Chapter 249: Chapter 249, the Martial Grandmaster realm!

Qin Yu's words couldn't help but make people feel a little confused.

Wasn't the aura he displayed a master of Internal Qi? Could it be that he was hiding his strength?

"Stop pretending, Qin Yu. Are you trying to scare us?" Someone said coldly.

"Remember, no matter how strong you are, you are only a master of internal Qi. There is a limit to your strength."

"It is already your limit that you can cross ranks and fight. You want to challenge so many of us? Only death awaits you!"

Faced with the ridicule of the crowd, Qin Yu could not help but raise his head and laugh.

"Hahahaha!" Qin Yu's smile looked a little crazy!

"So many people want to kill me. I am truly honored." Qin Yu coldly glanced at the crowd.

"All of you, come at me together. I, Qin Yu, have nothing to fear!" A loud roar sounded!

Following that, one could see Qin Yu's internal Qi rising rapidly!

His strength had jumped from an internal Qi master to a Grandmaster!

His monstrous power even caused the surroundings to rumble!

The terrifying pressure caused the hearts of the crowd to be filled with fear!

“This Qin Yu has indeed concealed his strength.” Someone muttered in the dark.

Duan Shi, Jing Lu, and the others frowned.

This Qin Yu was actually a Grandmaster?

Just as everyone was feeling uneasy, Han Yilong sneered, “So what if he’s a Grandmaster? Do you think a grandmaster like you can fight against so many of us?”

Qin Yu narrowed his eyes and looked at Han Yilong, sneering, “Is that so? How about this?”

As soon as he finished speaking, Qin Yu’s strength rose again!

From grandmaster realm, he directly became a martial grandmaster!

Martial grandmaster 1-grade, martial grandmaster 2-grade, martial grandmaster 3-grade...

Qin Yu actually directly became a martial grandmaster 3-grade from inner strength master!

Surging spiritual power surrounded Qin Yu’s body.

Countless plants in the deep forest were uprooted!

Sand and stones flew everywhere, as if the end of the world was coming!

This was the strength of a third grade martial grandmaster!

“Mr. Qin has actually stepped into the realm of a third grade martial grandmaster!” Jiang Gu was both surprised and happy!

No Wonder Qin Yu was so confident! The realm of a third grade martial grandmaster was indeed able to look down on the entire place!

“Oh No.”

Everyone’s hearts were covered with a layer of shadow.

Qin Yu, who was at the master level, was able to beat Zhang Hua. Now that he had stepped into the realm of a third grade martial grandmaster, what kind of terrifying level of strength did his strength reach?

“Young master, be careful.” Han Yilong’s followers quickly protected Han Yilong behind him.

Han Yilong gritted his teeth, extremely furious!

He never expected that Qin Yu was actually a third grade martial grandmaster!

In mid-air, Qin Yu coldly swept his gaze across this group of people.

“I said, I will kill all of you.” The corners of Qin Yu’s mouth cracked into a smile.

Below, everyone held their breath and focused. No one dared to say anything.

After feeling the surging power from Qin Yu’s body, they began to regret.

“Humph, it’s just a bluff,” Chen Meng said in a low voice.

“In that case, you go first,” Han Yilong said coldly.

Chen Meng's expression immediately changed. He said awkwardly,
"Young Master Han, I... Let's go together."

"If you don't attack, I'll kill you right now!" Han Yilong shouted angrily.

As soon as he said this, Han Yilong's two followers immediately looked at Chen Meng coldly.

Chen Meng's heart was filled with regret. If he had known earlier, he wouldn't have been able to pretend!

"Attack!" Han Yilong said angrily.

Chen Meng had no choice. He would die anyway. He could only brace himself and stand out.

"Qin Yu, we are both martial grandmasters. Don't think that I'm afraid of you. Let me tell you..."

Sou

Before Chen Meng could finish his words, Qin Yu's body vanished into thin air and appeared in front of him!

Intense pain was the only thing Chen Meng felt.

He only felt waves of warmth in his chest, as if something was flowing out.

Looking down, he saw that Qin Yu's fist had already pierced through his body.

"How... how is this possible..." Chen Meng's face was pale as he stared at his lower abdomen!

He didn't even have time to react before he died just like that?

The surrounding people were all dumbfounded.

Wasn't this speed a little too fast?

“Oh no, we've been tricked...” someone whispered.

They originally thought that Qin Yu was trapped in this deep mountain, but at this moment, they realized that they were the ones trapped!

“A martial grandmaster is only so-so,” Qin Yu said coldly.

Chen Meng's internal Qi was quickly disappearing.

His life was clearly at its end.

“If I let you die just like that, I would be at a great disadvantage,” Qin Yu laughed coldly.

After saying this, he raised his hand and slapped Chen Meng's head!

“Heaven Devouring Technique!”

Qin Yu roared angrily! The internal Qi in Chen Meng's body flowed out from Qin Yu's palm!

“Ah!!!”

This piercing pain made Chen Meng almost faint!

In less than half a second, Chen Meng's Dantian had collapsed.

His death was extremely tragic. His eyeballs bulged out and his body dried up. He was no different from a dried corpse.

Everyone's expression changed drastically! They couldn't help but retreat!

What kind of technique was this ? It actually absorbed the inner strength of others ?

“It’s really comfortable.”Qin Yu felt a wave of comfort in his body. In the eyes of others, he looked like a demon!

After that, Qin Yu looked coldly at the others.

“It’s your turn.”Qin Yu sneered.

“This kid cultivates an evil technique!”At this moment, someone shouted!

“This kind of evil technique absolutely can not be left in this world. Everyone, attack together and kill him!”

Sorcery!

Even the neutral group had ugly expressions on their faces.

Qin Yu wouldn’t kill them together, right ?

After all, those who cultivated sorcery were all vicious and vicious!

Just as they were in a dilemma, Han Yilong’s people attacked!

“Everyone, attack together and kill him!”

“Boom!”

In an instant, waves of terrifying internal Qi erupted from the scene!

This internal Qi caused even the mountains in the distance to rumble as countless rocks rolled down!

“Let’s attack together!”

Dozens of figures rushed towards Qin Yu in an instant!

Qin Yu laughed coldly as he let out an angry roar. Surging spiritual power instantly surged out like a landslide!

“You guys want to kill me? Come, what do I have to be afraid of!” Qin Yu waved his hand as surging spiritual power instantly rushed towards the crowd!

“Boom!”

This was a huge collision, and countless explosions sounded in the air!

Many kinds of lights converged in the air, and the scene was extremely chaotic!

“Young master, quickly retreat!” The servant beside Han Yilong quickly cast a spell, protecting Han Yilong within it.

But even so, Han Yilong still received the Impact!

His face turned pale, and he spat out a mouthful of blood!

“Ah!”

At this moment, someone in the air couldn't hold on any longer, and was directly sent flying!

Following that, countless people retreated repeatedly, spitting out mouthfuls of blood!

Everyone was dumbstruck, dumbstruck!

Just a single palm strike was enough to repel the combined forces of ten martial grandmasters?

What kind of strength was this? How could there be such a huge gap between two people of the same realm?

Chapter 250: Chapter 250, the law of the Jungle!

Countless evolved Jing Masters were sent flying by Qin Yu's slap. They were like kites with broken strings, swaying from side to side.

Qin Yu stood there with a cold expression. A strong killing intent lingered around his body.

No one dared to say anything. The neutral group also canceled their plans to attack.

With such a huge difference in strength, there was no way they could fight.

The faces of the grandmasters and martial grandmasters turned pale, and they were slightly regretful.

If they had known earlier, they would not have provoked Qin Yu!

Their surroundings were isolated by a barrier. Now, they could not run even if they wanted to! It was really hard to stop!

"Attack together, kill him for me!" Han Yilong shouted anxiously.

However, this time, no one listened to his orders.

"Mr. Qin, we are willing to give up the fight for the Divine Medicine. Can you let us live?" At this time, someone suddenly said.

Qin Yu glanced at him and sneered, "When you attack me, you should consider the consequences."

"Since I said I would kill all of you, then I won't let any of you live."

“Qin Yu, don’t go too far!” Someone shouted angrily.

“Go Too Far?” Qin Yu couldn’t help but find it funny.

“When you attacked me in order to lick Han Yilong’s boots, did you ever think of going too far?”

“Why? Now that you’re facing death, do you know that you’ve gone too far?”

Everyone was speechless.

“This Qin Yu already has the intention to kill. Even if we beg him, it’s useless. Why don’t we join forces and kill him together!” Someone suggested.

“This kid’s strength is beyond our imagination. Even if we join forces, we might not be his match.”

“If it really doesn’t work, we’ll just stall for time. When the barrier of the divine medicine disappears, we can leave and find an opportunity to take his life!”

This suggestion seemed to have received the approval of most people.

But if they could think of it, how could Qin Yu not think of it?

Qin Yu didn’t say anything more and walked towards them step by step.

The absolute pressure made everyone’s faces pale and they kept retreating.

“Pa!”

Very quickly, Qin Yu stretched out his hand and grabbed a person’s head! Then, the Heaven Devouring technique absorbed it!

One, two, in the blink of an eye, three of the ten martial grandmasters had died!

“If this goes on, we will all die here!” These people were terrified and extremely anxious!

At this moment, an old man stood out.

This person looked like an immortal, but there was a vicious look in his eyes.

This old man ignored everyone. He looked at Qin Yu, cupped his hands and said, “Little Friend Qin, why do you have to commit such a crime? Why Don’t you give me, Gu Jinhong, some face and stop here, how about it?”

“Gu Jinhong! ?”

Hearing this name, everyone’s faces were immediately shocked, followed by waves of Ecstasy!

“Master GU is actually here!”

“Master Gu is a famous figure in the Jiang Bei region. It’s said that he once wiped out all the families in the Jiang Bei region single-handedly!”

“With master gu around, we might be able to save Our Lives!”

“Master Gu, please kill him!”

Gu Jinhong ignored him. He looked at Qin Yu with a smile as if he was waiting for Qin Yu’s answer.

Just as Qin Yu was about to speak, Jiang Gu rushed over.

He leaned against Qin Yu's ear and whispered, "Mr. Qin, you must not provoke Gu Jinhong! He was called a genius decades ago, and his strength is even more unfathomable now!"

"Most importantly, his master is the famous Gu Taichu!"

Hearing Jiang Gu's words, Qin Yu said indifferently, "I got it. You can go back."

Jiang Gu nodded and said with some worry, "Mr. Qin, remember what I said. You must never provoke Gu Jinhong!"

Qin Yu ignored him and looked up at Gu Jinhong who was not far away.

Gu Jinhong said with a faint smile, "Mr. Qin, as long as you are willing to stop, I, Gu Jinhong, will remember your favor."

"Master Gu, Why are you talking nonsense with him! Remember his favor? Who does he think he is!"

"Hurry up and kill this kid!"

Gu Jinhong ignored him and just waited for Qin Yu's answer.

Qin Yu looked at Gu Jinhong coldly and asked with a faint smile, "Let me ask you, how do you compare with the Han Family?"

Gu Jinhong was stunned. He clearly did not expect Qin Yu to ask such a question.

After thinking for a moment, Gu Jinhong said, "Mr. Qin, you must be joking. The Han family is a top family in Jingdu. Naturally, I, Gu, can not be compared to them."

“I don’t even give face to the Han family. Why should I give face to you?”

“You also made a move just now, right?”Qin Yu said coldly.

Qin Yu’s response immediately shocked everyone.

“You really don’t know the immensity of Heaven and earth! You Don’t know what’s good for you!”

“Master Gu was kind enough to give you a chance, but you actually don’t know what’s good for you?”

Jiang Gu, who was not far away, felt a headache coming on.

F * ck, it was a waste of advice!

Gu Jinhong took a deep breath and said with a smile, “Mr. Qin, you’ve already taken advantage of us. Moreover, everyone is willing to give you the divine medicine, so why are you so aggressive? You have to forgive and forget!”

“Aggressive?”Qin Yu could not help but laugh out loud.

“If I were just an ordinary martial artist, would you have stood up and talked to me? I’m afraid you would have slapped me to death long ago!”

“Now that you know you are not my match, you want to negotiate peace?”

“Gu Jinhong, what kind of good guy are you pretending to be now? Why didn’t you say this when they wanted to kill me just now?”

The more Qin Yu spoke, the more agitated he became. He glared at Gu Jinhong and berated, “Do you need him to lecture me about such Bullsh

* t reasoning? It's nothing more than the law of the jungle. Whoever tries to stop me today will die!"

Gu Jinhong's expression gradually turned cold.

He said somewhat threateningly, "So you are determined to fight to the death?"

"I don't want to repeat myself a second time. If you want to make a move, feel free to do so," Qin Yu said coldly.

"Okay!" Gu Jinhong sneered.

"Qin Yu, don't think that you are invincible. There is always someone better than you!"

Gu Jinhong turned to look at the people behind him and shouted, "Everyone, I want to use your internal Qi to kill this guy!"

After saying that, Gu Jinhong slowly waved his hands in the air. Then, a Taiji diagram appeared in front of him!

The moment the Taiji diagram appeared, Gu Jinhong's internal Qi began to increase!

"Please lend me your internal QI for the time being!" Gu Jinhong shouted.

Along with this shout, the internal Qi of more than ten martial grandmasters instantly poured into Gu Jinhong's body like a spring!

"It's the top technique of the GU family, the Taiji seal!" Jiang Gu's face suddenly changed!

"It's said that the tai chi seal can borrow the strength of others and unleash the power of swallowing the sky!"

Even Fang Yue's expression was somewhat unsightly. Back then, Gu Jinhong had relied on this technique to kill countless martial grandmasters!

Among them, there were even several martial grandmasters whose strength was far above Gu Jinhong!

The instant the Tai Chi Seal was formed, a terrifying pressure spread out!

Countless people at the scene could not bear it any longer, and their knees fell to the ground with a Bang!

"What Bullshit Tai Chi Seal! Watch me smash it with one punch!" Qin Yu roared angrily, and golden light burst out from his entire body!

Chapter 251: Chapter 251, massacre!

Facing Gu Jinhong's attack, Qin Yu wasn't afraid at all!

He roared again and again, and the Golden Light on his body was as hot as the sun!

His fists were completely wrapped in internal QI, and the overwhelming aura made everyone's face change!

"Is... is this really the aura from Qin Yu's body?" Duan Shi's face turned green!

Even Jing Lu's face was as dark as water.

At this moment, he suddenly realized that the so-called Jiang Bei region's four great geniuses were not worth mentioning at all!

Qin Yu already had the capital to compete with the veteran martial grandmasters!

“Rumble...”

Gu Jinhong’s palm shot forward, and the Taiji seal immediately brought with it an aura of death as it pressed down on him in all directions!

Within a radius of dozens of meters, everyone was hit by the fight, and some of the weaker ones even died on the spot!

The two followers of Han Yilong hurriedly set up a protective formation. However, under this intense pressure, it suddenly exploded!

“Go to hell!”Gu Jinhong raised his head and roared!

Qin Yu’s eyes were filled with madness!

“Absolute beginning Sacred Fist!”Raising his hand, he used Qin Yu’s trump card!

The Golden Fist enveloped the world and collided with the Tai Chi Seal!

At this moment, waves of killing intent spread out in all directions like waves of water!

Countless trees were cut in half, and even the small hills in the distance exploded!

“So terrifying!”

This was what almost everyone thought in their hearts!

“Break for me!”Qin Yu roared, and the golden light on his body intensified!

His muscles bulged in an instant, and his veins were like small snakes!

Both sides were trump cards!

On one side was Qin Yu, who was in the body of chaos, and on the other side was grandmaster Gu, who had absorbed the inner strength of ten grandmasters!

Boom

Qin Yu's face was filled with madness as he punched out again!

Cracks appeared on the overwhelming Taiji seal!

Crack

In less than half a second, the Taiji seal was completely shattered!

The inner strength turned into substance and shot out in all directions like daggers!

“Puchi!”

Countless people were pierced through by the inner strength!

Qin Yu was right in the center, allowing the inner strength to hit his body like Raindrops!

The golden sounds of his body rang out continuously, and white spots appeared on his steel-like body!

“Boom!”

Finally, the Tai Chi seal disappeared in a heavy rain of internal force!

The scene was completely silent. Their pupils constricted as they stared at Qin Yu.

The trump card of the Gu family was actually shattered by Qin Yu with one punch!

What kind of body was this and how awe-inspiring was it!

“Impossible!” Gu Jinhong’s face was pale as he roared crazily!

Qin Yu did not say any nonsense. He quickly rushed over and punched Gu Jinhong’s lower abdomen.

“Bang!”

Gu Jinhong was sent flying by this punch! God knows how many trees were smashed!

After the collision of dozens of meters, Gu Jinhong finally stabilized.

However, his body no longer had a human form. Many parts of his body were shattered, revealing sparkling white bones!

At this moment, Gu Jinhong panicked.

He didn’t even care about his face, and with a plop, he knelt on the ground!

“Mr. ... Mr. Qin, don’t kill me, please spare me...” Gu Jinhong crazily kowtowed on the ground!

The sounds of banging echoed incessantly, and the onlookers were even more terrified.

The Genius of the Jiangbei region actually kowtowed to a young man and begged for mercy?

This was simply subverting their understanding!

“As long as you spare me, I’m willing to give you anything! I still have many herbs at home, my master will definitely remember your favor!” Gu Jinhong said anxiously.

However, a cruel smile appeared on Qin Yu's face.

“Do you think I'll spare you?” The killing intent on Qin Yu's body almost swallowed him whole!

Gu Jinhong roared crazily, “You can't kill me! My master is Gu... Ah!!!”

“Bang!”

Before he could finish, Qin Yu's hand slapped Gu Jinhong's head.

Under the heaven-swallowing technique, the Heaven's Pride Gu Jinhong turned into a dried corpse.

And at this moment, Qin Yu could clearly feel that he was at the critical point of breaking through.

This made Qin Yu somewhat confused. He had tried many methods before, but he was unable to break through.

But after today's massacre, he had quickly reached the critical point.

Could it be... that his path was a path of killing?

To kill the righteous path, this was completely inconsistent with Qin Yu's intentions.

Now was not the time to think about these things. Qin Yu turned around and prepared to deal with the remaining people.

However, at this moment, a shadow floated out of Gu Jinhong's body!

Seeing this shadow, everyone could not help but take a deep breath!

This was Gu Jinhong's master, Gu Taichu!

Gu Taichu glanced around and soon his gaze fell on Gu Jinhong's body.

Seeing Gu Jinhong's corpse, Gu Taichu's expression instantly darkened!

“Who killed my disciple!” Gu Taichu's voice was like thunder!

Qin Yu was neither servile nor overbearing. He said indifferently, “I killed your disciple.”

Gu Taichu narrowed his eyes and said, “How dare you! You even dare to kill my disciple!”

“He sent himself to his death. Why wouldn't I Dare?” Qin Yu sneered.

Gu Taichu said coldly, “Kid, you'd better come to my gu family and kneel down to accept your death right now. Otherwise... you can't bear the consequences!”

“F * ck!” Qin Yu cursed. Then, he raised his hand and crushed the shadow.

Qin Yu's actions made everyone feel powerless to be shocked.

They also understood that this Qin Yu didn't respect respect the hierarchy at all!

Qin Yu didn't take Gu Taichu's matter to heart at all.

He took a step forward and arrived in front of everyone.

An intense pressure immediately came from all directions!

The ten martial grandmasters instantly felt as if their shoulders were as heavy as a mountain!

Their inner strength was almost depleted. Facing the pressure from Qin Yu, they lost the ability to fight back.

“Don’t... Don’t kill me... we are willing to submit to you!” Someone shouted anxiously.

“Yes, as long as you spare us, we are willing to be slaves for generations!”

Qin Yu sneered, “I’m sorry, I don’t need so many people by my side.”

After saying that, Qin Yu’s feet shook again, and the pressure instantly increased by a few times!

These ten plus people were directly crushed into meat paste by Qin Yu!

Killing more than ten people in one breath, this deep mountain seemed to have become a hell on Earth.

Everyone’s faces were filled with fear, and they didn’t even dare to breathe loudly!

The remaining Grandmaster Qin Yu didn’t let go either, directly absorbing all of them!

In the blink of an eye, everyone standing beside Han Yilong died.

Everyone was guessing whether Qin Yu would let go of Han Yilong.

Han Yilong’s followers were even more nervous. With Qin Yu’s current strength, they couldn’t stop him at all!

“Sou!”

Very quickly, Qin Yu arrived in front of Han Yilong.

The two followers immediately became even more nervous.

“Qin Yu, our young master is a member of the Han family after all. If you kill him, the consequences will be unimaginable, so...”

“Slap!”

Before the attendant could finish his words, his head was smashed into pieces by Qin Yu’s slap.

“You talk too much nonsense,”Qin Yu said coldly.

The other attendant saw that things were not going well and hurriedly moved aside. He cupped his hands and said, “Please Help Yourself, Mr. Qin. I’m just trying to make a living.”

“What the F * ck are you talking about!”Han Yilong immediately became anxious!

However, Qin Yu could not help but burst into laughter.

“Han Yilong, you keep talking about capital, family, and background. You think that everyone will work for you.”

“But in front of life, what can the capital you talk about do for You?”

Chapter 252: Chapter 252, taking advantage of the situation

“Han Yilong, you’ve always looked down on so-called martial artists. What about now?”Qin Yu walked in front of Han Yilong and said coldly.

Han Yilong was so scared that he almost wet his pants. His lips trembled as he said, “You can’t kill me. I’m a member of the Han family. I...”

“Bang!”

Before Han Yilong could finish his words, Qin Yu raised his finger and directly smashed Han Yilong's knee!

The people around him were already numb. This Qin Yu was too ruthless. No matter what identity or background he had, no matter who tried to persuade him, it was useless.

As long as they provoked him, they would definitely pay the price.

Han Yilong held his knee. Because of fear, his entire body was trembling.

Qin Yu sneered, "What Bullsh * t Han Family? Do You Think I'm afraid?"

"I was wrong, I was wrong... I beg you to spare me..." Han Yilong was crying his eyes out, looking a little pitiful.

Qin Yu said coldly, "You young masters of aristocratic families think that you can play with others just because you have a background. Let me tell you, not everyone will bow and scrape in front of you."

"Remember to be a good person in your next life."

After saying that, Qin Yu directly smashed Han Yilong's head with his big hand!

The young master of the Han family was tortured to death!

Although he was a side branch, as long as he was related to the Han family, no one would dare to provoke him.

But today, this law was broken.

The people around all kept quiet. No one dared to provoke this god of killing.

“Mr. Qin, can... Can You Spare my life ?”Han Yilong’s follower asked respectfully.

