

Chapter 406

When Uncle Xu came, he had already planned it.

If you can move your mouth to buy Mu Xiaoqiao's nine-eyed dzi, it's the best, or double the price, and then eat a meal. The family brags, compares the children to each other, and reveals that he is the elder brother. Majesty and consolidate your position.

If it doesn't work, just use the favor of the old long time ago to put pressure on the Mu family, no matter how they can buy the nine-eyed dzi.

Then I used the nine-eyed dzi that was worn by the Tibetan living Buddha before his death as a gift to give birthday gifts to the richest man in the sea, the old lady of the old Qin family, in order to catch the way of the old Qin family.

Since then, the Xu family's status in the sea market has been upgraded to several levels.

Everything is considered to be very good. It can not only buy the nine-eyed dzi, but also show it off. It makes Mu Jia jealous and has to succumb to his uncle's obscene power. The difference is who is fighting between the uncle and the second uncle. That's it.

As a result, a door-to-door son-in-law Qin Ming came out halfway, and he went to the sky. A phone call made the Xu family precarious and almost collapsed.

In just a few minutes when Qin Ming went up and chatted with the old man, the Xu family members received numerous warning calls and cut off the phone calls. For many years, friends were cut off from their seats. Several scandals of the Xu family group were exposed, and the company's stock price plummeted. An accident occurred in the factory and the supply and marketing channels were ordered to be closed for investigation. The company's market value instantly evaporated by 30 billion yuan.

When I came down, I saw Mu Xiaoqiao secretly kissing Qin Ming's shy appearance. Look, the husband and wife are very affectionate.

How could Mu Xiaoqiao's joyful eyes be fake?

Everyone in the Xu family was ashamed. They thought that Qin Ming was a useless waste and relied on the Mu family. They thought that Mu Xiaoqiao was forced to marry Qin Ming under the pressure of his father.

They are used to being arrogant and take it for granted. They are arrogant, this time they ran into Lord Yan, and Qin Ming was Lord Yan.

Uncle Xu couldn't care about the face and face, and immediately stepped forward and said, "Master Qin, please, take away the magical powers. We don't dare to care about the loss this time, so please don't let the Xu family become street rats. Up."

Qin Ming looked back at Mu Xiaoqiao and asked, "Wife, do you want to forgive them?"

Uh... the air suddenly became quiet again, and Mu Xiaoqiao said that the Xu family's safety was all.

Mu Xiaoqiao asked, "Husband, let's forget it? From now on, you have to give Qin Ming some respect, my mother, and my first uncle, second uncle, first aunt, second aunt, cousin, and cousin. Dare to bully my mother, things are not so easy to handle."

Xu Shulan raised her head happily when she heard this. It is rare for her to have such a long face in front of her maiden brother-in-law, thanks to her virtuous son-in-law Qin Ming.

“Yes, yes.” The eldest aunt and the second aunt nodded hurriedly, and she was convinced. Why did Xu Shulan, a stupid woman, find such a fierce son-in-law? Why is such a fierce man willing to be the son-in-law of Mu’s family? Sure enough, she still covets Mu Xiaoqiao’s beauty, right?

Qin Ming rubbed his hands and said, “Okay, the old man and wife both opened up to intercede with you. I don’t care about your insults to me. After all, isn’t it a relative?”

Qin Ming called Song Ying again and said, “Xiaoying, it’s me. The acquisition of Xujia Group has been temporarily abandoned.”

Chapter 407

Standing at the door of the hospital ward, Xu Shulan said anxiously and angrily: “Your dad is really too. He was not in good health. He used to fly abroad to discuss business, and now his body is exhausted. I have said it all. It’s okay to hand over the business to your son and son-in-law. Eh, Xiao Qin, do you want to work for our Mu Group? Why do you work for others as part-time jobs? Your own company is the boss.”

Qin Ming rolled his eyes, before Mu Hao really flew abroad? He also thought that Mu Hao was lying.

Mu Xiaoqiao said: “Mom, Qin Ming has his own business, so let him do what he wants to do, and it may not be better than our group. Besides, he is only a senior, and he is not always free.”

Xu Shulan made a joke and said with a smile: “Yes. Xiao Qiao, Xiao Qin, you should go back first, here I am watching.”

After seven o’clock in the evening, Qin Ming and Mu Xiaoqiao returned to the Mu’s compound. He looked at the high gate of the Mu’s compound.

