

My Rich Wife – Chapter 908 –

Chapter 908: Chapter 908, activate the battle word technique!

Qin Yu felt the abundant internal Qi in his body. At this moment, he was extremely confident.

However, he knew clearly in his heart that the He Teng in front of him was definitely not simple. He was much more powerful than he had imagined!

Even Qin Yu felt his heart palpitate when he sensed the internal Qi that was close to that of a martial saint!

He Teng looked at Qin Yu coldly. No one knew what he was thinking.

“This body... is really wonderful...”that hoarse voice sounded from he teng’s body again.

“If it’s possible, take his body...”

He Teng snorted lightly.

Take his body?

If he really took Qin Yu’s body, wouldn’t he be abandoned?

When he thought of this, he Teng’s hatred towards Qin Yu increased by a few points!

They were both geniuses, but in front of Qin Yu, his glory was no longer worth mentioning!

“Qin Yu...”He Teng’s eyes narrowed slightly.

“I’ll let you become my fodder!”

Along with He Teng’s furious roar, his body quickly emerged from the black fog and turned into a physical form!

He Teng seemed to want to fight head-on with Qin Yu in terms of strength! He wanted to use his internal Qi that was close to a martial saint to defeat Qin Yu!

The two of them instantly trembled. The collision of their physical bodies and the clash of their cultivation techniques caused the scene to emit waves of terrifying explosive sounds!

The sound spread in all directions, and wherever it passed, everything turned into dust!

“Boom!”

With a clash of fists, the two of them retreated several steps at the same time!

Traces of shock appeared in the hearts of both parties!

“What a terrifying power!” Both of them whispered at the same time!

“Go to hell!”

He Teng was the first to attack. He relied on his internal Qi that was close to the martial saint stage and rushed towards Qin Yu like a raging storm!

Qin Yu did not dare to be negligent. He raised his hand and unleashed the absolute beginning holy fist. At this moment, the power of the Divine Dragon also erupted!

As Qin Yu's realm increased, the power of the Divine Dragon seemed to increase as well!

With the support of the power of the Divine Dragon, the two of them were unable to determine who was stronger!

The more he fought, the more shocked he became. He knew his current strength very well!

That was an ability that was close to a martial saint!

However, even so, he was unable to easily take down Qin Yu. How could he not be anxious!

"If this child were to become a martial saint, how terrifying would he be?" That hoarse voice sounded in his mind.

Although he did not want to admit it, it was the truth.

"Boom!"

After a round of fist and Foot Exchange, cracks appeared on Qin Yu's body!

He Teng's condition was not any better. His body was smashed into the black fog and he could not walk out for a long time.

Qin Yu stared at the Black Fog not far away and his expression became increasingly grave.

In a short period of time, it seemed that the two of them were evenly matched.

But he Teng was taking the initiative to fight with his body!

If he avoided the advantage of his body, the gap between the two would instantly widen.

“Keke Keke...”

He Teng’s strange voice once again came from all directions.

This black fog seemed to be his body!

Qin Yu hurriedly swept his surroundings, and his body ignited with spiritual fire.

“No wonder the Jingdu martial arts association values you so much. Your strength really can not be underestimated...”he teng muttered in a low voice.

“In the face of the invincible martial saint, if you step into the martial saint realm, the Jingdu Martial Arts Association might really become history...”

“If you want to fight, then fight. There’s no need to talk nonsense,”Qin Yu said coldly.

“Hehehe...”

He Teng’s strange voice pierced straight into his ears.

“I can be considered to have rendered meritorious service to the Jingdu Martial Arts Association...”

Qin Yu frowned slightly. Just as he was about to speak, the surrounding Black Fog suddenly surged towards Qin Yu!

Balls of black fog arrived in front of Qin Yu in the blink of an eye!

Qin Yu's vision instantly turned pitch black, and a foul smell pierced straight into his nostrils.

He covered his nose and shouted, "He teng, come out if you have the ability!"

"I am right in front of you..." He Teng said darkly.

"And you... are about to be swallowed by me..."

As he spoke, the black fog covered Qin Yu's body!

The Black Fog stuck closely to Qin Yu's body like a huge abyss mouth, as if it was going to Swallow Qin Yu!

Qin Yu did not dare to be negligent. He shouted loudly and punched forward with both fists.

Under Qin Yu's fists, the black fog dispersed in all directions, but in the blink of an eye, it condensed again!

"Not good!" Qin Yu had a bad premonition in his heart!

This black fog was too strange!

Qin Yu hurriedly urged the shrinking ground to become an inch, intending to pull away, but the black fog was tightly lying on Qin Yu's body, unable to move at all!

"Oh no!" Qin Yu could clearly feel that his movements were being restricted bit by bit, and his speed was also becoming slower and slower!

No matter how Qin Yu struggled, he was unable to stop the erosion of the Black Fog!

In the blink of an eye, Qin Yu's entire body was enveloped by the Black Fog!

Looking from the outside world, one could only see a huge and strange black ball!

And in the middle of this black ball was Qin Yu!

Jiang he could not help but frown. He tried to break through this level of black fog from the outside, but all of his moves quickly disappeared after entering the Black Fog!

In the Black Fog, Qin Yu struggled desperately.

His body was rotting bit by bit.

His skin, bones, and even his spiritual sense seemed to be merging into the Black Fog!

This was the devouring technique he teng was talking about!

“Ah! ! !”

Qin Yu raised his head and roared furiously. His internal Qi erupted, wanting to forcefully break through the layers of Black Fog!

But unfortunately, under the Black Fog, Qin Yu was unable to use any of his cultivation techniques!

His body was being devoured bit by bit.

First, his arm was broken bit by bit. Then, the sparkling and translucent white bones also used wisps of black light to disperse into the black fog.

“Comfortable... comfortable! This is the feeling! Devour him completely and turn him into my nourishment!”

He Teng’s voice continued to roar in the black gas!

“Ah! ! !”Qin Yu’s face also began to be eroded!

If this continued, Qin Yu might really be completely corroded by the black gas!

His arms were gradually bound, and his physical body even lost the ability to move.

Every part of his body was turning into black light, merging into he Teng’s Black Qi.

In the blink of an eye, half of his body was about to disappear!

“It’s useless, stop struggling. You should be happy that you can become my nourishment...”he teng sneered.

“Don’t worry, I will make good use of your strength...”

How Could Qin Yu listen to his Bullsh * t? He gritted his teeth and tried his best to mobilize the internal QI in his body.

“Dou... Dou character formula!”

At this critical moment, Qin Yu used all the strength in his body to activate the Dou character formula of the nine secrets!

The Dou character formula could provide at least ten times the strength!
The effect it brought was extremely terrifying!

Chapter 909: Chapter 909, the clash erupted

The abundant power brought about by the ‘Dou’ formula instantly pulled the Dying Qin Yu Back!

His eyes erupted with a brilliant light, and the internal Qi from his body surged to the extreme!

“Boom!”

A Ray of golden light shot out from the Black Fog, splitting the black ball into two!

The soaring light was incomparably dazzling, and all the black fog disappeared in an instant!

Qin Yu walked out of the black ball, and the wounds on his body were healing bit by bit!

Puff

The surrounding Black Qi slowly disappeared, and he teng’s figure appeared in front of everyone again!

He spat out a mouthful of blood, and his internal Qi became somewhat chaotic.

“What kind of spell is this? !”He Teng looked at Qin Yu, and his eyes were full of shock.

Qin Yu said coldly, “Nine secrets, fighting formula!”

“Nine secrets!”The hoarse voice from He Teng’s body came out, and there was shock in his voice!

He Teng's face was also extremely ugly. He wiped the corner of his mouth and said coldly, "The nine secrets of Taoism... indeed lives up to its reputation..."

Qin Yu said coldly, "Stop talking nonsense, I will kill you right now!"

After saying that, Qin Yu stepped on the ground and shrunk into an inch, charging towards he teng!

However, at this moment, he teng wanted to temporarily dodge the attack. He turned into a black fog and hurriedly retreated!

"Retreat. The nine secrets is the most mysterious spell in Taoism. You Can't beat him." That hoarse voice sounded in he Teng's mind.

A trace of unwillingness flashed across He Teng's face. He gritted his teeth and cursed, "Damn it... just a little bit, just a little bit!"

"There are plenty of opportunities... Let's retreat."

He Teng had no choice. His body turned into a cloud of black fog and dispersed in all directions.

Qin Yu frowned slightly. He hurriedly cast a spatial spell to seal off the surroundings.

Unfortunately, the spatial spell that Qin Yu cast was merely a few spatial barriers. It was too far from the martial saint's internal Qi. It could not stop the flow of Qi at all.

In the blink of an eye, the black fog had disappeared in front of the two of them.

"We let him escape again." Qin Yu could not help but feel a little angry!

This was already the third time he had escaped from his hands!

“If that’s the case, I’m afraid your position will be exposed,”Jiang he reminded from the side.

Qin Yu nodded. He quickly looked at Jiang he and said, “Senior Jiang He, hurry up and teach me the line formula. We don’t have much time.”

Jiang he did not waste any time. He sat cross-legged on the ground and began to teach Qin Yu the last secret of the nine secrets, the line formula.

On the other side.

He Teng sped toward the Jingdu Martial Arts Association.

On the way, he teng took out his phone and dialed Gu Xinghe’s number.

After the call was connected, Gu Xinghe said with some amusement, “How was it? Did you catch Jiang he?”

“No.”He Teng did not hide anything.

Gu Xinghe sneered, “Didn’t you boast? Why, is this the result you gave me?”

He teng sneered, “It’s true that I didn’t catch Jiang he, but I have more important news to tell you.”

“Oh?”Gu Xinghe raised an eyebrow.

He Teng said coldly, “I met Qin Yu. He is at Jiang he’s residence.”

“What! ?”Gu Xinghe was shocked!

He teng continued, “I fought with him. If it wasn’t for Jiang he, I would have caught him!”

“Also, Qin Yu’s residence wasn’t a short while, because Qin Yu learned Jiang he’s nine secrets.”

“As for why Master Zhai Xing didn’t meet him, I’m not sure.”

After saying this, he teng hung up the phone.

Gu Xinghe’s expression was somewhat cold.

If what he Teng said was true, then it was enough to prove that Zhai Xing had really let Qin Yu and Jiang he go on purpose.

Thinking of this, Gu Xinghe’s expression became even colder.

“Go, Call Zhai Xing over,”Gu Xinghe said coldly.

Not long after, Zhai Xing brought the two martial saints to Gu Xinghe’s office.

“Young master Gu.”Zhai Xing bowed slightly.

Gu Xinghe looked at Zhai Xing coldly and said, “Uncle Zhai Xing, I understand your intention to let Jiang he off, but why did you let Qin Yu Off?”

Zhai Xing’s expression changed slightly. He frowned and said, “I didn’t. I didn’t meet Qin Yu at all.”

Gu Xinghe snorted coldly and said, “Then why did Gu Xinghe say that Qin Yu was at Jiang He’s residence? How are you going to explain it to me?”

“He’s lying,” Zhai Xing said expressionlessly.

Gu Xinghe was angry and anxious, but there was nothing he could do to Zhai Xing.

“Alright, I believe you.” Gu Xinghe stood up.

“Come with me now and find Jiang He!”

“This time, I want to see you kill him with your own hands!”

...

On the other side.

Jiang he was teaching Qin Yu the Xing character Mantra.

However, both of them were not in a good state of mind, so Qin Yu’s speed of comprehending the ‘xing’ character formula was much slower.

A few minutes later, Qin Yu and Jiang he opened their eyes at the same time.

“No,” Jiang he shook his head and said.

“Both of us are in a state of anxiety, so we can’t comprehend it at all.”

Qin Yu nodded and said, “Yes, I’ve also realized it.”

At this point, Qin Yu stood up and said, “Senior Jiang he, let’s go somewhere else.”

“Go somewhere else? Where to?” Jiang he asked in confusion.

“A secret realm.” Qin Yu took a deep breath.

“I’ve found a secret realm. I’ve been hiding in that secret realm all this time.”

“Also... the Qi/spiritual energy in that secret realm is beyond imagination! Senior Jiang he, with your talent, you can enter the martial saint realm in that secret realm!”

Jiang he’s state of mind could be said to be extremely strong. Not many people in this world could be compared to him!

What he lacked was just enough resources! This was also the reason why the Jingdu Martial Arts Association was afraid of him!

“Is what you said true?” Jiang he asked.

Qin Yu nodded and said, “It’s absolutely true.”

Jiang he stroked his beard and said, “Indeed, I should step into the martial saint realm as soon as possible. Sooner or later, conflicts will erupt between the current world and the secret realm. Without the martial saint, the martial artists in this world will slowly lose the right to speak.”

“Senior Jiang he, let’s hurry up and leave. Don’t waste any more time.” Qin Yu urged.

Jiang he did not say anything more. He immediately followed behind Qin Yu and left this place.

Just as Jiang he had guessed, the conflicts between the martial artists of this world and the martial artists in the Mystic Realm were increasing.

And the number of disciples that came out from the various mystic realms was also increasing.

Right at this place, in the martial arts academy in Jingdu.

Zhuang Teng and Chu Heng had a conflict with the three disciples from the secret realms.

“Why should I give up my house to You?”Zhuang Teng looked coldly at the youth in front of him.

The youth sneered, “Because I like it. Isn’t this reason enough?”

“You’re courting death!”As a young master of Jingdu, he had never suffered this kind of anger!

A great battle immediately broke out between the two sides, but several disciples from the secret realms rushed forward and severely injured Zhuang Teng and Chu Heng!

This matter quickly spread, and everyone from the martial arts academy came when they heard the news.

The many young masters of Jingdu and the disciples from the secret realm formed a confrontation between two factions.

The two sides looked at each other, and a great battle was about to break out.

Chapter 910: Chapter 910 had been discovered? !

The conflict between the two parties began to escalate within a few days.

From this day onwards, the current martial artists and the disciples who had walked out of the secret realm had been in constant conflict.

Not only that, the seven martial saints had also started to become more rampant.

They had occupied almost all the resources and suppressed the current martial artists many times.

Zhuang Teng, who was the first to bear the brunt of the attack, was severely injured by the genius disciples who walked out of the mystic realm.

The Zhuang family.

Zhuang Teng lay on the bed, looking Haggard.

He spat out a mouthful of blood from time to time, and his face was extremely pale.

Chu Heng and the others who were guarding in front of him all had extremely ugly expressions.

“Damn it!”Kong Yun, who had the most fiery temper, could not help but curse angrily.

He stood up with a ‘bang’and said coldly, “We must not let them be so arrogant! When have we ever suffered such humiliation!”

After saying that, Kong Yun stood up and was about to leave.

“Where are you going?” Chu Hedao pulled Kong Yun back.

Kong Yun said coldly, “I’m going to teach them a lesson!”

“Forget it. They have more people and are more powerful. Don’t provoke this bad luck,” someone at the side advised.

Kong Yun sneered, “If I let them ride on my head and shit, I won’t Be Kong Yun Anymore!”

After saying this, Kong Yun turned around and left.

Within the Jingdu Martial Academy, a great battle quickly erupted!

The great battle between Kong Yun and the disciples in the secret realm spread throughout more than half of Jingdu!

This great battle lasted for a full three hours. Kong Yun’s body was covered in blood, and his blood splattered across the sky. In the end, he was even carried back by someone!

Ever since then, the disciples of the aristocratic families became even more desperate.

“Even Kong Yun lost to them. I don’t know who else can stand out.”

“I don’t know if Yan Jinyao and Qin Yu can win against them.”

“Forget about the two of them. With Yan Jinyao’s temper, he wouldn’t meddle in other people’s business. Besides, no one would bully them.”

“As for Qin Yu? He can’t even protect himself now.”

“...”

The martial arts world of the current era had been greatly impacted, and the conflicts between the two sides were still accumulating.

...

At this moment, Qin Yu and Jiang he were rushing to the mystic realm.

The two of them moved separately, and Qin Yu was extremely careful along the way.

He restrained his internal Qi and tightened his hat, afraid that he would be discovered.

Even though Qin Yu had used the shrinking earth technique, it still took him eight hours to reach the secret realm.

On the other side, Qin Yu and Jiang he had just left when Gu Xinghe and Zhai Xing arrived.

They checked around, but did not find the two of them.

Gu Xinghe stood in Jiang he's courtyard for a long time. After a moment, he sniffed and said coldly, "We haven't gone far yet. We can still catch their internal Qi."

After saying that, Gu Xinghe looked at Zhai Xing and the others and said coldly, "Chase after them!"

Zhai Xing did not dare to say anything. He quickly followed Qin Yu and Jiang he's internal Qi and sped away.

...

In front of the secret realm.

Jiang he had arrived at this place early in the morning.

Looking at this scene, which was like a purgatory on Earth, a trace of sadness flashed across Jiang he's face.

Although he had heard about this long ago, when he saw it with his own eyes, he was still greatly shocked.

“All of this was done by the Wan Gu Qiong.”Qin Yu glanced around, a trace of pain flashed across his face.

“Sooner or later, one day, I will personally destroy the Wan family's Secret Realm!”

Jiang he patted Qin Yu's shoulder and said, “When you have enough strength, everything will be different.”

Qin Yu didn't say anything more. He walked to the front of the secret realm and slowly opened it with the secret key.

“Senior Jiang he, please.”Qin Yu bowed and said.

Jiang he grunted and followed Qin Yu into the secret realm.

Li Yu had not left the secret realm.

Looking at the two people who suddenly came, Li Yu quickly walked over.

“Jiang he?”Looking at Jiang he who was beside Qin Yu, Li Yu hurriedly bowed and greeted him.

“Why Are You Back?”Then, Li Yu looked at Qin Yu with some surprise.

Qin Yu waved his hand and did not explain.

He looked at Jiang he and said, “Senior Jiang he, this is the secret realm that I Found.”

Jiang he took a deep breath and felt the Qi/spiritual energy from the secret realm.

“Such dense qi/spiritual energy, I have never seen it in the world.”Jiang he could not help but mutter in a low voice.

Qin Yu said in a low voice, “Senior Jiang He, why don’t you cultivate here? With your talent, it shouldn’t be difficult for you to enter the Martial Saint Realm.”

“That’s right. In this current era, the people who have the most hope to enter the martial saint realm should be senior Jiang he and Officer Ye.”Li Yu also said.

Jiang he shook his head in response to this.

He said in a low voice, “Ye Qing’s talent is above mine, but his ambition is not here.”

Qin Yu nodded slightly. He could also feel it.

Compared to ye Qing, Jiang he seemed to have a purer understanding of martial arts.

Then, the two of them did not waste any more time.

Jiang he also began to teach Qin Yu the last secret of the nine secrets. It was also the most important secret to Qin Yu right now.

...

Gu Xinghe, Zhai Xing, and the others followed Qin Yu and Jiang he's internal Qi and rushed all the way to the Jade Moon Villa.

As an advanced stage martial saint, Zhai Xing's spiritual sense was extremely sharp.

Even though Qin Yu and Jiang he had restrained their internal Qi, they still could not escape his sharp spiritual sense.

The few of them followed behind Zhai Xing and walked all the way to the vicinity of the secret realm.

Standing near this secret realm, Zhai Xing could not help but sniff.

"Where are they?" Gu Xinghe asked coldly.

Zhai Xing glanced at Gu Xinghe and frowned. "That's strange. Their internal Qi has disappeared here."

"Disappeared?" Gu Xinghe could not help but snort.

"Internal Qi can disappear into thin air?"

Gu Xinghe looked at Zhai Xing with suspicion.

Zhai Xing said in a low voice, "Their internal Qi has indeed disappeared here. I don't know why."

Gu Xinghe narrowed his eyes and said, "Uncle Zhai Xing, my father trusts you very much, and I have always treated you as my own uncle."

“Then, you and I both know what kind of impact Jiang he and Qin Yu will bring to the Jingdu Martial Arts Association. You should also know which side is more important.”

Zhai Xing knew what Gu Xinghe meant. He took a deep breath, bowed, and said, “Young master Gu, what I said is true.”

Gu Xinghe stared at Zhai Xing as if he wanted to see through him.

“Do you think... They have escaped into the secret realm?” At this moment, a martial saint beside Zhai Xing asked.

Hearing this, Gu Xinghe’s pupils suddenly constricted!

Secret Realm!

Yes, only by stepping into the secret realm would their internal Qi disappear for no reason!

Thinking of this, Gu Xinghe hurriedly said, “Quick, call du Xuanyu over and have a good look!”

Chapter 911: Chapter 911, opening the secret realm!

Gu Xinghe looked around coldly with a cold smile on his face.

“They... must be hiding here!” Gu Xinghe said in a low voice.

In the secret realm.

Qin Yu and Jiang he knew nothing about this.

They were still imparting the line formula of the nine secrets unhurriedly.

Qin Yu's speed of comprehending the cultivation method was extremely fast. In just half a day, he had completely comprehended the last secret of the nine secrets.

Qin Yu slowly opened his eyes. He let out a long breath and said in a low voice, "With the 'xing' formula, I can at least save my life."

Jiang he, who was at the side, said, "Even if you have the 'xing' formula, you might not be safe."

Qin Yu frowned slightly and asked with some confusion, "Why?"

Jiang he explained, "When you face a martial saint, if you are not careful, you might be sealed off."

"At that time, no matter how fast you are, you will not be able to escape."

Qin Yu's expression changed slightly.

Jiang he's words were indeed reasonable. The martial saint's use of the space technique was already quite mature.

"Senior Jiang he, is there any way to resolve this?" Qin Yu asked.

Jiang he said in a deep voice, "We can only leave as soon as possible before they seal off the space."

"I understand." Qin Yu nodded.

Then, the two of them stopped talking and prepared to enter closed door cultivation to break through.

Jiang he's talent was extremely high. It was only a matter of time before he wanted to become a martial saint.

On the other hand, Qin Yu planned to continue absorbing the Qi/spiritual energy here and bring his talent to its peak.

In the outside world.

Du Xuanyu was soon moved by this place.

“Young master Gu, what's Wrong?” Du Xuanyu asked.

Gu Xinghe pointed at the blank space in front of him and said, “I suspect that there's a secret realm here. Qin Yu's internal Qi disappeared here.”

Hearing this, Du Xuanyu couldn't help but laugh, “Impossible! I've investigated this place, but I didn't find any secret realm.”

Gu Xinghe turned around and frowned, “Maybe I was careless last time?”

Du Xuanyu continued to wave his hand, “Impossible! Young Master Gu, I am very confident in my professionalism.”

Looking at du Xuanyu's confident look, Gu Xinghe suddenly felt angry.

However, Du Xuanyu was not his subordinate, so he did not dare to act out.

Gu Xinghe took a deep breath and said, “Master Du, please investigate again. If you find anything...”

“I said, Impossible!” However, du Xuanyu rudely interrupted Gu Xinghe.

This completely infuriated Gu Xinghe!

He looked at du xuanyu coldly and said, “Du Xuanyu, don’t be so shameless...”

Hearing this, Du Xuanyu also said with some displeasure, “Gu Xinghe, pay attention to your attitude when you talk to me. I...”

“Whoosh!”

Before du Xuanyu could finish his words, Gu Xinghe grabbed du Xuanyu’s neck!

He lifted du Xuanyu up into the air and said coldly, “I know you’re sent by the higher-ups, but so what! If you force me into a corner, I can kill you at any time!”

“Wait until I kill you, then I’ll go and apologize to the higher-ups!”

The strength of Gu Xinghe’s hand grew stronger and stronger. Du Xuanyu’s face quickly turned red.

He looked at du Xuanyu in horror and struggled with both of his hands.

However, as a top-tier mystic realm master, his cultivation base was not high. It was not even worth mentioning in front of Gu Xinghe!

“Young Master Gu, forget it.”At this moment, Zhai Xing walked over.

Then, Zhai Xing glanced at du xuanyu and said, “Master Du, just listen to young master Gu’s orders. As long as you listen to him, he can let you go.”

Du Xuanyu blinked his eyes hurriedly to show his attitude.

Gu Xinghe snorted coldly and released du xuanyu.

Du Xuanyu, who had fallen to the ground, desperately breathed in the air.

Although he was very angry, he didn't dare to flare up.

“Master Du, I'll have to trouble you,”Gu Xinghe said coldly.

Du Xuanyu didn't say anything more. He immediately stood up and continued to inspect the place according to Gu Xinghe's request.

...

In the secret realm.

Qin Yu, who had his eyes slightly closed, was sweating profusely.

“No.”

A moment later, Qin Yu sighed.

He slowly stood up and muttered in a low voice, “With my current state of mind, even if I have qi/spiritual energy, I would not be able to increase my strength by even a little bit.”

Jiang he, who was standing at the side, also opened his eyes slightly.

He placed his hands behind his back and said quietly, “Indeed, stepping into the martial saint realm requires a long period of accumulation. It is almost impossible to achieve it in one go. This is also the reason why martial saints are so precious.”

Qin Yu nodded slightly and said, “Senior Jiang he, I’ll leave this place to you. I should go out and train. It’s no longer beneficial to me.”

Jiang he did not say much about this. He only nodded and sat down again.

Qin Yu slowly walked towards the entrance of the mystery land and planned to leave.

However, at this moment, Li Yu rushed over from the side in a hurry.

“Oh no!” A trace of panic flashed across Li Yu’s face.

Qin Yu frowned and asked, “What happened? Why are you so flustered?”

Li Yu trembled as he pointed towards the direction of the entrance and said anxiously, “Someone is trying to find the mystic realm! I can feel that it’s a top mystic realm master...”

Qin Yu’s expression changed slightly as he muttered softly, “Could it be... Du Xuanyu? !”

As he said that, the entrance in front of him suddenly flashed with a ray of light.

This ray of light immediately made Qin Yu and Li Yu take a step back. The fear on their faces also increased a little!

Chapter 912: Chapter 912, two martial saints!

Qin Yu and Li Yu’s faces turned extremely ugly when they saw the resplendent light that shone from the exit!

“No!”Qin Yu thought to himself that things were not looking good.

He quickly looked at Li Yu and said, “Quick, go and inform senior Jiang he to quickly hide!”

“What About You?”Li Yu asked.

