A man like none other and the man decree Chinese A Man Like No Other Chapter 1827 - 1830

But after waiting for a while, the sword puppet did not appear, so Kai reached out and tried to pull out the long sword!

But just as Kai got close to the sword, a light flashed, followed by the appearance of another old man.

And after this old man appeared, he reached out and pulled out the long sword from the boulder!

Terrifying sword qi instantly erupted, like a storm, and ruthlessly impacted Kai.

So fast

Kai couldn't react in time, his eyes narrowed slightly, and he was instantly smashed heavily by that burst of sword qi!

A wound appeared on his body and blood flowed out!

The Dragon Slashing Sword in Kai's hand was greedily absorbing the sword qi, but Kai found that no matter how much his Dragon Slashing Sword absorbed the sword qi, the sword qi emanating from the longsword did not decrease in the slightest!

"Demon God Chopper"

The old man suddenly swung his sword out towards Kai!

Boulders, branches and leaves flew across the sky like the end of the world!

“Could this be the Demon Sword?”

Kai was a little surprised.

He wondered who the old man using this magic sword really was?

As the old man swung his sword, a sudden roar came out, only to see a black mist filling out from within that long sword and transforming into a human form!

The man was seen wearing a black cloak and emitting a gory and terrifying aura.

And the old man wielding the sword spurted out a mouthful of blood, and his whole body instantly aged, leaning on a rock!

“What are you?”

Kai asked as he looked towards the man in the black cloak.

Only to see the man slowly remove his cloak, revealing a pale old face!

When he saw this person’s face, Kai gave a shock.

Because this man, following the old man who had just wielded the sword, looked exactly the same, not even close!

“It’s been a long time since I’ve tasted human blood

With that, the man lunged directly towards Kai!

“Nine Shadows Divine Sword

Kai bellowed, followed by a leap, the Zenglong Sword in his hand instantly emitting a green aura!

A large amount of divine dragon power gathered on the Zenglong Sword, before exploding out!

A stream of green mangles intertwined, then headed towards the guy in the cloak!

Rumble

The sound of explosions was incessant!

The entire land of the sword mound continuously began to tremble and trees flew across the ground!

But when the sword mane disappeared, Kai found that the guy in the cloak had disappeared!

But just as Kai was feeling puzzled, a black shadow suddenly descended from mid-air!

Kai was shocked and was about to swing his sword to block it, but the opponent was too fast and was directly struck by his fist, followed by his whole body flying backwards.

“What great strength”

Kai got up, wiped the blood from the corner of his mouth, and his Unbreakable Golden Body began to work again.

Only to see Kai’s entire body covered by a golden scale, followed by a golden light rising up to the sky!

A golden dragon began to hover above Kai’s head!

Seeing this demonic ape of Kai, the old man with the sword actually had a little surprise in his eyes!

But the guy in the black cloak frowned slightly, and then roared out and attacked towards Kai!

Kai also followed with a furious shout, the Dragon Cutting Sword in his hand instantly came out, and the golden dragon also surrounded the Dragon Cutting Sword, attacking the guy in the cloak together!

There was a flash of golden light, and the guy in the cloak had his arm severed by the sword!

Only the wound on the severed arm was smooth and no blood came out!

The guy in the cloak didn't seem to care, he just took a look at his severed arm, then revealed a cold smile, followed by his entire body turning into a black mist, instantly entering into that long sword!

Soon, the longsword broke free directly from the old man's hand and was suspended in mid-air, the killing aura on the sword

A man like none other and the man decree Chinese A Man Like No Other Chapter 1828

Seeing this, Kai pointed at the sky with the Zenglong Sword in his hand, and a green aura instantly flew out from the Zenglong Sword, which was the sword spirit in the Zenglong Sword.

Just as it hovered above the head of the demon sword, a black light flashed from the sword and a black aura appeared.

When Kai saw the black aura appear, the corners of his mouth could not help but raise slightly, this was the sword spirit of that magic sword, one green and one black instantly entwined together.

However, the strength of the demon sword was not bad, although the Dragon Cutting Sword was an ancient spirit sword, but because the sword spirit of the Dragon Cutting Sword had not yet grown up, its strength was not yet fully developed, so it followed the sword spirit of the demon sword to tangle with it, and obviously fell a bit behind.

Ding

Kai flicked his finger at the magic sword, which instantly made a crisp sound and then broke in half.

Without the spirit of the sword, the magic sword was no different from an ordinary sword in Kai's hand.