Should he speak for himself about this matter?

He doesn't belong here, even though everyone here regards him as his family, which makes him feel a little nostalgic.

Although his relationship with the Mu family originated from Zhang Quanzhen's "deceptive" old ways, Qin Ming also liked the people of the Mu family, especially the weird little girl of Mu Sichun. Every time he looked at it, he felt that he saw his sister. .

So he kept restraint again and again and didn't make troubles randomly. Qin Ming just didn't want to make a fuss with Mu's family.

Now Mu Hao was hospitalized directly because of physical problems, which made him very embarrassed.

Suddenly Qin Ming stretched out his hands behind his back to cover his eyes, felt two soft squeezes on his back, and then heard a cute and naughty voice: "Guess who I am?"

Qin Ming said: "Mu Sichun, you rubbed my chest, I can feel it, you have a good body."

Mu Sichun was excited, and immediately stretched out his hand to cover his chest, and ran away: "Ah! Sister, brother-in-law is good or bad, taking advantage of your sister and mine, don't care, I want one million mental damage expenses."

On the contrary, Mu Xiaoqiao scolded: "If you lose your head, you let him take it. You and some of your girlfriends tricked Qin Ming at noon. I haven't said you yet."

Mu Sichun smiled badly, and said: "Sister, you rarely come back, shall we sleep together tonight?"

Mu Xiaoqiao immediately retorted: "Go away."

Mu Sichun pointed at her with a smirk and giggled: “Hahaha, sister, you are exposed, remember to keep your voice down tonight. I’m not afraid, I’m afraid you will make grandma and grandma sleep.”

“You damn girl, what are you talking about?” Mu Xiaoqiao was angry and annoyed and didn’t have a good attack. This sister was really troublesome.

Mu Sichun said with his arms akimbo: “Sister, I found you have changed. After you have a brother-in-law, you don’t want a sister. Isn’t it a little bit better than a newlywed, in the afternoon, the brother-in-law treats you very comfortably? ?”

As soon as Mu Xiaoqiao heard this ugly joke, she immediately Xiafei’s cheeks, and she stretched out her hand to pinch Mu Sichun in embarrassment, and said angrily: “You damn girl, no matter if you have to make an inch? Is your mouth dirty? Give me death. come.”

Where is Mu Sichun willing, and smiled as he ran and said, “Hahaha, you are blushing, it seems to be true? Brother-in-law is so powerful? Can you be tame and docile?”

The two sisters played around for a while, and Mu Sichun asked strangely: “Why don’t you see your parents? You won’t go out to dinner with your uncle, right? Sister, are you so stupid? Just not going? Don’t be afraid of the two aunts Mother-in-law, count for three to five hours? Really, every time I see someone from my uncle’s house, I get annoyed.”

Mu Xiaoqiao said: “Dad recently went to the airport to pick me up and was so tired that he was hospitalized. But fortunately, it didn’t matter. The doctor said that all the elderly are sick. Just rest more. Mom is watching in the hospital. I will talk to you. My brother-in-law just came back, and my brother went out to discuss business. We will be the only one tonight.”

Qin Ming stood at the door, watching the two sisters of Mu family frolicking, he really didn’t know whether he should go in or not.

He felt that once he took this step, the distance between him and Nie Haitang would be farther and farther away.

But he didn't know whether he should insist.

He found that when Mu Xiaoqiao secretly kissed him in the afternoon, he did not have any unhappy emotions, that is to say, he did not hate Mu Xiaoqiao either.

It is true that such a beautiful woman also values him very much, and even buys him new clothes, how can he hate it?

Qin Ming picked up the phone and looked at Nie Haitang on the tablecloth. He was melancholy. Why did his road to love be so rough?

Qin Ming shook his phone, turned around, and left.

Qin Ming thought in his heart: "Begonia, I will definitely find you. Mu Xiaoqiao, you and I have never been destined, I hope you don't blame me."

However, as soon as Qin Ming turned around, he saw Mu Hairan and his wife returning from outside.

Mu Hairan squinted his eyes and said with a smile: "Xiao Qin, it's time for dinner. Where else? Go in. I have something to tell you later, about one of my benefactors, Zhang Quanzhen, who is also a teacher and friend. , Zhang Zhenren."

Zhang Quanzhen, the veteran fortune teller who helped Qin Ming to enter the roadside stall where he joined the Zumu home, at first Qin Ming really thought he was just an ordinary old fortune teller.

