The Wolf's Bride by Coffee's Tea Chapter 725

Chapter 725

She did not understand.

Halle had always disliked Andrius. Why was she suddenly speaking up for him?

Halle glanced at Andrius and said indirectly, "Just because you didn't see it doesn't mean he didn't do it.

"In any case, you need to remember that it's all thanks to Andrius that the Crestfalls are where they are

now!"

Halle spoke with certainty, but Luna just found it absurd.

She scoffed and said, "Halle, if you think of me as a friend, then just say it directly. Don't beat around the

bush."

Halle glanced at Andrius again, unsure of his thoughts. Thus, she hesitated for a moment before gritting her teeth, preparing to reveal Andrius's identity. "Actually, Andrius is the real..."

"Enough!"

Luna saw Halle hesitating and thought that there was nothing Halle could say, so she interrupted her and said, "You don't need to say anything more, Halle."

Then, she looked at Andrius, her clear eyes filled with bottomless disgust.

"Andrius Moonshade, it's impossible between us, so don't bother me again.

“I have the right to pursue my own happiness. With my status and position, I deserve someone more outstanding to entrust my life to, not someone like you who only knows how to talk big and make grand promises.

“Today is the return of the Wolf King. It’s such a crucial moment, but you actually impersonated him. It not only makes me feel nauseous, but it’s also a great insult to the Wolf King!”

Those words were spoken mercilessly as an expression of Luna’s true feelings.

Andrius frowned slightly, but before he could speak, a barrage of insults drowned him out.

“Get the hell out, Andrius. If the Wolf King comes and finds out that you impersonated him, he’ll teach you

a lesson!”

“Andrius, I’ve never seen someone so shameless!”

“Get lost, you scum!”

“Andrius...”

The insults from Harry and the others were neverending. Their words were filled with disgust and hatred. It was as if Andrius were the most despicable existence in the world.

However, at that moment, a loud voice came from outside. “By order of the Emperor-”

Then, squads of imperial guards appeared in the view outside the windows.

One of them held the emperor’s decree with a solemn expression. He stood at attention and said in a clear voice, “Wolf **King**, for the **sake** of the country and the people, please reclaim command over the Lycantroops. Grasp the

whip of **the heavens**, cleanse the realm, subdue the enemy, and restore order **once** again!”

Hearing that **voice**, the dignitaries in the **hall** were **first delighted**, then **stood up** and **rushed out**.

“The Wolf King! It must be the Wolf King!”

“The Wolf King’s return is extraordinary. I must witness this historic moment!”

“Wolf King, I never thought I’d actually get the chance to see him. I’ll really be able to see him!”

“Hahaha, I’m about to become one of the people who have seen the Wolf King!”

“Come on, let’s go...”

All the guests were enthusiastic and excited as they cheered and shouted.

“Wolf King, for the sake of the country and the people, please reclaim command over the Lycantroops Grasp the whip of the heavens, cleanse the realm, subdue the enemy, and restore order once again!”

The chants of the imperial guards repeated over and over. Their voices resounded through the heavens repeatedly.

“Wolf King, for the sake of the country and the people, please reclaim command over the Lycantroops Grasp the whip of the heavens, cleanse the realm, subdue the enemy, and restore order once again!”

The dignitaries present also joined in the shouting, repeating it over and over again. They looked around, eagerly anticipating the arrival of the Wolf King.
