## Chapter 101: Old Servant vs Yan Jiang

The old servant walked towards Qin Yu step by step. The distance between the two of them was getting closer and closer.

Qin Yu's expression didn't change. He was calm and collected, but a strong belligerent desire rose from the bottom of his heart.

Ever since he saw Yan Jiang's abilities the last time, Qin Yu had been filled with interest towards these so-called martial arts masters!

The old servant looked at Qin Yu coldly and said in a low voice, "Kid, you are dead meat today!"

After saying that, the old servant suddenly released a terrifying pressure! This pressure made Qin Yu's face turn pale with fright! It was as if two huge mountains were pressed down on his shoulders in an instant!

"Hahahaha!" The old servant couldn't help but laugh out loud proudly.

"This is the power of Inner Strength!" After saying that, the old servant suddenly took a step forward. His hands turned into claws and reached towards Qin Yu's chest fiercely!

Qin Yu hurriedly dodged to the side. The old servant's palm brushed past Qin Yu's chest, and a long tear appeared on his clothes!

"How fast!" Qin Yu couldn't help but feel awed!

This old man's strength was probably even stronger than Qin Yu had imagined!

“Boom!” At this moment, the old servant had already stretched out his second hand!

His old hand clenched into a fist and thrust towards Qin Yu’s chest!

“Boom boom boom boom!”

Qin Yu was knocked back repeatedly and almost fell to the ground!

“How strong!” Qin Yu’s face was full of astonishment.

It seemed that these martial arts masters were really quite skilled!

“Why aren’t you fighting back? Is that all you’ve got?” The old servant said indifferently with his hands behind his back.

Qin Yu clenched his fist and adjusted his internal qi to the maximum. Then, with a swoosh, he pounced towards the old servant!

“Go to h\*ll!” Qin Yu shouted, and a wisp of white qi actually appeared on his fist!

The old servant’s expression didn’t change. He calmly waited for Qin Yu’s punch.

In the blink of an eye, the two of them had already exchanged more than ten blows, but Qin Yu was stunned that he didn’t even manage to touch the old servant!

“This old man’s strength is beyond imagination.” A sense of solemnity appeared in Qin Yu’s heart.

The Liu family of South City lived up to their reputation!

In the car, Yan Ruoxue was snacking while watching the show through the car window.

Although she had a noble status, she didn't know martial arts. She couldn't even tell who was stronger and who was weaker.

“Qin Yu, go for it!” Yan Ruoxue stretched out her hand and shouted to the outside.

Qin Yu immediately looked in Yan Ruoxue's direction. He took a deep breath, looked at the old man coldly and said, “Again!”

After saying that, Qin Yu launched a second round of attacks!

He threw powerful punches of high frequency and speed!

However, the old servant's body was extremely agile. Every time, he could easily dodge Qin Yu's punches.

“Bang!”

Taking advantage of the gap between Qin Yu's attacks, the old servant waved his big hand and grabbed Qin Yu's arm!

“First, I will cripple one of your arms. Then, I will slowly torture you.” A hint of viciousness flashed in the old servant's eyes.

Very soon, Qin Yu felt a huge force on his arm!

“Oh no!” Qin Yu thought to himself. He clenched his other fist and used all the strength in his body to punch the old servant!

The old servant's expression changed. He hurriedly let go of Qin Yu and retreated backward!

A hint of coldness gradually appeared on his aged face.

“Kid, it seems that I've really underestimated you.” The old servant sneered.

“Stop playing around. Finish the battle quickly and don’t cause any more trouble!” Not far away, Liu Shihui said coldly.

The old servant nodded and said, “Yes, Young Master.”

As soon as he finished speaking, the old servant’s internal qi rose once again!

An even more terrifying pressure threatened to crush Qin Yu’s bones!

“Kid, the young master has spoken. He wants you dead,” the old servant said coldly.

“Remember to reincarnate more luckily in your next life.”

With that said, the old servant instantly disappeared. In the blink of an eye, he appeared in front of Qin Yu!

His fist lit up with a faint gleam and he instantly thrust it towards Qin Yu!

At such a close distance, there was nowhere to hide!

With no other choice, Qin Yu could only clench his fist and face it head-on.

“Boom!”

Their two fists collided, creating a loud explosion!

Qin Yu retreated seven to eight steps in succession before he stabilized his body!

But even so, Qin Yu still felt as if his arm was about to be broken!

“D\*mn it...” Qin Yu, his expression somewhat unsightly, couldn’t help but grit his teeth.

“If I reach the Foundation Establishment Stage, killing this old man would be a piece of cake!” Qin Yu thought to himself.

“You have the guts to be so arrogant with such little ability? You’re just a piece of trash.” The old servant came in front of Qin Yu again.

Qin Yu waved his hand and sneered. “Trash? You’re on the brink of death, yet this is all you’ve got. And I have only just started my cultivation path for a short month. Which of the two of us is really trash?”

When he heard this, the old man’s expression couldn’t help but change!

“You’re courting death!” The old servant suddenly shouted and reached out to grab Qin Yu’s neck!

He lifted Qin Yu up into the air like he was holding a chicken!

Qin Yu’s face slowly flushed and he felt that it was becoming difficult for him to breathe. The internal qi all over his body seemed to be suppressed!

“You reckless thing, I will break your neck right now!” The old servant shouted coldly, and then the strength in his hand began to slowly increase!

Qin Yu felt waves of pain coming from his neck, as if it was about to be broken!

“Let him go.”

At this moment, a voice suddenly sounded!

Turning around, he saw a young man in a suit walking out.

He looked at the old servant coldly and said word by word, “Let him go.”

The old servant narrowed his eyes and snorted. “Who are you? We are the Liu family of South City. If you don’t want to die, get lost!”

“I said, let him go!” However, the other party completely ignored the old servant’s words!

Qin Yu, who was lifted up in the air, was even more shocked!

“Yan... Yan Jiang?” Qin Yu squeezed out a name.

The old servant seemed to be a little angry.

He threw Qin Yu aside and then looked at Yan Jiang.

“What’s going on today? There’re so many reckless b\*stards,” the old servant said with narrowed eyes.

Then, the old servant looked in Liu Shihui’s direction.

Liu Shihui waved his hand and said coldly, “Kill all those who obstruct us.”

“Yes.” The old servant bowed slightly and then walked towards Yan Jiang.

Yan Jiang glanced at Qin Yu and said coldly, “Go to the car and stay there.”

Qin Yu frowned and said, “I’ll help you. This old man is quite strong.”

Yan Jiang said with a cold expression, “I told you to get in the car. Keep an eye on Miss Yan!”

Hearing this, Qin Yu didn’t say anything more. He could only turn his head and walk to the car.

After Qin Yu got into the car, Yan Ruoxue hurriedly asked, “Are you okay?”

“I’m fine.” Qin Yu shook his arm and then said with a joking tone, “Give me a few more days. I won’t even need to use a move to kill this old man!”

There was a huge difference between the Foundation Establishment Stage and the Qi Refining Stage. Qin Yu was confident that once he entered the Foundation Establishment Stage, even the entire Liu family wouldn’t be a threat to him.

Outside the car, Yan Jiang stood with his hands behind his back and looked at the old servant quietly.

The old servant sneered. “Young man, it’s not too late to regret now..”

## Chapter 102: What Do You Want to Do?

Yan Jiang’s eyes were filled with contempt.

This contemptuous gaze made this old servant extremely displeased!

He had had his way in South City for so many years, but no one had ever dared to look down on him like this!

“Get lost right now, and I can spare your life,” Yan Jiang said coldly.

The old servant laughed loudly and said, “No one has ever dared to speak to me like this!”

In the car, Qin Yu couldn’t help but feel a little worried.

He, afraid that Yan Jiang wouldn’t be able to defeat this old man, kept staring out of the window.

“Gee, don’t worry,” Yan Ruoxue said with a smile.

She took the snacks and asked, “Do you want to eat some?”

Qin Yu forced a smile and said, “I’m not in the mood to eat snacks...”

“You’re just always worried about something.” Yan Ruoxue rolled her eyes and said.

Qin Yu didn’t say anything else. His eyes were fixed outside the window.

At this moment, the old servant made his move.

He raised his internal qi to the maximum. His palm turned into a claw again and he grabbed at Yan Jiang fiercely!

However, Yan Jiang didn’t move at all. He allowed the old servant’s palm to grab at him!

“Got him!” The old servant was delighted. His claw just happened to grab Yan Jiang’s chest!

However, in the next second, the old servant’s expression changed drastically!

It was because he realized that he couldn’t hurt Yan Jiang at all!

“Is that all you’ve got? No wonder you can only stay in the small South City,” Yan Jiang said coldly.

The old servant’s expression changed drastically. He wanted to retreat, but it was already too late!

Yan Jiang reached out and grabbed the old servant’s wrist, and then he used force to crush it!

“Ouch! ! !” The old servant cried out in pain!

