

My Rich Wife – Chapter 559 –

Chapter 559: Chapter 589, farewell to Yan Jiang!

At this moment of life and death, Qin Yu finally understood the opportunity to step into the Marquis of Martial Arts!

The Marquis of martial arts was in the aurous core stage. Once he stepped into the aurous core stage, all his cultivation would be in the aurous core stage!

As a primal chaos body, Qin Yu could cultivate both yin and yang!

To Qin Yu, the opportunity to step into the Marquis of martial arts was the fusion of yin and yang!

Once the fusion was successful, the Golden Core would be formed and he would step into the true martial Marquis Realm!

“Unfortunately... stepping into the martial marquis realm requires peace and quiet. I Can’t be disturbed at all.”Qin Yu quickly became desperate again.

Although he had comprehended the opportunity to step into the Martial Marquis realm, how could there still be a chance?

“If only I could have thought of it earlier...”Qin Yu couldn’t help but feel a little sad and indignant in his heart.

Success was right in front of his eyes, but he had lost the opportunity. The pain was indescribable, and despair was written all over his face.

“Little Bastard, you are quite able to resist,”gu Canghai said coldly.

As he spoke, Gu Canghai slowly raised both of his hands, as if he was condensing some spell.

A terrifying light exploded in Gu Canghai's palms!

“Go to hell!”

Accompanied by Gu Canghai's explosive roar, this ray of light, which contained a strong killing intent, ruthlessly smashed towards Qin Yu!

“Boom!”

However, at this moment, a burst of internal Qi suddenly shot over from not far away, colliding with Gu Canghai's spell!

A huge explosion instantly shattered this room!

The surrounding people were directly pushed back dozens of meters, and some people were even turned into meat paste on the spot!

“Who is it!” Gu Canghai's expression turned cold as he berated coldly.

A man around 40 years old slowly walked in from the door.

Qin Yu was instantly stunned when he saw this man.

“Yan... Yan Jiang? ! You're not dead? !” Qin Yu could not help but gape as a trace of excitement appeared in his eyes!

He wanted to stand up, but his injuries were too severe and he could not stand up at all.

“Big Brother Yan Jiang...” Qin Yu used all his strength to say these words.

Yan Jiang Glanced at Qin Yu and nodded slightly.

“Yan Jiang, why are you here?”Gu Canghai said coldly.

Yan Jiang said in a deep voice, “Miss told me to protect Qin Yu well.”

Hearing this, Qin Yu’s heart was filled with gratitude.

Qin Yu didn’t expect that Yan Jiang still remembered Yan Ruoxue’s order today.

“Hahahaha!”Gu Canghai couldn’t help but burst into laughter.

“Miss Yan is no longer the eldest miss of the Yan family. Why do you have to be so persistent?”Gu Canghai said indifferently.

Yan Jiang said coldly, “In my heart, she will always be the eldest miss of the Yan family.”

Gu Canghai narrowed his eyes and coldly said, “As a member of the Yan family, you actually want to disobey President Yan’s orders? !”

“I only listen to the orders of the Miss,”Yan Jiang coldly said.

Gu Canghai’s expression instantly turned cold.

He took a deep breath and said, “Yan Jiang, I remember that you’re only at the peak of the Great Grandmaster realm, right? Do You Think You Can Stop Me?”

“How would I know if I don’t try?”The internal Qi on Yan Jiang’s body also began to surge! The strength of a half-step martial marquis was fully displayed at this moment!

Qin Yu couldn't help but gape! He never thought that not only did Yan Jiang not die, but he even stepped into the half-step martial Marquis Realm!

“Half-step Martial Marquis?” Gu Canghai sneered.

“A mere half-step martial marquis wants to stop me? What a joke!”

Yan Jiang didn't say anything. His mouth was slightly open, as if he was casting some kind of spell.

In a short instant, the internal Qi on Yan Jiang's body began to surge again!

He had directly stepped into the Martial Marquis realm from the half-step Martial Marquis Realm!

This kind of spell was exactly the same as the one Han Wei had used that day!

“As the eldest miss' bodyguard, the master once brought me to the Jingdu Martial Arts Association's library. When necessary, I will forcefully step into the Martial Marquis Realm,” Yan Jiang said coldly.

Gu Canghai's expression became even colder.

Seeing that he was about to succeed and another Yan Jiang had jumped out, how could Gu Canghai not be angry!

“So what if you forcefully step into the martial marquis? You can at most hold on for half an hour!” Gu Canghai said coldly.

“In half an hour, killing you will be as easy as flipping my hand!”

Yan Jiang said coldly, “No need for nonsense. Do It.”

“You’re courting death!” Gu Canghai was instantly furious. He curled his palm and grabbed at Yan Jiang!

Yan Jiang’s expression was ice-cold. He clenched his fist and met the attack head-on!

A great battle was about to break out. Both of them were martial marquises, and it was difficult to determine who was stronger for a moment!

Qin Yu gritted his teeth. If he could step into the rank of martial marquis in this half an hour, then the outcome could be reversed!

“I must cherish the time that Yan Jiang has bought for me...” Qin Yu muttered in a low voice.

He gritted his teeth and adjusted his state of mind.

Then, Qin Yu closed his eyes slightly and began to try to fuse the yin qi and Qi/spiritual energy in his dantian.

Under the guidance of Qin Yu’s powerful spiritual sense, the Qi/spiritual energy and yin qi in his dantian, which had never interfered with each other, began to try to touch each other at this moment.

“Bang!”

However, the moment they touched, an explosive sound was produced in the Dantian! Qin Yu felt a sharp pain in his abdomen!

It was naturally not that easy to fuse the two opposing internal Qi.

However, Qin Yu could not care about that anymore. He endured the pain and forcefully tried to fuse them.

“Bang Bang Bang!”

Crisp sounds rang out in Qin Yu’s Dantian.

The two internal Qi were constantly repelling each other!

The intense pain made Qin Yu’s forehead break out in cold sweat. However, he did not dare to waste any time. He tried his best to fuse the yin and yang internal Qi!

“Chi la!”

Finally, under Qin Yu’s hard work, the two internal Qi began to fuse!

“There’s a chance!” Qin Yu was instantly overjoyed!

He immediately struck while the iron was hot and used all his mental strength to guide the fusion of the internal Qi of yin and yang.

“Chi La Chi La Chi la...”

Following the fusion of the two internal Qi, Qin Yu’s Dantian continued to emit sounds!

However, these two internal Qi were extremely huge. It was not so easy to complete the fusion within a short period of time.

“No... I have to be faster!” Qin Yu was so anxious that he bared his teeth. He tried his best to guide the fusion, not daring to delay even the slightest bit!

“Boom!”

Not far away, the battle between Yan Jiang and Gu Canghai was still ongoing!

However, Yan Jiang had relied on a secret technique to forcefully enter the Martial Marquis Realm. Compared to Gu Canghai who was already in the Martial Marquis realm, he was clearly slightly inferior.

“Clang!”

At this moment, Gu Canghai’s palm struck Yan Jiang’s chest. Yan Jiang was instantly sent flying several meters away, and his mouth was bleeding non-stop!

“Yan Jiang, I advise you to stop. Otherwise, you will definitely die today!” Gu Canghai shouted loudly.

Yan Jiang wiped the blood at the corner of his mouth and said coldly, “Stop talking nonsense. Unless I die here, otherwise... you can forget about killing Qin Yu!”

“Okay, then I will kill you first!” Gu Canghai’s hair danced wildly as he rushed toward Yan Jiang Again!

Chapter 560: Chapter 560, the Stubborn Yan Jiang!

Gu Canghai’s Qi burst forth, and each of his moves was aimed at Yan Jiang’s vital points!

Faced with Gu Canghai’s strength, Yan Jiang had no way to retreat. He could only face the attack head-on.

The light in the sky continued to shine, and the entire Bi Luo Tower seemed to have been turned into ruins. The scene was even more chaotic.

This was a battle between martial marquises. No one dared to move forward. Everyone retreated one after another, afraid that they would be implicated.

At this moment, Qin Yu was desperately fusing the two internal Qi.

“Hurry, I have to hurry...” Qin Yu gritted his teeth and used all his spiritual sense to fuse the two internal Qi.

In the blink of an eye, twenty minutes had passed. Qin Yu’s internal Qi seemed to have reached the butler’s position!

“No... At this speed, we won’t be able to make it in time.” Qin Yu’s face was extremely ugly.

At this moment, Zhen Yue took advantage of the chaos and ran over from not far away.

“Mr. Qin, I. . . I’ll save you,” Zhen Yue said anxiously.

After saying that, she started to pull out the light beams that were inserted into Qin Yu’s life gates.

Unfortunately, with Zhen Yue’s strength, she couldn’t move these ten light beams at all.

Even if she tried her best, she couldn’t move them at all!

“What... What should I do?” Zhen Yue was so anxious that her face turned red and she was at a loss.

Qin Yu didn't pay attention to her. He didn't dare to be distracted because he was pressed for time.

Swoosh

At this moment, Gu Canghai's sharp fingers tore at Yan Jiang's chest like steel claws!

His chest was instantly torn into pieces. The three bloody marks were so shocking that crystal white bones were even exposed!

"Yan Jiang, you are no match for me, Die!" Gu Canghai shouted.

Black Qi condensed on Gu Canghai's hands. At a glance, it was as if his hands had come from the depths of hell!

This technique was Gu Canghai's famous consummate skill, called the deadly ghost hand!

It was said that this technique could not only harm the physical body, but it could even cause a spiritual impact!

Yan Jiang did not dare to help. He opened his mouth slightly, and a light seal shot out!

This technique came from the Jingdu Martial Arts Association, and it was called the Rainbow Divine Seal!

This divine seal gave off rolling power, and it ruthlessly smashed toward Gu Canghai's deadly ghost hand!

"Boom!"

The two techniques collided, and a boiling wave of air, like a sea of fire, spread out in all directions!

Under this technique, Gu Canghai immediately took a few steps back.

His face was gloomy, and he said coldly, “You actually know the rainbow divine seal. Old Mister Yan really cares about you.”

Yan Jiang didn’t say a word as he slightly panted.

His internal Qi started to become unstable. It seemed that he couldn’t maintain his martial marquis realm anymore.

“Yan Jiang, I’ll ask you one last time. Do you really want to betray the Yan Family?” Gu Canghai coldly said.

Yan Jiang wiped the blood at the corner of his mouth and coldly replied, “If old Mister Yan were alive, he definitely wouldn’t treat miss like Yan Sihai.”

“So, the one who betrayed you is you. I have never betrayed anyone,” Yan Jiang said coldly.

Gu Canghai laughed and said, “Yan Jiang, you are really a loyal dog! Old Mister Yan has long become a thing of the past. Now, the Yan family is under the control of Yan Sihai!”

“This is the difference between you and me,” Yan Jiang said while gritting his teeth.

Obviously, Gu Canghai was suspected of deliberately stalling for time.

Yan Jiang could only maintain the martial marquis realm for half an hour. As long as he could stall for this half an hour, then Yan Jiang would not be worth mentioning.

“Sect leader Gu, that Qin Yu seems to be trying to break through to the Martial Marquis Realm!” At this moment, someone suddenly shouted!

Hearing this, Gu Canghai immediately looked in the direction of Qin Yu!

Sure enough, at this moment, Qin Yu’s internal Qi was condensed, and all the acupoints were shining!

Gu Canghai’s face turned cold, and he shouted, “Brat, don’t even think about stepping into the Martial Marquis Realm!”

After saying that, Gu Canghai quickly walked towards Qin Yu!

However, a figure blocked Gu Canghai’s path!

“Before I die, don’t even think about getting close to Qin Yu,” Yan Jiang said coldly.

Gu Canghai was furious, “You’re courting death!”

After saying that, Gu Canghai used the same trick again, his huge palm fiercely smashing towards Yan Jiang!

Yan Jiang naturally did not dare to be negligent, he clenched his fist and went up to meet it.

But this time, the collision caused Yan Jiang to retreat dozens of steps!

There was no other reason, it was because Yan Jiang's martial marquis realm was rapidly disappearing!

"Hahaha!" Seeing this scene, Gu Canghai immediately burst into laughter!

"Your internal QI is about to disappear. I'd like to see how you can stop me!"

Gu Canghai's internal qi burst forth and charged towards Yan Jiang once again!

Another palm strike landed on Yan Jiang's chest. This palm strike almost shattered Yan Jiang's body!

In an instant, Yan Jiang's entire body was covered in blood. It was a tragic sight!

But even so, Yan Jiang stood up once again!

He stood in front of Gu Canghai with great difficulty, gritted his teeth, and said, "Don't even think about getting half a step closer!"

"You're courting death!" Gu Canghai did not say a word, and struck at Yan Jiang with his palm.

"Boom!"

A loud sound came from Yan Jiang's body. He did not know how many parts of his bones had been broken!

He lay on the ground and wanted to stand up, but he found that the internal Qi in his entire body was beginning to weaken!

“Oh No.” Yan Jiang’s face was a little ugly.

After using a secret technique to step into the Martial Marquis realm, he would fall into a coma! At that time, not to mention stopping Gu Canghai, it would be impossible for him to stay awake!

Yan Jiang gritted his teeth and tried his best to get up, but he failed every time!

At this moment, Gu Canghai was already walking towards Qin Yu!

Yan Jiang’s face was extremely ugly. In his mind, he couldn’t help but think of the first time he met Qin Yu!

Back then, Qin Yu was also defeated countless times!

Every time Yan Jiang thought he couldn’t get up, he would stand up!

It was because of his strong will and fighting spirit!

“Ah! !” Yan Jiang roared with all his strength. He slowly got up and shot toward Gu Canghai!

Yan Jiang curled his hands and grabbed Gu Canghai’s waist from behind!

Gu Canghai’s expression turned cold as he said sinisterly, “You’re really courting death!”

He held a huge force in his hands and ruthlessly smashed towards Yan Jiang’s back!

“Crack!”

Under this huge force, Yan Jiang's back was on the verge of being shattered!

But even so, Yan Jiang still did not show any signs of letting go!

His entire body had already turned blood red, but his unyielding will allowed him to hug Gu Canghai tightly!

Gu Canghai was thoroughly enraged. A light that was like a sharp blade lingered on his palm as he coldly said, "You're courting death! Courting Death!"

"Chi!"

As he spoke, the light from Gu Canghai's palm ruthlessly pierced into Yan Jiang's back!

"Pu!"

Yan Jiang's face instantly turned extremely pale, and his internal Qi began to rapidly dissipate!

However, what Gu Canghai didn't expect was that Yan Jiang's hand was still tightly holding onto Gu Canghai!

Gu Canghai was instantly flustered and exasperated.. He looked at the person beside him and shouted, "Go, quickly kill that Qin Yu. No matter what, don't let him step into the rank of Marquis!"

Chapter 561: Chapter 561, the Heavenly Tribulation!

The disciples of the Saint Confucianism sect didn't dare to be negligent. They rushed toward Qin Yu with all kinds of spells in their hands, trying to interrupt Qin Yu's breakthrough!

At this moment, Zhen Yue led the people of the Green Moon Villa to Block Qin Yu.

"Don't you dare to interrupt Mr. Qin's cultivation!" Zhen Yue shouted fiercely!

The people of the green moon villa also shouted, "Don't you dare to interrupt Sect Master Qin's cultivation!"

"Humph! A bunch of reckless fools!" Gu Canghai said coldly.

"Kill anyone who dares to stop us!"

"Yes!" The people of the Saint Confucianism sect shouted immediately.

They were all peak-stage martial grandmasters, or even half-step martial marquises!

The strongest people of the Green Moon Villa were only peak-stage martial grandmasters, so how could they deal with them!

"Everyone, we must stop them no matter what!" Zhen Yue gritted her teeth and said.

"As long as Mr. Qin makes a breakthrough, the Saint Confucianism sect will be destroyed!"

With that said, Zhen Yue took the lead and charged forward!

With Zhen Yue's leadership and Yan Jiang's sacrifice, everyone seemed to be infected.

The battle broke out in an instant!

In an instant, light shone everywhere, and blood flowed like a river!

From time to time, people were sent flying, and one could even see their skulls being shattered on the spot!

Even so, they still stood in front of Qin Yu!

“Bang!”

Someone slapped Zhen Yue's chest.

Zhen Yue's delicate body was sent flying, and her face turned extremely pale.

“Humph! A bunch of ants trying to stop us?” The disciples of the Saint Confucianism sect said coldly.

Zhen Yue glanced at Qin Yu, who was glowing with light. She gritted her teeth and stood up from the ground!

“Mr. Qin, you have to be fast!” Zhen Yue shouted in her heart!

Seeing this, Gu Canghai's face turned extremely ugly!

He tried to shake off Yan Jiang, but Yan Jiang was like a shackle that tightly bound him. He wouldn't let go no matter what.

Gu Canghai started to get anxious. He knew very well that once Qin Yu stepped into the rank of Marquis, the Saint Confucian school would not be able to stop Qin Yu's anger!

“These damn ants!” Gu Canghai roared again and again!

He subconsciously looked in the direction of Qin Yu and saw that his internal Qi was bursting out and his acupoints were lit up everywhere. It was the sign of breaking through to the rank of Marquis!

“Damn it! Damn it!” Gu Canghai raised his head and roared. His palm shot out rays of light and pierced straight into Yan Jiang's junior!

“Pu!”

Yan Jiang seemed like he couldn't take it anymore. His consciousness gradually became blurry, but his mind kept giving him an order.

That was to stop Gu Canghai!

“Boom!”

At this moment, Zhen Yue's body was sent flying again!

Blood continued to flow from the corner of her mouth, and a huge bloody hole appeared in her chest!

Facing a half-step martial marquis, Zhen Yue had no way to fight back.

She tried to get up, but a sharp blade pierced into her left chest, and her body was nailed to the wall!

More than half of the people in Green Moon Villa were killed or injured, and the rest of the people started to be afraid.

Looking at the corpses on the ground, they couldn't help but step back.

Although they admired Qin Yu, everyone was afraid of death.

“Hurry up and stop Qin Yu!” Gu Canghai shouted.

The people around him immediately walked towards Qin Yu!

At this moment, Yan Jiang couldn't hold on any longer.

His entire body started to feel weak, and all his internal Qi was slowly disappearing.

His vision was pitch black, and the hand that was holding Gu Canghai was finally released.

“Qin Yu, I'll leave it to you...” Yan Jiang muttered in a low voice, and then collapsed on the ground.

Gu Canghai's face was ice-cold, and his internal Qi surged. He snorted coldly and said, “Qin Yu, don't even think about stepping into the Martial Marquis Realm!”

As he spoke, Gu Canghai had already rushed toward Qin Yu with large strides!

He held the power of destruction in his hand, and wanted to kill Qin Yu with one strike!

Just as his palm was about to reach out toward Qin Yu, dark clouds suddenly condensed in the sky!

“Kacha!”

A muffled thunder shot down from the sky!

The lightning landed right in front of Gu Canghai!

Gu Canghai's expression changed drastically, and his hand subconsciously retracted!

“Oh no! It's Too Late!”Gu Canghai's expression was extremely ugly!

If Qin Yu stepped into the Martial Marquis realm, then Gu Canghai would not be worth mentioning!

Gu Canghai knew better than anyone that he gritted his teeth and wanted to stop Qin Yu's breakthrough.

However, facing this heavenly tribulation that contained the power of heaven and earth, Gu Canghai did not dare to take a step forward!

Qin Yu's body flickered with specks of light, and a terrifying internal Qi was brewing in his body.

Kacha

At this moment, the ten beams of light that were inserted into Qin Yu's body were forcefully broken through by the Internal Qi!

His physical body was recovering at an extremely fast speed!

Qin Yu slowly stood up from the ground.

At this moment, Qin Yu's face was glowing like a god of war!

His pair of ice-cold eyes looked coldly at Gu Canghai.

Just this gaze alone made Gu Canghai feel a chill on his back!

“The heavenly tribulation... has finally arrived.”Qin Yu raised his head to look at the large clouds that had gathered in the sky and muttered softly.

Gu Canghai took a deep breath and said coldly, “Qin Yu, with me here, you can forget about successfully surviving the heavenly tribulation!”

“Do as you wish,”Qin Yu said coldly.

Gu Canghai gritted his teeth. The Qi force on his body surged rapidly, wanting to stop Qin Yu!

But at this moment, heavenly lightning descended from the sky!

“Boom!”

This heavenly lightning struck down ruthlessly like a silver snake!

The enormous force directly sent Gu Canghai flying!

“How... how is this possible!”Seeing this heavenly tribulation, Gu Canghai’s eyes immediately widened!

He himself had also passed the heavenly tribulation of the Martial Marquis realm, but he definitely didn’t have such powerful strength!

The scale of this heavenly tribulation was at least dozens of times more powerful than when Gu Canghai passed the tribulation!

The surrounding people were also stunned.

How was this like transcending a tribulation? This was simply like wanting to chop someone to death!

“Such a terrifying heavenly tribulation is really hard to imagine.” Gu Canghai narrowed his eyes and muttered in a low voice.

As a marquis of Wu, he naturally understood what such a terrifying heavenly tribulation meant.

The more talented one was, the more terrifying the power of the heavenly tribulation would be!

“If this kid doesn’t die, who knows how terrifying he will be in the future.” Gu Canghai narrowed his eyes and said.

He took a few steps back and sneered, “Well, I don’t believe you can withstand such a heavenly tribulation.”

At this moment, the heavenly tribulation smashed down again!

This time, the heavenly tribulation was even more terrifying than before!

Gu Canghai couldn’t help but shout, “Let’s see how you will deal with it!”

Before he finished his words, Gu Canghai’s eyes widened!

He swallowed his saliva and said in a low voice, “What does this Qin Yu want to do? !”

Qin Yu did not have any countermeasures. Instead, he sat cross-legged on the ground and allowed the silver light to pour down on his body!

Chapter 562: Chapter 562, stepping into the Martial Marquis Realm!

Crack

The heavenly lightning that contained the power of heaven and Earth smashed onto Qin Yu's golden body!

Cracks appeared on his body for a short time, as if it was about to be shattered!

Even so, Qin Yu was still unmoved. His face didn't even show any emotion!

"Could... could it be that this kid wants to use the heavenly tribulation to temper his body?!" Gu Canghai seemed to have understood something!

He couldn't help but suck in a breath of cold air!

When others faced the heavenly tribulation, they couldn't avoid it in time. They prepared all kinds of magical artifacts to deal with it so that they wouldn't die under the Heavenly Tribulation.

However, not only did Qin Yu not deal with it, he even treated the heavenly tribulation as an opportunity to temper himself!

Such a crazy behavior was simply unheard of!

"It's... It's too terrifying!" Everyone sucked in a breath of cold air at this moment!

Gu Canghai broke out in cold sweat and felt his legs go weak!

At this moment, he suddenly began to regret provoking Qin Yu!

“I don’t believe you can withstand it with your physical body!”Gu Canghai said angrily!

Qin Yu’s actions seemed to have angered the heavens. A third bolt of lightning slowly brewed in the dark clouds, and a silver light lit up the entire sky.

“Boom!”

A deafening sound exploded! The silver lightning increased by a few more points! In an instant, it smashed the entire ground!

Qin Yu’s body was directly shattered by this heavenly lightning!

“Good, good! Let’s kill this crazy person like this!”Gu Canghai couldn’t help but shout excitedly when he saw this!

However, Qin Yu’s shattered body was slowly healing.

“So comfortable...”Qin Yu licked his lips, and a crazy expression appeared on his face!

“Boom!”

The fourth bolt of heavenly lightning descended! This time, it directly turned the scene into a sea of lightning!

Everything within a few meters turned silver!

Those who couldn’t Dodge in time turned into ashes on the spot!

“Quickly retreat!”Everyone hurriedly shouted when they saw this!

Countless people retreated, afraid that they would be affected by this heavenly tribulation!

Even Gu Canghai did not dare to come any closer!

Qin Yu's body was bathed in golden light, golden and silver interweaving together. The scene looked both terrifying and magnificent!

His body was constantly being shattered, revealing sparkling white bones.

But every time it was shattered, his body would slowly heal!

The fifth heavenly lightning descended! This time, Qin Yu's body seemed to have become much tougher!

The sixth bolt of Heavenly Lightning only broke Qin Yu's skin!

The seventh bolt of heavenly lightning only left white marks on Qin Yu's body!

The eighth bolt, the ninth bolt...

Every time the heavenly lightning descended, Qin Yu's body became a few times stronger!

When the tenth bolt of heavenly lightning descended, Qin Yu was completely unafraid of the heavenly lightning!

And his body also became indestructible at this moment!

The golden light was restrained, and his remaining physical body flickered with an invincible posture!

“No... Not Good!”Gu Canghai’s expression was extremely unsightly!

At this rate, Qin Yu might really step into the Martial Marquis Realm!

“If he steps into the Martial Marquis Realm, I’m afraid I won’t be able to retaliate at all.”Gu Canghai took a deep breath.

His eyes narrowed slightly, then he snorted coldly, turned around, and left!

No one had expected Gu Canghai to take advantage of this opportunity to escape!

“Sect master Gu has left, let’s hurry and retreat.”The others also felt that something was amiss.

They exchanged a glance, and immediately left the Jade Moon Villa!

Gu Canghai sped away, desperately rushing towards the Saint Confucian school.

“We must inform the Yan family of this news as soon as possible!”Gu Canghai said through gritted teeth.

At this moment, he could no longer care about Yan Sihai’s thoughts. The most important thing was to save his life!

...

In the Green Moon Villa, the sky was still buzzing.

Everyone looked at Qin Yu, who was bathing in the silver light, and there was some excitement in their eyes.

The eleventh, the twelfth... A total of eighteen heavenly tribulations fell on Qin Yu's body!

At this time, the heavenly tribulation could no longer cause any damage to Qin Yu!

Finally, the heavenly tribulation began to slowly disappear.

The gray clouds also slowly retreated, revealing the sunlight once again.

And at Qin Yu's Dantian, streaks of golden light flickered!

Looking inside, one could see that within this Dantian, there was a marble-sized aurous core that was resting in the lower abdomen.

This was the symbol of the aurous core stage! It was also the Martial Marquis realm of the Martial World!

It was quiet all around. Qin Yu stood there without saying anything for a long time, as if he was feeling the uncontrollable power in his body.

"Finally... I've reached the realm of the Martial Marquis!" Qin Yu's eyes shone brightly!

At first glance, Qin Yu didn't have much internal Qi. Instead, he looked like an ordinary person.

However, his body had become like a piece of jade, sparkling and translucent!

"Congratulations, Mr. Qin!" Zhen Yue was the first to react.

Then, everyone shouted in unison, "Congratulations, Sect Master Qin!"

The entire Green Moon Villa burst into an earth-shaking roar!

At this moment, Qin Yu was like their new God!

Looking at the corpses on the ground, Qin Yu's eyes flashed with killing intent.

“So many people died... Saint Confucian sect, you will pay the price!” Qin Yu said coldly.

Then, he took a step forward and arrived in front of Yan Jiang in an instant.

At this time, Yan Jiang's body was already broken, and he looked terrible.

Qin Yu hurriedly picked up Yan Jiang, raised his palm, and placed it on Yan Jiang's chest.

“Fortunately, it was in time,” Qin Yu said in a low voice.

He used qi/spiritual energy to seal all the vital gates of Yan Jiang, and temporarily saved Yan Jiang's life.

After that, Qin Yu checked every single one of them. As long as they could be saved, Qin Yu wouldn't give up.

An hour passed.

Zhen yue frowned and said, “Mr. Qin, more than 30 of US died.”

“More than 30 people...” Qin Yu couldn't help but feel uncomfortable.

These people died because of him. They were all innocent people.

“Gu Canghai... It’s time for you to pay the price,”Qin Yu said coldly.

At this moment, Gu Canghai was pacing back and forth in the Saint Confucian school. He was extremely uneasy.

He was terrified and worried.

Once Qin Yu barged into the Saint Confucian school, no one would be able to stop him!

Thinking of this, Gu Canghai took out his phone while trembling.