Qin Yu said coldly, “I will think of a way to deal with them.”

Li Yu wanted to say something, but was stopped by Qin Yu’s shout.

Li Yu had no choice but to follow Qin Yu’s request and prepare to inform Jiang he.

But at this moment, the bright lights at the exit began to dissipate.

In a few seconds, the lights disappeared without a trace.

“HM?”The two of them looked at the exit simultaneously.

“What’s going on?”

Qin Yu and Li Yu vigilantly looked at the exit, their faces filled with nervousness.

After a full few minutes, the light didn’t light up again.

“Strange, he actually canceled the inspection,”Li Yu said in a deep voice.

“Canceled? What’s going on?”Qin Yu frowned and asked.

Li Yu guessed, “Could it be that the mighty figure from last time did something?”

Qin Yu's face was instantly filled with astonishment when he heard that.

If that was really the case, then just what kind of strength did this almighty have?

In the outside world.

Du Xuanyu shook his head and said with some displeasure, "There's no secret realm at all. I've checked it out."

Gu Xinghe said with a cold face, "You're not lying to me, right?"

"Why would I lie to You, Young Master Gu? Don't forget that I work for the higher-ups. I also want to kill that Qin Yu," du Xuanyu said with a cold face.

Although he said so, Gu Xinghe still didn't believe him.

He glanced at du xuanyu and said indifferently, "Master Du, you'd better not lie to me. I hate being lied to."

Du Xuanyu snorted and didn't say anything.

"Young master Gu, master du shouldn't lie," Zhai Xing said.

Gu Xinghe snorted and said, "Then why did their internal Qi disappear here?"

Zhai xing guessed, "Perhaps they used some secret technique to conceal their internal Qi."

Gu Xinghe did not express his opinion on this.

He waved his hand and said, "Let's go."

The group left.

After rushing back to Jingdu, Gu Xinghe did not stop there.

He planned to find another mystic realm master to investigate.

And Gu Xinghe's first choice was Li Yu's master.

...

Qin Yu waited in the mystic realm for half a day.

After confirming that there was no one outside, Qin Yu carefully walked out of the mystic realm.

At this moment, Qin Yu was even more curious about the Yan family's mystic realm.

If it was really as Li Yu said, and only the Almighty Realm could repair the mystic realm, then the strength of the Yan family was definitely beyond imagination.

"This Yan family's mystic realm... What kind of existence is it?" Qin Yu took a deep breath.

After thinking about it, Qin Yu planned to find Old Mister Yan and find out.

Therefore, Qin Yu took out his phone and found old Mister Yan's phone number.

After the call was connected, Qin Yu asked for Old Mister Yan's location.

After a conversation, he found out that old Mister Yan was currently in sea city. Therefore, after he hung up the phone, Qin Yu rushed to sea city.

Because Qin Yu could not take any transportation, he could only go to sea city on foot.

This was an extremely long journey. Even for Qin Yu, it would take him several days.

“Alright, I’ll treat it as an experience to train my state of mind.” Qin Yu thought to himself.

...

At the same time, the conflict between the martial artists and the disciples in the secret realm was getting more and more serious.

Under the blessing of the seven martial saints, the disciples of the current age had almost no dignity.

And the reason for the large-scale conflict between the two sides was because of the division of resources.

Ever since someone stepped into the martial saint realm, many new cultivation resources had appeared in the world.

On this day, in a border city in the south, a shocking big mine had exploded!

It was said that this was a big spiritual stone mine. And this spiritual stone could not only be used to forge all kinds of top-tier spiritual artifacts, it could even be used to refine medicine or even directly swallow it!

Every spirit stone contained extremely tyrannical Qi/spiritual energy!

The appearance of a large, ownerless mine naturally attracted the attention of various factions.

These factions included the martial arts clans of the present age, as well as the various aristocratic families from the secret realm!

Martial Arts Forum.

On the day the large mine was revealed, the Jingdu Martial Arts Association issued an announcement:

This large spirit stone mine could be said to be unprecedented, and our Jingdu Martial Arts Association would also take on the role of the distributor to decide where this large spirit stone mine would go.

However, the moment this announcement was issued, it was completely flamed.

“F * ck you, the Jingdu Martial Arts Association and the secret realm are wearing the same pants!”

“For so many years, the resources have been firmly controlled by you in your own hands. Do you think we will still believe it?”

“Power has been earned by ourselves. All revolutions need to be sacrificed. We will never let the JINGDU martial arts association slaughter US AGAIN!”

Seeing all kinds of curses, the Jingdu martial arts association was furious, but there was nothing they could do.

More and more warriors gathered toward the spirit stone mine.

In the dark, there were at least hundreds of warriors lurking there.

The Warriors in the secret realm and the Warriors in the present age seemed to be ready to fight at any time.

...

It took Qin Yu two whole days to arrive at sea city.

According to the address given by old Mister Yan, old Mister Yan was currently living in a single-family villa in the suburbs.

Compared to the Yan family's manor, this villa looked extremely shabby.

However, it was in this shabby place that old Mister Yan began his second rise.

Qin Yu quickly rushed to the vicinity of this villa.

He lowered his hat and released his spiritual sense at the same time, covering a radius of several hundred meters.

After making sure that no one was around, Qin Yu carefully walked into the villa.

In the courtyard of the villa.

Old Mister Yan was watering the flowers.

Seeing that Qin Yu had rushed over, old Mister Yan put down the shower in his hand.

“Qin Yu, the people outside seem to be looking for you and Ruoxue.” Old Mister Yan's tone was somewhat anxious.

“Is Ruoxue really by your side? Is she okay? Is there anything wrong with her body? where is she now? Is she safe?”

Old Mister Yan’s series of questions made Qin Yu not know how to answer.

“I came to find you this time for this matter.”Qin Yu took a deep breath.

“Ruoxue was taken away by someone.”

Old Mister Yan’s expression suddenly changed!

He grabbed Qin Yu’s arm and said anxiously, “Didn’t I say that I want you to take care of her! How did you promise me!”

Qin Yu smiled bitterly and said, “Old Mister Yan, please listen to my explanation. She...”

Before he could finish his words, Qin Yu’s expression suddenly changed!

He only felt a chill on his back and the hairs on his back stood up unconsciously!

This was the instinctive reaction of his body when danger approached!

“Who is it?”Qin Yu hurriedly turned around and looked around.

“Qin Yu, I’ve finally waited for you...”a voice sounded.

Then, he saw Wan Gu Qiong slowly walking out with two martial saints.

Qin Yu did not dare to think too much. He immediately planned to use the line word spell to escape.

However, Wan Gu Qiong did not give him a chance at all. The two martial saints quickly sealed off the space.

“I knew.... you would definitely come here!”Wan Gu Qiong said with a sinister expression.

Chapter 913: Chapter 913, the battle with the martial saint

Qin Yu’s expression instantly turned ugly.

The Cautious Qin Yu had already checked his surroundings before he arrived.

However, he never expected that the martial saint’s technique was far beyond Qin Yu’s imagination.

They had concealed their internal Qi so that Qin Yu could not detect them at all.

Qin Yu took two steps back as a trace of solemnity flashed across his face.

“Qin Yu, this...”

“Old Mister Yan, please stay in the room.”Old Mister Yan was about to speak when he was interrupted by Qin Yu.

Wan guqiong sneered, “At this time, do you still care about others?”

Qin Yu said with a cold face, “Wan guqiong, how do you know my relationship with Old Mister Yan?”

Wan guqiong said sarcastically, “Do you think I’m like those idiots, doing useless work every day like a headless fly? I’ve long investigated your social history.”

Qin Yu took a deep breath.

Wan guqiong’s treachery was beyond imagination.

“Let me ask you. You killed all the people in the Green Moon Villa, right?” Qin Yu said coldly.

Wan guqiong clenched his nails and said indifferently, “Not bad. TSK TSK. They’ve tried all kinds of ways to die.”

“You’re really a beast,” Qin Yu said coldly.

Wan guqiong narrowed his eyes and said, “They died because of you. Compared to us, you’re not much stronger.”

At this point, Wan Guqiong changed the topic and said with a faint smile, “Tell me where Yan Ruoxue is, and I may spare your life.”

Qin Yu sneered and said, “Yan Ruoxue is no longer with me. As for where she went, even I don’t know.”

At this moment, Qin Yu seemed to have thought of something.

He changed his words, “Oh, I heard that Yan Ruoxue went to the secret realm of the Yan family. You can go and take a look.”

“The secret realm of the Yan Family?” Wan guqiong frowned slightly and a trace of confusion flashed across his face.

It was obvious that Wan Guqiong knew nothing about the secret realm of the Yan family.

“Are You F * cking kidding me?”Wan guqiong’s face turned cold.

“The Yan family is a family in the secular world. How could there be a secret realm? !”

Qin Yu couldn’t help but be secretly surprised when he saw this.

Even Wan Guqiong didn’t know about the Yan family’s secret realm? Then what exactly was the Yan family’s secret realm? Or, did they exist or not?

“Qin Yu, I don’t want to talk nonsense with you anymore. I’ll ask you slowly after I beat you into a cripple.”Wan guqiong’s face turned cold.

After he had finished speaking, Wan Gu Qiong took a step back and said with a sinister tone, “Qin Yu, today is the day you must die!”

The two martial saints immediately took a step forward and a wave of killing intent rippled out.

Although their internal Qi did not appear to be very strong, that invisible pressure made it difficult for people to resist.

Qin Yu looked at the two of them with a face full of vigilance. All of his trump cards were revealed in an instant.

This was because Qin Yu knew very well that if he did not treat this martial saint seriously, he would not even have the chance to live.

“Do you still need us to Act?”These two martial saints questioned coldly.

Qin Yu narrowed his eyes and said with a smile, "Of course not. I am willing to go back with you guys."

"This kid is sinister and cunning. Let's cripple him first." Wan Gu Qiong said coldly from the side.

The two martial saints did not say anything else. One of them stepped forward.

Qin Yu had seen this person before. Previously, he had attacked Qin Yu at the exchange meet.

New and old grudges erupted at this moment.

"Qin Yu, last time, you used your Yin Heart to gain all the limelight. You made us lose all our face. This time, I want you to pay back a hundredfold!" This martial saint said coldly.

"Uncle Zhen, don't waste your breath on him. Get Rid of him immediately!" Wan Gu Qiong urged.

The martial saint who was called Uncle Zhen did not say anything else. He took large strides forward and his huge palm covered Qin Yu!

This palm contained immense power and was like a towering mountain that crushed towards Qin Yu!

Before the palm had arrived, the power had arrived first!

That power made one's hair stand on end. It was like a raging wave that caused the ground under Qin Yu's feet to directly shatter!

"One punch to break ten thousand arts!"

Qin Yu did not dare to be negligent in the slightest! With a furious roar, golden light surged out from his entire body along his arm!

All the power was concentrated on a single point on his fist, and then it surged like a tidal wave!

“Bang!”

A brilliant and brilliant golden light, like a blazing pillar of light, ruthlessly smashed towards that palm!

An earth-shattering power erupted in an instant!

Under Qin Yu’s one punch, the palm was actually knocked back repeatedly!

“Ah! ! !”

Qin Yu roared repeatedly as blue veins bulged on his forehead. It was as if he was channeling all the Qi force in his body!

“Boom!”

Finally, that palm that had been condensed by a martial saint was shattered by a single punch!

When Wan Gu Qiong saw this scene, his eyelids twitched and his face turned solemn.

A trace of surprise flashed across Uncle Zhen’s face.

It must be known that an ant below the martial saint stage would be like a completely different world as long as it did not step into the martial saint stage.

However, this ant before him had shattered his palm. How could he not be shocked!

“You have some ability.” Uncle Zhen raised his eyebrows and said with some admiration.

Qin Yu panted heavily, and bean-sized sweat kept dripping down his face.

On the other hand, Uncle Zhen was calm and didn't seem to be injured at all.

“Uncle Zhen, quickly cripple this child!” Wan Gu Qiong urged again.

Uncle Zhen nodded. He looked at Qin Yu coldly and said, “I have to say, you do have some ability, but the current you is still too weak.”

Qin Yu was not in the mood to listen to his nonsense. He quickly mobilized his internal Qi and prepared to receive the next attack.

However, at this moment, Qin Yu spat out another mouthful of blood from his mouth. The world in front of his eyes was spinning as he sat on the ground.

“Damn, the DAO injury actually acted up at this time...” Qin Yu could not help but curse in his heart.

He wiped the blood at the corner of his mouth and got up from the ground.

Qin Yu looked at the martial saint who was not far away with vigilance. He could not help but take two steps back.

Uncle Zhen's palm moved slightly. Waves of internal Qi surged in his palm like a swimming dragon.

His every move seemed to contain the power to overturn rivers and seas. His majestic moves could be completed in a breath's time!

This was the martial saint's ability. It completely surpassed the Martial Marquis' ability!

"Just now, I only used 50% of my strength. This time, I used 80% .. Can you still hold on?" Uncle Zhen grinned, revealing a mouthful of white teeth.

Chapter 914: Chapter 914, Wan family's secret realm

"Rumble..."

A huge hand with an aura that could flatten everything swept towards Qin Yu!

Qin Yu, who had just experienced the torture of a dao injury, was unexpectedly unable to endure it.

Under this enormous force, his legs began to tremble, and his entire body trembled!

"Ah! !"

Qin Yu roared repeatedly, and the power of his fist erupted to the extreme, attempting to forcefully resist this palm strike!

But the moment all of his fist force came into contact with this large hand, it vanished into thin air!

“Rumble!”

Accompanied by a monstrous explosion, that large hand ruthlessly slammed down!

The entire ground instantly stirred up a hundred thousand feet of dust, momentarily obscuring everyone’s line of sight!

Uncle Zhen was extremely confident, but Wan Guqiong was a little worried.

Because there were too many uncertainties on Qin Yu’s body! He escaped time and time again, causing people to start worrying.

The dust gradually dispersed, and Wan Guqiong’s eyes were fixed in that direction.

Qin Yu’s body was covered in blood, and the Golden Light had been shattered.

He fell to the ground like a dead dog.

Seeing this scene, Wan guqiong finally let out a sigh of relief.

He sneered, “Qin Yu, you also have this day!”

Then, Uncle Zhen walked forward and picked up Qin Yu.

“Are you still alive?”Wan guqiong asked.

Uncle Zhen nodded slightly and said, “I can feel the weak breath in his body.”

“Okay.”Wan guqiong couldn’t help but sneer.

“Bring him back to the Wan family’s secret realm immediately. I must find Yan Ruoxue’s whereabouts no matter what!”

Uncle Zhen glanced at Old Mister Yan in the room and said, “What about that old man? Should we get rid of him?”

Wan Gu Qiong was silent for a moment, then shook his head and said, “Forget it. He’s just an old man in his twilight years. There’s no need to create trouble.”

Uncle Zhen didn’t say anything more. He carried Qin Yu and the few of them turned around and left.

Along the way, Qin Yu was in a coma.

But even so, Wan guqiong was still extremely careful.

His eyes looked at Qin Yu from time to time, afraid that Qin Yu would suddenly wake up.

The three of them rushed toward the Wan family’s secret realm. Along the way, they were extremely fast, afraid that others would know that Qin Yu had fallen into their hands.

A few hours later.

The three of them arrived at the northwest border.

In a small city called West Martial City in the northwest, a car slowly drove past and finally stopped at the peak of a mountain range.

Wan Gu Qiong brought Qin Yu down from the mountain.

He lowered his head and glanced at Qin Yu, who was held in Uncle Zhen's hand. He snorted coldly and said, "When we go to the Wan family's secret realm, I have plenty of ways to deal with you."

After saying that, Wan Gu Qiong walked toward the wan family's internal Qi realm.

He placed his palm on the void in front of him and used the secret key to open the Wan family's internal Qi realm.

At this moment, Qin Yu, who was like a dead dog, quietly opened his eyes.

He restrained his internal Qi and looked around, as if he was determining the location.

Buzz

A Ray of light lit up and the entrance of the Wan family's internal Qi realm appeared in front of them.

"That's enough."Wan Gu Qiong said.

Uncle Zhen grunted in gratitude. He was about to enter the Wan family's internal Qi realm with Qin Yu, but at this moment, Qin Yu, who was on the verge of death, suddenly broke free from Uncle Zhen's restraint!

"Eh?"Uncle Zhen's expression changed slightly, and he immediately took large strides forward, wanting to capture Qin Yu!

"Walking formula!"

However, Qin Yu had already been brewing for a long time, so how could he give him a chance!

With the use of the walking formula, Qin Yu's speed instantly reached its peak!

In the blink of an eye, Qin Yu had already fled several kilometers away!

This instantly made everyone present widen their eyes!

“What's Going On!” Wan Gu Qiong roared angrily.

Uncle Zhen frowned and said, “I'm afraid we've been deceived by this kid!”

“Then what the F * ck are you still standing there for? Hurry up and chase after him!” Wan Gu Qiong shouted angrily.

Uncle Zhen did not dare to say anything. The two martial saints quickly chased after Qin Yu.

Wan Gu Qiong gritted his teeth and stood there. The anger on his face made his originally vicious face even more twisted.

“F * ck... The Thing I was most worried about has happened.” Wan Gu Qiong could not help but mutter in a low voice.

“This sinister and crafty bastard...”

Wan Gu Qiong just stood there and waited quietly.

After about half an hour, uncle Zhen returned.

“Where is he?” Wan Gu Qiong asked coldly.

Uncle Zhen shook his head and said, “We didn't catch up. This kid should have learned the nine secrets. His speed is far above ours.”

Wan Gu Qiong took a deep breath and said coldly, “Not only did we fail to catch him, but we also exposed the location of the Wan family’s secret realm... This treacherous bastard!”

“Young Master Wan, what should we do now?” Uncle Zhen asked.

Wan Gu Qiong shook his head and said, “We have already alerted him. If we want to catch him again, I’m afraid it won’t be that easy. We can slowly think of a way.”

Uncle Zhen hummed and said, “Our eyes now should be more focused on the large spirit stone mine.”

Wan Gu Qiong also nodded slightly.

The large spirit stone mine attracted almost all the aristocratic families, and the Wan family was no exception.

...

On the other side.

Qin Yu relied on the internal Qi formula to escape all the way.

Only when his aura was almost exhausted did Qin Yu fall down from the sky.

His internal Qi was completely exhausted, and his entire body crashed into a mountain forest.

Qin Yu collapsed on the ground and couldn’t help but gasp for breath.

“Pu!”

At the same time, Qin Yu felt a sweet taste in his throat, and a mouthful of blood spurted out.

“That was close...”Qin Yu muttered softly.

Uncle Zhen’s palm had indeed caused Qin Yu a great deal of damage. Although it was not fatal, it would not be so easy to recover in a short period of time.

“Fortunately, there’s the line character formula. Otherwise... the consequences would be unimaginable,”Qin Yu said softly.

He could not help but clench his teeth, and his hatred for the Wan Gu Qiong increased by another level.

Qin Yu fell to the ground and tried to get up, but he found that he had lost all his strength.

He swept his gaze around and looked at this unfamiliar environment. His vision began to darken.

In a short moment, Qin Yu fell into a coma.

...

Near the Spirit Stone Mine.

The various aristocratic families rushed here one after another.

Zhuang Teng, Chu Heng, and even Kong Yun also arrived.

Many half-step martial saints of the older generation were also waiting here.

Strands of dense qi/spiritual energy spread out from the large mine.

Although the large mine had yet to open, the internal QI within it was still mesmerizing.

“I’m afraid we won’t have the opportunity to enter the spiritual stone mine this time,” Yao Meng said in a low voice.

Zhuang Teng, who was standing at the side, said weakly, “The people from the various secret realms are all hiding in the dark. The three martial saints from the Jingdu Martial Arts Association have also arrived here early... cough cough...”

As he spoke, Zhuang Teng coughed out a mouthful of blood.

“How are you? Are You Alright?” When everyone saw this, they could not help but look worried.

Zhuang Teng waved his hand and said, “I’m fine... look at the top of the mountain...”

When they heard this, they immediately looked towards the top of the mountain.

They saw seven people standing on the top of the mountain.

These seven people were the seven martial saints!

When they gathered together, they were like the leaders of this world.

Chapter 915: Chapter 915, cultivation in an otherworldly paradise

The invisible pressure brought by these seven people made everyone tremble with fear.

Even the arrogant young masters of the aristocratic families were silenced at this moment.

“Seven martial saints... They can be said to be the rulers of this world.”Zhuang Teng could not help but mutter in a low voice.

“With them around, it’s impossible for us to obtain any benefits.”

“So What? Even a martial saint can’t be too overbearing! If he has the ability, he can just kill us all!”

“Those young masters in the secret realm haven’t arrived yet. When they do, who knows what will happen.”

Everyone stared at the huge mine that was about to be excavated in front of them. Their faces were filled with worry.

...

On the other side.

When Qin Yu woke up, he was already lying on a bamboo bed.

The surrounding environment made Qin Yu feel extremely unfamiliar.

Although this room was extremely simple and crude, it was rather clean.

Qin Yu slowly sat up from the bed.

He rubbed his head and felt dizzy. His chest was faintly aching.

It was obvious that the injuries on Qin Yu’s body had not healed.

Then, Qin Yu released his spiritual sense and covered the surroundings.

Soon, Qin Yu discovered a few figures.

Judging from their internal QI, they seemed to be ordinary people.

“You’re awake.”

At this moment, a girl dressed in ordinary clothes walked in from outside.

The girl had thick black hair, and the clothes on her body indicated her family’s situation.

“You are?” Qin Yu tried to ask.

The girl quickly said, “My name is Yu Qin. I saw you when I was picking herbs, so I conveniently brought you back.”

Qin Yu glanced at the herbs on the table, then looked at the decoction that was being brewed.

“You brewed this?” Qin Yu asked.

Yu Qin quickly nodded and said, “Yes, my father taught me this.”

Qin Yu slowly walked to the table. He picked up the decoction and sniffed it. He couldn’t help but be a little surprised.

Although the medicine that this girl brewed was relatively ordinary, her technique was extremely meticulous.

“Don’t worry. My father is an old doctor in the vicinity. He saved a lot of people!” Yu Qin seemed to be afraid that Qin Yu would be worried, so she hurriedly explained.

Qin Yu smiled and said, “Thank you.”

Only then did Yu Qin let out a sigh of relief. She whispered, “I saw that you were seriously injured. I thought that you couldn’t be saved. I didn’t expect you to recover so quickly...”

Qin Yu didn’t say much. This Yu Qin was just an ordinary person. There was no need to tell her too much.

“You just woke up. You should be very hungry, right? Wait a moment. My House will be serving dinner soon.” Yu Qin seemed to have thought of something.

Qin Yu nodded and said, “Then I’ll have to trouble you.”

Yu Qin said a little flustered, “It’s okay, it’s okay. You rest first. I’ll come and call you later.”

With that, she ran out in a hurry.

Qin Yu got up and walked out of the room.

The fresh air was blowing in their faces. This was actually a small mountain village.

And the entire mountain village was surrounded by mountains and forests. It was practically isolated from the world.

“I didn’t expect there to be such a place.” Qin Yu sighed.

There was a faint qi/spiritual energy here. Although it couldn't allow martial artists to make much progress, it was of great benefit to the villagers.

Then, Qin Yu looked to the side of the room and found many dried herbs hanging on the wall.

These herbs were very common, and many of them were wild herbs that couldn't be named.

“This is a good place to heal,”Qin Yu sighed.

Since Qin Yu had nowhere to go, he might as well stay here to heal his wounds.

“With my current body condition, I can recover in three days at most,”Qin Yu thought to himself.

Three days was not a big deal. Moreover, this kind of peaceful life might bring a different state of mind and help with cultivation.

Just as Qin Yu's thoughts were running wild, Yu Qin ran over from not far away.

“Well... the meal is ready. Let's Go Eat,”Yu Qin said softly.

Qin Yu glanced at her and saw that her face was red and full of shyness.

“You seem very shy,”Qin Yu said casually.

A hint of panic flashed across Yu Qin's face. She hurriedly said, “I . . . Let's hurry to eat. They are all waiting...”

Looking at Yu Qin's appearance, Qin Yu could not help but think of the first time he saw Yan Ruoxue.

The current Yu Qin was very much like Qin Yu back then.

"Okay." Qin Yu smiled and nodded.

He and Yu Qin walked towards a courtyard in the village.

On the way, Yu Qin asked in a low voice, "What's Your Name?"

"Qin Yu."

"Qin Yu... a very nice name," Yu Qin said.

Qin Yu didn't say much. His heart was a little chaotic.

Although he wanted to recuperate peacefully for a few days, his heart couldn't calm down at all.

Countless troubles surged into his heart, causing Qin Yu to frown from time to time.

Yu Qin did not dare to say anything when she saw this. She could only follow carefully from the side.

Soon, the two of them arrived at a large courtyard.

There was a large round table in the courtyard. The round table was filled with food.

The food was also extremely sumptuous. Other than wild vegetables, there was also the meat of wild beasts nearby.

Beside the table, there were three generations of people, Old and young.

“Xiao Qin, come and sit down.” An old man waved at Yu Qin.

Yu Qin quickly pulled Qin Yu over.

“Young man, you’re Awake? How Are You Feeling?”

“You’re from the city, aren’t you? With such serious injuries, you must have met wild beasts, right?”

“Where are your companions? Are You Alone?”

“There are a lot of wild beasts around here. You have to be more careful and don’t go out by yourself.”

“...”

The villagers here seemed to be extremely enthusiastic. Qin Yu kept picking up food.

It was rare for Qin Yu to have such a leisurely mood, so he simply blended in.

After a conversation, they learned that this village was called Shan Nan Village. The village had existed for many years, and very few people in this village were willing to go out.

They usually relied on farming, growing vegetables, and hunting for a living. It was truly like a paradise.

After eating, the people in the village lit a fire and sang around the fire.

The scene of singing and dancing could not help but make Qin Yu feel a little unreal.

Compared to the dangers outside, this place was really a pure land.

After dinner, Yu Qin brought Qin Yu home.

On the way back, Qin Yu asked casually, “Why aren’t you seeing your parents?”

