

Super Rich Dad Chapter 331-333

Chapter 331 - As You Like

Xu Qingqing cried even more miserably when she heard the other party's words, but at this point she already knew that even if she said anything else, it would not help.

These people were obviously in league with that Liu Qiang, so how could they possibly spare themselves? There was no need for her to be naive any longer.

The way the security guards looked at her, the lecherous look on their faces, made her panic even more.

At this moment, this hotel is no different from a wolf's nest and a tiger's den in Xu Qingqing's eyes. She now regrets immensely that she agreed to Feng Pingping's proposal for the sake of tens of thousands of dollars.

A few security guards looked at Xu Qingqing, another messy whisper, and seemed to be whispering about something.

After all, they had seen too many people like Xu Qingqing, who had been 'pampered' by Liu Qiang, and when they hooked up with them, they fell for them in a minute.

The only thing is that the beauty of those women is simply one thing compared to that of Xu Qingqing.

For the first time, they were all so excited and whimsical to come into close contact with such a beautiful woman as Xu Qingqing.

A few of them were even thinking about how beautiful it would be if one day they could have some wonderful memories of a woman like Xu Qingqing.

Just as the group was thinking about it, the lift doors opened, but before a few people could get in, they saw Feng Pingping running out of it in a panic.

The two waves of people bumped into each other, and Feng Pingping shouted in pain.

'Are you f*cking blind?' Feng Pingping didn't see who was coming and opened her mouth to curse, but before she could finish her sentence, she saw the head of the security guard at the opposite end and swallowed her words.

'Aigoo, it's Brother Eye, you,' Feng Pingping glanced behind Big Eye and saw Xu Qingqing being carried away by two security guards.

Feng Pingping became furious and walked straight over to Xu Qingqing and slapped her twice: 'Damn, b*tch, you're quite capable, you want to run away just because you've opened your legs? Do you f*cking know that you almost got me killed?'

Feng Pingping was really pissed off this time, and seeing that Xu Qingqing was caught, her hanging heart was relieved.

Just now Feng Pingping was thinking that if Xu Qingqing ran away, then she would probably be dead too.

The reason is that after such an incident, with Liu Qiang's character, he would never let himself go.

He had spent more than 100,000 yuan inside and out, but before he could even touch his hand, he had run away, which would have made her angry, not to mention Liu Qiang.

Xu Qingqing almost stirred up a hornet's nest and dragged herself into it, so it's strange that Feng Pingping could let her go.

If she hadn't been afraid that if she hadn't beaten Xu Qingqing too badly, it would have affected Liu Qiang's experience, and with Feng Pingping's temper, she would have had to beat Xu Qingqing half to death.

The company's main goal was to make sure that the company's customers would be able to get the most out of their money.

This is the girl that Liu Qiang ordered. Although these security guards had long been hungry for Xu Qingqing in their hearts, they dared not say anything nonsensical on their lips.

A few people shook their heads one after another, 'No, no, no, how dare they, that how dare they'

'Ping Ping you can really joke, how dare we think blindly, this is Qiang Shao's woman'

'Oh, you can't hear it, Ping is joking with us, all right, all right, cut the crap, hurry up and send her up to Mr. Qiang, he'll be anxious later'

After saying that, the head of the security guard told his men to take Xu Qingqing into the lift.

But a few people had just moved, when they were stopped by Feng Pingping.

Feng Pingping smiled and said to that security head, 'Brother Eye, what are you afraid of, I'm serious with you? How about it, for this little ninny, do you have any idea?'

Big Eye didn't know what Feng Pingping meant and scratched his head, not knowing how to answer.

When Feng Pingping saw the apprehensive faces of several people, she couldn't help but snicker out loud, 'Look at you guys, do you still look like men? This kind of moral behavior. I'll tell you the truth, if you want to play with her, it's fine, wait until Qiang Shao has enjoyed enough, then I'll go call you guys, you guys do whatever you want, I'll be kind and won't charge you, how about that?'

A few security guards smiled and were dumbfounded, absolutely unable to believe that there were such good things in this world.

'Really, really, really, Ping Ping?' One of the security guards gulped and said, 'Don't you play with us, huh?'

The other security guards were also all excited at the sound of his words, looking at Feng Pingping with eagerness, and then at Xu Qingqing.

‘That’s right, you can’t fool people about this, we’

‘Then if it’s true, it would be great’

A few security guards simply saw the spring, each one was as hungry as if they could not wait to eat Xu Qingqing now.

Feng Pingping pursed her lips and smiled, ‘Of course it’s true, I’ll do what I say, today she’s at your disposal, just don’t play dead, how to f*ck, as you wish!’

Chapter 332 – Who are you ?

‘I’ve said this, don’t you guys believe it?’ Feng Pingping said.