Qin Yu glanced at him and sneered, “Don’t worry, I won’t kill you. I still need you to go back and report the news.”

Report the news ?

Not only did Qin Yu not avoid it, he even wanted the Han family to know about it ?

“Go back and tell Han Wei that I’m definitely going to marry Yan Ruoxue! No one can snatch her away!”Qin Yu said coldly.

The attendant hurriedly cupped his hands and said, “Yes, Yes, Mr. Qin. I’ll definitely deliver the message.”

Qin Yu no longer paid attention to the attendant. His eyes looked at the high mountain not far away.

That was the place where the Divine Medicine was born.

Qin Yu took a deep breath, then looked at Jiang Gu and said, “Follow me.”

“Yes!”Jiang Gu was the most excited in his heart.

Qin Yu’s performance today had far exceeded his imagination!

All along, Chuzhou had been extremely weak in the Jiang bei region.

And Qin Yu’s appearance could very possibly change this situation.

Everyone watched Qin Yu’s back as he left, unable to react for a moment.

“Should we follow him ?”Duan Shi asked.

“Of course,”Jing Lu snorted lightly.

“After this battle, how much stamina do you think Qin Yu has left?”Jing Lu raised his brows and asked.

Duan Shi’s expression changed, and he probed, “You mean...”

“A man must judge the situation.”Jing Lu snorted coldly, and then rushed into the depths.

Just as Jing Lu said, Qin Yu’s internal Qi was indeed somewhat dispirited.

Even though he had borrowed the strength of the Earth Fiend Valley’s patriarch, a long battle still caused Qin Yu’s internal Qi to drop rapidly.

“Mr. Qin, I really didn’t expect you to have such strength!”Jiang gu flattered him non-stop along the way.

However, Qin Yu’s face was cold, and no one knew what he was thinking.

“I’m afraid that someone will attack me later.”Qin Yu suddenly turned to look at Jiang Gu.

Jiang Gu was stunned, and he said with an embarrassed smile, “It can’t be? These people should have been scared out of their wits...”

Qin Yu shook his head and said, “As long as there are enough benefits, countless brave men will be born.”

“Moreover... I’m not in a good condition right now,”Qin Yu said in a low voice.

The absolute beginning holy fist consumed a lot of energy, which was why Qin Yu didn’t use it easily.

They were getting closer and closer to the place where the Divine Medicine was born, and the others soon caught up with them.

In the valley, there were dots of light.

Qin Yu's pupils shrank, and he almost looked through the entire valley!

His internal Qi was released in an instant, covering more than half of the valley.

Following that, the corners of Qin Yu's mouth curled up.

"As expected of a divine medicine. Interesting." The gloominess on Qin Yu's face was swept away, replaced by an indescribable confidence.

"Brother Qin really had the appearance of a heavenly God descending to Earth just now." At this moment, Fang Yue was the first to catch up.

Qin Yu glanced at her and smiled faintly. "Miss Fang, you must be joking."

Fang Yue covered her mouth and said, "Just now, I didn't lend a hand to save you. Brother Qin, you won't blame me, right?"

Qin Yu shook his head. "You and I don't have deep feelings for each other. If we were to really help each other out, that would make me feel strange."

"That's good." Fang Yue smiled.

"Mr. Qin, you've made enemies everywhere. The road in the future won't be easy to walk," Fang Yue reminded.

Qin Yu said with a calm expression, "Which almighty expert hasn't overcome all obstacles along the way? If everything goes smoothly, the path you'll take won't be too far."

“Brother Qin, you’re really full of lofty sentiments.”

At this moment, Jing Lu also followed.

He cupped his hands towards Qin Yu and said, “Brother Qin, we’ve really underestimated you. In front of you, even the four great geniuses are eclipsed.”

Qin Yu did not have a good impression of Jing Lu.

This person was too scheming and liked to make use of others.

Therefore, Qin Yu only nodded to him.

“It seems that this divine medicine belongs to Brother Qin,”Jing Lu continued.

“Not necessarily,”Qin Yu replied quietly.

“I am not the only one who wants this divine medicine.”

Jing lu smiled and said, “Who dares to snatch it from Brother Qin?”

Qin Yu ignored Jing Lu and did not move for a long time. Instead, he went to get the medicine.

Jing Lu retreated to the side, but his eyes narrowed slightly.

“This Qin Yu’s internal Qi is completely exhausted. It’s a good time to kill him,”Jing Lu said coldly.

Duan shi hurriedly asked, “Is what you said true?”

Jing Lu snorted lightly and said, “It’s absolutely true! Later, you and I will kill him together! You and I will split the divine medicine equally!”

“Okay!” Duan Shi hurriedly nodded.

Besides Jing Lu, Dong Tianhai’s brows also furrowed slightly.

“This Qin Yu has killed so many people. As the President of the Martial Arts Association, don’t you have anything to say?” Dong Tianhai glanced at Wan Xin.

Wan Xin said awkwardly, “I... I will report it.”

“Humph, a piece of trash.” Dong Tianhai snorted coldly.

At this moment, the light in the valley erupted again! It was going to come out at any time!

“Now, kill him!” Jing Lu said viciously.

“Good!” Duan Shi took the lead and took a step forward, throwing a punch at Qin Yu from behind!

“PFFT!”

With this punch, Qin Yu spat out a mouthful of blood!

Duan Shi was instantly overjoyed. He rubbed his fist and sneered, “Qin Yu, it seems that you’re exhausted.”

Qin Yu turned around and looked at Duan Shi coldly, “Sneak attack from behind?”

“Hahaha! So what if we fight head-on!” Duan Shi snorted.

“I have been gifted since I was a child, how can I be inferior to you!”

“I will kill you now!” After saying that, Duan Shi swung his fist!

At this moment, a light gauze robe floated over, and Duan Shi's fist immediately tilted to the side.

Chapter 253: Chapter 253, divine medicine in hand!

He turned around and saw Fang Yue standing in front of Qin Yu.

Duan Shi frowned and said coldly, "Fang Yue, what do you mean?"

Fang Yue chuckled and said, "If it weren't for Qin Yu, we wouldn't have had a chance to get our hands on this divine medicine."

"Isn't it inappropriate to attack now?"

Duan Shi laughed out loud and said, "Fang Yue, when did you become so soft-hearted?"

Fang Yue shook her head and said, "It's not that I'm soft-hearted. I just hope that brother Duan will give me some face."

"Why don't we split this divine medicine equally, how about it?" Qin Yu said.

Hearing this, Duan Shi was even happier in his heart!

It seemed that this Qin Yu really couldn't take it anymore. Otherwise, why would he give in!

Since that was the case, why would he give it to him?

"In Your Dreams!" Duan Shi snorted coldly.

"If you scam now, I might be able to spare your life."

Qin Yu narrowed his eyes and said, "Are you really going to do this?"

“Hehe, do you think I’m joking with You?”Duan Shi roared angrily and rushed towards Qin Yu with one step!

“How dare you!”At this moment, Jiang Gu roared angrily and raised his hand to meet it!

He received Duan Shi’s fist with his palm, but Jiang Gu was still forced back a few steps!

Duan Shi snorted coldly and said, “Old Thing, don’t get in the way!”

Jiang gu said coldly, “With me here, don’t even think about taking a step forward!”

“You’re really a loyal old dog!”Duan Shi sneered.

“In that case, I’ll Kill You First!”Duan Shi roared angrily and raised his foot to charge at Jiang Gu!

However, at this moment, Qin Yu made a shocking move.

He didn’t Help Jiang Gu. Instead, he took this opportunity to charge towards the entrance of the cave!

Duan Shi’s expression changed and he shouted, “Despicable scoundrel! Old Dog, Qin Yu doesn’t care about you anymore. Get lost!”

He didn’t care about Jiang Gu and rushed towards the entrance of the cave with all his might!

It wasn’t just Duan Shi! The others followed closely behind!

They didn’t Expect Qin Yu to abandon Jiang Gu for that divine medicine!

Even Jiang Gu himself felt a bit disappointed!

“What’s the use of running in? Can you swallow it all in one gulp?”Duan Shi sneered.

Everyone quickly rushed into the entrance of the cave!

A thousand-year-old ginseng floated in the air, shining with a holy light.

Qin Yu stood in front of the ginseng with his hands behind his back, as if he was waiting for something.

“Qin Yu, you despicable person!”Duan Shi roared.

“You want to keep the Divine Medicine for yourself? Qin Yu, aren’t you too greedy?”The others also said in a strange tone.

Qin Yu smiled faintly and said, “You guys are right. I do intend to keep the divine medicine for myself. So What?”

Everyone was stunned.

Was this Qin Yu Crazy?

His internal Qi was already extremely weak, yet he still dared to say such words?

“If that’s the case, then don’t blame me for being impolite!”Duan Shi roared and then rushed towards Qin Yu!

“Clang!”

Qin Yu stood there without moving an inch. He didn’t even look at Duan Shi.

Duan Shi’s expression suddenly changed!

How was this possible!

Qin Yu was completely fine with this punch ? !

Could it be that he was faking it just now ?

Duan Shi knew something was wrong. He swung his fist again.

But this punch had the same result. Qin Yu was not affected at all.

“How could this be ?”Duan Shi panicked!

Qin Yu sneered and said, “Don’t think too much. My Aura is indeed almost dry, but unfortunately, there is a restriction around this divine medicine. Your Internal Qi was also suppressed.”

After Qin Yu’s reminder, they realized that they couldn’t use their internal Qi at all!

In other words, in this valley, they could only rely on the strength of their physical bodies!

“How could this be ?”These people were all panicking.

“If he only relied on his physical body, wouldn’t Qin Yu Be Invincible ?”

“Who can compete with him in terms of physical body ?”

Duan Shi’s face was extremely ugly. He subconsciously looked at Jing Lu who was not far away.

“Brother Duan, how could you do such a Thing ?”However, Jing Lu’s words made Duan Shi even more desperate!

“Although we are not friends, I don’t like your behavior,”Jing Lu continued.

Duan Shi said angrily, “Jing Lu, you...”

“PFFT!”

Before Duan Shi could finish speaking, Jing Lu took a step forward and directly punched through Duan Shi’s chest!

“It’s my shame to be friends with you,”Jing Lu shook his head and said.

Duan Shi’s eyes widened, and his huge body fell straight down.

Qin Yu couldn’t help but sneer in his heart.

This Jing Lu was really a ruthless and merciless person.

“Brother Qin, I killed him for you. Take it as an apology,”Jing Lu said with a smile.

Qin Yu didn’t pay attention to him. He sat cross-legged beside the godly medicine and slowly recovered the spiritual power in his body.

During this time, someone tried to approach the divine medicine, but his head was smashed by Qin Yu.

After more than an hour, Qin Yu finally stood up from the ground.

“This divine medicine belongs to me,”Qin Yu said coldly.

Then, he stretched out his hand and directly held the divine medicine in his hand!

The surrounding light disappeared in an instant, and the valley instantly dimmed.

Qin Yu kicked the divine medicine and said coldly, “Everyone, are you still not leaving? I’m leaving first.”

Only then did everyone come to their senses.

They complained bitterly in their hearts.

Not only did they not get anything this time, but they almost died here!

“Congratulations, Brother Qin!”Jing Lu cupped his hands and said.

Qin Yu glanced at him, suddenly raised his hand, and pressed it on Jing Lu’s shoulder!

In an instant, Jing Lu felt a huge force on his shoulders! His knees could not help but sink down!

“Bang!”Jing Lu knelt on the ground!

“Jing Lu, don’t think that I don’t know what you’re thinking,”Qin Yu said coldly.

“Put away your schemes, or else...”

Before he could finish his words, Qin Yu’s strength increased by a few times!

Boom!

Jing Lu’s knees smashed into the ground! He sank down hard!

What BULLSH * t four great geniuses, in front of Qin Yu, they were worthless!

Qin Yu let go of his hands, turned his head and walked out of the valley.

Jing Lu knelt on the ground, his face almost twisted!

“Qin Yu, you dare... you dare to make me kneel!”Jing Lu’s entire body trembled.

“I will definitely kill you, I will definitely kill you!”Jing Lu roared in his heart!

He had been revered as a genius since he was young, but he had never suffered such humiliation!

Qin Yu brought Jiang Gu and strode out of the valley.

After obtaining this divine medicine, Qin Yu was completely confident that he would be able to step into the peak of the foundation establishment stage or even the monastic stage!

At that time, Qin Yu would no longer need to rely on the power of the ancestor to fight against a martial grandmaster.

“Mr. Qin.”

At this moment, Dong Tianhai brought his disciple to Qin Yu.

He cupped his hands and said, “Congratulations, Mr. Qin, for obtaining the Divine Medicine.”

Qin Yu said with a faint smile, “Master Dong, what’s the matter?”

Dong Tianhai couldn’t help but complain in his heart. He braced himself and asked, “Did you... Take the nine revolutions Golden Pill?”

Qin Yu sneered, “Didn’t you say that it was a fake?”

Chapter 254: Chapter 253, God of War, Ye Qing!

Although Dong Tianhai had already guessed it, he still felt extremely regretful when he received the definite answer!

He hurriedly said, “Mr. Qin, I’m willing to offer two herbs in exchange for your nine Transformation Golden Pill!”

Qin Yu sneered, "Forget it."

Previously, Qin Yu didn't know the value of the nine transformation golden pill, so he agreed to Dong Tianhai's offer.

Now, Qin Yu didn't lack Dong Tianhai's two herbs at all.

After saying this, Qin Yu turned around and left.

Dong Tianhai's expression was extremely unsightly. He stood there for a long time without saying a word.

"Master, what do we do now?" Dong Tianhai's disciple asked.

Dong Tianhai slowly said, "It's the will of heaven, it's all the will of heaven..."

...

After obtaining the Divine Medicine, Qin Yu prepared to leave.

"Mr. Qin, if you have time, come to Jiang Bei to play with me," Fang Yue said with a smile.

Qin Yu said with a wry smile, "I'm afraid I Won't be able to go there for a while."

After all, he had offended Gu Jinhong's master. If he went to Jiang Bei, who knew what would happen.

Fang Yue seemed to have guessed it as well. She said with a light smile, "Alright, we'll meet again if we're fated."

"We'll meet again if we're fated." Qin Yu nodded slightly.

After parting ways, Qin Yu drove Jiang Gu back.

On the way, Qin Yu glanced at Jiang Gu through the rearview mirror and said with a smile, “Don’t worry, I Won’t let you come all this way for nothing.”

Although the divine medicine was good, it couldn’t be taken all by itself.

Moreover, Jiang Gu was willing to help Qin Yu at the moment of life and death. Qin Yu would never forget this favor.

“I promise to let you step into the second or even third grade martial grandmaster realm in the near future,”Qin Yu said indifferently.

Hearing this, Jiang Gu was instantly overjoyed!

To him, a first grade martial grandmaster was probably already a bottleneck. He might not even be able to advance one step further in this lifetime!

Jiang Gu said with a face full of gratitude, “Thank You, Mr. Qin!”

It seemed that the Jiang family didn’t make the wrong bet this time.

...

After returning to Bai Town, the first thing Qin Yu did was to look at his vegetable garden.

When he walked into the vegetable garden, he saw that there was nothing in it.

“What... What Happened?”Qin Yu couldn’t help but be stunned.

“Yao Qing! Where’s My Medicine!”Qin Yu said angrily to the house.

After a while, Yao Qing ran out of the room.

He said awkwardly, “Mr. Qin, I used all the medicine... I couldn’t help myself.”

Qin Yu took a closer look. Sure enough, Yao Qing’s strength had improved a lot.

He had successfully stepped into the realm of inner strength master.

“You won’t blame me, right?” Yao Qing said with an embarrassed smile.

Qin Yu waved his hand helplessly and said, “Forget it. Since you ate it, then eat it.”

“I originally planned to give you a portion of this thousand year divine medicine, but now it’s better to forget it.”

Hearing the last sentence, Yao Qing even wanted to die!

...

The news of Qin Yu slaughtering everyone in the deep mountains quickly spread.

The news of the four great geniuses of the Jiang Bei region kneeling down and Gu Jinhong being beheaded spread like wings.

Everyone became more and more curious about the name Qin Yu.

They even guessed that Qin Yu was the Yan family’s plan in the Jiang Bei region.

One afternoon, a car suddenly came from outside.

As soon as the car stopped, they saw Uncle Wu come down.

Then, Xiao Yu jumped down and followed.

“Qin Yu!”

As soon as she saw Qin Yu, Xiao Yu’s face was filled with excitement.

She walked over with an internal Qi of the pugilistic world and hit Qin Yu’s chest. She said, “You’re good. As expected of the man that my sister Ruoxue has taken a fancy to!”

Qin Yu rolled her eyes and said, “You’re just a child. Why are you pretending to be a little adult?”

“You’re the Little One! I’m not little anymore, okay!” Xiao Yu deliberately puffed out her chest.

HMM, she was really not little. This little girl’s growth was indeed not bad.

“Alright, stop pestering your brother Qin Yu.” Uncle Wu waved his hand and said.

Xiao Yu rolled her eyes at uncle Wu and muttered, “I’m not pestering him...”

Qin Yu welcomed Uncle Wu into the house and personally poured him a cup of tea.

Uncle Wu took a sip and could not help but sigh, “Qin Yu, speaking of which, I really find it unbelievable.”

“When I saw you half a year ago, you were just a down-and-out son who had just been kicked out of the house, but now you have such an achievement. Miss Yan’s judgment is really sharp.”

Qin Yu smiled and said, “Everything is just luck. It’s not worth mentioning.”

“Luck?” Uncle Wu smiled bitterly.

People could indeed rely on luck, but they definitely would not go too far.

It was even more impossible for them to become the number one person in Chuzhou like Qin Yu. They could even suppress the four great geniuses of the Jiang Bei region until they could not breathe.

“Uncle Wu, why are you looking for me?” Qin Yu said.

Uncle Wu nodded and said, “I do have something to ask you.”

“To invite me into the Military District?” Qin Yu guessed.

Uncle Wu was stunned. He said in surprise, “How did you know?”

“I guessed.” Qin Yu smiled.

Uncle Wu sighed and said, “As your fame grew, the relevant departments also noticed you.”

“Now, the higher-ups have given a death order. No matter what method is used, you must be invited to join the Military District.”

Qin Yu thought for a moment and smiled, “I can agree to it, but I have conditions.”

Uncle Wu was delighted and quickly said, “You say, as long as I can do it within my authority, I will agree to it!”

Qin Yu said in a deep voice, “First, I can only go once in a while to maintain my freedom. Of course, I will not ask for a position.”

“Second, I Won’t stay in Chuzhou forever, or even in Jiangbei, so I may not return to Chuzhou for a long time in the future.”

Uncle Wu was silent for a moment. He thought for a moment and said, “I can promise you that the military district of Jingdu can give ye Qing such conditions. Our Military District of Chuzhou can do the same.”

“Ye Qing?” Qin Yu was stunned.

He had heard this name many times, but he didn’t know him at all.

“Who exactly is ye Qing?” Qin Yu asked.

Uncle Wu asked in surprise, “You don’t know Ye Qing?”

“I don’t know.” Qin Yu shook his head.

At the mention of Ye Qing, Uncle Wu’s face was filled with admiration.

“Ye Qing is the same as you. Although he was born in Jingdu, he doesn’t have any background,” uncle Wu said slowly.

“When he first showed his edge, he was suppressed by the aristocratic families of Jingdu.”

“But under this suppression, he still became a hero of his generation! He even suppressed all the major families!”

“And after he joined the Military District, he became known as the god of War!”

At this point, Uncle Wu paused. He looked at Qin Yu and said with a smile, “To tell you the truth, back then Miss Yan said that you would become the next ye Qing.”

“At that time, I didn’t take it seriously, but now I’m starting to believe it.”

Qin Yu touched his chin and whispered, “Ye Qing.... I’ll remember this name.”

Chapter 255: Chapter 255: The Unruly Little Fish

Since Uncle Wu had agreed to all his requests, Qin Yu could not refuse any further, so he could only agree to it for the time being.

“I’ll set off for the provincial capital tomorrow,” Qin Yu said.

Uncle Wu hurriedly nodded and said, “Okay, I’ll wait for you in the provincial capital.”

Then, Uncle Wu left White City with little fish.

After returning to his room, Qin Yu looked at the divine medicine in his hand and fell into deep thought.

The effects of this divine herb were absolutely beyond imagination.

Moreover, divine herbs were hard to come by, so Qin Yu definitely couldn’t waste its effects.

“What pill should I refine...” Qin Yu stared at this divine herb and muttered softly.

Of course, even if this divine herb was directly swallowed, it would have unimaginable effects.

But if it was refined into a pill, the effects would be even greater.

Just like Yao Qing swallowing all the herbs, it was simply a reckless waste of a god’s gift.

“It’s time to try and break through.” Qin Yu put away this divine herb temporarily.

After experiencing this battle, Qin Yu had long felt the critical point of breaking through.

Therefore, he immediately closed his eyes and started breathing exercise, feeling the Qi/spiritual energy and yin energy in his body.

Traces of internal Qi flowed through Qin Yu's meridians and into his entire body.

Under Qin Yu's guidance, his internal Qi began to slowly increase and attack all the acupoints in his body.

Qin Yu did not open his eyes for an entire night.

It was not until the next morning that Qin Yu sat down on the ground.

This time, his physical body had actually improved again!

Although it was not as exaggerated as before, it was enough to show that the strength of the physical body brought by the improvement of the ninth transformation golden core and the level did not conflict!

Qin Yu clenched his fist and muttered in a low voice, "The consumption of Qi/spiritual energy this time is dozens of times more than before..."

It could even be said that the consumption of Qi/spiritual energy from the Qi refining stage to the sixth level of the foundation establishment stage was not as much as the consumption of this small level!

"It seems that the cultivation in the future will become more and more difficult..." Qin Yu could not help but sigh.

After a simple wash, Qin Yu and Yao Qing rushed to the provincial capital.

...

Jingdu, Han family.

A man who looked like a butler walked into the study.

A young man was sitting in the study, holding a book in his hand and flipping through it.

This young man was none other than the son of the first wife of the Han family, Han Wei!

“Didn’t I tell you not to disturb me when I’m Reading?” A hint of displeasure flashed across Han Wei’s face.

The Butler quickly bowed and said, “Young master, there’s something important that I think I should tell you as soon as possible...”

“Something important?” Han Wei raised his eyebrows.

He closed the book in his hand and asked casually, “What is it?”

The butler quickly said, “Han Yilong... was killed...”

“This piece of trash deserved to be killed.” Han Wei snorted lightly.

