

Chapter 4564

The dead man further explained, "Today could be longer than yesterday, and yesterday could be longer than the day before yesterday."

"Over time, even if I knew the exact time when I left the mission,"

"And after going back for a period of time, the record will have deviated."

Charlie asked him: "How did you calculate the time deviation?"

The man said: "I hit the bottom of the bowl. A very thin hole, filled with very fine sand,"

"It started from the time the bell rang on the first day,"

"Leaked until the bell rung on the second day, and then leaked the fine sand again,"

"And when the bell rang on the third day, the fine sand sometimes leaked out early,"

"And sometimes it's too late, so I guessed the time inside was different from the time outside,"

"So after a long time, we don't know what year and month it is outside."

Charlie was curious. He asked: "You do so many things quietly, were you looking for a chance to escape?"

"No way." The man smiled bitterly and said, "Even if there is a chance to escape,"

“It will inevitably be a death, I just wanted to know more about it.”

“The mechanism of the dead man’s operation, if there is a chance to escape,”

“Everything in the dead man’s camp will be exposed.”

“If it can destroy the dead man’s camp so that no one will repeat my mistakes in the future, it will be even better.”

Charlie nodded and said lightly: “It seems that you have not been completely brainwashed by the organization.”

“Brainwashing?” The man shook his head and said,

“The organization disdains to brainwash us.”

“Our own lives and the lives of our families are in the hands of the organization.”

“It doesn’t matter whether we are brainwashed or not.”

“Slave, from this point of view, we can be regarded as the people who hate them the most in the world,”

“But they don’t care, because they know that we have no guts and no ability to betray the organization.”

Charlie nodded slightly, knowing that these people know, it’s almost finished.

At this time, Joseph asked, “You should know where the garage you woke up from?”

“Yes.” The man said truthfully, “The garage we woke up from is in Brooklyn.”

Joseph Looking at Charlie: “Mr. Wade, this is the only place where they have intersected with the organization.”

“Those people set up the garage in advance and will definitely leave information.”

“If we use this as a clue to check back, we should be able to find some hints.

Charlie waved his hand and said indifferently: “No need to check.”

Joseph hurriedly asked: “Mr. Wade, this is the only clue!”

Charlie said seriously: “Then there is no need to check, the other party since is so cautious,”

“The clues to be dealt with have already been dealt with.”

“When we go there to check at this time, we will only expose ourselves,”

“And even if we find any clues, it will be meaningless.”

“We are still far from the strength required to face them.”

“Such an organization we compete against. What we know now are only dead soldiers and guides,”

“And we don’t know how many dead soldiers and guides they have, let alone,”

“In addition to dead soldiers and guides, they must have other organizational structure,”

“Maybe the true strength of the other party is greater than we imagined.”

Joseph hesitated for a moment but nodded lightly.

Even Charlie said that, and he didn't dare to act rashly.

Charlie looked at the man and said lightly, "You cooperated well today,"

"But I'm not ready to kill you for the time being."

After finishing speaking, he said to Joseph:

"Joseph, I'm leaving. Secretly take him to Syria to take good care of him,"

"And don't let anyone outside the core members of Front know of his existence."

Joseph without thinking nodded and said, "Don't worry, Mr. Wade, I will arrange it!"

Charlie looked at the man again and asked, "What's your name?"

The man said gratefully: "My name is Five Four Seven!"

Charlie asked him, "What Fiver Four Seven?"

"Don't know." The man smiled wryly: "It's a number, I don't have a surname,"

"And I don't even have a name. My ancestors don't know what their original surname was,"

"We were just born and given a number by the organization, and then we used this number as our name."

Charlie had mixed feelings in his heart, was silent for a moment,

Nodded lightly, and said seriously: "You live well,"

"I will let you see with your own eyes the complete demise of this organization!"

In Five Four Seven's eyes, an unprecedented light of hope suddenly flashed,

Staring at Charlie, and asked respectfully, "Mr. Wade, I answer all you asked. I have so many questions,"

"I hope you can take it into consideration for the sake of your cooperation and tell me,"

"How did you completely seal the power in my body?"

Charlie smiled coldly and said, "My power is much stronger than that!"
