Bogus Billionaire By Shining Riviera Chapter 801-Jack regretted his words after he said them. "I-I don't have any other intentions.

It's just ... Well, Ms. Evans, um, the madam is-" Cheryl chuckled, amused by Jack's reaction. And just like that, the sad atmosphere disappeared without a trace.

As Jack saw Cheryl smile, he couldn't resist saying, "You look beautiful when you smile." Cheryl's face turned crimson at his words, just like a sunset. "Jack ..." "Cheryl ..." Jack swallowed.

Suddenly, a honk sounded behind them, bringing both of them back to their senses.

Cheryl said awkwardly, "I think we're blocking their way.

11 "Y-Yeah." Jack rubbed his head innocently. After a moment, he remembered to give way to the other drivers, and he hurriedly started the car.

As Cheryl watched him fumble around, she couldn't resist laughing.

When Jack heard Cheryl's laughter, his mood improved as well. He also felt his sadness disappear significantly.

Meanwhile, Sean would be responsible for Caroline's well-being when they were abroad.

After determining their roles, everyone silently waited for the day of the wedding, including Dan and Sarah.

Sarah and Dan had initially planned to skip the wedding. However, they hadn't expected Caroline to lose her memory and forget everything that had happened since she had married Kirk.

In other words, she had forgotten that they had fallen out and also how Layla had said that she wasn't their real daughter.

This revelation had left Sarah and Dan so excited that they couldn't sleep at all.

When they saw Caroline, they acted like loving parents to her.

Although Eddy knew about the grievance between Caroline and the Evanses, he couldn't be bothered with that now. Since his attention was on Kirk, he didn't say anything to Caroline.

Besides, Gwen had reminded him not to tell Caroline about anything that had happened before.

Once there was a discrepancy between what he said and Caroline's current memories, her condition would get worse. He had seen it happen with his own eyes.

Naturally, he didn't want the wedding to get cut short because of Caroline's condition acting up.

Today was his showdown with his second uncle. As long as the wedding went smoothly, he had the right to call himself the victor of this battle of love.

In the bride's dressing room, Sarah and Dan were surrounding Caroline.

Sarah caressed Caroline's cheek lovingly. "Oh, my precious daughter. You're finally marrying Eddy. I have been looking forward to this day." As she spoke, she shed tears. Strangely, Caroline didn't feel moved when she saw Sarah crying.

A thought even crossed her mind-that those were crocodile tears.

Caroline felt a chill at the thought. "Mom, this is a happy day. You shouldn't cry," she said gently, but she had a dull expression on her face.

Seeing this, Dan quickly gave Sarah a look. "Come on... Carrie is right. You shouldn't cry on such a big day. Carrie, I have something to discuss with you." Caroline turned to face the mirror. "What is it?" "Do you still remember acquiring Collins Group?" Caroline's head slightly hurt when she heard his question.

Bogus Billionaire By Shining Riviera Chapter 802-"I don't, but Eddy mentioned it to me." Dan was overjoyed to hear that. "It's all right if you don't remember. I

just want to tell you that since you're going to marry. Eddy, Collins Group won't be of use to you anymore.

"Besides, you would be busy with your role as a wife, caring for your husband, and raising the Morrison family's children.

"You won't have time to take care of the company. So I would like to ...' IT As Dan watched Caroline's expression, he whispered, "Since I have nothing else to do, I can help you take care of the company." Caroline's expression didn't change at all. "But Dad, don't you need to manage Evans Group as well?" Dan and Sarah looked at each other. "Oh, Evans Group is just a small company.

I can just let my subordinates manage it.

"Collins Group is a big corporation. If no one is keeping watch, it will fall apart." Caroline pinched the bridge of her nose. Something seemed to be pounding in her head.

"Dad, I don't want to talk about this right now." Caroline held back her pain.

"Let's talk about this after the wedding is over." After seeing that Caroline wasn't making excuses, Dan and Sarah sighed in relief.

"All right, all right. We'll talk about this after the wedding is over. Get yourself ready. Your mom and I will be waiting outside." And with that, Dan pulled Sarah out of the dressing room.

After the door closed, the makeup artist told Caroline, "Mrs. Morrison, I'll start applying your makeup now." "All right." As Caroline looked at her reflection in the mirror, she thought of something and said to the makeup artist, "By the way, you have to make me look even prettier than usual." The makeup artist said with a smile, "Don't worry. I'll make you the prettiest bride in Osbury, no in all of Easton!" Caroline simply smiled at her words. She didn't want to be the prettiest bride in Easton. However, she wanted to be the most stunning woman.

She wanted to leave the best impression on Mr. Y, even though this wasn't their first meeting.

After more than an hour, Caroline was done with her makeup. The makeup artist had been meticulous. She had taken care of every inch of her appearance.

When Caroline looked at her dazzling reflection in the mirror, she almost couldn't recognize herself.

As she looked in the mirror, an image crossed her mind. However, it was like a mirage. She couldn't get a hold of it, no matter how hard she tried.

"What's wrong? Are you not happy with this..." Seeing Caroline staring at the mirror silently, the makeup artist was so scared that her limbs trembled.

"No, I like it very much." Caroline returned to her senses and smiled slightly.

"Do you think I look beautiful?" The makeup artist regained her composure slightly. She looked at Caroline's dazzling image in the mirror.

She said earnestly, "Mrs. Morrison, to tell you the truth, you're the most beautiful bride I've ever seen. Believe me, you're going to turn everyone's heads when you're out there." Caroline narrowed her eyes. "I don't need everyone's attention. I just want his..." "You're talking about Mr. Eddy, right?"
!!

The makeup artist said sweetly, "When he sees you, he won't only be shocked, but his heart will also race." Caroline smiled at her words, but she didn't refute her. She looked out the window. The white clouds drifted in the sky, and time passed by as it did.

The wedding was about to start. Would Mr. Y really take her away as he promised?

Caroline pursed her lips at the thought. At this moment, she heard Dan's voice from outside the door. "Carrie, it's almost time for us to go. Are you ready?" Caroline glanced at the window again before standing up. Holding the hem of her dress, she said, "Yeah." When she said that, the dressing room door opened, and she saw countless rays of light

Bogus Billionaire By Shining Riviera Chapter 803-At the wedding venue, Eddy looked at every face in the audience from his place on the stage.

These guests were all members of the big four families. He might not recognize them all, but one thing was for certain.

Kirk wasn't here.

"Make sure to check everywhere. Are you sure that there isn't a trace of Uncle Kirk?" Eddy asked Simon.

"Yes, sir." "It can't be. Caroline and I are getting married today. There's no way he would stay calm and not show up here." A sharp glint appeared in Eddy's gaze. "Get more people to watch every entrance and exit. There's no way he won't show up today." Simon nodded. "Yes, sir." "Eddy-" supposed to be abroad.

