An understated Dominance – Dahlia and Dustin Chapter 1516

Of course, to be on the safe side, someone needs to help with this.

...

In a flash, three days passed.

In these three days, Lancaster's medicine became more and more famous, and countless people came to ask for medicine every day.

Before, there were some people who were ready to see Lancaster's Medicine's joke, thinking that anyone who offended Lord Eugene Montgomery's Mansion would definitely be in trouble.

As a result, three days had passed, and there was no movement at Lord Eugene Montgomery's Mansion. Everything was calm.

Lancaster's medicine is still developing normally, and it is making a lot of money every day.

It is worth mentioning that Hellwell clinic has been rebuilt, and the next step is to decorate it.

Dustin is only responsible for paying, and everything is done by a professional team, so there is no need to worry.

In addition, with the help of the person in the palace, Dustin had obtained Ice Heart lotus, and the process went very smoothly without any accidents.

Next, only the golden marrow jade is missing.

Regarding this, Dustin already had relevant plans and made preparations.

Three days later, in the inner city of Stonia, the Lord Eugene Montgomery's family.

Early in the morning, Lord Eugene Montgomery's Mansion was already decorated with lanterns and colorful decorations, and was full of joy.

There were various gongs and drums, lion and dragon dances, and it was very lively.

Many dignitaries came to visit early.

Because today is Lord Eugene Montgomery's fiftieth birthday.

As one of the three kings with different surnames, Prince Eugene Montgomery, although not as powerful as the King of Lucozia, has a reputation far and wide.

He was crowned king at the age of thirty-five, and was dismissed and returned to the fields at thirty-six.

He was devoted to charity throughout his life, made many good connections, opened a school, adopted orphans, and spent all his life savings on doing good deeds.

Looking at the entire Stonia City, no matter whether it is an enemy or a friend, everyone who mentions the name of Lord Eugene Montgomery with admiration it from the bottom of their hearts.

A great chivalrous man serves the country and the people.

In his life, Lord Eugene Montgomery fully demonstrated what chivalry is.

The only pity is that although Lord Eugene Montgomery has many brothers and sisters, he has no heirs.

So far, he have been alone.

Perhaps it was a pity in this regard that Lord Eugene Montgomery adopted many sons and daughters, most of whom were very outstanding.

Among them, Mark Montgomery is the most outstanding.

In his early thirties, he has been named the God of war stone, with great military exploits and awe in the world.

As time went by, more and more high-ranking officials and dignitaries came here to congratulate Lord Eugene Montgomery on his birthday.

After Dustin and Abigail disguised themselves, they also sneaked into the palace.

“Uncle, it’s so lively here. The people coming to the birthday banquet must be very rich, right?” Abigail was very excited.

After the disguise, she looks more mature and ordinary today.

“Of course, the people who are eligible to be invited to the birthday banquet are either high-ranking officials or extremely wealthy people. There is no ordinary person.” Dustin replied.

“According to this, if I kidnap a few rich people and bring them back, wouldn’t I be able to extort a lot of money?” Abigail looked around, as if looking for her prey.

“...”

Dustin’s eyes twitched and he immediately warned: “Abigail, you’d better not mess around, we have to do business.”

“Hehe, I’m just kidding. I’m a good, law-abiding citizen. How could I do such a thing?” Abigail laughed.

In her heart, she secretly underestimated him. Only fools would kidnap someone in public. she usually do it secretly.

“Abigail, there are so many masters in the Lord Eugene Montgomery’s family, and there will be a lot of big shots coming in a while, so be careful not to reveal your identity.” Dustin warned with a serious face.

Although both of them had changed their appearance and couldn't see their original faces clearly, there were many strange people in Lord Eugene Montgomery's palace. If their identities were discovered, it would be troublesome.

Especially Abigail, as a Sorceress of the mystical order, in the eyes of the court and decent people, she is a virulent witch, and they can't wait to get rid of her quickly.

So you have to be careful.

"Okay, okay, uncle, I'm not a child, so I know what to do. Don't worry, I promise not to cause you any trouble."

Abigail's eyes were rolling, her eyes were darting back and forth on various rich people, and her saliva almost flowed out.

"Don't worry, you idiot!"

Dustin hated the fact that iron could not become steel, so he hit Abigail on the head hard with his knuckles.

If I had known better, I would not have brought her out. This little money-crazy woman looked at everyone as if she was looking at a walking money tree.

"Uncle! Look! It's so lively there!"

