Chapter 61: Appointment with Miss Yan

Upon hearing this, Lincheng's expression immediately changed!

He knew very well that Qi Yang wasn't bribed, but the difference in strength was too great!

Qin Yu's strength was something that even Lincheng couldn't rival!

"You're too big for your britches. Do you think you're a match for my father?" Before Lincheng could say anything, Lin Wan had already started chattering at the side.

Qin Yu ignored Lin Wan. Instead, he looked coldly at Lincheng and said, "Mr. Lin, please."

Lincheng took a deep breath and said with a shameless smile, "Even if you want to fight, you have to fight Mr. Zheng. Where does a disciple like you get the right to do that?"

"If you don't have the guts, just say you don't have the guts. I won't beat you up then," Qin Yu said indifferently.

Hearing this, Lin Wan shouted again, "Gee, you're so full of yourself. Who do you think you are?"

Then, Lin Wan shouted at Lincheng, "Dad, teach him a lesson and take revenge for me. Break his legs!"

Lin Wan was forcing Lincheng into a dead end!

At this moment, Lincheng really wanted Lin Wan to shut up!

“Mr. Lin, Miss Lin is right. Teach this cocky guy a lesson,” the others also shouted.

“Yes, Mr. Lin, just think of it as educating the younger generation.”

“Mr. Lin, beat him up!”

Countless people jeered, making it difficult for Lincheng to back down.

If he went on stage, he would definitely lose to Qin Yu today.

But if he didn't go on stage, the Lin Family Martial Arts School's reputation would be ruined.

“My... my stomach isn't feeling well,” Lincheng said shamelessly.

Qin Yu sneered while saying, “Mr. Lin, I'm afraid you don't know that I'm also a doctor. The Soul Nourishment Pill that is popular in Jiangcheng was produced by me.”

“I can testify,” Lance quickly said.

Lincheng gritted his teeth. Just as he was about to find another excuse, Qin Yu took a step forward and said, “It seems that you really don't have the guts to. Are you worthy of being called the number one martial artist in Jiangcheng?”

“Kid, don't get too cocky!” Lincheng's tone contained some anger.

He roared and then raised his feet to walk towards the stage.

“Don't think that I'm really afraid of you?! I just don't want to hurt you,” Lincheng said with a cold expression.

Qin Yu narrowed his eyes slightly and said coldly, “People like you really disgust me. Your daughter said that she would break my legs. I'm

also a reasonable person. I'll only break both of your legs. I definitely won't kill you."

Lincheng's expression changed drastically! Just as he was about to speak, Qin Yu had already walked over!

Qin Yu's speed was extremely fast. The gust of wind from his fist was terrifying. Lincheng was alarmed!

Qin Yu's strength was far beyond his imagination!

"Oh no!" Lincheng was alarmed and hurriedly retreated.

However, Qin Yu didn't give him a chance. In an instant, he arrived beside Lincheng and kicked Lincheng's calf.

With a crisp crack, Lincheng's calf was bent!

"Ah!!" Lincheng couldn't help but scream due to the intense pain!

Qin Yu didn't stop there. He raised his foot again and kicked another calf.

With another crisp crack, Lincheng's legs bent backward in a strange arc!

Without the support of his legs, Lincheng directly knelt on the ground!

"Alright, I've broken both of your legs. We're even now," Qin Yu said coldly.

Lincheng, his face distorted from the pain, clasped his legs!

Beads of sweat dripped down his forehead and he seemed to be in extreme anguish!

The venue was silent.

After a short period of silence, there was an uproar!

“How is this possible? Mr. Lin didn’t even have the strength to fight back?”

“The number one martial artist in Jiangcheng lost just like that?”

“D*mn, this young man called Qin Yu... is actually that impressive?”

“So... Mr. Zheng didn’t bribe Qi Yang at all?”

“No wonder he was favored by the Yan family...”

Lincheng’s expression was extremely unsightly. He wished he could find a hole to hide in!

If he had known earlier, he wouldn’t have offended Qin Yu!

“Dad, Dad, are you alright?!” Lin Wan hurriedly ran in front of Lincheng.

