom!”

Qin Yu clenched his Golden Fist and smashed it onto the head of the Dao Protector.

This time, the Dao protector was not directly blasted apart but only took a few steps back.

“Oh No.” Seeing this situation, Qin Yu felt even more uneasy.

If he were to be killed again, Qin Yu would not be a match for the reborn Dao Protector!

“Leave quickly!” The dao protector seemed to have been angered by Qin Yu. He held the steel knife in his hand and slashed at him in a disorderly manner.

Qin Yu did not dare to kill him, nor did he dare to fight head-on. He could only Dodge everywhere.

The surrounding environment was smashed into smithereens. In a short moment, it was extremely chaotic.

The Dao Protector’s attack still didn’t have any intention of stopping. He wouldn’t stop until Qin Yu was forced to retreat.

“Eh?”

At this moment, Qin Yu’s eyes lit up!

He was surprised to find that the surrounding environment seemed to be somewhat strange!

“That huge rock was clearly smashed just now, but now it’s actually intact?” Qin Yu stared at that huge rock, his eyes filled with astonishment!

He quickly scanned his surroundings.

As expected, the environment that was messed up by the Dao Guardian was slowly recovering!

“I understand!” Seeing this scene, Qin Yu suddenly understood!

In this environment, not only could the dao guardian be reborn, but everything in the environment would be reborn.

And the Dao Guardian was just like the huge rock, just a part of this environment!

“I understand.” Qin Yu leaped into the air.

“I took the wrong path and mistakenly thought that the problem was with the Dao Protector,” Qin Yu said in a deep voice.

In reality, the real problem was the environment!

In other words, a formation had been set up here. As long as the formation wasn’t broken, everything inside could be reborn indefinitely!

“Any formation has a core. As long as the core is broken, the dao protector will naturally disappear.” A relieved smile appeared on Qin Yu’s face.

“Leave quickly!” The Dao Protector once again closed in on Qin Yu!

Qin Yu's feet shrunk to an inch as he continuously dodged.

At the same time, he released his divine sense, covering the entire environment in an attempt to find the core of the formation.

“Clang!”

Under such circumstances, Qin Yu's speed suddenly decreased by a lot. The Dao Protector slashed at Qin Yu's chest again.

Qin Yu didn't care about it. He focused all his attention on finding the eye of the formation.

“Could it be that crystal?” Qin Yu frowned and looked at the crystal that was flickering not far away.

He didn't dare to confirm, so he could only hold the golden light in his hand and throw a punch.

The crystal shattered, but the dao protector showed no signs of disappearing.

“It really isn't.” Qin Yu frowned.

It was true. The formation eye couldn't be so eye-catching.

“Or is it that piece of gravel?”

Qin Yu was like a headless fly, constantly shattering the surrounding environment.

For an entire hour, Qin Yu was already panting from exhaustion, but he didn't find the formation eye at all. Instead, he angered the Dao Protector.

“Strange.” Qin Yu wiped the sweat off his forehead as he fled.

His expression was somewhat unsightly. Everything in the surroundings, big and small, had been shattered into pieces, yet he was still unable to find the location of the core of the formation.

“Where is the core of the formation...” Qin Yu muttered in a low voice. His face couldn't help but reveal some anxiety.

If this continued, he was afraid that he would really die here!

“Buzz!”

The Dao Protector's steel blade ruthlessly struck Qin Yu's head.

Qin Yu instantly felt as if his brain had been struck by a heavy blow, and he almost fell to the ground.

“Damn it!”

This action completely infuriated Qin Yu. He clenched his Golden Fist and suddenly smashed it towards the Dao Protector!

With this punch, the Dao Protector finally fell down and slowly disappeared from this environment.

However, in less than half a second, the Guardian appeared again!

And this time, the strength of the Guardian had reached an unbelievable stage!

“Half-step martial marquis!”

Feeling the internal Qi of the Guardian, Qin Yu’s face was extremely ugly!

With his current state, it was not so easy to defeat a half-step martial marquis!

“Leave quickly!” The Guardian roared.

Qin Yu didn’t dare to be negligent and looked at the guardian in front of him with a grave expression.

At this moment, Qin Yu suddenly seemed to have thought of something.

His eyes lit up and he raised his head to look at the towering water rhyme tower!

“Could it be... the water rhyme tower is the core of this formation? !” Qin Yu exclaimed.

Other than this, Qin Yu couldn’t think of any other possibilities!

As the saying goes, the most dangerous place is the safest place. This array’s core could very well be this water rhyme pagoda!

“Whatever, I can only fight to the death.” Qin Yu took a deep breath and muttered in a low voice.

Thinking of this, his feet shook and he hurriedly leaped up.

With a leap, Qin Yu arrived on top of the water rhyme pagoda.

Then, he put away the venerable mountain of the Five Mountains and walked out of the door.

Outside the door, elder Qu was looking at Qin Yu with eager eyes.

After seeing Qin Yu leave, elder Qu smiled and said, “Qin Yu, how is it? Is it over?”

Qin Yu didn't say anything.

Elder Qu would definitely not agree to destroy the water rhyme pagoda.

This scene could no longer be played out. Naturally, there was no point in trying to curry favor with elder Qu.

Qin Yu's feet shook, and his body rose into the air.

He stared at the Water Melody Pagoda, his entire body surging with energy.

Golden Light lingered in the air, as if a second sun had appeared.

And the Golden Light held in his fist emitted an intense deterrence!

Seeing this scene, elder Qu immediately felt that things were not looking good.

He said somewhat nervously, “Qin Yu, what... What do you want to Do?”

Qin Yu ignored him and whispered, “I can only give it a try.”

Before he could finish his words, Qin Yu's fist came crashing down on the water rhyme tower!

“Boom!”

In an instant, the entire water rhyme tower was on the verge of collapsing, and countless pieces of gravel fell down!

“Qin Yu, what the hell are you trying to do!” Elder Qu was instantly anxious. His palm was surrounded by light, and he had the intention to attack.

Qin Yu couldn't care less about elder Qu. He could only use all his strength to smash at the Water Melody Pagoda again!

Boom

Under this punch, the Water Melody Pagoda finally couldn't take it anymore and began to collapse!

Chapter 474: Chapter 474, ancient tree in hand!

Looking at the collapsed Shuiyun Pagoda, elder Qu immediately became anxious!

“Qin Yu, F * ck me!” Elder Qu's pupils constricted as he cursed!

An intense light burst out from his palm as he charged towards Qin Yu!

Qin Yu immediately clenched his fist and charged forward.

“Boom!”

With a loud sound, Qin Yu's figure immediately retreated a few steps. He let out a muffled groan as fresh blood flowed out from the corner of his mouth.

Elder Qu was, after all, a half-step martial marquis. Furthermore, Qin Yu's current condition was not good. Naturally, he would be at a disadvantage.

“I'm going to kill you!” Elder Qu roared crazily.

Qin Yu did not dare to waste any time. He hurriedly stepped on the ground and shrunk into an inch. He quickly rushed into the ruins and arrived below the first level of the water rhyme pagoda.

At this moment, the environment here had changed drastically!

The landscape-like scene from before had disappeared. What replaced it was a muddy scene.

The Dao Protector had also disappeared without a trace.

“As expected.” Qin Yu was overjoyed!

He had made the right bet!

The water rhyme tower was the core of the array!

Qin Yu hurriedly walked up to the three purities ancient tree and reached out to pluck it, stuffing it into his spatial artifact.

“Don't even think about running! I'm going to kill you!” Elder Qu's voice came from outside.

Qin Yu's expression was solemn, and he said in a low voice, "We have to think of a way to escape first."

Thinking up to this point, Qin Yu used his internal Qi, and once again used shrinking earth into an inch, running away!

"You want to run? In your dreams!" Looking at Qin Yu who was running away, elder Qu's expression was extremely cold.

Then, he took a step forward and quickly chased after him.

However, Qin Yu's shrinking the ground into an inch was a godly skill. How could elder Qu compare to him?

The distance between the two of them grew further and further. In less than five minutes, Qin Yu had completely disappeared from elder Qu's sight.

Elder Qu panted heavily, his expression extremely cold.

The people beside him also quickly caught up.

"Elder Qu, what should we do?" Someone asked.

A trace of ruthlessness flashed across elder Qu's old face.

He narrowed his eyes and said coldly, "I will definitely kill him! Go to the airport! I don't believe that he can escape to the ends of the Earth!"

...

On the other side, Qin Yu only dared to stop after escaping for dozens of miles.

At this time, the spiritual energy in his body had completely depleted, and he fell to the ground without any strength to speak of.

The consumption of shrinking the ground into an inch was simply too great, and he could not hold on for too long.

“I’ll think of a way to leave Dongchuan first.”Qin Yu took a deep breath.

He hurriedly hailed a car and rushed towards the airport.

On the way, Qin Yu tried to send a message to the pavilion master of the Medicine God Pavilion.

“Pavilion Master, I’m in trouble now. I’ve provoked the Saint Confucian school and the Hong Yi School. Can I go to the Medicine God Pavilion to hide?”Qin Yu asked tentatively.

After all, the Saint Confucian school was the number one sect in the north. The Hong Yi School had ten half-step martial marquises taking the initiative. Qin Yu didn’t know if the Divine Alchemist pavilion would be able to handle it.

After a short while, the pavilion master replied, “Okay.”.

It was still a short word, but it made Qin Yu sigh in relief.

“I’ll have to trouble the Divine Alchemist Pavilion again.”Qin Yu smiled bitterly in his heart.

Qin Yu didn’t know much about the strength of the Divine Alchemist Pavilion. He only knew that their connections were extremely strong.

But it was hard to say whether this matter could be withstood.

They arrived at the airport. Qin Yu bought the fastest plane and rushed towards Qinghe town.

Less than five minutes after Qin Yu boarded the plane, elder Qu and the others also arrived at the airport.

With the connections of the Saint Confucian school, it was not difficult to find a person. Therefore, elder Qu quickly found out Qin Yu's destination.

“Qinghe Town?” Elder Qu narrowed his eyes.

“He is going to the Divine Alchemist Pavilion,” the person beside him said in a deep voice.

Elder Qu snorted and said, “So what if he is going to the Divine Alchemist Pavilion? If he goes against our Saint Confucian school, he will only die!”

Then, elder Qu bought a plane ticket and headed straight for Qinghe Town!

...

On the plane, Qin Yu finally got some rest.

“That was close,” Qin Yu sighed.

Fortunately, he had obtained the three purities ancient tree, so everything was not in vain.

“As long as I have the three purities ancient tree and the herbs from the divine alchemist pavilion, it shouldn’t be difficult to step into the half-step martial Marquis Realm.”

Thinking of this, Qin Yu couldn’t help but smile.

With this blissful smile, Qin Yu quickly fell asleep.

When Qin Yu woke up again, he had already arrived at the airport.

Qin Yu didn’t dare to waste time. He hailed a car and headed straight for the Divine Alchemist Pavilion.

It could be said that Qin Yu and elder Qu were at the front foot and the back foot. The time difference was less than half an hour.

“Elder Qu, going to the Divine Alchemist pavilion is of great significance. Why don’t... We first greet the sect master?”The person beside said.

Elder Qu snorted coldly and said, “There’s no need. If she doesn’t give face, it’s not too late to look for the sect master.”

...

He returned to the Divine Alchemist Pavilion once again.

Standing at the entrance of the Divine Alchemist Pavilion, the medicinal fragrance that assaulted his face couldn’t help but make Qin Yu take a deep breath.

“Elder Qin!”

After seeing Qin Yu, countless pharmacists came forward to greet him.

“Elder Qin, you’re back!”

“Elder Qin, ever since you left, there have been endless legends! You’re Too Amazing!”

“Elder Qin...”

Everyone surrounded Qin Yu, taking Qin Yu as their idol and role model.

Qin Yu responded politely one by one. After a long time, the crowd dispersed.

They arrived at the pavilion master’s building.

Qin Yu opened his mouth and was about to shout when the Medicine Boy’s voice came from above, “Elder Qin, come up. The pavilion master has been waiting for you for a long time.”

Hearing this voice, Qin Yu scratched his head in embarrassment.

He jumped deep into the building.

He saw the pavilion master sitting there with a cup of black tea in his hand.

“Lord Pavilion Master.” Qin Yu walked forward and bowed slightly.

The pavilion master pointed at the chair with his chin and said, “Sit.”

Qin Yu hurriedly sat opposite the pavilion master.

Neither side said anything, and the atmosphere was a little awkward.

A moment later, Qin Yu broke the deadlock and said, “Lord Pavilion Master, I . . . I want to borrow the herbs of the divine alchemist pavilion... Don’t worry, I will return them to you as soon as possible!”

The pavilion master glanced at Qin Yu and said indifferently, “Ordinary herbs are no longer effective on you now.”

Qin Yu smiled bitterly and said, “Yes, I don’t know why, but my Dantian needs a lot of Qi/spiritual energy.”

The pavilion master slowly stood up and said indifferently, “If you want to improve your cultivation in a short period of time, there is only one way.”

Qin Yu hurriedly looked at the pavilion master, his eyes filled with admiration.

The pavilion master extended his jade finger and pointed at the distant warehouse.

“That place might be useful to you,” the pavilion master said indifferently.

Hearing this, Qin Yu’s pupils immediately constricted!

Warehouse ?

One had to know that all the herbs in the Divine Alchemist pavilion were born from that warehouse. The density of the Qi/spiritual energy inside was beyond imagination!

Chapter 475: Chapter 475, you are not qualified

Qin Yu stood up excitedly and said with some excitement, “Pavilion Master, is what you said true?”

Pavilion master said indifferently, “What do you think?”

Qin Yu didn’t even know what to say for a moment.

He hurriedly bent down and said respectfully, “Thank you, Pavilion Master, your great kindness...”

“That’s enough.”The Pavilion Master Interrupted Qin Yu’s words.

She sized up Qin Yu and said indifferently, “But I have a request.”

Qin Yu immediately nodded and said, “Let alone one request, ten requests will do!”

“Don’t be in a hurry to agree.”The pavilion master said with a faint smile.

“This request is not simple.”

Qin Yu said with a smile, “Pavilion Master, you have helped me so much. Even if you want me to go up a mountain of knives or into a sea of fire, I’m Willing!”

Pavilion master didn’t say anything more. She said indifferently, “There’s no rush. It’s still early. I’ll inform you when the time comes.”

“Okay!”Qin Yu nodded vigorously.

At this moment, Qin Yu seemed to have thought of something.

He hurriedly took out the three pure ancient tree and handed it to pavilion master.

“Lord Pavilion Master, this is a treasure I just obtained. It’s called the three pure ancient tree,”Qin Yu said.

Hearing this, a hint of surprise flashed in Pavilion Master’s eyes.

She took the three pure ancient tree and carefully examined it.

The three pure ancient tree in pavilion master’s hand flickered with an emerald green light, forming a sharp contrast with pavilion master’s Fair and tender hand.

“It really is the three pure ancient tree.”Pavilion master was even more surprised.

“You have to hide this thing well,”pavilion master said in a deep voice.

“Once it is spread out, it will definitely attract a disaster.”

Seeing the pavilion master’s serious expression, Qin Yu did not dare to be negligent.

He hurriedly nodded and said, “Now only the two of us know about this three pure ancient tree.”

At this point, Qin Yu said with some doubt, “Pavilion Master, do you know the origin of this three pure ancient tree?”

The Pavilion Master was silent for a moment before he slowly said, “It is said that the three purities ancient tree is a divine tree used by Daoists to comprehend Dao.”

“This tree has an extremely strong growth rate, and its effects will increase as well.”

After saying that, the pavilion master sized up the three purities ancient tree in Qin Yu’s hand and continued, “The tree in your hand is still in its embryonic form. There is a lot of room for it to grow in the future.”

Just an embryonic form had such an effect. If it grew and took shape, wouldn’t the effect be beyond imagination? !

“Put it away,” said the pavilion master.

“Remember my words. This three pure ancient tree must not be known by a third person. Otherwise, it will definitely attract a disaster.”

“When that time comes, I won’t be able to protect you.”

Qin Yu hurriedly nodded and said, “I understand, pavilion master.”

Just as the two of them were conversing, an medicine boy suddenly ran over.

“Pavilion Master, elder Qu of the sage Confucian school requests an audience,” the medicine boy said softly.

Qin Yu smiled bitterly and said, “He’s here to look for me.”

The pavilion master was not surprised. She glanced at Qin Yu and said, “Go and rest first. I’ll bring you to the warehouse tonight.”

“Okay.” Qin Yu nodded.

Then, he said worriedly, “Lord Pavilion Master, you... You Be careful.”

The pavilion master didn't say anything. Her body was as light as a swallow as she lightly jumped down from the pavilion.

...

In the hall.

Elder Qu and a few disciples of the sacred Confucian school were sitting there drinking tea.

A few pharmacists beside them served tea and didn't dare to be negligent.

At this moment, the pavilion master lightly walked in.

Upon seeing the pavilion master, elder Qu smiled faintly and stood up, saying, “Greetings, Pavilion Master of the Divine Medicine Pavilion.”

The pavilion master nodded slightly, and then sat opposite elder Qu. He went straight to the point and said, “Why has elder Qu come to My Divine Medicine Pavilion?”

Elder Qu was silent for a moment, and then said, “Pavilion Master, I won't beat around the bush with you. I've come this time to ask for someone.”

“Ask for someone?” Pavilion master raised his brows.

Elder Qu nodded and said, “I know you favor Qin Yu, but this Qin Yu destroyed an important treasure of our Saint Confucian sect! If I don’t take revenge, I swear I won’t be a human!”

Pavilion master took a sip of tea and said nothing.

Seeing this, elder Qu continued, “Pavilion Master, I don’t know what relationship you have with that Qin Yu, but this Qin Yu is a troublemaker. If you keep him, he will bring disaster to the Divine Alchemist pavilion sooner or later!”

Hearing this, the pavilion master finally raised her head.

She sized elder Qu up and said, “Are you threatening me?”

Elder Qu did not directly answer this question. Instead, he said, “I know that Qin Yu is an elder of your medicine God Pavilion, but...”

“Since you know that he is an elder of our medicine God Pavilion, why did you come here to ask for him?” The pavilion master interrupted elder Qu’s words.

Elder Qu’s expression immediately turned somewhat ugly.

“From the Pavilion Master’s words, you don’t intend to hand him over?” Elder Qu said coldly.

When the pavilion master heard this, he said with a faint smile, “Our Medicine God Pavilion has never known what it means to hand someone over.”

Elder Qu immediately flew into a rage! He slammed the table and stood up!

He glared angrily at the pavilion master and said, “You better think this through! If you protect this Qin Yu to the death, you will not only offend me, but the entire Saint Confucian sect!”

The pavilion master glanced at elder Qu and said indifferently, “Let your sect master tell me this.. You are not qualified.”

