## A man like none other and the man decree Chinese A Man Like No Other Chapter 1851 - 1860

Soon, the Dragon Cutting Sword was entangled by the three!

And Old Five was wielding the Martial Saint's Sword and slashed fiercely at Kai, the turquoise mane of the sword whistling out!

Seeing this, Kai was left without a weapon in his hand, so he could only use the flesh of the Blood Demon in his hand as a weapon.

With a loud shout, Kai instantly danced the flesh of the Blood Demon into action!

Clang .....

With a crisp sound, the sharp blade maneuver surprisingly directly deflected the Blood Demon's flesh body.

At the same time, Old Seven was holding a ring-shaped sharp blade, which also came directly towards Kai, the sharp edge of which tore apart the void, emitting a sound of air-breaking bursts!

Seeing this, Kai leapt up and instantly let the ring-shaped blade fly past his feet, followed by holding the Blood Demon's feet and instantly wheeling the Blood Demon's flesh towards Old Seven!

Kai was using the Blood Demon's flesh body as a stick!

When the crowd saw this scene, they couldn't hold back their laughter for a moment!

They had never seen a fight like this before.

And the Blood Demon, a fellow who was also a lord thousands of years ago, was at this moment reduced to a weapon with his flesh body!

If this had been known to him, he would probably have died of anger long ago.

Above the grandstand, Zhou Jie's face was filled with pity and helplessness when he saw that Kai was actually using the Blood Demon's flesh as a weapon, this was simply a waste!

"Old Seven be careful ....."

Seeing this, the tiger fingers on his hands emitted a dazzling light, followed by a fist smashing out, a terrifying aura meeting Kai!

Kai did not show any weakness either, wielding the flesh of the Blood Demon in a tiger-like manner.

A powerful wind rose up, and the entire void in the ring became distorted under Kai's swing!

Boom boom boom .....

The boss smashed out a terrifying breath, only to have it blocked by Kai holding the flesh of the Blood Demon!

There was a violent explosion, and not a single scratch on the Blood Demon! On the contrary, the Boss only felt his wrists go numb and his arms trembled slightly.

"Fuck you ....."

Kai took the Blood Demon's flesh round and the whistling sound came instantly!

When the boss saw this, his face was shocked and he hurriedly retreated backwards!

But it was already too late, Kai had long ago wielded the Blood Devil's flesh and smashed it over.

If it hit, the blood demon's flesh would be fine, but the boss's head would have to burst into pieces!

“Big brother .....

Seeing this, Old Five fiercely threw the Martial Saint Blade in his hand, directly in front of the boss!

Clang .....

With a loud clang, Old Five's Martial Saint Blade was sent flying, while the Boss took the opportunity to take two steps backwards, dodging the blow!

Kai glanced at the Martial Saint Sword that was still flying in mid-air, and his eyes suddenly lit up, followed by a fierce force from his feet, directly grabbing towards that Martial Saint Sword.

This was a Martial Saint weapon, if they could take it for themselves, then their Dragon Sect would also have a Martial Saint weapon.

Even in Kai's absence, no one would dare to underestimate the Dragon Sect.

Old Five could see what Kai was trying to do, and he too leapt up in a panic!

He didn't dare to throw away the Martial Saint Artifact; if the Great Power knew about it, he would be punished.

Seeing that Old Five was about to get his hands on the Martial Saint Sword, Kai directly used the flesh of the Blood Demon in his hand as a dart and threw it towards Old Five.

Old Five was unable to dodge and viciously followed the flesh of that Blood Demon as it collided with it!

What was even more coincidental was that the two of them collided face to face, mouth to mouth.

This disgusted the old man!

The tremendous impact caused Old Five's body to fall rapidly, and his internal organs tumbled about!

Kai, on the other hand, took hold of the hilt of the Martial Saint's Sword in a smooth motion, and Kai instantly felt a burst of breath from within the Martial Saint's Sword.

Slowly falling to the ground, Kai reached out to catch the Blood Demon's flesh!

## A man like none other and the man decree Chinese A Man Like No Other Chapter 1852

At this moment, Kai was holding a sword in his right hand and the flesh of the Blood Devil as a shield in his left hand, and was provocatively slapping his sword on the flesh of the Blood Devil a few times, making a few crisp sounds.