She raised her head and glared at Qin Yu fiercely. “You’re so ruthless!”

“He brought it on himself,” Qin Yu said coldly.

“You, his daughter, also have to bear some of the responsibility.”

After Qin Yu said this, he turned his head and walked off the stage.

“Call an ambulance...” Lincheng used all his strength to say these words.

“Yes, yes, call an ambulance!” Lin Wan took out her phone in a panic.

Meanwhile, Qin Yu had already left the stadium with Zheng Mingshuo and the others.

In the car that was heading back, Mr. Zheng couldn’t help but cup his hands and say, “Mr. Qin, thank you for your help. I will definitely repay you!”

After saying that, Zheng Mingshuo looked at his disciple beside him and said, "From today onwards, the Zheng Family Martial Arts School will take out 10% of the profits and gift it to Mr. Qin."

Upon hearing Zheng Mingshuo's words, Qin Yu was deeply astonished.

He waved his hand and said, "Mr. Zheng, there's no need. You've already given me a ginseng."

"No, that ginseng is only for Mr. Qin to help," Zheng Mingshuo said somewhat stubbornly.

"Mr. Qin's actions today will bring the Zheng Family Martial Arts School a very high increase in profits. You deserve 10% of the profits," Zheng Mingshuo said sincerely.

Seeing this, Qin Yu didn't refuse.

They returned to Dragon Paradise.

"Mr. Qin, if you have time tonight, I'd like to treat you to a meal," Zheng Mingshuo said.

Just as Qin Yu was about to agree, his phone suddenly rang.

He picked up the phone and saw that the caller was Yan Ruoxue.

Qin Yu hurriedly walked to the side and picked up the phone.

"Miss Yan." Qin Yu's tone carried a hint of gentle mirth.

"Doctor Qin, what are you doing?" Yan Ruoxue asked playfully.

Qin Yu smiled and said, "Nothing, I'm just idling at home."

“Then... accompany me to a dance party tonight? I need a companion,” Yan Ruoxue said.

Qin Yu hadn't seen Yan Ruoxue for a few days, and he missed her immensely.

Therefore, Qin Yu agreed without thinking.

After hanging up the phone, Qin Yu turned around and walked back to Zheng Mingshuo's side.

“Mr. Zheng, I'm afraid I don't have time tonight,” Qin Yu said with a smile.

“Mr. Qin... Do you have an appointment?” Zheng Mingshuo asked tentatively.

Before Qin Yu said anything, Yao Qing, who was at the side, teased, “Seeing how he's smiling so happily, it must be his appointment with Miss Yan.”

“Screw you.” Qin Yu kicked Yao Qing's butt.

Zheng Mingshuo also had a look of sudden realization. He cupped his hands and said, “Then I won't disturb you, Mr. Qin..”

Chapter 62: Who Are You Calling a B*stard?

Qin Yu didn't care about the banquet, he just wanted to see Yan Ruoxue.

At night.

A Bentley that was used to take pictures in Jingdu stopped at the door.

Yan Ruoxue rolled down the window and waved at Qin Yu.

Qin Yu quickly trotted to the front of the car.

“Get in the car.” Yan Ruoxue blinked.

Qin Yu got into the car and sat next to Yan Ruoxue.

It wasn't known whether it was because of the hot weather, but Yan Ruoxue's face was flushed, which made her look even more attractive under the moonlight.

Qin Yu kept staring at Yan Ruoxue and was so mesmerized that he was unable to look away.

“Have you seen enough?” Yan Ruoxue reached out and patted Qin Yu's head.

Only then did Qin Yu come back to his senses. He rubbed his nose resentfully, looking a little embarrassed.

“Let me tell you a piece of good news,” Yan Ruoxue said.

“What good news?” Qin Yu hurriedly asked.

Yan Ruoxue smiled and said, “Recently, the market share of the Shen family's products in Chuzhou has been dropping non-stop. In just a few days, it has dropped by nearly 10% .”

“I think it won't be long before Shen Tian comes to find you,” Yan Ruoxue snickered.

