

Chapter 991

So they could only put their hopes on Tom.

Tom was the best choice for them.

After all, Tom was not only powerful but also had the Great Momentum of H Country. As long as he did not die young, he would definitely become one of the Strong.

And Tom had no ambition and was not a member of the Clan World. They wouldn't need to worry that the Nüwa Sect would be taken over when they got Tom in as a member.

They thought that if the overlord personally offered to be his partner, no

sane man would say no.

But Tom's reaction was far beyond their expectations.

When they learned from Cyrus that Tom had rejected her outright, they were all stunned and thought it was impossible.

How could anyone in this world say no to Cyrus?

After all, Cyrus was a famous beauty in the Clan World. Even among the four Clans, not many people could match Cyrus in terms of appearance!

So their first reaction was to think that Tom was definitely not a straight man because only a gay man would be able to decline Cyrus!

Whitney was the first to speak.
"Overlord, this guy must be a eunuch! I can't believe that he rejected your offer to be his partner!"

She was astonished. If she had suggested it and Tom had rejected it, then it would have been fine. It was normal. After all, she was not as good as Cyrus in terms of Charm Magic and appearance.

However, it was Cyrus. No straight man would hesitate to say yes!

The other female disciples also began to talk.

"Yes, overlord, are you mistaken? This guy can't be into women, right?"

"I heard that in their Secular World, there are many men with different sexual orientations who like to be with the same sex. I think this Tom should be one of them."

"yes, for sure. Judging from his appearance, I didn't expect him to be gay "

"He said no to our overlord. What else can he be?"

"Then what should we do? Are we really going to send ten sisters to the Sun & Moon God Sect, to those monsters? God knows what would they do to them."

"Ah... Lord Ross is not strong enough for Asura. He hasn't broken through to

the God Becoming Level yet. We wouldn't be able to resisit Sun & Moon God Sect."

As they spoke, they all felt uncomfortable and terrified.

Cyrus shook her head and said, "Tom is not gay. He is different from other men. He is very determined and loyal to his wife. He said he won't betray her."

Hearing this, the others were stunned. Obviously, they did not expect such a man to exist in the world.

Whitney bit her lip and said, "Master, what should we do? In three days, the Sun & Moon God Sect will send someone over. What shall we do to deal with them?"

Cyrus's eyes flashed with sadness, but soon she became firm again and she said, "Our Nüwa Sect has been bullied enough by the Sun & Moon God Sect! We won't sacrifice our disciples this time! We shall fight back. Better death than dishonor."

There was determination in her eyes, which encouraged the other female disciples. They nodded, indicating that they could not tolerate it any longer and would fight with the Sun & Moon God Sect, even at the cost of their lives.

Soon, Cyrus ordered, "Call Xander back."

"Yes, Overlord!"

...

After dinner, Tom stayed at the Nüwa Sect for the night.

At dinner time, he felt that the sadness and determination of the entire Nüwa Sect.

Tom was not stupid. He immediately guessed that the Nüwa Sect had offended some big shots and was about to be retaliated.

He had nothing to do with the Nüwa Sect and naturally would not get himself involved.

So he planned to leave tomorrow morning.

That night, in a deserted place in Country M, near the crater, there was a young man with long hair sitting

cross-legged. He was surrounded by high temperatures. If an ordinary person stayed there for more than ten seconds, he would be in danger of suffocating. But this young man stayed here for a long time, and there was no problem at all.

He sat there like a statue, unmoving, and one could tell that he was one of the Strong.

Suddenly, a device rang in his pocket. He took it out to take a look and answered, "What's the matter?"

"Lord Ross, something bad has happened. The overlord had offered to be partners with a man from the Secular World to offset the burning of the fire of karma and to get that man in

already at the foot of the mountain,
and his speed was extremely fast.

And he was the strongest in the Nüwa
Sect, and also Cyrus's brother of the
same sect, Xander, the only man in
Nüwa Sect.

In the past, he was ranked eleventh on
the List of Immortals, and he could step
on the list at any time. He was a real
somebody!

...

Early the next morning, while Tom was
still meditating, he suddenly heard
footsteps coming from afar, and they
were extremely fast, coming straight in
his direction!

And there was also a sense of hostility,

the sect!"

"What?!" When the young man heard this, he immediately opened his eyes. A hint of fierceness flashed in his eyes
"Who is this man?"

"This man's name is Tom. He's the one from H Country who made the List of Immortals a few days ago and took down the Fire Sickle."

"Okay, I got it. I'll be right back."

After turning off the device, the young man suddenly stood up. Anger and jealousy glinted in his eyes. "A man from the Secular World dares to lure my overlord. He can only get death!"

After saying this, he disappeared. And when he appeared again, he was

which made him immediately open his eyes and his eyes flashed with some doubts. Strange, why would anyone in the Nüwa Sect hold such hostility against him?

Soon, the footsteps reached the door, but the man didn't break in immediately. Instead, he knocked on the door. Then a voice came from outside. "Xander from Nüwa Sect. Mr. Howard, please come out."

Xander?

Tom was a little confused when he heard the name.

Didn't they say that most of the Nüwa Sect were female disciples? What was the matter with this Xander?

However, before he could respond, the door was pushed open and a long-haired man came in.

This man was extremely handsome like a man walking out of a painting. He was many times more handsome than an ordinary man like Tom.

Chapter 992

"Are you looking for me?"

Tom stood up and said calmly.

They were looking at each other.

Tom soon found that the handsome man in front of him was at Half-step God Becoming Level. So things became interesting.

In fact, he had seen the masters of the Major Perfection Realm of Innate Realm and at God Becoming Level, but it was the first time he had seen a man at Half-step God Becoming Level.

And his breath was hot, which showed that he had the attribute of fire. Like a fireball, as long as others got close to

him, he could make others feel hot and evaporate the water in their bodies.

It was the first time he had met such a master, and he felt the situation interesting.

The man was also looking at him. After walking in, he said, "Are you Tom who made the tenth place on the List of Immortals?"

"Right." Tom nodded. "Why are you looking for me?"

Of course, Tom would not be friendly to the man who was hostile to him. If People treated him with respect, he would treat them with respect too. But if he was disrespected, he would repay what he had got.

