Chapter 141: You Have to Change Your Bad Temper

Commander Guo didn't comment on this, but he still waved his hand and said, "Don't doubt my decision."

Xiao Yu didn't say anything. He was Commander Guo's favorite soldier, so he disobeyed orders very often.

Time passed by minute by minute, and the two of them stood there waiting.

Finally, an Audi drove over slowly.

As soon as the car stopped, a young man walked out.

Seeing this, the two of them quickly walked in Qin Yu's direction.

Qin Yu looked at the two unfamiliar faces in surprise and couldn't help but be a little vigilant.

"You two are?" Qin Yu asked tentatively.

Before Commander Guo said anything, Xiao Yu took a step forward and said, "You are Qin Yu. We are from the Chuzhou Region."

"Chuzhou Region?" Qin Yu was even more confused.

"I don't seem to have anything to do with you guys."

Xiao Yu was about to say something when Commander Guo smiled and said, "Mr. Qin, don't misunderstand. We are here to specially invite you to attend the banquet under the orders of our superiors."

“Banquet?” Qin Yu suddenly remembered the banquet that Su Bo mentioned.

Rumor had it that this banquet was specially designed to invite a young man, and that young man was actually himself?

“Is there no one at home? Why don’t you guys go in?” Qin Yu said in surprise.

Xiao Yu said with some displeasure, “You actually have the nerve to say that? We’ve been waiting here for several hours. Not to mention people, but there’s not even a bird.”

Qin Yu hurriedly walked to the door, and sure enough, the door was locked.

“Yao Qing isn’t home?” Qin Yu muttered as he opened the door.

“Officers, please come in,” Qin Yu said politely.

Commander Guo nodded and immediately followed behind Qin Yu.

Looking at the huge yard and the magnificent villa, Xiao Yu couldn’t help but say enviously, “To live in such a good place, you must be from a rich family.”

“Xiao Yu, don’t talk nonsense!” Commander Guo scolded.

Xiao Yu immediately kept quiet, but his expression showed that he still felt defiant.

Qin Yu went to make a pot of tea and poured it for the two of them. Then, he asked, “If you have something to say, just say it.”

Commander Guo smiled and said, “It’s like this. Under the orders of the Deputy Chief, we would like to invite you to take up a post in the Chuzhou Region.”

“Take up a post?” Qin Yu spat out a mouthful of water.

He shook his head and smiled. “Don’t joke around. What kind of capabilities do I have to be able to take up a post in the Chuzhou Region?”

“Yeah, I think so too. You even made our Deputy Chief personally invite you,” Xiao Yu snorted.

Qin Yu glanced at him and didn’t argue.

“We aren’t sure about that either. In short, it was an order from the higher-ups,” Commander Guo said politely.

Qin Yu thought for a moment and then said, “Could it be Chief Wu’s idea?”

Commander Guo was stunned and couldn’t help but forced a smile. “It seems that you know about it.”

“Of course he knows. It’s obviously nepotism!” Xiao Yu snorted lightly.

Qin Yu frowned slightly. He didn’t quite understand Xiao Yu’s hostility towards him.

“I don’t think we know each other.” Qin Yu looked at Xiao Yu and frowned.

“I don’t know you. I’ve never heard of you.” Xiao Yu said in an unfriendly tone.

Qin Yu smiled and said, “Then why do you keep going against me?”

Just as Xiao Yu was about to speak, Commander Guo scolded him, “Xiao Yu, don’t be rude!”

“Hmph.” Xiao Yu scowled and was obviously very unhappy.

Qin Yu smiled and said, “If you have something to say, just say it. I won’t fuss over it.”

With Qin Yu’s words, Xiao Yu suddenly had confidence.

He stood up and said, “Although I, Yu Jin, am not a person of high status, I look down on you rich kids who came to our military district just to have some fun!”

“Do you know what the Military District is? It’s a place for national defense, not a place for you rich kids to go and have fun!”

Qin Yu nodded slightly. He approved of Yu Jin’s words.

“I agree with what you said, but unfortunately, I come from a humble family and have been poor since childhood. I’m not some rich kid.” Qin Yu shook his head and said.

Yu Jin snorted coldly and said, “If you weren’t a son of a rich family, would you live in such a lavish place?”

“If you weren’t a son of a rich family, would Chief Wu have sent a Deputy Chief to invite you?”

“How can a nobody enjoy such treatment?”

Commander Guo remained silent. Obviously, he was also puzzled.

Qin Yu put down the teacup in his hand and said, "That's not my fault. You should go back and ask Mr. Wu."

"As for the treatment you mentioned... I'm actually not too sure either. I have the same doubts as you." Qin Yu shook his head.

Yu Jin sneered and said, "Stop pretending. Let me give you a piece of advice. If you don't have any real talent, don't go to the Chuzhou Region to defile us!"

Qin Yu nodded and said, "Okay, I won't go."

"Humph, he is indeed a useless piece of trash. Commander Guo, we can go now." Yu Jin snorted coldly.

When he heard Yu Jin's words, Qin Yu's expression finally turned cold.

He looked at Yu Jin and said coldly, "Stop."

Yu Jin paused, turned around, and said, "What? Do you have something else?"

Qin Yu said with a cold expression, "I don't know you, but you have insulted me many times. Why? Is this the privilege of people of the Chuzhou Region?"

"Mr. Qin, Yu Jin has a bad temper. You must not lower yourself to his level," Commander Guo explained.

Qin Yu looked at Yu Jin and said coldly, "If you have a big temper, you have to change it. Otherwise, you will suffer because of it sooner or later."

"Suffer? I dare you to let me suffer!" Yu Jin suddenly stood up, and the internal qi on his body instantly reached its peak!

“Inner Strength Master Hands?” Qin Yu couldn’t help but sneer. “Come on, let me, a good-for-nothing, change your temper.”

“That’s exactly what I want!” Yu Jin roared and quickly clenched his fist as he rushed toward Qin Yu!

He pushed his internal qi to the maximum. It was obvious that he wanted to show Qin Yu his might!

However, Qin Yu didn’t move at all. He didn’t even look at Yu Jin and simply waved his hand.

A terrifying force surged towards him like a landslide!

When he felt this force, Yu Jin’s expression changed drastically!

However, it was too late!

This huge force was so terrifying that Yu Jin felt as if he had been hit by a train.. His entire body was sent flying!

Chapter 142: Valued By the Military District

With just a wave of Qin Yu’s hand, Yu Jin’s fierce attack was neutralized! He was even knocked to the ground!

Lying on the ground, Yu Jin couldn’t stop vomiting blood. He felt bursts of pain in his chest!

“Xiao Yu!” Commander Guo, his expression full of anxiety, hurriedly stood up.

“Don’t worry, he just has a broken rib.” Qin Yu drank a mouthful of tea and said indifferently.

Commander Guo's expression didn't look pleasant and he said unhappily, "Qin Yu, even if you want to prove yourself, you don't have to be so ruthless."

Qin Yu frowned slightly. Just as he was about to speak, Yu Jin, who wasn't far away, suddenly shouted, "Commander Guo! This has nothing to do with Mr. Qin. I admit defeat!"

After saying that, Yu Jin climbed up from the ground with difficulty and cupped his hands toward Qin Yu. "Mr. Qin, I was rude earlier. I hope you can forgive me."

This surprised Qin Yu a little. The contrast in his attitude made him seem like a different person.

He sized up Yu Jin and said with a smile, "Aren't you angry that I hurt you?"

Yu Jin shook his head and said, "I was the one who provoked you first. Moreover, I think you have already shown mercy."

Qin Yu nodded and said, "I only used thirty percent of my strength."

When he heard this, Yu Jin forced a smile.

"I was too arrogant and ignorant." Yu Jin said with a forced smile.

Qin Yu admired Yu Jin's attitude.

Although Yu Jin was arrogant, he acknowledged his mistake and admitted his loss. He was at least high-minded.

Commander Guo also shook his head and said, "This is how his character is. He only admires the strong."

Qin Yu bowed and said, "Please wait a moment, Officer Yu."

Then, Qin Yu turned around and returned to his room.

He took out a few herbs from the warehouse and opened his palm. A wisp of spiritual fire flickered in his palm.

Qin Yu flicked his finger and the flame fell into the tool.

With the support of the spiritual fire, Qin Yu's pill refining speed was several times faster. Unfortunately, it was too unstable. After Qin Yu refined it many times, the herbs were all destroyed.

Finally, on the sixth time, Qin Yu successfully refined the Dieda Pill.

"D*mn, it's really difficult to control the spiritual fire." Qin Yu wipe his sweat.

Then, Qin Yu took the Dieda Pill and walked out.

He handed the Dieda Pill to Yu Jin and said with a smile, "Take it, and the pain in your body will disappear."

Yu Jin took the Dieda Pill and swallowed it dubiously.

A few minutes later, the pain in his chest disappeared without a trace.

"It actually worked!" The admiration on Yu Jin's expression intensified!

He immediately cupped his hands and said, "Mr. Qin, I, Yu Jin, sincerely admit defeat to you. I was mistaken earlier, so I apologize to you sincerely."

Qin Yu waved his hand to show that he didn't mind.

Then, Qin Yu said, “Take this Dieda Pill once a day. In three days at most, your ribs will be as good as new.”

“Thank you, Mr. Qin,” Yu Jin said sincerely.

Commander Guo sighed and said, “It seems that Commander Wu is right. He really has both medicine and martial arts skills! Qin Yu, our trip wasn’t in vain!”

However, Qin Yu fell into silence.

After a while, Qin Yu shook his head and said, “Commander Guo, I’m sorry. I’m not interested in joining the military district. Please go back and tell Chief Wu that I thank him for his kind intentions.”

Commander Guo felt stunned. Then, he said jokingly, “Qin Yu, you can put on airs, but you can’t keep playing hard to get.”

Yu Jin, who was at the side, said anxiously, “Mr. Qin, are you blaming me? If that’s the case, I’m willing to be punished by you!”

Qin Yu hurriedly shook his head and said, “It has nothing to do with you. It’s just that I’m used to enjoying freedom, so I don’t like to be restrained. I’m sorry.”

Commander Guo was silent for a moment and then said, “Qin Yu, you have to consider it carefully. Joining the Military District will bring you no harm.”

“Thank you for your kind intentions. I won’t consider joining the military district for the time being. I’m sorry.” Qin Yu refused repeatedly.

Commander Guo could only sigh and say, “It seems that I won’t be able to fulfill the task.”

Qin Yu didn't say anything. Whether or not Commander Guo fulfilled his task had nothing to do with him.

It was not suitable for Qin Yu to join the military district. Although there were more resources in the military district, there were also many restrictions.

The most important reason was that Qin Yu felt that even if he went to the military district now, he might not be taken seriously.

Commander Guo didn't say anything more. After drinking the last cup of tea, Commander Guo left in a hurry with Yu Jing.

After returning, Commander Guo quickly told the Deputy Chief about Qin Yu's attitude.

The Deputy Chief was a little shocked by Qin Yu's rejection. After all, many people strived to join the military district.

"I'll invite him personally," said the Deputy Chief on the other end.

When he heard this, Commander Guo said in surprise, "Deputy Chief, Qin Yu is capable, but he isn't worthy of us making such a big fuss, is he?"

The Deputy Chief smiled nonchalantly and said, "You don't understand. Qin Yu is far more than just capable."

"According to what we know, that Inner Strength Past Master from overseas died at Qin Yu's hands not long ago."

"Inner Strength Past Master?" Commander Guo's expression suddenly changed.

“Are you kidding me? Judging from his aura, Qin Yu is only an Inner Strength Master Hands. How could he win against a Inner Strength Past Master...” Commander Guo said awkwardly.

Although he wasn't a martial artist, he understood the gap between the two.

The Deputy Chief laughed and said, “This is why we value him. We won't value an Inner Strength Master Hands that much. However, there are very few Inner Strength Master Hands who can defeat a Inner Strength Past Master.”

“As far as I know, other than Ye Qing back then, no one else has been able to achieve this,” the Deputy Chief said.

Ye Qing?

Commander Guo swallowed hard.

“Deputy Chief, isn't your evaluation a little too high... Ye Qing is a legend in the Military District...” Commander Guo said with some incredulity.

