

The Mans Decree Chapter 739

Chapter 739 Not A Man

Lyanna popped open the red wine, poured the content into two cups, and brought them to Carlos.

"If you behave yourself, I'll satisfy you, all right?" She winked at him, making him completely mesmerized by her.

"I'll behave myself. I promise..." He nodded eagerly.

"Just drink with me for now and don't touch me, okay?" A smug smile appeared on her face when she saw how head over heels he was for her.

"Okay..." He nodded.

After she handed him a glass of wine, he drank it in one go.

She also drank it in one go when she saw that and poured more wine into his cup.

Her plan was to make him very drunk so that she could escape.

However, when Lyanna was planning to let Carlos drink another cup, she suddenly felt her head spinning and her limbs weak. The cup in her hand fell to the ground.

"Does this... This wine is... There's a problem with this wine..." She was shocked.

It had to be because of the wine that she was abruptly feeling unwell.

"Hahaha! I have laced the wine, but I never expect you to drink it voluntarily." Carlos stopped pretending and started laughing.

"You... You didn't fall for my Seduction Technique?" Lyanna was flabbergasted.

No man, aside from Jared, had ever escaped her when she used those techniques.

"Let me tell you something. Your seduction technique only works on real men. However, I'm not a proper man anymore," he said, completely not embarrassed.

In fact, he even looked smug about it.

"Then... Then why did you marry me?" She couldn't understand why he would still marry her despite not being a real man anymore.

"That's because you're special. The negative energy in your body is the best resource for me to reach a higher level of cultivation." His lips curved upward.

"Once I absorbed the negative energy in your body, I'll finally reach the level of Martial Arts Grandmaster and become the youngest Martial Arts Grandmaster in the martial arts world!"

Fear was penetrating every part of her body as she listened to his rambling. She wanted to escape, but her body refused to move. Biting her own tongue would guarantee his plan would fail, but again, her body had no more energy to even move.

"Stop resisting and surrender yourself to me." Carlos twirled his finger and caused a vortex to form in the air. It was spinning on top of her head.

Inside the spring, Jared continued to fight against the humanoid monster made of water.

Every time he tore the monster apart, it would reform to its original shape. No matter what he did, he couldn't really destroy the humanoid monster.

The spiritual energy in his elixir field was rapidly decreasing. Even though his Focus Technique helped, it wasn't replenishing his energy fast enough.

He knew if he continued to fight like that, he would either be killed or die from exhaustion. Furthermore, he couldn't afford to mess around any longer as he had no idea what was going on with Lyanna.

"I'm simply a spiritual sense, brat. I cannot be killed, and you cannot defeat me. Don't you dare take away my magic sword!" the humanoid monster warned.

Jared's sweat continued to dissolve in the water as his expression darkened. If this monster cannot die and will always revive, how am I going to defeat it?

The monster attacked again when he was thinking. He swiftly dodged the attack and smashed the monster into pieces again.

Like always, the spring water gathered at a spot again to reform. Every time he punched the monster, the spiritual energy in his elixir field decreased. If that kept on, his elixir field would dry up and he would be devoid of any spiritual energy.

"I've told you before. Stop wasting your time because you're no match for me." The humanoid monster continued, "The water you see here is my life! I'll live for as long as I have them around me. It's not like you have the ability to suck the water dry!"

Upon hearing that, Jared's eyes brightened up, and he seemed to have thought of something.

He smirked. "Thank you very much for your reminder! Although I can't drain the water, I can definitely keep it away from me!"

With that, his body exuded an enormous wave of spiritual energy. At that point, he was using up all the spiritual energy he had left.

Soon, a force field of around a few meters square wide emerged around Jared, forcing the spring water outside the force field.

With the water now gone, the humanoid monster was starting to panic. "You b*stard! What do you think you're doing? The Dragonslayer Sword is mine! I hid it here with me because I was hurt. How could you just take it away from me?"

"Since I found it, doesn't that mean I have a fate with the magic sword? Besides, how could you keep such a good magic sword to yourself?" Jared chuckled coldly.

By then, there wasn't any water left inside the force field. Without it, the humanoid monster would not be able to resurrect again.

"How dare you take my sword? I'm going to kill you!" the humanoid monster roared angrily and swung his sword toward Jared.

In response, Jared threw a punch at it. The force field instantly absorbed all the water droplets, and the monster was never seen again.

Jared was overjoyed upon seeing that. He then walked toward the Dragonslayer Sword.

As he was approaching it, a buzzing sound could be heard coming from the Dragonslayer Sword. The sword was shaking on its own. It seemed like it was reacting to Jared.

To his surprise, he was blown away by an invisible force when he tried to grab the Dragonslayer Sword.

What's going on? Isn't the humanoid monster gone already? Why can't I pull the sword out? Jared furrowed his brows.

He stared at the Dragonslayer Sword for a while before recalling something in his mind. He then bit his finger and dripped a drop of his blood onto the Dragonslayer Sword.

Buzz!

Suddenly, the Dragonslayer Sword started to vibrate violently. After absorbing the droplet of blood, the sword instantly turned into a shade of red.

Bang!

A loud and powerful explosion sent Jared flying away. At the same time, his force field was shattered instantly.

Just when he was trying to get up from the ground, he saw the Dragonslayer Sword flying toward him rapidly.

He reached out his hand and grabbed the fast-approaching Dragonslayer Sword. The moment he came into contact with the sword, he could feel the connection between himself and the blade.

Very quickly, Jared saw the blood in his body began to flow through the sword in his palm. It was as if the Dragonslayer Sword had become part of his body.

Slowly, the Dragonslayer Sword began to fade away before vanishing from sight.

Despite not being able to see it, Jared could still feel the Dragonslayer Sword in his hand.

As for the spiritual energy he had supposedly used up, he suddenly felt his elixir field being replenished again.

Have I become one with the sword?

What that thought in mind, the Dragonslayer Sword suddenly showed itself in Jared's palm again.

Jared was over the moon. What an incredible magic sword this is! Now, I can kill the Martial Arts Grandmaster with ease!

Swish!

In the blink of an eye, the spring water gushed into the pocket of space where the sword was placed. Within seconds, there wasn't a drop of water left in the spring.

Jared looked up and leaped his way out of the spring. All he saw was a piece of dry land when he looked down.

At the same time, Emphyrean Sect's spiritual energy had disappeared. No matter how hard Jared tried to seek it, he could only feel the usual thin layer of spiritual energy in the air. It seems like the Emphyrean Sect's spiritual energy was only present because of the Dragonslayer Sword's existence.