The handsome man in front of him was very rude and even hostile to him.

Xander said, "I'm here to inform you that you should leave Nüwa Sect now. You're not allowed to meddle."

After saying this, he turned around and left.

He was arrogant and domineering, which showed that he did not take Tom seriously at all, as if Tom was just one of his men.

Tom immediately frowned. As the Strong at Half-step God Becoming Level and a higher-up of H Country, how could he be calm after he had been despised?

In fact, he had no interest in the Nüwa

Sect and was ready to leave after telling Cyrus at dawn.

However, Xander was being arrogant towards him, so if he didn't pay him back, he would become a coward.

So he smiled indifferently, "What if I say no?"

As soon as he finished, the temperature in the room began to rise rapidly, as if in an instant, they were in flames.

Of course, it was something spiritual, not the real flames.

However, that was terrifying. Even Tom could feel the heat. If there was an ordinary person, they would be 'scalded', and even be brain dead!

He could tell that Xander was very powerful.

Tom soon had a guess. In his opinion, Xander should have been cultivating near the volcano for a long time.

Xander stopped and did not look back. Instead, he said in a very cold tone, "Are you provoking me?"

Tom also smiled. "It depends on how you consider it."

Xander turned around with a half-smile on his face. He said, "That's interesting. I was going to defeat the Invincible fighter Fire Sickle so that I could be on the List of Immortals forcefully. I didn't expect you, a mortal in the secular world, to kill him. Since

that's the case, I might as well kill you and replace you."

After he finished speaking, he disappeared. His speed was so fast that even a master of Major Perfection Realm of Innate Realm could hardly see him.

But of course Tom could see him clearly.

He narrowed his eyes slightly. Almost as Xander made his move, he also moved. He took a step back with his right foot, dodged Xander's attack, and then launched a counterattack.

It had to be said that although this Xander was very arrogant, he was very powerful. It could be said that in

addition to the masters at God Becoming Level, he was Tom's most powerful rival.

As soon as they fought, a strong impact erupted from the middle of them, directly overturning the wooden house with a bang.

Before the house collapsed, two figures rushed out at an extremely fast speed, like two lightning bolts.

By the time they rushed out, they had already made more than a hundred moves. They were making terrifying sounds.

And others around them were shocked and then came over.

"What's going on? Are these bastards

of the Sun & Moon God Sect here?!"

"Let's take a look!"

"Oh my god, there are great breathes colliding. Could it be that Asura was here?"

"Then we'll be doomed. Will Nüwa Sect really be wiped out?!"

Many female disciples of the Nüwa Sect thought that the Sun & Moon God Sect had come here. They were all howling in a panic.

But two of them found they were Tom and Xander. They were stunned for a moment, then quickly screamed, "Look! They were not the men of Sun & Moon God Sect, but Tom and Master Ross!"

"What? Let me see..."

"It's true..."

"Strange. Why are they fighting?"

They found that Tom and Xander were fighting, and they were relaxed. But they also felt very strange. Why did Tom and Xander fight?

And the damage caused by them was huge. It wouldn't take long for them to flatten this place.

During this short time, Tom and Xander had already done thousands of moves. Their speed was extremely fast. Even other masters of Innate Realm could not see their tracks clearly. They were terrifying.

Cyrus finally arrived. When she saw the scene, she immediately frowned and rushed over. "Stop!"

Seeing Cyrus, Tom stopped, so she would not be embarrassed.

In fact, he had no grudges with Xander, and there was no need to kill him. Through the fight, he could see that although Xander was also at Half-step God Becoming Level, he was not his match. He could defeat him very quickly if he wanted to.

However, Xander was from the Nüwa Sect, and he was their guest, so he couldn't embarrass the Nüwa Sect.

However, Xander did not stop. Instead, he increased his strength and launched

a more fierce attack on him, which made him a little angry.

Cyrus had already rushed over. Xander accidentally slapped Cyrus, and she spat out a mouthful of blood, about to fall off the cliff. Fortunately, Tom held her in the air in time.

Chapter 993

As soon as Tom touched Cyrus, he immediately felt that her slender waist was soft. She had the best figure of all the women he had ever met.

This was normal. After all, Cyrus was a Half-step God Becoming Level expert, and her body shape was way better than ordinary people.

However, he immediately felt that she had suffered a serious injury after being slapped, and her breath was much weaker.

"Senior sister!!"

Xander didn't expect that he could hit Cyrus, and immediately cried out in

panic. At the same time, he rushed towards Tom, trying to take her back from Tom's arms.

Tom's eyes flashed with coldness. He had been patient to him just now and did not want to defeat him, but Xander did not appreciate it at all, and wanted to kill him. Tom now was irritated!

He couldn't stand it. He then snorted coldly. Facing Xander's attack, he no longer showed mercy this time, but hugged Cyrus with one hand, then punched out with his right fist.

With a bang, his speed was so fast that no one could see how he moved clearly.

This speed was one thing. The most

important thing was that the power of Tom's punch condensed all of his power, and it was huge.

He was already angry and decided to teach Xander a lesson!

Xander frowned. In Tom's punch, he immediately felt an unprecedented pressure, knowing that this punch was powerful!

In an instant, he held his breath, his muscles tensed to the extreme, and then condense all his strength on his right hand to confront Tom.

Although he could feel the power of Tom's punch, he was not afraid. He even had the idea of competing with Tom.

He had absolute confidence in himself. He did believe that he could defeat Tom with all of his strength!

In an instant, his fists collided with Tom's.

Then, just like Mars hitting Earth, Tom only took two steps back and stopped. The ground beneath his feet cracked.

He was holding Cyrus, they were now standing on the edge of the cliff. The next second, the ground under his feet cracked, and both of them fell from the cliff.

Cyrus's heart skipped a beat.

However, at this moment, Tom did not panic at all. He stepped on a big rock under his feet, which had fallen rapidly.

With the reaction force, Tom, on the other hand, took Cyrus up into the sky and stood steadily on the ground.

His movements were smooth, which could be said to be neat and beautiful.

At the same time, Xander was no match for Tom after fighting with him.

There was an invisible destructive force that spread through his right fist to his body, and the force was extremely strong, tearing his sleeves and damaged his muscles!