When this topic was brought up, Yu Qin couldn’t help but whisper, “My parents have passed away, and I only have one younger brother.”

“Oh,” Qin Yu answered casually.

Qin Yu didn’t feel much about Yu Qin’s tragic life. Qin Yu was already used to life and death.

After returning to her residence, Yu Qin busied herself with arranging the herbs.

“You... wait for a moment. I will boil some water for you to wash up later,” Yu Qin said as she tidied up.

Qin Yu waved his hand and casually found a place to sit down.

Qin Yu’s mind was filled with worries as he gazed at the full moon in the sky.

‘It’s too difficult to fight against them without stepping into the martial saint stage,’ Qin Yu thought to himself.

He could not help but recall the scene of his fight with Uncle Zhen.

Apparently, Uncle Zhen had not displayed his full strength. Otherwise, Qin Yu would have died at his hands.

“Martial saint...”Qin Yu could not help but feel a little worried.

Even with the line word formula, a martial saint could seal the space.

If he met them again, he would not be able to escape so easily.

“It would be great if I could change my appearance,”Qin Yu thought to himself.

Yu Qin had already prepared the herbs.

She knocked the herbs into a basket and carried them on her back.

“Qin... Yu, I’m going to deliver the herbs. Do you.... Do you want to come with me?”Yu Qin hesitated for a long time and mustered up her courage to ask.

Chapter 916: Chapter 916, the old immortal

Looking at her flushed face, Qin Yu finally shook his head.

Seeing this, Yu Qin couldn’t force herself. She could only carry the medicine basket and leave.

Qin Yu sat quietly on a stone. Her eyes were slightly closed, and she breathed in and out gently.

After an unknown amount of time, Yu Qin came back from outside.

When she saw Qin Yu sitting on the rock, Yu Qin walked over and whispered, “Qin Yu, you haven’t rested yet.”

Qin Yu grunted and said, “I can’t sleep.”

Yu Qin continued, “Your injuries haven’t healed yet. You should rest more. I... I’ll go get some water for you to wash up.”

Qin Yu raised his head and looked at Yu Qin. Just as he was about to refuse, he noticed that there seemed to be something unusual on Yu Qin’s face.

She dodged and dodged as if she was afraid of being seen by Qin Yu.

“What happened to your face?” Qin Yu asked.

Yu Qin covered her face and said hurriedly, “It’s... It’s nothing. I... I’ll go get you some water.”

After saying that, Yu Qin ran away in a hurry.

Not long after, Yu Qin ran back with the water in her hands.

She placed the water in front of Qin Yu and said, “You... you can wash up.”

It could be seen that Yu Qin was a capable, simple, and kind woman.

Living at the bottom, her simple character was indeed eye-catching.

Seeing how hard Yu Qin took care of him, Qin Yu also felt a little embarrassed.

He slowly stood up and placed his hand on Yu Qin’s face.

This action immediately made Yu Qin's face flush red.

She whispered, "Qin Yu, you..."

Qin Yu did not explain. A bright light appeared on his hand. Strands of Qi/spiritual energy surged out of his palm and covered Yu Qin's face.

Yu Qin only felt waves of warmth on her face. It was extremely comfortable.

After dozens of seconds, Qin Yu took his hand away.

Yu Qin subconsciously touched her face. She was surprised to find that the redness just now seemed to have disappeared.

"How... How did you do it?" Yu Qin could not help but widen her eyes.

Qin Yu did not explain. To Qin Yu, who was a half-step martial saint, this was a wound that could be easily treated.

However, to Yu Qin, who had some medical skills, this was simply a godlike technique.

"Qin Yu, you... you are too amazing!" A trace of excitement could not help but flash across Yu Qin's face.

Qin Yu smiled and said, "This is nothing."

Yu Qin wanted to say something else, but was interrupted by Qin Yu.

"You should go and rest early."

After saying this, Qin Yu no longer paid any attention to Yu Qin.

He sat on this rock and thought about how to deal with the martial saint who was chasing after him.

Although Yu Qin wanted to speak to Qin Yu, she did not dare to speak rashly. She could only step aside carefully.

Qin Yu didn't sleep the whole night.

After thinking about it, the safest way was to hide her face and avoid the sharp edge for the time being.

The next day, before dawn, Yu Qin got up early. She carried the medicine basket on her back and prepared to pick herbs.

When she saw Qin Yu sitting on the stone, Yu Qin said in surprise, "You... Why are you up so early?"

Qin Yu said casually, "Well, I can't sleep. What About You?"

Yu Qin said, "I have to get up early to pick herbs."

Hearing that, Qin Yu couldn't help but frown and say, "Do you have to pick herbs so early every day?"

"Yes, do you want to come with me?" Yu Qin asked tentatively.

Qin Yu thought for a moment. Since it was an experiential learning, he had to experience all the flavors of life.

Therefore, Qin Yu stood up and said, "Okay."

After getting a positive answer, a trace of excitement flashed across Yu Qin's face.

She hurriedly said, “How about... I make some food for you first. You Eat Something First.”

“No need. Let’s go.”Qin Yu waved his hand.

The two of them embarked on the journey to pick herbs.

The place where they picked herbs was precisely the mountain forest where Qin Yu fell.

This mountain forest was extremely large, and there were all kinds of strange things growing inside.

In this mountain forest, there were wild beasts appearing from time to time. Qin Yu could clearly hear the roars coming from the dark.

“Aren’t you afraid of encountering wild beasts when you come to pick herbs every day?”Qin Yu couldn’t help but ask in surprise.

Yu Qin said in a low voice, “I’m afraid, but my luck is better. I can usually escape.”

“Isn’t this too dangerous?”Qin Yu couldn’t help but frown.

Yu Qin sighed and said, “I can’t do anything about it...”

“I don’t quite understand. Why do you have to pick herbs every day? are people in the village like this?”Qin Yu asked in puzzlement.

Yu Qin opened her mouth as if she wanted to say something, but in the end, she shook her head.

“If you have any difficulties, you can tell me. I might be able to help you,”Qin Yu said.

After all, Yu Qin had helped him before. He had to return this favor no matter what.

“There’s no need!” Yu Qin smiled and shook her head. “I can solve it myself.”

Seeing this, Qin Yu didn’t ask any further.

In the mountain forest, Yu Qin carefully picked herbs everywhere.

She seemed to be extremely sensitive to danger. As long as there were wild beasts around, Yu Qin would avoid them.

For the whole morning, Yu Qin picked a basket of herbs.

Although these herbs were ordinary, their medicinal effects were well preserved.

“I’m so tired.” Yu Qin sat on the ground and wiped the sweat off her forehead.

At this moment, Yu Qin’s stomach suddenly began to growl.

A hint of embarrassment flashed across Yu Qin’s face. She blushed and hurriedly turned her face to the side.

Qin Yu glanced at her and said, “Don’t you usually eat lunch?”

Yu Qin said, “I brought a pancake. Do you want to eat one?”

As she said that, Yu Qin took out a pancake from her mouth.

“This is what you want to eat?” Qin Yu couldn’t help but frown.

Yu Qin smiled and said, “Anyway, I’ll just deal with some at noon.”

Qin Yu thought for a moment and said, “Wait for me here.”

“Where are you going?” Yu Qin quickly asked.

Qin Yu did not answer. He turned around and walked into the depths of the forest.

The sounds of birds and beasts could be heard in the forest. A few minutes later, Qin Yu came back with a wild boar.

When Yu Qin saw this, her eyes immediately widened.

“Where... where did the wild boar come from?” Yu Qin exclaimed.

Qin Yu said perfunctorily, “I picked it up by the roadside.”

After saying that, Qin Yu tore the wild boar apart with his bare hands.

This immediately made Yu Qin even more shocked!

“Qin Yu, you... are so strong...” Yu Qin said in surprise.

Qin Yu tore off a leg and then lit the spiritual fire in his hand.

The current Qin Yu’s control of the spiritual fire could be said to be perfect. In just a few minutes, a roasted wild boar leg was ready.

“Eat it.” Qin Yu handed the wild boar leg to Yu Qin.

Yu Qin swallowed her saliva. She grabbed the wild boar leg and wolfed it down.

“It smells so good.” Yu Qin seemed to be extremely hungry. A wild boar leg was eaten up in a short while.

After eating it, Yu Qin seemed to feel a little embarrassed.

She wiped her mouth and said somewhat embarrassedly, “Did I eat too fast?”

Qin Yu shook his head and said nothing.

“Qin Yu, you are really powerful. You are almost like the old immortals in our village,” Yu Qin muttered.

“Old Immortals?” Qin Yu raised his eyebrows.

Yu Qin hurriedly nodded and said, “Yes, the old immortals in our village are especially powerful! It is said that they can fly and burrow into the ground! They can tear apart wild beasts with their hands!”

Hearing this, Qin Yu couldn't help but say in a low voice, “It should be a cultivator.”

“What?” Yu Qin asked.

Qin Yu shook his head and continued, “Is he a native of your village?”

Yu Qin shook her head and said, “No. It is said that he became an old immortal a few years ago after receiving a reward from the heavens in our village.”

When Qin Yu heard this, his interest was immediately piqued.

The so-called reward from the heavens was naturally his nonsense.

However... For him to suddenly become a cultivator, he must have obtained some sort of babe in the village.

‘perhaps this old immortal can provide me with some sort of treasure,’Qin Yu thought to himself.

Chapter 917: Chapter 917: Monkey calls himself king

Thinking of this, Qin Yu looked at Yu Qin, intending to ask if he could take him to see this old immortal.

But before Qin Yu could speak, Yu Qin whispered, “Unfortunately, this old immortal is very bad. He uses his own ability to bully us every day.”

“Oh?”Qin Yu raised his eyebrows.

He suddenly thought of something and looked at the herbs in the basket.

“Are these herbs also for that old immortal?”Qin Yu asked.

Yu Qin said in surprise, “How do you know?”

Qin Yu waved his hand and didn’t answer.

It seemed that this so-called old immortal wasn’t very powerful.

Otherwise, these herbs wouldn’t be able to improve him at all.

“I’ll accompany you to deliver the herbs tonight,”Qin Yu said.

The smile on Yu Qin’s face suddenly became a little wider. She quickly nodded and said, “Okay!”

Then, Qin Yu continued to pick herbs with Yu Qin.

The two of them only went back in the evening.

Yu Qin seemed to be very happy. She kept chattering along the way and kept talking.

Qin Yu, on the other hand, seemed to be more depressed. He just nodded from time to time.

On the way back to his residence, Qin Yu followed Yu Qin to have dinner as usual.

The food in the village was good every day, and they had a clear division of labor.

Some people went to choose the vegetables, while others went hunting.

After the meal, they sang and danced as usual. This time, Qin Yu was not in a hurry to leave, but blended in.

After a round of fun, everyone could not help but gasp.

“Xiao Qin, the old immortal hasn’t made things difficult for you recently, has He?” At this time, the old man in the village walked to Yu Qin’s side.

Yu Qin said softly, “He... didn’t make things difficult for me.”

“Really?” The old man frowned slightly, as if he didn’t quite believe it.

Seeing that Yu Qin didn’t speak, the old man sighed and said, “I’ll go and talk to him again tomorrow.”

“En!” Yu Qin nodded and said, “Then uncle Lin, we’ll go back first.”

After saying goodbye to Uncle Lin, Qin Yu followed Yu Qin back to the residence.

After returning, Yu Qin sorted out the herbs as usual and prepared to give them to the old immortal.

It was not until ten o'clock in the evening that Yu Qin was done sorting out.

“Do you really want to go with me?” Yu Qin asked carefully.

Qin Yu smiled and said, “Of course. I have already promised you. Let’s go.”

“Yes, yes!” Yu Qin nodded excitedly.

The two of them left the house together and rushed towards the old Immortal’s residence.

Along the way, Qin Yu used his divine sense to cover the nearby area, searching for the old immortal’s figure.

After a full half a day, Qin Yu finally found the old immortal’s figure.

“Grandmaster?” Qin Yu couldn’t help but raise his eyebrows.

This realm was not worth mentioning in front of Qin Yu, but among ordinary people, it was indeed a top-notch existence.

“It’s in front.” Yu Qin pointed at a residential house not far away and said.

She said worriedly, “No matter what happens later, you... you don’t say anything, understand?”

“Okay,” Qin Yu answered casually.

Yu Qin grunted and took a deep breath. Then, she rushed to the old immortal’s residence.

Qin Yu followed behind her and entered the room.

As soon as she entered, Qin Yu saw a bald old man.

The old man sat cross-legged on the bed with his hands clasped together as if he was cultivating.

“Old immortal, the herbs are here,” Yu Qin said softly as she placed the herbs beside him.

After hearing Yu Qin’s voice, the old immortal opened his eyes.

“Who is this person?” The old immortal’s gaze landed on Qin Yu.

“He... He is my friend,” Yu Qin explained.

The old immortal snorted and said, “Alright, come and give me a massage.”

Yu Qin frowned slightly. She subconsciously looked at Qin Yu as if she was embarrassed.

“What are you still standing there for!” At this moment, the old immortal suddenly shouted and slapped Yu Qin in the face!

Yu Qin covered her face aggrievedly and walked towards the old immortal.

But at this moment, Qin Yu grabbed Yu Qin’s arm.

Yu Qin was stunned and she looked at Qin Yu suspiciously.

Qin Yu ignored her and looked at the old immortal coldly. He said, “You Old Baldy, you really know how to play tricks. Old Immortal, I think you are an old fart.”

Hearing this, the old immortal was furious!

He looked at Qin Yu coldly and said, “You dare to disrespect me, that is disrespectful to the heavens. I must punish you on behalf of the Heavens!”

After saying that, the old immortal used the same trick again and slapped at Qin Yu!

However, before the internal Qi he released could even get close to Qin Yu, it instantly vanished into thin air.

“There really is no tiger in the mountain. A monkey calls himself the king. He is just a grandmaster, yet he dares to flaunt his power and oppress the common people,” Qin Yu said coldly.

The old immortal’s expression changed slightly. He narrowed his eyes and said, “You actually know of a Grandmaster? It seems that we are of the same path. Friend, I advise you to mind your own business.”

“Qin Yu, you... Don’t provoke him. There will be trouble...” Yu Qin said softly.

Qin Yu sneered and said, “Trouble? In My Eyes, he is like a chicken or a dog.”

The old immortal said with extreme displeasure, “Friend, watch your words. I respect that you are on the same path, but don’t be ungrateful.”

Qin Yu ignored this sentence and said indifferently, “You should have obtained some secret treasure, right? Hand it over, and maybe I can consider letting you die a quick death.”

A trace of panic flashed across the old immortal’s face, and his face quickly turned cold.

He slowly got up from the bed and sneered, “Since you already know, then I can’t let you leave alive.”

“Kid, today I’ll let you see the power of a Grandmaster!”

With a roar, the internal Qi on his body began to rise rapidly!

Then, he clenched his fists and condensed the internal Qi into his fists. Then, he smashed his fists at Qin Yu!

“Qin Yu, be careful!” Seeing this, Yu Qin was so anxious that her forehead was full of sweat.

She subconsciously ran to Qin Yu and tried to block the fists for him.

Chapter 918: Chapter 918, the unfettered divine stone

The pair of fists looked imposing, and one could even hear the faint sound of a dragon’s roar.

Qin Yu pushed Yu Qin to the side, and then looked coldly at the old immortal.

“Clang!”

The Fists landed solidly on Qin Yu’s body.

But in the next second, the old immortal’s face flushed red.

This punch not only failed to hurt Qin Yu, but also shattered his fists!

“How... how could this be!”The old immortal’s expression was extremely unsightly.

Qin Yu did not say a word and only released his own pressure.

Under this powerful pressure, the old immortal’s entire body trembled, and his legs even kneeled on the ground with a Bang!

This force was like two huge mountains, causing all the bones in his body to creak!

The old immortal’s expression changed greatly! He quickly understood that this young man in front of him was definitely not someone he could provoke!

“Don’t... Don’t kill me...”the old immortal said with a panicked expression.

“It’s my fault for not recognizing Mount Tai. You... You let me live, I’ll Promise You Anything!”

“I’ll give you that treasure right away, please let me go...”

Seeing this scene, Yu Qin could not help but widen her eyes.

The “Old immortal” who was showing off in the village was actually begging for mercy in such a humble manner?

Who exactly was this Qin Yu?

“Where is the treasure?” Qin Yu said coldly.

The old immortal said with some panic, “If I give you the treasure, can you exchange it for my life?”

“You talk too much nonsense,” Qin Yu said coldly.

The old immortal didn’t dare to say anything. He hurriedly said, “I’ll take you there now. I’ll take you there now...”

Qin Yu withdrew the pressure coming from his body and said coldly, “Let’s go.”

The old immortal climbed up from the ground with difficulty. He endured the intense pain on his body and brought Qin Yu out of the room.

After going around in circles, they arrived in front of a mountain.

Then, the old immortal pointed to the ground and said, “I buried the thing here...”

Qin Yu narrowed his eyes and suddenly punched the ground.

The ground shook with the punch.

A huge pit appeared on the ground.

In the huge pit, there was a crystal-like stone.

The stone was sea-blue and gave off a trace of an unusual internal Qi.

Qin Yu bent down and took out the stone.

As he played with the stone, Qin Yu felt extremely comfortable in his body and mind, and his thoughts were extremely clear.

Even his state of mind seemed to have improved.

“This is... The Freedom Divine Stone?” Qin Yu exclaimed.

It was rumored that the Freedom Divine Stone was a divine item that could understand the Great Dao! Its effect was even better than the Enlightenment tea!

With this item, Qin Yu’s time to become a martial saint would be rapidly shortened!

“I didn’t expect that there would be such a saint item in this small mountain village!” Qin Yu could not help but feel excited!

“Such a treasure is actually in your hands. What a waste of a god’s gift.” Qin Yu glanced at this old Baldy and could not help but snort coldly.

This Old Baldy did not dare to act rashly anymore. He hurriedly smiled sheepishly and said, “You are right. I am not worthy of obtaining such a treasure...”

Qin Yu didn’t say anything more. He picked up the free divine stone and then looked at Yu Qin.

“How did this Old Thing Bully You?” Qin Yu asked.

Hearing this, the Old Baldy subconsciously glared at Yu Qin.

Yu Qin immediately tensed up and stuttered for a long time, not daring to say a word.

“Big Brother, I... I know I’m wrong. I promise I won’t bully them from now on!”The Old Baldy said hurriedly.

“Please spare my life for the sake of this stone...”

Qin Yu glanced at him and said coldly, “You have to pay the price for doing something wrong. It’s the same for everyone.”

Before he could say anything, Qin Yu slapped him.

This slap directly smashed his body into pieces, turning it into a cloud of bloody mist and exploding!

“Ah!”

Yu Qin’s face instantly turned pale with fright, and she unconsciously took two steps back.

Qin Yu couldn’t help but frown.

Qin Yu, who had killed countless people long ago, had actually forgotten the existence of Yu Qin beside him.

“Are You Afraid?”Qin Yu asked.

Yu Qin’s eyes widened, and her face was filled with panic.

She had been born in a mountain village, so she had never seen such a scene.

Seeing this, Qin Yu couldn't help but sigh slightly.

He walked forward, and a strand of divine sense flew out from between his brows.

The divine sense entered Yu Qin's mind and directly erased this memory.

Yu Qin, who had lost this memory, was instantly at a loss.

She looked around and said in a low voice, "Where is this?"

Qin Yu didn't answer, but said, "Let's go. It's late. It's time to go back and sleep."

Yu Qin brought Yu Qin all the way home. As usual, she fetched water and Washed Qin Yu.

After she was done, Yu Qin went to rest.

As for Qin Yu, he sat there and took out this free divine stone.

He held his divine sense in his hand and slowly played with it. That feeling of smoothness appeared once again.

With the Free Divine Stone, Qin Yu was much more sensitive to the Great Dao. His state of mind also improved imperceptibly.

After half a night, Qin Yu finally put away the free divine stone.

"Although this item can improve my state of mind, it can't be used all the time." Qin Yu couldn't help but frown.

In just a few hours, the free divine stone had lost its effect.

Fortunately, the free divine stone could recover on its own, so Qin Yu wasn't in a hurry.

He put away the free divine stone, then took out his phone and opened the martial arts forum.

At this moment, almost everyone on the martial arts forum was discussing the news of the large spiritual stone mine. Some people even took pictures of the scene there!

When he saw the news of the large spiritual stone mine, Qin Yu could not help but stand up abruptly from the ground.

“Large spiritual stone mine? There's actually a large spiritual stone mine?!” Qin Yu exclaimed in shock.

“No wonder no martial saints have come to look for me recently. They must have gone to this large spiritual stone mine.” Qin Yu thought to himself.

The spiritual stone mine was a truly top-notch resource. Even though Qin Yu was currently in great danger, he was still unable to resist this temptation.

According to Tian Jizi's calculations, this spiritual stone mine would officially open in two days.

And before this, many aristocratic families had already rushed here.

“This won't do. No matter what, I have to go and take a look,” Qin Yu thought to himself.

Such a temptation was really hard to resist.

Even if he had to risk his life, Qin Yu didn't want to miss it.

“There are still two days to open. In these two days, I have to think of a way to hide my face,” Qin Yu thought to himself.

It wasn't difficult to hide his face, but it was difficult to hide his internal Qi.

After thinking about it, Qin Yu thought of Luo Jingyu from the pavilion of heavenly secrets.

This person had countless treasures in his hands. He might have a way.

...

The next day.

After Yu Qin got up, she said excitedly, “Qin Yu, do you want to go with me to pick herbs today? I know a very good place in the mountain forest. The scenery is very beautiful! I have never told anyone about it!”

Qin Yu glanced at her and said quietly, “I'm leaving.”

Hearing this, Yu Qin's expression froze on her face.

Chapter 919: Chapter 919, concealing one's internal Qi

Yu Qin said somewhat anxiously, “You... You're leaving already?”

Qin Yu grunted and said, “I still have things to do when I'm out.”

Yu Qin's expression became even more unsightly.

With her naive nature, she thought that Qin Yu would stay in this small mountain village forever.

“Then... will you come back?” Yu Qin asked softly.

Qin Yu shook his head and said, “I don’t know. Maybe, maybe not.”

How Could Qin Yu not see the feelings Yu Qin had for him? However, Qin Yu only had Yan Ruoxue in his heart.

“Thank you very much for bringing me back from the mountain forest. In order to repay you, I have also prepared a gift for you,” Qin Yu said.

He took out a book. The book recorded some alchemy techniques.

These skills were all basic, but they all came from the Divine Alchemist Pavilion.

For Yu Qin, this was enough.

“I’m leaving,” Qin Yu looked at Yu Qin and said quietly.

Yu Qin pinched the corner of her clothes and didn’t speak for a long time.

Qin Yu wasn’t a soft-hearted person, so he didn’t linger. He turned around and was about to leave.

“Can you leave your phone number?” At this moment, Yu Qin suddenly shouted.

Qin Yu was silent for a moment. In the end, he still turned around and wrote down his number.

After he had done all this, Qin Yu left this mountain village.

After three days of recuperation, Qin Yu's injuries were almost healed.

These few days, the various martial saints were all near the spirit stone mine. They would not pay attention to Qin Yu. Thus, Qin Yu boarded a plane and rushed towards Jingdu.

He arrived at the pavilion of heavenly secrets in Jingdu.

Inside the pavilion of heavenly secrets.

Luo Yang was patrolling around like a young master as usual.

At this moment, Qin Yu walked behind him and patted his shoulder.

“Who the F * ck patted me... Qin... Qin!”

“Shut up!” Qin Yu coldly interrupted Luo Yang's words.

Luo Yang hurriedly covered his mouth, but the panic and fear on his face could not be concealed.

“Where's your father?” Qin Yu asked.

Luo Yang quickly replied, “He's... He's at the back.”

“Follow me to find him.” Qin Yu dragged Luo Yang and walked towards the villa behind the pavilion of Heavenly Secrets.

They arrived at the main hall of the villa.

When their eyes met, Luo Jingyu's heart was filled with shock.

Everyone knew that all the martial saints were looking for Qin Yu. Qin Yu was on the verge of death.

However, the more such a person was, the more terrifying he was. No one could guarantee that he would not do something crazy.

“Mr. Qin, are you here for the sword? I have already made the sword for you. I will go get it for you now.” Luo Jingyu took the initiative to speak.

After he had finished speaking, he rushed to a room and walked out with the bronze sword in his hand.

Qin Yu took the sword and saw that the sword was already covered in a scarlet color.

When Qin Yu’s spiritual power entered the sword, rays of demonic light flashed on the sword.

“Not bad.” Qin Yu praised from the bottom of his heart.

“Although you didn’t say anything good, your skill in refining artifacts is undeniable.”

Luo Jingyu smiled embarrassedly and didn’t dare to say anything more.

“I’m here today because I have another matter that I need your help with. Don’t worry, if it can be done, I will remember your favor,” said Qin Yu.

Luo Jingyu hurriedly cupped his hands and said, “I don’t dare, I don’t dare. It’s me who can serve you...”

“Alright, stop talking nonsense. I need a magical artifact to cover my face and internal Qi,” Qin Yu interrupted Luo Jingyu.

Luo Jingyu's expression changed slightly.

He instantly understood Qin Yu's intention.

However, Luo Jingyu was filled with hatred toward Qin Yu. How could he be willing to help?

"Mr. Qin, it's not that I don't want to help. I really don't have such a spiritual artifact here because..."

"Bullsh * T." Qin Yu interrupted Luo Jingyu again.

He slowly stood up and said coldly, "Luo Jingyu, you're a Master Weaponsmith. The Heaven's secret pavilion is on par with the Divine Alchemist Pavilion. How could you not have such a spiritual artifact?"

Luo Jingyu stammered and could not speak for a moment.

"What? Do you want me to die at the hands of the martial saint so that you can take revenge?" Qin Yu narrowed his eyes and said.

Luo Jingyu immediately turned pale with fright and hurriedly said, "I absolutely have no such intention!"

Traces of murderous intent were emitted from Qin Yu's body.

He looked at Luo Jingyu coldly and said, "If you hand over the magic weapon now, I will remember your favor. But if I force you to hand it over, I will kill you."

