The Man's Decree Chapter 335 - 336 (The Man like none Other chapter 335 - 336)

Once Yasmin was locked up in the room next door, Lucy muttered, "That useless boy who goes wild when he sees a woman... He's the same as his dad."

The moment she finished her sentence, a deafening sound was heard.

It sounded like a collision.

Immediately, Lucy turned toward the source of the sound and saw that a car had crashed into the gate of the Whitaker residence. In a while, the gate collapsed, and clouds of dust were flying everywhere.

When the bodyguards heard that, all of them rushed toward the door and blocked the car.

Soon, Kai got out of his car with a murderous aura. He remained indifferent although he was facing more than ten bodyguards of the Whitaker family.

"Who the h*ll are you?" Lucy asked with a frown when she finally got there.

"Today, everyone here will die," Kai stated coldly as a chilling aura radiated from his body, and everyone there trembled at the sound of his threat.

"Y-You're Kai?" Lucy asked doubtfully.

"He's Kai... He's Kai! Kill him!" Kane shouted frantically when he saw Kai.

The bodyguards charged at Kai when they got the command.

Kai narrowed his eyes slightly and grabbed a steel bar from the broken gate.

"Die!"

With that, he disappeared from where he was and started killing the bodyguards. Since he had already attained Level Nine, all of the bodyguards were no match for him.

Bang! Clash! Thump!

The fight continued. Kane and Lucy couldn't exactly see what was happening except for the sight of blood flying everywhere. As time passed, more and more bodyguards dropped onto the ground, and it was obvious that they died because of their head injuries.

Within minutes, all the bodyguards at the gate were slaughtered, and the main gate of the Whitaker residence was full of the stench of blood.

Blood from the bodyguards trickled down the steel bar in Kai's hand.

Right then, Kane and Lucy were completely shocked and was overwhelmed by fear when they saw the look in Kai's eyes.

Kai took a few steps toward the couple. "Today, all of you shall die..."

"You punk, don't be arrogant."

Suddenly, two middle-aged men in martial arts uniforms rushed toward Kai and were about to punch him. Meanwhile, two other bodyguards went to protect Lucy. The four of them were sent by the Jantz family.

When Kai saw that, he threw the steel bar and fought back with his bare fists.

Bang!

When their fists collided, the impact sounded like a cannon.

Kai's expression turned cold as he felt a slight numbness in his arms. On the other hand, the two middle-aged men flew backward, and their bodies exploded mid-air, causing their blood and organs to splatter everywhere.

Since Kai's earlier attack was a death blow, he didn't hold back.

However, he was surprised that they were able to make him feel something in his arms. That meant that they were really skilled.

Kane and Lucy's eyes widened when they saw what happened with the two bodyguards because they knew the bodyguards' abilities. Who would've thought that the bodyguards would be killed with a single blow?

"Ms. Jantz, please escape with Mr. Kane! We'll hold him back!" the other two bodyguards said to Lucy through gritted teeth.

They knew that they were no match for Kai, but they had to carry out their duty.

Lucy nodded and retreated. Before she saw Kai herself, she was still mocking Kane for being afraid, but now she regretted it. If only I knew how strong Kai was, I would've asked for more men!

"Running away? I told you—all of you will die today!" Kai yelled and dashed toward the couple.

"Stop him!" Lucy screamed.

With that, her two bodyguards leaped at Kai and tried their best to block him despite knowing that they weren't a match for him.

Kai nimbly dodged their attacks and seized their wrists. With that, he activated Focus Technique, and the inside of his diaphragm became a vortex that sucked the two bodyguards' lifeforce away.

When they realized that their energies were being drained by Kai, they struggled to break free from his grasp. Nevertheless, it was pointless.

Within ten to twenty seconds, the remaining two bodyguards became dried-up corpses.

“W-What happened?” Kane asked in shock.

“G-Ghost! You’re a ghost! You’re not human! You’re not human!” Lucy screamed at the sight of the two mummified bodies in front of her.

Kai looked at Kane and Lucy coldly as he asked, “Where is the girl you kidnapped?”

“G-Girl! S-She’s in the room!” Lucy stuttered as she answered in fear while pointing at the other mansion with her shaking finger.

“Take me there!” Kai snapped coldly.

“O-O-Okay,” she stammered without a trace of arrogance from before.

Kane and Lucy led Kai to where Yasmin was. At that moment, both of them were trembling and didn’t intend to escape as they knew that they wouldn’t be able to run away.

In the beginning, they thought that they could exchange a few blows with Kai just because they knew some martial arts. However, they dismissed that idea immediately after what they had seen earlier.

Lucy opened the door when they reached the room.

Yasmin had been crying the entire time in the room. When she heard someone unlock the door, she lifted her head and looked in the direction of the door. The moment she saw Kai, she felt like she was saved.

“Kai...” Yasmin uttered as she ran toward him.

“Thank you for helping Josephine. I’m sorry that you had to go through all that,” Kai said to her sincerely.

Lucy was confused by what they were saying, but she didn’t say anything.

“Kai, since she’s here and unhurt, let’s just call it even today, shall we? As long as you let us go, we’ll do anything you want,” Kane pleaded with an agonized expression.

“Do you honestly think that I’ll believe what you say?” Kai chuckled coldly.

Before Kane knew it, Kai delivered a punch to his head, and he died immediately. There was no chance for Kane to dodge Kai's attacks because he was too weak. With that, blood splattered everywhere and across Lucy's face.

"Y-You..."

Hatred and anger filled Lucy's eyes. She tried to say something but couldn't.

"Don't worry. I know that you want to look pretty, so I won't blast your head off. I'll make you die beautifully," Kai said to Lucy, who still had her face mask on.

Right after that, Kai grabbed Lucy's neck.

Lucy tried her best to get out of his grasp, but it was no use. In the end, she stopped breathing.

Kai remained expressionless when he looked at Kane and Lucy's bodies. As for Yasmin, she was completely terrified and was trembling uncontrollably while grabbing onto Kai.

"Please wait for a little longer. Once I'm done with another person, I'll bring you home," Kai assured Yasmin as he walked into another room.

Meanwhile, Tyrion was watching some videos on his phone with earphones on as he prepared to relieve himself after Lucy's previous interruption.