This gave Qin Yu a pleasant surprise. He had thought that it would take at least a month for it to take effect, but it had far exceeded his expectations.

“Qin Yu, let me ask you a question.” At this moment, Yan Ruoxue suddenly said with a serious expression.

“What question?” Qin Yu asked.

Yan Ruoxue tousled her hair and said with a smile, “If Shen Yun came to beg you, would you let him off the hook?”

Hearing this question, Qin Yu fell into a short silence.

Ever since he was a child, Qin Yu had always been merciful. Even if someone had hurt him, Qin Yu would forgive them.

But as he grew older, Qin Yu slowly realized that his benevolence not only wouldn't help him gain the respect of other people, but he would even be looked down upon by other people.

After thinking for a long time, Qin Yu shook his head and said, “No, I won't be merciful to him, and I won't let him off.”

Yan Ruoxue nodded slightly and smiled.

Although she didn't say anything, it could be seen that Yan Ruoxue was very satisfied with this answer.

The secretary sitting in the front row said offhandedly, “The Shen family has been prominent for many years, so even if it declines, it won't be so easy to deal with.”

Qin Yu knew that this secretary looked down on him, so.., he replied in a neither servile nor overbearing manner, “Maybe you think too highly of the Shen family, or maybe you look down on me too much, but the trifling Shen family can't stop me, and he isn't my target.”

Hearing this, the secretary turned his head.

He looked at Qin Yu with some surprise, and then secretly glanced at Yan Ruoxue, as if he was very surprised by Qin Yu's words.

It wasn't for other reasons, but because Yan Ruoxue had also said these words.

"If you can really eliminate the Shen family, I might look at you in a new light," the secretary said indifferently.

Qin Yu shook his head and said, "I don't need you to look at me in a new light, because I don't care about your opinion at all."

"You!" The secretary was instantly rendered speechless by the snub.

Yan Ruoxue, who was at the side, secretly laughed.

...

The car arrived at a hotel, and the party was set up on the rooftop of the hotel.

"Wait for me here," Yan Ruoxue said to the secretary.

"Yes, Miss," the secretary nodded.

Then, Yan Ruoxue and Qin Yu walked into the hotel together.

When they came to the rooftop, Yan Ruoxue stretched out her arm and rolled her eyes. "Do you still need me to teach you what to do?"

Qin Yu froze, then quickly reached out and held Yan Ruoxue's arm.

"I've never attended such an occasion before..." Qin Yu said with some embarrassment.

"It's okay. There will be more opportunities in the future," Yan Ruoxue said with a smile.

At this moment, two other people also came to the banquet.

“Mr. Lin is still lying in the hospital. I’m not feeling too well. Why must I attend this banquet?” Qi Yang said with some helplessness.

His ribs were in pain, but he had to endure it. This was simply torture.

“Ugh, even if I stay in the hospital, I can’t help much. Besides, I’ve never attended this kind of cocktail party before!” Lin Wan said in a petulant voice.

Qi Yang frowned. He was getting increasingly annoyed with Lin Wan.

Soon, the two of them arrived at the rooftop.

After showing the invitation, the two of them walked straight into the cocktail party’s venue.

“Wow! This place is so lavish!” As soon as they entered the cocktail party, Lin Wan shouted excitedly!

Qi Yang also said with some pride, “Although I’m not from Jiangcheng, I have a lot of friends in Jiangcheng.”

“This hotel is the tallest building in Jiangcheng. Standing here, you can overlook more than half of Jiangcheng!” Qi Yang said proudly.

Lin Wan quickly nodded and said, “Standing here gives me a lofty feeling!”

Qi Yang laughed and said, “I’ll bring you to meet my friend later. He is a big shot in Jiangcheng!”

As soon as he said that, Qi Yang suddenly frowned and saw Qin Yu a short distance away.

“Why is he here?” Qi Yang frowned and asked.

Ever since he witnessed Qin Yu's strength, Qi Yang became terrified of Qin Yu.

It was definitely not a good thing to meet him at this cocktail party.

"I hope Lin Wan won't see him," Qi Yang thought to himself.