Looking at Kai like that, several black and silver robes were a bit weepy and laughable.

"Go to hell ....."

This time, Kai had seized the Martial Saint Blade, and with the Blood Demon's flesh as a shield, he could completely ignore these Black Silver Robes.

With a wave of the Martial Saint Blade in Kai's hand, light instantly blossomed out, instantly heading towards several of the black and silver robes.

The turquoise light was several times more dazzling than that Old Five had used, and the Martial Saint weapon possessed the aura of a Martial Saint powerhouse.

With the addition of the power of the divine dragon within Kai, with this swing of Kai, instantly dozens of rays of light shot out from the Martial Saint Sword!

Seeing that the Martial Saint Blade was able to exert such great power in Kai's hands, Old Fifth's face was ugly!

It was the same weapon, but in different hands, it exerted different power!

This was enough to surface that Old Fifth's strength was incomparable to Kai's.

"Humph ....."

Seeing this, the boss coldly snorted, followed by the tiger finger in his hand emitting a brilliant and dazzling light!

Then both fists kept waving out, and a light directly met them.

Dozens of turquoise rays of light were directly smashed down, and it was evident that the Martial Saint weapon in this boss's hand was obviously more powerful.

"Not bad, it seems that the Martial Saint Artifact in your hand, will be given to me as well ....."

Kai said, the Martial Saint's Blade in his hand was once again raised, followed by a loud roar, the golden light around Kai's body continued to surge, and the power of the divine Dragon even swarmed into that Martial Saint's Blade!

It was only the first time Kai had used the Martial Saint's Blade, and there was not the slightest tacit understanding to speak of.

Now Kai also seemed to understand the Martial Saint Blade.

"Chop ....."

A several feet high sharpness instantly erupted from above the Martial Saint Blade, a dazzling light dazzling the eyes!

Along with Kai's swing of the blade, the huge blade instantly transformed into hundreds and thousands of dense streaks, enveloping towards the several black and silver robes!

This time, the blades were like a gale sweeping down, covering the sky.

Seeing this, the three black and silver robes could only resist to their death!

The oldest one kept waving his fists out, and a ray of light shot out, desperately stopping the locust-like blades.

Without the Martial Saint's Blade, the oldest five could only exude his energy to protect his body, and also desperately waved out a stream of energy with his fists to block them!

And that Old Seven threw the ring-shaped sharp blade in his hand high, spinning it so fast that it instantly rushed within that dense blade, desperately blocking it!

Boom boom boom .....

The blades kept smashing down and hitting the three men's bodies, and the three men's figures began to retreat backwards incessantly.

The oldest and the seventh were fine, the two of them still had weapons in their hands to block.

But that old fifth could only rely on his two fists to resist, and the strength of his own body!

But along with one blade hitting his body, a wound had started to appear on Old Five's body, and eventually his body was covered with wounds and blood, and it was unbearable.

"I'll see how long you can hold out ....."

Kai's voice was ice-cold as the Martial Saint Blade in his hand swung out once again!

The blade that was about to disappear was now once again falling as densely as if it was raining!

This time, several of the black and silver robes were going to collapse.

Poof .....

The old fifth couldn't take it any longer, a mouthful of blood spurted out and his body fell backwards heavily!

Only to see Old Five's body covered in wounds as several blades pierced through Old Five's body!

"Old Five ....."

The boss's face changed drastically and he shouted explosively, the tiger finger in his hand continued to emit a brilliant light as he kept moving in Old Five's direction.

He wanted to ward off these locust-like blades for Old Five.

At this moment, the ring-shaped sharp blade in that Old Seven's hand finally could not resist under the fierce wind and rain-like attack, and instantly turned into powder.

## A man like none other and the man decree Chinese A Man Like No Other Chapter 1853

After all, what he was holding wasn't a Martial Saint weapon, so how could he possibly withstand such a frenzied attack!

After Old Seven's weapon was turned into powder, his body was also instantly slashed by several blades, and his body flew straight backwards, cutting a deep gash in the ring!

Seeing this, the boss's entire body became hideous.

In the blink of an eye, Kai had continuously taken away the Martial Saint Blade, and now he had also directly injured Old Five and Old Seven, and now they were clearly at a disadvantage.