Chapter 476: Chapter 476, Pavilion Master V S Elder Qu

Elder Qu’s pupils suddenly constricted, and his expression immediately became extremely ugly!

He stared at the pavilion master, and a wave of anger filled his chest.

Elder Qu knew that the Medicine God Pavilion’s Pavilion Master wasn’t easy to talk to, but he didn’t expect that he would be so disrespectful!

“Are you going against my Saint Confucian School?” Elder Qu said coldly.

The pavilion master glanced at elder Qu and said indifferently, “Do you really think that the Saint Confucianism sect is the number one sect in the world?”

“You!” Elder Qu was so angry that he almost vomited blood.

The Saint Confucianism sect was indeed not the number one sect in the world, but in the north, almost no one dared to provoke it!

Traces of killing intent burst out from elder Qu’s body, and a terrifying pressure spread out at this moment.

“Why? Do you want to make a move on My Divine Alchemist Pavilion?” The pavilion master narrowed her eyes.

Elder Qu shouted loudly, “I want to see just what is so extraordinary about the Divine Alchemist Pavilion!”

Before she finished her words, elder Qu’s palm was shrouded in light as she slammed her palm towards the pavilion master!

The pavilion master was not flustered. She raised her jade-like hand and lightly welcomed the attack.

“Boom!”

A loud explosion sounded in the hall!

Elder Qu was seen to take a few steps back before he finally fell to the ground.

“Pu!”

A mouthful of fresh blood was spat out from his mouth!

“Who do you think you are to come to my divine alchemist pavilion to ask for someone?” The Aura on the pavilion master’s body became extremely cold. Even the temperature in the room had dropped by a few degrees!

Elder Qu’s expression was extremely ugly!

Although it was only a short exchange of blows, the gap between the two was self-evident.

“Good, good!” Elder Qu crawled up from the ground.

“I’ll go back and report to the sect Master Right Now!”

The pavilion master said expressionlessly, “Send the guest off.”

The few law enforcement elders quickly moved forward, glaring at elder Qu with covetous eyes.

Although elder Qu felt indignant in his heart, he did not dare to flare up.

He snorted coldly and turned around to leave.

After walking out of the Medicine God Pavilion, elder Qu spat out another mouthful of blood.

“Elder Qu, are you alright! ?” The disciple of the Saint Confucian school hurriedly asked.

Elder Qu wiped the blood from the corner of his mouth and coldly said, “The medicine God Pavilion’s pavilion master... . Lives up to his reputation.”

“Elder Qu, it’s better to tell this matter to the sect master and let him negotiate.” The person beside him said.

Elder qu said coldly, “Even if the medicine God Pavilion wants to cover its bottom, it will have to see if it can cover its bottom!”

Just as elder Qu was about to leave, he suddenly felt a few strange auras approaching him from the internal Qi.

“Oh ?”

Sensing these few powerful auras, elder Qu's brows immediately twitched.

“Elder Qu, what's Wrong?”The person beside him hurriedly asked.

Elder Qu narrowed his eyes and said with a cold smile, “Perhaps we don't need to do anything. The people from the Hong clan are here.”

...

Within the Divine Alchemist Pavilion.

Qin Yu was sitting in his elder's residence, feeling uneasy.

He didn't know how the Pavilion Master and elder Qu were talking. If he implicated the entire Divine Alchemist Pavilion, then he would be a sinner.

“Elder Qin, this is the dinner that the pavilion master asked us to prepare for you.”

At this moment, two apprentice alchemists squatted down and walked in.

Qin Yu hurriedly got up and asked anxiously, “How is Pavilion Master?”

The two apprentice alchemists looked at each other and said, “Pavilion Master is resting upstairs. Elder Qin, what's the matter?”

Qin Yu was stunned. He asked tentatively, “Pavilion Master... is she injured?”

“PFFT!”

Hearing this, the two apprentice alchemists laughed out loud.

As they placed the dishes on the table, they said, “After serving pavilion master for so long, I have never seen her injured before. Elder Qin, you should hurry up and eat your dinner.”

Qin Yu took a deep breath and nodded, “That’s good, that’s good.”

Qin Yu had never been very clear about pavilion master’s strength.

Now that he had stepped into the peak of the Great Grandmaster realm, the enemies that came after him were getting stronger and stronger. Qin Yu didn’t have much confidence in himself.

After wolfing down the meal, Qin Yu patted his stomach in satisfaction.

He looked in the direction of the warehouse with a hint of excitement in his eyes.

“Elder Qin, how have you been?”

At this moment, the fifth elder walked in from outside.

Seeing the fifth elder, Qin Yu hurriedly stood up and said politely, “Greetings, fifth Elder.”

The fifth elder said jokingly, “Now that your position is above mine, I should be the one to greet you.”

Qin Yu smiled bitterly and said, “Fifth Elder, please don’t tease me.”

The fifth elder laughed out loud, and then he said seriously, “Let’s get down to business. Qin Yu, the people from Hong Yi sect have already arrived.”

“So Fast!” Qin Yu suddenly stood up, his face full of worry.

“Ten half-step martial marquises?” Qin Yu frowned.

The fifth elder nodded and said, “Yes, they are now around the Divine Alchemist Pavilion.”

The worry on Qin Yu’s face became more and more intense.

That was ten half-step martial marquises!

No matter how strong the pavilion master was, could he withstand ten half-step martial marquises?

“It seems that I have to step into the half-step martial marquis realm as soon as possible.” Qin Yu immediately felt a little anxious.

If they could not reach an agreement, who in the entire Divine Alchemist Pavilion Could Help The Pavilion Master?

As long as he stepped into the half-step martial marquis realm, those ten half-step martial marquises were not worth mentioning!

“Don’t worry too much.” Fifth Elder waved his hand and said.

“The Pavilion Master will help you think of a way. What you need to do now is to step into the half-step martial marquis realm as soon as possible.”

Qin Yu nodded and said, “I know. I am waiting for Pavilion Master’s notice.”

“Let’s go.”Fifth Elder said with a smile.

Qin Yu was stunned and said, “Where are we going?”

Fifth Elder said with a smile, “Pavilion Master is waiting for you at the entrance of the warehouse.”

Upon hearing that, Qin Yu said impatiently, “Then let’s hurry up and set off.”

The two of them walked out of the Elder’s residence and headed towards the most mysterious warehouse of the Divine Alchemist Pavilion.

At the entrance, the pavilion master was standing there, waiting quietly.

“Lord Pavilion Master.”Fifth Elder walked forward and bowed slightly.

The pavilion master nodded and then looked at Qin Yu.

“Qin Yu, you can only stay inside for a month at most,”said the pavilion master.

Qin Yu nodded vigorously and said, “A month is enough!”

“After a month, regardless of whether you have stepped into the half-step martial marquis realm or not, you have to come out immediately. Do you understand?”said the pavilion master.

“Yes, Pavilion Master.”Qin Yu bowed and said.

“Go in.”The pavilion master gently raised his palm, and the door slowly opened.

The moment the door opened, a wave of medicinal fragrance rushed over.

Qin Yu took a deep breath, and then Strode into the warehouse.

The warehouse door slowly closed.

The pavilion master gently stretched his palm again, and a wave of light fell on the door.

This was a forbidden power. As long as one did not obtain the pavilion master’s permission, no one was allowed to enter.

It was the same method as he teng back then. The only difference was that the pavilion master’s method was much more brilliant.

“Pavilion Master.”After Qin Yu entered, the fifth elder looked at the pavilion master.

The pavilion master nodded slightly and said, “Let’s go and meet them.”

The fifth elder frowned and said, “Those are ten half-step martial marquises. Do We need to inform the law enforcement elders?”

“No need..”The pavilion master waved his hand.

Chapter 477: Chapter 477, entering the warehouse!

With that, the pavilion master strode out of the Medicine God Pavilion.

Although the fifth elder was worried, he had the heart but not the strength. He could only watch from the side.

At the entrance of the Medicine God Pavilion, there was a very wide street.

At this moment, there was no one on either side of the street. There was only the rustling sound of the gentle breeze.

The pavilion master stood on the cold street and said faintly, “You are already here. Come out.”

The Darkness was silent.

In less than half a second, several figures leaped out from the darkness!

Ten half-step martial marquises surrounded the pavilion master.

Their internal Qi was tyrannical, and a terrifying pressure filled the entire street.

It was obvious that they wanted to show the pavilion master their might.

“Are you planning to encircle and annihilate my medicine God Pavilion?” The pavilion master raised his brows, and the internal Qi on his body suddenly burst out!

The collision of several internal Qi instantly caused the air to rumble violently!

“Pavilion Master, you have misunderstood.” The ten half-step martial marquises retracted their internal Qi.

The one leading the group was an aquiline nose. The aquiline nose took a step forward and said with a faint smile: “I have long heard that the fire country’s Divine Alchemist Pavilion Master is unparalleled in the world. Seeing him today, he really lives up to his reputation.”

The pavilion master said expressionlessly: “There is no need to say such polite words.”

The hooked nose bowed slightly and then said indifferently, “Pavilion Master, I know that you want to protect Qin Yu, but my Hong clan is also determined to obtain Qin Yu.”

“I know that Your Divine Alchemist pavilion is powerful and has a high status in the fire country, but this Qin Yu has bullied me too deeply and I have no choice but to take revenge.”

The pavilion master’s willow like brows furrowed slightly. She sized up the hooked nose in front of her and said, “Don’t say such nonsense.”

When the aquiline nose heard that, he immediately burst out laughing.

“Alright then, please hand over Qin Yu, Pavilion Master.” The aquiline nose said indifferently.

“Another one who wants my divine alchemist pavilion to hand him over.” The pavilion master shook his head.

She shot a glance at the aquiline nose and said: “Do you believe that with just a call from me, I will be able to prevent all of you from leaving the Fire Country?”

Hearing those words, everyone's faces immediately changed drastically!

The aquiline nose's expression gradually turned a little ugly.

“Pavilion master, we do not mean to offend you. It is just that this trip is decided by the higher-ups. If we fail to complete the mission, we will not be able to return.” The aquiline nose said coldly.

“I hope that pavilion master will not make things difficult for us.”

The pavilion master said with a faint smile: “Alright, one month later, I will be able to get Qin Yu to leave the Divine Alchemist Pavilion.”

“At that time, whatever you all want, I will not interfere.”

When the hooked nose heard that, he frowned and asked: “Is what the Pavilion Master said true? It can't be a delaying tactic right?”

“That's right. If you were to inform the fire country's officials, we would be in deep trouble.”

The pavilion master said indifferently: “If you all do not believe me, then please go ahead.”

After saying that, the pavilion master turned around to leave.

The aquiline nose hurriedly stopped the pavilion master. He took a deep breath and said, “Alright, I believe that the Pavilion Master is a man of his word.”

“But... What if the pavilion master changes his mind at that time?”

The pavilion master said indifferently, “After a month, if Qin Yu doesn’t leave the Divine Alchemist Pavilion, I will come and face you on his behalf.”

The intention of his words was very obvious.

If Qin Yu didn’t leave the Divine Alchemist Pavilion in a month’s time, then he would let Hong Yimen make a move on him.

The Pavilion Master of the Divine Alchemist Pavilion was also very tempting to Hong Yimen.

After all, her alchemy skills were unparalleled in the world.

“Alright.” The aquiline nose cupped his hands.

“Then we will wait here. If we don’t see him in a month’s time, don’t blame us for offending him.”

The Pavilion Master didn’t say anything and turned around to return to the Divine Alchemist Pavilion.

...

At this moment, Qin Yu was sizing up the warehouse of the Divine Alchemist Pavilion.

In the huge warehouse, countless herbs were planted.

These herbs were growing at a speed visible to the naked eye.

Their speed was far faster than one could imagine.

Endless amounts of Qi/spiritual energy assaulted one’s face.

This wave of Qi/spiritual energy made one's entire body feel comfortable and their blood boil.

It was also because of the existence of this warehouse that the Divine Alchemist Pavilion was able to stand tall for a long time.

“This warehouse has an endless amount of Qi/spiritual energy. Could it also be hiding some treasures?” Qin Yu suddenly had an idea, and his eyes subconsciously looked towards the ground.

An ordinary spirit gathering formation would definitely not be able to provide so much qi/spiritual energy.

Even if all the Qi/spiritual energy in Qinghe town was gathered here, there wouldn't be so much qi/spiritual energy.

‘there should be some treasure hidden here,’ Qin Yu thought to himself.

This was also the Divine Alchemist Pavilion. Otherwise, it would definitely be snatched away by others.

‘I'd better hurry up and cultivate. Within a month, I should be able to step into the half-step martial Marquis realm,’ Qin Yu thought to himself.

He took out the three purities ancient tree and found a place to sit down.

Then, he began his boring cultivation.

At a glance, he saw a young man sitting in the middle of a pile of lush and verdant herbs.

Above his head, there was a small emerald tree.

The surrounding Qi/spiritual energy formed a small vortex around Qin Yu.

And Qin Yu's body was absorbing this Qi/spiritual energy as if it was hungry.

...

Three days later.

“What on Earth are the people of the Hong Yi sect doing!” Elder Qu, who had not left, could not help but curse in his heart.

“It's already been three days, yet they still haven't made a move.”

“Elder Qu, this is the Divine Alchemist pavilion after all, and the Hong Yi sect is an organization that has been blacklisted. They shouldn't dare to make a move against the Divine Alchemist Pavilion in such a grand manner,” the person beside him said.

“That's right, elder Qu, why don't... We Go back and ask the sect master.”

Elder Qu didn't say anything, but in his heart, he approved of this suggestion.

“The two of you stay behind. The rest of you, follow me back to the Saint Confucian sect,” elder Qu said.

“Yes.”

Elder Qu didn't stay any longer and immediately returned to the Saint Confucian sect.

The Saint Confucian sect had a spirit spring.

This spirit spring could also provide an endless supply of resources.

If a large sect's ivory was to stand tall, they had to have sufficient resources.

There were even many sects that relied on a single heaven and earth resource to establish their own sects.

At this moment, a young man was sitting cross-legged near this spirit spring.

“It still won't do!” The young man opened his eyes, and a trace of annoyance flashed across his face.

“Wanting to step into the Martial Marquis realm isn't that simple...” that hoarse voice sounded in his mind.

This young man was none other than He Teng.

A trace of anger flashed across He Teng's face. He clenched his fists and said angrily, “If I don't step into the Martial Marquis realm, how can I kill that Qin Yu! ?”

“He, Qin Yu, has made me suffer a great humiliation. Now, I, the number one person in the central plains, have become a joke!”

“If I don't kill him, I will never be able to turn the tables!”

He Teng's crazy roar was shockingly on the verge of collapse.

“Simple... as long as you hand over your body to me, I can kill him....”that hoarse voice sounded again.

Chapter 478: Chapter 478, Saint Confucian School VS Medicine God Pavilion

Hearing this, he teng could not help but say coldly, “Don’t even think about it!”

“Then you will never be a match for Qin Yu... Hehehe...”that hoarse voice carried a hint of mockery.

He Teng immediately flew into a rage!

He stood up angrily and said coldly, “Bullshit! Sooner or later, I will kill Qin Yu with my own hands!”

“Kill Qin Yu with my own hands? When he steps into the half-step martial marquis realm, you will be even less of a match for him...”

He Teng clenched his fists and the veins on his forehead bulged.

Although he didn’t want to believe it, it was the truth.

Once Qin Yu steps into the half-step Martial Marquis Realm, he teng would have no more chances to speak of.

His heart began to waver.

...

Elder Qu quickly returned to the Saint Confucian school.

In the depths of the Saint Confucian sect, there was a villa in a deep courtyard.

The structure of the villa was extremely exquisite. Not only were there modern buildings, but there was also an ancient gilded hall.

Elder Qu quickly arrived at the villa. With a plop, he kneeled at the door and used his inner strength to shout, “Qu Wu requests to see the sect master!”

His voice boomed and rushed into the depths of the villa.

A moment later, the door slowly opened, but no one was there.

Elder Qu hurriedly got up and quickly walked in.

When he arrived at the Golden Hall, a voice came from the dark.

“Speak, what’s the matter?”

Hearing this voice, elder Qu hurriedly said, “Sect master, that Divine Alchemist Pavilion Master is too arrogant. He doesn’t take our Saint Confucian school seriously at all!”

After that, elder Qu added fuel to the fire and told the sect master everything that had happened.

The Great Hall quieted down, but the sect master did not reply.

After a moment, the sect master asked, “The Medicine God pavilion has too many connections. If we want to touch him, it’s not something our Saint Confucian sect can do.”

Elder Qu's expression immediately changed!

Even the Saint Confucian sect could not do it? Then who else in this world could touch the Medicine God Pavilion's Pavilion Master?

Just as elder Qu was in despair, the sect master suddenly changed the topic and coldly said, "But the medicine God pavilion is bullying our sage Confucian school. Our sage Confucian school will definitely not swallow this humiliation!"

Elder Qu was immediately overjoyed and hurriedly said, "Right! Sect master, we must think of a way to teach this medicine God Pavilion a lesson!"

The sect master said in a deep voice, "Tomorrow, I will head to Jingdu and discuss this matter with the Yan family."

"Good, good!" Elder Qu hurriedly nodded.

After leaving this villa, elder Qu couldn't help but laugh coldly.

"Damned woman, just you wait!" Elder Qu said viciously.

"When the sect master catches you back, watch how I deal with you!" Elder Qu couldn't help but say with a lecherous look.

The Pavilion Master's peerlessly beautiful figure appeared in his mind, and he couldn't help but swallow his saliva.

...

The Divine Alchemist Pavilion was completely silent.

Although the Divine Alchemist Pavilion still had a stock of herbs, without new herbs to provide, it was only a matter of time before they ran out.

“Lord Pavilion Master, our herbs can only last for half a month at most.” The medicine boy stood at the side of the pavilion master and said softly.

The Pavilion Master’s cold face didn’t have the slightest expression.

She looked into the distance and said quietly, “Got it. The remaining half a month is a holiday.”

“Yes, Lord Pavilion Master.” The medicine boy hurriedly nodded.

This was the first large-scale holiday in the history of the Divine Medicine Pavilion.

Although the previous medicine masters were mostly free, the Divine Medicine Pavilion had never had a public holiday.

Soon, this news spread throughout the Divine Medicine Pavilion, and everyone couldn’t help but discuss it.

“Qin Yu, you must not disappoint everyone’s hope...” fifth elder sighed in a low voice.

...

There was a club in Jingdu.

This club was jointly funded by several aristocratic families.

The club was not open to the public and only received guests from the various aristocratic families.

On this day, Yan Sihai, Han Meng, and Xia hang from the Jingdu Martial Arts Association gathered here.

Apart from them, there was also an old man dressed in white.

Although the old man had a head full of white hair, he was full of energy and did not lose out to the young people.