"Likewise. What are you doing back here?" Eddy asked casually.

married, so I came back for the wedding." could see the unabashed Eddy's expression shifted, and he narrowed his eyes. He had never noticed that Caroline ... child of the Sorkins. He couldn't cause any problems.

"Really? "You're too kind." Eddy held out his hand.

1/2 them secretly tried to assert their dominance.

Damien didn't notice anything between them. He said to Eddy with a smile, "Mr.

Eddy, please take care of "Don't worry, I will," Eddy said profoundly.

greeting each other, he returned to his seat.

Eddy didn't see him as a threat, so he stopped paying attention to him.

At this moment, a voice sounded at the door. "The wedding shall now begin." The noisy audience immediately quieted down, and everyone returned to their seats.

Damien frowned at his words. "The wedding is about to start. Why are you still wandering around?" Damien couldn't stop him, so he shook his hand impatiently and said, "Make it quick." He turned to the restroom nearby. Then, he changed into the staff uniform he had prepared in advance.

member. He acted calm and composed. None of the staff noticed he had sneaked into their ranks.

At this moment, Caroline was standing restlessly at the dressing room door.

Every time someone walked by, she craned her neck in anticipation.

But every time, she would be disappointed. That was because none of them stopped walking and asked her if she wanted to leave with them.

Bogus Billionaire By Shining Riviera Chapter 804-“Don’t worry, Carrie.” Dan patted Caroline’s hand. “The wedding will start soon. We just need to wait for their instructio-” Before he could finish speaking, he fell to the ground.

Caroline was shocked by what she saw. When she turned around, she saw a man in a staff uniform, holding a tranquilizer gun in his hand.

“Come with me,” he said to her.

Caroline was stunned for a few moments. “Y-You’re not Mr. Y.” His voice was completely different from Mr. Y’s.

she would.” “What did you say?” “Mr. Y asked me to let you know he can’t take you away himself.” Caroline took a step back. “How do I know if you’re telling the truth?” money. He said you can call him if you don’t believe me.” Caroline doubtfully took out her phone and dialed Kirk’s number.

He answered the call in seconds. Caroline heard a familiar voice on the phone, saying urgently and sternly, “Go with him.” Then, he hung up the phone.

Caroline raised her head.

Caroline nodded.

Caroline lifted the hem of her dress. “Which way are we going?” direction.

1/2 However, the two of them were quickly stopped. They were surrounded by a group of men.

“Where on earth are you going, Ms. Evans?” Simon pushed through the crowd and approached Caroline.

Caroline backed away instinctively, but Eddy’s goons were behind her. “I don’t want to marry Eddy anymore,” she said, looking into Simon’s eyes.

Simon asked gently, “Why, Ms. Evans? Haven’t you always wanted to marry Mr.

Eddy? Now that you finally got what you wanted, why are you running away?” “I don’t know either.” Caroline shook her head in pain.

“I just don’t want to marry him. Although everyone says he’s a good man, I-I don’t think that’s the case. A good man doesn’t act like this.” Simon’s expression shifted at her words. “In that case, don’t blame us for what we’re about to do. Kindly escort Ms. Evans to the wedding venue!” At his order, two bodyguards stepped forward and grabbed Caroline’s arms.

Caroline struggled. “Let go of me, Mr. Zellen! You don’t have the right to force me to marry Eddy!” What era do you think we’re in? No one forces people to get married anymore.

barking up the wrong tree. I’m just an illegitimate child. Even if that family gets destroyed, it doesn’t concern me at all.” His words had hit the mark, and after a moment of silence, Simon said, “Even if you don’t care about the Sorkins, remember, this hotel is the Morrisons’ territory.

Don’t you think kidnapping someone in their territory is a pipe dream?” As he spoke, he raised his hand and aimed the tranquilizer gun at Simon.

Bogus Billionaire By Shining Riviera Chapter 805-hand.

passed the tranquilizer gun from his right hand to his left.

When Simon saw what had happened, he immediately ordered, “Get them!” At his order, bodyguards swarmed toward them. However, a few bodyguards behind fell down to the ground, immediately attracting Simon’s attention.

All of a sudden, Simon saw several people with guns showing up out of nowhere. They were glancing in their direction.

“This is bad. They have outside help.” Simon took out his walkie-talkie.

“We’re at the entrance of the bride’s dressing room. Everyone, get over here to assist us right away.” Caroline wasn’t afraid to see them wield guns. Instead, she struggled even harder against the bodyguards’ grip.

Then, she actually broke free from their grasp. She didn’t know whether it was because the sudden change in events had caught those bodyguards off guard or because she had become stronger.

After breaking free from them, Caroline didn’t even dare to catch her breath.

“Let’s go!” hail of bullets and headed toward the door.

After they went down the stairs, they were about to reach the door, but the large door slammed shut. The lights turned off, plunging everything into darkness.

Caroline instantly felt suffocation welling up in her chest. She gripped the railing in fear.

With the flick of a switch, a light appeared in the darkness.

Under the faint lights, Caroline saw Eddy standing at the door. Behind him was a large crowd of people.

Caroline shivered at the sight.

“So you still want to leave, Caroline.” Eddy looked straight at Caroline.

1/2 “I just didn’t expect that the person who would take you away would be him and not my second uncle.” Caroline frowned at his words, feeling the pain in her head return. It was like countless needles were jabbing her brain.

“Eddy, I’m sorry. I can’t marry you.” Caroline looked down at the ground and said miserably, “I don’t know why, but there’s a voice in my head that keeps telling me that I can’t marry you.” Eddy’s expression became gloomy. “The voice in your head? Hah! But just a year ago, you wouldn’t marry anyone but me!” “You’re right. I did want to marry you before, but-” “Why?” Eddy loudly interrupted her.

“How the hell am I inferior to him? Both of us have money and power! He’s handsome, but I’m not bad□looking either! Why, Caroline? Just tell me why!” Eddy walked toward Caroline step by step.

Even though it was a carpeted floor, Caroline still heard his shoes stepping on the ground, and her body trembled.

As Eddy got closer and closer, she shook even more.

getting closer. “I’ll answer that question instead.” have the right to talk to me.” “Don’t you want to know the answer to your question? It’s very simple. Kirk loves Caroline wholeheartedly. He would even work with his rival in love for her sake. But what about you?” Caroline’s head hurt even more at the mention of Kirk’s name.

She held her head and added pressure with all her strength, but the pain still spread throughout her body.

However, neither of the men noticed the change in her behavior.

“How did you treat Caroline when she wanted to be yours? You only came to the realization after she stopped loving you.

“Ha! Let me tell you something. It’s too late for you to acknowledge your love for her.”

Bogus Billionaire By Shining Riviera Chapter 806-“Besides, I wouldn’t even call those feelings of yours love. You’re just being a childish brat at best.

“Once you feel that your toy has been stolen, you’ll do whatever it takes to take it back!” Eddy’s eyes were bloodshot like those of an uncontrollable beast. He glared at “What the hell do you know? An outsider like you has no right to judge my relationship with Caroline!” “Ah!” Caroline screamed in pain, startling the two men in the midst of their confrontation. They looked over at her.