"Set up a formation ....."

Suddenly, the Boss burst out!

Soon, Old Five and Old Seven, who were originally seriously injured, all had a bright light in their eyes and sat up straight away!

And Old Three, Old Four and Old Six, who were holding back the Dragon Chopper, also instantly broke away from the battle and stood behind the Boss.

“Kai, I want you to die, I want everyone here to die .....”

The boss gritted his teeth and his face was hideous.

“Oh no, these guys are going to destroy their own souls .....”

The Demon Ambassador inside Ning Zhi secretly screamed a bad word and immediately said to Ning Zhi, “Go, get out of here .....”

Although Ning Zhi did not know what the Demon Ambassador was afraid of, Ning Zhi could only obey the order and hurriedly got up and left.

As he left, Ning Zhi looked back, “Kai, I hope you will stay alive and wait for my showdown with you .....”

No one noticed the departing Ning Zhi, everyone was still watching with great interest!

At this time the black and silver robed boss’s eyes slowly began to change colour, the whole pair of eyes no longer had white eyeballs, black looked very frightening.

The black and silver-robed bosses’ eyes slowly changed colour, their eyes no longer had any white eyeballs, and they looked very frightening.

Several of the black and silver robes looked at each other and then violently all swung viciously towards their hearts.

The boss’s sharp tiger finger instantly pierced his heart and a mouthful of blood gushed out!

The other black and silver robes also each used their own weapons and instantly smashed through their own hearts!

Scarlet blood flowed all over the place.

And the aura of these black and silver robes instantly withered and disappeared as they all collapsed to the ground!

At this moment, the crowd was all dumbfounded, not understanding what these Black Silver Robes were doing, why had they suddenly committed suicide?

But soon, a light began to flicker on the bodies of the several black and silver robes, and a rune flickered on the bodies of several black and silver robes.

It turned out that these people had runes etched on their bodies!

At this moment, the runes flickered, and the blood on the ground was instantly absorbed!

The spirits in mid-air, floating silently, were illuminated by the glow of the runes!

Soon, the crowd noticed that the bodies of the few black and silver robes that had originally died, however, suddenly moved.

Immediately afterwards, a terrifying aura emanated from the bodies of these Black Silver Robes!

The eyes of the several Black Silver Robes turned pitch black and their entire bodies acted very wooden, like puppet corpses.

The spirits that were floating silently in mid-air instantly burrowed into the bodies of the black and silver robes!

The pitch-black eyes of several of the black and silver robes seemed to instantly open up and turn blood red, looking even more frightening.

“What kind of spell is this? To sacrifice lives?”

Above the grandstand, someone spoke in confusion.

“The Martial Alliance has been in collusion with evil cultivators for a long time, so it’s not surprising that they know this kind of evil cultivation technique.”

“Let’s let Kai uproot this Martial Dao Alliance today, and save us from tarnishing the reputation of the Martial Dao community.”

“Relying on spirits all day long and cultivating with evil arts will never be able to comprehend the true meaning of the great unity of the martial dao world.”

Many people blamed the Martial Dao Alliance.

Only at this moment, the few black and silver robes had long since stopped listening to the crowd’s chatter, and as for any reputation or face, they didn’t care anymore, they were nothing but corpses at the moment.

“You are the first person who can force us to this point .....

The black and silver robed boss spoke up, only his voice changed to an old voice.

## A man like none other and the man decree Chinese A Man Like No Other Chapter 1854

Kai knew that it was the soul spirit within the black and silver robed boss that had taken over the main body.

“Hmph, you people who should have died long ago have caused turmoil throughout the martial world, today I will completely wipe you out.”

As Kai finished speaking, he put away the Martial Saint Blade and held the Dragon Chopper Sword in his hand!

Using the Dragon Chopping Sword, he was more at ease with it.

“I will give my life in exchange for the gates of hell to open .....

The boss suddenly shouted!

Immediately afterwards several black and silver robes knelt down on the ground in unison, followed by a path of light appearing from underneath them, followed by the light spreading rapidly in all directions!

In the end, the entire martial arts arena was enveloped.

At first the crowd didn't take it seriously, but when the ground shook and a black mist rose up around them, someone finally realised that something was wrong.