This old man was none other than the sect master of the sage Confucian school, Gu Canghai!

“What business do you have with us?” Yan Sihai said casually as he smoked his cigar.

Gu Canghai said quietly, “Director Yan, I came here this time to discuss with you about the Divine Alchemist Pavilion.”

“Divine Alchemist Pavilion?” Yan Sihai’s expression turned cold and he could not help but snort.

The arrogant attitude of the medicine God Pavilion’s pavilion master involuntarily surfaced in his mind.

Gu cang hai continued, “The Medicine God Pavilion is now so arrogant that it has no boundaries. It doesn’t put us in its eyes at all.”

After that, he recounted what had happened to the few of them.

“Sect master Gu, this medicine god pavilion can not be touched. Many people’s bodies rely on their medicine masters.” Han Meng could not help but frown as he said.

Gu Canghai nodded slightly and said, “It is precisely because of this that I came to discuss with you guys.”

Yan Sihai snorted lightly and said, “What can’t be touched? It’s just the Medicine God Pavilion. It’s not like there’s no one who can replace it.”

“President Yan, your words are wrong.” Xia Hang, who was at the side, shook his head.

He said faintly, “The medicine God Pavilion’s pavilion leader’s alchemy skills are unparalleled in the world. At least now, it seems that no one can replace her.”

“Moreover... her relationship also involves us.” Xia Hang pointed at the ceiling.

There were not many people who had a higher status than them.

The few people present naturally understood.

“Old Xia, why are you so cautious?” Yan Sihai sneered.

“As an alchemist, you just have to treat the illness and refine pills. Why are you always involved in other things?”

“We can teach the Divine Alchemist pavilion a lesson. At most, we can just spare her life.”

Yan Sihai was clearly the bravest among these people.

As for the Divine Alchemist Pavilion, Yan Sihai had long detested it.

Xia hang was silent for a moment and said, “Let me go back and discuss this matter with my superior.”

“Discuss my ass!” Yan Sihai stood up and said.

He turned his head to look at Gu Canghai and said, “Gu Canghai, I order you to immediately bring people to attack the medicine God Pavilion and teach them a lesson.”

Gu Canghai looked at the others awkwardly.

Yan Sihai said impatiently, “I will bear all the consequences! Remember, capture that woman, the Pavilion Master of the Medicine God Pavilion alive.”

Upon hearing that, Gu Canghai hurriedly stood up and said, “Alright, I understand.”

After leaving here, Gu Canghai returned to the Saint Confucian sect.

On the same day, the Saint Confucian sect publicly issued a challenge on the martial arts forum:

Qin Yu bullied the Saint Confucian sect, killed the disciples of the Saint Confucian sect, and destroyed our sect’s supreme treasure. His heart should be executed!

Within three days, if the medicine God Pavilion did not hand over Qin Yu, the Saint Confucian sect would use forceful methods against the medicine God Pavilion!

Chapter 479: Chapter 479, the attack of the sage Confucian school

Once this news was released, it caused an uproar in the entire martial arts forum!

One was the Divine Alchemist Pavilion, which had an extraordinary status, while the other was the largest sect in the northern region.

These two large factions actually had a direct conflict?

This was probably the first time in history!

“What a troublesome year.”

Everyone couldn't help but sigh.

The past few decades were probably not as eventful as this year!

“The Saint Confucian school actually made a move against the medicine God Pavilion. According to what I know, as long as the Medicine God pavilion swings its arm, there will definitely be many people coming to support it,” someone said.

“That's right, and the connections of the Medicine God Pavilion are extremely strong.”

“Although that's the case, the Saint Confucian school is not bad either. They are existences that sit on the throne of Marquis Wu.”

Once these words were said, everyone who was discussing immediately fell silent.

The meaning of a martial marquis was too great. No one was willing to touch the misfortune of a martial marquis.

In this world, other than modern hot weapons, probably no one could stop a martial marquis!

Within the Medicine God Pavilion.

The pavilion master naturally knew of this matter.

Looking at the letter of challenge issued by the Saint Confucian school on his phone, the pavilion master, who had always been as calm as water, frowned slightly.

“Saint Confucianism sect...”the pavilion master murmured.

The eight law-enforcing elders all stood below the pavilion, as if waiting for the Pavilion Master’s order.

The Pavilion Master was silent for a moment. Then, she stepped on the ground and gently landed from the pavilion.

“Lord Pavilion Master!”The elders shouted in unison.

The Pavilion Master was silent. No one knew what she was thinking.

No one knew what kind of decision the pavilion master would make.

“Lord Pavilion Master, we will do our best.”A few law enforcement elders shouted.

“I will gather people tomorrow.”

“Many aristocratic families owe our divine alchemist pavilion a favor. I believe they will lend a hand!”

The eight law enforcement elders expressed their opinions, but none of them were afraid.

However, at this moment, the pavilion master shook her head.

She looked at the law enforcement elders and said slowly, “Inform them that from today onwards, the Medicine God Pavilion will have a holiday.”

“What ? !”

The law enforcement elders were instantly stunned.

At this critical moment, not only did the medicine God Pavilion not gather manpower, they even wanted to have a holiday?

“Lord Pavilion Master, how can we have a holiday at this time?”

“That’s right, what if the sage Confucian school attacks, how should we deal with it?”

The pavilion master said in a deep voice, “As alchemists, their instinct is to refine pills. It’s meaningless for them to stay, it will only increase the casualties.”

This was the truth. The strength of the Medicine God Pavilion’s alchemists was naturally incomparable to that of the sage Confucian school.

“I... I understand.” First Elder of law enforcement sighed.

Just as they were about to turn around and leave, the pavilion master suddenly said, “All of you can leave for now.”

The eight of them were instantly stunned on the spot.

“We’re leaving too?” The few of them turned around and were dumbstruck.

The pavilion master nodded slightly and said, “Yes.”

“Lord Pavilion Master, this... Why is this happening?”

“That’s right. If we leave, what will happen to the Medicine God Pavilion?”

“Lord Pavilion Master, you must not!”

The pavilion master said in a deep voice, “If the Saint Confucianism sect sends out a martial marquis, it’s useless for you to stay.”

“If it’s only a half-step martial marquis, there’s nothing they can do.”

Even though that was the case, no one knew how powerful the Saint Confucianism sect was.

“Lord Pavilion Master, the possibility of the Saint Confucianism sect sending out a martial marquis isn’t high. After all, the Martial Marquis hasn’t appeared for many years.” The Great Elder of law enforcement bowed and said.

“Let us stay. Although we are not strong, we can at least stop them for a while.”

Seeing the deep affection of everyone, the pavilion master frowned slightly.

She thought for a moment and said, “Alright, half-step Marquis Wu will stay. Everyone else will have a holiday.”

“Pavilion Master, I...”

“No need to say more.” The pavilion master interrupted them.

Seeing this, the few law enforcement elders had no choice but to agree.

...

In the warehouse.

Qin Yu was absorbing Qi/spiritual energy as if he was thirsty.

Streams of Qi/spiritual energy flowed into his body. As he circulated his cultivation technique, his dantian was like a bottomless pit.

Above his head, the three purities ancient tree was shining, calming his mind.

Qin Yu knew nothing about what was happening in the outside world.

In the blink of an eye, three days had passed.

Qin Yu’s Dantian seemed to have no end. He did not know how much qi/spiritual energy he had absorbed, but there were still no signs of a breakthrough.

At this time, the outside world had already begun to move in secret.

Qinghe town, which had always been peaceful, had been moving in secret recently.

The citizens of Qinghe town had naturally heard of this news.

“Damn it, when has there ever been such a conflict in our Qinghe town? !”

“It’s all because of that Qin Yu! That guy is a jinx. Wherever he goes, there will be disasters!”

“We have to drive him out of Qinghe Town!”

For a time, Qin Yu became the target of public criticism.

But in reality, the dispute between the Saint Confucian school and the Divine Alchemist Pavilion had nothing to do with ordinary people like them.

These few days, the usually lively divine alchemist pavilion had become somewhat deserted.

And within the Saint Confucian sect, elder Qu finally received an order.

“Remember, capture the Pavilion Master of the Divine Alchemist Pavilion Alive,” Gu Canghai said coldly.

Elder Qu hurriedly stood up and said, “Sect master, the Pavilion Master of the Divine Alchemist Pavilion has extraordinary strength. How about... I bring a martial marquis weapon?”

Gu Canghai glanced coldly at elder Qu and said, “Do you think that a martial marquis weapon is like cabbages on the roadside?”

“You have five half-step martial marquises. If you can’t even deal with one pavilion master of the Divine Alchemist Pavilion, then don’t return to our Saint Confucian sect.”

Elder Qu still wanted to say something, but Gu Canghai did not give him a chance. He turned his head and left.

“Elder Qu, the Pavilion Master of the Divine Alchemist Pavilion is just a woman. Are You So afraid of Him?” A man in his forties said indifferently.

This man’s name was Xu Beigou. He was one of the Saint Confucian sect’s candidate elders and was also a half-step martial marquis.

Back then, the two of them had competed for the position of Elder, but in the end, they had chosen elder Qu.

This had also led to the enmity between the two of them.

Elder Qu glanced at him and snorted coldly, “Xu Beigou, you’d better not underestimate this woman.”

Xu beigou sneered, “What, could it be that she’s a martial marquis?”

“Do you think a martial marquis is like cabbages on the streets?” Elder Qu snorted coldly.

“Then that’s it,” Xu Beiliu said indifferently.

“As long as she is not a martial marquis, what’s there to be afraid of?”

Elder Qu could not help but frown.

He said slowly, “Although they are both half-step martial marquises, her strength is far above mine.”

The previous simple collision had shocked elder Qu until he vomited blood continuously.

If they were to really fight, these five half-step martial marquises might not be a match for the Divine Alchemist Pavilion Master.

“I think you are scared.” Xu Beiliu coldly snorted.

“Just because you are not a match for her does not mean that we are not a match for her.”

Elder Qu’s expression turned cold as he sneered, “I have warned you in advance. When you suffer a loss, do not regret it.”

Xu Beizhong sneered, “If you’re afraid, then stay.”

After throwing these words, Xu Beizhong waved his hand and said, “Let’s Go! To eradicate the Divine Alchemist Pavilion!”

Chapter 480: Chapter 480, one against five!

Seeing this, elder Qu couldn’t stop laughing coldly.

“Brainless fool, Let’s see how you end up.” Elder Qu snorted coldly, and then followed with large strides.

The sage scholarly faction made a big fuss and set off towards the Medicine God Pavilion.

They didn't conceal their intentions at all, as if they wanted to use the medicine God Pavilion to establish their might.

Such a commotion naturally spread very quickly.

“The sage scholarly faction has made a move!”

The news immediately attracted the attention of countless people!

There were even people who immediately drove towards Qinghe Town!

...

In the Medicine God Pavilion.

The Pavilion Master was soaking in the bath, holding a cup of black tea in his hand.

During this period of time, the various elders were in a state of panic. Only the pavilion master seemed to be fine, not showing the slightest change in emotion.

“HMM?”

At this moment, the sharp pavilion master caught the trace of internal Qi.

“It's here.” A killing intent flashed through the pavilion master's long and narrow eyes.

She put down the black tea in her hand and reached out with her palm. A long robe fell on her body.

Then, the pavilion master stood on top of the pavilion and looked into the distance as if she was waiting for them.

The five half-step martial marquises of the sage scholarly faction were getting closer and closer. One kilometer, five hundred meters, one hundred meters...

Finally, the two law enforcement elders who stayed behind also felt this internal Qi!

“Lord Pavilion Master!” They were just about to shout when they saw the pavilion master slowly walking over.

“Lord Pavilion Master, they...”

“I understand.” The pavilion master interrupted the first Elder’s words.

The three of them stood on the square of the entrance of the Medicine God Pavilion and waited quietly.

“SWISH SWISH SWISH!”

Soon, five figures landed in the middle of the square!

The one leading them was none other than Xu Beiliu!

The two forces clashed at this moment.

The atmosphere was filled with tension, as if even the air had frozen!

Xu Beiliu sized up the Pavilion Master of the Medicine God pavilion and said indifferently, “Everyone says that the pavilion master of the Medicine God Pavilion is a top-notch beauty. Seeing her today, she really lives up to her reputation.”

The pavilion master ignored Xu Beiliu. Her gaze instead landed on elder Qu.

“Elder Qu, looks like you didn’t understand what I said last time.” The pavilion master said indifferently.

Elder Qu smiled and said, “Pavilion Master, I am here on the orders of the sect master of my Saint Confucian School to Crusade against the Medicine God Pavilion.”

The pavilion master narrowed his eyes and sneered, “Your sect master didn’t come himself and sent you bunch of trash to Die?”

His words made the atmosphere even more tense!

Xu Beiji, who was ignored, was even more furious!

He looked at the pavilion master coldly and said, “Trash? You Call Us Trash? We are both half-step martial marquises, what right do you have to be arrogant in front of me!”

“If you know what’s good for you, pay for your own cultivation and come with us!”

“Otherwise, don’t blame me for being impolite!”

The pavilion master raised her eyebrows. She sized up Xu Beiliu in front of her and said indifferently, “So you’re still a good-for-nothing with a temper.”

“You!”

As soon as these words were said, Xu Beiliu was completely enraged!

Internal Qi burst out from his entire body in an instant. Streams of tyrannical aura condensed on his palm!

“I think you’re courting death!” Xu Beiliu shouted angrily and then suddenly slapped his palm toward the pavilion master!

The Pavilion Master did not panic, and raised his hand to meet it head-on.

“Boom!”

The huge collision almost ignited the air!

At this moment, Xu Beiliu’s expression suddenly changed drastically!

In the next second, his figure was directly sent flying, and a mouthful of blood spewed out!

“How... how could this be!” Xu Beiliu fell to the ground, his pale face filled with terror!

They were both half-step martial marquises, how could the gap between the two be so huge!

“Hehe, some people don’t brag anymore?” Elder Qu ridiculed from the side.

Xu Beiji didn’t say anything. At this moment, he realized that there was still a huge difference in strength between them!

Then, Xu Beiji got up from the ground and wiped the blood at the corner of his mouth, he said coldly, “As expected of the Pavilion Master of the Medicine God Pavilion. But let me tell you, no one can shake the Holy

Confucian School's Crusade. The Medicine God Pavilion will definitely become the dust of history!"

"Is that so? Then let us experience it!" The law enforcement elder strode forward!

Xu Beiliu grinned and said with a cold smile, "Don't worry, we are only the tip of the iceberg of the Holy Confucian school. I will go and ask for reinforcements right now..."

After saying that, Xu Beili turned around and left.

"Stop right there!" The two law enforcement elders tried to stop him, but were interrupted by the pavilion master with a wave of his hand.

"Let them go," the pavilion master said indifferently.

"Yes." Although the law enforcement elders had doubts in their hearts, they did not ask any more questions.

After Xu Beili and the others walked out of the Divine Alchemist Pavilion, they frowned.

He looked at elder Qu and said with a cold face, "It seems that you are right. I underestimated her."

Elder Qu snorted and said with a cold smile, "You made a big promise, but you were slapped in the face not long after. You were slapped out in front of so many people. How embarrassing."

Xu Beiji gritted his teeth and didn't say anything.

“Let me remind you that you are not only losing your face, but also the face of the Saint Confucianism sect!” Elder Qu said coldly.

“Everyone knows that our Saint Confucianism sect came to attack the Divine Alchemist Pavilion with great fanfare, but in the end, we lost in the First Crusade. Do you want our Saint Confucianism sect to become a laughing stock! ?”

Xu Beiji was also anxious. He glared at elder Qu and said, “Don’t you put a label on Me!”

Elder Qu was about to speak when someone beside him said, “Alright, don’t be angry and fight amongst yourselves. Let’s think of a way.”

“I’ll go and look for the sect master right now and request for reinforcements. If five half-step martial marquises aren’t enough, then send out ten. If ten aren’t enough, then request for the transfer of martial marquises!” Xu Beili wiped the blood at the corner of his mouth and said with some anger.

After saying this, Xu Beili turned around and left.

...

At this moment, Qin Yu was still in closed-door cultivation.

He knew nothing about the news from the outside world.

The entire warehouse seemed to be isolated, and he couldn’t hear anything.

Perhaps it was because he had absorbed too much qi/spiritual energy that Qin Yu’s Dantian was dark green in color.

A few of his acupoints were shining.

All the Qi/spiritual energy was flowing through his meridians and attacking his acupoints.

Qin Yu's forehead was covered in layers of sweat. Even with his mental cultivation method, Qin Yu was still struggling with such a huge amount of Qi/spiritual energy.

“Hu...”

At this moment, black gas suddenly emerged from his body.

The black gas passed through his seven orifices and pores and continuously gushed out!

In an instant, Qin Yu felt that his body had become much more transparent and relaxed!

It was as if all the dregs and toxins in his body had been discharged in an instant!

The stream-like qi/spiritual energy suddenly turned into a surging sea of water!

“Swoosh!”

Qin Yu's eyes suddenly opened, and two rays of light burst out from his eyes!

Chapter 481: Chapter 481, drugging

Streams of black gas surged out from every pore in his body.

Qin Yu's eyes stared ahead as he felt the changes in his internal organs.

All the illnesses in the mortal world seemed to have disappeared at this moment. His body seemed to have stepped into another level.

At this moment, two rays of light shot out from Qin Yu's eyes as his strength slowly changed.

Qin Yu stood up, clenched his fists, and said in a low voice, "My strength has obviously increased, but... I'm still a step away from the half-step martial Marquis Realm."

Although the half-step martial Marquis realm was not a clear realm, once one stepped into it, there would be a huge difference between them and a martial grandmaster.

And at this moment, Qin Yu did not feel that change.

"Looks like I still have to continue cultivating." Qin Yu muttered in a low voice.

After thinking for a while, he decided to go out first to take a look and calculate the time.

When Qin Yu walked to the door, he realized that the door couldn't be opened at all.

An extremely powerful force sealed the entire door tightly.

Even with Qin Yu's physical strength, he was unable to break it open.

"Looks like it's a forbidden force set up by the Pavilion Master," Qin Yu thought to himself.

Since that was the case, it meant that a month had not yet arrived.

“Forget it, time is tight. I should continue cultivating,” Qin Yu muttered softly.

...

In the outside world.

The Pavilion Master of the Divine Medicine Pavilion had used just one palm to repel the intruders sent by the Saint Confucian sect.

More importantly, this palm seemed to have broken their confidence, causing them to not dare to launch a large-scale attack for a short period of time.

The Divine Alchemist Pavilion welcomed a short period of peace.

In a hotel several Li away from the Divine Alchemist Pavilion.

Xu Beigou walked in with a dusty face.

His expression was very ugly, as if he had just been scolded.

“How was it? How did the sect master reply to You?” Elder Qu said with a hint of schadenfreude.