He braced himself and dialed Yan Sihai’s number.

Once the call was connected, Yan Sihai said coldly, “How is it? Is Qin Yu Dead?”

Gu Canghai opened his mouth, not knowing how to explain for a moment.

Yan sihai frowned and said, “I’m asking you a question! Is Qin Yu Dead?”

Gu Canghai swallowed his saliva and braced himself and said, “President... President Yan, I have bad news for you. Qin Yu... Qin Yu has stepped into the rank of Marquis Wu....”

Chapter 563: Chapter 563: Gu Canghai’ s death!

Gu Canghai told Yan Sihai with a trembling voice.

Yan Sihai was stunned for a moment after hearing it, and then he said angrily, “What did you say? ! Qin Yu has become a Marquis?”

“Yes... yes...”gu Canghai braced himself and said.

Yan Sihai gritted his teeth and said, “Trash, you trash!”

“Gu Canghai, the Yan family has spent so many resources on you all these years, and you can’t even handle such a small matter!”

In the face of Yan Sihai’s abuse, Gu Canghai did not dare to say a word.

“What’s the use of having a trash like you!”Yan Sihai almost smashed his phone on the other end.

He did not expect that Qin Yu would actually step into the rank of Marquis in such a short period of time!

“President Yan, we had already succeeded, but Yan Jiang appeared again!”Gu Canghai explained.

“If it weren’t for Yan Jiang, Qin Yu would be a corpse now!”

“Yan Jiang?”Yan Sihai frowned slightly.

It had been too long. He had almost forgotten about Yan Jiang.

“President Yan, you have to think of a way. Otherwise, this Qin Yu will never forgive me...”Gu Canghai started to be afraid. The only person he could ask for help now was Yan Sihai.

Yan sihai sneered, “Useless thing, I’ll think of a way? I’ll think of a way for you? Are you going to send someone to protect you?”

“You’re a mighty Marquis Wu, and you still need someone to protect you. Aren’t you afraid of being laughed at if this gets out?”

Gu Canghai said somewhat anxiously, “President Yan, you’ve seen the fight between Qin Yu and Han Wei. Once he steps into the Marquis Wu, even young master Han would not be able to retaliate, let alone me...”

On the other end, how could Yan Sihai listen to this? He sneered and said, “Think of a way yourself. Whether you live or Die, you deserve it.”

After saying this, Yan Sihai directly hung up the phone.

This time, Gu Canghai completely panicked.

If the Yan family didn’t help, then he absolutely had no right to challenge Qin Yu!

After thinking for a while, Gu Canghai quickly got up.

He called Deng Sheng in and said coldly, “Immediately pass the message that the Saint Confucian school will be closed from today onwards! No one is allowed to enter or leave!”

Deng Sheng naturally knew what had happened. He nodded and said, “Okay, I understand.”

After walking out of the main hall, Deng Sheng could not help but sneer in his heart.

“It seems that this Gu Canghai is really afraid. Perhaps I can really sit on the position of the Saint Confucian school’s Headmaster.” The corners of Deng Sheng’s mouth could not help but curl up into a proud smile.

After Deng Sheng left, Gu Canghai couldn’t wait to leave the hall.

He paced back and forth and finally made up his mind:

I should leave Saint Confucian sect for the time being and find a place to hide!

Otherwise, I will definitely be killed by Qin Yu!

Thinking of this, Gu Canghai immediately left Saint Confucian sect.

...

The Green Moon villa was peaceful.

The mountain gate was destroyed and needed to be rebuilt.

Fortunately, Zhen Yue didn't lack money. Besides being a warrior, she also ran many businesses.

At night, Qin Yu and Zhen Yue buried all the members of the Green Moon Villa who had died in battle and set up gravestones for them.

"Mr. Qin, perhaps you are more suitable for the position of the sect master," Zhen Yue, who was standing beside Qin Yu, suddenly said.

Qin Yu glanced at Zhen Yue and shook his head, "I promised you that I wouldn't go back on my words if I let you be the sect master."

"Besides, I'm not interested in the sect at all."

Zhen Yue bit his lips and didn't know what to say for a moment.

"I'll leave the reconstruction of the sect to you," Qin Yu said.

Zhen Yue nodded and then asked, "What are your plans?"

Qin Yu said, "I'm Going Out Tomorrow."

“Where?” Zhen Yue asked.

“To kill people.”

...

The next day.

Qin Yu carried the unconscious Yan Jiang and left the Green Moon Villa.

Although the Green Moon Villa was developing well, not many people dared to enter because of the sacred Confucian school.

Qin Yu was not in a hurry. He knew very well that the most important thing now was to establish his authority.

Of course, Qin Yu was not in a hurry to go to the Saint Confucian sect. Instead, he brought Yan Jiang to the Divine Alchemist Pavilion.

Yan Jiang had helped Qin Yu many times. This time, he had made great contributions.

If it were not for Yan Jiang, Qin Yu would probably have died.

In the Pavilion Master's building.

Qin Yu placed Yan Jiang on an empty space at the side.

The Pavilion Master drank a mouthful of tea. She glanced at Qin Yu and said indifferently, “You have stepped into the rank of Marquis Wu?”

Qin Yu nodded and said, “Yes, I just made a breakthrough yesterday.”

The pavilion master put down the water in her hand and said with a smile, “Old Mister Jiang is right. The day will not be too late.”

Qin Yu nodded slightly and said, “Pavilion Master, thank you for your help during this period of time. I may have to trouble you again.”

After saying that, Qin Yu looked at the unconscious Yan Jiang.

The pavilion master nodded and said, “What are your plans next?”

Qin Yu’s expression turned cold as he said coldly, “I’ll go kill the Saint Confucian school first. Next, I’ll go straight to the Jingdu Martial Arts Association!”

“No matter what, I’ll take Ruoxue Away!”

The Pavilion Master was silent for a moment and said, “Qin Yu, don’t underestimate the Jingdu Martial Arts Association. They...”

“I know,” Qin Yu interrupted the pavilion master.

“Although I have become a martial marquis, I also know that there are people beyond heaven, not to mention the Jingdu Martial Arts Association.”

“As for the Jingdu Martial Arts Association, I Know Nothing but legends. I also want to personally see how powerful they are.”

The pavilion master frowned and said, “Aren’t you afraid that you won’t be able to leave if you go?”

“I’m not afraid,” said Qin Yu in a deep voice.

“Even if I can’t do anything to them, I still have a way to escape.”

The Pavilion Master knew that Qin Yu had made up his mind to leave, so he didn’t say anything more.

“Then I wish you all the best,” said the pavilion master.

Qin Yu bowed slightly and said, “Thank you for your kind words.”

After putting down Yan Jiang, Qin Yu left the Divine Alchemist Pavilion.

His next trip was to the Saint Confucian school!

Qin Yu, who had just stepped into the Martial Marquis realm, did not know how powerful he was. Gu Canghai was the right person to practice with.

Moreover, Gu Canghai had given Qin Yu a lot of trouble. He had no choice but to take revenge.

On this afternoon, the sun was high up in the sky, and the Saint Confucian school appeared somewhat peaceful.

A figure suddenly appeared outside the mountain gate.

The gate of the sacred scholarly faction had long since been sealed, and it looked quite strict.

A young man took a deep breath and then roared, “Gu Canghai, come out and die!”

With just a roar, the mountain gate was shattered!

A terrifying aura penetrated deep into the sacred scholarly faction's internal Qi!

For a moment, the entire sacred scholarly faction buzzed!

“Not good, Qin Yu is here!” Someone cried out in alarm.

“Quick... quickly go and invite the sect master!”

Everyone immediately panicked. They all hid in the main hall, not daring to breathe loudly.

Qin Yu walked step by step towards the sacred scholarly faction. Along the way, no one dared to stop him.

“Gu Canghai, come out and face your death!” Another shout sounded!

This time, the plaque hanging on the main hall was directly shattered!

Chapter 564: Chapter 564. It's too late to negotiate now!

Hearing Qin Yu's angry roar, everyone couldn't help but tremble!

Qin Yu's figure was getting closer and closer. The feeling of waiting for death wasn't pleasant.

In the main hall, some people even wet their pants on the spot.

Soon, Qin Yu walked in.

The moment they saw Qin Yu, everyone took a step back in unison.

“Where's Gu Canghai?” Qin Yu glanced at everyone and asked coldly.

“Sect master... sect master isn't here...” someone said with a trembling voice.

“Qin... Qin Yu, this matter has nothing to do with us...”

“Don't Kill Us...”

Qin Yu glanced at them and said coldly, “Don't worry, I won't kill you. Tell Gu Canghai that I'll find him very soon.”

After saying this, Qin Yu turned around and left.

Seeing Qin Yu's back, they finally let out a sigh of relief.

...

The news of Qin Yu's clamor for the Holy Confucian school quickly spread on the martial arts forum!

“Have you heard? ! Qin Yu went to the Holy Confucian school alone, but no one dared to fight him!”

“I heard that the Holy Confucian school has been sealed because they are worried that Qin Yu will come to them!”

“Not only that, I also heard that Gu Canghai has already run away!”

“Damn, the leader of the number one sect in the north has been scared into running away?”

“The latest news is that Qin Yu has officially stepped into the Martial Marquis Realm! Gu Canghai does not dare to accept the challenge and has abandoned his sect to run away!”

Countless messages flooded in!

Gu Canghai looked at the messages on the screen with an extremely ugly expression.

He had never thought that his reputation would be ruined just like that!

At this moment, Gu Canghai's phone rang.

He picked up the phone and saw that the caller was Deng Sheng.

He hurriedly picked up the phone and said, "Deng Sheng, what's the situation now?"

Deng Sheng on the other end said, "Sect master, where are you? Qin Yu said that if you don't come back, he will take over the Saint Confucian school. Moreover, he said that he will definitely find you and kill you personally."

Hearing this, Gu Canghai's face turned extremely ugly.

He gritted his teeth and said, "I know."

After he hung up the phone, Gu Canghai took a deep breath.

The hand holding the phone trembled slightly as he kept flipping through the phone number.

Over the years, Gu Canghai had accumulated a lot of connections.

Now that Yan Sihai did not care about him, he could only think of ways to protect himself.

After searching around, most of the people rejected Gu Canghai's request.

Finally, a big shot in Cang City agreed.

This big shot was an important figure in Cang city. Although he was not a martial artist, he had a strong background and played the most important role in Cang City.

This person was called Shen bin. Besides being an official figure in Cang City, he also had relatives in the depths of Jingdu.

After calling Shen bin, Gu Canghai told him what had happened.

Shen bin was silent for a moment after hearing this. Then, he said, "I've heard of this Qin Yu. He's been in the limelight recently."

"That's right, Mr. Shen. If it weren't for the thorny matter, I wouldn't have troubled you..."gu Canghai said with a bitter smile.

As a Marquis of Wu, he wasn't willing to deal with officials.

Shen bin Thought for a moment and said, "I can set up a trap and let you guys talk. As for whether it can be negotiated or not, that's up to you."

Gu Canghai gritted his teeth and said, "Mr. Shen, it's enough to have a chance to negotiate!"

"Okay, I'll arrange a time and place."After saying this, Shen bin hung up the phone.

...

On the other side, Qin Yu was not in a hurry to leave this city.

Over the past few days, he had been investigating the Jingdu Martial Arts Association.

After his investigation, Qin Yu found that the Jingdu martial arts association indeed had a deep foundation.

Apart from controlling almost all the resources, they also had extremely strong connections.

For example, Xia hang was a puppet that was specially used to negotiate with the various aristocratic families.

Other than Xia Hang, there were other presidents that were used to negotiate with the upper echelons of jingdu.

As for martial arts, there wasn't much information on the Internet.

“After I kill Gu Canghai, I'll go to the Jingdu Martial Arts Association to get him,”Qin Yu said coldly.

After that, Qin Yu stood up and prepared to head to the Saint Confucian school again.

He didn't want to waste any more time. Since Gu Canghai wasn't willing to appear, he would directly crush the Saint Confucian school!

At this moment, two men in suits blocked Qin Yu's way.

“Mr. Qin, our Mister Invites You,”the two said expressionlessly.

Qin Yu glanced at them and said, “Who's Your Mister?”

“Shen Bin,”the other party said.

Qin Yu shook his head and said, “I don't know him.”

The two men looked at each other and then took out their work certificates.

Qin Yu couldn't help but frown when he saw that the two of them were officials.

“Shen bin... I seem to recall that he is an important figure of the Cangzhou city's officials,” Qin Yu said in a deep voice.

Even if Qin Yu had stepped into the Marquis of Wu, he couldn't go against the officials.

After thinking for a while, Qin Yu nodded and said, “Okay, I'll go with you.”

Then, Qin Yu followed the two of them into the car.

The car came to a private farmhouse courtyard.

“Go in. My husband is waiting for you inside,” said the two people.

Qin Yu didn't say anything. He walked into the farmhouse courtyard. As soon as he entered, he saw a familiar person.

“Gu Canghai, so you're hiding here!” Qin Yu said coldly. A murderous aura instantly erupted!

After sensing the murderous aura from Qin Yu, Gu Canghai's expression instantly changed slightly.

He subconsciously looked at Shen bin at the side.

Shen bin waved his hand and said, “You're Qin Yu? Sit down first.”

Qin Yu glanced at Shen bin and slightly bowed. “Mr. Shen.”

Shen bin poured a glass of water for Qin Yu and said with a smile, “Qin Yu, I called you here today because of the grudge between you and Gu Canghai.”

Qin Yu did not say a word and waited for Shen bin’s follow-up.

Shen bin said, “There is no deep hatred between the two of you. Why Don’t you sit down and talk about how to resolve this matter? This is also Gu Canghai’s intention.”

Gu Canghai braced himself and said, “Qin Yu, I was also instructed by the Yan family previously. It was not my original intention.”

Qin Yu glanced at Gu Canghai and sneered, “What, now you know to find someone to negotiate?”

Gu Canghai said awkwardly, “I also have no choice... Qin Yu, no matter what you want, we can talk about it...”

When Qin Yu heard that, he could not help but sneer, “I don’t want anything. I Just Want Your Dog Life!”

“Now you want to negotiate? Too Late!”

Chapter 565: Chapter 565: not giving face to anyone

Qin Yu’s murderous aura was not concealed, causing the temperature of the entire room to drop by a few degrees!

Gu Canghai looked at Shen bin as if he was asking for help, his eyes filled with pleading.

Shen bin coughed and said, “Qin Yu, everything can be discussed. Perhaps Gu Canghai can give you conditions that you are satisfied with.”

“Yes, yes, yes!” Gu Canghai hurriedly nodded.

“Qin Yu, if you are willing, I can give the sacred Confucian school to You!”

“That sacred Confucian school has a spirit spring in it. It will definitely be of great use to you!”

Qin Yu sneered and said, “If you were willing to take out the spirit spring a few days ago, I would definitely agree to it. But now it’s too late.”

“Because... if I kill you, the Spirit Spring will still be mine!”

Gu Canghai gritted his teeth, stood up and said, “Qin Yu, does this mean that we really have to fight to the death!”

“What do you think?” Qin Yu sneered.

“If I didn’t step into the Marquis of Wu, would you give me a Chance?”

Gu Canghai opened his mouth and was immediately speechless.

Now, all his hopes were placed on Shen bin.

Thus, Gu Canghai immediately said coldly, “Don’t tell me you won’t give Mr. Shen any face!”

Qin Yu glanced at Shen bin and said, “Mr. Shen, are you really determined to protect him?”

Shen bin was silent for a moment and said, “What if I Say Yes?”

Qin Yu sneered and said, “Then I’m sorry. I Won’t give face to the Yan family, and I won’t give face to yours either!”

Hearing that, Shen bin couldn’t help but say helplessly, “It seems that the rumors are true. You really don’t recognize your own family.”

“I don’t know you to begin with. Out of respect for your identity, I only came today.”Qin Yu was neither servile nor overbearing.

At this point, Qin Yu paused for a moment. He looked at Shen bin and said, “I can give you the greatest face, but I won’t kill him in front of you.”

Shen bin rubbed his chin and thought for a moment. Then, he looked at Gu Canghai and said, “Gu Canghai, you heard it too. I Can’t do anything about this matter. He doesn’t give me any face at all.”

Gu Canghai immediately became anxious. He said anxiously, “Mr. Shen, you must save me! Otherwise, I... I will definitely die in his hands!”

“I can’t help you even if I want to.”Shen bin waved his hand.

Gu Canghai’s expression was extremely ugly! He sat there and did not say anything for a long time.

At this moment, Gu Canghai suddenly made an unexpected move!

Gu Canghai’s entire body was surging with energy. His body suddenly flashed and he ran away!

Even Shen Bin was stunned.

The dignified sect master of the Saint Confucian school ran away just like that? !

Qin Yu was not in a hurry to chase after him. He looked at Shen bin and said, "Speaking of which, I have to thank you."

"Thank me? Thank me for what?" Shen bin asked in puzzlement.

"If it wasn't for you, I'm afraid I wouldn't have been able to find Gu Canghai in such a short time," Qin Yu said.

After saying this, Qin Yu turned around and left.

He stood in the small courtyard and suddenly released his spiritual sense!

Ever since he stepped into the Martial Marquis Realm, Qin Yu's spiritual sense had become extremely powerful!

Even though Gu Canghai had already escaped for several miles, he still couldn't escape Qin Yu's capture!

"Gu Canghai, no one can save you today," Qin Yu said coldly.

Then, Qin Yu turned into a golden light and quickly chased after him!

At this moment, Gu Canghai was trying his best to escape!

With a glance, he saw an old man with disheveled hair running away in a sorry state!

"HM? What's going on? Who's that old man?"

"Damn, isn't that Gu Canghai? The sect master of the Saint Confucianism sect!"

"Why is he running away?"

“Look behind you! Is that Qin Yu? !”

“Qin Yu? Hasn't Gu Canghai been looking for him? What... What's going on?”

Such a scene left everyone dumbstruck.

And Gu Canghai, who had always been high and mighty, had lost all face today.

But at this moment, how could he care about his face?

“Gu Canghai, you can't escape.”Qin Yu's voice came from behind.

Gu Canghai gritted his teeth as he ran, “Qin Yu, what do you want!”

“I said, I will definitely kill you,”Qin Yu said coldly.

Gu Canghai roared angrily, “This is what the Yan family asked me to do. If you want to settle the score, you should go to the Yan family!”

“Don't worry, I will go,”Qin Yu said coldly.

In the next second, Qin Yu directly used shrinking earth into an inch and instantly arrived in front of Gu Canghai.

Their eyes met, and Gu Canghai's heart was abnormally terrified!

He braced himself and said, “What exactly are you going to do to let me go?”

“Don't say such an impossible thing,”Qin Yu said coldly.

Gu Canghai was almost driven mad. He roared, “Qin Yu! Don’t go too far! Don’t think that I’m really afraid of You!”

“Is that so?”Qin Yu sneered.

He walked toward Gu Canghai step by step and said coldly, “Come, let me see what you are capable of.”

Gu Canghai roared angrily, “Good, good! I’ll fight with you!”

Gu Canghai danced wildly as his aura surged. He bent his hands, and a terrifying internal Qi burst forth!

In the next second, Gu Canghai’s figure flashed, and he ruthlessly grabbed at Qin Yu’s chest!

Qin Yu stood there without moving an inch, allowing Gu Canghai’s fingers to grab onto his chest.

“Chi la!”

The instant the fingers collided, his clothes were instantly torn apart!

However, Qin Yu’s body was not damaged at all. Not even a single white scar was left on his body!

“How... how is this possible!”Gu Canghai’s expression was extremely unsightly!

His all-out attack was actually not even able to leave a single white scar?

Just how terrifying was his physical body? !

“Do you have any other tricks?”Qin Yu sneered.

Gu Canghai gritted his teeth. With a furious roar, Black Qi immediately condensed on his hands. At a glance, it was as if these two hands had come from hell!

This was Gu Canghai's ultimate skill, the life-reaping ghost hand!

"Qin Yu, I'm going to kill you!" Gu Canghai roared and immediately grabbed at Qin Yu!

Qin Yu still did not move. His ultimate skill only left a few white marks on Qin Yu's body.

"That's it?" Qin Yu sneered.

"Gu Canghai, the Yan family only raised a trash like you?"

Gu Canghai instantly fell into despair! He knew that there was a certain gap in strength between the two of them, but he didn't expect the gap to be this big!

"Do you still have any other tricks?" Qin Yu said indifferently with his hands behind his back.

Gu Canghai's face was gloomy. He knew that it would be difficult to be kind today.

Therefore, Gu Canghai took two steps back and took a deep breath. Then, he slammed his palm on his chest.

The next second, Gu Canghai spat out a mouthful of blood!

Gu Canghai's hands moved quickly in the air as if he was performing some secret technique!

A terrifying aura gathered between Gu Canghai's hands. The blood that spurted out from his mouth began to merge with the Internal Qi!

"Qin Yu... I'll fight it out with you!" Gu Canghai's eyes widened and his body trembled!

A huge black light seal condensed between his hands!

"I didn't want things to end up like this, but you forced me to..." blood flowed out of Gu Canghai's mouth, and the black light seal in his hands became even heavier.

It was obvious that the pressure this technique exerted on Gu Canghai was extremely great!

The black light seal became even stronger, and Gu Canghai hugged it with both hands, making it seem like a huge mountain!

"This is Gu Canghai's mountain-destroying seal!" Someone recognized this technique and immediately shouted!

"Mountain-destroying seal? It is said that this technique contains the power to destroy the heavens and earth. Even a towering mountain would be destroyed in an instant! Hence, it is called the mountain-destroying seal!"

"But this technique affects the foundation and even the lifespan. It seems that Gu Canghai is really forced into a corner."

Qin Yu put his hands behind his back and quietly watched the light seal in Gu Canghai's hand grow bigger and bigger.

Chapter 566: Chapter 556, the first golden core was in his hands

The black light grew larger and larger, shining brightly under the sunlight.

At a glance, the black light flickered, as if it was a real towering mountain

“I originally didn’t want to be like this... It’s all because you forced me!”Gu Canghai’s mouth dripped with blood as he roared angrily!

Qin Yu sneered, “I should be the one to say this to you.”

“Go to hell!”Gu Canghai was already unable to listen to anything. He roared loudly, and the mountain destroying seal in his hand ruthlessly smashed towards Qin Yu!

“Rumble...”

The instant the light seal was thrown out, it was like a real mountain that was pressing towards Qin Yu!

The rolling might brought about waves of hurricanes in the surroundings. The surrounding people hurriedly retreated, afraid of being affected!

The mountain crushing seal grew increasingly stronger, crushing down from high above!

In front of this mountain crushing seal, Qin Yu’s thin and weak figure appeared extremely weak!

But the powerful aura on his body made people not dare to ignore it! It was truly like Mount Tai collapsing in front of him without any change in expression!

“Rumble!”

The mountain crushing seal was getting closer and closer to Qin Yu. Finally, that enormous light engulfed Qin Yu at this moment!

Qin Yu, who had not moved at all, finally slowly raised his hand.

He slowly clenched his hand, and the golden light instantly exploded!

At this moment, that pair of iron fists seemed to contain the ability to swallow the sky!

“What Bullsh * t mountain-destroying seal, I think it’s nothing more than this!”Qin Yu coldly spat out a sentence, and then suddenly threw a punch, ruthlessly smashing towards the mountain-destroying seal!

“Rumble!”

At the instant of the collision, the world began to produce a huge tremor!

Qin Yu’s fist contained a crushing force, and instantly pierced through that black luster!

“Boom!”

Another explosion sounded, and that extraordinary mountain-destroying seal actually exploded in an instant! Then, it vanished into thin air!

On the other hand, Qin Yu’s expression was calm, and his expression was indifferent, as if he had done something insignificant.

Everyone was dumbstruck, and some of them even swallowed their saliva.

This mountain-crushing seal was destroyed with just one punch ? !

One had to know that this was Gu Canghai's trump card!

"How... how is this possible..."

At this moment, Gu Canghai was completely in despair!

Even if he gave it his all, he still couldn't defeat Qin Yu's casual punch!

The gap between the two of them had reached an irreparable state!

Qin Yu looked at Gu Canghai coldly and said, "Is this your ability? It's only so-so."

Gu Canghai was completely terrified. Cold sweat was dripping down his forehead and his entire body was trembling. In the end, he even knelt in front of Qin Yu with a plop!

At this moment, Gu Canghai no longer had the slightest bit of arrogance. Instead, he was like an ordinary old man, completely different from the high and mighty sect master of the Saint Confucian school.

"Qin Yu... spare me..." Gu Canghai knelt on the ground, his entire body trembling as he wept bitterly.

Qin Yu sneered, "Do you think that's possible?"

Gu Canghai suddenly raised his head. He thought of something and shouted, "Qin Yu, I... I have three ten-thousand-year-old herbs! I can give them to you!"

Qin Yu shook his head and said, "If I kill you, those herbs will still be mine."

Gu Canghai was extremely flustered. He was desperately thinking, trying to find a condition that could move Qin Yu.

“I . . . I still have hundreds of millions of family assets! I can give them to you, as long as you spare my life!” Gu Canghai said anxiously.

Qin Yu sneered, “Gu Canghai, don’t say these useless things. You’d better give me your last words.”

However, how could Gu Canghai give up? It was not easy for him to climb to his current position. In order to step into the Marquis of Wu, he had sacrificed a lot!

“Qin Yu, don’t you have a grudge with the Yan family? I . . . I know a lot of information about the Yan family. I can provide it to you!” Gu Canghai said desperately.

“You can even . . . you can even be a spy! When the time comes, we can cooperate from the inside and the outside!”

Qin Yu narrowed his eyes and said, “Gu Canghai, if I’m not wrong, the Yan family has already given up on you, right?”

Hearing this, Gu Canghai’s expression suddenly changed! A trace of panic flashed through his eyes!

Qin Yu continued, “If the Yan family had not given up on you, you would not have gone to look for Shen bin.”

Gu Canghai was in despair. All his conditions were unable to move Qin Yu. He was afraid that he would not be able to escape death today.

“You can’t kill me, you can’t kill me...”Gu Canghai shook his head non-stop.

“It wasn’t easy for me to become a marquis. It wasn’t easy for me to become the sect master of the Saint Confucian School!”Gu Canghai roared with a hint of madness!

“In order to become a marquis, I became the slave of the Yan family. My Life is worse than a dog! I Can’t just Die Like This!”

Qin Yu looked at Gu Canghai coldly and didn’t say a word.

Gu Canghai seemed to have gone mad. He raised his head and roared, “Yan family, you are not human! I became the slave of the Yan family and worked hard without complaint. Now, you have turned against me!”

“Yan Sihai, you are a beast!”

The painful roar spread throughout the entire world.

However, Qin Yu didn’t feel any sympathy in his heart.

Since he had submitted to capital, he would be abandoned by capital sooner or later.

The path he had chosen, he had to bear the consequences.

“Good, good. If you want me to die, none of you will be able to live!”Gu Canghai’s face was filled with madness!

One could see that his aura was expanding, and there was even an internal qi surging rapidly in his abdomen!

A destructive energy was quietly gathering!

“Not good, this Gu Canghai wants to self-destruct!” At this moment, someone seemed to have guessed something!

As soon as he said this, everyone turned pale with fright and fled!

Qin Yu looked coldly at Gu Canghai and said, “If you want to self-destruct, I’m afraid you won’t have the chance!”

Before he finished his words, Qin Yu’s palm flashed with golden light, and his physical strength was unleashed to the extreme!

“Pa!”

A sharp slap landed on Gu Canghai’s head!

“Kacha!”

With just one slap, Gu Canghai’s head was directly shattered!

His body was like a deflated rubber ball, instantly wilting.

And Gu Canghai’s pupils rapidly turned gray, no longer showing any signs of life.

The great and formidable Gu Canghai had died just like that.

The surroundings gradually calmed down. While everyone was panicking, they could not help but sigh.

Who would have thought that Gu Canghai, who was still awe-inspiring a few days ago, would turn into a skeleton in the blink of an eye.