His strength could not compete with Tom's at all. He staggered back and took a full ten steps to stabilize his body. Then, a burst of blood gushed out of his throat.

He was injured. Tom's punch forced him back and hurt him!

Moreover, Tom was still on the edge of the cliff, with Cyrus in his arms. In such case, he could still severely injure him. It was conceivable how strong Tom was!

At this time, many female Nüwa Sect disciples rushed up after hearing the noise. When they saw this scene, their eyes widened in shock. It was hard to believe that such a powerful Lord Ross actually lost completely!

At this moment, they all understood why the overlord Cyrus would rather give up Xander and wanted dual cultivation with Tom. Because his strength was indeed above Xander's.

On the other hand, Xander also came back to his senses. He looked up at Tom, who was calm and expressionless. He was shocked and his face was pale.

He lost, and the gap between their strength was large.

In an instant, he felt very discouraged. He had worked so hard for so long, and he was so talented, but there were too many geniuses in this world, now he lost to another talent!

If he was the pride of the four Clans, then Tom was a super genius that was rarely seen in thousands of years. He felt inferior!

But!

Tom was just a mortal. He was so young but he had already surpassed Xander. This was really hard for Xander to accept.

Cyrus was also a little surprised, but she quickly regained her composure, because this was actually an expected thing for her.

After all, Tom was a powerful man who could kill a large number of Sun & Moon God Sect masters on his own, and he also ranked on the List of Immortals. In this case, Xander was indeed no match with Tom.

Now that she was held in Tom's arms and smelled the hormones coming from him, her heart beat faster and her face turned a lot redder.

She had just been injured, and the hellfire was even more serious. Her body temperature suddenly rose a lot, and she was difficult to breathe.

Her eyes became blurred.

Tom soon noticed her abnormality and said in a low voice, "Overlord, you're injured. Your breath is very disordered."

Cyrus looked a little scary now. Her face turned red, and the body temperature was changing constantly.

Most importantly, she had been slapped by Xander just now and suffered a new injury, which affected her old injury and made the hellfire burned even more seriously within her.

Knowing her current situation, she forced a smile and said, "Tom, I'm sorry. My junior brother Xander doesn't know the rules and has caused you trouble. Please forgive him."

Hearing this, Tom let out a long sigh. He was indeed a little angry with Xander, but now, hearing her words, how could he be angry? He nodded and said, "Don't worry, overlord. I won't take it to heart."

"Thank you." She smiled with relief and began to cough.

Chapter 994

"Overlord, are you okay?"

Tom immediately asked with concern. He wanted to let go of Cyrus. After all, she was female and the overlord of the Nüwa Sect.

But now that she was seriously injured and couldn't even stand still, he thought it better not to let go of her for a moment.

Xander saw his beloved senior sister nestling in Tom's arms. His eyes were filled with anger and jealousy. He immediately rushed over and asked anxiously, "Overlord! Are you okay?"

When other female disciples saw that

Cyrus was injured, they immediately rushed over and surrounded her.

"Is overlord injured?"

"Oh, no, her condition is not good!"

"And the fire is burning even more fiercely. If it's going worse, she will be in danger!"

"What should we do now? The Sun & Moon God Sect will be coming soon. Now that overlord is in trouble, what can we do to fight against the Sun & Moon God Sect..."

"Is Nüwa Sect doomed to die away?"

For a moment, many female disciples were bewildered with grief.

Tom tended to feel sorry for young and beautiful women who were at a loss.

He could feel that although they practiced Charm Magic to seduce men, they were nice people. Moreover, most of the female disciples in this sect were innocent girls, and the Sun & Moon God Sect filled them with dread.

To be honest, Tom didn't want to have too much to do with Nüwa Sect, but now he couldn't bear it.

He was not related to it and could have walked away. The Nüwa Sect had nothing to do with him.

However, as soon as he left, the Nüwa Sect would be at the mercy of the Sun & Moon God Sect, including these

female disciples, and their ending would be extremely miserable.

Cyrus, as the overlord would, would end up in humiliation for the rest of her life.

At the thought of this, Tom sighed and realized that he was too kind to turn a deaf ear to them.

Sometimes he didn't know whether this was his weakness or his strength.

Cyrus coughed again. It was obvious that she was in a bad condition. Not to mention Asura, even an ordinary expert of Innate Realm could easily defeat her.

And without Cyrus, Xander wouldn't be able to resist the Sun & Moon God

Sect alone.

Besides, Xander was injured by him just now.

Thinking of this, Tom found himself in a dilemma. He couldn't just walk away.

He sighed in his heart.

He decided to stay.

Anyway, he had feuded with the Saint Abbey, and the Sun & Moon God Sect would never let him go.

Since there would be a war between him and Asura sooner or later, he might as well fight with Asura in advance and help the Sun & Moon God Sect solve the problems.

Xander gritted his teeth and said, "Don't worry, everyone. With me here, I will protect you from being hurt by those Sun & Moon God Sect beasts!"

He said this with great force and made the decision to fight the Sun & Moon God Sect to death.

His words impressed Tom. Xander was very arrogant but he had courage and conscience.

However, Cyrus shook her head and said, "Xander, you haven't broken through to the God Becoming Level yet. You're no match for Asura. You can't fight with Asura, or else you will die."

Unconvinced, Xander said, "I don't

think so! I heard that Asura fought with a God Becoming Level expert in the secular world a while ago and was injured. Now that I have achieved great achievements, Asura may be no match for me!"

"Really?" Cyrus glanced at Tom beside him, meaning that Xander couldn't even beat him.

Suddenly, Xander's face turned red with embarrassment.

But he quickly regained his composure and said, "Anyway, I can't abandon the Nüwa Sect!"

Tom remained silent.

Cyrus was a little disappointed, but it was as she expected. She took a deep

breath and said with firm eyes, "I made a decision."

Everyone looked at her without saying a word.

At this time, Cyrus's aura changed, and she had the authority of the sect master.

"The Sun & Moon God Sect will definitely be here in advance. Maybe they'll be here by tomorrow! And Asura will be there in person. By then, they probably want the whole Nüwa Sect instead of ten female disciples!"

After hearing Cyrus's words, fear and panic showed in all the female disciples' eyes.

