## A man like none other and the man decree Chinese A Man Like No Other Chapter 1831 - 1840

Anna gave Kai a look of help, while Kai reassured Anna!

As soon as Kai entered, he could see the strength of this sorcerer!

Moreover, what that sorcerer had sprayed towards Duke Rose was a potion used to cast a soul-control technique.

In other words, the sorcerer intended to use soul-control techniques to control Duke Rose to obey his words!

Kai had seen this kind of low-level sorcery a long time ago!

Back then, the mayor of Hongcheng City, Ling Zhenchuan, was controlled by two sorcerers and almost made a big mistake.

It was still Kai who had come to his rescue.

Now this little soul-control technique was worthless in Kai's eyes, and he was watching the sorcerer's performance in silence!

The sorcerer chanted the words under his breath and gently pointed his finger, and Duke Rose's eyes, which had been tightly closed, snapped open!

Seeing Duke Rose awake, Anna instantly became excited and jumped headlong over to him.

"Father, father ....."

Anna called out to the Duke of Ross, but the Duke of Ross was mute, as if he hadn't heard her!

At this moment, Anna panicked a little, then looked at Hal and said, "Brother, what the ..... hell is going on here? Father how come he doesn't recognize me?"

Hal did not say anything, but it was the wizard who spoke, "Princess Anna, Duke Rose's soul has been away from his body for too long and has just returned, so he still needs to recuperate for a few days."

Seeing the sorcerer say that, Anna believed it, after all, this sorcerer had two tricks up his sleeve and had really cured her father.

"Duke of Ross, you have been lying down for so long, it is time for you to get out of bed and walk around ....."

The sorcerer said to the Duke of Ross.

Sure enough, after hearing the wizard's words, that Duke of Ross got up from his bed and then walked around on the floor, much to Anna's delight!

"Sister, see, it was I who found a cure for father's illness, so you will stay at home from now on and not be allowed to go anywhere."

"And who is this Dasha man? Why did you bring a stranger to the house?"

Only at this time did Hal ask about Kai's identity!

Upon hearing this, Anna hurriedly explained, "This is my friend, his name is Kai, and he has come to treat his father's illness."

When Hal heard this, he burst out laughing, "Haha, are you kidding? At his age, he's worthy of treating his father?"

"Aren't you afraid that he will get father killed?"

Hal's words made Anna not know how to reply, after all, whether Kai could see a doctor or not, Anna herself didn't even know!

"Would I be better than this sorcerer even if I could see a sickness, just use a simple soul-control technique and wake someone up, even if it is a sickness?"

Kai said coldly.

Hearing the three words soul-controlling techniques, the sorcerer and Hal all froze slightly!

They didn't expect Kai to know about witchcraft!

"What are you talking about? What soul-control techniques?"

The sorcerer denied it flatly.

"Now that Duke Rose is awake, he is just a walking corpse that can only do as you command, so don't disgrace yourself with such inferior soul-control techniques."

Kai sneered.

"Kai, what is this ..... going on? Are you saying that my father is now under their control?"

Anna asked with a nervous look on her face.

Kai nodded, "Yes, they are now controlling your father's mind with the Soul Control Technique, your father is now a machine that does what it is told, that's why he doesn't recognize you."

When Anna heard this, she looked at Hal in anger.

And Hal's face went cold: "Boy, what are you talking nonsense about? Do you believe I'll cut your tongue out right now?"

"Am I talking nonsense?"

The corner of Kai's mouth lifted, followed by a gentle wave of his palm in front of Duke Rose's face!

From within Duke Rose's body, a black Qi instantly emerged and was directly sucked inside Kai's stomach!

And after that black gas emerged from his body, Duke Rose's eyes instantly became brighter.

"What's going on? Where am I?"

"Anna? Hal, why are you all here?"

Duke Ross asked, suddenly awake and looking at the people inside the room with a surprised look on his face.

"Father ....."

Anna jumped headlong into Duke Ross's arms and began to cry bitterly.

Duke Ross, in turn, comforted Anna, "Anna, what is it, what's wrong?"

"Father, you have been in a coma for many days, and my brother he even got a wizard to control you ....."

Anna told after Duke Ross!

And Hal, upon seeing his father awake, looked very frightened!

“Hal, what’s going on?”

Duke Ross asked, looking angrily at Hal.

“Father, don’t listen to your sister, you’re sick, I’m just looking for someone to come and see you!”

Hal explained desperately!

“Well, don’t say any more, now that I’m awake, I will investigate this matter.”

Duke Ross said with a cold face and a wave of his hand.

He then looked at Anna with a doting face and gently stroked Anna’s hair!

Seeing his father doting on his sister, Hal’s face turned very ugly and fierce!