He knew very well that if Lin Wan saw him, she would definitely go over and provoke him.

Moreover, Qi Yang could also tell that Qin Yu didn't hit women. When the time came, he might vent his anger on himself.

"Huh? That b*stard is actually here!" At this moment, Lin Wan suddenly shouted.

Qi Yang's expression instantly darkened.

What he was afraid of came true.

"Qi Yang, look, it's that B * Stard. Let's go. I'm going to scold him to vent my anger!" Lin Wan said angrily.

Qi Yang coughed and said, "Forget it? It's not good to cause trouble at this cocktail party..."

"It's fine. If Qin Yu dares to get violent here, the owner of the hotel definitely won't forgive him!" Lin Wan said smugly.

Even though that was the case, Qi Yang was still a little afraid.

The experience from the last time they fought still frightened him completely.

"Qi Yang, are you afraid?" Lin Wan rolled her eyes.

Hearing this, Qi Yang immediately braced himself and said, “I’m afraid? Why would I be afraid of him? I’m just about to settle the score with him! Let’s go!”

After saying that, the two of them walked towards Qin Yu.

On the way, Qi Yang kept praying in his heart, “I hope Qin Yu doesn’t dare to make a move, or else I’ll really have to go to the hospital...”

Very soon, the two of them arrived behind Qin Yu.

“You b*stard, you actually came!” Lin Wan shouted from behind.

Hearing the two of them shouting, Qin Yu and Yan Ruoxue turned their heads at the same time.

Looking at the two of them in front of him, Qin Yu couldn’t help but frown and say, “Qi Yang, I was kind enough to show mercy to you, but you still want to find trouble?”

“I . . .” Qi Yang opened his mouth but didn’t dare to say anything for a moment.

“Cut the crap!” Lin Wan shouted loudly.

“What right do you have to participate in this kind of upscale cocktail party? You hurt my father. Do you think you will be let off the hook?” Lin Wan snorted and said.

“B*stard, you’d better disappear right now, or I’ll beat you to death!” Lin Wan shouted defiantly.

Qin Yu frowned slightly.. Just as he was about to speak, Yan Ruoxue, who was beside him, suddenly said, “Who are you calling a b*stard?”

Chapter 63: Lin Wan Gets Served

Yan Ruoxue's expression was a little cold, and her powerful aura instantly intimidated Lin Wan.

Lin Wan, who had always been fearless, was actually unable to speak at this moment.

“What does it have to do with you?!” Lin Wan braced herself and said.

Yan Ruoxue looked coldly at Lin Wan and said, “You said he's a b*stard?”

“That's right, he's a b*stard!” Lin Wan snorted and said.

However, just as Lin Wan finished speaking, a clear palm print appeared on her face.

Yan Ruoxue raised her hand and slapped Lin Wan's face!

Lin Wan covered her face and was stunned for a moment.

In all her life, no one had ever hit her!

“You... you actually dared to hit me?” Lin Wan widened her eyes and shouted in shock.

Yan Ruoxue said in an icy tone of voice, “If you dare to talk nonsense again, I will tear your mouth apart and make you unable to speak forever.”

“You... I'm gonna beat you black and blue!” Lin Wan pounced towards Yan Ruoxue.

Unfortunately, Lin Wan had just raised her hand when she received another slap from Yan Ruoxue.

The two consecutive slaps had stupefied Lin Wan, and her eyes were brimming with tears.

“You’re dead meat. I won’t let you off the hook!” Lin Wan said through gritted teeth.

Then, Lin Wan looked at Qi Yang and said angrily, “Qi Yang, quickly call your friends out and chase them out!”

Qi Yang coughed and braced himself to walk forward.

“How can you hit people? The boss here is my friend!” Qi Yang tried his best to maintain an arrogant attitude.

At this moment, Qin Yu took a step forward and said with a smile, “Miss Yan, leave this person to me.”

Yan Ruoxue didn’t refuse and nodded in agreement.

However, Qi Yang was frightened by this address.

Miss Yan? There weren’t many people with the surname Yan in the entire Jiangcheng!

