

Returning from the Dead: His Secret Lover Chapter 788

Shooting her a glance, Sabrina let out a faint smile. "Thank you, Ms. Woods."

Then, she brazenly sat down and picked up the cup of coffee Jonathan had personally poured her.

At that very moment, Kira felt as if she was the maid when Sabrina took over her seat without batting an eyelid.

Sabrina Hayes!

After resting a while, everyone got up to leave as Sebastian wasn't supposed to overexert himself.

When they returned to the main building, Sabrina was about to return to Sebastian's room with him before Jonathan called out to her, "Ms. Hayes, come to my study for a moment."

Sabrina, together with Sebastian, stopped in their tracks just when they were about to enter the elevator.

Jonathan quickly explained, "It's nothing important. I just want to chat about the wine. The rest of you should head on up. Devin, make sure Sebastian takes his meds."

After Jonathan's reminder, Devin led Sebastian up while Sabrina followed Jonathan to his study.

Wine? Didn't I send him the wine he wanted yesterday? What's there left to talk about?

Inside, Sabrina gave Jonathan a puzzled look.

"Old Mr. Jadeson, do you really want to drink?"

"No." The moment they entered the study, Jonathan's relaxed expression became stern.

Sabrina's heart dropped in response.

Hmm... In that case, why did he call me to his study? Is he going to ask me to leave? Can it be that he has found out about me teasing Devin when I was drunk on the first day I was here?

Sabrina broke out in cold sweat.

"I want to talk to you about where the three children are."

"What?"

Sabrina was stunned by how sudden the question was.

"Wh-whose children?"

“Who do you think? Of course, I’m talking about Sebastian’s children, who happen to be my great-grandchildren!” Jonathan was peeved when he saw Sabrina playing dumb.

Sabrina’s mind was blown.

Why is he asking about this? When did he find out? No, wait. It’s understandable that he knows. The three of them were never hidden by Sebastian. In fact, the entire city of Avenport knows that the president of Hayes Corporation has three children. Therefore, it shouldn’t be a surprise at all. However, why is he asking about them now? After all, six months have passed since then.

Unable to gather her thoughts, Sabrina looked at Jonathan and replied, “I... I don’t know where they are too. Before Sebastian’s accident, he had already sent them away.”

“Sent them away? Did he not tell anyone?”

After collecting herself, Sabrina explained, “No. He only told an assassin of his by the name of Calvin. However, Calvin disappeared after the incident at the nightclub. Despite our best efforts, we were unable to locate him.”

There was no way she was going to reveal the children’s location until Sebastian regained his memories. Moreover, she didn’t know what Sebastian’s arrangement was for them before the incident.

Also, she wasn’t sure what Jonathan’s intentions were toward the kids.

Will he take them away? It will be trouble if he does so as both Sebastian and Sasha will be in a weaker position within the Jadeson family.

Consequently, Sabrina’s lips were sealed.

Nevertheless, when Jonathan was reminded of what happened at the nightclub, his expression drastically changed. Finally, he didn't press on with his questions.

"I understand. I'll look for Calvin as I don't know how long it will take Sebastian to get back to himself."

"Alright."

Sabrina heaved a sigh of relief.

Just when she was about to leave, Jonathan asked abruptly, "Do you have a picture of the children? Please show them to me."

"Huh?"

At that moment, Sabrina's heart began to race.

How am I going to show him the pictures? He has already seen Vivi before. If I show it to him, wouldn't it expose Sasha's identity?

Sabrina was trapped between a rock and a hard place.

If she was unable to show a single photo, it would naturally arouse Jonathan's suspicions.

"Sure. Hold on a moment while I find one." Lowering her head to check her phone, she did a quick search and looked for the pictures that focused on the twin brothers.

As for Vivian, she was mostly looking away or playing by the side.

After that, Sabrina showed the pictures to Jonathan.

“Here you go, these are the three of them.”

“All right.”

Jonathan took over the phone to look.

Suddenly, the man, who was unfazed when he commanded the entire army in countless wars, trembled when he saw the pictures.

Sabrina didn't utter a word.

After looking at them for a long time, Jonathan finally returned the phone reluctantly.

“They are the spitting image of... him,” he choked as he held back his tears.