Rumble .....

The black fog came from all directions and wrapped up the entire martial arts arena.

And beneath everyone's feet, there was a black fog surrounding them, and these black as like shackles that held everyone's feet in a death grip!

At this moment, some people started to get scared, desperately struggling and screaming, trying to escape from here!

But soon they realised that there was no way to escape from the black fog, and everyone could feel that the energy in their bodies was slowly draining away!

Although the speed was very slow, they could still feel it.

Some people tried to stop it, but found that they couldn't stop it at all!

And several of the black and silver robes were surrounded by black mist, while the aura in them was growing!

It was obvious that the energy flowing from the crowd was being absorbed by these black and silver robes!

Kai frowned slightly, he didn't expect these black and silver robes to be able to perform this evil art!

Kai leapt up and the Dragon Chopping Sword in his hand instantly chopped out!

He could not let these black and silver robes continue, otherwise everyone here would be dead in the end.

Swish .....

The incomparably sharp sword qi instantly chopped towards that boss!

The boss actually didn't dodge or dodge, but also charged straight towards Kai!

The sharp sword qi instantly chopped on that boss's arm, directly severing that boss's arm!

And the boss's fist slammed heavily into the Blood Demon's flesh!

Kai's body instantly took several steps backwards, he could truly feel the change in this boss's strength.

Fortunately, he had the Blood Demon's flesh as a shield, otherwise Kai might have been injured by this punch.

But a sword that severed the boss's arm was a bonus!

But when Kai looked over, he found that the arm that had been chopped off had started to disappear rapidly, turning into a black mist.

The black mist then surrounded the severed arm of the boss, and a new arm grew out.

This surprised Kai!

Just as Kai was surprised, several other black and silver robes also attacked towards Kai!

In a flash, Kai was fighting six Black Silver Robes all by himself!

Although the Dragon Cutting Sword in Kai's hand was incredibly sharp, each sword could seriously injure a Black Silver Robe.

But these guys were undaunted, and even when their heads were cut off, they still managed to grow up intact, which made Kai's head hurt!

If it wasn't for the Blood Demon's flesh body as a shield, Kai wouldn't know what he had become at this moment.

But even so, Kai's body was already bruised and battered.

"Damn, these guys are all immortal now, and they can still absorb other people's energy endlessly, this can't go on ....."

Kai frowned as he struggled to hold on!

Now he was all strength but useless, even if the Chopping Dragon Sword was sharp, it was useless.

Boom .....

With a loud bang, Kai's body was hit hard again and he flew straight backwards, landing heavily on the ground!

It was already unknown how many times he had been knocked off his feet.

## A man like none other and the man decree Chinese A Man Like No Other Chapter 1855

Kai propped himself up on the ground with his sword and slowly stood up, looking at the few black and silver robes in front of him who had long since ceased to be human, his brow furrowed tightly!

Looking at the black fog rising around him, and the crowds of people who kept shouting, Kai knew that if he continued like this, everyone would be dead.

At this moment, the martial arts arena was a huge spell formation, and everyone was surrounded by this spell formation.

These black and silver robes had even more immortality in this huge spell formation!

Suddenly, Kai thought of something in the slightest!

These black mists were the most Yin Qi, which could be used as Kai's cultivation resources!

And the best way to deal with the spell formation was to find the eye of the formation and break the real one.

Or use a more advanced spell formation to suppress the other side!

Thinking of this, Kai put away the Dragon Cutting Sword and the Blood Demon's flesh.

With his eyes slightly closed, Kai's Heart Condensing Technique frantically began to run, and a huge suction force caused those black mists to begin to burrow towards Kai's body!

Kai's lost spiritual energy was recovering rapidly!

Moreover, the Runic Spell Technique inherited from the Heavenly Rune Sect was also flashing up in Kai's mind at this moment.

He had to find a way to deal with this spell formation!

Seeing the black fog around him continuously pouring in towards Kai's body, the black and silver robed boss frowned, "Quick, kill him, this son's flesh cannot be kept either ....."

But just as several of the black silver robes were about to make their move, Kai's slightly closed eyes snapped open, and in Kai's eyes, a blazing flame actually rose up!

"Blazing Flames Burning Heaven ....."

