

An understated Dominance – Dahlia and Dustin Chapter 1509

An understated Dominance – Dahlia and Dustin Chapter 1509

Chapter 1509

“Dustin! Do you hear that? Kneel down and kowtow to me quickly, and then pay 300 million in mental damages, otherwise I will let you go to jail for the rest of your life!”

Julie Anderson put her hands on her hips and looked domineering.

With the support of her cousin, she is fearless at this moment.

She is indeed a fake daughter, but her cousin is the real adopted daughter of Lord Eugene Montgomery, and is the most favored in the entire Lord Eugene Montgomery’s palace.

More than half of Lord Eugene Montgomery’s property was handed over to her cousin.

Now my cousin’s status is no less than that of the princess of the Dragon Kingdom. No matter who sees her, she must be respectful.

Even though little Dustin has some abilities, he is completely insignificant in front of her cousin.

“Dustin! Sister Dahlia is now a popular figure in Lord Eugene Montgomery’s palace. You’d better think about it yourself!”

Victoria Sterling sneered, looking gloating.

If Dustin bows his head and admits his mistake, she will take this opportunity to humiliate him.

If the other party doesn’t comply, so much the better.

Once Dahlia is angered, there is only death in the end.

Even Dahlia didn’t need to do it herself, there were many people who were willing to lend flowers to the Buddha.

“Dustin, Dustin, aren’t you crazy? Have you hit the iron plate now? Look at how arrogant you are!” Isabela muttered to herself, with sinister eyes.

“Little handsome boy, why don’t you just apologize? Otherwise we will all be in big trouble. It’s better to be embarrassed than to die.” Hazel Lancaster advised in a low voice.

She has already recognized the identities of Dahlia and Gary Montgomery.

These two are core members of Lord Eugene Montgomery’s Palace. They are powerful and can directly call upon the forces of Lord Eugene Montgomery’s Palace.

Especially Dahlia, who is in charge of more than half of the properties of Lord Eugene Montgomery’s mansion, and seems to be the successor to Lord Eugene Montgomery.

She really couldn’t afford to offend such a powerful person.

“Dustin! I’m giving you a chance, don’t be stubborn!” Dahlia said coldly.

The matter of poisoning can be big or small, if the other party sincerely admits his mistake, she can consider not to care about it.

But if she’s stubborn, don’t blame her for being unkind.

“I’m tired of hearing these words. Everyone here knows what is right and wrong, and I don’t want to explain too much.”

Dustin said indifferently: “If you think I’m wrong, then I’m wrong. As for apologizing or making amends, I’m sorry I can’t do that. I’ve never had the habit of bowing to others.”

“A man can bend and stretch, and he has to apologize when he does something wrong. How is your behavior different from that of a coward?” Dahlia shouted.

If she were an ordinary person, she would naturally not say this, but for Dustin, she felt that she hated iron for not being able to turn into steel.

She hoped that the other party could turn around and do the same, instead of showing off his bravery here.

“Sister Dahlia, there’s no need to talk nonsense with this kind of person, just arrest him.”

At this time, Gary Montgomery smiled coldly and said: “Those like this are bullies and afraid of the strong. Once he is thrown into a dark prison, he will naturally know how to be afraid.”

“That’s right! Grab him! Put him in a prison!” Julie Anderson and the three immediately agreed.

“Hey, hey... I advise you not to mess around.”

Abigail walked forward and said with a smile: “If you dare to touch a hair of uncle, I will kill all of you, and it will be very painful.”

As soon as these words came out, Isabela and Victoria Sterling subconsciously took two steps back.

Their previous experience had cast a shadow on their hearts.

The lunatic woman in front of her can’t be judged by common sense at all. If she is forced too hard and jumps over the wall in a hurry, it will be troublesome.

“Be bold!”

Julie Anderson glared and yelled with an inward look: “You crazy bitch, do you know who you are talking to? This is my cousin, and she is the adopted daughter of Lord Eugene Montgomery! If you dare to threaten her, you are asking for death! “

“Yeah?”

Abigail grinned and then flicked her fingers.

A black pill was shot directly into Julie Anderson’s throat.