Caroline seemed to be greatly aggravated. She shook her head frantically. “It hurts... Kirk... Who on earth is Kirk ... Who the hell is he?” door. However, Eddy blocked his way.

“Put her down!” Eddy said icily.

bad state, and you still don’t want to let her go? What the hell do you want?” “I want you to put her down!” Eddy said sternly, emphasizing every word.

“Put! Her! Down!” As Eddy spoke, the bodyguards behind him gathered around them.

Caroline didn’t have the strength to stand on her own. She looked like she was having a seizure. Her body convulsed as she laid on the ground in agony.

He couldn’t care about the situation anymore. He raised his fist and punched Eddy hard.

Eddy was unprepared for the blow. He took a punch in the nose, which made him gasp in pain and stagger backward.

The bodyguards immediately rushed forward, but Eddy stopped them. “Ignore him. Take the madam back to the room.” 1/2 My second uncle didn’t even dare to show up. Even so, you still had the gall to try to take Caroline away.” do it over my dead body!” “Fine! Get him!” Eddy gave an order, and bodyguards on both sides surrounded However, at this moment, there were loud bangs on the door.

The bangs held a lot of strength, as if thousands of troops were outside that door.

The door had been struck so many times that it was about to fall apart.

Eddy’s expression shifted. “Go! Block the door!” The bodyguards were totally unprepared. They could only use their bodies to block the door.

However, their bodies were no match against the giant axe banging against the door.

The next second, the door tumbled down. The crowd quickly dispersed.

“Come on!” He was about to rush over to save her, but Eddy wrapped his arms around doing?” Did he want Caroline to die right in front of him?

Bogus Billionaire By Shining Riviera Chapter 807-The door was falling closer and closer to Caroline. Eddy's inner conflict became more intense.

He didn't know the answer to that question. That was because a voice was coldly telling him that since he couldn't get her, he should make sure no one did!

the pain in his stomach had spread throughout his body, he still refused to let go.

At this critical moment, a figure moved as fast as lightning. He quickly grabbed Caroline, who was on the ground and rolled away to a safe spot.

As that person steadied his feet, the door behind him tumbled violently.

Pieces of broken glass scattered throughout the entire lobby, injuring many people.

Only Caroline was safe in that man's arms. However, she already passed out.

So she would never know that Mr. Y was here today.

"Uncle Kirk!" Eddy returned to his senses after a brief moment of shock.

Eddy's mysterious second uncle!

Kirk slowly put Caroline down and asked Jack to watch her.

Then, he stood up and walked toward Eddy. He no longer held back his anger.

He looked like a demon from hell.

Eddy's legs had turned to jelly. He had to clench his fists to stop himself from collapsing in fear.

Soon, Kirk stood in front of Eddy. He was a head taller than Eddy, so he simply looked down at Eddy in disdain.

Eddy swallowed. Then, he reminded Kirk, "We're in Easton, not Macldo. You can't do whatever you want here." Kirk looked indifferent. "I can't do whatever I want? Eddy, you think you may have found my weakness by 1/2 As soon he

finished speaking, he hit Eddy's nose with a steady punch. Eddy wasn't so lucky this time. Kirk's punch broke his nose.

He covered his bleeding nose and stopped talking nonsense with Kirk. "Get them! All of you! I'll give those who can take them down a promotion and raise." The promise of a promotion and raise was very tempting. Unfortunately, the goons he had hired were still a pile of trash compared to the people Jack had brought.

Soon, they were beaten black and blue. They laid down on the ground, wailing in pain. It was a miserable sight.

Kirk didn't need to worry about those goons at all. He carried Caroline and walked to the door.

Eddy wanted to go after him, but Jack stopped him.

"Mr. Eddy, it's time for you to pay for your actions!" Jack's gaze was cold and murderous.

"Get out of my way!" Eddy roared.

Jack didn't do that. Instead, he punched him. In his eyes, Eddy was the one who had hurt Caroline, so he didn't hold back.

And just like that, Jack quickly defeated Eddy.

one point.

At this moment, they were in the parking lot.

Bogus Billionaire By Shining Riviera Chapter 808-Just as Kirk was about to start the car, the passenger door opened.

Kirk said nothing to him and drove straight to Michael's clinic.

Caroline going to be okay?" Kirk tightly gripped the steering wheel, making the veins appear in his arms.

"She'll be fine!" silently.

grab the armrest several times.

With great difficulty, the three of them arrived at Michael's clinic.

When Michael saw Kirk carrying Caroline, he quickly asked, "What happened?" front of Caroline.

had finished speaking, Kirk's expression was beyond stormy.

"Sir, I have to take her for treatment immediately." After saying this, Michael pushed Caroline on her wheelchair and left.

Kirk could no longer hold back his anger after suppressing it the entire way there. He punched the wall hard, and blood flowed from his knuckle's immediately.

caught up with him. "Where are you going?" "To see Eddy." after Eddy at a time like this!" very calm, as if he wasn't being impulsive at all.

1/2 He raised his head. "I think Caroline would want you to keep her company, even if she's unconscious.

Besides, don't you want to see her?" Kirk slowly loosened his clenched fists. After a long while, he lowered his hand.

Then, the two returned to the treatment room and sat stiffly outside, waiting for Michael to come out.

After half an hour, Michael walked out, sweating profusely.

"The madam's condition was aggravated. She needs a lot of rest. After I gave her some medicine, I also gave her a sedative. She won't wake up for a while..." Having said this, Michael looked at Kirk.

Kirk asked shakily, "Can I go in?" "You can. It'll take about two hours for her to wake up. That means you have two hours alone with her. But you have to leave after that." "Thank you!" Kirk shook Michael's hand. Then, he opened the door and walked into the room.

Michael stood frozen on the spot.

“Do you feel like you’re dreaming somehow?” before him and then at the treatment room. “Are you also the madam’s suitor?” he didn’t answer the latter’s question.

Instead, he turned around and looked at the treatment room through the glass window.

“I think I’m dreaming, too. I can’t believe my rival is actually SY Group’s president!” Michael also turned around and looked at Kirk, who was holding Caroline’s hand in the room.

He whispered, “Yeah. I didn’t expect SY Group’s president to be so affectionate.” Their eyes landed on Kirk’s tall and tired figure.

Bogus Billionaire By Shining Riviera Chapter 809-Two hours were just that precious to Kirk. He didn’t want to waste a single moment of it.

If he could, he would use all his wealth to make those two hours infinite.

Unfortunately, he was an ordinary person who was helpless against the power of time.

Soon, two hours passed by. Kirk had no choice but to leave the room before Caroline woke up.

