

PUNISHED BY HIS LOVE

Chapter 2358

At this time, Shu Mingxia also completely exposed his true colors.

“You have to be obedient, if you dare to disobey, we will keep you in this cave! Let the wolf come out and take you away, are you afraid of the pain!” Darius looked at Shen Weiyi fiercely.

Shen Weiyi’s tears streamed down immediately.

Immediately afterwards, she pouted and cried, “Wow, woo woo, I want my father, I want my mother, I want to go home, woo woo...”

“Don’t cry!” Shu Mingtian shouted angrily !

Shen Weiyi was so frightened that he didn’t dare to cry immediately.

She pouted and looked at the man in front of her with tears in her eyes.

Sigh, the whole person is twitching.

“Don’t scare her, such a small child, if he scares two good and bad, with Arron’s current power in Nancheng, he can rip us alive, we brought this child, just to negotiate terms with Arron Yes.” In the end, it was the eldest brother, Shu Ming, who was a little colder.

“Don’t cry, kid.” In a blink of an eye, he looked at Shen Weiyi: “Uncle won’t hit you, uncle just had a little disagreement with your father, if your father listens to uncle, I will kill you unscathed. Let it go.

Tell my uncle, does your father love you?”

Shen Weiyi nodded desperately: “It hurts, my father loves me the most. If you let me go, my father would definitely be willing to give you the whole company. My father is definitely willing.”

“Very good, baby is great! Uncle likes you very much, you are very good.”

Shen Weiyi nodded desperately: “I must be very good and good!”

“Then, let’s call Dad now, okay?” Shu Mingxia asked.

“Okay.” Shen Weiyi nodded.

Shu Mingxia took out his cell phone and dialed a set of numbers.

At the other end, Arron, who was so busy that he couldn’t even drink, didn’t know that his daughter had been taken away by the three Shu Mingxia brothers.

He didn’t even find out, what about the three unfilial sons kneeling outside the gate?

Because he is too busy today.

Different from the Fu family’s funeral, most of the Fu family’s contacts are business figures.

The Shu family is different.

The disciples and subordinates of Mr. Shu alone are all over the country.

There are more than 10,000 people who come to pay their respects.

There are so many people that it is unimaginable.

Today is the day when the old man was cremated and brought back the ashes. The ceremony of inviting the spirit to the throne was indispensable, so that Arron was unable to receive guests at the gate.

However, all the guests were supposed to have arrived.

Tens of thousands of people seemed to be in darkness in the Shu family’s huge courtyard.

All mourned.

This mourning ceremony was presided over by Arron in an orderly manner.

Including the second elder of the Shu family, and Darius are very grateful to Arron.

After the mourning ceremony was over, many people went back to the hotel and stayed in the hotel, waiting for the funeral of Lao Tzu to attend the funeral.

At this time, Darius's parents came to Arron and looked at Arron gratefully.

“Shaoqin, thanks to you for this old man's funeral, if it weren't for you, who would have been in chaos in our Shu family. As the son of the Shu family, I have to kneel in front of the mourning hall to keep filial piety to the old man, your mother the same.

But your three brothers, to be honest, they are really mixed.

Shaoqin, uncle, I beg you to forgive your three brothers no matter what.

They weren't so bad either.

The main reason is that the three of them have been used to living abroad since they were young, and the people on our side have drifted apart and lost their kinship. If the three of them wanted to be like Ming Zhen, it would take a lot of hard work to find the little aunt.

After finding the little aunt, Ming Zhen often accompanies the little aunt, and after a few years with the little aunt, they have formed a mother-son relationship.

they do not.

So when they came back, they saw that there were more aunts at home, as well as SuziSuzi and Galia.

Chapter 2359

They are from the bottom of their hearts and do not want to accept it.

Also please Shaoqin, you must forgive them.

good or not?

Darius's father was sincere. Even

Darius's mother said to Arron very apologetically: "Shaoqin, auntie, auntie has no way to teach her son, auntie really has to take responsibility, but now this is not your grandfather Shu's funeral. At this juncture, everything else is suppressed first.

After your grandpa Shu was buried, Auntie had to give the three of them a hard lesson.

Don't worry, Shaoqin.

The aunt will make these three ineffective things to apologize to the little aunt.

If they are any more disrespectful, the aunt will cut off the mother-son relationship with the three of them! "

Auntie..." Arron can't say anything else.

After all, this is a family affair of the Shu family.

Especially since they are all good and reasonable people.

Especially all the time, Darius really regarded Alyce as a little aunt and a mother. The same filial piety.

Arron nodded slightly: "Uncle Shu, Auntie, don't worry, I won't care about the three of them. The reason why the three of them were kneeling outside at that time was also an expedient measure. Don't worry, I am here. The old man's funeral will be in order.

Call the three of them in in a moment.

After all, kneeling outside is really not a problem.

As long as the three of them are willing to relax and discuss everything after the funeral, let them in. "

“Good, good! Very good!” Darius’s father was very grateful, and I called them in.

With that said, Darius’s father went out.

Galia on the side raised her hand and patted Darius and said, “Mingzhen, look at how reasonable Suzi, Mr. Fu, and the little aunt are. To be honest, it’s just because of the way your three older brothers treat things with their eyes above the top. There are so many tens of thousands of people who have come to revoke the suspension today, can the three of them direct it? Maybe something goes

wrong.”

Darius was also very emotional: “Who said it wasn’t. After the matter is over, I have to thank Fourth Brother Fu well, thank you. Suzi, I have to bring my little aunt into Shu’s house and give her the elderly for the rest of my life. I

must not let my little aunt go outside alone, lest one day, I am really deceived, and my little aunt will not live in this life. “

“Well, I support you, husband!” Galia looked at Darius with great relief.

Just when everyone could take a break and wait to see if the three brothers of the Shu family would admit their mistake when they came in, Arron’s cell phone rang.

He originally thought it was the company’s call, but when he opened his phone, he saw that it was an unfamiliar number, and it seemed to be encrypted.

Who will it be?

Arron immediately connected: “Hello...”

No one knew what the other party said to Arron. Standing next to Arron, Suzi, Galia, and Darius could see that Arron’s face suddenly turned pale.

Even his hand holding the phone was shaking.

“Fourth brother, what happened?” Darius immediately felt that something was wrong.

Suzi also asked worriedly, “What’s wrong with Shaoqin?”

Arron didn’t answer.

He was still listening intently to the voice over the receiver.

At this time, Darius’s parents stumbled in from the gate in a panic.

“Ming Zhen, it’s not good, your three brothers, no... gone, oh, will they be so angry that they will never enter this house again, will they have gone to the airport now, and then Fly abroad and never come back?” Darius’s mother was the mother of several sons, and she started crying before she could finish her words.

crying very sad.

“They didn’t go abroad.” Beside him, Arron said suddenly coldly.

“What?” Everyone looked at Arron.

Arron’s expression was as cold as an ice sword: “If the three of them make my daughter lose a single hair, I will stab them alive with the blade!”
