“AHHH!”

Fang Hong covered his face with both hands as he fell backwards and screamed in agony. He curled up like a prawn and huddled while he trembled!

Fei didn't stop at all and continued to attack hysterically!

He was getting stifled from boredom.

If Jiang Ning didn't bring him out to play, he would have exploded.

Even Jiang Ning was incapable of pulling Fei back. Fei charged into the crowd like a ferocious tiger coming down the mountains!

BAM!

BAM!

BAM!

Fei's aggressive blows were accompanied by his hysterical laughter. The laugh was so bloodcurdling that it made everyone's hair stand on end.

Even Huo Song didn't expect Jiang Ning and Fei to be such experts at fighting.

Huo Song felt like Jiang Ning and Fei seemed to have purposely waited for them here for them and even seemed eager to see them!

NH

“Finish them both!” roared Huo Song as he hastily clenched his fists and glowered hard at Jiang Ning. “You...you are mine!”

Once Huo Song killed Jiang Ning, he was one step closer to being chairman compared to other leaders.

Huo Song charged over straight away. He raised his fists swiftly and smashed them violently towards Jiang Ning from behind.

BAM!

But Jiang Ning suddenly reached his hand out as though he could see Huo Song from behind and grabbed his arm instead.

Both of them had very different physiques. Huo Song was a head taller than Jiang Ning, and even his body was much bigger.

Yet his hands halted in mid-air. The moment Jiang Ning grabbed Huo Song’s arm, he couldn’t move an inch!

“Am I yours?” asked Jiang Ning softly as he turned around slowly. Although Jiang Ning’s voice was soft, it struck like thunder and exploded by Huo Song’s ears as he continued, “I’m worried you can’t take it!”

CRACK!

Jiang Ning suddenly pressed hard and broke Huo Song’s arm right away!

NH

AH!

Huo Song's face instantly turned pale.

His body was absolutely strong. He had been practicing martial arts for over a decade, so his physique was far tougher than average.

But Jiang Ning managed to snap his arm like this!

BAM!

Before Huo Song could make a move, Jiang Ning swiftly kicked Huo Song's stomach viciously. He kicked so hard that it sent Huo Song flying over ten meters before he crashed on the wall and instantly went motionless.

Their glorious Ox sub-sect leader couldn't even survive a single one of Jiang Ning's moves!

The members of the Ox sub-sect went into a panic.

They didn't expect Jiang Ning and Fei to be able to defeat them so soundly.

Never mind how terrifyingly strong and powerful Jiang Ning was. Just that crazy Fei alone was impossible to hold up against!

In two minutes, the ground was filled with sprawling people crying in agony and incapable of getting up.

NH

Fang Hong convulsed for a while before passing out completely with his face covered in blood.

Jiang Ning stood there and scanned the place with a blatant look of disdain.

“It’s a little noisy,” said Jiang Ning.

The public bath instantly fell silent!

No one dared to make a sound.

Regardless of how hard it was, they didn’t dare to make a sound even if they had to bite their arms. They didn’t want to make Jiang Ning unhappy.

Fei dragged Huo Song over like a dead dog.

THUD!

He kicked Huo Song onto the ground and sneered, “Aren’t the Oxen very powerful? Didn’t you want to kill us? Who gave you the guts?”

Huo Song gritted his teeth in agony.

“You...”

PAK!

Jiang Ning slapped him and said, “Did you want to kill me?”

Huo Song couldn’t help trembling as Jiang Ning narrowed his eyes and looked at him murderously.

NH

He didn't know what came over him. The moment Jiang Ning stared at him, the threats that he had at the tip of his tongue instantly died out.

An insuppressible fear rose from the bottom of his heart!

“There are many people who want me dead in the world. They were all stronger and more influential than you, but now...”

Jiang Ning’s voice sounded like it came from the bowels of hell as he continued, “They are all dead!”

Huo Song shivered.

“How...how dare you come overseas! Qing Sect won’t let you off...”

“You’re wrong,” said Jiang Ning as he patted Huo Song’s face, “I came overseas precisely because I don’t want to let Qing Sect off.”

Huo Song’s eyes swiftly constricted and became filled with terror!

Jiang Ning...came abroad to finish Qing Sect off?

He was really too audacious!

“I waited for you guys to come home, but you guys never came,” said Jiang Ning as he shook his head. “I’m very disappointed. Since none of you dared to come back home, I came over here. So that all of you...will never get to return!”

Huo Song was truly frightened.

In the past, he didn’t feel threatened by Jiang Ning at all. But as he knelt before Jiang Ning now, he could sense the terrifying murderous aura radiating from Jiang Ning’s body!

NH

It felt as though this aura was real!

“Are...are you going to kill me?” asked Huo Song with his voice trembling, and his throat parched. “The Chairman of Qing Sect...”

“He’s going to die too,” said Jiang Ning without beating round the bush. “All of you will die.”

Then he placed his fingers on Huo Song’s forehead and flicked hard...

PAK!

It was as though a bullet hit his head!

Huo Song instantly fell backward while blood gushed from his forehead!

Huo Song, the leader of the Oxen, was dead!

WOOOONG.

All of Huo Song’s subordinates felt their scalps going completely numb. They couldn’t control their limbs and didn’t dare to move an inch. It was as though they had been thrown into an icy cave and were sealed shut inside with ice.

“Boss, what damages did you suffer here?” asked Jiang Ning as he turned around to look at the bathhouse owner. But the bathhouse owner didn’t dare to say a word.

He was dumbstruck.

NH

“How about this? They will compensate you ten times the damage,” said Jiang Ning. Then he turned to look at the members of the Ox sub-sect who were still sprawling on the ground and said, “I want it paid in five minutes.”

The people lying on the ground climbed and rushed over to the bathhouse owner hysterically. Then they kowtowed and begged for mercy as they asked him desperately how much they had to compensate him.

The bathhouse owner got a huge shock.

“US\$10,000 for each chair,” muttered Jiang Ning to himself. But after he spoke, those who smashed the chairs earlier swiftly whipped out their phones. They trembled in fear while they transferred their compensation to the bathhouse owner.

“US\$50,000 for a table.”

“US\$10,000 for each broom.”

“US\$10,000 for every floor tile.”

Jiang Ning continued to mutter like this while all the members of the Ox sub-sect hurriedly transferred their money and were more afraid that if they were too slow, Jiang Ning would become unhappy.

They didn't care how much they had to compensate. It was way better than paying with their lives!

NH

Even someone as strong as the leader of the Oxen, Huo Song, perished at a flick of Jiang Ning's finger.

How could they retaliate?

In five minutes.

The bathhouse owner's expression became a little numb. All the fund transfer notifications he received added up to over US\$6 million. He couldn't even make that sort of money in ten lifetimes!

"Boss, you're getting old. It's time to go back to your roots. The country's doing pretty well right now," said Jiang Ning as he patted the bathhouse owner's back. Then he turned to leave with Fei without speaking further.

The bathhouse owner's lips moved as he looked at Jiang Ning and Fei from behind. In his mind, images of his hometown surfaced immediately.

"Big Boss, I haven't had enough fun. Where to next?"

Fei's voice came from a distance.