The Deputy Chief laughed and said, “He isn't as capable as Ye Qing now, but his future is full of potential. Moreover... Qin Yu even knows how to refine medicine. The Soul Nourishment Pill that he made is now all the rage in the province. The Ministry of Commerce is planning to focus on supporting the business.

At this point, the Deputy Chief paused for a moment before continuing, “Oh right, it just so happens that you will accompany me to his factory tomorrow to observe.”

“Okay!” Commander Guo didn't say anything more and simply agreed.

...

At night, Qin Yu sat alone in the courtyard.

Wisps of flames were flickering in his palms, and in front of him were many ordinary herbs.

These herbs were all meticulously prepared by Lei Hu. Although they weren't considered exquisite, they were very suitable for practice.

“Whoosh”

A breeze blew past, and the herbs in front of Qin Yu were burned into dregs by the spiritual fire.

“I failed again.” Looking at the ashes in front of him, Qin Yu forced a smile.

Qin Yu had just produced the spiritual fire, so he wasn't familiar with how to control the fire. He had only succeeded once in more than ten times of refining medicine.

“With such instability, it's very likely that an accident will occur at the Chinese Medical Conference.” Qin Yu thought to himself.

It was less than a week before the Chinese Medical Conference. It was almost impossible to improve his control in such a short time.

“It seems that I should use ordinary flames for the time being.” Qin Yu forced a smile.

Although the speed was a little slower, at least it was safe.

Qin Yu didn't sleep the whole night, and Yao Qing didn't come back.

The next morning, Qin Yu set off for the factory.

The Chinese Medicine Conference was getting closer and closer. Qin Yu wanted to find Mr. Yang to find out about some details of it.

During this period of time, Mr. Yang spent almost all his time in the factory. With Qin Yu's pill formula, Mr. Yang was able to obtain the Soul Nourishment Pill with ease.

Soon, Qin Yu's car arrived at the factory's entrance.

However, just as he arrived at the entrance, Qin Yu saw that there were many people standing at the entrance. The one leading them was none other than Su Bo..

Chapter 143: Exploiting Official Power For a Personal Vendetta

Seeing Su Bo, Qin Yu couldn't help but feel puzzled. What was he doing here?

Without much time to dwell on it, Qin Yu quickly drove to the front of the crowd.

As soon as he saw Qin Yu, Mr. Yang hurriedly walked over.

"Mr. Qin, I was just about to call you." Mr. Yang's face was full of anxiety and worry.

Qin Yu quickly asked, "Mr. Yang, what happened?"

Mr. Yang pointed at Su Bo and the others a short distance away and said, "They said that our herbs are not up to standard and that they have to destroy all of them. They also have to investigate our factory."

"Mr. Qin, with this investigation, we will have to stop all of our work. I don't know when we will be able to resume our business..."

After hearing Mr. Yang's words, Qin Yu couldn't help but squint and look at Su Bo coldly.

It was very obvious that Su Bo was trying to cause trouble.

The factory had been open for so long, and it had always received good reviews.

As for the herbs, it was even less likely that there would be problems because the requirements for herbs for the Soul Nourishment Pill was extremely low. Otherwise, it wouldn't have reached the stage of mass production.

"Mr. Yang, don't be anxious. Leave this matter to me to handle." Qin Yu consoled him considerately.

Mr. Yang quickly nodded and said, "Okay, okay. We will give gifts when we should. Don't be too stubborn..."

Qin Yu smiled and said, "I understand, Mr. Yang."

After saying that, Qin Yu walked toward Su Bo.

Su Bo seemed to have expected it. He sized up Qin Yu and said with some amusement, "I didn't expect you, a good-for-nothing, to open your own factory. It's quite impressive."

Qin Yu looked at Su Bo coldly and said, "What do you want to do?"

"What do I want to do?" Su Bo couldn't help but burst into laughter.

"What else can I do? I'm here to investigate your factory." Su Bo sneered.

"Investigate the factory?" Qin Yu narrowed his eyes and asked coldly, "You don't seem to have the right to do that, right?"

Su Bo sneered and said, “Is there a problem with the joint inspection of our Military District and the Quality Inspection Department?”

“There’s no problem.” Qin Yu nodded. He moved aside and said, “You can investigate however you want. If there is a problem, you don’t have to tell me. I will shut it down myself!”

Hearing this, Su Bo laughed again.

“Qin Yu, you are really childish. Isn’t it up to me to decide whether there is a problem or not?” Su Bo sneered.

After saying this, Su Bo immediately waved his hand and said, “Go and check his warehouse! As long as there are any problems, burn it on the spot!”

The relevant personnel of the Quality Inspection Department immediately walked towards Qin Yu’s warehouse.

As for Su Bo and Qin Yu, they just stood at the door and waited.

Not long after, two people ran out and shouted, “Found it! These few herbs are all products that don’t meet standards!”

Su Bo couldn’t help but sneer. He coughed and said indifferently, “Okay, burn them immediately!”

“This... This is a false accusation!” Mr. Yang immediately became anxious.

He ran to Qin Yu and explained anxiously, “Mr. Qin, I personally selected these herbs. There is absolutely no problem. You have to believe me!”

Qin Yu smiled and comforted him, “Mr. Yang, of course I believe you. This matter has nothing to do with you. He is here to target me.”

“Kid, don’t slander me!” Su Bo said with a nonchalant smile.

“I’m following the procedure. What do you mean by I’m here to target you?” Su Bo sneered.

Qin Yu took a deep breath and walked to Su Bo. He said, “Su Bo, I don’t think I’ve offended you, right?”

“You haven’t offended me?” Su Bo couldn’t help but sneer.

“A certain someone didn’t have this attitude yesterday. Why? Aren’t you quite arrogant? Why aren’t you showing off?” Su Bo snickered.

Anger flashed across Qin Yu’s face. He looked at Su Bo coldly and said, “Just because of a verbal conflict, you want to use your power for personal gain and retaliate. Su Bo, you really don’t deserve to stay in the Military District!”

“Hehe, whether I deserve it or not, it’s not up to you to decide.” Su Bo snickered.

“Let me tell you the truth. Not only do I want to burn your herbs, but I also want your factory to be renovated!”

“If I’m in a good mood, I’ll let you resume production in one or two years. If I’m in a bad mood... I might have to change it for ten or twenty years.”

At this point, Su Bo paused for a moment. He leaned towards Qin Yu’s ear and whispered, “If you don’t want your factory to close down, beg me. Maybe I’ll be merciful and let you resume production as soon as possible. Hahaha!”

Looking at Su Bo’s face, Qin Yu couldn’t help but feel a trace of anger.

He looked at Su Bo coldly and said, “I will definitely tell my superior about this matter.”

“Tell my superior? Who do you think you are to have the right to see my superior? What a joke!” Su Bo sneered.

After saying that, Su Bo waved his hand and shouted, “Burn these herbs that don’t meet standard on the spot!”

“Yes!” A few people from the relevant departments immediately walked towards the direction of Qin Yu’s warehouse.

“Let’s see who dares to!” At this moment, Qin Yu suddenly shouted and swiftly arrived at the door of the warehouse!

With this shout, everyone couldn’t help but freeze in their footsteps. The terrifying pressure made them cautious for a moment.

Su Bo’s expression turned cold and he immediately walked towards Qin Yu.

As he walked, he shouted, “Qin Yu, do you want to go against the law?! If you dare to go against the law, I will kill you on the spot!”

“I dare you.” Qin Yu said coldly.

“See if I dare to!” Su Bo quickly walked in front of Qin Yu.

Without saying anything, he took out his gun and pointed it at Qin Yu.

However, Qin Yu quickly reached out and grabbed the gun in his hand. In the next second, the gun was crushed by Qin Yu!

Su Bo's expression suddenly changed. He took two steps back and then said angrily, "Qin Yu, if you want to snatch the gun, I have the right to kill you on the spot!"

"If you dare to take another step forward, I guarantee that you will die here first," Qin Yu said coldly.

When he heard Qin Yu's words, a wave of fear suddenly rose in Su Bo's heart!

He didn't know why, but he didn't dare to take another step forward!

"Well, well. You actually dare to threaten a soldier!" Su Bo gritted his teeth. He pointed at Qin Yu and said, "Just you wait. I will report this to my superior right now!"

After saying this, Su Bo took out his phone and was about to make a call.

"I will wait for your superiors to come. Coincidentally, I have some ties with them," Qin Yu said coldly.

Hearing this, Su Bo immediately burst into laughter.

"You have ties with my boss? Who do you think you are? Get a reality check!" Su Bo laughed crazily.

Qin Yu sneered. "I'm sorry, but your commander personally invited me to the Military District. Do you think I have a good relationship with him or not?"

As soon as he said that, Su Bo laughed even crazier.

He held his stomach and said, "Invited you to the Military District? To wash clothes and cook? I'm dying of laughter! Hahaha!"

Qin Yu couldn't be bothered to talk nonsense with him. He just waved his hand, indicating for him to make the phone call.

At this moment, a car with a government license plate suddenly drove over from a short distance away.

"This is Qin Yu's factory?" The Deputy Chief looked outside and asked with a smile.

"Yes, Deputy Chief," Commander Guo hurriedly replied.

The Deputy Chief nodded slightly and said, "I talked to the provincial Department of Commerce a few days ago. This is a key factory in the province. You must take good care of it."

Commander Guo forced a smile and said, "Qin Yu is very famous in Jiangcheng. Who would make things difficult for his factory...."

Chapter 144: The Panicked Su Bo

"That's true." The Deputy Chief couldn't help but laugh.

Outside the factory, Su Bo was instantly delighted when he saw this car. He pointed at Qin Yu and said, "You're dead meat. our Chief has arrived!"

The car quickly drove in. As soon as it stopped, Commander Guo, Yu Jin, and a square-faced man walk in.

Su Bo hurriedly walked forward, saluted, and shouted, "Hello, Chief!"

The square-faced man frowned. He glanced around and said, "What's going on?"

Su Bo hurriedly said, “We investigated this factory with relevant departments. After inspection, we found that this factory is full of herbs not up to standards!”

The Deputy Chief, Commander Guo, and the others looked at each other with their eyes full of doubt.

Su Bo continued, “Reporting to the Deputy Chief, other than the herbs not up to standards, the boss of this factory, Qin Yu, should be punished!”

When he heard this, the Deputy Chief said in a deep voice, “Tell me the reason.”

Su Bo glanced at Qin Yu with a wicked smile, and then said coldly, “Not only did he produce health products not up to standards, but he even resisted with violence. He even claimed to be acquainted with the higher-ups of our Military District! Please give the order to punish him!”

Before the Deputy Chief said anything, Yu Jin, who was at the side, stepped forward and shouted, “Su Bo, you have to take responsibility for what you said!”

Su Bo was stunned. He looked at Yu Jin with a puzzled expression, then nodded and said, “What I said is the truth. Please investigate it, sir!”

Commander Guo frowned and said, “Su Bo, do you know who he is?”

Su Bo glanced at Qin Yu and said, “Yes, he is the son-in-law of the Su family, a man who only knows how to wash clothes and cook.”

“How dare you?! Mr. Qin is a distinguished guest of our Military District, and also the purpose of this trip!” Yu Jin immediately shouted angrily.

When he heard this, Su Bo’s expression suddenly changed!

Qin Yu was actually the person that Chief Wu invited by name? How was this possible? Didn't Su Wen say that he was just a good-for-nothing?

Yu Jin glanced at Su Bo coldly, then quickly walked in front of Qin Yu and said apologetically, "Mr. Qin, what exactly is going on?"

"Yes, Qin Yu. Is there a misunderstanding?" Commander Guo also asked.

Qin Yu said coldly, "Commander Guo, I'm very disappointed with your Military District."

Commander Guo frowned and said, "Qin Yu, why do you say that?"

Qin Yu looked at Su Bo coldly and said, "Su Bo claims to be an elite of your Military District, but he has no moral integrity! Just because I didn't salute him, he joined hands with the Quality Inspection Department to frame me!"

Su Bo's expression changed and he hurriedly said, "Sir, don't listen to his nonsense!"

Qin Yu sneered. "I have a surveillance camera here. Do you want to take a look at it?"

When he heard this, Su Bo sneered. "Sorry, the surveillance camera is broken."

"How do you know?" Qin Yu narrowed his eyes and asked indifferently.

Su Bo's heart suddenly thumped! Oh no, it slipped out!