Xu Beigou glared fiercely at elder Qu, not saying a word.

It was very obvious that the sect master didn't agree to his request and even scolded him.

“With just the few of us, I'm afraid it will be very difficult to take down the Divine Alchemist Pavilion,” Xu Beiliu said in a low voice.

The others also nodded slightly.

After a simple clash, they discovered that the Divine Alchemist Pavilion Master's strength was unfathomable and was definitely not something that the few of them could defeat!

“The sect master said that if we can't complete the mission, we don't need to go back,” Xu Beiliu said with a cold snort.

Elder Qu stretched lazily and said, “Some people were in a hurry to perform meritorious deeds and hurriedly agreed. Now they regret it?”

Xu Beiliu glared at elder Qu and angrily shouted, “You better not provoke me. Otherwise, I don't mind killing you before this!”

“Oh?” Elder Qu didn't want to be outdone. He immediately stood up and said coldly, “You can try!”

“Hehe, the elites of the Saint Confucian school didn't go to the Divine Alchemist Pavilion, but hid in the hotel to fight among themselves. Is this the number one sect in the north?”

At this moment, a voice came from the door.

Turning his head, he saw a young man walking in.

This young man was none other than He Teng!

“What are you doing here?” Elder Qu said with some displeasure.

He Teng said indifferently, “Of course I'm here to help you.”

“Help us?” Elder Qu sneered.

“With just you? A half-step martial marquis who was crippled by a peak-stage martial grandmaster?”

A flash of coldness flashed across He Teng’s face, but it was fleeting.

Then, he swept his gaze over everyone and said indifferently, “Since you’re not his opponent, why don’t you outsmart him?”

“Outsmart him? How?” Xu Beigu frowned slightly.

He Teng flipped his palm and a pill fell into his hand.

“This is the spirit severing pill. As long as you consume this pill, even if you have great abilities, you will still be reduced to a trash,” he teng said indifferently.

Hearing these words, everyone immediately burst into laughter.

“The other party is the Pavilion Master of the Divine Alchemist Pavilion. You drugged her? Are you out of your mind?” Elder Qu said with a cold smile.

He Teng glanced at him and said, “This pill has already been lost for several hundred years. In the entire world, only I possess it.”

“Could it be that she, the Pavilion Master of the Divine Alchemist Pavilion, has lived for several hundred years?”

Everyone looked at each other when they heard this.

“Is what you said true?” Xu Beiliu asked with doubt.

He Teng snorted coldly and said, “Believe it or not, it’s up to you. In any case, you won’t be able to make a difference. You Won’t be able to go back.”

Xu Beiliu was silent for a moment. He gritted his teeth and said, “Alright, we’ll do as you say!”

“But how should we let her take this pill?”Elder Qu asked.

He teng sneered, “You’re still an elder? You still need to ask others about such a small matter?”

“Let me tell you one thing. In this world, there are no eternal feelings, only eternal interests.”

After saying this, he teng turned his head and left.

...

Late that night.

The entire medicine God Pavilion was silent.

At this time, it was already past two o’clock in the morning, but a man tiptoed out.

This man was none other than the great elder of law enforcement!

After the great elder walked out of the Divine Alchemist Pavilion, he quickly got into a car.

“Let the Pavilion Master of the Divine Alchemist Pavilion Eat This.”Xu Beiliu handed the spirit severing pill to the Great Elder.

After the Great Elder took the pill, he frowned and said, “Is what you promised me true?”

Xu Beiliu snorted lightly and said, “What do you think? To be honest, other than our Saint Confucian school, many aristocratic families in Jingdu don’t like her.”

“Who doesn’t want to be the Pavilion Master of the Divine Medicine Pavilion? As long as you complete this matter, you will be the next Pavilion Master of the Divine Medicine Pavilion.”

Everyone had a weakness. The Great Elder didn’t love money, but he coveted the position of Pavilion Master.

He took the pill and gritted his teeth, saying, “Okay! I Promise You!”

“You have to make sure she can eat it,” Xu Beiliu reminded.

“Don’t worry. The Pavilion Master Trusts me the most,” the great elder said.

After taking the pill, the great elder got out of the carriage.

His face seemed to be a little conflicted, but in the end, he made up his mind.

The next morning.

The great elder personally boiled a bowl of porridge and put the spirit severing pill into it.

The spirit severing pill was colorless and tasteless. The moment it was put in, it disappeared without a trace.

He carried the bowl of porridge and walked all the way to the bottom of the pavilion.

The first elder was the only one who could come to the top of the pavilion without reporting anything.

He took a deep leap and arrived in front of the pavilion master.

“Lord Pavilion Master, have a bowl of porridge.” The first elder placed the porridge in front of the pavilion master.

The pavilion master glanced at him and said indifferently, “Put it there.”

The Great Elder took a deep breath and said with a smile, “Pavilion master, I personally brewed this porridge and used a lot of nourishing herbs.”

“You’ve been too tired these days.. Drink it while it’s hot.”

Chapter 482: Chapter 482, the Second Crusade of the Sacred Confucian school!

As she spoke, the great elder tried her best to remain calm.

At a glance, there was almost no flaw.

And the Great Elder was the pavilion master’s most trusted person, so she nodded and picked up the bowl of porridge.

The pavilion master’s red lips slowly kissed the bowl.

The Great Elder’s expression immediately became a little nervous.

Only when the pavilion master slowly drank the bowl of porridge did the great elder heave a sigh of relief.

“Lord Pavilion Master, you should rest well.” The great elder picked up the bowl and bowed.

The pavilion master didn't say anything and only nodded.

She was holding a newspaper in her hand, and no one knew what she was reading.

The great elder didn't dare to stay any longer. She took the bowl and hurriedly jumped down.

The entire day, the first elder had been feeling uneasy.

According to Elder Qu, after taking this spirit severing pill, there wouldn't be any obvious symptoms.

Only when he took action would he realize that the inner strength in his body was depleted.

Therefore, the first elder didn't leave.

That night.

It was another late night.

The first elder tiptoed out of the Divine Alchemist Pavilion.

He walked to the end of the street and quickly got into a car.

“How is it? Is it done?” Elder Qu asked.

The first elder nodded and said, “Yes, it’s done.”

Elder Qu raised his eyebrows and said, “Are you lying to us?”

Upon hearing this, a flash of anger flashed across the first elder’s face.

He said coldly, “Don’t use people you suspect. Use people you don’t suspect. If you don’t believe me, you can treat it as if I never came!”

Xu Beiji hurriedly pulled the great elder back and said with a smile, “Great Elder, don’t be angry. Don’t lower yourself to his level. We all believe in you.”

The great elder coldly snorted. He glanced at Xu Beiji and said, “Remember what you promised me.”

Xu Beiji faintly smiled and said, “Our Saint Confucian school, the Jingdu Martial Arts Association, and the major families in Jingdu all hope that the Divine Alchemist pavilion can be in the hands of our own people.”

“The current you is our own person.”

Hearing this, the great elder nodded slightly and then got out of the car.

After he left, Xu Beiliu’s expression instantly turned cold.

“We’ll make a move tomorrow! Crusade against the Divine Medicine Pavilion!” Xu Beiliu said coldly.

...

The next morning.

The Divine Medicine Pavilion was as usual.

No one knew that a disaster was quietly approaching.

At noon, the sun shone brightly.

It was supposed to be a leisurely afternoon, but the Medicine God Pavilion had welcomed a group of uninvited guests.

The pavilion master lay on the rocking chair and was about to take a lunch break.

At this moment, her eyes suddenly opened.

“Someone is here.” The pavilion master frowned slightly.

In the next second, she floated down from the pavilion like a fairy.

In the square of the Medicine God Pavilion.

Elder Qu, Xu Beiliu, and the others were standing in the square, quietly waiting.

“Why? Still not giving up?” Seeing these people, the pavilion master narrowed his eyes slightly.

Xu Beiliu took the lead and took a step forward, sneering, “Pavilion Master of the Medicine God Pavilion, if you are willing to surrender now, you might be able to suffer less.”

The Pavilion Master couldn't help but raise his eyebrows, “Just the few of you?”

“Yes, just the few of us!” Xu Beiliu sneered repeatedly.

The Aura on their bodies suddenly erupted.

The powerful aura instantly stirred up gusts of hurricanes!

This was the second time that the sage scholarly faction had come to crusade against the Medicine God Pavilion! Compared to the last time, they were clearly more confident.

“Lord Pavilion Master!”

First Elder and second elder also hurriedly ran over.

Second Elder angrily glared at this group of people and berated, “You guys really don’t give up. Do you really think that our divine alchemist pavilion is easy to bully!”

“Hahahaha!” Xu bei Li laughed out loud.

“Your Divine Alchemist Pavilion thinks highly of yourself and thinks that you are detached from the outside world and don’t differentiate between status and status. I have long disliked you guys!” Xu bei Li shouted sternly!

Light began to encircle his fists!

In a short moment, two dragon heads covered his fists!

This technique was Xu Beiliu’s famous technique, the Azure Flame Dragon Fist!

Back then, Xu Beiliu had relied on this technique to forcefully carve out a bloody path and become a high-ranking member of the sacred scholarly faction!

“Pavilion Master of the Medicine God Pavilion, I will give you one last chance. Surrender or not!” Xu Beiliu shouted.

The pavilion master said indifferently, “Where’s all this nonsense coming from?”

“Alright!”

Xu Beiliu roared explosively, and the Qi force all over his body suddenly erupted!

After that, Xu Beiliu took the lead and walked over, directly charging towards the pavilion master!

The enormous fist shadow carried waves of dragon roars as it ruthlessly smashed towards the pavilion master from a few meters away!

The terrifying fist force even caused waves of strong winds!

The pavilion master’s long hair was blown by the fist wind, but there wasn’t the slightest trace of sadness or joy on her face.

“Go to hell!”

Xu Beigu roared repeatedly as his fist ruthlessly smashed toward the Pavilion Master!

The Pavilion Master wasn’t flustered at all. Light lingered in her palm as she met the Fist head-on!

“Hong!”

At the instant of the collision, waves of internal Qi spread out in all directions with the two of them as the center!

In an instant, the medicine God Pavilion buzzed non-stop and the buildings collapsed as if it was a scene of disaster!

Palm against fist, it was a stalemate.

“En?”

The pavilion master frowned slightly.

She could clearly feel that the internal strength in her body seemed to be much depleted.

Otherwise, this palm was enough to send Xu Beiji flying!

“You Aren’t crippled?” Xu Beiji’s expression changed greatly when he saw this. He subconsciously looked at the first elder!

For a moment, the atmosphere was a little stiff.

Xu Beiji hurriedly took two steps back and looked coldly at the first elder.

“As expected of the number one alchemist in the world. Even after taking the spirit severing pill, he was still able to display such strength.”

At this moment, a voice came from the dark.

Turning around, he saw he teng slowly walking over.

“Spirit Severing Pill?” The pavilion master frowned slightly.

He teng sneered, “That’s right! This spirit severing pill is a prescription from hundreds of years ago! As long as you swallow the spirit severing pill, you will become a cripple!”

Speaking up to this point, he teng paused for a moment, then sighed, “So far, you are the first person who has not been crippled, but... it’s impossible for you not to be affected!”

“If I’m not wrong, your current strength is less than 50% of the Peak Stage!” He Teng changed the topic and sneered.

The pavilion master didn’t say anything.

Just as he teng said, after consuming the spirit severing pill, the pavilion master’s strength was indeed affected, only 30% of the peak stage!

Otherwise, even if these few people attacked together, they wouldn’t be a match for the Pavilion Master!

“Lord Pavilion Master!” The second elder hurriedly walked forward with a somewhat panicked expression.

“Are You Alright?” The second elder asked anxiously.

Pavilion master did not speak. Her originally cold and elegant face seemed to have a layer of frost on it at this moment.

“Lord Pavilion Master, if you are willing to hand over Qin Yu, I might consider handing over the antidote..” At this moment, he teng suddenly said.

Chapter 483: Chapter 483, the powerful Pavilion Master!

Hearing these words, elder Qu Zhang and the others immediately became anxious.

“He Teng, what nonsense are you spouting!” Elder Qu shouted loudly.

He Teng ignored elder Qu but looked at the pavilion master and said indifferently, “My target is only Qin Yu alone. It has nothing to do with the Divine Alchemist Pavilion.”

The Pavilion Master stared at He Teng in front of him and said indifferently, “You also have the qualifications to negotiate with me?”

Elder Qu and the others heaved a sigh of relief when they heard this.

However, He Teng’s expression turned cold.

“You should know that it’s impossible for you to defeat the six of us by yourself!” He Teng said coldly.

“As long as you are willing to hand over Qin Yu, I promise to hand over the antidote to you!”

“Could it be that one Qin Yu is more important than your entire Divine Alchemist Pavilion?”

The atmosphere froze for a moment as everyone waited for the Pavilion Master’s reply.

“I’ve already said that you have no right to negotiate with me.” However, the pavilion master’s reply was still as domineering as before.

“Good, good!” He Teng was completely enraged.

He sneered and said, “I want to see how you will end up today!”

“The three of us are enough to kill the six of you!” Second elder Strode forward and stood in front of the pavilion master.

“Three?” At this moment, elder Qu sneered.

“Where did the three of you come from?”

Before he finished his words, their gazes fell on first elder.

A trace of guilt flashed across First Elder’s face.

He bowed slightly to the pavilion master and said, “Lord Pavilion Master, I’m Sorry.”

After saying this, first elder walked to elder Qu’s side.

“First Elder, you...” seeing this scene, second elder immediately became anxious.

“First Elder, what do you mean by this? Could it be that you want to betray the Divine Alchemist Pavilion! ?”

First Elder said indifferently, “People don’t do it for themselves, Heaven and earth destroy. I Can’t refuse their conditions.”

“You Beast! The pavilion master treated you well, but you actually did such a thing!” Second Elder’s eyes were wide open as he angrily berated.

The first elder was unmoved. Instead, he advised, “Lord Pavilion Master, if you hadn’t stopped the spirit pills, I admit that the seven of us wouldn’t have been your match.”

“But the current you can not win.”

“You’d better hurry up and surrender. On account of our old friendship, I can make you suffer less.”

The first Elder’s words undoubtedly made people feel nauseous.

A trace of coldness flashed across the pavilion master’s face.

“Do you know the consequences of betraying the Divine Alchemist Pavilion?” The pavilion master looked coldly at the first elder and said.

The first elder said indifferently, “Of course, but unfortunately, you no longer have the chance.”

At this point, the first elder pointed to the location of the warehouse.

“Everyone, Qin Yu is in that warehouse!” The first elder said.

Hearing this, he Teng’s eyes immediately lit up. He was about to head to the warehouse.

He held the light in his hand and slammed it towards the door!

However, the door did not move at all.

His Qi force was directly absorbed by the door.

“How did this happen?” He Teng frowned.

“There’s no need to be in such a hurry,” Xu Beigou said with a faint smile.

“Wait until we capture the Pavilion Master of the Medicine God Pavilion, then slowly open the door.”

He Teng nodded slightly when he heard this.

The atmosphere instantly became tense. The two internal Qi began to collide at this moment.

Although the pavilion master had been hit by the internal Qi pill, the internal Qi on her body was still extremely powerful!

“It’s really hard to imagine that she could still have such strength after being hit by the internal Qi Pill...” he Teng could not help but sigh.

“If not for the internal Qi pill, the seven of us would probably have died in her hands,” Xu Beiliu said in a deep voice.

“Everyone, let’s attack together!”

Before he finished speaking, Xu Beiliu took the initiative to attack!

He held the Azure Flame Dragon Fist in his hand and headed straight for the Pavilion Master!

At this moment, elder Qu Zhang and the others also made their move!

“Come, even if you die in battle today, don’t even think about touching the pavilion master’s finger!” Second elder shouted. His hair danced wildly as his half-step martial marquis strength was fully displayed!

Several rays of light headed straight for Pavilion Master!

No expression could be seen on pavilion master's face.

Her hands glided in the air. Not only did it take half a second, a 'Dou' character appeared in the air!

This character came from the nine secrets of Daoism and was mysterious and unfathomable!

Pavilion master used only half a second to form a seal!

“Bang!”

Several rays of light collided with the 'Dou' character and produced a loud bang!

A monstrous force instantly spread out, and the entire Divine Alchemist pavilion was almost destroyed at this moment!

“Deng Deng Deng!”

Xu Beiji, elder Qu, and the others took a few steps back!

They felt an extremely strong pressure on their chests, as if their internal organs had received a huge impact!

“So Strong.” Xu Beiji frowned.

He Teng also said in a deep voice, “I really don't know how terrifying she is at her peak condition.”

“This woman is really not simple.”

“I'll leave the Pavilion Master to you. I'll take care of Second Elder.” First Elder glanced at them and said.

“Alright.” Elder Qu nodded.

Then, they looked at the Pavilion Master of the Medicine God Pavilion with solemn faces.

“Attack!”

With a loud shout, the second round of attacks began!

Light suddenly appeared in the sky as several mysterious and unfathomable spells headed straight for the Pavilion Master!

A trace of solemnity flashed across the Pavilion Master’s face. With a light stomp of her jade-like feet, purple lotus flowers suddenly rose from under her feet!

“Huala!”

The lotus flowers spread out in all directions with the pavilion master as the center!

In an instant, a powerful aura was formed around her body!

Between the Heaven and earth, there seemed to be a force that was converging into the formation!

All of the pavilion master’s spells seemed to move from her mind.

Stepping on the purple lotus flower, streams of spiritual fire that were wrapped in the power of the Heaven and earth unhurriedly faced the spells of He Teng and the others!

“Pa!”

A purple palm struck out from the formation and fiercely struck elder Qu's body.

Elder Qu immediately took a few steps back, and a mouthful of blood flowed out from the corner of his mouth.

“This woman... can actually use spiritual fire to draw in the power of Heaven and Earth!” That hoarse voice flashed through He Teng's mind.

Everyone's expressions were a little unsightly.

Even though the pavilion master only had thirty percent of his strength left, he was still a bone that was difficult to gnaw on!

“If it wasn't for the Broken Spirit Pill, I'm afraid we wouldn't even have the qualifications to crusade...” Xu Beiliu couldn't help but feel a lingering fear!

This was the first time they had met. If the pavilion master hadn't stopped, he would most likely have turned into a pile of meat paste!

“Everyone, no matter what price we have to pay, we must take down the Pavilion Master of the Divine Alchemist Pavilion!” Elder Qu said coldly as he wiped the blood at the corner of his mouth.

The few of them nodded at the same time.. Their internal Qi rose rapidly as they adjusted their internal Qi to the maximum.

Chapter 484: Chapter 484: the battle begins!

The battle was about to begin!

The auras of both parties caused the air to explode. Due to the internal Qi of the spirit severing pill, the aura of the pavilion master was slightly unstable.

“Attack!”