“There really are talented people emerging from every generation.” Someone sighed slightly.

Qin Yu looked at Gu Canghai, who was kneeling on the ground in front of him, and a hint of excitement flashed across his face.

“It’s time to test the effect of this golden core,” Qin Yu whispered.

He had been looking forward to this day for too long! The golden core had long been nurtured in Marquis Wu’s body, and this golden core was very likely the fastest way to increase his cultivation!

Qin Yu slowly raised his hand and slapped Gu Canghai’s lower abdomen.

His lower abdomen immediately exploded! A pearl the size of a marble flickered in the Dark Dantian.

Qin Yu stretched out his hand and the golden core fell into his palm.

“Is this the Golden Core?” Qin Yu was very excited.

Chapter 567: Chapter 567: the destruction of the sacred Confucian school

The golden core in Qin Yu’s palm shimmered with light, and a dense qi/spiritual energy was irresistible.

This was a martial marquis’ lifetime worth of Qi/spiritual energy, and its density was beyond imagination!

With the golden core, Qin Yu didn’t even need to rely on the heaven swallowing technique! Moreover, its effect was far above the heaven swallowing technique!

Qin Yu caressed the golden core, and without wasting any time, he immediately swallowed it into his stomach!

The golden pill immediately exploded in Qin Yu's Dantian! A dense qi/spiritual energy instantly filled the entire dantian!

"Awesome!" Qin Yu could not help but shout out!

This feeling far surpassed that of a panacea!

As long as he slaughtered enough Marquis Wu, Qin Yu had no doubt that he would be able to become a martial saint in the fastest time possible!

The surrounding people were still gathered here. They looked up at Qin Yu with respect and fear in their eyes.

Qin Yu glanced at them and didn't stay any longer. He turned around and left.

Gu Canghai was dead.

His miserable appearance before his death also spread!

From then on, it represented the rise of the younger generation at the bottom!

Qin Yu came all the way to the main hall of the Saint Confucian school.

Inside the Saint Confucian school, countless people were trembling with fear.

Looking at this young man in front of them, they were afraid from the bottom of their hearts.

Qin Yu glanced at them and said indifferently, "From today onwards, the Saint Confucian school will be renamed as the Jade Moon Villa. Those

who are willing to stay will be the people of the Jade Moon Villa. Those who are not willing to stay can leave now.”

Everyone looked at each other and found it difficult to make a decision.

“I’m willing to stay!” At this moment, Deng Sheng shouted!

With Deng Sheng taking the lead, the others also shouted, “I’m also willing to stay!”

Out of the hundreds of people in the Saint Confucian school, most chose to stay.

Those who had received Gu Canghai’s favor before naturally left.

...

In the main hall, Qin Yu sat on Gu Canghai’s former seat, holding a few documents in his hands.

These documents were the properties of the Saint Confucian school.

Looking at the categories of these properties, Qin Yu couldn’t help but sigh.

As expected of the number one sect in the north, the assets under its banner were simply beyond imagination!

Now, the Jade Moon Villa had replaced the Saint Confucian school and become the number one sect in the north!

This represented the strongest power of the martial arts in the north!

However, Qin Yu was also very clear in his heart that it was impossible to go against the aristocratic families with just martial strength.

This was because all along, the sects had only been working for the aristocratic families. They were only pawns raised by the aristocratic families.

If they wanted to truly challenge the Yan family and the Han family, they would also have to draw in the powers of various worlds.

“Mr. Qin, do you still remember what you said before... that you wanted me to be the sect master of the Saint Confucian School?” At this moment, Deng Sheng, who was at the side, said with an embarrassed smile.

Qin Yu glanced at him and said indifferently, “Of course I remember.”

Deng Sheng was immediately overjoyed when he heard this. He hurriedly said, “Thank you, Mr. Qin!”

Qin Yu sneered and said, “Unfortunately, the Saint Confucian school no longer exists. This is the Green Moon Villa.”

Deng Sheng’s expression changed. He probed, “Mr. Qin, what... What do you mean?”

Qin Yu put away the document, stood up and said, “If you are willing to stay, I can give you the position of an elder. If you are not willing, you can follow the late Saint Confucian school.”

Deng Sheng’s face was extremely ugly. He never thought that this would be the end result.

After a long time, he was still an elder. There was no change at all.

“I . . . I am willing to stay.”Deng Sheng had no choice but to bow and submit.

Qin Yu ignored him. He called Zhen Yue that day and asked her to take over the Saint Confucianism sect.

In the evening, Zhen Yue brought a few core members of the Green Moon Villa to the Saint Confucian sect.

Looking at the huge Saint Confucian sect, Zhen Yue felt a little surreal for a moment.

“Deng Sheng, Zhen Yue is the sect master of the Green Moon Villa. From today on, you have to assist her,”Qin Yu said coldly.

Deng Sheng didn’t dare to say anything more. He hurriedly nodded and said, “Yes, Mr. Qin.”

Zhen Yue said awkwardly, “Mr. Qin, let’s forget about it. I’ll give you the position of sect master...”

“No, I promised you.”Qin Yu shook his head.

Zhen Yue sighed and didn’t know what to say for a while.

...

Jingdu, Han family.

After recuperating for so many days, Han Wei’s injuries finally improved.

He sat on the sofa, but his heart was filled with anxiety.

“Dad, quickly arrange training for me. I want to step into the Marquis realm before Qin Yu!” Han Wei said coldly.

Han Meng walked over from the side. He opened his mouth, not knowing how to speak for a moment.

“Dad, What’s Wrong?” After seeing Han Meng’s expression, Han Wei couldn’t help but frown.

Han Meng sighed slightly and said, “Qin Yu... Qin Yu has already stepped into the Marquis of Wu. Gu Canghai died in his hands.”

Upon hearing this, Han Wei suddenly sat up from the sofa!

His eyes widened, and his face was filled with pain and disbelief!

“He... he actually stepped into the Marquis of Wu...” the veins on Han Wei’s forehead bulged, and his fists were clenched tightly!

Han Wei couldn’t figure out how Qin Yu, who he had trampled under his feet last year, could widen the gap between them in such a short period of time!

Han Meng patted Han Wei’s shoulder and said, “Don’t worry. Ma Hai has already set off. It won’t be long before Qin Yu becomes a corpse.”

Although that was the case, Han Wei was still unwilling to accept it.

He thought that he was the proud son of Heaven and didn’t lose to anyone, but now he was completely pulled away by a bottom-level person! How could he accept this!

“Qin Yu... Qin Yu! !” Han Wei was extremely angry and couldn’t help but raise his head and Roar!

...

Green Moon Villa.

After Qin Yu arranged Zhen Yue, he was about to call Yao Qing and ask him and Tao Zi to come to Green Moon Villa.

At this moment, Qin Yu's phone rang first.

He picked up the phone and saw that the caller was Teng Gongzi from sea city.

Qin Yu picked up the phone and smiled, "Mr. Teng, why are you calling me?"

Teng gongzi chuckled, "Qin Yu, I heard that Gu Canghai died? You did well."

Qin Yu said politely, "Mr. Teng, you flatter me."

On the other end, Duke Teng indifferently said, "You have some ability. I acknowledge you. From today onwards, I will allow you to become a part of my Teng family and work for the TENG family!"

"As long as you have my Teng family as your background, you will definitely have the chance to wrestle with the Yan family!"

Hearing this, Qin Yu frowned.

He was silent for a moment and said, "Mr. Teng, are you mistaken? You and I are only partners, not subordinate to the TENG family."

Duke Teng's voice immediately sank.

He said coldly, “Qin Yu, what do you mean by that?”

Qin Yu frowned and said, “I told you clearly from the beginning, right? We are only cooperating to achieve our goals. There is no relationship between us.”

Duke Teng said angrily, “Cooperate with me? You Want to cooperate with me? Qin Yu, even the Saint Confucian school was only a subsidiary sect of the Yan family. Now you want to be on equal footing with me? !”

Hearing this, Qin Yu’s tone gradually darkened.

“The Saint Confucian school is the Saint Confucian school, and I am me. Gu Canghai is willing to be a dog, but I am not willing,” Qin Yu said coldly.

“Good, good!” Duke Teng flew into a rage.

He sneered, “I want to see how far you can go without the support of capital!”

“Also, Qin Yu, let me tell you, you have offended me!”

Chapter 568: Chapter 568, your golden core, I want it

After the phone call, Qin Yu couldn’t help but want to laugh.

These assets always wanted to be above others and turn everyone into their tools.

For Qin Yu, this was absolutely unacceptable. Gu Canghai was a good example.

Then, Qin Yu picked up his phone and called Yao Qing.

After the call was connected, Qin Yu said, “Yao Qing, you and Peach will set off tomorrow. Come to Cang City.”

“Qin Yu, I’ve finally found you...”

However, a gloomy voice came from the other end.

Qin Yu frowned slightly. “Who are you?”

“Me? Someone paid me to kill you, but I couldn’t find you, so I could only come to your house and wait for You,” the other party said faintly.

“Oh, let me introduce myself. You should have heard of my name. I’m Ma Hai.”

Qin Yu said coldly, “What Ma Hai and donkey hai? Who Are You?”

On the other end, Ma Hai was stunned. Then, he couldn’t help but sneer, “You actually haven’t heard of my name? It seems that your world isn’t wide...”

“What did you do to Yao Qing and Peaches?” Qin Yu didn’t have the mood to listen to his nonsense.

Ma Hai said indifferently, “If you came back early enough, they shouldn’t be dead. But if you continue to hide, it’s hard to say...”

“Okay, wait for me in Chuzhou. I’ll go back immediately,” Qin Yu said coldly.

After hanging up the phone, Qin Yu turned his head and left the Green Moon Villa, heading straight for Chuzhou.

...

Chuzhou.

Ma Hai sat cross-legged in the courtyard, looking like an otherworldly expert.

He held a small teapot in his hand and sipped it from time to time.

This teapot not only could drink water, but it was also an extraordinary magical artifact!

It was said that this magical artifact was snatched from the hands of a marquis, and contained a trace of the power of Heaven and earth.

Using the power of Heaven and earth to brew tea was enough to show how extravagant Ma Hai was.

“As long as you are obedient, I won’t kill you.”Ma Hai glanced at Yao Qing and Peaches who were lying on the ground and said indifferently.

Peaches’face was full of tears and her delicate body trembled slightly.

Yao Qing clenched his fists and was extremely angry!

This Ma Hai was extremely vicious. He left a shocking scar on peaches’ delicate face and a scar in Yao Qing’s Dantian!

Looking at the two people’s pained expressions, Ma Hai seemed to enjoy it.

“Fellow Daoist, I’ve come to look for you again.”At this moment, a figure suddenly appeared at the door.

This person was none other than the handlebar mustache.

The moment the handlebar mustache entered the door, he saw the scene in front of him.

He coughed dryly and said with an embarrassed smile, "Sorry, I've come to the wrong door."

After saying this, the moustache man turned around and was about to run away.

Ma Hai's expression turned cold, and he snorted lightly, "Since you're here, then come and accompany them."

As he spoke, Ma Hai raised his finger slightly and pointed forward.

In an instant, a terrifying force rippled out like water ripples.

Then, a powerful killing force rushed straight at the Moustache Man!

"I'll Go!" The handlebar mustache trembled and then ran away.

In the blink of an eye, the handlebar mustache disappeared without a trace.

This couldn't help but make Ma Hai frown slightly.

"What a fast speed," Ma Hai said in a low voice.

Although it was only a follow-up attack, it was, after all, the work of an old martial marquis.

Being dodged so easily, it couldn't help but make people suspicious.

"Who was that person just now?" Ma Hai Glanced at Yao Qing on the ground and asked.

Yao Qing gritted his teeth and said, “It was your father!”

Ma Hai was not angry. He smiled faintly and said, “His strength is not necessarily much, but his temper is not small. Aren’t you afraid that I will kill you?”

“If you kill me, Mr. Qin will definitely kill you!” Yao Qing roared angrily.

Ma Hai laughed loudly and said, “When I dominated the world, that Qin Yu was probably not even born yet.”

“Old Fart, stop bragging. Don’t think that I don’t know that you are someone else’s dog!” Yao Qing cursed.

Ma Hai narrowed his eyes slightly and said darkly, “Looks like you are really not afraid of death. Alright, then I will send you on your way First!”

After saying that, Ma Hai raised his finger, and a terrifying force gathered on his finger.

“Chi la!”

Ma Hai pointed his finger forward lightly, and a sharp ray of light headed straight for Yao Qing’s glabella!

At this critical moment, a thumb ring shot out from not far away!

“Clang!”

This thumb ring happened to block in front of Yao Qing’s glabella!

Ma Hai frowned slightly. He was about to say something when he saw the mustached man standing at the door with a wretched look on his face.

“Fellow Daoist, you don’t want to kill people,”the mustached man said with an embarrassed smile.

Ma Hai’s face was slightly cold. He narrowed his eyes and said, “I let you escape just now, and you still dare to meddle in other people’s business? I think you are courting death!”

After saying that, Ma Hai waved his big palm, and a terrifying qi force rushed toward the mustached man!

The handlebar mustache’s expression changed. He hurriedly took out his magic tool and threw it at Ma Hai.

“Clang!”

Ma Hai’s spell was canceled out again!

And the handlebar mustache’s magic tool also shattered.

“It’s over, it’s over. I threw it wrong. This magic tool is my beloved thing. I can’t Throw It!”The handlebar mustache said with a pained expression.

Ma Hai’s expression became even colder. He slowly stood up and said with narrowed eyes, “Kid, you’ve completely infuriated me.”

The mustached man said fawningly, “Fellow Daoist, don’t be anxious. We can sit down and chat. How about... we find a place to have a drink? It’s Your Treat!”

“F * ck you!”Ma Hai was thoroughly enraged!

He raised his palm, and countless spells instantly pressed down on him in all directions!

The mustached man shivered and continued to take out a magical artifact from his spatial artifact and throw it over.

In an instant, copper pots, rings, and Jade Stones flew all over the sky.

“Bang, Bang, Bang!”

One after another, the spiritual artifacts exploded in the air. The handlebar mustache felt his heart ache as he looked at them.

“F * ck, these spiritual artifacts are my true love!”The handlebar mustache looked like he wanted to cry, but no tears came out.

Meanwhile, Ma Hai’s face became even gloomier.

How could he not be angry when he couldn’t take down an unknown kid for a long time!

“Fellow Daoist, let’s stop here. If we continue to throw down my collection of decades, it will be gone!”The handlebar mustache kept waving his hand.

Ma Hai was getting angrier and angrier!

This kid in front of him clearly seemed to be playing with him!

A murderous aura burst out from Ma Hai’s body.

He took a deep breath and said, “I don’t care who you are. Today, I will definitely kill you!”

“That depends on whether you have the ability or not!”

At this moment, a cold voice came from the distance, followed by a golden light coming straight at his face!

Ma Hai did not dare to be negligent. His feet shook and he immediately dodged to the side!

“Qin Yu, you are finally back,”the mustached man said hurriedly.

“This old bastard broke more than ten of my magical artifacts. You have to pay me back!”The mustached man said seriously.

Qin Yu didn't pay attention to the Mustache Man.. He glanced at Yao Qing and Peaches on the ground and said coldly, “Your golden core belongs to me.”

Chapter 569: Chapter 569, facing off against Ma Hai

His arrogant tone made ma hai burst into laughter.

“Kid, do you know who I am? No one dares to be so arrogant in front of me!”Ma Hai said coldly.

“Who you are has nothing to do with me. I just want to know who asked you to come.”Qin Yu questioned coldly.

Ma Hai narrowed his eyes and said with some displeasure, “Are you looking down on me? No one in the world dares to look down on me like this!”

Before he could finish his words, Ma Hai had already clenched his fist and came over!

The terrifying qi force instantly brought about gusts of violent wind!

As a half-step martial marquis, Ma Hai's strength could not be underestimated. His casual punch caused the air to buzz!

“Pa da!”

However, just as his fist was about to Touch Qin Yu, it was easily caught by Qin Yu.

Ma Hai was stunned. Before he could react, a golden light had already appeared in front of his eyes!

Qin Yu clenched his Golden Fist and smashed it on Ma Hai's chin from the bottom up!

With this punch, Ma Hai's body flew up into the air and his chin was almost shattered!

He rolled in the air and stabilized his body with great difficulty.

Then, Ma Hai touched his chin and said coldly, “You are really not simple.”

Qin Yu just stood there quietly. There was not a single trace of internal Qi fluctuation from his body.

Ma Hai narrowed his eyes and stretched out his finger. Rays of light shot toward Qin Yu like bullets!

Qin Yu was expressionless and allowed the rays of light to fall on his body!

“Clang! Clang! Clang!”

The sound of metal colliding could be heard continuously!

Qin Yu was carrying these rays of light as he walked towards Ma Hai
Step by step.

Ma Hai's expression changed drastically!

Just his physical body alone was able to withstand a spell? What kind of
physique was this?

“As expected of a chaos body!”The mustached man at the side couldn't
help but be flabbergasted!

The strength of this physical body had completely exceeded the scope of
understanding!

“How could this child's physical body be so strong!”Ma Hai immediately
retreated!

With such a tough body, he definitely could not fight with his body!

Ma Hai raised his finger again, and a red light immediately condensed on
his fingertip!

The light slowly condensed on his fingertip, and a huge wave of light
rapidly crushed toward Qin Yu!

Qin Yu was expressionless. He raised his palm and casually slapped
over.

“Crack!”

The light ball that Ma Hai condensed was shattered by Qin Yu's casual
slap!

“How... how is this possible!”Ma Hai sucked in a breath of cold air, and his face instantly turned extremely ugly!

What kind of F * cking body was this? It was actually so tough to such an extent?

Even ye Qingjiang he couldn't do it, right?

“You... Who Are You!”A trace of panic flashed in Ma Hai's eyes.

Qin Yu's expression was ice-cold, and his eyes were filled with killing intent.

Without saying a word, his figure suddenly disappeared, and in the blink of an eye, he was in front of Ma Hai.

“Pa!”

The extremely fast speed caused ma hai to be unable to react in time, and his face received a vicious slap!

This slap was also Qin Yu's pure physical strength, but it directly shattered Ma Hai's face bone!

Fresh blood flowed down from his shattered face!

“How... how could this be...”Ma Hai was incomparably panicked!

Just his physical strength alone was already so tyrannical, then how terrifying was his full strength? !

He didn't dare to imagine!

“Tell me who told you to come, I’ll let you die a quick death.”Qin Yu was like a demon, walking step by step towards Ma Hai.

As an old martial marquis, Ma Hai had never suffered such humiliation.

He waved his hand, and a long sword appeared in his palm.

The long sword flickered with a dark light in the darkness, and a cold intent came from the sword light.

“Black Iron Sword?”The Mustache Man raised his eyebrows.

Then, he shouted to Qin Yu, “Fellow Daoist, this is black iron sword. It is known to cut iron like mud. You must be careful.”

Qin Yu ignored him and continued to look at Ma Hai coldly.

Ma Hai gritted his teeth and said coldly, “I want to see how strong your body is!”

After he said that, Ma Hai’s Qi began to fluctuate, and countless internal Qi surged into the sword!

“Buzz!”

The blade of the sword suddenly flashed, and traces of Senhan’s aura rippled on the sword.

“Go to hell!”Ma Hai Roared, and the sword in his hand slashed at Qin Yu!

Qin Yu’s eyes turned cold. He suddenly reached out his hand and grabbed the blade!

Ma Hai was overjoyed!

He had used this sword to flatten a mountain, let alone Qin Yu's body!

"Arrogance will pay the price!" Ma Hai roared crazily!

"Clang."

However, in the next second, Ma Hai's expression froze on his face!

Qin Yu's palm flashed with golden light, and the blade of the sword was forcefully grabbed in his hand.

Traces of blood flowed down his palm, but he could not move a single inch!

"To be able to cut through my skin, it is indeed a good sword," Qin Yu said coldly.

Ma Hai's pupils constricted, and his face was filled with shock!

He had lived for dozens of years, but he had never seen such a hard body!

"The chaos body is really abnormal." The mustached man could not help but shrug his shoulders.

Ma Hai's face was extremely gloomy. He immediately made a decision and quickly threw down the sword and shot backward!

"I must not let this child touch me." Ma Hai took a deep breath.

Then, he saw a burst of light under Ma Hai's feet. Rays of light spread out in all directions with his feet as the center.

In a few short moments, this light covered a radius of several hundred meters!

Ma Hai took a deep breath. Then, his body became extremely light!

“This child’s physical body has reached an unimaginable level, but it’s not impossible to kill him.”Ma Hai thought to himself.

“As long as I keep a distance from him and use a spell, I will definitely be able to kill him!”

Qin Yu saw through Ma Hai’s intentions and said coldly, “You keep saying that you’re some old martial marquis, but now you can’t even get close to him? Is that all you have?”

Ma hai sneered and said, “So what? Killing people doesn’t necessarily depend on strength, and brains are also very important!”

Qin Yu narrowed his eyes and said, “Your idea is not bad, but unfortunately, it’s useless against me.”

As he spoke, Qin Yu directly used shrinking earth into an inch and rushed towards Ma Hai!

But what was surprising was that Ma Hai’s figure suddenly disappeared from where he was and quickly hid a few meters away!

His speed was even faster than shrinking earth into an inch!

“Hahahaha!”Ma Hai could not help but burst into laughter.

“Qin Yu, so what if you have the power of the heavens? You Can’t touch me at all!”Ma Hai was extremely proud.

“But I can use spells to slowly exhaust you to death!”

After saying that, Ma Hai suddenly pushed forward with both hands, and a terrifying force came from all directions!

Ma Hai relied on his exquisite spells to continuously attack Qin Yu.

Every time Qin Yu tried to approach him, his figure would quickly disappear.

In the blink of an eye, Ma Hai had already cast hundreds of spells!

Even though Qin Yu’s physical body was incomparably strong, under this spell, his body was still in pain, and many wounds even appeared.

“It worked.”Ma Hai could not help but sneer.

At this moment, Ma Hai finally relaxed.

He smiled lightly and said, “Qin Yu, to tell you the truth, in the Martial Marquis realm, I have never lost. Unless you are a martial saint, you can forget about defeating me!”

Chapter 570: Chapter 570, Yan Ruoxue’ s current situation!

Qin Yu remained silent.

This Ma Hai had been deliberately keeping a distance from Qin Yu. Even shrinking the ground to an inch would not be able to catch up to him.

“Heavenly saint’s Hand!”

At this moment, Ma Hai attacked once again!

He waved his large palm, and a fiery red palm suddenly appeared in front of Qin Yu!

This palm was extremely fast, and in the blink of an eye, it covered Qin Yu's body!

Ma Hai seemed to be able to control this large hand. As he clenched his hands, Qin Yu was immediately grabbed tightly by this hand!

"Next, it will be my torture on you," Ma Hai said with a grin.

His mouth opened slightly, and a strange sound came out from his mouth.

"HM? Motherf * cker, it's a spiritual sense attack," the mustached man thought to himself, and hurriedly covered his ears.

On the other hand, Qin Yu didn't feel so good.

His body was caught by this big hand and couldn't move at all.

The strange sound from Ma Hai's mouth kept entering Qin Yu's ears.

For a moment, Qin Yu felt his head go numb and his spiritual sense buzzed.

Ma Hai struck while the iron was hot. His palm moved for a while and took the black iron sword again.

Then, Ma Hai waved the black iron sword again and slashed at Qin Yu in the air!

"God slaying Slash!"

Accompanied by Ma Hai's explosive shout, a sword ray that was several feet long instantly slashed towards Qin Yu!

"Chi la!"

The Sword Ray landed on Qin Yu's shoulder, instantly sinking several centimeters, revealing the ghastly white bones!

"Hahahaha!" Ma Hai could not help but laugh wildly.

"Qin Yu, I will slowly torture you to death!" Ma Hai grinned and said.

"Is that so?" Qin Yu narrowed his eyes. His entire body shook, and a terrifying internal Qi burst out. The large hand that covered his body was directly shattered!

Ma Hai's expression turned cold. He snorted coldly and said, "So what if you can escape? You Can't touch me at all!"

Qin Yu swept his gaze around. He pointed at the light in a radius of dozens of meters and said, "Your speed is so fast because of the light under your feet, right?"

Ma Hai's pupils constricted, and he secretly thought that something was wrong.

But he quickly calmed down and sneered, "So what if it is?"

"This should be a space spell," Qin Yu continued.

Ma Hai frowned slightly. Obviously, Qin Yu was right again.

"It seems that the same principle should apply to my heavy falling space." Qin Yu sneered again and again, and then burst into laughter.

“What are you laughing at!”Ma Hai was furious!

This laughter made him feel extremely uneasy!

Qin Yu sneered and said, “Ma Hai, you’re right. Fighting doesn’t depend entirely on one’s realm, it also depends on one’s brain.”

As he spoke, Qin Yu’s feet shook slightly. In an instant, rays of light began to gather under Qin Yu’s feet!

This was the light from the heavy falling space! All along, the heavy drop space that Qin Yu could cast only had a radius of one meter!

But after seeing Ma Hai’s spell today, Qin Yu suddenly reacted!

This heavy drop space might be able to expand the range!

“Ah! !”

Qin Yu roared angrily, and the power of a Marquis completely erupted!

And the light under his feet was also rapidly spreading in all directions!

In a short moment, the heavy falling space directly covered the light under Ma Hai’s feet!

Not only that, the heavy falling space was also spreading in all directions!

Very quickly, the heavy falling space directly covered an area of one kilometer!

“F * ck, why do I feel like I Can’t move anymore?”The handlebar mustache at the side muttered.

And Ma Hai also discovered to his horror that his speed had decreased!

“How... how could this be!” Ma Hai’s expression was somewhat ugly!

Qin Yu sneered and said, “Ma Hai, if it wasn’t for you, I might never have thought that the area of the heavy fall could be so large...”

“In order to repay you, I can let you die a quick death.”

Before he finished his sentence, Qin Yu directly used the shrinking earth into an inch and charged towards Ma Hai!

Ma Hai knew that things were not going well. He tried the same trick again, trying to increase the distance between them.

However, to his horror, he realized that his speed was far from the previous one!

“It’s over!”

Ma Hai’s heart was filled with terror!

Before he could think of a countermeasure, Qin Yu had already arrived by his side.

The Golden Palm cut through the sky and slapped onto Ma Hai’s body with a “PA” sound!

The strength of this palm was so great that it directly shattered half of Ma Hai’s body!

“AH...” a trace of pain wailed from Ma Hai’s mouth!

However, Qin Yu did not give him the chance to do so and sent another palm strike at him!

“Boom!”

That piece of ground directly sank, and Ma Hai's body was almost smashed into meat paste!

“Ah! ! !”Ma Hai was extremely furious. He took out his teapot and offered it to Qin Yu!

Qin Yu did not even bother to look at it. He directly smashed the teapot with one punch and then kicked Ma Hai's chest in the air!

“PFFT!”

This kick directly smashed Ma Hai's chest!

Qin Yu picked up his body with one hand and bent it from left and right.

With each slap, Ma Hai's face would change shape once.

After more than ten slaps, Ma Hai's head was directly smashed into pieces.

His internal Qi was also rapidly weakening, and in the blink of an eye, he had become a corpse.

Qin Yu coldly looked at Ma Hai in front of him. He stretched out his palm and took out Ma Hai's golden core. Without thinking, he directly swallowed it into his stomach.

“It's too brutal,”the handlebar mustache not far away muttered.

Qin Yu did not pay attention to it. He walked to Yao Qing and Peach's side and helped them up.

"How is it?" Qin Yu asked.

Yao Qing said with a bit of pain, "Mr. Qin, My Dantian is damaged. I... I'm afraid I'm going to be a cripple..."

Hearing this, Qin Yu's face immediately turned ugly!

"This Ma Hai..." Qin Yu gritted his teeth.

If he had known earlier, he wouldn't have killed Ma Hai so easily!

Qin Yu took a deep breath and said, "Don't worry. I'll definitely think of a way."