“All these years, he has been using the name of the Han family to bluff and cheat, but in the end, he is still an inner strength master!”

“This kind of trash is simply a disgrace to the Han family!”

It was obvious that Han Wei did not care about Han Yilong at all, and he even felt a little disgusted.

The Butler was silent for a moment before he said tentatively, “Young master, the person who killed Han Yilong... has a special identity.”

“Oh?” Han Wei raised his eyebrows.

He sneered, “Could it be the young master of some aristocratic family?”

The Butler shook his head and said with a bitter smile, “It’s... It’s that Qin Yu.”

“Qin Yu? !”Hearing this, Han Wei’s face immediately turned cold.

“This Qin Yu... actually dares to provoke my Han family?”Han Wei looked at the Butler coldly.

The Butler said with a bitter smile, “Qin Yu doesn’t even care about you, let alone that Han Yilong...”

Han Wei put his hands behind his back and looked out of the window, not saying a word for a while.

“Trash killing trash, it’s really interesting.”Han Wei touched his chin and said.

The Butler said with a bitter smile, “Young master, although Han Yilong is incompetent, he is still a member of our Han family...”

“If we don’t do anything, the Han family’s prestige will definitely be damaged. At that time... the consequences will be unimaginable...”

Han Wei did not speak for a while, as if he felt that the butler’s words made sense.

“How about... finding someone to teach him a lesson? or directly...”the butler made a gesture of cutting his throat.

Han Wei shook his head and sneered, “No rush, no rush.”

“If I kill Qin Yu Now, Yan Ruoxue won’t let me off easily.”

The butler frowned and asked, “Then what should we do?”

Han Wei sneered, “Can’t we just kill everyone who witnessed it?”

The Butler quickly cupped his hands and said, “Young master, I understand!”

After saying that, he turned around and walked out.

Han Wei looked out of the window, squinted his eyes and said, “Interesting, interesting... Qin Yu, I will personally kill you in front of Yan Ruoxue!”

...

Qin Yu rushed all the way to Uncle Wu’s house.

The food had already been prepared at home to welcome Qin Yu.

As soon as she entered the house, she saw Xiao Yu sitting on the sofa throwing a tantrum.

Meanwhile, Uncle Wu comforted her with a helpless look on his face.

“If you don’t think of a way for me, I will fast, and I will not eat!” Xiao Yu said angrily.

Uncle Wu said with a frown, “Do you think your father is omnipotent? I really can’t help you with this kind of thing...”

“What’s going on?” Qin Yu asked in surprise.

Uncle Wu smiled bitterly and said, “Little Yu insisted that I help him find some connections to get tickets for some celebrity concert.”

“I’m a chief, can I help her do this kind of thing?”

Little Yu widened her eyes and said, “You just don’t want to help me! With your status, it’s nothing to ask someone for a few tickets!”

“Anyway, if you don’t help me, I’ll go on a hunger strike!”Xiao Yu said with determination.

Qin Yu asked in surprise, “What tickets?”

Xiao Yu glanced at Qin Yu and said, “The tickets for the Big Star Yang Jing! She’s very popular now. I stared at her all night last night, and the tickets were empty in less than a minute.”

“Yang Jing?”Qin Yu touched his chin.

He didn’t expect Yang Jing to be so popular. Even Xiao Yu was her fan.

“What’s there to chase after these celebrities? Aren’t they just a bunch of actors?”Uncle Wu muttered at the side.

Hearing this, Xiao Yu became even angrier.

“What do you know! It’s fine if you don’t help me, but you’re still slandering my idol! I want to run away from home!”Xiao Yu stood up angrily and turned around to leave.

Uncle Wu stood by the side, unable to do anything. He could only coax and deceive.

“I can help you get a ticket,”at this moment, Qin Yu suddenly said.

Xiao Yu’s eyes lit up, and he said excitedly, “Really?”

Qin Yu nodded and said, “Of course, but I have a condition.”

Xiao Yu quickly said, “What condition? Hurry up and say it. I’ll agree to it even if I have to work as a slave!”

“Really?”Qin Yu Face Evil Smile.

Chapter 256: Chapter 256, Pendant

Seeing Qin Yu's expression, Little Yu was shocked.

She clutched her chest and said, "You... you pervert, what are you trying to do?"

Qin Yu rolled his eyes and said, "Don't worry, I'm not interested in a brat like you."

"My condition is to eat obediently and listen to your father," Qin Yu rolled his eyes and said.

Xiao Yu was instantly delighted and said excitedly, "Really?"

"Of course, but if your father says you're disobedient, I Won't Give It to you," Qin Yu said with a smile.

"Listen, Listen, I'll definitely listen!" Xiao Yu ran to the dining table excitedly and began to eat in big mouthfuls.

Uncle Wu could not help but give Qin Yu a thumbs up and said, "You still have a way. Sigh, I can't control her anymore."

Qin Yu smiled and said, "Every age has its own ideas. Imposing our ideas on her might not work."

Uncle Wu nodded thoughtfully.

Then, uncle Wu asked, "By the way, where are you going to get tickets?"

Qin Yu said, "I know Yang Jing. Two tickets shouldn't be a problem."

Hearing this, Uncle Wu's admiration for Qin Yu increased.

After dinner, Qin Yu took Yao Qing and prepared to leave.

Before leaving, Xiao Yu kept saying, “Qin Yu, don’t forget. It’s best to get a few more tickets!”

“Don’t worry.”Qin Yu waved his hand.

The car sped all the way home.

Qin Yu checked online and found that Yang Jing’s concert was about two days later.

Qin Yu calculated the time and found that it was exactly the day that Yang Jing came to pick up the medicine.

If I’m not wrong, she will come to me of her own accord, Qin Yu thought to himself.

Then, Qin Yu went online to check Yang Jing’s concert venue and couldn’t help but frown.

“This doesn’t sound like much. It’s simply a dance of demons,”Qin Yu whispered.

Just then, Yao Qing walked in from outside the door.

He said mysteriously, “Mr. Qin, there’s a beautiful woman outside looking for you.”

“Let her in,”Qin Yu said faintly.

Yao Qing pretended to be surprised and said, “It seems that you two have known each other for a long time. What’s up, X Friend?”

“F * ck you!”Qin Yu scolded with a smile and pretended to kick him.

Yao Qing then walked out obediently.

A moment later, Yang Jing walked in from outside the door.

As usual, Yang Jing was still wrapped up tightly.

This also made Qin Yu wonder how Yao Qing could tell that she was a beauty.

After sitting down, Yang Jing took off the mask on her face and her eyes.

“Oh my, I’m suffocating.” Yang Jing panted heavily.

Qin Yu glanced at her and said, “Are you here to get the medicine?”

Yang Jing rolled her eyes and said, “What? I Can’t look for you if I don’t get the medicine? I miss you, Okay?”

“No,” Qin Yu said quietly.

Yang Jing said angrily, “You don’t know what’s good for you! Do you think I really miss you?”

“It’s best if you don’t,” Qin Yu said expressionlessly.

“You!” Yang Jing opened her mouth, but there was nothing she could say.

“Forget it, forget it. Hurry up and get me the medicine,” Yang Jing said impatiently.

However, Qin Yu’s eyes unconsciously looked at Yang Jing’s chest.

Yang Jing noticed Qin Yu’s gaze and immediately covered her chest. She rolled her eyes and said, “Men really don’t mean what they say. How about it? Are you still convinced by Sister’s Figure?”

Qin Yu ignored her. He reached out his hand and reached for Yang Jing’s chest.

Yang Jing immediately panicked, and her face flushed red.

Her heart beat violently, and her body trembled slightly.

Although she had a good impression of Qin Yu, this... Wasn't this too fast?

Just as Yang Jing's thoughts were running wild, Qin Yu reached out and pulled the pendant off her neck.

"Who gave this to you?" Qin Yu stared at the pendant and asked with a frown.

Yang Jing grabbed the pendant back in a panic and said with a frightened face, "You can't touch this pendant. I got it from master. It can bring me good luck. If you like it, I'll take you to ask for another one."

"Master?" Qin Yu raised his eyebrows.

The pendant was filled with yin energy and there were even traces of blood. How could such a thing bring good luck?

"I'm afraid you've been deceived." Qin Yu touched the pendant and felt that it was not simple.

Yang Jing rolled her eyes and said, "What nonsense are you talking about? This is a pendant that can make me burn! It's very effective! And it does bring me good luck!"

After saying that, Yang Jing even put the pendant in front of her chest, afraid that it would be snatched away.

"Do you really think that this thing is going to bring you good luck?" Qin Yu said with a faint smile.

"Of course!" Yang Jing said seriously.

Qin Yu reached out his hand and said, "Give me the pendant."

"Ah?" Yang Jing was stunned.

Qin Yu said, "Don't worry, I won't snatch your pendant. Moreover, I don't lack it."

Yang Jing frowned slightly, as if she was in a dilemma.

A moment later, she still handed the jade pendant to Qin Yu obediently.

After Qin Yu took the jade pendant, he immediately circulated his mental cultivation method.

There were countless mystical arts left in the inheritance. Qin Yu could choose any one of them to exorcise demons and ward off evil.

He dropped a drop of blood essence from his finger on the pendant.

The moment the blood fell, thick smoke immediately rose from the pendant!

Waves of pitch-black yin energy gushed out from it!

In the end, the yin energy slowly took shape in the air, showing one miserable human head after another!

The human heads looked extremely horrifying. Even the most brilliant horror movie couldn't compare to them!

When Yang Jing saw this ghost head, she was so scared that her face turned pale. Her body swayed and she almost fell down!

"What... What is this..." Yang Jing said with trembling lips.

"This is what you hid in your pendant," Qin Yu said coldly.

The ghost head burst out a series of miserable screams in the air, as if it was going to Swallow Qin Yu.

“How dare you act rashly in front of me?” Qin Yu narrowed his eyes and suddenly opened his mouth. The ghost head was directly sucked in by Qin Yu!

The huge ghost head was directly swallowed by Qin Yu!

The scene slowly quieted down. Yang Jing, who was at the side, was already scared out of her wits.

She looked at Qin Yu with a trace of fear in her eyes. Even her body was a few steps away from Qin Yu.

“Why? Are You Afraid?” Qin Yu raised his eyebrows and asked.

Yang Jing swallowed her saliva and whispered, “You... you actually swallowed it?”

Qin Yu said with a faint smile, “To you, it’s an evil thing, but to me, it’s a nourishing holy object.”

Qin Yu paused for a moment and looked at Yang Jing coldly. “Do you know the consequences of wearing this thing?”

Yang Jing hurriedly shook her head, her small face full of grievance.

Qin Yu said coldly, “If you hadn’t met me today, this thing would have killed you.”

Chapter 257: Chapter 257, concert

Yang Jing was so scared that she quickly dodged to the side, afraid to touch the jade pendant.

With a flick of Qin Yu's finger, the jade pendant instantly shattered.

"Don't worry, I will accompany you with a protective jade pendant," Qin Yu said.

No matter what, this jade pendant had brought Qin Yu some benefits.

It was indeed inappropriate not to compensate her.

Yang Jing quickly said, "Qin Yu, thank you. You helped me once again..."

At this point, Qin Yu suddenly remembered about Little Yu.

"By the way, I heard that you are going to hold a concert in the provincial capital soon?" Qin Yu asked.

At the mention of this topic, Yang Jing was suddenly full of energy.

She said with some pride, "What? You also know? I thought you don't chase after celebrities!"

Qin Yu glanced at her and said lightly, "My friend asked for your concert tickets."

"Your friend wants them?" Yang Jing was a little disappointed.

"If you want them, I have no problem with it. As for your friend, forget it," Yang Jing said deliberately.

"Oh, forget it then." Qin Yu stood up and turned to go back to his room.

Yang Jing was so angry that she stomped her feet. She glared at Qin Yu and said, "Why don't you know how to be humorous? Do you treat all girls like this?"

“More or less. There’s only one exception,”Qin Yu said with a smile.

The exception was naturally Yan Ruoxue.

In front of Yan Ruoxue, Qin Yu always acted like a child unconsciously.

Perhaps this was the feeling of being cared for.

“Forget it, forget it.”Yang Jing was like a deflated rubber ball.

“When your friend goes, tell me. I’ll take her to the VIP channel.”

Qin Yu nodded and said, “Thank You Then. I’ll take it as I owe you a favor.”

“PFFT, you’ve helped me so many times. This little favor is nothing,”said Yang Jing.

Qin Yu smiled and didn’t say anything.

Yang Jing didn’t stay here any longer and quickly disappeared into the night.

The next morning.

Qin Yu ran around the area a few times. It had to be said that the morning air was indeed refreshing.

When he went back, it was only eight o’clock in the morning. However, just as Qin Yu reached the door of his house, he saw Xiao Yu waiting there.

“Did you get the tickets?”Upon seeing Qin Yu, Xiao Yu ran up excitedly.

Qin Yu shook his head and said, “No.”

“Ah?”Xiao Yu immediately became anxious.

“There’s only one day left until the concert! I’ve already bragged to my classmates. If you don’t get the tickets, where will I put my old face?” Xiao Yu pouted and said.

Qin Yu rolled his eyes. “Why do you always like to pretend to be an old man at such a young age? Don’t worry. Although I didn’t get the tickets, I can take you through the VIP channel.”

“Really?” Xiao Yu was immediately happy again.

She even jumped up and wanted to kiss Qin Yu on the face.

Unfortunately, Qin Yu dodged it.

“Okay, if there’s nothing else, Hurry home. Don’t waste my time,” Qin Yu said.

“Then don’t Forget Tomorrow...” Xiao Yu muttered.

Qin Yu didn’t say anything. After he went back, Yao Qing walked over with his phone.

“Mr. Qin.” Yao Qing frowned slightly, and his face didn’t look too good.

Qin Yu glanced at him and said, “What’s Wrong?”

Yao Qing took a deep breath and said, “This Gu Taichu has spread the word.”

“Oh?” Qin Yu raised his eyebrows and became interested.

Yao Qing said, “Gu Taichu said that he will only give you three days to go to the Gu family to die. If you don’t go, he will come to Chuzhou personally.”

Qin Yu sneered, “This Gu Taichu is really arrogant. He wants me to die?”

Yao Qing frowned and said, “Mr. Qin, this Gu Taichu is not simple. His strength is far above Jiang Gu and the others.”

“It is said that three years ago, he was already a fifth grade martial grandmaster. Now, his strength is even more unfathomable!”

“There is even a rumor that he can be ranked in the top five in the Jiang Bei Region!”

Qin Yu touched his chin and muttered, “So he is not the first... then what is there for him to be arrogant about?”

Yao Qing was instantly speechless.

He sighed and said, “Mr. Qin, you should hurry up and think of a way.”

“I have to think of a way,” Qin Yu thought to himself.

The strength that the old ancestor of the Earth Fiend Valley had lent him could not last until then.

With Qin Yu’s current strength, it would be very difficult for him to defeat the ancient times.

“It seems that I have to set up a formation in advance,” Qin Yu thought to himself.

Another Day passed.

Qin Yu’s life these two days was quite leisurely. Although he was famous, no one came to provoke him, and no one wanted to become his disciple.

Perhaps because of Gu Taichu, everyone was waiting.

In the afternoon.

Xiao Yu called Qin Yu.

She said anxiously, “Why aren’t you here yet? Did you forget?”

Qin Yu scratched his head.

He really forgot about this matter.

“I’ll go now,” Qin Yu said.

The venue of Yang Jing’s concert was the provincial capital’s stadium.

Qin Yu sped all the way and soon arrived at the venue.

What surprised Qin Yu was that the place was packed with people. They even mobilized relevant personnel to maintain order.

The entire street was filled with people. Some people were hawking their wares, while others were waiting.

“Celebrities are actually so attractive?” Qin Yu didn’t expect this.

With no other choice, Qin Yu could only call Xiao Yu.

After parking the car, Xiao Yu ran over in a hurry.

Beside her was a little girl of the same age as her.

The little girl was dressed quite decently, and there was a small tattoo on her collarbone. It was obvious that she was a rebellious girl.

“Xiao Yu, is this the brother you were talking about? He doesn’t look like much. Can he drive a broken Audi?” The girl sized up Qin Yu and said.

Xiao Yu was speechless and said, “Brother, do you know what an RS7 is? This is a performance car.”

“A performance car is also a lousy Audi. My friends all drive Porsches!”The girl said proudly.

Xiao Yu was too lazy to argue with her. She pulled Qin Yu and said, “How is it? When can you take us in?”

Qin Yu thought for a moment and said, “I’ll give Yang Jing a call.”

“Give Yang Jing a call? Wow, uncle, you’re so good at bragging. How Can Yang Jing Like You?”The girl rolled her eyes.

Even Xiao Yu found it unbelievable.

“Qin Yu, your bragging seems a little unrealistic,”Xiao Yu muttered.

Qin Yu smiled and said, “Just wait and see.”

At this moment, two young men walked over from not far away.

“Xiao Mi, are you here to watch the concert?”The young man asked.

The girl called Xiao Mi quickly said, “Brother Yang Zhao? Why are you here? Did you get the tickets?”

Yang Zhao said indifferently, “With my relationship, it’s no problem to get a few tickets.”

“Wow, brother Yang Zhao is so awesome!”Xiao Mi immediately said excitedly.

After saying that, she looked at Xiao Yu with disdain and said, “Look at brother Yang Zhao, and then look at your friend.”

“It’s okay if you don’t have a ticket, but you still know Yang Jing. It’s hilarious.”

“Know Yang Jing? Hehe, as far as I know, Yang Jing doesn’t seem to have any friends in Chuzhou,” Yang Zhao said faintly.

After saying that, he glanced at Qin Yu and said with a frown, “It’s You? !”

Chapter 258: Chapter 258: excited little fish

Qin Yu sized up the young man and seemed to find him a little strange.

“Do we know each other?” Qin Yu asked with a frown.

Yang Zhao sneered, “Why? Are you pretending not to know each other? Didn’t you drive that Broken Rs7?”

Hearing this, Qin Yu finally remembered.

This kid was the one who drove the M 3 on the highway and shouted.

“Brother Yang Zhao, do you know him?” Xiaomi asked in surprise.

Yang Zhao snorted, “He’s just a coward. I don’t know him.”

With Yang Zhao’s words, Xiaomi became even more excited.

She pulled Xiao Yu and said, “Did you hear that? Brother Yang Zhao said that he’s a coward. How could he know Yang Jing?”

“Exactly. Who Is Yang Jing? She can’t even brag,” Xiaomi snorted.

Xiao Yu stared at him and said, “What are you talking about? You’re the Coward. If you dare to talk nonsense again, I’ll tear your mouth apart!”

Such an intense reaction naturally gave Yang Zhao and Xiaomi a fright.

“No Way, Xiao Yu. Why Are You So Angry?” Yang Zhao scratched his head and said.

“Get lost. Do I know you very well?” Xiao Yu said angrily.

Yang Zhao was embarrassed by the continuous abuse.

He narrowed his eyes and said fiercely, “Your father has already retired from the second-string. What is there for you to be arrogant about? Who is spoiling your bad habit?”

Xiao Yu cursed, “F * ck you! So what if you retired? I look down on you after you retired. You are a piece of SH * t!”

After saying that, Xiao Yu pulled Qin Yu’s arm and said, “Let’s go. Let’s not lower ourselves to their level!”

Qin Yu smiled and said, “Don’t you want to watch the concert?”

“If you don’t want to watch it, then don’t. What’s there to be arrogant about?” Xiao Yu said angrily.

Qin Yu patted Xiao Yu’s head and said, “Alright, wait here for a while. Yang Jing will be here in a while.”

“Still bragging? I just want to see how you’re going to call Yang Jing over,” Xiao Yu snorted.

Xiao Yu seemed to be a little anxious.

She pulled Qin Yu and whispered, “If you can’t get in, you can’t get in. Don’t Brag! This place is full of her fans. How is she going to get here?”

“Don’t worry. Yang Jing’s dressing skills are... well, top-notch.”

Qin Yu thought of the situation when Yang Jing came to find him and couldn't help but praise her.

Time passed by minute by minute. In the blink of an eye, more than ten minutes had passed.

"The concert is about to start. Why isn't Yang Jing Here Yet?" Yang Zhao seemed to be a little impatient.

"Brother Yang Zhao, he must be bragging. Shall we go in?" Xiaomi blinked her eyes and said.

Yang Zhao said proudly, "Of course, no problem! Come, let's go in!"

"Xiao Yu, if you coax brother Yang Zhao well, maybe you can go in too," Xiaomi said sarcastically.

Xiao Yu was so angry that smoke was coming out of her seven orifices, but she had no way to retort.

"Coming."

At this moment, Qin Yu saw a woman who was dressed very strangely walking over.

This time, she was dressed even more exaggeratedly. She wore a broken hat on her head and a special earthy scarf on her face.

No one would have thought that this would be the star that they would never forget.

"What's Here?" Xiao Yu asked in puzzlement.

Qin Yu pointed at the "Earthy old hat" not far away and said, "Yang Jing is here."

“Hahaha! I’m dying of Laughter!”Xiao Mi laughed exaggeratedly.

“Kid, are you kidding? Yang Jing is a heartthrob. How could she be dressed like this?”Yang Zhao also sneered.

Qin Yu ignored her and just waited quietly.

Soon, Yang Jing came from not far away.

She ran in front of Qin Yu and said carefully, “Let’s go. I’ll take you to the VIP Passage.”

“Hey, stop.”At this time, Yang Zhao stopped Yang Jing.

Yang Jing frowned and said, “What’s the matter?”

Yang Zhao sneered, “You’re dressed like this. Who are you trying to fool? Take off your scarf for me to see.”

“Why do you want to take it off? Why should I listen to You?”Yang Jing said with a cold face.

“Hehe, if you don’t take it off, it proves that you’re fake. It proves that Xiao Yu is lying!”Yang Zhao shouted.

Qin Yu frowned and said, “Don’t bother with them. They’re just idiots.”

Yang Jing was angry. She looked around to make sure no one was paying attention to her. Then, she took off the makeup on her face.

Under the scarf was the Yang Jing that they had been thinking about.

“It... It really is Yang Jing?”Xiaomi swallowed her saliva and was dumbfounded.

“Wow, sister Yang Jing, I like you very much!”Xiao Yu also shouted excitedly.

Qin Yu hurriedly waved his hand and said, “Keep your voice down. Don’t let anyone hear you.”

Only then did Xiao Yu react and quickly covered her mouth.

Yang Jing put on her scarf and said with a dark face, “I don’t like you very much, and I don’t want you to enter the venue.”

Yang Zhao’s expression suddenly changed, and Xiaomi was even more regretful!