Yan Jiang’s attacks were powerful, and he didn’t hesitate at all. He reached out his hand, and with a slap, he smashed the old servant’s head into pieces!

With just one move, Yan Jiang killed the old servant!

Qin Yu, who was in the car, couldn’t help but gulp!

Yan Jiang was actually that strong? How easy did he go on him last time?

“See, I told you not to worry.” Yan Ruoxue seemed to have expected this.

Qin Yu couldn’t help but smile bitterly.

As expected of someone from an aristocratic family in Jingdu. It was indeed far beyond his imagination.

Not far away, Liu Shihui’s expression was even uglier! The fact that he killed the old servant in one move, coupled with the Jingdu license plate, made Liu Shihui immediately feel uneasy!

These people were definitely from an aristocratic family in Jingdu!

“Sir, I didn’t know your identity. Please show mercy!” Liu Shihui quickly knelt down and bowed.

Yan Jiang walked in front of Liu Shihui and looked down at him. He didn’t move for a long time.

Liu Shihui hurriedly continued, “I didn’t know that man was a disciple of a prominent family in Jingdu. I’m willing to apologize and take all the responsibility!”

Yan Jiang sneered. “That man? You seem to be mistaken. I’m doing this for Miss Yan.”

“As for Qin Yu, he has nothing to do with us.” Yan Jiang snickered.

Qin Yu, who was sitting in the car, heard these words clearly!

“Yan Jiang is really quite vindictive.” Qin Yu couldn’t help but think to himself.

Liu Shihui, who was kneeling on the ground, hurriedly nodded and said, “I understand. Please show mercy and spare my life...”

Yan Jiang frowned. He sized up Liu Shihui and then snorted coldly. “Get lost.”

Liu Shihui immediately felt as if he had been pardoned and turned to run!

Then, Yan Jiang walked to the front of the car, bowed and said, “Miss Yan, it’s getting late. Please go back and rest early.”

Yan Ruoxue nodded and said, “Thank you for your hard work. You can go back now.”

“Yes, Miss Yan.” Yan Jiang bowed and then retreated to the side before watching the car leave.

Qin Yu had mixed feelings inside.

“So this is the capability of an Inner Strength Grandmaster.” Qin Yu took a deep breath. The desire to improve his strength as soon as possible grew stronger!

The car soon returned to the hotel.

Yan Ruoxue had booked a suite beforehand. After getting the room card, the two of them walked upstairs.

After arriving at the room, Yan Ruoxue winked at Qin Yu and said, "I'm going to take a shower first."

Hearing this, Qin Yu couldn't help but blush.

And Yan Ruoxue seemed to like Qin Yu's shy expression, so she leaned against Qin Yu's ear and said softly, "Wait for me obediently."

As soon as Yan Ruoxue said this, Qin Yu's face instantly flushed all the way to the root of his neck!

Yan Ruoxue couldn't help but cover her mouth and laugh, then she went straight to the bathroom.

Qin Yu sat on the bed while growing more and more nervous.

When he heard the sound of running water coming from the bathroom, Qin Yu was even more on edge!

"Phew..."

To say that he didn't have any lust was definitely a lie. With such a beautiful woman in front of him, no one could resist.

He could only breathe as hard as he could to calm himself down.

Half an hour later, Yan Ruoxue walked out of the bathroom.

She was only wearing a simple bathrobe, and her smooth skin appeared in front of Qin Yu.

Her fair skin formed a sharp contrast with her long black hair. Her perfect figure exuded an astonishing sense of charm. Her fair and smooth feet stepped on the ground, and everything about her was so alluring.

Qin Yu was momentarily stunned as blood gushed out from his nose.

“Pfft!”

Yan Ruoxue couldn't help but laugh. She rolled her eyes and asked, “Am I beautiful?”

“You're... beautiful,” Qin Yu muttered softly.

“Hmm... am I really beautiful?” As she spoke, Yan Ruoxue walked to Qin Yu's side and sat down.

Such a close distance between them almost made Qin Yu lose control!

He got a whiff of the bodily fragrance coming from Yan Ruoxue's body, and his mind went blank!

Yan Ruoxue continued to lean on Qin Yu's body.. She used her fingers to gently slide over Qin Yu's body, and said with a seductive smile, “What do you want to do?”

## Chapter 103: Celebrity

Qin Yu, unable to say a single word, watched Yan Ruoxue nervously.

At this moment, Yan Ruoxue suddenly laid on the bed, then closed her eyes, as if she was at his disposal.

Qin Yu watched Yan Ruoxue, who was lying on the bed, while growing more and more excited.

Yan Ruoxue, not saying anything, also kept her eyes closed.

Qin Yu sat there for a long time. He took a deep breath and said, “Miss Yan, you should rest early. I’m going back to my room.”

This surprised Yan Ruoxue a little. She sat up from the bed and watched Qin Yu. “You... really don’t want to do anything?”

“Yes.” Qin Yu nodded without thinking.

“I’m not good enough for you now. You’ve helped me enough. I hope that I can help you and protect you in the future,” Qin Yu said seriously.

His eyes and tone were filled with determination, making it hard for her to doubt him.

Yan Ruoxue seemed to be very satisfied with Qin Yu’s answer. She nodded and said with a smile, “Go back to sleep.”

Qin Yu turned around and quickly returned to his room. He took a cold shower and finally calmed himself down.

“Phew, I almost couldn’t control myself.” Qin Yu took a long breath.

Then, Qin Yu took out the jade pendant from his pocket and prepared to make an amulet for Yan Ruoxue.

He closed his eyes and felt the inheritance in his mind.

Soon, Qin Yu found an amulet technique named “Form One Dharma Decree” in the inheritance.

This amulet technique was very useful. Not only could it drive away evil spirits and beautify one’s appearance, but it could also save one’s life at a critical moment.

Once one was in a life-threatening situation, the protective talisman would take effect.

The only drawback was that it could only be used once. After one use, the protective talisman would shatter.

“It’s you,” Qin Yu thought to himself.

The Form One Dharma Decree was extremely taxing on Qin Yu. He spent an entire night and dripped fifteen drops of blood essence, but he still couldn’t successfully refine it. He only managed to refine a half-finished product.

“Looks like it will take another night,” Qin Yu said weakly.

The sky gradually brightened up. Qin Yu washed up briefly and walked out of the room.

Yan Ruoxue had already tidied herself up. When she saw Qin Yu, she blinked and said, “There’s an amusement park nearby. Should we go there?”

“Okay.” Although Qin Yu was a little tired, he didn’t want to spoil the mood, so he agreed.

After the two of them had breakfast, they rushed to the amusement park.

On the other hand, after Liu Shihui returned home, he hurriedly asked someone to investigate Yan Ruoxue’s background.

“Young Master Liu, that girl is the Yan family’s oldest daughter, Yan Ruoxue,” one of his subordinates said to Liu Shihui.

“What?!” Hearing this, Liu Shihui suddenly sat up!

His expression couldn't help but turn ugly, and he felt a chill run down his back!

"That was close. I almost harmed the entire Liu family..." Liu Shihui felt a lingering sense of fear.

The Shen family's incident was still vivid in his mind. He had nearly doomed him and the entire Liu family.

"But... that person called Qin Yu doesn't seem to have any impressive background." At this moment, his subordinate continued.

Liu Shihui glanced at him to indicate for him to continue.

"According to our investigation, Qin Yu came from Jiangcheng. For some reason, he received Miss Yan's favor."

Hearing this, Liu Shihui said somewhat impatiently, "Then aren't you spouting something pointless?! Miss Yan is his backer. Who would dare to provoke him?!"

"Young Master Liu, I heard that Miss Yan is about to leave Jingdu. When that time comes, we might have a chance." His subordinate continued.

"Moreover... the people of the Yan family might not take a fancy to Qin Yu."

Liu Shihui's eyes lit up.

He couldn't help but think of what Yan Jiang had said last night.

From Yan Jiang's tone, it was clear that the Yan family didn't take a fancy to Qin Yu.

"Then it seems that there's still a chance," Yan Jiang narrowed his eyes and thought to himself.

He snorted lightly and said, “After Miss Yan leaves Jingdu, I want to personally go and have a chat with Qin Yu.”

“Yes, Young Master.” His subordinate nodded.

“Oh right, today, we have artists from the company taking photos at the amusement park. Should we go take a look?” His subordinate continued.

Liu Shihui thought for a moment and nodded. “Mm, I just happen to be planning to go out for a walk. Prepare the car.”

...

The amusement park was the largest amusement park in South City.

As a coastal city, South City naturally had many tourists every year.

Once she entered the amusement park, Yan Ruoxue felt like she was a young little princess, and she felt extremely happy and blissful.

In the dark, Yan Jiang watched this scene and couldn't help but sigh. “I really can't imagine that the Miss Yan in front of me and the CEO in Jingdu are the same person...”

“Yeah, I've never seen Miss Yan smile so happily before.” The others also sighed.