Luo Jingyu instantly fell into silence.

After thinking for a moment, he nodded and said, "Alright, wait a moment."

After saying that, Luo Jingyu turned around and returned to his room.

He rummaged through the boxes and cabinets.

A few minutes later, Luo Jingyu came out with a hat.

The entire hat looked extremely ordinary, but it had an internal Qi of the Great Dao flowing from it.

“This thing is called thousand faces. I got it by chance,” Luo Jingyu said in a deep voice.

Qin Yu took the hat.

The hat was somewhat similar to the one Fang Yue had given him back then, but the quality of the two was completely different.

After taking the hat, Qin Yu immediately put it on his head.

In an instant, Qin Yu felt as if the Great Dao had been disturbed, and his internal Qi had become extremely concealed.

Not only that, after wearing a thousand faces, his face would be even more concealed.

At a glance, he could only see a thin layer of fog. He wanted to see his face clearly, but he couldn't.

“Thank you.” Qin Yu put away his hat and cupped his hands to Luo Jingyu.

Luo Jingyu was overwhelmed by the favor and quickly returned the greeting, “You're too kind.”

Qin Yu wore a thousand faces and turned around to leave.

After Qin Yu left, Luo Yang couldn't wait to run over.

“Dad, he has already taken a lot of things from us! Now he took thousand faces away. This is too much!” Luo Yang said angrily.

Luo Jingyu sat there and didn't speak for a long time.

“Dad, are you going to let him go just like that!” Luo Yang said angrily.

Luo Jingyu glanced at Luo Yang and said, “Then what do you want?”

“What do I want? Hehe, I have many ways to deal with him!” Luo Yang said with a vicious face.

“I have some friendship with Gu Xinghe during this period of time. I will call him now and tell him about this!”

After saying that, Luo Yang took out his cell phone and called Gu Xinghe.

Chapter 920: Chapter 920: War is imminent!

The call was picked up quickly. Luo Yang said anxiously, “Young Master Gu, I have something to tell you.”

On the other end, Gu Xinghe was busy with the spirit stone mine.

Therefore, he said impatiently, “What is it?”

“It's... Du Du du...”

Before Luo Yang could finish his sentence, the call was hung up.

A light flashed and broke Luo Yang's phone.

The person who did it was none other than his father, Luo Jingyu.

"Dad, what are you doing!" Luo Yang said with some anger.

Luo Jingyu shook his head and said, "It's better not to tell him about this."

"Why? !" Luo Yang was extremely puzzled.

Luo Jingyu said in a deep voice, "They sent so many people, but they still couldn't catch Qin Yu. If Qin Yu doesn't die, we will die."

"Then... then we will just endure it?" Luo Yang said with an angry face.

Luo Jingyu sighed slightly and said, "Let's just forget about it."

Although he said so, Luo Yang still had an unconvinced face.

Outside the door.

Qin Yu heard these words clearly.

After hearing Luo Jingyu's words, Qin Yu finally relaxed and left this place.

...

There was only one day left before the opening of the Spirit Stone Mine.

More and more people were gathered around the big spirit stone mine.

From hiding in the dark at the beginning, they slowly moved up to the stage.

The seven martial saints from the secret realm were still discussing something.

The two sides at the scene were divided into two factions.

One faction was the current martial artists, and the other faction was the martial artists from the secret realm.

“How ironic. I didn’t expect that we would also encounter such a situation,”Zhuang Teng said self-deprecatingly.

“Yeah. Back then, which one of us didn’t look down on all living beings from above? Now, we are being looked down upon by a group of disciples from the Mystic Realm.”Chu Heng couldn’t help but smile bitterly.

“Now I finally understand why Qin Yu is full of hostility toward us,”Kong Yun said coldly.

The scene fell into silence, and everyone couldn’t help but sigh.

“The large spirit stone mine has been making a lot of noise these few days. It must be about to open soon,”Yao Meng said quietly.

She looked around as if she was looking for something.

“What’s Wrong?”Xiao Yuan asked.

Yao Meng frowned and said, “I have a feeling... that Qin Yu might come.”

...

That night, the atmosphere at the scene became more and more subtle.

Qin Yu finally arrived at the scene in the latter half of the night.

He released his spiritual sense and covered the surroundings.

Soon, Qin Yu's face darkened.

There were at least close to a hundred people at the scene!

And the weakest one was at the Martial Marquis Realm!

"It seems that all the reclusive experts have come into being." Qin Yu took a deep breath.

A Hundred Martial Marquis was simply unheard of.

Such a scale had not been seen for many years.

Seeing that the scene was divided into two factions, Qin Yu could not help but sigh in his heart.

After thinking for a while, Qin Yu silently approached Yao Meng and the others.

He stood in the faction of the heir, but he was dozens of meters away from Yao Meng and the others.

"With those seven martial saints around, we won't be able to fight back at all," someone said in a low voice.

"When the Spirit Stone mine opens, it will be the time for the conflict to erupt."

“The conflict has been going on for the past few days. Both sides have suffered losses, but our losses are much greater.”

As he spoke, a car slowly drove over from not far away.

As soon as the car stopped, they saw Gu Xinghe get down from the car.

“This trash!” Zhuang Teng and the others could not help but curse inwardly when they saw Gu Xinghe!

Ever since the martial saint walked out of the secret realm, Gu Xinghe had been hanging out with them.

“In the past, the Jingdu Martial Arts Association would at least pretend to be fair. Now, they don’t even pretend anymore and directly express their attitude,” Yao Meng said in a low voice.

“It’s Still Qin Yu Who’s smart enough to fall out with the Jingdu martial arts association long ago.”

“This bastard, since he’s made his stance clear, don’t even think about leading the martial arts world. But he won’t. He wants everything.”

Under everyone’s gaze, Gu Xinghe walked towards the seven martial saints.

When he passed Zhuang Teng and the others, Gu Xinghe stopped in his tracks.

“Everyone, how have you been?” Gu Xinghe said with a smile.

Zhuang Teng said with a cold smile, “Oh, isn’t this the young master from the second secret realm? We are truly honored to be able to speak to you.”

“That’s right, young master Gu, Why aren’t you bringing your disciples from the secret realm to show off? What are you talking to us for?”

Gu Xinghe was not angry about this.

He smiled faintly and said, “I know you’ve all misunderstood me, but let me tell you, the Jingdu Martial Arts Association will definitely give you the answer you want.”

“What we represent is not the secret realm nor you, but fairness.”

“Bah!”Zhuang Teng could not help but spit on the ground.

Gu Xinghe sighed slightly and waved his hand, “I will give you the answer you want.”

After he finished speaking, Gu Xinghe walked towards the seven martial saints.

“Motherf * cker, you pretentious son of a B * Tch!”

“I really want to smash his head!”

“When I step into the martial saint realm, I will definitely kill all of them!”

As he was speaking, another disciple from the secret realm walked over not far away.

This person was dressed in gorgeous clothes and surrounded by pearls. He had the demeanor of a rich young master.

When Zhuang Teng and the others saw this person, a trace of anger flashed across their faces.

This person was none other than the disciple of the mystic realm who had injured Zhuang Teng and Kong Yun, Qiao Zun!

Qiao Zun's gaze swept across the surroundings and finally landed on Zhuang Teng and the others.

Following that, a trace of playfulness flashed across Qiao Zun's face as he walked straight towards Zhuang Teng.

"Oh, you're still alive?" Qiao Zun said sarcastically.

Zhuang teng gritted his teeth and said, "You're not dead yet, how could I Be Dead?"

Qiao Zun clicked his tongue and said, "Looks like I was too lenient last time. If I had known earlier, I would have slapped you to death."

"You!" Zhuang Teng was so angry that his face turned pale and he clenched his fists tightly.

Qiao Zun ignored him and continued to ridicule, "This is not a place that you can come to. You also want to obtain this spirit stone mine? You Don't even have a martial saint, what right do you have? Hurry up and go home to wash up and sleep."

"F * ck your mother!" Kong Yun immediately roared and threw a punch at Qiao Zun!

Qiao Zun immediately raised his hand to receive the punch. When the two fists collided, the world instantly shook and rumbled!

“You defeated opponent, you still dare to attack me? !”Qiao Zun said with a gloomy face.

“F * ck your mother! If it weren't for your tricks, how could I have lost to you!”Kong Yun said furiously.

“If you don't accept it, just fight again!”

Qiao Zun narrowed his eyes and said, “Well, if you want to die, I Won't Stop You!”

Chapter 921: Chapter 921, Xu Huaigu appeared!

“Do you think I'm F * cking afraid of You? !”Kong Yun shouted as he threw a pair of iron fists at Qiao Zun!

“Bang!”

The two fists collided with an earth-shattering BOOM!

Countless people at the scene immediately looked over!

The fight between the two had undoubtedly pushed the conflict that had been brewing for a long time to the surface!

“F * ck, what's so great about you disciples from the Mystic Realm? Are You Afraid of Me? !”

“The strength of the people from our mystic realm is above yours!”

“F * ck you, I’ve long disliked you!”

The scene instantly became chaotic. Both sides fought, and the entire scene was extremely chaotic.

Qin Yu, who was hiding in the dark, was also a little angry.

These disciples from the secret realm were too arrogant. If they did not teach them a lesson, they would only become more arrogant.

Taking advantage of the chaos, Qin Yu secretly kicked the person in the secret realm and ran away after that.

After a series of operations, Qin Yu kicked and broke a few of them.

“Damn it, I don’t even like beating people up.” Qin Yu could not help but curse in his heart.

In order not to expose his identity, Qin Yu could only change his location with one shot.

Seeing that the battle was getting more and more intense, the martial saints standing on top of the mountain could no longer sit still.

“If this continues, they will definitely affect this huge mine,” a martial saint said.

“Yes, it’s necessary to stop them.”

Gu Xinghe said quietly, “We still need them for the time being, and we also need their people’s hearts. So, don’t go too far.”

Even though that was the case, Gu Xinghe also looked down on the martial artists of this world.

The battle between Kong Yun and Qiao Zun was still ongoing. As the two of them were responsible for each other's strength, they naturally attracted the most attention.

Even Qin Yu was silently watching.

“Kong Yun's strength is not below this Qiao Zun,” Qin Yu thought to himself.

If the battle continued, Kong Yun's chances of winning would even be higher.

Not only that, Kong Yun's originally irritable personality was displayed to the extreme at this moment.

“Boom!”

Kong Yun seized the opportunity and smashed his fist on Qiao Zun's chest.

Qiao Zun was pushed back a few steps, and his chest caved in.

“Come on, I'll Rip Off Your Arrogant Head Today!” Kong Yun was full of fire and fighting spirit.

But at this moment, a mystic realm disciple joined the battlefield!

In an instant, Kong Yun changed from one to one to three!

In the situation where there was not much difference in strength, Kong Yun immediately fell into a stalemate. He was beaten back repeatedly by Qiao Zun and kept vomiting blood.

Seeing this, Qin Yu's face instantly turned extremely cold.

He gritted his teeth and almost could not hold it in anymore.

“Three against one, what kind of ability is that!”

At this moment, a rough voice was heard!

It was none other than the sacred physique Chang Mang!

The moment Chang Mang entered the battlefield, the situation was reversed once again!

Under the situation of two against three, the mystic realm disciple actually did not have the upper hand at all and even retreated in defeat!

Seeing that the situation was not good, another mystic realm disciple immediately joined in!

“Hehe, are you bullying US Mystic Realm Disciples?” Wan Gu Qiong who had been watching the battle sneered and instantly joined in.

The scene immediately became even more chaotic. Chang Mang and Kong Yun had to face five mystic realm disciples!

Even though the two of them were heaven’s favored sons, it was difficult for them to fight against four hands with two fists. Soon, they were at a disadvantage.

“F * ck!” Qin Yu, who was watching the battle from the side, could not hold it in any longer.

He tightened his cap, his body flashed explosively, and instantly joined in!

Qin Yu withdrew the Golden Light, and with only his pure physical body, he threw a punch toward Wan Gu Qiong's incoming fist!

“Clang!”

Under the huge collision, the fist that was supposed to land on Chang Mang's body was knocked back by Qin Yu's punch!

“Deng Deng Deng!”

Wan Gu Qiong took a few steps back, and his face instantly became a little cold.

“You have some ability, who are you?” Wan Gu Qiong asked coldly.

Qin Yu did not answer, but only responded with a steel-like fist!

With Qin Yu's addition, these five disciples of the mystic realm could not withstand the fury of the three of them at all. They were beaten back repeatedly!

Meanwhile, Qin Yu's anger that he had suppressed for a long time was finally released.

“Boom!”

Qin Yu fiercely punched the chest of the Wan Gu Qiong and shattered his sternum!

“All of you, Stop!”

At this moment, a loud shout suddenly silenced the scene.

A white-haired martial saint walked over!

“Uncle Otter!” Qiao Zun hurriedly walked over when he saw this old man.

The martial saint who was called Uncle Otter walked over directly.

He stood in front of Qiao Zun and looked at the martial saint and the others coldly.

In the end, his gaze fell on Kong Yun.

Before Kong Yun could speak, Uncle Otter suddenly slapped Kong Yun’s face!

This slap had directly covered Kong Yun’s face with blood!

“F * ck your mother!” Kong Yun was instantly enraged. Without a word, he wanted to attack Uncle Otter.

However, this uncle otter was a martial saint. In front of him, Kong Yun did not have the ability to retaliate at all.

Therefore, everyone hurriedly stopped Kong Yun.

“Calm down. He is a martial saint. If we fight with him, we will die without a doubt.” Someone beside him said.

However, Kong Yun could not suppress the anger in his heart. He struggled with all his might and wanted to fight with Uncle Otter.

Uncle Otter looked at Kong Yun coldly and said, “You are reckless. Do you really know how to fight?”

Then, Uncle Otter extended his palm and a wisp of internal Qi lightly landed on Kong Yun’s body.

With just this attack, Kong Yun's entire body went soft and he fell to the ground with a bang.

He glared at Uncle Otter, but he could not move at all.

“Kong Yun! Are You Alright? !”Everyone quickly surrounded him.

Uncle Otter said coldly, “Don't worry, I didn't kill him. I only taught him a small lesson.”

Although he said that, from Kong Yun's expression, he should be in extreme pain at this moment.

Qiao Zun slowly walked to Kong Yun and said condescendingly, “See? This is what you all end up with. Without a martial saint, all of you are just a bunch of ants!”

When they saw this scene, many of the current disciples' faces were filled with grief and indignation. However, they could not do anything to them!

Just as Qiao Zun had said, without a martial saint, they had no dignity at all!

Qiao Zun slowly stood up from the ground.

His gaze fell on Chang Mang and Qin Yu.

“Who are the two of you to dare to attack us?”Qiao Zun narrowed his eyes and said.

Qin Yu's expression changed slightly, and he knew something was wrong.

At least Kong Yun still had a background, so Qiao Zun did not dare to kill him.

However, Qin Yu was different from Chang Mang. The two of them had no background, and Qiao Zun had no scruples.

“Uncle Otter, kill the two of them,” Qiao Zun snorted coldly.

Uncle Otter did not say anything. He just walked towards the two of them.

“Two ants trying to climb up to the Sky? What a joke,” uncle Otter said coldly.

Then, he saw Uncle Otter raise his hand.

His palm was surrounded by light, and a wave of killing intent assaulted his face.

Qin Yu’s expression was extremely unsightly. He looked at Uncle Otter warily and quietly mobilized the internal Qi in his body. It was best to be prepared to resist.

“You don’t know life from Death!” Uncle Otter shouted loudly, and his palm instantly covered the two of them!

But at this moment, a stream of light quietly passed by and blocked in front of Qin Yu and Chang Mang!

Uncle Otter frowned and said coldly, “Who’s the busybody!”

The scene was silent as they all looked towards the east.

They saw an old man slowly walking over from the east.

“It’s Xu Huaigu!” Someone shouted in shock.

Chapter 922: Chapter 922, Xu Huaigu VS the three martial saints

Xu Huaigu was dressed in a long robe and had a long beard. He looked like a celestial being.

When they saw this person, many martial saints narrowed their eyes slightly.

They were not unfamiliar with Xu Huaigu.

He was the only martial saint in the current era. He was also the only person who had gone against the martial saint of the mystic realm.

Therefore, the people in the mystic realm hated him to the bone.

“Xu Huaigu?” The first to speak was uncle otter, who had attacked Qin Yu.

The other martial saints also stepped forward.

“Are we going to go over?” Zhai Xing looked at Gu Xinghe.

Gu Xinghe shook his head and said, “No, we still have to win over the hearts of the people and use them for my purposes. Now is not the time to make a move.”

Zhai Xing nodded slightly when he heard this.

Xu Huaigu walked straight to the side of Qin Yu and the others.

He placed his hands behind his back and looked at Uncle Otter and the others in front of him quietly.

“Fellow Daoist, why must you be so aggressive?” Xu Huaigu said quietly.

Uncle otter sneered, “So what if you’re aggressive? You’re Only a new martial saint. Don’t tell me you want to become enemies with all of us?”

Xu Huaigu said quietly, “The more powerful you are, the more responsibility you have. Although I don’t know them, since I’ve become a martial saint, I have my own responsibilities.”

“Hahahahaha!” Hearing these words, Uncle Otter immediately burst into laughter.

“From your words, you’re planning to protect them?”

Xu Huaigu said with a calm expression, “If you insist on fighting, I can only exchange blows with you.”

“Good! Today, I will teach you a lesson, this junior who doesn’t know the immensity of Heaven and Earth!” Uncle Otter roared, his internal Qi instantly rising!

With a wave of his large hand, an intense force rushed towards Xu Huaigu’s face!

Xu Huaigu’s expression was calm and did not panic. With a wave of his large sleeve, an equally powerful force rushed towards him!

“Boom!”

With a loud sound, the two of them exploded like a cannonball!

Then, they saw Uncle Otter take a few steps back!

On the other hand, Xu Huaigu remained calm. He stood where he was without moving an inch.

This undoubtedly boosted the confidence of the many aristocratic disciples!

Everyone shouted, "Senior Xu is invincible under the Heavens!"

Uncle Otter's expression was extremely ugly.

Although the two sides were only exchanging blows, they were at a disadvantage when they raised their hands. This could be said to have lost the face of all martial saints in the mystic realm.

"I really underestimated you!" Uncle Otter said with a cold face.

At the same time, Uncle Zhen and the others also took a step forward together.

At a glance, they saw Xu Huaigu fighting against three martial saints alone!

"What kind of ability is it to bully the weak with numbers!"

"If you have the ability, fight against senior xu one-on-one!"

"Even if you win, it will be an unfair victory!"

However, Uncle Zhen sneered and said, "We have more martial saints. This is also our strength. Even if it's three-on-one, why not!"

Uncle Otter narrowed his eyes and said, “Xu Huaigu, if you leave now, we might be able to stop.”

Xu Huaigu glanced at them and said quietly, “All of you, attack together.”

“You’re courting death!” These words undoubtedly infuriated everyone!

Uncle Otter and the other three martial saints exploded with Qi energy in an instant and closed in on Xu Huaigu!

The terrifying qi force instantly made everyone unable to withstand it.

Even Qin Yu felt a wave of stuffiness in his chest!

Xu Huaigu raised his palm and a wave of gentle qi force instantly covered Qin Yu and the others.

On the other hand, his other hand slowly condensed beams of resplendent light to meet the three people!

“Boom!”

The great battle erupted in an instant. Xu Huaigu fought one against three, but he was not at a disadvantage at all!

“Retreat quickly!” Qin Yu saw that things were not going well and shouted hastily.

A full-force battle between Martial Saints was not something an ordinary half-step martial artist could withstand!

Under Qin Yu’s lead, everyone retreated a few miles in one breath and watched the battlefield from afar!

Xu Huaigu's moves were extremely ordinary, but each move contained extremely terrifying power.

Even when fighting against three people, he was not at a disadvantage at all.

Everyone's blood boiled as they watched, and they all clenched their fists.

“Senior Xu will definitely win!”

“Even if it's one against three, senior Xu still firmly holds the advantage!”

“Senior Xu is the role model of our generation!”

Qin Yu did not say a word. In his heart, he also had a trace of admiration for Xu Huaigu.

For the sake of the current generation of martial artists, he would rather offend all the major secret realms, and even the Jingdu Martial Arts Association!

This kind of temperament was worthy of respect!

“Boom!”

Along with a burst of explosion, the moves of both sides exploded in the sky!

In an instant, this gorgeous light illuminated the sky, turning the night into day!

It seemed that it would be very difficult to determine the victor in a short period of time in a fight between four people!

“No!”Qin Yu was somewhat anxious.

They had seven martial saints! Now, only three of them had made a move!

If one more person joined them, then Xu Huaigu would die without a doubt!

“Damn it!”Qin Yu gritted his teeth anxiously.

He wanted to help, but he was afraid of exposing his identity.

At this moment, Qin Yu even wanted to bring out that Coffin to suppress Uncle Otter and the others!

Qin Yu stared straight ahead, and his heart became increasingly anxious.

If he could not stop this battle as soon as possible, Xu Huaigu would only become weaker and weaker!

“Damn it, if I really can’t do it, I will take out those two corpses!”Qin Yu thought to himself!

Those two corpses were existences that surpassed mighty figures!

If these two corpses could resurrect on their own, killing these martial saints would not be a problem at all!

Seeing that the other martial saints nearby were getting restless, Qin Yu could not wait any longer.

Xu Huaigu was fighting at the front, yet he was hiding here. This was not Qin Yu's personality!

"I'm going all out!" Qin Yu cursed in his heart! He decided to take out the two corpses!

Chapter 923: Chapter 923, Stealing Spirit Stones? !

Just as Qin Yu was about to take out the two corpses to fight, Zhai Xing suddenly stepped forward and blocked in front of both sides.

"Enough," Zhai Xing said coldly.

Uncle Zhen and the others frowned slightly. Although they were somewhat displeased, they did not dare to be angry at Zhai Xing.

"Lord Zhai Xing, do you intend to protect this person?" Uncle Otter said coldly.

Zhai Xing glanced at him and said, "If you continue fighting, you will definitely destroy this spirit stone mine."

Uncle Otter snorted coldly. Although he was displeased, he did not say anything.

Uncle Zhen looked at Xu Huaigu coldly and said, "On account of Lord Zhai Xing, we can spare you, but you must scam immediately! This spirit stone mine has nothing to do with you!"

As soon as these words were said, everyone looked at Xu Huaigu.

Xu Huaigu looked at Uncle Zhen quietly and said, "The Spirit Stone Mine is a treasure of Heaven and earth. It should belong to the people of

the world. What right do we have to leave? And what right do we have to give up?"

"You're courting death!" Uncle Otter said angrily.

"Don't be shameless! A treasure of the world? Do you have the strength to do so!"

"If we don't give it to you, what can you do?!"

Xu Huaigu calmly said, "If you don't give it to us, we will definitely fight until you are willing to talk to us as equals."

These words immediately fiercely touched Qin Yu's heart.

His words directly hit Qin Yu's heart.

"Hehe, then we will kill you now. Let's see how you will fight back!" Uncle Otter and the others once again made their way over!

Right at this moment, Gu Xinghe took a step forward and calmly said, "The Jingdu Martial Arts Association will be responsible for the distribution of the Spirit Stone Mine."

Everyone looked at Gu Xinghe, their eyes filled with suspicion.

Gu Xinghe calmly said, "Three days later, the Jingdu Martial Arts Association will hold a meeting to discuss the distribution of the Spirit Stone Mine."

"At that time, I will mediate the conflict for everyone."

Gu Xinghe was Gu Zizhen's son. Since he had spoken, Uncle Otter and the others naturally did not dare to say anything.

This battle seemed to have been suppressed for the time being.

However, everyone knew very well that this was only temporary.

Relying on flattery and flattery would definitely not allow one to obtain equal power.

If one wanted to have an equal conversation, the prerequisite was to have equal strength.

“Alright, everyone can leave for now,” Gu Xinghe said.

“Young Master Gu, I hope you can uphold the principle of fairness,” someone said coldly.

The crowd retreated like a tide.

Xu Huaigu did not stay any longer. He swept his gaze across the crowd and slowly left.

“Xu Huaigu! I’ll let you off this time, but I’m not sure if I’ll let you off next time!” Uncle Otter shouted from behind.

“Three days from now, it’ll be your time to die!” Uncle Zhen also coldly berated.

Xu Huaigu did not say a word and left the place in a few steps.

Staring at the crowd present, Qin Yu’s heart was filled with worry.

He coldly swept his gaze over these martial artists from the mystic realm, a strong killing intent in his heart.

“Friend, thank you for your help.” At this moment, Zhuang Teng and Chang Mang walked over.

Qin Yu bowed slightly and didn't say anything.

“Friend, if you don't mind, why don't you go to my residence for a chat?” Zhuang Teng continued to invite him.

Qin Yu was silent for a moment, then shook his head and said, “I still have something to do, so I won't go.”

After saying that, Qin Yu planned to leave.

At this time, Chang Mang blocked Qin Yu's path.

He sized up Qin Yu and said, “Friend, you should be careful. These martial artists in the Mystic Realm won't let you off.”

“I know, thank you.” Qin Yu subconsciously wanted to pat Chang Mang's sword light, but in the end, he put his hand down.

He did not dare to stay any longer and turned around to leave this large mine.

Qin Yu knew very well that the conversation three days later would definitely be an unfair conversation.

At that time, a great battle would definitely erupt!

And no one knew if those seven martial saints would attack at the same time.

“With Xu Huaigu alone, I'm afraid it would be difficult to resist these seven martial saints.” Qin Yu could not help but think to himself.

After thinking for a while, Qin Yu decided to think of a way to resurrect those two corpses!

If he had these two corpses, even these seven martial saints would not be worth mentioning.

“If only the handlebar mustache was here.” Qin Yu thought to himself.

“Yes! Handlebar Mustache!”

Qin Yu slapped his head. He had actually forgotten about him!

With his personality, he would definitely not miss out on this spirit stone mine!

As long as there was a babe, there would definitely be his figure, not to mention such a big mine that had spread all over the country!