A murderous intent flashed in Hal’s eyes, he knew that if he really investigated, what he had done would definitely be exposed!

With that thought in mind, Hal’s eyes faintly gaped and he gave a wink towards the wizard, who knowingly blocked the exit of the room directly!

“I’ve been in a coma for so many days, the government affairs must have been delayed a lot, I’m going to check it out .....

Duke Ross had just come to his senses and was worried about the political affairs.

But just as he reached the door, he found that the sorcerer was blocking the doorway.

Duke Rose’s face went cold as he said, “What is this man? What is it that is blocking the doorway?”

“My father is going out, what are you doing here in the way?”

Anna questioned at the sorcerer.

But the sorcerer did not move a muscle.

Duke Rose was furious and turned to Hal, “Hal, what’s going on?”

Hal walked towards Duke Ross with a grim smile on his face.

“Father, you are recovering from a serious illness and you are old, so I think you should not bother with the affairs of government, but leave them to me.”

“I promise to keep this ducal palace in order.”

Hal said coldly.

When Duke Ross heard this, his brows furrowed and his eyes were filled with anger, “Hal, what do you mean by that? Do you want to be in my position?”

“Good, I want to be a duke now too .....

Hal admitted it straight away.

“Brother, how can you say that, how can you want to inherit your father’s dukedom when he is still alive?”

Anna asked with a surprised look on her face.

A murderous aura rose up from Hal: “Soon, father will not be alive .....

Hal’s words almost killed Duke Rose!

“Beast, you treacherous creature, I’ll kill you .....

Duke Ross roared and slapped a palm at Hal!

It was a pity that Duke Ross had just come to his senses and his body was still weak, so the slap was easily dodged by Hal.

“Father, I am your own son, are you willing to kill me too?”

“Since that’s the case, then I don’t need to have any worries .....

Hal finished and said towards the sorcerer, “Master, do it, these three people in the room, none of them will live .....

Only to see that sorcerer nodded, then chanting the words under his breath, a burst of black mist began to rise up from his body!

Immediately after that, the whole room was wrapped inside with black mist, and nothing could be seen as far as the eye could see.

Anna screamed in terror at the sight of this scene!

Duke Rose was also in a state of panic!

But at that moment, someone suddenly grabbed Anna’s hand and pulled her around!

“Ah .....

Anna shouted desperately, trying to break free.

“It’s me, hide behind me.”

Kai whispered after Anna!

Upon hearing this, Anna nodded and hurriedly pulled Duke Rose and hid behind Kai.

Only a faint light flickered around Kai, directly isolating those black fogs to the outside.

“Master, is this enough to kill them all?”

At that moment, came that Hal's voice.

"Prince Hal, don't worry, this is a poisonous fog of mine, once you suck it in, you will definitely die, they won't survive."

The sorcerer said with confidence.

After ten minutes, the black fog slowly cleared and the room began to see things!

Soon, Hal and the sorcerer saw that Kai and the three of them were standing on one side of the room, and the three of them were not in the least bit unharmed.

At this, both the sorcerer and Hal were a little dumbfounded.

"Master, what ..... is going on here? Didn't you say it was certain death?"

Hal asked in disbelief.

That sorcerer was also full of confusion: "It can't be, they must be dying if they inhaled my poisonous mist, how can they be fine?"

"This sorcery of yours is too rubbish, only such foolish people would believe in a rubbish sorcerer like you."

Kai said to the sorcerer with a disdainful face.

"Kid, how dare you talk about me like that, today I will let you see my power!"

With that said, the clothes on that sorcerer's body unexpectedly moved without wind!

A wind began to blow inside the room, and a cloud of black mist suddenly appeared, transforming into a stern ghost, rushing towards Kai and the others with open teeth and claws!

Anna and Duke Rose had never seen such a scene before, they were all terrified!

But Kai indeed had a cold smile on his face, then he opened his mouth and sucked in the black mist with a huge suction force.

Although this sorcerer was not very strong, and there was not much of this Yin Qi, but a grasshopper's leg was still meat, and Kai did not dislike it.

Seeing that Kai had actually sucked that mass of black mist into his body, the sorcerer was instantly dumbfounded.

Immediately afterwards, his face turned pale and cold sweat broke out on his forehead!

He knew that he had met a master today!

"What else can you do, just show it all together, you won't have a chance later ....."

Kai said to the sorcerer.

The sorcerer did not say anything, but looked outside, and then leapt up and rushed out towards the outside!

Originally, this sorcerer was guarding the position of the entrance, so he quickly rushed outside!

But the sorcerer had just rushed outside, when he saw a silhouette flash by, and Kai unexpectedly blocked in front of him.

The sorcerer was so shocked that he threw a punch at Kai, but Kai grabbed him by the collar and returned to the room in a flash!