Coupled with her powerful aura and the fact that she was standing beside Qin Yu...

Could it be that she was Yan Ruoxue from Jingdu?

When he thought of this, Qi Yang’s expression immediately changed!

He immediately changed his expression and said with a smile, “Gee, it’s all a misunderstanding. Qin Yu, this is Lin Wan’s fault. I will definitely teach her a good lesson!”

This caused Qin Yu, who was about to make a move, to freeze for a moment.

Why did Qi Yang, who was arrogant just a moment ago, change his expression in the blink of an eye?

“Qi Yang, what are you talking about?!” Lin Wan said angrily.

Qi Yang tugged Lin Wan and apologized, “I’m sorry. I’m sorry. We’ll leave now...”

After saying that, Qi Yang dragged Lin Wan to the side.

After walking far away, Lin Wan said angrily, “What do you mean?! That woman slapped me twice and you’re still apologizing to them?”

Qi Yang suppressed his anger and said, “Do you know who that woman is? If you provoke her, your family will be dead meat!”

“I don’t give a hoot about who she is. She has to pay the price for hitting me!” Lin Wan said with a bit of viciousness.

Qi Yang impatiently waved his hand and said, “If you want to dig your own grave, then do it yourself. Don’t implicate me!”

After saying that, Qi Yang directly walked to the side.

...

At the banquet venue, Yan Ruoxue and Qin Yu sat down.

“Do you want to dance together?” Yan Ruoxue asked with a smile.

Qin Yu hurriedly shook his head and said, “No, no, no. I don’t know how to dance, and I don’t like it either.”

Yan Ruoxue didn't insist and said with a smile, "Alright then. I'll introduce you to a friend later."

More than ten minutes later, a middle-aged man in a suit and leather shoes hurried over.

"Miss Yan, I'm really sorry. I was delayed by something at home," the middle-aged man said while wiping his sweat.

Yan Ruoxue smiled and said, "Mr. Wei, you don't have to be so polite. Please take a seat."

The man called Mr. Wei hurriedly nodded and sat down.

Then, Yan Ruoxue smiled and said, "Let me introduce you. This is Chuzhou's bank manager, Wei Jiang."

After saying that, Yan Ruoxue looked at Qin Yu and said, "This is Qin Yu."

Wei Jiang quickly stood up and shook hands with Qin Yu warmly.

"Mr. Qin, you've been quite famous recently. Your name has taken Chuzhou by storm," Wei Jiang said with a polite smile.

Qin Yu knew that Wei Jiang was just being polite, so he quickly said, "Thank you, Mr. Wei."

"Mr. Wei, is your wife okay?" At this time, Yan Ruoxue suddenly asked.

Wei Jiang sighed and said, "The situation isn't optimistic. I just hired a famous doctor from abroad, and it was because of this matter that I was delayed."

Yan Ruoxue smiled as she looked at Qin Yu and said, “It just so happens that Mr. Qin is also a doctor. He may be able to help you.”

Wei Jiang looked at Qin Yu and pretended to be surprised. “Mr. Qin is a Chinese doctor?”

“Er... sort of.” In fact, Qin Yu didn’t know exactly what he was.

“Then I’ll have to trouble you, Mr. Qin,” Wei Jiang said with a smile.

“Qin Yu, Mr. Wei entrusted his wife to you. You can’t let him down.”

Yan Ruoxue winked at Qin Yu.

Qin Yu nodded and couldn’t help but sigh to himself.

Chuzhou Bank was the largest bank in Chuzhou. Almost all commercial loans were approved by Chuzhou Bank.

How could Qin Yu not understand Yan Ruoxue’s intentions? She was clearly paving the way for him....

Chapter 64: Harum-scarum Lin Wan

Qin Yu naturally understood Yan Ruoxue’s good intentions.

Wei Jiang, who wasn’t far away, seemed a little troubled. He didn’t want Qin Yu to help, but Yan Ruoxue’s words gave him no way out.

At this moment, whether he was willing or not, he had to agree.

“Then I can only trouble Mr. Qin,” Wei Jiang was forced to say with a smile.