So, the two of them couldn’t enter?

A hint of viciousness flashed across Yang Zhao’s face, and then he gritted his teeth and shouted, “Yang Jing, she...”

“Pa!”

Before Yang Zhao could finish his sentence, Qin Yu smashed his back teeth.

Half of his face swelled up.

“Do you want to cause a stampede?”Qin Yu glanced at Yang Jing coldly.

Just as Qin Yu had guessed, Yang Zhao wanted to tell everyone that Yang Jing was here!

At that time, the fanatical fans would definitely cause a stampede! Yang Jing’s future might not be guaranteed!

Yang Zhao covered his face, his face full of anger! But he couldn’t say a word.

“Let’s hurry up and leave.” Yang Jing tugged at Qin Yu’s arm.

Qin Yu nodded.

And so, the few of them walked towards the VIP passage.

Those who could walk through this passage were either their insiders or good friends in the circle.

Along the way, Little Yu was unusually excited and kept expressing her love for Yang Jing.

Then, little Yu said excitedly, “Well done, Qin Yu. I didn’t expect you to really know her! I underestimated you!”

Qin Yu rolled his eyes and said, “Okay, stop talking nonsense. Hurry up and go in.”

After sending Little Yu in, Yang Jing looked at Qin Yu and said with a strange tone, “I didn’t expect you to like this kind of girl. What, is an old cow eating young grass?”

“Don’t talk nonsense. She can only be considered as my sister,” Qin Yu said helplessly.

“Oh, really? What Sister?” Yang Jing snorted.

“None of your business,” Qin Yu rolled his eyes.

“You!” Yang Jing was so angry that she gritted her teeth, but there was nothing she could do.

“Forget it. I Can’t be bothered with you. I have to prepare for my makeup,” Yang Jing said.

“Oh right, I have reserved a seat for you,” Yang Jing said before she left.

Qin Yu calculated the time. This concert would take two hours.

Since he had nothing to do, he might as well go in and take a look.

Therefore, Qin Yu walked into the venue and found a place to sit down.

Chapter 259: Chapter 259, threats

The venue was filled with noise. Amidst the cheers of the crowd, Yang Jing finally stepped onto the stage.

It had to be said that Yang Jing was indeed shining brightly on the stage. She was quite infectious.

Fortunately, Qin Yu was surrounded by Yang Jing's friends, so other than Little Yu, no one else was cheering wildly.

Qin Yu was not interested in this kind of concert, so he simply closed his eyes and felt the inner strength in his body.

Streams of spiritual sense were released under Qin Yu's guidance.

Now, Qin Yu's spiritual sense was a bit stronger. Although it couldn't be compared to Fang Yue's, it could cover the entire concert with ease.

“Eh?”

Soon, Qin Yu felt a strong internal Qi in this concert.

“There are actually martial artists coming to watch the concert?” Qin Yu touched his chin and subconsciously looked back.

According to the direction of his spiritual sense, Qin Yu looked at a distance not far away.

What surprised Qin Yu was that the other party was also looking at Qin Yu.

Their eyes met, and the other party quickly shifted his gaze to the stage.

Qin Yu frowned slightly.

The other party was a man in his thirties. This person looked ordinary, but his internal Qi was quite strong.

Qin Yu guessed that the other party was at least a grandmaster, or even a peak grandmaster.

“Who is it?” Qin Yu touched his chin, feeling puzzled.

However, Qin Yu didn't think too much about it. A mere grandmaster couldn't hurt him.

Time flew by, and two hours passed in a flash.

The performance on the stage also began to come to an end.

Yang Jing was holding a farewell ceremony on stage, and many of the fans were crying.

Even Little Yu's eyes were red, and she looked reluctant to leave.

Qin Yu rolled his eyes and said, “That's enough. There are plenty of opportunities for you to see him.”

Little Yu rubbed her eyes and stammered, “You don't understand.”

The concert ended with a series of cheers.

As soon as it ended, Qin Yu couldn't wait to pull Xiao Yu back.

Although Xiao Yu was very reluctant, he was still pulled out by Qin Yu.

Fortunately, Qin Yu and the others left early. Otherwise, they would have been stuck in traffic for the rest of their lives.

After sending Xiao Yu home, Qin Yu drove home.

Qin Yu had too many things to do at the moment. The invitation from the Military District and Gu Taichu's clamor gave Qin Yu a headache.

After rushing home, Qin Yu prepared another formation to fight Gu Taichu.

However, as soon as Qin Yu arrived home, he saw two people standing at the door.

One of them was old and the other was young. The young one was the one Qin Yu met at the concert.

Qin Yu frowned slightly. He walked forward and asked in a deep voice, "Why are you looking for me?"

The young man smiled and said, "Mr. Qin, we meet again."

"Who are you?" Qin Yu asked expressionlessly.

"Hehe, Mr. Qin, you once killed one of our members. Have you forgotten about this matter?" The old man said indifferently.

Hearing this, Qin Yu frowned even more.

Killed one of their members? Why didn't he have any impression?

"Mr. Qin is really forgetful," the old man said indifferently.

"The tragic death of our members in South city is Mr. Qin's masterpiece," the old man said with a faint smile.

Qin Yu finally remembered.

Back in South City, Qin Yu helped Lu Shuming kill an enemy named Scarface.

Scarface had said that his organization would come to seek revenge.

But he didn't expect it to be so late. Qin Yu had almost forgotten about this matter.

“Are you here for revenge?” Qin Yu narrowed his eyes and asked indifferently.

The old man laughed and said, “Mr. Qin, you are wrong. That kind of ant, it doesn't matter if it dies. What's the point?”

“Oh?” The doubt on Qin Yu's face grew more.

“Then what do you mean?” Qin Yu asked.

The old man said indifferently, “Why don't we talk in the room?”

“I don't think there's a need. If you have something to say, just say it here,” Qin Yu said expressionlessly.

These organizations were all swindlers, so Qin Yu naturally didn't like them.

The old man wasn't angry. He smiled and said, “Okay, let me introduce myself. I'm Xing Hongtao, a consultant of the Hong Yi sect.”

Hong clan?

Was this the name of that organization?

Qin Yu frowned and said, “What do you want from me?”

Xing hongtao smiled faintly and said, “To tell you the truth, the Hong Clan has always been vengeful. No one dares to kill a member of our Hong Clan.”

Qin Yu said somewhat impatiently, “Can we get straight to the point?”

Xing hongtao laughed loudly and said, “It seems that Mr. Qin is a straightforward person.”

“According to our previous rules, we must take your life and establish the might of our Hong Yi sect.”

“However, our elders admire Mr. Qin’s potential as well as his alchemy skills, so we specially invited you to join the Hong Yi sect.”

“As for the conditions, feel free to state them. Whether it’s money, herbs, or cultivation techniques, we will never be stingy!”

After hearing Xing Hongtao’s words, Qin Yu couldn’t help but sneer.

Although he didn’t know much about Hong Yi sect, he had heard from Lu Shuming that Hong Yi sect almost didn’t dare to enter the border.

This was enough to prove that what they did was definitely not a good deed.

“Sorry, I’m not interested,”Qin Yu said expressionlessly.

Xing Hongtao said with a smile, “Mr. Qin, why are you in such a hurry to refuse? I can give you a few days to consider.”

“There’s no need to consider it. I said I’m not interested,”Qin Yu said expressionlessly.

“If there’s nothing else, I’m going home.”

After saying that, Qin Yu turned around and left.

“Stop!”

At this time, the young man suddenly shouted!

An invisible wall appeared in front of Qin Yu, Blocking Qin Yu’s way!

“Why? Do you still have something to do?” Qin Yu narrowed his eyes and said.

Xing Hongtao said with a faint smile, “Mr. Qin, it’s okay if you don’t join the Hong Yi sect, but you have to hand over the formula for the nine transformation golden pill as compensation for our Hong Yi sect.”

“Nine Transformation Golden Pill?” Qin Yu frowned slightly.

How did they know? Could it be that Dong Tianhai had released the news?

“Mr. Qin, as long as you hand over the formula for the nine transformation Golden Pill, our Hong Yi sect will never bother you again,” Xing Hongtao said with a faint smile.

Qin Yu slowly turned around.

He looked at Xing hongtao coldly and said, “What if I don’t hand it over?”

“If you don’t hand it over, you won’t be able to leave!” The young man shouted.

“You won’t be able to leave?” Qin Yu’s face turned cold. He suddenly threw a punch backward, and the invisible wall was instantly shattered!

“With such a clumsy technique?” Qin Yu said coldly.

The young man's expression suddenly changed, and his heart was somewhat shocked.

Xing hongtao chuckled and said, "As expected of the king of Chuzhou. You live up to your reputation!"

Qin Yu said with a cold face, "It's best if you don't bother me anymore."

After saying that, Qin Yu walked home.

"Mr. Qin, if you don't hand over the formula for the nine transformation golden core, our Hongyi sect will definitely not let you off!" Xing Hongtao shouted from behind.

Qin Yu, who had intended to go home, immediately stopped when he heard these words.

He turned around and said with narrowed eyes, "Are you threatening me?"

Chapter 260: Chapter 260, the origin of the Hong clan

Facing Qin Yu's question, Xing Hongtao said with a faint smile, "Mr. Qin, you can understand it that way, but we don't have to go to such an extent."

"As long as you agree to join us, we will definitely give you abundant resources," Xing Hongtao said patiently.

Qin Yu said coldly, "Why? Don't you understand what I said?"

Seeing Qin Yu's unyielding attitude, Xing Hongtao knew that it was almost impossible to rope Qin Yu in.

Therefore, he said with a faint smile, “Alright, Qin Yu, let’s pretend that we never came.”

After saying this, Xing Hongtao turned around and left with the young man.

However, at this moment, Xing Hongtao suddenly felt a chill behind his back!

“Not good!” Xing Hongtao cursed inwardly. He was about to turn around, but it was already too late!

Qin Yu’s fist smashed onto his back!

This punch directly shattered Xing Hongtao’s bones! His body was sent flying!

“Qin Yu, you actually dare to make a move?” The young man immediately shouted.

Qin Yu raised his hand and smashed his head.

In the distance, Xing Hongtao crawled up from the ground.

He narrowed his eyes and said, “Qin Yu, if you kill us, the Hong family will definitely not spare you!”

Qin Yu sneered, “Since we have already formed an enmity, why should I let you go?”

Xing Hongtao’s expression immediately changed!

He was filled with regret. If he had known this would happen, he wouldn’t have made such an absolute statement!

Qin Yu walked toward Xing Hongtao step by step, and a towering killing intent surged toward him!

Xing Hongtao was a zongshi realm pinnacle expert, so his strength wasn't to be underestimated.

Facing Qin Yu's killing intent, Xing Hongtao didn't wait for his death.

He spat out a mouthful of silver needles, and they shot toward Qin Yu!

Qin Yu frowned slightly. These silver needles were too small, and Qin Yu didn't guard against them at all.

The silver needles entered the space between Qin Yu's eyebrows.

A drop of blood flowed down the bridge of his nose.

Qin Yu touched the blood on his nose, and his expression became even gloomier.

Xing hongtao laughed out loud and said, "Qin Yu, you have already been hit by my Hong Yi Divine Needle. You will definitely die within three days! If you admit your mistake now and hand over the formula of the nine transformation golden pill, I might be able to give you the antidote!"

Qin Yu narrowed his eyes and said, "Three days, right? This is enough for me to kill you ten thousand times before."

Xing Hongtao immediately panicked and said with some fear, "Qin Yu, you... Don't you want to live anymore? !"

"I'd rather die than be threatened by a person like you," Qin Yu said coldly.

He raised his big hand and directly slapped Xing Hongtao's head.

“Heaven-devouring technique!”

After an explosive shout, Xing Hongtao’s face immediately distorted.

The pain made him shout again and again!

In a short while, Xing hongtao became a dried corpse. He fell to the ground and no longer had any life.

Qin Yu looked at Xing Hongtao’s corpse and reached out to grab it, then threw it into the yard.

After returning home, Qin Yu was surprised to find that Yao Qing was lying on the bed with no idea whether he was dead or alive.

“Yao Qing!”Qin Yu was a little anxious.

He hurried over to check his injuries.

Fortunately, Yao Qing was only unconscious and did not suffer any fatal injuries.

Qin Yu transferred Qi/spiritual energy to him. A moment later, Yao Qing slowly opened his eyes.

“Mr. Qin, there was an old man just now...”

“I know everything. Rest well,”Qin Yu interrupted Yao Qing.

Then, he turned around and returned to his room to sit cross-legged.

Qin Yu was somewhat worried about Xing Hongtao’s shot.

He didn’t dare to neglect it. He immediately closed his eyes and used his soul consciousness.

He saw a small black dot in his golden soul consciousness.

And this black dot was spreading at an extremely slow speed.

“Not good,”Qin Yu murmured.

He tried to control his soul consciousness to erase this black dot, but he found that the black dot seemed to be embedded in his soul consciousness. It couldn't be erased at all.

This made Qin Yu extremely uneasy. Although he didn't know what consequences the black dot would bring, if he didn't deal with it, there would definitely be consequences.

That night, Qin Yu tried almost all methods, but he couldn't erase the black dot. He could only stabilize it temporarily and not let it spread in his spiritual sense.

When he woke up, it was already the second day.

“I was careless. I was tricked by him.”Qin Yu took a deep breath, and a serious expression flashed across his face.

At this moment, the sky was already bright.

There was only one day left until the time mentioned by ancient times.

“Uncle Wu should take me to the military district today,”Qin Yu thought to himself.

He didn't have much time left, so Qin Yu hurriedly began to set up a formation.

He could feel that the power left behind by the Earth Fiend Valley's patriarch was already dissipating.

It wouldn't be long before Qin Yu was beaten back to his original form.

This formation wasn't difficult for Qin Yu, but this place was a peaceful place and didn't have any yin energy to support it.

After thinking about it, Qin Yu suddenly thought of the stone statue!

The stone statue contained endless yin energy. If it was used as the formation core, this problem would naturally be solved!

"I'm really a F * CKING GENIUS!" Qin Yu thought to himself.

Of course, using the stone statue as a formation core also had a hidden danger.

If it was discovered, it was very likely to be destroyed.

Then the formation would also collapse in an instant.

Qin Yu found a relatively hidden place and placed the stone statue inside.

After checking a few times and confirming that there was no problem, Qin Yu heaved a sigh of relief.

It was also at this time that Uncle Wu brought Xiao Yu to the door.

As soon as they got out of the car, Xiao Yu ran excitedly towards Qin Yu.

"Qin Yu, I have something important to look for you. You have to help me no matter what!" Xiao Yu said impatiently.

Qin Yu said helplessly, "What is it this time?"

Xiao Yu said, "It's that Yang Zhao from last night. He said that he wants to run a lap with you."

“Run a lap?” Qin Yu frowned.

Without thinking, he refused, “I’m not interested.”

“Aiya, if you don’t go, he will definitely make things difficult for me...” Xiao Yu muttered softly.

Qin Yu rolled his eyes and said, “I have a lot of things to do. I don’t have time to play with you kids.”

Uncle Wu also berated him, “Xiao Yu, stop fooling around. I have something important to discuss with your brother Qin Yu today.”

Although Xiao Yu was a little unwilling, she still obediently ran to the side.

Uncle Wu walked forward. He pointed at the corpses in the courtyard and frowned, “What’s going on?”

Qin Yu said, “This person came from the Hong Yi sect. He attacked me last night and was killed by me.”

“Hong Yi sect?!” Uncle Wu’s expression changed slightly and a grave expression appeared on his face.

“Uncle Wu, you know of the Hong Clan?” Qin Yu asked.

Uncle Wu nodded slightly and said in a low voice: “A few years ago, this Hong clan used the name of the Hong Clan to swindle and swindle, to burn, kill, and plunder, and they were very powerful. It was said that there were people who surpassed the great grandmaster level among them.”

“It was only a few years ago, when ye Qing made a move, that they were driven out of the Fire Country Pyro.”

“And they have been doing well overseas, like a raging fire, with countless experts under them.”

Qin Yu nodded his head, and he had a general understanding of Hong Yi men.

“How did you get yourself into trouble with such an organization?” Uncle Wu asked with a frown.

Chapter 261: Chapter 261: not willing to be punished

Qin Yu sighed, “It’s a long story.”

Uncle Wu said in a deep voice, “Why don’t we arrange for you to enter the war zone first? No matter how arrogant the Hong family is, they won’t dare to go against the war zone.”

“That won’t be necessary,” Qin Yu said with a smile.

“Right, according to the agreement, today is the day I go to the war zone, right?” Qin Yu suddenly remembered.

Uncle Wu nodded and said, “That’s why I’m here. If it’s convenient, we’d better set off now.”

Qin Yu nodded and said, “No problem.”

“Little Yu, let’s go.” Uncle Wu shouted in Little Yu’s direction.

Little Yu opened her mouth as if she had something to say.

“Say what you want to say.” Qin Yu smiled and said.

Little Yu waved her hand like a little adult and said, “Forget it, forget it. I’ve already promised you to listen to my father’s words. We’ll keep our word.”

“TSK tsk, you’re quite a trustworthy person,”Qin Yu teased.

“Of course! Otherwise, how would I be able to roam the jianghu?”Xiao Yu sniffed at her little nose with a proud expression.

It had to be said that many adults could not compare to Xiao Yu in this aspect.

The car sped all the way and arrived at the war zone.

The security of the war zone was extremely strict. There were two armed soldiers standing at the door, and an invisible pressure followed.

After the car drove over, uncle Wu showed his identity and the door slowly opened.

In the office, officer Guo and Little Yu had been waiting for him for a long time.

When he saw Qin Yu, Little Yu ran over excitedly.

“Mr. Qin, your deeds have been spreading. My ears are getting calluses,”little Yu said respectfully.

Qin Yu smiled and said, “Officer Yu, don’t Tease Me.”

“No, no, no.”Xiao Yu hurriedly shook his head.

“I really want to acknowledge you as my master!”Xiao Yu’s eyes were full of admiration.

“Okay, today Qin Yu is here on official business. Don’t mess around,” officer Guo scolded from the side.

Xiao Yu was standing to the side resentfully.

“Old Guo, I’ll leave the matters here to you,” uncle Wu said to officer Guo.

Officer Guo nodded and said, “Officer Wu, please rest assured!”

It could be seen that uncle Wu had indeed retreated to the second line. Not to say that he did not have any real power in his hands, but it was about right.

After Uncle Wu left, officer Guo invited Qin Yu into the guest room and made a pot of good tea.

Xiao Yu was serving tea at the side while officer guo sighed and said, “Who could have imagined that you would grow so fast?”

Qin Yu smiled bitterly and said: “Officer Guo, please don’t make fun of me. Let’s get back to business.”

Officer Guo nodded his head and said in a serious tone: “Based on your request, we are planning to invite you to become a specially appointed coach for the battle region of Chuzhou.”

“Specially appointed coach?” Qin Yu was a little surprised.

Officer Guo nodded his head and said: “The Yan country will hold a few competitions for the battle regions every year and Chuzhou has always been a weak spot. Besides Jiang Gu, almost no one else can bring it up.”

“Jiang Gu is also a businessman. His entire heart and soul is focused on his clan and he has always ignored the invitations from the battle regions.”

“This has also caused our Chuzhou battle region to always be at the bottom.”

Qin Yu suddenly came to a realization.

He took a sip of his tea and asked: “Chief Guo, can you tell me the average strength of the Warriors?”

Chief Guo said with a wry smile: “The average strength of the exhibitors has just reached the level of a master.”

Qin Yu said in surprise, “So weak?”

Officer Guo rolled his eyes and said, “Do you really think that martial artists are like cabbages by the roadside?”

Qin Yu touched his chin. It seemed to be the case.

The reason why Qin Yu felt so much was that he had set foot on this road and entered this circle.

When Qin Yu was still an ordinary person, he had never met a single martial artist.

This was enough to show that martial artists were very scarce.

“Officer Guo, may I ask, which battle zone is the one with the best results now?” Qin Yu asked.

“Of course, it’s the Jingdu Battle Zone!” Before officer Guo could answer, Xiao Yu said.

Officer Guo nodded and said, “That’s right. After all, there is a ye Qing in the Jingdu battle zone. Ye Qing left them a lot of body-tempering techniques long ago.”

“This has also caused the JINGDU battle region to be far ahead.”

Qin Yu rubbed his chin.

In terms of cultivation techniques, Qin Yu was really not afraid of anyone.

Even if it was those top aristocratic families in Jingdu, Qin Yu did not feel that they were stronger than him.

It was just that it was not so easy to find a suitable person for these soldiers.

“Qin Yu, don’t be too pressured,” officer Guo said.

“The higher-ups don’t have high expectations for you. It’s enough as long as you’re not the last one this year,” officer Guo said bitterly.

Qin Yu did not respond to him. Instead, he asked, “Officer Guo, how much longer until the competition?”

Officer Guo said in a low voice, “According to the time in previous years, it should be the end of the year.”

The end of the year...

Qin Yu calculated the time. There were still two months left.

It was enough.

There were countless spells left in his father’s inheritance. Any one of them was enough to let the Warriors make a breakthrough.

Taking a step back, if it was really not possible, Qin Yu could still refine pills to forcefully increase the strength of the Warriors.

“How about this? In a month, I will come to conduct special training for the Warriors,” Qin Yu said.

“A month?” Officer Guo was obviously a little surprised.

He said tactfully, “Qin Yu, although this request isn’t high, but... If we can get a better result, it’ll naturally be better...”

Qin Yu stood up and said with a faint smile, “I’ll let Chuzhou battle region take the first place in this competition.”

“What? First Place? !” Officer Guo suddenly stood up.

Qin Yu nodded and said, “That’s right, first place.”

Xiao Yu, who was at the side, said with an embarrassed smile, “Mr. Qin, it’s not that I’m looking down on you. Although you’re strong now, you’re still far from being comparable to ye Qing.”

Qin Yu smiled and said, “Indeed, in terms of strength, I naturally can’t be compared to War God Ye.”

“But in terms of cultivation technique foundation... War God ye might not be my match,” Qin Yu said with a faint smile.

Officer Guo and Xiao Yu suddenly looked at each other in disbelief.

Qin Yu didn’t explain to them. He stood up and said, “If you don’t get first place, officer Guo can hold me accountable.”

Seeing Qin Yu so confident, officer Guo didn’t say anything else.

“Qin Yu, if you really get first place, you’ll be the hero of the battlefield in Chuzhou. We’ll definitely reward you!” Officer Guo said seriously.

“There is no need for the reward. Just treat it as a contribution to the country,” Qin Yu said with a smile.