Kai threw the sorcerer to the ground as if he were carrying a small chicken!

"Spare my life, master spare my life ....."

The sorcerer was now mentally broken, in front of Kai, he was like an ant!

He could only kneel on the ground and beg for mercy loudly!

Duke Ross looked at Kai with some surprise, he did not expect Kai to be so powerful at such a young age.

Ta-da-da .....

There was a chaotic sound of horses' hooves, followed by hundreds of guards rushing in and surrounding the entire room.

Several tiger-backed captains of the guards entered the room and saluted Duke Ross!

"You take Hal, the rebellious son, into custody ....."

Duke Ross ordered loudly.

But the few guard captains did not move, but looked at Hal in surprise.

Hal, on the other hand, smiled coldly, "Father, now that they all obey my orders, why don't you just behave and give up?"

"Let me tell you, not only do the guards of the Duke's House now obey me, including the priests of the royal family, they all obey me as well.

"We have a secret base on Ice Bear Island, and in time the entire Bear Kingdom will be in my hands ....."

Hal's heart was swollen to the core at the moment.

"You mean the relic? Don't be dreaming your big dreams, that altar is already destroyed, as well as that priest of yours, who is long dead at this point."

Kai said with a cold laugh.

Hal's smile instantly froze on his face as he said with incredulity, "That's impossible, there's no way you guys could have destroyed that place."

"Since you don't believe me, there's nothing I can do."

Kai shrugged his shoulders and said.

"Don't care if that altar is destroyed or not, now none of you can escape, if you want to die a painful death, then kill yourself ....."

Hal didn't panic at all now that he had the guards on hand!

"Hmph, with just this number of you, you still want us to kill ourselves?"

Kai snorted coldly, then said loudly, "You guys don't watch the show, let's do it ....."

With Kai's words, immediately afterwards, a sound of fighting could be heard outside!

Only to see a group of girls, all of them fierce and fierce, killing into the guard!

The girls were of varying strengths, but to deal with the soldiers of the guard, it was a hand-to-hand combat, simply a descending blow!

In less than a minute, there were people lying outside, wailing and wailing!

And Gu Ling'er and her group of girls walked into the room!

Anna simply, hurriedly greeted them, with a smile on her face, and no longer afraid.

Hal was straight up confused, he couldn't figure out how this bunch of seemingly soft girls could be so powerful!

The few captains of the guards were simply, one by one, their faces ashen and they fell to their knees with a poof.

Begging for the Duke of Ross's forgiveness!

“I can forgive you for your crimes if you have arrested Hal .....”

Duke Ross said.

He knew that these guard captains were just under compulsion.

As soon as several of the guard captains heard this, they all stepped in and arrested that Hal, and that wizard didn't escape being arrested!

But what would be the fate of Hal, Kai did not want to ask!

After staying at the Duke's residence for two days, Kai planned to take Gu Ling'er and the others back, now that the strength of the Dragon Cutting Sword was comparable to that of a Martial Saint weapon, Kai planned to return to Kyoto and go to the Martial Alliance to verify if Su Yuqi inside the dungeon was real or not.

As Kai and the others prepared to leave, Duke Rose gave Kai and the others a grand farewell ceremony!

After all, without Kai, there was no telling what Duke Rose's dukedom would have become!

“Kai, thank you so much for everything you've done for our dukedom, I'll drink to you .....”

Duke Ross said, and smothered a glass of vodka in one gulp!

Kai didn't show any weakness and downed it in one gulp as well!

Now the wine, to Kai, was no different following water!

“Kai, what do you think of my daughter?”

Duke Rose suddenly asked to Kai.

“Princess Anna is quite good, lively and cheerful, and pretty, especially those big eyes, very attractive.”

Kai said truthfully.

“Then do you like my daughter?” Duke Rose asked again.

This time, Kai gave a freeze.

Kai did not know how to answer Duke Rose!

If he said he didn't like her, it would be a bit against his heart, after all, Princess Anna was very beautiful and open, and often tickled Kai's heart!

But if he said he liked it, Kai had so many women around him now that he sometimes couldn't figure out what he really needed.

Seeing that Kai did not say anything, that Duke of Ross said, “Kai, my daughter likes you, I can see that, if you can be with my daughter, I can let you stay in the Bear Kingdom.”

“You should know that in the future, my position will be passed to Anna to sit, and maybe Anna can even become the future Queen.”

“And you, as Anna's man, will receive supreme honour and wealth .....

These words from Duke Ross would be a great temptation for anyone!

Unfortunately for Kai, what honour, what wealth, he didn't care!

Letting him stay in the Bear Kingdom was even less likely!

“Thank you Duke of Ross for your kindness, I really have no way to stay in the Bear Country, sorry .....

Kai politely declined.