Kai suddenly pinched his fingers, and a disc in the shape of an eight trigrams instantly appeared in mid-air!

The eight trigrams were burning with blazing fire, and they were expanding, instantly enveloping the entire martial arts arena!

The flames began to consume the black mist and soon the crowd was free of their bonds!

Feeling the scorching heat of the flames around them, the hurried black silver robes instantly became nervous.

They had to know that this was Samadhi Flame, ordinary flames they were not afraid of, but Samadhi Flame, for them, the spirits, that was the nemesis.

They had never expected that Kai would still know such a high level of spell formation.

“Flee, flee quickly .....”

The boss bellowed, followed by several black shadows instantly burrowing out of the black and silver robe’s body!

These spirits had to take advantage of the power of fleeing before Kai had completely laid this fiery burning heaven, otherwise they would have to fly into dust and smoke.

As for these few flesh bodies, they didn’t care at all, they were all dead anyway, even if they were left behind, they would be useless in the future.

Several black shadows shot up into the sky, ready to scatter and flee!

“Want to run?”

A cold aura flashed in Kai’s eyes as he grabbed towards the void, and a soul was instantly grabbed by Kai.

Immediately afterwards, Kai opened his mouth and the spirit was sucked directly into his body and instantly refined by Kai’s Heart Condensation Technique!

The other few souls were all scared and did not dare to stay for a moment!

It looked like the spirits were about to flee from all directions.

Boom .....

The flames around the martial arts arena instantly rose several feet high, and the violent flames engulfed those fleeing souls in an instant.

Harsh screams rang out, and soon the souls disappeared, burned to a cinder.

“It’s too bad .....”

Looking at those soul spirits that were burned, Kai felt a great pity.

If he could devour these souls, maybe Kai could increase his strength a little!

Slowly the flames disappeared and peace returned to the top of the ring!

There were only a few corpses in black and silver robes, lying quietly on the ground!

Kai slowly walked up to that boss and bent down to take off that Tiger Finger, knowing that this was a Martial Saint Artifact, a Martial Saint Artifact could quickly raise a Martial Daoist family’s status!

What’s more, this time Kai had obtained two Martial Saint Artifacts, with these two Martial Saint Artifacts, the Dragon Sect’s status in the Martial Dao world would go to a higher level.

“Thank you .....”

A number of people began to say thank you.

Kai, on the other hand, nodded slightly as a return gesture!

“Kai, your strength is far higher than I imagined .....”

Zhou Jie stepped forward and said with a surprised look on her face.

“My strength, I myself don’t even know at what height.”

Kai smiled lightly.

Over the past year or so, Kai had always felt as if his path had been mapped out to march forward!

This was perhaps the path that his own father had laid out for him.

But since Kai had set foot on this path, no matter how difficult it was, he would go on.

“Now that your business is done, do you have time to make a trip to the Demon Spirit Sect with me?”

Zhou Jie asked.

“My girlfriend hasn’t been rescued yet, I have to go and rescue her first .....”

Kai couldn’t wait to rush towards the Martial Union!

Zhou Jie shook her head, and then followed suit.

When Kai arrived at the Martial Dao Alliance, at this time, the Martial Dao Alliance had long been taken over by Long Xing Xu with his men.

Only because the dungeon was protected by a formation, Long Xingxu and his men could not enter!

Kai walked up to the false mountain and gently touched his palm to it, and a talisman began to float in the air, and it glowed with a faint light.

This was the spell formation that protected the dungeon, and as the spell formation flashed, Kai's eyes swiftly swept over those talismans, and then with a glance, he found where the eye of the formation was!

With the Dragon Cutting Sword in hand, Kai cut out his sword, instantly destroying that formation eye, and the spell formation disappeared in this instant.

With a gentle push, the dungeon door opened, and Kai rushed into the dungeon impatiently.

Gu Ling'er and the girls all followed him in, for they too had not seen Su Yuqi for a long time.

Rushing into the dungeon, Su Yuqi was still locked up in the corner room, only this time, Su Yuqi had bruises on her body!

"Yu Qi ....."

Looking at the wounds on Su Yuqi's body, Kai felt a pang of guilt and heartache inside.

"Yu Qi, Yu Qi ....."

Gu Ling'er was also shouting loudly.