Qin Yu and Yan Ruoxue played almost every ride in the amusement park, such as the sledgehammer, roller coaster, haunted house, and so on.

This kind of blissful and warm feeling filled the two of them with pleasure.

“Shall we go to the Ferris wheel to take photos?” At this time, Yan Ruoxue suddenly suggested.

“Sure, I’ve never sat on the Ferris wheel before!” Qin Yu smiled.

Thus, Yan Ruoxue held Qin Yu’s hand and ran all the way to the Ferris wheel.

Just as they bought the tickets, seven to eight bodyguards suddenly rushed over.

“Hurry up and get out of the way. We’re commandeering this place!” The leading bodyguard said with an overbearing wave of his hand.

They saw a beautifully dressed girl surrounded by them. The girl wore sunglasses and her face was covered with a veil.

Beside her was Mr. Bai!

“Why is it them again?” Qin Yu couldn’t help but frown.

“Is it Cheng Lei?” At this time, someone by the roadside suddenly asked in a low voice.

Mr. Bai said indifferently, “Yes, it’s Miss Cheng. She wants to film here. Please cooperate.”

“It’s the famous Cheng Lei!”

“Wow, Cheng Lei is here! Miss Cheng Lei, I’m your fan. Can I take a photo with you?!”

“Miss Cheng, I love you!”

Everyone shouted. Someone wanted to take a photo and went forward, but was pushed down by the bodyguard.

“Stay away from Miss Cheng! Don’t take photos. Do you hear me?” Mr. Bai pointed at the people around him and scolded.

“I told you not to take photos. Can’t you hear me ?!” Seeing someone holding a cell phone, Mr. Bai walked forward and directly threw the fan’s cell phone on the ground!

The celebrity called Cheng Lei frowned and snorted lightly. “What a bunch of crass people. How annoying!”

“So she’s a celebrity. No wonder she’s so arrogant.” Qin Yu couldn’t help but frown.

Yan Ruoxue also snorted lightly. “These minor celebrities are very arrogant now. They think they’re superior just because they have a bit of fame. It’s indeed annoying.”

“Get out of the way quickly. Do you hear me ?” The bodyguards dispersed the crowd and said impatiently.

Soon, they arrived in front of Qin Yu and Yan Ruoxue.

Mr. Bai frowned and then sneered. “It’s you guys again? What a coincidence.”

“It is quite a coincidence,” Qin Yu said with a cold expression.

This time, Mr. Bai ignored them. He walked to Cheng Lei and whispered a few words.

After Cheng Lei heard this, she walked up to Qin Yu and Yan Ruoxue without saying a word.

She said with a dark expression, “Are you guys fans? Are you guys deliberately trying to attract attention like this? How annoying. It’s disgusting to stalk celebrities like this. Don’t you guys know?”

Hearing this, Qin Yu and Yan Ruoxue felt a little baffled.

“You think too highly of yourself. I’ve never even heard of an F-list celebrity like you.” Yan Ruoxue rolled her eyes..

## Chapter 104: Young Master Liu, We Meet Again

“You!”

When she heard Yan Ruoxue’s words, Cheng Lei immediately took off her sunglasses and pointed at Yan Ruoxue furiously.

Yan Ruoxue sneered. “You don’t want the finger anymore?”

It was clearly an offhand remark, but for some reason, Cheng Lei couldn’t help but put her hand down.

“I don’t care. In any case, get out of my way right now. This place has already been requisitioned by me!” Cheng Lei crossed her arms and snickered.

“Requisitioned?” Yan Ruoxue raised her eyebrows.

“What kind of power do you have to requisition a public place? Show me the requisitioned documents.” Yan Ruoxue asked coldly.

Cheng Lei’s expression became even uglier. How could she have requisitioned documents?!

“Are you leaving or not?” Cheng Lei became even angrier.

Yan Ruoxue smiled and said, “If you have the requisitioned documents, I’ll leave. If you don’t have them, I’m not leaving.”

“You b \* tch, you’re so shameless!” Cheng Lei scolded furiously.

When she heard this, Yan Ruoxue’s expression instantly turned cold. She raised her hand and slapped Cheng Lei’s face.

“You... you actually dared to hit me?” Cheng Lei instantly flushed with anger! The bodyguards beside her also quickly took a step forward.

Qin Yu hurriedly shielded Yan Ruoxue behind him, and the internal qi on his body suddenly released.

Cheng Lei gritted her teeth and said, “You dared to hit me? I’ll let you know the consequences today!”

With that, Cheng Lei walked to the side and began to make a call.

After making three to four calls, Cheng Lei put down her phone.

“Just you wait! Just you wait!” Cheng Lei roared with fury.

Yan Ruoxue nodded and said, “Okay, I’ll wait for you here.”

Time passed minute by minute. Ten minutes later, one luxury car after another came from a short distance!

Mercedes-benz, BMW, Maybach, Bentley, Lamborghini... As far as the eye could see, there were at least twenty of them!

Seeing this scene, the people around couldn’t help but feel a little afraid.

“You’re dead meat. I’ll see what you can do!” Cheng Lei said arrogantly.

The car soon stopped in front of Cheng Lei, and one middle-aged man after another got out of the car.

“This woman scolded me and hit me! You have to stand up for me!” Cheng Lei said coquettishly.

“Who dares to hit my babe?”

“Exactly. That person is digging their own grave?!”

“Hurry up and apologize!”

Obviously, these people were all businessmen from South City.

And Cheng Lei’s relationship with them was naturally ambiguous.

As she watched this scene, Yan Ruoxue’s expression was calm.

She smiled and said, “You want to call people? Okay, then I’ll make a call too.”

“Go make a call quickly. I want to see who you can call!”

“In South City, I’ve never been afraid of anyone!”

Everyone clamored.

Yan Ruoxue ignored them. She took out her cell phone and made a call.

“I’ll give you ten minutes to come to the amusement park immediately,” Yan Ruoxue said coldly.

After saying this, Yan Ruoxue directly hung up the phone.

“Hehe, you’re just bluffing!”

“I’ll wait for you to find someone. Hurry up and find him!” Cheng Lei snorted.

Qin Yu wasn’t worried. Others didn’t know the power of the Yan family, but Qin Yu knew about it very clearly.

A mere F-list celebrity was far from qualified to go against the Yan family.

A few minutes later, Audi A6s drove over from a short distance.

There were actually more than twenty of them!

“F \* ck, how many A6s have been called over?”

“Nobody drives such shabby cars anymore!”

“I thought you were so high and mighty, but turns out that’s all you’ve got?”

Yan Ruoxue didn’t say anything. She just smiled.

Soon, the car arrived in front of Yan Ruoxue.

Then, they saw a few men wearing Chinese tunic suits running down in a hurry.

When they saw the faces of these people clearly, everyone’s expressions became extremely ugly!

“Mayor of South City... South City...”

“Director of South City’s cultural and entertainment department...”

“South City Patrol Bureau’s police chief...”

These people were almost all top-level big shots in South City!

Yan Ruoxue’s phone call had almost mobilized all the top-level officials in South City!

“Mayor... Mayor, why are you here...”

“I’m sorry, I... I still have something to do, so I’ll leave first.”

“Cheng Lei, take care...”

The group of people quickly got into the car and dashed out!

Cheng Lei's expression was extremely ugly and she gritted her teeth so hard that they were about to break!

Mr. Bai's expression was also grave. It seemed that this woman's background wasn't simple.

"Miss Cheng, Young Master Liu is here." At this moment, a bodyguard beside her whispered in her ear.

Cheng Lei, who was dejected just a moment ago, was overjoyed when she heard this!

"Haha, Young Master Liu is here. That's great! Let's see what you guys can do!" Cheng Lei jumped up excitedly.

Mr. Bai also heaved a sigh of relief inside. Since Young Master Liu was here, then everything would be fine.

"Where is Young Master Liu? Quickly bring me there!" Cheng Lei said anxiously.

The bodyguard didn't say anything else and brought Cheng Lei to Young Master Liu.

Cheng Lei ran all the way to Young Master Liu and said with an aggrieved expression. "Young Master Liu, I was just about to take a photo, but she didn't cooperate and even hit me..."

Liu Shihui frowned and said, "What happened?"

Cheng Lei quickly gave an exaggerated account of the incident, "I said that I was a signed artist under the Liu family's company, but she said that the Liu family was nothing! She even said that you have to kneel down when you see her! She's too arrogant!"

When he heard Cheng Lei's words, Liu Shihui's expression instantly turned cold.

Liu Shihui was just about to find a place to vent his anger since he didn't get the Chinese knotweed. He didn't expect that it would come to him so soon.

"Who is so bold? I want to see for myself!" Liu Shihui said coldly.

Cheng Lei was delighted and quickly said, "She's right there! You must teach that despicable couple a good lesson!"

Liu Shihui didn't say anything and strode forward.

Cheng Lei hurriedly led the way. She couldn't wait to see Qin Yu and Yan Ruoxue's frightened expressions!