After walking out of the room, Kirk saw Sean and Gwen, who had arrived at there too.

he saw him, “That’s not cool of you, Mr. Kirk. You’ve agreed to let me take Caroline away. But you still asked your friend to-” Kirk said calmly, “Before you worked with me, you should have known there’s no way I would let you take her away.” “Indeed, but I didn’t know you were Eddy’s second uncle at that time. If I had known your identity, I would never have foolishly proposed to work together.” degrade my sincerity?” “No, I just want to repay you as Caroline’s husband.” use money to do that!

“Just like you, I don’t want Caroline to marry Eddy. The reason why I helped her is because I love her. I want her to be happy.” Kirk narrowed his eyes as well.

Realizing that they might fight, Sean quickly stood between them.

“Enough of this. Caroline will wake up soon. If you guys keep fighting, it won’t be good if she sees Kirk. It may worsen her condition again.” “I’m leaving,” Kirk spat. Then, he walked to the door.

still.

1/2 “Caroline didn’t act strangely when she saw me. She doesn’t have a deep impression of me. It was just like... the first time I met her after returning to Easton. She had completely forgotten about me.” won’t affect her at all. Also, I want to know who she’ll leave with now that she’s lost her memory.” Gwen looked over at Sean. Sean was hesitant as well.

At this moment, they heard Caroline’s confused voice through the half-open door of the room. “Where is this? What am I doing here?” the room.

When Caroline saw Gwen in the treatment room, she immediately hugged her like a cub finding its mother.

“Gwen, where am I? What am I doing here?” “Calm down, Carol. We’re in a safe place.” When Caroline heard Gwen’s assurance, her breathing gradually calmed down.

While looking at her surroundings, she asked, “Shouldn’t I be at the wedding? Why am I here?” “Don’t you remember what happened at the wedding?” Several choppy images crossed Caroline’s mind. “I-I think someone came to take me away ... But Eddy showed up, and he brought a bunch of people to stop us... “Then, he said something... I forgot. I don’t know what he said... Then, I collapsed. Hang on ... S-Someone saved me...”

Bogus Billionaire By Shining Riviera Chapter 810-“But that’s not right. That person seems to be in my dream.” The more Caroline talked about it, the more confused she was. She grabbed her hair in pain.

“I don’t know... Everything is a mess. It’s even messier than a bunch of threads knotted together...” “All right. It’s okay. It’s okay.” Gwen gently patted Caroline’s hand.

"You don't have to think about it, Carol. You just need to remember that someone rescued you. You don't have to marry Eddy anymore." Caroline looked at Gwen and nodded very slowly. "Okay." "Then... you..." Gwen pulled Sean over, not daring to look him in the eyes.

"Why don't you go abroad with this guy?" "Mr. Yates?" Caroline remembered meeting this man before.

"Caroline." Caroline heard another voice, which attracted her attention.

a smile. "Caroline, do you still remember me?" Caroline blinked in confusion. This man looked familiar. After a while, she asked, "Were you the one who took me away from the wedding?" A look of realization appeared on Caroline's face. "So, it's you. Y-You've changed a lot. No, I should say that you've grown up.

know what to feel about that.

"Caroline." Yates?" Caroline was puzzled. "What's the difference?" But if you leave with Mr.

1/2 "Mr. Y?" Caroline looked at Sean in surprise.

"Are you one of Mr. Y's people?" that Sean was on Kirk's side.

Now that he had done it, there was no chance of him winning.

"Then, I'd better leave the country with Mr. Yates." a meal when I get the chance." After they had decided who Caroline would leave with, Gwen took her for a However, Sean stopped him. "You shouldn't have told Caroline I was one of Kirk's people." her memories. So I wanted to take a gamble.

"As it turns out, Caroline will always choose him. It didn't matter what she became or whether she remembered him." long ago, but I refuse to admit it." He took a long breath. Then, he turned to Sean and said, "That's right. I refuse to admit that fact. "Let Kirk know that our rivalry is still on. So he should be careful while Caroline is out of the country."

Bogus Billionaire By Shining Riviera Chapter 811-After ensuring everything was fine, Caroline followed Sean onto the plane.

She held Gwen's hand reluctantly. "Gwen, are you sure you don't want to leave the country with me?" Gwen glanced at Sean, but he had already turned his head and looked away. "Carol, I'll go over to see you when I can. Make sure to rest and recuperate out there." After hearing what Gwen said, Caroline knew she wouldn't be coming with her. Feeling disappointed, she said, "I'll take good care of myself. Take care of yourself as well." 1 "Yeah, I will." Gwen looked longingly at Sean.

After a moment, she couldn't resist asking, "Can we talk in private, Mr. Yates?" Sean had no choice but to face Gwen. He looked down and held back his emotions. "Okay." The two got up and walked along the corridor to another room. The moment the door closed, Gwen hugged Sean.

Her actions startled Sean, but they slowly filled his empty heart.

"Sean." "Yeah?" "Take care of yourself too." Gwen had a lot of things to say, but in the end, this was all she could tell him.

Sean slowly placed his trembling hand on Gwen's head. "All right, you must take good care of yourself during my absence. Also ..." He looked at Gwen sternly. "You can't think about any other guy. I'm the only one you can think about." Gwen smiled slightly at his words. "Okay." When Sean heard her agreement, his eyes were filled with joy. "Remember what you promised." "I will." Gwen held Sean's hand, and his heartbeat accelerated at her touch.

Meanwhile, Cheryl stood next to the plane. She was panting and holding a sweater in front of Jack, who was covered in blood. Her eyes were filled with distress.

"You're not hurt, right?" she asked with concern.

"I'm fine." Jack's eyes landed on the sweater Cheryl was holding. He said hopefully, "Is this for me?" "Yeah." Cheryl slowly took out the sweater and handed it to Jack.

"I started knitting this a few months ago. I hope you like it." Jack was overjoyed as he took it. "Of course I do! I like it very much! Thank you, Cheryl." Cheryl's cheeks turned crimson. "I'm glad you do." The two of them stood in silence until the staff on board came to remind them of the departure. Then, Jack reluctantly said goodbye to Cheryl.

The plane slowly took off into the sky, taking Caroline into the unknown.

Meanwhile, Eddy was still in the country. After learning that his men had failed to intercept them, he smashed the expensive wood sculpture.

“Useless pieces of trash! You guys are absolutely useless! Why the hell do I still pay you?” Simon and the head of security were both elderly people. But they could only let Eddy scold them as if he were lecturing a child.

They couldn’t find the words to refute him because they were really useless. They had let Kirk take someone out of their territory.

After finishing his rant, Eddy sat on the couch, exhausted.

“Mr. Eddy ...” “Get out!” Eddy pointed at the door.

Simon and the head of security looked at each other. Having no choice, they left the room.

As soon as the door closed, Eddy took out his phone and dialed that woman’s number.

The call connected quickly.

“Didn’t you guarantee that I would marry Caroline?” Avery’s smile froze at his words. “What do you mean? Isn’t today your wedding?” “Yeah, it is. But Kirk took Caroline away.” Eddy suppressed his anger. “You’re one of his people, aren’t you?”