Su Yuqi looked surprised when she saw Kai and Gu Ling'er coming with them.

"You guys ..... how did you get in here?"

Su Yuqi knew that this was the Martial Alliance dungeon, it was not that easy to get in.

"Yuqi, Kai has already destroyed the Martial Dao Alliance, we will get you out now."

Gu Ling'er stepped forward and her hands pushed hard, trying to open the cell door that held Su Yuqi!

But no matter how hard Gu Ling'er pushed, the cell door wouldn't budge!

“Ling’er, don’t waste your energy, it won’t open.”

Su Yuqi shook her head towards Gu Ling’er.

Gu Ling’er looked towards Kai, she knew that Kai must have a way.

“Ling’er, you guys back off .....

After Kai finished speaking, a light faintly flickered above his palms, and then he gently pressed down on the cell door!

Soon, the entire cell glowed brightly, and a rune flickered around it, constantly rotating around it!

This was the spell formation that controlled the entire cell, and as soon as the formation was revealed, Kai could find out where the eyes of the formation were!

Kai carefully searched for the eyes of the formation from the complicated runes!

Boom .....

Kai struck out violently, smashing his fist into a certain spot of the spell formation!

This punch caused the whole dungeon to tremble and Kai was personally knocked out by the huge recoil, but the spell formation was intact.

This proved that Kai’s search for the formation eye was wrong.

Kai did not give up, still searching carefully, and then swung his fist again!

This time, it was the same result, Kai’s body was sent flying!

After a dozen attempts in a row, by now, Kai was already drenched in sweat and blood was flowing from the corners of his mouth!

“Kai, don’t try anymore, don’t try anymore .....”

Su Yuqi persuaded Kai, if he continued to try like this, Kai would be back-shocked to death alive by the spell formation.

“Try again, try again .....”

Once again, Kai’s hands gently touched the cell door, and the spell formation flickered and revealed itself!

This time, Kai closed his eyes slightly and felt the operation of the spell formation with his heart!

Just like that, Kai quietly felt it, and after a full ten minutes, Kai snapped open his eyes, followed by a flash of golden light above his right fist.

“Holy Light Fist .....”

Kai took a fierce breath, and slammed his fist down!

Boom .....

This time, after a loud sound, the spell formation actually began to tremble under Kai’s fist.

Seeing this, Kai was overjoyed and didn’t dare to hesitate in the slightest as he swung his fist once more!

Boom, boom, boom .....

Kai threw a dozen punches in a row, and Kai’s entire fist was already drenched in blood!

After a dozen punches, the spell formation finally couldn't take it anymore and collapsed with a bang.

Kai hurriedly opened the cell door and rushed in to hug Su Yuqi!

The two of them were hugging each other tightly, as if no one was there!

Kai could truly feel the warmth of Su Yuqi's body, so he did not believe Zhou Jie's claim that Su Yuqi was now nothing more than a reflection.

If it was an illusionary reflection, it wouldn't feel so real!

Kai followed Su Yuqi and hugged her for a long time, at this moment Kai's eyes were red, he had waited for this moment for too long, he had given too much for this moment .....

Gu Ling'er was also teary-eyed, following Su Yuqi as she hugged and talked, each seemingly having endless words to say.

Rumble .....

Suddenly, the ground shook and the whole dungeon began to shake as if it was about to collapse.

"The dungeon is going to collapse, hurry up and get out ....."

Zhou Jie said, and then quickly ran out of the dungeon!

The others hurriedly ran out after them.

Kai, on the other hand, was holding Su Yuqi's hand for dear life, not daring to let go for a moment.

After they escaped from the dungeon, the dungeon behind them collapsed with a bang, and the false mountain fell down with it!

The collapse of the dungeon also signalled that the Martial Alliance would become a thing of the past!

Kai looked at the collapsed dungeon and was filled with emotion!

“Miss Zhou, I hope that our cooperation can be based on trust and honesty, now that my girlfriend is here, whatever reflection you are talking about should be false, right?”

Kai asked as he looked at Zhou Jie.

And Zhou Jie smiled lightly, “If you have anything to say after your girlfriend, just say it quickly, your girlfriend is now out of the spell, so she won’t be around for long.”

“What are you babbling about?”