After thinking about it, Qin Yu planned to hide in the dark and look for the figure of the handlebar mustache.

...

The next day.

Qin Yu stood far away from the spirit stone mine and secretly looked at the vicinity of the big mine.

Until noon, Qin Yu still did not see the figure of the handlebar mustache.

“Strange.” Qin Yu could not help but frown.

Could it be that this was a change in character? He could miss even the spirit stone mine?

“Impossible.”Qin Yu shook his head.

The handlebar mustache would miss anything, but the treasure would definitely not be missed.

Thus, Qin Yu planned to continue waiting.

At this moment.

A wretched figure appeared in Qin Yu’s line of sight.

He looked at his surroundings with a crafty expression and crept up the mountain peak.

His posture was extremely similar to a thief who was planning to steal something.

“I’ve finally waited for you.”Qin Yu could not help but heave a sigh of relief.

However, he was not in a hurry to look for him. Instead, he wanted to see what the handlebar mustache wanted to do.

On the peak of the mountain.

The handlebar mustache carefully looked at his surroundings and unleashed his wretched aura to the maximum.

After making sure that no one around him noticed him, he took out a pile of magical artifacts and strange-looking materials and anxiously gestured something on the peak of the mountain.

At this moment, Qin Yu carefully came to his back and patted his shoulder.

“F * ck!”

The mustachioed man was so scared that he staggered and almost fell to the ground.

He looked at Qin Yu with a terrified face and said with an embarrassed smile, “What’s the matter, fellow Daoist?”

Qin Yu rolled his eyes at him and said, “What are you doing here sneakily?”

The mustachioed man coughed and said, “I saw that the scenery here was very good, so I wanted to come up and take a look.”

“TSK TSK, do you think the Sun is beautiful? Do the branches over there look good?”

“F * CK Your Grandpa.” Qin Yu rolled his eyes.

He pointed at the various materials on the ground and said, “What are these things?”

“Uh... This is just a pile of stones. I think it looks pretty good here,” the moustache man said shamelessly.

Qin Yu glared at him and said, “Mustache Man, what are you trying to do? Quickly tell me!”

The mustache man muttered, “I’m not doing anything. I... Huh? What did you call me?”

Looking at the mustache man who suddenly reacted, Qin Yu said softly, “I’m Qin Yu. Don’t make it public.”

“F * ck!”The Mustache Man glared.

“F * ck, you’re scaring me to Death!”

Qin Yu rolled his eyes and said, “Cut the crap. What do you want? Tell me quickly!”

“I really didn’t do anything. I’m just here to enjoy the scenery,”the man with the handlebar mustache said with a smile.

Qin Yu nodded and said, “Okay, I’ll go tell Gu Xinghe now.”

After saying this, Qin Yu made a gesture to leave.

Seeing this, the mustached man hurriedly stopped Qin Yu.

“Okay, everyone who sees it will have a share,”the mustached man said helplessly.

“To tell you the truth, this is the latest spatial spell I’ve developed.”

Qin Yu raised his eyebrows and said in surprise, “Spatial spell? What are you doing?”

The mustached man said with a smile, “After this big spirit stone mine opens, I can wait for an opportunity to pass through this spatial formation.”

“Steal Spirit Stones?”Qin Yu’s eyes flashed with a trace of surprise.

Chapter 924: Chapter 924, resurrection of the corpse

“Hey, look at what you’re saying. I’m here to take it, not to steal it!”The mustached man muttered.

Qin Yu waved his hand and said, “Don’t talk nonsense. Won’t your spatial formation be discovered? Isn’t this too conspicuous?”

The mustached man smiled and said, “You don’t understand, do you? I’ve already said it. This is my latest research. It’s obviously different from ordinary spatial formation.”

“After I finish setting it up, I will naturally set up a secret technique to conceal the Great Dao,”the mustached man said proudly.

Qin Yu looked at the mustached man up and down, his eyes full of shock.

“Why are you looking at me like that?”The mustached man covered his chest and muttered, “I’m not interested in men.”

“F * CK Your Grandpa!”Qin Yu kicked his butt.

It had to be said that this mustached man was always able to take out shocking things.

This also made Qin Yu more and more unable to understand the identity of the mustached man.

His spells and magic artifacts were even above the pavilion of heavenly secrets.

“Those who see it will have a share. Later, you have to bring me along,”Qin Yu said.

The mustached man said with a troubled expression, “This won’t do. My formation can only carry one person...”

“Alright, then I’ll go tell Gu Xinghe,”Qin Yu muttered.

When the mustached man saw this, he hurriedly pulled Qin Yu back.

He sighed and muttered, “Damn it, I didn’t see the almanac when I went out. I actually met a bastard like you.”

After he finished speaking, the mustached man glanced at him and said, “Hurry up and keep a lookout for me.”

“No Problem!”Qin Yu patted his chest.

Fortunately, the few martial saints were not around, so Qin Yu and the moustache man’s operation was quite smooth.

After spending about two hours, the moustache man finally succeeded in setting up the formation.

Immediately, the moustache man took out a spiritual artifact that looked like a kasaya from his spatial divine weapon.

He draped the spiritual artifact over the formation and then recited the spell silently.

The spatial teleportation formation in front of him actually slowly disappeared.

This made Qin Yu give him a thumbs up from the bottom of his heart.

“Awesome,”Qin Yu sighed.

“Low-key, low-key,”the mustached man said proudly.

“Alright, let’s go quickly. It will be troublesome if we are discovered later,”the mustached man muttered.

Qin Yu grunted in gratitude and hurriedly left the mountain peak.

After leaving the large spirit stone mine, the two of them returned to the civilian house where Qin Yu had stayed.

Staying in the civilian house, the mustache man said in puzzlement, “Aren’t they all looking for you? Why do you still dare to come out? By the way, where did you get this hat on your head?”

Qin Yu waved his hand and said, “We can talk about this later. I have something that I need your help with.”

“I can’t help you. I don’t want to die.”Without waiting for Qin Yu to say anything, the Mustache Man refused.

Qin Yu Glared at the mustache man and said, “Do you still want to go to that big spiritual stone mine?”

Although the Mustache Man was extremely unwilling, he still muttered, “Fine, fine, fine. You’re really the F * cking ancestor of moral kidnapping.”

Qin Yu did not pay attention to these words. He said in a deep voice, “In three days, those martial saints will definitely think of ways to get rid of Xu Huaigu.”

“What does it have to do with me?”The mustached man muttered.

Qin Yu frowned and said, “Xu Huaigu is the only martial saint right now. Everything he did was for our interests. I can not watch him die.”

The mustached man laughed coldly and said, “Qin Yu, are you crazy? There are seven martial saints. Even if the three martial saints from the Jingdu Martial Arts Association don’t make a move, there are still four of them!”

“Four martial saints? What can we do with just you and Me?”

Qin Yu nodded and said, “Indeed, we can’t do it with just us. But if we rely on those two corpses in my hands... We will definitely have the strength to fight.”

“You want to resurrect those two corpses again?” The mustached man said with a frown.

Qin Yu said in a deep voice, “Not only must we resurrect them, but we must also let them resurrect themselves.”

Upon hearing these words, the mustached man immediately drew in a breath of cold air!

He grabbed Qin Yu and said in a shocked voice, “If those two corpses were to be resurrected on their own, you know better than me what the consequences would be!”

“Their threat is greater than those seven martial saints!”

Qin Yu said in a cold voice, “So what? I would rather let them not differentiate between friend and foe than watch those seven martial saints beat Xu Huaigu to death.”

The mustached man was stunned as if he was frightened by Qin Yu’s thoughts.

He was silent for a moment before he shook his head and said, “I can’t do it.”

Qin Yu looked at the mustached man and said, “You can do it as long as you want to.”

The mustached man shook his head and said, “You think too highly of me. I don’t have the ability to resurrect those two corpses that have surpassed the almighty level.”

At this point, the moustache man changed the topic and continued, “However, you can try using the same method as last time. You can use that picture to summon those two corpses.”

“Will it succeed?” Qin Yu asked.

The moustache man shook his head and said, “I don’t know. You can only try.”

Qin Yu instantly fell silent.

He pondered for a long time before finally sighing slightly and saying, “I hope we won’t need them.”

The mustached man smiled bitterly and said, “I don’t want to see them resurrected.”

...

Qin Yu didn’t leave the house for the rest of the time.

At this time, the conflict between the martial artists in the mystic realm and the martial artists in the present age broke out again.

Under the leadership of Qiao Zun, the martial artists in the various mystic realms attacked the disciples in the present age one after another.

It seemed that they wanted to suppress the martial artists in the present age and make them completely submit.

The most vicious one was still the Wan Gu Qiong!

He showed no mercy to the current generation martial artists, and his methods were extremely cruel.

Kong Yun, Yao Mengchu, and the others attacked one after another, although they temporarily eased the pressure.

However, among the current generation martial artists, experts like Kong Yun and Yao Meng were too few, which resulted in the current generation martial artists still being suppressed.

Qin Yu looked at the anger on the martial arts forum and felt very upset.

“If I step into the martial saint realm, I will definitely kill all of them.” Qin Yu secretly clenched his teeth.

The first thing to do after stepping into the martial saint realm was to destroy the Wan family’s Secret Territory!

Two days later.

There was only one day left before the conference.

Qin Yu, who was lying on the bed, suddenly thought of something. He quickly walked to the room with the handlebar moustache.

“What?” The handlebar moustache, who was doing lewd things, hurriedly pulled up his pants.

Qin Yu was a little speechless, but he did not care about this matter. Instead, he asked directly, “Do you know the secret realm of the Yan Family?”

“The secret realm of the Yan Family?”

Hearing this, the handlebar moustache immediately jumped up from the bed.

Chapter 925: Chapter 925, rumors about the secret realm of the Yan family

Qin Yu nodded and said, “Yes, the secret realm of the Yan family.”

Then, Qin Yu told the handlebar mustache what happened to him in the secret realm.

After hearing it, the handlebar mustache’s face suddenly became gloomy.

“What’s Wrong?” Seeing this, Qin Yu couldn’t help but frown and ask.

The handlebar mustache said in a low voice, “It seems that the rumors are true.”

“What rumors?” Qin Yu hurriedly asked.

The Mustache Man looked at Qin Yu and said seriously, “When I was traveling, I once saw an ancient book that recorded many rumors, including the Yan family.”

Qin Yu didn't say anything and waited for the follow-up of the Mustache Man.

The mustache man said, "According to the records in that ancient book, the Yan family is an ancient family that has been passed down for many years. As for their strength, no one knows."

"A long time ago, I suspected that the Yan family in Jingdu was most likely one of their branches. Now it seems that it is very likely to be true."

Qin Yu also said in a low voice, "Old Mister Yan also said before that he heard my father... heard others mention that Yan Ruoxue might be someone with the complete bloodline of the Yan family."

"At that time, old Mister Yan and I didn't quite believe it, because if the Yan family was really so powerful, when Yan Ruoxue was being bullied, they never showed up."

"Now it seems that the Yan family probably didn't discover Yan Ruoxue's bloodline until she stepped into the path of cultivation."

The mustached man nodded slightly in agreement to this guess.

"Is this secret realm of the Yan family really that powerful?" Qin Yu asked.

The mustached man nodded and said, "If the rumors are true, then they are very likely to be the top existences in the GU family."

"It's said that their purest bloodline possesses extremely powerful strength."

“I now suspect that even the secret realm of the Yan family doesn’t have the complete bloodline of the Yan family. Otherwise, they wouldn’t have come to take Yan Ruoxue away.”

Qin Yu said somewhat suspiciously, “Then why didn’t they take action to destroy the Jingdu Martial Arts Association? or those secret realms that Oppress Yan Ruoxue?”

“How would I know if you ask me?”The Mustache Man rolled his eyes.

“You’ve seen it. The people they sent to pick up Yan Ruoxue are all at the Almighty Realm. As for how powerful their clan is, I don’t even dare to imagine it.”

Qin Yu couldn’t help but suck in a cold breath.

That’s right. Even the two people who came to pick up Yan Ruoxue were at the Almighty Realm. Then, how many peak cultivators did their clan have?

“Where is the Yan family’s secret realm?”Qin Yu asked.

“I don’t know.”The mustached man shook his head.

“But I can be sure that their secret realm is absolutely different from what we know.”

Qin Yu also agreed with this.

A family with such strength couldn’t possibly hide in a small world like the second secret realm.

“These are too far away from us. However, I have to remind you that if the rumors are true, then in front of the Yan family, your advantage as a primal chaos body isn’t worth mentioning.”The mustached man said.

Qin Yu sighed slightly.

Of course, he had long realized this matter, but what could he do? He could only take it one step at a time.

...

The conference was getting closer and closer, and countless martial artists of the current era were seriously injured.

For a moment, the entire martial arts world was filled with sorrow.

At this moment, they could not help but Miss Qin Yu.

“If Qin Yu was here, he would definitely be able to take care of them!”

“Yeah, with Qin Yu’s personality, he would definitely not allow these mystic realm disciples to be arrogant!”

“Sigh, when the mystic realm appeared, Qin Yu and Yan Jinyao actually disappeared. I really want to see if Yan Jinyao can defeat them.”

“Yan Jinyao... He is the number one disciple in the world. With him around, it might really be possible.”

Looking at these comments, Qin Yu could not help but sneer.

Yan Jinyao?

He had obtained 80% of Yan Ruoxue's bloodline. He was indeed extremely powerful.

However...

How could a selfish person like him offend others?

This matter had nothing to do with him. This was Yan Jinyao's style of doing things.

Qin Yu picked up his phone. His heart was a little chaotic.

That night.

In a secret room of the Yan family, a young man slowly opened his eyes.

The door of the secret room slowly opened.

Then, Yan Jinyao walked out of the secret room.

The two warriors of the Yan family guarding the door hurriedly came up to greet him.

"Congratulations to young master Yan for coming out of closed-door cultivation," the two said in unison.

Yan Jinyao put his hands behind his back and looked indifferent.

His every move carried a powerful internal Qi.

"Young Master Yan, May I know what realm you have entered?" A martial artist beside him asked.

Yan Jinyao said indifferently, "There is only a thin line between you and a martial saint."

The two martial artists immediately shouted, “Congratulations, Young Master Yan, for entering the half-step martial Saint Realm!”

“Half-step martial saint?” Yan Jinyao could not help but snicker.

“I am not an ordinary half-step martial saint. The benefits that the Yan family bloodline has brought me... are beyond my imagination!”

A trace of confidence and madness flashed across Yan Jinyao’s face!

He felt the power that filled his body and his face became even more excited!

That night, Yan Sihai held a celebration banquet for Yan Jinyao.

During the banquet, Yan Jinyao also had a general understanding of the current situation in the world.

“This means that the martial arts world has been occupied by martial artists from the Secret Realm?” Yan Jinyao’s eyes narrowed slightly.

Yan Sihai nodded and said, “Yes, there has been a lot of support for you on the martial arts forum recently.”

Hearing this, a trace of pride could not help but appear on Yan Jinyao’s face.

“Of course, Qin Yu’s support is even higher.” At this time, Yan Sihai added another sentence.

Hearing this, Yan Jinyao’s face instantly turned cold.

He clenched his fist and said coldly, “A bunch of ants, and they still want me to save them. It’s really... ridiculous!”

The Butler next to him suggested, “Young Master Yan, their lives are of course not worth mentioning, but if you make a move now, you will definitely win the hearts of the people.”

“Recently, under Gu Xinghe’s leadership, the Jingdu Martial Arts Association has lost the hearts of the people. If we are willing to invest now, we might be able to replace the Jingdu Martial Arts Association!”

Yan Jinyao looked at the butler, his eyes slightly narrowed, and no one knew what he was thinking.

Replace the Jingdu Martial Arts Association ?

To Yan Jinyao, this was indeed quite tempting.

If he could become the leader of the martial arts world today, coupled with the background and resources of the Yan family in Jingdu, who would be able to go against him then ?

“Young master, think carefully. This is definitely a rare opportunity for us,”the Butler next to him continued.

But at this time, Yan Jinyao shook his head.

He sneered, “Now is not the time. Even if I step out, it won’t cause much of a stir.”

Hearing this, everyone immediately looked at each other.

Yan Jinyao continued, “Wait until they are desperate enough before I step out. The effect will be even better!”

“Moreover... I don’t want to become enemies with the Jingdu martial arts association right now.”

Yan Sihai said in a deep voice, “Then... What if Qin Yu is one step ahead of you?”

Yan jinyao sneered, “Before he becomes a martial saint, he can’t do anything.”

Seeing this, Yan Sihai did not say anything more. He only nodded slightly.

...

Time flew by quickly. In the blink of an eye, it was the day of the conference.

The conference was set at a mountain peak.

The top of the mountain had been artificially flattened and turned into a huge square.

On this square, the Jingdu Martial Arts Association had already finished setting up.

In addition to setting up a banquet, they had also set up military forces in the surroundings, waiting for the arrival of the crowd.

In the early morning, many warriors had already arrived here.

They came from two different camps, which also led to endless arguments as soon as they met.

Fortunately, under Zhai Xing's deterrence, the crowd slightly restrained themselves.

Gu Xinghe sat on the stage, his fingers lightly tapping on the chair, looking like he was in a strategic position.

However, Zhai Xing was a bit worried.

No one knew how to distribute the large spiritual stone mine.

“Young master Gu, how exactly do you plan to resolve the conflict between the two sides?” Finally, Zhai Xing could not hold it in anymore.

“If you distribute it fairly, the disciples of the secret realm will definitely not be willing. If it's not fair, the others will also not be willing.”

Gu Xinghe glanced at Zhai Xing and said indifferently, “Who do you think is more important to me?”

Zhai Xing thought for a moment and finally shook his head.

Gu Xinghe snorted coldly and said, “As far as I know, the official attitude towards the Jingdu martial arts association has become more and more dissatisfied. There are more martial artists in the secret realm, and their strength is also stronger. Of course, I'm willing to lean towards the secret realm.”

Zhai Xing said in a deep voice, “Then today will definitely stir up a conflict.”

Gu Xinghe lay down on his chair and sneered, "I'll do what I have to do. The rest has nothing to do with me."

Zhai Xing did not say anything, but there was some worry in his heart.

Time passed quickly. Soon, nearly a hundred people came to the venue.

Zhuang Teng and the others also arrived at the venue early. They gathered together and discussed countermeasures.

"If Gu Xinghe favors the arcane realm today, what should we do?" Zhuang Teng asked.

Kong yun snorted coldly, "Anyway, I'm already prepared to die. Living in humiliation is not the life I want."

The others saw this and remained silent. They did not seem to have made up their minds in a short period of time.

...

On the other side.

Qin Yu was rushing towards the square with his handlebar mustache.

"Qin Yu, think carefully. Once those two corpses are resurrected, we won't be able to control them," the handlebar mustache muttered.

Qin Yu took a deep breath and said in a low voice, "I hope we won't need them."

They arrived near the scene.

The handlebar mustache pushed Qin Yu and said, "Go in first. We'll split up to avoid arousing suspicion."

Qin Yu grunted and said, "Be careful."

After saying that, Qin Yu pressed down his hat and strode in.

In the square.

Everyone gathered together and waited for the beginning of the conference.

There was a dazzling array of delicacies on the table, including fruits and fine wine brought out from the second secret realm.

The food brought out from the secret realm carried a faint qi/spiritual energy, and the taste was better.

Qin Yu casually found an inconspicuous seat and sat down. His purpose was to not be discovered.

His pair of eyes scanned the surroundings and quietly observed the scene.

At this moment, waves of movements came from outside.

Then, he saw several Martial Saints striding over.

Their clothes were luxurious, their bodies were covered in jewelry, and the indistinct internal Qi on their bodies made people feel a strong sense of oppression.

Almost everyone's gaze fell on them.

The expressions of the current generation's disciples were even more unsightly.

These martial saints were like an invisible mountain that pressed down on people until they could not breathe.

“With them here, what right do we have to talk?”

“How can senior Xu alone stop them?”

“Sigh... I really hope that a few martial saints can emerge from this world as soon as possible.”

Those martial saints ignored everyone’s gazes and walked straight to the side of the secret realm and sat down.

They toasted each other and were very happy.

On the other hand, the martial saints of this world all had worried expressions on their faces.

Qin Yu looked at them coldly. Although he was angry in his heart, he could only forcefully endure it.

At this moment, Xu Huaigu also walked in from outside.

The moment they saw Xu Huaigu, the faces of the many martial saints of the secret realm instantly turned cold.

Pairs of cold eyes stared straight at Xu Huaigu.

The killing intent emitted from their bodies made people shudder.

Those eyes were like sharp blades that were about to kill people, aiming straight at Xu Huaigu.

Some of them even stood up on the spot!

Xu Huaigu's face was still calm. He ignored everyone's gazes and walked straight into the square.

"Xu Huaigu is here," uncle Zhen said coldly.

"Today is the day he will die," uncle Otter said with narrowed eyes.

"We have already communicated with Gu Xinghe. Zhai Xing will not make a move today."

"When that time comes, we will join forces and take his life quickly!"

Qin Yu remained silent. Naturally, he could feel the hostility and killing intent of those martial saints.

"It seems... it is impossible to negotiate peacefully today." Qin Yu sighed slightly in his heart.

He clenched his fists, ready to resurrect the two corpses at any time.

"TSK TSK, isn't this the kid who attacked that day? You still dare to come?"

At this moment, a voice entered Qin Yu's ears.

He looked up and saw Qiao Zun looking at Qin Yu with a faint smile..

Qin Yu frowned slightly. In the end, he was still targeted by this B * Stard.

He turned his face to the side without saying a word, trying to get away with it.

“What, are you scared now?”

However, Qiao Zun had no intention of letting Qin Yu go.

He sneered, “Aren’t you strong? Why Don’t you dare to Speak Now?”

Qin Yu frowned.

If this continued, Qin Yu might not be able to hold back.

“Brother Qiao, this kid really needs to be taught a lesson.”

At this moment, Wan Gu Qiong also walked over from the side.

The moment he saw Wan Gu Qiong, Qin Yu’s heart was even more furious.

Qin Yu could be said to Hate Wan Gu Qiong to the extreme. He wanted to kill him immediately.

“Eh?” At this moment, Wan Gu Qiong sized up Qin Yu.

“This kid looks familiar.”

Hearing this, Qin Yu’s expression changed drastically.

Could it be... that he was seen through?

“Kid, Take Off Your Hat.” Wan Gu Qiong walked forward and said coldly.

Qin Yu looked at Wan Gu Qiong coldly. The anger in his heart rushed to his brain.

“What? You Don’t understand what I said, do you?”

Wan guqiong snorted coldly and raised his hand to take off Qin Yu’s hat.

Qin Yu subconsciously slapped Wan Guqiong’s wrist.

This undoubtedly infuriated Wan guqiong. He glared at Qin Yu and said, “You still dare to make a move, right? Fine, I’ll use you as an appetizer today!”

Qin Yu was instantly unable to restrain his anger, and his body stood up with a “Bang”!

Both sides were at daggers drawn, ready to fight at any time.

“If you want to fight, I’ll fight with you!” At this moment, Kong Yun stepped forward.

He looked at Wan Gu Qiong coldly and said, “A dog who bullies the weak and fears the strong. If you want to fight, I’ll fight with you!”

Wan Gu Qiong narrowed his eyes and said sarcastically, “Kong Yun, don’t be too smug. If your father was here, he might still have the right to speak, but you can’t.”

“F * ck you!” Kong Yun shouted loudly and immediately clenched his fist and charged at Wan Guqiong.

“Forget it.” At this time, Qiao Zun pulled Wan guqiong away.

He looked coldly at Kong Yun and snorted lightly, “Kid, you can’t be arrogant for too long. After today, you so-called young masters of the Jingdu aristocratic families will no longer exist!”

After throwing these words, Qiao Zun turned around and left with Wanguqiong.

“Damn you, if you have the ability, don’t go!” Kong Yun clenched his fist and cursed angrily.

Seeing this, Qin Yu couldn’t help but smile bitterly in his heart.

Kong Yun seemed to be more impulsive than Chang Mang.

“Many thanks.” Qin Yu cupped his hands to Kong Yun.

Kong Yun glanced at Qin Yu and snorted, “I didn’t do it to help you. I just simply didn’t like him.”

After he had said this, Kong Yun turned around and left.

Qin Yu immediately burst into laughter.

This kid was truly unpredictable.

However, no matter what, he had managed to avoid the disaster this time.

The atmosphere at the scene was somewhat strange.

Ever since the arrival of the martial saints, the air was filled with angry sparks that could ignite at any time.

Qin Yu’s eyes scanned his surroundings vigilantly as he observed the scene.

As long as he saw that things were not going well, he could only think of a way to dig out the two corpses.

As more and more people gathered at the scene, the entire venue was almost filled to the brim.

“I really don’t know what a bunch of trash like you can do here.” A martial artist from the secret realm ridiculed them with a strange tone.

“Yeah, a bunch of ants also want to covet the Spirit Stone Mine. How Ridiculous.”

“Do you really think that you can stand on equal footing with us by relying on an old fellow who has only stepped into the martial saint realm for eight lifetimes?”

“F * ck you! If anyone is unconvinced, just come out and fight!” Chang Mang shouted loudly. His entire body was filled with flames as he took the lead to stand out.

“I’m not afraid of You!” The other party did not hesitate at all as he stood up and counted the number of people.

“Then there’s no need to talk nonsense. I’ll Kill You First!”

“Boom!”

In an instant, the scene erupted into another battle!

Gu Xinghe glanced at Zhai Xing, who immediately walked out with a question.

He stretched out his palm, and a terrifying force directly split the scene into two!

Everyone was actually unable to move under this enormous force!

Such a method could not help but cause people to be greatly shocked!

Just by raising his hand, he was able to separate the two groups of people.
What kind of power was this?

Even Qin Yu was amazed in his heart!

As a martial saint, this Zhai Xing's strength was shockingly above the other martial saints!

"If Zhai Xing makes a move, senior Xu will be in trouble," Qin Yu thought to himself.

"Everyone, be quiet." Gu Xinghe swept his gaze around and said coldly.

"The Jingdu Martial Arts Association is hosting this meeting. Naturally, we should be the ones to divide the resources."