Duke Ross then sighed and said, “Feelings cannot be forced, I respect your choice.”

While Anna, who was not far away, was already in tears by now .....

On the plane, Ge Jiayi said to Kai with a slightly playful smile, "Kai, why don't you stay and become a horse in harness, then the whole castle will be yours."

Hearing Ge Jiayi's words, all the other girls also looked at Kai.

"Brother Kai, at that time when that duke kept you, did you really not move?"

Xiao Min also asked.

"I think Brother Chen was just embarrassed to see us there, if we were all not there, he would have stayed to be the sidekick."

"After all, she's a princess."

Xiao Ru also laughed playfully and made fun of Kai.

"You two kids, what do you know? How could I lose a forest for a tree?"

Kai said as he swept his eyes around the girls.

Seeing Kai say this, several of them all blushed in shame!

On the contrary, Hu Pazzi was on the side and cried out, "You are not losing the forest, but I am losing two big, thick, oceanic trees ....."

At that, Hu Pazi almost cried!

Looking at Hu Pazzi's look, it made everyone laugh out loud.

Back in Kyoto, the first thing Kai did was to find Long Wu and ask if there had been any action by the Martial Arts Alliance during this time!

But instead of finding Long Wu, Kai saw that Long Xingxu had returned from Penglai Island.

“Xingxu, why have you returned from Penglai Island?”

Kai asked strangely.

According to Kai’s speculation, it was impossible for Long Xingxu and the others to reach the Martial Marquis realm so soon.

“Brother Kai, now that Penglai Island is no longer suitable for cultivation, this period of time has seen a lot of visions, and many people have died on Penglai Island.”

“Although that Du Nan keeps issuing seasonal orders, there are still many people who have left Penglai Island.”

Long Xingxu followed Kai and explained.

“A vision? What kind of vision?”

Kai was astonished.

“Penglai Island sometimes doesn’t see the sun for three days and is in darkness all the time, and sometimes it’s always light and no darkness.”

“And earthquakes and tsunamis are frequent, and within a radius of tens of miles of Penglai Island, all the waves are huge.”

“But beyond that it’s calm, as if something is targeting Penglai Island and deliberately driving the islanders away.”

“By the way, there are also some demonic beasts that have been coming out of the sea and attacking the island’s inhabitants!”

Long Xingxu’s face was changing slightly as he was describing to Kai, so it was clear how terrifying these things they had encountered on Penglai Island at that time were.

“How could this happen?”

Kai's brow furrowed, somewhat confused as to why.

Was it because he had taken the Blood Demon's flesh away from Penglai Island?

After thinking about it for half a day, Kai could not come up with any clue, so he simply stopped thinking about it.

The matter of Penglai Island would be discussed later, what he had to deal with now was the Martial Alliance.

He wanted to see if the Su Yuqi imprisoned within the Martial Alliance was the original or not!

"Forget about the matter of Penglai Island for now, has the Martial Dao Alliance made any moves during this time?"

Kai asked.

Long Xingxu shook his head, "That's not true, but during this period of time, there are quite a few Martial Dao families that have rejoined the Martial Dao Alliance."

"Then don't bother, these wallflower clans, you just need to take note of them."

Kai knew that as soon as the Martial Dao Alliance gained strength, there would definitely be Martial Dao families that would go to curry favour with each other.

In any era, there were always such wallflower-like people.

"Brother Kai, what are you going to do on the side of the Martial Dao Alliance? Do you need me to gather my men now?"

Long Xingxu asked to Kai.

"No, since many clans have reverted back to the Martial Dao Alliance, then I will show them that the Martial Dao Alliance is nothing but a paper tiger."

“You go and give a war letter to the Martial Dao Alliance, say that I am going to challenge the Martial Dao Alliance, so that anyone from the Martial Dao Alliance can go to war.”

“Even if they all come together in the Martial Dao Alliance, I will still proceed.”

“Remember, make a big noise this time, as long as I’m still alive, I’m going to make the Martial Dao Alliance have no good days.”

Kai decided to publicly punch the Martial Dao Alliance in the face.

## A man like none other and the man decree Chinese A Man Like No Other Chapter 1836

The Dragon Cutting Sword in his hand was now long ago comparable to a Martial Saint Artifact, and even surpassed it.

Moreover, Kai also had the flesh of a Blood Demon, which was comparable to the strongest shield.

As long as he used both of them, Kai was confident that he could exterminate that Martial Dao Alliance’s people.

“Alright, I’ll go do it now .....

Long Xingxu nodded his head.

Kai then went to rest, knowing that Kai had returned, many people wanted to beg to see Kai, only that Kai didn’t see anyone!

And at this moment in the Martial Dao Alliance, the news of Kai’s return was first learned by the people of the Martial Dao Alliance!