Accompanied by a furious roar, the third attack was launched!

Every single one of them executed their trump cards, and countless rays of light blotted out the sky. This area had turned into a battlefield!

“Rumble!”

The loud sound attracted countless people to watch!

Even many ordinary people came over when they heard the news. They stood in the distance and watched the battle!

“The Medicine God Pavilion and the sacred scholarly faction are at War!”

“Six people ganging up on the Medicine God Pavilion’s pavilion master alone. Bah, how Shameless!”

“Pavilion Master, you can do it!”

Waves of internal Qi surged over. As ordinary people, they could not withstand this power at all.

“Pu!”

Some people vomited blood from this powerful pressure. Some people even died on the spot.

On the square, the pavilion master frowned slightly.

She gently extended her palm and a barrier suddenly formed in her palm.

Then, the pavilion master pushed her palm forward and this barrier appeared out of thin air and covered the bodies of the surrounding people!

“At this moment, you still have the mood to care about those ants!” He Teng said coldly.

“Pavilion Master of the Medicine God Pavilion, aren’t you looking down on us a little too much! ?” Elder Qu also shouted loudly!

As they spoke, they once again arrived. Within the pavilion master’s formation, they displayed their life’s ultimate technique!

This great battle, from noon to midnight, was still unable to determine the victor!

The powerful pavilion master stood there like a deity. With a single thought, she could summon the power of Heaven and earth!

“Pu!”

Another purple palm reached out!

This palm directly shattered Xu Beili’s ribs!

“Damn it!”

Xu Beili wiped the blood from the corner of his mouth.

“How is this possible? How can there be such a big gap between the same cultivation level!”

This was simply beyond Xu Beili’s understanding! Ever since he stepped into the half-step martial Marquis realm, this was the first time he had encountered such an opponent!

Soon, it was dawn.

Even the onlookers couldn’t hold on any longer. Some of them even dozed off on the spot.

“This woman is simply a monster!” He Teng went even crazier!

First, he met the monster-like Qin Yu, and today, he met such a tyrannical pavilion master!

This instantly shattered his fragile self-esteem!

In the distance, the second elder’s internal Qi started to become unstable.

He panted heavily as he was forced back by the first elder’s powerful attack!

“Bang!”

The first elder’s palm fiercely slammed onto the second elder’s chest.

The second elder’s body was instantly sent flying, and his chest had obviously dropped by a few points!

A mouthful of fresh blood spurted out from his throat.

“You should know that you are not my match.”The first elder slowly walked to the front of the second elder.

The second elder got up from the ground. He gritted his teeth and said, “So what! I will kill you even if I have to risk my life!”

The first elder shook his head and said, “So What? Are you going to sacrifice your life for her?”

“The sage scholarly faction has promised me that I will be the next Pavilion Master of the Medicine God Pavilion!”

“As long as you are willing to stop, I can make you the deputy sect master! If you and I join hands, we will definitely make the medicine god pavilion more glorious!”

Second elder wiped off the blood stains and sneered, “Join hands with an animal like you? Then I’d rather die!”

First Elder’s expression immediately turned cold.

Internal Qi surged in his hand as he coldly said, “Since you don’t know what’s good for you, then you can die!”

“Boom!”

The palms of both parties collided, but second elder was clearly exhausted. Under this palm strike, his body was damaged in many places, and fresh blood dyed his white robe red!

“You Reckless Thing!”The first elder walked over. He looked down at the second elder from above, and his face was as cold as ice.

“Go to hell!”

In the next second, the first elder roared and raised his hand to crush the second elder!

The second elder had already lost the ability to resist. He fell to the ground, and his face was filled with despair!

At this moment, a purple light blocked in front of the second elder!

“Deng Deng Deng!”

This ray of light forced the first elder back a few steps before he could stabilize his body!

Before the first elder could react, a large purple hand had already reached out and brought the second elder to the pavilion master’s side.

At this moment, the pavilion master’s internal Qi started to become unstable.

The pavilion master, who had always been as calm as water, was also slightly panting at this moment.

“Lord Pavilion Master... It’s my incompetence...” seeing this, the second elder’s heart felt like it was being cut by a knife and his face was full of tears.

“Go back.” The pavilion master said coldly.

The second elder was stunned and said, “What?”

“Go to my pavilion and don’t come out.”The pavilion master said coldly.

The second elder’s expression changed and he hurriedly said, “No, how can I abandon you!”

The pavilion master frowned and said, “Don’t say useless nonsense, scam!”

The pavilion master waved his hand and a purple flame wrapped around the second elder and threw him out!

The second elder’s expression was extremely ugly. He wanted to do something, but he realized that he couldn’t do anything!

In this way, the pavilion master would have to face seven half-step martial marquises!

If the pavilion master was at his peak state, it would not be a problem. However, the pavilion master’s strength was only 30% . How could he deal with it?

“Qin Yu... you must come out of your closed-door cultivation as soon as possible...”the second elder stared in the direction of the warehouse and clenched his teeth.

...

The warehouse seemed to be another world.

Even though the battle outside was fierce, the warehouse was not affected at all. Not even a sound could be heard.

At this moment, Qin Yu had already gone into closed-door cultivation for a week.

His internal QI had obviously increased, but he was still one step away from becoming a half-step martial marquis.

Beads of sweat were left on Qin Yu's forehead. Such cultivation, even if he had a mental cultivation method, Qin Yu still could not bear it.

However, he did not dare to pause for even a moment. Because he was here, he could not feel the passage of time. He also did not know how much time was left before a month.

“Hurry up, I have to hurry up!” Qin Yu started to get anxious.

He tried his best to breathe and adjust his state of mind to calm it down.

After an unknown amount of time, Qin Yu's state of mind finally calmed down, and the internal Qi in his body started to get on the right track.

In the outside world.

The big battle had been going on for three whole days!

This must be the longest battle in the past few years!

He Teng and the others were all heavily injured. Xu Beili's calf was fractured and half of his arm was shattered!

The one who suffered the most was elder Qu. Half of his face bone was directly shattered by the pavilion master's Slap. He looked extremely horrified.

The Pavilion Master's condition wasn't too good either. With only thirty percent of her strength, under the repeated attacks of the seven people, she was also hit in the chest. A trace of blood dripped out from her mouth.

Most importantly, the effect of the spirit severing pill continued to ferment in her body, causing the internal Qi in her body to be slightly chaotic.

Chapter 485: Chapter 485, another half-step martial marquis!

There was a trace of blood on the pavilion master's snow-white face.

However, she had no intention of retreating. Her narrow eyes were still filled with disdain.

“We can't go on like this,” he teng said coldly.

The three-day battle had already exhausted them.

If this continued, it was hard to say who would win and who would lose.

“Let's retreat for now,” elder Qu said with some pain.

The injuries on his body were too severe. He had been sent flying by the pavilion master many times and half of his body had almost collapsed.

The others looked at each other and seemed to agree with this suggestion.

“The Pavilion Master of the Medicine God Pavilion indeed lives up to his reputation,” Xu Beizhong said coldly.

“But our Saint Confucian sect’s desire to crusade can not be shaken. No matter how strong you are, we will definitely bring you back!”

Elder Qu said coldly, “Three days later, we will attack again. At that time, we will not leave until we see you!”

After saying this, the few of them looked at each other and turned around to leave.

The pavilion master did not chase after them. She just stood there coldly.

Her condition was not good either. Her body was already heavily injured.

Only after elder Qu and the others retreated did the pavilion master let out a muffled groan and spit out a mouthful of blood.

Following the disappearance of the purple light on her body, this great battle had temporarily entered its end.

“Lord Pavilion Master!” Second Elder rushed out in a hurry.

He hurriedly supported the pavilion master and said anxiously, “Lord Pavilion Master, are... Are You Alright?”

The pavilion master waved his hand and said, “Let’s go back first.”

The two of them came to the top of the pavilion.

At this moment, only the pavilion master, Second Elder, and the two apprentice alchemists who were in charge of looking down on the pavilion master were left in the huge divine alchemist pavilion.

“I really didn’t expect that first elder would be so despicable!” Second Elder gnashed her teeth and said.

“If it weren’t for him secretly drugging us, we wouldn’t have fallen into such a passive position!”

The pavilion master didn’t say a word. She slightly closed her eyes and tried to disperse the broken spirit pill in her body.

Unfortunately, this spirit severing pill’s method was extremely tricky. Without the antidote, it was impossible to recover her strength.

“Lord Pavilion Master, I’ll go and gather people right now!” Second Elder said coldly.

However, the pavilion master shook her head and quietly said, “If anyone was willing to help, they would have come a long time ago.”

Second Elder was instantly speechless.

That’s right. This battle had lasted for three whole days. Who Wouldn’t know?

If they really wanted to help, why did they need to invite them.

The falsehood of their feelings was vividly displayed at this moment.

Everyone seemed to be watching, waiting to see who would win in the end.

If the Saint Confucian sect was pushed back, there would surely be someone who would run to the Divine Medicine Pavilion and attack the Saint Confucian sect together.

But if the divine medicine pavilion was at a disadvantage, then all the favors would vanish into thin air.

After all, no one was willing to offend the Saint Confucian sect for a person who was about to die.

“Lord Pavilion Master, what do we do now?” Second Elder said somewhat anxiously.

Pavilion master was silent for a moment. She suddenly looked at second elder and said coldly, “You stay here. From today onwards, don’t leave.”

Second Elder was stunned and said somewhat confusedly, “Why... Why?”

Pavilion master did not explain, but her words were as if she was explaining her funeral.

Time passed by minute by minute.

The sage scholarly faction claimed that they would attack again three days later, but in the blink of an eye, an entire week had passed, but the people from the sage scholarly faction still did not show up.

The reason was none other than that elder Qu and the others were seriously injured!

Even with the first Elder’s help in refining medicine, their injuries could not be healed in a short period of time.

“This woman really can not be measured with common sense!” Elder Qu said coldly.

He Teng laughed coldly and said, “She is the Pavilion Master of the Medicine God Pavilion after all. You must know that the Medicine God Pavilion has not been established for long.”

“A woman can make the medicine God Pavilion become a world-renowned existence in a short period of time. How can it be simple?”

This was also the drawback of the Medicine God Pavilion.

Because the pavilion master was the founder, the Medicine God Pavilion did not have any foundation.

Therefore, they could not find any treasures left behind to prevent others from invading. They only relied on the tyrannical strength of the Pavilion Master of the Medicine God Pavilion.

“Without the broken spirit pill, the few of US might not even be able to last a day!” Xu Beili felt waves of lingering fear.

Elder Qu sneered at the side, “A day? I reckon that you will die in a single exchange.”

Xu Beigou glanced at elder Qu but didn't say a word.

Although he was unwilling to admit it, it was the truth.

“When everyone has recovered from their injuries, continue to attack the Divine Alchemist Pavilion!” Elder Qu ordered.

The few of them remained silent and could be considered to have agreed.

...

At this moment, more than half a month had passed since Qin Yu went into seclusion.

Due to the excessive intake of Qi/spiritual energy, Qin Yu's entire body was almost transparent.

His internal organs could be seen through at a glance.

On the twentieth day of Qin Yu's closed-door cultivation.

Elder Qu and the others arrived at the Divine Alchemist Pavilion once again.

The pavilion master seemed to have expected this. She stood in the middle of the square and waited quietly.

This time, the pavilion master's internal Qi seemed to have become weaker. His strength could not even display 20% of his peak stage strength!

Against seven half-step martial marquises, the pavilion master's chances of victory were almost slim.

“Pavilion Master of the Medicine God Pavilion, you'd better come with us.” He Teng said with a faint smile.

“The spirit severing pill has already completely evaporated in your body. It's already not bad that you can still stand.”

The pavilion master said coldly, “If you want to fight, then let's fight. Why are you talking so much nonsense?”

Before she finished her words, the pavilion master's body once again lit up with a purple light.

It was as if she was stepping on a formation. However, this time, the light seemed to be much dimmer.

“Hahaha!” Seeing this, elder Qu couldn't help but laugh out loud.

“It seems that he teng is right. The longer it drags on, the more disadvantageous it will be for you,” elder Qu said indifferently with her hands behind her back.

“Boom!”

Just as elder Qu finished speaking, a purple flame came straight at her!

Elder Qu's expression changed drastically. He hurriedly raised his hand and reacted.

“Deng Deng Deng!”

Even though the pavilion master's internal Qi was extremely weak, it still forced elder Qu back a few steps!

“What a Great Pavilion Master of the Medicine God Pavilion. Everyone, Make Your Move!”

With a loud shout, elder Qu and the others charged towards the pavilion master once again!

This battle had exceeded their expectations.

They had thought that they would be able to take it down in a short period of time, but unexpectedly, the great battle continued from Morning Till Night!

The Glow on the pavilion master's body grew dimmer and dimmer, and a bright red flower bloomed on her chest.

Her blood had outlined her into a blood-colored beauty, appearing somewhat desolate in the chaotic wind.

But her unyielding heart made everyone feel somewhat helpless.

“The Pavilion Master of the Medicine God Pavilion truly lives up to his reputation.”

Just as they were feeling anxious, another person joined the battle.

Turning around, they saw a man whose face was concealed standing there quietly.

Chapter 486: Chapter 486, capture alive

Even though this man's internal Qi was rather stable, one could still tell that he was also a half-step martial marquis!

“Who are you?” Elder Qu asked with a frown.

This man did not make a sound. He placed his hands behind his back and said indifferently, “I just don't like the Pavilion Master of the Medicine God Pavilion. I believe everyone has no objections to helping him out.”

“Of course I have no objections!” Elder Qu was immediately somewhat delighted.

Although he did not know who the other party was, as long as it was the enemy of the Pavilion Master of the Medicine God Pavilion, he would be their friend.

“Do you still want to put up a stubborn resistance! You are now facing eight half-step martial marquises!” Xu Beili said coldly.

“To be able to make eight half-step martial marquises attack at the same time, you are already worthy of being proud.” He Teng also said with a faint smile.

The pavilion master didn't say anything. The only thing that responded to them was a sharp palm!

“Humph, you don't know Death!”

The eight of them attacked at the same time!

Countless rays of light illuminated the night!

The pavilion master was ultimately unable to defeat them with both fists. Her figure kept retreating, and a sweet taste came from her throat. She spat out a mouthful of blood.

“Remember, capture her alive!” Elder Qu said coldly.

“Activate the spell together and take her away!”

The people from the Saint Confucianism sect looked at each other and stood in five different positions!

“Hualala!”

As they activated the spell, chains rushed out from their chests!

This was the Saint Confucianism sect’s unique formation, called the god-locking formation!

The five chains bound the pavilion master’s four limbs and snow-white neck!

Elder Qu and the others activated their internal Qi, and the chains became several feet thicker!

“Give up! You Can’t resist the god-locking formation now!” Xu Beiliu shouted.

However, the pavilion master was not someone who would give up easily. She moved her body, and the five chains let out a loud crash!

“Not good!”

Under the pavilion master’s powerful internal Qi, the five half-step martial marquises were actually swayed back and forth!

“He Teng, why are you still standing there!” Seeing this scene, elder Qu hurriedly shouted!

He Teng took a step forward.

He stood in front of the pavilion master and said indifferently, “If you are willing to hand over Qin Yu, I can still give you the antidote now.”

Having said this, he teng glanced at elder Qu and the others in the air and then said with a smile, “As long as you recover your strength, these mongrel fishes are not worth mentioning at all.”

However, the pavilion master said coldly, “How many times do you want me to repeat the same words?”

He Teng’s expression turned cold. He snorted and said, “Then don’t blame me for being impolite!”

A long sword appeared out of thin air in his hand! Then, he teng extended his palm and the long sword pierced into the pavilion master’s abdomen!

“Pu!”

Finally, the heavily injured pavilion master could no longer hold on.

She spat out a mouthful of blood. Her face was extremely pale, and her internal Qi was extremely weak at this moment.

The chains gradually quieted down.

Elder Qu and the others in the air could not help but heave a sigh of relief.

“Damn it, he is simply a pervert.” Xu Beili wiped the sweat from his forehead and could not help but sigh.

The eight half-step martial marquises had used up all their strength to finally capture the Pavilion Master of the Divine Alchemist Pavilion.

“Next, it’s time to deal with that Qin Yu,” elder Qu said darkly.

He Teng said with a faint smile, “This Qin Yu is mine. I want to kill him with my own hands.”

“As you wish,” elder Qu said expressionlessly.

Then, he teng walked towards the direction of the warehouse.

Standing at the door of the warehouse, he Teng said with a sneer, “Qin Yu, a person like you shouldn’t live in this world.”

“You want to step into the half-step martial marquis realm? I’m sorry, I’m afraid you don’t have the chance!”

As he spoke, he Teng’s palm glowed. In the next second, a terrifying force fiercely smashed toward the door!

“Dong!”

A loud sound, like a clap of thunder on flat ground! It spread across more than half of Qinghe Town!

However, the door of the warehouse didn’t move at all.

He teng frowned and said, “How could this be?”

He gathered his Qi again and smashed it at the door!

However, the door still didn’t move at all! Its hardness was far beyond imagination!

“What, you can’t even beat a door?” Elder Qu snorted.

His figure flashed and arrived in front of the door. Then, he used a spell and smashed it at the door!

However, the result was the same. The door didn't move at all.

No matter how powerful the spell was, it was unable to shake the door in the slightest!

“How could this be...” everyone's expressions were a little ugly!

After all, they were half-step martial marquises!

Eight half-step martial marquises could not even defeat a single door. If this were to be known, it would be a laughing matter.

“What exactly is going on?” He Teng asked coldly in his heart.

“The Pavilion Master of the Medicine God Pavilion has set up a forbidden force... This forbidden force uses a Daoist technique and draws upon the power of Heaven and earth. With just the two of you, you will not be able to break it...” that hoarse voice sounded, in He Teng's mind.

He teng frowned and said, “Is there no other way?”

“Hehe... There is... let me try. Perhaps there is a chance...” that hoarse voice said.

He Teng's expression immediately turned cold.

He looked coldly at the first elder and said, “How should this door be opened?”

“How can I know Lord Pavilion Master’s methods?”The first elder said in a bad mood.

“Enough.”At this moment, elder Qu waved his hand.

He glanced at the pavilion master who had already fainted and said with a cold smile, “As long as the Pavilion Master of the Medicine God Pavilion is in our hands, are you worried that we won’t be able to open this door?”

“Let’s bring her back to the Saint Confucian sect first and slowly interrogate her when the time comes.”

Although he teng was somewhat unwilling, he could only do so for now.

...

The few of them left the Divine Medicine Pavilion.

In the pavilion, Second Elder’s face was ashen.

“Lord Pavilion Master...”he half knelt on the ground and couldn’t help but shed tears of pain.

After an unknown amount of time, second elder wiped his tears and stood up from the ground.