Bogus Billionaire By Shining Riviera Chapter 812-Avery’s expression shifted slightly. “Where is she now?” “She left by plane,” Eddy sneered, slumping on the couch. He felt like his heart had been torn to pieces.

He was in so much pain that it hurt to breathe.

“She must have gone abroad. Don’t worry. Since we’re working together, I’ll keep my word. Remember, I still want to marry Kirk.” Eddy wasn’t optimistic. “Do we still have a chance?” “Of course. As long as they’re still alive, we have a shot. You’re not going to give up so soon, are you?” Hearing her words, Eddy slowly calmed down. “Yeah. As long as she’s still alive, I have a chance. So what should I do next?” “You don’t have to do anything for now. Since she’s out of the country, I’ll deal with this. I’ll tell you if I need your help.” Eddy

hummed in assent. Then, he asked, "We're more or less acquainted, right? Can you tell me who you are now?" There was silence on the phone.

Eddy said, "It's hard for me to trust you if you don't tell me who you are." "I'm Avery Mendeley." Eddy was stunned. "Are you the woman who has been pursuing Uncle Kirk?" He knew who Avery was because she was well-known in Kirk's circle. Almost everyone knew that she liked Kirk. He had come to know about Avery from Kirk as well.

Since Avery and Caroline were both the type who would boldly do anything regardless of the consequences, she had left a deep impression on Eddy.

But he hadn't expected Avery to still pursue Kirk while Caroline had abandoned him.

Every time Eddy thought about it, he regretted asking Caroline to donate her kidney to Layla in exchange for marrying him.

If that incident hadn't happened, his relationship with Caroline wouldn't have reached this point.

Come to think of it, Layla was to blame for all this.

1/2 At the thought of Layla, Eddy became confused again.

The Evans family didn't care that she had fallen into a coma. However, he couldn't do that. No matter what, Layla was his savior.

The daily medical fees were sky-high for other people. But they were just regular numbers in the Morrisons eyes.

What really bothered Eddy was how he would handle Caroline and Layla when the former returned. He couldn't just ignore Layla, could he?

While Eddy was worrying about this, Caroline had already arrived in Macdo.

As soon as she landed, she felt a sense of familiarity. "How strange. I've clearly never been here before, but it feels like I have." Caroline looked at the airport. She had studied abroad, but she was 100% sure that she had never been.

here.

Sean said, "Maybe you visited here in your dreams. Let's go. My family is already waiting for you." "Oh, okay." Caroline followed Sean out of the airport.

The two got into the car, and soon they arrived at the Yates family's home. Their home was a large manor with no end in sight.

Even Caroline, who had mingled with wealthy people, was shocked to see such a magnificent manor.

A butler was already waiting outside the manor with a car.

Caroline and Sean got into the car. The car slowly moved, passing through a large garden before arriving at the door of the main building.

There were even banners hanging at the door. "A warm welcome, Caroline." Caroline said, "... Your family is really enthusiastic." Sean smiled gently at her words, but he had a bad feeling about this. "Yeah, let's go in." With that said, the two walked into the manor. When they opened the door, they heard someone yell, "Surprise!"

Bogus Billionaire By Shining Riviera Chapter 813-Along with the yell, countless petals fell to the ground. They scattered on the floor, forming a very romantic scene.

Caroline followed the trail of petals and saw a huge cake in the living room. The words "Welcome, Caroline" were written on the cake.

"This must be Caroline." A luxuriously dressed woman walked over. She took Caroline's hand and looked her over.

Sean tried to speak up several times, but he couldn't get a chance.

"Wow, you're so beautiful. My son has really good taste. Carrie ... Can I call you Carrie?" Only then did Caroline realize that this woman was Sean's mother, Betty Curry. Moreover, she seemed to have misunderstood the situation.

Caroline said, "Mrs. Yates Senior, I-I'm not Mr. Yates' girlfriend." As soon as she said that, Betty immediately looked at Sean. Sean shrugged. "She's really not my girlfriend. Besides, I told you I'm bringing a female friend home. How

did you think she was my girlfriend?" Betty looked at her son with disdain. "You're almost 30 years old, but you've never brought a girl home.

Since this is your first time bringing a girl home, you can't blame us for overthinking things." As Betty spoke, she looked at Caroline with a smile. "Carrie, do you have a boyfriend? How did you and Sean meet? What do you think of Sea-" Before she could finish her words, Sean dragged her to the balcony. "Don't even think about it, Mom. She can't be my girlfriend." "Why not? Don't all boys and girls get together eventually?" "She's Kirk's wife." Betty was speechless for a moment. After a while, she said, "That doesn't sound right. If she's really Kirk's wife, she should be with the Morrisons and not with you. Are you lying to me?" "Mom, the entire situation is a bit complicated. At any rate, remember this-never mention Kirk around her! Remember!" Sean was rarely serious. Seeing this, Betty had no choice but to agree.

"Okay, I got it. I can't believe you kids. You don't say anything when I ask what's going on. Ugh, I don't have 1/2 "Nope." "Then, I'm going back in to talk to Caroline. It's okay to talk, right?" Sean said, "Yeah." With her son's consent, Betty happily approached Caroline. "Carrie, I'm really sorry for what happened just now. I misunderstood your relationship." As she spoke, she led Caroline to sit on the couch.

"It's okay, Mrs. Yates Senior. I should be thanking you. I may have to disturb you by staying here for a while." "It's good that you're here. I get to have some company," Betty said. Then, she asked the maids to cut some cake for Caroline.

When Sean saw this, a smile appeared on his face. If his mother could accept Caroline, she would definitely accept Gwen. However, he didn't know when he could become official with Gwen.

Caroline almost overate under Betty's warm reception. Fortunately, Sean came to her rescue and asked her to get some rest on the second floor.

After Caroline went upstairs, Sean said to his mother impatiently, "Mom, you're going to scare her away if you act like this." "What do you know?" Betty asked someone to put away the dishes. Then, she patted the seat next to her and said, "Come on, you've been in Easton with Kirk for over a year. Tell me. How have you been doing?" Sean mercilessly exposed her intentions. "Do you really want to know how I spent my year or if I have a girlfriend?" "Hey, you-" Betty raised an eyebrow. "Fine, you're right. Do you have a girlfriend?" "Yes." Betty was over the moon when she heard his response.

Bogus Billionaire By Shining Riviera Chapter 814-Sean said, "But she doesn't want to admit that I'm her boyfriend." His words left Betty confused.

Sean continued, "Stop asking about it. It's complicated between us. But I'll do my best so you can be a grandmother soon." Betty asked, "What happened to Kirk and Caroline? Why didn't he take her home?" Sean sighed as he looked at his nosy mother. He figured that she might cause trouble with that curiosity of hers if he didn't tell her about Caroline and Kirk. So he gave her a brief explanation about what had happened.

