

## Love At First Night Chapter 16

### Chapter 16

Edwin did not look at Ann at all. Instead, he looked at Judith, who was standing beside him. He spoke politely in his clear tone, “Are you the design director Judith transferred from the branch?” Edwin’s clear voice made Judith abruptly raise her eyesight. She gave Edwin a smile, “Hello, Edwin. I’m Judith.” Hearing Edwin’s words, there was a flicker of surprise in Frank’s eyes. He suddenly looked at Judith with a cold face, as he overturned all his previous speculations. Frank thought, <Judith approached me because she wanted to get me. She saved me and stayed in the hospital for me on purpose. Now it turns out that he was thinking too much. She is actually the design director of my branch?! This was the first time that Frank had misread a woman’s intention! He felt very upset. “So you are Ms. White. I have been to the branch several times before, but I have no chance to see you.” Gary smiled and walked to Judith’s side, carefully sizing up Judith. “Hello, Mr. Powell!” Judith greeted her with a nod. Gary turned around and introduced, “Ms. White, this is Mr. Taylor!”

Judith wore a smile as she nodded at Frank who looked deadpan, “Good morning, Mr. Taylor!” “The meeting is starting!” There was no emotion in Frank’s deep voice. He strode towards the conference room.

Judith was ignored. She glared at his back. She had heard many rumors about him. Now she believed he was really cold -blooded and terrifying. Ann bit her lower lip and looked at the back of the handsome man who had walked away. He was so attracted to her. When Judith turned around, she glanced at Ann and saw that her eyes were shining with determination. However, Judith had no time to think about it and quickly followed Edwin and Gary into the conference room. The conference room was very large. Name cards of various departments were arranged

on the conference table. Everyone was here for the meeting. When Frank came in, everyone got up and greeted him. Frank sat on the leather seat and gestured for everyone to sit down. Edwin introduced, "Let me introduce the new design director, Judith White, Ms. White." Judith smiled at everyone, "Hello everyone, I'm Judith. It's my great honor to work with all of you!" She appeared friendly and approachable as her smile was radiant and her voice was gentle and pleasant. Everyone smiled and greeted each other! Judith also smiled and greeted them one by one, walking to her seat and sitting down. Next, each department began to make a presentation about their work. An hour later, it was finally Judith's turn. Judith prepared for the autumn costumes design after Hana's departure. Judith inserted the USB drive into the computer. Then everyone could see the costumes she had designed projected on the wall behind Frank. She glanced at Frank. Her gaze was extremely serious. Then she introduced, "Mr. Taylor, this is my design for the autumn costumes. I did some market research. These designs are based on this year's fashionable hairstyle. These costumes are suitable for young and fashionable women. And this color can brighten their skin, making them look young and modern..." Judith explained her design vividly. She was very thoughtful, considering the needs of clients from all aspects. All the fashion elements were fused together.