"I . . . I guessed it." Su Bo braced himself and said.

Yu Jin looked at Su Bo coldly and said, "Su Bo, if we find out that you're the one who caused trouble, I won't let you off easily!"

Su Bo complained inside, how could he have known that Qin Yu had such powerful connections ?!

But since things had come to this point, he could only brace himself and take it one step at a time.

Su Bo took a deep breath and said with some timidity, “Even if Qin Yu is an honored guest of our Military District, he should still abide by the law.”

“The products produced by this factory are all not up to standards. He should be punished accordingly.”

The Deputy Chief frowned. He glanced at Su Bo and asked in a cold voice, “Not up to standards? This factory is the focus of the commercial department. How can there be products not up to standards?”

After listening to the Deputy Chief’s words, Su Bo became more and more anxious. Cold sweat dripped down his forehead.

“Tell me quickly. What is going on?!” Yu Jin shouted angrily at the people of the Quality Inspection Department.

“I’m telling you, if you admit it now, we can give you a lighter sentence. If we find out, don’t blame me for being rude!” Yu Jin looked at the person-in-charge of the quality inspection coldly and said.

The expression of the person-in-charge of the quality inspection became extremely ugly, and he stood there uneasily.

But after thinking for a moment, he still braced himself and said, “There’s no problem with... with what Mr. Su said.”

“Okay.” The Deputy Chief nodded.

He looked at Commander Guo and said, “Immediately call the people from the second team of the Military District and have them investigate for me. If there’s no problem, all of you will be fired and investigated!”

“Yes!” Commander Guo saluted and immediately took out his phone to make a call.

At this time, the person-in-charge of the Quality Inspection Department suddenly shouted, “Don’t... Don’t call. I’ll tell you. I’ll tell you...”

Yu Jin snorted lightly and said, “Tell me, what’s going on?”

The person-in-charge pointed at Su Bo and said with a trembling voice, “He asked us to frame Qin Yu...”

“You... you’re talking nonsense!” Su Bo’s face paled, and he was sweating profusely!

At this point, the person in charge couldn’t care less about that.

He pointed at Su Bo and said, “He’s the one who asked us to do this. He even said that it would be best if we could find some, but if we can’t find any, then he’ll let us secretly put in bad herbs to frame Qin Yu...”

“You... you’re slandering me!” Su Bo’s expression was ashen. He hurriedly looked at the Deputy Chief and said, “Deputy Chief, you... Don’t listen to his nonsense. It’s all made up by him!”

The Deputy Chief looked at Su Bo coldly and said, “Are you still not going to admit it?”

Su Bo gritted his teeth and said, “Deputy Chief, this was all his own idea. I... I was just passing by!”

“Think about it. I’m a martial artist. How can I have the right to investigate herbs? This matter has nothing to do with me!” Su Bo pointed to the sky, as if he was swearing to the heavens.

The person in charge gritted his teeth and said, “I have a recording here! Mr. Qin is a famous person in Jiangcheng, so I was afraid that something would happen, and I specially recorded the conversation with Su Bo!”

“Take it out!” Yu Jin berated.

The person in charge immediately took out his phone and began to search for the recording.

Su Bo’s expression was panicked, and bean-sized sweat covered his forehead.

At this moment, Su Bo, wanting to snatch the phone, suddenly reached out his hand.

However, with a flick of Qin Yu’s finger, Su Bo’s body was sent flying!

“You want to destroy the evidence?” Qin Yu sneered..

Chapter 145: Guaranteed Spot

Su Bo got up from the ground and stared at the cell phone in the person-in-charge’s hand.

He had completely panicked at this point.

“You still won’t admit it?” The Deputy Chief’s expression was extremely cold.

“You’re really stubborn.” Yu Jin snatched the cell phone and pressed the play button.

A recording was played from the phone.

“Qin Yu is a good-for-nothing. A good-for-nothing actually dared to disobey me. How can I let him go just like that?!”

“Don’t worry, I’m the elite of the Military District. I have connections with powerful people! Who would dare to go against me?”

“This time, I want Qin Yu to kneel in front of me and beg me. Otherwise, I will shut his factory down!”

When they heard these recordings, everyone’s expressions turned extremely gloomy.

Meanwhile, anger appeared on the Deputy Chief’s face.

“Embarrassing, this is simply embarrassing!” The Deputy Chief said furiously!

“Chuzhou Region actually has such a scum. I have been completely humiliated by you!”

Upon seeing the Deputy Chief’s attitude, Su Bo fell to his knees with a plop!

He begged miserably, “Deputy Chief, I didn’t know that Qin Yu was our honored guest. I... was wrong...”

“From what you said, if I was just an ordinary person, I deserved to be messed with by you, right?” Qin Yu questioned coldly.

“No... No, I absolutely didn’t mean that!” Su Bo hurriedly waved his hand.

He gritted his teeth and said, “It’s all Su Yan’s fault! It was Su Yan who asked me to do this. She said that she wanted me to take revenge for her. It has nothing to do with me!”

“Someone without morals or a sense of responsibility doesn’t deserve to stay in the Military District,” Qin Yu said coldly.

Commander Guo immediately took a step forward and said, “Qin Yu, don’t worry. I will immediately expel him from the Military District and take legal action!”

“No... Don’t. I know I’m wrong. Sir, please forgive me for once...” Su Bo begged desperately.

It wasn’t easy for him to reach where he was today. He was naturally unwilling to return to his original state.

But unfortunately, the Deputy Chief couldn’t give him a chance.

“Take him out quickly. He’s a disgrace!” The Deputy Chief said coldly.

As soon as he said that, a few soldiers came forward and grabbed Su Bo’s arm before bringing him to the car.

“Qin Yu, I’m really sorry. I didn’t expect there to be such a scum in the Military District. Sorry for the trouble.” The Deputy Chief personally walked forward and shook hands with Qin Yu.

Qin Yu said politely, “Deputy Chief, you’re too courteous. Please take a seat in the room.”

“Okay.” The Deputy Chief didn’t stand on ceremony. He nodded and followed Qin Yu into the office.

After the Deputy Chief entered and sat down, Qin Yu personally brewed a cup of tea for them.

“Sigh, I originally wanted to invite you to join the Chuzhou Region of the Military District. Now, I don’t even have the nerve to say this.” The Deputy Chief rubbed the teacup and shook his head.

Qin Yu smiled and said, “Deputy Chief, that has nothing to do with this matter. I don’t want to go to the Military District for the time being. Thank you for your kind intentions.”

The Deputy Chief didn’t insist any further. He nodded and then changed the topic, “Qin Yu, your Soul Nourishment Pill is a key project in the province. Rumor has it that the Soul Nourishment Pill has been taken to the province to be a model for research!”

Hearing this, Qin Yu said with some surprise, “Deputy Chief, is what you said true?”

“Of course!” The Deputy Chief laughed out loud.

Mr. Yang, who was beside him, also hurriedly said, “Mr. Qin, this officer is right. Do you still remember the Chinese Medical Conference?”

Qin Yu nodded and said, “To tell you the truth, I came to the factory this time for the Chinese Medical Conference.”

Mr. Yang heaved a sigh of relief and said with a smile, “That’s good. That’s good. I have submitted the information to you.”

The Deputy Chief asked in surprise, “The Chinese Medicine Conference?”

“Chief, you also know about the Chinese Medicine Conference?” Qin Yu asked in surprise.

The Deputy Chief laughed out loud and said, “Of course. Although the Chinese medicine world has declined over the years, the higher-ups still attach great importance to this Chinese Medicine Conference.”

At this point, the Deputy Chief looked at Commander Guo and said, “If he submits the Soul Nourishment Pill, Qin Yu should be able to get a guaranteed spot in the finals, right?”

Commander Guo shook his head and said, “Deputy Chief, I don’t know much about this...”

The Deputy Chief muttered, “I’ll ask around when I get back.”

Qin Yu, looking a little embarrassed, scratched his head.

“I really didn’t expect that a mere Soul Nourishment Pill would cause such a big impact,” Qin Yu muttered inside.

“Qin Yu, you must have put in a lot of effort for this Soul Nourishment Pill, right?” The Deputy Chief asked casually.

Qin Yu said somewhat awkwardly, “To tell you the truth, this Soul Nourishment Pill was only casually refined by me...”

This wasn’t false. The Soul Nourishment Pill was only the simplest pill in Qin Yu’s inherited alchemy methods handbook. It wasn’t worth mentioning at all.

The Deputy Chief smiled. It was obvious that he didn’t believe it.

But he didn’t say anything. In the Deputy Chief’s opinion, it wasn’t a bad thing for a young man to have some vanity.

Half an hour later, the Deputy Chief and the others were ready to leave the factory.

Before leaving, the Deputy Chief warned, “Qin Yu, you have to work harder in the future. I have high hopes for you.”

“Yes, our Deputy Chief said that you might become the second Ye Qing!” Yu Jin said with a wink.

“Yu Jin!” Commander Guo frowned slightly and glared at Yu Jin.

Yu Jin stuck out his tongue and quickly covered his mouth.

They didn’t stay any longer. After saying goodbye, they left the factory.

Qin Yu touched his chin and whispered, “Ye Qing... how come I’ve never heard of this name?”

After returning to the office, Qin Yu looked at Mr. Yang and asked, “When will the Chinese Medical Conference begin?”

Mr. Yang quickly said, “I took the initiative to submit your information half a month ago. About a week later, the Chinese Medicine Conference will officially begin.”

Qin Yu nodded silently, then stood up and said, “Mr. Yang, I’ll have to trouble you to help guide me when the time comes.”

Mr. Yang hurriedly waved his hand and said, “You must be joking. Your achievements are far above mine. You should be the one to guide me.”

These people who were obsessed with a certain academic field were like this. They didn’t care about age, and only cared about achievements.

For example, Mr. Yang, and Yu Jin.

Qin Yu didn't stay in the factory for long, and soon returned to Dragon Paradise Villa.

When he returned home, Qin Yu found that Sun Yumei and the members of the Su family were actually standing at the door.

“What are they doing here?” Qin Yu frowned slightly and then walked over quickly.

“What are you doing at my house?” Qin Yu asked with a cold expression.

When he saw Qin Yu, Su Wu suddenly seemed to have gone crazy as he rushed towards Qin Yu.

“You b*stard, you actually ruined my son's career! Do you know how much effort my son put into it?!” Su Wu gnashed his teeth and said.

When he heard Su Wu's words, Qin Yu couldn't help but sneer.

“Your son didn't live up to expectations, but now, you blame it on me?” Qin Yu said coldly.

“F * ck you, you have to take responsibility!” Su Wu gritted his teeth and said.

Su Wen also said fiercely, “Not only did you harm my daughter, but now, you also want to harm my nephew. Because of you, the Su family is in turmoil now.. How are you going to take responsibility for it?!”

Chapter 146: The Shameless Doctor

Looking at these people in front of him, Qin Yu couldn't help but feel a little angry.

Ever since he advanced to the Foundation Establishment Stage, Qin Yu became more and more calm about killing people.

However, Qin Yu had promised Old Mister Su to give them a way out, so Qin Yu still took a deep breath and endured it.

“Then what do you want?” Qin Yu said coldly.

Su Wu snorted. “With my son’s ability, he can at least earn 100 million. How about this, give us 100 million and we’ll leave immediately!”

Hearing this, Qin Yu couldn’t help but snicker.

“100 million? You actually dare to ask so much,” Qin Yu said coldly.

Su Wu snorted. “Stop talking nonsense. If you don’t give it, I won’t leave today!”

After saying that, Su Wu walked straight to the door and sat down.

Qin Yu looked at Su Wu coldly and didn’t say anything for a while.

“Are you also a member of the Su family?” After a long while, Qin Yu suddenly said.

Su Wu froze and said impatiently, “What does it have to do with you?”

“You only need to answer yes or no,” Qin Yu said coldly.

Su Wu didn’t say anything for a moment, and his mind raced.

He knew that Qin Yu and the Su family didn’t have a good relationship. If he was a member of the Su family, he probably wouldn’t get anything today.

Thinking of this, Su Wu said proudly, “I haven’t returned to the Su family’s home for more than ten years. Strictly speaking, I’m not a member of the Su family!”

“Okay.” Qin Yu sneered.

“Since you’re not a member of the Su family, I’m relieved.” After saying that, Qin Yu strode towards Su Wu.