Peach's situation was not good either. She was as beautiful as a flower, but her face was disfigured. For a girl, this was undoubtedly painful.

"I will send you to the Divine Alchemist Pavilion Tomorrow. No matter what, I will think of a way for you," Qin Yu said in a deep voice.

Then, Qin Yu looked at the handlebar mustache and said, "Why are you here?"

The handlebar mustache muttered, "Didn't you ask me how to save that girl? I finally figured out a way."

"Fang Yue?" Qin Yu raised his eyebrows.

Then, he hurriedly asked, "What Way?"

The handlebar mustache opened his mouth. Just as he was about to speak, a text message came from Qin Yu's phone.

Qin Yu frowned slightly and took out his phone.

In the text message, there was a video.

Seeing this video, Qin Yu's face instantly turned pale! Even his body began to tremble slightly!

In the video, Yan Ruoxue was locked in a prison.

Her face was deathly pale. Tubes that were like chains were placed on each of Yan Ruoxue's acupuncture points!

And the fresh blood in her body was flowing out through the tubes!

Chapter 571: Chapter 571, breaking into the Jingdu Martial Arts Association!

Qin Yu stared fixedly at this video. His entire body was trembling violently!

A terrifying killing intent directly erupted!

This killing intent was at an unprecedented peak. It directly sent the handlebar mustache and the others flying!

"Ruoxue..." Qin Yu shivered. His eyes were scarlet. His entire person looked like a beast that had lost its human heart!

"Fellow Daoist, you're too scary." The Mustache Man hurriedly jumped to the side, afraid that he would be affected.

Qin Yu took out his phone and immediately called the person who sent the message.

The call was quickly picked up, and a somewhat familiar man's voice came from the other end.

“Who are you? How did you get this video? Also, where is Ruoxue Now!” Qin Yu questioned in a voice that was almost hoarse.

A cautious voice came from the other end.

He said on the phone, “Qin Yu, I Am Yan Yongxiu.”

“Yan Yongxiu...” Qin Yu whispered.

He didn't expect that the person on the phone was Yan Ruoxue's father.

Qin Yu couldn't help but be angry at the bottom of his heart. he shouted angrily, “Yan Yongxiu! You Coward! Don't you feel anything when you see Ruoxue suffer? ! Do you want to Be Yan Sihai's dog forever? !”

Yan Yongxiu did not get angry at Qin Yu's abuse.

He said in a deep voice, “Qin Yu, I'm also helpless.”

“All along, Yan Sihai's influence has been extremely strong. Moreover, he has been planning to become the Yan family for a long time.”

“Now, I have long been vacant. Although I'm said to be one of the four leaders of the Yan family, I'm actually just a puppet. The power that I can use is almost zero.”

Qin Yu did not speak, waiting for Yan Yongxiu to continue.

Yan Yongxiu continued, “Ever since Yan Sihai became the Yan family, he no longer cares about Ruoxue’s life or death.”

“This time, Ruoxue was taken away by the Jingdu Martial Arts Association. Yan Sihai did not pay any attention to it. In the entire Yan family, no one knows what happened to Ruoxue and what kind of situation she is facing.”

“I’ve already used almost all my connections to get this video.”

Yan Yongxiu’s tone was somewhat sorrowful and painful, and even slightly trembling.

“Qin Yu, I take back my prejudice against you,” Yan Yongxiu said in a trembling voice.

“I only have Ruoxue as my only daughter. Right now, the only person I can count on is You...”

“Qin Yu, no matter what, you have to save Ruoxue. I beg you...”

Yan Yongxiu finally could not hold it in any longer and started sobbing softly over the phone.

Qin Yu’s expression was ice-cold and he could not contain his anger.

He took a deep breath and said, “There’s no need for you to say it. No matter what, I will save Ruoxue.”

After saying this, Qin Yu directly hung up the phone.

He took a deep breath, but the anger in his heart was still hard to restrain.

“Handlebeard, take the two of them to the Divine Alchemist Pavilion.” Qin Yu took out his elder token and handed it to handlebeard.

After handlebeard took the token, his eyes couldn't help but light up. He said with an embarrassed smile, “Fellow Daoist, this is the Divine Alchemist Pavilion's elder token. Aren't you afraid that I will take the token and run away? Or do something bad?”

Qin Yu looked at him coldly and said, “Then I'll definitely kill you.”

The mustached man shivered and rolled his eyes. “I'm just joking. Don't be so excited.”

“By the way, where are you going? I still have something to tell you,” the mustached man said mysteriously.

Having said that, he moved closer and said secretly, “This is a huge matter! Even the Jingdu Martial Arts Association doesn't know about it!”

Qin Yu said coldly, “I want to go to the martial arts association. Nothing is more important than saving Ruoxue.”

“Ruoxue?” The mustached man touched his chin.

It was obvious that he had heard of Yan Ruoxue's name.

“Since ancient times, heroes can not overcome beauties,” the mustached man muttered.

Qin Yu was not in the mood to listen to his nonsense. Whenever he thought of the scene in the video, Qin Yu's heart felt like it was being twisted by a knife.

“Jingdu Martial Arts Association...”Qin Yu clenched his teeth tightly.

At this moment, his hatred had reached its peak!

Not only to Jingdu martial arts association, but also to the Yan family!

“I will definitely let you die, Let You Die!”Qin Yu almost gritted his teeth!

That night, he went straight to the airport and headed straight to Jingdu.

As the most authoritative organization in the martial arts world, almost no one dared to challenge the Jingdu Martial Arts Association.

At least in the martial arts world, no one would choose to offend the Jingdu Martial Arts Association.

But no one expected that a young man was going to the Jingdu Martial Arts Association alone.

Early in the morning.

It was quiet in front of the Jingdu Martial Arts Association.

But in this quiet, there was a bit of strictness.

“Okay, it’s time to change shifts.”Two people walked out of the Jingdu Martial Arts Association.

The other two yawned and said, “I’ve been sleepy for a long time. I’ll leave it to you guys.”

Looking closely, these few people in charge of guarding the door were actually peak grandmasters!

This was enough to prove the strength of the Jingdu Martial Arts Association

It was said to be guarding the door, but in reality, it was just standing guard. This was because in all these years, no one had ever forcefully barged into the Jingdu Martial Arts Association.

However, at this moment, a figure walked straight towards the door.

His entire body was overflowing with killing intent. Even from a few Li away, he could feel an intense chill!

Even though he was alone, he gave people a sense of intimidation that was akin to an army of thousands of horses!

“Who are you? Stop!”The two security guards immediately shouted.

Qin Yu’s expression was ice-cold, and he didn’t say a word.

“I said Stop!”The two people were instantly enraged, and they took a step forward together!

“This is the important place of the Jingdu Martial Arts Association. No one is allowed to get close to it!”

“If you don’t want to die, get lost!”

Qin Yu looked at the two of them coldly and said in a cold voice, “Get lost.”

The two of them looked at each other and then sneered, “I think you have lost your mind. Do you know where you are? This is...”

“Bang!”

Before he could finish his words, his head was directly smashed by a punch!

The other security guard's face instantly turned incomparably pale, and his body trembled even more.

“You...”

“Scram.” Qin Yu only spat out one word.

The security guard didn't dare to say anything more, and turned to run.

Qin Yu didn't say anything, and directly walked towards the Jingdu Martial Arts Association.

This was Qin Yu's first time entering the Jingdu Martial Arts Association.. As soon as he stepped in, he felt a strong sense of oppression.

Chapter 572: Chapter 572, one against six!

The structure of the entire Jingdu martial arts association was extremely complex. It was very different from the Gao Tang Ming Jing that he had imagined. On the contrary, it was dark.

The first thing that came into view was a long corridor, followed by a large hall.

There were several rooms on both sides, and each room was marked with a position.

The Jingdu Martial Arts Association, which had always been peaceful, had an uninvited guest today.

Qin Yu released his internal Qi in an attempt to find Yan Ruoxue's figure.

However, just as he released his internal Qi, his expression became somewhat unsightly.

In the depths of the Jingdu martial arts association, waves of intense auras were pressing over!

These auras were extremely chaotic. There were at least several hundred of them!

Among them were peak martial grandmasters, half-step martial marquises, martial marquises, and even more powerful experts!

With such a chaotic internal Qi, it was impossible for Qin Yu to find an ordinary person like Yan Ruoxue!

“Hualala!”

At this moment, several figures instantly appeared in front of them!

These people wore white robes, and their internal Qi surged, making them extremely powerful!

Their white robes even indicated their identities!

“Who dares to forcefully barge into the Jingdu Martial Arts Association?” A voice came from deep within.

Then, a figure slowly walked over.

The moment this person appeared, everyone hurriedly made way for him and shouted in unison, “President Xia.”

The person who came was none other than Xia Hang!

He strode in front of everyone. Just as he was about to speak, his expression changed slightly.

“Qin Yu?” Xia Hang frowned and then sneered, “Are you crazy? Coming to the Jingdu Martial Arts Association to kill people? Do you really think you are invincible?”

The moment he saw Xia Hang, the murderous aura on Qin Yu’s body could not be held back!

The murderous aura on his body exploded, and the temperature of the entire room suddenly dropped!

Feeling this strong murderous intent, everyone could not help but shiver.

Even Xia Hang’s expression changed!

“Xia Hang... Your Jingdu martial arts association actually dared to imprison Yan Ruoxue...” Qin Yu’s entire body was trembling with anger, and his eyes were bloodshot. The terrifying aura made people not dare to take even half a step forward!

Hearing these words, Xia Hang’s expression instantly changed drastically!

He shouted loudly, “What nonsense are you spouting! who dares to imprison the Yan family and beat up the Miss!”

“F * ck your farts!” Qin Yu roared angrily. This terrifying penetrating force instantly shook the JINGDU martial arts association to the point of buzzing!

The half-step martial marquis and Martial Grandmaster present were directly shaken until they vomited blood!

Even Xia hang felt a strong sense of oppression!

“Qin Yu, who are you listening to nonsense!”Xia hang suppressed the shock in his heart and tried his best to remain calm.

“I’m not in the mood to listen to your nonsense.”Qin Yu walked towards Xia hang step by step.

“If you don’t hand over the people today, I’ll kill all of You!”

Xia hang subconsciously took two steps back and then said angrily, “Qin Yu! Open your eyes and see where this is! This is the JINGDU martial arts association, it’s not something you can act Rashly!”

“F * ck you!”Qin Yu was furious. Golden Light burst out from his hand, and he suddenly threw a punch at Xia Hang!

The terrifying fist force directly sent everyone flying, and the Jingdu martial arts association was even making a loud noise!

This punch could be said to be as easy as crushing dead wood. It was so terrifying that it almost shattered the void!

Faced with this punch, Xia Hang’s expression changed drastically!

Even though he had also stepped into the Martial Marquis realm today, he could not even muster the slightest bit of fighting spirit when facing Qin Yu in front of him!

Seeing this punch approaching, Xia Hang’s expression became even uglier!

“Weng!”

Right at this moment, a large hand suddenly stretched out from the darkness!

This large hand carried rolling inner strength as it collided with Qin Yu’s fist!

“Boom!”

A huge boom instantly exploded. The terrifying qi force directly forced everyone back!

Qin Yu’s expression turned cold as he coldly looked towards the depths of the Jingdu Martial Arts Association.

“Young people nowadays really don’t know how to respect.” A voice came from the depths.

“That’s right. A mere martial marquis dares to come to the Jingdu Martial Arts Association to find trouble?” Another voice came out.

“TSK TSK, how many years has it been since someone dared to be so arrogant.”

Qin Yu said coldly, “Who are you? Get out here and don’t be a coward!”

Before he finished his sentence, six figures walked out from the dark!

These six people were also wearing white robes, but there was no word on their white robes.

At a glance, these six people were all in the Martial Marquis Realm!

“President Xia, who is this guy? How dare he come to Jingdu Martial Arts Association to cause trouble?” Someone said indifferently.

Xia hang glanced at him and said coldly, “He is Qin Yu. I order you to arrest him immediately!”

The six of them smiled and said, “President Xia, don’t worry. You Don’t have to say it. We won’t let him go either.”

As they spoke, the internal Qi of the six martial marquises slowly spread out.

These six people were not ordinary martial marquises. Each of their strength was above a third-grade martial marquis!

And Qin Yu was only a first-grade martial marquis. Naturally, they would not put Qin Yu in their eyes.

“Kid, do you want to obediently follow us into the prison, or do you want us to cripple you and throw you in?” One of them said with a faint smile.

Qin Yu coldly glanced at the six of them and immediately took a step forward. Golden Light instantly erupted!

“It’s just six martial marquises. Come, I, Qin Yu, have nothing to fear!” Qin Yu’s hair danced wildly in the wind as he looked down at the world with disdain!

“HMPH, you don’t know whether you are dead or alive.” One of them snorted coldly. His figure suddenly disappeared before he threw a punch at Qin Yu!

“Ah! !”

Qin Yu let out an angry roar. His golden fist contained a power that seemed to be able to shatter the heavens and earth, and it smashed down with a bang!

“Boom!”

Everyone saw golden light rise in all directions, and killing intent pervaded the air!

And in the next second, everyone saw a figure being directly sent flying!

His entire body was covered in blood, and his flesh was shattered. His fist was directly smashed into powder!

On the other hand, Qin Yu's internal Qi was surging, his fighting spirit was overflowing, and his invincible posture was fully displayed!

Seeing this scene, everyone's facial expression couldn't help but slightly change.

In the bottom of Xia Hang's heart, a storm was stirred up!

Qin Yu's strength was shockingly beyond his imagination!

He had just entered the Martial Marquis realm, but he already had such terrifying fighting strength, his future strength was unimaginable!

The things he was most afraid of were being shown one by one!

Qin Yu roared angrily, “Come, whoever dares to stop me today, I will kill them!”

With a loud roar, he swallowed the mountains and rivers, and he was the supreme ruler!

The faces of the six people from the Jingdu Martial Arts Association finally revealed a trace of solemnity.

“No wonder he dared to forcefully barge into the JINGDU martial arts association. He has some ability,” one of them said coldly.

“Third brother, are you alright?” They helped up a martial marquis who was sent flying by Qin Yu.

“I’m... I’m fine.” Third brother wiped the blood stains and shook his head with difficulty.

“Xia Hang, what’s the background of this person? How can a first grade martial marquis have such combat strength?” Third Brother looked at Xia Hang.

Xia hang glanced at him and snorted, “Even the higher-ups have noticed him. What do you think?”

“If you can take down this Qin Yu today, the higher-ups will definitely reward you.”

Chapter 573: Chapter 573, the prison of the association

Hearing this, the six of them nodded at the same time.

They looked at Qin Yu with a grave expression and walked over one after another.

Third brother, who had almost collapsed from Qin Yu’s punch earlier, also walked over.

Facing the six martial marquises, Qin Yu did not show the slightest bit of fear. On the contrary, his Qi and blood were burning, and his fighting spirit was overflowing!

“Boom!”

Just as the six of them were deep in thought, Qin Yu took the initiative to attack, and clenched his fist!

Qin Yu raised his hand and used the absolute beginning holy fist. The terrifying golden light had the ability to swallow the sky, and the terrifying qi force made the six of them turn pale with fright!

These six martial marquises did not dare to be negligent, and all of them unleashed their own spells in an attempt to stop Qin Yu!

However, at this moment, Qin Yu was at the peak of his fighting spirit. His fist force was invincible, and the internal Qi contained within it was beyond imagination!

All the spells were directly shattered at this moment. The terrifying golden light pierced through the six people, directly forcing the six of them to retreat several steps!

“What powerful battle strength!” Someone exclaimed.

“This child is not an ordinary marquis. Everyone must immediately join hands and suppress him!”

Xia Hang, who was at the side, shouted even louder, “If he is forced to retreat at the door of his home, the status of the JINGDU martial arts association will be threatened!”

“Of course we know that,” they said coldly.

Then, the eldest of the six shouted first, and a terrifying inner strength condensed on his fist!

In an instant, there was actually a burst of Dragon’s roar on his fist, and a ray of light turned into a divine dragon, illuminating the entire Jingdu Martial Arts Association!

“Die!”

The eldest shouted, and his body suddenly disappeared, and in the next second, he arrived in the sky above Qin Yu!

“You’re courting death!” Qin Yu’s expression turned cold. His incomparably fierce fist directly met the incoming attack!

The current Qin Yu could be said to have gone crazy. He completely gave up on his defense and used all his strength to meet the incoming attack! “...”

Relying on his invincible body, Qin Yu’s moves were wide open and unrestrained. All the Golden Light gathered on his fist!

Just one punch was enough to make everyone feel an intense sense of danger!

“Boom!”

The moment the two fists collided, the Condensed Divine Dragon instantly collapsed!

Accompanied by a series of bone cracking sounds, the boss was directly sent flying!

The terrifying fist force did not stop there. Instead, it rushed over!

“Not good!” The Boss’ face changed greatly. He did not care about the pain in his body and wanted to run away!

When the others saw that the situation was not good, they activated their spells at the same time, trying to stop Qin Yu’s movements!

However, Qin Yu was eager to save them and did not have the mood to tangle with them. Therefore, Qin Yu activated his sacred body technique and directly ignored the spells of the few of them, allowing the terrifying qi force to smash onto his body!

Several spells actually failed to stop Qin Yu even half a step!

He clenched his Golden Fist and pushed forward!

The Boss’ pupils constricted, and his face suddenly changed drastically!

“No... Don’t!” The boss couldn’t help but shout out in fear.

But How Could Qin Yu give him a chance! This terrifying fist force was directly aimed at the boss’ face!

“Boom!”

With one punch, the boss’ head was directly smashed!

A martial marquis died just like that!

No one would have thought that the martial marquis of the Jingdu Martial Arts Association would actually be so vulnerable in front of Qin Yu!

Everyone felt waves of shock, their hearts palpitating with fear!

“Not good, quickly retreat!” They seemed to have realized the terror of Qin Yu. They looked at each other and turned to leave!

“If you want to leave now, it’s Too Late!” Qin Yu shouted. With a burst of his feet, the heavy falling space immediately spread out!

Everyone’s movements were immediately restricted, and their speed decreased by countless times!

The Golden Light on Qin Yu’s body grew even more intense, and this light practically illuminated the entire JINGDU martial arts association!

“What kind of light is this?”

“It seems like someone forcefully broke into the Jingdu Martial Arts Association!”

For a moment, even the prison felt this power!

“Boom!”

A huge palm blotted out the sky and covered the earth. The golden light instantly illuminated so much that people couldn’t open their eyes!

“Bang!”

Those who could not dodge in time were directly smacked to the ground, and many cracks appeared on their bodies!

“Everyone, quickly try to escape!” Xia hang shouted!

“Of course we know. Xia hang, cut the F * cking crap!” Everyone was flustered and exasperated as they cursed!

Who would have thought that Qin Yu’s combat strength would be so astonishing!

Even more so, no one would have thought that Qin Yu was not afraid of the threat of the Jingdu Martial Arts Association at all!

“Buzz!”

At this moment, someone took out a spiritual artifact.

The spiritual artifact carried a trace of peaceful power and spread out in the surroundings.

With the appearance of this spiritual artifact, Qin Yu’s heavy falling space directly exploded!

The few of them got a breath of air and started to run!

“You can actually break my heavy falling space? As expected of the Jingdu Martial Arts Association!” Qin Yu pursued relentlessly from behind!

He immediately used shrinking earth into an inch and chased after them!

Looking at the six escaping people, Qin Yu’s pupils constricted, and he directly rushed towards Xia Hang!

Qin Yu’s goal was not to kill people, but to save people!

Among these people, Qin Yu only knew that Xia Hang was the vice president, so he definitely knew about Yan Ruoxue!

Seeing that Qin Yu's figure was getting closer and closer, Xia hang instantly became angry.

He was on the verge of breaking down as he cursed, "Why the F * ck are you chasing me? There are so many people, why the F * ck are you chasing me!"

However, this did not stop Qin Yu's actions. Very quickly, Qin Yu arrived in front of Xia Hang.

He raised both his hands and directly grabbed Xia hang's neck, lifting him into the air!

"Speak, where is Ruoxue!" Qin Yu shouted angrily.

Xia hang's throat was grabbed by Qin Yu, and he looked like he was in extreme pain.

"You... you let go of me first..." Xia Hang said in pain.

Qin Yu glanced at Xia hang coldly, then released his hand, and Xia hang landed on the ground.

"Kacha!"

Just as Xia hang was about to let out a sigh of relief, a sharp pain came from his calf!

Qin Yu flicked his finger and directly shattered Xia hang's knee!

"Ah! !" The painful wail immediately spread throughout the JINGDU martial arts association!

Cold sweat was dripping down his forehead, and his eyes were filled with hatred!

“Speak, where is Ruoxue?” Qin Yu looked at Xia hang coldly.

Xia hang gritted his teeth and looked at Qin Yu, saying, “You want to see Yan Ruoxue, right? Fine, I’ll bring you there. If you have the guts, come with me!”

“Cut the F * cking crap!” Qin Yu directly slapped Xia Hang’s face.

Xia hang had never suffered such humiliation before. The veins on his forehead bulged, but he did not dare to fart.

“Qin Yu, let me tell you, it’s not so easy to break into the Jingdu Martial Arts Association. You will regret it.” Xia hang climbed up from the ground with difficulty.

He brought Qin Yu and walked deeper into the prison step by step.

A trace of coldness flashed across Xia Hang’s eyes. He could not help but sneer in his heart, “The prison is filled with magical artifacts. If you dare to enter, you will die without a doubt!”

Qin Yu was not stupid. Of course, he knew that the Jingdu martial arts association was not that simple.

But as long as he thought of Yan Ruoxue who was suffering in the prison, Qin Yu’s heart felt like it was being cut by a knife.. He could not care about any danger.

Chapter 574: Chapter 574, lovers meet

Xia hang brought Qin Yu and walked deeper into the corridor.

This corridor was very long. Xia hang's legs left a trail of blood on the road.

Very soon, the two of them arrived at a large door.

This door seemed to be opened using a secret technique. As the vice president, Xia hang naturally had the authority.

He stood at the door, raised his palm, and slowly placed it on the door.

Then, his palm flashed with a ray of light, and in a moment, the door slowly opened.

Qin Yu raised his hand and grabbed Xia hang's palm, saying coldly, "How did you open this door, tell me."

Xia hang said coldly, "Qin Yu, you better not have any ideas about this door."

"Even if you take my palm, it's useless. As long as I die, the secret technique in my hand will immediately disappear."

Qin Yu frowned slightly.

This Idiot Xia hang actually saw through his intentions.

Qin Yu didn't say anything more. He kicked Xia hang, and Xia hang instantly walked into the prison.

As soon as he walked into the prison, Qin Yu felt waves of intense internal Qi surging!

At a glance, in this prison, there were martial grandmasters, half-step martial marquises, and there was no lack of martial marquises!

“See that? Even if it’s a martial marquis, the Jingdu martial arts association can capture him,” Xia hang said with a threatening tone.

Hearing this, Qin Yu immediately slapped Xia hang’s mouth.

“Pa!” The sound instantly spread throughout the entire prison!

Xia hang’s mouth was directly beaten until it was dripping with blood, and he couldn’t even speak.

“You talk too much nonsense,” Qin Yu said coldly.

Xia hang was extremely angry, but there was nothing he could do.

“Well done!” In the prison, there were waves of excited shouts!

“Xia Hang, I didn’t expect you to have such a day, Haha!”

“Warrior, kill him just like that!”

Xia hang was extremely angry and a trace of anger flashed in his eyes!

Then, he saw Xia hang flip his palm and a token appeared in his palm!

Xia hang picked up the token and the light in his palm rolled. In an instant, the prison shone with an extremely majestic light!

“Ah! ! !”

Then, waves of wails came from the entire prison!

Everyone knelt on the ground and could not get up. There was no lack of marquis Wu among them!

Qin Yu's expression changed slightly.

This JINGDU martial arts association was indeed not simple. Just a token was enough to make even marquis Wu unable to withstand it.

Just how deep its foundation was, it was hard to imagine!

Xia hang snorted coldly. He brought Qin Yu along and continued to move forward.

Along the way, countless people were cursing at Xia Hang, but Xia hang no longer had the mood to care about them.

In the bottom of his heart, there was a faint hint of worry.

This prison was an important place of the Jingdu Martial Arts Association, but now an outsider had barged in.

If the higher-ups knew about it, they would definitely be severely punished!

"See that door in front?" At this time, Xia hang pointed at a pitch-black door not far away and said.

"If you have something to say, say it," Qin Yu said coldly.

Xia hang grinned and said, "What's locked up in there is an existence that surpasses the martial marquis."

"An existence that surpasses the martial marquis?" Qin Yu's expression changed slightly.

Could it be that behind that door was a martial saint ?

The Jingdu Martial Arts Association could even lock up a martial saint ? !

“Stop farting. Do you think I would believe it ?”Very quickly, Qin Yu denied his own thoughts.

“Ignorant.”Xia hang snorted coldly.

Qin Yu was somewhat anxious in his heart. He looked at Xia hang coldly and said, “How much longer do we have ?”

“Don’t be anxious. Yan Ruoxue is the eldest miss of the Yan family. Naturally, we have to arrange a different prison for her,”Xia Hang said with a smile that was not a smile.

Qin Yu did not say anything, but the anger in his heart grew.

He could not imagine what kind of suffering Yan Ruoxue, who was born in an aristocratic family since she was a child, would suffer and what kind of torture she would suffer.

Just thinking about it made it difficult for Qin Yu to bear.

“We’re here.”

Finally, the two of them stopped in front of a prison.

This prison was covered by iron gates. At a glance, one could not see what was inside.

“Qin Yu, didn’t you want to see Yan Ruoxue ? Hehe... I hope you won’t regret it,”Xia Hang said cruelly.

“Cut the F * cking crap!”Qin Yu said angrily.

Xia hang didn't say anything more. He raised his palm and placed it on the gate.

The gate slowly opened.

A huge iron cage was reflected in Qin Yu's eyes!

And Yan Ruoxue was locked in this iron cage!

Everything was the same as what was shown in the video message. Yan Ruoxue's body was tied up by a chain-like pipe!

Her body was suspended in mid-air. Her face was pale and her lips had no color at all.

Her delicate body was trembling slightly. Anyone who saw it would find it hard to bear.

“Ruoxue!”Qin Yu opened his eyes wide and immediately shouted!

Yan Ruoxue opened her eyes slightly.

The moment she saw Qin Yu, her eyes lit up and a smile appeared on her face with great difficulty.

“Qin Yu, you... Why are you here...”Yan Ruoxue said weakly.

“Ruoxue, I... You...”Qin Yu opened his mouth and felt extreme pain in his heart.

A trace of tears immediately flowed out of his eyes. It was unknown whether it was because of anger or pain, but Qin Yu's entire body trembled like a sieve!

"Don't Cry... a man shouldn't shed tears when he bleeds..." Yan Ruoxue said weakly.

This sentence even broke Qin Yu's psychological defense line.

His tears were like a river that burst through a dam, continuously flowing out.

Yan Ruoxue subconsciously wanted to Pat Qin Yu's head, but when she raised her hand, she realized that her arm had already been tied up.

"Ruoxue, I... I'll Save You Right Now!" Qin Yu said in a panic.

His hand was surrounded by light, and all of his energy was adjusted to the maximum at this moment!

"Boom!"

Qin Yu suddenly threw a punch at the iron cage!

"Clang!"

The huge boom almost broke the eardrums, but the iron cage didn't move at all...

"How could this be..." Qin Yu's face became more and more flustered.

He turned around and roared, "Xia Hang, open the door quickly!"

However, Xia hang's figure was slowly disappearing.

“Qin Yu, enjoy your intimate time. You Can’t save her, you can’t save anyone...”Xia hang’s gloomy voice came from all directions.

Qin Yu reached out to grab Xia hang, but found that his figure was like an illusion, slowly disappearing.

“Xia Hang, F * ck you!”Qin Yu roared angrily. The veins on his neck bulged, and his eyes were extremely red!