"Chief Li, Wang Shi, why are you guys here?" Liu Shihui looked at the people in front of him and couldn't help but feel a little surprised.

"Mr. Liu, is this woman signed by your company?" Wang Shi asked.

Liu Shihui nodded and said, "Yes, what's wrong?"

"Nothing." Wang Shi waved his hand, but there was some pity in his eyes.

"Inexplicable," Liu Shihui couldn't help but mutter.

After saying that, he continued to walk forward with Cheng Lei.

Soon, they arrived under the Ferris wheel.

"Young Master Liu, it's them!" Cheng Lei pointed at Qin Yu and Yan Ruoxue, who were standing under the Ferris wheel.

At this moment, Qin Yu and Yan Ruoxue had long forgotten about this fool. The two of them were looking up at the ferris wheel with blissful expressions.

Looking at the backs of the two of them, Liu Shihui snorted and said, “Reckless fools.”

After saying that, Liu Shihui walked quickly to the front of the two of them.

“It’s the two of you who beat up my artist? And you dared to show her attitude?” Liu Shihui said coldly.

When he heard Liu Shihui’s voice, Qin Yu turned his head first.

When Liu Shihui saw Qin Yu, his expression suddenly changed!

“You... It’s you? Qin Yu?” Liu Shihui suddenly had a bad feeling inside!

So... the woman Cheng Lei mentioned was Yan Ruoxue?

Liu Shihui called out tentatively. “Miss... Miss Yan.”

Yan Ruoxue slowly turned around.

“Young Master Liu, what a coincidence. We meet again,” Yan Ruoxue said with a nonchalant smile..

## Chapter 105: Experience Love In Its Purest Form

“Miss... Miss Yan, it’s really you...” Looking at Yan Ruoxue, who was in front of him, Liu Shihui was filled with regret!

He thought that he had escaped a disaster yesterday, and today, he met her again!

To Liu Shihui, the humiliation he experienced these two days was more than what he had experienced in his entire life!

Without thinking, he knelt on the ground with a plop!

To Liu Shihui, doing such a thing in front of so many people was worse than death!

A short distance away, Cheng Lei and the others were dumbstruck.

What was going on? Liu Shihui actually knelt down?

“Miss... Miss Yan, I’m sorry. It’s my fault for not disciplining her properly...” Liu Shihui lowered his head and said.

Yan Ruoxue looked at Liu Shihui and said indifferently, “The Liu family is really imposing. How can you guys commandeer public places as you guys please?”

“No, no, this is definitely not the Liu family’s intention!” Liu Shihui hurriedly waved his hand and said.

Yan Ruoxue snorted lightly. She glanced at Cheng Lei and said, “I don’t like that person.”

“Miss Yan, don’t worry. I definitely won’t let her off lightly!” Liu Shihui hurriedly said.

Yan Ruoxue waved her hand and said, “You can leave now. Don’t disturb us.”

“Yes, yes.” Liu Shihui immediately heaved a sigh of relief.

He stood up from the ground and walked in front of Cheng Lei. He raised his hand and slapped her face!

“D\*mn you!” Liu Shihui said through gritted teeth.

Cheng Lei was so scared that she couldn’t speak. Liu Shihui’s attitude was obvious. The other party was definitely not someone the Liu family could afford to offend!

“I was wrong, Young Master Liu...” Cheng Lei sobbed softly.

Liu Shihui didn’t say anything. He just waved his hand and the people around him dragged Cheng Lei to the car.

The scene finally quieted down.

After these big shots from South City greeted Yan Ruoxue, they left in a hurry.

“Let’s go. We’re going to ride the Ferris wheel,” Yan Ruoxue said with a smile.

“Okay... Okay,” Qin Yu agreed with a bitter smile.

However, he had mixed feelings inside.

Every time he was with Yan Ruoxue, Qin Yu could feel a strong sense of powerlessness.

This kind of gap in status and power put a lot of pressure on Qin Yu, but he couldn’t help but feel motivated as well.

The two of them took the tickets for the Ferris wheel and walked into the Ferris wheel venue.

The rest of the tourists stood outside and didn’t dare to go forward.

Facing a figure like Yan Ruoxue, they were afraid that they might accidentally get themselves into trouble.

Yan Ruoxue looked at the tourists who were looking at her from outside and said with a smile, “You guys can come along. No one is allowed to commandeer public places, not even me.”

When everyone heard this, they walked into the Ferris wheel with caution.

Qin Yu and Yan Ruoxue sat on the Ferris wheel while quietly waiting for it to turn.

“Shall we take a group photo?” Yan Ruoxue suddenly said.

Qin Yu obviously had no objections and agreed without thinking.

Yan Ruoxue took the phone and leaned her face against Qin Yu.

Then, she gestured with her hand and pressed the shutter button.

“Not enough, not enough, I need to take more pictures!” Yan Ruoxue looked excited.

She held her phone and pressed the shutter button repeatedly. She even asked Qin Yu to make all sorts of embarrassing poses.

Before the Ferris wheel even turned, Yan Ruoxue had already saved more than a dozen group photos on her phone.

When the Ferris wheel started to turn, Yan Ruoxue’s speed became even faster.

Yan Ruoxue didn’t miss any angle. She struck all kinds of weird poses, and they seemed no different from an ordinary couple.

This was also the first time Qin Yu truly experienced dating.

The Ferris wheel slowly spun, and soon, the Ferris wheel reached the highest point.

At this moment, Yan Ruoxue suddenly came over and kissed Qin Yu's face gently.

Qin Yu was stunned, and his entire face instantly flushed to the base of his neck.

However, the sense of ecstasy inside made Qin Yu's heart beat rapidly.

He looked at Yan Ruoxue with emotion. Just as he was about to speak, Yan Ruoxue reached out a finger and blocked Qin Yu's mouth.

“Legend has it that when the Ferris wheel turns to the highest position, kissing the person you love the most means you two can be together forever,” Yan Ruoxue said with some longing.

“There aren't many opportunities to come to the amusement park. I don't want to miss them,” Yan Ruoxue's words seemed to have a hidden meaning.

Qin Yu looked at Yan Ruoxue with his heart racing and whispered, “Miss... Miss Yan, I...”

“Do you still want to continue calling me Miss Yan?” Yan Ruoxue blinked her eyes and asked.

Yes, this address was too formal

Qin Yu took a deep breath, mustered up his courage, and pecked Yan Ruoxue on the face.

Then, he looked at Yan Ruoxue gently and said word by word, “Ruoxue, meeting you is the happiest thing in my life. I don’t want to leave you, and I will never leave you.”

At this moment, it was as if the world had stopped.

Their eyes met, and everything became a foil to the two of them.

Fortunately, this scene wasn’t seen by Yan Jiang and the others, or else they would have gone crazy.

This day was the most unforgettable day for Qin Yu, and also the happiest day.

The Ferris wheel finally stopped.

Both of their faces were a little flushed.

Qin Yu never thought that at the end of his youth, he could still experience love in its purest form.

Then, the two of them went to sit on the merry-go-round, the pirate ship, and so on. It wasn’t until the sky turned dark that the two of them left the amusement park.

“I had a really good time today,” Qin Yu said with a smile.

Yan Ruoxue blinked and said, “Me too.”

Although she said this, there seemed to be a hint of sadness on Yan Ruoxue’s face.

This didn’t escape Qin Yu’s eyes. He asked somewhat suspiciously, “What’s wrong?”

Yan Ruoxue shook her head and smiled. “Nothing.”

She didn't want to destroy the romantic vibe, so she didn't tell Qin Yu that she would be returning to Jingdu tomorrow.

At night, their surroundings were terrifyingly quiet.

At this moment, Qin Yu and Yan Ruoxue were in their own rooms, but they weren't sleeping.

Yan Ruoxue was wearing a nightgown. She leaned against the window and looked into the distant sky.

A gentle breeze blew past her fair and smooth cheeks, and tousled her waterfall-like black hair.

Her large clear eyes were filled with a mixture of sadness and joy.

Meanwhile, Qin Yu was sitting in his room and continuing to refine the amulet.

He hadn't slept for two whole days, but Qin Yu didn't feel tired at all.

It wasn't until early in the morning that the amulet was finally successfully refined.

There were traces of bright red in that jade pendant.

This was Qin Yu's blood essence. It could save lives at critical moments.

"Phew, it's finally over." Qin Yu couldn't help but feel a little tired.

He glanced at the time. It was only seven o'clock in the morning. Qin Yu thought for a moment and decided to sleep for an hour.

He set the alarm for eight o'clock and quickly fell asleep on his bed..

## Chapter 106: Yan Ruoxue Left

Two days of hard work made Qin Yu so exhausted that he quickly fell asleep.

Not long after he fell asleep, Yan Yongxiu's car stopped downstairs.

"President Yan, Miss Yan is staying here." Yan Jiang bowed and said.

Yan Yongxiu nodded and said, "Take me upstairs."