Seven black and silver robes sat on either side, while on the main seat was Ning Zhi with an arrogant face!

At this moment, Ning Zhi was still dressed in black and bronze robes, but when the seven black and silver robes below saw Ning Zhi, they all bowed their heads slightly!

Looking at the way the seven black and silver robes treated him, Ning Zhi couldn't say how swollen his heart was at this moment!

"That Kai has returned, have you all thought of a way to deal with it?"

"Knowing that that Kai has returned, he will definitely be looking for trouble with the Martial Dao Alliance, and that the great powers are now keen to obtain that boy's flesh, you all need to think of a way as soon as possible."

Ning Zhi said in a condescending tone.

"Demon Envoy, the seven of us will get that Kai as soon as possible, with just us seven brothers, plus the two Martial Saint Artifacts, that Kai is no match at all."

The elder brother got up and said respectfully to Ning Zhi.

Even though Ning Zhi was young, even though Ning Zhi was only a Black Bronze Robe to begin with, there was no way around it, whoever made the Demon Envoy take a fancy to Ning Zhi's body, now Ning Zhi would be the Demon Envoy, and they, the Black Silver Robe, would have to respectfully follow orders!

"Alright, three days, I'll only give you three days, if you can't catch that Kai after three days, you'll be waiting to be punished."

After Ning Zhi finished speaking, all he saw was a black mist filling the air, and immediately afterwards Ning Zhi's body disappeared.

"Bah, what the hell, how did the Demon Envoy take a fancy to this guy's body?"

A black and silver robed spat fiercely, clearly unconvinced.

"Old Fifth, don't talk nonsense, the Devil Envoy acts, it's not for you and me to discuss, think hard about how to catch that Kai in three days."

The boss said with a sad face.

Although with the seven of them joining forces and the Martial Saint Weapon, capturing Kai was not a difficult task!

But Kai was the Dragon Sect Sect Master, and now the entire Dragon Sect's power was spread all over Kyoto, plus Kai was involved with the official Mr. Shi, if they went to capture Kai by force, they would definitely meet a lot of resistance!

To capture Kai without causing turmoil in the entire Kyoto martial arts community, they needed to think of a way to have the best of both worlds.

"Big brother, can't we just use Kai's girlfriend to lure that Kai here?"

A black and silver robed said.

"No, this method has been used on Kai long ago, this guy probably won't fall for it, and he knows that none of us would really dare to kill his girlfriend."

The boss shook his head.

"Big brother, or else we'll go and stake out, as soon as that Kai appears, we'll arrest him."

Older Brother Three spoke up.

"Third brother, do you think that Kai is an ordinary person and we will arrest him as soon as we reach out? When the time comes, there will definitely be a fight, this is going to cause a riot, a lot of people are going to die, do you think the officials will sit back and do nothing then?"

"And the great power has explained not to follow the official until the aura is revived."

Old Six reminded.

"What then? This won't work, that won't work, are we just going to wait for that Kai to come to us?"

Old Five yelled with some annoyance.

And just at this time, a clamour came from the entrance of the Martial Alliance, and the oldest said, "Old Five, go out and take a look at ....."

At this moment, at the entrance of the Martial Dao Alliance, two guards stopped Long Xingxu.

"This is the important place of the Martial Dao Alliance, no one is allowed to enter without an appointment ....."

One guard roared at Long Xing Xu in an aggressive manner.

Long Xing Xu looked at the guard and smiled coldly, "The Martial Dao Alliance is about to be destroyed, and you are still here as dogs?"

"How much benefit did the Martial Dao Alliance give you guys? Come to our Dragon Sect and watch the gate, I'll pay double."

"How dare you, how dare you speak out of turn, believe it or not we will take you down now and beat you into the dungeon."

The guard who was watching the gate said in anger.

"Just by you guys? I'll beat you all down with one hand, the Martial Arts Union is really no good, they don't even look for some powerful ones to watch the gate."

Long Xingxu's eyes were filled with disdain.

“You are really looking for death.”

The guard couldn't help himself and slammed his fist towards Long Xingxu.

This guard's strength was actually not low, the strength of a Martial Sect watching the gate was already quite okay.

This fist also carried a terrifying fist wind, smashing towards Long Xing Xu's head, if it hit, he was afraid that his brain would burst on the spot!

Long Xingxu's eyes faintly stared, he didn't expect that with a few words, the other party would really come down with a killer!

He also swung out a punch!

Boom .....

The two fists collided, only to see the guard instantly fly backwards, while Long Xing Xu didn't move a muscle!

When the other guard saw this, he was so scared that he trembled.

Long Xing Xu snorted coldly and swaggered in, while the guard didn't dare to stop him!

Long Xing Xu walked up to the guard who had been knocked down, saw that the guard was about to get up, and then stomped on it with one foot.