Qin Yu was also quite helpless. Although his medical skills were superb, not many people recognized him, so Wei Jiang couldn’t be blamed for this.

After the banquet, Yan Ruoxue sent Qin Yu to Dragon Paradise.

The car stopped at the entrance, but the two of them weren't in a hurry to get out.

At this time, Yan Ruoxue suddenly looked at Qin Yu and asked, "Qin Yu, if one day, I return to Jingdu, can you take care of yourself?"

Hearing this, Qin Yu froze. He hurriedly asked, "Miss Yan, are you returning to Jingdu?"

Yan Ruoxue shook her head and said, "Not yet, but there will be a day when I return."

Qin Yu opened his mouth, but he didn't know what to say.

Yes, Yan Ruoxue had to return to Jingdu sooner or later. That was her home.

But with Qin Yu's current ability, going to Jingdu was equivalent to forcing himself into a dead end.

Yan Ruoxue was a wealthy heiress. Even in Jingdu, she was a prominent figure. There were probably countless people chasing after her.

With Qin Yu's current abilities, Yan Ruoxue was way out of his league.

"If you return to Jingdu, I will try to go to Jingdu to see you and propose marriage as soon as possible," Qin Yu took a deep breath and replied seriously.

Hearing Qin Yu's reply, Yan Ruoxue blinked her eyes and said, "With this promise, I'm satisfied."

After Yan Ruoxue let Qin Yu off, she returned to the Yan family's manor.

The next day, Yan Ruoxue was going out to participate in an event downtown.

Not long after she went out, her car was stopped by a few people.

“Miss Yan, there are two cars blocking our way,” the driver frowned and said.

Yan Ruoxue looked up and couldn't help but feel a little astonished.

There was someone in Jiangcheng who dared to block her car?

“Miss Yan, please wait a moment. I'll go down and take a look,” the secretary said.

“No need.” Yan Ruoxue shook her head.

She opened the car door and got out of the car.

After Yan Ruoxue got out of the car, seven to eight people jumped out of the cars blocking the road in front.

The leader was a young man with gold-rimmed glasses, and the one following him was actually Lin Wan!

When she saw Lin Wan, Yan Ruoxue's expression couldn't help but turn cold.

“B * tch, I've been waiting for you for a long time!” Lin Wan angrily ran in front of Yan Ruoxue.

“Jiang Tao, he's the one who hit me!” Lin Wan said angrily.

The young man called Jiang Tao walked over with a smile. When he saw Yan Ruoxue's face clearly, he couldn't help but gasp!

This woman was too beautiful! It wouldn't be an exaggeration to say that no one in the nation rivaled her beauty! He had never even seen such a beautiful woman in beauty contests!

"Jiang Tao, hurry up and teach him a lesson!" Lin Wan urged from the side.

Jiang Tao smiled. He walked in front of Yan Ruoxue and said nonchalantly, "Miss, seeing how beautiful you are, I really can't bear to do it."

"How about you apologize to Lin Wan and let this matter pass?" said Jiang Tao.

Yan Ruoxue looked at Jiang Tao coldly and said, "Get lost."

Jiang Tao froze, and a hint of displeasure appeared on his face.

"Although I'm merciful towards women, it doesn't mean that I don't have a temper," said Jiang Tao coldly.

Lin Wan, who was at the side, cursed, "Weren't you very cocky yesterday? Didn't you slap me yesterday? Show me your arrogance again today!"

"Okay." Yan Ruoxue raised her hand and slapped Lin Wan again!

Lin Wan froze, and then she shouted crazily, "You're dead meat. I'm going to kill you, you b * tch!"

Jiang Tao, who was at the side, also said with a cold expression, "Since you refuse to back down for my sake, don't blame me for being rude!"

"Wait."

At this moment, the secretary suddenly got out of the car.

He walked all the way to Jiang Tao and said with a smile, “May I ask if your name is Jiang Tao?”

Jiang Tao froze and frowned, “You know me?”

The secretary continued, “The son of Deputy Mayor Jiang?”

Hearing that, Jiang Tao immediately said with some pride, “That’s right! Since you know who I am, then hurry up and admit your mistake!”

