An understated Dominance – Dahlia and Dustin Chapter 1526

Julie clutches her broken arm and screams again and again. She never dreamed that the black tiger would suddenly attack and hurt someone.

“What’s going on?”

Everyone was shocked when they saw this scene.

Black Tiger was very docile before, no matter how others touched him, he didn’t make any aggressive moves, why did he go crazy all of a sudden? Could it be that the woman who was bitten was some kind of treacherous person?

Just when everyone was in shock and doubt. Black Tiger animal pupils suddenly turned red.

It did not continue to attack Julie, but turned to Dahlia, who was at the same table, grinning with a fierce expression.

“Roar!” Black Tiger roared, and his huge body suddenly pounced forward.

“Quick! Stop it!” Mark Montgomery roared.

The escort team, which had been well prepared, immediately threw out a large steel wire net, trapping the black tiger firmly.

Immediately afterwards, rows of powerful tranquilizer guns shot at Black Tiger continuously.

However, at this moment, Black Tiger had completely gone crazy and became extremely irritable. Its huge body twisted wildly, its sharp nails were like steel claws, and with just one tug, it tore the special steel mesh into pieces.

“Come together!”

Seeing this scene, the guards did not dare to hesitate and immediately took out their weapons and tried to suppress it with force. However, the Black Tiger was too fast and powerful, and the guards could not stop it at all. As soon as they stepped forward to stop him, they were slapped away by the black tiger.

In just a few seconds, a convoy of more than a dozen people was beaten to pieces. Several people died and some injured.

After taking care of the escort team, Black Tiger ignored them and continued to pounce on Dahlia, as if there was some deep hatred between the two parties.

“Stop! stop there!” Florence was so frightened that she slumped on the ground and screamed again and again.

Dahlia’s face was also pale, startled and frightened. She didn’t understand why Black Tiger would target her when she clearly didn’t do anything?

“Roar!” Black Tiger roared, charging fiercely and unstopably.

Dahlia was desperate, her mind went blank. Just when everyone thought that Dahlia was about to be torn apart by the black tiger, a figure suddenly descended from the sky and stood in front of her. Then he punched Black Tiger fiercely on the head.

“Bang!”

There was a loud explosion. Black Tiger’s huge body, as if hit by a train, instantly bounced seven or eight meters away, smashing two tables before stopping.

Dustin stood in front of Dahlia and said coldly.

“You evil beast! Don’t hurt anyone!”

“Roar!” Black Tiger shook his head, stood up again, then kicked his limbs hard, and turned into a black streak. Shadow, pounced on Dustin and Abigail the two of them.

Dustin snorted coldly, jumped up, dodged the black tiger’s attack, and stepped on its head.

“Boom!”

As if Mount Tai was pressing down on him, the black tiger soared into the air and was directly stepped down by Dustin. The huge force caused Black Tiger’s entire head to hit the ground hard, creating a crater. Dustin just stood on top of Black Tiger head like a mountain, no matter how Black Tiger struggled Roaring, all to no avail.

For a moment, the audience was shocked!

“Roar!”

The black tiger’s huge head was stepped into the pothole, and the angry roar was deafening.

His body twisted wildly, and his limbs kept kicking the ground, causing stones to fly and claw marks all over the ground. However, no matter how Black Tiger moved, he just couldn’t break free.

Dustin was like a sea-fixing needle, suppressing Black Tiger to death.

Seeing this scene, everyone couldn’t help being dumbfounded. No one expected that Dustin would be so brave and suppress the powerful black tiger with just his own strength.

You know, the dozen or so heavily armed escorts just now were unable to deal with this vicious creature. Its ferocity can be seen. After all, who can be selected as the escort team of the God of war stone, who is not one of the best in a thousand?

So many masters couldn’t restrain Black Tiger, but was easily subdued by a young man with thin body. Really shocking.

“Roar!”

“Roar!”

“Roar!” Black Tiger continued to roar and struggle, its red eyes staring in the direction of Dahlia, burning with madness.

“Evil beast!” Dustin snorted coldly, raised his foot again and stamped it down hard.

“Boom!”