There was a poof!

The guard slumped back down to the ground!

“Are you still mad?”

Long Xingxu coldly looked at the guard and asked.

“No..... not mad anymore, I'm wrong.....”

The guard started in begging for mercy.

“If I hadn’t come to deliver the war invitation today, your little name would have been lost long ago!”

Long Xing Xu snorted coldly, then lifted his feet and walked towards the inside of the Martial Alliance.

But just as Long Xingxu walked into the Martial Dao Alliance, a terrifying force suddenly struck and blasted directly at Long Xingxu.

Long Xingxu’s heart trembled, and his entire body quickly retreated backwards, directly exiting the Martial Dao Alliance!

“Great Martial Marquis?”

Long Xingxu could sense that the terrifying aura just now was emitted by a Grand Martial Marquis.

“Kid, who are you? You dare to come to my Martial Dao Alliance to spread wildness, I think you are tired of living.”

Old Fifth said angrily as he looked at Long Xing Xu and dared to make a move against their guards.

Long Xing Xu took a glance at Old Five and noticed that the other party was wearing black robes and immediately understood that the other party’s identity was not simple in the Martial Dao Alliance.

“I am Long Xing Xu, the Vice Sect Master of the Dragon Sect, and I have come here today to give you a war invitation.”

As Long Xingxu spoke, a gilt battle invitation came out of his hand in an instant!

The war invitation was like a sharp blade, heading straight for Old Fifth!

Old Fifth just gently clamped his fingers and caught the war invitation!

“A war invitation? Whose war invitation?”

Old Five asked.

“Our Sect Master is asking for a battle tomorrow at noon against those from your Martial Alliance, your Martial Alliance can come out and fight as many people as they want.”

“We are going to beat your Martial Dao Alliance up in front of many Martial Dao families and call your father .....”

Long Xingxu said with a cold smile.

At this moment, Long Xingxu was blindly worshipping Kai, he felt that as long as Kai opened his mouth and wanted to do it, there was nothing that he could not do.

“Bastard .....”

Old Fifth was instantly furious and slapped out with a palm!

Seeing this, Long Xingxu’s body leapt up abruptly, but he was still struck by the palm wind, and his body fell backwards several steps, his Qi blood tumbling for a while!

“Old thing, if you have the guts to fight our sect master, you bully me, a messenger, what kind of skill is that?”

Long Xingxu knew he was no match for his opponent, but he didn’t show any weakness at all!

Old Five opened the battle invitation and read it, and sneered, “Ryanorrow, our Martial Alliance will definitely attend the appointment, let your Sect Master wait for his death.”

Old Fifth took the war invitation and walked back to the Martial Dao Alliance, while Long Xingxu also left!

“Big brother, big brother, what a great thing .....”

As soon as he entered the door, Old Fifth started yelling.

## A man like none other and the man decree Chinese A Man Like No Other Chapter 1838

After all, they were all worried about how to catch Kai, but they didn't want that Kai to come to their door personally.

"What's wrong?"

The boss asked.

"Big brother, look, that Kai dares to provoke us directly, this bogeyman, just so we can save ourselves the trouble."

Old Five excitedly handed the battle post to the Boss.

The Boss looked at the battle post and laughed out loud as well, "Since that Kai is seeking his own death, he can't blame us, after tomorrow, the symbols on the brothers' black robes will all be changed to gold."

.....

Dragon Sect!

Long Xingxu followed Kai and resumed his orders, sending the war invitation out already.

"Brother Kai, let's go for more people tomorrow, so if there are any accidents, we can also deal with them."

Long Xingxu was afraid that Kai would suffer a loss in the ring!

"No need, you guys still have your business to do."

Kai said indifferently.

Long Xingxu was stunned, "Brother Kai, what do we do?"

When the tournament is tomorrow, you bring your men to end the Wudao Alliance for me, and directly take over the Wudao Alliance.

In future, the Martial Arts Alliance will never be allowed to appear in Kyoto.

When Long Xingxu heard this, he immediately said excitedly, "No problem, I'll go and arrange ....."

This is a feat to end the Wudao Alliance and take it over.

If this could get out, it would definitely go down in history for a thousand years!

Shortly after Long Xingxu left, Pocky Hu found Kai, which took Kai a little by surprise!

"Master Hu, what are you doing here with me at this time of the day when you're not inside the gentle land?"

Kai asked strangely.

"Kai, there is someone who wants to see you ....."

Pocky Hu said.

"No, I have said that I am not seeing anyone today, I am not seeing anyone."

Kai shook his head.

"No, this person you must see, if you don't see him, I will cut you off ....."

Hu Ma Zi said with a stern face.

Kai froze for a moment, looking at Hu Pazzi incredulously.

