

Chapter 4531

Marcus's words made Charlie's whole body startled.

Since his parents were killed back then, he has always wanted to find out the truth,

But until now he did not find a tangible clue.

When he heard Marcus mention his mother, he immediately put on twelve points of spirit,

Waiting for the An family's follow-up, and also expecting them to reveal some insiders.

However, in the next words Elder An poured a pot of cold water on Charlie's head.

He said in a serious tone: "After the murder of your sister and your brother-in-law we have not yet found any clues,"

"I once thought that the Routhschild family was responsible,"

"But after so long, there is no evidence that they had a direct relationship with this matter,"

"You said this matter may be related to the murder of your sister,"

"But I do not understand why they have been so long Why don't they stop?"

"Your sister and your brother-in-law, how on earth did they offend them back then,"

“Can let them after such a long time, still deliberately want to kill our family?”

The crowd immediately fell into silence.

And Charlie, the whole person was also struck by lightning.

He once thought that the Routhschild family must have been involved in the death of his parents.

During this period of time, he had been desperately trying to accumulate energy,

And improve his overall strength, just to prepare for the day when he would face this formidable family.

However, listening to Grandpa, it seems that this matter is not obviously related to that family anymore.

This instantly put him in a quandary again.

He really couldn't imagine that besides a super family like Routhschild,

Which was rich and could be a match, what other family could be so powerful.

That even the An family didn't put it in their eyes.

Although the Saoudi royal family is also very strong in financial resources,

The characteristics of that group of Middle Eastern tycoons are also very obvious,

They are simply not willing to get involved in matters outside their homeland.

They have little ambition for foreign expansion in their lives,

Instead, they just want to use all means to ensure that their own family's kingdom is secure.

It's as if they bought dozens of cannonballs from China 20 or 30 years ago at great expense,

Not for foreign expansion, but to enhance self-defense and deterrence.

To put it bluntly, this is a landlord's foolish son, guarding a large amount of family wealth,

Desperately want to build their own walls higher and stronger,

And he does so with only one purpose: I won't go out, none of you come in.

So, Charlie can also conclude that the death of his parents has nothing to do with the Saoudi royal family either.

But then, the whole thing started to get confusing again.

Not the Saoudi royal family, the Routhschild family does not seem to be related, so who could it be!

Just when he was having a headache, Stella took Karl,

Arrived outside the door of the box where the An family was and knocked gently on the door.

When the old man heard the knock, he hurriedly opened his mouth and said, "Please come in!"

As soon as the words left his mouth, Stella pushed the door and entered.

The moment they saw Stella, the An family members were all amazed.

They all knew her and before today's accident,

They were discussing her return to the Fei family,

And miraculously becoming the new head of the Fei family.

Moreover, they were all very appreciative of Stella's textbook-level crisis communication.

Therefore, as soon as she entered the door, they recognized her at a glance.

After entering the door, she said very politely to the old man,

"Elder Mr. An, I am Stella Fei of the Fei family,"

"This time I was entrusted by my benefactor to come over to help,"

"And my benefactor said that you can first call your men to come over for support,"

"And after determining an absolutely safe place,"

"I will arrange for them to escort you all the way."