However, Xia Hang had already disappeared, just like that.

“Ruoxue, I... I’ll Save You Right Now!”Qin Yu gritted his teeth. Golden light flashed on his body, and the power of the divine dragon exploded at this moment.

“Ruoxue, don’t worry. I... I’ll definitely save you!”

Qin Yu roared angrily. He used all the strength in his body to smash the iron cage once again!

Chapter 575: Chapter 575, the Furious Qin Yu!

Qin Yu’s fist was incomparably fierce. This was practically all of his strength!

“Clang!”

The sound of this punch instantly became louder!

But the iron cage still didn’t move at all. It wasn’t affected at all!

“How... how could this be...”Qin Yu’s expression was incomparably flustered.

He wasn't resigned to it and once again clenched his fist and smashed it.

One punch, two punches, three punches!

“Clang Clang Clang Clang Clang” sounds continued to be heard and spread throughout the entire prison.

However, this iron cage was not affected at all!

Qin Yu hurriedly took out his bronze sword. He bit his finger and dropped a drop of blood essence onto it.

Then, Qin Yu held the bronze sword in his hand and ruthlessly hacked down!

“Clang!”

Another loud sound rang out. Not even a single line was left on the iron cage!

Qin Yu used all of his trump cards and did his best. All kinds of spells appeared one after another, but they were unable to shake the cage in the slightest!

“How could this be...” Qin Yu's face was filled with despair!

Seeing his beloved suffer, he was helpless. This kind of pain was indescribable!

He knelt on the ground with both knees, and tears could not help but flow out.

“Jingdu Martial Arts Association... You Bunch of bastards!”Qin Yu’s eyes revealed a fierce light, and his hatred reached its peak at this moment!

“It’s useless...”Yan Ruoxue, who was in the prison, said weakly.

She looked at Qin Yu and said with difficulty, “Talk to me...”

“Good, good!”Qin Yu hurriedly stood up from the ground.

He looked at Yan Ruoxue in the prison and said in a trembling voice, “Ruoxue, what exactly is going on? Why did Jingdu Martial Arts Association bring you in? What exactly are they going to do!”

Yan Ruoxue shook her head. She did not answer this question. Instead, she said with some relief, “I really didn’t expect you to come to this step so quickly...”

“Did you know that on the day of the decisive battle between you and Han Wei, you were as mesmerizing as a hero... Qin Yu, I really did not misjudge you...”

Hearing Yan Ruoxue’s words, Qin Yu’s heart felt like it was being twisted by a knife. He was in great pain.

“I must save you!”Qin Yu gritted his teeth. His fingers flickered with golden light as he shot towards the chains on Yan Ruoxue’s body!

“Clang!”

However, this chain-like pipe was not affected either!

“Qin Yu, it’s useless. Don’t waste your energy...”Yan Ruoxue said with difficulty.

“Qin Yu, how have you been during this period of time?”

Qin Yu hurriedly said, “Fine, I’m Fine! I’m now a Marquis. No one can kill me!”

“I killed Gu Canghai, flattened the saint Confucian school, and established the Jade Moon Villa...”

“Next, I want to force Yan Sihai to abdicate. I also want to crush the Jingdu Martial Arts Association!”

Yan ruoxue smiled gently and said, “Qin Yu, no matter what, you have to protect yourself...”

Qin Yu opened his mouth and was about to speak when a ray of light suddenly flashed in the prison.

This ray of light was extremely bright and carried an extremely strong force!

“Qin Yu, hurry up and leave, or else... you won’t be able to leave...”Yan Ruoxue forced herself to speak.

Qin Yu shook his head and said, “I don’t want to leave, I don’t want to leave...”

“Boom!”

At this moment, the light poured down on Qin Yu and ruthlessly smashed onto Qin Yu’s back!

The force was extremely strong, directly hitting Qin Yu’s body until it was dripping with blood, and he directly fell to the ground!

“Hurry up and leave...”Yan Ruoxue’s eyes revealed a trace of unspeakable heartache.

Qin Yu struggled to stand up from the ground. He wiped the blood at the corner of his mouth, shook his head and said, “I don’t want to leave... I want to save you...”

“It’s useless, hurry up and leave...”Yan Ruoxue’s tone was a little anxious.

But seeing his beloved being locked in prison, who would be willing to leave?

Moreover, to Qin Yu, everything he did was for Yan Ruoxue!

“Boom!”

That Ray of light spread out again. This time, it was even more powerful, directly knocking Qin Yu to the ground.

His body was riddled with wounds, and his internal organs seemed to have received an impact.

Even though Qin Yu’s physical body was indestructible, this ray of light was an unknown magical artifact, directly shattering Qin Yu’s defense.

Qin Yu climbed up from the ground again. He opened his mouth, and just as he was about to speak, that Ray of light shot out again!

“Go to hell!”Qin Yu roared angrily, and clenched his fist to meet it!

“Boom!”

The two fists collided, creating a huge explosion!

However, the force was too great. Qin Yu's body immediately smashed into the iron cage!

"Hurry up, hurry up..." Yan Ruoxue became more and more anxious.

"Rumble..."

At this moment, a series of explosions came from afar. The Iron Gate of the prison seemed to be slowly closing!

"Qin Yu, leave quickly!" Yan Ruoxue seemed to have used up all her strength.

"You are the only one I have now. You can not die, and you can not be locked in..."

"Qin Yu, as long as you are still outside, I have the hope of being rescued. If you are also kept here, then I have no hope at all..."

Hearing Yan Ruoxue's words, Qin Yu's expression became even uglier.

Yan Ruoxue was right. If he was locked up here, then there was no hope at all!

The door was still slowly closing, and the gap was getting smaller and smaller!

"Hurry up and leave..." Yan Ruoxue's voice had some pleading in it.

Qin Yu glanced at the iron door, then at Yan Ruoxue.

He gritted his teeth and said, "Ruoxue, I will rescue you very soon. Wait for me!"

After saying that, Qin Yu immediately used shrinking earth into an inch and rushed towards the door!

The gap in the door became smaller and smaller. It looked like there was only room for one person left!

Qin Yu used all the strength in his body. Shrinking Earth into an inch was used to the maximum!

“Boom!”

Finally, Qin Yu tightly brushed against the door of the prison and escaped.

The door closed with a sound.

In the prison, Yan Ruoxue finally heaved a sigh of relief. A relieved smile appeared on her face.

Qin Yu stood there, not leaving for a long time.

His eyes were fixed on the door, and his fists unconsciously clenched.

“Jingdu martial arts association... I must kill all of you!” Qin Yu gnashed his teeth.

“I will repay Ruoxue’s pain a thousand times or a hundred times over!”

Although Qin Yu was unwilling, this was not the place to stay for long.

He had to leave this place and think of a way to save Yan Ruoxue!

A golden light flashed, and Qin Yu escaped from the Jingdu Martial Arts Association at an extremely fast speed.

Not long after he left, the Jingdu Martial Arts Association's reinforcements arrived at the scene.

Not only that, Xia hang even informed the Jingdu martial arts association's higher-ups!

"He actually escaped," a tall man said coldly.

This person's name was Yan Guiyi, and he was a martial marquis of the sixth rank! He held an important position in the Jingdu Martial Arts Association!

Most importantly, he had several top-tier magical artifacts on him!

Chapter 576: Chapter 576: If You Want to kill me, here I Come!

Although they were both martial marquises, there was a huge gap between a sixth-grade martial marquis and a first-grade martial marquis.

A sixth-grade martial Marquis was also known as the intermediate stage of the Martial Marquis Realm. There was a world of difference between a sixth-grade martial marquis and a newly advanced martial marquis.

For the Jingdu martial arts association, they rarely sent out intermediate stage martial marquises.

Even when Qin Yu and Han Wei fought, there were only three first-grade martial marquises.

Now that Yan Guiyi had arrived, it was enough to witness how furious the Jingdu Martial Arts Association was.

“Reckless Brat.” Yan Guiyi looked at the mess and couldn’t help but say coldly.

“How many years has it been since someone dared to come to the Jingdu Martial Arts Association and Provoke Them?”

As he spoke, Yan Guiyi’s body slightly emitted traces of killing intent.

Just a trace of killing intent was enough to make everyone tremble in fear!

“Mr. Yan, the higher-ups are already in a meeting. It’s better to wait for them to make a decision,” the person beside him said.

Yan Guiyi coldly snorted. He did not say anything and turned around to leave.

...

The association’s higher-ups’ meeting.

Those few higher-ups were still hidden in the darkness. It was not much different from the previous meetings.

However, the atmosphere of today’s meeting seemed to be a little strange.

Xia hang was seriously injured, but he still sat there obediently, as if he was waiting for the judgment of the higher-ups.

“We can’t let him continue to grow,” someone said coldly.

“While everything is still under control, we must eliminate him immediately.”

“The martial arts world doesn’t allow such a person to exist!”

Hearing the words of the higher-ups, Xia hang finally heaved a sigh of relief.

He stood up and said, “Higher-ups, I suggest that we directly mobilize the top-notch combat strength of the martial arts association. We can not let Qin Yu have the slightest chance of escaping.”

The many higher-ups said coldly, “Xia Hang, you go and make the arrangements. As long as we find Qin Yu, we will immediately kill him!”

“Yes.” Xia hang was faintly a little excited.

Today, Qin Yu’s performance had already exceeded Xia Hang’s imagination.

Qin Yu had only just entered the rank of Marquis Wu, but he had already displayed his prowess. No one dared to imagine what kind of disaster he would bring in the future.

Qin Yu’s heart was filled with grief and indignation, and he was in unbearable pain.

However, reason told him that the current Jingdu was a land of chaos. If he didn’t leave, it was very likely that he would attract a fatal disaster.

Qin Yu stood on a piece of empty land for a long time without moving.

His expression was extremely cold, and anger filled his chest.

As long as he closed his eyes, the scene of Yan Ruoxue in prison would appear in his mind.

“Yan family... Yan family!”Qin Yu was in extreme pain.

He couldn't understand why the Yan family would allow the Jingdu martial arts association to treat Yan Ruoxue Like This!

As Yan Ruoxue's uncle, why would Yan Sihai be so ruthless!

A strong killing intent flashed through his eyes!

This killing intent was not only directed at the Jingdu Martial Arts Association, but also at the Yan family!

Qin Yu took a deep breath and tried his best to remain calm.

Breaking into the Jingdu Martial Arts Association this time gave Qin Yu a general understanding of the strength of the Jingdu Martial Arts Association.

Even Marquis Wu and the others could be imprisoned. The strength of the Jingdu martial arts association was absolutely beyond imagination!

Not only that, the divine artifact hanging in the depths of the prison could easily break through Qin Yu's defense!

No one knew what kind of magical artifact it was.

On the other side, the major families of Jingdu all received this news at the same time.

Yan family's meeting.

The four brothers gathered together.

Yan Sihai smoked his cigar and said indifferently, “That Qin Yu is really bold. He actually barged into the Jingdu Martial Arts Association.”

Hearing this, an unnatural look flashed across Yan Yongxiu’s face.

Yan Sihai glanced at him and said, “I heard that Qin Yu went for Ruoxue. Yongxiu, this Qin Yu seems to care more about your daughter than you do.”

Yan Yongxiu’s face turned cold, and a trace of anger flashed across his heart.

He took a deep breath and said, “All of this was arranged by Big Brother. I believe there won’t be any problems.”

“Hahahaha!” Yan Sihai couldn’t help but burst into laughter.

“Yongxiu, you’re right. Although Ruoxue is disobedient, she is still a member of our Yan family. That represents the face of our Yan family.”

“No matter how powerful the Jingdu Martial Arts Association is, he wouldn’t dare to lay a finger on our Yan family, right?”

Anger had long risen in Yan Yongxiu’s heart, but he still maintained a calm expression.

“Big Brother, let’s find an opportunity to bring Ruoxue out.” Yan Yongxiu hesitated for a long time before finally saying.

Yan Sihai took a puff of his cigar and said indifferently, “Don’t worry. I’ll go and ask for her. As for whether they will give face, it’s hard to say.”

Speaking up to this point, Yan Sihai glanced at everyone and said with a faint smile, “What do you all think of Qin Yu?”

“Big Brother, I suggest that we get rid of Qin Yu as soon as possible,” Yan Shanhe suggested.

“Also, I heard that the Jingdu Martial Arts Association sent out six martial marquises, but they were unable to stop Qin Yu. One of them was even killed.”

At this time, Yan Yongxiu suddenly stood up and said, “Big Brother, now that Qin Yu has such achievements, have you ever considered betrothing ruoxue to him?”

“In this way, not only can the Yan family obtain an outstanding Marquis Wu, the Yan family’s crisis will also be resolved!”

However, these words angered Yan Sihai.

He slammed the table and stood up, saying coldly, “The Yan family’s Crisis? Our Yan family has a crisis? Just a mere Qin Yu can bring a crisis to our Yan family?!”

Yan Yongxiu frowned and said, “Big Brother, that’s not what I meant.”

Yan Sihai snorted coldly and said, “Betroth Ruoxue to him? Yan Yongxiu, is your brain filled with dog shit?”

“If we betroth Yan Ruoxue to Qin Yu, wouldn’t that be telling the world that our Yan family has lowered its head?”

“If we lower our head to a country bumpkin, where will our Yan family’s face go?!”

A few words made Yan Yongxiu speechless.

To the aristocratic families, reputation seemed to be more important than anything else.

“It’s just a mere Qin Yu. I’ll immediately send people to kill him.”Yan Sihai said with a cold snort.

“If a martial marquis can’t kill him, I’ll hire ten! If ten can’t kill him, I’ll hire a martial saint! My Yan family can crush him to death with our money!”

Yan sihai indeed had such confidence. After all, they had wealth that could rival a country, as well as connections and resources.

“I’ll head to the Jingdu martial arts association later and find someone to kill this Qin Yu!”Yan Sihai said coldly.

“At the same time, I’ll issue a bounty. As long as you kill Qin Yu, I’ll give him ten billion! is that enough! ?”

Looking at the furious Yan Sihai, no one dared to say anything.

“No need to trouble yourself. If you want to kill me, I’m here.”

However, at this moment, a sudden voice suddenly sounded!

Turning around, he saw a young man striding in from outside the door.

His expression was extremely cold and his entire body was filled with killing intent!

Chapter 577: Chapter 577, Qin Yu VS Yan Jinyao

“Qin Yu!”

The moment they saw the young man, everyone in the room stood up!

Yan Sihai’s expression was even colder. He sized up Qin Yu and snorted coldly, “How dare you come to My Yan family? Are you tired of living?”

Qin Yu walked straight to Yan Sihai. He looked down at Yan Sihai and said, “Go to the Jingdu Martial Arts Association and save Yan Ruoxue, right now.”

Hearing Qin Yu’s words, Yan Sihai could not help but want to laugh.

He snorted coldly and said, “Qin Yu, are you crazy? Are you ordering me?”

“You can think of it this way.” Qin Yu’s killing intent was not concealed at all.

Yan Sihai narrowed his eyes and said, “What if I don’t?”

“Then I will kill you.” With that said, Qin Yu raised his hand and slapped at Yan Sihai!

As a peak martial grandmaster, Yan Sihai naturally wouldn’t just sit around and wait for his death!

Yan Sihai clenched his fists and charged forward!

“Boom!”

At the instant of the collision, Yan Sihai’s body was sent flying and crashed into the wall!

A mouthful of fresh blood spewed out from his mouth!

Seeing this scene, everyone sucked in a breath of cold air!

They did not expect that Qin Yu would actually dare to make a move!

“Qin Yu, I think you are courting death!” Yan Sihai was instantly enraged!

Qin Yu took a step forward and kicked Yan Sihai’s chest with hatred!

This kick caused Yan Sihai, who was just about to get up, to fall to the ground again!

Qin Yu’s foot stepped on Yan Sihai’s chest and said coldly, “So what if you are rich? We only have one life.”

“I want to kill you now, but your wealth can’t help you with a flip of my hand.”

Yan Sihai had never suffered such humiliation. He struggled with all his might, but he found that he couldn’t break free at all!

“Qin Yu, don’t Be Rash!” Yan Yongxiu said hurriedly.

Qin Yu ignored him. He looked at Yan Sihai coldly and said word by word, “Call them and ask them to release him.”

Yan Sihai sneered, “Don’t even think about it! Qin Yu, you have no idea what you’re doing! Kill me, and I guarantee that you won’t live past Tomorrow!”

“Then let’s die together!” Qin Yu suddenly increased the strength of his feet!

Yan Sihai felt as if his chest was being pressed down by a huge mountain. He was in great pain!

“Release her!” Qin Yu shouted angrily.

Yan Sihai was unmoved. He sneered and said, “If you have the ability, then kill me. Kill me. Yan Ruoxue will never come out!”

“You are courting death!” Qin Yu’s body immediately flashed with light. His heart was filled with killing intent!

“Qin Yu, Stop!” Yan Yongxiu shouted anxiously from the side.

However, Qin Yu could not care about that anymore. As long as he remembered the scene in the prison, Qin Yu’s blood would surge to the top of his head!

At this moment, a ray of light suddenly shot over from behind!

Qin Yu frowned slightly. He hurriedly turned around and met it with a punch!

“Boom!”

The entire room immediately erupted with a terrifying wave of air!

The four brothers of the Yan family were directly sent flying!

Qin Yu coldly looked at the person who had arrived at the door. A trace of battle intent appeared in his eyes!

“Yan Jinyao!” Qin Yu roared, and a burst of intense internal Qi immediately erupted from his body!

Yan Jinyao was not willing to be outdone. His body also possessed the might to look down on the world!

The collision of the two air currents instantly caused the entire room to buzz!

“Everyone says that you, Yan Jinyao, are the number one genius in Jingdu. I would like to see it today,”Qin Yu said coldly.

Yan Jinyao’s expression was calm as he said indifferently, “I also want to personally kill you, the murderer who killed my grandfather.”

“Go to hell!”

Qin Yu was furious, and the absolute beginning Holy Fist immediately erupted!

Yan Jinyao snorted coldly. He didn’t panic at all, and his hands quickly slid through the air. Then, a holy light seal was formed in front of him!

“Boom!”

A fist smashed down, and the light seal was directly shattered!

But Qin Yu’s body also took a few steps back!

The first time they exchanged blows, neither side seemed to gain any advantage.

“Jingdu’s number one genius really lives up to its reputation,”Qin Yu said coldly.

But Yan Jinyao said coldly, “I’m Not Jingdu’s number one genius. There are many people in Jingdu who are stronger than me.”

Qin Yu frowned. Yan Jinyao's strength was far beyond Qin Yu's imagination. Compared to Han Wei, he was much stronger.

If he wanted to take Yan Jinyao down in a short period of time, it would not be so easy.

Qin Yu took a deep breath. His reason told him that he could not continue to be entangled here.

Otherwise, once the Yan family's reinforcements arrived, there would be nowhere to run.

"Yan Sihai, remember this. I will pay you back twice the amount of damage that Yan Ruoxue has suffered," Qin Yu said coldly.

After saying this, Qin Yu immediately shrunk the ground into an inch and turned around to leave!

Yan Jinyao did not chase after him. He stood there quietly with a calm expression.

"Jinyao, why don't you kill him!" Yan Sihai gnashed his teeth and said.

Yan Jinyao glanced at Yan Sihai and said with a faint smile, "Dad, we finally have a decent opponent. It's such a pity to kill him just like that."

Hearing this, the brothers of the Yan family couldn't help but sigh in their hearts.

This father and son pair of Yan Sihai were really the same. They both liked to show off.

"Damn it, damn it!" Yan Sihai was incomparably furious!

This humiliation was simply unbearable for him!

No one could accept being beaten up at home!

At the same time, this also made Yan Sihai realize a problem:

That was, the current Qin Yu already had the ability to get rid of him.

It was time to pay attention to his own safety.

...

Qin Yu didn't continue to stay in Jingdu. That day, he left this troubled land.

He rushed all the way to Chuzhou. Just as he arrived in Chuzhou, Qin Yu's phone rang.

He picked up the phone and saw that the caller was the Pavilion Master of the Divine Medicine Pavilion.

Qin Yu picked up the phone and said, "Lord Pavilion Master."

The pavilion master on the other end said in a deep voice, "You went to the Jingdu Martial Arts Association?"

"EN, if you want to blame me, blame me." Qin Yu did not say much.

The Pavilion Master was silent for a moment, but in the end, he only said, "It's good that you're fine."

Speaking up to this point, the pavilion master continued, "In three days, you'll accompany me to Jingdu."

“Go to Jingdu?” Qin Yu frowned slightly.

The pavilion master hummed in gratitude and said, “To participate in a JINGDU conference. The people participating in the conference are all people who have an extremely important say.”

Qin Yu’s mouth gaped open, momentarily unable to make sense of the pavilion head’s intentions.

“Protect yourself these few days. The Jingdu Martial Arts Association will not let this matter rest.” The Pavilion Head said.

Qin Yu took a deep breath and said: “I understand.”

The next day.

On the forum, there was a small piece of news:

The Jingdu Martial Arts Association had sent Yan Guiyi to capture Qin Yu!

Other than that, there was another piece of news:

The veteran Marquis Ma Hai had been killed by Qin Yu. Three days later, Ma Hai’s master would descend upon the fire country and take revenge!

Chapter 578: Chapter 578, Yan Guiyi’s attack

Bad news came one after another, but everyone seemed to have gotten used to it.

Qin Yu had long become a regular on the martial arts forum. It would be strange if he didn't see it one day.

Qin Yu also saw the news.

Qin Yu didn't know anything about Yan Guiyi or Ma Hai's master.

But he knew in his heart that the people sent by the Jingdu Martial Arts Association were definitely not ordinary people.

Qin Yu put away his phone.

For the next three days, Qin Yu would probably have to hide for a while.

He found a place to stay for the time being.

Then, Qin Yu took out his phone and took out the video.

The content of the video was the one that Yan Yongxiu had sent.

Qin Yu stared at the video, a trace of hesitation and pain flashed across his face.

It was impossible to go to the martial arts association to ask for Yan Ruoxue Now!

But Qin Yu couldn't bear to see Yan Ruoxue suffer!

No one knew when it would end!

So, Qin Yu wanted to release this video!

This way, the Yan family would definitely go to the JINGDU martial arts association to ask for Yan Ruoxue out of respect.

“Ruoxue... I can only do this.”Qin Yu took a deep breath, and a trace of pain flashed across his face.

Of course, he didn't want others to see his beloved suffer, but Qin Yu had no other choice.

Just as Qin Yu took out his phone and was about to play the video, he suddenly felt a few powerful internal Qi rushing toward him!

“Not good.”Qin Yu's expression changed slightly.

The strength of this internal Qi was far beyond his imagination!

“The people from the Jingdu martial arts association are moving so fast.”Qin Yu took a deep breath.

He didn't dare to stay any longer. He immediately stood up and left the hotel.

Not long after Qin Yu left, a man wearing black and gold clothes led several people into the room.

This man was tall and straight, and his internal Qi was cold.

His hands were behind his back, and he looked like an expert.

“We actually let him escape. It seems that this guy is very vigilant,”Yan Guiyi said coldly.

“Mr. Yan, what should we do now ?”The attendant beside him asked.

Yan Guiyi sneered, “No one can escape from my hands.”

With that, he walked to Qin Yu’s bed and tossed and turned as if he was looking for something.

Finally, he picked up a strand of hair from the bed.

This strand of hair came from Qin Yu!

Then, Yan Guiyi’s palm shimmered with light, and strands of internal QI entered Yan Guiyi’s glabella.

“Southeast direction. You haven’t gone far yet. Chase after him,” Yan Guiyi said coldly

“Yes!”

The few of them immediately followed behind Yan Guiyi and sped toward the southeast direction.

...

Qin Yu used shrinking earth to quickly increase the distance between the two of them.

Only when he was sure that no one was chasing after him did Qin Yu let out a sigh of relief.

He took out his phone and flipped through the video again.

“Sorry, Ruoxue.” Qin Yu clicked on the transmission.

In a few short moments, this video was transmitted to all the major platforms!

The title was even more eye-catching: Jingdu Martial Arts Association, harming the Yan family's miss, the Yan family did not care about it.

After posting the video, Qin Yu temporarily sat down and waited for the information to ferment.

After about half an hour, Qin Yu took out his phone, wanting to see the effect.

But at this time, he discovered that all the videos had been blocked!

Qin Yu stood up with a "Bang"!

His expression was somewhat ugly as he said in a low voice, "How could this be..."

Qin Yu tried to continue uploading, but discovered that even his own account had been directly deleted!

This made Qin Yu suddenly find it hard to accept!

"Looks like this path is not going to work." Qin Yu took a deep breath.

He had underestimated the Jingdu martial arts association, and he had even underestimated the Yan family.

Qin Yu gritted his teeth, his face extremely dark.

"If it really doesn't work, I will crash the press conference!" Qin Yu said coldly.

There were countless large scale press conferences held in the Yan country. As long as this video was released at the press conference, even the Yan family would not be able to wipe it clean at that time!

Just as Qin Yu was deep in thought, he once again felt the numerous powerful waves of internal Qi!

“They have caught up to us so quickly?” Qin Yu’s brows were tightly knitted together.

He did not dare to waste any more time. He once again used the shrinking earth to shrink into an inch and continued to flee.

Yan Guiyi and the others soon arrived near Qin Yu.

“We actually let him escape again,” Yan Guiyi said coldly.

“This kid seems to be able to sense our arrival,” the person next to him said.

Yan Guiyi narrowed his eyes slightly and said in a low voice, “It seems that this kid’s spiritual sense is quite powerful... but unfortunately, it’s useless!”

Yan Guiyi waved his hand, and a ray of light fell on everyone’s bodies.

This was a technique commonly used by the JINGDU martial arts association. As long as one used this technique, one could hide one’s internal qi and avoid being detected by others.

Then, Yan Guiyi closed his eyes slightly, as if he was looking for Qin Yu’s position.

“Northeast direction, after him,” Yan Guiyi said coldly.

“Yes.”

The few of them followed behind Yan Guiyi and sped off again!

This time, Qin Yu escaped to a valley.

The surroundings were quiet. There were mountains and rivers. It was a good place for cultivation.

“They seem to be able to track my location.” Qin Yu frowned.

He estimated the time. The time for them to chase was about half an hour.

In other words, they would catch up in half an hour.

Therefore, Qin Yu had to change places every half an hour.

Qin Yu didn't know about Yan Guiyi's strength, so he didn't dare to take the risk.

Because once he was caught, he would have no chance to save Yan Ruoxue.

Qin Yu sat cross-legged on the ground, slowly recovering his internal Qi.

Time flew. About twenty minutes later, Qin Yu opened his eyes.

He glanced at his watch and said in a low voice, “It's about time to change to the next place.”

However, just as Qin Yu was about to get up and leave, four figures suddenly shot out from the darkness!

These four people were all Marquis Wu. They stood in four different directions and blocked Qin Yu's way!

Qin Yu frowned slightly and said in a low voice, "I'm actually one step too late."

He looked at the four people and asked coldly, "Who are you people?"

The four people did not say anything and only looked at Qin Yu coldly.

Qin Yu narrowed his eyes and said, "Are you mute? A bunch of trash. Do It. Don't waste my time."

"How Bold."

At this moment, another figure slowly walked out.

This person was none other than Yan Guiyi!

His face was calm, and almost no fluctuations of internal Qi could be seen.

But even so, Qin Yu could still feel that this person was extraordinary.

Yan Guiyi was playing with two black and gold balls in his hands, slowly walking toward Qin Yu.

"You are Yan Guiyi?" Qin Yu squinted his eyes and asked.

Yan Guiyi smiled faintly and said, "Since you have heard of me, then obediently follow me back. Otherwise, you will inevitably suffer a physical pain."

"Go to Hell. I'll give your mother a flesh and blood pain.." Qin Yu cursed.

Chapter 579: Chapter 579, facing Yan Guiyi!

Yan Guiyi was not angry at all. He said with a faint smile, “I know you have some ability, but I advise you to put away your arrogance, because it will bring you a fatal disaster.”