Qin Yu didn't stay in the Chuzhou battle zone any longer. He didn't even go to the special forces to take a look before he left.

“Officer Guo, do you think what Mr. Qin said is true?” After Qin Yu left, Xiao Yu couldn't help but ask.

Officer Guo said with a bitter smile, “It's easy to be complacent when you are young. Qin Yu clearly doesn't know what the word ‘ye Qing’ means....”

Chapter 262: Chapter 262, Gu Taichu

After Qin Yu returned home, he quietly waited for Gu Taichu's arrival.

According to the agreement, Gu Taichu would arrive in Chuzhou the next day to take revenge for his disciple.

“Mr. Qin, Gu Taichu is still saying that he will give you one last day,” Yao Qing said in a deep voice.

“This matter has become a hot topic on the Internet,” Yao Qing said with a frown.

Qin Yu raised his eyebrows and asked in surprise, “On the Internet?”

“Yes.” Yao Qing took the phone and handed it to Qin Yu.

After Qin Yu took it, he found that the screen showed a place called the martial arts forum.

“Martial arts forum... I've never heard of it,” Qin Yu said with a frown.

Yao Qing explained, “This is the official forum of the Jingdu Martial Arts Association, and also the gathering place of this circle.”

“Basically, whatever happens, it will be the first to be posted on this forum.”

Then, Yao Qing pointed to a post at the top and said, “This is the news from Gu Taichu.”

Qin Yu opened it and took a look. She saw Gu Taichu spouting nonsense on the internet, threatening to get rid of Qin Yu.

The Jiangbei region covered many provinces and could be said to be a place full of hidden dragons and Crouching Tigers.

Even in ancient times, it could not be ranked first in the Jiangbei region.

Because there were too many hidden experts in the Jiangbei region.

Qin Yu opened the thread and took a look. Countless people were commenting below.

“This Qin Yu is indeed extremely arrogant. He is clearly a junior, but he is actually so arrogant.”

“You can’t say that. One must have a backbone. You Can’t rely on your seniority to make others bow and scrape, right?”

“Qin Yu represents the power of the new faction! He also represents the new generation!”

Basically, the forum was divided into two factions. One supported Qin Yu, and the other supported Gu Tai Chu.

After all, Gu Tai Chu had been famous for many years. Naturally, there were more people who supported him.

Qin Yu thought for a moment and said, “Help me respond to one. Say that I’m waiting for him in Chuzhou.”

Yao Qing’s expression changed slightly. He frowned and said, “Mr. Qin, if that’s the case, it won’t be easy to end things...”

Qin Yu glanced at him and said, “Do you think Gu Taichu will go back on his word? A person like him will definitely care about his reputation very much.”

Yao Qing hesitated for a moment and finally agreed.

Then, Yao Qing replied online, “Gu Taichu, I’ll wait for you in Chuzhou.”

Just a few words had made this news that was about to fall silent become popular again!

In just a few short hours, this post had received over a thousand replies!

No one had expected that Qin Yu would actually take the initiative to respond!

The next day.

The Jiangbei Region Martial Arts Association even sent a reporter to watch this matter.

Meanwhile, Qin Yu got up early and stood in the courtyard, waiting for Gu Taichu.

What was surprising was that Gu Taichu did not appear from morning till evening.

This made people's jaws drop.

Could it be that Gu Taichu was afraid? Facing the provocation of a junior, he was actually indifferent?

Even Qin Yu felt that it was a little strange.

With Gu Taichu's ability, it was not a problem to deal with Qin Yu. Why would he go back on his words?

"Strange." In the dark, the people from the martial arts association could not help but frown.

"Could it be that Gu Taichu is really afraid?"

"Forget it, let's retreat first. It's better to send people to interview Gu Taichu," the reporters said in a low voice.

Then, they left Chuzhou.

...

The Jiangbei region covered five whole provinces.

Chuzhou was the weakest of them all.

The most powerful martial artist was Bin Province.

And Gu Taichu was from Bin Province.

At this moment, in a medium-sized Chinese-style mansion in Peach Blossom City in Bin Province, an old man with white hair was drinking tea.

"Master, why did you break your promise?" His disciple looked a little angry!

However, Gu Taichu didn't say anything and just drank tea.

The tea he drank was extraordinary and each piece was emerald green.

The most shocking thing was that this tea contained a dense qi/spiritual energy!

The density of Qi/spiritual energy was almost comparable to hundreds of years old herbs!

“How many pieces of this tea are left?” At this moment, Gu Taichu suddenly looked at his disciple and asked.

His disciple said, “There are three pieces left.”

“Three pieces... in a flash, dozens of years have passed,” Gu Taichu muttered softly.

His disciple frowned and said, “Master, where did this tea come from? Why do you take it so seriously?”

Gu Taichu had always been extremely cautious about this tea. Even his disciple had no idea where it came from.

Facing his disciple's question, Gu Taichu hesitated for a moment, then slowly said, “This tea is called enlightenment tea. It was once given to me by an expert.”

“Enlightenment Tea?” His disciple seemed a little surprised.

Gu Taichu sighed, “That was fifty years ago. Thinking back, I was just an ordinary warrior...”

Fifty years ago, Gu Taichu's talent was average. Not to mention a great grandmaster, even a great master had to work hard.

And during a training trip, Gu Taichu met an expert who was traveling.

It was that man who casually gave Gu Taichu more than ten pieces of enlightenment tea.

It was also because of this enlightenment tea that Gu Taichu was born today.

“If I remember correctly, that expert’s surname should be Qin,” Gu Taichu whispered.

“The same surname as Qin Yu?” His disciple was a little surprised.

Gu Taichu didn’t say anything else.

He put his hands behind his back, stood up, and looked into the distance. He murmured, “I really don’t know. My good fortune was given to me by that expert casually. I really don’t know if Qin Yu is related to that expert...”

It was precisely because of this reason that Gu Taichu suddenly canceled the preparation to look for Qin Yu.

“Master, won’t you know whether it’s related or not after you go and take a look?” His disciple suggested.

Gu Taichu was silent for a moment before saying, “Pick a suitable time to go to Chuzhou.”

“Yes, Master.”

...

Gu Taichu did not come, but Qin Yu’s formation was not in a hurry to be removed.

Because no one knew if Gu Taichu would suddenly visit.

At this moment, at a large bar in the provincial capital.

Yang Zhao was partying on the dance floor, looking extremely happy.

“Young Master Yang, what’s So Happy?” A woman wearing a bottom-hugging skirt walked up and asked.

Yang Zhao said proudly, “That little fish has agreed to compete with me. She said that as long as I win, she will listen to me.”

“Oh? Compete with Young Master Yang? Are You So Overconfident?” The bottom-hugging skirt asked in surprise.

Yang Zhao sneered and said, “I originally invited that Qin Yu, but for some reason, Little Fish volunteered to compete with me.”

“If that’s the case, then don’t blame me for being impolite...” a hint of lust flashed in Yang Zhao’s eyes.

Thinking of little fish’s graceful figure and tender face, Yang Zhao felt an evil fire in his lower abdomen.

He couldn’t wait to travel to that day.

Chapter 263: Chapter 263 — never give up

Yang Zhao was quite pleased with himself that night, so he drank quite a bit.

After leaving the house, he was even more disoriented.

He went alone to the underground garage. Just as he was about to drive home, he felt a chill down his spine.

Yang Zhao subconsciously turned around and saw a creepy old man sitting behind him.

“Ah!”

Yang Zhao was so scared that his whole body trembled. He was more than half sober!

The old man raised his hand and pressed on Yang Zhao’s shoulder. The huge force made Yang Zhao unable to move!

“Uncle... I’ll give you as much money as you want. Don’t kill me...”Yang Zhao was so scared that he almost peed his pants.

The old man looked at Yang Zhao darkly and then poked his head over.

A strong stench of bad breath immediately assailed his nostrils.

This made Yang Zhao, who was already drunk, almost spit out.

“Little Yu that girl... Our Earth Fiend Valley has taken a liking to her. You... can’t touch her...”the old man said gloomily.

Yang Zhao was stunned.

This old man actually took a liking to Little Yu?

And what Earth Fiend Valley was he talking about? What was that?

“I want you to take her to a deserted place after the competition tomorrow, and then hand her over to me...”the old man said in Yang Zhao’s ear.

Although Yang Zhao coveted Little Fish’s body, under such circumstances, how could he have the courage to refuse.

“Good, good. Don’t worry, I’ll definitely do it!” Yang Zhao hurriedly nodded.

Although he said yes, Yang Zhao was sneering in his heart.

When I run away, who do you think you are? Just find someone to arrest you and it’s Done!

As for Little Fish, that’s mine!

Obviously, the old man had guessed what he was thinking.

The old man stretched out his finger, and a sinister head appeared in front of Yang Zhao.

Seeing this scene, Yang Zhao was so scared that he almost fainted, and his crotch was yellow.

“You better do as I say, or else... I will make your life worse than death!” The old man shouted shrilly.

Yang Zhao was so scared that he was out of his mind. He covered his eyes and shouted desperately, “Definitely, definitely!”

After saying this, there was no more movement from the backseat.

Yang Zhao mustered up his courage and looked back.

He saw that there was no one in the backseat.

Yang Zhao wiped the sweat off his forehead and said with lingering fear, “What is that thing? It’s too scary...”

...

The next day.

Gu Taichu did not show up, which gradually made Qin Yu lower his guard.

However, he still did not put away the formation. After all, Qin Yu had to be on guard against an expert like Gu Taichu.

On this day, Qin Yu took Yao Qing out to the herbs market to buy a batch of herbs to grow in Bai town.

Coincidentally, not long after Qin Yu and Yao Qing left the house, they bumped into Xiao Yu and Xiaomi.

“Xiao Yu? Where are you going?” Qin Yu greeted Xiao Yu.

Xiao Yu said in surprise, “What a coincidence! I didn’t expect you to be here!”

Xiaomi said with her eyes wide open, “Some people are really not men.”

Xiaomi kept staring at Qin Yu when she said this.

This made Qin Yu a little puzzled. He couldn’t help but frown and said, “Are you talking about me?”

“Who else can you talk about if not me?” Xiaomi snorted.

“Xiaomi She...”

“Okay, stop talking.” Xiaomi was about to speak, but was interrupted by Xiaomi.

Then, Xiaomi hurriedly greeted Qin Yu and ran away with Xiaomi.

Seeing their expressions, Qin Yu was confused.

“I don’t think I provoked her...” Qin Yu scratched his head.

“Who can guess a little girl’s Thoughts?” Yao Qing mumbled.

He went to the herbs market and bought a sack full of herbs. When he went home, the sky had darkened.

After sealing up these herbs, Qin Yu went back to his bedroom and took out the divine herb.

‘since Gu Taichu hasn’t come yet, I should consider going into seclusion,’ Qin Yu thought to himself.

With this divine herb, Qin Yu was prepared to try to break through to the monastic stage.

As long as he entered the monastic stage, Qin Yu was confident that he wouldn’t be afraid of any martial grandmaster, even a young master like Han Wei.

After thinking about it, Qin Yu decided to go back to Jiangcheng and go into seclusion.

There were too many people in the provincial capital, and it was easy to attract unnecessary trouble.

Just as Qin Yu was thinking, his phone suddenly rang.

He picked up the phone and saw that the caller was an unfamiliar number.

“Hello?” After picking up the phone, Qin Yu called out tentatively.

The other party scolded, “Qin Yu, you really aren’t a man! Just because of you, Little Yu offended Yang Zhao, don’t you know!”

From her voice, it seemed to be Xiaomi’s.

However, what she said made Qin Yu somewhat puzzled.

If there was a real reason, wasn't it still because of Xiaomi?

"What do you mean?" Qin Yu frowned.

Xiaomi gnashed her teeth and said, "Yang Zhao wants to race with you. If you don't agree, Xiao Yu will personally go up and compete with Yang Zhao."

"In the end, Yang Zhao deliberately stopped the car on the track. Now, Xiao Yu is already unconscious!" Xiaomi gnashed her teeth and said.

"Let me tell you, Xiao Yu promised Yang Zhao that as long as he lost, he would listen to Yang Zhao. That Yang Zhao is a pervert. You decide for yourself!"

After saying that, Xiaomi directly hung up the phone.

Qin Yu frowned. After thinking for a while, he searched the nearby car track and then drove away.

At this time, in the car track.

Yang Zhao was famous for being dirty on the track. Most of the drivers who competed with him wouldn't get off the track unscathed.

The inexperienced Xiao Yu was even forced to flip the car by Yang Zhao.

In the car, Xiao Yu was unconscious with multiple injuries.

"Don't worry, I'll send her to the hospital right away." Yang Zhao pretended to be righteous.

"Yang Zhao, if anything happens to Xiao Yu, I won't let you off!" Xiao Mi said angrily.

Yang Zhao glanced at Xiaomi and said sarcastically, “Didn’t you call me brother Yang Zhao a few days ago?”

“Who knew you were a despicable, shameless, and despicable person!”Xiaomi cursed.

Yang Zhao’s face immediately darkened.

He narrowed his eyes and sized up Xiaomi. Suddenly, his heart throbbed:

Although Xiaomi’s beauty was not as good as Xiao Yu’s, it was definitely top-notch!

Besides, Xiaomi’s background wasn’t as complicated as Xiaoyu’s. If they were to play together... It would be a good choice!

“Why didn’t I notice this Xiaomi before...”Yang Zhao couldn’t help but size up Xiaomi with a lecherous look.

Xiaomi stared at him and said, “What are you still standing there for? Hurry up and take Xiaoyu to the hospital!”

Yang Zhao thought for a moment and said with a wicked smile, “Xiaomi, why don’t You Come with me to take Xiaoyu to the hospital? I’ll go alone. Do You Trust Me?”

Hearing this, Xiaomi couldn’t help but frown

After thinking for a moment, she nodded and said, “I’ll go with you. If anything happens to Xiaoyu, I’ll definitely not let you off!”

“Okay, no problem!”Yang Zhao couldn’t help but smile evilly in his heart.

When we reach the destination, see if I won’t play you to death!

Then, Yang Zhao carried Xiaoyu and walked into the car.

Looking at Xiaoyu's snow-white and smooth legs, Yang Zhao liked them more and more. He almost drooled.

But when he thought of last night's scene, Yang Zhao couldn't help but shiver. In the end, he didn't dare to make a move.

Yang Zhao drove away from the race track and headed towards a remote mountain.

At this moment, there was an old man waiting on the mountain.

Chapter 264: Chapter 264: Xiao Yu's accident

The old man on the mountain had his hands behind his back, and a cold light burst out of his eyes.

Meanwhile, Yang Zhao was driving fast on the road.

Looking at the two beauties in the car, Yang Zhao couldn't help but swallow his saliva.

Especially Xiao Yu, her figure and face were simply irresistible.

"Forget it, having Xiao Mi is enough..." Yang Zhao thought to himself.

"Yang Zhao, this doesn't seem to be the way to the hospital, right?" Xiaomi frowned.

Yang Zhao said with a lecherous look, "Don't worry. I have a friend who is a godly doctor. He's much better than the hospital!"

Xiaomi frowned even more.

She always felt that this Yang Zhao was lying.

Moreover, his gaze made people feel very strange.

The further they walked on this road, the darker it became. Soon, there were almost no signs of human habitation in the surroundings.

“Let’s go to the hospital,”Xiaomi said with some fear.

Yang Zhao smiled evilly. “We’re almost there. What are you afraid of? Don’t worry. You’ll be happy soon...”

Hearing this, Xiaomi became even more afraid.

She shook the car door, but found that it was locked.

“Put us down quickly. I’m not going!”Xiaomi said anxiously.

But Yang Zhao didn’t listen at all. He drove all the way to the foot of the mountain.

“We’re here.”Yang Zhao stepped on the brakes and stopped the car in front of the old man.

Looking at the surrounding environment, Xiaomi’s face was extremely ugly, and her heart was incomparably panicked!

She opened the car door and turned around to run, but Yang Zhao grabbed her hair!

“B * Tch, you want to run now? It’s Too Late!”Yang Zhao said fiercely.

Xiaomi struggled desperately, but she was just an ordinary girl. How could she be a match for Yang Zhao?

Yang Zhao raised his hand and slapped Xiaomi’s face. He cursed fiercely, “You’d better F * cking behave yourself! Otherwise, I’ll kill you!”

Xiaomi was so scared that her face was pale, and she couldn't help but cry.

Her whole body trembled, and her lips trembled as she said, "Yang Zhao, you... What do you want to do..."

"Hehe, Little Slut, what do you think I want to do? You still dare to Scold Me, right?" Yang Zhao gnashed his teeth and said.

At this moment, the old man said indifferently, "Not bad, there are unexpectedly unexpected gains."

"Ah?" Yang Zhao was stunned.

The old man raised his finger, and a powerful force immediately pressed towards Xiaomi.

Almost in an instant, Xiaomi directly fainted.

Then, the old man waved his hand, and Xiaomi was directly grabbed by the old man.

Seeing the old man's methods, Yang Zhao was dumbstruck.

He had never seen such a magical ability!

For a moment, Yang Zhao thought this old man was a living immortal!

"Well, he is actually a virgin. Well done." The old man nodded with satisfaction.

Yang Zhao's face changed, and he said boldly, "Old... Old Immortal, this girl is mine. Can you give her to me..."

The old man narrowed his eyes and looked coldly at Yang Zhao.

Yang Zhao instantly felt a chill on his back and cold sweat flowed down his back!

He hurriedly knelt down and begged for mercy. “Old Immortal, I was wrong. This girl is yours...”

The old man snorted coldly and said indifferently, “From today onwards, you will be in charge of finding me a woman. Remember, as long as you are a virgin, the younger the better.”

Yang Zhao was stunned. He smiled embarrassedly and said, “Old Immortal, I didn’t expect you to have such a hobby...”

When the old man heard this, he immediately raised his hand and pressed down!

The terrifying qi force directly made Yang Zhao kneel on the ground and not get up!

“Old Immortal, I was wrong...”Yang Zhao hurriedly said.

The old man then withdrew his Qi force and snorted coldly, “Remember, in the future, find me three virgins every month. The younger the better, understand?”

“Yes, yes...”Yang Zhao nodded desperately.

“Don’t worry, there will be no lack of benefits for you.”With that, the old man flicked his finger, and a pill fell into Yang Zhao’s hand.

Yang Zhao took the pill, and his glasses couldn’t help but be a little puzzled.

“This pill came from the hands of my Earth Fiend Valley Elder. It is a holy pill. After taking it, it will have a magical effect on you,” the old man said indifferently.

Yang Zhao hurriedly nodded and said, “Thank you, Old Immortal!”

In the next second, the old man reached out and grabbed Xiao Yu and Xiao Mi, disappearing into the night.

Yang Zhao wiped his sweat, feeling a lingering fear in his heart.

This old man’s methods looked too scary...

He carefully put away the pill, then drove home.

...

On the other side.

Qin Yu was speeding toward the race track.

But when he arrived at the race track, he found that Yang Zhao had long disappeared.

Qin Yu frowned slightly. He looked at the people on the track and asked coldly, “Where’s Yang Zhao?”

A few young men sized up Qin Yu and said impatiently, “Who are you?”

“I’m asking you where Yang Zhao is,” Qin Yu said coldly.

The young man waved his hand and said, “How would I know? Get lost!”

After saying that, the young man reached out and pushed Qin Yu’s chest.

Qin Yu immediately grabbed his wrist and suddenly exerted force. The young man immediately grimaced in pain and shouted.

“I’m asking you, where is Yang Zhao?” Qin Yu said coldly.

The young man hurriedly said, “Big Brother, something happened to Yang Zhao just now. He took a girl named Xiao Yu to the hospital...”

“Hospital?” Qin Yu frowned slightly.

“Big Brother, can you let go first...” the young man said in pain.

Qin Yu let go of his hand, and the young man immediately heaved a sigh of relief.

“What happened exactly?” Qin Yu asked coldly.

The young man smiled bitterly and said, “Yang Zhao said that he wanted to hook up with that girl named Xiao Yu, so he made a bet with her on car racing.”

“But for some reason, Yang Zhao deliberately stopped the car during the race, causing Xiao Yu to overturn the car, causing her to fall into a coma...”

“Later on, he took Xiaoyu and her friend called Xiaomi to the hospital...”

Qin Yu’s expression instantly turned extremely cold.

He didn’t say anything else and turned around to walk out of the door.

After walking out of the door, Uncle Wu’s call came in.

“Qin Yu, why hasn’t Xiaoyu returned home yet?” Uncle Wu muttered.

Qin Yu frowned and said, “I was just about to tell you about this.”

“Ah?” Uncle Wu was stunned.

“Isn’t Xiaoyu with you?”

Qin Yu frowned and said, “No...”

Then, Qin Yu told Uncle Wu the whole story.

After uncle Wu heard it, he was furious!

“This Yang Zhao... how dare he have designs on My Daughter? I will never forgive him!” Uncle Wu roared angrily.

“Uncle Wu, the most important thing right now is to find Xiaoyu first,” Qin Yu said in a deep voice.

“How about this? Find out which hospital Xiaoyu is in. I’ll go find Yang Zhao. Let’s split up,” Qin Yu said.

“Okay, okay. I’ll go find someone to ask!” Uncle Wu said quickly.

After hanging up the phone, Qin Yu turned around and returned to the racing field.. He grabbed a random young man and rushed to Yang Zhao’s house.

Chapter 265: Chapter 247, heading to the Disha Valley

On the way, Qin Yu’s car drove extremely fast.

And the young man beside Qin Yu was so frightened that his face turned pale.

“Brother, I... I don’t know anything. Please spare me...” the young man said with an embarrassed smile.

Qin Yu glanced at him and said, "I won't do anything to you. As long as you bring me to Yang Zhao's door, I will let you go."

"Yes, yes..."the young man hurriedly nodded.

After driving for about half an hour, they finally stopped at the door of a villa.

"Brother, this is the Yang family. Do you see the room with the lights on? That is Yang Zhao's bedroom."The young man said eagerly.

Qin Yu nodded. Then, he lightly exerted strength under his feet and his body directly soared into the air!

"What the..."the young man rubbed his eyes and was dumbstruck.

In the room.

Yang Zhao was holding the pill and studying it.

"I wonder how much this thing will be worth if I sell it..."Yang Zhao thought to himself.

"I don't care about him. Let's try it first."

After saying this, Yang Zhao opened his mouth, wanting to stuff the pill into his mouth.

At this moment, the window suddenly burst open!

Then, he saw Qin Yu leap out of the window and approach.

The moment he saw Qin Yu, Yang Zhao was instantly stunned.

"What are you doing here? Get out of here right now, do you hear me?"Yang Zhao got up from the bed and cursed.