Unexpectedly, the other party had real abilities, and even the people Qin Ming sent to follow and monitor were thrown away.

But later, Qin Ming always felt that everything was just a coincidence. After he happened to join the Mu family, Nie Haitang happened to find out that his mother Zhang Yao lied to her to go to the rich blind date.

Qin Ming said hesitantly: "What am I looking for him for? Father, I am not superstitious."

Mu Hairan said with a smile: "Well, then, if you want to find him, come back for dinner. I'll tell you after dinner."

Mu Hairan walked back to the house with a smile, but Old Lady Mu fell down. She looked at Qin Ming deeply and said: "Xiao Qin, I am a person here, listen to me, keep your feet on the ground, cherish what is in front of you, as long as you live now Well, it's more important than anything else, let's go with the rest."

After speaking, Mrs. Mu also followed into the house.

Qin Ming heard the words of the two elders, but his feet hesitated. He was irritated and didn't know how to choose.

Qin Ming walked two steps, stopped again, walked back three steps, stopped again, and walked two steps back, thinking hard about what he should do next.

At this moment, Qin Ming actually had a illusion in his heart, that is, the idea of looking for Zhang Quanzhen again.

This is also the shortcoming revealed on the other side of Qin Ming's strengths. He just puts too much emphasis on feelings, which also causes him sometimes to have choice difficulties.

Suddenly, Mu Sichun came out, took Qin Ming's hand, and said, "Brother-in-law, what are you doing standing at the door? The food is going to be cold, come in."

Qin Ming was dragged into the house by Mu Sichun.

As soon as Qin Ming entered, the servant immediately closed the door.

Qin Ming scratched his head. Seeing that it was all coming, let's have a meal before leaving, or ask Mu Hairan about Zhang Quan's truth.

Chapter 408

Qin Ming discovered that Mu Hairan and his son were both actors, and they were better at acting than him.

Because after eating, Mu Hairan became drunk directly after drinking dinner, and was helped by the old lady Mu to return to the room.

During Qin Ming's hesitation, he was completely left in Mu's family. The problems to be solved were not resolved, and his relationship with Mu's family was continuously deepened.

"This bad old man!" Qin Ming had a feeling of being counted. Is he being counted?

He asked Mu Hairan to ask about Zhang Quanzhen. Is this going to be tomorrow?

Qin Ming was annoyed and muttered to himself: "Why do you really think I am a gentleman? I will take care of your daughter tonight. I will shake things up tomorrow. What do you do?"

Aunt Fang was tidying up the dining table. Mu Sichun was wearing yellow shorts, and her white shirt was swaying her lines everywhere in the room. Why did her long white legs and chest sway a bit? Didn't you wear underwear?

The problem is that this girl deliberately dangled in front of Qin Ming. With her sleek buttock, Qin Ming was angry when she saw it. She really wanted to kick it up. She was afraid that she would wait for Qin Ming to make a mistake and make a fool of herself? .

Qin Ming couldn't help but take a few more glances. Hey, it's no longer possible. After looking at it, he will have a nosebleed and make a fool of himself.

Suddenly, if he was pinched by something sharp, it turned out that it was Mu Xiaoqiao pinching his thigh with his nails.

Mu Xiaoqiao said jealously, "Why keep staring at my sister? When I was away, you didn't bully her, did you?"

Qin Ming said: "If she doesn't ask me to trouble me, I will burn the incense. How can I bully her?"

Qin Ming looked at Mu Xiaoqiao, who was sitting next to the sofa, slender, dignified and virtuous, with a cold temperament, but when facing him, she was full of femininity and enchanting, gentle as water.

Which man can withstand such a superb stunner?

Especially when she leaned over to Qin Ming, her bra was slightly opened, and the two fleshy masses on her chest were obviously sinking and the contours were not big or small, which perfectly matched her body proportions. Qin Ming saw that the snow-white skin was undulating. Fu, I can't move my eyes anymore.

Mu Xiaoqiao pursed her lips shyly. She discovered that Qin Ming's eyes were not honest, but they were husband and wife after all, she didn't mind, and even secretly cheered, proving that she was still attractive to Qin Ming.

The last time they were separated, Mu Xiaoqiao still remembered clearly that Qin Ming and her did everything other than the union, and they kissed and touched them, but because of a phone call, Qin Ming had He left directly, and said that he would divorce when he came back, ending their ridiculous marriage.