The secretary pushed up his glasses and sneered while saying, “Even your father wouldn’t dare to say that.”

“You’re bluffing. Who do you think you are?” Jiang Tao couldn’t help but burst into laughter!

“If your father still wants his job, you’d better ask him to come over and apologize,” Yan Ruoxue said coldly.

“Ask my father to apologize? You’re too big for your britches!” Jiang Tao said angrily.

“No one in Jiangcheng dares to boast about something so over the top!”

Seeing this, the secretary stopped talking.

He took out his cell phone and dialed a number.

After the call was connected, Deputy Mayor Jiang said politely, “Why isn’t Miss Yan here yet? We have been waiting for her for a long time!”

The secretary sneered and said, “Mr. Jiang, I’m afraid Miss Yan can’t go today. Your son blocked the road and threatened to beat Miss Yan.”

“Mr. Jiang, let me remind you that you’d better handle it properly.”

After saying that, the secretary hung up the phone.

“You’re so pretentious.” Jiang Tao wasn’t intimidated.

“Do you really think you’re some big shot?” Jiang Tao sneered.

Lin Wan, who was next to him, cursed, “That’s right. What Miss Yan? Do you think we’re afraid of you because you’re from Jingdu?”

“That’s right, what do you think... ?” Before Jiang Tao could finish his sentence, he suddenly reacted.

“You... Who did you say she was?” Jiang Tao grabbed Lin Wan’s arm and said anxiously.

“Miss Yan from Jingdu, what’s wrong... ?” Lin Wan asked, somewhat puzzled.

Hearing this, Jiang Tao felt even more apprehensive and remorseful!

He gritted his teeth and slapped Lin Wan!

“You screwed me over!” Jiang Tao roared angrily.

After saying that, Jiang Tao hurriedly looked at Yan Ruoxue and said with a trembling voice, “Miss... Miss Yan, I didn’t know it was you. Sorry for offending you. I hope you can forgive me...”

Yan Ruoxue glanced at Lin Wan coldly and didn’t say anything.

“Let’s go home.” Then, Yan Ruoxue went straight back to the car.

Jiang Tao was on edge. Jiangcheng City dedicated a lot of manpower and resources to convince Yan Ruoxue to attend this meeting.

But now, because of him, the meeting was canceled!

“I’m dead meat...” Jiang Tao’s expression was extremely ugly.

At this moment, Jiang Tao’s phone rang.

He picked up the phone and saw that it was his father calling.

Jiang Tao picked up the phone with a trembling voice and quivering lips, “Dad... Dad, what’s wrong?”

“What’s wrong? Are you trying to dig your own grave? Hurry up and get back here!” Deputy Mayor Jiang cursed on the other end..

Chapter 65: Encountering an Old Classmate

After hanging up the phone, Jiang Tao felt extremely remorseful.

“Jiang Tao, what’s going on? Isn’t your father the deputy mayor...” Lin Wan whispered.

Jiang Tao, wishing he could kill Lin Wan, glared at her!

“Teach this woman a lesson and throw her back to the Lin Family!” Jiang Tao said with a cold expression.

“Yes, Jiang Tao.” A few people immediately went forward and dragged Lin Wan to the car.

...

At this time, the market share of the Shen family was still declining, and the capital flow was also encountering difficulties.

“Mr. Shen, our capital has encountered a huge problem.” Shen Yun’s secretary sighed.

Shen Yun, his expression cold, stood in front of the window.

He was silent for a moment and said, "It's okay. The loan I just applied for will probably come down soon."

"But... our market share is still declining." The secretary sighed.

Shen Yun didn't say anything. He held the soul nourishment pill in his hand and couldn't help but fall into deep thought.

He had never thought that such a small pill would actually bring such a big loss to the company.

What was even more unexpected to Shen Yun was that Yan Ruoxue had already predicted that the Shen family's funds would run out and that the loan would be approved.

That was why she had introduced Qin Yu to the president of the Chuzhou Bank.

Everything seemed to be within Yan Ruoxue's expectations.

...