Black Tiger’s head sank a few points again as if struck by lightning. Within a radius of ten meters, the ground was covered with cracks, like a huge spider web.

After this severe injury, the black tiger’s roar finally gradually became smaller, and its huge body seemed to have lost its strength and no longer struggled. Only heavy breathing and moaning were left.

“Quick! Lock up this beast!” Mark Montgomery didn’t realize until then that he had stepped forward to help.

Soon, the powerless black tiger was tied up with chains, then dragged into a special iron cage, and finally covered with black cloth to hide his fierce appearance.

After confirming that there was no danger, everyone breathed a long sigh of relief. The situation just now was too dangerous. The black tiger suddenly went crazy and was unstoppable. If there were no warriors who came to rescue them in time, no one knows how many people would have been killed or injured.

“Father! It was my lax taming that caused the black tiger to hurt people. Please punish me, stepfather!” Mark Montgomery simply knelt down on the ground and took the initiative to admit his mistake.

Eugene Montgomery frowned slightly, but soon returned to normal, and said calmly “That’s all, a beast is a beast after all, and its nature is untamable. I can’t blame you for such an accident. But for the person who was injured just now, you have to hire the best doctor. The treatment must not be neglected.”

“Thank you foster father for your forgiveness, your son will definitely make up for it!”

After Mark Montgomery finished speaking, he immediately ordered people to clean up the scene. Black Tiger was carried away quickly, and all injured people, including Julie, were sent to the hospital for treatment. As for the few guards who died, they also received a lot of money and a medal of honor.

The problem seemed to be resolved, but there was quite a commotion in the banquet hall.

“Strange, why did the black tiger suddenly go crazy? Didn’t it mean that it was spiritual?”
The tiger will find treacherous and evil people and will take action.

“The one who was attacked just now is Prince Eugene Montgomery’s latest adopted daughter, right? Does she have any evil intentions?”

Everyone whispered and speculated.

The eyes looking at Dahlia became a little different one by one.

There have been various rumors about Prince Eugene Montgomery’s new daughter-in-law. There are different opinions on whether she is an illegitimate daughter or the reincarnation of a vixen. Now that this incident happened, it made people doubt Dahlia’s identity even more.

“Thank you, sir, for your help. The little girl is very grateful.” After Dahlia collected herself, she stepped forward to salute Dustin and thanked him.

If the person in front of her hadn’t made a timely move just now, she would have died in the tiger’s mouth.

“It’s just a little effort.” Dustin said calmly.

Originally, he didn’t want to show off here, but seeing that Dahlia was in danger, he couldn’t help but make a move.

“This little brother is so brave that he was able to subdue the black tiger all by himself. It’s amazing!”

At this moment, Mark Montgomery who was on the main seat suddenly spoke. “Prince Eugene Montgomery has won the award, but it’s just some flamboyant fists and embroidered legs, and he can’t get on the stage.”

Dustin said neither humble nor overbearing. “Little brother is too modest, I will offer you a toast just for your act of righteousness and bravery.”

Mark Montgomery smiled and held up the wine glass, and respected each other from across the air.

Dustin put on a flattered look, quickly raised his glasses with both hands, and responded respectfully.

Seeing this scene, the people around were both envious and jealous.

It is a great honor to be able to toast Lord Montgomery alone. If he can be reused by Lord Montgomery, he will be able to rise to the top, just around the corner!

“Father, Brother Dustin suppressed the Black Tiger and resolved a disaster. To show his sincerity, I think it is better to give him something as a reward?” Mark Montgomery suddenly stepped forward and took the initiative to claim credit for Dustin.

“Lord God of War is too much humble, I really don’t dare to accept rewards.” Dustin lowered his head slightly.

“Saving someone’s life is better than building a seven-level pagoda. No matter what the reward is, you deserve it.” Mark Montgomery smiled and patted Dustin on the shoulder.

Dustin’s sword eyebrows trembled slightly, and he was keenly aware that there was a chilly air pouring into his body along the opponent’s palm.

