An understated Dominance – Dahlia and Dustin Chapter 1469

Chapter 1469

When Anna showed the final proof, the middle-aged man was completely desperate.

If it's just insurance and bank records, you can still quibble.

However, the poison has been found, and there are fingerprints on it to prove it. Now he can't defend himself.

"After working on it for a long time, it turned out that this guy was deliberately blackmailing me. It's really hateful!"

"It's so unconscionable to even harm your own father!"

"Beast! What a beast!"

"..."

At this moment, the onlookers began to scold and curse.

They initially thought it was a profiteer who was harming the person, but it turned out to be a middle-aged man who deliberately framed him.

The most annoying thing is that the other party also murdered his father.

Completely annihilated humanity, even worse than animals.

"What a waste!"

Isabela frowned, cursing in a low voice.

It's not enough to succeed, but it's more than enough to expose it. So much evidence has been left behind. Isn't this looking for death?

"It seems that the Torby Family came prepared."

Owen Stratford squinted his eyes, his face was a little ugly.

Being able to collect evidence so quickly and easily break the situation, I have to admit that Samuel Thompson does have something.

“Hmph! I can see at a glance that you are not a good person!”

Seeing that the situation had reversed, the bald man immediately shouted: “Come here! Arrest this parricide beast! Send him to prison for rigorous interrogation!”

At his command, several uniformed officers immediately handcuffed the middle-aged man.

“Mr. Stratford! Help me! Help me!”

The middle-aged man panicked and shouted crazily at Owen Stratford.

Once he is convicted of murder, he will probably never be able to get out of jail for the rest of his life.

“Hmph! None of my business!”

Owen Stratford kept a cold face and didn’t respond at all.

“Young Mr. Stratford! You can’t just ignore death! These things are all about you...”

“Shut up!”

The middle-aged man was about to say something, but Owen Stratford’s face changed, and he rushed forward, punched him in the face, and cursed: “You dog! If you dare to talk nonsense, I will make your life worse than death!”

The middle-aged man was beaten until his nose bleeds, and he lost two teeth, so he dared not speak anymore.

He knew in his heart that if Owen Stratford confessed, he might not survive tomorrow.

“take away!”

With a wave of his hand, the bald man grabbed the middle-aged man and related troublemakers into the car.

Everyone talked and sighed.

Unexpectedly, in just a few minutes, things turned around unexpectedly.

The positions of the victim and the perpetrator are completely reversed.

“Owen Stratford, why are you so excited? Could it be related to you?” Samuel Thompson said meaningfully.

“Young Mr. Thompson is joking, our Stratford Family is open and aboveboard, how could we do such a thing?” Owen Stratford smiled.

“That’s true.”

Samuel Thompson grinned: “Planting and framing things like this can only be done by those bastards. who have no respect in their lives. If you talk about our Stratford Family, we aren’t so insidious and despicable.”

“...”

The corners of Owen Stratford’s eyes twitched, feeling like being fed shit, feeling extremely aggrieved.