After the sword body broke, the black aura, which had been dominant, instantly became much dimmer, while the sword spirit of the Dragon Cutting Sword seized the moment and swallowed the magic sword spirit in one bite.

The green aura was infinitely enlarged, and the countless sword qi in the land of the sword mound was rapidly absorbed into the green aura.

This lifeless piece of dead land began to sprout trees and flowers, and this land of sword mounds instantly disappeared.

The strength of the Dragon Cutting Sword had reached the level of a Martial Saint weapon, which made Kai's heart excited.

The old man, who was not far away, looked at the scene in front of him and his entire body was dumbfounded, he had never thought that the demonic sword that they had suppressed with their lives for hundreds of years would be handled by Kai with such ease.

"Ai"

The old man suddenly sighed.

Kai put away the Dragon Chopping Sword and walked towards the old man, "What are you?"

He saw the old man slowly get up and said with a relieved expression, "I am the Patriarch of the Asking Sword Sect"

"Then who was the one in the black cloak just now?"

Kai was amazed, how could someone look exactly the same!

“That was me too

The old man said.

This confused Kai!

Looking at Kai’s confused face, the Ask the Sword Sect Patriarch slowly told Kai.

It turned out that the one in the black cloak was only the demon of the Asking Sword Patriarch, and this demon controlled the demonic sword!

In fact, this sword used to be called the Heavenly Flying Sword, which was said to have flown in from beyond the Nine Heavens and then inserted into the Sword Asking Clan.

For many years, the Sword Sect had guarded the flying sword, and many people had learned many sword techniques from the flying sword!

But when it came to this old man’s generation, because of his own greed, he wanted to take that flying sword for himself and get the full heritage of the flying sword!

So he persuaded several elders to unite and pull out the Flying Sword from beyond the sky!

Several of them then studied it, but unknowingly went off the deep end and the demon took control of the flying sword!

In time, the Flying Sword went on a killing spree in the Sword Sect!

The entire Asking Sword Sect turned into a slaughterhouse, with corpses everywhere and rivers of blood flowing everywhere.

At the last moment, the Sword Asking Clan Patriarch and a few elders came to their senses!

They then used the entire sword formation of the Sword Asking Sect, including their lives, to suppress the flying sword in this land of sword mounds!

As time passed, many people broke into this place, but could not even step into it!

And the sword formation that suppressed this flying sword, as well as several of their souls, have become weaker and weaker, and there is no telling when this flying sword will reappear and plague the world!

In that case, the sins of all of them would become even heavier!

Now the sudden appearance of Kai made them all seem to see hope, which was why the previous old man had suddenly talked to Kai about atonement.

“Now that the demonic sword has been destroyed, we are finally able to reincarnate and go

The old man looked at Kai and revealed a faint smile, then his figure slowly disappeared.

Kai, on the other hand, sighed , a moment of greed had ruined a clan!

Kai walked out and found that Hu Ma Zi had long since stopped waiting for him at the same spot!

So Kai had to go back the way he came.

And at that moment, Pocky Hu was sitting in the ruins with a dejected look on his face!

“I think we’d better go back, those women of Kai’s, I need to think of what to say to them!”

“This guy, he’s too strong, so many girls waiting for him, and he doesn’t even cherish them and dares to go in.”

“This is great, just hang up

Hu Ma Zi followed Fan Jiang and they said.

“No it can't be, can it? Kai won't die, he promised to treat my father.”

Anna's eyes were filled with tears, if Kai died, who would see his father?

“Master Hu, Mr. Chen wouldn't die so easily, would he?”

“Did you see it with your own eyes?”

Fan Jiang was also a bit unconvinced, Kai was the son of a dragon, so he would die so easily?

“Are you doubting me? It's so dangerous inside, he definitely won't survive”

Hu Pazi said with certainty.

“I also think Kai won't die.”

At this time, Ge Yuhan also spoke up.

But when Ge Yuhan spoke, Hu Pazzi did not refute, because he knew Ge Yuhan's identity and did not dare to offend her too much!

“Even if you guys don't believe me, then let's wait here slowly for two days, if we can't wait, then we will leave, we can't die here all the time!”

Hu Pazi said helplessly.

“Master Hu, you said I was dead without even seeing it, isn't that cursing me?”

At this moment, Kai's voice came from behind Pocky Hu!

“Kai”

After seeing all of Kai, Anna excitedly pounced over, “I knew you wouldn't die.”

“Holy shit, you kid are really lucky, the sword Qi within that sword mound land is so terrifying, and you're still alive.”

Pocky Hu was also a bit surprised!

“Mr. Chen, how did it go, did that divine sword arrive?”

