They are to immediately attack the Iga ninja,

Directly catching the thief first and in any case,

They had to control Hattori Hanzo,

As a bargaining chip to negotiate with Hattori Kazuo and exchange for Randal.

Even the Fei family had already arranged a retreat plan in advance.

After capturing the man, they would immediately take him to the nearest port,

And leave Japan by boat to avoid the Japanese government's pursuit.

In the field of martial arts around the world, the ninja is not considered strong.

Only when the ninjas are in the shadows can their strength come into play,

Once the ninjas are exposed in the open, their combat power is greatly diminished.

Therefore, this group of experts of the Fei family was very sure about this operation.

However, when they arrived in Iga City,

They didn't know that the Iga ninja's compound had already been emptied.

And waiting for them here are hundreds of loaded and eager anti-terrorist troops.

The last time Ruoli escaped from prison and disappeared at sea,

It has been a great shame for the Japanese homeland security department.

If Ruoli had been missing, they could barely use the reason that she is probably dead to comfort themselves.

But unfortunately, after the battle of the Waderest,

So in this case, they do not dare to ask for people from the Cataclysmic Front.

In fact, they also know very well in their hearts,

Cataclysmic Front is so well-informed, it is impossible not to know Ruoli's entanglement,

But even in this case, Cataclysmic Front also announced the addition of Ruoli, which is clearly to cover her.

If the Japanese side really asked the Cataclysmic Front to ask for someone,

It will definitely be tied to the Cataclysmic Front.

Therefore, the Japanese side simply pretended to be deaf,

And did not express any opinion about Ruoli's joining the Cataclysmic Front.

But in this way, it also made Japan's homeland security department wildly condemned by the domestic public.

The security department, which was holding its breath,

Had been trying to find an opportunity to make a turnaround,

But the current situation in the country, which is peaceful inside and outside,

Simply did not have a stage for them to play on.

.....

Iga City itself is a very small city compared to a standard definition of a city.

In such a small city of 10,000 people, the majority of the population are farmers,

Who work hard in the surrounding countryside, and there are only 2,000 to 3,000 residents living in the city.

Among these two to three thousand people, the Iga family's own people accounted for a few hundred.

Among the rest, apart from the civil servants,

More than half of the ordinary citizens are serving the Iga family.

Therefore, in the center of this small town, most of the mansions are the assets of the Iga ninja,

And the Iga family is the owner of the city.

Now, after the departure of the Iga family as the owner,

Many of the people who serve the Iga family in this small town also received notice,

To take a temporary leave of absence from their homes.

This small town became dead all of a sudden.

Moreover, since the place is so small and the only selling point is the Iga ninja,

There is little room for the tourist industry to develop both vertically and horizontally,

So that the number of tourists here is also pitifully low.