Su Wu was immediately overjoyed! It seemed that he had guessed correctly!

Thinking of this, Su Wu immediately stood up from the ground.

“It’s only 100 million. I didn’t even ask for more. At least you’re sensible.” Su Wu said with a smile.

Su Wen and the others muttered, “I didn’t expect this kid to actually have 100 million. F * ck.”

However, in the next second, Su Wen and the others’ faces turned extremely pale!

Qin Yu waved his hand and smashed Su Wu’s head!

Then, Qin Yu grabbed his collar and threw him in front of Su Wen!

“Since you’re not a member of the Su family, then you can go to h*ll,” Qin Yu sneered wickedly.

Su Wen and Sun Yumei were both stunned. Half a second later, a scream came out from Sun Yumei’s mouth!

“Murder!” Sun Yumei’s whole body was trembling. Her legs went weak, and she wanted to run, but she couldn’t move her legs!

Su Wen's lips were also trembling, and he was so scared that he peed his pants.

Qin Yu looked at Su Wen coldly and said, "If you don't want to die, you'd better not provoke me again!"

Su Wen had already been scared to death, so how could he dare to talk back?

He pulled Sun Yumei away and struggled to get into the car.

As soon as they got in the car, the two of them sped away.

Looking at their departing car, Qin Yu took a deep breath.

He flicked his finger and a wisp of spiritual fire landed on Su Wu's body.

In less than a minute, Su Wu's body was burned clean.

After returning home, Qin Yu changed his clothes and prepared to go to the warehouse to find some herbs to familiarize himself with alchemy.

However, when he arrived at the warehouse, Qin Yu found that the warehouse was empty.

"There aren't any more herbs." Qin Yu frowned.

He wanted to call Lei Hu, but on second thought, since he had nothing to do, he might as well go out for a walk.

Thus, Qin Yu got into his car and drove towards the Chinese Medicine Hospital.

Very soon, Qin Yu arrived at the entrance of the Chinese Medicine Hospital.

Today, there were especially many people at the entrance of the Chinese Medicine Hospital. There was even a large sign hanging at the entrance that had a line of words clearly written on it: Provincial Capital's Chinese Medicine Genius, Zhou Tong, giving free medical services!

“Chinese Medicine Genius?” Qin Yu frowned slightly. “No wonder there are so many people today.”

After Qin Yu parked the car, he walked into the hospital.

He saw a long line in the hall of the hospital.

An old man in his sixties was sitting in front of him. This old man looked like a sage, but there was arrogance in his eyes.

“This person should be Zhou Tong.” Qin Yu glanced over and murmured in a low voice.

Since he was a Chinese Medicine Genius, he would definitely be present at this Chinese Medicine Conference.

Thinking of this, Qin Yu decided to line up to see the Chinese Medicine Genius's abilities.

Thus, Qin Yu stood at the back and waited quietly.

The line was very long because many people came after hearing the news.

Among them, there were those who actually needed to see a doctor, and there were also those who came to join in the fun.

A woman holding a child was standing in front of Qin Yu. This woman was dressed extremely shabbily, and one look was enough to tell that she was from a poor family.

Two hours later, Qin Yu was finally getting closer and closer to Zhou Tong.

The peasant in front of him hurriedly carried the child and walked forward. She said anxiously, “Doctor... Doctor Zhou, please take a look at my daughter. Her fever has not subsided. She has been taking a lot of medicine, but they don’t work...”

Zhou Tong glanced at the peasant, but didn’t say anything. Instead, he closed his eyes.

The farmer’s wife was instantly stunned, and she hurriedly said, “Doctor Zhou, can you examine the child?”

Zhou Tong still didn’t say anything. He just placed his hand on the table.

The farmer’s wife had a puzzled look on her face. She asked tentatively, “Doctor... Doctor Zhou?”

At this time, a young man beside Zhou Tong said impatiently, “What are you clamoring about? Why are you so insensible? Why did you come empty-handed?”

The peasant said awkwardly, “Didn’t it say free consultation on the sign?”

“Free consultation? Don’t you know that you should bring something to show respect to Doctor Zhou?” The young man said impatiently.

“How d*mn stupid. No wonder you’re poor.” The young man muttered in a low voice.

The peasant immediately panicked. She searched all her pockets and gathered more than a hundred yuan.

“Doctor... Doctor Zhou, this is all the money I have on me...” the farmer’s wife’s hands trembled as she handed over a hundred yuan.

“Oh right, these are eggs I brought from my hometown. I will give it to Doctor Zhou...” the farmer’s wife hurriedly picked up a basket of eggs from the ground.

Zhou Tong glanced at it and couldn’t help but snicker, “Do you think I’m a beggar?”

With that, the basket of eggs was knocked to the ground!

Qin Yu, who was standing behind, immediately showed a cold expression. Zhou Tong was actually quite pretentious. Since he wanted money, why did he say that he would give free consultations?

“Hey hey hey, move aside!” At this moment, a man with golden chains walked over and squeezed to the front rudely.

“Sir, it’s... I came first...” the peasant said in a low voice.

The man with the golden chains glared at the peasant and berated, “So what if you came first? I’m going to cut the line. Even if you’re not satisfied, suck it up!”

After saying this, the man with the golden chains took out a jade pendant from his pocket and stuffed it into Zhou Tong’s hands.

“Doctor Zhou, can you help me take a look?” The man with the golden chains winked and said.

Zhou Tong silently accepted the jade pendant, and his attitude instantly changed drastically.

“What can I do for you?” Zhou Tong asked kindly.

The man with the golden chains smiled and said, “It has been quite long now. Can you help me take a look?”

Zhou Tong laughed and said, “No problem!”

Chapter 147: Do You Want a Slap?

When he saw Zhou Tong’s attitude, Qin Yu’s anger rose from the bottom of his heart.

The peasant couldn’t afford to offend these two people. She could only look at the child in her arms and cry silently.

Qin Yu’s expression turned cold. He took a step forward and stood in front of the man with the golden chains.

Then, he looked at Zhou Tong and said, “Doctor Zhou, I have a better treasure here. Can you let me go first?”

“Who are you? Don’t you know how to queue?” The man with the golden chains said angrily.

Qin Yu glanced at him and said with a sneer, “Are you queuing?”

“I don’t give a f * ck about that. Get out of my way!” After saying that, the man with the golden chains reached out and grabbed Qin Yu’s shoulder to pull Qin Yu to the side.

However, he tried his best, but he couldn’t move Qin Yu at all!

“Okay, okay. Just you wait!” The man with the golden chains pointed at Qin Yu’s nose and scolded.

“You dare to provoke me in Jiangcheng? I’ll f * cking kill you!” The man with the golden chains walked to the side and took out his phone to make a call.

Qin Yu couldn't be bothered with him at all. Instead, he looked at Zhou Tong and sneered. "Doctor Zhou, can I?"

Doctor Zhou smiled nonchalantly and said, "Of course you can, but you have to first show me what kind of treasure it is. If it is really valuable enough, I will naturally treat you first."

Qin Yu nodded. He waved his hand and said, "This is it."

Zhou Tong frowned and said with some confusion, "What do you mean? You clearly don't have anything in your hand."

"No? It's in my hand. Can't you see it?" Qin Yu asked.

Zhou Tong frowned and said with some displeasure, "You clearly don't have anything in your hand. Are you teasing me?"

Qin Yu waved his hand and sneered. "Aren't I?"

After saying that, Qin Yu slapped him in the face!

Zhou Tong immediately flew out of the chair!

"Do you want a slap?" Qin Yu sneered.

Zhou Tong was instantly furious. He got up from the ground and pointed at Qin Yu's nose as he scolded, "You f * cking dared to hit me? Are you crazy?"

The crowd also whispered, "He dared to hit Doctor Zhou. What's the background of this young man?"

"Yeah, if he offended Doctor Zhou, would Doctor Zhou treat us?"

"Young people are impulsive."

Hearing the murmurs of the crowd, Qin Yu couldn't help but feel sorrowful from the bottom of his heart.

These people only cared about the benefits in front of them. If the persecution didn't happen to them, they wouldn't stand up or fight back.

It was precisely because of this reason that those oppressors were unbridled.

Qin Yu looked at Zhou Tong coldly and said, "Do you think you're qualified to claim to be a Chinese Medicine Genius? Do you even have the benevolence a doctor should have?"

"The child in this woman's arms has a high fever, yet you didn't treat him. And that man with the golden chains just didn't have enough time, yet you want to treat him. Can you be considered a doctor?"

"A person like you calls yourself a Chinese Medicine Genius? What a joke!"

These words made Zhou Tong's face flushed.

However, he didn't take Qin Yu's words to heart at all. Instead, he pointed at Qin Yu and said, "This is the way of society. Don't you understand?! You don't have money, yet you want people to do things for you?"

"Only a weakling follows bad rules," Qin Yu said coldly.

"Hahaha!" Zhou Tong couldn't help but burst into laughter.

"You hit me. Have you thought about the consequences?!" Zhou Tong questioned loudly.

Qin Yu sneered. “If you killed a maggot, would you think about the consequences?”

Zhou Tong’s expression suddenly changed. He pointed at Qin Yu and cursed, “You dare to call me a maggot? Do you know what kind of status I have? Do you know how many high-ranking officials and nobles owe me favors?”

“None of my business.” Qin Yu sneered.

Zhou Tong’s expression changed. At this time, he suddenly looked at the door and said with pleasant surprise, “Kid, your retribution has come!”

He turned his head and saw a large group of tattooed burly men coming to the door!

These strong men were all fierce and burlesque!

“Kid, you dared to cut in front of me and even dared to hit Doctor Zhou. I will cripple you today!” The man with the golden chains said arrogantly.

Qin Yu didn’t even think it was worth it to make a move on such a nobody.

He took out his phone and immediately called Lei Hu.

“Come to Jiangcheng’s Chinese Medical Hospital and bring people with you.” Qin Yu’s words were brief and concise. After he said that, he hung up the phone.

On the other end, Lei Hu didn’t understand the situation at all. However, Qin Yu was his financial backer. He didn’t dare to go against Qin Yu’s wishes.

After thinking about it, Lei Hu said to Lance, “Go and call all your buddies. Go to the Chinese Medical Hospital immediately!” he said.

“Yes, Mr. Hu.” Lance nodded.

In the hospital, the man with the golden chains pointed at Qin Yu and cursed, “Kid, it’s not too late for you to apologize to me now.”

Qin Yu glanced at him and said, “You’re just a nobody. You’re not worth my time. Just wait. Someone will come and negotiate with you later.”

“f * ck you. Who are you trying to scare? You’re just a nobody. Who do you think you are?” The man with the golden chains cursed.

Zhou Tong, who wasn’t far away, also sat down and drank some tea. He looked like he was looking forward to the drama.

“Thank you for your kindness, but... you should leave quickly. Don’t let anything happen to you because of me...” the peasant woman beside him said anxiously.

Qin Yu smiled and comforted, “Don’t worry. I’ll be fine.”

After saying that, Qin Yu glanced at the girl in her arms and said, “I’ll help you treat your daughter’s illness.”

“Hehe, you really know how to brag.” Zhou Tong couldn’t help but sneer.

“Who do you think you are? You can treat people’s illnesses?”

Qin Yu glanced at him and said, “No matter who I am, I’m much better than a villain like you.”

“Doctor Zhou, leave this matter to me!” The man with the golden chains shouted, as if he was taking credit.

Zhou Tong nodded and said indifferently, “As long as you help me deal with this kid, I can treat your illness three times for free.”

“Really? Thank you, Doctor Zhou!” The man with the golden chains was instantly overjoyed!

“Rumble...”

At this moment, the sound of engines suddenly came from outside the door!

They saw countless cars driving towards the hospital!

These cars blocked the entrance of the Chinese Medical Hospital. Then, many burly men jumped out of the cars!

When they saw this scene, everyone’s faces turned pale with fright!

The man with the golden chains was stunned and muttered, “Why is Mr. Hu here?”

“Mr. Hu, why are you here?” Although the man with the golden chains couldn’t figure it out, he quickly walked over with a cigarette in his hand.

Lei Hu didn’t even look at him. Instead, he rushed to Qin Yu.

He wiped the sweat from his forehead and said, “Mr. Qin, what do you want to talk to me about....”

Chapter 148: I’ ll Be the Doctor!