At this time, Abigail seemed to have discovered something, and suddenly pointed at the door.

Dustin followed the sound and saw a heavily armed elite guard walking in mightily.

The leader was a young man in his early thirties.

The man has sharp eyebrows and starry eyes, a stern face, a strong aura, and is full of killing intent.

Especially the general's uniform with gold trim adds to his majesty and heroism.

Wherever he passed, the crowd automatically moved out of the way, and everyone bowed and saluted in awe.

“Who is this person? He actually dares to lead troops into Lord Eugene Montgomery’s Mansion? Isn’t he too brave?”

“Brother, you haven’t just come to Stonia, right? You don’t even know the famous God of war stone?”

“What? He is the War God stone Mark Montgomery? No wonder he looks so majestic!”

“ ... ”

Everyone whispered and kept their eyes on each other.

There are many people who know Mark Montgomery, but very few have seen him.

Because Mark Montgomery spent most of his time guarding Eastern Lucozia, he would only return to Stonia to visit his adoptive father during the holidays.

Today is Lord Eugene Montgomery’s birthday banquet. As his adopted son, Mark Montgomery will naturally not be absent.

“I’m going to change clothes. You guys can carry the gifts I prepared for my adoptive father into the hall first.”

After entering the gate, Mark Montgomery gave orders.

The personal guards under his command immediately carried an iron cage and went straight to the living room.

The iron cage was covered with black cloth and it was difficult to see what was inside, but Dustin could smell a hint of wild beast from afar.

“Uncle, there seems to be a wild beast in the cage.” Abigail also noticed something strange.

“For the foster father’s birthday party, instead of giving gold, silver and jewelry, he gave a wild beast. It’s a bit interesting.” Dustin smiled and looked at Mark Montgomery carefully.

Compared with ten years ago, the other party has indeed changed a lot. It would be difficult to recognize him if he didn’t know his identity in advance.

“Uncle, is he our target?” Abigail also looked at him.

“Yes, it’s him. Let our people be prepared. The golden marrow jade is on this person’s body, but it can’t be taken by force. It can only be stolen.” Dustin said in a low voice.

“no problem!”

Abigail took out her mobile phone and secretly sent a message.

“Um?”

At this time, Mark Montgomery seemed to notice something, and suddenly turned around.

His sharp eyes hit Dustin and the two of them accurately.

Dustin was quite surprised by this keen perception, but he remained calm on the surface, pretending to be like an ordinary guest, and immediately bowed to salute.

“Kick, kick, kick...”

Mark Montgomery did not leave because of this, but walked straight to Dustin and the two of them, and asked coldly: “What are your names?”

When he spoke, the personal guards around him had already surrounded Dustin and the two of them.

A pair of eyes, staring eagerly.

“Hello Lord God of War.”

Dustin lowered his head and replied: “I’m Little man Dustin, this is my sister, Abigail.”

“You look familiar. Have we met somewhere?” Mark Montgomery asked.

His eyes were as sharp as a knife, and he looked at Dustin up and down, as if he wanted to see through him.

“Last year, when the God of War returned from victory, Lord Eugene Montgomery held a great banquet. I was lucky enough to come to visit and witnessed the majesty of the God of War. I didn’t expect that the God of War would still remember me. I am really flattered!” Dustin pretended to be frightened. appearance.

This is half true and half false.

The real thing is that Mark Montgomery did win a big victory last year, and he also held a celebration banquet and invited many guests.

Of course, Dustin naturally had no time to participate. These were all relevant information provided by Ethan Langford.

Just in case, he had memorized everything by heart, and now he just needed it.

“Yeah?”

Mark Montgomery narrowed his eyes slightly, still staring at Dustin. After a while, he finally looked away: “It seems that I am mistaken.”

After saying that, he turned around and left without any hesitation.

“Uncle, it seems that this person is not simple.”

Looking at the back of Mark Montgomery leaving, Abigale’s face became a little more serious.

Even from such a distance, one can detect evil eyes, and the sensitivity of his perception is truly terrifying.

If the killer wanted to carry out a sneak attack, he would probably be killed in advance before he could take action.

“Being able to become the God of War of the Dragonmarsh Kingdom is certainly not an ordinary person. If you don’t have some skills, how can you be able to dominate the battlefield for many years?” Dustin smiled lightly.

Mark Montgomery is said to be the strongest among the five war gods.

Before the fight, he couldn’t predict the opponent’s true strength.

