An understated Dominance – Dahlia and Dustin Chapter 1451

Oscar Bryant's tone was very calm, and his expression did not change at all.

He even had one hand in his pocket, and his movements were full of contempt, as if he didn't take Dustin seriously at all.

After all, there are very few people who can make him use his full strength.

The unknown person in front of him was obviously not one of them.

"Giving me first three moves? Are you sure?"

Dustin raised his eyebrows slightly, with a faint smile.

These geniuses in Stonia are really too high-minded. They don't even know the strength of their opponents, so they talk without shame.

I really don't know if it's self-confidence or ignorance.

"What? Three moves are not enough?"

Oscar Bryant said calmly: "Okay, then I will give you ten moves. If you can hurt a hair on my head within ten moves, you will win."

As soon as these words came out, many of the Bryant family's children burst into laughter.

"Hahaha...Brother Oscar is killing people!"

"You start with ten moves. This is no longer contempt!"

"As expected of Brother Oscar, strong strength means self-confidence, allowing people to easily win with ten moves."

There was a lot of discussion among the people, with mocking smiles on their faces.

Dustin you are amazing, but if we send the first talent Oscar Bryant, how will you respond?

“Hey! It’s too cowardly for you to dare not take ten moves?” Isla Bryant provocatively said.

“Although Dustin’s strength is good, he is still far behind in front of real geniuses.” Liam Bryant smiled.

The previous humiliation can now finally be washed away.

“Oscar Bryant, right? Confidence is a good thing, but unfortunately, you chose the wrong opponent.”

Dustin smiled faintly: “Since you like giving way so much, then I will not be polite. I hope you will not let me down.”

After saying that, his toes lightly tapped, and his whole body floated up lightly, and then slapped Oscar Bryant with his palm.

“too weak.”

Oscar Bryant shook his head and stood motionless, not intending to dodge at all.

When Dustin approached with a light palm, he slowly got lucky and formed a protective shield on the surface of his body.

The protective cover was translucent, rising and falling with Oscar Bryant’s breathing, like slightly rippling water waves.

“boom!”

There was a bang.

When Dustin’s palm touched Oscar Bryant’s body-protecting internal energy.

The rippling water exploded on the spot, as if the glass had been hit by a bullet and shattered instantly.

“What?”

Oscar Bryant looked shocked.

Before the brain could react, the body had already sensed the danger and made an instinctive dodge action.

Dustin’s subsequent palm wind brushed against Oscar Bryant’s chest and hit the floor hard.

“boom!”

There was another bang.

The hard floor was directly blasted with a deep palm print.

For a moment, gravel splashed and cracks were densely covered.

Within a radius of three meters, a pit was dug out.

“Fuck!”

Seeing this scene, everyone couldn’t help but be shocked.

No one expected that Dustin’s seemingly light palm would have such great power.

Not only did it break Oscar Bryant’s body defense, it even blasted a hole into the ground.

If he had hit someone just now, the consequences would have been disastrous!

“Um?”

Oscar Bryant took advantage of his dodge and quickly distanced himself.

The previous indifferent expression was quickly replaced by shock.

Although he only used 50% of his body-protecting internal energy just now, it is definitely not something that ordinary people can break.

However, Dustin broke through easily, which was beyond expectation.