This yin and cold air is very weak, and it is estimated that it is difficult for ordinary experts to detect it. However, with the passage of time, this cold air will gradually grow,

until it suddenly erupts one day. At that time, at least, he will go mad, and at worst, he will die suddenly on the spot!

This sinister method is really vicious! But Dustin was a little strange. He asked himself that he didn't have any enmity with Mark Montgomery, so why would the other party secretly kill him?

Could it be that his act of rescuing people just now offended the other party? Thinking of this, Dustin seemed to understand something, and glanced at Dahlia with a vague look.

Before, everything was normal for Black Tiger, but after getting close to Dahlia, he suddenly went crazy and lost control, as if he had been stimulated by something. He didn't think about it carefully at first, but now it seems that this must be Mark Montgomery's masterpiece.

On the day of the birthday banquet, he used the black tiger to eradicate dissidents. This guy's courage is really extraordinary. He really think that if he became the God of War, he would be able to Lawless?

"Mark is right, such a righteous deed should be rewarded." Eugene Montgomery smiled and asked:

"Little brother, if you have any needs, just ask, as long as I can do it, I will never refuse."

"This ..."

It was difficult for Dustin to do what he did. He only wanted gold marrow and jade, but it was obvious that Mark Montgomery would never give it to him.

"Father, I have a suggestion. I don't know whether I should make it or not?" Mark Montgomery asked again.

"But it doesn't matter." Mark Montgomery nodded.

"Brother Dustin is young and promising, brave and resourceful. He is a rare talent. Dahlia's adopted sister is single now. I think it is better to betroth her to this little brother, which can be regarded as a good story." Mark Montgomery smiled and spoke.

As soon as these words came out, Dustin froze, his face full of shock. Isn't it? If you change your appearance and identity, can you still get into this kind of thing?

“Betrothed?”

Dahlia immediately frowned upon hearing this. The two of them had just met today and didn't understand each other at all. Even if this “Dustin” had saved her life, she would not commit herself to him. Mark Montgomery's words completely treated her as a tool and a commodity that could be sold. Such behavior made her very uncomfortable.

“Mark, how can a marriage be a trivial matter?” Eugene Montgomery raised his eyebrows slightly.

“Father, Brother Dustin and Dahlia are talented and beautiful, plus the hero who saved the beauty just now, they are doomed. If they can make a marriage contract, today will undoubtedly be a double blessing.” Mark Montgomery persuaded .

“Dahlia, what do you think?” Eugene Montgomery did not answer directly, but turned to Dahlia and asked for his opinion.

“Father, I am very grateful to Mr. Dustin for saving my life, but I really can't do it” Dahlia shook her head slightly.

“Dahlia, marriage matters are often dictated by parents and matchmakers. I'm afraid you can't make the decision in this kind of thing.” Mark Montgomery's viciously smiled.

“I can't make the decision, then you can't do it either.” Dahlia retorted.

“Brother is like a father, why not?” Mark Montgomery looked at Dustin without changing his face, and smiled, “Brother Dustin, what do you think?”

“I can't marry Miss Nicolson, so I'll forget about the engagement or something.” Dustin declined politely.

“Brother Dustin, don’t underestimate yourself. Everyone has seen your bravery just now. As long as you work hard, your future will be limitless, and you are a perfect match with Dahlia.” Mark Montgomery began to lure:

“Think carefully, As long as you marry Dahlia, you are a member of the Montgomery Palace. If something happens in the future, we will naturally not stand by. Besides, Dahlia is also a beauty on the rouge list, with countless suitors. You should take good care of such a godsend opportunity. Be sure.”

As soon as these words came out, the whole place was in commotion. Countless young talents looked at Dustin with eyes full of envy, jealousy and hatred.

“This guy can actually get the God of war stone to give him a marriage in person. What a piece of shit luck!”

“Getting a beauty back is like smoke rising from the ancestor’s grave!”

“Damn it! Why am I not so lucky?”

Everyone was whispering and discussing. Becoming the son-in-law of Prince Eugene Montgomery is something that countless people dream of. What’s more, Dahlia is so beautiful, no matter what he does, he will make money with blood.