"Yes, President Yan." Yan Jiang hurriedly led the way and brought Yan Yongxiu all the way to Yan Ruoxue's room.

Yan Ruoxue had long woken up. She barely slept at all last night.

"Ruoxue, it's time to go back," Yan Yongxiu said indifferently.

Yan Ruoxue nodded and said, "I know."

"Then let's go," Yan Yongxiu said in a sullen voice.

Yan Ruoxue bit her rosy lips with her teeth. She, wanting to say goodbye to Qin Yu, got up and went to Qin Yu's room.

However, at this moment, Qin Yu was sleeping soundly. Yan Ruoxue didn't have the heart to disturb him.

The few of them surrounded Qin Yu and didn't speak for a long time.

"Let's go," Yan Ruoxue whispered.

"Aren't you going to say goodbye to him?" Yan Yongxiu asked.

Yan Ruoxue's heart hardened and she shook her head. "No."

"Then let's go." Yan Yongxiu strode out of the door.

"Ruoxue... I like you..."

Just as the few of them were about to reach the door, Qin Yu, who was lying on the bed, suddenly blurted out a sentence in a daze.

Yan Ruoxue's body instantly stiffened, and her footsteps couldn't help but stop.

She turned around, only to find that Qin Yu was only talking in his sleep.

“Even in his dreams, he was calling your name.” Yan Yongxiu sighed.

Yan Ruoxue felt even sadder. She bit her lip and suddenly said, “Dad, wait for me for a while.”

She hurried back to her room, took out a pen, and quickly began to write something on the paper.

She revised, changed, then repeated, and wrote a full page of words.

However, no matter how she wrote it, Yan Ruoxue wasn't satisfied.

“Forget it.” In the end, Yan Ruoxue tore up the paper and threw it into the trash can.

Then, she wrote a few words in large pens: I'm returning to Jingdu. You have to take care of yourself.

These few simple words expressed Yan Ruoxue's most sincere feelings.

She placed the paper on Qin Yu's bedside, then kissed Qin Yu's forehead gently.

“Let's go.” Yan Ruoxue didn't stay any longer. She turned around and walked out of the door.

In the car, Yan Ruoxue's eyes were fixed in the direction of Qin Yu's room.

“Start the car.” Yan Ruoxue waved her hand.

“Yes, Miss Yan.” The driver started the car.

At this moment, Qin Yu suddenly woke up.

He had a bad premonition inside and sat on the bed in a daze.

Soon, Qin Yu saw the note left on the head of the bed.

Qin Yu hurriedly opened the note and saw Yan Ruoxue’s handwriting.

“Miss Yan... Miss Yan...” Qin Yu’s expression changed drastically and he felt as if his heart had been pricked by something!

He hurriedly ran to the window and looked out.

The Yan family’s car was downstairs and was about to leave.

“Ruoxue!” Qin Yu shouted with all his might!

Then, he ran downstairs at the fastest speed!

Unfortunately, the sound insulation of the car was very good, so Yan Ruoxue didn’t hear Qin Yu’s voice.

Just when Qin Yu rushed downstairs, the car started slowly and drove forward.

Qin Yu’s expression became extremely ugly. He gritted his teeth and chased after the car with all his might.

“Miss Yan! Ruoxue!” Qin Yu almost used all his strength to chase after the car.

In the car, Yan Ruoxue was in a very bad mood .

Although the two of them hadn't been together for long, Qin Yu had long left a mark in Yan Ruoxue's heart.

"Maybe in a year, this kid will really be able to come to Jingdu," Yan Yongxiu comforted.

"Not maybe, but definitely." Yan Ruoxue's tone was extremely firm.

"I hope so." Yan Yongxiu nodded.

The speed of the car was getting faster and faster, but Qin Yu, who was behind, had no intention of giving up.

His forehead was covered in sweat. As he chased, he shouted crazily.

"Miss Yan, there seems to be someone chasing us from behind." Finally, through the rearview mirror, the driver saw Qin Yu, who was desperately chasing behind them.

Hearing this, Yan Ruoxue hurriedly opened the window and looked behind the car.

"Stop the car!" Yan Ruoxue said hurriedly.

"Miss Yan, we..."

"I told you to stop the car!" Yan Ruoxue shouted.

The driver didn't dare to disobey Yan Ruoxue, so he quickly leaned the car against the roadside.

Yan Ruoxue got out of the car and walked in Qin Yu's direction.

The two of them rushing towards each other made Qin Yu even more impulsive.

He quickly ran to Yan Ruoxue and hugged Yan Ruoxue tightly!

“D\*mn it, this b\*stard!” Yan Jiang was furious. He was about to push the door open but was stopped by Yan Yongxiu.

“Forget it, let them be.” Yan Yongxiu waved his hand.

Hearing this, Yan Jiang had no choice but to keep quiet.

Qin Yu pulled Yan Ruoxue into his arms tightly and tears flowed out.

“Are you leaving already? Why are you in such a hurry...” Qin Yu said with some anguish.

Yan Ruoxue was still the gentle and generous Yan Ruoxue.

She reached out to wipe Qin Yu’s tears and said with a smile, “A man can’t shed tears at will.”

Qin Yu wiped the tears from the corner of his eyes and said with extreme anguish, “Can you not leave?”

“No,” Yan Ruoxue said without hesitation.

“I have been in Jiangcheng long enough. It’s time for me to return to Jingdu,” Yan Ruoxue said with a smile.

“But... but I don’t want you to leave...” Qin Yu said somewhat shamelessly.

After these few days, she had already become a part of Qin Yu’s life that he couldn’t part with.

A day of not them seeing each other felt like three years.

This was Qin Yu’s current mentality.

Yan Ruoxue reached out and gently patted Qin Yu's head. She smiled gently and said, "If you want to see me, come to Jingdu and look for me."

"One year later, I'll wait for you in Jingdu. I'll wait for you to marry me."

Qin Yu couldn't hold it in any longer, and tears almost burst out of his eyes.

But he didn't want Yan Ruoxue to worry, and he didn't want to disappoint Yan Ruoxue either. So he held back his grief.

"Of course, I'll definitely go to Jingdu to marry you one year later. Wait for me!" Qin Yu said through gritted teeth.

"Ruoxue, it's time to go," Yan Yongxiu said indifferently in the car.

Yan Ruoxue glanced at Yan Yongxiu and then at Qin Yu. "Qin Yu, you have to rely on yourself in the future."

"You can't be too soft-hearted to some people. Otherwise, you will be bullied, understand?"

"I will wait for you in Jingdu in a year. I will wait for you to marry me."

After saying this, Yan Ruoxue didn't turn around and walked towards the car.

These few words kept echoing in Qin Yu's mind.

He felt like his heart had been pierced through by countless needles. He was in extreme anguish.

Just as the car was about to start, Qin Yu suddenly thought of something.

He hurriedly shouted, "Ruoxue, wait!"

The car came to a sudden stop again.

Qin Yu anxiously ran to the front of the car. He took out the jade pendant and handed it to Yan Ruoxue.

“Ruoxue, this jade pendant is a gift from me to you. You must wear it at all times!” Qin Yu said with emotion.

Yan Ruoxue took the jade pendant and said with a smile, “Okay, definitely..”

## Chapter 107: A Nobody

The car slowly left. Qin Yu watched as the Yan family’s car disappeared from his sight.

Yan Ruoxue, who was in the car, also shed a tear.

Qin Yu stood there for a long time. He clenched his fists tightly and forced himself not to shed a tear.

“I will definitely, definitely go to Jingdu as soon as possible.” Qin Yu couldn’t help but raise his head and roar.

And the people around him looked at him as if they were looking at a lunatic.

Qin Yu returned to the hotel. He packed his things and quickly left South City for Jiangcheng.

With three stalks in his hand, Qin Yu wanted to increase his strength as soon as possible and advance to the Foundation Establishment Stage.

Along the way, Qin Yu’s mood was extremely heavy and it was difficult for him to calm down.

As soon as he closed his eyes, he would see Yan Ruoxue's figure.

"Ruoxue, wait for me," Qin Yu muttered softly.

On the same day, the news of Yan Ruoxue's departure swept through the entire Jiangcheng.

Countless people heaved a sigh of relief inside.

Yan Ruoxue gave everyone immense pressure and intimidation.

During this period of time, everyone restrained their actions for fear that they would accidentally provoke her highness.

"Yan Ruoxue has finally left."

"D\*mn, we've been walking on eggshells during this period of time."

"If Yan Ruoxue has left, doesn't that mean that Qin Yu doesn't have a backer?"

"Yep, without Yan Ruoxue as a backer, Qin Yu's days are numbered."

" ..."

At night, Qin Yu returned to Jiangcheng.

At home, Yao Qing had been waiting for him for a long time.

"Mr. Qin." Yao Qing made a cup of tea for Qin Yu.

Qin Yu took a sip of tea, then looked at Yao Qing and said, "During this period of time, I want you to do me a favor."

"Mr. Qin, please go ahead." Yao Qing hurriedly nodded.