Betty was stunned after she heard the whole story. "So this is why we mustn't bring Kirk up in front of Caroline?" "Yes," answered Sean.

"Such a pitiful child. I never expected that Kirk, who has always been so focused on his business, would become so obsessed with a woman," Betty said.

"Yeah, who would've thought that Kirk, who stood his ground against Finn, would be reduced to such a pathetic state over a woman?" said Sean.

Betty said, "Caroline has it bad too. The Morrisons are really wicked. They shouldn't have forced her to marry someone who doesn't love her." As a woman, Betty could relate to Caroline's emotional distress better, which made her more sympathetic and compassionate toward her.

The next day, Betty invited Caroline to go sightseeing in an attempt to make her feel more welcome.

Sean didn't object to that. Considering Caroline's current situation, having someone to hang out with would do her some good.

Betty suggested, "Why don't we go out to sea? It's been a while since I did that." "Okay," Caroline obediently responded.

Betty looked at the well-behaved Caroline affectionately. She also felt bad for her. She couldn't help but glare at her son in disappointment. Sean was puzzled by the look Betty threw his way.

After breakfast, Caroline got into the car and headed to the beach with Betty.

1/2 She felt a sense of tranquility and delight at the moment she saw the azure sea and sky. There were several cruise ships near the shore.

Betty shared, "This is a private area owned by several families. Can you see that cruise ship? It belongs to our family." Caroline looked in the direction Betty pointed. There was a luxurious and gigantic cruise ship. It was obviously more expensive than others.

"Yes," said Caroline.

"Go on without me. I'll catch up with my friends and find you later." "Okay." Caroline obediently got out of the car.

Betty looked at her tenderly and sighed inwardly. She knew she should stop having such thoughts. Caroline was Kirk's wife. No matter how capable Sean was, he wouldn't be able to measure up to Kirk.

Caroline didn't know what Betty was thinking. She walked slowly toward the Yates' cruise ship. There were already staff members waiting next to the cruise ship. Caroline quickened her pace. Just as she was about to greet the staff, a surprised voice.

sounded from behind her. "Caroline!"

Bogus Billionaire By Shining Riviera Chapter 815-Caroline turned around to see a woman in a beautiful dress approaching her. The dress doesn't seem to be branded, but it was clear that it was custom-made, or else it wouldn't fit her so perfectly.

She recognized Caroline, but Caroline had no idea who she was.

Given Betty's familiarity with everyone present, Caroline assumed that the young lady must be an acquaintance of hers.

She greeted the young lady with a friendly smile. "Hi." Yvonne stared at Caroline in disbelief. They had fallen out a long time ago because of the incident with Marietta. Besides, she She was surprised to see Caroline here, and her first reaction was to pick a fight with her.

But she hadn't expected Caroline to greet her, much less smile at her. She thought Caroline was either out of her mind or had an ulterior motive.

Yvonne looked at Caroline with caution and asked, "What are you doing here?" Caroline responded, "Mrs. Yates Senior invited me." "Mrs. Yates Senior?" Yvonne wasn't sure who it was, but there was no one else nearby.

She smirked and said, "Well, isn't it quite a coincidence to meet you here? Are you looking for my mom?" Caroline looked at Yvonne in confusion. She started to pick up on the malice in Yvonne's tone. "I don't understand what you're trying to say." "Do you really not understand, or are you pretending not to?" Yvonne moved closer and said, "Do you think I don't know what you're trying to do? You helped my mom find me to curry her favor. I just didn't expect you to come for me in another country." Caroline's expression changed, and she said, "Miss, I have no idea what you're talking about." Yvonne gave her a disdainful look. "You play the part quite well" At this moment, a staff member approached Yvonne and said, "Miss, the cruise ship is ready to go." "That was quick. Stand by; I'll be there in a moment," Yvonne said as she waved her hand.

She looked at Caroline and asked, "Would you like to go out to sea with me?" 1/2 Caroline slightly furrowed her brows and said, "No, thanks." Yvonne laughed hysterically and said, "Do you really think I want to invite you? I just want to show you that my mother has generously given me a cruise ship.

"My mom loves me a lot. Don't you dare take that from me." Caroline didn't want to talk to Yvonne anymore, so she turned around to board the ship.

Yvonne stopped her immediately. "Are you crazy? Do you even know whose cruise ship that is? How dare you try to board it so casually?" It was the cruise ship that belonged to the Yates family.

Yvonne had heard of the foreign company SY Group before, but her understanding of it was shallow. She had only learned more about the company after she traveled abroad with Marietta.

SY Group had been under Morrison Corporation, but they had gone their separate ways.

Moreover, SY Group's business spanned globally, and it was incomprehensibly wealthier than the Morrisons family.

Now, they were planning to conquer the Easton market to become the world's number one conglomerate.

The president of SY Group had a best friend who was a doctor, whose family was also extremely wealthy. This luxurious cruise ship belonged to his family, the Yates.

Bogus Billionaire By Shining Riviera Chapter 816-Yvonne had fallen in love with the Yates' cruise ship the moment she had laid eyes on it. Unfortunately, she had never had the chance to set foot on board and experience its splendor.

She had begged Marietta several times. At first, Marietta had said that if there was a chance, she would take Yvonne aboard for a look.

However, as Yvonne had persisted, Marietta had grown somewhat irritated. She had even sternly lectured Yvonne, emphasizing that there was no need to place such importance on material possessions.

Although Marietta had been beating around the bush, Yvonne understood what she was trying to say. Marietta's message was clear-she wanted Yvonne to refrain from indulging in vanity.

Yvonne had been tempted to talk back, but she hesitated when she remembered that Marietta was the one who paid for all her expenses.

"Why can't I go up?" Caroline frowned with impatience.

"You're really strange. Can you please move aside?"

"Do you really need to put on an act in front of me? Do you even realize the consequences you'll face once you go up?" The Yates family wasn't one to be trifled with.

Caroline shook off Yvonne's hand. "You're really incomprehensible," she said before striding toward the cruise ship.

Yvonne crossed her arms and prepared to see how Caroline made a fool of herself.

But to her surprise, not only did the staff member not send Caroline away, but he even politely helped her onto the cruise ship.

Yvonne couldn't believe what she had just seen. She hurriedly approached the cruise ship, eager to step aboard, but the staff member stopped her. "Miss, you can't board the cruise ship." Yvonne pointed at Caroline, "Why is she allowed to board?" "Ms. Caroline is a friend of Mrs. Yates Senior." "What... what did you say?" Yvonne stammered.

The staff repeated his words and then said politely, "Miss, please leave." Yvonne suddenly became agitated and said, "Impossible! How could she be a friend of Mrs. Yates Senior?"

She must be lying. You need to thoroughly check her identity." "Who is causing trouble on my cruise ship?" A stern voice echoed, capturing everyone's attention.

"Mrs. Yates Senior." The staff member's address reminded Yvonne that the person before her was Betty, mother to SY Group's president's doctor friend.