This was a guarantee that Feng Pingping had given to everyone, so it seemed that this matter was eight or nine out of ten.

Several security guards were so excited that they were about to jump up and down, this was like a pie falling from the sky.

The thought of Xu Qingqing’s exquisite appearance and hot body made people’s hearts flutter.

At this moment, Xu Qingqing felt like she had been sucked from one black hole into another, and her whole body was about to be driven mad.

She stared at Feng Pingping and cursed viciously, ‘Feng Pingping, are you still a f*cking human being? I curse you to die a good death, I won’t even let you go as a ghost, do you think you’ll end up in a good place

Xu Qingqing’s body was controlled to death, and her entire body only had this one mouth to fight back.

Feng Pingping’s face sank at her words, and she walked over and slapped Xu Qingqing again with her head.

‘F*ck you, don’t you like to curse? I think you’re just a pain in the mouth now, I’ll make sure you’re as good as dead in a minute!’

Feng Pingping came up to Xu Qingqing and sneered, ‘I’ll tell you the truth, I’ve always been displeased with you and Xue Yuning, you’re all the same f*cking thing, I’ll let someone play you to death today, then I’ll find a chance to play Xue Yuning to death later, if you dare to offend me, I’ll make your lives worse than death!’

Feng Pingping didn’t give Xu Qingqing a chance to refute herself, and after she finished speaking, she waved her hand, ‘Alright, take it away!’

A few security guards smiled and then once again tried to drive Xu Qingqing into the lift.

As if it was her last struggle at the moment of death, Xu Qingqing resisted more and more strongly, and became even more desperate.

She knew that if she stepped into the lift today, her life would be over, and she would probably end up dying, she would definitely die

At this moment, Xu Qingqing has nothing but despair. She really hopes that someone will jump out and save her at this moment, but she knows that this is no longer possible

Xu Qingqing suddenly gripped the edge of the lift door with one hand, clutching it to death, crying out with all her might, but still to no avail

In the end, her hand was broken open by a security guard in a raw way.

At that moment, Xu Qingqing felt that she was really late, as if she had fallen into the darkness of a thousand years, and not a single ray of light would ever appear again

The lift door slowly closed, Xu Qingqing seemed to have given up useless resistance, the whole person except for a low sob, no half strength to speak of.

The lift door gap is only thirty centimeters twenty centimeters ten centimeters

But just as the lift door was about to close, with a gap of less than five centimeters, a hand suddenly appeared and gripped the door with a deadly grip.

With a 'ding', the lift door was slowly pulled open again.

'Wait for me!' A voice came from outside the lift.

'Who are you? This lift is full, take the lift over there!' The head of the security guard looked at the man and woman outside the lift with an impatient face and said, 'Hurry up and let go!'

He thought that these two people were probably the hotel's tenants and did not take them into consideration at all.

But Feng Pingping, who was also in the lift, was actually a bit dumbfounded the moment she saw the duo outside this lift, 'You guys, why are you here?'

Feng Pingping had never thought that Jiang Hao and Xue Yuning, no matter what, could find their way here, and at such a critical moment.

The first thing she saw was Jiang Hao standing in front of her.

The first thing she saw was Jiang Hao standing in front of her. At this moment, Jiang Hao's thin body and not-so-handsome face were as tall as a giant in Xu Qingqing's eyes.

The moment Xu Qingqing saw Jiang Hao, tears rolled down her eyes like a flood that had collapsed.

At this moment, she seemed to see a chance to escape again, as if she saw the only beam of strong light shining on her body in the darkness of the ages.

If it were not for the fact that her body was bound, Xu Qingqing would be the first to want to jump into Jiang Hao's arms right now

Jiang Hao took a step closer and straddled his entire body at the lift door, looking coldly at the crowd in the lift and saying just as coldly, 'What, do you feel surprised to see me, huh?'

Xue Yuning also took a step forward and looked at Xu Qingqing with concern, unable to stop the tears from flowing down her face, 'How are you? Are you alright Xiao Qing

Xu Qingqing was her best friend, and seeing her in such a situation, Xue Yuning felt her heart was breaking.

'Let her go, let her go

Xue Yuning rushed up and started pushing the security guards who were holding Xu Qingqing. But she was a weak woman, even if she used all her strength, she was no match for them.

One of the security guards was a bit chagrined by the push and pushed Xue Yuning directly to Jiang Hao's side with a fierce force.

'What the hell are you doing you? Crazy b*tch!' The security guard shouted with a face full of anger.

The head security guard also came back to his senses at this moment, thinking that these two people who suddenly appeared, at a glance, knew Xu Qingqing and Feng Pingping ah.

'Who are they?'