"Master Hu, could it be that this person is a relative of your family?"

Kai did not understand why Pocky Hu had to let himself see this person.

“Never mind, you must see it today, or I won’t know you.”

Pocky Hu had a determined face!

Seeing Pocky Hu like this, Kai could only nod helplessly, “Alright, Master Hu, this face, I still have to give it, go and call the person in.”

Upon hearing this, Pocky Hu burst into laughter and then ran out!

Soon, Pocky Hu came back, and brought a woman with him!

When Kai saw this woman, he instantly understood.

It turned out that this woman was no other than Zhou Jie of the Demonic Spirit Sect, only to see that Pocky Hu had a flattering look on his face and his eyes were staring deadly at Zhou Jie’s legs!

Seeing this, Kai almost couldn’t hold back his laughter!

“Mr. Chen is really busy, it’s really hard to see you, you have to ask for connections and go through the back door .....”

Zhou Jie saw Kai and said with a faint smile.

“Miss Zhou misunderstood, I just have an important matter tomorrow, so I want to rest more today.”

Kai explained.

“For the match with the Martial Arts Union?”

Zhou Jie said with a smile.

At this, Kai instantly froze, and the smile he was carrying on his face instantly disappeared.

Because this was something that Kai hadn't told anyone about, except for Long Xingxu, no one knew about it!

But this Zhou Jie knew about it, which had to make Kai rush to a frightening state!

"A match, a match of what?"

Pocky Hu was still dumbfounded, he didn't know that Kai was going to follow the official competition of the Martial Union.

"We agreed, you don't interrupt, if you do, get out ....."

Zhou Jie said as he glared at Hu Puzi.

Hu Puzi, on the other hand, hastily scowled, "Fine, fine, I won't ask ....."

Looking at Hu Pazzi's abject appearance, Kai was speechless for a while, this was being taken directly by the woman.

## A man like none other and the man decree Chinese A Man Like None Other Chapter 1839

Kai looked at Zhou Jie coldly and asked, "How did you know about this? This is something that I have just decided, it hasn't been announced to the outside ....."

Kai did not believe that Long Xingxu would have told Zhou Jie about this matter, since it was not Long Xingxu, then it must be someone from the Martial Alliance.

"What do you guess?"

Zhou Jie smiled lightly.

“You have arranged your own people within the Martial Dao Alliance, right?”

Kai asked.

Because as long as this was the only way for Zhou Jie to know about this so quickly, as well as about Su Yuqi, which should be a secret of the Martial Dao Alliance, but the Demonic Spirit Sect actually knew about it, then it proved that they must have someone within the Martial Dao Alliance!

And this person’s identity must not be low, otherwise it would be impossible to know these secrets!

Zhou Jie smiled, not admitting or denying it, because now and not following Kai into a partnership, so there were still some things that Kai could not know.

“Say, what do you want from me?”

Since Zhou Jie had used Hu Ma Zi’s relationship to see himself, there must be something going on.

“Our Patriarch admires you, so he wants to invite you to go to the Demon Spirit Sect for a visit, so that you can see the strength of our Demon Spirit Sect.”

Zhou Jie said.

“I don’t have time these days .....

Kai shook his head.

“I know, so I am not in a hurry here, when you have destroyed those people from the Martial Alliance and know the secret of the Martial Alliance dungeon, you will naturally believe us.”

Zhou Jie said indifferently.

“You’re so sure that I can win over those people from the Martial Dao Alliance?”

Kai looked at Zhou Jie with great confusion, he didn't understand how Zhou Jie could have so much confidence in himself!

"Of course, you will win for sure ....."

"Don't forget the agreement between us after the victory, follow me on a trip to the Demon Spirit Sect and you will know more secrets you want to know then."

After Zhou Jie finished speaking, she turned around and headed out the door!

Hu Ma Zi was following closely behind him, his eyes staring deadly at Zhou Jie's legs as his breathing became rapid.

If Zhou Jie's strength wasn't too strong, it was estimated that Hu Ma Zi couldn't help himself and would have pounced on him.

"Miss Zhou, can I go to the Demon Spirit Sect together?"

Hu Pocky asked with a fawning face as he followed behind Zhou Jia.

"You'll have to ask Mr. Chen about that, if he agrees, our Demon Spirit Sect has no problem with it!"

Zhou Jie finished speaking and gave Hu Ma Zi a meaningful glance before leaving.

Feeling Zhou Jie's gaze, Hu Puzi's body trembled and his entire body jumped up in excitement.

"My heart is getting drunk, is this what it feels like to be in love?"

Hu Ma Zi covered his beating heart and his whole body was intoxicated.

Kai walked out and could only roll his eyes when he saw that look on Hu Pazzi's face.

Everyone had their weaknesses, and perhaps Hu Ma Zi's weakness was women.