Betty approached Yvonne, sized her up from head to toe, and said, "Who are you? I saw you causing trouble for Caroline from afar." "Mrs. Yates Senior, she isn't trustworthy. You mustn't allow her onto your cruise ship," said Yvonne urgently.

"Well, aren't you a strange one? It's my cruise ship, and I decide who gets on it. I don't need you meddling in my affairs." "She truly isn't trustworthy!" Yvonne pointed at Caroline.

Betty snorted disdainfully, lifting her chin as she questioned the staff member, "Who is she? This is a private beach. Why allow someone with such poor manners in?" The staff member replied respectfully, "Madam, this is Ms. Yvonne Hackett. Ms. Weiss' daughter, with whom she recently reunited."

Betty and Marietta were close. She had heard that Marietta had found her daughter, but she hadn't seen the said daughter before.

Upon hearing that she was Marietta's daughter, Betty's gaze turned even more discerning.

"Really? Well, Ms. Weiss should teach her some discipline. She doesn't appear to be Ms. Weiss' daughter at all, more like an uncivilized

troublemaker.” Yvonne was so humiliated by Betty’s reproach that she could feel her cheeks getting flushed.

Bogus Billionaire By Shining Riviera Chapter 817-Yvonne felt deeply hurt and said, “Mrs. Yates Senior, I just wanted to remind you not to be deceived by that woman. How can you label me as uncivilized?” Betty wasn’t swayed by Yvonne’s attempts. “Don’t play the victim with me. Caroline’s my special guest, yet you’re being so rude to her. I will take this up with management to make sure they never let you back on this beach.” Yvonne’s expression changed drastically. She responded, “Mrs. Yates Senior, you can’t do that. My mom is a stakeholder at this beach as well.” Betty chuckled and said, “Your mother doesn’t own enough shares to call the shots here. Knowing her, I bet she would agree with my decision if she found out what you did.” Having said her piece, Betty was no longer interested in dragging out her confrontation with Yvonne. She called out to a nearby staff member and instructed, “Get her out of my sight. I can’t stand to look at her anymore.

11 “Yes, ma’am.” The staff member immediately signaled to his colleagues and escorted Yvonne away.

After Yvonne left, Betty boarded the cruise ship and noticed Caroline’s pale complexion. Betty assumed that Caroline felt unsettled because of Yvonne.

She quickly went to Caroline’s side and comforted her, saying, “Ignore her. She’s my friend’s daughter.

She went missing and was recently found.

“That’s why my friend dotes on her and spoils her rotten. Now she’s become a privileged little brat-” Before Betty could finish her sentence, Caroline collapsed abruptly. Alarmed, Betty hastily reached out to keep Caroline from falling over.

Some of the staff members noticed Betty in distress and rushed over to help. They quickly helped her carry Caroline to bed.

There was a doctor on the cruise ship. The doctor conducted a brief examination of Caroline but couldn’t find any issues with her.

Betty had no choice but to call Sean.

Upon hearing that Caroline had unexpectedly fainted, Sean grew anxious. "Weren't you out at sea? How did she suddenly pass out?" "I'm just as clueless." 1/2 "Tell me everything that has happened in detail since you left home." Betty recounted everything without omitting a single detail, even mentioning the interaction with Yvonne.

Sean knew what was wrong after hearing everything.

"It's most likely because you mentioned Marietta, who had once acknowledged Caroline as her goddaughter. Marietta holds a special place in Caroline's heart." Sean sighed. "Unfortunately, her past seems to haunt her, even though we're in another country." "So that's how it is." Betty couldn't help but feel remorseful. "Sean, I'm sorry. It's my fault. I should have brought Caroline onto the cruise ship." "Mom, you didn't mean for this to happen," Sean reassured her. "Oh, and there's medicine in Caroline's bag. Get someone to give it to her. She should regain consciousness after taking it." "Alright." Betty followed Sean's guidance and gave the medicine to Caroline.

Caroline slowly regained consciousness. However, it seemed like she had no recollection of the earlier events and appeared somewhat confused.

Betty couldn't help but feel a deep sense of empathy. After arranging for some drinks and fruit to be brought to Caroline, she stepped outside and called Sean.

"This is so heartbreaking. Will she ever get better?" Sean was aware that his mother was the type to shed tears even over fictional deaths on TV shows. He replied, "The doctor mentioned there's a slim chance she could regain her memories, but it is unknown how long it would take for her to do so."

"That's like saying nothing at all," Betty responded.

"And what about Kirk? Is he still in Easton?" "Yeah, he's handling things over there. I guess he'll be back once it's sorted out," replied Sean.

"Does he not want to stay there anymore?" "Now that everything is almost set up, he will probably let his subordinates handle things there."

Bogus Billionaire By Shining Riviera Chapter 818-"If preparations are almost complete, why hasn't he made his move yet?" "What do you think?" Betty's

eyes widened incredulously. “Because of Caroline?” “Yeah, Caroline being here alone unsettles him.” Betty laughed and said, “Kirk is already married. When is it going to be your turn?” Sean quickly glossed over the subject and hung up when Betty started to urge him to consider marriage.

His phone immediately rang again after the call had ended.

Sean checked his phone and sighed in relief. It wasn’t a follow-up call from Betty, but rather a call from Kirk.

He answered the call. “Hey, you must be calling to ask about Caroline. She’s doing well now. She went out to seaside with my mom today.” Kirk smiled. “Thanks.” Sean responded, “No worries. After all, we’re best friends. When are you coming back?” “It might take me a couple more days. There’s still a bit of unfinished business here.” the country. He says you better watch out.” Kirk froze for a moment. “I’m heading back tomorrow.” “I thought you needed two more days?” “It’s not a big deal.” Kirk ended the call after that.

Meanwhile, Yvonne, who had been driven off the beach, regained her composure after venting out her frustration. Suddenly, a thought struck her. She grabbed her phone and dialed a number.

“Look into a woman named Caroline Evans for me. Find out why she left the country all of a sudden.” Yvonne proceeded to provide details about Caroline.

Just a few days ago, she had learned from Aurora that Caroline had been on the verge of marrying Eddy.

So she couldn’t help but find it strange that Caroline had shown up here all of a sudden.

1/2 Furthermore, Yvonne realized that Caroline’s expression during their conversation had been completely different from before.

It had been like Caroline was talking to a complete stranger. She couldn’t possibly have been pretending.

Her reactions had been too natural.

“Understood.” “One more thing...

“Yes, he is.” Yvonne’s face lit up. She said in a honeyed voice, “That’s big news! Why didn’t you tell me about it earlier?” The person on the other end of the line remained silent.

“When did he return? Is he at the office, or did he go home?” As she spoke, she started the car, heading out to find him.

detective to keep an eye on him because she was worried that he had gone back to the country for Caroline.