Kai looked at Zhou Jie angrily!

But at that moment, Su Yuqi suddenly shrieked!

“My feet, my feet .....

Su Yuqi looked at her feet and shrieked loudly.

Because at this moment, Su Yuqi’s feet were slowly disappearing!

When Kai saw this scene, he was instantly dumbfounded, and everyone else was also in shock!

Only Zhou Jie had a calm face, as if she had already known this outcome.

Surprisingly, Su Yuqi was slowly disappearing, and Kai was desperately pulling Su Yuqi’s hand!

He desperately poured his spiritual energy into Su Yuqi’s body, but it was useless, he could not stop Su Yuqi’s body from slowly disappearing at all.

“No, I won’t let you leave again, I can’t .....

Kai grabbed Su Yuqi’s hand with a deadly grip, and all the breath in his body gave out.

With a forceful swing, Kai fought with all his might and opened up a new space out.

This was the so-called secret realm, except that Kai was not strong enough, and this was opened up in his extremely frantic state.

Only this space did not stay for long before it disappeared!

Seeing that he could not stop Su Yuqi's disappearance at all, Kai turned his gaze towards Zhou Jie.

"Miss Zhou, I can agree to all of your Demon Spirit Sect's demands, as long as you don't make my girlfriend disappear now, I can give you whatever you want ....."

Kai stepped forward and pleaded with Zhou Jie!

But Zhou Jie shook her head, "No one can stop it, because she herself does not belong to this world, as I said, she is just a reflection, if you stop your girlfriend's disappearance now, what about her original body?"

"When her essence is returning, do you want to have two identical girlfriends? Is that possible?"

Zhou Jie explained after Kai, trying to get Kai not to waste his efforts, this is just a reflection, it's not worth it to Kai!

"No, I can't let her leave in ....."

Seeing that there was nothing Zhou Jie could do, Kai could only turn around and hold Su Yuqi in a deadly embrace.

He tried to use this method to stop Su Yuqi from disappearing, but it was still useless!

“Kai, don’t be like that, it’s not like I’m really dead and gone forever, if the me now is just a reflection, then you should let go, you should pull yourself together and go and get the real me out, shouldn’t you?”

Su Yuqi gently touched Kai’s cheek to comfort him.

Kai held onto Su Yuqi’s hand for dear life, “I promise, I promise I will get you out, even if it means going to heaven and earth, I will.”

Su Yuqi smiled faintly towards Kai, and slowly her whole body disappeared.

Not even a trace of breath was left behind, as if it had never existed!

Kai stood in a daze, looking at the emptiness in front of him, but he didn’t move a muscle!

When the crowd saw this, they all left, no one bothering him.

In this way, Kai stood in one place for three days and three nights .....

After three days, Kai’s eyes radiated light again!

He knew that Su Yuqi was right, he had to pull himself together, because Su Yuqi was still waiting for him to be saved!

Kai found Zhou Jie: “I will go with you to the Demon Spirit Sect, but you must promise me that you will help save my girlfriend .....

“You can rest assured of this, we know exactly where your girlfriend is currently locked up.”

Zhou Jie said with a faint smile.

Looking at Zhou Jie that way, Kai’s eyes narrowed slightly: “Who the hell are you people? Why do you know everything about the Martial Alliance? Your Demon Spirit Sect is not the master behind the Martial Dao Alliance, is it?”

Kai always felt that this Zhou Jie seemed to know a lot about the forces behind the Martial Dao Alliance, and even knew where his girlfriend was being held.

Zhou Jie smiled, "If we were the masters behind the Martial Arts Alliance, would we still need to go to such great lengths to work with you? I know you're suspicious, but because my powers are limited, there's not much I can tell you."

"But there is one thing I can tell you, the manipulator behind the Martial Dao Alliance is also a very powerful clan, and it's also a demon clan."

"So we know all these techniques of the Martial Dao Alliance very well, and even the spell formation that created such a realistic reflection of your girlfriend, our Demon Spirit Sect also does."

"Because we originally belong to the same lineage, when I say this, can you understand what I mean? As for something deeper, I don't know anymore, you need to go to the Demon Spirit Sect and follow our patriarch to talk in person."