Fan Jiang also asked with great interest.

“Let’s go out and talk while we walk”

Kai said.

.....

Ice Bear Island, inside some hotel!

Gu Ling’er’s group of girls waited for Kai one by one with dissatisfaction!

“This Kai, what the hell does he mean, it’s been how many days, he left us at the foot of the mountain and just ignored it.”

“He must have been charmed by that foreign girl and couldn’t bear to come back!”

“Will Brother Kai be in danger?”

The daily business of the group of women was to wait for Kai to return.

As a man, Zhao Zhaogong was reduced to being an object of these women’s orders, whether it was buying things or pouring tea, Zhao Zhaogong did it all!

Zhao Barging can’t afford to offend these girls, except for Xiao Ru, maybe all the girls here will become Kai’s women.

Who would Zhao dare to offend?

But just as the girls were chattering away, Kai came back!

When they saw Kai coming back, all their complaints about him disappeared and they all rushed up to him, wanting to give him a hug!

But unfortunately, with so many people around, no one was embarrassed!

“Did you miss me?”

Kai looked at the group of women in front of him, then smiled faintly and said, “Come one by one, I’ll give you all a hug.”

“Hmph, you’re thinking good thoughts, sisters, let’s ignore her

Xiaolan snorted coldly and gave Kai a white look!

“Right, ignore him, who let him leave us alone.”

Ge Jiayi spoke up.

The group of girls all went back to their rooms, but Kai could tell that these girls had worry on their faces about him!

Hu Ma Zi looked at this scene and his eyes were red with envy!

When they got off the plane and saw the motorcade that greeted them at the airport, the crowd really appreciated, in the true sense of the word, how awesome the Royal Family was!

A dozen Rolls-Royces were lined up to greet them, and there were even hundreds of guards on both sides to maintain order!

This kind of pomp and circumstance was not something they could do.

But when they arrived at Anna's home, these people were even more shocked!

For Anna's home was actually a castle covering thousands of acres!

All the girls were immediately attracted to the beautiful castle and were excited to take pictures of it!

Anna arranged for someone to entertain Gu Ling'er and the girls, and sent someone to entertain Hu Ma Zi alone.

She then ushered Kai into the castle to prepare his father for his medical appointment!

Inside Duke Rose's room, that Anna's brother, Prince Hal, was also there and there was a wizard with various headdresses spraying some kind of liquid on Duke Rose's body!

"What are you doing"

Anna, seeing this, rushed straight up and pushed the sorcerer aside with one hand!

And that Prince Hal, upon seeing Anna, his whole body was astonished!

"Anna, when did you you come back?"

Prince Hal asked.

He thought that Anna should have died in Ice Bear Island long ago, and for the matter of the Ice Bear Island relics, Prince Hal obviously hadn't gotten the news yet.

Anna gave her brother a cold look, although she knew that Prince Hal was sending people after her, but Anna had no proof, so she couldn't do anything about it.

"Brother, what are you doing when father is seriously ill?"

Anna questioned at Prince Hal.

"Healing of course, father is sick and you are running out to play, so I have to find someone to heal father."

Prince Hal replied.

"A cure? A cure by this man who is not a man?"

Princess Anna said as she pointed at the wizard.

"Shut up, this is a master I hired from abroad, he has the art of raising the dead, he can definitely save father's life, if you keep talking nonsense like this, get out!"

Prince Hal said, glaring at Anna angrily.

"I don't think you're trying to cure father at all, are you? You are trying to get father killed."

Anna was all angry, she couldn't understand why she could harm her own father for the sake of power.

"What are you babbling about? Father is about to get well and it's all because you're here to make trouble, get out of here"

Prince Hal scolded at Anna.

But Anna wouldn't go at all, she didn't believe her brother would cure her father!

"Anna, I'm telling you, now that my father is seriously ill, I'm in charge of this house, you're just a girl, sooner or later you'll have to marry someone else."

"If you are good and obedient, I can let you continue to be a princess, if you don't, don't blame me for being unkind"

Prince Hal grimaced as he sort of followed Anna and completely tore up her face!

"I am not going to leave, I am going to watch how you cure my father!"

Anna said with a firm attitude.

Seeing Anna's firm attitude, Prince Hal did not ask him to go out, but looked at the wizard and said, "Master, please do something to save my father's life."

As he spoke, Prince Hal gave a wink to the sorcerer.

But this small gesture did not escape Kai's two eyes!

Just as the sorcerer was performing the puja on Duke Rose, Prince Hal gave Kai a cold sweeping glance and did not care.