Ethan Langford was right before. Ten years later, Mark Montgomery is no longer what he used to be.

And because he did not have the resources to support the Theswe Palace, his cultivation speed was greatly reduced.

Therefore, he does not have much advantage when facing similar geniuses.

“Uncle, do you want me to poison him unconscious, and then go steal the golden marrow jade?” Abigale suggested.

“No, it’s too risky. Let’s just follow the plan.” Dustin refused.

Mark Montgomery strength is at least the beginning of Grandmaster.

When it reaches this level, it will undoubtedly be extremely difficult to poison him.

Moreover, the other party’s perception is too keen, and any abnormality will alert the snake.

“Okay, I’ll listen to you.” Abigale didn’t force it.

Although Mark Montgomery is strong, he is not impossible to deal with using the methods of the mystical order.

“Come on, let’s go sit in the living room and watch what happens.”

Dustin smiled and led Abigale straight into the banquet hall.

At this moment, many dignitaries have gathered in the banquet hall, and there is an endless stream of guests coming and going.

As soon as Dustin and Abigale entered the door, they saw several women coming towards them.

One of the women, too engrossed in the chat, didn't even look at the road and bumped directly into Dustin's chest.

The woman said "Ouch" and was so shocked that she took a few steps back and fell to the ground, grinning in pain.

"Who is it? Who is so ignorant that he dares to bump into me? Is he wish to die?" The woman who fell to the ground yelled.

Dustin took a closer look and couldn't help but frown slightly.

It's true that we met on a narrow road, and we met an acquaintance again.

The woman who was knocked down was none other than her ex-mother-in-law, Florence!

Looking at the disgusting face of the past, Dustin frowned subconsciously.

He guessed that he might meet an acquaintance in Lord Eugene Montgomery's Mansion, so he disguised himself to avoid his identity being revealed.

It's just that he didn't expect to run into Florence and the others in this way.

What bad luck!

Fortunately, the other party couldn't recognize him now, and with the mentality of calming down, Dustin took the initiative to apologize: "Sorry, I didn't pay attention just now, are you not injured?"

"Hey! Blind your dog's eyes!"

Florence patted her butt and stood up, shouting domineeringly: "Do you know who I am? How dare you bump into me? I think you are tired of living!"

Now her identity is no longer what it used to be. Anyone who dares to offend her will be seeking death.

"Hey! Did you just walk without eyes? You bumped into someone, and you blame us. It's really unreasonable!" Abigale sneered.

"Hey! Who do you think you are? How dare you point fingers at me?"

Florence glared, and became even more arrogant: "I order you to apologize to me immediately, and then compensate me for mental damage, otherwise I will kick you out without food!"

"Haha...are you scaring me? If we don't apologize and compensate, what can you do?" Abigale smiled half-heartedly.

"You little bitch! How dare you speak harshly in front of me? Do you know the consequences?" Florence was furious.

"I advise you to admit your mistakes honestly and pay compensation, otherwise you will be in great trouble soon!" At this time, Julie Amberson who was standing beside said arrogantly.

This is Lord Eugene Montgomery's Mansion, their territory.

No matter who comes, they must obey their orders.

"Sorry, I was not careful just now. Please don't hold it against me. I am willing to compensate." Dustin was neither humble nor overbearing.

In normal times, he would naturally not regress.

But business was important today, and he didn't bother. He just hoped to get rid of this shrew as soon as possible.

"It's useless for you to apologize, and her!"

Florence pointed at Abigale: "She just spoke rudely to me, she must give me a satisfactory explanation!"

"Abigale, apologize to her." Dustin winked.

"Okay, okay, I was wrong just now, I offended a few of you with my unscrupulous words, I'm sorry." Abigale reluctantly admitted her mistake.

"Hmph! I'm sorry and it's over? What do you think of me?"

Florence held her head high and was unyielding: "Now, kneel down and apologize to me immediately, and then slap yourself ten times, so that I will let you go!"

As soon as these words came out, Dustin couldn't help frowning slightly.

This shrew is really making a fool of herself. Does she really think of herself as a noble?

"Hey, I'm warning you not to push yourself too far." Abigale narrowed her eyes slightly.

If the person in front of her doesn't know how to praise, she doesn't mind giving him a lesson.

"Hmph! So what if you push yourself even further? I am a distinguished guest of Lord Eugene Montgomery's Mansion, and my daughter is Lord Eugene Montgomery's adopted daughter. Why do you little characters fight with me?!" Florence put her hands on her hips, looking arrogant.