"One lineage?" This time, Kai was a little confused, "Since it's one lineage, then why are you guys working with me and helping me, isn't that the same as hand-to-hand combat?"

"Hahahaha, you are so naive, where is there any hand and foot now, it's all just for their own interests."

Zhou Jie laughed hahahaha.

After hearing this, Kai was also dumbfounded, in today's society, even close brothers and fathers and sons would kill each other for the sake of interests, not to mention what a lineage would be.

Kai did not stay in Kyoto too much and followed Zhou Jie straight to the Demon Spirit Sect.

He was afraid that Kai would steal his woman, so in the end, he had no choice but to let Hu Pazi follow.

If Hu Pazi followed, the two of them would be able to take care of some things, after all, Hu Pazi sometimes knows a lot!

The three of them boarded a plane and headed straight for the small border town of South Lake City.

I don't know if it was Hu Ma Zi's intention or God's will, but Hu Ma Zi's seat was right next to Zhou Jie's. This made Hu Ma Zi very happy!

Although Zhou Jie's face did not look good, there was nothing he could do about it!

On the way, Hu Pazi had his fill of eyes, and his hands were not honest, so Zhou Jie could only stare at Hu Pazi with her eyes, but there was nothing else she could do.

It is not possible to fight on the plane, right?

Besides, Hu Pazi was with Kai, and the Demon Spirit Sect wanted to follow Kai's cooperation, so they couldn't offend Hu Pazi either!

Kai, on the other hand, had his eyes slightly closed and pretended not to see anything!

Only Pocky Hu's harassment was seen by a young man not far away.

This man had set his eyes on Zhou Jie as soon as he got on the plane, only that when he saw that Zhou Jie was next to a bad old man and was being taken advantage of by the bad old man, the young man's heart was a little uncomfortable.

"Hey, old thing, let's change places ....."

The man got up and walked up to Hu Pazi and said.

Hu Pazi raised his eyelids slightly, then said in a cold voice, "No change ....."

Then in front of the man, he put his hand on Zhou Jie's snow-white thigh!

Seeing this scene, an envious expression appeared in the man's eyes.

"Old thing, I'll give you 10,000 yuan to change places with me ....."

The man took out 10,000 yuan and dropped it directly onto Pocky Hu's body.

Hu Puzi didn't even look at the ten thousand yuan, and once again said in a cold voice: "No change ....."

This time, the man was a little angry, directly up to grab the collar of Hu Pazzi: "Old thing, don't give face to shame, do you know who I am? I am the young master of the Zheng family of South Lake Zheng Kai, you better give up your seat, or scare the plane, let you eat your way out ....."

Hu Pazzi still did not move, allowing that Zheng Kai to grab his collar, with a faint smile at the corner of his mouth: "Are you greedy? You also want to touch it?"

Zheng Kai was asked by Hu Pazzi like this, directly froze, then full of embarrassment said: "You ..... you nonsense, I was looking at you dishonestly, bullying this girl!"

"Who bullied? I touch my daughter-in-law, still need your control?"

Hu Pazzi had a sneer on his face, one hand still touching on Zhou Jie's leg.

Zhou Jie's face was expressionless, not moving a muscle .....

Seeing this scene, Zheng Kai was a little dumbfounded, he never thought that people were actually husband and wife .....

"This gentleman, the plane is dangerous in flight, please return to your seat ....."

At this time, the flight attendant came over and said to that Zheng Kai.

Zheng Kai could only helplessly let go of Hu Ma Zi and turned around with a huff to go back to his seat!

Just as Zheng Kai turned around, Hu Pazzi smoothly took out a talisman from his own pocket and stuck it behind Zheng Kai's back.

Zheng Kai didn't even notice and sat down on his butt.

Immediately afterwards, Zheng Kai kept looking at Hu Pazzi with angry eyes, but Hu Pazzi didn't care at all.

But not long after, Zheng Kai only felt his body itch like a thousand bugs were crawling all over his body!

Zheng Kai's expression became very painful and he kept scratching everywhere with his hands, but to no avail!

"It's itching me to death ....."

Zheng Kai couldn't help himself, he stood up and started to take off his clothes, trying to see if there were bugs on his body!

When the crowd on the plane saw Zheng Kai suddenly start to take off his clothes, they were all talking about it!