“Lord God of War is right. When you marry Miss Nicolson, you really have to be able to have both wind and rain...” Hearing this, the corner of Mark Montgomery’s mouth curled up into a smile. Sure enough, only few men could resist the temptation of beauty and power.

However, what Dustin said next made his smile froze on the spot: “However, I still have to refuse because I already have a fiancée. “

”What?” Mark Montgomery frowned: “Brother Dustin, you’d better think carefully. Is your fiancée more beautiful and powerful than Dahlia?”

“It has nothing to do with appearance or power. We are in love with each other, and that is enough.” Dustin said solemnly.

“You...” Mark Montgomery was at a loss for words for a while. Why is this guy like a piece of wood? He has done his best, but he didn't give any face. Not just Mark Montgomery, who was present Almost everyone looked stunned and puzzled. No one expected that Dustin would refuse directly. This is a once-in-a-lifetime opportunity for a carp to leap over the dragon's gate. Others burn candles and pray to God, but they can't ask for it. He don't seem to care at all. Is this guy infatuated? Or is there something wrong with his brain?

“Okay, since both parties disagree, let's let this matter go.”

At this time, Mark Montgomery finally spoke: “Little brother, you are not only brave and unparalleled, but also have excellent character. You have never forgotten your original intention. I appreciate it very much. If you encounter any trouble in the future, just come to me.”

“Thank you, Your Majesty!” Dustin immediately bowed his hands and saluted.

Seeing this scene, Dahlia couldn't help but secretly breathed a sigh of relief. At the same time, she was a little more curious about the ordinary-looking man in front of her.

Although she doesn't rely on her appearance to make a living, she has never been rejected by anyone. This is the first time a situation like today has happened. Inexplicably, she was a little envious of the other person's fiancée. It is not easy to find such a strong and dedicated man.

“I hope you won't regret your choice.” Mark Montgomery lowered his voice and his eyes became even more evil.

This kid actually made a mistake and ruined two of his plans one after another. What a disaster! If this person is not eradicated, it will be difficult to vent his hatred.

“Come, come, come, everyone, eat and drink well, and don't yet go home.” Eugene Montgomery greeted, and the scene became lively again.

Although there was an episode, it did not affect the normal progress of the birthday banquet. But after this incident, Dustin became the object of many people's attention. He can easily suppress the alien black tiger, and he is determined to refuse the marriage offered by the God of War. He doesn't look like an ordinary person.

After having enough wine and food, Mark Eugene Montgomery left the show to rest. The guests moved to the banquet hall and then to the lounge to enjoy various exciting programs prepared by Montgomery Palace.

Dustin and Abigail followed the local customs and sat quietly without any movement. They were only responsible for monitoring Mark Montgomery's movements to prevent accidents. Someone else actually stole the golden marrow jade. And this person is none other than Azheala, who has mastered the art of disguise.

Azheala was originally the disciple of Lord Black, but later turned from darkness to light and became Abigail's bodyguard.

When Abigail awakened her bloodline and was brought back to the mystical order, Azheala was also reused. In order to implement the plan better this time, Abigail did not hesitate to call Azheala from all the way.

The two people's disguises were both the masterpieces of Azheala.

"Uncle, there's good news!"

At this time, Abigail looked at her phone and said happily: "Sister Azheala has sent a message, saying that the golden marrow jade has been successfully obtained, and we can leave at any time."

"Oh? So smooth. ?" Dustin raised his eyebrows slightly, quite surprised.

He thought something would go wrong, so he specially prepared two plans. Now it seems that it is no longer useful.

"Mark Montgomery changed clothes before and happened to put the golden marrow jade in the room. Sister Azheala disguised herself as someone from Montgomery

Palace and sneaked in smoothly and stole the golden marrow jade back.” Abigail explained.

“God is really helping me!” Dustin looked happy and secretly breathed a sigh of relief.

The golden marrow jade has been successfully obtained, and all the elixirs have been Gather them together, and wait until tomorrow to refine the Bone-cleansing pill to wake up Lorenzo.

At that time, he would ask for the truth one by one about ten years ago. No matter who the enemy is, he will make him pay the price!