Qin Yu looked at Yan Guiyi coldly, and the internal Qi on his body slowly rose.

Yan Guiyi continued, “I have seen a lot of people like you. Usually, there are only two outcomes

“Either you die, or you compromise. As for the third outcome, I’ve never seen it before.”

“But go to Hell. Why do you have so much nonsense to say?” Qin Yu sneered.

As he spoke, a golden light suddenly appeared on Qin Yu’s body, and a terrifying internal Qi immediately swept over.

“Since the Jingdu Martial Arts Association sent you here, you must have some ability. I hope you won’t disappoint me.”

As he spoke, Qin Yu’s figure suddenly whispered and shot towards Yan Guiyi!

Yan Guiyi narrowed his eyes. He stretched out his palm and a black-gold light immediately condensed in front of him!

This light was like an iron plate, blocking in front of Yan Guiyi.

Qin Yu punched out. This light emitted a loud bang and cracks appeared on it!

Yan Guiyi said in surprise, “You actually broke my black gold heavenly gate. You really have some ability.”

Qin Yu was also extremely shocked.

He was very clear about the power of his punch. It could even break a small mountain!

But now, it only left a crack on the Black Gold Heavenly Gate!

Yan Guiyi put his hands behind his back and sneered, “If that’s all you have, you’d better come back with me obediently.”

“You talk too much nonsense!” Qin Yu shouted coldly and stepped forward again!

The absolute beginning Holy Fist was unleashed to the maximum at this moment, and it was heading straight for Yan Guiyi’s face!

Yan Guiyi narrowed his eyes. He didn’t Dodge, but chose to face Qin Yu head-on!

The two fists collided at this moment with a trembling sound!

At the moment of contact, streams of black and gold light burst out from Yan Guiyi’s body and finally enveloped his entire body!

“Clang!”

A loud sound rang out, and Qin Yu’s expression changed drastically!

Not only did this punch fail to hurt Yan Guiyi in the slightest, it even shook his wrist until it hurt!

“How could this be!” Qin Yu’s expression changed slightly!

Qin Yu had never been afraid of anyone when it came to his physical body! And this Yan Guiyi was actually slightly better than him!

“It is said that the chaos body is unparalleled in the world. Seeing it today, it really lives up to its reputation.” Yan Guiyi sneered.

He glanced at his fist and then said indifferently, “It seems that the higher-ups’ judgment is right. In time, you might really be able to overturn the entire martial arts world.”

Qin Yu was not in the mood to listen to his nonsense. He looked at Yan Guiyi coldly and kept thinking of countermeasures in his mind.

“Come on, let’s see how strong your internal QI is.” The Aura on Yan Guiyi’s body began to surge!

At the same time, the four of them shot out!

The four of them stood in four different directions. In their hands, they took out a magical artifact.

The magical artifact was suspended in four different directions, and in the end, it flickered with dazzling rays of light!

The rays of light seemed to confine the space, wrapping the space into a cube!

Yan Guiyi sneered, “Qin Yu, you can’t escape anymore.”

Qin Yu looked around. The four lights seemed to confine Qin Yu and Yan Guiyi into the square.

“Since you can’t escape, I’ll kill you.” Qin Yu’s eyes flashed with killing intent, and the power of the divine dragon lit up on his forehead.

Yan Guiyi’s face finally turned cold at this moment.

“In that case, don’t blame me for being rude,” Yan Guiyi said with a cold snort.

With a loud shout, his body turned into a black-gold light and shot toward Qin Yu!

Qin Yu did not dare to be negligent. He immediately used the holy body technique and met the attack head-on!

This was a collision of physical bodies, and the sound of Peng Peng Peng could not be heard.

Both of them seemed to have extremely strong physical bodies. Every collision would cause the space to shake!

In the blink of an eye, the two parties had already exchanged dozens of punches!

The two rays of light clashed together, and it was difficult for them to come to a standstill for a moment!

“Clang!”

It was another head-on clash of fists!

Qin Yu only felt as if his bones were about to be shattered! His thumb and forefinger even cracked!

“How could this be!” Qin Yu lowered his head to look at his bloody fist, and his expression could not help but turn somewhat ugly!

With his current physical body, it was impossible for him to meet an opponent in the Martial Marquis Realm!

How did this Yan Guiyi do it! !

“Qin Yu, give me your life!” Yan Guiyi roared angrily, and the terrifying fist force rushed toward Qin Yu again!

Qin Yu gritted his teeth, roared angrily, and smashed his absolute beginning holy fist!

“Boom!”

However, at this moment, Yan Guiyi’s fist suddenly changed direction and smashed into Qin Yu’s chest!

“Bang!”

Qin Yu instantly shot into the ground like a bullet!

A huge hole was created in the ground, and the Golden Light on Qin Yu’s body was smashed into pieces!

“Hahaha!” Yan Guiyi couldn’t help but laugh out loud.

He patted his chest and said indifferently, “My whole body is made of holy metal. Even if you have great strength, you can forget about hurting me.”

Holy Metal Stone ?

Qin Yu's expression changed. He suddenly thought of something!

Could it be that Yan Guiyi was wearing the same material as the prison of Jingdu Martial Arts Association ?

If that was the case, then it was understandable.

Qin Yu got up from the ground.

He raised his head to look at Yan Guiyi, and a serious expression appeared on his face.

If he continued to fight like this, he might really be captured by Yan Guiyi.

Qin Yu took a deep breath, and his body was rapidly rising.

Then, beams of golden light began to converge, and Qin Yu's body began to expand!

“Limitless Dharma Idol!”

Seeing this technique, Yan Guiyi's eyes immediately flashed with a hint of heat!

“This Qin Yu really controls the limitless dharma idol!”

In the blink of an eye, Qin Yu's body had already expanded to more than three meters tall!

His muscles tensed up, and his body had reached its peak!

Yan Guiyi narrowed his eyes and said, “It’s said that the Infinity Dharma Idol is a lost heaven-rank holy spell. I’ve finally seen it today...”

“Come on, let me see this heaven-rank holy spell!” Yan Guiyi roared angrily. His internal Qi soared, and he rushed toward Qin Yu!

At this moment, Qin Yu suddenly raised his hand slowly, and a purple flame instantly landed on his palm!

This flame was the spiritual fire that claimed to be able to destroy everything!

Qin Yu waved his hand, and threw the spiritual fire directly at Yan Guiyi!

Yan Guiyi could not Dodge in time, and could only let the spiritual fire land on his body!

“Whoosh!”

In an instant, sparks flew in all directions, and Yan Guiyi’s entire body turned purple!

The Flames burned fiercely on his body, wrapping around Yan Guiyi!

Faced with this purple spiritual fire, Yan Guiyi did not panic at all.

His body shook, and an intense chill appeared all over his body!

Under this chill, the flames actually began to disappear!

Then, Yan Guiyi stepped forward again!

Qin Yu's expression changed. He did not dare to be negligent, and immediately clenched his fist to meet it!

“Boom!”

A loud sound spread out. It seemed that all of Yan Guiyi's inner strength was gathered on this punch!

“Deng Deng Deng!”

Qin Yu's body immediately took a few steps back!

Even with the support of the Infinity Dharma Idol, it was still difficult for Qin Yu to defeat Yan Guiyi!

“It's a pity that the Infinity Dharma Idol is in your hands,” Yan Guiyi said coldly.

“If you are willing to hand over the Infinity Dharma Idol, I might consider sparing your life.”

Qin Yu looked at Yan Guiyi coldly and said, “There's no other way. It's the only way.”

Qin Yu closed his eyes slightly, as if he was activating some kind of spell.

In a moment, the internal Qi on Qin Yu's body began to surge!

The golden light on his body seemed to be pulled out, and his body rapidly shrank!

A ball of light instantly condensed on Qin Yu's hands!

The ball of light flickered with a blazing light like the sun, and a rolling heat wave seemed to spread out in all directions!

Chapter 580: Chapter 580, a top-notch big shot

The terrifying wave of Qi caused the few people present to frown slightly.

Even Yan Guiyi could smell a trace of danger from the internal Qi.

His expression turned cold, and the energy in his body erupted. He looked at Qin Yu with a grave expression!

“Rumble...”

The ball of light was still condensing in Qin Yu’s palm. The ball of light grew bigger and bigger. At a glance, it was like a huge sun!

Qin Yu’s pupils looked coldly at Yan Guiyi.

“Such a small space. Even if you want to hide, there’s nowhere to hide,” Qin Yu said coldly.

Yan Guiyi narrowed his eyes and said, “Hide? I don’t need to hide. Come On!”

Qin Yu didn’t say anything more. He shouted angrily and smashed the ball of light in his hand at Yan Guiyi!

In an instant, the blazing white light blocked everyone’s vision!

At that moment, it was as if a Sun had fallen from the sky. The boiling airwaves shook the entire space until it buzzed!

“Come on!” Yan Guiyi roared angrily. His entire body was enveloped by the black-gold light, and his hands ruthlessly pushed towards the huge ball of light!

“Boom!”

A huge explosion sounded! Yan Guiyi relied on his armor to actually use his physical body to withstand it!

“Clang!”

The huge impact force forced Yan Guiyi back dozens of meters!

Not only that, his black-gold armor was flattened!

Yan Guiyi’s expression changed slightly. He shouted angrily and his hands were immediately wrapped by inner strength. He tried his best to fight against the ball of light!

“Rumble...”

This was a confrontation between martial marquises, causing the surroundings to collapse!

The veins on Yan Guiyi’s forehead bulged. His vision seemed to have lost everything. All that was left was a vast expanse of whiteness!

“Ah! !”

Yan Guiyi roared again and again. It could be seen that this technique was putting a lot of pressure on him!

The veins on his arms bulged, and his body was constantly being suppressed downwards.

Even the armor on his body was cracking at this moment!

“Break!”

With Yan Guiyi’s furious roar, the internal Qi on his body burst out to the extreme!

The light ball finally began to disappear slowly.

Yan Guiyi panted heavily, cold sweat kept flowing down his forehead.

He wiped the sweat off his forehead and sneered, “Qin Yu, I have to say, this technique has caused me a lot of trouble, but it’s not difficult for me! You...”

Before Yan Guiyi could finish his words, he frowned slightly.

The four people who used the spatial technique also looked a little lost.

“Where is he? !”Yan Guiyi shouted angrily.

“We... We don’t know either,”the four people said awkwardly.

At a glance, where was Qin Yu’s figure in this space?

However, the spatial barrier had a huge opening, and Qin Yu’s figure had long disappeared without a trace!

“He actually took advantage of this opportunity to escape.”Yan Guiyi’s expression was somewhat unsightly.

Only at this moment did he realize that the original intention of the light ball was not to repel him, but to draw his attention and escape!

“I’ve been played by him.” Yan Guiyi took a deep breath, veins bulging on his forehead.

Anger made his face turn ashen.

At this moment, Qin Yu was speeding away.

“Idiot, who wants to fight you to the end?” Qin Yu snorted as he fled.

Qin Yu didn’t understand Yan Guiyi’s strength.

However, Qin Yu knew very well that the Jingdu martial arts association had countless methods. Even if Yan Guiyi couldn’t kill him, they would still have a way to catch him.

Qin Yu only stopped after running for several kilometers.

He took a deep breath and frowned. “The intermediate stage of the Martial Marquis realm can still cause pressure on me.”

Qin Yu secretly speculated in his heart that if both parties were to fight to the death, it was hard to say who would win or lose.

However, even if he barely won against Yan Guiyi, he would probably be heavily injured.

At that time, it would be very easy for the Jingdu Martial Arts Association to capture him.

Yan Guiyi tried to find Qin Yu’s figure again, but found that his spell had failed.

After all, what he got was only a strand of Qin Yu’s hair. It could not last for long.

“Phew.”

Yan Guiyi looked a little unhappy.

This was the first time he had failed.

“Interesting.”Yan Guiyi snorted.

He looked at the person next to him and said, “Call back and ask the local authorities to look for him.”

“Yes, Mr. Yan.”The person next to him hurriedly nodded.

...

For the next two days, Qin Yu did not stop for even a second.

On the third day, Qin Yu finally arrived at the airport in Jingdu.

According to the agreement, Qin Yu was going to accompany the pavilion master to attend a meeting today.

Although he did not know what kind of meeting it was, Qin Yu believed that the pavilion master would never harm him.

After waiting here for more than an hour, Qin Yu finally caught the figure of the pavilion master.

“Lord Pavilion Master!”Qin Yu quickly walked forward and greeted him.

The pavilion master sized up Qin Yu from head to toe. After confirming that Qin Yu was fine, he nodded slightly and said, “You haven’t encountered any trouble these few days, right?”

Qin Yu smiled bitterly and said, “Yes, the Jingdu martial arts association sent someone called Yan Guiyi.”

Hearing Yan Guiyi’s name, the pavilion master frowned slightly.

“Did you meet him?”The pavilion master asked.

Qin Yu nodded and said, “Yes, this person’s strength is not simple. Even if I tried my best, I might not be able to kill him.”

Hearing this, the pavilion master could not help but be a little surprised.

Then, she said with some gratification, “I really didn’t expect you to have grown to this level.”

“That Yan Guiyi is very famous in the Jingdu Martial Arts Association, even more so than the internationally famous Marquis of Wu. He was the one who captured him. If you kill him, the Jingdu martial arts association will probably explode.”

Qin Yu said coldly, “The next time I see him, I will definitely kill him.”

The pavilion master smiled and said, “It’s about time. We should set off too.”

The two of them stopped a car and rushed to the venue.

On the way, Qin Yu could not help but ask, “Pavilion master, what kind of meeting are we attending?”

The pavilion master said in a deep voice, “A very important meeting, a meeting with a big shot.”

Big Shot?

Even the pavilion master called him a big shot. This meeting was probably not simple.

After driving for two hours, the car finally stopped in front of a venue.

The venue was not huge, but it was magnificent.

The cars parked at the entrance were not luxury cars. Most of them were Audi A6, Volkswagen, and other models.

“This is the place,” said the pavilion master.

She glanced at Qin Yu and said, “Later, remember to restrain your temper and not speak carelessly. Otherwise, you will easily attract trouble.”

Hearing the Pavilion Master’s words, Qin Yu seemed to have understood something.

This meeting was likely to face an official figure.

“I understand.” Qin Yu nodded.

At this moment, another car drove over not far away.

The moment the car stopped, Qin Yu saw a familiar figure.

This person was none other than Xia Hang!

Beside him, there was an old man in a white robe with white hair.

Chapter 581: Chapter 581, I Don’ t care who you are

Although this old man was quite old, his aura was very strong.

Even though one could not see his strength, he was still full of a sense of oppression.

“Qin Yu? Why are you here?” Xia hang frowned tightly.

Normally, shouldn't Qin Yu be chased by Yan Guiyi at this time?

Even if he wasn't killed, he shouldn't be so calm!

Qin Yu sneered, “Why, are you surprised that I'm here? Are you wondering why Yan Guiyi didn't kill me?”

Xia hang frowned even more!

Could it be that even Yan Guiyi was defeated by Qin Yu? !

“You are Qin Yu?”

At this time, the old man beside Xia hang opened his mouth.

His pair of sharp eyes looked coldly at Qin Yu.

“I am, and which Old Bastard are you?” Qin Yu asked bluntly.

Although Qin Yu didn't know who this old man was, since he and Xia hang got out of the same car, he was definitely not a good person. He was most likely someone from the Jingdu Martial Arts Association.

“What did you call me? ! Do you know who I am? !” A trace of anger flashed across the old man's face.

“What, are you old and deaf?” Qin Yu sneered.

“I called you an Old Bastard, an old undying one. What’s Wrong?”

A trace of coldness appeared on the old man’s face. He narrowed his eyes and said, “Truly ignorant people are fearless.”

“Qin Yu! This is the president of our Jingdu Martial Arts Association!” Xia Hang said angrily.

Qin Yu glanced at him and sneered, “Oh, you are the leader of those bastards? I just have something to say to you.”

After saying that, Qin Yu walked toward the old man step by step.

Then, Qin Yu looked at him coldly and said word by word, “Old Beast, you are the one who had Yan Ruoxue captured, right? Listen well, I Will F * CK You Today!”

“You better pray that you can kill me soon. Otherwise, I will definitely pull out your tendons and skin you!”

These few words made the old man’s face turn extremely cold!

A terrifying internal Qi burst out from his body. This internal Qi carried a strong sense of oppression!

Qin Yu did not panic at all. He sneered and said, “What, Old Bastard, you want to make a move? Let’s see where we are. If you have the ability, go ahead and try.”

It was very obvious that Qin Yu had made the right bet.

At the entrance of the venue, even if this old man was angry, he could only endure it!

“You don’t dare to make a move? Then I will come.”Qin Yu sneered.

After saying that, Qin Yu slapped the Old Man’s face!

This slap was unexpected, and even the pavilion master was stunned.

No one had expected that Qin Yu would actually dare to directly slap the president’s mouth!

That president was so angry that his entire body was trembling! He angrily said, “Brat, you really deserve to die!”

Qin Yu sneered and said, “The same goes for you. This slap is just interest. If Ruoxue suffers, I will make you pay back ten times or a hundred times!”

The old man gritted his teeth. He snorted coldly and then flicked his sleeves and left.

After they entered the venue, the pavilion master finally couldn’t help but laugh.

“Qin Yu, how Dare You?”The Pavilion Master couldn’t help but laugh.

“This person’s name is Qu Xie. He is the honorary president of the Jingdu Martial Arts Association and has an extraordinary status. Even the major aristocratic families have to give him some face.”

Qin Yu coldly snorted, “I don’t care who he loves.”

The pavilion master helplessly shook his head and said, “This person’s strength is unfathomable. You’d better be careful.”

“There are many lice and they are not afraid of being bitten.”Qin Yu waved his hand.

“Moreover, in my heart, he has long been sentenced to death.”

Seeing this, the pavilion master did not say anything more.

“Let’s go in,”said the pavilion master.

Qin Yu grunted in gratitude. He followed behind the Pavilion Master and entered the venue.

The venue was not big, but it was filled with the smell of an official.

After the pavilion master entered, he greeted everyone.

Qin Yu didn’t know these people, so he casually found a place to sit down.

A few minutes later, the pavilion master walked to Qin Yu’s side and sat down.

“These people are all not simple. Try not to provoke anyone,”the pavilion master reminded.

Qin Yu grunted and said, “I know what to do.”

More and more people walked into the venue. At this moment, Qin Yu suddenly saw a familiar figure.

The God of the Military District, Ye Qing!

His figure was tall and straight, and his aura was full of vigor. The moment he entered, countless people stood up and greeted him.

Ye Qing nodded slightly, but no expression could be seen on his face.

Qin Yu also waved his hand and shouted, "Mr. Ye, we meet again."

Ye Qing turned around after hearing the news and looked at Qin Yu.

A trace of surprise flashed across his face. Then, he walked quickly to Qin Yu.

"Qin Yu, why are you here?" Ye Qing asked in puzzlement.

"I brought him here," the pavilion master said with a faint smile.

Ye Qing suddenly understood. He looked at the pavilion master and said with a smile, "Ji Yuhong, it must be because of you that Qin Yu can improve so fast, right?"

However, the pavilion master said with a faint smile, "This child is very hard-working. The only reason he can get to where he is today is because of himself."

Ye Qing could not help but burst into laughter. Then, he patted Qin Yu's shoulder and said, "I have high hopes for you."

Qin Yu nodded slightly and said, "Thank you for your good words."

After Ye Qing left, Qin Yu looked at the pavilion master and said, "Pavilion Master, do you know Ye Qing?"

"Yes, we have crossed paths a few times," said the pavilion master.

At this time, a doubt flashed through Qin Yu's mind.

He smiled and said, "Pavilion Master, who do you think is more powerful between Ye Qing and Jiang he?"

The pavilion master shook his head and said, "It seems that the two of them have never crossed paths before. I can only say that... the two of them are not the same kind of people, and they have chosen different paths."

"Ye Qing is a talent type, Jiang he is more hardworking."

Qin Yu touched his chin and said in a low voice, "I can see that Jiang he is a pure martial artist."

"Qin Yu, you have absorbed the strengths of the two of them," the pavilion master said with a smile.

"Pavilion Master, you flatter me." Qin Yu shook his head.

Although Qin Yu had already stepped into the Martial Marquis realm, there was still a big gap between him and ye Qing and Jiang He.

At this moment, a man wearing a Chinese tunic suit walked out from the backstage.

This man looked to be in his fifties. He had eyes and was refined and refined.

Although his expression was warm, his powerful aura made people not dare to look at him directly!

Even though he did not have the internal Qi of a martial artist, it still made people feel a great pressure.

As soon as this person appeared, everyone present stood up in unison.

“Greetings, Mr. Zhou,” everyone said.

Mr. Zhou smiled and waved his hand, saying, “Everyone, please take a seat. There’s no need for such formalities.”

When everyone heard this, they all sat down.

The pavilion master glanced at Qin Yu and said, “This Mr. Zhou might be the person with the highest status you’ve seen so far.”

Chapter 582: Chapter 582. Everyone was shocked!

Qin Yu silently nodded his head.

From everyone’s attitude toward Mr. Zhou, one could tell how high his status was.

After Mr. Zhou took the stage, the meeting officially began.

He took out a document. This document seemed to be aimed at the requirements of various industries.

For example, the Medicine God Pavilion and the Jingdu Martial Arts Association, which represented martial arts.

Qin Yu wasn’t too interested in these things, so he couldn’t say anything. He just sat there quietly and waited.

The entire meeting was solemn and solemn. Everyone was seriously taking notes.

It wasn't because of anything else, but because Mr. Zhou was representing the official opinion.

The meeting lasted for a long time. Qin Yu listened attentively.

After about two hours, the meeting finally came to an end.

Mr. Zhou put away the documents and said with a smile, "This meeting is basically over. Do you have any suggestions or opinions?"

"No, no, of course not. We will follow the arrangements."

"That's right. Mr. Zhou, thank you for your trouble. We will carry out everything strictly according to the standards."

Mr. Zhou nodded. He stood up and said with a smile, "In that case..."

"Hold on." At this moment, Qin Yu suddenly stood up.

Everyone looked at Qin Yu in unison. Their eyes were filled with confusion and shock!

What was this Qin Yu trying to do? Could it be that he really wanted to raise some objections?

"Qin Yu, don't talk nonsense." The pavilion master seemed to be deliberately saying this.

Mr. Zhou, who was in front, looked at Qin Yu and said with a smile, "This is?"

"Hello, Mr. Zhou. My name is Qin Yu, an unknown ordinary person," said Qin Yu.

“Qin Yu...”Mr. Zhou seemed to be thinking about this name.

A moment later, he said with a smile, “I’ve heard of your name. Not long ago, because of the little girl of the Yan family, you caused quite a commotion with Han Wei of the Han family, right?”

Qin Yu slightly bowed and said, “Yes, Mr. Zhou.”

Mr. Zhou sat down again and said with a smile, “If you have something to say, just say it.”

Qin Yu glanced at the crowd and then took a deep breath, he said slowly, “Mr. Zhou, although I’m alone, I can represent a part of the people in the martial arts world. I believe that what I said today is what they want to express.”

At this point, Qin Yu pointed at Qu Xie and said coldly, “I want to ask a question. The cultivation resources in the world are shared by everyone, right?”

Mr. Zhou thought for a moment and nodded. “Yes. Although this belongs to the country, anyone can participate in cultivation.”

Qin Yu said in a deep voice, “Then I don’t understand why all the martial arts resources are occupied by the Jingdu Martial Arts Association.”

“They have taken all the resources. No one is allowed to participate except for their own people!”

“Mr. Zhou, do you think this is fair? Or did you acquiesce to it?”

Almost immediately, everyone broke out in cold sweat!

“This Qin Yu is crazy!” Someone thought to himself.

“I knew this kid was a hothead. I didn’t expect that he was still lacking a brain.”

“Ji Yuhong brought him here. Isn’t she bringing trouble upon herself?”

Qu Qu laughed coldly in his heart.

Was this Qin Yu questioning Mr. Zhou? He was simply courting death!

“Perhaps we don’t need to do anything.” Qu Qu laughed coldly in his heart.

“Qin Yu, quickly shut up! Don’t talk nonsense!” Ye Qing coughed and berated.

“How can you talk to Mr. Zhou! Quickly sit down!”

Qin Yu completely ignored him. His eyes were fixed on Mr. Zhou, as if waiting for his answer.

Mr. Zhou smiled and waved his hand, saying, “Everyone, don’t be so nervous. Since we’ve asked you to come, then you should put forward your suggestions and opinions.”

“I feel that Qin Yu’s arrival has indeed added some vitality to this meeting.”

Hearing this, everyone couldn’t help but be surprised!

Could it be that Mr. Zhou really wanted to answer Qin Yu’s question?

Mr. Zhou seemed to see through everyone's thoughts. He said with a faint smile, "Today, I will not only answer Qin Yu's question directly, but also solve this problem."

Then, he looked at Qu Xie and asked, "Is what Qin Yu said the truth?"

Qu Xie looked a little embarrassed. He hurriedly stood up and said, "Mr. Zhou, it's like this. We..."

"Yes, or No. Don't say too many useless words," Mr. Zhou said with a smile.

Qu Xie braced himself and said, "Yes."

Mr. Zhou nodded slightly and said, "Although the management of your martial arts association is relatively lenient, it is not completely ignored."

"Qin Yu is right. The Jingdu martial arts association has to carry out certain responsibilities."

Qin Yu struck while the iron was hot and continued, "The JINGDU martial arts association has organized all the resources, and these resources are all given to the descendants of the big families!"

"Not only that, if ordinary people like us participate in it, we might even be imprisoned by them!"

Mr. Zhou glanced at Qu Xie and asked with a smile, "Is it true?"

"Yes... yes..." Qu xie braced himself and said.

Mr. Zhou nodded slightly and said, "Okay, I'll settle this matter today."

He looked at Qu Xie and said, “Your Jingdu Martial Arts Association has organized all the resources, right?”

Qu xie nodded and said, “We have indeed integrated a part of the resources.”

“This part of the resources has to be open to everyone. As for the mechanism, I hope you can come up with a reasonable solution yourself,”said Mr. Zhou.

“Qu Xie, can you do it?”Asked Mr. Zhou.

Qu Xie hurriedly stood up and said, “Yes, I can definitely...”

Mr. Zhou nodded slightly. Then, he said, intentionally or unintentionally, “Qu Xie, don’t treat yourself as an official of the Jingdu Martial Arts Association. Do you understand?”

As soon as he said that, cold sweat immediately broke out on Qu Xie’s forehead!

His words seemed casual, but there was a hint of warning in them!

“I . . . I understand. Don’t worry,”Qu Xie hurriedly nodded and said.

“Also.”Mr. Zhou took a sip of tea.

Then, he continued, “The JINGDU martial arts association has to pay attention to evidence and propriety when doing things. Don’t say that you can do whatever you want.”

“Yes, don’t worry...”Qu Xie kept nodding.

Mr. Zhou nodded. Then, he looked at Qin Yu and said, “Qin Yu, do you have anything else to say?”

Qin Yu gritted his teeth. He was just about to ask Mr. Zhou to rescue Yan Ruoxue.

At this time, the pavilion master reached out and tugged at Qin Yu, shaking his head slightly.

Seeing this, Qin Yu could only take a deep breath, then nodded and said, “Thank you, Mr. Zhou. I have no other questions.”

“Mm, if there are no other questions, then the meeting is over.” Mr. Zhou put away the documents and stood up.

After Mr. Zhou left, everyone looked at Qin Yu with a strange expression.

Qin Yu ignored everyone. He looked at the pavilion master and said, “Lord Pavilion Master, why didn’t you let me continue?”

The pavilion master glanced at Qin Yu and said, “Do you still want Mr. Zhou to interfere in your private affairs? That’s asking for an inch and asking for a mile. You Don’t know what’s good for you.”

Qin Yu opened his mouth and could only lower his head in annoyance.

“Well, you’ve already fought for a great deal of rights and benefits today,” said the pavilion master.