Qin Yu took a deep breath and said, "I want you to protect me for at least three days."

"Protect you?" Yao Qing couldn't help but be stunned.

Qin Yu nodded and said, "I'm going into closed-door cultivation. I can't be disturbed by anyone."

"Yao Qing, I only trust you now," Qin Yu said seriously.

Yao Qing was immediately flattered by the favor and hurriedly said, "Don't worry, Mr. Qin. I'll do my best!"

Qin Yu nodded and waved his hand. "Go to rest for the night."

After returning to his room, Qin Yu laid on the bed, but he still couldn't fall asleep.

As long as he closed his eyes, Yan Ruoxue's gentle face would appear in front of him.

In his mind, the words that Yan Ruoxue had said kept echoing.

Qin Yu sat up from the bed.

He took a deep breath and sat cross-legged on the bed to force himself to calm down.

For cultivation, the state of mind was important.

For the whole night, Qin Yu's state of mind quietly changed.

He didn't know if Yan Ruoxue's words had played a role, but Qin Yu felt that his heart seemed to have hardened a little.

The next morning, Qin Yu walked out of the room.

There was no expression on his face, but it was tainted with a trace of ice-cold internal qi.

“Mr. Qin.” Yao Qing had already brewed tea for Qin Yu.

Qin Yu nodded and said, “Call Lei Hu to come and see me.”

“Yes, Mr. Qin.” Yao Qing hurriedly nodded and said.

Half an hour later, Lei Hu brought Lance to Dragon Paradise.

In the living room, Yao Qing served tea for the few of them, while Lei Hu was filled with apprehension.

Qin Yu didn't say a word and just quietly looked at Lei Hu.

“Lei Hu, how's the recent earnings?” Qin Yu asked.

Lei Hu quickly said, “Mr. Qin, our market share is steadily rising. I have already opened a factory to mass produce the Soul Nourishment Pill.”

Qin Yu narrowed his eyes and said, “Once Miss Yan leaves, I reckon many people will target me and even want to get rid of me.”

“Lei Hu, do you have such thoughts?” Qin Yu narrowed his eyes and looked at Lei Hu coldly.

Lei Hu's expression immediately changed and he hurriedly shook his head as he said, “Mr. Qin, I absolutely have no such intention! If it weren't for you, I would be a good-for-nothing now and would have been blacklisted sooner or later...”

Qin Yu looked at Lei Hu coldly. After confirming that Lei Hu had no intention of rebelling, Qin Yu continued to ask, “Alright, I won't mistreat you guys.”

“Thank you, Mr. Qin!” Lei Hu hurriedly nodded.

After that, Qin Yu stood up and glanced at Lance while saying, “I promised you last time that I would teach you the breathing exercise. Come and look for me in a week.”

Lance bowed and said, “Thank you, Mr. Qin.”

Qin Yu wouldn't completely trust Lei Hu, so he had to bribe Lance.

After Lei Hu left Dragon Paradise, he couldn't help but wipe the sweat off his forehead.

“D\*mn it, he scared me,” Lei Hu muttered.

Lance frowned and said, “Lei Hu, don't tell me you really have ulterior motives?”

“Nonsense!” Lei Hu scolded loudly.

“Do you think I'm as stupid as those people? Since Miss Yan has taken a fancy to Mr. Qin, then Mr. Qin definitely has something special about him!”

“I believe that Mr. Qin will definitely achieve something remarkable soon!”

...

After Lei Hu left, Qin Yu left the Dragon Paradise with Yao Qing.

“Mr. Qin, where are we going?” Yao Qing asked.

Qin Yu said, “To find a quiet place.”

This quiet place referred to Riverside Villa, which Shen Tian had stayed in.

The environment there was quiet, uninhabited, and full of spiritual energy. It was exactly the place that Qin Yu needed.

After the destruction of the Shen family, Shen Yun's relatives took over their assets and put them up for auction online.

Qin Yu and Yao Qing soon arrived at the Riverside Villa.

Yao Qing walked forward and knocked on the door.

Soon, a man came out and opened the door.

"Who are you looking for?" The man asked.

Yao Qing quickly said, "I heard that this place is for sale, and we plan to buy it."

The man glanced at Qin Yu and nodded. "Come in."

The few of them walked into the Riverside Villa together. As soon as they entered, they saw four to five people sitting in the villa.

"Hey, Qin Yu." As soon as he saw Qin Yu, a young man in the room stood up.

Qin Yu glanced at him and said, "I don't think I know you."

"It's okay if you don't know me, but I know you." He sneered.

"I'm Liu Bu from the Liu family!" Liu Bu said with a bit of arrogance.

Qin Yu frowned slightly and said, "Liu Family? I've never heard of them."

Liu Bu's expression changed and he said angrily, "You! Fine, it's fine if you don't know me, but you know Lin Wan, right?"

"Oh, that unruly little girl." Qin Yu nodded.

Liu Bu said with a cold expression, "Because of you, Lin Wan was almost sent to the coal mine! Previously, because of the Yan family, I didn't dare to touch you. Now that Yan Ruoxue has left, I'll see what you can do on your own!"

Qin Yu couldn't help but sneer. "What do you want to say?"

Liu Bu snorted lightly. "I'll give you a chance. Either kneel down, and I'll make a video, or I'll beat you until you kneel down. It's your choice."

Qin Yu scratched his head and said, "Once Miss Yan has left, a nobody like you have the guts to stir up trouble?"

## Chapter 108: Advancing to the Foundation Establishment Stage

"A nobody?" When Liu Bu heard this, he immediately flew into a rage!

"If it weren't for Miss Yan, you would be a nobody!" Liu Bu's face was filled with embarrassment and anger.

Qin Yu sized up Liu Bu and said with a smile, "You... you are probably Lin Wan's henchman, right? I remember that she seems to like someone called Mr. Yang."

"You!" These words undoubtedly rubbed salt into Liu Bu's wound!

Just like what Qin Yu said, he was really Lin Wan's lap dog!

“You motherf \* cker, you’re too shameless. I’ll teach you a lesson right now!” Liu Bu waved his hand, and the people around him immediately walked over to Qin Yu.

Yao Qing immediately moved forward. Just as he was about to make a move, Qin Yu stopped him.

“Let me do it,” Qin Yu said coldly.

As soon as he finished speaking, Qin Yu disappeared from the spot with a swoosh and instantly appeared in front of them.

These people were instantly stunned and their expressions changed drastically!

Before they could even react, their bodies flew out and they blacked out on the spot!

Then, Qin Yu walked towards Liu Bu step by step.

Liu Bu’s face was extremely pale. He had no idea that Qin Yu was so strong!

“You... what do you want to do?!” Liu Bu said with some fear.

Qin Yu looked at him coldly and said, “I don’t want to do anything. I just want to break your legs.”

As soon as he said that, Qin Yu quickly kicked him.

“Bang! Bang!” Liu Bu’s kneecaps were instantly shattered!

“Ouch! ! !” A pained wail echoed throughout the entire villa!

Qin Yu looked at Liu Bu coldly and said, “Get lost. Also, tell those who want to deal with me that I will wait for them here.”

“Wait, where’s the owner of this villa?” Yao Qing stopped Liu Bu and asked.

Liu Bu was scared out of his wits. He endured the pain and said, “This villa has been handed over to my father. I... I have to go back and look for him.”

“Call him and ask him to come,” Qin Yu said coldly.

Coldness flashed across Liu Bu’s face. He immediately nodded and said, “Okay, I’ll call him right now!”

After saying that, he grabbed his phone and crawled to the side. He dialed the number in anguish.

“Mr. Qin, I’m afraid Liu Bu’s father won’t let us off easily,” Yao Qing reminded him.

Qin Yu sat on the sofa and said indifferently, “It’s alright. Let him come.”

Ten minutes later, a middle-aged man rushed to the villa.

As expected, he had a few bodyguards with him.

Just as Yao Qing was about to make a move, Liu Bu’s father slapped Liu Bu in the face!

“You only know how to cause trouble. How did I give birth to such a good-for-nothing like you?!” He cursed.

Then, he hurriedly walked to Qin Yu, cupped his hands and said, “Mr. Qin, I’m really sorry. I hadn’t disciplined him properly. I hope you can forgive us.”

This surprised Qin Yu a little.

As the saying went, one should never hit a smiling face. Qin Yu immediately flicked his finger, and a pill fell into Liu Bu's hand.

"Go back and rub this pill on your leg. There's still hope for your leg," Qin Yu said indifferently.

Hearing this, Liu Bu's father was immediately overjoyed and hurriedly said, "Thank you, Mr. Qin!"

"Alright, stop talking nonsense. I want to buy this villa." Qin Yu took out the black card given by Wei Jiang.

The moment he saw the black card, Liu Bu's father's expression changed slightly.

He hurriedly waved his hand and said, "Mr. Qin, since you have cured my son's leg, this villa is yours!"

"Mine?" Qin Yu was even more baffled.