The detective replied, “Neither.” Yvonne was puzzled. She replied, “Where else could he be going? It can’t be ...” Her eyes widened, and she clenched her fists when she heard the detective say, “He went to Yates Manor.

Bogus Billionaire By Shining Riviera Chapter 819-However, his purpose for this visit wasn’t to see the Yates family but for Caroline.

So, upon seeing Sean, he straightforwardly asked, “Where’s Caroline?” Sean pointed to the couch, saying, “Just had someone call to ask the same thing. She went to the seal and probably won’t be back until this afternoon.” “Then I’ll wait for her to come back.” Sean asked, “Do you think I’m lying to you?” “It’s just that you’re a good friend of Kirk Morrison. So it’s hard to believe you.” Sean wasn’t offended. “As you wish. I have other things to attend to. If you don’t mind, I’ll leave you to wait here.” “Okay.” Seeing this, Sean didn’t say anything else. He went upstairs to work.

By the time he had finished his work, it was lunchtime. He went downstairs and was surprised to see was playing with his phone, as he descended the stairs.

Sean said, “Eddy Morrison is a good example.” confidence.

1/2 “This is an opportunity for me. Look, Caroline isn’t afraid of me. That’s my advantage.” Sean was speechless.

“Since you came abroad so hastily, I thought you probably wouldn’t have had time to bring any local specialties, so I brought some for you when I came over.” Caroline was touched. “Thank you. That’s thoughtful of you.”.

On the side, Betty discreetly looked at Sean, her eyes filled with excitement.

Sean was speechless.

“You’re welcome. We’re both visitors in a foreign country, and it’s only right for us to look out for each other.” Betty couldn’t help but say, “You sure know the right things to say. Have you had dinner? I’m sure your house is far away. Why not stay for dinner?” to thank him.

“Yeah, stay for dinner. It’s too late today, and I’m not familiar with this place. I can’t treat you to dinner now. So just stay for dinner.

“Consider it my way of repaying the favor. After some time, when I’m familiar with the places here, I’ll treat you to another meal.” Betty chimed in, “Why wait? Since Caroline wants to treat...”

Bogus Billionaire By Shining Riviera Chapter 820-“Having dinner outside isn’t as good as the food you get at home,” Betty said.

Then, she turned to Caroline. “Carrie, how are your cooking skills?” “Decent,” Caroline modestly replied.

Is that okay?” Betty leaned in close to Caroline’s ear and whispered, “Carrie, I’m actually tired of eating the meals prepared by those chefs every day.” Since Betty said so, Caroline couldn’t refuse her request.

“Sure. I’ll prepare ingredients and make a meal for everyone. But if it doesn’t taste good, please go easy on me.” Betty laughed. “Who would dare to complain? I’ll make them eat the chef’s food for a month as punishment, and I won’t even let them change the menu.” Everyone laughed.

“Thank you so much for coming all the way here.” you gifts for the sake of receiving your thanks.” “Then what are the gifts for?” “What’s wrong? Did I say something?” Caroline asked in confusion.

“I have to go. You should go back.” Caroline nodded and walked back in.

turned away.

However, at that moment, a car came rushing from a distance, directly colliding with his car as if it had gone mad.

stepping out of the car.

Yvonne stormed up to him and slapped him without hesitation.

The sound echoed clearly through in the spacious courtyard.

“What’s gotten into you?” defiantly, staring right at him.

“Nothing. I just wanted to hit you. Men like you, who act cheap, deserve to be slapped and have some sense knocked into them.” “Yvonne, my patience with you is limited. If you continue to bother me, I’ll go to court and file for a restraining order. Then, you won’t be able to show up in front of me.” “Why are you acting so high and mighty? Aren’t we the same? We have both been pitifully rejected by the others.” “Yvonne, we are different. You’re a lovesick lunatic, but I’m rational. Even if I can’t have Caroline, I won’t go crazy and hit the other people like you did.” “So you really love... Caroline?” Yvonne gritted her teeth in anger.

Just as he took a few steps, Yvonne suddenly hugged his waist. “I won’t let you go! You’re not allowed to leave! I won’t allow you to love Caroline. You must love me!”

Bogus Billionaire By Shining Riviera Chapter 821-car.

The car then roared away from her, not stopping for a moment.

She could only stomp her feet as she stared after the car.

When the car disappeared completely, Yvonne could only glare resentfully at the mansion in front of her.

It was infuriating. How did Caroline manage to get involved with the Yates family?

She was way too lucky.

Inside the estate, Caroline chatted with Betty for a while before she went upstairs to rest.

Before leaving, she deliberately glanced at Sean.

Betty noticed this small detail.

Once Caroline entered her room, Betty couldn't wait to ask, "Sean, does Carrie have something to say to you?" Sean put down his tablet, puzzled. "I don't know." "Go and ask her. When I was talking to her just now, I noticed she looked at you several times..." Sean stood up, thinking for a moment. "She probably wants to ask about Kirk. I'll go check on her." His guess was correct. Caroline did want to ask about Kirk.

However, right now, she only knew him as Mr. Y.

"I just want to know if I can meet Mr. Y," Caroline nervously inquired.

"Well... I can't say for sure." Sean couldn't provide a clear answer..

"He doesn't want to see me, does he?" Caroline's eyes lost their sparkle.

Sean hurriedly denied, "That's not it. He absolutely wants to see you."

"Really?" Caroline asked.

"Then why can't he come to see me?" "The whole thing is complicated, and I don't know how to explain it to you. Caroline, don't think too much 1/2 Caroline was disappointed and said, "Alright." Soon, she gathered herself and said to Sean, "Thank you, Mr. Yates. Oh, by the way, can I ask you a personal question?" "Of course." "Are you and Gwen dating?" Sean felt a prick in his heart.

"No, she hasn't accepted me yet," he said.

Suddenly, he looked at Caroline as if he found a lifesaver. "Why did I... Why did I only think of it today..." Caroline looked at Sean in confusion. "What's the matter, Mr. Yates?" Sean looked into Caroline's eyes and asked, "Caroline, how do you think of me as a person?" Caroline blinked. "Although we've known each other for many days, we haven't spent much time together.

| ... | ..." "Just tell me, am I a good person or a bad person?" "You're a good person, of course. You're Mr. Y's friend, and Mr. Y's friends must be good people." "Since I'm a good person, then you definitely support Gwen and me being together, right?" Sean asked.

"Huh?" Caroline took a small step back.

“This is Gwen’s matter. I shouldn’t interfere.” “You don’t have to. Just tell me all about Gwen’s life, starting from her childhood.” He wanted to understand Gwen better. Perhaps he could find the way to make her believe that there was mutual and enduring love in this world.

Having witnessed what happened between Kirk and Caroline, Sean dared not try to trick Gwen into seeing a psychologist.

He was afraid that Gwen would forget him just like Caroline had forgotten Kirk.

That would be even more painful than the current situation.

“I can do that. Let’s start tomorrow,” Caroline readily agreed.