Even Xander's eyes widened and

flashed with fear.

Although he was so confident just now, deep down, he was afraid of the Sun & Moon God Sect, especially the Bishop, Asura. At the same time, he knew that he was no match for him, even if Asura was injured.

Cyrus paused and said, "So the decision is to leave the Nüwa Sect immediately and run as far as you can!"

Upon hearing her words, everyone was immediately stunned in bewilderment.

"Overlord, what do you mean? Do you want us to move?"

"However, the Sun & Moon God Sect is determined to destroy us. They'll find us sooner or later."

"Yes, the Sun & Moon God Sect has spies all over the world. Where can we hide?"

They were all confused.

At this time, Cyrus added, "I mean, the Nüwa Sect will be disbanded, and you will no longer be a disciple of the Nüwa Sect! I want you to become ordinary people, and there will be no Nüwa Sect so that you can escape from the Sun & Moon God Sect!"

A sudden silence fell. Everyone looked at Cyrus in a daze, unable to react for a moment.

The overlord was going to disband Nüwa Sect?

It meant they were being exterminated?

Not to mention them, even Tom was surprised after listening.

However, he soon understood what Cyrus meant and could not help but respect her.

Chapter 995

Indeed, easier said than done.

Moreover, as was the head of the Nüwa Sect, the leader, Cyrus must have gone through much turning and struggling to say that.

The decision she made meant that she was the sinner of all the previous Nüwa Sect sects. How could she face her ancestors?

So Tom could clearly see how pained Cyrus was when she said that, but she tried to keep her composure.

At this time, she had no choice. If she did not disband the Nüwa Sect, then the Nüwa Sect would end up a

subsidiary of the Sun & Moon God Sect, a torture toy!

It was better to dissolve the Nüwa Sect!

At this moment, Tom was touched, impressed by Cyrus. He did not expect her, a woman, to be so decisive.

The other female disciples were also stunned, surprised by Cyrus's words. For a moment, they did not know what to say.

Xander was stunned for a moment, then immediately came back to his senses. He shook his head and said, "I don't agree! The Nüwa Sect has been established for more than 300 years. How can it be disbanded!"

"Yes, overlord, if the Nüwa Sect is disbanded, how can we face our ancestors?"

"Overlord, I don't agree. This is going too far! I am a member of the Nüwa Sect in my life, and I will always be!"

"That's right. Without Nüwa Sect, there would be no us today. The Nüwa Sect is our home, our root! We would never give up on it!"

They all reacted strongly and refused to disband the Nüwa Sect.

At this time, Cyrus said coldly, "If we don't disband the Nüwa Sect, all of us will die. Have you ever thought about it? The Sun & Moon God Sect is about to attack us. Asura will definitely be

involved this time. Have you ever thought about the consequences if we don't run away? At that time, all of us will be at the mercy of those beasts in the Sun & Moon God Sect. We'd better die than. You know what happened to those female disciples before!"

What Cyrus said made sense and everyone fell into a short contemplation. They did remember the horror of the Sun & Moon God Sect. If they stayed here and waited for them, they would end up as those female disciples.

But they couldn't bear to disband the Nüwa Sect!

Xander gritted his teeth and said, "Better to die in glory than live in

dishonor! Even if we all die in battle, we will never give in to the Sun & Moon God Sect!"

His words inspired the other female disciples, and they all cheered up, shouting with their hands clenched, "Xander is right. Better to die in glory than live in dishonor. We're ready to drag them down with us!"

For a moment, the resolute aura came from them was impressing.

However, Cyrus shook her head and said coldly, "You should feel sorry if that's your plan! You are going to bury all the kindling of the Nüwa Sect! As it said, where there is life there is hope. As long as you guys survived, anyone who is able to step into the God

Becoming Level in the future can avenge Nüwa Sect! At that time, the Nüwa Sect will be reborn!"

Everyone was moved by what she said. It was true that Cyrus's plan could work. Where there is life there is hope. It was never too late to take revenge. As long as they could find a place to hide and break through to the God Becoming Level, they could take revenge and revive the Nüwa Sect!

Cyrus waved her hand and said in an commanding tone, "Okay, I've made up my mind. You guys pack up and leave immediately. Find a place to hide and try to break through to the God Becoming Level to avenge the God Becoming Level!"

Finally, Whitney found a key message in her words. She stood up, stared at Cyrus, and said, "Master! What do you mean by that? What do you mean by we pack up and leave? What about you?"

This time, the others also realized that something was wrong. The determination on Cyrus's face showed that she did not intend to leave with them!

Cyrus's eyes flashed with sadness, then he said calmly, "As the overlord of the Nüwa Sect, I'm supposed to share life and death with Nüwa Sect. But you are different. You are disciples and the flame of the Nüwa Sect. There is no need to stay. Besides, with Asura's character, if he hadn't seen me

Nüwa Sect! I'd rather die than!"

"Overlord..."

They all surrounded Cyrus in groups, unwilling to leave.

Xander had not finished speaking, but the deep feelings in his eyes revealed that he would not leave. Even if he died, he would die with Nüwa Sect.

To be honest, when Tom saw this, he was stunned and deeply touched.

He could see that they showed no fear in front of death. The entire Nüwa Sect stuck together.

Originally, the Clan World was not to his likings, but now the Nüwa Sect had altered his view.

personally, he would not have believed that the Nüwa Sect had been disbanded..."

"I disagree!!"

Before she could finish her sentence, Whitney interrupted her excitedly.

Not only her, but all the other female disciples showed a strong rejection. With red eyes, they fixed their eyes on Cyrus. "We don't agree either!" said they in unison.

"Let's leave together! Overlord, we will never leave you alone to die!"

"Yes! If you don't leave, then we won't leave either. We'll die together!"

"You saved my life. It was given by the

He was filled with admiration, sympathy for the Nüwa Sect, and he wanted to get close to it.

He closed his eyes and felt a different aura condensing in his heart. It was about the sect, dignity, protection, and the meaning beyond life...

Vaguely, he seemed to have caught something.

But it was hard to find, profound and mysterious.

Chapter 996

"Enough!"

Cyrus yelled.