“Lord Pavilion Master said that as long as Qin Yu comes out of seclusion, everything will turn around.”Second elder gazed in the direction of the warehouse.

Pavilion master had long expected that she would be captured alive, so she had made preparations in advance.

“Qin Yu, you must be quick, be quick....”second elder wiped her tears.

Chapter 487: Chapter 487, Pavilion Master and Gu Canghai

The news that the Pavilion Master of the Medicine God Pavilion had been taken away quickly spread.

“The Pavilion Master of the Medicine God Pavilion actually lost. What a pity.”

“According to what I know, eight half-step martial marquises besieged the medicine God Pavilion that day!”

“The Pavilion Master fought against eight people by himself and never made any killing moves. Otherwise, it would be hard to say who would win and who would lose.”

“Not only that, I heard that the pavilion master seemed to have been poisoned by some poison, and he was unable to display half of his peak strength.”

“I really didn’t expect that the Medicine God Pavilion, with such a wide network of people, would not even have a single person come when something happened.”

Everyone discussed animatedly, expressing their pity for the medicine God Pavilion.

But they all understood in their hearts that the stronger the person, the higher their status.

And the higher the status, the more they valued benefits. In their eyes, there was no emotion to speak of.

Saint Confucian school.

The pavilion master didn't know how long had passed before she slowly woke up.

She was locked in the Saint Confucian school's dungeon, and her surroundings were pitch black.

But the pavilion master's face was strangely calm, and not a trace of panic could be seen.

At this moment, a sound came from outside.

With a glance, he saw elder Qu tiptoeing in.

“Yo, you're Awake?” Seeing the pavilion master who had awoken, elder Qu could not help but sneer.

“Hehe, aren't you very proud? Why have you become a prisoner now?” Elder qu leaned forward, mocking incessantly.

The pavilion master glanced at elder Qu and said indifferently, “You came in alone. Are You Courting Death?”

Elder Qu was stunned. Just as he was about to speak, his entire body was sent flying!

“Bang!”

Elder Qu's body fiercely smashed the wall behind him.

A mouthful of blood flowed out from the corner of his mouth.

Elder Qu didn't even see clearly when and how the pavilion master attacked.

“Even if I become a prisoner, it's not something a good-for-nothing like you can touch.”The pavilion master said indifferently.

Elder Qu wiped the blood from the corner of his mouth and said with a bit of anger, “What are you so arrogant for? As long as I give the order, I can let you die in this cage!”

At this point, elder Qu licked his lips and said with a perverted look, “I heard that you are still a virgin, right? Wait until I beat you up, then you can enjoy your first time!”

The Pavilion Master's face turned cold and he coldly said, “Do you want to die?”

“Hahaha, what can you do to me?”Elder Qu sneered.

At this moment, the door opened again.

A tall man in a white robe walked in.

Seeing this man, elder Qu hurriedly greeted respectfully, “Greetings, sect master.”

The sect master waved his hand and said, “You can leave first.”

After sending elder Qu away, sect master Gu Canghai walked to the front of the pavilion master.

“Ji Yuhong, long time no see,” Gu Canghai said indifferently.

Ji Yuhong?

Gu Canghai actually opened his mouth and called out the Pavilion Master's name?

The pavilion master glanced at Gu Canghai and said indifferently, “It seems that you still remember the grudge from back then.”

Hearing this, Gu Canghai's face immediately flashed with a trace of anger.

He glared at the pavilion master and roared, “Ji Yuhong! If it weren't for you, I wouldn't have ended up like this! Because of you, I can't even have my own children!”

Ji Yuhong said indifferently, “Who asked you to be a waste?”

“Waste? !” Gu Canghai immediately sneered.

“I'm a new martial Marquis Now!”

“And you are a prisoner!”

Ji Yuhong was not angry. She raised her eyebrows and said, “Do you think I have no chance to become a martial marquis?”

Gu Canghai was stunned. He frowned and asked, “What do you mean?”

Ji Yuhong said indifferently, “I don't need to explain to you.”

The pavilion master's attitude clearly angered Gu Canghai.

“You are already a prisoner, and you still dare to be so arrogant!” Gu Canghai clenched his fist and said.

“I want to see how long you can be arrogant!”

Ji Yuhong smiled faintly and said, “Okay, I also want to see when you can have your own child.”

Gu Canghai's body stiffened, and then he snorted coldly.

He looked at the guard next to him and said, “From today on, you are not allowed to give her a mouthful of rice or a mouthful of water!”

“Yes!” The two guards shouted.

...

Time flew by. In the blink of an eye, three days had passed.

And Qin Yu had gone into seclusion for a total of twenty-seven days.

There were only three days left from a month.

During these few days, the first elder had taken over the medicine God Pavilion and announced to the public that he was the new pavilion head.

Not only that, he had recalled all the pharmacists who were originally on holiday!

On the square of the Medicine God Pavilion, the first elder had his hands behind his back and was in high spirits.

Below him were dozens of alchemists from the medicine God Pavilion.

“From today onwards, I will be the new Pavilion Master of the Medicine God Pavilion,” the first elder said faintly.

There was silence below and no one spoke.

The first elder said with some displeasure, “Why, didn’t you hear it? Do you need me to say it again?”

“First Elder, you have already betrayed Lord Pavilion Master. Why are you standing here and claiming to be the new pavilion master?”

“That’s right, we only acknowledge Lord Pavilion Master!”

The first Elder’s face was livid as he said coldly, “Why, without Ji Yuhong, does the medicine God Pavilion not exist anymore?”

“The Medicine God Pavilion was created by Lord Pavilion Master himself. It must not fall into the hands of a thief like you!” Someone below shouted.

Hearing this, the first elder immediately flew into a rage!

He immediately raised his hand and slapped out!

“Crack!”

With this slap, the head of the medicine master instantly exploded like a watermelon!

The first elder swept his gaze across the crowd and coldly said, “Who else is unconvinced!”

There was complete silence below. No one dared to say a word.

“First Elder, I apply to withdraw from the Medicine God Pavilion.” At this moment, a young man stood out.

He fiercely threw the token on his waist onto the ground.

“I’ll withdraw too!”

“I’ll withdraw too!”

For a moment, almost all the alchemists took out their tokens and smashed them into pieces!

First Elder was so angry that his entire body was trembling. He suddenly shouted in anger, “If anyone dares to withdraw, I’ll kill them!”

“What, we don’t even have the right to withdraw?” Someone Below angrily rebuked.

First Elder looked at him coldly and narrowed his eyes as he said, “I think you want to Die!”

Light flickered in first elder’s palm as streams of killing intent burst forth.

“Everyone, please listen to First Elder’s arrangements.”

At this moment, fifth elder walked out.

He swept his gaze over everyone and said in a deep voice, “Everyone, don’t be rash. Please listen to First Elder’s words.”

“The establishment of the Divine Alchemist Pavilion was not easy. It’s such a pity to just scatter like that.”The fifth elder sighed.

The people below were filled with anger. They berated, “Fifth Elder, you actually want to be a traitor too?”

“You’re really a spineless thing!”

“What? You’re a mother just because you have milk!”

Everyone pointed their spears at the fifth elder one after another.

The fifth elder smiled bitterly.

He subconsciously looked in the direction of the warehouse and whispered, “There are only three days left. If he can hold on for another three days, Qin Yu will come out of seclusion....”

Chapter 488: Chapter 488, Qin Yu came out of seclusion!

The fifth elder had been calculating the time.

He was very clear that if these alchemists really left, then the Divine Medicine Pavilion would be completely disbanded.

This was the painstaking efforts of the pavilion master!

Therefore, the fifth elder would rather bear the infamy than let these alchemists stay!

“You did well.”The first elder patted the fifth elder on the shoulder.

Fifth Elder did not speak.

Although they were both elders, first elder was a law enforcement elder. He was a representative of strength and was not someone he could contend with.

Although medicine master had temporarily calmed down, they did not acknowledge first elder at all in their hearts.

On the Pavilion Master's building.

First Elder leaped up and jumped up.

He sat on the seat that the Pavilion Master had once sat on and gently stroked this rattan chair. An indescribable satisfaction appeared on his face.

“Is this how the pavilion master feels?” The first elder sat on the rocking chair and gazed into the distance as he said faintly.

Sitting here, he could overlook the entire Qinghe Town!

This feeling of being high and mighty caused the first elder to lose himself for a time.

After sitting here for a long time, the first elder turned around and walked out.

He came all the way to a side room of the Medicine God Pavilion.

This was the medicine God Pavilion's confinement room, but now it had become the prison that imprisoned the second elder.

“Haven't you figured it out yet?” The first elder looked at the second elder who was covered in blood and said indifferently.

The second elder's eyes were wide open. He gritted his teeth and said, "You traitor, you are not a human, you are a beast!"

"The pavilion master trusts you so much, but you actually committed such a betrayal. You will die a horrible death!"

The first elder was not angry. He smiled faintly and said, "Ji Yuhong is already in the past. From today onwards, I am the Pavilion Master of the Medicine God Pavilion."

"Is it worth it for you to suffer such hardship for a person who is already in the past?"

The second elder grinned coldly and said, "Don't be arrogant too early! Qin Yu will come out of seclusion soon!"

"After he comes out of seclusion, you will die without a doubt!"

The first elder laughed, "Do you think I am afraid of Him? He is just a low-level person who is favored, how can he be my opponent?"

The second elder gritted his teeth and said, "As long as Qin Yu steps into the half-step martial Marquis Realm, you will die for sure!"

"Really? I want to see it," the first elder said gloomily.

"I will give you one last night. If you still insist, then don't blame me for being Rude!"

After saying this, the great elder turned around and left.

In the past few days, the great elder had also tried to break open the warehouse's door, but unfortunately, he had failed.

Helpless, he thought of calling for reinforcements.

He had originally wanted to go to the Saint Confucian sect, but on second thought, weren't there ten half-step martial marquises near the Medicine God Pavilion?

As long as they were around, then Qin Yu would die without a doubt!

Thus, the great elder immediately found the half-step martial marquises from the Hong Yi sect, and the two sides immediately reached an agreement!

As long as Qin Yu came out of seclusion, these ten half-step martial marquises would immediately step into the Divine Alchemist Pavilion and get rid of Qin Yu!

Time passed by minute by minute, and the once glorious divine alchemist pavilion seemed to be in decline at this moment.

And the pavilion master's condition in the Saint Confucian sect was even worse.

After a few days, she didn't even drink a single mouthful of water. Her lips had already lost their color.

“Ji Yuhong, if you are willing to beg me, I might give you another chance.” Gu Canghai stood at the entrance of the prison and said indifferently.

Ji Yuhong glanced at Gu Canghai and said expressionlessly, “Gu Canghai, it seems that you have forgotten how you knelt in front of me and begged for mercy back then.”

At this point, Ji Yuhong paused for a moment and said with a faint smile, “Why didn’t you personally go to crusade against the Divine Alchemist Pavilion? Is it because you still don’t dare to face the psychological trauma from back then even today?”

When this topic was brought up, Gu Canghai’s expression turned somewhat ugly.

Just as Ji Yuhong had said, even though he had stepped into the half-step martial marquis realm today, there was always a trace of unspeakable terror in his heart when facing Ji Yuhong.

“Ji Yuhong, don’t think that I don’t dare to kill you!” Gu Canghai said coldly.

“If you dared, you would have done it long ago,” the pavilion master said with a faint smile.

“As long as you kill me, no one will know that the sect master of the sacred Confucian school once knelt in front of a woman and cried bitterly, wagging his tail and begging for mercy.”

Gu Canghai’s face instantly turned ashen, and veins popped out on his forehead!

“Indeed, I don’t dare to kill you, but I can still torture you!” Gu Canghai gnashed his teeth and said.

Gu Canghai extended his finger, and a few rays of light entered the pavilion master’s body.

In an instant, the pavilion master’s body became limp and powerless, and he lay on the ground, unable to move.

“I will let you slowly suffer humiliation!” Gu Canghai sneered.

“Didn’t you keep yourself as pure as jade for that person? Today, I will let you experience the joy of the human world!”

Hearing this, a trace of fear finally flashed across the pavilion master’s face.

She wanted to say something, but couldn’t say a word.

Gu Canghai turned around and walked out of the prison.

He looked at elder Qu outside the door and said coldly, “I’ll leave Ji Yuhong to you. As long as you keep her alive, you can do whatever you want.”

Elder Qu’s eyes immediately lit up and he said excitedly, “Sect master, is what you said true?”

“What do you think?” Gu Canghai said with a cold face.

Elder Qu immediately rejoiced, “Thank you, Sect Master!”

After throwing these words, elder Qu ran in anxiously.

Outside the door, Gu Canghai’s expression was extremely ugly.

He and Ji Yuhong had a grudge for many years, but unfortunately, the position of the Pavilion Master of the Medicine God Pavilion was too high in society, so Gu Canghai had no chance to take revenge.

This time, he had finally grasped the opportunity.

In the prison, elder Qu ran excitedly towards the pavilion master.

All men had the desire to conquer, and elder Qu was no exception.

Facing an incomparably powerful woman like the pavilion master, the perverse pleasure in his heart almost made him faint.

“Divine Medicine Pavilion Master... I’m Coming!” Elder Qu cried out in a strange voice and pounced towards the pavilion master.

At this moment, the door suddenly opened.

Three men in suits walked in with large strides.

Elder Qu frowned and asked, “Who are you people?”

The other party said coldly, “People from the Jingdu Martial Arts Association. We want to take Ji Yuhong away.”

Elder Qu was stunned and said somewhat unwillingly, “Then... then can you wait for a while? Let me finish my business first...”

“Do you want to die?” The three people immediately said coldly.

Elder Qu’s expression changed.

Although he was unwilling, he could only retreat to the side.

...

In the Medicine God Pavilion’s warehouse.

Qin Yu’s crystal clear body began to slowly take shape.

Threads of light attacked from all directions and finally fell into his body.

At this moment, his dantian also began to change.

His spiritual power increased exponentially at this moment!

Level after level of golden light appeared on his body.

The Golden Light continued to cover Qin Yu's body.

Level 1, Level 2, level 3... a total of 108 levels!

Under the cover of more than 100 levels of Golden Light, Qin Yu's body seemed to be plated with gold, shining in the darkness!

“Buzz!”

The light from Qin Yu's body burst out from inside out. In a moment, his body slowly returned to its original state.

At the same time, Qin Yu's eyes finally opened!

He slowly stood up and clenched his fist. An overwhelming power surged out!

Chapter 489: Chapter 489, Perfect State

Standing in the empty warehouse, Qin Yu was surprised to find that the surrounding Qi/spiritual energy had almost disappeared.

In other words, the entire warehouse's Qi/spiritual energy had almost been completely absorbed by Qin Yu.

He lightly clenched his fist and felt the power surging from all over his body. His eyes couldn't help but flash with a trace of joy.

“This... This is the power of a half-step martial marquis?” Qin Yu muttered in a low voice.

It was not an exaggeration to say that this power was at least tens of times stronger than before!

“Something's wrong.”

But very quickly, Qin Yu realized that something was not right.

Although his strength had been greatly increased, it seemed that he had not touched the edge of the Martial Marquis realm.

Even though the half-step martial marquis realm was not a clear realm, he could feel the power of a true martial marquis. It was a realm that had broken away from the Martial Grandmaster realm.

However, the current Qin Yu still felt that he was in the Martial Grandmaster realm.

On the contrary, Qin Yu couldn't feel the feeling of touching the martial marquis realm at all.

“Could it be... that I'm still in the Martial Grandmaster Realm?” Qin Yu's brows furrowed tightly.

“But my strength has indeed increased by tens to nearly a hundred times.” Qin Yu took a deep breath.

At this moment, Qin Yu seemed to have thought of something.

His pupils constricted, and he muttered in a low voice, “Could it be that he has reached the consummate grandmaster realm?”

The probability of such a realm appearing was extremely low, and the probability was less than 0.01% .

However, there were rumors that at the peak of the realm, those who had reached the consummate realm were all geniuses.

In the future, the path of cultivation would be filled with many obstacles. However, once one reached the consummate realm, they would be invincible in the world.

If one wanted to cross the great completion stage, they would need a sliver of opportunity.

For example, a certain pill or some fortuitous encounter.

“The great completion stage...”Qin Yu muttered in a low voice.

There seemed to be a thin line between him and a half-step martial marquis.

However, Qin Yu could feel the surging and tyrannical power within his body!

This power was definitely not weaker than an ordinary half-step martial marquis. In fact, it was much stronger!

“The perfect realm is enough,”Qin Yu said coldly.

With his current strength, Qin Yu was confident that he could take his life within three breaths if he met someone like he teng!

For a moment, Qin Yu didn't know whether it was a blessing or a curse.

The Perfect Martial Grandmaster Qin Yu had surpassed the half-step martial Marquis Realm.

How strong would he be when he stepped into the true half-step martial marquis realm?

He didn't dare to imagine!

Qin Yu couldn't feel the passage of time in this warehouse.

Therefore, he didn't know when the door would open.

The door couldn't be opened by brute force, so Qin Yu could only wait.

He sat cross-legged on the ground and began to search through his inherited memories, trying to find a way to break through to the Great Circle.

Soon, traces of memories entered Qin Yu's mind.

A pill called the "Reincarnation Pill" entered his eyes.

"Reincarnation pill requires five thousand year-old herbs, three demon beast inner cores, and eight thousand year-old herbs..."

Seeing this pill formula, Qin Yu couldn't help but be dumbstruck!

This pill formula was a little too ridiculous!

Up until now, Qin Yu had never seen five thousand year-old herbs!

Not only that, reincarnation pills also had extremely high requirements for alchemists. It required two alchemists who possessed purple spirit fire to refine it at the same time!

Just This Alone had already stumped most people!

“Two alchemists with purple spiritual fire... Fortunately, Lord Pavilion Master is also a purple spiritual fire,”Qin Yu thought to himself.

In this way, the most difficult thing was the five thousand year-old herbs.

“Looks like I’ll have to trouble Lord Pavilion Master again.”Qin Yu smiled bitterly in his heart.

Qin Yu stood up and looked at the herbs in the warehouse.

Because of Qin Yu’s absorption of Qi/spiritual energy, the herbs in the entire warehouse had almost withered.

This also made Qin Yu feel a trace of guilt.

Ever since he came to the Divine Medicine Pavilion, he didn’t know how much trouble he had brought to the Divine Medicine Pavilion.

And the Pavilion Master’s wholehearted help to him was even more like a mountain of gratitude.

Without the help of the pavilion master, Qin Yu didn’t know how long it would take for him to step into the perfection realm.

Although I can't step into the half-step martial marquis realm, with my current realm, dealing with Han Wei is no problem at all. Qin Yu laughed coldly in his heart.

He put away the three purities ancient tree and quietly waited for the warehouse door to open.

...

Outside.

The Great Elder's daily lecture.