Everyone was silent as they waited for Gu Xinghe to continue.

Gu Xinghe cleared his throat and scanned his surroundings. However, he did not speak for a long time, as if he was deliberately keeping them in suspense.

This also made everyone present extremely nervous. They stared intently at Gu Xinghe.

Even though the martial artists of the current era were extremely disappointed with the Jingdu martial arts association, they still held a glimmer of hope in their hearts.

Gu Xinghe coughed and said faintly, “The large spirit stone mine is an ownerless thing in the world. Normally, it should indeed be divided among the various great clans and martial artists.”

Speaking up to this point, Gu Xinghe paused for a moment and changed the topic. “However... in any era, the strong preys on the weak, especially in the martial arts world.”

“Therefore, the division of resources should be based on hard power

“Now, I will split the Spirit Stone mine into two parts according to the ratio of one to nine, of which the secret realm accounts for nine.”

Hearing this, the crowd burst into an uproar!

One to nine? Such a ratio was really unacceptable!

“Damn it, I thought that Gu Xinghe would say something!”

“Trusting him is the stupidest decision I’ve ever made in My Life!”

“That’s not fair! We’ll never agree to it!”

“Gu Xinghe, you’re a F * cking Beast!”

The scene was chaotic and the argument was endless.

Gu Xinghe seemed to have expected it, so he was not surprised.

“You think I’m siding with the mystical realm, don’t you?” Gu Xinghe narrowed his eyes.

“What else? If one to nine isn’t favoritism, then what is! ?”

“You call yourselves leaders of the Martial World, is this your leader! ?”

Gu Xinghe sneered, “You’re wrong, I’m favoring you!”

“If it weren’t for me, you wouldn’t even get ten percent! With your strength, what right do you have to get a big spiritual stone mine! ?”

The martial artists in the secret realm also shouted, “That’s right! If it weren’t for the Jingdu Martial Arts Association, we could completely occupy a large spirit stone mine!”

“Don’t be ungrateful.. To be able to reward you ten percent, you should be grateful!”

Qin Yu smacked his head.

As expected, it was no different from what he had guessed.

Gu Xinghe would never distribute the large spiritual stone mine equally.

“F * ck you! If you don’t like it, then let’s Fight!” Someone stood out.

“Let’s fight, who’s Afraid of Who!”

Those Martial Saints kept silent and quietly watched the changes in the scene.

Everyone knew in their hearts that the ones who could decide the outcome were definitely not ordinary martial artists like them.

“Boom!”

At this moment, a loud explosion erupted from the horizon!

It was unknown who had activated the spell, but a fireball that was like the sun rose up from the sky and smashed towards the ground!

“You’re courting death!”

A lot of people stood up and shouted loudly. They pushed their hands into the air and faced this huge fireball!

Under the push of those hands, the fireball actually slowly retreated. In the end, it was pushed into the air and exploded!

“Come, you’d rather live standing than die kneeling!” Someone shouted and stepped forward!

A great battle instantly erupted between the two sides!

Qin Yu sat there without saying a word. His eyes were cold as he looked at those martial saints and Gu Xinghe, who was at the front.

“Tell me, why do you think their desires have become so great?” Gu Xinghe glanced at the long brows beside him and sighed slightly.

The long brows nodded and said, “That’s right. When Granny Qin was here, all the resources were in the hands of the Jingdu Martial Arts Association. No one caused any trouble, but now...”

“It’s different.” Zhai Xing shook his head.

“Before this, it was because no one knew that the Jingdu martial arts association controlled so many resources.”

“Ever since Qu Xie was exposed, the credibility of the JINGDU martial arts association has been declining. Now, it can be considered to have completely exploded.”

Gu Xinghe sighed slightly. He slowly stood up and said with narrowed eyes, “I originally wanted to rely on fair negotiations to let us firmly control the dominant position. Now it seems... martial strength is still reliable.”

Before he finished speaking, Gu Xinghe reached out with his palm and took out a spiritual artifact.

This spiritual artifact looked like a short sword. It was pitch-black like a black hole and emitted an extremely terrifying internal Qi.

When Zhai Xing saw this spiritual artifact, his body tensed up!

“Young master Gu, you actually brought out the heavenly poison?” Zhai Xing said with a face full of fear.

“Heavenly poison? The Gu family’s Mountain Protection Magic Tool?!” Long Mei’s eyes widened.

Gu Xinghe sneered, “If anyone dares to go against my will today, I will kill them!”

With that, Gu Xinghe slowly activated the heavenly poison and looked at the crowd coldly.

As Gu Xinghe waved his hand, rays of black light suddenly burst out from the heavenly poison!

Wherever the light passed, the warrior's body was instantly enveloped by the black flames and turned into ashes in the blink of an eye!

Not only that, even the rocks on the ground were burned to ashes in an instant!

In an instant, the entire venue wailed incessantly! Countless warriors had died under the sky poison!

Even a half-step martial saint would not be able to retaliate under the Sky Poison!

“Ah! !”

At this moment, Chang Mang's arm was covered in black flames!

The soaring flames covered his entire arm in an instant and spread rapidly!

“Chang Mang!”

Qin Yu's expression changed drastically! He did not care about anything else and immediately took out his bronze sword. With a swoosh, he slashed towards Chang Mang's arm!

His arm was instantly cut off. The arm that was covered in black flames quickly turned into thick water and disappeared without a trace.

“How are you? Are You Alright?” Qin Yu hurriedly looked at Chang Mang.

Chang Mang glanced at his broken arm and said in a low voice, “Thank you. If you hadn’t acted in time, the Flames would have devoured my entire body.”

Qin Yu didn’t say anything. He looked around, afraid that his identity would be exposed.

Fortunately, the scene was extremely chaotic and no one noticed him.

Therefore, Qin Yu put away the bronze sword and thought to himself, “It’s all thanks to Chang Mang’s special physical body. Otherwise, I wouldn’t have been able to save him in time.”

After Gu Xinghe made his move, the crowd became much calmer.

The battle also came to an end at this moment.

Gu Xinghe played with the heavenly poison in his hand and said coldly, “I don’t care which aristocratic family you’re from, which secret realm you’re from, and how you divide the resources, it’s up to me!”

“Why should I!” A warrior shouted indignantly.

Gu Xinghe glanced at him and immediately activated the heavenly poison to slash at him!

“Ah! !”

The warrior’s body was stained with black flames and instantly turned into ashes!

When the crowd saw this, they immediately sucked in a breath of cold air and their faces were filled with fear!

Qin Yu's expression was also a little ugly.

He did not expect Gu Xinghe to actually take out such a top-notch magic tool!

“Who else is not convinced?” Gu Xinghe asked coldly.

The scene was silent. No one dared to say anything for a moment.

Just as Gu Xinghe was about to make a decision, Xu Huaigu stood up.

He looked at Gu Xinghe calmly and said quietly, “I don't think anyone will agree to your proposal.”

“Xu Huaigu...” Gu Xinghe narrowed his eyes.

“Why? Aren't you afraid of Death?”

Xu Huaigu said calmly, “No one isn't afraid of death, but to me, there is something more important than life and death.”

“Something more important? Is it protecting these ants?” Gu Xinghe sneered.

“What do you think you can change by yourself?”

Xu Huaigu sighed slightly and said, “I can not change much, but I believe that as long as I resist, there will be people who will continue to resist until they succeed.”

Hearing these words, Gu Xinghe was instantly furious!

For the Jingdu Martial Arts Association, what they were afraid of was someone resisting!

He looked coldly at Xu Huaigu and said, “Spiky... Alright, since you want to die, then I’ll Satisfy You!”

With that, Gu Xinghe grabbed the heavenly poison.

“Senior Xu!” Seeing this scene, Qin Yu’s expression immediately became extremely ugly!

Before Qin Yu could release the two corpses, Gu Xinghe had already activated the heavenly poison and slashed towards Xu Huaigu!

The black flame was heading straight for Xu Huaigu!

Xu Huaigu’s expression was still calm. He stretched out one of his palms and grabbed towards the black flame!

However, this black flame was extremely strange and instantly stained both of his hands!

“Senior Xu!” Seeing this, everyone could not help but shout out in shock!

Xu Huaigu looked at his own palm and saw that his arm shook and actually shattered his palm and the flame!

“Eh?” Gu Xinghe frowned slightly.

Before he could be shocked, Xu Huaigu’s other hand had already reached out and was heading straight for Gu Xinghe!

When Gu Xinghe saw this, his expression immediately changed!

He anxiously shouted, “Star Seizer, star Seizer!”

“Boom!”

Star Seizer instantly attacked and collided with Xu Huaigu's palm!

A terrifying pressure spread out. Some people could not even withstand this pressure and directly vomited blood!

Star Seizer was a top-notch martial saint. Even Xu Huaigu would find it difficult to resist.

This collision caused Xu Huaigu to take a few steps back.

It was obvious who was stronger and who was weaker.

“Star, kill him for me!” Gu Xinghe opened his eyes wide, Crazy Roar!

Chapter 929: Chapter 929, Xu Huaigu VS Zhai Xing!

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Zhai Xing walked forward with a pair of ice-cold eyes that were emitting a terrifying aura.

The surrounding people all took a few steps back. They knew very well that the real battle had just begun.

“Oh no!” Seeing this, Qin Yu secretly felt that things were not good.

Zhai Xing was different from an ordinary martial saint. His strength was far above Xu Huaigu's!

If they were to really fight, Xu Huaigu would not be able to retaliate at all!

“Make your move,” Zhai Xing said coldly as he looked at Xu Huaigu.

Xu Huaigu's expression was still extremely calm. He moved his hands and quickly formed seals.

One could see that he had slapped out a seal with a single hand. The seal carried rolling thunder as it crushed towards Zhai Xing!

Zhai Xing's expression turned cold. He waved his large hand and suddenly clenched his fist. Then, he ruthlessly smashed it over!

“Boom!”

With this punch, the seal that Xu Huaigu had formed was shattered!

When the crowd saw this, they could not help but gasp!

Zhai Xing's strength seemed to have exceeded everyone's imagination!

“Do you have any other moves?” Zhai Xing asked coldly.

Xu Huaigu did not say anything. He closed his eyes slightly and muttered in a low voice, as if he was about to cast some spell.

Meanwhile, Zhai Xing was not in a hurry. He just waited quietly.

This was the confidence of a top martial saint!

“Hualala!”

Thousands of threads of light that looked like black hair flew out from Xu Huaigu's sleeve!

These threads of light blotted out the sky and covered the earth. In the end, they actually condensed into a horsetail whisk in Xu Huaigu's hand!

Xu Huaigu grabbed the horsetail whisk and waved it gently. He looked like an immortal!

No expression could be seen on Zhai Xing's face. He did not seem to care about Xu Huaigu's move at all.

This was a true top-notch battle, so no one interfered.

Xu Huaigu waved the horsetail whisk in his hand slightly, and a vast power approached Zhai Xing!

Zhai Xing's muscles bulged. He pushed his hands forward, and a shield immediately condensed on his hands!

“Clang Clang Clang Clang!”

The force of the horsetail whisk exploded with a deafening sound when it came into contact with the shield!

However, the shield that formed seemed to be indestructible and easily blocked the force of the horsetail whisk.

A trace of surprise finally flashed across Xu Huaigu's calm face.

“What other moves do you have? Feel free to use them.” Zhai Xing placed his hands behind his back and his expression was extremely cold.

Xu Huaigu's expression gradually became solemn.

He grabbed the horsetail whisk with one hand, and his arm trembled slightly.

Traces of a powerful internal Qi were emitted from his horsetail whisk.

The three thousand hair-like horsetail whisk shook uncontrollably.

Rays of light gathered on the horsetail whisk.

“Shua!”

Right at this moment, Xu Huaigu’s palm shook, and the horsetail whisk shot forward!

In an instant, the horsetail whisk emitted a resplendent light.

What was shocking was that the light seemed to contain an ancient divine beast!

There was a divine dragon, a qilin, a black tortoise, and a white tiger...

At a glance, it seemed like an ancient divine beast diagram!

If one listened carefully, one could even hear traces of roars and cries!

“Eh?”

At this moment, everyone was greatly shocked!

Even Zhai Xing’s face flashed with a trace of shock!

In the face of this, even Zhai Xing had to treat this seriously.

His palms emitted a radiance that was like the stars. This pair of hands seemed to be in control of the power of the stars, becoming mysterious and unfathomable!

Facing the divine beast that was rushing towards him, Zhai Xing roared loudly and pushed his hands forward! “...”

Two forces that shook the world collided at this moment!

“Boom!”

The entire scene turned into dust! Everyone’s line of sight was blocked!

Countless people retreated at this moment. Those who could not dodge in time were directly turned into meat paste!

“What terrifying power!”

“This is a true top-notch battle between Martial Saints!”

Qin Yu’s face was also filled with shock!

One had to know that Xu Huaigu had just entered the martial saint stage, and Zhai Xing was a true top martial saint!

Under everyone’s gaze, the light slowly dispersed.

The figures of the two appeared in everyone’s sight.

They saw that Zhai Xing’s hands had been shaken until they were bleeding profusely, and his thumb had split open!

Hiss...

For a moment, everyone sucked in a breath of cold air!

Xu Huaigu... had actually injured Zhai Xing?

Was this really just the beginning of the Martial Saint Stage?

“Senior Xu is invincible!” Someone took the lead and shouted.

“Senior Xu is unparalleled in the world! He is the pride of our generation!”

“Senior Xu is invincible. So what if he is a martial saint in the Mystic Realm!”

Everyone seemed to have been ignited!

They shouted in excitement. Their faces were filled with excitement.

Only Qin Yu’s expression did not look too good.

On the surface, it seemed that Xu Huaigu had indeed taken advantage of him.

However, Xu Huaigu had clearly used all his trump cards, while Zhai Xing had dealt with it with ease.

“If this continues, senior Xu will definitely lose...”Qin Yu thought to himself.

Zhai Xing’s face also carried some admiration.

“You have just become a martial saint, yet you are able to achieve this step. It is truly surprising. If it was not for our different positions, I would not have wanted to kill you,”Zhai Xing said in a low voice.

Xu Huaigu bowed slightly and said, “Senior, you’re too kind. We each have our own missions. Life and death are up to fate. Make Your Move.”

“Zhai Xing! What are you doing! Hurry up and kill him!”Gu Xinghe could not help but shout angrily.

Zhai Xing glanced at Gu Xinghe before turning to look at Xu Huaigu.

“Alright, after you die, I’ll personally erect a monument for you!”

Before he could finish his sentence, Zhai Xing walked over!

His speed was extremely fast, and in the blink of an eye, he had arrived in front of Xu Huaigu!

Xu Huaigu held the horsetail whisk in his hand and tangled with Zhai Xing.

Zhai Xing relied on his two invincible palms to continuously collide with Xu Huaigu’s horsetail whisk.

They fought from the ground to mid-air, and then fell back to the ground from mid-air.

The battle between the two could be said to have changed the color of the wind and clouds, and the momentum was unparalleled!

Everyone’s hearts were raised!

But soon, Xu Huaigu fell into a disadvantageous position.

Under star-picking’s torrential attacks, Xu Huaigu was hit several times in the chest!

“Ah!”

Finally, accompanied by star-picking’s furious roar, his right fist was like a dragon. Qi force erupted and ruthlessly smashed toward Xu Huaigu’s horsetail whisk!

“Boom!”

Under this enormous force, the horsetail whisk finally couldn't withstand it and shattered with a sound!

As for Xu Huaigu himself, he was also knocked back repeatedly and spat out blood!

His white clothes had already been dyed blood red, making him look extremely tragic!

“Senior Xu!” For a moment, everyone was sweating for Xu Huaigu!

“You're not my match.” Zhai Xing stood in the distance and looked at Xu Huaigu coldly.

Xu Huaigu wiped the blood from the corner of his mouth and said weakly, “Senior's strength is indeed unparalleled in the world.”

Zhai xing frowned and said, “If you give up now, you might still have a chance to live.”

Xu Huaigu smiled and shook his head, saying, “For me, the best outcome is to die in battle here.”

Seeing this, Qin Yu felt extremely uncomfortable in his heart.

He grabbed the spatial artifact and planned to throw out these two corpses at any time!

In the dark, Wan Gu Qiong was looking at the two of them with a gloomy expression.

“Uncle Zhen, Zhai Xing is too soft-hearted. No matter what, we can’t let Xu Huai Gu leave alive today,” Wan Gu Qiong said coldly.

Uncle Zhen understood and immediately nodded. “I understand..”

After Uncle Zhen received the ancient Jade’s order, he immediately stealthily approached Xu Huaigu.

Just as Xu Huaigu was weakened, Uncle Zhen suddenly made a move. A claw-like palm directly grabbed at Xu Huaigu’s chest!

Xu Huaigu’s attention was already on star seizer, and his physical strength was extremely weak. He simply had no strength to dodge!

“Swish!”

Uncle Zhen’s claws ruthlessly tore through Xu Huaigu’s chest!

A large hole was instantly torn through his chest! Fresh blood spurted out like a fountain!

“Go to hell!” Uncle Zhen had a crazed look on his face as his large hand ruthlessly slapped toward Xu Huaigu’s face!

“Senior Xu!” Qin Yu was immediately furious upon seeing this!

Right at this critical moment, Zhai Xing suddenly reached out and grabbed uncle Zhen’s wrist!

Then, Zhai Xing's large palm fiercely slapped uncle Zhen's chest, forcing him back several steps!

"Despicable and Shameless, who told you to secretly attack!" Zhai Xing was extremely furious!

Uncle Zhen clutched his cracked chest and braced himself as he said, "Lord Zhai Xing, I..."

"Get lost!" Zhai Xing grabbed Uncle Zhen and threw him out!

"Master Zhai Xing, there are no rules on the battlefield. Everything is decided by the outcome. I think there is no problem for Uncle Zhen to make a move," Wan Gu Qiong said calmly.

Before Zhai Xing could speak, Wan Gu Qiong looked at Gu Xinghe and said, "I believe young master Gu thinks so too."

Gu Xinghe said coldly, "Uncle Zhai Xing, you are too slow. You Can't blame others."

Zhai Xing could not help but clench his fists.

He glanced at Gu Xinghe and then at Xu Huaigu. Finally, he steeled his heart and walked toward Xu Huaigu.

"Damn it!" Qin Yu gritted his teeth.

There was no other way. He could only take out the two corpses and let them resurrect themselves!

Therefore, Qin Yu took out the space artifact and prepared to activate the two corpses to resurrect.

“I also want a share of this big mine. I wonder if everyone has any objections?”

At this moment, a voice suddenly came from outside the door.

Looking Up, he saw a young man walking over with a bewitching smile.

Seeing this young man, Gu Xinghe couldn't help but raise his eyebrows.

“It's You?” Gu Xinghe's face couldn't help but flash with a trace of mockery.

“If I remember correctly, your name is something called... Sky Blood Rainbow, right?”

The newcomer was none other than Sky Blood Rainbow of the immortal slaying sect!

“In this era, all kinds of gods and monsters have dared to appear,” Gu Xinghe continued to mock.

Sky Blood Rainbow was not angry. He swept his gaze across the crowd, his face still wearing a bewitching smile.

Gu Xinghe slowly stood up and said with a playful look, “Then tell me, how much do you want to share?”

Tian Xuehong put his hands behind his back and said with a faint smile, “19% , 90% for me, and 10% for you.”

“Hahahaha!”

As soon as he said this, everyone present burst into laughter!

Was this kid crazy ?

Taking 90% for himself? Letting others take 10% ?

“Are you F * cking crazy ?”

“Do you know who are all here ?”

“With these seven martial saints here, do you even have the right to speak ? !”

The crowd continued to clamor, but Tian Xuehong remained calm.

Meanwhile, the long eyebrows beside Gu Xinghe furrowed tightly.

Tian Xuehong ?

He kept feeling that there was a familiar internal Qi on Tian Xuehong’s body...

“Kid, do you know what you’re talking about ?” Uncle Otter stood up and said coldly.

Sky Blood Rainbow put his hands behind his back and said with a faint smile, “Looks like everyone doesn’t agree.”

“Agree ? I think you haven’t woken up yet,” everyone said with a cold smile.

Sky Blood Rainbow nodded slightly and said, “Well, since everyone doesn’t agree, then I’ll change the plan.”

“I said 10-90 percent just now, but I’ve changed my mind now... 10 percent. I’ll Take 10, and you guys take zero.”

As soon as these words came out, everyone laughed even more happily.

They were basically certain that this Tian Xuehong was an idiot who did not have a good brain.

In front of the seven martial saints, he was clamoring to occupy a large spiritual stone mine? Wasn't this pure nonsense?

On the stage, Gu Xinghe was laughing so hard that he was on the verge of tears.

"Recently, there has been a lot of idiots." Gu Xinghe wiped the tears from his smile and shook his head helplessly.

"Which one of you is willing to teach this arrogant brat a lesson?" Gu Xinghe asked.

Uncle Otter rubbed his fist and sneered, "Let me do it."

He walked straight to Tian Xuehong and said with a faint smile, "You said that you want to occupy the Spirit Stone Mine, right?"

Tian Xuehong nodded slightly and said, "You can interpret it that way."

"You're really... boasting shamelessly!"

As his voice fell, Uncle Otter's two fists immediately erupted with a terrifying force and smashed towards Tian Xuehong's head!

Tian Xuehong still had his hands behind his back and even slightly closed his eyes.

Just as the pair of iron fists were about to smash into Tian Xuehong's body, a white bone suddenly flashed past and stood in front of Tian Xuehong!

“Clang!”

Uncle Otter's fist landed squarely on the white bone's body!

Uncle Otter was forced back a few steps by this force. On the other hand, the white bone did not even leave a white mark!

“What is this thing?” Uncle Otter could not help but frown.

The others also started to discuss, “A white bone? Where did the white bone come from?”

“This skeleton is so hard. It can actually withstand a strike from a martial saint!”

While everyone was discussing, Long Mei suddenly thought of something!

Skeleton!

It was the skeleton that had torn a half-step martial saint into pieces in the Massacre Immortal sect!

“Not good!” Long Mei's expression changed drastically.

He hurriedly looked at GU xinghe and said, “Young master Gu, this person must not be provoked! He is that mysterious person from the Massacre Immortal sect!”

However, it was already too late. Tian Xuehong shook his finger slightly and said indifferently, “Kill him and teach them a lesson.”

Having received the order, white bones immediately rushed towards Uncle Otter!

The white bone stretched out its skinny palm and grabbed Uncle Otter!

Uncle Otter’s expression changed drastically. He hurriedly activated the internal Qi in his body in an attempt to break free.

But at this moment, he realized that the power of the white bone was terrifying! There was no chance of breaking free!

Before Uncle Otter could react, a huge force was already transmitted over!

Under everyone’s watchful eyes, Uncle Otter’s body was actually forcefully torn into two halves!

Everyone could not help but gasp!

To raise his hand and tear apart a martial saint, what kind of method was this?

At the Instant Uncle Otter was torn apart, Uncle Otter’s nascent soul also flew out from his spiritual sense.

He stood in the air, his expression extremely ugly.

Although he could still recover after losing his physical body, his vitality would be greatly damaged, and it would be difficult to recover for many years!

It would even affect his cultivation foundation in the future!

“Who are you people...”uncle otter said weakly.

Tian Xuehong glanced at Uncle Otter’s nascent soul and narrowed his eyes as he said, “You are a person who is about to die. Why are you talking so much nonsense?”

When he heard this, Uncle Otter’s expression immediately changed! He

He turned around and planned to escape, but Tian Xuehong would not give him the chance!

The Sky Blood Rainbow stretched out his palm, and a blood-red light that was like a cage restrained Uncle Otter’s nascent soul!

Uncle Otter was completely flustered!

If his nascent soul was gone, then everything would really be gone!

“Young Master Gu, save me!”Uncle Otter shouted desperately.

Gu Xinghe’s expression was also not very good. He said in a deep voice, “Friend, we can talk after this is over. On account of me and the Jingdu Martial Arts Association, spare his life, how about it?”

However, Tian Xuehong shook his head and said, “I don’t need to give you face.”

After saying this, Tian Xuehong extended his palm again, and uncle Otter's nascent soul fell directly into his palm!

Immediately after, Tian Xuehong opened his mouth and swallowed Uncle Otter's nascent soul into his stomach!

A satisfied expression appeared on his face, but in the eyes of everyone, it was extremely horrifying!

To kill a martial saint with just a raise of his hand, what kind of ability was this! !

The scene was completely silent, not even daring to breathe loudly.

Gu Xinghe took a deep breath, stood up and asked, "Who exactly are you?"

Tian Xuehong glanced at Gu Xinghe and said indifferently, "It seems that all of you are very curious. Alright, then I might as well tell you."

"I come from the Slaughter Immortal sect. I was born from the evil spirits, of course, including my white bone army."

"Back then, the masked woman slaughtered tens of thousands of people from the immortal massacre sect in one go, causing evil spirits to emerge from the sect. And I was born by Luck."

At this point, the Sky Blood Rainbow seemed to have thought of something.

He patted his head and said, "Oh, speaking of which, it's all thanks to someone called Qin Yu. I really have to thank him."

“If it weren’t for him taking away the masked woman’s coffin, I’m afraid we would never have been born. hahahaha!”

Hearing this, Qin Yu, who was hiding in the dark, had a drastic change in expression!

He never expected that the Sky Blood Rainbow was released by him unintentionally!

“The massacre immortal sect... you said you came from the Massacre Immortal sect? The number one sect in the World Ten Thousand Years Ago?” Gu Xinghe frowned.

“That’s right.” The Sky Blood Rainbow put his hands behind his back.

Everyone couldn’t help but gasp!

Most of them had never heard of the Massacre Immortal sect.

However, Zhuang Teng, Yao Meng, and the others were not unfamiliar with the massacre immortal sect.

This was because they had once read about it in the ancient books of the Jingdu Martial Arts Association!

“It’s rumored that the weakest person in the Massacre Immortal sect is at the Almighty Realm. In other words, the bones in his hands are all the bones of Almighty Experts!”

“No wonder he has such power! He can even slaughter a martial saint easily!”