"Mr. Qin, where are we going?" At this moment, Qin Yu and Yao Qing had already arrived at the bus stop.

Qin Yu smiled and said, "To the provincial capital."

Although Wei Jiang had suggested bringing his wife to Jiangcheng, she was still a sick person after all. She couldn't withstand fatigue, so Qin Yu had rejected it.

Standing at the entrance of the bus station, Qin Yu and Yao Qing bought two tickets.

"Mr. Qin, why don't you buy a car? Taking a bus is too degrading," Yao Qing muttered in a low voice while sitting in the waiting room.

Qin Yu rolled his eyes and said, “I’m just an ordinary person. What’s so degrading about taking a bus?”

“I didn’t mean that,” Yao Qing explained.

“The main thing is that you don’t lack money right now. Why...”

Although Yao Qing didn’t continue, his meaning was very obvious.

Qin Yu nodded slightly and said, “I don’t lack money right now, but the money has to be spent wisely.”

Buying a car wasn’t that beneficial for Qin Yu. It was far less affordable than riding a bus.

Moreover, Qin Yu wasn’t a vain person. He didn’t need a car to make himself seem like a big shot.

After more than ten minutes, the two of them boarded a bus to the provincial capital.

As soon as they sat down, Qin Yu’s shoulder was patted by someone.

Qin Yu turned around and saw a fashionable girl looking at him.

“Are you... Qin Yu?” She asked tentatively.

Qin Yu eyed at the girl carefully and suddenly exclaimed, “You are... Song Wei?”

“Yes, it’s me, Qin Yu. I didn’t expect to meet you here!” Song Wei said with some surprise.

Song Wei was Qin Yu’s high school classmate, and she was the only one who had a good relationship with him.

It wasn't because of anything else, but because Song Wei's background was similar to Qin Yu's. Both of them had been orphans since they were young, so they were ignored by people in the class.

At the last class reunion, Song Wei was also not invited.

"We haven't seen each other for more than ten years. You've changed." Qin Yu looked at Song Wei and couldn't help but lament.

He remembered that when she was in school, Song Wei was a girl who didn't know how to dress up and wore unfashionable clothes.

Now, she had matured into a beautiful lady.

"You too." Song Wei said somewhat embarrassedly.

"By the way, are you also going to work in the provincial capital?" Song Wei asked.

Qin Yu shook his head and said with a smile, "I'm going to treat someone."

"Treat someone?" Song Wei was a little surprised.

"I haven't seen you for a few years, but you've actually become a doctor," Song Wei said with some surprise.

Qin Yu smiled and didn't explain.

Song Wei was born into a poor family, so she studied hard and now had a master's degree from a prestigious university.

As long as the work went smoothly this time, her future would be full of potential

The two of them talked all the way and didn't stop until they arrived at the provincial capital.

Before leaving, Song Wei gave Qin Yu her cell phone number and said, "We'll contact each other again when we have time. I'll treat you to a meal when my job stabilizes."

Qin Yu smiled and said, "Okay, it's a promise."

Then, Song Wei took a taxi and left the place.

Qin Yu and Yao Qing stood at the station while waiting for Wei Jiang's car.

Ten minutes later, an Audi A6 stopped in front of the two of them.

In the car, Wei Jiang's son, Wei Hang, frowned and said, "Dad, are you really going to let Qin Yu treat my mom's illness?"

Wei Jiang couldn't help but sigh slightly.

He naturally couldn't trust Qin Yu, but Yan Ruoxue's meaning was too obvious. Wei Jiang had no choice.

"If Qin Yu is sensible, he probably won't interfere." Wei Jiang sighed.

Wei Hang frowned and said, "But what if he insists on intervening?"

Wei Jiang's expression tensed up and his face was full of worry.

"For the sake of your mother, I can only offend the Yan family." Wei Jiang gritted his teeth, as if he had made a big decision.

Following that, Wei Jiang got out of the car and walked all the way to Qin Yu.

“Mr. Qin, please get in the car,” Wei Jiang said politely.

Qin Yu greeted Wei Jiang and then got into the car with Yao Qing..