Chapter 333 - Asking Liu Qiang to come down

Feng Pingping glared at the two of them with no good grace and said coldly, 'Who else could it be, those who came to ruin a good thing, Brother Eye, hurry up and have your men kick them out, just looking at them makes me feel sick!'

Feng Pingping pointed at Jiang Hao and Xue Yuning and continued, 'I didn't expect you guys to come so quickly, but don't you think you're being redundant? What can you do if you come? Can you change anything? Or do you think you can take Xu Qingqing away? Don't f*cking dream, you're nothing.'

Feng Pingping was so smug that he didn't even put Jiang Hao and Xue Yuning in his eyes, in his opinion, even if the two of them suddenly appeared now. In his opinion, even if the two of them suddenly appeared now, they wouldn't even be able to play a role, at most they would just come over to deliver the food.

Did they really think that the security guards at Liu Qiang's hotel were vegetarians? As long as the two of them dare to rob openly today, then they both don't want to get out of this hotel.

Feng Pingping had long been disliking Jiang Hao and Xue Yuning, and she hadn't forgotten what had happened at the concert.

'Humph, just in time, let's settle old scores with new ones today!' Feng Ping Ping thought to herself.

'Hmph, counting is nothing, whether you can get people out or not, you'll find out in a moment.' Jiang Hao sneered and then said, 'I advise you to let the people go now, otherwise I'll make sure you won't get away with it.'

Jiang Hao looked at the security guards and threatened, 'Is this hotel of yours a black shop, how dare you detain guests privately, or even more extreme things I guess? Aren't you guys afraid that people will come looking for you?'

To be honest, Jiang Hao felt a little surprised that the other party dared to detain people like this in broad daylight, after all, it was too much to ignore the law.

However, after Jiang Hao finished his words, the head of the security guard snorted with laughter.

He didn't care about Jiang Hao's threat at all and said with a big grin, 'What a joke, afraid? I guess if you knew that, you probably wouldn't dare to talk nonsense here and would have run away with your tail between your legs!'

Jiang Hao smiled at his words, he really wanted to know which boss was behind them, who dared to act so recklessly.

'Oh? Then you can talk about it and see if I'll run away with my tail between my legs!' Jiang Hao smiled and said, 'I can put my words here today, today this person, I will take away, whoever dares to stand in my way, can try!'

Hearing Jiang Hao's tone, he was also a bit upset, more disdainful, and said to Jiang Hao, 'Oh, good, then I'll tell you, the owner of our hotel, is Chu Jiang Hao brother Liu Guohao!'

When he said Liu Guohao's name, that security guard's tone was aggravated several times, and he had a smug look on his face when he finished speaking, then he continued, 'And I'll tell you the truth, the person who wants this girl today is no other than the only male son of our General Director Liu's family, Liu Qiang, Liu Da Shao!'

The head security guard and a few of his own men looked at each other, smiled at each other with smug faces, and then continued to ask, 'How about it, are you scared? Now do you know who you want to spoil, whose good deed it is? Oh, do you still dare to stop it? How many heads have you grown, try stopping it!'

After saying that, the head security guard greeted a few of his men and pushed Jiang Hao out of the lift and prepared to go upstairs.

This time he thought that even if Jiang Hao was bold enough, he wouldn't dare to do anything about it.

After all, Chu Jiang Hao's name was bigger than the sky, and anyone who dared to do anything bad after hearing Chu Jiang Hao's name was probably either really brave enough to mess with Liu Guohao, or he didn't know what was going on.

But those who don't know the depths of the road have long since been repaired by Liu Guohao to nowhere.

If Jiang Hao dared to make any more trouble today, he would definitely take action!

However, the head security guard was convinced in his heart that Jiang Hao's little body was probably either stupid or else how could he make a move?

But just as one of the security guards was about to push Jiang Hao, that man was backed off by Jiang Hao instead.

Then Jiang Hao was heard to shout, 'Liu Guohao? He's a fart, if he's here, please call him down, I'll ask him to his face today whether to detain or release him!'

Jiang Hao pushed the security guard away, still glued to the lift door, with a stance of not backing down.

Originally, Jiang Hao was still thinking that if it was someone else, he might really have to use his connections, but no matter what, he had to take Xu Qingqing away today.

But once he heard the other party say that this was Liu Guohao's territory, and that the one holding people back was no other than Liu Qiang, Jiang Hao simply had the heart to laugh.

But he was still a bit upset, because Jiang Hao could see that the lesson he had given this Liu Qiang yesterday still didn't seem to be enough, it was only less than a day's work, and he had come out to do wrong again?

And he's still doing it to Xue Yu Ning's best sister.

It seems that I have to take advantage of this incident today to give this Liu Qiang a good beating!

Jiang Hao then said, 'All right, cut the crap, call Liu Qiang down for me!'
