Chapter 1873

Late at night, in the palace of West Lucozia Prince.

"Cough cough cough..."

Rufus Rhys sat on the edge of the bed, coughing violently, and his body was shaking. Every time he coughed, a little bit of blood would be sprinkled on the ground.

"Your Majesty! The medicine is here!"

After hearing Rufus Rhys's cough, Princess Elara took the medicine and immediately walked into the room quickly.

Princess Elara put down the pills and patted Rufus Rhys's back gently, her eyes full of worry and distress.

After a while, Rufus Rhys's coughing finally stopped, and there was a pool of blood on the ground.

His entire face was as pale as paper, and his forehead was covered in sweat.

"Your Highness, drink the medicine quickly."

Princess Elara quickly picked up the medicine bowl and handed it over with both hands.

"It's too bitter. It makes me sick when I smell it."

Rufus Rhys frowned, looking very reluctant.

"Your Majesty, good medicine is bitter and good for the sick, drink it." Princess Elara advised softly.

"I am gonna die. It doesn't matter whether I drink or not." Rufus Rhys shook his head.

"Don't talk nonsense! You will definitely live a long life!" Princess Elara said seriously.

"Yes, yes, live a long life."

Rufus Rhys smiled with relief, then looked at the soup in the bowl, frowned again, finally gritted his teeth, picked up the bowl, and drank it all in one gulp.

Rufus Rhys, who remained calm in the face of thousands of troops, drank a bowl of medicine and his whole face became distorted.

It wasn't until he took a piece of brown sugar that he let out a long sigh of relief.

"My lord, are you feeling better?"

Princess Elara picked up the white towel and wiped Rufus Rhys's sweat carefully.

"Much better."

Rufus Rhys smiled comfortingly.

Although they are all valuable medicinal materials, as time goes by, their efficacy becomes worse and worse.

I wonder how long his broken body can last?

"My lord, you were injured before and haven't fully recovered yet. It's better to rest early."  
Princess Elara advised.

"Can't sleep."

Rufus Rhys shook his head: "Oh, by the way, what's going on with Logan and Thorian now?"

"It's not going well."

Princess Elara sighed softly: "Ji Yuanzun is so cunning and has never shown up. Moreover, the meeting location was moved to the secret base of Hulong Pavilion. Especially after Dustin Kate entered the Black Gorge Mountains, he completely disappeared and has not been traced to this day."

"Black Gorge Mountains?" Rufus Rhys squinted: "That place is right on the border. It seems that the Dragon Protection Pavilion is hidden very deep."

"Your Majesty, I think Dustin Kate will rebel again."

Princess Elara said with some worry: "If Dustin Kate chooses to cooperate with Ji Yuanzun, he will design an ambush. As for Logan and Thorian, they may be in danger."

"Don't worry too much."
