The Man's Decree Chapter 559 - 560 (The Man like none Other chapter 559 - 560)

Chapter 559 Starstruck

Tessa returned the smile, her worries melting away immediately. Being well aware of Kai's abilities, she knew better than to worry about him being bullied by a teenager.

"Mr. Chance!"

The sponsors standing behind Tessa started forward to greet Kai. Every socialite in Horington worth their salt knew who Kai was.

Kai merely nodded his head in response.

"Let's go inside," Tessa suggested, not up for having a conversation over the screaming of her fans.

"It's rather chaotic here."

Kai nodded before turning around to address Ingrid. "It's fine now. Let us go in!"

"And who is this?" Tessa asked as she turned to face Ingrid.

"This is my cousin, Ingrid," introduced Kai.

"Your cousin, huh?" Tessa mused while she beamed at Ingrid. "Come, the concert is about to start!"

Without giving her the opportunity to voice her assent, Tessa pulled Ingrid by the arm toward the entrance.

As it turned out, Ingrid was unable to speak as she was starstruck at being so close to her idol. Her jaw hung open in shock as she allowed herself to be dragged along.

At the touch of Tessa's skin on hers, Ingrid's pulse rose to such a degree that she felt her heart about to pop out of her chest.

Bulging with envy, every eye in the crowd followed her with admiration.

None were more envious than the two girls who came with Ingrid. The girls were beginning to feel remorseful for how they had treated her earlier.

"Ingrid!" they shouted to get her attention, with the hopes that she would be able to secure their entry as well.

Ingrid merely turned to glance at them before gazing determinedly forward again. I have given them so many opportunities earlier but they chose not to believe me.

Tessa seemed to sense what Ingrid was thinking. "See those two girls over there?" Tessa said in a low voice to one of her aides. "Don't let them in. Their conduct is despicable."

Soon, Tessa and Ingrid disappeared into the stadium with Kai following behind. Along the way, Josephine's eyes flicked occasionally toward Kai as she entertained the new suspicion that had formed in her mind regarding him and Tessa.

Kai stared pointedly away and pretended not to notice how he was being watched closely. He hastened his stride toward the stadium.

"Mr. Chance! Mr. Chance!" Jean cried in despair.

However, Kai just ignored him completely. Jean remained where he was on the floor until Kai's silhouette disappeared into the stadium.

"Dad," whimpered Paul.

Smack!

In his rage, Jean landed another ferocious slap on his son's cheek.

"You little piece of sh*t!" Jean howled. "The Yateses are going to collapse before you can take over! You're in for the beating of your life once we reach home."

Kai and his party were led by the ushers to the first row. They were the most exclusive seats in the stadium which money could not buy. When the concert began, Kai closed his eyes to avoid having to look at Tessa who was performing enthusiastically on stage as he realized that Tessa had been glancing suggestively at him more often than necessary.

Kai was well aware that Josephine was sitting next to him, so he did not trust himself if his imagination were to run wild. As a result, he opted to close his eyes altogether.

“Tessa is amazing!” gasped Ingrid between screams and cheers. “She’s so pretty!”

Josephine cleared her throat. “Let me ask you something, Ingrid.”

“What is it, Josephine?” Ingrid turned to look at her.

Chapter 560 Who Do You Prefer

“Who do you prefer, me or Tessa?”

Ingrid was slightly surprised at the question.

Kai, who had his eyes closed the entire time, almost chortled out loud. That’s an interesting tactic to gauge how things are going on between me and Tessa! I’d better tread lightly around her.

“I like you better, of course,” Ingrid said tactfully as she wrapped her arm around Josephine’s. “We’re like sisters.”

Josephine was pleased to hear that. Fully aware that he could hear them, she watched his reaction as she returned Ingrid’s radiant smile.

Several encores later, the concert ended. Tessa had extended an invitation to Kai and his party for supper but was met with decisive rejection as he was aware that he had to keep a distance from her or suffer Josephine's wrath. It would not end well for me if this gets out of hand.

In the end, Kai gave in to Ingrid's pleas and allowed her to go in his place with Tessa. As Tessa had chosen to hold a concert in Horington for him, Kai felt that sending Ingrid to keep Tessa company on his behalf was fair enough.

Tessa left Kai a message when she left Horington. Though he did not send her off, he got her meaning loud and clear. Kai was conflicted as he knew that Tessa knew he had a girlfriend; yet, she was still openly conveying her interest in him. She's really trying to get me into trouble!

Over the next few days, Kai accompanied Josephine shopping whenever he had a moment to spare. After that, he would spend his afternoons playing chess with William. Without herbs and spiritual stones and being solely reliant on the wispy thin spiritual energy, it would be a waste of time for Kai to cultivate.

Three days later, Walter approached Kai with an interesting proposition.

"Mr. Chance," he said, rather excited. "There will be an auction in Jadeborough tomorrow. Would you be interested? You never know for there might be something you need!"

"I'd obtained Dragon Throne in a similar auction, you know," he continued proudly.

"You never know what kind of treasures you may come across. I'd heard that there will be a batch of talismans flown in by a sponsor for this auction. It's the trend now for the rich to obtain a talisman and send it to a geomancer to modify the geomantic elements to repel danger while positively enhancing their auras. With the influx in the supply of talismans, this auction is going to be very interesting and intense. I might as well sell the stuff taking up space in my house for cash. At the same time, I may be able to snag something valuable."

Walter was fond of antiques. His eyes sparkled as he launched into an excited babble regarding his favorite subject.

"I am already aware of it," Kai said carelessly. "Theodore told me about it."

“Theodore Jackson?” Walter repeated with a gasp. “Do you mean General Theodore Jackson of the Department of Justice of Jadeborough?”

Kai nodded. “Yes, the very same man.”

Walter stared incredulously at Kai. I can’t believe Kai has connections with Theodore and the Department of Justice!

Even during the peak of his career, Walter’s rank had always been far below Theodore’s. General Jackson of the Department of Justice was a deified figure within the ranks all over the country. Kai’s acquaintance with him was the last thing Walter expected.

“Mr. Chance, shall I send over a car to pick you up if you are interested in going to the auction with me?”

“Sounds good. I’ll see you tomorrow.”

Kai nodded in agreement as he had never been to Jadeborough and wished to check out the place. Hence, he accepted Walter’s invitation readily.

Josephine and Lizbeth descended the stairs the moment Walter departed.

“Kai, where are you and Mr. Grange planning on going?” Josephine asked.

Kai stared at the women in surprise as he was under the impression that he was the only one home.
