

Chapter 4532

Everyone was surprised at this time, but Marcus asked, “Miss Fei!”

“Who is the benefactor you are talking about? Is it the benefactor who saved us just now?!”

Stella nodded and said, “That’s right, it’s him.”

Saying that, she added: “The benefactor asked me to come over to help deal with the scene,”

“So I brought people here urgently, and now that the outside has been dealt with, all of you can prepare to leave.”

Master An said in a very polite tone, “Little girl,”

“I would like to dare to ask, this benefactor, what kind of person is he?”

“He is the life-saving benefactor of more than ten members of our An family,”

“This kindness, we want to find an opportunity to properly repay!”

She said “When my grandfather and I were in China,”

“My eldest uncle took advantage of the opportunity to take away the family headship,”

“And paid a lot of money for my life and grandfather’s. But the benefactor saved us and protected us closely.”

He asked me to convey to you that he does not like to be noticed and come out,”

“So you are strictly warned not to try to investigate his identity,”

“Otherwise you will be responsible for the consequences!”

When Old An heard this, his expression was instantly extraordinarily disappointed.

He couldn't help but say, “The benefactor saved our family's lives,”

“And helped us find out the traitor lurking in the family,”

“Such a great kindness, at least give us a chance to pay our respects and repay the kindness in person

Stella waved her hand and said seriously:

“Mr. An, there is no need to say it again, the benefactor has helped countless people,”

“Saved countless people, not to mention that you all owe him a debt of gratitude,”

“My grandfather and I have also received his profound kindness,”

“And have always wanted to find an opportunity to repay, and because of this,”

“I am here today, so if you all really want to repay the benefactor's kindness,”

“There will be opportunities in the future, no need to rush.”

Master An nodded gently and said, “Thank you, Miss Fei, I understand.”

“If there is an opportunity, please convey this to his Excellency on my behalf,”

“If his Excellency needs anything in the future, the whole An family will not dare to refuse!”

Stella then said, “Okay, I will definitely convey your words to your Excellency.”

After that, she took out her cell phone and handed it to Master An, saying,

“There is no signal in the room, so please move to the door and call your security team.”

As soon as Stella’s words fell, a pink cell phone lit up,

Among the pile of An family’s belongings on the coffee table, seemingly having received a push.

Seeing this, Marcus hastily picked up his own phone and, after unlocking it, exclaimed,

“The phone has a signal! What’s going on here?!”

Elder An frowned slightly and said in a cold voice:

“We haven’t touched anything here, I guess the shielding device was on Amelia all along,

And after she went out, the signal is restored.”

Marcus subconsciously exclaimed: “..... fortunately she brought only shielding equipment,”

“If it was a bomb, then the consequences would have been unthinkable

Tece spoke: "Second brother if the third sister-in-law carried a bomb,"

"It would have been very difficult to pass the airport security."

Marcus smiled to himself, "That's true"

After saying that, he then said to the old man,

"Dad, I'll call and arrange for someone to come over, let's hurry back to Los Angeles!"

Master An shook his head and said, "Not to Los Angeles, go back to Anbang Mansion!"

"Anbang Mansion?!" Marcus asked with a surprised face,

"Dad, we are going to Anbang Mansion? The security level there is not enough, right?"

The old man said decisively, "Thanks to your sister's blessing, it's the safest place!"