Seeing Lei Hu’s nervous attitude, the crowd couldn’t help but feel stunned.

And the golden-chained man’s expression changed drastically!

To people like them, Lei Hu was legendary. No one dared to provoke him!

“So these people were summoned by that young man.”

“No wonder this young man dares to be so cocky. Looks like he has a powerful background.”

Everyone discussed animatedly and took a few steps back in unison.

Qin Yu glanced at the man with the golden chains and said, “I’ll leave this person to you.”

Lei Hu hurriedly nodded and said, “No problem.”

After saying that, Lei Hu waved his hand, and everyone immediately swarmed forward. In just a few moments, they pressed the man with the golden chains to the ground!

“Mr. Hu, I didn’t know that he was your man. I... I was wrong...” the man with the golden chains said with a terrified expression.

When Lei Hu heard this, he immediately berated, “One of my people? He is Mr. Qin Yu. If you dare to be disrespectful, I definitely won’t forgive you!”

When they heard Qin Yu’s name, there was once again an uproar.

“So he’s Qin Yu! No wonder he’s so confident!”

“Not long ago, Qin Yu defeated the Liu family of South City!”

“I heard that his medical skills are also outstanding!”

Zhou Tong, who wasn’t far away, narrowed his eyes.

He sized up Qin Yu and sneered. “So you’re Qin Yu. I’ve heard of your name. I heard that the Soul Nourishment Pill came from you.”

Qin Yu glanced at him and said, “I’m very sorry, but I’ve never heard of your name.”

Zhou Tong’s expression turned cold. He narrowed his eyes and said, “Qin Yu, speaking of which, you and I are also people of the same field. Why do you have to offend me for a peasant’s sake?”

“Of the same field?” Qin Yu snickered.

“A person who is greedy for money and tramples on people of lower status while kissing up to people of higher status is worthy to be of the same field as me?” Qin Yu spoke harshly, causing Zhou Tong to blush.

Zhou Tong said with a cold expression, “Qin Yu, don’t be too cocky. Sooner or later, you will need me!”

“I’m sorry. I won’t need someone like you for the rest of my life,” Qin Yu said coldly.

Just as Zhou Tong was about to fly into a rage, a middle-aged man in a suit and tie ran over.

This middle-aged man was none other than the dean of the Chinese Medical Hospital.

He ran to the middle of the two people in a panic and asked awkwardly, “What... what’s going on?”

Zhou Tong immediately snorted and said, “Mr. Ding, I traveled thousands of miles from the provincial capital to Jiangcheng to treat patients for you. Is this how you treat me?”

Mr. Ding hurriedly said, “Doctor Zhou, is... is there some kind of misunderstanding...”

“Misunderstanding?” Zhou Tong raised his eyebrows. He pointed at Qin Yu and berated, “I was kind enough to treat patients for you, but this person came to cause trouble. Mr. Ding, what sort of security measures does this hospital have?!”

Mr. Ding glanced at Qin Yu and immediately complained inside.

Qin Yu had become famous recently, so Mr. Ding couldn't afford to offend either of these two people.

“Mr. ... Mr. Qin, what exactly is going on...” Mr. Ding braced himself and asked.

Qin Yu glanced at him and said, “Aren't you afraid of affecting the reputation of your hospital by inviting this kind of person to give a consultation?”

“Mr. Ding, you heard him, right? No matter what, I am his senior, yet he spoke to me so rudely!” Zhou Tong snorted coldly.

“I demand that you kick him out immediately, or else I will cancel today's consultations!” Zhou Tong's tone carried a hint of threat.

The crowd immediately panicked. They had already queued for so long. In order to see Zhou Tong, countless people had specially asked for leave.

Mr. Ding was even more worried. In order to invite Zhou Tong, he had spent a large amount of money. If he left now, all his efforts would be in vain!

Zhou Tong looked at Qin Yu smugly and said with a sneer, “Kid, don’t you have a benevolent heart? Then hurry up and get lost. Otherwise, these people will have nowhere to go even if they want to see a doctor.”

“Nowhere to go?” Qin Yu raised his eyebrows.

“Do you really think you’re a big shot? Do you think that other than you, no one else can treat people?” Qin Yu sneered again and again.

Zhou Tong sneered and said, “What do you mean?”

Qin Yu didn’t pay attention to Zhou Tong. Instead, he looked at Mr. Ding and said, “Mr. Ding, if you don’t mind, I’m willing to take Zhou Tong’s place. I’ll give free consultations and treat patients for free.”

“Hahahaha!” As soon as Qin Yu finished speaking, Zhou Tong couldn’t help but burst into laughter.

“Qin Yu, do you think that just because you developed the Soul Nourishment Pill, it means that your medical skills are extraordinary?” Zhou Tong questioned loudly.

“I, Zhou Tong, started to study medicine at the age of eight, became famous at the age of nineteen, and mastered Chinese and Western medicine at the age of twenty-seven! Now, I’m even called a Medical Genius! Who do you think you are?” Zhou Tong sneered.

Mr. Ding was also somewhat conflicted. After all, he wasn’t familiar with Qin Yu at all.

Moreover, Qin Yu indeed didn’t have much of a reputation in the medical world.

“Mr. Qin, you have a noble status. How can you treat our patients...” the person beside him said even more softly.

“That’s right. Mr. Qin, why don’t you leave first? We can spend some money ...”

“Mr. Qin, we know that you have good intentions, but...”

Everyone stepped forward to advise him. It was obvious that they didn’t believe in Qin Yu’s abilities at all.

Qin Yu looked at Mr. Ding and said, “Mr. Ding, what do you think?”

Mr. Ding thought for a moment and mustered up his courage to say, “Mr. Qin, I know that you have a famous reputation. It’s just that we have only heard of your medical skills and have never seen them before. I wonder if you can show them to us on the spot?”

“Yes, Mr. Qin. It’s not that we don’t believe you, but... we don’t want to take the risk...” someone beside him said.

Qin Yu nodded. He looked at the peasant beside him and said politely, “I just promised to treat your daughter’s illness. Are you willing to believe me?”

The peasant’s expression was somewhat conflicted. She looked at the crying child in her arms and then at Qin Yu.

Then, she gritted her teeth and said, “Mr. Qin, I believe you because you’re willing to offend Zhou Tong for the sake of a peasant like me!”

“Alright.” Qin Yu immediately walked in front of the child.

He slowly raised his hand and placed it on the little girl’s forehead.

Following that, traces of spiritual energy flowed along Qin Yu's palm and surged towards the little girl's forehead.

In just thirty seconds, the little girl's crying stopped abruptly!

The peasant was stunned. She hurriedly raised her hand and placed it on the little girl's forehead. She exclaimed, "The fever has really subsided. The fever has really subsided!"

Mr. Ding hurriedly went forward and examined the little girl.

"The fever has indeed subsided!" Mr. Ding said with a shocked expression.

"Mr. Qin, thank you so much!" The peasant wanted to bow to Qin Yu.

Qin Yu gently waved his hand, and a gentle force lifted the peasant up.

"I will never go back on my promise. You don't have to bow to me," Qin Yu said indifferently..

Chapter 149: Registration

The crowd immediately went into an uproar.

Just by extending his hand, he was able to cure the child's illness? What kind of medical skill was this?

Qin Yu placed his hands behind his back calmly.

This was his prowess at the Foundation Establishment Stage. Ordinary illnesses could be cured with just spiritual energy.

Mr. Ding, who was at the side, walked to Qin Yu's side quickly. He cupped his hands and said, "Mr. Qin, thank you for your help."

After saying this, Mr. Ding turned to Zhou Tong and said, “Doctor Zhou, I clearly saw what you have done through the surveillance cameras.”

“I gave you a sum of money to invite you to give free consultations, but I didn’t expect you to accept bribes in private, so I’m sorry,” Mr. Ding said in a neither servile nor overbearing manner.

Qin Yu was rather appreciative of Mr. Ding’s behavior and couldn’t help but nod slightly.

Zhou Tong’s expression was ice-cold. He looked at Mr. Ding and said, “Mr. Ding, I hope you don’t regret it.”

“Of course I won’t regret it,” Mr. Ding said nonchalantly.

“Zhou Tong, you can get lost now,” Qin Yu scolded coldly.

Zhou Tong’s expression was extremely displeased. He looked at the two people beside him.

The two people immediately understood. They looked at each other and suddenly threw a punch at Qin Yu!

Qin Yu had already discerned that these two were Inner Strength Masters, so he was prepared.

Qin Yu raised his hands calmly and met them head-on.

With a crisp sound, these two were sent flying!

The bones in their hands were broken, and they were in extreme pain!

“You guys actually dare to provoke me?” Qin Yu said coldly.

The two of them got up from the ground and stood beside Zhou Tong without daring to say anything.

“Qin Yu, you will pay for your actions. Don’t underestimate the power of a famous doctor,” Zhou Tong said coldly.

Qin Yu sneered. “No matter how good your medical skills are, it’s not worth mentioning if you don’t have medical ethics.”

“Hahaha!” Zhou Tong couldn’t help but laugh loudly.

“My medical skills are just a means for me to get acquainted with high officials and nobles. As for you, I want to see how far your kindness can get you!” Zhou Tong said fiercely.

After saying this, Zhou Tong turned around and left.

The crowd quickly erupted into thunderous applause. Countless people were praising Qin Yu.

And Qin Yu also kept his promise. He immediately sat on Zhou Tong’s seat and began to treat everyone.

For the entire day, it was only until nine o’clock in the evening that the hospital gradually quieted down.

Qin Yu stretched his body and felt extremely exhausted.

Such a huge consumption of spiritual energy was something that even Qin Yu couldn’t tolerate.

“Mr. Qin, I have really troubled you.” Mr. Ding brought a cup of water for Qin Yu and said politely.

Qin Yu smiled and said, “Mr. Ding, you don’t have to be so polite. I’m not doing this for you.”

Although that was the case, Qin Yu’s action brought great benefits to the Chinese Medical Hospital.

“Mr. Qin, if you are willing, I would like to hire you as a special doctor. What do you think?” Mr. Ding suddenly said.

Qin Yu frowned slightly and said with some confusion, “Special doctor? What do you mean?”

“I mean that you will be a nominal doctor. I’ll give you a salary every month, and your position will only be second to mine! You only need to come once in a while,” Mr. Ding quickly said.

Qin Yu thought about it for a moment. This was a good offer.

After thinking for a moment, Qin Yu said, “Forget about the salary. How about this? You only need to send me a batch of herbs every month. Is that okay?”

Mr. Ding was immediately overjoyed. He hurriedly nodded and said, “Absolutely no problem! Our Chinese Medical Hospital lacks everything except herbs!”

“Okay, then I’ll have to trouble you.” Qin Yu nodded and then turned around to leave.

When he returned home, it was already past ten o’clock at night.

Qin Yu walked around the house, but he still didn’t find Yao Qing.

“Weird, where did this brat go?” Qin Yu mumbled.

Yao Qing hadn’t been home for two whole days, and he couldn’t be reached by his phone. This worried Qin Yu a little.

Fortunately, Yao Qing was also an Inner Strength Master, so he probably wouldn’t encounter any big problems. Therefore, Qin Yu didn’t think too much about it.

He slept until dawn.

The next morning, Mr. Ding asked someone to send over a batch of herbs.

In the next few days, Qin Yu spent almost all his time refining herbs.

“D*mn, it’s really difficult to completely control the spiritual fire.” Qin Yu looked at the burned herbs in front of him and couldn’t help but feel a little annoyed.

In the past few days, Qin Yu had tried countless times, but he always failed to control the fire properly. If he was even just a little careless, the herbs would be burned to ashes.

However, there was no shortcut to this. He could only rely on time to improve his experience.

Five days passed in the blink of an eye.

There were only two days left until the Chinese Medicine Conference.

Early in the morning, Mr. Yang arrived at Qin Yu’s door.

He stood in front of Qin Yu and said politely, “Mr. Qin, I have already arranged the work in the factory. Do you think we should set off?”

Qin Yu said in surprise, “This early?”

Mr. Yang forced a smile and said, “We still have to register in advance and go through the relevant procedures.”

Qin Yu thought for a moment and said, “Alright, please wait a moment. I’ll pack up.”

After half an hour, Qin Yu brought some personal belongings with him and set off for the provincial capital with Mr. Yang.