He was very clear in his heart that these pharmacists simply didn't accept him.

Therefore, he had to brainwash them every day and use both kindness and power.

At noon on this day.

The first elder gathered all the alchemists in the square.

He swept his gaze over everyone and said indifferently, "Ji Yuhong has already become a thing of the past, and I am the second-generation Pavilion Master of the Divine Alchemist Pavilion! Those who obey me will naturally be rewarded, but there is only one outcome for those who do not obey me!"

Before he finished speaking, two people dragged a half-dead old man over.

This old man was none other than the second elder!

His entire body was covered in blood and his internal Qi was weak. It was a tragic sight to behold.

“Second Elder!” Someone immediately shouted from below!

The first elder extended his palm and caught the second elder in his own hand.

“Since I am the New Pavilion Master, disobeying me is equivalent to betraying the Divine Alchemist Pavilion!” The first elder said coldly.

“I will not tolerate traitors!”

After saying this, the first elder grabbed the second elder’s wrist and suddenly exerted force!

“Puchi!”

The enormous force actually directly crushed the second elder’s hand!

Blood and shattered bones fell under the first elder’s feet.

Painful wails reverberated in the square for a long time!

“This is the end! If you persist in not coming to your senses, I will continue to enforce the rules!” The first elder said coldly.

Below, everyone had ugly expressions and no one made a sound.

Even though they hated the first elder to the core, there was nothing they could do.

The first elder coldly snorted, “Dismissed!”

After the first elder left, everyone hurriedly ran to the second elder.

“Second Elder, are you alright...”

“Quick, quickly refine medicine for the second elder to stop the bleeding!”

The second elder gritted his teeth and waved his hand.

He said in a low voice, “Tomorrow morning, Qin Yu will come out of seclusion... when he comes out, he will definitely not spare first elder...”

When everyone heard this, they subconsciously looked in the direction of the warehouse.

“Send me to the door of the warehouse. I want to see Qin Yu come out of seclusion with my own eyes...”second elder said with difficulty.

No one dared to say anything more. They hurriedly helped second elder to the door of the warehouse.

...

At night.

Second Elder sat alone at the entrance of the warehouse.

“Second Elder, Are You Alright?”

At this moment, fifth elder walked over.

After seeing fifth elder, second elder snorted coldly and said, “Why didn’t you hurry to curry favor with the new pavilion master and protect your position? Why did you come here?”

Fifth Elder smiled bitterly and said, “Second Elder, you misunderstood me. I want to eat his bones and flesh! The reason why I did this was to save the lives of many alchemists...”

“If all the alchemists leave, then the Divine Alchemist pavilion... will really be disbanded.”

Second elder frowned slightly and said with some suspicion, “Is what you said true?”

“It’s absolutely true! Heaven and earth can witness it!” Fifth Elder said with a bitter smile.

Second Elder opened his mouth and was about to say something when a sound suddenly came from the door of the warehouse.

Then, the forbidden power on the door disappeared, and the door slowly opened.

“Eh? It opened in advance?” The second elder was stunned, and then overjoyed!

Chapter 490: Chapter 490, half-step martial marquis, nothing more

Fifth Elder’s eyes were also shining as he stared at the door.

The door slowly opened in front of their eyes.

Then, Qin Yu slowly walked out.

Fifth Elder hurriedly stood up and grabbed Qin Yu's arm.

His face was full of excitement and tears filled his eyes. He said in a trembling voice, "Qin Yu, you... you finally came out of closed-door cultivation..."

As he spoke, fifth Elder's face was covered in tears, and tears flowed down his face.

Qin Yu was dumbstruck. He asked in a daze, "Fifth Elder, what happened to you?"

Immediately after, Qin Yu saw second elder, who was covered in injuries.

He hurriedly helped second elder up and said anxiously, "Second Elder, you... What Happened to you? Who Did This?"

Second Elder grabbed Qin Yu's hand and said coldly, "Qin Yu, no matter what, you have to take revenge!"

"What's going on?" Qin Yu had a faint feeling that something was wrong.

Second Elder and fifth elder immediately told Qin Yu what had happened.

While they were talking, Qin Yu became angrier and angrier. Traces of killing intent quickly swept over!

“You mean... Pavilion Master was taken away by the Saint Confucian School?” Qin Yu’s expression was extremely ugly!

The pavilion master was extremely kind to Qin Yu. Not only did he save him many times, he was even willing to give Qin Yu generous resources!

Qin Yu would never forget such a kindness!

“If it wasn’t for the first elder secretly drugging them, those half-step martial marquises wouldn’t be a match for the pavilion master at all!” The second elder said angrily.

Qin Yu took a deep breath.

He suppressed the anger in his heart, bent down and said, “Second Elder, you should recuperate first. I’ll kill the First Elder Now!”

“As for the Saint Confucian school... I, Qin Yu, will definitely go there!”

No matter what, Qin Yu wouldn’t let the Pavilion Master Get Hurt!

“Fifth elder, I’ll leave the second elder to you.” Qin Yu looked at the fifth elder.

The fifth elder nodded and said, “Alright, be careful.”

Qin Yu didn’t say anything. He turned around and walked towards the pavilion master’s building.

In the Pavilion Master’s building.

The first Elder was lying comfortably on a rocking chair.

In front of him was a pot of black tea. This was once the pavilion master's favorite black tea.

And beside him, there were two medicine boys waiting on him.

The medicine boys' faces were extremely frightened. Facing the current first elder, they dared to be angry but didn't dare to say anything.

“Why? Are you very unwilling to dress me?” The Great Elder said coldly.

The medicine boy hurriedly stood up and said in a low voice, “No... I don't dare.”

“Remember, from today onwards, I am the New Pavilion Master of the Medicine God Pavilion!” The Great Elder said coldly.

“If you want to live on, you'd better forget about Ji Yuhong!”

The Medicine Boy didn't say a word. They knelt in front of the great elder and carefully served him.

At this moment, the Great Elder was a little worried.

According to the time, tomorrow was the day Qin Yu came out of seclusion.

If he really stepped into the half-step martial Marquis realm, he would definitely not be able to deal with him.

“I hope the people of the Hong clan won’t disappoint me,” the great elder thought to himself.

At this moment, he suddenly felt an intense killing intent pressing toward him!

This killing intent was like a cold wave, causing the first elder’s entire body to turn cold!

He hurriedly stood up and exclaimed, “Who is it!”

“The person who killed you!”

An ice-cold voice sounded from the darkness.

With a glance, he saw a young man standing on the Pavilion Master’s building.

The Young Man’s face was ice-cold, and his fists were tightly clenched. His terrifying aura made it even harder for people to breathe!

“Qin... Qin Yu!”

When the first elder saw who it was, his expression changed drastically!

Qin Yu walked forward step by step. He gritted his teeth and said, “The pavilion master has always regarded you as his confidant, but you actually colluded with the Saint Confucian school to commit such a betrayal.”

“First Elder, what crime should you commit? !”

A loud shout immediately caused the first elder’s soul to leave his body!

He suppressed the fear in his heart and tried his best to remain calm as he said, “Qin Yu, things are not as you imagined...”

“Pa!”

Before the great elder could finish his words, a ray of golden light fiercely slapped his face!

“You Damn Beast!” Qin Yu gnashed his teeth and said.

The great elder covered his face and said somewhat angrily, “You dare to hit me? Qin Yu, even if you succeed in breaking through, I’m not afraid of You! I’m also a half-step martial marquis!”

“Half-f * CK!”

An inner strength filled with spiritual power instantly rolled over with a crushing force!

The first elder felt a sweetness in his throat and spat out a mouthful of blood!

With just a shout, the first elder’s body was injured. What kind of strength was this? !

One had to know that the first elder was also a genuine half-step martial marquis!

“You...” after feeling this power, the first elder’s face became a bit ugly.

Qin Yu’s expression was ice-cold. The way he looked at the first elder was as if he was looking at an ant.

“A half-step martial marquis is only So-so,”Qin Yu said coldly.

The first elder’s expression changed drastically, and his mind spun rapidly.

A moment later, the first elder’s expression changed, and he said with an embarrassed smile, “Qin Yu, this... This is actually all a misunderstanding... listen to my explanation...”

“Explanation?”Qin Yu laughed coldly.

He stretched out his finger and two rays of golden light shot out!

“Crack!”

In the blink of an eye, the first elder’s knees were instantly shattered. With a plop, he knelt on the ground!

“Kneel down First!”Qin Yu said coldly.

The first Elder’s expression was extremely ugly! As a half-step marquis, he had never suffered such humiliation!

What made him even more afraid was that the Qin Yu in front of him was like a vast ocean, unable to see through his strength at all!

“Qin Yu, this matter has nothing to do with me. It was the sage Confucian school that forced me to do it...”the great elder hurriedly explained.

He roared in his heart. As long as he could endure through today and wait for the ten half-step martial marquises of the Hong Yi School to arrive, then everything would have a turn for the better!

Therefore, the current great elder desperately wanted to stabilize Qin Yu!

But How Could Qin Yu give him a chance? He slowly walked in front of the great elder and said coldly, “Don’t worry, I Won’t let you die so quickly. I will slowly torture you to death and make you kneel on the square of the Divine Alchemist Pavilion for the rest of your life...”

“Qin Yu, don’t... Don’t be rash! Let’s... Let’s Talk!”The Great Elder’s expression changed drastically!

Qin Yu sneered and said, “Talk about your mother! A beast like you, dying ten times is not enough.”

Sensing the killing intent from Qin Yu, the Great Elder’s face became even more unsightly.

He gritted his teeth and shouted angrily, “I am also a half-step martial marquis. Qin Yu, don’t go too far!”

“Half-step martial marquis? So What?”Qin Yu sneered.

“The current you is just an ant in my eyes.”

The great elder immediately flew into a rage. Energy burst out from his body, and wisps of bright light surrounded his palm.

“I don’t believe that you are invincible!”The Great Elder roared and pushed his palm towards Qin Yu!

Qin Yu stood there without moving, allowing the Great Elder’s palm to press down on him.

Chapter 491: Chapter 491, the True Big Shot

That palm brought with it a rolling pressure as it headed straight for Qin Yu!

And Qin Yu stood there without moving an inch. His face was expressionless!

“I got it!” Seeing this, the first elder was ecstatic!

This palm was his ultimate skill. Even a steel plate could be instantly smashed through!

“Clang!”

However, the next second, the first elder’s expression froze on his face.

Qin Yu did not move at all from his palm strike! Even his skin was not broken!

“Is this the power of a half-step martial marquis?” Qin Yu looked down at the first elder and sneered.

The first elder’s expression suddenly changed drastically! A layer of sweat quickly formed on his forehead!

“This... how is this possible!” The first elder took two steps back in horror, almost unable to believe the scene in front of him!

His all-out attack had failed to injure the first elder in the slightest? !
Was this still a half-step martial marquis? !

“If he had really stepped into the half-step martial Marquis Realm, I’m afraid he could be suppressed with just a raise of his hand.”Qin Yu laughed coldly.

He walked towards the first elder step by step, while the first elder unconsciously took a step back.

“You betrayed the Divine Alchemist Pavilion and attacked the Pavilion Master. You deserve to be punished for this crime,”Qin Yu said coldly.

“But I have always been soft-hearted. I will spare your dog life.”

After saying that, Qin Yu opened his mouth and revealed a brilliant smile.

“Don’t... Don’t kill me...”the first elder was so scared that he was trembling.

At this moment, he had already lost the will to resist. He only wanted to save his life!

“Bang!”

A golden light lit up on his finger. Then, he lightly poked forward. A few crisp sounds were transmitted into his ears!

“Ah! !”

The first elder’s limbs were instantly shattered, and he knelt on the ground with a plop!

Then, Qin Yu suddenly raised his foot and fiercely kicked the first elder’s lower abdomen.

His dantian instantly exploded, and all of his inner strength quickly dissipated at this moment!

“You... you actually crippled me!” The first elder roared in pain.

To be able to cultivate to the half-step martial marquis realm, he had practically spent all of his effort, and now he was actually crippled on the spot!

“This is only the beginning.” Qin Yu sneered.

He slashed his hand toward the first elder.

“Swish, Swish, Swish!”

Dozens of lights passed through the first elder’s body. Countless wounds quickly turned him into a bloody man!

Each wound avoided his vital points. Not only would it bring endless pain, but it could also save his life.

“Buzz!”

Another ray of golden light lit up. Qin Yu raised his finger and pointed at the spot between the first Elder’s brows.

In an instant, the first elder’s brain felt as if it had been struck by lightning!

The first elder, who was about to faint, suddenly woke up from the pain!

His divine sense felt as if it was being gnawed on by a worm. This kind of pain made people wish they were dead!

Traces of blood flowed out from the first elder's wound. In a moment, Qin Yu was dyed red.

And the first elder was kneeling in a pool of blood. It was too horrible to look at.

His pain was still ongoing. It was endless. The immense pain made him foam at the mouth and Twitch all over.

“Don't worry. When the pavilion master returns, he will personally execute you,” Qin Yu said coldly.

Then, Qin Yu turned to look at the Two Medicine Boys at the side.

The medicine boy had long been scared out of his wits and was hiding in a corner, shivering.

Qin Yu glanced at the medicine boy and said, “Remember to clean the pavilion master's building every day. I Don't want Lord Pavilion Master to come back in a mess.”

The medicine boy hurriedly nodded and said, “It's... Elder... Elder Qin...”

The next day.

The medicine masters had just woken up when they saw the first elder kneeling in the middle of the square.

He was covered in blood and his face was distorted. The double torture of his body and spirit had made him lose his human appearance.

“Eh? Isn't this the first elder?”

“Haha, which Hero Did This?”

“Bah! Dog, you deserve it! You should kneel here!”

The group of alchemists became more and more agitated as they spoke. They all rushed forward and punched and kicked the great elder.

At this moment, Qin Yu walked over from not far away.

“Elder Qin is here!”

Seeing Qin Yu, everyone hurriedly surrounded him.

They all surrounded Qin Yu and said anxiously, “Elder Qin, you must go and save the Pavilion Master!”

“Yes, the pavilion master would rather be severely injured than hand you over!”

“You must stand up for the Medicine God Pavilion!”

Qin Yu took a deep breath and said coldly, “I will go to the Saint Confucian sect now. No matter what, I will bring the pavilion master back safe and sound.”

“We will go with you!” Everyone shouted.

Qin Yu shook his head and said, “Fifth Elder is right. The Medicine God Pavilion is the painstaking work of the pavilion master. We must not disperse.”

“If you really want to help, then protect the divine medicine pavilion well.”

Everyone looked at each other and then nodded. “Elder Qin, please rest assured!”

Qin Yu did not say anything more. He turned his head and walked out of the Divine Medicine Pavilion.

...

Jingdu.

Yan Sihai, Xia Hang, and the others were gathered together.

They brought the pavilion master to the Jingdu Martial Arts Association and temporarily locked him up. However, they did not use any methods.

The reason was nothing else. They just wanted to see how the higher-ups would react.

After all, the Pavilion Master of the Medicine God Pavilion had a lot of connections. They had to test the bottom line step by step.

“The higher-ups haven’t reacted yet. It seems that the Pavilion Master of the Medicine God Pavilion isn’t that important,” Yan Sihai said coldly.

Xia hang waved his hand and said, “Let’s Wait a little longer. If the higher-ups really blame us, we won’t be able to hold on.”

Yan sihai snorted and said, “What are you waiting for! This woman has bullied me many times and doesn’t take me seriously at all. If I don’t teach her a lesson, where will my face go?”

“Just do as I say and kill her immediately!”

Everyone looked at each other, seemingly at a loss.

At this moment, a member of the martial arts association suddenly rushed in from outside.

“Vice president Xia, someone is here...”the member said in surprise.

“If someone is here, then so be it. Why are you lying?”Xia hang said with some displeasure.

The member swallowed his saliva and said in a low voice, “The person who came... is not simple...”

“Who is it?”Yan Sihai asked impatiently.

“Me!”

A voice came from outside the door.

Turning around, he saw a man in a Chinese tunic suit.

Seeing this man, everyone in the room hurriedly stood up.

Chapter 492: Chapter 492, facing ten half-step martial marquises!

Someone who could make Yan Sihai and the others so nervous was definitely not an ordinary person.

Xia hang walked forward quickly and said with an embarrassed smile, “Big... Big Secret, why are you here...”

The man who was called big secret glanced at Xia hang and said coldly, “Does your Jingdu Martial Arts Association really think that they are the official?”

Xia Hang’s expression changed, and he hurriedly said, “I absolutely don’t have that intention. You’ve misunderstood...”

The Big Secretary immediately slapped the table fiercely and berated, “Who told you to go to the Divine Medicine Pavilion?”

Xia hang smiled embarrassedly and said, “It wasn’t us who did it. It was that Sage Confucian school. It has nothing to do with us...”

The big secretary frowned slightly and said coldly, “The higher-ups have always been more lenient with the matters between your martial arts, but I warn you, don’t take yourself too seriously.”

“Yes, yes...”Xia hang hurriedly nodded.

The big secretary coldly snorted, “Ji Yuhong is being controlled here, right?”

“Yes... Yes, we’re afraid that the Saint Confucian school will hurt her...”Xia Hang said.

The Big Secretary glanced at him and said, “I don’t care whether the Saint Confucian school or not, that’s between you two.”

“But I’m telling you, if Ji Yuhong loses a hair, you know the consequences!”

Xia hang hurriedly said, “Don’t worry, I promise to let her eat and drink here...”

The Big Secretary snorted lightly. He did not stay any longer and turned around to leave.

It was not until he walked far away that everyone heaved a sigh of relief.

“Fortunately, we didn’t touch him...” Han Meng said in a low voice.

Yan Sihai’s brows also furrowed.

“It seems that the higher-ups value Ji Yuhong very much...” Yan Sihai gritted his teeth.

Xia Hang patted Yan Sihai’s shoulder and said, “That’s enough. It’s already good enough to capture her.”

Yan Sihai snorted coldly and said, “I’ll find someone who can replace her sooner or later!”

...

After Qin Yu walked out of the Medicine God Pavilion, he stood on the street for a long time without moving.

The few auras that were lurking in the dark could not escape Qin Yu’s eyes. The internal Qi in the dark could not escape Qin Yu’s eyes.

“Come out,” Qin Yu said coldly.

Before he finished speaking, ten half-step martial marquises walked out from the dark.

They surrounded Qin Yu in the middle and said indifferently, “Qin Yu, you are finally willing to come out.”

Qin Yu glanced at them and said with a sneer, “It seems that you have waited for a long time and are quite patient.”

The hooked nose sneered, “Hong Yi sect has given a death order to bring you back.”

Qin Yu sized up the aquiline nose and said with a smile, “I am a little curious. When the pavilion master was besieged, why didn’t you take the opportunity to break into the Divine Alchemist Pavilion?”