Qin Yu ignored this sentence and asked coldly, “Where’s Little Yu?”

“What little fish, big fish, how would I know!” Yang Zhao cursed angrily.

“Get the hell out of here, or I’ll call for Help!”

Qin Yu’s face turned cold. He raised his finger, and a wisp of spirit energy instantly shot out like a bullet!

“Bang!”

A bloody hole appeared on Yang Zhao’s knee, and both of his knees suddenly kneeled down!

“My leg...” Yang Zhao covered his calf in pain!

“I’ll ask again. Where’s little fish? If you don’t tell me, I’ll kill you.” Qin Yu’s body burst out with surging killing intent!

This killing intent was extremely terrifying, even more intense than the one on that old man’s body!

This made Yang Zhao extremely terrified! His face was deathly pale!

He said in a trembling voice, “You... What do you want to Do? Let me tell you, don’t do anything reckless...”

Qin Yu waved his large hand, directly slamming Yang Zhao onto the ground!

The enormous force made Yang Zhao vomit blood continuously!

“One last time, where’s Little Yu!” Qin Yu shouted explosively.

At this time, Yang Zhao was completely frightened to the point of peeing. He hurriedly said, “Don’t kill me, don’t kill me... Xiao Yu was taken away by an old man...”

“Old Man?” Qin Yu frowned.

“What exactly happened? Tell me clearly!” Qin Yu shouted angrily.

Yang Zhao painfully told Qin Yu what happened.

“That old man also said that I have to find three virgins for him every month,” Yang Zhao said anxiously.

“Oh right, as a reward, he also gave me a Pill!”

Yang Zhao took out the pill from his pocket and held it in his palm.

Qin Yu took the pill and glanced at it. He couldn’t help but be a little surprised.

This pill... was actually filled with Qi/spiritual energy?

But now was not the time to pay attention to this. Qin Yu put the pill away and then asked, “Where is that old man?”

“I don’t know either... I don’t even know him...” Yang Zhao said bitterly.

Qin Yu narrowed his eyes and said coldly, “It seems that you don’t cry until you see the coffin...”

“Don’t, don’t, I really don’t know!” Yang Zhao shouted desperately.

“I remember now. He said something about the Disha valley... Yes, it’s the Disha Valley!” In his panic, Yang Zhao remembered what the old man said.

When he heard the words ‘Disha Valley’, Qin Yu’s face instantly turned extremely cold!

Even the temperature of the room dropped to the freezing point in an instant!

“This Disha valley... really doesn’t change after repeated lessons.” Qin Yu took a deep breath, a flash of anger in his eyes.

“Brother, I’ve told you everything I know. It really has nothing to do with me...” Yang Zhao said with some fear.

Qin Yu didn’t have the time to care about Yang Zhao. He jumped into the air and jumped out of the window.

After leaving Yang Zhao’s house, Qin Yu drove to Uncle Wu’s house.

When he arrived, Uncle Wu was calling nonstop to find out which hospital Xiao Yu was in.

As soon as he saw Qin Yu, Uncle Wu rushed over.

He said with some panic, “Qin Yu, where is Xiao Yu? Is there any news?”

Qin Yu nodded. He looked at Uncle Wu and said in a low voice, “Little Yu, she...”

“What happened to her? Tell me!” Uncle Wu was so anxious that he was about to cry.

“Little Yu was taken away by the people of the Disha Valley.” Qin Yu sighed.

“The Disha Valley?” Uncle Wu frowned, “Where is the Disha Valley?”

“It’s an organization in the southwest. They specially select the Yin Qi of uncultivated young girls to use for cultivation.”Qin Yu said coldly.

“Previously, I thought the Gu Worm on Little Yu was released by your enemy. Now it seems that the Earth Fiend Valley has already targeted Little Yu,”Qin Yu said slowly.

After hearing Qin Yu’s words, uncle Wu immediately became anxious.

He grabbed Qin Yu’s shoulder and said with tears in his eyes, “I only have one daughter, I can’t lose her. Qin Yu, you must help me think of a way, I can’t Lose Little Yu...”

As he spoke, Uncle Wu’s tears flowed out.

Looking at Uncle Wu’s attitude, Qin Yu couldn’t help but sigh in his heart.

His parents would always love him the most, no matter when.

“Uncle Wu, don’t worry. I’ll definitely bring Xiaoyu back safely,”Qin Yu comforted him.

Uncle Wu wiped his tears and said anxiously, “As long as you bring Xiaoyu back, I’ll listen to You!”

“Uncle Wu, you should rest first. I’ll leave now and head to the southwest,”said Qin Yu.

After saying this, Qin Yu turned around and left the Wu family.

He sat in the car and called Jiang Gu.

At this time, Jiang Gu was not asleep. After receiving Qin Yu's call, he said in surprise, "Mr. Qin, why are you calling me in the middle of the night?"

Qin Yu said in a deep voice, "Do you know the location of the Disha Valley?"

Jiang Gu was stunned and frowned, "Mr. Qin, why are you asking this all of a sudden?"

"I'm going to save people," Qin Yu said coldly.

"Save people?" Jiang Gu was even more confused.

"I don't have time to explain to you now," Qin Yu said with a frown.

Jiang Gu said in a deep voice, "I know the location of the Disha Valley, but... the Disha valley is mysterious and unpredictable. Even if a martial grandmaster went in, he would probably die..."

Qin Yu let out a long breath and said, "Okay, I'll wait for you at the airport."

Jiang Gu was stunned and said awkwardly, "I have to go too?"

"Who else will lead the way for me?" Qin Yu said.

"I'll give you half an hour." After saying that, Qin Yu directly hung up the phone.

Although the murder of little fish was not very related to Qin Yu, it had a direct connection.

In other words, Qin Yu was not the root cause, but the direct cause.

Therefore, Qin Yu had to get to the bottom of this matter.

Chapter 266: Chapter 266, Qin Yu's father

Moreover, Qin Yu couldn't tolerate the actions of the Earth Fiend Valley.

Over the years, they had kidnapped countless young girls and harmed countless families!

"The Earth Fiend Valley... must not exist!" Qin Yu gnashed his teeth in extreme anger!

...

Jiang Gu quickly arrived at the airport. After buying the tickets, the two of them took a plane to the southwest.

"Mr. Qin, although the Earth Fiend Valley has declined over the years, it shouldn't be a problem to deal with one or two martial grandmasters," said Jiang Gu.

Qin Yu nodded and said, "I know."

Jiang Gu opened his mouth, wanting to say something, but in the end, he didn't say anything.

After this period of understanding, Jiang Gu had already understood Qin Yu's character.

Once a decision was made, no one could say anything.

Sitting on the plane, Qin Yu took out the stone statue.

The Earth Fiend Valley's Patriarch's strength had already reached the deadline, Qin Yu didn't know if he could borrow it a second time.

After thinking about it, Qin Yu finally gave up this idea.

Moreover... Qin Yu also wanted to know how his current strength was.

Just as Qin Yu was about to put away the stone statue, a piercing pain suddenly came to his mind!

Then, Qin Yu's spiritual sense was sucked into the stone statue.

As usual, as soon as Qin Yu's spiritual sense entered the stone statue, he was slapped to the ground by the Patriarch of the Disha Valley!

His methods were extremely fierce and ruthless, and he directly attacked the spiritual sense. Even Qin Yu grimaced in pain.

“Have you found the way to break the seal?”The patriarch said coldly.

Looking at the patriarch in front of him, Qin Yu couldn't help but recall the evil deeds done by the Earth Fiend Valley.

This also made Qin Yu's face turn cold. He wished he could kill the patriarch right away!

But in the end, Qin Yu still endured it.

He took a deep breath and tried his best to maintain a smile. “According to the patriarch, we have found it.”

When the patriarch heard it, he was instantly overjoyed!

“Quick, quickly remove the seal for me!”The patriarch roared crazily!

A series of ear-piercing sounds almost shattered Qin Yu's spiritual sense!

Qin Yu endured the pain and said wryly, “Patriarch, the seal has been found, but there was an accident.”

“What ? !”The patriarch was furious. He suddenly raised his hand and pinched Qin Yu’s spiritual sense in it.

“Ah! !”

The pain was beyond imagination. Qin Yu’s face instantly turned extremely pale, and his whole body trembled non-stop!

Qin Yu’s body was sweating profusely, and his face was pale.

“Are you kidding me ? ! Accidents happen again and again. Do you think I’m Stupid ? !”The patriarch said coldly.

“I think you just don’t want me to go out. You are coveting the Earth Fiend Valley!”

Qin Yu suppressed the anger in his heart and said, “Patriarch, I absolutely have no such intention. It’s that Qin Yu... I don’t know where he got the news and snatched the method to remove the seal...”

“Qin Yu ? It’s that Qin Yu Again!”At the mention of this name, Patriarch was furious to the point of madness!

“I want to kill him, I want to tear him into ten thousand pieces! Pull out his tendons and skin him!”

Looking at the furious look of the patriarch, Qin Yu laughed coldly in his heart.

“Patriarch, the chaotic body indeed lives up to its reputation. Even if I borrow your strength to step into the Grandmaster realm, I’m still not his match.”Qin Yu sighed.

The patriarch did not seem to be surprised.

He looked at Qin Yu coldly and said, “The chaotic body is invincible among those of the same level. It’s not a rumor. It’s understandable that you’re not his match.”

“Patriarch, what should we do now? If we don’t get rid of this Qin Yu, the Earth Fiend Valley will disappear, and you will never be able to leave this place...”Qin Yu sighed.

Patriarch glanced at Qin Yu and did not speak for a long time.

A few minutes later, he suddenly said, “I will temporarily lend you all my strength, but I will enter a dispirited state.”

“AH? Then how can I be embarrassed...”although he said this, Qin Yu’s heart was so excited that it almost jumped up!

This idiot actually wanted to lend him all his strength!

“Patriarch, if you will be injured, please forgive me for not being able to accept it!”Qin Yu pretended to be terrified and said.

The patriarch sneered and said, “It doesn’t matter. I only need the blood essence of a thousand young girls, and I will be able to recover to my peak.”

Hearing this, Qin Yu wanted to tear this patriarch into pieces immediately!

A thousand young girls were actually so insignificant in his mouth!

The Disha Valley had existed for so many years, how many people should it have harmed?

Qin Yu almost couldn’t hold it in, but for the sake of the overall situation, he still braced himself and said, “Well, this is the only way for now.”

The patriarch nodded and said, "But remember, you can only last for three days. You must kill him within these three days."

"Three days is enough." Qin Yu nodded and said.

The patriarch didn't say anything more and immediately began to activate the spell.

At the same time, Qin Yu's spiritual sense also left the stone statue and returned to his original body.

"Mr. Qin, are you okay?" Jiang gu asked worriedly.

Qin Yu waved his hands repeatedly, but his expression was somewhat unsightly.

Waves of power that did not belong to him surged wildly toward Qin Yu's body!

Qin Yu's body found it difficult to withstand such a huge force for a moment!

His Dantian was about to explode, and his abdomen was throbbing with pain!

Qin Yu's forehead was full of sweat. He gritted his teeth tightly, and his entire body was almost curled up!

"No... I have to hold it in, or else my Dantian will explode..." Qin Yu could clearly feel that his Dantian had reached the critical point of collapse!

If he were to transmit even a sliver of it, his Dantian would definitely shatter!

“It’s over...”Qin Yu’s face was pale and his heart was incomparably terrified!

At this moment, Qin Yu’s Dantian lit up with a ray of light!

The light seemed to suddenly come out from the darkness, and in the end, it actually turned into a large golden hand!

The huge hand directly covered Qin Yu’s Dantian.

The violent power instantly became like a stream, and it stabilized.

Qin Yu couldn’t help but be stunned.

Whose Hand was this? Where did it come from? Why did it appear in his body?

Before Qin Yu could react, the huge hand had already disappeared without a trace.

Qin Yu’s face was filled with shock as countless thoughts flashed through his mind.

“Could it be...”Qin Yu suddenly thought of something.

“Could it be a backup plan left behind by Father?”Qin Yu muttered in a low voice.

Other than his father, Qin Yu couldn’t think of any other possibilities!

“It must be like this, it must be like this!”Qin Yu couldn’t help but feel a little excited!

From a young age, Qin Yu had always envied the children of other families.

And this kind of lack of familial affection made Qin Yu feel a little inferior in his heart.

He felt that he was a child that no one loved, and even hated his parents.

But it was only now that Qin Yu slowly realized.

Although his father did not accompany Qin Yu to grow up, but in the dark, he had already paved the way for himself.

“Father...”Qin Yu muttered in a low voice, and he could not help but cry.

Sure enough, there was no one who didn't love their child.

However, why did his father never come to see him?

Chapter 267: Chapter 267, an ancient tower

Qin Yu didn't speak for a long time, and Jiang Gu didn't dare to say anything.

After a long time, Qin Yu slowly sighed.

“Mr. Qin, what... is wrong with you?”Jiang Gu couldn't hold it in anymore.

Qin Yu shook his head and smiled, “Nothing.”

He gently clenched his fist. As expected, the realm of a Martial Grandmaster had returned.

Originally, he didn't want to borrow this old ancestor's strength, but unexpectedly, he licked his lips and insisted on sending it over.

Then there was no other choice. He could only ‘be forced’to borrow the power of the Disha Valley to get rid of the Disha Valley.

Chuzhou was very far from southwest cloud state, so the plane stopped at an airport midway.

After the stop, a few people boarded the plane.

Originally, there was no one at Qin Yu's side, but after the stop this time, a girl boarded the plane.

This girl was about twenty years old, and she was dressed very cutely.

And there was a young man beside her. The young man was dressed in a tight suit, and his aura was extraordinary.

Qin Yu looked closely and found that this young man was actually at the peak of the Internal Qi master realm.

This made Qin Yu somewhat surprised.

"I didn't expect to meet an internal Qi master on the plane..." Qin Yu touched his chin and thought to himself.

At this moment, the girl took out a pile of snacks from her bag and handed a bag to Qin Yu politely.

Qin Yu waved his hand and said, "I don't want to eat."

The girl put the snacks aside and said with a smile, "Are you going to Yunzhou Too?"

Qin Yu didn't have much time to chat, so he just nodded.

However, the girl was quite enthusiastic. She said to herself, "My name is Tang Ling, and that's my friend Cheng Cai."

Qin Yu nodded and didn't say anything. Instead, he closed his eyes slightly.

At this time, Cheng cai frowned and said, “Why Are You So Rude?”

“Aiya, it’s okay.”Tang Ling quickly waved her hand.

Then, Tang Ling sat on the plane and began to eat snacks carefully.

Meanwhile, Cheng Cai’s gaze fell on Jiang Gu.

He stared at Jiang Gu for a long time, then leaned forward and whispered, “Are you a martial artist?”

Jiang gu glanced at him without saying anything.

Cheng Cai was not angry. He said excitedly, “From your internal Qi, you are at least a grandmaster, right?”

Jiang gu frowned and asked, “What’s the matter?”

Cheng Cai quickly waved his hand and said, “Nothing, nothing. I’m just curious... you should be a master, right?”

“A first grade martial grandmaster,”Jiang Gu said indifferently.

When he heard these words, Cheng Cai’s eyes instantly lit up!

He excitedly said, “Greetings, senior! I didn’t expect to actually meet an expert like you on the plane!”

After that, Cheng Cai started chattering non-stop, continuously expressing his respect.

Jiang Gu was so annoyed that his face turned ashen. He couldn’t help but say, “Do you have anything else? If there’s nothing else, I want to rest.”

Cheng cai hurriedly said, “Senior, please rest first.”

The surroundings finally quieted down. Jiang gu closed his eyes slightly and restrained the internal Qi on his body.

The plane passed by in the high sky and sped toward Yunzhou.

At this time, Xiao Yu and Xiao Mi had already been caught in the Disha Valley.

On the way to the Disha Valley, the old man fed Xiao Yu a pill.

After taking the pill, Xiao Yu unexpectedly woke up.

Even the wounds on her body were slowly healing.

At this moment, Xiao Yu and Xiao Mi were imprisoned in a dungeon.

This dungeon was specially used to lock up young girls who were not in a human condition. At a glance, there were at least hundreds of people in the dungeon.

Every young girl's face was filled with fear.

They were shouting and shouting desperately, but no one could come to save them.

"Xiao Yu, what should we do now..."Xiaomi grabbed Xiao Yu's arm in fear, her whole body trembling non-stop.

Xiao Yu was also afraid, her tender face was filled with fear.

Looking at the surrounding environment, Xiao Yu was on the verge of breaking down.

But at this moment of difficulty, Qin Yu's figure flashed through her mind unconsciously.

Whenever she thought of Qin Yu, Xiao Yu's heart was filled with a sense of security.

"Don't be afraid, we'll be fine." Looking at the Crying Xiaomi, Xiao Yu held back her fear and comforted her.

However, Xiaomi couldn't suppress the fear in her heart.

She was born in the city, so how could she have ever seen such a scene?

To Xiaomi, this dungeon was a living hell!

"I don't want to die, Xiaomi, I don't want to die..." Xiaomi was so scared that her tears flowed down her face, and her pupils shrank.

"It's all that Qin Yu's fault. If it weren't for him, we wouldn't have been caught and brought here..." Xiaomi said with a bit of a breakdown.

Hearing this, Xiaomi said somewhat speechlessly, "Wasn't it Yang Zhao who harmed us? You Don't blame Yang Zhao, but you blame Qin Yu?"

"If it wasn't because Qin Yu rejected you, we wouldn't have fallen for Yang Zhao's trick..." Xiaomi said with a trembling voice.

Xiao Yu was instantly speechless. She was extremely speechless and didn't say anything more.

She glanced at her surroundings. The entire dungeon was filled with helpless young girls.

"When I get out, I'll definitely get my dad to eradicate this place!" Xiao Yu underestimated her.

"You want to get out of here? Stop Dreaming," someone next to her snorted.

“As long as you come here, you can forget about leaving.”

Hearing this, Xiao Mi became even more desperate. She couldn't help but burst into tears in the dungeon.

A hint of fear flashed across Xiao Yu's face.

She was only a teenager. If she were to be locked up here for the rest of her life, it would be worse than death!

At such a critical moment, for some reason, Qin Yu's figure flashed across Little Yu's mind.

“Qin Yu...” Little Yu looked at the glimmer of light outside and could not help but mutter softly.

...

The plane flew high in the sky for seven hours before landing.

At this time, the sky turned white.

Qin Yu looked at his watch. It was five o'clock in the morning.

“I hope Little Yu is okay...” Qin Yu clenched his teeth and clenched his fist unconsciously.

“Senior, where are you going?” On the other side, Cheng Cai was still following Jiang Gu closely.

Jiang Gu glanced at him and said coldly, “An ancient tower.”

“What a coincidence!” Cheng Cai's eyes lit up.

He hurriedly said, “We are also going to an ancient tower! Senior, Can We Go Together?”

“There’s no need to go together,”Qin Yu said expressionlessly.

Cheng Cai glared at Qin Yu and berated, “Did I ask you? Who Wants to go with you?”

After saying that, Cheng Cai looked at Jiang Gu with an embarrassed smile.

“Senior, let’s go together. We can take care of each other on the way...”

Jiang gu snorted lightly. He ignored Cheng Cai and walked to Qin Yu. He bowed and said, “Mr. Qin, I will arrange a car now.. Please wait a moment.”

Chapter 268: Chapter 268, breaking the heavenly gate

After hearing Jiang Gu’s address, Cheng Cai couldn’t help but be stunned.

These two people were actually together?

And this senior actually called him Mr. Qin?

“Humph, he must be a rich young master,”Cheng Cai said coldly.

He tried to sense Qin Yu’s internal Qi and found that Qin Yu’s strength was so low that it could be ignored.

This confirmed Cheng Cai’s thoughts.

“Why don’t We Go Together? We have already arranged a car,”Tang Ling said while pointing at an off-road vehicle not far away.

It was indeed a waste of time to look for a car now that the matter was urgent.

Qin Yu thought for a moment and nodded, “Okay, thank you.”

Therefore, they got into the car together and rushed to an ancient tower.

Along the way, Cheng Cai was chattering non-stop.

“It’s said that this ancient tower is mysterious and unpredictable. It even sells a top-grade pill. As long as you take it, you can increase your strength,” Cheng Cai said.

Tang Ling also nodded and said, “Oh right, and you can even make a wish. Many people say that making a wish here is especially effective!”

“Mr. Qin, they are talking about the Disha Valley,” Jiang Gu said softly at the side.

Qin Yu frowned slightly. He looked at Jiang Gu with puzzlement and said, “The Disha Valley actually sells pills?”

“That’s right, and the industry is extremely huge,” Jiang Gu said in a deep voice.

Qin Yu snorted coldly and said, “I don’t believe what they say. The Disha Valley is an evil sect, and its purpose is definitely not simple.”

Jiang Gu sighed and said, “Yes, the Disha valley is definitely not for money, but no one knows what it is for.”

The carriage sped along and soon arrived at an ancient tower.

Although the name of the ancient tower was “Tower”, it was actually a small hill. However, on the hill, there was something similar to a signal tower.

On the signal tower hung a golden plaque, which recorded all kinds of mysterious history.

Qin Yu sized up the signal tower and couldn't help but frown.

“Do you feel that this signal tower is a bit strange?” Qin Yu said in a deep voice.

Jiang gu hurriedly nodded and said, “This signal tower seems to be emitting a strong spiritual power, making people unconsciously yearn for it.”

“The power of Faith?” Qin Yu whispered.

It was said that the power of faith was the purest power, and its effect was beyond imagination.

“I don't have time to think too much. Let's go,” Qin Yu said in a low voice.

Then, they rushed toward the small hill.

A long stone ladder was built under the hill.

The stone ladder was at least dozens of meters long, and two warriors stood on both sides of the stone ladder.

Qin Yu glanced at them and found that the two warriors had reached the master realm.

“Are there any conditions to enter this place?” Qin Yu frowned and asked.

“Of course, if you want to enter this place, you must have a devout heart. Otherwise, you don't have the qualifications to enter,” Tang Ling explained with a smile.

Cheng Cai glanced at Qin Yu and said intentionally or unintentionally, “Many rich second-generation heirs want to use money to cheat their way through, but unfortunately, they haven’t succeeded.”

These words obviously referred to Qin Yu. In Cheng Cai’s opinion, Qin Yu was a useless young master from a rich family.

And Jiang Gu was Qin Yu’s bodyguard.

Qin Yu didn’t say anything. He strode forward and arrived at the entrance in the blink of an eye.

The two people at the entrance quickly reached out to stop Qin Yu.