Chinese medicine had declined over the years. It wasn't an exaggeration to say that the influence of Chinese medicine couldn't be compared to that of modern medicine.

Of course, no one could be blamed for this. The main reason was that too many swindlers were using traditional Chinese medicine as a ruse to swindle people, so no one was willing to believe in traditional Chinese medicine anymore.

After driving for a long time, they finally arrived at the provincial capital.

This was the second time Qin Yu had come to the provincial capital, so Qin Yu was familiar with the area.

Mr. Yang brought Qin Yu all the way to the venue of the traditional Chinese Medicine Conference.

"This is the venue of the Chinese Medicine Conference," Mr. Yang said as he pointed at the huge stadium in front of him.

Qin Yu nodded and said, "It doesn't look like there are many people."

Mr. Yang forced a smile and said, "In a normal city, there are at most two or three people participating in the competition. In Jiangcheng, for so many years, I was the only one who participated."

Qin Yu couldn't help but sigh. It wasn't easy for Mr. Yang to remain dedicated for so many years.

"Let's go in and register. I've already submitted the relevant information," Mr. Yang said.

Qin Yu nodded and followed Mr. Yang into the venue.

The registration area was a huge office. The interior decoration was extremely magnificent, and the person in charge of the examination was the provincial capital's Chinese Medicine Association.

Qin Yu followed Mr. Yang into the office.

He saw four to five old men signing up in the office.

When they saw Mr. Yang, they teased him, "Mr. Yang, you're here to sign up again."

"This must be your thirteenth time participating in the competition, right? This time, work harder. Don't be the last one."

"That's right. You lose every year, yet you still don't give up. I really admire your enthusiasm despite repeated failure.."

Chapter 150: I' m Guaranteed a Spot in the Finals

Mr. Yang didn't feel awkward in the face of everyone's ridicule. He only said politely, "I'm not participating this time. It's Mr. Qin who's participating."

After saying that, Mr. Yang looked at Qin Yu.

The group of old men couldn't help but laugh when they saw this.

"Mr. Yang, is there no one else in Jiangcheng? You found a little kid to participate."

"That's right. Alchemy is all about experience. What can a kid like him do?"

Mr. Yang's expression was a little awkward, but he didn't say anything.

It was obvious that he was already used to everyone's ridicule.

“Mr. Yang, it’s okay. These people aren’t worth mentioning at all.” Qin Yu smiled and comforted him.

Although his voice wasn’t loud, it reached everyone’s ears.

This group of old men immediately flew into a rage and berated, “Brat, we are your elders after all. How dare you talk to your elders like this!?”

Qin Yu glanced at them, then said indifferently, “There are always people who like to use their age to oppress others. Does being old mean you’re always right? Does being old give you the right to spout nonsense? If you have morals, I respect you. If you have no morals, I’m sorry, but you’re nothing in my eyes.”

These words made everyone blush.

“From your words, I know that you don’t have any real ability!” Someone snorted coldly.

Qin Yu sneered and said, “Old fart, right back at you.”

“You!” The few of them were so angry that their expressions turned ashen, but they had nothing to say.

“Don’t lower yourself to their level,” Mr. Yang said to Qin Yu in a low voice.

Although that was the case, it was obvious that Mr. Yang felt extremely satisfied.

He had been ridiculed by these people for many years. Now that Qin Yu was able to help him fight back, how could Mr. Yang not be happy?

Then, Mr. Yang brought Qin Yu to find a place to sit down and wait for the people from the Chinese Medical Association to arrive.

Qin Yu looked around and couldn't help but frown.

This place was usually deserted, but the decorations were extremely luxurious. This made Qin Yu somewhat suspicious.

Was the decline of Chinese medicine related to these people?

“These people are all here to amass money. They only care about profiting. How can they care about anything else?” Mr. Yang seemed to notice Qin Yu's doubts and said from the side.

Qin Yu nodded slightly and couldn't help but sigh inside. The moral degeneration of the world was getting worse day by day.

The group of people waited for two whole hours, but the people from the Chinese Medical Association still didn't appear.

Qin Yu looked at his watch. It was already four o'clock in the afternoon.

“Didn't they say that the registration time starts at two o'clock? They're already two hours late,” Qin Yu muttered.

Mr. Yang forced a smile and said, “Get used to it. These people are very arrogant.”

As he spoke, the door opened.

Then, a young man walk in from outside.

He reeked of alcohol and walked unsteadily. It was obvious that he had drunk too much.

When they saw this young man, the few old men hurriedly stood up and bowed. “Mr. Zhong, you're here.”

The young man who was called Mr. Zhong didn't pay any attention to them. He sauntered over to the sofa and sat down.

Then, he said with some annoyance, "The form is on the table. Take it and fill it out yourselves."

"Alright, Mr. Zhong!" The few old men eagerly took the form and began to fill it out.

Seeing this, Qin Yu couldn't help but sneer.

Mr. Zhong wasn't even as old as Qin Yu, but these old men were full of respect for him. They didn't care about his age at all. Such double standards.

"Let's go get the form too," Mr. Yang said to Qin Yu.

Qin Yu nodded. His original intention was to get hundred-year-old herbs, so he was too lazy to argue with these people.

After taking the form, Qin Yu quickly filled out his information and put it on the table.

"Is this enough?" Qin Yu asked Mr. Yang.

Mr. Yang nodded and said, "Yes, let's go."

Qin Yu nodded and turned to leave.

Just as he reached the door, the door was opened.

Then, he saw Zhou Tong standing outside the door.

When he saw Zhou Tong, Qin Yu was stunned.

Zhou Tong stayed where he was as he sized up Qin Yu and sneered.
“What are you doing here?”

Qin Yu opened his mouth, but before he could answer, Zhou Tong suddenly understood. “I know. You’re here to participate in the Chinese Medicine Conference, right?”

“Mr. Zhou, do you know Qin Yu?” Mr. Yang asked from the side.

Zhou Tong sneered. “I know him. Not only do I know him, but I’ve dealt with him before.”

Qin Yu frowned slightly and had a bad feeling.

As expected, Zhou Tong walked to the table, picked up Qin Yu’s application form, and glanced at it.

Then, he tore the form and threw it on the ground.

“I’m sorry, but you’re unqualified to participate in the Chinese Medicine Conference,” Zhou Tong said indifferently.

As soon as he said that, Mr. Yang immediately became anxious.

He quickly walked forward and said anxiously, “Mr. Zhou, why is Qin Yu unqualified to participate? I submitted his information before, and everyone was very satisfied with his qualifications...”

Zhou Tong took a sip of tea and said indifferently, “It’s not for any reason. It’s just because he offended me.”

His unabashed shameless attitude shocked Qin Yu somewhat.

Mr. Yang’s expression suddenly changed, and he stood there in confusion.

Zhou Tong walked in front of Qin Yu and sneered. “Qin Yu, do you still remember what I told you? Sooner or later, you will have to beg me!”

After saying that, Zhou Tong put his hands behind his back and said proudly, “If you beg me, I might be able to show mercy and let you participate in the Chinese Medical Conference.”

“Beg you?” Qin Yu raised his eyebrows. “Who do you think you are?”

Zhou Tong’s expression couldn’t help but change. He sneered. “You’re really stubborn! In that case, you can get lost. We don’t welcome you in the Chinese Medical Conference!”

The few old men also shouted one after another, “Serves him right! This kind of person shouldn’t be allowed to participate!”

“Hurry up and scram, little b*stard!”

Facing everyone’s curses, Qin Yu remained silent.

Mr. Yang was extremely anxious. He hurriedly walked in front of Zhou Tong and said with a pleading tone, “Mr. Zhou, what exactly is going on? Qin Yu is still young. Don’t lower yourself to his level...”

“Hehe, as long as he is willing to beg me, I can consider it. It’s just that he isn’t willing.” Zhou Tong sneered.

Mr. Yang was extremely anxious. He walked back to Qin Yu’s side and whispered, “We have no choice but to do what they ask. Qin Yu, why don’t you apologize to him...”

“Apologize to him? Why should I apologize to a sh *thead?” Qin Yu sneered.

“You heard him, right?” Zhou Tong sneered. “Hurry up and get lost!”

Qin Yu snorted and turned to leave.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that the caller was Yu Jing.

Qin Yu picked up the phone and said, "Mr. Yu, what's wrong?"

On the other end, Yu Jing said with some excitement, "Mr. Qin, do you still remember what the Deputy Chief said last time? He said that he could get you a spot to send you to the finals. Now, the spot has been given to you. Where are you? I'll send it to you!"

When he heard this, Qin Yu immediately smiled.

He told Yu Jin the address and then hung up the phone.

Zhou Tong looked at Qin Yu coldly and said, "Why? Have you thought it through?"

Qin Yu shook his head and said with a nonchalant smile, "I'm sorry, I don't need to ask you, because I'm guaranteed a spot in the finals.."

Chapter 151: The Furious Zhou Tong

After hearing Qin Yu's words, Zhou Tong couldn't help but burst into laughter.

The surrounding old men also had mocking expressions on their faces. The way they looked at Qin Yu was as if they were looking at a clown.

"Guaranteed a spot in the finals? I've never even heard of such a thing."
Zhou Tong took a sip of tea.

"That's right, he can't even brag convincingly."

“At such a young age, it’s fine if you don’t have any abilities, but you’re actually full of lies. Mr. Yang, is this the person you’re vouching for?”

Hearing their words, Qin Yu sneered again and again.

“Whether I’m guaranteed a spot or not, we’ll know the result immediately.” Qin Yu pulled Mr. Yang and found a place to sit down.

Zhou Tong sneered and said, “You’re planning to stay here without leaving, right? Even if there is a spot guaranteed, it has to pass through me, the president.”

“Even I, the president, don’t know about this. How did you get the guarantee?” Zhou Tong asked with mockery.

Qin Yu glanced at him and said, “There are some things that don’t need to go through you.”

Zhou Tong laughed and said, “You really know how to brag. Okay, I’ll wait and see!”

After saying that, Zhou Tong slammed the teacup on the table.

Qin Yu wasn’t anxious. He closed his eyes and quietly waited.

“Mr. Qin, did you really get a guaranteed spot in the finals?” Mr. Yang said with some worry.

Qin Yu smiled and said, “Mr. Yang, don’t worry. I never brag.”

“That’s good, that’s good.” Mr. Yang patted his chest. It could be seen that Mr. Yang attached great importance to this Chinese Medicine Conference.

Qin Yu closed his eyes and tried to sense the aura of the internal qi around him.

Unfortunately, Qin Yu didn't feel any spiritual energy in the Chinese Medicine Association.

“Does the Chinese Medicine Association not even have any herbs?” Qin Yu frowned.

What was this so-called Chinese Medicine Association for? What was the point of it?

Time passed by minute by minute, and in the blink of an eye, it was already five o'clock.

The sun was setting, and the sky began to darken a little.

Zhou Tong yawned and said, “Qin Yu, it's almost dark, and your guaranteed spot hasn't arrived yet. Don't waste our precious time.”

Qin Yu glanced at him and sneered. “The sky turned dark so quickly because you came too late. Did the higher-ups give you bunch of good-for-nothings money just to have fun?”

Zhou Tong's expression changed and he immediately said angrily, “Who are you calling a good-for-nothing?!”

“Whoever answers.” Qin Yu said indifferently.

“Well, you have completely offended me!” Zhou Tong said angrily.

“No matter who comes, you can forget about participating in this Chinese Medicine Conference!” Zhou Tong said coldly.

As soon as he said that, the office door was suddenly opened.

Then, Yu Jin quickly walked towards Qin Yu.

“Mr. Qin, why didn’t you tell me you came to the provincial capital?” Yu Jin said with a smile.

Qin Yu stood up and said politely, “Officer Yu, I just arrived too.”

Yu Jin smiled and said, “Alright, this Chinese Medicine Conference is about to start, right? Contact me when you’re done.”

Qin Yu nodded and said, “Okay.”

After saying that, Yu Jin took out a document from his bag and handed it to Qin Yu.

“This is to be sent to the Chinese Medicine Conference. You can enter the finals,” Yu Jin said with a smile.

“Hehe, here comes another braggart,” Zhou Tong couldn’t help but sneer.

Yu Jin frowned slightly. He turned to look at Zhou Tong and said, “What do you mean?”

