The Man's Decree Chapter 337 - 338 (The Man like none Other chapter 337 - 338)

Tyrion, who was completely focused on his phone, didn't realize Kai was walking into his room until the latter took his phone away.

The next moment, Kai threw Tyrion's phone onto the ground.

Tyrion jumped at the sound of that.

When he saw Kai in his room, he tried to get down from the bed and run away, but he fell to the ground immediately. He had forgotten that his leg was crippled.

"J-Kai, h-h-how did you get in?" Tyrion asked in fear.

However, Kai ignored Tyrion completely when he saw a jade pendant on Tyrion's bed.

The next moment, Kai walked up to Tyrion's bed and picked the jade pendant up. There was some spiritual energy in the jade pendant.

Oh? I didn't expect to land a magical item here.

Immediately, he put the jade pendant into his pocket and turned to Tyrion.

"Kai, i-if you like that jade pendant, you can take it. A-And you can take anything you want from my room. You'd better leave as soon as possible because you may not get the chance to leave if my mom and dad find out that you're here!"

Tyrion knew that the best way to survive was to chase Kai away because he had no way to fight back if Kai attacked him.

"Your mom and dad?" Kai asked with a cold expression. After that, he grabbed Tyrion and walked out of the room.

Once they got to the room which held Yasmin captive, he threw Tyrion to one side. "Your mom and dad are here. I'm being kind today, so I'll let all three of you die together!"

Tyrion was completely dumbfounded when he saw his parents' bodies.

"Kai, please don't kill me... Please let me go! I'll do anything you ask me to! I'll give you the entire Whitaker family too! Please have mercy!" Tyrion begged.

Kai lost interest in torturing Tyrion at that moment. Therefore, he lifted Tyrion with one hand and punched the latter with the other.

Bang!

Kai's fist went through Tyrion's body in an instant. Tyrion widened his eyes, and he lowered his head to look at his chest in disbelief.

The next moment, Tyrion's body slumped onto the ground, and blood gushed out from his chest.

With that, Kai went to clean himself up before he lit the entire mansion on fire.

"Let's go," he said to Yasmin.

She nodded and tried to walk. However, the moment she took a step forward, she almost fell.

There was no way she could walk properly with her jelly-like legs after witnessing such a bloody scene.

Kai went to carry Yasmin when he noticed that. Then, he walked toward his car.

Yasmin wrapped her arms around Kai's neck tightly, and her heart raced in response to their intimacy. She was blushing, yet he seemed indifferent to it.

Yasmin nestled her head closer to Kai's chest as she felt safe and comfortable there.

Her face grew hotter after she sneaked a glance at Kai. Yasmin noticed that something within her had changed. She liked how he carried her. At that moment, she wished that she was Kai's girlfriend instead of Josephine.

Kai was completely oblivious to what she was thinking. He rushed back to Yeringham immediately. During the entire trip, Yasmin looked at him with admiration the whole time.

Meanwhile, the Whitaker residence was engulfed in flames, and everything was gone. Because of that fire, things in Summerbank would change, and a bloody battle would begin soon.

The Man's Decree Chapter 338 (The Man like none Other chapter 338)

Back at Yeringham, Josephine stayed up through the night worrying about Kai.

At the same time, the hotel owner was terrified when he saw the number of people Tommy had assigned to surround his hotel. Indeed, Tommy had gotten his people to go from Horington to Yeringham in a hurry to protect Josephine.

As dawn lined the horizon in faint yellow, that was when Kai had finally arrived in his severely damaged car. Naturally, Josephine got anxious when she saw the state of the car when he arrived.

As soon as Kai had gotten out of the car, Josephine rushed into his arms and asked concernedly, "Are you all right, Kai? Are you hurt?"

"I'm fine! How could the puny Whitaker family ever hurt me?" Kai smiled faintly.

Right then, Yasmin was also getting out of the car. Her heart ached a little when she saw Kai and Josephine embracing.

"Yasmin, a-are you all right?" Zeke rushed toward her and hugged her upon seeing that she had been saved.

However, Yasmin shoved him aside coldly. "I'm fine!"

Zeke was baffled. Why is she so cold toward me?

"Thank you, Yasmin! Thank you so much for saving me!" Josephine let go of Kai and hugged Yasmin to express her gratitude.

"Silly! Of course, I had to protect you! Actually, I should be the one thanking you instead." Yasmin smiled slightly before instinctively casting Kai a gaze.

Josephine looked at Yasmin with bewilderment written all over her face. What does she mean? Why should she be thanking me?

Upon noticing the look on Josephine's face, Yasmin explained, "I should thank you for having such an amazing boyfriend! Otherwise, I wouldn't have been saved!"

Although Yasmin said it with a joking tone, she meant it sincerely. Kai's appearance had shown her what kind of boyfriend she needed in her life.

"Stop tooting his horn, Yasmin! He's going to be so full of himself!" Josephine laughed.

Everyone felt a sense of relief since Kai and Yasmin both returned safely. Besides, Josephine's words managed to put a smile on everyone's face.

After a few light exchanges, Kai went to bed. He was drained after a hectic couple of days. As for the others, they all slept soundly that night as none of them had rested before their return.

As they were sleeping, Summerbank had descended into chaos.

After what happened to the Whitaker family, everyone in Summerbank resorted to remaining deadpan and adopted a wait-and-see attitude. Since the family had a lot of businesses in the city, all the other families were anxiously waiting to pounce.

Although everyone in the city seemed to be on Kane's side before this, they were all eyeing a piece of the Whitaker family's businesses upon knowing that he was gone.

Back at the Whitaker family's mansion, there were hundreds of officials setting a perimeter around it.

They had even secured the mansion with barricades to prevent unrelated individuals from entering. No one knew what was going to happen to the Whitaker family next.

There was a frowning middle-aged man in casual wear covering his nose with a handkerchief at the scene.