Kai told Long Xingxu to spread the word about following the Martial Arts Alliance to place a war invitation!

Soon, the entire Martial Dao Alliance was buzzing with excitement.

“It’s too awesome, this Kai actually challenged the Martial Dao Alliance again, and this time the people of the Martial Dao Alliance can go together.”

“That Kai disappeared for a while and became so high profile when he came back, could he have received some kind of inheritance?”

“You have to know that the Martial Dao Alliance is made up of seven Great Martial Marquises, and there are still two Martial Saint Artifacts in their hands, even if that Kai did get his inheritance, he would not be a match at all.”

“Wait and see, that Kai will definitely lose, let’s place our bets.”

Bets began to be placed on top of the Martial Dao Forum for a match between Kai and the Martial Dao Alliance!

Only a lot of people were betting on the Wudao Alliance to win!

After all, the Martial Dao Alliance now had seven Great Martial Marquises and two Martial Saint Artifacts, so Kai had no chance of winning.

But since Kai dared to send out the war invitation, he must also have his own plans and might just become a dark horse.

So there are also people who buy Kai to win, only that those who buy Kai to win are still in the minority compared to the Wudao Alliance, which proves that these people do not have very high expectations of Kai's strength.

.....

Inside the Wudao Alliance!

Seven black and silver robes gathered together, watching Kai advertise this matter with great fanfare, they felt that Kai must have some sort of conspiracy!

"Big brother, this Kai dares to provoke our Martial Dao Alliance with such fanfare, could there be a fraud?"

Lao San asked.

"I don't feel right either, he's only a Grand Martial Marquis by himself, how dare he challenge the seven of us? Not to mention that we still have two Martial Saint Artifacts in our hands, that Kai is obviously a sure loser."

"What exactly is his purpose in doing this man? There can't be a fraud, can there?"

Old Five also felt that Kai was up to something!

"Fraud or not, since that Kai has publicised this matter, our Martial Alliance must take it."

"There's also the fact that the Demon Envoy has only given us three days, we must capture that Kai."

"And in front of absolute strength, all schemes are futile."

The Boss had a cold look in his eyes.

"Big brother, I have a note, no matter what schemes that Kai has, we can make him mess up."

At that moment, the second one spoke up.

“What kind of scheme?”

The Boss asked with interest as soon as he heard this.

Then Lao Er spoke in detail in the boss’s ear.

After hearing this, the corners of the boss’s mouth lifted, “Just do it, you go ahead and do this .....

Lao Er nodded, and then left!

Soon, Lao Er walked into the dungeon and arrived at the place where Su Yuqi was being held!

Looking at Su Yuqi in front of him, Lao Er had a few cold smiles on his face.

Su Yuqi looked at the guy in front of her and frowned slightly because she sensed danger from this guy!

Don’t look at the fact that Su Yuqi had been locked up here for so long, but she hadn’t suffered any abuse or beatings!

After all, Su Yuqi’s blood was a superior cultivation resource, so without great power, who would dare to make a move on Su Yuqi!

But now, that old man’s gaze towards Su Yuqi contained a strong cold intent!

When he opened the cell door, he tied Su Yuqi’s hands and feet with chains!

This time, Su Yuqi panicked a little!

Su Yuqi’s eyes stared angrily at the old man, if he dared to violate her, Su Yuqi had long thought that she would rather bite her tongue and kill herself than to do wrong to Kai.

But instead of doing anything to Su Yuqi, that old man took out a leather whip made of tiger tendons and began to whip Su Yuqi’s body!

The intense pain made Su Yuqi clench her teeth to death!

Looking at Su Yuqi like that, Lao Er took out his mobile phone and actually filmed it!

On it was a clear record of Su Yuqi being beaten and covered in bruises.

Only after Lao Er was tired of the beating did he release Su Yuqi, and then left satisfied!

Walking out of the dungeon, Lao Er posted the video he had just recorded directly to the martial arts forum!

Very quickly, the video caused a buzz, with many people scolding the Wudao Alliance for being too domineering and beating up even women!

But there were even more people scolding Kai, all of them scolding him for being a scumbag who had no regard for his girlfriend's life.

"Brother Kai ....."

Long Xingxu walked up to Kai's room, seeming to have something to say.

"What's wrong?"

Kai asked.

Long Xingxu lowered his head, not knowing how to follow Kai.

Kai frowned: "If you have something to say, say it, if you have nothing to say, then get lost ....."

"Don't forget that you are now the Vice Sect Leader of the Dragon Sect, thousands of people follow you, don't be a grinder if you have something to say."

Seeing that Kai was angry, Long Xingxu then hurriedly handed his phone up and said, "Brother Kai, take a look at the video on it, it was just sent up by the Martial Arts Alliance."