In front of them was a stone tablet.

The stone tablet was emitting a faint yin qi.

If one wanted to enter, they had to go through the inspection of the stone tablet.

“I’ll go first!” Cheng Cai quickly walked to the front of the stone tablet.

He raised his hand and placed it on the stone tablet. A moment later, a faint rumbling sound was emitted from the stone tablet.

Although the sound was not loud, one could clearly see that the stone tablet was shaking.

“You can enter now,” the two guards said faintly.

Cheng Cai was overjoyed when he heard this!

However, he wasn’t in a hurry to enter. Instead, he waited for Tang Ling and the others.

Just as Tang Ling was about to check, the guard said, “Women are exempt from inspection. You can enter directly.”

Hearing this, Qin Yu couldn't help but sneer.

This Earth Fiend Valley was indeed not for money.

“Senior, hurry up. I'll wait for you,” Cheng Cai shouted from the side.

Jiang gu frowned slightly. He subconsciously looked at Qin Yu, as if waiting for Qin Yu's order.

“I'll go first.” Qin Yu walked to the front of the stone tablet. He raised his hand and placed it on the stone tablet.

The moment he touched it, Qin Yu immediately felt a lightning-like internal Qi pass through his body!

In just an instant, Qin Yu's spiritual sense became dimmer!

“Absorb the power of spiritual sense?” Qin Yu frowned slightly.

Just as Qin Yu was thinking, the two guards walked forward and said coldly, “You are not devout enough, so you can't enter.”

“Haha, I Knew It!” Cheng Cai laughed crazily at the side.

“For a playboy like you, how would you know martial arts, and how would you know what Faith Is?” Cheng Cai sneered.

Qin Yu ignored him. He glanced at the guard and said coldly, “How can I be devout enough?”

The guard said impatiently, “Don't ask me. I don't know. In short, everything depends on the stone tablet.”

“Okay, don’t waste time. Wait for us outside,” Cheng Cai shouted from the side.

Qin Yu’s face was cold. He looked at the two guards and said, “If I can’t pass the test of this stone tablet, I can’t go in, right?”

“That’s right.” The two guards nodded.

“What if I have to go in?” Qin Yu’s tone became more and more unfriendly.

“Can you not waste time?” Cheng Cai, who was beside him, shouted impatiently.

“As long as you don’t pass the recognition of this stone tablet, you can’t go through the Heaven Gate, understand?” Cheng Cai said with some displeasure.

Qin Yu frowned and said, “Heaven Gate?”

Cheng Cai sneered and said, “It seems that you don’t know much about an ancient pagoda.”

“This ancient pagoda is a heaven-blessed land. It is the grace of the heavens! If you don’t obtain anything, you will be isolated by the Heaven’s Gate! No matter how capable you are, you have to stand outside obediently!” Cheng Cai snorted coldly.

Qin Yu narrowed his eyes and looked at the entrance.

As expected, there was a transparent barrier at the entrance.

As long as one did not pass the stone tablet’s approval, they would be isolated from the outside world.

And after passing the stone tablet's approval, they would be able to directly pass through this barrier.

“You have not received the approval of the heavens, do you understand?” Cheng Cai shouted.

Tang Ling also whispered at the side, “I think I've heard of it before. Don't make things difficult for them. They can't control the Heaven's gate either...”

Qin Yu laughed coldly.

He looked at the gate and the stone tablet at the side and smiled.

“If I break this so-called gate of heaven, won't I be able to enter?” Qin Yu raised his eyebrows and asked.

Hearing this, Cheng Cai immediately burst into laughter.

“You're really funny. You want to break the Gate of Heaven? You're not awake, right? Even a martial grandmaster can't do it, understand?” Cheng Cai sneered.

Qin Yu didn't say anything.. He clenched his fist and rays of golden light wrapped around it.

Chapter 269: Chapter 269, the formation of the Disha Valley

A terrifying internal Qi spread out in an instant!

“Boom!”

Qin Yu clenched his Golden Fist and smashed it towards the so-called Heaven's gate with a crushing force!

Under this punch, the Heaven's Gate seemed to have suffered a heavy blow! Countless cracks spread out like ripples of water!

Following that, the entire barrier was directly shattered by Qin Yu's punch!

The stone tablet at the side also exploded in an instant!

"What bullshit heavenly gate, it's just a man-made formation," Qin Yu said coldly.

Tang Ling and Cheng Cai were dumbstruck as they watched from the side.

This heavenly gate was actually shattered by Qin Yu's punch?

"You... How dare you!" The two guards shouted with some lack of confidence.

Then, they looked at Cheng Cai and Tang Ling and scolded, "Get Out, the ancient tower doesn't Welcome You!"

Cheng Cai's expression changed and he hurriedly said, "This has nothing to do with us, we don't even know each other!"

The guard said coldly, "Cut the crap! You Dare to barge into the Heaven's Gate, this is a great disrespect to the heavens! Get lost!"

Cheng Cai was instantly enraged. He glared at Qin Yu and berated, "It's all your fault! Now even we can't enter! How can you be so selfish!"

Qin Yu couldn't be bothered with Cheng Cai at all. He strode towards the stone stairs.

Although the two guards were afraid, they still braced themselves and walked forward.

“I said, you... You Can’t go in!” One of the guards said.

Qin Yu looked at him coldly and said, “Get lost.”

After meeting Qin Yu’s eyes, the guard immediately felt a strong sense of danger!

But even so, he still didn’t move his body.

Qin Yu didn’t have time to waste with him. He immediately waved his hand and smashed the guard’s head.

“Ah! !” Tang Ling couldn’t help but scream out of fear.

Cheng Cai, who was at the side, was also pale and nervous.

Killing people just like that? Who Was this Qin Yu?

Qin Yu and Jiang gu strode toward the stone stairs.

The two of them were extremely fast. In the blink of an eye, they had reached the top of the mountain.

“Are we still going?” Tang Ling asked carefully.

Cheng Cai gritted his teeth and said, “It’s not easy to come here. We can’t let go of this opportunity!”

Thus, Cheng Cai braced himself and followed.

...

On the mountain top, there were two old men sitting cross-legged on the mountain top.

They were dressed like immortals. At a glance, they looked like old immortals.

In front of them stood many young men and women.

Some were asking for medicine, while others were making wishes.

Qin Yu pushed aside the crowd and walked in front of the two people.

“Go and queue up,” the old man said without even lifting his head.

The people in line behind him also scolded, “Hurry up and queue up. Do you have any manners? !”

Qin Yu ignored them. He reached out with his big hand and directly pinched the old man’s head, forcefully lifting him up!

Such actions immediately made the old man furious!

He immediately activated a spell, and rays of pitch-black light burst out from his chest, aiming straight for Qin Yu’s face.

“Clang!”

But when the light touched Qin Yu’s body, it was directly shattered!

The old man’s expression suddenly changed! He tried to struggle, but found that Qin Yu’s strength was incomparably powerful, and he couldn’t break free at all!

“You... What do you want to Do!” The old man was shocked and angry.

Qin Yu said coldly, “Take me to the Disha Valley.”

Hearing the words ‘Disha Valley’, the old man’s expression became even uglier!

“Who exactly are you!”The old man said vigilantly.

Qin Yu did not answer this question, but repeated, “Take me to the Disha Valley, or I will crush your head.”

As he spoke, the strength in Qin Yu’s hand increased by a few points!

The old man instantly felt as if his head was about to be torn apart. The intense pain made his vision go black. Fear made his entire body tremble.

“Don’t... Don’t kill me... I’ll take you there. I’ll Take You There!”The old man said in fear.

Qin Yu snorted. He spread his fingers and the old man fell to the ground.

He got up from the ground and patted the soil on his body. He said with a cunning tone, “Sir, please follow me...”

The sudden change made the surrounding tourists dumbfounded.

What was going on? What did the Disha Valley Mean?

The old man led Qin Yu and Jiang Gu to the back of the mountain.

Behind the mountain, there was a big canyon.

The terrain here was complicated, and the roads were winding.

The entire canyon was barren, and not even a tree could be seen.

Looking from the sky, the place was gloomy, almost covering the sky!

The Disha Valley was in the center of this Grand Canyon.

The Old Man took Qin Yu and Jiang Gu around the Grand Canyon, and in the blink of an eye, they had walked for nearly half an hour.

“How much longer?” Qin Yu asked coldly.

The old man hurriedly said, “Soon, soon...”

Qin Yu narrowed his eyes and said, “You’d better not play any tricks on me. Just take me to the Disha Valley obediently, and I might spare your life.”

The old man’s expression changed, and his body trembled.

“Yes, yes...”the old man answered repeatedly.

“Mr. Qin, this Disha Valley is sinister and vicious. It’s full of schemes. You must be more careful,”Jiang Gu reminded from the side.

Qin Yu sneered, “If I Were Afraid, I wouldn’t have come.”

They continued to move forward. The Yin Qi in the surroundings became denser, and even the mountain rocks seemed to be infected, showing a faint black color.

“Six Yin Divine Formation, activate!”

Right at this moment, the old man suddenly shouted!

Following that, the surrounding yin qi gushed out like a spring, attacking from all directions!

And the old man’s body directly disappeared into this yin qi!

The pitch-black yin qi covered almost half of the valley!

What was more terrifying was that in this yin qi, dense gu worms could be seen!

Such a scene caused Jiang Gu’s expression to change greatly!

He could clearly feel that the inner strength in his body had disappeared without a trace in an instant!

“Mr. Qin, this is bad!” Jiang gu shouted in alarm.

“You dare to barge into My Earth Fiend Valley, you don’t know Death!” The old man’s voice seemed to come from all directions!

“As long as you step into the Earth Fiend Valley, you will either be used by me or Die Here!”

Qin Yu looked ahead and said coldly: “It seems that you have given up your last chance to live.”

The old man sneered: “Yellow-mouthed child, don’t be too arrogant! Here, even the heavenly king himself will die here!”

Following the Old Man’s Loud Roar, a fierce wind blew in the valley!

These gu worms carried a terrifying yin qi and attacked Qin Yu and Jiang Gu!

Jiang Gu’s expression changed drastically. He tried to resist, but there were too many gu worms and his inner strength was suppressed. Soon, Jiang Gu was pressed to the ground by these Gu Worms!

These gu worms tore at Jiang Gu’s body wantonly. Even a martial grandmaster would not be able to withstand a single blow from these Gu Worms!

Qin Yu’s condition was not any better. His entire body was wrapped in Yin Qi, and tens of thousands of Gu worms covered his body, preventing him from moving!

“Hehe, these Gu worms will not only absorb your flesh and blood, they will also absorb your divine sense!”The old man laughed coldly.

“So what if they are martial grandmasters, in front of the six Yin divine formation, they are not worth mentioning!”

The old man’s crazy laughter echoed in the valley!

Right at this moment, a blue light suddenly burst out from Qin Yu’s body!

The moment the light appeared, these Gu worms immediately fell from his body with a crackling sound!

The Gu worms dispersed, only to see Qin Yu’s body wrapped in a faint blue flame.

All the Gu Worms did not dare to take even half a step forward!

Chapter 270: Chapter 270, one sword Slash!

The thing that wrapped around Qin Yu was precisely the spiritual fire!

The spiritual fire was an item of extreme yang, the heavenly nemesis Gu Worm!

All the Gu worms evaded several meters under the threat of the spiritual fire!

Qin Yu flicked his finger, and another wisp of spiritual fire landed on Jiang Gu’s body.

In an instant, crackling sounds like fried beans came from Jiang Gu’s body.

Jiang Gu hurriedly got up from the ground. He looked at his body with lingering fear and could not help but break out in cold sweat.

These gu worms were too terrifying!

No wonder everyone was unwilling to go deep into the southwest, and even more unwilling to go deep into the Earth Fiend Valley!

“Thank you, Mr. Qin.” Jiang Gu cupped his hands towards Qin Yu.

Qin Yu did not speak, but looked around coldly.

Although these Gu worms did not dare to move forward, they did not disperse either.

They surrounded Qin Yu and Jiang Gu, not allowing them to move forward.

“Spiritual Fire?” The old man’s voice came from the dark.

“Blue Spiritual Fire?” There was a hint of greed in his voice.

It was obvious that even in the Earth Fiend Valley, they looked forward to blue spiritual fire!

Qin Yu did not say anything, he raised his hand and threw a ball of spirit fire forward.

In an instant, countless gu worms turned into corpses under the burning of the Spirit Fire.

The Old Man in the dark rebuked coldly: “The consumption of the spirit fire is huge, I want to see how long you can last!”

Just as he said that, the surrounding gu worms increased by several times!

“Rise!”

Then, the old man in the dark roared again and again!

Countless gu worms flew into the sky.

The Gu worms that blotted out the sky turned this valley into pitch black!

And these Gu worms that were mixed with yin qi actually transformed into a huge human figure in the sky!

The pitch black giant was at least the level of a three-story building!

The overwhelming yin qi made people break out in cold sweat!

“Hahaha! I’d like to see how long your spiritual fire can last!”The old man laughed coldly.

Qin Yu didn’t say a word. He held the spiritual fire in his hand and took a step forward, pressing directly on the giant!

“Chi la!”

Qin Yu’s fist that was wrapped in the spiritual fire was like a blade, directly tearing apart this gu worm!

When this fist fell, at least thousands of Gu Worms died!

But what surprised Qin Yu was that soon, Gu Worms made up for it!

“Huh?”Qin Yu frowned slightly.

How many Gu worms were there in this Earth Fiend Valley?

“Hehe, I really want to know how long you can last.”The old man said coldly.

“Unfortunately, I don’t have time to accompany you, so you’d better die!”

The old man roared angrily, he activated this giant, and actually took the initiative to force Qin Yu!

Qin Yu hurriedly wrapped his body in spiritual fire, clenched his Golden Fist, and met it head-on!

“Chi la!”

Another group of Gu Worms were torn apart! However, Qin Yu’s body also suffered a heavy blow!

These gu worms contained a terrifying poisonous gas, making Qin Yu’s vision go black!

“If this continues, I’m afraid my spiritual power will really be exhausted.”Qin Yu thought in his heart.

There were countless gu worms here, fighting a battle of attrition was definitely not a wise choice.

“Your Earth Fiend Valley really likes to play attrition.”Qin Yu sneered.

Hui Ming was the same back then, and now that they had entered deep into the Earth Fiend Valley, they still encountered such a situation.

“Hahaha! So What?”The old man’s voice came from all directions.

Qin Yu’s lips curled into a cold smile, the blue flame on his body slowly disappeared until it was completely extinguished.

“What, you gave up?”The old man sneered.

“Then come and be the Gu Worm’s fodder!”

After a furious roar, the giant charged at Qin Yu again!

A huge hand came crushing down in the air, almost shattering the entire canyon!

“Go to hell!”The old man roared crazily!

This huge hand ruthlessly descended!

The entire ground instantly caved in!

Smoke and dust rose up, obscuring one’s vision. Endless falling rocks rolled down, as if a huge collision had occurred.

The old man’s figure finally appeared.

He stood at a vantage point in the canyon, coldly looking in the direction of the explosion.

“You Reckless Thing,”the old man said coldly.

Just as he turned around and was about to leave, a golden light suddenly cut through the smoke and darkness! It lit up the entire canyon!

“Crash!”

The sword went straight for the giant! The sharp sword Qi actually split the giant in half!

The Old Man’s face suddenly changed and exclaimed, “How is this possible!”

A figure jumped out from the rubble.

In his hand was a long sword that was stained with golden light.

This sword was the bronze sword that Qin Yu had obtained at the auction!

The bronze sword contained pure Qi/spiritual energy, and it was the heavenly nemesis of the Earth Fiend Valley!

“Do you really think I can’t do anything about it?” Qin Yu sneered.

The old man’s expression was a little ugly. He silently recited an incantation once again and activated a spell, condensing the giant again.

However, before the giant could take form, Qin Yu’s sword had already chopped off its head!

“If you condense once, I will slash once. If you condense ten times, I will slash ten times!” Qin Yu’s voice was ice-cold, causing people’s hearts to turn cold!

The old man was a little flustered. As he retreated, he said in a trembling voice, “No... No, I will bring you to the Disha Valley now. Don’t kill me!”

Qin Yu’s feet shook, and in the blink of an eye, he arrived in front of the old man.

Then, Qin Yu held the bronze sword in his hand and slashed out with a sharp sword.

“Chi La!”

This sword actually directly cut the old man into two halves from his waist!

“Ah! ! !”

This kind of pain was unimaginable, and the old man almost fainted from the pain!

Qin Yu stretched out his palm, and a stream of Qi/spiritual energy directly protected the old man's wound.

“Don't worry, I won't kill you. I still need you to lead the way for me...”Qin Yu said with a smile.

...

Earth Fiend Valley, dungeon.

This place was divided into two dungeons. In addition to imprisoning the young girl, there was also a group of martial artists.

The young girl was used to absorb yin energy, while the martial artists would be turned into puppets.

At this moment, little fish was desperately staying in this dungeon.

She raised her head to look at the last bit of light, and her eyes couldn't help but become moist.

“Dad, I missed you so much... I shouldn't have been so willful...”at this moment, Xiao Yu suddenly remembered her usual unruly behavior.

“If I can get out, I will definitely listen to you...”the more Xiao Yu thought about it, the more upset she became, and tears couldn't help but flow out.

Beside her, Xiaomi was even more desperate, and she fainted many times.

“Qin Yu, when will you come and save me...”Qin Yu’s figure kept flashing in Xiao Yu’s mind.

However, so much time had passed, but Qin Yu still didn’t show up.

Perhaps, she was really going to die here.

At this moment, the door of the dungeon opened.

Then, two old men in black robes walked in.

Fear flashed in the eyes of the girls. They curled up in a corner, afraid that the two old men would see them.

The two old men glanced at each other, then their eyes fell on Xiao Yu and Xiao Mi.

Chapter 271: Chapter 271, the pained little fish

After noticing the old man’s gaze, Little Fish and Xiaomi’s expressions immediately turned ugly.

As for the others, their eyes were filled with pity.

“It should be the two of them,”one of the old men said.

“Yeah, but which one specifically?”The other old man frowned slightly.

The two of them sized up little fish and Xiaomi, seemingly unable to make a decision for a moment.

However, at this moment, Xiaomi suddenly pointed at Xiao Yu and said, “It must be her, it must be her. It has nothing to do with me. I want to catch you guys to catch her...”

Hearing Xiaomi's words, Xiao Yu's pupils constricted, and disbelief was written all over her face.

She found it hard to believe that these words came out of Xiaomi's Mouth!

"Xiao Yu, just admit it on your own initiative. Yang Zhao went for you back then. It has nothing to do with me..."Xiaomi said with a trembling voice.

"Uncles... No, grandpas, the person we wanted to catch back then was Xiaoyu, not me. SOB, sob, sob, don't look for me..."

The two old men were deep in thought. After sizing up Xiaoyu, they nodded and said, "It should be her."

After saying that, the two men walked forward and caught Xiaoyu in their hands.

However, Xiaoyu still hadn't recovered from her shock.

She stared at Xiao Mi's direction and couldn't help but feel a little sad.

Her best friend actually said such words at this moment.

It was impossible not to feel sad.

The two old men brought Xiao Yu out of the dungeon and arrived at the entrance of a cave.

After entering the cave, they saw that there were all kinds of instruments inside.

Other than that, there were countless snakes, insects, blood, and corpses.

And at the very front, there was a huge formation stage!

In the center of the formation stage, there was the corpse of a young man!

Hui Ming was sitting at the side of the corpse!

Seeing this scene, Xiao Yu was scared out of his wits and was trembling non-stop.

“Sect master, I’ve brought the person.”The two old men brought Xiao Yu over.

Hui Ming’s eyes suddenly turned towards little fish!

His quick-witted gaze almost made little fish cry out of fear!

“TSK TSK, this is the pure yin body...”Hui Ming licked his lips and said.

“You live up to your reputation, you live up to your reputation!”Hui Ming could not help but laugh out loud.

An elder beside Hui Ming said in a deep voice, “With the pure yin body, reviving the ancestor should not be a problem.”

“That’s right.”Hui Ming nodded slightly.

He narrowed his eyes and said coldly, “It’s a pity that the stone statue is still in Qin Yu’s hands...”

“Qin Yu? is that the chaotic body you mentioned?”The old man beside him asked.

Hui Ming narrowed his eyes and said, “That’s right.”

“If we can use the chaotic body to revive the ancestor, then the ancestor will be invincible in this world!”Hui Ming said coldly.

At this point, a hint of anger flashed across Hui Ming’s face.

He took a deep breath and said, “Unfortunately, we can’t subdue Qin Yu for the time being, so we can only use this holy body temporarily.”

The holy body referred to the male corpse lying in the center of the array platform.

Originally, Hui Ming had prepared this corpse for himself.

Unfortunately, he couldn’t find a better body to resurrect the patriarch, so he could only bear the pain and give up this holy body.

“It’s all Qin Yu’s fault for delaying the resurrection plan for so long! If we had the stone statue, the patriarch would have been resurrected long ago!” Hui Ming said angrily.

“Since the patriarch is resurrected, we don’t have to cower here in fear!”

The more Hui Ming spoke, the angrier he became. He could not help but emit a terrifying aura from his internal Qi.

Under this aura, the entire valley was buzzing!

Xiao Yu was even shaken until blood flowed out of his seven orifices. His small face was deathly pale.

“It doesn’t matter. After the patriarch is resurrected, we can go and seize that Qin Yu’s body.” The elder beside him said.

Hui Ming nodded and said in a deep voice, “This is the only way.”

“Sect master, it’s best that we don’t waste any more time in case anything happens.” Someone beside him reminded.

Hui Ming nodded and said in a low voice, “Everyone, fall back and activate the revival formation!”

As soon as he said that, the eight elders flew up and sat in the eight directions of the formation!

As for little fish, she was brought to a furnace.

The furnace was extremely cold. The moment it touched little fish, it seemed like it was going to suck her body dry!

Little Fish only felt extreme pain, and her entire body was in excruciating pain!

The cold chill caused Little Fish's consciousness to become somewhat blurry.

However, her strong desire to survive allowed her to firmly maintain her consciousness.

"I don't want to die..." little fish muttered in a low voice. Her lips had already turned deathly white. As her small mouth squirmed, cold air flew out.

"Formation, Rise!" Hui Ming roared angrily! The eight elders activated their spells at the same time!

The entire formation erupted with a sky-piercing radiance in an instant!

The radiance pierced through the valley! It shot straight into the sky!

As the formation was activated, the Yin energy in Xiao Yu's body was rapidly extracted!

Even Qin Yu could not endure such pain, let alone Xiao Yu?