“The Jingdu martial arts association has occupied resources for many years. This time, I’m afraid it’s going to be a bloodbath.”

“You must seize this opportunity and cultivate as soon as possible.”

Chapter 583: Chapter 583, the latest strength ranking

Qin Yu nodded.

This was perhaps the pavilion master's goal.

In the entire meeting, perhaps only Qin Yu dared to speak.

And it was precisely because of this characteristic of Qin Yu that the pavilion master brought him to the meeting.

It had to be said that although this meeting was short, Qin Yu could be considered to have established his reputation among these people.

"I think you can have some free time from now on," the pavilion master said with a smile.

Qin Yu grunted and said, "If I die now, I believe the higher-ups will hold me accountable."

"That's right." The pavilion master nodded his head approvingly.

"Lord Pavilion Master, did you already guess that I would do this?" Qin Yu asked doubtfully.

The pavilion master smiled and didn't comment.

The two of them walked out of the venue. Just as they reached the door, they saw Qu Xie standing there coldly.

He and Xia Hang walked quickly to Qin Yu and said with narrowed eyes, "Qin Yu, how dare you! Do you know the consequences of your actions? !"

“Of course I know,” Qin Yu said coldly.

“From today onwards, the power of the Jingdu Martial Arts Association will definitely be reduced. Everyone will have the opportunity to participate in cultivation!”

Xie Qu sneered. He narrowed his eyes and said, “Qin Yu, you are too naive. Your words today have touched the cake of all the aristocratic families.”

“Do you think they will let you off?”

Qin Yu sneered. “If I was afraid, I wouldn’t have come.”

“Good, good!” Qu Qu gave Qin Yu a thumbs up.

He said coldly, “Don’t think that we won’t have a chance to kill you. There are plenty of opportunities. We’ll see.”

After saying that, Qu Xie turned around and left.

Qin Yu looked at Qu Xie’s back and sneered.

“If nothing unexpected happens, the Jingdu Martial Arts Association will definitely release a public resource,” Qin Yu said.

“That’s right, but you have to be careful. If you participate, they won’t let you have a good end.” The pavilion master also nodded.

Qin Yu said in a deep voice, “Risks and opportunities coexist. I can only do this. Otherwise... I don’t know when I will be able to save Ruoxue.”

Seeing this, the pavilion master could only comfort him, “I will try my best to find someone to make Yan Ruoxue’s life more comfortable.”

Qin Yu nodded. At this time, he suddenly thought of something and said, “Right, how is Yan Jiang?”

The pavilion master said in a deep voice, “He is still unconscious, but his life is not in danger.”

Qin Yu heaved a sigh of relief. He cupped his hands and said, “Pavilion master, when he wakes up, please thank him on my behalf.”

The pavilion master nodded slightly and didn’t say anything more.

On the other side.

After Qu Xie got on the car, his face instantly turned cold.

“F * CK, F * ck!” Qu Xie rarely swore!

“I never thought that I would be defeated by this Qin Yu today. Motherf * cker!”

Xia hang also sighed and tried to ask, “President Qu, this matter is reported to the higher-ups. The higher-ups should handle it, right?”

Qu Xie glanced at Xia hang and snorted, “Handle my ass! Mr. Zhou represents the government. Do they still dare to go against the Government?”

Xia hang opened his mouth and could only comfort him. “Don’t worry, Mr. Yan will definitely kill this Qin Yu as soon as possible.”

“Kill my ass!” Qu Xie said with some displeasure.

“Call him immediately and bring Yan Guiyi back.”

Xia hang was stunned and said, "Why? Mr. Yan should succeed very soon..."

Qu Xie said coldly, "Idiot! If we kill Qin Yu Now, What Will Mr. Zhou think? Do You Want Our Jingdu Martial Arts Association to stand on the opposite side of the government!"

Xia hang suddenly understood. He frowned and said, "Are we going to let Qin Yu go just like that?"

"Let him go?" Qu Xie sneered.

"Doesn't Qin Yu want resources? I'll give them to him!"

"As long as he dares to go, no one can say clearly how he will die."

Xia hang immediately understood after hearing that.

"President Qu, I'll make the arrangements right away! The Jingdu martial arts association has countless resources. Just Pick any one and give it to them," Xia Hang said with a smile.

Qu xie exhorted, "Remember, don't put on an act. You must satisfy Mr. Zhou."

"I understand. Please rest assured." Xia hang nodded slightly.

...

On the other side, after Qin Yu and the Pavilion Master parted ways, they went straight back to Chuzhou.

When they arrived home, handlebar mustache and Yao Qing were roasting mutton to eat.

The two of them looked very happy, and there was a pile of beer bottles beside them.

After seeing Qin Yu, Yao Qing hurriedly stood up and said, “Mr. Qin, you’re back. Come and have some!”

Qin Yu glanced at Yao Qing and said, “Your Dantian was destroyed, and you still have the mood to roast meat?”

Yao Qing said with a smile, “What’s there to worry about? You will help me anyway, right?”

Qin Yu couldn’t help but be speechless. This Yao Qing was really big-hearted.

“Where’s Peaches?” Qin Yu swept a glance, but didn’t find peaches’ figure.

Yao Qing sighed and said, “Peaches’ face has been disfigured. She’s been in a bad mood these few days. You’d better think of a way.”

Qin Yu also felt a little uncomfortable. If it weren’t for him, Peaches wouldn’t have suffered this kind of suffering.

Fortunately, repairing his face wasn’t a difficult thing for Qin Yu.

“Handlebar mustache, what did you want to talk to me about?” Qin Yu asked.

With a wave of his hand, a prescription landed in front of Qin Yu.

“Look, this is the prescription to save Fang Yue,” said the handlebar mustache.

Qin Yu took the prescription and glanced at it. A trace of surprise flashed in his eyes.

This handlebar mustache was really not simple. He could even get such a prescription.

“Thank you.” Qin Yu nodded slightly.

At this point, Qin Yu suddenly thought of something.

He looked at the handlebar mustache and said seriously, “Handlebar mustache, when are you going to dig a grave?”

The handlebar mustache’s old face darkened and he rolled his eyes.

“What do you mean by digging a grave? That’s called archaeology and historical research!”

“Okay, when are you going to archaeology?” Qin Yu said helplessly.

The mustache man mumbled, “Not necessarily. Maybe in the next two days.”

“When you do the archaeology in the future... I’ll go with you,” Qin Yu said.

The Mustache Man threw the mutton in his hand and said with a smile, “Really? That’s a good relationship. I need a fighter!”

“Really.” Qin Yu nodded.

Now, Qin Yu had to seize every opportunity that he could. Maybe he could get lucky through the Mustache Man.

“Okay, then I’ll tell you when I set off,”the handlebar moustache said excitedly.

Qin Yu naturally couldn’t leave these few days, because he knew in his heart that the Jingdu Martial Arts Association would definitely make a gesture.

Sure enough, three days later, the Jingdu Martial Arts Association publicly released a message on the forum:

For the development of the martial arts world, the Jingdu Martial Arts Association would make its private resources public.

Next Monday, we will select ten martial artists from the rankings to participate in our training.

Seeing this news, Qin Yu couldn’t help but sneer.

This JINGDU martial arts association was really shameless. They were obviously forced to, but they made themselves sound so noble.

Then, a ranking list was released.

This list was also the latest and most authoritative ranking list of strength.

Chapter 584: Chapter 584, worried Yan Sihai

There seemed to be a huge change in the rankings this time.

Qin Yu didn’t recognize most of the names.

Ye Qing and Jiang he were still in first place.

Kong Luo of the Kong family was in second place.

However, Han Xiu, who was in third place before, was nowhere to be seen. He was replaced by someone called Song Lun.

Further down, Yan Jinyao's name had also disappeared.

Qin Yu did not see anyone familiar in the entire top ten.

"It seems that the ranking of the martial arts forum is not accurate," Qin Yu thought to himself.

After all, there were many hidden experts who had not been included in the ranking.

Moreover, there was no martial saint in this ranking.

The second ranking was the ranking of the younger generation.

This list had also undergone a huge change!

The person ranked first was Yan Jinyao from the Yan family! His strength was also marked on the list.

The current Yan Jinyao was already a rank three martial marquis and was not far from the intermediate stage.

The second person was Kong Yun, who was also a rank two martial marquis.

The third person was Yao Meng from the Yao family in Jingdu. This was a girl, and she was also a rank two martial marquis!

Looking at this list, Qin Yu couldn't help but feel a little surprised.

Just how many young masters from the aristocratic families hadn't been counted?

Why was this list so different from the previous one?

Continuing to look down, Qin Yu was ranked fourth! He was also the young man with the highest ranking other than the aristocratic families!

Qin Yu's appearance wasn't surprising. After all, with his battle results here, even if the martial arts association wanted to kick him out, it was almost impossible.

Looking further down, it was the people from the various aristocratic families.

For example, Chu Heng, Kong Yun, Zhuang Teng, and the others were also on the list.

It was worth mentioning that the Chu family had two people on the list, Chu Heng and Chu Hedao.

Qin Yu continued to look down, and very quickly, he found a familiar person:

He Teng!

The current he teng had also stepped into the Martial Marquis Realm!
And he was ranked tenth!

"This kid is still alive." Qin Yu narrowed his eyes and couldn't help but snort coldly.

"If he dares to show up this time, I'll take the opportunity to kill him," Qin Yu thought to himself.

There were ten people on the entire list. Besides this list, there were eight more spots.

This spot was specially reserved for ordinary families by the Jingdu Martial Arts Association. Its purpose was to answer Mr. Zhou's request.

This ranking might seem fair, but in reality, it was not accurate. There were many people who had not been counted at all.

For example, the seemingly unreliable handlebar moustache. His strength was definitely not to be underestimated.

Moreover, the fire country was just too big, and no one knew if there were any low profile geniuses.

The time was set to be the Monday of the next week. Qin Yu was not in a hurry and he had plenty of time to make preparations.

"No." I know what kind of benefits this experience will bring, Qin Yu thought to himself.

For the current Qin Yu, only by improving his strength as soon as possible could he have the right to challenge the JINGDU martial arts association head-on.

"Once I understand the strength of the Jingdu Martial Arts Association, it's time for me to take action," Qin Yu said coldly.

Yan Ruoxue was still suffering in prison, which made it impossible for Qin Yu to remain calm.

Moreover, the JINGDU martial arts association had always wanted to get rid of Qin Yu.

...

Jingdu martial arts association.

On this day, Yan Sihai came to Qu Xie's office.

Yan Sihai held a cigar in his mouth as usual, but there was a hint of anger on his face.

"Is your Jingdu Martial Arts Association a piece of trash? You Can't even kill Qin Yu!" Yan Sihai said angrily.

"You keep saying that you're the boss of some martial arts world, but in the end, you're nothing!"

"President Yan, not only is Qin Yu an enemy of the Yan family, he's also the number one criminal of our Jingdu Martial Arts Association," Xie Qu said in a deep voice.

"As long as there's a chance, we'll get rid of Qin Yu immediately."

Yan sihai snorted and said, "Your Jingdu Martial Arts Association sent Yan Guiyi to kill him, but in the end? He didn't kill him, and instead, he appeared in the meeting to stir up trouble."

Qu Xie was not angry at Yan Sihai's rebuke. He smiled faintly and said, "That was just an accident. You have to believe in the ability of our Jingdu Martial Arts Association."

"As long as we are willing, no one can escape our pursuit."

Yan Sihai said somewhat impatiently, "Don't talk big to me here. I Won't believe anything you say until I see his head."

At this time, a young man next to Qu Xie said with a faint smile,
“President Yan, didn’t the Yan family claim to get rid of Qin Yu a long time ago?”

“I remember you said that Qin Yu is an ant in front of the Yan family, right?”

Yan Sihai’s face turned cold. He looked at the young man coldly and said,
“Are you mocking me?”

“I don’t Dare,”the young man sneered.

“The Yan family is a big family. Who Dares to mock you?”

Yan Sihai slapped the table and stood up immediately!

He pointed at the young man’s nose and cursed, “Who do you think you are? Do you even have the right to speak here?”

The young man opened his mouth and wanted to say something, but qu Xie waved her hand and interrupted him.

“President Yan, you came to find me this time for something,”qu Xie changed the topic.

Yan Sihai glanced at Qu Xie and said, “I want to find a few bodyguards from your Jingdu Martial Arts Association. The stronger the better.”

Ever since he was threatened by Qin Yu, Yan Sihai had been restless all day.

Although the Yan family could hire countless experts, the proud Yan Sihai had never paid attention to his own safety.

He didn't even have a bodyguard by his side.

Qu xie smiled and said, "President Yan, why do you suddenly want to find a bodyguard? I remember that the Yan family has a lot of martial marquises, right?"

Yan Sihai was full of anger at the mention of this topic.

He snorted coldly and said, "The Yan family did have a lot of martial marquises, but I've driven them away now."

"Did you drive them away, or did they not listen to your orders at all?" The young man next to Qu Xie said with a faint smile.

"As far as I know, the martial marquises supported by the Yan family don't seem to listen to your orders at all, right? They seem to only listen to the orders of old Mister Yan and Miss Yan, right?"

"And... They seem to be in the dark, as long as Old Mister Yan knows how to contact them."

Hearing the young man's words, Yan Sihai's expression immediately changed slightly.

Just as the young man had said, the Yan family, as a top aristocratic family in jingdu, would naturally provide for a large number of top martial artists!

These people were practically all single-handedly groomed by old Mister Yan. All of them had extraordinary strength!

However, this was a secret of the Yan family. Even Yan Ruoxue herself did not know! How did this young man know about it?

“Speaking of which, I’m also a little curious. President Yan, as the head of the Yan family, how could you not know where the Yan family’s Marquis Wu Is?”The young man continued to ridicule.

Yan Sihai suddenly stood up and said coldly, “You’re courting death, right?”

Chapter 585: Chapter 585, the peak of the Martial Marquis realm

Yan Sihai’s body was full of energy, and anger filled his chest.

Yan Sihai had only recently learned about the information that the youth had mentioned.

But he had never thought that this news would spread to the Jingdu Martial Arts Association.

“Hua Xing, don’t be rude,”Qu Xie said in a low voice.

The youth called Hua Xing took two steps back and didn’t say anything more.

Qu Xie stood up and said, “President Yan, it’s not a problem for you to find a bodyguard. What are your requirements?”

Yan sihai snorted and said, “The stronger the better.”

Qu xie smiled and said, “Come with me.”

The two turned around and walked straight into the prison of the martial arts association.

Soon, they passed by the place where Yan Ruoxue was imprisoned.

Seeing the pale-faced Yan Ruoxue, Yan Sihai's expression changed slightly.

Yan Ruoxue, who was imprisoned in the prison, suddenly narrowed her eyes.

She seemed to want to say something, but she seemed to have lost her strength and couldn't say a word.

"What's going on?" Yan Sihai said coldly.

Qu Xie didn't seem to avoid Yan Sihai. He said with a faint smile, "Why would president Yan care about this?"

Yan Sihai snorted and said, "After all, Yan Ruoxue is my niece."

"Hahahaha!" Qu Xie couldn't help but laugh.

"President Yan, if Yan Ruoxue goes out, aren't you afraid that your position in the Yan family won't be stable?" Qu Xie said jokingly.

Yan Sihai frowned slightly, and a trace of hesitation flashed across his face.

Of course, he was worried, especially when he learned that old Mister Yan had secretly groomed a group of martial marquises.

For the sake of the Yan family's patriarch, he could even kill his own father, let alone his niece.

"Let's go." In the end, Yan Sihai ignored Yan Ruoxue.

Xie Qu sneered. The two of them went straight to a prison of the martial arts association.

In this prison, a thin man was imprisoned.

The man was sitting cross-legged on the ground, his body exuding an internal Qi.

“How is he?” Qu Xie pointed at the man and asked.

Yan Sihai sized him up and asked, “What’s his strength?”

“Marquis Wu, Peak,” Qu Xie said slowly.

Hearing this, even Yan Sihai couldn’t help but be surprised.

“Okay, it’s him!” Yan Sihai put out his cigar and sneered.

...

There were only three days left until Monday.

In these few days, Qin Yu was not in the mood to cultivate.

Ordinary cultivation had already begun to have any effect on him, unless it was ten-thousand-year-old herbs, golden core, demonic beast inner core, spirit vein, and so on.

Therefore, these few days, he had been sending people to inquire about the Jingdu Martial Arts Association.

“Handlebar mustache, you are very knowledgeable. Do you know of a material called Black Gold Stone?” Qin Yu asked.

When he heard black gold stone, handlebar mustache immediately ran over.

“What? You have black gold stone? where is it? Quickly bring me there!” Handlebar mustache said excitedly.

Qin Yu shook his head and said, “No, I’ve only heard of black gold stone, but I don’t know about it.”

A hint of disappointment flashed across handlebar mustache’s face. He sat next to Qin Yu and muttered, “I’m happy for nothing.”

“What kind of material is this black gold stone?” Qin Yu asked.

The handlebar mustache slowly said, “The black gold stone is said to be the hardest material in the world. It is said that this material can even resist the martial saint’s attack.”

Hearing this, Qin Yu could not help but suck in a breath of cold air.

It could resist the martial saint’s attack? Wasn’t this too exaggerated?

“The prison of the Jingdu martial arts association seems to be using the black gold stone.” Qin Yu said with a frown.

Thinking of this, he looked at the handlebar mustache and said, “If you can even resist a martial saint’s attack, then doesn’t that mean that no one can break the defense of the Black Gold Stone?”

“That’s not true.” The handlebar mustache shook his head.

“If you have the strongest shield, you will definitely have the sharpest spear.”

“It is said that there is a material called the golden feather stone. This golden feather stone is the nemesis of the black gold stone, but I have never seen it before.”

Qin Yu’s brows instantly furrowed even more tightly.

Regardless of whether it was the martial saint or the golden feather stone, it was still far away for Qin Yu.

Could it be that he wanted to let Yan Ruoxue suffer in prison forever? Until he found the golden feather stone or stepped into the Martial Saint Realm?

“Is there no other way?” Qin Yu asked in a deep voice.

The mustached man spread his hands and said, “What I know is gone.”

Qin Yu was silent.

“Don’t be too anxious about some things. You can’t eat hot tofu if you are anxious.” The mustached man patted Qin Yu’s shoulder and said no more.

Time flew. There was only one day left until Monday.

Jingdu martial arts association.

A man in a black and gold robe stood in front of Qu Xie.

This man was Yan Guiyi.

“President Qu, are you sure that Qin Yu will participate in this experiential learning?” Yan Guiyi asked coldly.

“He knows that our Jingdu Martial Arts Association won’t let him go, so why would he come to court death?”

Qu Xie smiled faintly. “Old Yan, you don’t understand people who climb up from the bottom.”

“For us, the risk must be controlled within a certain range before we consider the benefits.”

“But for people like them, as long as the temptation is big enough, he will try no matter how high the risk is.”

Yan Guiyi played with the two black beads in his hand and snorted. “As long as he dares to come, I will not let him go.”

Thinking back to the time when he was played by Qin Yu, Yan Guiyi was furious.

Qu Xie said indifferently, “Many people want him dead. As long as he dares to participate, he will die without a doubt!”

At this moment, Xia Hang walked in with two people.

“President Qu, Mr. Han is here,” Xia Hang said.

At a glance, the people who came were Han Meng and Han Wei.

During this period of time, Han Wei’s body had basically recovered, but his strength had stagnated for a long time. He couldn’t even squeeze into the top ten of the ranking list.

“Mr. Han, why are you here?” Qu Xie asked indifferently.

Qu Xie's attitude toward Han Meng was completely different from his attitude toward Yan Sihai.

When facing Han Meng, Qu Xie seemed to be high and mighty.

Han Meng bowed and said, "President Qu, my son, Han Wei, also wants to participate in this experiential learning."

Qu Xie rubbed his chin and said, "Mr. Han, this doesn't seem to be in accordance with the rules."

Han Meng gritted his teeth and said, "President Qu, take it that the Han family owes you a favor."

Qu Xie stood up and said with a smile, "It's not difficult to put someone in, but... that Qin Yu will also participate in this experiential learning."

At the mention of Qin Yu's name, Han Wei's eyes widened and his fists couldn't help but clench!

Han Meng noticed Han Wei's reaction. He took a deep breath and said, "President Qu, this is exactly why I came to look for you."

"Ever since my son lost, this Qin Yu seems to have become his inner demon, causing a great hindrance to his future cultivation."

"So.... I hope president Qu can use this experience to kill Qin Yu! and get rid of Qin Yu in front of my son!"

Chapter 586: Chapter 586: Who Is A lowly commoner?

If Qin Yu didn't die, Han Wei's cultivation would probably stop here!

This was an unbearable loss for the Han family!

Qu Xie had obviously guessed Han Meng's intentions. He smiled faintly and said, "Since Mr. Han has found me, I will naturally satisfy you."

Han Meng was instantly overjoyed and hurriedly nodded. "Thank you very much, President Qu."

Qu Qu snickered in his heart. They had originally planned to get rid of Qin Yu, but they had not expected to earn a favor from the Han family for nothing.

...

Time flew by, and in the blink of an eye, it was Monday.

On this morning, many people had gathered at the entrance of the Jingdu Martial Arts Association.

"I didn't expect that the Jingdu Martial Arts Association would open their training to the public." Zhuang Teng, who was standing in the crowd, could not help but sigh.

"Yeah." Chu Heng was also slightly surprised.

"The Jingdu martial arts association has always monopolized resources. Other than their members, no one else can get their hands on them. What they did this time was really surprising."

"Young Master Yan is here." At this moment, someone saw Yan Jinyao not far away.

As the number one person of the younger generation in Jingdu, his appearance naturally attracted countless gazes.

Zhuang Teng and Chu Heng also walked over with questions.

“Young Master Yan.”Zhuang Teng greeted Yan Jinyao.

Yan Jinyao nodded and didn't say anything.

“Young Master Yan, I heard that Qin Yu will also participate this time,”Chu Heng said, intentionally or unintentionally.

Zhuang teng chuckled and said, “This Qin Yu is really not simple. He suppressed us on the rankings. He really surprised us.”

Yan Jinyao glanced at them and said indifferently, “There's nothing to be surprised about. Every generation will have a proud son of heaven, suppressing all the brilliance of geniuses.”

Hearing this, Zhuang Teng said with some surprise, “Young Master Yan, are you saying that Qin Yu is the son of the proud son of Heaven of our generation?”

Yan jinyao sneered and said, “That's only to you. To me, he's not.”

Yan Jinyao's words were extremely arrogant, and he also belittled Zhuang Teng and the others.

A hint of awkwardness flashed across Zhuang Teng and Chu Heng's faces, but they did not say anything.

Just as the few of them were conversing, a girl walked over from not far away.

This girl had a proud figure, outstanding looks, and an appearance that could topple nations and cities.

And that unique temperament of hers made people unable to help but take a few more glances.

“Miss Yao.” Zhuang Teng bowed slightly.

The girl who was called Miss Yao also greeted politely, “Mr. Zhuang.”

This person was the number one martial artist in Jingdu, Yao Meng! She was also the only young woman who had stepped into the Martial Marquis Realm!

“Miss Yao’s talent really makes others envious.” Chu Heng sighed slightly.

“Yeah, we put our lives on the line to cultivate, but we were still suppressed by Miss Yao.”

“If it wasn’t for this ranking update, I’m afraid we wouldn’t have known that Miss Yao had already stepped into the second rank of the Martial Marquis.”

In the face of everyone’s praise, Yao Meng smiled politely and said, “Everyone is overpraising me. I was just lucky and relied on my naturally superior resources.”

“If we’re talking about talent, I think that Qin Yu is even more surprising. He only took a year to step into the Martial Marquis Realm, right?”

Chu Heng said with some surprise, “Miss Yao also knows Qin Yu?”

Yao Meng smiled and said, “Qin Yu’s name has long spread throughout Jingdu. It’s hard not to know. Speaking of which, I really want to see what kind of person he is.”

Speaking of the Devil, the Devil arrived.

At this moment, Qin Yu appeared at the entrance of the Jingdu Martial Arts Association.

Qin Yu's appearance attracted countless gazes!

Everyone looked at Qin Yu in unison. Their gazes were filled with unspeakable hostility and killing intent!

Faced with everyone's hostility, Qin Yu was not afraid at all. He walked slowly, as if he was strolling in a leisurely courtyard.

"Qin Yu, this is not a place you can come!" At this moment, someone suddenly shouted!

Following that, a young man strode out, his entire body filled with killing intent!

"I knew someone would be restless," Zhuang Teng said with a faint smile.

"His name is Hou Sheng, ranked ninth on the list. At the same time, he is Yan Guiyi's disciple. His provocation is not surprising."

Yao Meng remained silent, her beautiful eyes staring at Qin Yu with interest.

Hou Sheng strode toward Qin Yu. He looked down at Qin Yu and said coldly, "How dare a lowly commoner like you come and get your hands on top-grade resources! Are You Worthy?"

Qin Yu glanced at Hou Sheng and sneered, “Lowly commoner? Top-grade resources? Where do you get your sense of superiority from? Are you relying on your foul mouth?”

Hou Sheng said furiously, “I’m relying on my iron fists!”

Before he finished his words, Hou Sheng’s fists shone with light!

Then, he clenched his fists tightly and smashed them towards Qin Yu with violent inner strength!

Qin Yu’s face turned cold. A golden light instantly rose up and met Hou Sheng head-on!

“Boom!”

A huge boom instantly spread across the entire square!

Then, Hou Sheng was seen to retreat more than ten steps in succession!

On the other hand, Qin Yu stood there without moving an inch.

“With your little ability, you dare to jump out and shout?” Qin Yu said coldly.

Hou Sheng’s face was somewhat embarrassed. He snorted coldly and said, “Humph, it seems that this lowly commoner of yours has some strength, but it’s only so-so.”

After throwing out these words, Hou Sheng turned his head and was about to leave.

“Stop.” Qin Yu said coldly.

Hou Sheng stopped his footsteps and coldly said, “What?”

“You rashly attacked me, and now you want to leave just like that?” Qin Yu said coldly.

Hou Sheng narrowed his eyes and said, “What, do you still have a temper as a lowly commoner? I can leave just like that, what can you do to me?”

“Is that so?” Qin Yu laughed coldly.

A golden light appeared on his body and he appeared in front of Hou Sheng in the blink of an eye!

His speed was so fast that Hou Sheng did not even have time to react before Qin Yu’s palm had already slapped down!

“Boom!”

The huge golden palm ruthlessly slapped onto Hou Sheng’s body!

This palm was extremely powerful and it directly smashed Hou Sheng’s body into pieces, causing fresh blood to drip out.

Even the ground of the square had cracks appearing one after another!

The sudden change of events caused everyone to turn their heads to look at it, and they couldn’t help but mutter softly.

“They’re fighting! They’re fighting!”

“The one who attacked seems to be that Qin Yu! The one who was beaten seems to be Yan Guiyi’s disciple!”

Qin Yu looked at Hou Sheng coldly, and said with a sneer, “The lowlife that you speak of has now trampled you under his feet. Do you still feel that you’re full of superiority now?”

Being slapped to the ground in front of so many people, Hou Sheng’s expression immediately became extremely ugly!

“You Lowly commoner, quickly let go of me!” Hou Sheng shouted angrily.

Qin Yu’s eyes narrowed. He picked up Hou Sheng with one hand and his other hand flashed with a golden light. He slapped Hou Sheng’s face!

“Who is a lowly commoner?” Qin Yu said coldly.

Hou Sheng’s face flushed red. He gritted his teeth and said, “You lowly commoner, you...”

“Slap!”

Without saying a word, Qin Yu slapped him on the face again.

“Who is a lowly peasant?” Qin Yu asked coldly.

Hou Sheng opened his mouth, but he braced himself and said, “YOU MOTHERF * cker...”

“Slap!”

Before Hou Sheng could finish, Qin Yu slapped him again!

This slap sent Hou Sheng flying.

His body spun 360 degrees in the air and finally fell to the ground.