“What do you mean?” Zhou Tong sneered.

“I’m the President of the Chinese Medical Association. How come I don’t know about the guaranteed spot? Aren’t you bragging?” Zhou Tong sneered.

Yu Jin suddenly understood and then explained, “You’re the President, right? It’s like this. This guaranteed spot is issued by the sponsor. Didn’t they tell you?”

“Sponsor?” Zhou Tong was stunned.

“Isn’t the sponsor the Department of Commerce?” Zhou Tong said with some confusion.

“Yes, it’s issued by the Department of Commerce.” Yu Jin took the document and handed it to Zhou Tong.

Zhou Tong opened it and took a look. As expected, there was a stamp of the Department of Commerce on it.

“How is that possible?!” Zhou Tong’s expression suddenly became extremely ugly. He held this document tightly while wishing that he could tear this document into pieces!

However, all these years, the Chinese Medical Association was sponsored by the Department of Commerce. All the funds came from the Department of Commerce. Speaking of which, the Department of Commerce was Zhou Tong’s immediate superior!

He could only suppress his anger and he didn’t dare to flip out.

“If there’s nothing else, I’ll be leaving first,” Yu Jin said to Qin Yu.

Qin Yu nodded and said, “Sorry to trouble you, Officer Yu.”

“It’s no trouble.” Yu Jin smiled and said, “I look forward to seeing you get a good result.”

After Yu Jin left, Qin Yu glanced at Zhou Tong and said with a nonchalant smile, “It seems that I don’t need to ask you for me to participate in the finals.”

Zhou Tong gritted his teeth and said, “Qin Yu, don’t be arrogant too early. This is the provincial capital, my territory. You better be careful!”

Qin Yu sneered. “Your territory? Who do you think you are? If you have any tricks up your sleeve, feel free to use it. But I have to remind you that people who offend me usually don’t have a good ending.”

After saying this, Qin Yu turned around and left with Mr. Yang.

Zhou Tong was so angry that he wanted to smash the table!

“What’s there to be arrogant about? Isn’t he just someone who relied on his connections to enter the finals?”

“That’s right. During the finals, his true colors will definitely be revealed.”

“President Zhou, please calm down. There’s no need to lower yourself to his level.”

Zhou Tong didn’t say anything, but viciousness rose in his heart.

As the President of the Chinese Medical Association, he naturally had a wide network of connections.

Wealthy people were quite close to famous doctors.

The people Zhou Tong knew extended to almost every industry.

“Just you wait!” Zhou Tong narrowed his eyes and muttered in a low voice.

...

Qin Yu and Mr. Yang returned to their residence. On the way, Mr. Yang seemed to be in high spirits.

“Mr. Qin, you really helped me get payback this time!” Mr. Yang said angrily.

Qin Yu smiled and said, “It’s just that I don’t know if there’s a chance to beat those old rascals.”

“There’s absolutely no problem!” Mr. Yang patted his chest and said.

“With your skills, it won’t be a problem to beat them.”

Qin Yu shook his head and said, “That’s not what I mean. I’m just afraid that they won’t be able to make it to the finals.”

Qin Yu also had some anticipation in his heart.

He wanted to find out how capable these so-called experts were.

At night, Qin Yu laid on the bed with his eyes closed.

Countless pill formulas flashed through his mind, and these pill formulas all came from cultivation methods. Any one of these pill formulas was enough to shock the world.

Qin Yu eventually chose a pill.

“If I can successfully refine this pill, it should be easy for me to become the champion with this pill,” Qin Yu thought to himself..

Chapter 152: Wei Ming’s Plea for Peace

The next day, Qin Yu didn’t go out.

He sat in the hotel with his eyes closed while comprehending the cultivation method in his mind.

In addition to looking at the realm, the cultivation method was also an extremely important factor that determined strength.

A top-grade cultivation method could even allow an ordinary person to advance to the next level.

There were countless cultivation methods in Qin Yu's inheritance. Any random one was enough to shock the world.

On the other side, Zhou Tong was sitting at home and sulking.

When he thought of Qin Yu's arrogant expression, he felt enraged.

"Enough. It's just a small matter. Why are you so angry?" A beautiful woman beside him advised in a soft voice.

Zhou Tong glanced at her and berated coldly, "What do you know?! I, Zhou Tong, am a reputable person. In the entire provincial capital, who wouldn't show me some respect?"

"He, Qin Yu, is just a country bumpkin from the countryside. How dare he be so disrespectful to me and even speak so rudely?!" The more Zhou Tong thought about it, the angrier he got. He waved his arm and threw all the things on the table to the ground.

The beautiful woman at the side didn't dare to say anything when she saw this. She could only sigh.

Zhou Tong sneered and said, "It's wrong for young people to be arrogant and defiant. If I, Zhou Tong, don't teach him a lesson, I won't be called Zhou Tong!"

Thinking of this, Zhou Tong said to the beautiful woman, "Go and bring me my precious Ganoderma."

"What do you want to do?" The beautiful woman frowned, as if she was a little worried.

Zhou Tong said impatiently, “Do whatever I tell you to do. Why do you have to ask so many questions?!”

The beautiful woman forced a smile and could only turn around to return to her room and take out the Ganoderma.

After Zhou Tong took the Ganoderma, he turned around and was about to leave.

“Zhou Tong, forget it. You have to try to forgive people.” The beautiful woman grabbed Zhou Tong’s arm and said softly.

Zhou Tong sneered. “Why did I work so hard to climb to a high position? It was to make these people at the bottom respect me! Otherwise, what’s the point of me working hard for most of my life?”

After saying this, Zhou Tong turned around and left.

Although Zhou Tong wasn’t a good person, he did have some medicine skills. Therefore, he had accumulated countless connections over the years.

In the martial arts world, many people owed Zhou Tong a favor, so Zhou Tong was full of confidence.

In a private manor.

This manor occupied an extremely large area and was obviously the home of a wealthy family.

At this time, in the manor, Zhou Tong was sitting upright with a smile on his face.

“Mr. Hong, you must help me with this matter,” Zhou Tong said courteously.

The man called Mr. Hong fumbled around with a necklace. He sized up Zhou Tong and slowly said, “Mr. Zhou, I should help you with this matter, but I heard that Qin Yu isn’t someone to be trifled with. Even the Liu family has admitted defeat.”

Zhou Tong smiled embarrassedly and said, “If he was easy to deal with, I wouldn’t have come to look for you. Besides, the Liu family is nothing compared to you.”

Mr. Hong said with a nonchalant smile, “You don’t have to flatter me. I’m afraid I can’t help you with this.”

Zhou Tong’s expression changed. He gritted his teeth and took out the Ganoderma from his pocket.

“Mr. Hong, haven’t you always wanted this Ganoderma? As long as you’re willing to help, I’ll give this Ganoderma to you!” Zhou Tong said with some distress

Seeing this Ganoderma, Mr. Hong’s eyes suddenly lit up, and he stood up quickly!

“Are you serious?” Mr. Hong stared at the Ganoderma and said.

Zhou Tong gritted his teeth and said, “Absolutely!”

Mr. Hong laughed and said, “Good, good. What do you want me to do?”

Zhou Tong said with viciousness, “It would be best if you could kill him. Even if you can’t, you must make sure that he can’t attend the Chinese Medicine Conference!”

...

Qin Yu only opened his eyes after an entire day.

Mr. Yang stood at the side and didn't dare to say anything.

In the evening, Qin Yu opened his eyes and looked at Mr. Yang.

"Mr. Qin, you're awake." Mr. Yang served Qin Yu a cup of hot tea.

After Qin Yu thanked him, he took a sip of the hot tea.

"Mr. Yang, do you know of any relatively famous places in the provincial capital? Such as auctions or Jiangcheng's medicinal herbs street?" Qin Yu asked.

Mr. Yang thought for a moment and said, "Yes, are you interested, Mr. Qin?"

Qin Yu nodded and said, "Yes."

Since it was the provincial capital of Chuzhou, the resources here far exceeded those of Jiangcheng. Qin Yu wouldn't miss such an opportunity.

Therefore, Mr. Yang also left the hotel and took a taxi to a place called Yunsheng Street.

On the way, Mr. Yang and Qin Yu explained, "Yunsheng Street is a gathering place for miscellaneous things. Not only are there herbs, but there are also antiques, calligraphy, and paintings."

Qin Yu nodded. For a big city, this seemed to be very common.

Soon, the two of them arrived at Yunsheng Street.

As far as the eye could see, Yunsheng Street was filled with people, but most of them were young people.

These young people had different purposes from Qin Yu. Most of them were couples who came to take photos, or join in the fun.

Qin Yu tried to release his internal qi and sense his surroundings.

Unfortunately, there were very few martial artists here. This made Qin Yu feel a little disappointed.

This meant that the herbs in Yunsheng Street were probably very common. Otherwise, it would attract a large number of martial artists or pharmacists.

“Let’s go in and have a look,” Qin Yu waved his hand and said.

Then, Qin Yu and Mr. Yang walked into Yunsheng Street.

There were small stalls around Yunsheng Street. Just as Mr. Yang said, there were all kinds of strange things here.

Qin Yu and Mr. Yang looked for a few herb stalls, but they didn’t find any herbs worth buying.

“It seems that this place isn’t that good.” Qin Yu frowned and said.

“Rather than saying that it is a street of herbs, it is more like a tourist attraction.” Qin Yu looked around and whispered.

Mr. Yang forced a smile and said, “I’m really sorry. Based on my understanding of the provincial capital, I only know the Yunsheng Street.”

As he was speaking, Qin Yu suddenly found a familiar person.

This person was none other than Shen Tian’s good friend, Wei Ming.

The moment Qin Yu saw Wei Ming, Wei Ming also noticed Qin Yu’s gaze.

He frowned, and his expression seemed to be somewhat conflicted.

A moment later, Wei Ming actually took the initiative to walk towards Qin Yu.

This surprised Qin Yu. He turned to look at Mr. Yang and said, “Mr. Yang, stay close to me.”

Mr. Yang was stunned. Although he didn’t understand, he still stood beside Qin Yu obediently.

Soon, Wei Ming walked in front of Qin Yu.

The two of them looked at each other, and the atmosphere was a little awkward.

“What? You want to avenge Shen Tian?” Qin Yu’s internal qi was raised to the extreme.

After he felt Qin Yu’s power, Wei Ming’s heart thumped again!

He could clearly feel that Qin Yu’s strength was several times stronger than when he was in South City!

Wei Ming took a deep breath, cupped his hands and said, “Mr. Qin, don’t misunderstand. I’m just saying hello to you.”

“Oh really?” Qin Yu raised his eyebrows and couldn’t help but sneer.

“What, you don’t want to take revenge for Shen Tian?”

Wei Ming forced a smile. “Mr. Qin, you must be joking. The Shen family is already in the past. What’s the point of me taking revenge for them?”

“Moreover, Mr. Qin’s future is bright. As long as one isn’t stupid, one knows who to choose.”

Wei Ming was honest. Indeed, it definitely wasn't a wise choice to offend Qin Yu for a person who was already worthless.

"Then why did you come to me?" Qin Yu said with a nonchalant smile.

Wei Ming said, "I just want to be friends with Mr. Qin.."

Chapter 153: Veteran Inner Strength Past Master!

Qin Yu didn't say anything. He didn't know Wei Ming at all.

Moreover, making friends wasn't something that could be done with just a few words.

Wei Ming seemed to have seen through Qin Yu's thoughts, so he changed the topic and said, "Mr. Qin, are you here to have fun? I'm very familiar with this place. Why don't I bring you around?"

Qin Yu glanced at him and nodded. "Okay, then I'll have to trouble you."

Then, Wei Ming brought Qin Yu around the area and almost introduced all the stalls around them.

Unfortunately, none of these were what Qin Yu wanted.

"Are there any herbs here?" Qin Yu asked.

Wei Ming froze, then he smiled and said, "There are, but most of the herbs here are used to swindle those rich people."

"In other words, most of the herbs here are used to swindle those rich people from other places. They can't discern good quality herbs from bad quality herbs anyway."

After listening to Wei Ming's explanation, Mr. Yang couldn't help but feel a little embarrassed.

“Mr. Qin, if you want to find herbs, I’ll take you to a place when I have the chance,” Wei Ming said with a smile.

Qin Yu nodded slightly and said, “Okay, thank you.”