He was clearly the one who broke Liu Bu's leg, so how come Liu Bu's father was so polite?

"Mr. Qin, perhaps the black card in your hand has played a role," Yao Qing whispered in his ear.

Qin Yu suddenly came to a realization. He put away the black card and nodded. "Thank you very much. I'll remember your kindness."

"Thank you, Mr. Qin!" Liu Bu's father hurriedly cupped his hands.

Then, he walked to Liu Bu and scolded, "Useless thing, crawl out yourself!"

The villa finally quieted down.

Qin Yu took a deep breath and felt the rich spiritual energy from the surroundings.

“It’s really a good place,” Qin Yu muttered in a low voice.

Then, he asked Yao Qing to open the box he brought with him.

Inside the box were three herbs. A strong scent of herbs instantly filled the entire villa.

Qin Yu took a deep breath. He was a little excited.

These three herbs were enough to support him in advancing to the Foundation Establishment Stage!

Qin Yu couldn’t wait to find out how powerful the Foundation Establishment Stage was!

“As the saying goes, patience is key. Although I used the pill, it only took me a month,” Qin Yu thought to himself.

In an environment where spiritual energy was scarce, Qin Yu’s speed was mind blowing.

“Yao Qing, I’ll have to trouble you for the next few days.” Qin Yu looked at Yao Qing and said.

Yao Qing quickly said, “Mr. Qin, you’re too courteous.”

Then, Qin Yu didn’t waste any more time. He took out these few herbs and prepared to refine the Qi Gathering Pill.

The later one cultivated, the more Qi Gathering Pills one needed.

If Qin Yu wanted to advance to the next stage, he would probably need at least two Qi Gathering Pills.

“These three herbs can bring me at least a dozen Qi Gathering Pills,” Qin Yu thought to himself.

Then, he took out the relevant tools and began to refine the Qi Gathering Pill.

At this moment, the Liu family was already ready to make a move.

“Young Master, there’s news that Yan Ruoxue has returned to Jingdu,” Liu Shihui’s secretary said by his ear.

Liu Shihui took a deep breath, and a hint of viciousness flashed across his eyes.

“Although she has left Jiangcheng, no one knows whether she will still continue to help Qin Yu,” Liu Shihui said with a frown.

“Why don’t we... ask for instructions first?” The secretary suggested.

Liu Shihui thought for a moment, then shook his head and said, “No, it’s best if the Yan family doesn’t know about this.”

The Chinese knotweed was too tempting for Liu Shihui. Even if it was a risk, he still wanted to try it!

Liu Shihui had seen Qin Yu’s skills with his own eyes. For an ordinary person, it indeed wasn’t bad.

But for Liu Shihui, it wasn’t worth mentioning.

Because... Liu Shihui was extremely famous in the martial arts world! He was known as a genius!

In just three years, he had advanced to the level of an Inner Strength Master Hands!

His strength was even above that old servant's!

“When the time comes, we will act according to the circumstances,” Liu Shihui said coldly.

“Yes, Young Master.” The secretary quickly nodded and said.

That day, the Liu family prepared a car and rushed to Jiangcheng.

At this time, Qin Yu's pill was about to be ready.

Qin Yu stood to the side and used spiritual energy to control the heat.

Qin Yu's experience in refining pills had already allowed him to become much more skilled.

“Bang!”

At this moment, a loud sound came from the room!

The entire furnace exploded in an instant!

A strong herbal aroma assailed his nostrils!

Qin Yu hurriedly ran over and looked down. He saw several pills lying quietly in the ruins!

Qin Yu picked up the pill and counted carefully.

“Twenty-eight pills! It's far beyond my imagination!” Qin Yu shouted in surprise..

## Chapter 109: Liu Shihui's Visit

Qin Yu originally thought that there would be at most 20 pills. He never expected that the number would actually exceed this.

“28 pills are enough to support me to advance to the Foundation Establishment Stage.” Qin Yu, his heart filled with anticipation, clenched his fists.

After that, Qin Yu didn't waste any more time and hurriedly swallowed the pills.

There were more than twenty Qi Gathering Pills. Qin Yu could only consume and refine them one by one.

He swallowed the first pill and then slightly closed his eyes to feel the pill gradually blooming in his body.

When the pill entered his stomach, it felt like it exploded!

Dense spiritual energy flowed from Qin Yu's stomach into his Dantian and then slowly flowed into his entire body.

In just two hours, a pill was completely melted!

And Qin Yu directly advanced to the sixth level from the fifth level of the Qi Refining Stage!

This shocked Qin Yu even more. He didn't dare to delay, and hurriedly swallowed the second pill.

The second Qi Gathering Pill circulated even faster in Qin Yu's body, and almost disappeared in an instant!

But this time, Qin Yu frowned.

This was because the second Qi Gathering Pill didn't allow Qin Yu to advance to the seventh level of the Qi Refining Stage, and there wasn't even the slightest change in his dantian.

Qin Yu slowly opened his eyes and said with a frown, “Isn’t it said that each Qi Gathering Pill can make one advance a level?”

Although Qin Yu had expected the effect of the Qi Gathering Pill to become weaker and weaker along with the increase in strength, he didn’t expect the effect to be so weak on the seventh level.

“It seems that reality proves different from legends,” Qin Yu thought to himself.

He wasn’t in a hurry to swallow the third pill. Instead, he looked at the Qi Gathering Pill in front of him and fell into deep thought.

After thinking for a moment, Qin Yu took a deep breath and decided to swallow the rest of the Qi Gathering Pill all at once!

If he took each pill one by one and refined them, it would take too much time.

“Even if I consume too many pills, there shouldn’t be any harm,” Qin Yu thought to himself.

Thinking of this, he opened his mouth and threw the Qi Gathering Pills into his mouth one by one.

A total of twenty-six Qi Gathering Pills were swallowed into Qin Yu’s stomach. At this moment, Qin Yu felt as if his entire stomach was about to explode!

More than twenty pills were taking effect in his body at the same time. Qin Yu’s body was actually unable to hold on any longer!

Beads of sweat dripped from his forehead, and his lower abdomen was throbbing with pain!

“Ah...” Qin Yu couldn’t help but open his mouth and moan slightly.

Qin Yu had never felt such intense pain before. His body was trembling slightly, and his vision slowly dimmed.

“No!” Just when he was about to faint, Qin Yu clenched his teeth and forced himself to remain conscious.

He couldn’t help but think of Yan Ruoxue, and the words that Yan Ruoxue had said before she left!

“I absolutely can’t just collapse so easily.” Qin Yu gritted his teeth. He took a deep breath, and with his strong mental resilience, he endured the pain!

The Qi Gathering Pill exploded in Qin Yu’s body, and the rich spiritual energy rushed into Qin Yu’s Dantian like a swarm of bees.

Qin Yu endured the pain and tried his best to stabilize his state of mind.

Finally, after more than an hour, Qin Yu began to calm down bit by bit.

He seemed to have become numb to the pain. Even his trembling began to subside.

At this moment, Qin Yu’s body was surrounded by a light green light.

The light enveloped Qin Yu and isolated him from the outside world.

Spiritual energy slowly flowed into his body. Qin Yu felt the pain disappear and it was replaced by a warm current, as if he was soaking in a warm spring.

Qin Yu sat there with his legs crossed. His expression was calm as he fused spiritual energy with every cell in his body.

In the blink of an eye, an entire day had passed.

The sky gradually darkened and became filled with stars.

Yao Qing stood at the door of the room with his arms crossed over his chest. He looked around coldly, as if he was a guardian deity.

At this moment, a Land Rover drove over from a short distance away.

The car stopped steadily at the entrance of the villa. Then, a young man with two skinny men walked out of the car.

“Phew, the environment here really isn’t bad.” The people who came were none other than Liu Shihui and his entourage!

He looked at the beautiful scenery around him and couldn’t help but snort. “Qin Yu really knows how to enjoy himself.”

“Yeah, Jiangcheng is a small place, but it’s quite suitable for retirement.” Liu Shihui’s entourage also smiled and said.

Liu Shihui didn’t say anything more. He looked in the direction of the villa and waved his hand. “Let’s go and visit Qin Yu.”

After saying that, Liu Shihui brought his men and walked into the villa.

Yao Qing, who was standing at the door, quickly noticed Liu Shihui at the door.

He immediately took a step forward and blocked Liu Shihui’s way.

“This is Mr. Qin’s private residence. Please step back,” Yao Qing said coldly.

“How dare you?! Who do you think you are? How dare you talk to our Young Master like that?!” Liu Shihui’s henchman immediately shouted!

Liu Shihui waved his hand and said with a nonchalant smile, “We have to be polite. Do you understand?”

After saying that, Liu Shihui looked at Yao Qing and said with a nonchalant smile, “I’m here to talk to Qin Yu about something important.”

Yao Qing still said with a cold expression, “I’m sorry. Our Mr. Qin has something to do. He won’t be seeing any guests for the time being. If there’s anything, you can tell me.”