“You’d better put away your sense of superiority. These few slaps will be taken as a lesson to you,”Qin Yu said coldly.

“If you dare to call me a lowly commoner in the future, I promise to pull out your tongue!”

Chapter 587: Chapter 587, Yan Ruoxue’ s friend

Hou Sheng was thrown to the side like a dead dog.

Seeing this, everyone could not help but sigh.

There were many people who wanted to attack Qin Yu, but at this moment, they all wanted to retreat.

“TSK tsk, Hou Sheng, who is ranked ninth on the ranking list, doesn’t seem to have the ability to fight back in front of Qin Yu.”Zhuang Teng sighed.

“That’s right. I’ve already said that if this kid steps into Marquis Wu, there won’t be many people who can beat him.”Chu Heng also said in a deep voice.

“When two people of different levels come into contact with each other, there will definitely be conflicts. This experiential learning won’t be boring.”

...

Qin Yu stood alone at the door, quietly waiting for the beginning of this experiential learning.

His eyes had been staring in the direction of the Jingdu Martial Arts Association, and the killing intent in his eyes was not concealed.

As long as he saw the Jingdu Martial Arts Association's plaque, Qin Yu would think of Yan Ruoxue who was suffering in the depths of the city.

"Damn it..."Qin Yu clenched his fists tightly.

"Mr. Qin, you have great strength."

At this moment, a voice suddenly came from the side.

He turned around and saw that it was Yao Meng.

"Who are you?"Qin Yu sized up Yao Meng, and a hint of hostility couldn't help but appear in his eyes.

Yao Meng smiled and said, "Mr. Qin, don't be nervous. My name is Yao Meng, and I'm friends with Ruoxue."

"You and Ruoxue are friends?"A trace of excitement immediately appeared in Qin Yu's eyes.

He hurriedly looked at Yao Meng and said, "Do you have any way to save Ruoxue?"

Yao Meng said in surprise, "What about Ruoxue?"

Qin Yu's face turned cold, and he couldn't help but gnash his teeth and say, "The JINGDU martial arts association took Ruoxue and locked her in prison."

"I don't know what they want to do, but Ruoxue's body is tied with all kinds of tubes."

“Tubes?” Yao Meng frowned slightly. “That shouldn’t be. Ruoxue is the eldest miss of the Yan family. Why would the Jingdu martial arts association do this...”

Qin Yu snorted coldly. “The Yan family is a bunch of B * stars. Why would they care about Ruoxue?”

Yao Meng chuckled. “Mr. Qin, don’t worry. I believe Ruoxue will be fine.”

This meaningless consolation had no effect on Qin Yu.

However, out of courtesy, Qin Yu still bowed slightly and said, “Thank you, Miss Yao.”

The two of them fell into a short silence.

At this moment, Yao Meng suddenly said, “Mr. Qin, the tube you mentioned just now... I seem to have remembered something.”

Qin Yu hurriedly looked at Yao Meng, waiting for her to continue.

Yao Meng said, “I once went to the library of the Jingdu Martial Arts Association and saw this technique in an ancient book.”

“The pipe you mentioned, is it black and white?”

Qin Yu hurriedly nodded and said, “Yes!”

Yao Meng continued, “This is a kind of spell called blood oath.”

“Blood Oath?” Qin Yu was stunned. Qin Yu was quite unfamiliar with this name.

“Yes, it is said that the blood oath is for the special bloodline of the recipient. This bloodline usually has extremely strong bloodline power,” Yao Meng said.

“After obtaining this bloodline, you can transform yourself. You can even artificially create a group of heaven’s favored children to forcefully inherit this extremely strong bloodline power.”

Speaking up to this point, Yao Meng paused for a moment, and then asked in puzzlement, “I remember... Miss Ruoxue doesn’t seem to be a warrior. She’s just an ordinary person, right?”

Qin Yu also frowned and said, “Yeah, why would she have an extremely powerful bloodline on her body...”

Yao Meng smiled and said, “Maybe that’s really the case. But if that’s the case, you don’t have to worry too much.”

“In order to continuously obtain this bloodline power, the Jingdu Martial Arts Association will definitely ensure Ruoxue’s safety. Of course, suffering is certain.”

Qin Yu’s expression couldn’t help but be a bit strange.

For a moment, he didn’t know whether to be happy or angry.

The good news was that Ruoxue’s life wouldn’t be in danger, which would give Qin Yu more time.

But this pain would last. Such cruel methods made people angry.

“Mr. Qin, I think you should be more worried about your own safety,” Yao Meng said with a smile.

She stretched out her hand and pointed at a group of people not far away.
“They are all full of hostility toward you.”

Qin Yu glanced at them. Those people were the young masters in Jingdu’s circle.

Led by Yan Jinyao, they all cast hostile gazes at Qin Yu.

“If I was afraid of them, I wouldn’t have come,” Qin Yu said coldly.

Seeing this, Yao Meng only smiled and didn’t say anything.

At this moment, another young man walked over.

This young man looked extremely weak, with an indescribable weakness.

The internal Qi on his body was concealed extremely deeply. Even Qin Yu couldn’t see through it.

“You must be Qin Yu.” The young man walked up to Qin Yu and said with a smile.

Qin Yu sized him up and said, “Who are you?”

“I’m Xiao Yuan. I’ve long heard of Brother Qin’s great name. I’ve finally met you today.” The young man said with a smile.

“Xiao Yuan?” Qin Yu frowned slightly.

This name was somewhat familiar. It seemed to be ranked fifth on the list, next to Qin Yu.

“Brother Qin’s talent really makes me ashamed. In a short year’s time, you can step into the Martial Marquis realm. You really make me admire you.”Xiao Yuan cupped his hands and said.

As the saying goes, one should never hit a smiling person. Although Qin Yu didn’t know this Xiao Yuan, he still replied politely, “Brother Xiao, you flatter me. I’m just lucky.”

“Luck is just the humble words of a strong man. Brother Qin, you’re too modest.”Xiao Yuan said politely.

Qin Yu nodded slightly and didn’t say anything else.

“Brother Qin, I’ll go over there and say hello. See you later,”Xiao Yuan said with a smile.

“Okay.”Qin Yu nodded.

After Xiao Yuan left, Qin Yu couldn’t help but frown and say, “He seems to be in the circle of Jingdu too.”

“That’s right.”Yao Meng nodded slightly.

“But this person has never liked to participate in any circle. He can be considered an exception to the Jingdu Young Master.”

Qin Yu nodded and didn’t say anything more.

People began to arrive on the square one after another. Around ten o’clock in the morning, almost everyone had arrived.

Qin Yu swept his gaze around and found several familiar figures.

Among them were he teng and Han Wei.

Although no one could divide them, everyone still couldn't help but form two circles.

The jingdu circle represented by Yan Jinyao and another group of ordinary people's level.

They didn't care about each other, but there was a faint hostility between them.

At 11 o'clock in the morning.

The door of the Jingdu Martial Arts Association finally opened slowly.

Then, they saw Qu Xie, Xia Hang, and Yan Guiyi walk out.

"Everyone here is a chosen one. This is a rare opportunity for all of you," Qu Xie said kindly.

"The location of our training is an island at the border. According to the information we have, this island has excellent Qi/spiritual energy and Demon Beast inner cores."

"Inner cores?" Qin Yu raised his eyebrows.

The inner cores of demon beasts were probably the most attractive item for Qin Yu.

Qu Xie continued, "The people who went on the training last time have all entered the middle stage of Marquis Wu and hold important positions in the Jingdu Martial Arts Association."

"I believe that all of you here will achieve better results!"

Hearing this, the whole place was in an uproar. Even Qin Yu was tempted.

“Everyone, please calm down. Captain Yan will read out the important points later,” Qu Xie said with a smile.

Then, the three of them turned around and returned to the martial arts association.

As soon as they entered the door, Qu Xie’s face turned cold.

He looked at Yan Guiyi and said coldly, “After we get to the island, kill all the people from the bottom level. Leave No one alive!”

Chapter 588: Chapter 588, the collision of the two circles

Yan Guiyi frowned. “Is that necessary?”

Xie Qu snorted. “Didn’t Mr. Zhou ask us to distribute the resources to them? Then I’ll give them the resources!”

“As long as enough people die this time, they won’t dare to participate again even if we invite them next time!”

Yan Guiyi immediately understood and continued, “But... Only the people at the bottom level die, and none of the young masters of the aristocratic families die. is that reasonable?”

“What’s unreasonable about that?” Qu Xie sneered.

“The people at the bottom are weak to begin with. If the weak don’t die, should the strong die?”

Yan Guiyi suddenly understood. He couldn't help but sigh in his heart. The older the ginger, the spicier it was.

Thus, Yan Guiyi turned around and walked out.

He stood in front of everyone again and said slowly, "This trip will be fraught with danger. The association will try its best to ensure everyone's safety."

"Of course, if anyone is afraid, you can withdraw now."

The people below did not say a word. They had fought so hard for this opportunity, how could they let it go.

Yan Guiyi seemed to have guessed it long ago, so he was not surprised. Instead, he took out a total of 18 bracelets.

The bracelets were engraved with dense runes, which seemed to contain a special power.

"Each of you will get a copy of this bracelet. As long as you bring it, I will know everyone's location," Yan Guiyi said.

Then, Yan Guiyi asked someone to divide the bracelet.

After taking the bracelet, Qin Yu couldn't help but carefully examine it.

He injected a trace of spiritual power into the bracelet and found that it contained an extremely powerful power.

This force did not seem to be ownerless. It was obviously made by a special secret technique.

“I’m afraid there’s something strange in this bracelet.”Qin Yu could not help but frown slightly.

He raised his head to look at Yan Guiyi and shouted, “I don’t want to wear the bracelet. I also suggest that no one should wear it.”

Everyone immediately turned to look at Qin Yu, their eyes seeming to be somewhat puzzled.

Yan Guiyi said coldly, “Qin Yu, you’d better not cause trouble!”

Qin Yu ignored Yan Guiyi and shouted, “I suspect that this bracelet is used to control us. Once we wear this bracelet, we might become fish meat waiting to be slaughtered.”

Hearing Qin Yu’s words, the ordinary cultivators from the bottom level were all shocked.

In their hearts, Qin Yu was a god-like figure. Therefore, Qin Yu’s words held an extremely high weight in their hearts.

Above them, Yan Guiyi’s expression couldn’t help but turn cold, and his fists were slightly clenched.

He snorted coldly and said, “Whether you want to wear it or not, as long as you don’t wear this bracelet, you’re not qualified to participate in this experiential learning! This is the rule, it’s up to you!”

Qin Yu caressed the bracelet, and couldn’t help but frown.

“Mr. Qin, it’s better to wear it. Don’t those noblemen also wear a bracelet?”Someone at the side advised.

Qin Yu didn't say anything. Although he felt that this bracelet was strange, this experiential learning was an important opportunity, and Qin Yu couldn't miss it.

Therefore, he took a deep breath, and finally put the bracelet on his hand.

Seeing this scene, Yan Guiyi's lips curled into an imperceptible sneer.

He put his hands behind his back and said slowly, "After you put the bracelet on, let's get ready to set off."

The Jingdu Martial Arts Association was the benchmark of the martial arts world, so their financial resources were naturally very strong.

They had even booked a plane for this trip.

The plane passed through the high sky and flew toward the training island.

Sitting on the plane, Qin Yu could clearly feel several murderous auras coming towards him from the dark.

Two of them were the most powerful.

He turned around and looked at the two murderous auras. He found that the two murderous auras came from Han Wei and he teng!

He Teng was wearing a black robe. His face was covered by the black robe, only revealing his vulture-like eyes.

On the other hand, Han Wei's face was full of anger. His eyes were wide open, as if he wanted to Swallow Qin Yu whole.

Qin Yu narrowed his eyes and couldn't help but Snort coldly.

He slowly stood up and walked in the direction of He Teng. Then, he sat down beside him.

“I really didn’t expect that a beast like you would still be alive,”Qin Yu said coldly.

He Teng said in a somewhat hoarse voice, “If I didn’t kill you... how could I die...”

Seeing he Teng’s behavior, Qin Yu couldn’t help but mock, “With your current appearance that is neither human nor Ghost?”

Hearing this, a trace of anger flashed across He Teng’s face!

“If it wasn’t for you... how could I have become like this!”He Teng’s body was full of murderous intent!

“Qin Yu, don’t worry. If the Jingdu Martial Arts Association doesn’t kill you this time, I will personally kill you!”

Qin Yu narrowed his eyes and said, “I also want to see the guy hidden in your body.”

He Teng’s expression changed slightly again. He snorted coldly and didn’t say anything else.

The plane flew in the air for more than four hours before finally landing on a huge island.

As soon as he got off the plane, Qin Yu felt a thread of dense qi/spiritual energy.

This Qi/spiritual energy filled the entire island, causing the island to be lush and full of life.

The entire island was extremely huge. Qin Yu tried to release his spiritual sense, but he realized that his huge spiritual sense was unable to cover the entire island.

“The resources controlled by the Jingdu Martial Arts Association really live up to their reputation,” Qin Yu thought to himself.

Just the resources casually thrown out had such strong Qi/spiritual energy. Who knew how much more they had in such a place.

“From now on, everyone must listen to my orders,” Yan Guiyi said coldly with his hands behind his back.

It was getting late. Yan Guiyi said coldly, “Tomorrow morning, we will officially take action. Now, everyone should take a break.”

Hearing this, everyone immediately dispersed.

Some gathered to chat, some found a place to sleep, and some, like Qin Yu, wanted to make a move first.

The eighteen people had unknowingly formed three forces.

One was the Jingdu Circle represented by Yan Jinyao, one was an ordinary martial artist without any background, and the third was like Qin Yu, who traveled alone.

Qin Yu stood on the seaside. He bent down and picked up a handful of seawater to sniff.

“This seawater actually contains qi/spiritual energy.” Qin Yu was immediately incomparably surprised.

Humans were far from being able to explore the underwater world. No one knew what secrets were hidden under the sea.

“The Qi/spiritual energy on land has long been exhausted. Is there a possibility that all the Qi/spiritual energy has been deposited under the sea?” A bold idea popped up in Qin Yu’s mind!

He put down the sea water in his hand and planned to dive into the sea to investigate.

“Boom!”

At this moment, a loud sound suddenly came from not far away!

A bright ray of light directly illuminated a large area of the sky!

This sound instantly attracted everyone’s attention. Qin Yu’s gaze also unconsciously looked over.

Seeing the scene in front of him, Qin Yu couldn’t help but frown and his expression turned cold.

Chapter 589: Chapter 589, I Think You’re blind!

Not far away, a few people were gathered together.

One of the youths had a sunken chest and blood was flowing out of his mouth.

He sat on the ground, his body constantly curling backwards.

“What, is this a genius from the bottom?” A tall man said coldly.

This person's name was Ling Guan, and he was ranked sixth on the martial arts rankings!

His entire body was filled with flames, and he had a condescending attitude.

When the surrounding people saw this scene, no one dared to approach him.

Ling Guan continued to walk towards the youth. He raised his large hand and grabbed the neck of the youth who was vomiting blood, lifting him up into the air.

“Tell me, is this the ability of the bottom tier? Ants are indeed ants!” Ling Guan Roared, and he exerted force with his hand, directly throwing the youth out!

The young man spat out a mouthful of blood, and two bloody marks appeared on his neck.

Seeing this, Qin Yu didn't say anything and just watched quietly.

Ling Guan didn't stop. He strode toward the young man and stepped on the young man's chest.

“A bunch of ants trying to covet natural treasures,” Ling Guan said coldly.

The young man struggled with all his might. Because he used too much strength, blood started to flow from his seven orifices.

Everyone looked on coldly. Even the low-level martial artists just watched silently.

Not far away, Yan Guiyi saw this scene and couldn't help but smirk.

“Two people of different levels will clash sooner or later, but I didn't expect it to happen so quickly.” Yan Guiyi crossed his arms and sneered.

Qin Yu naturally understood this logic, but he had no intention of making a move.

The biggest weakness of these ordinary cultivators was that they would never band together.

They would never interfere unless it happened to them.

“Why don't you just hide in your small city? Why do you have to get involved in this mess?” Ling Guan's feet became stronger and stronger, as if he would be trampled to death by the young man at any moment.

“Say it, tell me!” Ling Guan shouted loudly.

“F * ck your mother!”

At this moment, a figure suddenly shot out!

He held onto the scarlet light in his hand and headed straight for Ling Guan!

The terrifying force caused even Ling Guan's expression to change slightly!

“Bang!”

The huge collision stirred up a hundred thousand feet of waves on the sea surface!

The two fists collided, but the two actually didn't gain any benefits!

“What bottom level? The top level? It’s all divided by the two of you. I, Chang Mang, am not convinced!” A tall young man shouted loudly.

Ling Guan narrowed his eyes and sneered, “What, you want to stand out? I think you’re courting death!”

Ling Guan let out an explosive shout and his body suddenly shot out explosively, shooting towards Chang Mang!

Chang Mang wasn’t afraid at all. His body was surging with flames, burning with a boundless red light!

Chang Mang let out an angry roar and his incomparably fierce fist collided with Ling Guan!

“Dang!”

Something shocking happened. Ling Guan actually took a few steps back, and the bones in his hand were almost broken!

“A member of an aristocratic family, you are only so-so. I, Chang Mang, will kill you right now!”

Chang Mang’s killing intent surged, and his aura was burning to the extreme!

His red fist contained the power to move mountains and overturn seas as it ruthlessly smashed towards Ling Guan!

His speed was even faster to the extreme!

Ling Guan’s expression changed slightly. He hurriedly activated his spell and formed a barrier in front of him!

“Kacha!”

However, Chang Mang’s strength was beyond his imagination. He actually directly shattered this barrier, and then headed straight towards Ling Guan!

“Boom!”

This punch landed squarely on Ling Guan’s body!

In an instant, ling Guan’s flesh was mangled and his bones shattered!

“I’ll kill you today!” Chang Mang went crazy. He did not have the slightest intention of stopping. Instead, he became even more frantic!

His pair of iron fists did not care about obstructing him and directly smashed towards Ling Guan’s head!

“Boom!”

Right at this moment, a black-gold light suddenly shot over from not far away and headed straight for Chang Mang’s side!

Under this light, Chang Mang was directly sent flying!

With a glance, he saw Yan Guiyi standing in front of Ling Guan, coldly looking at Chang Mang.

Chang Mang’s back was covered in blood from this blow, but he seemed to not know pain as he climbed up from the ground again!

He glared at Yan Guiyi, the murderous aura around his body growing stronger!

Seeing this, Qin Yu could not help but be slightly surprised.

This Chang Mang's body was actually so strong?

Yan Guiyi said coldly, "Attacking a companion is an unforgivable crime. This is a rule of the Jingdu Martial Arts Association."

As he spoke, a ball of black and gold light condensed on Yan Guiyi's palm.

This light pointed directly at Chang Mang, shockingly wanting to take his life!

"The lowest level is the lowest level. You will never understand what rules are!" Yan Guiyi shouted loudly, and the light in his hand immediately shot towards Chang Mang!

At this moment, a golden light blotted out the sky and covered the earth, blocking in front of Chang Mang!

The Golden Fist collided with the black-golden light!

In an instant, the entire surface of the sea seemed to have exploded, with a loud bang!

The waves hit the rocks, and the sound of crashing was heard.

Looking over, they saw Qin Yu standing in front of Chang Mang.

Although he was not tall, he was filled with a sense of security.

Yan Guiyi narrowed his eyes and said coldly, "Qin Yu? Do you want to meddle in other people's business?"

“Meddle in other people’s business?”Qin Yu sneered.

“As the team leader, why did you attack Chang Mang?”

Yan Guiyi snorted and said, “He hurt people first. As the team leader, I naturally have to get rid of such an unstable person.”

“Hurt People First?”Qin Yu couldn’t help but feel like laughing.

“Why didn’t you take action when Ling Guan was bullying people just now? Why? Is it a capital crime for us to rebel at the bottom? Only state officials are allowed to set fires, and commoners are not allowed to light lamps?”

Yan Guiyi’s expression changed, and he snorted lightly. “That’s because I didn’t see it just now.”

“Didn’t see it? I think you’re blind. Since your eyes are useless, why don’t you just take them out and throw them away?”Qin Yu said coldly.

Yan Guiyi couldn’t help but smile. His internal Qi slowly rose, and a strong killing intent swept across the whole place!

“Qin Yu, you slandered the captain. I have the right to punish you,”Yan Guiyi said with narrowed eyes.

Qin Yu’s body emitted a golden light. He sneered and said, “Can’t hold it in any longer?”

“Captain Yan, you... You’re too much of a bully!”At this time, another person stood up!

“Yes! We saw it clearly. It was clearly that Ling Guan who bullied US first. If you want to punish him, you have to punish Ling Guan First!”

His words stirred up a thousand waves. In an instant, all the low-level martial artists started shouting.

This made Yan Guiyi's expression become even colder. He snorted coldly and said, "What a bunch of unruly things! Fine, then I'll teach you what etiquette is!"

As he spoke, Yan Guiyi closed his eyes slightly and muttered something.

Chapter 590: Chapter 590, inner core!

As Yan Guiyi recited the spell, rays of light suddenly lit up on everyone's wrists!

Then, the runes on the bracelet began to emit a dense power that covered everyone's bodies!

In an instant, an extremely terrifying power pressed down on their bodies!

Not only that, that power seemed to be able to corrode people's spiritual sense, causing their brains to rumble!

"Ah!!!"

In an instant, everyone at the bottom level felt as if they had received a tremendous force, wailing incessantly.

They fell to the ground, rolling their bodies non-stop to alleviate the pain.

Even Qin Yu's expression was extremely unsightly, but he did not say a word, enduring the pain with all his might.

“HMPH, you don’t know life from death.”Yan Guiyi placed his hands behind his back, sneering.

“This is the consequence of resisting! A bunch of ants. Do you really think you’re some kind of Heaven’s favorite?”

Qin Yu gritted his teeth. Looking at the pained expressions on everyone’s faces, a wave of anger rose from the bottom of his heart.

Qin Yu forcefully supported his physical body. He held a golden light in his hand and walked toward Yan Guiyi step by step!

“HM?”Yan Guiyi raised his eyebrows and then sneered, “As expected of someone who forced his way up the stairway to heaven. You can even withstand this?”

“F * ck you!”Qin Yu roared. He endured the pain and clenched his fist as he charged at Yan Guiyi!

However, Qin Yu’s body was in pain and his internal Qi was less than one-tenth of his strength. How could he hurt Yan Guiyi?

Yan Guiyi waved his hand and sent Qin Yu flying!

“You dare to fight with me?”Yan Guiyi walked toward Qin Yu.

Internal Qi burst out from his hand, and a sharp blade condensed in his palm.

“Since you are so disobedient, I will kill all of you,”Yan Guiyi narrowed his eyes and said.

“Captain Yan.”

At this moment, Yao Meng suddenly walked out.

She smiled and said, “Mr. Yan, even if they are at fault, they don’t deserve to die. Your casual and indiscriminate killing will easily arouse the dissatisfaction of everyone.”

Yan Guiyi frowned slightly. Just as he was about to speak, Xiao Yuan also walked over from the side.

“Miss Yao is right, Mr. Yan. It’s easy for people to think that you are using the public to seek personal revenge,” Xiao Yuan said with a faint smile.

Yan Guiyi’s frown deepened. He took a deep breath, then snorted softly and withdrew his power.

Everyone was able to breathe, and their faces were extremely pale.

Yan Guiyi, on the other hand, was a little unhappy.

He had thought that he could do whatever he wanted on this island, but he had never expected that these people were not as simple as he had imagined.

“On account of Miss Yao and Young Master Xiao, I forgive you this time,” Yan Guiyi snorted coldly.

“I’m telling you, on this island, you must listen to my orders. If there’s a next time, I won’t show Mercy!”

With that, Yan Guiyi flicked his sleeves and left.

Yao Meng and Xiao Yuan walked to Qin Yu. They helped Qin Yu up and said with a smile, “Are You Alright?”

Qin Yu wiped the sweat from his forehead and shook his head. "I'm fine. Thank you both."

Yao Meng chuckled. "Mr. Qin, you must be joking. Although we are not the same kind of people, I believe that no one will agree if Yan Guiyi wants to kill the innocent."

"That's right. The ancient emperors had to find an excuse to kill people." Xiao Yuan also laughed.

Qin Yu nodded and did not say anything more.

He lowered his head and looked at the bracelet in his hand. His expression could not help but turn ugly.

The power of this bracelet was completely beyond his imagination. It was almost impossible to resist it.

"If this continues, I'm afraid I'll really be at the mercy of others." Qin Yu took a deep breath.

Everyone's faces didn't look too good.

Although they came from the bottom, which one of them wasn't a proud son of heaven?

Now that they were being treated like this, how could their proud hearts accept it?

"Qin Yu, thank you very much." Chang Mang also walked forward and said.

Qin Yu looked at Chang Mang and said with a smile, "To be honest, you quite surprised me."

Chang mang snorted, “What’s there to be surprised about? If I was stronger than Yan Guiyi, I would definitely kill him!”

As he spoke, Chang Mang clenched his fists, and a crimson aura ignited once again from his internal Qi.

“Speaking of which, your physical body is really surprising,”Qin Yu said after the difference between them reached that crimson color.

Chang mang nodded and said, “Yes, I have been extremely strong since I was young. I also found it strange, until someone said that I was some kind of saintly being and then brought me to cultivate.”

“Saintly being?”A trace of shock flashed across Qin Yu’s face!

This Chang Mang was actually a saintly being? One had to know that this kind of physique was one of the top physiques in the world!

“In other words... that scarlet color is because of your physique?”Qin Yu asked.

“Yes.”Chang Mang nodded.

“In that case, it should be the same as my golden color,”Qin Yu thought to himself.

This also made Qin Yu involuntarily think of Jiang Gu’s body.

His body was also a saintly being, but it didn’t have this scarlet color.

Perhaps it was because that saintly being didn’t belong to Jiang Gu.

After this incident, the circles were officially divided.

The jingdu circles led by Yan Jinyao, and the ordinary circles led by Qin Yu.

Perhaps it was because of Qin Yu's strength, that night, the people of the Jingdu circles didn't come looking for trouble.

The next day.

Everyone stood on the beach, waiting for Yan Guiyi's order.

Yan Guiyi swept his gaze over everyone and coldly said, "Since it's training, there's naturally no lack of danger. and on this island, the most important resource is the demonic beasts."

"As long as you kill the Demonic Beasts, you will be able to obtain an inner core. All the inner cores you obtain must be handed over, and they will be distributed by me."

Hearing this, Qin Yu could not help but laugh coldly.

Let Yan Guiyi distribute them? Then wouldn't the low-level circle be reduced to a part-time job?

In their lives, they belonged to the level of being exploited. Now that they had come to this island, they were still going to be exploited?

"How interesting." Qin Yu could not help but laugh coldly in his heart.

Yan Guiyi swept his gaze across the crowd. He had his hands behind his back, as if he was silently reciting some kind of spell.

"Soul Guiding spell. The Jingdu Martial Arts Association actually knows Soul Guiding Spell." In the dark, he teng's mouth muttered softly.

Back then, he teng had also used soul guiding spell to summon a dragon spirit, and Yan Guiyi's soul guiding spell was clearly of a higher level.

As he recited the spell silently, the surface of the sea suddenly churned with huge waves!

Then, a huge demonic beast roared and rose!

This demonic beast was at least ten meters tall and looked extremely horrifying!

Not only that, its aura was also extremely violent. With just a roar, it shook the earth and caused it to buzz!

For a moment, everyone was frightened by this demonic beast!

Yan Guiyi said coldly, "This is a demonic beast. Kill it and you will get the internal Qi."

"And the Internal Qi of a demonic beast is equivalent to the golden core in Marquis Wu's body!"

Qin Yu's eyes narrowed, and a trace of pleasant surprise flashed across his face.

It was equivalent to the golden core in Marquis Wu's body? In other words, as long as he killed enough demonic beasts, he would have the chance to become a martial saint?