“Also... After the pavilion master was taken away, why didn’t you take any measures?”

The aquiline nose snorted coldly, “We have an agreement with the Pavilion Master of the Divine Alchemist Pavilion. She said that you would come out in a month. I believe her.”

Qin Yu raised his brows and said, “You guys are quite trustworthy. You are much better than those bastards from the Saint Confucian School.”

The aquiline nose said indifferently, “Do you want to leave with us, or do you want us to take you back?”

Qin Yu sneered and said, “On account that you guys did not add insult to injury, go back. I will spare your lives.”

When the aquiline nose heard this, he immediately laughed out loud.

“Qin Yu, do you know what you’re saying? !”The aquiline nose shouted angrily.

“We are ten half-step martial marquises! How can you be arrogant?”

Qin Yu said with a faint smile, “Half-step martial marquises are not worth mentioning. The ten of you are not my match.”

“Nonsense!” The aquiline nose was furious!

His internal Qi exploded at this moment! The other nine followed closely behind!

“I’ll either bring you back or kill you today. It’s your choice!” The aquiline nose coldly said.

Qin Yu narrowed his eyes and sneered, “I gave you all a chance. Since you don’t know how to cherish it, then don’t blame me for being impolite.”

As he spoke, the Golden Light on Qin Yu’s body began to spread throughout his entire body.

A terrifying internal Qi slowly spread out!

A great battle was about to break out at any moment!

“Attack!”

The few of them looked at each other and took the lead to charge towards Qin Yu!

“Boom!”

The three of them held their internal Qi at the same time and headed straight for Qin Yu’s face!

“You don’t know Death!” Qin Yu coldly spat out a few words. Then, he suddenly clenched his fist and raised his hand to meet the incoming attack!

“Boom!”

This was the collision of four rays of light! A terrifying golden light erupted at this moment!

Almost at the instant of the collision, these three people were directly sent flying!

“How is this possible!” A trace of terror instantly flashed across their faces!

Qin Yu’s entire body was shining with golden light, and his internal Qi was even more vigorous.

“I will only give you one chance, but you have already missed it,” Qin Yu said coldly.

Before he could finish his words, Qin Yu walked over!

These ten people did not dare to be negligent and hurriedly responded.

In an instant, the sky and earth turned dark, and several rays of light headed straight for Qin Yu’s blind spots!

Qin Yu, on the other hand, was unflustered. His body was incomparably tough, and the sound of “Dang dang dang” could be heard endlessly!

Qin Yu fought against ten people alone, and the more he fought, the braver he became. His entire body was full of flames, and his hair danced wildly, as if he was an undefeatable war god!

Weng

Hong Yimen took out his spiritual artifact at this moment. This spiritual artifact rippled with unparalleled might, and it came pressing down with surging might!

“Not worth mentioning!”

Qin Yu was stunned. He quickly used the absolute beginning sacred fist, and then smashed it with a bang!

Kacha

The instant it came into contact, the spiritual artifact was shattered!

“Not good!” The aquiline nose suddenly felt that something was wrong!

The young man in front of him seemed to be a little strange!

“Go to hell!”

Before the aquiline nose could react, Qin Yu had already stepped on the ground and arrived in an inch. His fist landed cleanly on the aquiline nose’s chest!

The aquiline nose’s expression changed drastically! At such a close distance, there was no way he could dodge!

At this critical moment, a silver light lit up on the aquiline nose’s chest!

This was the Protective Dharma artifact of the Hong Yi sect, and it was indestructible!

“Boom!”

But when Qin Yu’s fist came smashing over, the Dharma artifact was actually shattered!

The extremely powerful penetrating force instantly shook the hooked nose’s internal organs!

“Pu!”

A mouthful of fresh blood was suddenly spat out!

“This Qin Yu... how can he be so strong!” The hooked nose’s expression changed drastically!

No wonder the Pavilion Master of the Medicine God Pavilion had made them wait for a month!

“Puchi!”

At this moment, a sharp blade slashed towards Qin Yu’s back, leaving a few centimeters of bloody scar!

Qin Yu turned around and looked over coldly.

He saw a man whose palm had transformed into a long claw standing there.

The moment he was stared at by Qin Yu, the Long Claw Man’s heart thumped!

This feeling... Was as if he was being stared at by a ferocious tiger!

“Go... Go to hell!”The long-clawed man roared crazily in fear. He swung his large hand and the long claw came straight for Qin Yu’s head!

“Kacha!”

Qin Yu stretched out his golden palm and grabbed the long claw!

“Not good!”The long-clawed man’s expression instantly turned extremely ugly!

He tried to pull back the long claw, but he realized that he couldn’t grab it at all!

“You can hurt me. Your technique is not bad,”Qin Yu said coldly.

Then, he saw Qin Yu exert some force with his hand, and the long-clawed man was instantly pulled over by Qin Yu!

Chapter 493: Chapter 493, Saint Confucian school, here I Come!

The long-clawed man immediately panicked. He tried to struggle, but found that he couldn’t break free at all!

“Half-step martial marquis, quite a good resource.”Qin Yu grinned, revealing a mouthful of white teeth.

Then, Qin Yu pinched the heaven swallowing technique with his hand and slapped the long-clawed man’s head!

“Weng!”

The heaven swallowing technique instantly appeared. In a moment, the long-haired man was sucked into a dried corpse!

“Comfortable.” Qin Yu licked his lips in satisfaction!

Such a method instantly shocked everyone!

Their expressions were extremely unsightly, and their hearts were filled with terror!

“Clang!”

At this moment, another person clenched his fist from behind!

A sound like the collision of Steel was immediately heard. The spell caster only felt waves of numbness in his fist, as if he was about to lose consciousness!

Qin Yu’s body was not damaged at all. There was only a white dot left!

“You don’t know life from Death!” Qin Yu’s face turned cold and he swung his golden palm.

“Snap!”

His neck was broken instantly and his internal Qi was drained quickly!

Qin Yu did not let go of this opportunity. He used the heaven-devouring technique again and swallowed him!

“It’s your turn.” Qin Yu glanced at the remaining few people.

These few people were extremely ugly. They even had the intention of retreating.

However, Qin Yu did not give them a chance at all. His feet stepped on the ground and shrunk into an inch as he sprinted away!

Hong Yimen had no choice but to continue fighting. His spells and magic tools were thrown out non-stop at this moment.

Qin Yu's golden light suddenly appeared and lit up the entire street!

He looked down on the world with such power that no one dared to look directly at him!

“Boom!”

Another punch was thrown out, and the head of a half-step martial Marquis was directly shattered!

Qin Yu's absolute beginning Holy Fist was incomparably fierce, and all of his spells were not even worth mentioning in front of this fist!

No one had expected that this great battle would turn into a one-sided massacre!

No wonder so many people were afraid that Qin Yu would step into the half-step martial Marquis Realm!

For a full three hours, the bodies of these ten half-step martial marquises were almost completely shattered, and they fell to the ground in unbearable pain!

Qin Yu naturally wouldn't miss this opportunity. He walked in front of them and swallowed them all.

In the blink of an eye, only the hawk-nosed man was left among the top forces sent by the Hong Yi sect.

He lay on the ground with his eyes slightly closed, waiting for the judgment of fate.

“You are their leader, right?” Qin Yu said coldly.

The hawk-nosed man opened his eyes and said coldly, “So what if I am, so what if I am not!”

Qin Yu stared at him for a moment before he suddenly retracted the golden light on his body.

“Go away, I will spare your life,” Qin Yu said coldly.

The aquiline-nosed man was stunned. He frowned and said, “Are... are you telling the truth?”

“For the sake of your honor, get lost,” Qin Yu waved his hand and said.

Hearing this, the aquiline-nosed man hurriedly got up from the ground and ran away.

“Go back and tell your sect master not to provoke me again.” Qin Yu said coldly.

The hooked-nosed man froze for a moment, then turned his head and left.

One person beheaded ten half-step martial marquises. Such power was shocking to the world!

It was not a lie to say that the primal chaos body was invincible among those of the same level!

“Next, it’s time to go to the Saint Confucian School.” Qin Yu said coldly.

The Saint Confucian school had martial marquises guarding it and no one dared to provoke it. However, Qin Yu, who was full of fighting spirit, was not afraid at all.

Moreover, they had captured the Pavilion Master of the Divine Medicine Pavilion. Qin Yu had to rescue them.

After that, Qin Yu arrived at the airport and rushed towards the Saint Confucianist sect.

The Saint Confucianist sect was located in the Hong province’s Cang City and was not far from the Divine Medicine Pavilion. They could arrive in just two hours by plane.

At present, the Saint Confucianist sect had long forgotten about Qin Yu’s matter.

Elder Qu was carefree every day and lived quite comfortably.

As for he teng, he chose to stay in the Saint Confucian sect and baptize himself with the spirit spring every day, wanting to step into the realm of the Martial Marquis.

...

Qin Yu arrived at the vicinity of the Saint Confucian sect.

The roads near the Saint Confucian sect were quite tortuous. It wasn't easy to find them in a short period of time.

Right at this moment, Qin Yu suddenly caught a glimpse of a car from the corner of his eye.

The person sitting in this car was none other than Li Zinan!

“Li Zinan?” Qin Yu could not help but snort coldly when he saw this figure.

His body shook and he arrived in front of the car in the blink of an eye!

At such a close distance, it was too late to brake! He could only crash straight into it!

“Clang!”

Qin Yu raised his palm and grabbed the front of the car!

The front of the car instantly exploded! The pungent smell of gasoline was even more pungent!

“Qin... Qin Yu!”

Seeing the person who stopped the car, Li Zinan's face immediately changed!

He jumped out of the car and turned around to run, but Qin Yu did not give him a chance and reached out to grab his head!

“You are still staying in the Saint Confucian School?” Qin Yu raised his eyebrows and asked.

Li Zinan’s face was a little ugly. He said in horror, “Qin Yu, you... you have already crippled me. What else do you want?”

Qin Yu patted his shoulder and said, “Don’t be afraid. I just want you to lead the way.”

“Lead the way?” Li Zinan was stunned.

“Go... Go Where?” Li Zinan asked tentatively.

“The sage Confucian school,” Qin Yu said coldly.

A trace of craftiness flashed in Li Zinan’s eyes.

Go to the sage Confucian school? Wasn’t the sage Confucian school trying to capture Qin Yu?

He didn’t expect that he would actually deliver himself to their doorstep!

He could use this Qin Yu to take credit!

“No Problem!” Li Zinan patted his own chest.

“Lead the way.” Qin Yu let go of Li Zinan.

Li Zinan didn’t hesitate and immediately led Qin Yu toward the sage Confucian school.

After going around in circles for nearly half an hour, the two of them finally arrived at the sage Confucian school.

Although the Saint Confucian school was filled with modern buildings, there was a huge stone tablet at the entrance.

There were a few words written on the stone tablet: the Saint Confucian school is recruiting all the Saint Confucian school in the world!

“Saint Confucian school... how ironic.” Seeing this, Qin Yu couldn’t help but sneer.

Li Zinan glanced at Qin Yu from the corner of his eyes. Seeing that he wasn’t paying attention to him, he ran away!

“Qin Yu has been captured by me! Qin Yu has been captured by me!” Li Zinan shouted as he ran!

Qin Yu sneered. He raised his hand and slapped out!

“Boom!”

The huge palm that rose up in the air instantly smashed Li Zinan into meat paste!

“From today onwards, I, Qin Yu, have become enemies with the Saint Confucian school!” Qin Yu said coldly.

Then, he held the golden light in his hand and smashed it toward the stone tablet!

The stone tablet instantly shattered into pieces!

The loud sound shook the entire Saint Confucianism sect!

Staring at the Saint Confucianism sect, Qin Yu snorted coldly.

He slowly raised his hand and a terrifying power gathered in his palm.

A moment later, a huge golden palm suddenly appeared!

“Boom!”

Qin Yu waved his huge palm and the huge palm directly slammed towards the Saint Confucianism sect!

In an instant, the Saint Confucian school shook like an earthquake!

Countless buildings collapsed in an instant, and the originally quiet Saint Confucian school was instantly thrown into chaos!

“What’s Going On!” Several elders of the Saint Confucian school hurriedly shouted!

“It’s that Qin Yu!” At this moment, someone shouted!

Before they could react, Qin Yu’s voice was already heard.

“Saint Confucianism sect, weren’t you looking for me? I, Qin Yu, Am Here!”

The loud voice contained spiritual energy and carried a surging might as it spread throughout the entire Saint Confucianism sect.

Chapter 494: Chapter 494, massacre!

The loud shouts caused the entire Saint Confucianism sect to buzz!

Upon hearing Qin Yu’s name, a large group of people immediately rushed out!

The one leading them was elder Qu!

At a glance, there were at least dozens of people blocking the entrance.

Among them, a large portion were martial grandmasters, and there were only two half-step martial marquises: Elder Qu and the other donkey-faced elder.

Such a large group was indeed terrifying, but in Qin Yu's eyes, it wasn't worth mentioning.

For some reason, the people from the Saint Confucianism sect in front of Qin Yu were like a bunch of ants in Qin Yu's eyes.

“Qin Yu, you actually dare to run to the Saint Confucianism sect to make a Ruckus?” Elder Qu raised his eyebrows and said with some amusement.

“Do you know that we've been capturing you?”

Qin Yu didn't have the time to listen to his nonsense. He looked coldly at elder Qu and said word by word, “Where is the Pavilion Master?”

Elder Qu was stunned and then laughed out loud, “The reason why you came to the Saint Confucian school to Throw Your Life Away is to save the Pavilion Master of the Medicine God Pavilion?”

“I am asking you where is the Pavilion Master!” Qin Yu roared and rolled over!

This voice contained a terrifying spiritual power that shook people's eardrums until they felt pain!

And ordinary grandmasters died on the spot under this Shout!

Elder Qu's expression gradually turned cold.

“You want to find the Pavilion Master of the Medicine God Pavilion, right? Alright, I'll tell you, she's already dead!” Elder Qu grinned.

“But don't worry, I'll send you to see her immediately!”

Hearing these words, Qin Yu felt as if he had been struck by lightning!

His mind went blank, and his ears buzzed!

Anger filled his chest, causing Qin Yu's entire body to tremble!

“You Said... Pavilion Master is dead?” Qin Yu's eyes were wide open as he asked in a trembling voice.

“Hahaha, not bad!” Elder Qu couldn't stop laughing.

“Next, the one who dies will be you!”

After saying this, elder Qu took a step back, waved his hand, and said coldly, “Kill him!”

The people from the Saint Confucian school rushed toward Qin Yu!

Qin Yu stood there in a daze and kept repeating, “Pavilion Master is dead... He is dead...”

Countless spells kept hitting Qin Yu's body.

However, these spells quickly turned into nothingness, not even a white dot was left!

“Saint Confucian school, I will make you pay with blood!”

Then, Qin Yu let out a furious roar, and the energy around his body exploded like a bomb!

A surging power spread out! The surrounding martial grandmasters were directly sent flying!

“Saint Confucian school... I will kill all of you!”

Qin Yu’s eyes were scarlet red, and his entire body was filled with killing intent, as if he was a demon from hell!

This strong killing intent caused even the expressions of elder Qu and the donkey-faced man to change!

Such a strong killing intent was something they had never seen before!

“Kill him!” Elder Qu knew that things were not going well, so he looked at the donkey-faced elder.

The donkey-faced elder did not know Qin Yu’s strength, so he nodded and walked towards Qin Yu.

“This kid has gone crazy, it’s best to avoid his sharp edge,” elder Qu thought to himself.

Thinking of this, he turned around and left.

“Boom!”

With a loud sound, a golden light appeared in the crowd!

Qin Yu was like a god of death, shuttling through the crowd. With each palm strike, one person died!

Countless people's bodies were smashed into meat paste, and countless people's skulls were smashed into pieces!

Everyone began to be afraid. They kept retreating, their faces filled with fear.

This was the first time the sacred Confucian school had suffered such a massacre! And the murderer was only a young man in his early thirties!

“Enough!”

At this moment, the donkey-faced elder took a step forward and stood in front of Qin Yu.

He said coldly, “Since you dare to start a massacre in my sacred Confucian school, I think you're looking for... Pfft!”

Before he could finish his words, Qin Yu had already slapped him!

This slap caused the donkey-faced elder to retreat repeatedly, and his sternum was directly shattered!

“You're courting death!” The donkey-faced elder immediately flew into a rage. He was about to use his finishing spell, but Qin Yu had already stepped forward!

A large golden hand directly grabbed the donkey-faced elder's head and lifted him into the air!

“Go to hell!” Qin Yu roared angrily. He suddenly exerted force with his hand, and the donkey-faced Elder’s head was directly crushed!

Everyone was dumbstruck. A terrifying atmosphere filled the air.

The dignified elder of the sacred Confucian school didn’t even have the chance to fight back and was crushed to death?

Was... was he even human? !

“Hurry... Run!”

Someone reacted first and ran away!

Then, everyone ran as fast as they could as if they had gone mad!

However, Qin Yu had already lost his mind. He killed everyone he saw, so how could he let them go!

Qin Yu was like a demon as he chased after them!

In an instant, the sacred Confucian school was covered in blood and corpses. Countless people had died under Qin Yu’s hands!

This was the first time the sacred Confucian school had suffered such a disaster! The number one sect in the north was actually killed by a young man!

Elder Qu had already fled back to the main hall.

He patted his chest and said in a low voice, “This Qin Yu seems to have gone mad! He actually went to the Saint Confucian school to start a massacre!”

If this news were to spread, countless jaws would drop!

“Fortunately, there is a marquis Wu weapon in the main hall...”elder Qu looked up at the four corners of the main hall and heaved a sigh of relief.

As long as there was a Marquis Wu Weapon, elder Qu was not afraid of Qin Yu.

After all, it contained a blow from a Marquis Wu!

“No... Not Good!”Someone escaped into the hall.

“That Qin Yu has gone mad! Many disciples have died at his hands!”

Elder qu said coldly, “What are you panicking for? If he dares to come to this hall, I will definitely kill him!”

“But... but too many of our disciples have died...”

“There are only a few hundred people in the entire Saint Confucianism sect. At least a hundred people have died at the hands of Qin Yu...”

Hearing this, elder Qu’s expression turned extremely ugly!

Since the sect master was not around, he would be responsible for the Saint Confucianism sect.

If such a thing happened, the sect master would definitely blame it!

“This Qin Yu...”elder Qu clenched his fists.

He had never thought that Qin Yu would dare to start a massacre within the Saint Confucian sect!

He had never thought that Qin Yu would have such destructive power!

“Not good, that Qin Yu is charging towards the main hall!” After a cry of alarm, he saw Qin Yu carrying a corpse in one hand as he charged towards the direction of the main hall!

That Golden Ray of light was incomparably dazzling. When mixed together with the scarlet blood, it was domineering and terrifying!