Now her face was frosty and authoritative. She didn't appear easy-going and charming.

When she became dignified, the female disciples still respected her and did not dare to speak.

Then Cyrus continued, "It is an order. I'm not discussing it with you."

Everyone shook and panicked when they heard her words.

"Overlord, you can't do this. We can't do anything to abandon you..."

"Yes, overlord. If you want us to leave, please go with us. If you stay, you will be tortured to death by those beasts of the Sun & Moon God Sect!"

"Overlord, you saved my life before, I will never abandon you and leave alone..."

Many of them shed tears anxiously, and they also expressed that they would not abandon Cyrus and want to be with Cyrus no matter to live or die.

It was admirable that just a small Nüwa Sect had such cohesion, and they were all women, which surprised Tom.

Cyrus was also deeply moved, and she was almost about to cry. Her eyes flashed with pain and emotion, but she

still said firmly, "Get out! Get out of here! Don't cry here. It's not proper. You've humiliated our Nüwa Sect!!"

After that, she turned around and secretly wiped her tears.

But how could she deceive others with such a cover-up? It made others even more reluctant to leave.

Xander took a step forward and said firmly, "Senior sister, I won't leave! You saved my life. If it weren't for you, I would have died long ago. Now you want me to abandon you and survive. I'm sorry, I can't do it!"

His words were loud and serious. He wasn't joking.

The other female disciples also

expressed their intention to stay with Cyrus.

Cyrus bit her lips tightly, and she became more tormented and uncomfortable.

However, no matter how hard it was, she still had to make a decision!

She took a deep breath, then her eyes were resolute and she said angrily, "Do you still treat me as your overlord in your heart? Hmmm? Let me ask you, do you still think I'm your overlord?!"

Her words were extremely dignified and serious. It was obvious that she meant it, which made others feel awestruck.

Then she said, "I'll tell you one last

time. This is an order, not a discussion!
Now, get out of here right away, or
else, you will no longer be my Nüwa
Sect disciple and will be expelled by
me!!"

It was silent.

No one spoke.

Everyone could tell that Cyrus was
being serious.

Moreover, everyone knew Cyrus's
style. Once she made a decision, she
definitely wouldn't change it.

In fact, they also understood that
Cyrus's arrangement was the best, and
only in this way could the Nüwa Sect
be preserved.

However, this process was really too difficult for them. It was torture!

Cyrus then said to Xander, "Junior brother, I watched you grow up, and you are also my favorite disciple. In the future, the Nüwa Sect will be handed over to you. Before you break through to the God Becoming Level, you must not seek revenge on the Sun & Moon God Sect or let others know about the Nüwa Sect's whereabouts! You must live with all our disciples, understand?!"

Xander's eyes were red and he clenched his fists. He was trembling in excitement.

"Senior sister! I want to die with you! I won't..."

However, before he could finish speaking, Cyrus slapped him in the face and hit him hard, accompanied by Cyrus's scolding voice, "Shut up! Do you still respect me in your heart? I brought you up and I'm just like your mother, and you don't even listen to me?"

Xander cried. He looked at Cyrus for almost a minute, and all the words were exchanged between their eyes. Finally, he shed tears, nodded with great difficulty, and his voice became hoarse. "Okay, senior sister, I promise you!"

After speaking, he resolutely turned around, walked to the other side, and squatted down. His shoulders were

trembling. Obviously, he was crying.

The other female disciples also burst into tears.

They obeyed Cyrus's order and decided to leave, leaving Cyrus alone. The pain was severer than death to them.

Cyrus hugged each of them, then smiled and said, "You don't have to cry. I'm giving myself to the Nüwa Sect. This is my home and my best result. I'll leave Nüwa Sect to you. Before you have absolute strength, you must not let others know about the Nüwa Sect. You must hibernate and forget the identity of the Nüwa Sect disciple, okay?"

They couldn't stop weeping.

Cyrus's face turned a lot paler at this time. She was already burned by the punishment fire. She had just got slapped by Xander, which aggravated her injury. Now that she was agitated, the punishment fire burning her became even more intense.

She then bowed slightly to Tom and said with embarrassment on her face, "Tom, I'm sorry to make you see this. I hope you can help me keep the secret, okay?"

Yes, Tom had been standing by the side. As an outsider, he knew everything about the Nüwa Sect.

If he spread the secret of the fake

dissolution of the Nüwa Sect, then the Nüwa Sect would be completely ruined.

All of a sudden, the female disciples became nervous and made a fighting posture.

Xander, who was standing the other side, also reacted. His red eyes, which had been crying, suddenly became sharp. He turned around and stared at Tom!

He was considering whether to kill Tom or not.

Tom saw this and did not say anything.

Cyrus immediately glared them and scolded, "What are you doing? Put down your hostility! Tom is a

gentleman and he won't hurt you!"

When the others heard Cyrus's words, they did not immediately put down their hostility.

Tom smiled and said to Cyrus, "Overlord, why you trust me?"

Hearing this, all the female disciples of the Nüwa Sect became even more nervous.

Cyrus smiled, blinked and said, "Although my realm is not high, I can still tell the strong from the weak."

Tom smiled and was about to say something when suddenly, he felt anything but reassuring. His eyes suddenly sharpened. He looked in a direction and said in a deep voice, "You

can't run away. The Sun & Moon God
Sect is here.."

Chapter 997

"What?!"

Hearing him, they were all terribly shocked.

That was because Sun & Moon God Sect was the Nüwa Sect's mortal enemy!

Over the years, the Nüwa Sect had been bullied a lot. If the men of the Sun & Moon God Sect really came, they wouldn't be able to run away.

But apart from Tom, they didn't feel any sense of them at all. Cyrus's pupils shrank and her scalp tingled. "What? They are coming? Where are they?!"

Even Xander didn't feel the breath of

the men of the Sun & Moon God Sect. He frowned at Tom, thinking that Tom was deliberately scaring them.

After all, according to the agreed time, the Sun & Moon God Sect would not be here until a few days later.

Why did they come in advance?

Tom did not answer, but looked deeply ahead and continued to say in a deep voice, "Asura is coming too. You can't run away at all. Get ready to fight back."

Now everyone was even more nervous and panicked. If Asura of the Sun & Moon God Sect came over, then they really had no chance to escape!!