At that time, halfway through going to bed, Qin Ming left her behind, which was a great humiliation to Mu Xiaoqiao.

But she still chose to give Qin Ming a chance. Mu Xiaoqiao, who appears to be a strong business woman, is still conservative in her mind. She hopes to have a perfect marriage instead of a divorced woman. She cannot accept life. There are stains.

After coming back this time, Mu Xiaoqiao obviously felt that Qin Ming's attitude towards her had changed, and she secretly rejoiced in the slowing strategy she had used.

Qin Ming looked at Mu Xiaoqiao, really beautiful. Looking at her face up close, she was full of collagen, white and clean, without cosmetics, especially her deep eyes, seeming to expect some kind of response from him.

But Qin Ming didn't.

Mu Xiaoqiao asked angrily: "Dad said that you work hard and motivated for me, just because you want to be worthy of me. In fact, I know you are capable, and I am not marrying you for how much money you have. The shoes are suitable and unsuitable, you will know after you try them."

Qin Ming said entangled: "Your father has nothing else to tell you except this?"

Mu Xiaoqiao blushed and said, "He said that you didn't mention the divorce at all. I'm very happy. You figured it out. Although Grandpa is cured now, Chongxi seems to be quite effective. But our next How to live the life or how to live it, right?"

Qin Ming said with emotion: "This day can't be passed."

At this time, Aunt Fang came over and said: "Uncle, the water is ready, you can take a bath."

Qin Ming stood up as if fleeing, and said, "Well, I'm going to take a shower first."

Qin Ming walked fast, and Mu Xiaoqiao was a little lost. How did she feel that Qin Ming didn't want to stay with her? Did she do a bad job?

She accepted her destiny and accepted the status of being "Qin Ming's wife". Why does Qin Ming seem to give her a feeling of separation?

Upstairs, Mu Hairan and Mrs. Mu looked at everything downstairs.

Old lady Mu said dissatisfiedly: "You old man, you pretend to be drunk and deceive when you are old."

Mu Hairan smiled faintly: "No way, no little tricks, Xiao Qin will run away. Xiao Qin, this young man is too good, too strong, and I will feel uncomfortable being someone else's son-in-law. This is a big game. Chess, we want to have the last laugh, we can't lose Xiao Qin."

Granny Mu sighed, "Obviously, Xiao Qin can't let go of the girl from the Nie family. I have also contacted Nie Haitang. A very good girl. I thought she could be our Mu Zhaoyang's daughter-in-law, but her vision especially."

Mu Hairan smiled: "We can't be blamed. This is the sky helping us. Nie Jianmin is greedy for his merits. For the company's diversified development, the investment has failed, and an accident has occurred. He is lucky enough to retreat. Nie Haitang's loss of information is a great thing for our granddaughter."

Mrs. Mu said again: "Xiao Qin almost overturned the big ship of the Xu family with a phone call today. I was very surprised. I didn't expect him to have such a big backing behind him. He knows people well."

Mu Hairan said triumphantly: "Of course, my brother has counted his face. There are nine-five signs. When the opportunity comes, it will be the emperor's fate. The most important thing is that his birth date is with us. Qiao He. If he is going to be able to rise to the top in the future, we must also support him. Once he gains power, we will give feedback and our Mu family's influence and wealth will be further enhanced."

Mrs. Mu dissatisfied: "You two brothers are going to do anything important, don't talk about it, don't always use horoscopes to prevaricate me, I will not take yours."

Mu Hairan became unhappy and tried to argue with reason: "What I said is true. We have studied Chinese Taoism for thousands of years. Do you think he is unreasonable?"

Granny Mu snorted, and said, "Yes, what you say is all right. It makes sense to let your son take medicine to pretend to be sick and prevent others from Qin Ming? Alas, I'm worried, my dear granddaughter, Everyone is excellent, how many good men want to marry home, and now following Qin Ming, who is guilty of peach blossoms, can there be a good result?"

Mu Hairan said, "Didn't you say that you don't believe in facial features? Why did you say that Xiao Qin is guilty of facial features? Successful men will inevitably be surrounded by all kinds of outstanding women. This is a law since ancient times, and it is forcibly denied. Can it be contained? Self-deception."