“Oh no, his army of white bones is enough to sweep through everything in the world!”

Gu Xinghe naturally realized this problem.

He walked forward and said in a low voice, “Sir, there is no enmity between us. Why don’t we sit down and have a good talk?”

Tian Xuehong raised his brows and said with a cold smile, “Back then, I sent my people to the Jingdu Martial Arts Association and wanted to cooperate with you. Unfortunately, you rejected them and humiliated him. You haven’t forgotten, have you?”

Gu Xinghe’s expression became more and more unsightly.

At that time, how could he have known that Tian Xuehong’s background was so big!

“Alright, no need to say anything more,” Tian Xuehong said quietly.

“You don’t have to be afraid. I Won’t act Rashly. Of course, this spirit stone mine belongs to me.”

“If anyone is unconvinced, you can step forward now.”

The scene was quiet. No one dared to say anything.

Tian Xuehong nodded slightly and said, “Then I won’t stand on ceremony.”

“Wait!”

At this moment, Gu Xinghe hurriedly stopped Tian Xuehong.

“If you don’t mind, why don’t you come to my residence and have a chat?” Gu Xinghe said.

Tian Xuehong thought for a moment and said, "It's said that in the martial arts world nowadays, it's up to you, right?"

"That's right." Gu Xinghe quickly nodded.

Tian Xuehong touched his chin and said in a low voice, "Maybe we can really use you guys... Alright, I'll see what you have to say for now."

Seeing this, Gu Xinghe was immediately overjoyed and quickly said, "Sir, Please!"

Under everyone's gaze, the two of them left the place.

"Gu Xinghe... What will he talk to him about?"

"What else can he talk about? He's in cahoots with us."

"No matter what we talk about, we definitely won't gain anything."

"Perhaps we should think of a countermeasure."

The martial artists of this era were all extremely worried and sorrowful. Everyone knew very well that the negotiation between the strong and the strong would always sacrifice the weak.

"Senior Xu, Are You Alright?" Qin Yu walked quickly to Xu Huaigu's side.

Xu Huaigu waved his hand slightly and said, "I'm fine."

Qin Yu sighed and said, "Senior Xu, you should quickly go to the Divine Alchemist Pavilion and rest well."

Xu Huaigu remained silent and only bowed slightly to Qin Yu.

At this moment, Qin Yu suddenly noticed a sneaky figure.

That figure was none other than the handlebar mustache.

He sneaked out of the venue and ran away as soon as he left.

Seeing this, Qin Yu hurriedly said goodbye to Xu Huaigu and hurriedly followed him.

After catching up with the man with the handlebar mustache, Qin Yu patted his shoulder and said, “Where are you going?”

The man with the handlebar mustache widened his eyes and said, “Where the F * CK Can I Go? Didn’t you hear what they said? That Dog wants the entire spiritual stone mine!”

“I have to steal the spiritual stone before he goes!”

Qin Yu’s eyes lit up and he said hurriedly, “Good Idea!”

It had to be said that this guy with the handlebar moustache was indeed smart!

Before they went to the spirit stone mine, they had to quickly steal everything!

“Hurry up and leave. It’ll be troublesome if we’re discovered,” the handlebar moustache grumbled.

“After stealing, we have to find a place to hide.”

Qin Yu nodded repeatedly and followed behind the handlebar moustache.

The two of them arrived at a formation.

This formation was the one that allowed them to enter the Spirit Stone Mine!

“Through this formation and the formation I set up in the Spirit Stone Mine, we will be able to successfully enter the Spirit Stone Mine.”The moustache stroked his beard and said proudly.

Qin Yu urged, “Don’t waste any more time. Hurry up.”

The mustached man grunted and stood in front of the formation, muttering a spell.

In a short while, rays of light flashed past, and the formation opened its entrance.

“Hurry Up!”The mustached man urged.

Qin Yu grunted and didn’t waste time. He followed behind the mustached man and stepped into the formation.

With the dizziness in front of his eyes, Qin Yu only felt his body moving rapidly.

After more than ten minutes, when Qin Yu opened his eyes again, he had already fallen into a huge pit that was like a volcano!

In the deep pit, there were threads of dense qi/spiritual energy and bursts of light that were like flames.

Under this light, the bodies of the two people sizzled, as if they were about to be burned to ashes.

“Hiss, it’s still a little hot.”The handlebar mustache muttered.

Qin Yu ignored the heat on his body.

Because his gaze was attracted by the scene in front of him!

He saw that in front of the two of them, there was a dazzling light!

One by one, spirit stones that were like diamonds were placed in front of the two of them!

With such a huge amount of spirit stones, even Qin Yu couldn’t hold it in any longer.

“I’m Rich, I’m Rich!”Qin Yu grabbed a spirit stone, extremely excited!

Any one of these spiritual stones contained extremely pure Qi/spiritual energy.

As long as he got this batch of spiritual stones, he would never have to worry about it again!

“There are more spiritual stones than I expected,”the mustached man said while stroking his beard.

“Hurry up and put these spiritual stones into the spatial artifact,”Qin Yu said excitedly.

The mustached man rolled his eyes and said, “What are you so anxious for? ! Although we’ve entered, we still need to think of a way out in advance.”

“What do you mean?”Qin Yu said with some doubt.

The moustache man said, “If they set up some kind of spell here, we might be discovered if we take away a large amount of spirit stones.”

“So... I have to step down the formation to make it easier for us to escape.”

Qin Yu hurriedly nodded and said, “That makes sense. How long will it take?”

The Mustache Man counted with his fingers and said, “Normally, it will take at least five hours, but the spirit stones here can be used as materials to shorten the time...”

He calculated for a moment and then said, “Two hours.”

“Okay, then let’s hurry up,”Qin Yu hurriedly said.

The Mustache Man didn’t say anything more. He grabbed a few spirit stones and began to set up the formation.

Qin Yu looked around.

This huge pit was extremely huge. Looking Up, it looked like a volcano.

There were at least hundreds of thousands of spirit stones in the entire mine, and any one of them had effects that far exceeded the effects of five thousand years of herbs!

I really don’t know how such a huge spirit stone mine was formed, Qin Yu thought to himself.

He took a deep breath and felt the rich qi/spiritual energy that was emitted.

At the same time, Qin Yu released his spiritual sense to cover the surroundings.

Under Qin Yu's spiritual sense, he found at least eight people.

These eight people were all in the Martial Marquis realm. They must have been left behind by the various secret realms and the Jingdu Martial Arts Association to guard them.

However, Qin Yu did not care. As long as they were not martial saints, there was no need to be afraid.

At this moment, Tian Xuehong and Gu Xinghe were negotiating.

Only Tian Xuehong and Gu Xinghe were in the office.

Zhai Xing and the others were guarding outside.

About an hour later, the two of them walked out of the office.

The two of them were chatting happily and looked quite satisfied.

"I hope we can work well together," Gu Xinghe said with a smile.

Tian Xuehong nodded slightly and said, "I hope so."

After saying this, Tian Xuehong turned around and left.

After he left, Zhai Xing asked impatiently, "Young master Gu, what did you promise him?"

Gu Xinghe narrowed his eyes and said, “Nothing. I only promised him that the Jingdu martial arts association would not interfere in anything he did. When necessary, they would help him.”

“At the same time, I want to give him half of the spirit stone mine.”

Zhai xing frowned and said, “This person’s strength is unparalleled. No one can guarantee what he will do...”

“As long as he doesn’t affect us, that’s enough.”Gu Xinghe sneered.

However, Zhai Xing had a different attitude.

“Young master Gu, think carefully. If he really has power far above us now, why would he sit down and negotiate with us? Why would he give up half of the spiritual stone mine?”Zhai Xing said anxiously.

“If we let him grow now, he will definitely grow to an invincible state in the future. At that time, the agreement between you and him will no longer exist!”

Gu Xinghe glanced at Zhai Xing and said coldly, “You mean you want me to attack him now?”

“That’s right, think of a way to get rid of them!”Zhai Xing said.

Gu Xinghe sneered, “Uncle Zhai Xing, are you stupid? Right now, our Jingdu Martial Arts Association is being attacked from both sides. And to eliminate this sky blood rainbow, regardless of whether we succeed or not, we will suffer heavy losses!”

“When that time comes, there will definitely be someone to reap the benefits!”

“But...”

“Enough, I’ve made up my mind. There’s no need to say anymore!”

Zhai Xing still wanted to say something, but was interrupted by Gu Xinghe.

“Alright, let’s go to the spirit stone mine now,”Gu Xinghe said coldly.

...

Spirit Stone mine.

The mustached man was unhurriedly setting up a formation.

Qin Yu was slightly anxious. He covered the surroundings and quietly observed.

“Done.”

At this moment, the moustache man heaved a sigh of relief.

“The spatial formation has been set up. Hurry up and collect the items!”The moustache man said excitedly.

Qin Yu hurriedly nodded. He took out the spatial god tool and planned to put the spirit stone mine into it.

“Who is it!”

At this moment, a voice suddenly came from above!

Several Marquis Wu were standing on top, staring at the two!

“F * CK, F * CK, F * ck!” When the mustached man saw this, he could not help but curse in his heart!

“If they inform the martial saint, it will be troublesome!”

Qin Yu could not help but frown deeply.

At this moment, Qin Yu suddenly took out his spatial divine weapon and handed it to the mustached man.

At the same time, Qin Yu looked at the mustached man and said, “I’ll leave this spatial divine weapon to you. You fill it with Spirit Stones, I’ll go up and kill them.”

After saying this, Qin Yu’s body shot up and rushed toward the edge of the Spirit Stone mine!

When he arrived at the edge of the mine, the martial marquises immediately surrounded him.

“Who are you? Why did you appear in the Spirit Stone Mine!” These martial marquises shouted.

Qin Yu sneered, “I’m your father!”

Before he finished his words, Qin Yu’s golden light burst out and he threw a punch!

In an instant, flesh and blood flew everywhere. Qin Yu's incomparably fierce fist instantly shattered their bodies!

In just a few short minutes, these martial marquises had all died at Qin Yu's hands.

Qin Yu dug out the golden cores from their internal qi and put them into his pocket. Then, he looked around.

Fortunately, the martial saints did not approach them from their positions.

“Eh?” However, at this moment, Qin Yu suddenly felt a strange aura!

This internal Qi came from a martial saint!

“Oh no! We have to leave now!” Qin Yu quickly returned to the spirit stone mine.

Inside the mine, the Mustache Man was still crazily holding the spirit stones.

“We can't keep pretending. A martial saint is coming!” Qin Yu said.

However, the Mustache Man was still reluctant to leave. His face was full of greed.

At this moment, at least half of the spiritual stone mine had already been stored into their spatial divine weapons.

“Enough, we can't go on like this!” Qin Yu said with a frown.

Without any explanation, he dragged his handlebar mustache and rushed into the spatial formation.

The moment the two of them stepped into the formation, Tian Xuehong, Gu Xinghe, and the others had already arrived.

As soon as they reached the vicinity of the spirit stone mine, they realized that something was wrong.

“HMM? where is he?” Gu Xinghe frowned.

He had arranged for people to be stationed around this area, but there wasn't a single person here.

“There's no need to look for him. He's already dead.” Tian Xuehong's expression was extremely gloomy.

“Dead?” Gu Xinghe's expression changed, and he hurriedly rushed towards the spirit stone mine.

He arrived at the top of the mountain, and soon, he saw a few dismembered corpses.

Gu Xinghe's expression instantly became even more unsightly!

“What... What's going on!” Gu Xinghe shouted in alarm.

Zhai Xing frowned, as if he had thought of something.

He hurriedly looked at the spirit stone mine.

Seeing that at least half of the spirit stone was gone, Zhai Xing's face instantly darkened.

“Not good, the spirit stones have been stolen,” Zhai Xing said coldly.

“What? !” Gu Xinghe hurriedly walked to the edge.

When he saw the spirit stones that were half gone, he felt his vision go black and he almost fainted.

“How... how could this be! Who Did It!” Gu Xinghe said furiously.

Tian xuehong sneered and said, “Stop pretending. Who knows if it was you who moved the spirit stones ahead of time.”

Gu Xinghe hurriedly said, “Whoever transferred the spiritual stones is a fucking bastard!”

Tian xuehong said coldly, “Is that so? Even if you transferred the spiritual stones, you won’t admit it.”

“Heaven and earth, whoever transferred the spiritual stones will be fucking struck to death by lightning!” Gu Xinghe said angrily.

Zhai Xing narrowed his eyes and jumped into the spiritual stone mine.

“There’s a space formation here,” Zhai Xing said with a cold face.

Hearing this, the others hurried to follow him.

Looking at the space formation, their expressions became more and more unsightly.

“Uncle Zhai Xing, can you find out who transferred the Spirit Stones?” Gu Xinghe asked coldly.

Zhai xing nodded and said, “As long as they came here, they will leave their internal Qi behind.”

As he spoke, Zhai Xing closed his eyes and felt the remaining internal Qi in the surroundings.

However, very quickly, Zhai Xing's expression changed slightly.

This was because he was surprised to find that there was no internal Qi at all!

"How could this be..."Zhai Xing's brows furrowed tightly.

"What's Wrong?"Gu Xinghe asked hurriedly.

Zhai Xing shook his head and said, "Those who stole the spiritual stones are probably experts. I can't sense their internal Qi."

"Stop acting,"tianxue Hong said coldly.

"I don't care if the spiritual stones were transferred by you or not, but according to the agreement, I will take half of the spiritual stones, so the rest of the spiritual stones are mine."

Gu Xinghe said with a cold face, "On what basis?"

"On what basis? Even if the spiritual stones were not stolen by your people, they were still guarded by your people. Now that the spiritual stones are lost, you naturally have to take responsibility,"tianxue Hong said with a cold snort.

Gu Xinghe gritted his teeth. His face was full of anger, but he still had some fear towards Tian Xuehong.

After thinking for a while, Gu Xinghe braced himself and said, "We'll split the spiritual stones equally."

"Impossible. Half of your spiritual stones have already been stolen,"Tian Xuehong said with narrowed eyes.

At the same time, Tian Xuehong's body emitted a cold, evil aura.

This aura instantly caused one's entire body to feel a chill run down their spine.

"If you have the ability, then go and retrieve the spirit stones that were stolen!" Tian Xuehong said coldly.

Gu Xinghe was frightened.

He was only a half-step martial saint. Even with Zhai Xing protecting him, he still did not have the confidence.

Seeing that Gu Xinghe did not speak, Tian Xuehong snorted lightly and did not say anything else. He immediately began to store the spirit stones.

At this moment, Qin Yu and the moustache man fell out of the space formation.

"Damn it, what kind of broken space formation is this? I almost fell to my death!" Qin Yu couldn't help but curse.

The moustache man mumbled, "It's already not bad to be able to set up a formation in two hours. Why do you have so many requirements?"

Qin Yu rubbed his butt and looked around. He frowned and asked, "Where is this?"

At a glance, he couldn't see the end of the desert!

The mustachioed man patted his head and said, "I forgot to tell you. This space formation is very unstable. It might not send us there."

“You...”Qin Yu was speechless.

“Well, at least we got the spirit stones. It’s not a loss,”the mustachioed man said with a smile.

Qin Yu could only nod his head helplessly. As long as he got the Spirit Stones, everything was worth it..

Chapter 934: Chapter 934, the secret of the spatial artifact

This desert was so vast that Qin Yu even suspected that it wasn’t within the country.

He released his spiritual sense to cover the surroundings, but found that there wasn’t a single person.

“I’m afraid we’ve fallen into a no man’s land,”Qin Yu said with a bitter smile.

The mustached man waved his hand and said, “It doesn’t matter. We’ll definitely be able to walk out of here.”

With that, the moustache man began to dig out spirit stones.

“Haha, I’m Rich!”The moustache man excitedly waved his hands and danced.

He took out several hundred spirit stones, and his entire body lay inside.

Qin Yu couldn’t help but give the moustache man a thumbs up.

He never thought that this spirit stone mine would be cut off by him.

“With these spirit stones, my cultivation will also be much faster,” Qin Yu muttered.

Then, Qin Yu took out his spatial divine weapon and prepared to take out the spirit stones.

However, when his spiritual sense entered the spatial divine weapon, he was stunned.

“How could this be? !” Qin Yu’s brows were tightly furrowed, and his face was a bit flustered.

“What’s Wrong?” The mustached man muttered.

Qin Yu didn’t answer. He stood up and took out everything in the spatial divine weapon.

However, what shocked Qin Yu was that there was not a single spirit stone in it!

“Where are the spirit stones? !” Qin Yu widened his eyes and looked at the handlebar mustache.

The handlebar mustache frowned and asked, “What do you mean?”

Qin Yu’s expression was ugly as he exclaimed, “I don’t have a single spirit stone in here!”

“AH? How is that possible!” The handlebar mustache widened his eyes and said.

Qin Yu searched through the entire spatial artifact, but he still couldn't find any spirit stones!

At this moment, Qin Yu even suspected that the mustached man didn't put any spirit stones in there!

“Spirit Stones... are you going to put them in or not?” Qin Yu frowned and asked.

The mustached man widened his eyes and said, “Are you kidding me? Of course I put them in!”

“Then why is there not a single spirit stone in here!” Qin Yu said with an ugly expression.

“How would I know?!” The mustached man looked displeased.

Qin Yu sat on the ground in a daze, his expression extremely unsightly.

If the spirit stones were in there, how could there not be a single spirit stone?

“Don't you doubt me. I guarantee that the spirit stones are all in there,” the mustached man said coldly.

Qin Yu didn't say anything, but his expression became increasingly unsightly.

He couldn't figure out how the Spirit Stones could have disappeared for no reason?

Wouldn't this trip have been in vain?

“If it really can’t be done, I’ll give you some points,”the mustache man muttered.

Qin Yu sighed slightly.

He put away the spatial artifact and put away his inventory.

“Forget it.”Qin Yu waved his hand.

Although he couldn’t figure it out, he was willing to believe the Mustache Man.

Because the Mustache Man didn’t need to lie to Qin Yu.

“Let’s think of a way to leave this damn place first,”Qin Yu stood up and said.

Although he said so, the disappointment on Qin Yu’s face was still hard to hide.

“Aiya, forget it, forget it. I’ll give you half,”the mustache man muttered.

Qin Yu waved his hand and said with a bitter smile, “Let’s talk about this later.”

With that, Qin Yu turned around and planned to leave this desert.

Seeing this, the mustached man had no choice but to put away the spirit stones for the time being.

This desert was ridiculously huge. The two of them walked for an entire day, but they still couldn’t see anyone.

“Damn, what kind of damn place is this?”The mustached man couldn’t help but Mutter.

Qin Yu didn’t say anything. All he could think about was the spirit stones.

The two of them walked from day to night.

They didn’t see anyone until the sky was completely dark.

“Damn, this is a good place to hide,”the mustached man muttered.

After walking for a day, the two of them were a little tired, so they decided to rest for a while.

So, the two of them found a place to lie down.

Lying in this deserted desert, Qin Yu’s mind was still thinking about the spirit stones.

When the mustached man saw Qin Yu’s ugly expression, he thought that Qin Yu was doubting him, so he said with some grievance, “Let me tell you, I really put the spirit stones in for you, unless there’s a problem with your space artifact.”

Hearing this, Qin Yu couldn’t help but be stunned.

He hurriedly stood up and looked at the mustached man.

“What?”The mustached man muttered.

Qin Yu patted his head and said, “You said there’s a problem with the spatial artifact?”

This sentence undoubtedly reminded Qin Yu!

Back then, Luo Jingyu had thought of countless ways to get back this spatial artifact!

“Hurry up and give me a spirit stone!” Qin Yu said anxiously.

Although the handlebar mustache didn't know what Qin Yu wanted to do, he still took out a spirit stone and handed it to Qin Yu.

Without saying anything, Qin Yu put the spirit stone into the spatial god tool.

“What?” The mustached man asked in puzzlement.

Qin Yu said in a deep voice, “I'll test if it's the problem with this spatial god Tool.”

Then, Qin Yu didn't say anything more.

He waited quietly.

After a few minutes, Qin Yu sent a strand of spiritual sense into the spatial god tool.

Soon, Qin Yu's eyes widened!

“What's Wrong?” The mustached man asked hurriedly.

Qin Yu swallowed his saliva and said, “That spiritual stone... is gone again!”

“See, I told you. It has nothing to do with me!” The mustached man hurriedly muttered.

Qin Yu scratched his head and said, “Could it be... that this spatial artifact can swallow spiritual stones?”

“Impossible!” The mustached man waved his hand.

“According to my many years of experience, it’s impossible for a spatial artifact to produce spiritual sense, unless there’s something hidden in your spatial artifact.”

Qin Yu glanced at the mustached man and said, “You mean... only things with spiritual sense can swallow spirit stones?”

“Normally, that’s the case.” The mustached man nodded.

“But it’s hard to say. What if your broken space artifact leaks out?”

“Leaks out?” Qin Yu frowned and hurriedly looked at the ground.

The handlebar mustache said somewhat speechlessly, “Even if it leaks out, it can’t leak out to the ground. It might fall into nothingness and disappear without a trace.”

Qin Yu couldn’t help but frown.

He held his chin, sat on the ground and pondered for a moment, then shook his head and said, “Impossible. If this space artifact leaks out, then Luo Jingyu wouldn’t want it back so badly.”

After eliminating this possibility, there was only one possibility.

There was really something hidden in this space artifact.

And it was something with spiritual sense!

Thinking carefully, ever since he got this space artifact, Qin Yu had never examined it carefully.

Therefore, Qin Yu planned to take this opportunity to examine it carefully.

He wanted to see what was hidden in this spatial artifact that Luo Jingyu valued so much.

Therefore, Qin Yu closed his eyes slightly.

A strand of spiritual sense rushed out from between his brows.

A golden light flashed and landed in the spatial ring..

The moment his divine sense entered the spatial artifact, Qin Yu felt as if his soul had left his shell.

He sat on the ground without moving. If someone attacked Qin Yu Now, it would be extremely dangerous.

Inside the spatial artifact.

Qin Yu's divine sense transformed into a human form.

He scanned his surroundings. Other than some of the storage items in the spatial artifact, it appeared extremely empty.

“Is this the interior of the spatial artifact?” Qin Yu frowned.

His surroundings looked extremely dark, and his vision wasn't clear. Qin Yu could only slowly walk forward.

This was his first time stepping into a spatial artifact. Looking at the special structure of this spatial artifact, he couldn't help but feel somewhat surprised.

"This spatial artifact's space is so big." Qin Yu thought to himself as he walked.

After walking for dozens of minutes, Qin Yu still hadn't reached the border.

This meant that the capacity of this spatial artifact was absolutely beyond imagination.

For half a night.

Qin Yu still didn't notice the abnormality of this spatial artifact.

Helpless, Qin Yu could only leave this spatial artifact temporarily.

That strand of spiritual sense returned to his body, and Qin Yu's face instantly became extremely pale.

With his current realm, it was an extremely arduous task for a large amount of divine sense to leave his body.

"How is it?" Seeing Qin Yu open his eyes, the mustached man hurriedly asked.

Qin Yu shook his head and said, "No, this spatial artifact is much bigger than I imagined. I'm afraid I need to rest for a while."

The mustached man muttered, “Kid, your luck is really good. If there really is some divine sense hidden in this spatial artifact, then you’ll Be Rich.”

“Rich?” Qin Yu frowned slightly.

“Even if there is some divine sense hidden, what benefit does it have for me?”

The Mustache Man waved his hand and said, “You can explore this yourself. Don’t ask me everything.”

As he said this, Qin Yu’s vision suddenly turned pitch black.

The intense pain in his dantian came again.

Qin Yu’s entire body instantly became limp on the ground.

His expression only eased up slightly when he spat out a mouthful of blood from his mouth.

There was a pool of black blood on the ground, which looked shocking.

The amount of blood he spat out this time seemed to be much more than before.

“The crack in his Dantian seems to have become bigger,” Qin Yu said with a frown.

At this rate, it would not be long before the golden core would shatter.

At that time, he would definitely die.

“Pavilion master said that there might be heavenly vanilla in the second secret realm,” Qin Yu muttered softly.

However, if one wanted to step into the second secret realm, one had to at least step into the martial saint realm.

However, if the damage to the Dantian was not repaired, how could one step into the martial saint realm ?

This immediately made Qin Yu extremely worried.

“Forget it, let’s take it one step at a time.”Qin Yu sighed.

He lay in this piece of desert, closed his eyes slightly, and recovered his spiritual sense.

On the other side.

In the Jingdu Martial Arts Association, Gu Xinghe’s expression was extremely ugly.

This time, not only did he lose his spirit stones, but he also lost face.

That Bloody Rainbow did not put him in his eyes at all, how could he endure this.

“Damn it!”

The more Gu Xinghe thought about it, the angrier he got.

Ever since he took over the Jingdu Martial Arts Association, he had been in endless trouble.

Not only did he lose Yan Ruoxue, he couldn’t even catch Qin Yu.

Just then, someone suddenly walked in from outside.

“Young master Gu, there’s someone outside who calls himself Luo Yang to see you.”

“Luo Yang?” Gu Xinghe frowned slightly.

“Why is he looking for me?”

“He said he has something important to tell you.”

Gu Xinghe thought for a moment, waved his hand and said, “Let him in.”

“Yes.”

A few minutes later, Luo Yang walked in quickly.

He walked directly to the opposite side of Gu Xinghe, cupped his hands and said with a smile, “Young Master Gu, long time no see.”

“What’s the matter?” Gu Xinghe seemed a little impatient.

Luo Yang smiled faintly and said, “If there’s nothing important, how would I dare to disturb you?”

“If you have something to say, say it quickly!” Gu Xinghe berated.

Luo Yang didn’t dare to be negligent. He was silent for a moment before he said, “Young Master Gu, I came here to tell you the location of Qin Yu.”

Gu Xinghe was stunned for a moment before he suddenly stood up and glared at Luo Yang. “Qin Yu? is what you said true?”

“It’s absolutely true!” Luo Yang said lightly.

“Not long ago, he came to look for my father and took a spiritual artifact from his hands.”

“That spiritual artifact is called thousand faces, and it’s a hat. After wearing this hat, it can conceal the internal Qi!”