The movements on both sides attracted the attention of many people.

Some dignitaries coming and going were pointing and talking.

“Madam, today is Lord Eugene Montgomery’s birthday party, and we don’t have any deep grudges. Why don’t we turn our hostility into friendship? Don’t disturb Lord Eugene Montgomery’s elegance.” Dustin still tried to persuade.

“Stop talking nonsense! Apologize when I ask you to apologize, otherwise don’t blame me for getting angry!” Florence glared and shouted, completely ignoring the occasion.

“If you insist on being unreasonable, then I have nothing to say. Right and wrong are all public opinions. I don’t believe you. You dare to act wild in Lord Eugene Montgomery’s Mansion.” Dustin said coldly.

He was tolerant enough and even bowed his head to admit his mistake.

As a result, the shrew in front of him didn’t know how to restrain herself at all and insisted on making things worse.

At this point, he couldn’t bear it anymore.

“Okay! I think you won’t shed tears until you see the coffin!”

“Someone! Come quickly!”

“These two guys are causing trouble in Lord Eugene Montgomery’s Mansion, and they are also fighting me. Arrest them immediately!”

Florence roared and screamed endlessly.

Following his order, a group of guards at the door immediately surrounded him.

Dahlia is now a celebrity in Lord Eugene Montgomery’s palace, and her mother Florence is even regarded as a guest of honor. She has a high status and only few people dare to offend her.

“stop!”

Just when the two sides were about to start a fight, Dahlia suddenly walked in and said in a deep voice: "What's going on here? Why are you drawing your swords at each other? Don't you know what day it is today?!"

"Daughter, you came just in time!"

Seeing the visitor, Florence immediately started to complain: "These two guys just deliberately provoked me and even hit me. They didn't take Lord Eugene Montgomery's house seriously at all. You should arrest them quickly and don't affect the prince's birthday banquet."

Confusing right and wrong, she is a professional.

"Who are you? How dare you make trouble in Lord Eugene Montgomery's Mansion?"

Dahlia turned and looked at Dustin and Abigale, with a somewhat unhappy look on her face.

"Ms. Nicolson, it's not us who are causing trouble, it's your mother who is being unreasonable."

Dustin said calmly: "The two of us came to congratulate Lord Eugene Montgomery on his birthday, but as soon as we entered the door, we were bumped into by your mother. She asked us to apologize and compensate. We have already apologized and were willing to compensate, but she went even further. Not only making us kneel down and asking us to slap ourselves is too much."

"Huh? Is there such a thing?" Dahlia frowned slightly and looked back at her mother.

"Daughter, don't listen to his nonsense. He clearly bumped into me on purpose and provoked me on purpose. Look at his appearance, it's obvious that he is not a good person!" Florence continued to act arrogant.

With the support of Lord Eugene Montgomery, she can say that even if it is black, it will be white.

“Miss Nicolson, everyone here can clearly see what is right and what is wrong. As the saying goes, justice is in the heart of the people. I believe that you, Lord Eugene Montgomery, are not bullying others with your power.” Dustin said neither humble nor arrogant.

Hearing this, Dahlia frowned slightly.

The person in front of her was organized and calm, and he didn't look like he was lying.

Combined with the expressions of the people around her, she has a high probability of guessing whose fault it is.

After all, no one would be stupid enough to cause trouble in Lord Eugene Montgomery's Mansion.

“Daughter! This kid is deceiving the public with his evil talk. He should be arrested immediately and thrown into prison!” Florence shouted.

“Shut up!”

Dahlia glared and scolded: “Today is the birthday banquet of my adoptive father. All the guests are high-ranking officials and nobles. Can you please stop messing around here?!”

The reputation of Lord Eugene Montgomery's Mansion spread far and wide, and everyone knew it.

If a bullying scandal breaks out on the day of Lord Eugene Montgomery's birthday party, the impact will be extremely bad.

“Why would I act so foolishly? It's obviously this kid's fault.” Florence looked a little aggrieved.

But under her daughter's stern eyes, her voice became smaller and smaller, and she became more and more guilty.

“I don’t care whose fault it is, this matter ends here. If anyone dares to pester again, don’t blame me for being rude!” Dahlia said solemnly.

Although Florence was dissatisfied, she did not dare to refute.

Daughter is more valuable than Mother, and she owes her current status to her daughter, so naturally she does not dare to go against her wishes.