Old lady Mu was angry when she heard this, because Mu Hairan was also a big carrot when she was young, and the Yingyingyanyan surrounding Mu Hairan was later cleaned up by her.

As a woman, she naturally didn't like such words, but Mu Hairan was still very good to her, so the old lady Mu didn't want to irritate him, just shut up.

At this time, Qin Ming was taking a bath on the second floor, but he didn't know that Mu Hairan was pretending to be drunk and fooling him.

But Qin Ming also figured it out. He won't suffer, right?

Then he is in a hurry. He is taking advantage. From now on, your daughter will cry, don't blame him Qin Ming for being unkind.

Qin Ming was soaking in the bath and suddenly heard the door opening.

He thought it was Aunt Fang who came over with the washed and changed clothes, and said: "Auntie Fang, you can put the clothes on the side, please."

But there was no answer, and a tall and graceful figure slowly approached the bathtub.

Qin Ming smelled a delicate fragrance, and when he looked back strangely, he saw Mu Xiaoqiao.

Qin Ming asked amusedly: "What are you doing? Let's wash it together?"

Mu Xiaoqiao bit her lip, her face flushed, and the redness reached the roots of her ears. It took a long time before she boldly said, "Let's be together, who is afraid of whom?"

Chapter 409

Qin Ming watched Mu Xiaoqiao walk into the bathroom and said, "Why do you want you to send my clothes?"

Mu Xiaoqiao bit her lip and glanced at Qin Ming's dark and strong muscles. She felt that her body hormones had begun to secrete, and she was a little attracted. She said, "I'm your wife. It's normal to bring you clothes." ."

Qin Ming said amused: "Then do you want to do your wife's responsibility and wash me?"

When I heard that Qin Ming was going to take a bath, was this a hint to her?

Mu Xiaoqiao's face was blushing, and the redness reached the roots of her ears, but she boldly said, "Okay, I'll wash it for you. Your son-in-law is majestic today, and it's time for our parents to face. My concubine is waiting for you."

Qin Ming didn't resist. It was so cool that a wealthy daughter gave him a bath.

He was lying on the bathtub like his uncle, Mu Xiaoqiao knelt beside the bathtub, picked up the soap to bathe Qin Ming, rubbing the sweat and mud, she also washed very carefully.

The last time Qin Ming asked a beautiful woman to bathe him, or the time he was injured at Liao Qingjing's house, how do you say this feeling?

Let Qin Ming enjoy it very much.

Qin Ming felt the softness of Mu Xiaoqiao's fingers, especially when he wandered down, making Qin Ming happy. Such a good woman didn't take advantage of it. Isn't it a loss?

Qin Ming looked at Mu Xiaoqiao, jokingly said, "I want me to wash you later? Let me do my husband's responsibility."

Mu Xiaoqiao gritted her teeth shyly and said, "No. Unless you promise me something."

Qin Ming asked, "What's the matter? It's not too difficult, but I don't care."

Mu Xiaoqiao said, "Forget Nie Haitang."

Qin Ming's smile froze immediately, and Mu Xiaoqiao understood him well.

Qin Ming stood up from the water with a clatter, and Mu Xiaoqiao was so frightened that she hurriedly covered her eyes with her hands. Didn't her kneeling motion just face Qin Ming between his legs?

Mu Xiaoqiao was ashamed and angry: "This guy must have embarrassed me on purpose. I'm so humble, what do you want me to do?"

But Qin Ming took the towel, covered his gun, and walked out directly.

Qin Ming left, the meaning was obvious, he couldn't forget Nie Haitang.

Mu Xiaoqiao was left in the bathroom alone. She was disappointed in her heart. She liked this man. She became more and more humble and guarded this relationship more and more cautiously, but this man still had another woman hidden in her heart. Very uncomfortable.

In the middle of the night, Mu Xiaoqiao returned to the room after taking a bath, only to find that Qin Ming was not there, and her heart was tense.

She came to the study and saw Qin Ming asleep in the study.

“I’m like this, what do you want me to do?” Mu Xiaoqiao muttered to herself.

Mu Xiaoqiao gritted her teeth in pain, her fists clenched, and a line of tears fell down. She suppressed the sound of sobbing, and her body trembled. After a while, she went back to the room angrily and deliberately used force. The door slammed and there was a loud bang.

Qin Ming heard the sound, but in fact he didn’t sleep either, and he felt a little irritable.