Gu Xinghe’s pupils suddenly constricted!

Hat?

Wasn’t that the kid who fought with Qiao Zun not long ago near the Spirit Stone Mine? !

No wonder he had such strength and courage!

“It’s actually him...”Gu Xinghe’s face instantly turned cold.

He stood up and looked at Luo Yang, saying coldly, “Is what you said true?”

“It’s absolutely true!”Luo Yang patted his chest.

“Good!”Gu Xinghe couldn’t help but smile coldly.

Right now, he couldn’t find a way to contribute to the JINGDU martial arts association. As long as he caught this Qin Yu, he would be able to contribute to the higher-ups!

“Young master Gu, I told you such important news. Can it be considered a contribution?”Luo Yang said with a smile.

Gu Xinghe glanced at him and sneered, “Of course! After I’ve captured Qin Yu, I can give you anything you want!”

Luo Yang was delighted and immediately stood up, “Young Master Gu, leave this matter to me! I have a way to trick Qin Yu into showing himself!”

“Are you serious?” Gu Xinghe became even more excited.

Luo Yang patted his chest and said, “Of course! Give me a few days, I promise to find Qin Yu!”

“Good, good!” Gu Xinghe burst into laughter.

“If you can find Qin Yu for me, I can agree to anything you want!”

Luo Yang touched his nose, stood up and said, “Young Master GU, just wait for my good news.”

After saying that, Luo Yang turned around and walked out.

...

In the next few days.

Qin Yu did not leave this desert.

He forced out his divine sense and probed into the space artifact to look for any abnormalities.

Each time, Qin Yu could only hold on for half a day.

He entered and left like this eight times. Finally, Qin Yu found an abnormality in the space artifact!

He saw that in the depths of the space artifact, there was actually an abyss!

Qin Yu quickly walked to the edge of the Abyss and looked down..

Chapter 936: Chapter 936, Demon Beast City

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Beneath the abyss, there were traces of light.

This light was only the size of a grain of rice, but it was extremely dazzling and resplendent!

Not only that, although this grain of rice light was very small, the power contained within it was beyond imagination!

Qin Yu even felt that the power contained within this trace of light far surpassed the Martial Saint Stage!

“What on Earth is this thing?” Qin Yu could not help but widen his eyes.

He stared at that Ray of light and tried to shout, “Hey, is anyone there?”

However, other than Qin Yu’s echo, there was nothing else in the abyss.

“That’s not right.” Qin Yu scratched his head.

According to the words of the handlebar mustache, this should be a spiritual sense.

In other words, this thread of light definitely had its own thoughts.

Qin Yu continued to shout, “Is anyone there? If anyone is there, say something!”

That thread of light still did not move.

Qin Yu touched his chin and muttered, “Could it be that you are putting on an act with me?”

Qin Yu stretched out his palm. He originally wanted to jump into the abyss to take a good look, but he was afraid that his spiritual sense would be swallowed by this thread of light.

After thinking about it, Qin Yu didn’t dare to go down in the end.

His divine sense returned to his body from the spatial artifact and then looked at the handlebar mustache.

Qin Yu told the handlebar mustache everything he saw in the spatial artifact.

“You mean... that thread of light contains extremely powerful power?”The handlebar mustache asked.

Qin Yu nodded and said, “Yes, even when he was facing star seizer, he didn’t feel this kind of pressure.”

“Then it must be the spiritual sense,”the mustached man muttered.

Qin Yu nodded and said, “I think so too, but he doesn’t want to talk to me.”

“He doesn’t want to talk to you,”the mustached man rolled his eyes and said.

“If it’s really as powerful as you say, then in his eyes, you’re just an ant.”

“Who wants to talk to an ant?”

Qin Yu nodded slightly, as if he felt that the moustache made sense.

“This thing was obtained from Luo Jingyu. I have to go back and ask him when I have time,”Qin Yu thought to himself.

Although that was the case, Qin Yu did not give up. He decided to find time to test this glimmer of light.

Then, Qin Yu and the moustache set off on their journey again.

“I have been training for so long. I think it’s time for me to go into closed door cultivation.”Qin Yu thought to himself.

Now that he had obtained the freedom divine stone and the Qi/spiritual energy from the second mystery realm, he would most likely have the chance to become a martial saint.

After Qin Yu decided to walk out of this desert, he tried to go into closed door cultivation to break through.

The two of them walked for another two whole days.

Finally, a city appeared before the two of them.

Walls had been erected around the city, making it look extremely tall.

And judging from the style of the buildings, it did not seem like it belonged to the fire country.

“But there’s finally someone here.”The handlebar moustache muttered.

Qin Yu released his divine sense, attempting to cover the entire city.

But when Qin Yu’s divine sense touched the city, it was swiftly severed.

“Eh?” Qin Yu frowned slightly.

This city had actually laid down a formation capable of isolating divine sense?

“It seems that this city isn’t simple,” the mustached man thought.

Qin Yu nodded slightly. “Correct. To be able to lay down a city in such an environment, he definitely isn’t an ordinary person.”

“Should we go in?” The mustached man asked.

“Since we’re already here, even if it’s a dragon’s Den or a tiger’s den, we still have to go in and take a look,” Qin Yu said.

Thus, the two of them strode to the vicinity of the main city.

There was no one guarding the entrance. Qin Yu and the moustache man easily walked in.

After stepping in, Qin Yu instantly felt a trace of abnormality.

Although he did not know where the abnormal internal Qi came from, he somehow felt a sense of familiarity.

“Demonic Beast?” The mustached man whispered.

After hearing the mustached man’s words, Qin Yu patted his head and said, “Yes, I have felt this strange aura on little black before.”

The mustached man was not as optimistic as Qin Yu.

He said with a gloomy face, “This internal Qi is probably only found in heaven-rank demonic beasts.”

“And then?” Qin Yu did not take it seriously.

The mustached man hurriedly waved his hand and said, “Retreat, quickly leave this place!”

After saying this, the mustached man turned around and left.

Qin Yu followed behind him and asked as he walked, “Why Are You So Nervous?”

The mustached man said coldly, “Demonic beasts are hostile towards humans, but this heaven rank demonic beast built a city in an uninhabited place. This is enough to prove that he is not friendly towards humans.”

“Moreover, once the Heaven Rank Demonic Beast is formed, its strength will definitely exceed our imagination. It is not something that we can fight against.”

As they spoke, the two of them strode out of the city.

Unfortunately, even if the two of them hurried over, they still did not have the time.

At the entrance, two figures appeared.

These two people’s strength were actually at the half-step martial Saint Stage!

The city gate was slowly closed.

These two people emitted a strong hostility.

“Who let you in?” The two people said coldly.

The mustached man frowned slightly and cupped his hands, “Senior, we didn’t mean any harm. We just intruded unintentionally. Please forgive us.”

“Intruded unintentionally? This is a deserted place. How could we intrude unintentionally!” One of them said coldly.

The other person took a step forward and said coldly, “I think you have bad intentions. Come with us to see the City Lord!”

Qin Yu frowned and said, “Friend, we really didn’t mean it. Please let us leave.”

“Cut the crap!” One of them raised his hand and grabbed Qin Yu’s shoulder!

Seeing that it did not make sense, Qin Yu could only shout and grab his wrist!

“Friend, must this be the case?” Qin Yu said coldly.

“Half-step martial saint? As expected, he is not a good person!” The other party shouted loudly.

“Do it, kill him!”

As the two people shouted, more than ten figures instantly appeared around them!

What was shocking was that these people were all at the half-step martial Saint Realm!

Qin Yu and the mustached man looked at each other and said in a low voice, “What should we do?”

“Since things have come to this, what else can we do? Think of a way to break out!”The moustache man said coldly.

As he spoke, the moustache man’s internal Qi was rapidly increasing!

This was the first time Qin Yu had seen the moustache man so serious!

This was enough to show the degree of danger in this place!

“What a powerful internal Qi.”After sensing the internal Qi of the moustache man, Qin Yu could not help but be shocked!

This internal Qi was probably not weaker than his!

The mustached man had indeed been hiding his strength!

“Boom!”

At this moment, one of them reached out to grab Qin Yu’s head!

Qin Yu did not hesitate anymore. He roared furiously and golden light erupted from his entire body!

The internal Qi of a half-step martial saint instantly erupted!

Qin Yu and the handlebar mustache vigilantly scanned their surroundings with traces of panic on their faces.

Although these people were all at the half-step martial saint realm, they had the body of a Demon Beast!

Their strength was far above that of humans!

“Kill him!”

At this moment, someone gave an order.

“SWISH SWISH SWISH!”

In an instant, several rays of light shot out! They headed straight for Qin Yu and the handlebar mustache!

The great battle erupted in an instant. Qin Yu held the Golden Light in his hand and fought with all his might. Each of his punches contained a force of ten thousand tons!

The two of them faced more than ten demonic beasts at the half-step martial saint realm. For a moment, it was difficult to determine the victor.

“Ah! !”

Qin Yu raised his head and let out an angry roar. He held the absolute beginning holy fist in his hand. The golden light burst out and smashed fiercely toward a demonic beast.

The collision of the two fists was like the Moon hitting the earth. It exploded with an extremely terrifying sound!

What shocked Qin Yu was that the demonic beast was only forced back, but it wasn't injured at all!

“As expected of the body of a demonic beast...”Qin Yu murmured.

Any one of them here was probably not weaker than little black!

Qin Yu subconsciously glanced at the mustache. He was surprised to find that the mustache wasn't at a disadvantage when facing several demonic beasts. It was even steadily suppressing one of them!

"This kid..."Qin Yu muttered softly.

Just as Qin Yu was in a daze, another Demon Beast stepped forward!

His body trembled, and a feather that looked like a dagger actually grew out of his body!

This feather was incomparably sharp, shooting towards Qin Yu from all directions!

Qin Yu did not dare to be negligent. With a furious roar, he unleashed his Golden Fist to the extreme, and a powerful internal Qi burst out from his body!

The endless feathers landed on Qin Yu's body, scraping out white spots one after another on Qin Yu's body!

This time, it was the Demonic Beasts'turn to be shocked.

They sized up Qin Yu, as if they were shocked by Qin Yu's body.

"Boom!"

The number of demonic beasts continued to increase. Qin Yu and the moustache were engaged in a bloody battle, and traces of injuries appeared on his body.

However, the demonic beasts were even more miserable. Many of their bodies had been destroyed, and their bodies were slowly recovering in the distance.

In the blink of an eye, the battle between the two sides had already lasted for three hours!

During these three hours, the losses of the demonic beasts were getting more and more serious.

They did not seem to have expected that the two humans in front of them were actually so powerful!

“No, if this continues, we will definitely die of exhaustion,” the mustached man said in a low voice.

Qin Yu was also slightly panting. Just as the mustached man had said, their numbers were too large! If they continued fighting like this, they would most likely die!

“Let’s go all out.” At this moment, Qin Yu gritted his teeth and prepared to use his trump card.

However, at this moment, the many demonic beasts suddenly looked in a certain direction in unison.

They saw a young man slowly walking over from afar.

He had a slender figure, a head of white hair, and wore a long white robe. His eyes were extremely long and narrow.

Most importantly, the oppressive feeling from his body made it hard for people to breathe!

“Greetings, Lord Immortal Crane!” Upon seeing this young man, everyone shouted in unison.

“Immortal Crane?”

Upon hearing this address, the mustached man couldn't help but frown slightly.

“Why? is his background very big?” Qin Yu asked.

The mustached man gritted his teeth and said in a low voice, “I'm afraid it's more troublesome than we imagined.”

He stared at the man who was called Immortal Crane not far away and said in a low voice, “Immortal crane is a genuine heaven rank demonic beast, and this person has clearly stepped into the martial saint realm.”

“A heaven rank demonic beast who has stepped into the martial saint realm... It's extremely terrifying!”

As he spoke, the crane had already walked over.

He looked down at Qin Yu and the handlebar mustache from above. Not a trace of emotion could be seen on his ice-cold face.

The handlebar mustache clenched his teeth and bowed as he said, “Greetings, Lord Crane. We are only lost here and have no intention of offending you. Please forgive us, Lord Crane. We will leave immediately.”

However, the crane did not say a word.

It slowly raised its hand and lightly slapped towards the mustached man!

That extremely fast speed even left afterimages in the air!

The moment his hand shook, an extremely terrifying internal Qi gathered in his palm.

“Pa!”

A crisp sound could be heard!

This extremely tender palm slapped onto the mustached man’s forehead!

The mustached man’s body swayed slightly, and then with a bang, he fell to the ground and lost consciousness.

“Mustached man!”

Seeing this, Qin Yu was instantly unable to contain his anger!

“What did you do to the mustached man? !”Qin Yu Glared angrily at the immortal crane, and there wasn’t the slightest trace of fear in his eyes!

The Immortal Crane didn’t reply, and only used the same trick again. That tender palm gently moved towards Qin Yu’s forehead!

However, at this moment, Qin Yu’s body suddenly flashed and retreated dozens of meters away!

The immortal crane frowned slightly, and a trace of surprise flashed in its eyes.

“The mustache has already said that we did not mean to offend you at all. We just accidentally stepped into your territory. Why do you have to force us so bitterly!”Qin Yu said coldly.

“How dare you! How dare you talk to Lord Immortal Crane Like That!”Someone beside them shouted loudly.

Qin Yu glanced at them and said coldly, “He is your Lord, not mine! You Want to kill me, right? I will not sit still and wait for death. So what if you are a martial saint!”

As soon as he finished speaking, Qin Yu’s internal Qi exploded to the extreme!

That resplendent golden light was like the sun, making people unable to open their eyes!

“Go to hell!”

Qin Yu was the first to make a move. He raised his hand and used his trump card to break ten thousand techniques with a single punch!

All the golden light gathered on his right fist and exploded in an instant!

The Immortal Crane’s expression was calm. He raised his palm and lightly welcomed the attack!

“Boom!”

An earth-shattering sound shook the entire city!

Dust was stirred up and shattered rocks were sent flying. The power of this punch shocked everyone!

Qin Yu’s fist collided with the Immortal Crane’s palm.

After the dust fell, traces of blood actually flowed out of the Immortal Crane’s Crystal Clear Palm!

His eyes were filled with astonishment, as if he did not believe that this young man in front of him could injure him!

“Lord Immortal Crane was actually injured!”

“How is this possible! Lord Immortal Crane is a martial saint, how could he be injured by a half-step martial saint! ?”

Qin Yu was panting heavily not far away, but his heart was filled with despair.

This was his strongest punch, but it only injured Xianhe’s flesh!

More importantly, this punch had almost exhausted all of his physical strength.

Xianhe, who was not far away, shook the blood from his palm. Then, he walked towards Qin Yu step by step.

Qin Yu gritted his teeth. At this critical moment, he could only use all of his trump cards!

In an instant, a mark flashed between Qin Yu’s brows.

This mark was the power of the Divine Dragon!

And the moment the power of the Divine Dragon appeared, all the demonic beasts present had terrified expressions, as if they were facing a great enemy!

At this moment, the aura of the internal Qi of the divine dragon spread rapidly.

When everyone saw the Divine Dragon Mark between Qin Yu's brows, they all retreated.

Even Immortal Crane's brows furrowed slightly.

At this moment, Qin Yu seemed to have understood something!

He couldn't help but recall the scene when little black saw the power of the Divine Dragon!

These demon beasts seemed to be very afraid of the power of the Divine Dragon!

"Haha!" Qin Yu could not help but laugh coldly, and then he swept his gaze toward the crowd.

But the immortal crane not far away only frowned, and then continued to walk toward Qin Yu.

Qin Yu's expression immediately changed greatly!

This immortal crane actually overcame the suppression of the bloodline in such a short time?

Very quickly, the immortal crane arrived in front of Qin Yu.

His entire body was surging with energy, and his elegant posture contained the most powerful power.

Qin Yu did not dare to be negligent. He could only raise his remaining internal Qi to the limit and meet the immortal crane head-on!

Unfortunately, even at his peak, Qin Yu could not threaten the immortal crane, let alone now?

The Immortal Crane only shook its arms and pushed Qin Yu back!

Before Qin Yu could get up, the immortal crane's huge hand had already slapped down.

A terrifying power poured down on Qin Yu's body. Qin Yu only felt a blackness in front of him before he fainted.

...

When Qin Yu woke up, he was already locked in a prison. Beside him was a handlebar mustache.

"F * ck." Qin Yu couldn't help but curse in his heart.

He had barged into the city of a Demon Beast!

The handlebar mustache was still not awake. Qin Yu couldn't help but walk forward to check on his injuries.

But when Qin Yu walked closer, he heard the faint snoring of the handlebar mustache.

He was actually asleep! He slept quite soundly!

"Why are you so big-hearted!" Qin Yu couldn't help but kick his butt.

The handlebar mustache turned over and fell asleep again in a daze.

Qin Yu had no choice but to pull his ears and pull him up.

The handlebar mustache, who had been pulled awake, looked around in a daze.

“What’s the situation?”The handlebar mustache rubbed his sleepy eyes.

Qin Yu said with a dark face, “We were caught by a demonic beast.”

Hearing this, the handlebar mustache instantly remembered.

His pupils constricted, and he said in a low voice, “Oh No, oh no, this is really F * cking bad luck!”

“Is there any way to escape?”Qin Yu asked.

The mustached man was just about to take the spirit stones when he shook his head and said, “No, this entire city has been set up with a formation. Even spiritual sense can’t penetrate it, let alone a formation.”

Qin Yu couldn’t help but frown slightly.

He thought for a long time, but still couldn’t find a good solution.

At this moment, two people walked over from outside.

They patted the prison’s door and said, “Lord Xianhe wants to see you.”

“It’s over. He’s going to execute us,”the man with the handlebar mustache said with a face full of grief and indignation.

“I didn’t expect that this venerable self, who has lived a life of debauchery, would actually fall to such a state. I’m not resigned!”

“Enough, stop talking nonsense.”The two people frowned.

Qin Yu was rather calm.

If the immortal crane wanted to kill them, it would have made a move long ago. There was no need to lock the two people up.

Since they were spared, there was room for maneuver.

Qin Yu and the handlebar mustache followed behind them. They went in circles all the way through the forest and streams, and finally came to a mountain range,

this place was like a paradise. Everything around it was made of mountain rocks.

There were fat fruits on the leaves, and in the cave, there was fine wine.

Looking at the smoke-filled environment, Qin Yu was a little absent-minded for a moment, thinking that he had arrived at a fairyland.

On a stone bed in front, the immortal crane was lying on its side, holding a jade pot in its hand. The pot was filled with dew-like nectar.

“Lord Crane, here they are,” said the two men.

The crane gestured for them to stand down.

“Crane Lord, spare our lives, I have a secret treasure, can give you!” The handlebar mustache ran to say.

But before he could get close to the crane, he was pushed back.

Qin Yu looked at the crane coldly, looking extremely calm.

The Immortal Crane did not speak for a long time. It was tasting the fine wine. Its long and narrow eyes were slightly closed, and the mighty wind blew past its long white hair. It looked quite beautiful.

“Aren’t you afraid?” After finishing a bottle of wine, the immortal crane finally opened its eyes and looked at Qin Yu.

Qin Yu was neither servile nor overbearing. He said calmly, “I don’t think you will kill us. You just want something from us.”

The Immortal Crane looked at Qin Yu coldly and said, “What can you give me?”

“I don’t know,” Qin Yu said expressionlessly.

The Immortal Crane sat down on the jade bed. He slowly stood up and walked toward Qin Yu.

That powerful aura couldn’t help but make people shiver.

A terrifying pressure spread out.

But even so, Qin Yu didn’t move at all. He looked at the immortal crane calmly.

Their eyes met, and the atmosphere froze for a moment.

Qin Yu’s heart was extremely calm. In an extremely short period of time, he had filtered through everything that he had.

After thinking about it, the only thing that could catch the crane’s eye was probably the power of the Divine Dragon.

It was almost impossible to forcefully seize the power of the Divine Dragon.

“Where did you get the power of the Divine Dragon?”

At this moment, the immortal crane finally spoke.

He turned around and returned to his jade bed, casually picking up a pot of fine wine.

Qin Yu heaved a sigh of relief.

It was just as he had guessed.

Thus, he told the immortal crane about the process of the power of the Divine Dragon.

After the immortal crane heard it, it said quietly, “From today onwards, I want you to use the power of the divine dragon to accompany me in cultivation.”

“Use the power of the Divine Dragon to accompany you in your cultivation?” Qin Yu was somewhat puzzled.

The crane said indifferently, “I will suppress my strength to the same level as you and fight with you.”

Qin Yu touched his chin.

Although this crane had suppressed his strength to the half-step martial saint level, his physical body was still that of a martial saint.

In addition, he was originally a heaven rank demonic beast. As such, the advantage of Qin Yu’s chaotic body no longer existed.

Seeing that Qin Yu did not speak for a long time, immortal crane stood up and said, “I will not use you for nothing. After the matter is settled, I will agree to a request of yours..”

Chapter 939: Chapter 939, fighting with the immortal crane

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Qin Yu was delighted and could not help but think to himself, “This immortal crane is quite particular.”

Under normal circumstances, Qin Yu did not have the qualifications to bargain at all.

Moreover, the immortal crane’s strength was beyond imagination and was not inferior to star seizer!

To be able to fight with someone at the same level as him was also a rare experience for him. It could even rapidly improve his state of mind and help him step into the martial saint realm!

“Okay!” Qin Yu immediately nodded and agreed.

The crane stood up and said, “Wait for me here at this time tomorrow.”

“Okay.” Qin Yu bowed slightly and then left with the handlebar mustache.

After walking out of this grotto-heaven, the handlebar mustache said impatiently, “Qin Yu, my life is in your hands. You have to grasp it well!”

Qin Yu rolled his eyes and said, “You don’t have to say it. I Won’t miss this opportunity.”

At this point, Qin Yu paused and muttered, “But it’s really strange. Why did this immortal crane challenge the power of the Divine Dragon...”

The mustached man sneered and said, “You don’t understand. The power of the divine dragon to demon beasts is like an ancient subject meeting the Emperor.”

“Normally, when ordinary demon beasts see the power of the Divine Dragon, it’s good enough that they don’t care.”

Qin Yu said in surprise, “Is it really that serious?”

“If you don’t believe me, just find someone to test it out,” the mustached man muttered.

As he was speaking, a person walked over not far away.

He was in charge of bringing Qin Yu to the residence.

The three of them came to the vicinity of the residence. Qin Yu patted his shoulder and said, “Hello, May I ask if this Lord Immortal Crane’s true form is the immortal crane?”

That person hid to the side with a look of disgust. He said with a face full of disgust, “You’d better not touch me. Lord Immortal Crane Sparing Your dog life doesn’t mean that we will remain friendly to you.”

Qin Yu touched his chin. He thought for a moment and immediately activated the power of the Divine Dragon

The moment the mark of the Divine Dragon appeared, this person’s face was immediately filled with terror. His entire body was trembling non-stop.

Even though he forcefully endured it, his knees could not help but kneel down.

Qin Yu hurriedly withdrew the Divine Dragon's power and said with slight embarrassment, "I'm really sorry. I was careless just now, it was definitely not intentional!"

This person completely ignored Qin Yu's feelings. His eyes were filled with terror as he looked at Qin Yu. He turned around and ran.

"So the influence of the Divine Dragon's power on demon beasts is so great..."Qin Yu muttered.

"Speaking of which, this crane is really awesome. It can actually be so calm and at ease when facing the power of the Divine Dragon..."Qin Yu couldn't help but think to himself when he heard this.

This couldn't help but make Qin Yu think of little black.

He could be considered one of the most courageous people Qin Yu had ever seen.

But even so, when facing the power of the Divine Dragon, he almost knelt down.

Only this crane only frowned, and could even attack him.

"Sigh, for this crane to cultivate to such a realm, I roughly estimate that it must have lived for more than a thousand years,"the mustached man said while stroking his beard.

Qin Yu said in surprise, "It's already so old?"

"What do you think? The cultivation of demon beasts is much more difficult than ours, but once they cultivate and take shape, their strength will far surpass that of humans,"the mustached man muttered.

Qin Yu did not say a word. However, he could not help but feel a little more admiration for this immortal crane in his heart.

...

The next day.

Qin Yu arrived at this grotto-heaven according to the agreement.

The Immortal Crane seemed to have been waiting here for a long time. It had a head of long white hair and a nearly perfect figure. It looked like a handsome man who had walked out of a painting.

Qin Yu tried to sense its internal qi and discovered that the immortal crane had already suppressed its internal Qi to half a step into the martial saint realm.

“Let’s begin,”the immortal crane said expressionlessly.

Qin Yu did not waste any more time. He immediately activated the power of the Divine Dragon and released his Internal Qi!

The moment the power of the Divine Dragon appeared, the Immortal Crane’s brows furrowed slightly. In an extremely short period of time, beads of sweat appeared on its forehead.

This was enough to show how much pressure the power of the Divine Dragon was putting on it!

“This power of the divine dragon seems to be putting a lot of pressure on you,”said Qin Yu.

“It’s not fair to fight like this. Why don’t I lower my strength by one realm?”

“No Need,” said immortal crane coldly.

Before he could finish his words, immortal crane’s figure flashed explosively. His extremely fast speed even left behind afterimages, leaving Qin Yu completely unable to react!

Boom

The Crane’s palm slapped onto Qin Yu’s chest!

A gentle and overbearing force exploded on Qin Yu’s chest!

Even though Qin Yu had a chaotic body, he was still sent flying hundreds of meters by the strange force, and several of his sternum were broken!

Qin Yu crawled out of the ruins. He rubbed his chest and said in a low voice, “So powerful...”

This was probably the strongest opponent Qin Yu had ever met!

Most importantly, the two of them were of the same level!

“You’d better use your strength.” The Crane’s voice was a little breathless, and the sweat on its forehead kept flowing out.

Qin Yu moved his arms and said coldly, “Okay, then I’m Coming!”

Then, beams of golden light burst out from Qin Yu’s body, and his body was pushed to the limit!

“Be careful!”

Qin Yu shouted and immediately urged the absolute beginning holy fist, rushing toward the crane!