"Nonsense, the Sun & Moon God

Sect..."

Xander still could not sense Asura's breath. Just as he was about to refute Tom, suddenly he saw a black, tall figure rushing from the other side of the mountain at an extremely fast speed.

It was Asura!

In an instant, Xander's pupils constricted and he even forgot to breathe.

It was really Asura. He finally felt Asura's terrifying aura.

Moreover, besides Asura, there were also hundreds of men of the Sun & Moon God Sect, and all of them were extremely great masters of Innate

Realm!

They could kill totally wipe out the Nüwa Sect.

Even though Xander was a very proud man, he couldn't help but be afraid and trembling when seeing them.

Sun & Moon God Sect was their deadly enemy. Asura, the Bishop of the Sun & Moon God Sect, was a top master at First Rank of God Becoming Level. It could be said that they were the Nüwa Sect's nightmare!

No matter how confident Xander was, he didn't think he could defeat Asura.

The truth was that as long as Asura came here, he did not even have the chance to escape.

He was scared. He was really afraid. It seemed that he had seen his death and the wipeout of the Nüwa Sect!

And the other female disciples were even more frightened. They were all as pale as ghosts.

"The Sun & Moon God Sect, they're really coming..."

"We're doomed. They are here to wipe us out!"

"Even Asura is coming here. We can't even run away."

"I don't want to be a toy of the Sun & Moon God Sect. I don't want to die..."

"What should we do? Who can save

us? "

At this moment, they were all in panic.

Whitney was calmer than them since she didn't cry, but the fear and despair in her eyes could not be concealed.

She clenched her fists, thinking that she was doomed.

Asura was a master at the God Becoming Level, and the Nüwa Sect did not even have one master at the God Becoming Level. The most powerful ones among them were Cyrus and Xander.

However, Cyrus was injured, and she couldn't exert half of her strength. While Xander didn't even make himself appear on the List of Immortals, so he

was not a match for Asura at all.

And there were so many masters of Innate Realm besides Asura!

They could tell that most of the elites of the Sun & Moon God Sect had come here. They were prepared to annex the Nüwa Sect.

But once they were captured by them, what awaited them was a terrible life, which would make them rather die.

How could they not be afraid? How could they not be frightened?

Cyrus's body was trembling. She realized that Asura personally came here to make the Nüwa Sect completely a subsidiary of him.

She couldn't accept that.

Trembling, she spat out a mouthful of blood. She was staggering and closed her eyes in despair. "Will we be wiped out? I can't accept that! I can't accept that!"

Tom sighed. He did not expect to encounter such a situation. There were so many twists and turns.

But he couldn't just watch them be defeated.

"Run, run!!!"

Cyrus immediately reacted and roared hysterically.

The others finally came to their senses and immediately ran away.

Xander bit his lips tightly. Although he was afraid, he did not run away. Instead, he stood beside Cyrus and wanted to fight with Cyrus against the Sun and Moon Sect.

It made Tom thought much highly of him.

"Want to run? Can you run away?"

However, not long after these female disciples ran away, Asura arrived. When he saw them, he snorted to show his disdain.

Then, he made a gesture, and immediately, from all directions, a lot of men of the Sun & Moon God Sect came out to catch these female disciples who were about to escape.

With lewd eyes, they were staring at the female disciples as if they were naked lamb and the meat on the chopping board.

When the female disciples saw their eyes, they were even more desperate.

"It's true that all the disciples of Nuwa are beautiful and charming."

"They are great beauties! I heard that their Charm Magic is excellent. Sleeping with them is a blessing..."

"I've been celibate for a long time. I would have a good time. Hahaha..."

"Listen, these two are mine!"

Their coveting for these female

disciples could be clearly seen in their lewd eyes.

Indeed, there were no ugly women in the Nüwa Sect. All of them were beautiful women with excellent temperaments who had practiced Charm Magic. So men could help being seduced by them.

It could be imaginable what would happen to them once they fell into those men's hands.

Chapter 998

Cyrus was the overlord after all. She had her responsibility. She took a deep breath, stood up, and said to Asura, "Bishop Asura, may I ask what you are doing to come to the Nüwa Sect so aggressively?"

It had to be said that she was still very responsible, and could remain calm at this time. Without the careful look, no one would notice she was angry and nervous.

Asura did not speak immediately, but walked towards her with a malicious smile on his face.

He was very tall, nearly two meters tall, and he looked very scary, just like

the devil who crawled out of hell, emitting a terrifying aura.

The smile on his face was especially frightening.

"Cyrus, you're playing dumb with me?" He said with a faint smile, which made people feel scared.

With his terrifying aura, she couldn't help but fear and swallow. If she hadn't been determined enough, she would have shown her dread now.

Cyrus frowned and said, "Bishop Asura, I don't understand what you mean."

The smile on his face was even evil, and he approached her, staring at her. The covetousness and greed in his eyes

were visible, as if he was about to swallow her into his stomach.

In particular, his gaze was fixed at her body, which made her feel as if he was going to undress her. This feeling was extremely uncomfortable.

Xander couldn't help it. He stood up in front of Cyrus and stared at Asura with hostility. He said rudely, "Stop there! Asura, what do you want?!"

Only then did Asura put his gaze on Xander, showing a disdainful smile. He said, "You are the only male disciple in the Nüwa Sect, that so-called genius?"

Xander straightened his back, his face full of pride, and said, "Exactly!"

But then, Asura's words immediately

made him feel uncomfortable. "I don't think so much of a genius."

"You!!" Xander was instantly enraged. His eyes widened and he stared at him unhappily. He clenched his fists like an angry kitten.

However, his anger could not scare Asura at all. Instead, it made Asura even more disdainful. "Fuck off!"

Xander wanted to attack him, but Cyrus immediately stopped him. Then she took a step forward and said to Asura, "According to the agreement, there are still three days before we give you the tribute girls. What are you doing here now?"

Asura smiled. "I'm sorry, I don't wanna

subsidiary of your Sun & Moon God Sect!"

The other female disciples of the Nüwa Sect were also furious.

But Asura didn't take him seriously at all. He just sneered disdainfully and said, "I'm not asking for your opinion, I'm just informing you."