He wanted to find Nie Haitang and asked her if she didn’t want him, but he couldn’t find it.

The sixth year old has already worked hard, and within the group, Chang Hongxi gave an order not to cooperate with Qin Ming. Ao Mei has been helping Qin Ming to find it, but Ao Mei is not a god, and her ability alone is limited.

When Qin Ming was upset, the phone suddenly came to WeChat. It was the mysterious girl named “Kou Xinling”. In fact, it was Nie Haitang himself who violated Chang Hongxi’s agreement and contacted Qin Ming secretly through other numbers.

Nie Haitang asked, “Hey, Xiao Qin, are you asleep?”

Qin Ming replied without angrily: “No, what are you doing? Are you annoying?”

In the dormitory of a university in Beijing, Nie Haitang looked at the computer on his lap. It was on the campus network forum of the China University of Science and Technology. Various posts about Qin Ming and Chen Muling having a meal together and chatting very happily.

Netizens wailed and denounced Qin Ming's scumbag, the school flower harvester, which harmed the three major college flowers of the Polytechnic University, and some people wanted to organize the protection of the school flower group spontaneously, and take special actions against Qin Ming's harm to the beauties of the Polytechnic University.

"Fancy carrots." Nie Haitang flattened his mouth. This Chen Muling was naturally known to her, and she was also a beautiful woman. There were many suitors, but she didn't expect the two to have such a happy chat.

Nie Haitang immediately typed and sent a message: "What annoys you? Girlfriend is angry with you?"

Qin Ming replied: "It's okay that she can be angry with me, but she has disappeared. You said that her girlfriend suddenly left and didn't leave a message. Did she cheat?"

Nie Haitang squeezed his small fist angrily, waved wildly on the bed in the dormitory, cursing: "Qin Ming, you bastard, I don't have one."

She immediately replied: "Huh? Your girlfriend is missing? There must be something wrong. Once a girl likes someone, she won't give up easily."

"You have to believe her, you think about your past."

Qin Ming looked at the stranger's information and wondered: "What the hell are you talking about? You don't know anything about me."

Nie Haitang replied: "I will analyze it from the perspective of a girl."

Qin Ming replied: "Then you said, I have not been able to find her, I have been bachelor? Recently, I found out that I am very popular, or a popular one. Some people persuaded me to cherish the present and let go of the past."

"Woo..." Nie Haitang was sitting on the bed, bending her knees, very aggrieved, she muttered to herself: "Of course I know that you are excellent, and most girls like it. But why can't you wait for me for a while? Often. Mr. promised me that it was only for this period of time to separate, everything is for your safety."

Nie Haitang remembered that day when Qin Ming fell into a coma after being attacked by Chang Huan.

Qin Ming's adoptive father Chang Hongxi and a very dignified old man found her and asked her to leave Qin Ming temporarily.

After what happened that night, she learned about Qin Ming's after all and identity. He, who is usually so poor, has such a simple identity behind him. He is the heir of a large enterprise.

And Qin Ming's position seems to be coveted by many people.

Chang Hongxi means that the appearance of Nie Haitang has become Qin Ming's weakness.

The last time Nie Haitang was kidnapped, Chang Huan planned to use her to blackmail Qin Ming, and Chang Huan came to attack Qin Ming personally because of Nie Haitang.

Chang Hongxi's words caused Nie Haitang to fall silent, and Nie Haitang realized that she had brought so much trouble and danger to Qin Ming.

Chang Hongxi said that Qin Ming still needs half a year to consolidate his position. He has to face various things in the past six months, and Nie Haitang should not affect Qin Ming's safety.

The raid that night was also thrilling. Nie Haitang was persuaded by Chang Hongxi's words that she had to leave Qin Ming for half a year for Qin Ming's safety.

It happened that the Nie family was in an economic crisis again, and a rich man in Nuo Da went bankrupt because of the compensation.

Nie Haitang thought for a while, and the phone replied: "If you have a chance to meet thousands of miles away, you will never meet on the other side. As long as you firmly believe in each other, you can meet again. Do you watch the anime "Conan"? The hero and the heroine in the movie, Isn't it close to the end of the world? Shinichi obviously likes her, but the one she likes is around but can't speak. Xiaolan has been waiting for Shinichi, but she doesn't know that Shinichi is by her side."

Nie Haitang repeated these words, hoping to give Qin Ming enough hints.