Since there were no herbs, there was no need for Qin Yu to stay.

Moreover, he had to attend the Chinese Medical Conference tomorrow, so he had to have a good rest.

Just as Qin Yu was about to leave, Qin Yu suddenly felt an extremely strong internal qi around him.

The fluctuation of this internal qi was almost the strongest one Qin Yu had ever seen other than on Yan Jiang!

Not only that, but his body was filled with killing intent as he approached Qin Yu!

Wei Ming seemed to have also noticed this overwhelming aura and couldn’t help but blurt out, “Inner Strength Past Master?”

Qin Yu frowned slightly and looked around vigilantly.

Not long after, he saw a man slowly walking over from not far away.

“You’re Qin Yu?” This person looked to be around fifty years old, but the muscles on his body didn’t show any signs of aging.

Qin Yu looked at him coldly and said, “Who are you? I don’t think I know you.”

“Someone told me to take your life,” the man said indifferently with his hands behind his back.

Qin Yu's expression turned cold. Just as he was about to speak, Wei Ming suddenly exclaimed, "Hong... Hong Wu?"

"Hong Wu?" Qin Yu frowned and looked at Wei Ming.

Wei Ming's expression turned serious. He took a deep breath and explained, "His name is Hong Wu. He is an old Inner Strength Past Master and is well-known in South City. Almost everyone knows him."

Wei Ming paused and continued, "Mr. Qin, how did you offend such a person?"

Qin Yu frowned and said, "I don't know him at all."

"Do you want to come with me, or do you want me to kill you and then take you away?" Hong Wu said with his hands behind his back.

"Mr. Hong!" At this moment, Wei Ming stepped forward and cupped his hands toward Hong Wu.

Hong Wu looked at Wei Ming and frowned. "Are you... that kid from the Wei family?"

Wei Ming quickly said, "Greetings, Mr. Hong."

Hong Wu nodded slightly and said, "Alright, this had nothing to do with you. You should leave quickly so that you won't be hurt."

Upon hearing Hong Wu's words, Wei Ming gritted his teeth and stepped forward. He cupped his hands and said, "Mr. Hong, Qin Yu is my friend. I don't know if he has offended you in any way, but please let him go on account of me."

Hong Wu froze. Then, he frowned and shook his head. "No."

“Mr. Hong, I . . .” Wei Ming wanted to say something, but Hong Wu waved his hand and berated him, “I said no!”

His voice was deep and sonorous. It contained boundless Inner Strength, and it was so loud that it hurt people’s eardrums.

Wei Ming frowned slightly and stood there without knowing what to do.

“Okay, don’t worry about it.” At this moment, Qin Yu suddenly waved his hand.

“You and I have only just met. Moreover, I’m someone who lives on a high wire. I might die tomorrow. I believe you won’t be so stupid to offend Hong Wu for such a person,” Qin Yu said nonchalantly.

Wei Ming froze, then he said apologetically, “Mr. Qin, I’m really sorry.”

Qin Yu nodded slightly, but he didn’t really mind.

After all, he and Wei Ming had only met by chance, so there was no reason for him to help.

Just as Wei Ming was about to leave, Qin Yu shouted, “Young Master Wei, do me a favor.”

Wei Ming stopped in his tracks, and his expression seemed a little nervous.

Qin Yu smiled and said, “Don’t worry. I just want you to take Mr. Yang with you.”

“Mr. Qin, I...” Mr. Yang wanted to say something, but Qin Yu waved his hand and interrupted him.

Wei Ming gritted his teeth, turned around, and dragged Mr. Yang away.

It wasn't until Mr. Yang was far away that Qin Yu looked at Hong Wu.

Hong Wu put his hands behind his back with indifference.

Obviously, he didn't take Qin Yu seriously at all.

“Zhou Tong sent you here?” Qin Yu suddenly asked.

Hong Wu shook his head and said, “Do you think I will tell you?”

Qin Yu said with a nonchalant smile, “I'm about to die anyway, so what's the harm in telling me? Are you afraid that you're no match for me?”

Hong Wu couldn't help but laugh and said, “I know that you're quite capable. You defeated the Liu family and defeated Tao Shan, but unfortunately, you have no chance of winning against me.”

Qin Yu looked at Hong Wu and found that he was a stage three Inner Strength Past Master!

Although he was only two levels higher than the man with the scarred face, there was a huge difference in strength!

“I'll ask you one last time. Are you coming with me or should I take you with me?” Hong Wu asked coldly.

Qin Yu sneered and said, “You'll have to see if you have the ability to take me with you.”

“You're courting death.” Hong Wu's expression turned cold. He took a step forward, and the terrifying qi energy immediately pressed toward Qin Yu!

This qi energy was extremely powerful, and it even created a hurricane! Even the surrounding stalls were overturned instantly!

Faced with this terrifying pressure, Qin Yu still had his hands behind his back, and wasn't anxious at all.

“You are quite impressive.” Hong Wu sneered. Suddenly, his feet shook, and this terrifying qi energy became even more powerful!

In an instant, Qin Yu felt as if two mountains were pressing down on his shoulders!

The people around him were also affected, and those who were close to him even vomited blood!

Qin Yu frowned slightly and couldn't help but lament to himself, “As expected of a veteran Inner Strength Past Master. He is indeed terrifying.”

Hong Wu walked towards Qin Yu step by step. His steps appeared extremely light, but there was also terrifying qi energy in them.

This showed that Hong Wu had mastered the release of Inner Strength!

“Die!” At this moment, Hong Wu suddenly shouted angrily.. He clenched his fist, and the dense qi energy smashed towards Qin Yu with the strong wind generated from his punch!

Chapter 154: Face the Battle!

Before the fist arrived, he already felt the wind generated from the punch!

This terrifying Inner Strength was like a mountain that could topple the seas as it rushed towards Qin Yu!

A serious expression flashed across Qin Yu's face. Strictly speaking, Qin Yu was only an Inner Strength Master Hands, and there was a huge difference between him and a Inner Strength Past Master.

Therefore, one could imagine the pressure when an Inner Strength Master Hands was against an experienced Inner Strength Past Master!

Qin Yu clenched his fist and charged forward.

The terrifying collision shook the surrounding dust into the air!

The peddlers, afraid that they would be caught in the crossfire, hurriedly retreated into the distance!

As the dust fell, Qin Yu's fist was wrapped in a light blue light.

Under the darkness, this light looked somewhat demonic.

“Oh really?” Hong Wu raised his eyebrows.

“A mere Inner Strength Master Hands can withstand my punch?” Hong Wu was shocked.

Qin Yu became more and more heavy-hearted. If this punch wasn't wrapped by spiritual power, his bones would have been shattered!

“You're a genius to be able to fight with me despite such a big gap,” Hong Wu said with a nonchalant smile.

“In that case, I have to kill you. Otherwise, how could you let me go after you've advanced?” A fierce look flashed across Hong Wu's expression.

Qin Yu looked at Hong Wu coldly and said, “I'm afraid you don't have the ability to kill me!”

“How arrogant! I can kill you with just a raise of my hand!” Hong Wu roared and swung his fist again!

The strength of this punch increased by several degrees. Qin Yu's expression changed. He wanted to dodge, but there was nowhere to hide because Hong Wu was too fast!

Boom!

With this punch, the spiritual power wrapped in Qin Yu's hand was shattered!

"How powerful." Qin Yu frowned, and he was even more shocked.

Such a big commotion instantly attracted countless gazes.

"There are people fighting over there. Should we call the police?"

"Yeah right. They're obviously filming a movie. Can't you see the light on their bodies?"

"That's true, but why can't I see the cameras?"

"The cameras are all invisible these days. That's why they're so realistic."

The group of people discussed animatedly, but some of them recognized Hong Wu.

"That guy is Hong Wu? The old Inner Strength Past Master who's been famous for many years?"

"He hasn't fought for many years. Why would he fight in public today?"

"Who is that young man? How could he withstand two punches from Hong Wu?"

These people took out their cell phones, as if they didn't want to miss this scene.

Qin Yu panted and looked at Hong Wu vigilantly.

“You can withstand two punches from me, but what about the third punch?” Hong Wu asked with a flippant tone.

Qin Yu took a deep breath and said, “Hong Wu, if you turn around and leave now, I’ll owe you a favor.”

Hong Wu laughed and said, “Do I need a favor from you?”

“Are you really not leaving?” Qin Yu frowned and seemed to be in a dilemma.

Hong Wu sneered and said, “What do you think? You must die here today.”

When he heard this, Qin Yu’s expression gradually turned cold.

“Then there’s nothing I can do.” Qin Yu took a deep breath. His body suddenly shook, and his internal qi was raised to the maximum.

Hong Wu said nonchalantly, “If you know what’s good for you, you can come with me now. Maybe you’ll suffer less.”

Qin Yu said coldly, “Now that things have come to this, I can only try my best to kill you.”

“Kill me? Hahaha, you’re dreaming!” Hong Wu shouted angrily.

“You’re just a child who is too big for your britches. Today, I’ll let you know what an Inner Strength Past Master is all about!”

With that, Hong Wu clenched his fist again and charged towards Qin Yu!

This time, Qin Yu didn’t wait. A gust of wind appeared under his feet, and he retreated swiftly.

“You want to run?” Hong Wu narrowed his eyes and immediately chased after Qin Yu!

Qin Yu knew that he couldn't escape like this, so he condensed the spiritual essence in his body into his fist and seized the opportunity to charge towards Hong Wu!

Hong Wu snorted and said, “You actually dare to attack me? You're courting death!”

After saying that, Hong Wu casually raised his palm and met him face-on.

In his eyes, Qin Yu was only an Inner Strength Master Hands. An attack of this level couldn't even break through his defense.

However, when Qin Yu's fist approached, Hong Wu's expression suddenly changed!

This terrifying momentum made him feel danger!

He even wondered if this was really an attack from an Inner Strength Master Hands?

“How is this possible?!” Hong Wu had no other choice but to brace himself and face the attack.

Boom

Under this punch, Hong Wu's expression changed drastically!

He felt as if his fist had been hit by a train. Then, the bones in his hand bent backward with a crisp crack!

“Ah!”

He felt excruciating pain!

This was Hong Wu's first feeling!

He took a few steps back, and his right fist revealed a ghastly white bone. It was extremely horrifying!

The onlookers in the distance were even more dumbfounded.

Hong Wu's wrist was broken? How could this be?

"Who is that young man? How could he manage to hurt Hong Wu?"

"I remember now. He is the famous Qin Yu!"

Not far away, Qin Yu panted, and a drop of sweat dripped down his forehead.

"I only broke his wrist with my full strength." Qin Yu's expression became more and more serious.

Hong Wu, who wasn't far away, was even more furious!

He held his wrist and roared, "You broke my wrist? I'm going to cut you into a thousand pieces!"

Looking at the furious Hong Wu, the onlookers stepped back again!

"Hong Wu is going crazy. I'm afraid this kid is doomed," someone whispered.

At this moment, Hong Wu's right hand had been broken. He could only clench his left fist and pour all of his Inner Strength into his left fist.

"I'm going to kill you!" Hong Wu shouted and punched towards Qin Yu with all his might!

A long stream of Inner Strength condensed in his fist. With a buzzing sound, the Inner Strength was like a long dragon!

This punch was so powerful that even Qin Yu's expression changed drastically!

However, Qin Yu had no other choice but to face it with all his strength.

“Ah!!” Qin Yu raised his head and roared. Then, he raised both of his fists to face the punch.

The moment they collided, sand and stones flew into the air! Countless pieces of dust were stirred up and blocked everyone's sight!

This was Hong Wu's trump card, so he was very confident.

Even though he only used his left hand, which reduced his power greatly, it was easy for him to deal with an Inner Strength Master Hands.

“As expected, geniuses always die young.”

“What a pity.”

The people around shook their heads and prepared to leave.

However, at this moment, a person suddenly emerged from the dust!

This person was none other than Qin Yu!

His internal qi seemed to have increased again, and his entire body was enveloped by a faint golden hue. At a glance, he looked golden in color!

“How is this possible?!” Hong Wu's expression changed drastically, and he hurriedly crossed his arms in front of him to defend himself!

“Dang! Dang! Dang!” Qin Yu punched Hong Wu repeatedly.. Hong Wu felt his arms go numb, and his body kept retreating!