Liu Shihui raised his eyebrows and said with a nonchalant smile, “Qin Yu is quite cocky.”

“I’m sorry, Mr. Qin does have something important to do.” Yao Qing seemed polite, but there was a slight threatening tone in his voice.

“Kid, don’t be shameless!” At this time, Liu Shihui’s henchman suddenly shouted!

“Do you know who this is? He is Liu Shihui, the Young Master of the Liu family!”

When he heard this name, Yao Qing’s expression changed slightly.

Obviously, he had heard of Liu Shihui’s name.

“So it’s Young Master Liu.” Yao Qing frowned slightly.

“Young Master Liu, I’m very sorry. Mr. Qin really can’t see you for the time being. Why don’t you wait first? When he’s done, I’ll definitely tell him.” Yao Qing said with a slight bow.

Liu Shihui raised his eyebrows and sneered. “I rushed over from South City to see him, and you want me to wait? What, is this how you treat your guests?”

Yao Qing said awkwardly, “Young Master Liu, Mr. Qin really has something to do...”

“Cut the crap.” Liu Shihui’s henchman was a bit displeased.

“Get out of my way, or don’t blame us for being rude!”

Yao Qing’s expression suddenly became a bit ugly.

As an Inner Strength Master, he had naturally heard of the Liu family.

Yao Qing knew that he definitely wasn’t a match for these people!

But before Qin Yu went into seclusion, he said that he absolutely couldn’t let anyone disturb him!

Thinking of this, Yao Qing braced himself and took a step forward.

“Young Master Liu, please come back another day,” Yao Qing said firmly..

## Chapter 110: The Loyal Yao Qing

Yao Qing’s tone made Liu Shihui very unhappy.

He looked at Yao Qing with a bit of amusement and said, “What if I insist on going in?”

Yao Qing’s expression changed. He gritted his teeth and said, “Then I won’t be polite.”

When he heard this, Liu Shihui couldn’t help but laugh and said, “A trash at the seventh stage of Inner Strength dares to act so cocky in front of me. You think too highly of yourself.”

When he heard this, Yao Qing suddenly trembled!

Liu Shihui could accurately state his level of strength, which meant that he was definitely above him!

“No need to guess.” Liu Shihui sneered.

“I am an Inner Strength Master Hands at stage two. Get lost!” Liu Shihui said in a somewhat commanding tone.

The level of an Inner Strength Master Hands and someone at the seventh stage of Inner Strength were worlds apart. Yao Qing had no chance of winning!

However, Yao Qing still braced himself and stood in front of Liu Shihui.

“Young Master Liu, I’m really sorry. Mr. Qin, he...”

“Slap!”

Before Yao Qing could finish his words, Liu Shihui slapped Yao Qing’s face!

“Who do you think you are? You’re just a lap dog. How dare you block my way?!” Liu Shihui scolded coldly.

“Get out of my way, or I’ll cripple you!” Liu Shihui was burning with murderous intent!

Yao Qing gritted his teeth and said, “Liu Shihui, I told you. Mr. Qin won’t see any guests!”

“You’re really a loyal lap dog.” Liu Shihui’s expression became colder and colder.

“Young Master Liu, let us cripple this kid!” Liu Shihui’s follower said.

Liu Shihui waved his hand and said coldly, “No, I want to personally play with him.”

After saying that, Liu Shihui looked at Yao Qing and said indifferently, “Kid, I’ll let you see the strength of an Inner Strength Master Hands Hands!”

As soon as he said that, Liu Shihui clenched his fist and rushed towards Yao Qing!

Yao Qing knew that he was no match for Liu Shihui, so he hurriedly stepped back.

“Humph, too slow.” Liu Shihui sneered. With a shake of his feet, he instantly arrived in front of Yao Qing!

Then, Liu Shihui punched Yao Qing’s chest!

Yao Qing’s body was immediately sent flying. He slid on the ground for several meters before he stabilized his body!

A mouthful of blood spurted out from his mouth!

“How strong...” Yao Qing’s expression was a bit ugly. The reputation of an Inner Strength Master Hands Hands was indeed well-deserved!

“What, is that all you’ve got?” Liu Shihui said with a bit of amusement.

With nimble steps, he soon arrived in front of Yao Qing.

“You’re just a lap dog. I’ll have some fun with you today.” Liu Shihui looked down at Yao Qing and beckoned.

Yao Qing gritted his teeth and struggled to get up from the ground.

However, just as he got up, Liu Shihui kicked him!

Yao Qing was sent flying again and crashed into the wall!

“What? You can’t even stand up?” Liu Shihui sneered.

“Liu Shihui, don’t go too far!” Yao Qing roared and jumped up from the ground!

Then, he clenched his fist and took the initiative to rush towards Liu Shihui!

“You’re too big for your britches,” Liu Shihui said coldly.

Just when Yao Qing’s fist was about to punch him, Liu Shihui suddenly reached out and grabbed Yao Qing’s fist.

“That’s all you’ve got?” Liu Shihui said with a sneer.

Yao Qing’s expression was extremely ugly!

This punch almost used up all his strength, but it was easily caught by Liu Shihui!

Yao Qing used all his strength to struggle, but he found that he couldn’t break free!

“What, don’t you have other tricks?” Liu Shihui said sinisterly.

As he spoke, he exerted more strength! Then, he pulled back forcefully, and a crisp sound came from Yao Qing’s arm!

“Ouch!!!” Yao Qing couldn’t help but scream in pain!

His arm was forcefully broken by Liu Shihui!

“You’ve been tortured by me to this extent, yet Qin Yu still doesn’t seem to be coming out. Looks like he doesn’t really care about a lap dog like you.” Liu Shihui slowly walked over to Yao Qing.

Yao Qing’s face was filled with sweat. The intense pain made his entire body tremble, and he found it difficult to support himself!

“As a lap dog, you have to behave like a lap dog. Kneel down for me!” Liu Shihui said coldly.

“In your dreams!” Yao Qing gritted his teeth and said angrily.

Liu Shihui narrowed his eyes and sneered. “Fine, if you don’t kneel, I will force you to kneel!”

After saying that, he raised his palm and punched Yao Qing’s shoulder!

A huge force immediately pressed down on Yao Qing, who felt as if he was carrying two huge mountains on his shoulders!

Under this huge force, Yao Qing’s bones even emitted cracking sounds, as if they were going to break at any time!

But even so, Yao Qing still stubbornly stood in place without allowing his legs to go soft!

“You’re holding on quite well.” Liu Shihui said coldly.

“I want to see how long you can hold on!” After saying that, Liu Shihui raised his leg and kicked Yao Qing’s knee!

“Ouch!”

Finally, Yao Qing’s legs went soft, and with a bang, he knelt on the ground.

“Hahaha!” Liu Shihui couldn’t help but laugh out loud.

“It seems that your backbone isn’t as strong as your bones,” Liu Shihui said with a playful look.

As Yao Qing kneeled on the ground, he wanted to struggle, but his legs were broken and he couldn’t stand up at all!

“Young Master Liu.” At this moment, Liu Shihui’s henchman suddenly walked over.

“What?” Liu Shihui glanced at him.

The henchman hurriedly said, “Young Master Liu, I suspect that Qin Yu is using that Chinese knotweed to enter closed-door cultivation!”

When he heard this, Liu Shihui’s expression instantly changed drastically!

“Young Master Liu, we can’t delay any longer. If we delay any further, I’m afraid we won’t be able to get that Chinese knotweed back,” the henchman said with a somewhat anxious tone.

Liu Shihui couldn’t help but fly into a rage! He looked coldly at Yao Qing and said, “How dare you waste my time! Let me tell you, if the Chinese knotweed is gone, I’ll kill you!”

After saying that, Liu Shihui hurriedly walked into the villa.

At this moment, Liu Shihui’s legs were suddenly grabbed by something, and he instantly stopped in his footsteps!

He looked down and saw that Yao Qing was tightly holding onto his calf and didn’t allow him to move!

“Mr. Qin said that he won’t see any guests...” Yao Qing said while gritting his teeth.

Liu Shihui said furiously, “Are you courting death?! Get lost!”

After saying that, Liu Shihui, wanting to kick Yao Qing away, shook his leg forcefully.

However, Yao Qing seemed to have lost his mind. He desperately clung to Liu Shihui’s leg, and Liu Shihui was unable to shake Yao Qing off!

“You’re courting death!” This completely infuriated Liu Shihui!

He raised his other leg and kicked Yao Qing’s body with all his might!

One kick, two kicks, three kicks...

Liu Shihui’s strength was extremely great. Yao Qing’s mouth kept spitting out blood, but even so, Yao Qing still didn’t have the slightest intention of letting go!

“You motherf \* cker, let go of me!” Liu Shihui shouted and almost lost it.

“I... I won’t let go...” Yao Qing spat out these few words with difficulty.

Liu Shihui grimaced and said, “Okay, I will kill you now!”