His tone was flat but resolute, as if he wouldn't accept 'no' as answer.

Cyrus was also angry, but she still did not lose her mind. She stared at Asura and said, "Asura! Our Nüwa Sect has never offended your Sun & Moon God Sect. Why can't you spare us this time?"

Asura just flicked his fingers and said

wait. I want your Nüwa Sect to pay tribute now. Besides, I need more than ten female disciples this time. I want your entire Nüwa Sect and you, the overlord."

After saying that, he raised an evil smile and reached out to touch Cyrus's chin, full of teasing.

His words immediately stirred up her fear!

The thing that worried her the most happened. Sure enough, Asura came for the whole Nüwa Sect this time!

Xander was immediately enraged. His eyes widened in anger, and he was furious. He cursed angrily, "Don't think about it! Our Nüwa Sect won't be a

disdainfully, "Because I don't want to. That's all."

These words angered all the Nüwa Sect people. Xander was so angry that he couldn't help but attack Asura fiercely.

"You go to hell!!!"

He struck as fast as lightning, so fast that not even an Innate Realm expert could see him clearly.

And their distance was so close. With a blank, Xander's fist appeared in front of Asura and ran straight to his vital point. Once Asura was hit, even if he was a God Becoming Level expert, he would be seriously injured!

Xander was confident in his move.

Although he was in the Half-step God Becoming Level, if he fought him openly, he was definitely not match with Asura. However, he was secretly attacking now, and at such a short distance, he did not believe that Asura could dodge.

However, he still underestimated Asura.

Almost as soon as he started moving, Asura had already fought back, and his speed was extremely fast as well. He took a step back and dodged Xander's punch. Then he kicked at Xander's waist at the same time, with the speed faster than him!

Moreover, the angle of his kick was

force.

He let out a scream and flew out.

The worst part was that his knee was broken from the kick.

"An ant tries to shake a tree! You are simply overreaching yourself."

Asura kicked Xander away with a disdainful smile.

"Xander!!"

When Cyrus saw this scene, her eyes were full of worry. She immediately rushed to him. She held him up and asked with concern and nervousness, "Xander, how are you? Are you okay?"

His face was pale, grimacing. He was

extremely tricky. Xander could not avoid it and could only block it.

Xander felt the hurt from this kick, and his scalp went numb instantly. and goosefleshed!

No way!

He screamed in his heart, and then made the most correct reaction in a second.

He hurriedly withdrew his fist and raised his knee to block his kick.

Unfortunately, he underestimated Asura's power.

When he was kicked, he felt as if he had been hit by a high-speed train. He couldn't stand this strong collision

obviously suffering from intense pain.

"Senior sister, I'm sorry, I couldn't protect the Nüwa Sect..." He felt so guilty and pained that tears welled up in his eyes.

Chapter 999

Seeing this, Cyrus also shed tears in pain. As the overlord of the Nüwa Sect, she could not shelter the Nüwa Sect. This was the most painful thing in her life.

However, she smiled and whispered to Xander, "Junior brother, you've done enough. Leave the rest to me."

Xander was stunned, for he could not think of what else Cyrus could do to protect the Nüwa Sect at this time.

But Cyrus didn't explain to him. She stood up, took a deep breath, and said to Asura, "Asura, you just want me. Well, I promise you now that I'm willing to be your woman at your disposal, but

"We will protect everything of the Nüwa Sect!"

Full of morale, all the female disciples took out their weapons, with no hesitation to fight the Sun & Moon God Sect to the death, even if they could be killed miserably.

There were flames of anger burning in Xander's eyes. Without any nonsense, he stood up silently and fought alongside Cyrus!

It had to be said that the Nüwa Sect's strength was not good, which did not even have a master of Innate Realm.

However, their courage and character were very admirable.

Cyrus's body trembled slightly. She

you have to let go of my Nüwa Sect disciples. They're all innocent."

After saying this, there was no hope on Cyrus's face. She turned a deathly shade of white, as if she lost her soul of the shell.

But it was unacceptable for disciples of the Nüwa Sect.

"Overlord! What are you doing?!"

"Overlord, we will never abandon you. We will die together if we must!"

"That's right! We can't let the Sun & Moon God Sect get away with it. Even if we die, we have to drag them down."

"Better death than dishonor!"

hardened her heart and glared at them fiercely. "Shut up! Get as far away as you can!!"

"Overlord..."

Cyrus said coldly again, "I'm not joking. Get out of here! All of you!"

After saying this, she could no longer remain calm. Her eyes turned red and tears flowed out.

This was also a huge pain for everyone else of the Nüwa Sect.

However, they also learned that Cyrus was not joking, and logically speaking, she was right. The best choice was to sacrifice Cyrus to spare the rest of them.

If they stayed, they would all have to become playthings of the Sun & Moon God Sect, which was worse than death.

But if they kept their force, there's still hope to rise.

They understood that.

However, it was also unbearably painful to abandon Cyrus for their own life.

Next, Cyrus said to Asura, "Asura, please let them go. I am willing to serve you as my lord!"

As she spoke, she was about to kneel down and show her loyalty.

But Asura sneered. "Do you have the right to negotiate?"

Cyrus shuddered and stopped kneeling. She looked up at him. "Are you going to spare none?"

Asura said with a smile, "Whatever you think. Today, your entire Nüwa Sect belongs to my Sun & Moon God Sect. We the Sun & Moon God Sect, have not unleashed for a long time."

Then he raised his arms and shouted, "Boys! These women are all yours. do whatever you want with them! Let's unleash the pressure we suffered these days, hahaha..."

As he said this, the believers in all directions turned aggressive and kept swallowing, staring fixedly at the Nüwa Sect disciples in the middle, as if the

predator saw the prey, greedy without any disguise.

The Nüwa Sect disciples turned pale and trembled.

Cyrus also began to scold, "Asura, how dare you!"

Asura said with disdain, "Why wouldn't I dare? Your Nüwa Sect is just a small and vulgar sect. Who would be willing to offend me for you little scumbags in the world?"

He said this not to brag or to be arrogant, but to state a fact.

Although he, Asura, was not the most powerful in the Clan world, but at least he was a God Becoming Level master. But Nüwa Sect was only a small sect

without even a master of this level. No one was willing to offend Asura for them.