Qin Ming squinted his eyes and replied: "What anime "Conan"? I don't watch anime and don't know what you are talking about."

"...Ahhhh, Qin Ming, you don't even know Conan, are you still a normal person."

Nie Haitang from a university in Beijing uttered a tragic cry like a pheasant, clutching her long black hair tangledly, and rolling on the bed.

Nie Haitang pressed his voice and asked, "Will you like other women?"

Chapter 410

“Then you will forget your disappeared girlfriend and fall in love with other women?”

Nie Haitang was very nervous, she had left for Qin Ming’s safety.

Now Qin Ming is in love with other people?

But who did she find to reason? Qin Ming’s foster father? Where are the others? Nie Haitang has nowhere to reason.

The attack that night created a certain psychological shadow for Nie Haitang. Qin Ming almost died. She would rather have been suffering than Qin Ming would be hurt again, so she agreed to Chang Hongxi’s request.

But Nie Haitang couldn’t completely let go of Qin Ming.

Otherwise, how could she violate Chang Hongxi’s request by secretly contacting Qin Ming with a new number, and she would not reorganize the university network of the University of Technology every day to observe every move of the celebrity of this school network forum.

Qin Ming didn’t answer Nie Haitang’s words, because he didn’t know that the person who asked him this was Nie Haitang. He didn’t want to respond to his true inner thoughts with a female netizen who was not too familiar with him.

Nie Haitang held his chin, waiting for Qin Ming’s reply.

The girl in the upper bunk of the dormitory said, "Beauty Nie, I have been watching the computer all night? Which male god is talking to? Today I received eight bouquets of roses. Is it difficult to choose?"

Nie Haitang said annoyedly: "Don't laugh at me, I said, don't help me collect flowers next time, I won't like others anymore."

A girl applying a mask in the bed next door said: "Oh, Haitang, do you have someone you like? Who is so lucky? I won't introduce us to him."

Nie Haitang shook his head and said, "But he seems to like other people."

"Damn, don't you? You are the newly promoted school flower of our Tsinghua University, who is he? Such a big face? Do you still dislike you?"

"It must be a man who worships Jin. Haitang's home environment is average, so the other party went to climb the rich woman. Now many men are not useful and always think about the rich woman."

"That man probably has a problem with his brain. We Haitang is so gentle and beautiful, how could there be men who don't like it?"

The three sisters in the dormitory said nothing to say about Nie Haitang. Nie Haitang doesn't blame them because they don't know the actual situation.

Qin Ming did not respond to the words of the "female netizen". He got up and turned on the computer, searched for an anime called "Conan", and planned to study it carefully.

The next morning, Qin Ming woke up and found that it was noon. He watched dozens of anime episodes all night last night. He felt that the more interesting he watched, he fell asleep on the table without knowing it.

After washing, Qin Ming went downstairs and found that there were not many masters in the Mu's compound, but some servants were cleaning them.

"Auntie Fang?" Qin Ming called out.

Aunt Fang immediately came out of the kitchen and said, "Hey, my uncle is awake, does uncle want something to eat?"

Qin Ming asked, "Where is the eldest lady? Have you returned to Beijing?"

Aunt Fang said: "The eldest lady hasn't returned to Beijing. It seems that there is a business in Guangzhou and she has to stay for a while. Master is awake, do you want to have lunch before leaving?"

Qin Ming said, "No, I'm going back to school. Oh, right, where's the old man?"

Aunt Fang said, "Master Zhang is going to meet old friends, and she also said that Zhang Zhenren will come to Guangzhou in the near future, so you don't have to worry, you will meet again."

Qin Ming nodded, feeling that he was boring to stay, Qin Ming changed back to his set of cheap clothes and went straight back to school.

There are still classes this afternoon.

Qin Ming feels that there have been so many things recently, and he hasn't taken classes seriously for a long time.

In class, many students went for internships because they were in their senior year, and Lao He did not have half the attendance rate in his high math classes.

Qin Ming sat down with the three brothers in the dormitory and asked: "Young Master Yong, is Senior Sister Zhao all right?"

Liang Shaoyong said: "It's okay, I will be discharged in two days. Xiao Ming, why didn't you reach a conclusion with Chen Muling? Are you still a couple with Mu Sichun from the Chinese Opera Academy next door?"

Qin Ming said, "What happened yesterday? I didn't talk to Chen Muling. I know Mu Sichun, but I'm an acquaintance. She came to trouble me. What's wrong?"