"I'm in so much pain... so much pain..." Xiao Yu's eyes were filled with tears.

She wanted to struggle, but she found that she didn't have any strength at all.

"Qin Yu, when are you going to save me..." Xiao Yu's face was full of despair, and her vision began to slowly turn black.

"It seems... I'm really going to die here..." Xiao Yu couldn't take it anymore. Her eyelids moved up and down, and the light in her eyes began to dim.

Just as Xiao Yu was about to faint, a sword light rose from the sky and cut through the valley!

Under the Sword Qi, a huge hole was created in the cave!

However, the terrifying sword Qi did not disappear! Instead, it landed on the Resurrection Formation!

"Not good!" Hui Ming's expression changed. He leaped into the air and quickly dodged!

The eight elders did not dare to be negligent. They shot to the side at almost the same time!

The formation stopped at that moment.

Hui Ming's face was extremely cold, and his chest was filled with anger!

"Who dares to ruin the Great Plan of our Earth Fiend Valley's revival! !" Hui Ming raised his head and roared, his voice shaking the sky!

"Hui Ming, I didn't expect you to hide in this kind of ghost place." Qin Yu's voice came from the door.

Hui Ming's pupils constricted, and he hurriedly looked at the entrance!

Sure enough, Qin Yu and Jiang Gu were standing at the door coldly.

“Qin Yu?” Hui Ming couldn’t help but be stunned before he burst into laughter.

“Qin Yu, I was just worried that I wouldn’t be able to kill you. I didn’t expect you to come to my door of your own accord. hahaha!” Hui Ming couldn’t help but burst into laughter.

Qin Yu sneered, “Hui Ming, you’re about to die. How can you still laugh?”

“The one who died is you!” Hui Ming said coldly.

“With your strength, you dare to barge into my Disha Valley?”

“Hui Ming, you almost killed my son. Today, I will make you pay with your life!” Jiang Gu’s long hair danced in the wind, full of killing intent!

Hui Ming narrowed his eyes and said, “Just the two of you? One is an inner strength master, and the other is a new martial grandmaster?”

Chapter 272: Chapter 272 was just a piece of grass

Hui Ming was not worried at all. He was even a little excited.

He was just thinking about how to catch Qin Yu when he did not expect Qin Yu to deliver himself to his doorstep.

Qin Yu released his spiritual sense and scanned his surroundings.

Soon, he found little fish lying inside the utensil!

Qin Yu’s expression instantly turned extremely ugly!

He immediately strode towards the tool, wanting to save little fish.

“Stop him!” Hui Ming ordered coldly.

“Yes!”

Several people immediately pounced towards Qin Yu’s direction!

However, Qin Yu didn’t even look at it, only the Qi force on his body suddenly exploded!

“Boom!”

The surging and terrifying qi force directly sent these people flying!

The weaker ones might even die on the spot!

Hui Ming’s pupils constricted and his brows furrowed tightly.

This Qin Yu’s strength... seemed to have become stronger again!

“Let’s attack together and stop him!” Hui Ming said coldly.

The eight elders nodded. They soared into the air and stood in mid-air. They chanted incantations silently and activated the Disha Valley’s spell!

“Hualala!”

As the spell was activated, eight wrist-thick chains suddenly appeared in the air!

The chains rushed at Qin Yu at an extremely fast speed. In the blink of an eye, they tied Qin Yu Up!

His wrists, ankles, waist, abdomen, and even neck were all tightly bound by the chains. He could not move at all!

Qin Yu’s footsteps also stopped unconsciously.

Hui Ming sneered and said, “Qin Yu, don’t forget where you are. This is the Disha Valley! My Territory!”

“You still dare to behave atrociously in my territory? Do you really think that my Disha Valley is just a decoration?”

After saying that, Hui Ming walked toward Qin Yu.

“Qin Yu, I want this body of yours!” Hui Ming grinned and said coldly.

At this moment, Qin Yu raised his head.

He looked at Hui Ming coldly and said, “You want to trap me with just these eight chains?”

Hui Ming’s expression changed. He suddenly felt a sense of danger!

Before he could react, a golden light appeared on Qin Yu’s body! Endless power burst forth!

“Boom!”

Qin Yu roared angrily, and the eight chains immediately made a loud noise!

The expressions of the eight elders were extremely unsightly. They hurriedly pressed their palms together, trying to stabilize the chains.

“Kacha!”

Unfortunately, the Qi force on Qin Yu’s body was too great, and it actually directly shattered the chains!

“Pu!”

The eight elders instantly suffered a backlash, and their bodies were directly sent flying, fiercely slamming into the wall!

Hui Ming's expression immediately became extremely gloomy, and his body unconsciously took two steps back.

At this moment, he suddenly realized that the Qin Yu in front of him was completely different from the Qin Yu from last time.

The difference in strength between the two was like a natural moat!

Qin Yu ignored Hui Ming, and walked in front of little fish. With a shake of his big hand, he directly shattered the tool into pieces!

Xiao Yu's body fell from the sky.

Qin Yu quickly stretched out his arm and caught Xiao Yu in his arms.

At this moment, Xiao Yu's consciousness was on the verge of collapse.

She looked at Qin Yu in a daze and whispered, "Qin Yu, is that you..."

Qin Yu smiled and said, "Have a good sleep. You'll be fine."

Feeling Qin Yu's warm embrace, little fish suddenly felt a sense of security.

She lay in Qin Yu's arms and fell into a deep sleep.

Qin Yu turned to Jiang Gu and said, "Jiang Gu, keep an eye on Little Fish."

"Mr. Qin, You're alone..."

"Don't worry. They're no match for me," Qin Yu interrupted Jiang Gu.

After that, Qin Yu handed little fish to Jiang Gu.

Then, he looked up at Hui Ming.

Countless thoughts flashed through Hui Ming's mind, and the expression on his face changed again and again.

In the end, a smile appeared on Hui Ming's face.

At this critical moment when the old ancestor was about to be resurrected, he could not take the risk!

Therefore, Hui Ming put on a smiling face and said gently, "Qin Yu, there is no deep hatred between us. There is no need to cause such a scene."

"Oh?" Qin Yu raised his eyebrows and was somewhat surprised.

Hui Ming continued, "The grudge between us is nothing more than because of this girl. I will return her to you now and we will be even. How about it?"

"Oh? You Don't Want My Body Anymore?" Qin Yu sneered.

Hui Ming sighed and said, "To be honest, this is not entirely my fault. The main reason is that the temptation of the chaos body is too great. I was temporarily obsessed."

"From now on, I promise that I will never covet your body again. How about it?"

Although he said that, he was roaring crazily in his heart.

When the old ancestor resurrected, he would definitely cut you into a thousand pieces!

“Mr. Qin, How About It?” Hui Ming saw that Qin Yu did not speak, so he continued to ask.

Qin Yu sneered and said, “You made me run so far and caused me so much trouble, and now you want to send me away with just a few words?”

Hui Ming rolled his eyes and quickly said, “Our Earth Fiend Valley will naturally compensate you.”

After saying that, Hui Ming reached out his palm and a snake skin bag fell into his hand.

“This is the holy medicine of our Earth Fiend Valley. It has a magical effect on you.” Hui Ming handed the snake skin bag to Qin Yu.

Qin Yu opened the snake skin bag and took a look. Inside were pill after pill.

And inside these pills, almost all contained extremely strong Qi/spiritual energy.

This made Qin Yu somewhat surprised.

Didn't the Disha Valley cultivate yin energy? How could they refine a pill that contained Qi/spiritual energy?

“Qin Yu, our Disha Valley can supply you with this kind of pill for a long time. How about it?” Hui Ming continued to say.

Qin Yu didn't say anything. He touched his chin, and no one knew what he was thinking.

Hui Ming saw that Qin Yu was trying to ease up, so he struck while the iron was hot. “We didn’t touch this girl, and you didn’t lose anything. You can even get this holy medicine for a long time. Why Not?”

Qin Yu nodded slowly. “I indeed didn’t lose anything...”

“That’s right!” Hui Ming nodded quickly.

“So, Qin Yu, not only are we not enemies, we might even become friends!”

Qin Yu raised his head and looked at Hui Ming. He sneered and said, “Become friends? become friends with maggots like you? Then wouldn’t I also become a Maggot?”

Hui Ming’s expression changed. He frowned and said, “Qin Yu, what do you mean?”

“You are right. I indeed have nothing to lose,” Qin Yu said coldly.

“But your Disha Valley has done evil things. You are unscrupulous. For the sake of your cultivation, you have harmed countless young girls and families!”

“I have long detested your Disha Valley!”

“Are you even worthy to be your friends? !”

His words were sonorous and powerful, shaking the entire valley!

Hui Ming couldn’t help but laugh out loud.

“To cultivators, the lives of these ordinary people are nothing but grass. Qin Yu, you are going against my Disha Valley for a group of low-level people?” Hui Ming laughed so hard that he almost couldn’t breathe.

Qin Yu's expression became even colder, and the killing intent on his body became even stronger.

"I really don't know where your sense of superiority comes from.... to you, ordinary people are dirt, but to me, aren't you the same?" Qin Yu said coldly.

Chapter 273: Chapter 273, Chaos Body Vs sacred body

Qin Yu's words instantly angered Hui Ming.

His expression turned cold, and a killing intent overflowed.

"You Shameless Thing, do you really think I'm afraid of You? !" Yin Qi surged around Hui Ming's body, and rays of black light shot out from his Dantian.

The entire canyon was enveloped by an ominous internal Qi.

This internal Qi was something that no one dared to ignore. Even Jiang Gu was a little afraid of it.

"Qin Yu, you have repeatedly ruined the good things of My Earth Fiend Valley. If I don't kill you today, you will become the Valley Master of the Earth Fiend Valley!"

Hui Ming roared repeatedly as the rays of light in his DANTIAN flowed towards the body in the middle!

"Everyone, sacrifice yourselves for the revival of the Earth Fiend Valley!" Hui Ming roared again!

He raised his palm, as though he was supporting the heavens!

In an instant, the faces of the eight elders contorted, and the internal Qi in their Dantian was forcefully sucked out!

“Valley Lord, you...”the elders looked at Hui Ming with great pain and difficulty.

Hui Ming laughed coldly, “It is your honor to give up your lives for the Disha Valley.”

As he spoke, the internal Qi of the eight elders was completely sucked out!

At this moment, a human figure flew out from between Hui Ming’s brows!

The human figure dashed towards the sacred body at an extremely fast speed!

“Mr. Qin, not good! We must not let him complete the possession!”Jiang gu shouted anxiously.

Qin Yu frowned slightly. He had already seen through Hui Ming’s intentions, but it was already too late for him to make a move now.

“That body... is not simple.”Qin Yu touched his chin and muttered in a low voice.

However, he didn’t have any fear in his heart. Instead, he was faintly excited!

Ever since he stepped into the path of cultivation, Qin Yu hadn’t met anyone stronger than him!

This holy body in front of him might be one of them!

“Come, let me see this so-called holy body.”Qin Yu’s feet shook, and waves of golden light burst out from his body!

The light enveloped him, and at a glance, he looked as if he was wearing a layer of golden armor!

The male corpse in the center of the array platform was enveloped by the black qi, and crackling sounds could be heard from within.

“Boom!”

Not long after, the center of the array platform burst out with a huge tremor!

The entire canyon was shaking so loudly that even the dungeons far away were affected by the internal Qi!

“What’s going on?”Cheng Cai and Tang Ling, who were following closely behind, couldn’t help but change their expressions.

They looked into the distance, their eyes filled with shock.

“Someone must be fighting. Quick, we mustn’t miss this opportunity!”Cheng Cai said excitedly.

...

The array platform was completely shattered by this internal Qi! The Darkness also disappeared in an instant!

The corpse lying in the center of the array platform slowly stood up.

An aura that looked down on the world rippled over, making people have the urge to worship it!

This kind of pressure seemed to come from the suppression of the bloodline. Even if one was powerful, they couldn't resist it.

Even Jiang Gu's legs trembled!

"What a powerful pressure." Qin Yu looked at Hui Ming who had completed the possession and murmured in a low voice.

Hui Ming slowly walked toward Qin Yu from the center of the array.

Although there was no light covering his body, one could tell at a glance that his body was extraordinary.

"How Wonderful..." Hui Ming licked his lips and lowered his head to look at his body.

Hui Ming seemed to enjoy this unprecedented power.

"I originally planned to use it to resurrect the patriarch, but now it seems that there's no need." Hui Ming opened his mouth and sneered.

He looked at Qin Yu and said with a gloomy tone, "Speaking of which, I have to thank you. It is really a pity to give such a good body to someone else."

Qin Yu sneered, "This is the saintly being? It is just so-so."

"Hahahaha!" Hui Ming raised his head and laughed loudly.

His laughter was like rolling thunder, Shaking People's ears.

"Although the saintly being is not as good as the chaotic body, the difference is not big." Hui Ming grinned and said with a cold smile.

“This body had reached the peak of the Grandmaster realm when it was alive. Qin Yu, why are you playing with me!” Hui Ming shouted, and the surging inner strength immediately came over!

“Puff!”

Jiang gu could not withstand this pressure, and he suddenly spat out a mouthful of blood!

Qin Yu also felt that his chest seemed to be blocked by something, and he felt a little uncomfortable.

“This saintly being is indeed extraordinary,” Qin Yu said in a deep voice.

Fortunately, he didn't let the stone statue fall into Hui Ming's hands. If the ancestor was resurrected, he would be in trouble.

“Qin Yu, I can't wait to feel this body! hahahaha!” Hui Ming raised his head and laughed loudly. The inner strength in his entire body seemed to be boiling!

Following that, Hui Ming took a step forward, and his crushing fist headed straight for Qin Yu's body!

“Clang!”

Qin Yu did not Dodge or Dodge. It proved that he had clenched his fist to meet the fist!

“Rumble!”

The collision of the two fists caused an explosion in the air!

The entire Earth Fiend Valley could not withstand it anymore and began to collapse at this moment!

“As expected of a sacred physique!”Qin Yu’s pupils constricted and his battle intent was thick!

This was the first time Qin Yu had met an existence that could face him head-on with a hard steel body!

Hui Ming also licked his lips and grinned, “The chaos body is indeed worthy of its reputation. Unfortunately... you will definitely die here today!”

As he spoke, Hui Ming rushed over again!

The two sides engaged in an unprecedented melee!

The fist-to-fist combat caused the scene to be extremely chaotic!

The sound of “Dang Dang”was even more incessant!

Jiang Gu, who was not far away, gritted his teeth. He formed a spell with his hands in an attempt to help Qin Yu.

Countless streams of inner strength turned into raindrops and headed straight for Hui Ming.

However, what was shocking was that Jiang Gu’s attack was completely ineffective! It was not even able to hurt Hui Ming’s skin!

“How is this possible!”Jiang Gu’s expression turned extremely ugly!

Hui Ming’s physical body was actually so strong?

Qin Yu was fighting against such a monster in close combat?

This was almost beyond Jiang Gu’s understanding!

“Boom!”

Hui Ming let out an angry roar. His fist expanded by a few points and smashed fiercely onto Qin Yu's chest!

Qin Yu's body instantly pierced through the mountain rocks and was directly sent flying!

“Hahahaha! This is the power, this is the power!” Hui Ming shouted excitedly, his mood was extremely high!

Qin Yu crawled out from the rubble. He lowered his head and looked at his fist. His face could not help but reveal a grave expression.

‘the toughness of this saintly being is even stronger than mine,’ Qin Yu thought to himself.

The saintly being was, after all, a peak martial grandmaster when it was alive, and its realm was much higher than Qin Yu's.

If not for Qin Yu having tempered his body over 500 times, he might have really died here.

“Sou!”

Just as Qin Yu was thinking, Hui Ming charged forward again!

The two sides did not have any gorgeous moves, only simple and unadorned punches and kicks!

“Clang! Clang!”

Every punch made the air tremble. No one could interfere in the battle between the two sides!

“What... What is that? So powerful...” Cheng Cai, who had rushed to the scene, could not help but look at the sky in shock.

“It seems to be Qin Yu,”Tang Ling said in surprise.

Chapter 274: Chapter 274, Invincible physical body!

Cheng Cai took a closer look and realized that it was really Qin Yu!

This kind of movement was actually caused by that inner strength master?

How could this be possible? !

“Sou!”

Just as Cheng Cai was in a daze, a piece of gravel shot toward Cheng Cai like a bullet!

With such a fast speed, Cheng Cai was unable to dodge at all. For a moment, he was rooted to the spot.

At this critical moment, a ray of light lit up and shattered the broken stone.

“Stand further away, or you’ll be killed. No one will pay with your life,”Jiang Gu said coldly.

Cheng Cai nodded in a daze and quickly stood to the side.

Explosions continued in the sky. The physical collision between the two had reached the limit.

Qin Yu’s body was damaged in many places. His thumb and index finger cracked. Even the golden light on his body was dimmed a little.

Hui Ming was also having a hard time. His chest was pierced through by Qin Yu's punch. Fresh blood poured out, making him look extremely horrifying.

"Hahahaha!" Hui Ming became more and more excited as he fought. He had never felt such a tough body before!

Qin Yu's face was also flashing with excitement. The satisfying close-combat made Qin Yu's battle intent reach the peak!

The chaotic body and the sacred body launched an unprecedented battle!

"As expected of the chaotic body. It's actually on par with me." Hui Ming licked the fresh blood on his body and sneered.

Qin Yu also shook his fist and said, "Indeed, this body has successfully aroused my interest."

"Hehe, it's a pity that you're going to die here today!"

Hui Ming's face turned cold. He suddenly raised his head and roared. Countless black gas suddenly attacked from all directions in the valley!

"Ah! !"

In the dungeon, those warriors even let out painful wails!

He only felt that the inner strength in his body seemed to have been absorbed, and his entire body became extremely weak!

Hui Ming's body began to expand, and blue veins bulged in an instant. Under the sunlight, his body flickered with a dark light!

The saintly being seemed to step into another stage in an instant!

“Qin Yu, I’ll let you experience the power of the saintly being!” Hui Ming said, and then disappeared into thin air.

In the blink of an eye, Hui Ming’s fist had already arrived in front of Qin Yu!

The terrifying fist wind directly shattered a small mountain behind him!

Jiang Gu, who was at the side, seemed to have suffered a heavy blow, and was actually sent flying by the Fist Wind!

“Ah!” Qin Yu did not Dodge or Dodge. He roared in anger again and again.

He clenched his Golden Fist and met the punch head-on!

“Boom!”

It was like a muffled thunder in the sky! The huge collision caused a chain effect!

The surrounding mountain rocks were directly shaken into grains of sand, and the Earth Fiend Valley was instantly turned into ruins!

“Whoosh!”

Under this punch, Qin Yu’s body was directly sent flying!

What made people even more desperate was that Qin Yu’s arm was broken, and he was severely injured.

“Is this really the power that a human can exert...” Cheng Cai was almost dumbfounded.

He swallowed his saliva, and couldn’t help but think of the contempt he felt for Qin Yu.

“Go to hell!” Hui Ming didn’t stop there. He jumped up and punched several times in the air toward Qin Yu’s direction!

The ground kept sinking and dust rose dozens of feet high!

Hui Ming stood in mid-air with his hands behind his back and said indifferently, “It’s over.”

Jiang Gu’s expression was a little ugly.

He could clearly feel the terror of that power!

If it was him, he would have been beaten into a pulp!

“Buzz!”

At this moment, a golden light flashed!

The golden light cut through Qin Yu’s body at any moment!

“Huh? He didn’t die?” Hui Ming raised his eyebrows, a hint of surprise flashed in his eyes!

“Whoosh!”

A figure shot out from the ruins!

Qin Yu’s body was wrapped in a strong golden light. Under the Golden Light, his body looked bigger.

“I didn’t expect that even the second level of the sagely physique technique couldn’t withstand it.” Qin Yu looked at his wounded body and couldn’t help but sigh.

This was the first time that the second level of the sagely physique technique had failed.

The sagely physique lived up to its reputation!

“I’m surprised that you didn’t die,” Hui Ming said with a cold smile.

However, he didn’t panic. Fighting with his body alone, Hui Ming didn’t need to worry about his inner strength being exhausted.

Qin Yu looked at Hui Ming coldly and said, “Thank you for letting me know that such a strong body exists in this world.”

“What’s the big deal if a dying person knows?” Hui Ming said coldly.

Qin Yu didn’t say anything. The Aura on his body started to surge all over.

“Level three of the saintly physique technique!”

As Qin Yu roared, his physical body improved again!

Even his strength had undergone a qualitative change in that instant!

There were nine levels of the sacred physique technique, and each level would bring about a great increase!

It was said that ordinary people who cultivated the sacred physique technique to the ninth level could even fight against all major physiques!

With the support of the third level of the sacred physique technique, Qin Yu’s strength had shockingly reached another level.

“Putting on an act.” Hui Ming sneered.

“Under my saintly being, everything will turn into nothingness!”

After saying that, Hui Ming clenched his fist again!

This time, Qin Yu did not confront him directly, but dodged to the side.

“Whoosh! Whoosh! Whoosh!”

Three consecutive punches were easily dodged by Qin Yu!

“What, are you afraid?” Hui Ming sneered.

“Isn’t the chaos body known as the number one constitution in the world? Now it seems that it is just so-so.” Hui Ming opened his mouth, revealing a mouthful of yellow teeth.

Qin Yu looked at Hui Ming coldly and said, “I don’t have much time left, so I plan to kill you as soon as possible.”

The consumption of the saint physique technique was extremely great, and this strength did not belong to Qin Yu. If this continued to drag on, the outcome would be hard to say.

“Arrogant words! If you have that ability again, why bother with me!” Hui Ming’s body was full of killing intent.

He seemed to be tired of it as well. He began to gather his Qi on his fists.

Countless streams of zhenqi wrapped around his fists. The overwhelming might of his fist caused a violent wind to blow.

“Go to hell!” Hui Ming roared furiously as he threw a punch at Qin Yu!

“Absolute beginning... Sacred Fist!”

Qin Yu’s pupils constricted as he roared. All of the golden light gathered on his left fist!

“Boom!”

This collision was unprecedented!

Strong winds blew, and light shone!

The dark clouds in the sky were all dispersed in an instant!

“So... So Strong!” Cheng Cai swallowed hard. He couldn’t believe that this was the power that could be unleashed by a human!

“Crack!”

The moment the two fists collided, the entire fist of the saintly being was directly shattered!

And this terrifying golden light was like a mountain-toppling, overturning sea as it directly smashed towards Hui Ming’s body!

“How is this possible!”

After feeling the shattered fist, Hui Ming’s expression instantly changed wildly!