That's why Asura was so unscrupulous.

Originally, despite his ambition, he planned to consume the Nüwa Sect year after year, so he could annex it when it became weaker.

But now, he no longer had the patience.

And the reason for this was because Tom had repeatedly fought against the Sun & Moon God Sect. Days before, he had killed so many core elites of the Sun & Moon God Sect!

This made Asura furious, and also brought about various negative

emotions in many believers, including fear, frustration and dissatisfaction.

Asura could clearly feel their feelings. He knew that if he didn't give them a good vent at this time, something would happen to the Sun & Moon God Sect sooner or later, even to break it down.

So Asura had to start with the Nüwa Sect ahead of time.

After swallowing the Nüwa Sect, he would conserve his strength and then take revenge on Tom!

Ever since Asura became the Strong, he had never suffered such a big loss. Tom could be said to be his biggest enemy in his life. He would never be at

ease in his life till he killed him!

Or he would not rest in peace.

In this way, all the Nüwa Sect began to despair.

Just then, a voice sounded from the crowd of Nüwa Sect.

"Really? I don't think so. I'm willing to offend you, Asura, for the Nüwa Sect."

The voice appeared suddenly, and the tone was lazy, as if joking, but it also revealed a serious sense, as if telling a truth, or giving an ordain, which stunned everyone.

Cyrus immediately realized that it was Tom!

Chapter 1000

What was going on?

Didn't Tom already leave? Why was he still here?

Even if Cyrus had recognized Tom, she still couldn't believe her eyes.

As for others, he gave others hope.

Asura also frowned. He did not expect that someone would dare to come out and offend him. It could be seen as an act of suicide.

Moreover, it was a man's voice, which made him a little confused. Wasn't there only one man, Xander, in the Nüwa Sect?

Tom's voice immediately attracted everyone's attention.

They all looked at the man who came out of the crowd slowly.

This man had a plain face. At first glance, he was a very ordinary person. Others wouldn't be able to find him in a crowd.

In terms of appearance, he was no match with Xander.

However, if you look closely, you would find that his temperament was very unique. He was obviously different from any other man. He had a very unique charm. The more charming they would find him to be if others knew him well.

In particular, his eyes were like stars, shining, which were not to be ignored!

They were so deep and mysterious.

He was Tom.

In fact, Tom had been in the crowd just now, but because he hid his breath very well, so even Asura could not see him.

Logically speaking, a God Becoming Level like Asura, his perception was very sharp. He should be able to sense Tom's existence.

However, Tom's aura was so well hidden which had much to do with his life living in the home of his wife's parents.

Because during those years, he became a very ordinary person. This was an experience that no other could get, so Tom could fit in so well that he could hide his breath perfectly.

But he was also so extraordinary. Anyone who noticed him would find that he was actually a very unique person.

So, after Asura saw Tom, he immediately realized that Tom was very strong and powerful!

This surprised him.

He frowned even more. He was very confident about this operation to destroy the Nüwa Sect, because he had already investigated the Nüwa

Sect very thoroughly, making sure that Nüwa Sect was not a threat to him at all.

However, the sudden appearance of this young man somewhat put him in a bad position.

But soon, he found out that Tom was not a God Becoming Level, but a Half-step God Becoming Level, and he immediately breathed a sigh of relief.

To him, as long as he was below the God Becoming Level, he was no threat to him.

"Who are you to meddle in the Sun & Moon God Sect's affair?!"

Asura said this in a loud and terrifying voice full of authority and coercion

which made all the Nüwa Sect disciples pale with fear and breathe difficultly.

After all, for them, the God Becoming Level was too strong and was way above them.

Even Xander felt great pressure.

Only Tom, who was calm from the beginning to the end, had a faint smile on his face and was not affected by Asura at all.

Tom smiled teasingly and said, "Don't you recognize me? I'm an old friend of your Saint Abbey!"

These words made Asura confused. Because he had never seen Tom before, he did not recognize Tom at once.

Hearing Tom's words, he was very surprised. He was also searching for this man's figure in his mind. When did he offend him?

But no matter how hard he thought, he couldn't remember who he was.

He didn't even think about Tom at all. Because in his opinion, if it were Tom, he would have run away like a scared stray dog!

After all, Tom was only at Half-step God Becoming Level, but he was at God Becoming Level. How dare Tom show up in front of him? He would be intimidated.

Because of that, all the Nüwa Sect disciples who knew Tom couldn't help

ut feel nervous for Tom.

They thought to themselves that Tom was too bold. Asura was looking for him, but he dared to appear in front of him and act so arrogantly!

In fact, they didn't even notice that Tom was there. They all thought that Tom must have run away, so they were surprised to see Tom here.

But no matter what, they were still very grateful to Tom.

After all, as an outsider, Tom did not have much connection with the Nüwa Sect, but he was willing to stand up for them in this situation, which was something no ordinary people could do.

But even so, they didn't think Tom could save them.

It was not that they were too pessimistic or that they thought Tom was weak, but that Asura was too powerful!

After all, Asura was at God Becoming Level, and Tom was only at Half-step God Becoming Level. In their understanding, compared to those at the Innate Realm, the masters at the God Becoming Level was definitely a lot more powerful, and couldn't be fought against.

The gap between them was even greater than the gap between ordinary people and those of the Innate Realm!

This was common sense.

Xander shook his head. He thought Tom was too reckless. As an outsider, he should have run away when Asura hadn't found out.

He was also at Half-step God Becoming Level. He had just fought with Asura, but he knew very well that Asura's power was far from something that Tom, at Half-step God Becoming Level, could defeat!

However, at this time, behind Asura, a few people stared at Tom closely, and then seemed to recognize him. Their expressions changed a few times. They shouted out in great excitement, "Tom!! Bishop, he is Tom!!! Who killed our three masters and many others on

Green Island!!!"

"It's him. I can recognize him. Even if he turned into ashes, I could still recognize him!!!"

"Tom dares to show up in front of us. He clearly doesn't take us seriously!!!"

When Asura heard the words of his men, his expression suddenly changed and three words squeezed out of his teeth, "TOM HOWARD!!!"