Zhao Liniu said: "Xiao Ming, the people on the school network want to attack you, they all regard you as a model of a scumbag, saying that they will form a flower protection alliance to protect our school's beauties from you."

Qin Ming said amusedly: "Is it such a second-year junior? The current students are so immature? But it's okay, I don't want to chase Chen Muling, they have to protect them."

Sun Zhipeng said in surprise: "Xiao Ming, don't you chase? I think Chen Muling seems to have a good impression of you. People are also very good beauties. Why don't you like it?"

Qin Ming said: "Young Master Peng, how can there be so many and why? It's inappropriate if it's inappropriate. Yesterday Mu Sichun brought someone to make trouble for me. She left when she saw it. She never believed me. I guess she will be the one in the future. An ordinary friend is also very good."

Zhao Liniu sighed: "Oh, Xiao Ming, you don't even want a beautiful woman like Chen Muling. I'm still bachelor, buddy."

Sun Zhipeng also pretended to be pitiful: "No, Xiao Ming, don't you know Mu Sichun? Let her introduce some beauties from the Chinese Traditional Opera Academy to us?"

Qin Ming laughed and said, "It's okay. If you want a good girl, how can I make my brothers bachelor?"

After class in the afternoon, Zhao Liniu is going to work part-time, Sun Zhipeng is going to interview for internship, Liang Shaoyong is going to the hospital to visit his girlfriend, Qin Ming, who was once the busiest, has become the most leisurely one.

He was about to leave, but he saw Zhang Xiaoyan, who was in the same class, coming over and patted him lightly.

Zhang Xiaoyan's dress today is very cute, with her immature childish face, charming and lovely, it seems to be more beautiful than before.

Zhang Xiaoyan said: "Qin Ming, I heard that you were in trouble again? The school network forums are discrediting you, saying that you slept with dozens of girls, and you got their stomachs up, forced them to have an abortion, and used Li Meng's previous lies. As evidence."

Qin Ming's mouth twitched, so exaggerated?

He said: "Does the administrator not delete the posts? Isn't this too fake?"

Zhang Xiaoyan laughed: "I heard that the administrator used to be Nie Haitang's crush, and later was Chen Muling's suitor."

Qin Ming laughed awkwardly and said, "It doesn't matter, I don't do much on the colonel forum anyway. Go for a walk and eat."

Zhang Xiaoyan did not refuse, and the two of them had a good relationship, so they went to dinner together.

But when the two of them just came downstairs, they suddenly rushed up to more than 20 people, including men and women. They all wore uniform red belts and shouted: “The Flower Care Alliance of Science and Technology University, reasonably protect the flowers, protect the beauties of our school. To avoid being poisoned by the scumbag Qin Ming. We are the Polytechnic University, the Flower Protection Alliance.”

“Qin Ming, you are a scumbag. You have slept with dozens of women, and you don’t let the grass beside your nest go. Do you want to start with your classmates?”

“Don’t think that you know the city leaders, and you have bought Principal Liao not to be sanctioned by the school, and you think you are great. We don’t want to eat yours.”

“This beautiful elder sister, don’t you know Qin Ming? The man who even Nie Haitang dared to dump, the best scum among the scumbags, the humanoid self-propelled school flower harvester. Yesterday his ex-girlfriend found him cheating and said he was asleep. Just be dumped, no one will accompany the abortion, you must be careful.”

“Senior sister, you have to stay away from him, don’t be harmed by him, don’t worry, we are here.”

Qin Ming was speechless. Seeing that these people were sophomores and juniors, they were so boring when they were in a panic. He spontaneously formed some flower protection alliance and specifically targeted him.

Zhang Xiaoyan was upset and said: “What are you doing? I have known Qin Ming for four years. I don’t know what kind of person he is? Don’t take the black posts on the Internet as real. Qin Ming is a very good person. .”

The twenty-odd alumni, hearing Zhang Xiaoyan's words, hugged their heads in horror: "It's over, here is a school sister who was seriously brainwashed by the scumbag Qin Ming."

"No, isolate them, and we must never let the girls of our school get hurt anymore."

"Qin Ming, you don't want to get closer to that girl for half a step."

Qin Ming and Zhang Xiaoyan were forcibly separated by this group of younger brothers and younger sisters. The two of them stared at each other with big eyes. Can't do it, right?
